

Where they start another round of Transform or Command!

So, that's the game?

Looks like a lame ass board game to me...

Oh, I can assure you guys, this is not a normal board game.

And it's everything but lame.

Huh?

Woohoo!

Boob
Sisters
forever!

After a nice breakfast with benefits Nicole hatches a plan and next Wednesday Lana is leading Gabriel and his new girlfriend to their frat room...

Please come in here. Everybody is waiting.

Man, she's eager to get us in there...

chuckle
Yes, yes. We are coming, Lana.

No need to walk that fast.

Last time on ToC we saw how Nicole enjoyed her victory back at Amara's place... Now, some days later, it's the weekend and we join Liz at her place as she is preparing a lovely breakfast for her Mistress...

We will obey.

Almost done.

End of Teaser

Hello, Hexxet here,

If you liked how ToC started, you will probably like this chapter. A new round of ToC starts with two new players joining the game. Who will change whom? And why are they doing all of this? What evil schemes has Nicole up her mind?

A 3D rendered scene featuring three characters in a dimly lit room. On the left, a man in a black long-sleeved shirt and jeans stands with his arms outstretched. In the center, a man in a blue button-down shirt over a white t-shirt and dark pants looks surprised. On the right, a woman with long blonde hair, wearing a black off-the-shoulder top and skirt, is seen from behind, looking towards the other two. Three speech bubbles are overlaid on the scene: one from the man in black, one from the man in blue, and one from the woman's perspective.

Awesome
work, friend!

She looks
delicious!

Holy F!
It really worked! That
game supersized my

So, what do you think, Gabriel?

How do I look?

Welcome!

Hiho!

You made it. Great!

Yo, what's up?

When will breakfast be ready, Liz?

Just a few more minutes, Mistress.

By the way, Lana. How's it going with that cute boy?

Not at all, mistress. He's dating another girl from class now.
