

Oh..

Are you checking on my ass?

Sorry, Fuki.. it can't be helped

He chose to be truthful rather than lie, and that's exactly the kind of quality my company is looking for

Please don't report this..

Why would I report this? It's quite normal for men like us

Men like us?

Crap, I blurted out

I mean, guys look at girls all the time,
that's just how it is, isn't it?

Thanks for understanding, well.. do you need any help?

Yes, but actually.. I brought you here
so we can have some private time together

Private time? What for?

*I think you really need a hand down there..
I feel how hard your cock is right now..*

Fuki...

I know you want to feel my body..

Hey Fuki, what if someone shows up?

Relax, no one's showing up here today

How can you be so sure?

*Just trust me silly.. Now take your cock out,
so that we can finally have some fun together*

Okay..

*Being a woman truly makes me feel so much more powerful!
You can just effortlessly get men to do exactly what you want*

What do you want me to do?

You don't have to do anything
Just let me work my magic!

Nice cock buddy..

Is it good?

Y.. yes..

Wanna see my tits too?

That would be great..

Here you go!

Oh, wow!

Now let me finish my work while you eyeing on these melons okay?

Yes, please..

Fuki, I'm gonna cum!

Yeah?

Holy shit!
