Do you think it will work?

That's why we're here. We have to try and see if it works

Who are we going to test it with?

A man with dark hair and a black t-shirt is shown in a control room, looking off-camera with a worried expression. He is surrounded by various control panels and screens. To his left, the shoulder and arm of another person in a dark uniform are visible. A speech bubble points to the man's mouth.

They're right in front of us...

A 3D rendered female character with blonde hair and blue eyes, wearing a blue uniform with a black collar and gold buttons. She is standing in a dark, brick-walled environment. A speech bubble points to her mouth.

You better go right now, If I see you both again I'll call the cops!

Wait, there's something I have to tell you!

Huh?

Let me take your skin!

What the hell are you doing?!

Shit! it doesn't work?!

You're dea...

Are you alright, Sis?

What have you done!

Somebody... Hel..

Holy crap! looks like that magic dart is legit!

What now?

Let's bring them back to my place!

A 3D rendered scene set at night on a cobblestone street. A man with short brown hair, wearing a black short-sleeved shirt and white pants, is leaning forward. He has a large, grey, textured bag slung over his shoulder. He is looking towards two women lying on the ground. One woman is wearing a white dress with red trim and white high-heeled shoes. The other woman is wearing a dark blue dress and black high-heeled shoes. A speech bubble originates from the man, containing the text "Come on, help me put them in my bag!". In the background, there is a metal railing and some pink flowers.

Come on, help me put them in my bag!

Man... this is awesome!

I can even feel her pussy as if it was a part of me!

Hurry up dude, put the head on already!

Wow, I'm a woman now!

Dude! I could play with these all day!

You know why we're taking their skin for, Right?

Fuck yeah!

We should keep them for our own so we can play with them when ever we want

A 3D rendered woman with long, braided brown hair is lying on a bed with white pillows. She is unclothed and looking towards the viewer with a slight smile. A speech bubble originates from her mouth, containing the text "That's a good idea!". Her right hand is raised, palm facing up. The lighting is soft, highlighting the smooth texture of her skin.

That's a good idea!
