I should probably get back to work before the boss scolds me again

But messing with that new white haired cutie was soooo worth the scolding

Hehe~
I can't wait
to get closer
and more
intimate
with her

I can't find her anywhere... Maybe she's not working today?

But she usually works on Saturday nights

I hope she's not sick

I haven't been able to see her in a few weeks due to work

I miss you my dear Midori

Wait!
Isn't that
the VIP
who loves
Midori?

Since
the real
Midori is currently
a little sick
I can keep
her company
instead

If the boss knew a VIP was coming she would have prepared a spare Midori skinsuit

But with a shapeshifter working today there won't be any need for that skinsuit

I'll make sure the VIP is satisfied with our service and gets to spend some private time with her dear Midori

As long as the boss doesn't find out I'll get to play around with this beautiful VIP for a bit

We only have a handfull of female VIPs and this girl is one of the cutest

Though I'm not entirely sure why she picked Midori as her favourite

Maybe green is her favorite color or maybe she likes Midori's personality?

Not that the reason matters that much~

I'll make sure to serve you just as well if not better than the real Midori

Acting like the calm and pationate Midori...

...Is childs play for a shapeshifter like me

I look exactly like Midori now

Not bad at all Midori... But nowhere near as big as my own body

Woops
almost
forgot to
change my voice...
Ahh... Ahhh...
Testing...
Testing...
1..2..3

Now
I should
both look
and sound
like Midori
hehehe~

Since I can't find her... Should I just go home?

What's with that sad and defeated expression my lady

Huh! Wait this voice... Could it be her

MIRDORI! it's really you!

Of course it's my silly! I'm sorry I couldn't greet you sooner

It's always lovely to see you my beautiful Sylvia

I've missed you so much my dear Midori

Say have you decided on an answer to my proposal yet?

Proposal?
WAIT!
Midori did
mention that
a customer
asked to
marry her

How about
I give you
my answer
in a more
private setting
Lady Sylvia

Meanwhile on a lower floor of the casino

Looks like Naomi is in full swing teaching Yuki the ropes

I...I....
I'll be in...
Your care
Miss. Naomi

Lets start with you serving a few drinks around this floor

Try your best to be more loose and if anything happens I'll help you

Thank you
Miss. Naomi
having someone
like you help
me means
a lot

She is way to cute! I'll need to protect her from the others

Ohhh... Sure I'm... Just doing my job is all

Meanwhile at a luxury suite

This should be a more appropriate place for our private time together

You are right my dear Midori~ Here we can lay everything bare

Ahh my dear strong and pationate Midori~ Please become mine for life

If that is the wish of the lovely lady in front of me I shall do exactly that

Hmm...
I haven't seen Airi after she left the locker room

Now this body looks more elegant and less rough around the edges

I have given her plenty of advice for keeping her femine appeal more prominant

Huh?
she looks
familiar...
But I don't
remember hiring
an elegant
redhead

I shall salvage her reputation as a hot headed tomboy

STOP RIGHT THERE!

Huuuh... Uuh... I didn't know Selene had such bad stamina

It's been long enough... Swap us back Selene!

Ohh my...
You actually caught up to me

But I would appreciate it if you would be more gentle with my girlfriends body

IF YOU WANT ME TO BE GENTLE THEN SWAP US BACK ALREADY!

Tsk... Tsk... I'm simply doing you a favor Roxanne

ONCE I GET MY BODY BACK I'LL SHOW YOU "FAVOR"

Thats right! I did ask them to swap bodies earlier

Thats enough you two

Ohh! Hello there boss what seems to be the problem?

It's odd hearing Roxanne talk so politely

Hell Ya!
Perfect timing boss!
Get this stuck
up princess
to swap us
back

Hearing
Selene speak
so directly and
loudly is
equally
weird

Selene
Can you please swap you and Roxanne back again

Since it's the boss asking I shall follow her orders

I shall
now begin
the swap

Thats right you better swap....

...Us back...
.... Am I
back?

Are you alright girls?

Apart from my girlfriend's body being a bit out of breath I'm alright

Alright!?
I'm far from alright! My hair is too girly and I smell like a flower garden

Ohh...
You'll be alright Roxanne!
Plus it actually does suit you to be a little girly now and then

I agree with our benevolent boss

Huuu...
Maybe...
I wouldn't
be... Too bad
to be a bit...
Girly every now
and then

By the way boss I saw Midori escort lady Sylvia to the upper floor earlier

Midori!? But she called in sick today it can't have been her

Meanwhile in the luxury suite

Mhhmm... Lady Sylvia your lips are softer than any fabric

Mhmm... My precius Midori how I long for your touch

Mmhm...
My dear lady...
Let me take charge and show you how much you mean to me

I will
make sure
that this night
will be one
you remember
for all eternity
my love

I will
make sure
that this night
will be one
you remember
for all eternity
my love

Ahhh!
Uhhh...
Please accept
my love

Ahhh!
Yes... I..
I love you
Midori

Uhhh...
Harder...
Please keep...
Going
Midori!

Ahhh...
As you...
Wish my
love

I'M CUMMING!

Midori....

Wow!
Maybe I should
ask Midori if
I can take
her shifts
on Saturdays
from now
on

Since
my dear Sylvia
is fast asleep
I can use this
oppertunity
to have some
more fun

Walking around as an all important VIP could be a lot of fun

And she certainly has a very attractive body

Hehe~
Her breasts
are slightly
bigger than
dear Midori's
breasts

Sleep well princess I will make sure to enjoy your body and status while you sleep

Ahem...
Lets make
the last changes
quickly before
getting dressed

Ahemm...
My name is
Sylvia Jill Salvador
owner of Salvador
banking and a few
other major
companies

Mhmm....

This outfit probably cost a fortune... But anything to look perfect for your dear Midori right!

I bet Midori loves playing around with this girl's amazing body

So you're going to impersonate an important VIP and mess around with her body

Exactly!
Not even that gullible boss of mine will know it's actually me Airi and not Sylvia

I see...
So I'm gullible huh

Wait!
That voice...
It can't
be....

BOSS!

Hello there Airi! Or do you prefer Midori or maybe even Sylvia

I... I can explain boss! I was just filling in for Midori who is sick...

Likely story Airi! Change back and follow me to the changing room

A few moments later in the changing rooms

Surely you won't punish me too hard for making a VIP happy... Right?

You have imporsanated not just me but also Midori and a VIP without permission

That is a lot for just one night don't you think

But since you did make one of our important VIPs happy...

I love you boss~ I knew you would understand!

Your
options are
as follows:
1. Let another person
possess you for 2 weeks
2. Swap bodies with
one of the members
pet for 2 weeks or
3. Choose someone
to recieve a skinsuit
of you that they
can keep and use
however they
like

No way
I'm letting either
a guy with a mother
complex or a slime
or a yandere ghost
and definetely
not that ultra horny
succubus
take over my
body

And I am sooo not becoming someone elses pet no matter what!

I can
take it that
you have chosen
option 3
then

Thanks
to Miss. Naomi
I've gotten
the hang of things
already!
I've also gotten
more used
to this female
body

So what will it be Airi!?

Huh? That sounds like the boss

Let me think about who to choose

Who should I give the skinsuit to? Who would be the safest choice?

I.. ehh...
I hope I'm
not interupting
anything

Thats it!
Boss I pick
Yuki to
recieve the
skinsuit

Ehh!?
Wha... Skinsuit?
Did I... Did I
do anything
wrong?

Don't worry Yuki you're not in trouble please just wait here for me

Also Airi get yourself back to work

You got it boss! Ohh and Yuki! Please be sensible and try not to ruin my reputation

Ehh...
Sure I guess...
See you
around
Airi

A few moments later

Here you go Yuki your very own Airi skinsuit

I know
you told me that
this is because
of her punishment
but can I
really keep
this?

Of course you can keep it feel free to take it home with you and use it however you see fit

And thank you for today! You can head home for now and I'll see you on Monday

That sure was and odd turn of events

Before
I leave
I need to
take off
Yuki

Phew...
I'm still amazed at the fact that these skinsuits turns you into a completely new person

I guess
I better get
myself dressed
and head home
before anything
else happens and
I suddenly
get caught up
in more weird
trouble

Later at an appartment complex

So...
It's really
okay for me
to wear
this

It should work the same as the Yuki skinsuit I wear at the casino

Lets quickly get the head on and see how this body compares to Yuki

I can
already
feel the changes
to my body...
Lets adjust...
The face

Mhmm...
Adjust the
face really is
the hardest part
when it comes
to wearing these
skinsuits...
But I think
I got it

Phew...
My voice seemed
to have changed
so I'm sure
I did it right

Lets take a quick look at my body

HOLY!
I know Airi
has curves...
But this...

I had
no idea that
she was
"THIS"
big

I can barely stand up straight with these huge breasts weighing me down

Yo Jake
I saw you
come home
how was
the casino!?
