BY TSF AI

TSF CASINO 3

What should I do? I can't answer the door like this

Do I remove the skinsuit? No if I do that and he finds it... I can't risk that

This is not good... If I take the suit off he might find it... But he saw me come home so I can't stay as Airi

Maybe he will leave if I just ignore him

Come on Jake! I know you're in there

I know you're probably feeling down after loosing some money at the casino so let your good friend Marcus cheer you up

He's not going away! This is the worst timing... What do I do about this situation

Wait!
What was it
that Naomi taught
me earleir today
when she was
showing me what
the job at the casino
is all about

Remember our work is not just to serve drinks... We also try to distract our customers and catch their attention

so they are less focused on winning the games and instead focused on having a good time

Thats it!
I just have to distract him and make him less focused on checking in on me

Hey
buddy!
So you finally
answered
the door

I was worried you might have fallen asle....

HOLY....
COW!

Erhm...
Sorry... But I...
I mean Jake
is currently
sleeping

I'm sorry for not coming to the door earlier... My name is Airi... I'm Jake's friend

I hope Airi's body is enough to distract him... If not I'm boned

Wait...
I'm pretty sure
I saw Jake come
back alone...
Why are you in his
appartment
this late?

She's
super cute
and her chest
is enormous

Ohh...
Thats because...
I came back
a bit before
him to... Borrow
his shower

Erhh...
I'm getting
my own bathroom
remodeled...
So I asked if
I could borrow
his

Really? Seems like an unlikely story... Jake would have told me if he had such a cute friend

You sure you aren't a thief or maybe trying to exploit my friend

No! I promise I'm not here to hurt anyone... Just borrowing his shower

I should be happy that Marcus is at least a great friend... But right now it's working against me

Huh?
You want
to know how to be
more confident while
you are wearing
a female
body?

Yes...
I still
haven't gotten
compeltely
used to being
in a female
body yet

I was
hoping you
could tell me
how you Airi and
the others can be
so confident
in someone elses
body

Oh!
You don't have to worry about that!
It comes naturally after you get more used to moving around in a female body

But there is one trick I use when I slip into my character as Naomi! Simply try to trick yourself into thinking you are that person

Trick myself into thinking I'm actually Airi... Like immersive Acting?

I need her confidence to get through this... I'm Airi... I'm Airi... I'm Airi...I'm Airi... I'm Airi

Feeling nervous... Maybe guilty? Anyway can you move... Was it Aery?

I need to make sure my friend is okay

The name is Airi! A-I-R-I~ Say... Why don't the two of us get to know each other better~

WHAT THE!!!

Meanwhile at the staff only bar

Oh...
Seems like Someone is also taking a little break as well

Oh!
I can recognise
that sweet
sexy voice from
a mile away~

I guess
you won't mind
if I join you
at the bar

Say Nyx... Are you sure you don't want to work as a server instead of a dealer?

Given your nature and your powers... I feel like you would be more suited to be a server

Ahh Boss~
Have you already forgotten my reasoning when you first hired me?

I know...
I know!
But are you
sure you don't want
to change from
being a dealer
to a server?

Sorry boss... I enjoy watching people squirm and their despair when they loose their precious money! Too much... So I'll keep being devil of a dealer!

Ugh...
Fine! But
remember no
turning customers
into succubi
and no harrasing
of other staff
members!

Yeah yeah...
I won't turn
our customers
into succubi...
But I can't promise
I won't mess with my
sweet darling
Airi~

Meanwhile on another floor of the casino

Uhhh... I just felt the biggest chill all over my body

Huh?
Is everything
alright
Airi?

Yeah...
I just felt
my whole
body shiver
for some
reason

Meanwhile in Marcus's apartment

Ahh...!
More... More...
This feels soo good~

I... I managed
to get him...
Out of my place
and.... Distract...
Him... But...

...I might have... Gone too far
AHHH~ PULL ME... DOWN ON YOUR HUGE COCK

More...
Keep going...
Don't you...
Dare cum
yet

This is easily the best sex I've ever had

Uhhh... Don't worry... I'm not ready... To cum just yet... But lets change the position

AHHH!
It's my turn to take the lead now Airi

How does it feel... To have that perfect juicy ass of yours pounded by my rock hard cock

Feels... Sooo goooood~ Keep doing it... I'm getting close to my climax

I can't hold back... I'm going to cum inside!

Me to...! AHHHH... This sensation... Pour all of your thick hot cum inside of me

A few moments later

...What just happened? Did I really just have sex with my best friend?

He looks soo....Drained? Also he seems to be smiling... I guess he really enjoyed the sex

Anyway!
I managed to keep him distracted...
I need to be more careful about using this skinsuit in the future

Moments later in Jake's appartment

Yawn!

Yawn...
What a long
and crazy day...
Finally I can
get some
rest...

……

Meanwhile in the Casino changing rooms

It's finally time to clock out for the day

Ohh!
Looks like
you're also
about to hea
home for the
day

Roxanne

Ohh...
Hey there
Naomi

I heard you and Selene swapped bodies for a little bit

Urgh...
Don't remind me about that...
Being in that freak's girlfriend was not that great....

Ohh...
But you seem
to be
blushing

I'M NOT
BLUSHING!

Whatever... Lets just get these suits off and head home

Phew...
These suits are incredible but it feels good to be myself again

Being able to wear these sexy bodies and earn a big salary is a win-win for guys lik us

Yeah...
The anonymity...
The money...
The sexy skinsuits
we get to wear...
It truely is quite
the win-win
situation

I do wonder where the boss gets these skinsuits from

Phew!
Feels good
to be back
to normal
after a long
shift

Today sure was eventful

That
horny succubus
better not cause
me more trouble...
Lets go around
and make sure
everything
is okay

Ohh!
I guess it's time for you two to clock out for the day

Ohh..
Hi there Boss!
Yeah we were
about to head
home

Sounds good! Thank you both for your hard work today

Thanks Boss! See you later

Bye you two! Get home safe

Appreciate it Boss... See you soon

Lets see... Elizabeth told me she would be late..

...But Jule should be here any moment now

OMG!
Is that
you boss!

U won't believe how much Lulu missed you!

Hold on! It's good to see you to Lulu... First off... It's only been two days

Second off! Where is your partner Jane!?

Here...
Boss...

Ohh!
There you
are Jane

Sorry
but Elizabeth
will be a bit
late tonight...
So I need you
two to get
ready quick

Suuure...
I'm ready
whenever

Loves the job

I'm going to be a bit rough today since boss wants us to hurry

Needs the money

Fine... With me... Do it

I will try my best to be quick

Thanks... Just don't damage my body

Argh...
Soo... Thick...
Can't...
Breath

Sorry Jane! But I'm almost done

Uhm...
Urghh...
Mmmm

A goth girl with a 10/10 body but zero motivation to work...
...And a super loyal energetic gyaru slime girl who loves working at the casino

We have a lot of oddballs and weird relationships at this place... But this symbiotic relationship might be the weirdest

Ohh
seems like
she is finally
waking up

.....

Yaaay!
I'm done
taking over
Jane's body boss~
Sorry for the wait!
I'm totally
ready to work
now!

No matter how often I see this... It's always like night turning into day

OMG! You're sooo right! I'm totally using that phrase

Anyway
just get changed
quick and then
go help the
others

Aye aye boss!
Jule here
always does
the totally
best work~

The next morning in Jake's room

.....

Huh...
It's morning
already?

Arghh...
Last night
was so crazy...
It almost
feels like
a dream

I feel oddly well rested for how late I went to bed

Anyhow
I better get
ready for my
day job

Huh...
Wait why
is my voice
higher pitch
than
normal?

Oh
I'm probably
still wearing
the Airi
skinsu...

WHAT THE HELL!?
This skin tone... This is not Airi's body!

The light brown skin... The voice... The short curly hair...

This is Naomi's body!

But...
How did
I turn into
Naomi?

Seem like I'm still wearing a skinsuit... But I didn't take Naomi's skinsuit home

I can't go to my day job like this... And how did I turn into Naomi?

Did someone put another skinsuit on me while I fell asleep wearing the Airi skinsuit?

Wait minute... Isn't Airi a shapeshifter... Then could that mean the skinsuit...

Surely there is no way they gave me a skinsuit that can do the same thing... But that would explain all of this

I guess it's worth a shot to see if my thoery is correct... Please work

Since
I thought
about Naomi
last night I probably
unconciously
transformed into
her while
I slept

So
if I just focus
on transforming
back to my
normal self
then hopefully
that should
work

I can feel my body tingling and shifting slightly

It must mean that it's actually working

I wonder if Airi knew the suit could do this when she agreed to letting me have it

I'll make sure to ask the boss when I clock in for my next shift at the casino

I think the transformation is almost finished

The feeling stopped... So is it done?

I guess
I'll just
have to open
my eyes and
look

Wow!
It worked...
I'm back
to my normal
self again

So when I'm wearing this skinsuit of Airi... I can also shapeshift like her

Crap!
If I don't
hurry I'll
be late for
work

30 minutes later

Hurry! I'm almost there... I'm going to make it on time!

Pheew...
I somehow
made it on time...
The boss would have
destroyed me if
I was 1 minute
late

Uhmm... I know you just clocked in Jake... But I need your help

Huh?
Oh it's Sarah...
She's always
been kind
to me and
helped me
before

Uhh...
Uhmm...
You see...
A family
emergency
came up...

And the boss
is busy... So could
you let her know...
And maybe if
you could handle
my work
for the day

I see...
Sure I can
let the boss
know and take
care of your
work for
the day

Huh! Are you sure?

Of course! You've helped me out plenty of times in the past

Thank you so much Jake! I really owe you for this

Sure...
Take care
of yourself
Sarah

This
gives me
an idea

I can't believe I'm actually doing this again

I need practice to better control this skinsuits power.... Yeah this is just for practice

Plus
This way
Sarah won't
get into any
trouble with
the boss

First is the chest... All the guys at our department always catch glimpses of Sarah's huge chest...

...But
in their defense...
It's pretty hard
to ignore these
huge puppies

Next up
is her butt...
Another
feature of hers
that people
can't help
but notice

I hope
I can get the
proportions
correct

Though I'm sure people won't notice if it's slightly bigger or smaller

So far
so good...
Next is
her hair

First change my hair color to be more auburn

Next
I need to adjust the lengh and style of the hair

Then
her eyes...
And of course
also her
voice

I think that should do it for her body

I did it...
I look and sound just like Sarah...
That was surprisingly easy

I need
to change
my outfit as well...
I remember
Airi transforming
her outfit into
the same as Velvet...
Does that
mean...

It's
worth a try...
Nothing
ventured nothing
gained
I suppose

No way!
It's actually
working!?

My pants really just turned into her short pencil skirt

I need
to hurry...
I wonder
if I can change
the rest of the
clothes at the
same time

Huh...
That actually worked?
What kind of crazy power does Airi have?

I look just like Sarah from head to toe

I need
to stay focused!
I have to get
back to work
before people
get suspicous

Hey Sarah you look fantastic today

Erhh... Thanks... And I already have plans

Hey Sarah want to get some drinks after work?

I know Sarah is very attractive... But does she get hit on every day like this?

There
you are
Miss. Sarah
the boss wants
to speak
with you

BY TSF AI

Huh...?

To Be Continued?
