A 3D rendered scene featuring a woman with brown hair in a red patterned outfit and a man in a white shirt. A speech bubble points to the woman.

Don't worry about it dude.. I can take it

Are you sure you about this?

Of course!

Hello guys!

H..Hi!

Wow, you guys are so cute! just like in the picture!

Thank you! You're so sweet

Come with me girls! I can't wait to know you more!

I want you both to make out in front of me

A 3D rendered scene featuring a young man with short, wavy blonde hair and green eyes, sitting on a wooden chair. He is shirtless and looking towards the camera with a neutral expression. In the foreground, the legs of another person are visible, with a large, detailed, reddish-brown phallic object protruding from between them. A speech bubble originates from the man's mouth, containing the text: "Now I need you to take a good care of this little guy". The background is dark, and a colorful, mosaic-style lamp is partially visible behind the man.

Now I need you to take a good care of this little guy

Now... come and ride me like a cowboy!

Ahh you're so damn tight! I'm gonna cum!
