On vacation at Dr. Hibbert's Island, the Simpsons go to sleep after a brilliant turkey dinner, however, things on the island are a bit strange and suspicious...

Hahah! Why I'm so funny when no one's around?

AAAAH!

OH, but I AM around...

Welcome to my humble abode!

Agh! Let me go!

WUJAAHHKK!!!

Scared, Marge sees all the weird-stuff that fill Dr. Hibbert's laboratory

What is going on here?!

MARGE!

Marge! Get me out of here! Hibbert is crazy!

Why...what are you doing here?

He trapped me, that's what!

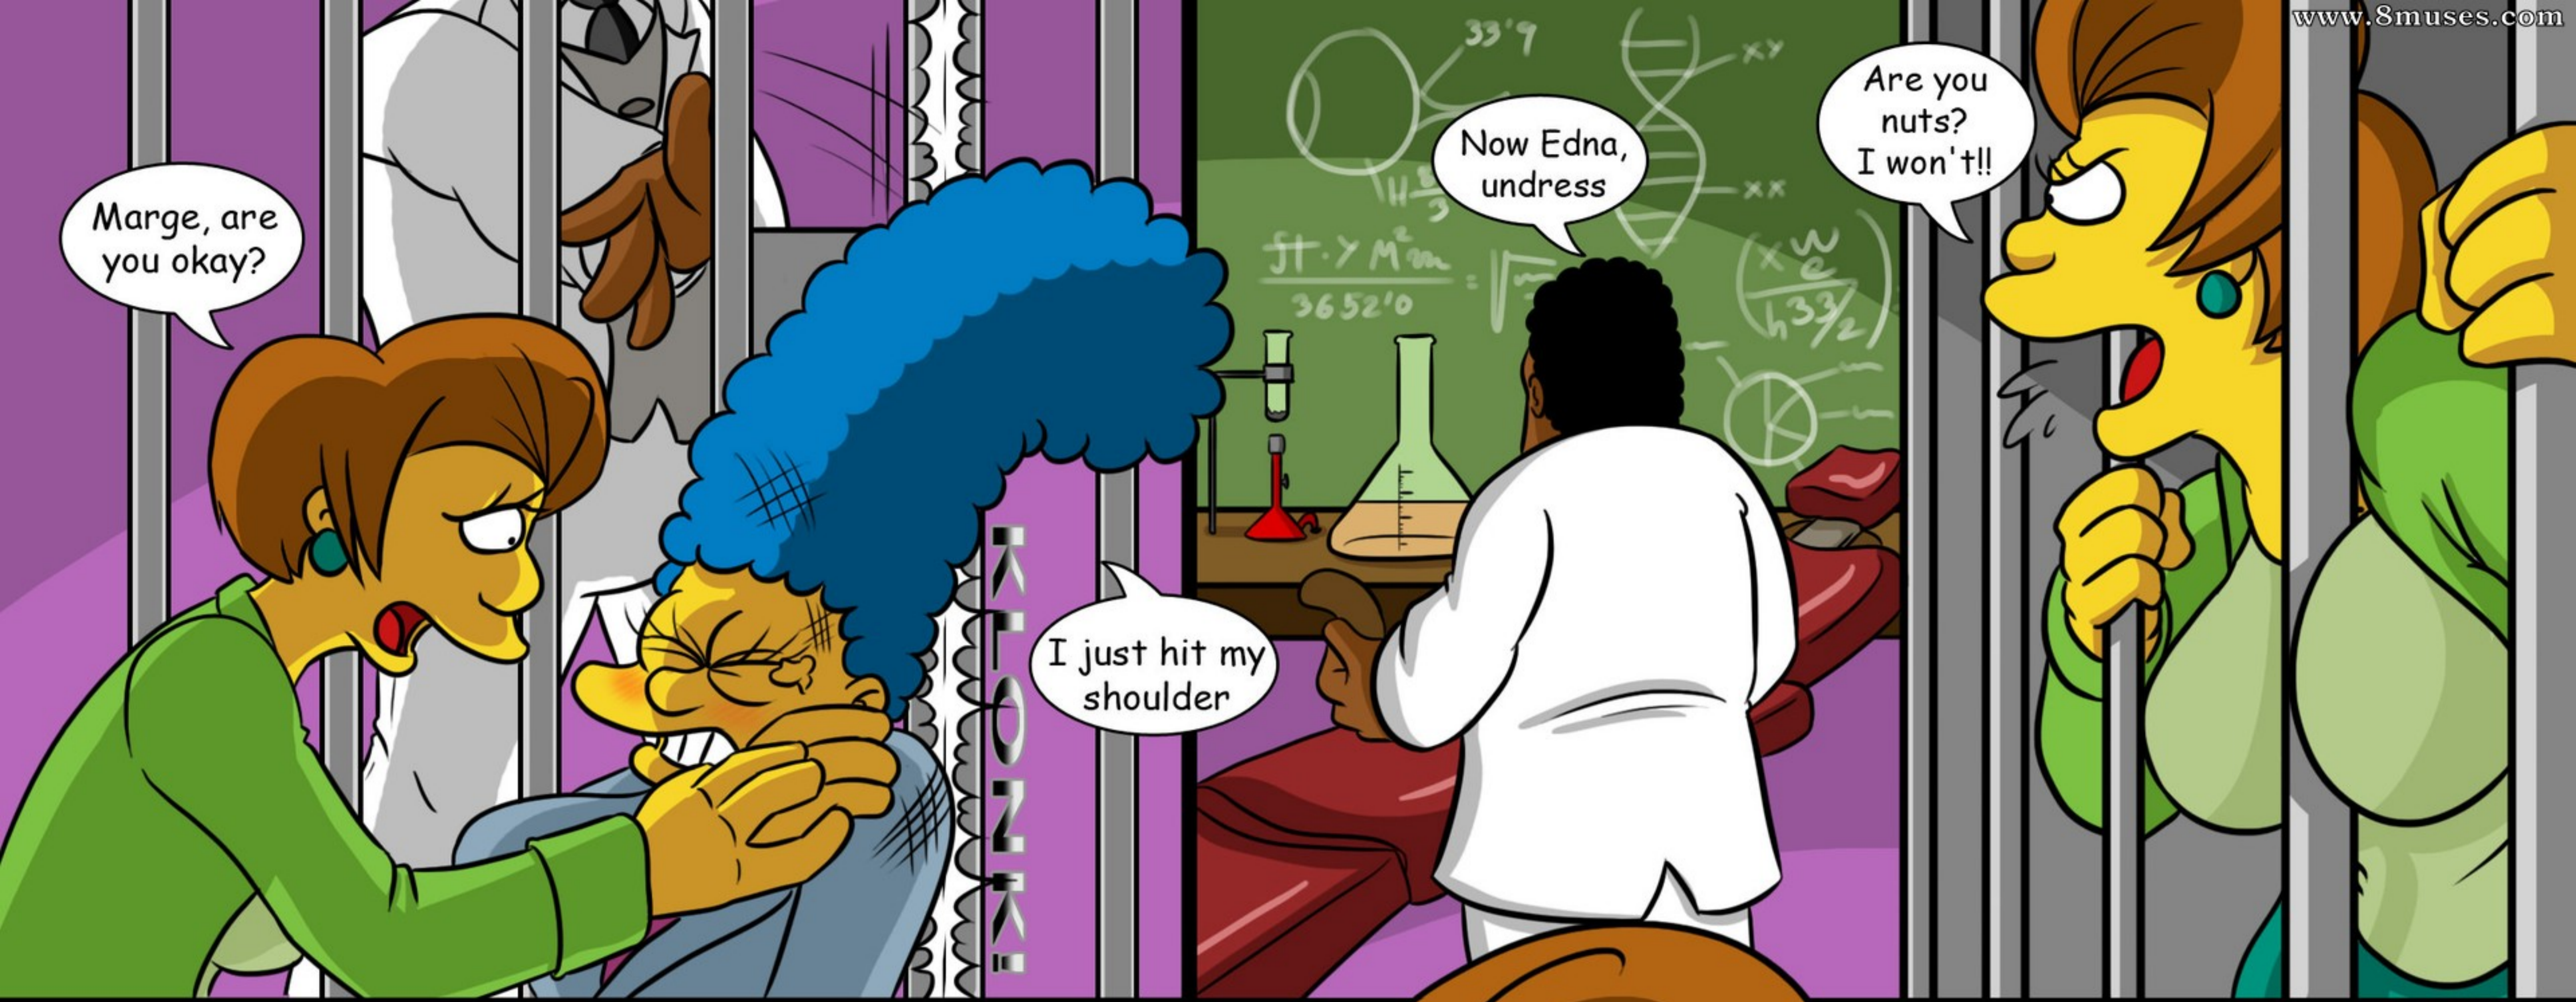

AUGH!

MARGE! NO!

POOMP

She won't be alone anymore...Marge...

Give Edna some company!

Forced by Dr. Hibbert and his gun, Marge and Edna get undressed, standing embarrassed before his eyes

Now Edna, you will be the first to experience progress!

Unable to move, she looks helplessly as Hibbert approaches with a huge injection-gun

This just will hurt... a lot, Edna!

Hibbert quickly ties Edna onto the lab table, despite her struggles

She screams in pain and horror, molten heat filling her body!

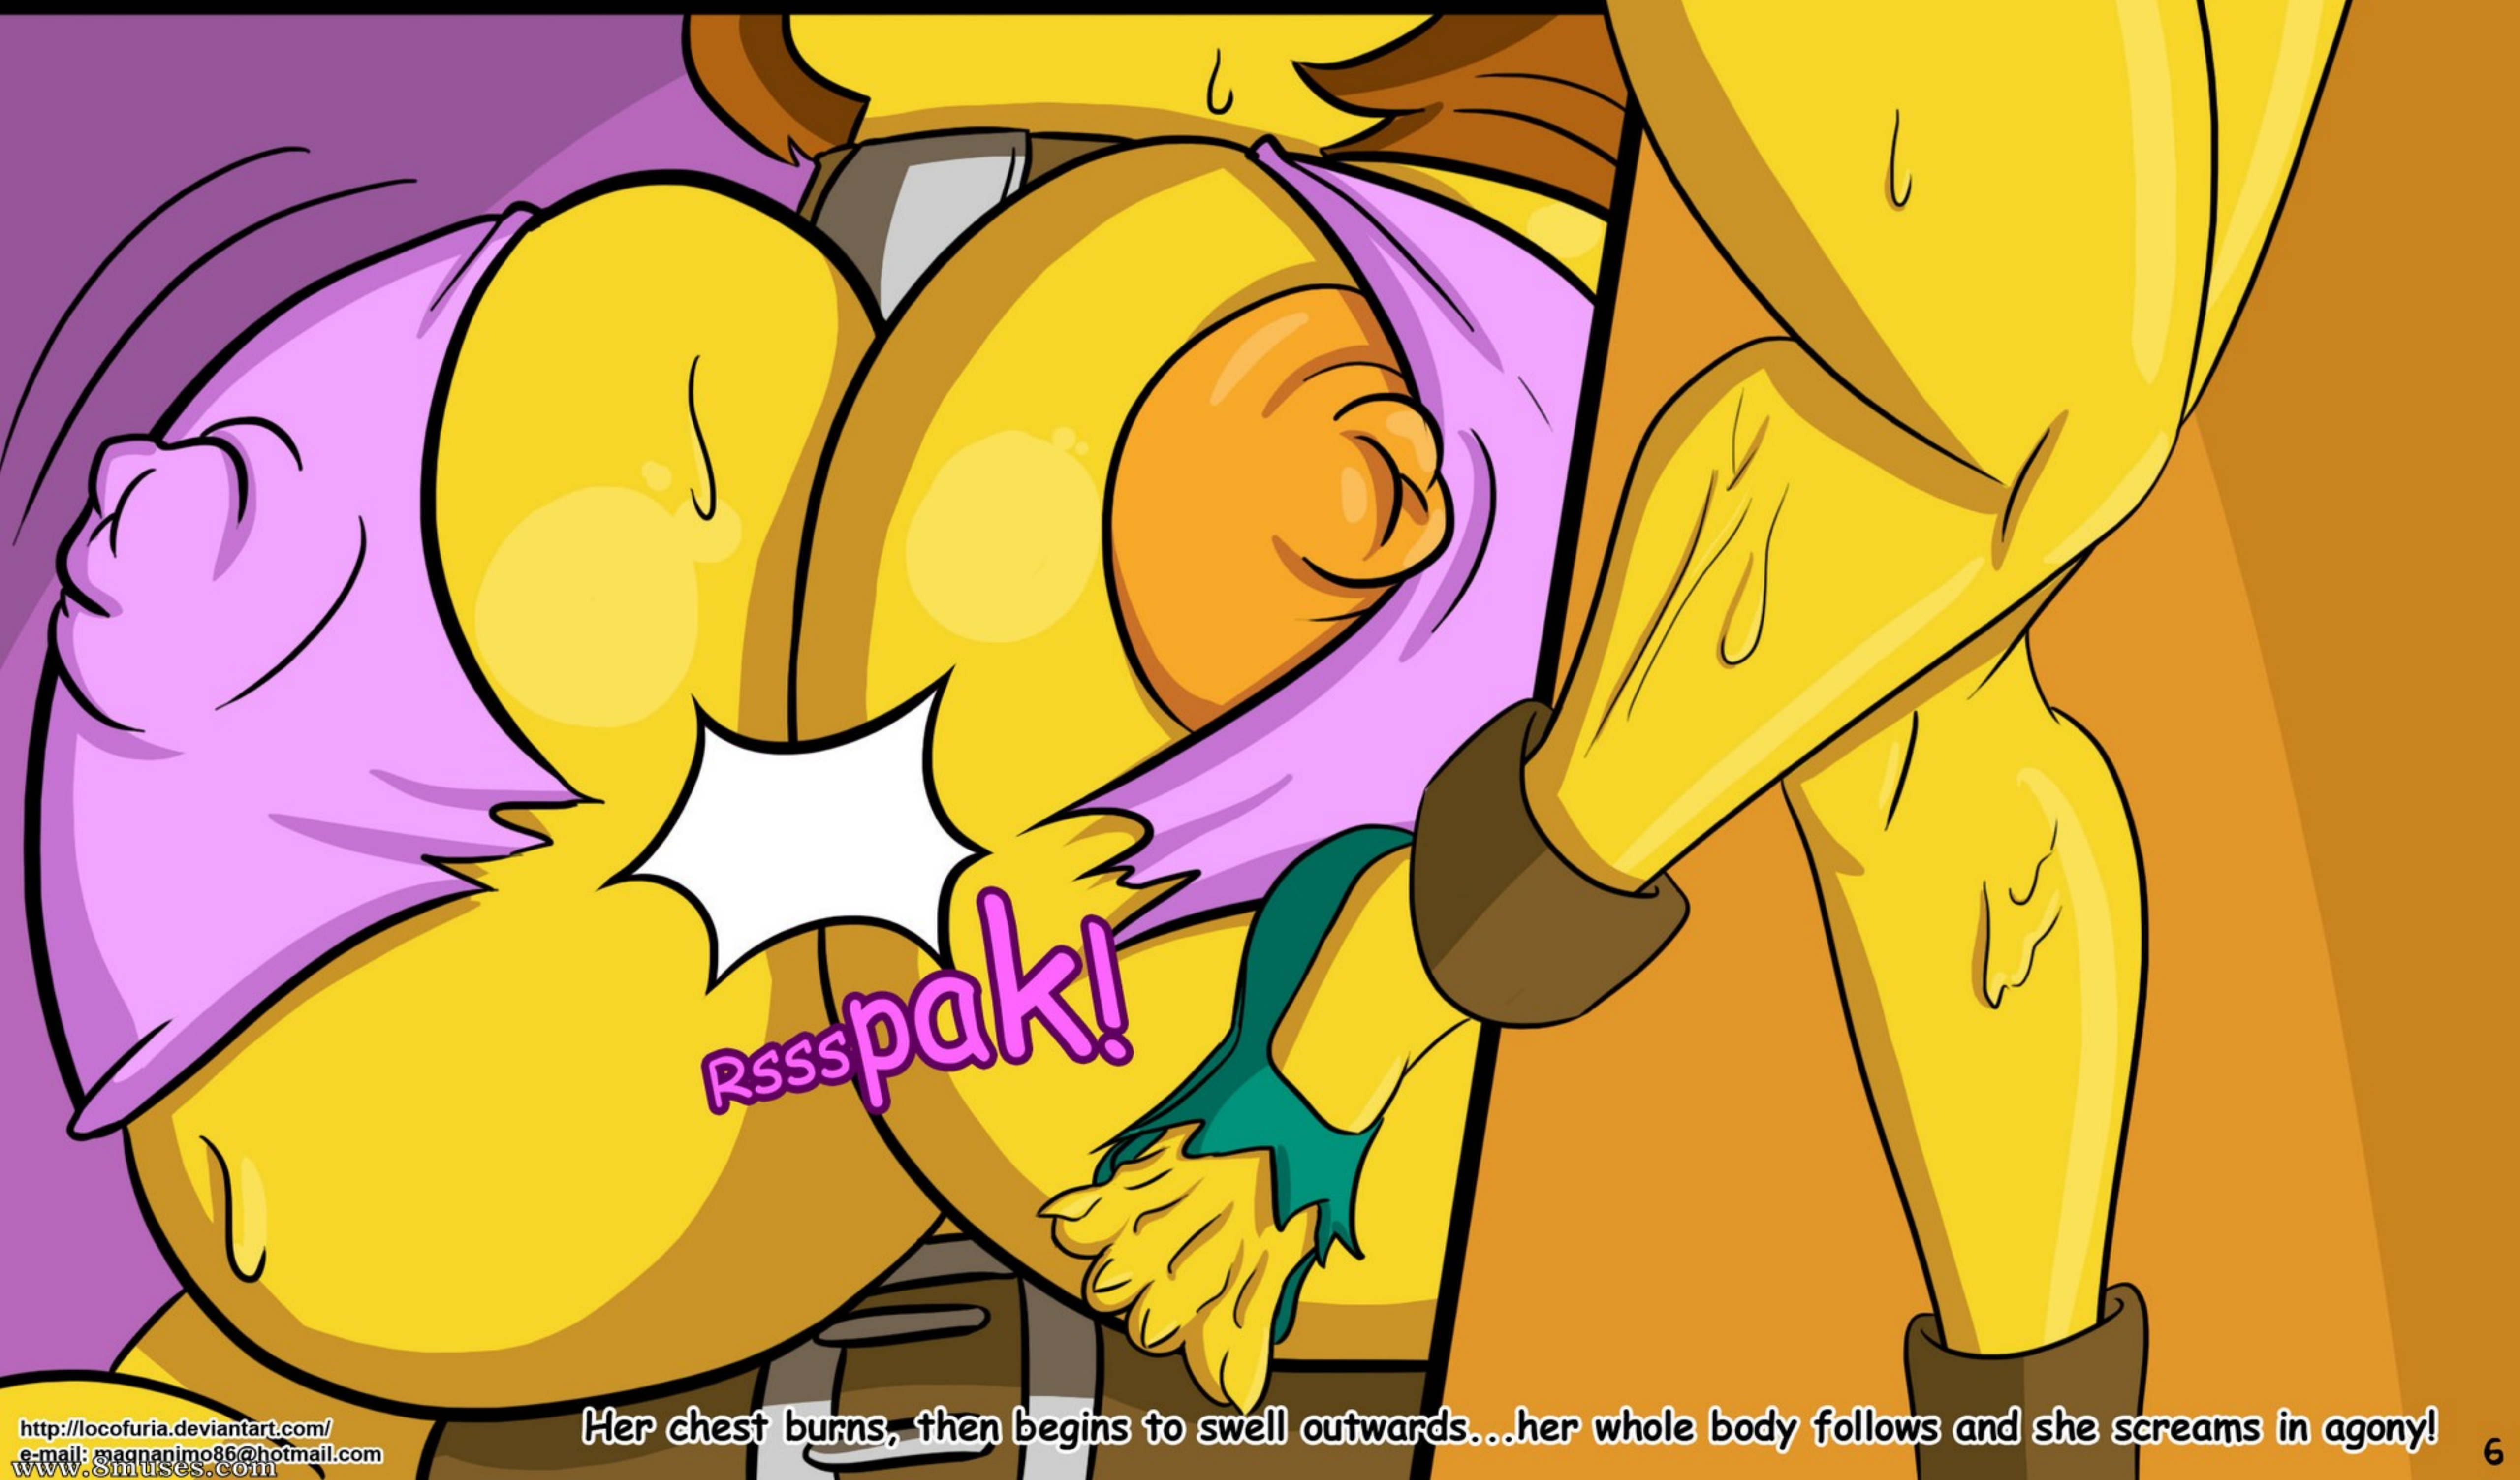

Unable to resist, Edna gets injected on her breast

Her whole body shakes as the heat runs through her veins, changing her from the inside!

Her hands and feet begin to warp, becoming huge and deformed claws

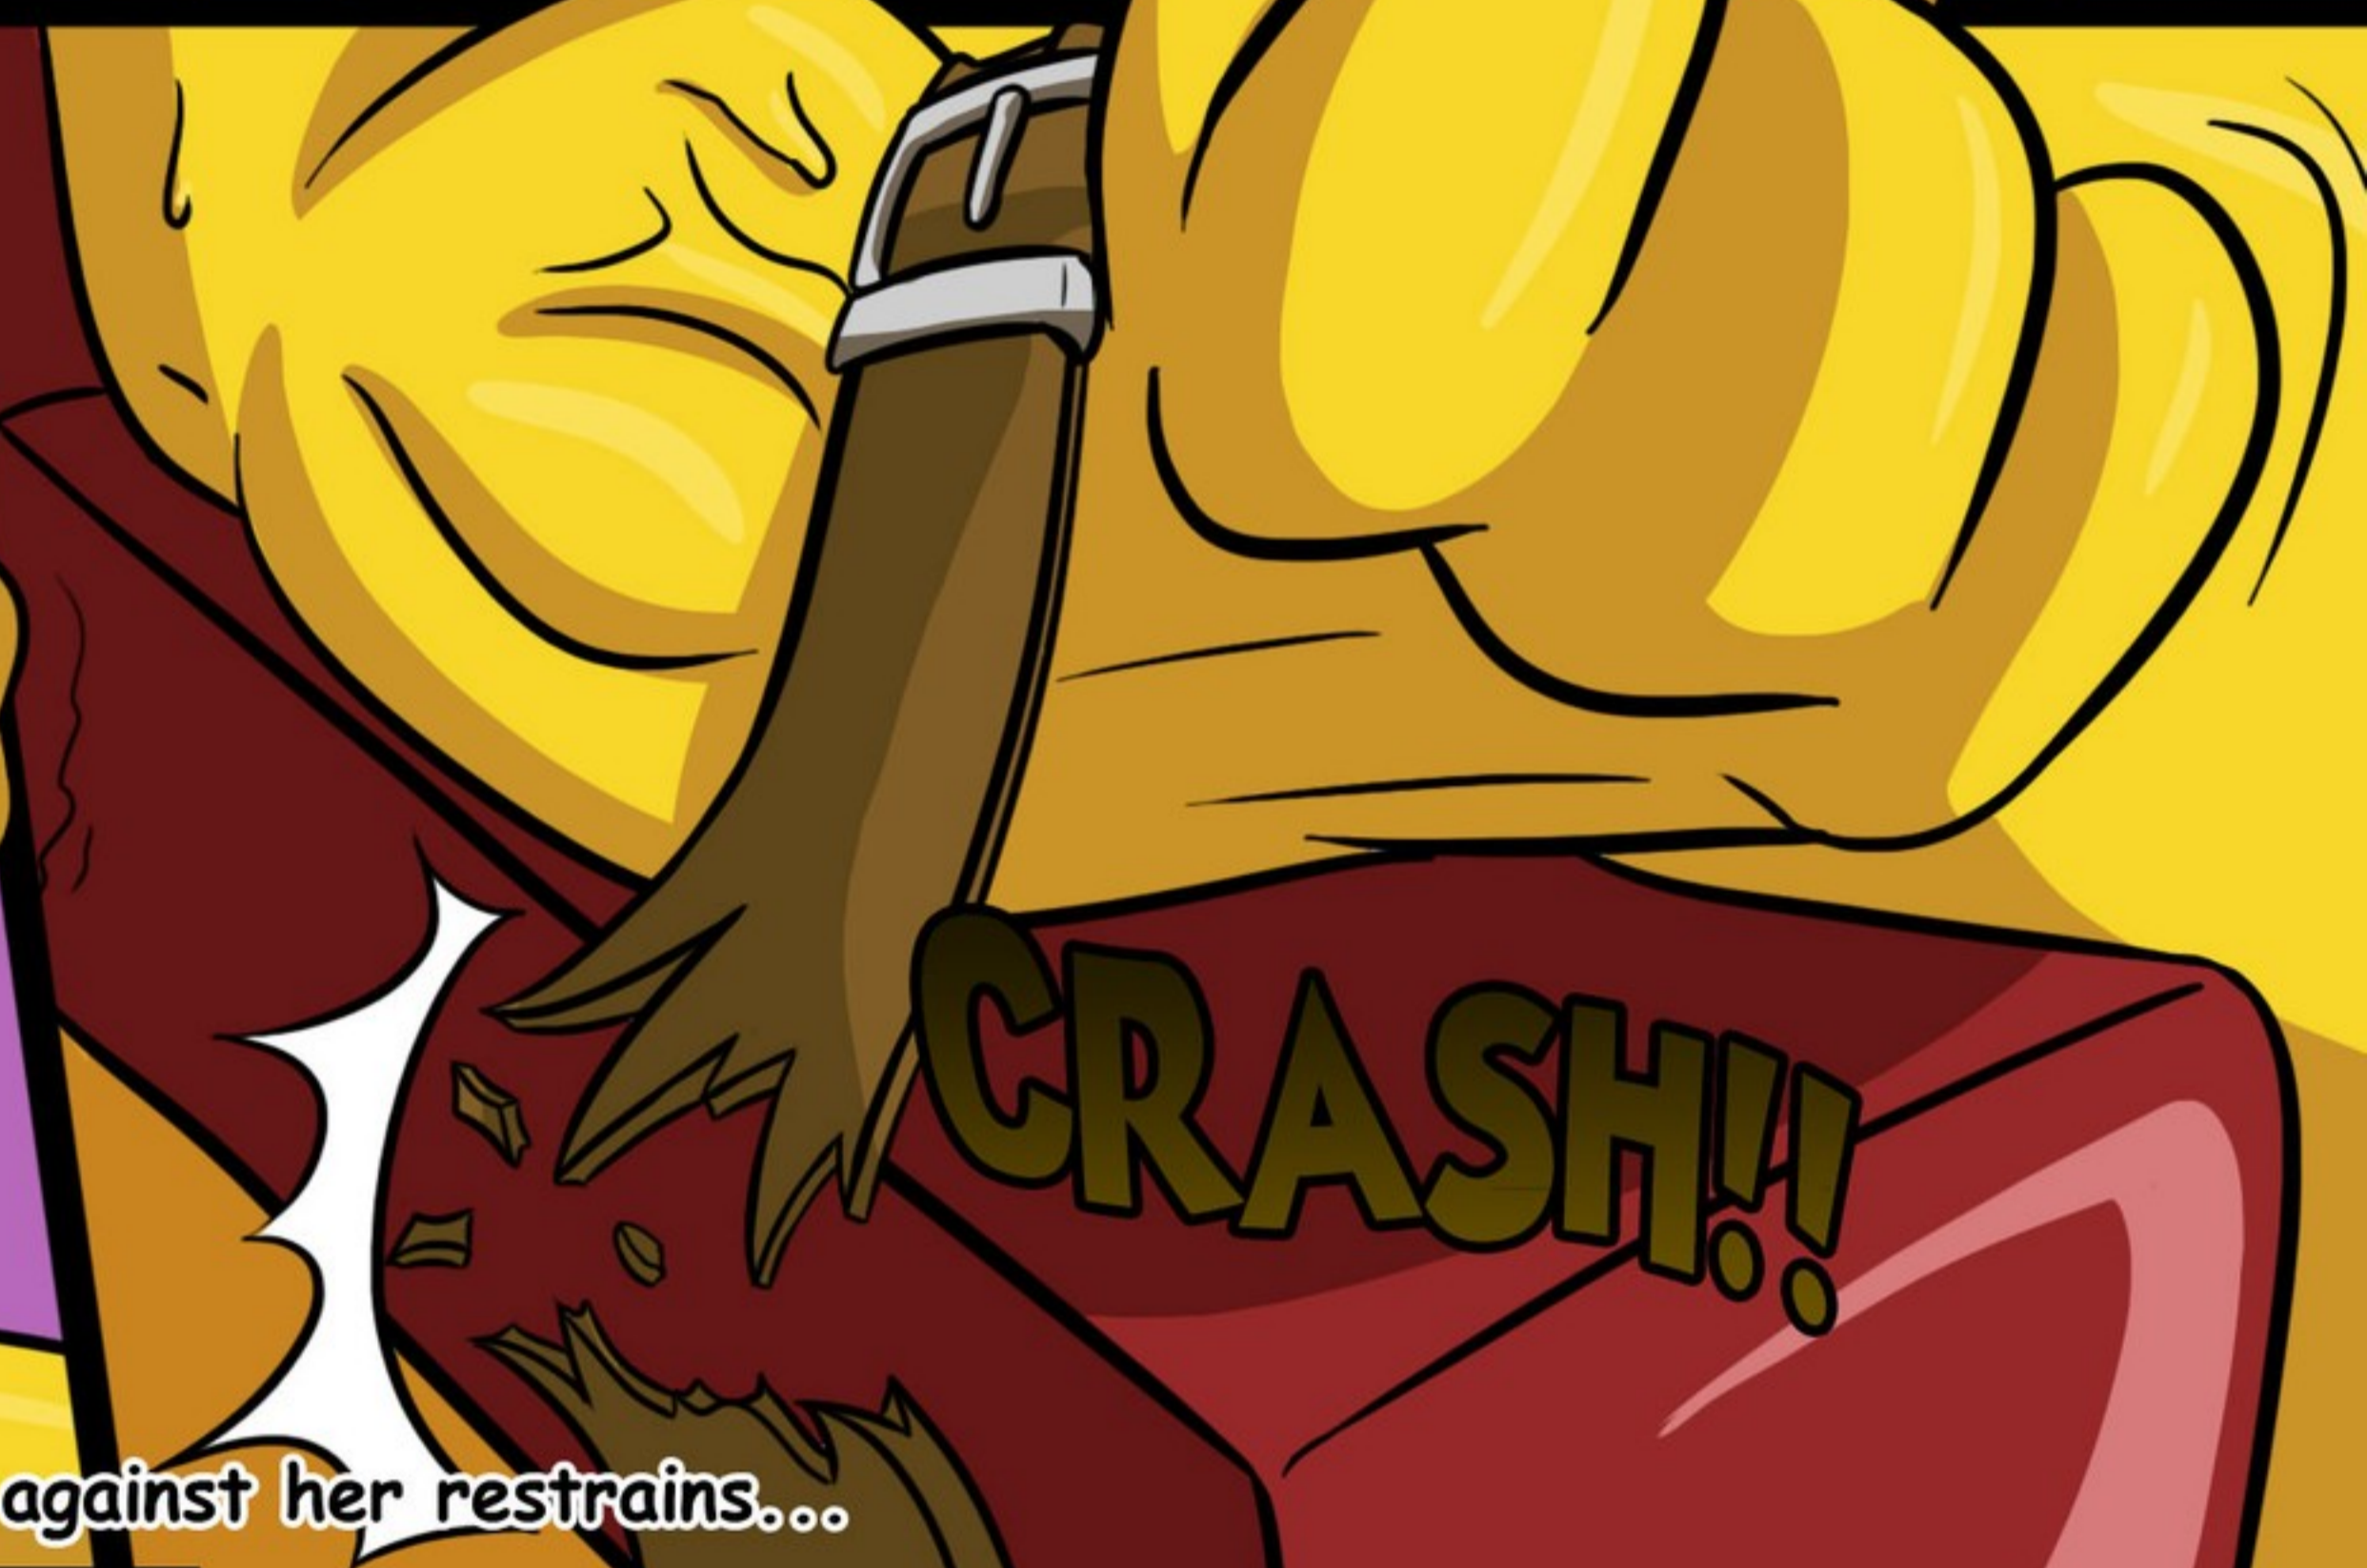

Her chest burns, then begins to swell outwards...her whole body follows and she screams in agony!

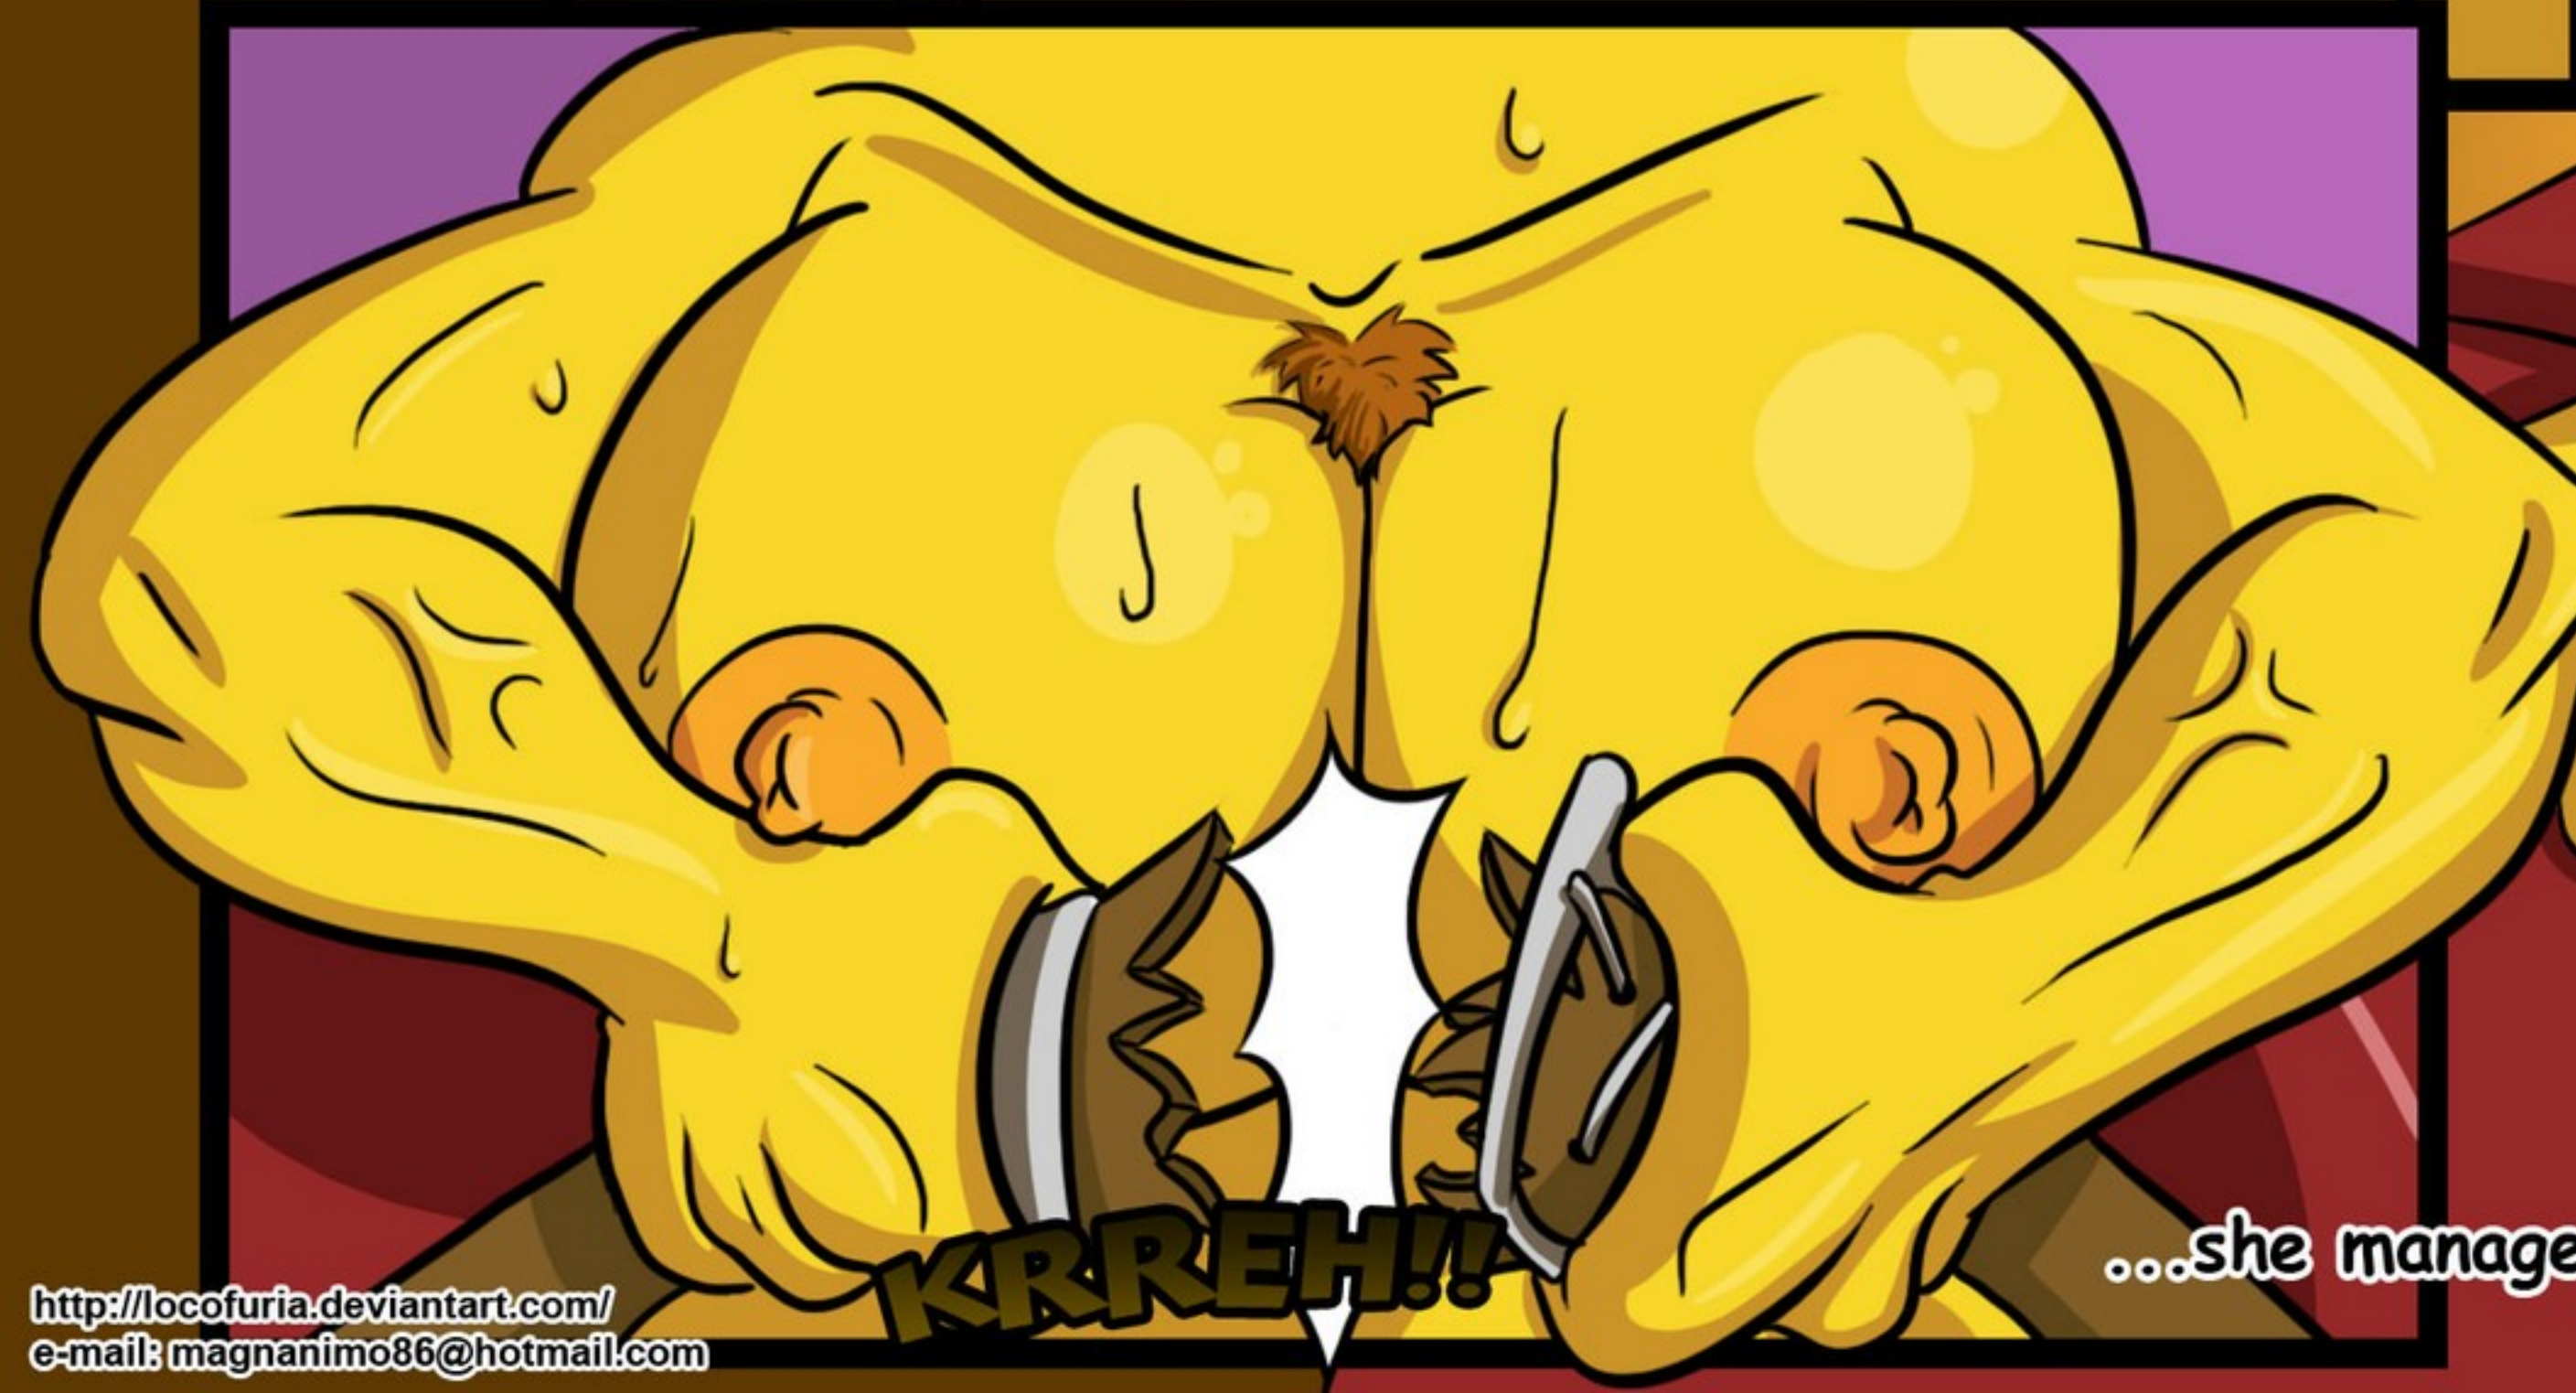

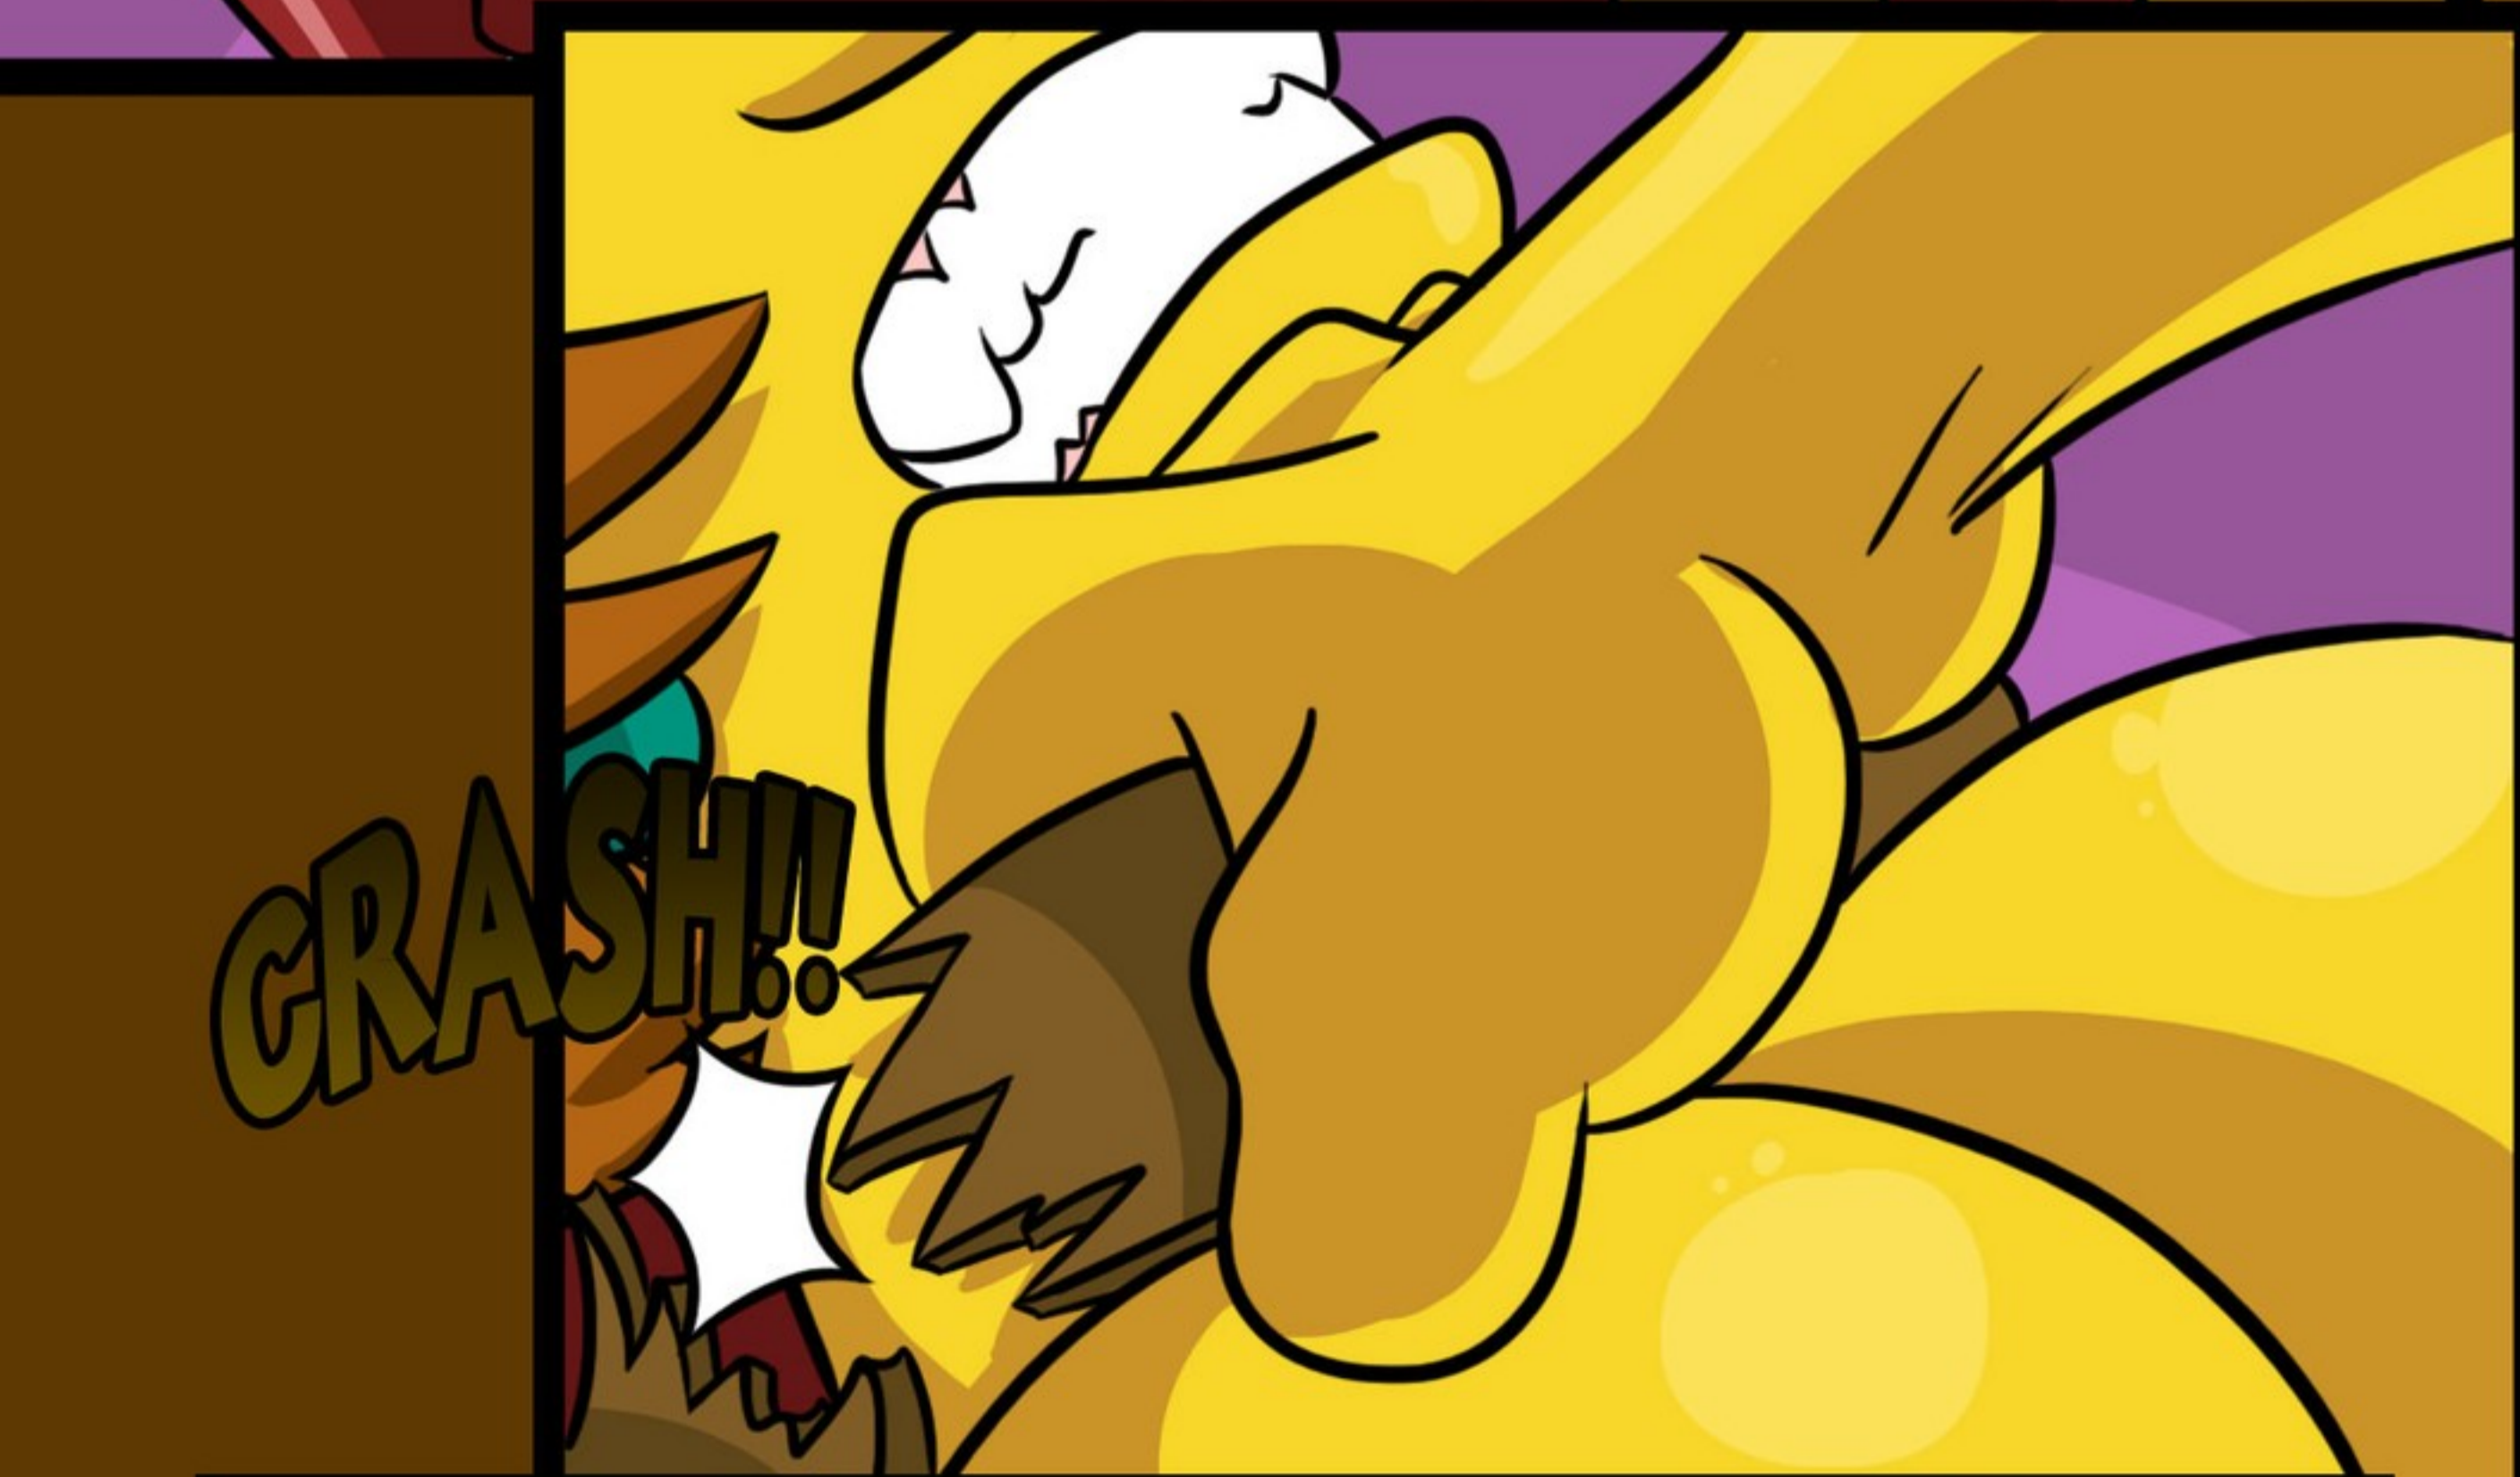

YAAAAAAAH!!!

Horrified, Marge witnesses from the back of her cell how Edna changes before her eyes, filling the lab with piercing screams

Caught in the throes of her agony, Edna pushes her changing body against her restrains...

...she manages to free herself...but her ordeal is far from over!

She belows a mighty roar, her face changing, big sharp teeth filling her mouth...

...and she roars louder, a long tail pushes itself from her swollen behind!

She begins to calm down, the heat within her diminishes as her body gets covered by a coat of spotted fur

Edna crumbles, exhausted by her horrific transformation

Good!
The experiment
was succesful!

Now is time for
your medicine, Marge!
Heh heh heh!

Nooo!
Let me go!

NOOOOOO!!

Marge curls in pain,
the same agonizing heat
now fills her body...

AAAAAH!!

My eyes!!

What is
happening
to me?!

My hands!
They're
changing!

Crrk

Crrk

She sees helplessly how her hands change into paws

The change travels up her arms, her body growing in size...

Her backside swells against her clothes, her feet ache tremendously inside her tearing shoes

Little by little they change...

...ripping the shoes apart...

...becoming animal paws!

Agonizing heat fills her chest...

It hurts yet feels good...

Her already proud bosom strains her bra, getting bigger and bigger...

SQUIRSHHHH!!

YEAARRRGH!!!

Until her humongous gazongas explode it apart!

BOONG!!

Shaking distressed and embarrassed, Marge feels yet another change taking place inside her panties

Oh no, what is happening to me now?!

What is this...?

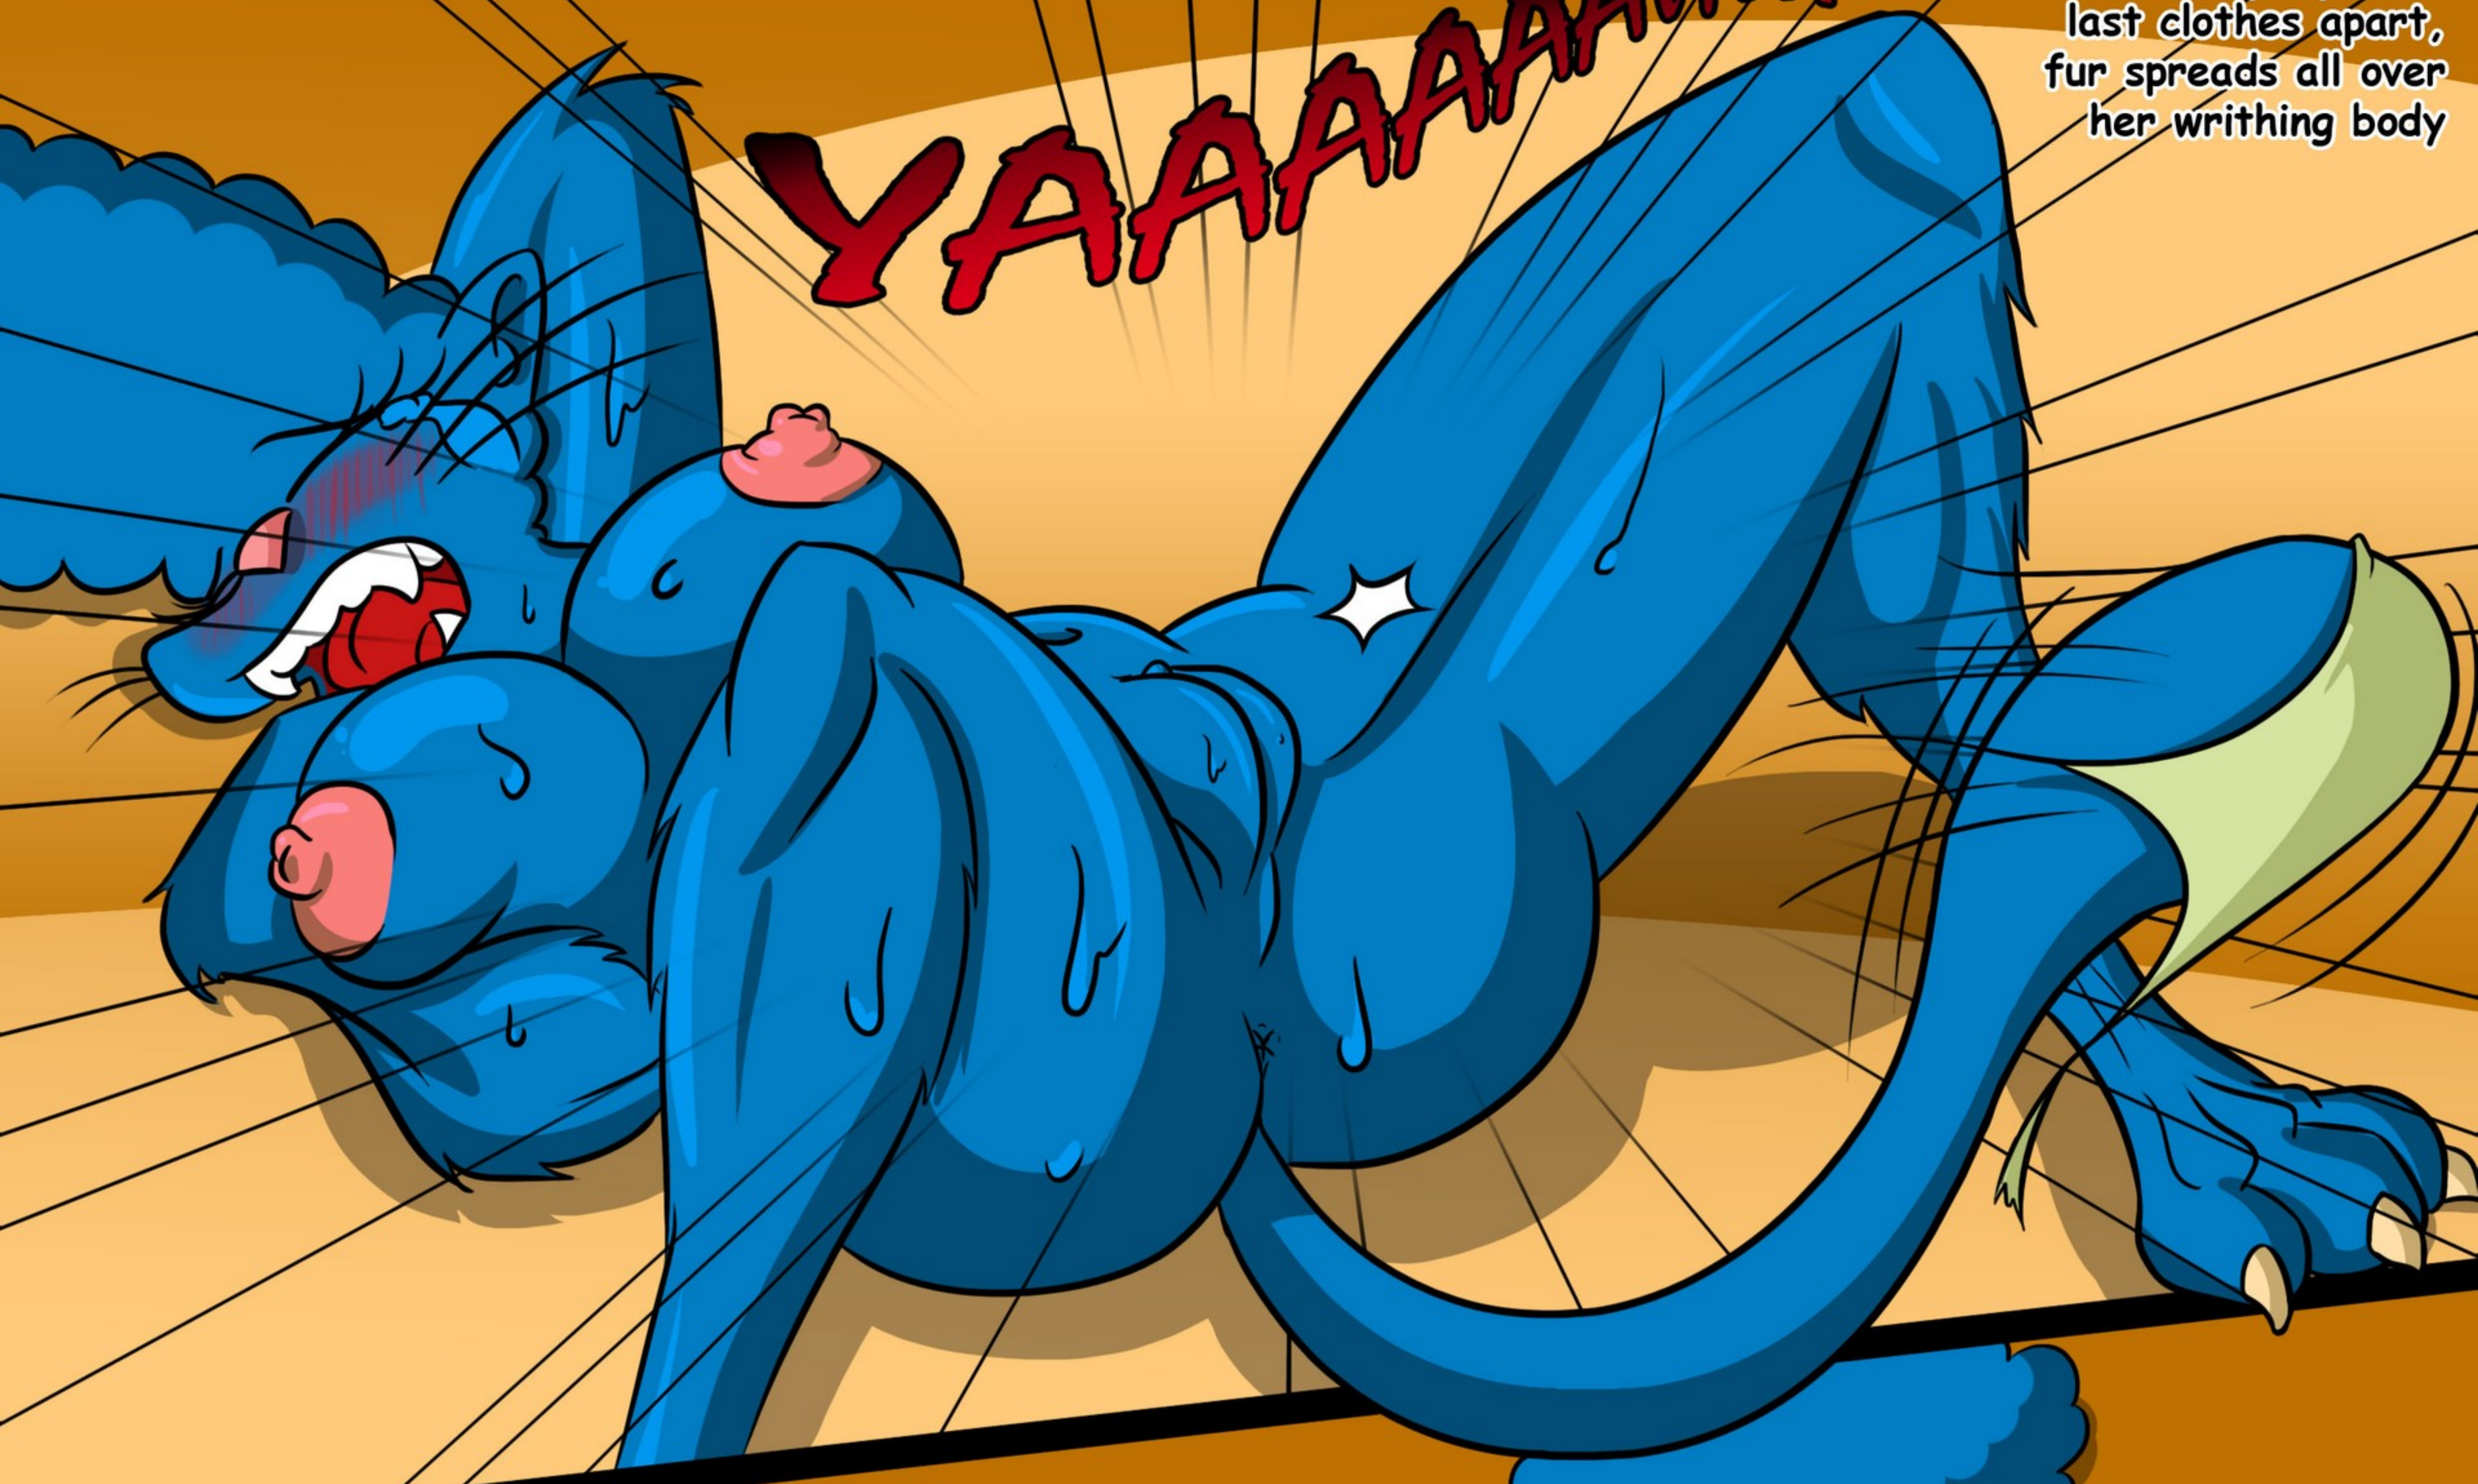

NOO! MAKE IT STOP!!

As she cries, her face changes and her mouth fills with carnivore teeth, her cries become roars!

With a last roar, her tail finally rips her last clothes apart, fur spreads all over her writhing body

YAAAAAAAH!!!

At last she faints, her transformation is over and her body covered by thick, blue fur!

Marge, are you ok? I...I think so Edna... Well well, you look really good!! Better than ever!

Shut up! You monster!!

They growl menacingly at Hibbert

So ungrateful, here, take this

MEOW!

Unable to resist their new instincts, they ravage the fish hungrily

Heheh...

What am I doing?

Animal instincts kick further, as they eat a new heat fills their bodies, they begin to purr lustfully

Edna, I feel soo...

Excited...?

Yesss...

Mmh...

Lust takes control of their bodies, thoughts of pure sex fill their minds as Edna begins to pleasure Marge, she purrs orgasmically

Edna, please...

You taste so good...

Edna!

Mmh...

Oh!

I know you want it, Marge...

Suddenly Edna turns around, offering her own dripping snatch to Marge

Don't be selfish, lick me too

Caught in desire, Marge happily obliges

YES MARGE!!

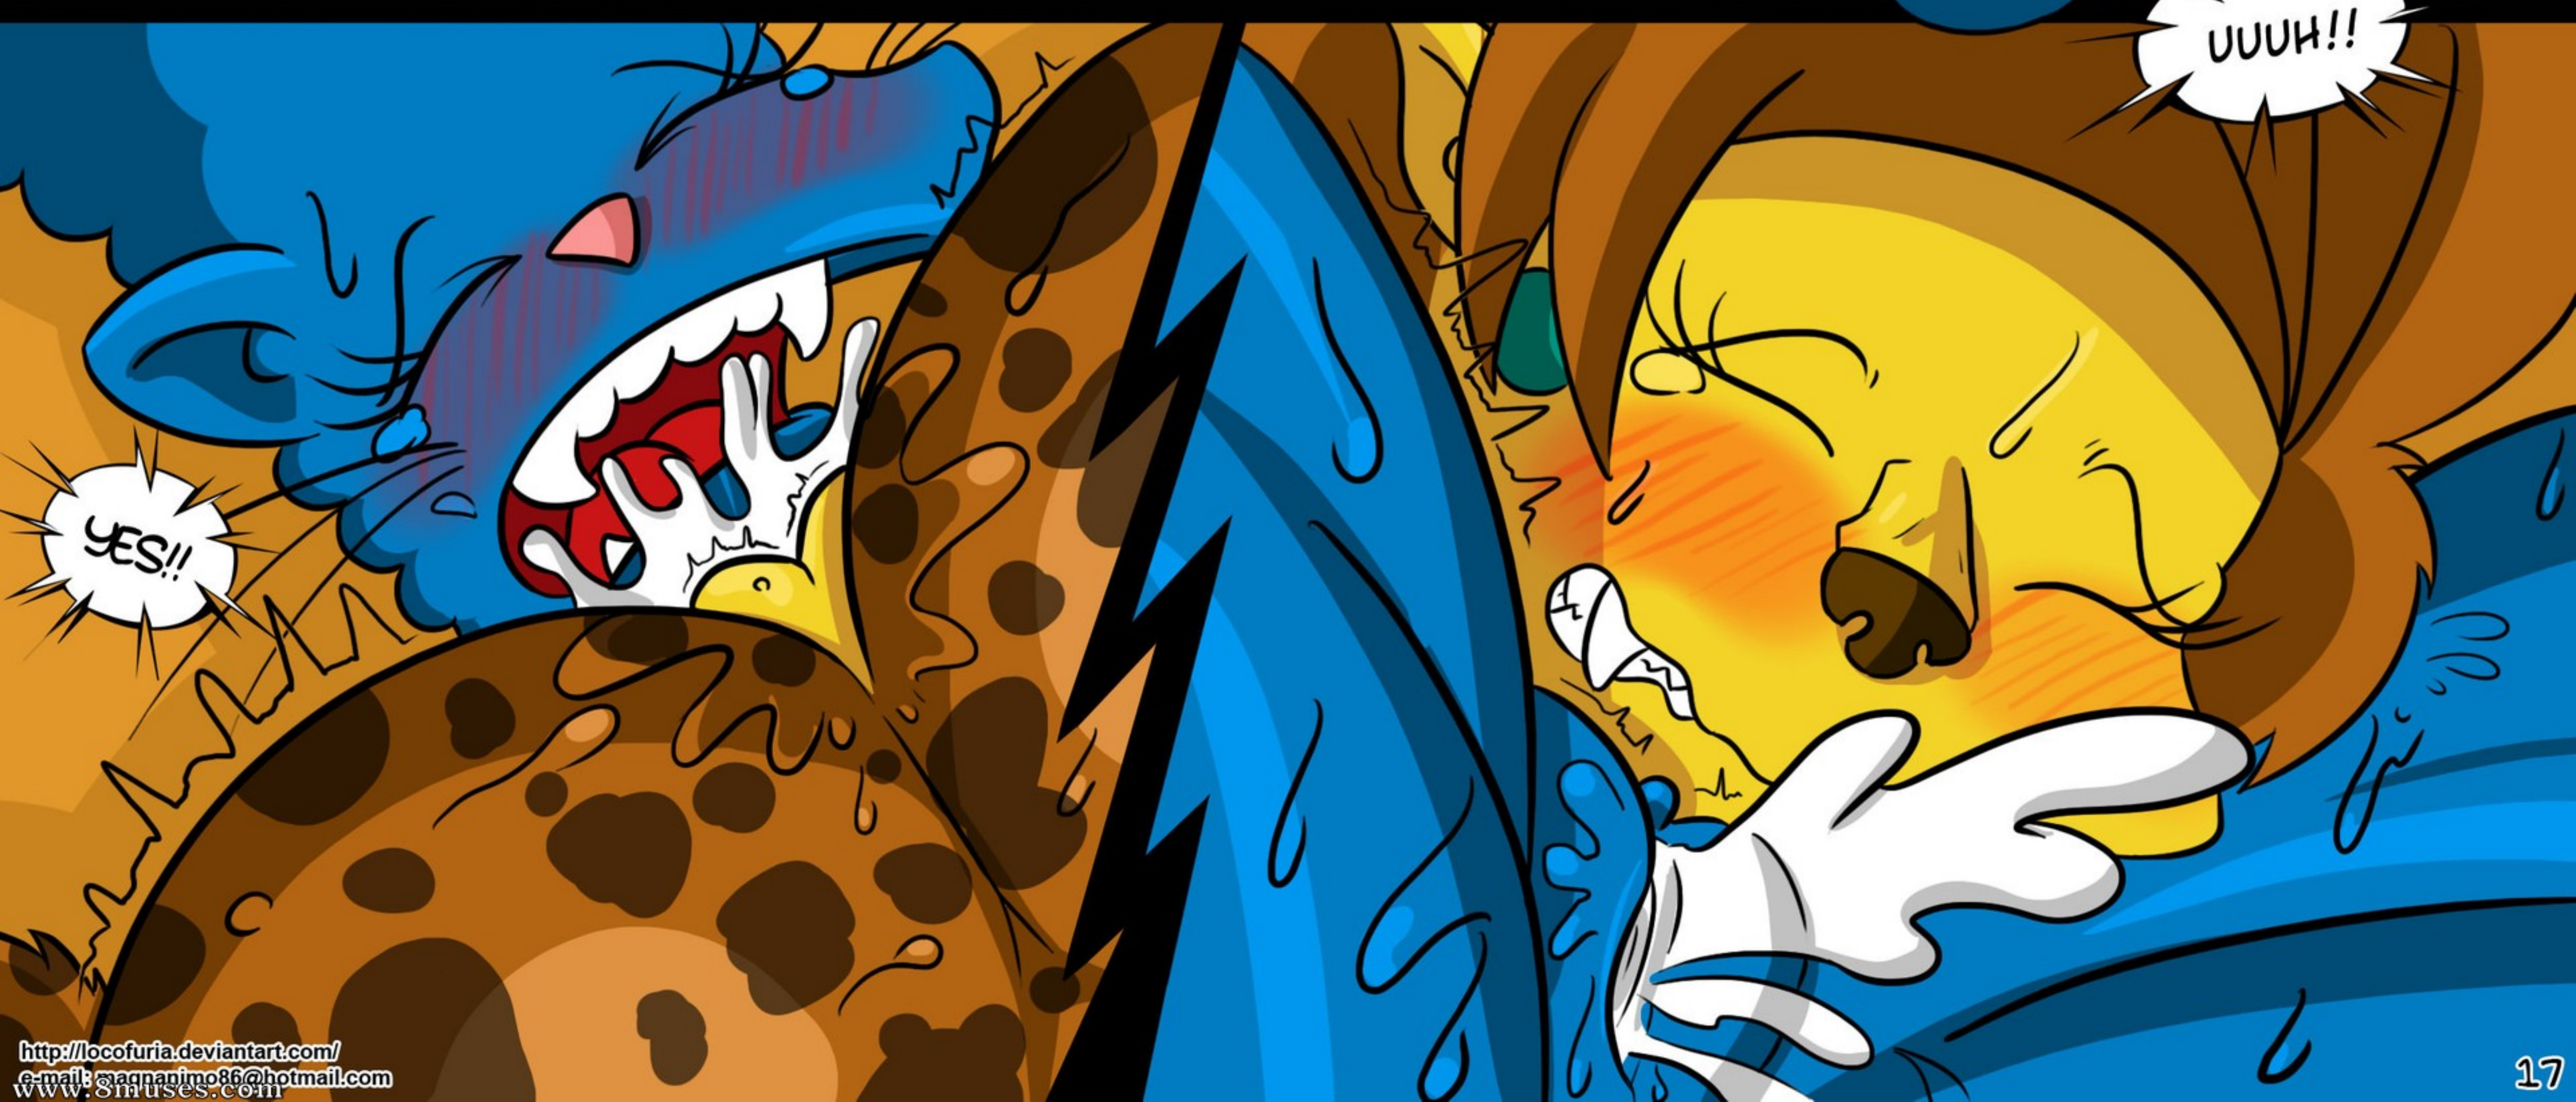

They lick each other to orgasmic heaven

Their purrs increasing in volume until...

UUUH!!

YES!!

This is a very desirable after effect

Both now are prey of their animal instinct

It would be a shame to waste it, right Edna?

C'mon... I know you want it...

Yes...

Mmm...

Don't be afraid...

MMMmm...

Take it all!!

MMMmm...

You're a good kitty Edna...

A very good kitty...

CHUMP!
CHUMP!
CHUMP!

Edna pleases Hibbert with gusto while Marge seeks her own pleasure desperately

Yes Edna, yes!

Purrrr...

Take it Edna!

You too Marge!

Is your turn Marge!!

Meow?

Marge rides his rod savagely!

Wild sex goes on and on!

Exhausted and fulfilled, Marge lays down but Edna still begs for more, purring at Hibbert

You want your fill, right Edna?

Allow me to comply!!

FLOP!
FLOP!
FLOP!

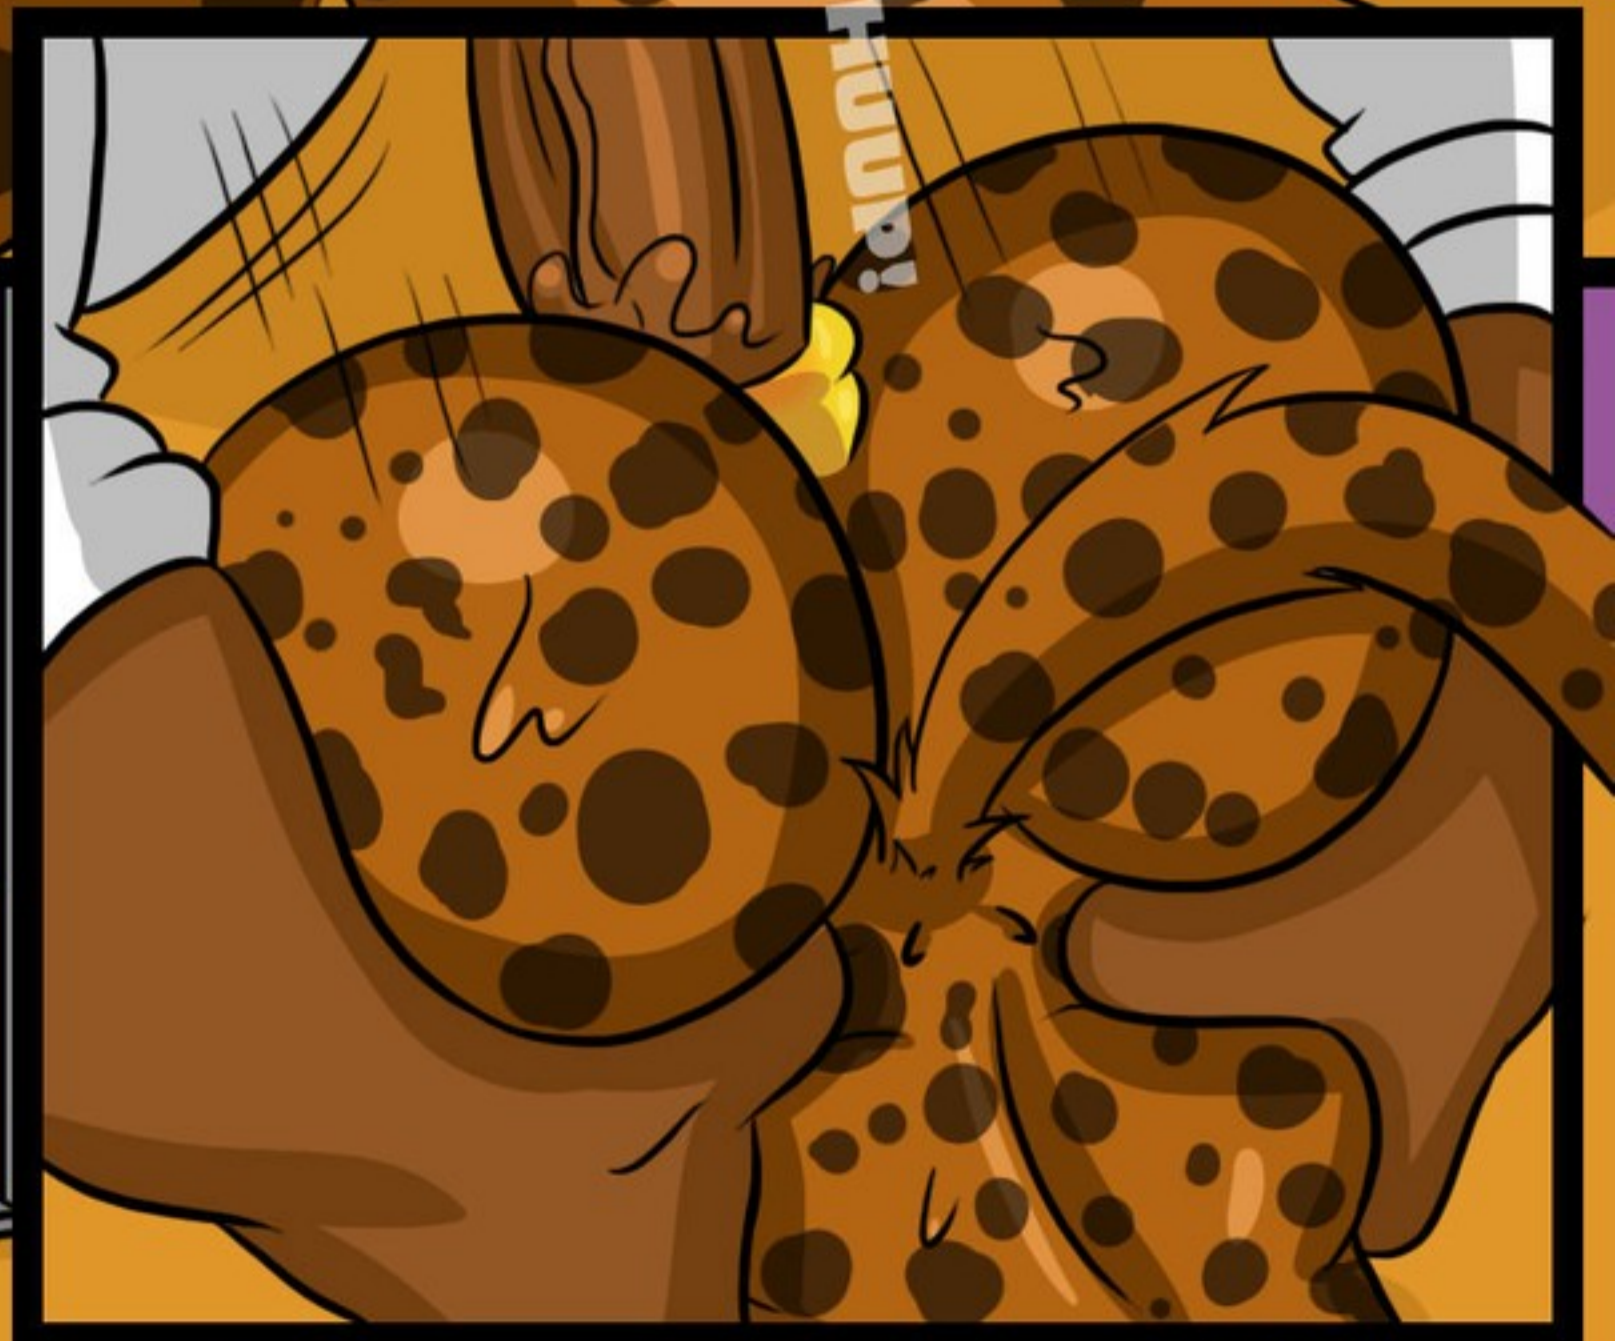

FLOP!
FLOP!
FLOP!

Hibbert fucks Edna senseless!

CHUAP!
FLOP!
CHUAP!

SHUUP!

CHUAP!

Over and over!

Lick and fuck themselves
over and over again...

They kiss each
other savagely

All night they abandon any restrain...

...any thought...

...only sex fill
their minds!

MEOW!!

YES YES!
RIDE IT!

They fuck all night long
like possessed animals!

Purrrr....

They orgasm...

And orgasm!!

FLOP!
FLOP!
FLOP!

FLOP!

FLOP!

FLOP!

And ORGASM!!

Over and over again!

SQUIRT

At last, they sink into blissful oblivion

This comic is based on The Simpsons' Treehouse of Horror episodes; we recreated the story (The Island of Dr. Hibbert) at our personal style and added the part of the Marge's transformation for the fans' pleasure.
