TSF CASINO

I've never been to a casino before... But my friend recommended that I check out this place

Wow!
It's so fancy
and luxurious
on the
inside

Hey!
Look where
you're walking
pal

Oh I'm sorry about that Miss... I was just distracted by the amazing interior

The interior? Must be your first time at a casino

In that case... Welcome to TSF Casino where your dreams can become reality... Now don't get in my way again!

Alright!
It's time to
play some games
and win a ton
of money

My wife is going to kill me
I lost another bet! How am I this unlucky?

Hmm...
I need
someone with
potential

Someone desperate and in need of money

Huh?
That guy seems to be on quite the loosing streak...
He might just be the one I need

I can't believe I lost all of my money already... I even loaned some money from the casino

Hello there cutie~ Seems like you're having some bad luck huh

Is she talking to me?
Erh... I guess you could say that... Can I help you Miss...

You can call me Velvet~ I'm the owner of this fine casino

And I think it's actually ***me*** *that can help* ***you*** *my dear customer*

She looks more like a server than the owner

Ohh... Erhhm... Miss. Velvet I'm not sure what you mean by helping me

A few moments later in a private lounge area

So this is about the debt I now owe your casino

That is correct my dear customer~ Normally we help people set up periodic payments... However I have a proposal for you instead!

What kind of proposal are we talking about?
It's difficult to focus on what she is saying without getting distracted by her appearance

It's very simple my dear customer~ You see we need more staff members... So if you agree to join my staff I will erase all of your debt and I will even pay you a nice monthly salary

All you have to do is sign the contract and then you will be sorrounded by cute and sexy bunny girls and you will get payed more than you already do at your current day job

Aha... Just sign... Sure

Well
done...
Lets see here...
Jake!
It's a pleasure
to have you
on board
Jake!
COFFEE
COFFEE

This is the staff changing room!
So this is where I change into my work clothes

Thats correct~ Let me go get you the first layer of your brand new uniform!

Okay Boss...

What does she mean by "first layer"? Maybe she's refering to the different layers of clothes I will have to wear

Ta-Da!
This skinsuit
will be the
first layer
of your new
uniform!

WHAT
IN THE....
Is that a person?
Or some kind
of costume?

WAIT!
You want me
to wear this
as a part of my
uniform?

Of course! Every single staff member at this casino is female
Put it on! Trust me you will want to keep it on after you experience wearing it

I can't believe I am actually doing this

It feels so realistic... Like real skin... My legs also feel odd... Like they're shifting to match the skinsuit

Alright...
I managed
to wear the
entire skinsuit...
Huh?

My voice is different... Also this feels like I'm actually touching my own skin
Seems like the skinsuit... Suits you perfectly~

Everything feels so... Different from before

I even have large breasts... That feels heavy and soft in my hands

So this
is what having
real breasts
feels like

Kyaa...
They bounce
everytime
I move my
body

Aww...
I remember
my first time
wearing
a skinsuit
as well

Huh?

Ohh
thats right!
I almost forgot
to tell you!

Except
for only 2
actual girls!
All the females
working at
this place
are actually
all guys!

Get changed into your bunny girl uniform... I'll go get some of the others so you can meet some of your new colleagues

Most of them are guys like me...

Does that mean Velvet is also a guy?

Does that mean everyone is wearing these skinsuits as well?

All of this feels soo surreal... I'm now a girl wearing a bunny outfit and working at a casino

It's very odd... A part of me feels weirdly excited about this whole thing

For now
I need to focus
on playing the
role of a cute
bunny girl...
I guess

I wonder
what the other
staff members
are like

Ooooh! That must be the new staff member boss Velvet mentioned!

Hehe~
A normal introduction would be tottally too boring~

It will take me some time to get used to having these things hanging from my chest

Kyaa! Ohh it's you Velvet... Where are the others?

Oooh! They will show up soon enough my lovely snow bunny~

Ahhh...
Hold on
Velvet...

You're
even cuter
and hotter
up close~
Maybe we should
have some
more intimate
fun before
the others
get here

And what exactly do you think you're doing

Oooh! The boss is back already
Velvet!? But how is that possible?

Aaaah! Guess I got busted... Oh well
Huh!? So this girl is not the real Velvet?

You're not too mad at me for impersonating you breifly... Right boss!?

I just did as you asked and introduced myself to our newest member

Ughh...
Introducing yourself as me hardly counts Airi...
Change back and do it properly

Yattaa!
I didn't get punished!

Alright!
Give me
a moment to
change back
to myself

What does she mean by change back?
A stage name? What is that Velvet?
You see... Actually we need give you a stage name as well
We can't use your male name while you look like that... How about... Yuki!

Yuki...
I think I
like that name...
I guess that
is my stage
name now...
Ohh
Yeah!
I was in the
middle of telling
you that Airi
is a
shapeshifter!
Wait!
Her body
is changing?
Is she not
wearing
a skinsuit!?
SHE'S
A WHAT!

Airi
can change
her appearance
and voice as
she sees fit...
Her acting
still needs some
work

Ta-Da!
Back to my own pink self~
Impressive right!

Wow
She's actually a real life shapeshifter

That
was fun!
Let me know if you
ever feel like
having more fun
together in private~
See you later
new bestie!

Uhh...
Su..Sure!
See you
later Airi...
It was nice
meeting
you

Just a little tip from your boss! Having intimate relationships with other staff is not against the rules

But try not to let the other girls devour you whole... Understood!

Oh my!
You don't
have to
worry about
that boss~

Oh it's you Sofia... I want you to meet Yuki! Our new member

My oh my~ What a real cutie! I could simply gobble you whole

She seems very kind and normal... I guess
O-Oh... Um... I'm Yuki... It's nice to meet you Sofia

Uhhh... Don't get pulled in by her personality Yuki...

Aww come on boss... You know I'm truely motherly and kind at my core

This woman is currently being possessed by her own son

SHE'S POSSESSED!

Oh my look at the time! I need to get back to work~ It was lovely meeting you Yuki
Let me know if you ever need someone to pilot that cute body of yours~

Uhh...
Sure...
I'll think about it

For someone possessing their own mother...
They seem like a nice person

Yeah...
She is nice
most of the time...
Just be careful
around her
okay!

You've met Myself... Airi and Sofia... There are only 3 left that are working tonight... That you have yet to meet

They are Roxanne... Selene and Naomi

Why are you following me Princess!

We are
all required
to introduce
ourselves to
the newest member...
I am simply
following
orders unlike
a certain
brute

Ooh!
Speak of the devils...
Here comes two of them

Who the hell are you calling a brute you stuck up princess!

I would think that would be rather obvious! But you needn't worry your inferior brain about that

Erhm...
I'm sorry for
interupting
you two...
But I'm Yuki
the newest
staff member...
I hope we can
get along

Nice to meet ya! I'm Roxanne

SO CUTE!

It is indeed an honour to meet you Yuki! My name is Selene

As the boss let me explain! This is Roxanne! Like yourself she is also a guy wearing a skinsuit

Roxanne would you be so kind to show that you are indeed wearing a skinsuit

Is this enough proof for you?

The elegant and refined lady here is Selene

He is what you would call a body swapper! He is currently swapped with his girlfriend

Selene could you kindly demonstrate your powers for Yuki by swapping bodies with Roxanne!

It's not like I'm okay with this you know
Of course boss if that is your order

Did it work Velvet!?

Wait and see Yuki

Huh?

This face and this body!
That stuck up bitch actually swapped us

In the future please be more mindful about taking care of your hair Roxanne

It feels like your hair has not had the proper care put into it

I shall personally see to it that your hair and appearance will reflect that of a true lady when I'm done

Don't you dare! I have an image to retain! Plus it's not like I enjoy being in your cute and beautiful girlfriends body as all

With the right care... Your body could shine like the sun since it already has the perfect shape

Hey!
Stop touching
my body
like that!
It's not like
I enjoy seeing
my body
touch itself!

Boss
I won't be able to focus on my work until I fix this body first

I will therefor take my time in the shower to make sure this body is in pristine condition

Hey!
Get back
here Selene!
I'm not leaving
you alone
with my
body

Despite they're clear differences... Those two actually get along well
Are you sure about that Velvet!?

Everyone I've met so far... Are so unique and very different from each other

I hope I can manage to get along with them all

Was that Roxanne and Selene I heard just now!?

Ooh! Perfect timing Naomi! Here come and meet Yuki

Ooh...
I remember her! She's the girl I almost walked into earlier!
She seemed very angry

I..Uhm...
My name...
Is Yuki..
It's nice to meet you Naomi

Hi Yuki
I'm Naomi!
I hope the others haven't left any bad impressions on you

Huh?
Is she really that same girl from earlier?

Ahhh
you're always
so reliable Naomi!
Can you show
Yuki that
you are also
wearing a skinsuit
just like
her!

Ohh
sure thing
boss

Is this enough evidence boss!? Or do you want me to strip completely!?

That is more than enough Naomi! Also while you are here! I want you to be Yuki's mentor and teach her the ropes!

BY TSF AI

Sure thing boss I'll take good care of her and teach her what she needs to know

I guess I am in your care now Naomi

To Be Continued?
