Creating a solution to enhance the tiny amount of residual powder from the destroyed meteorites would be nearly impossible for an ordinary genius.

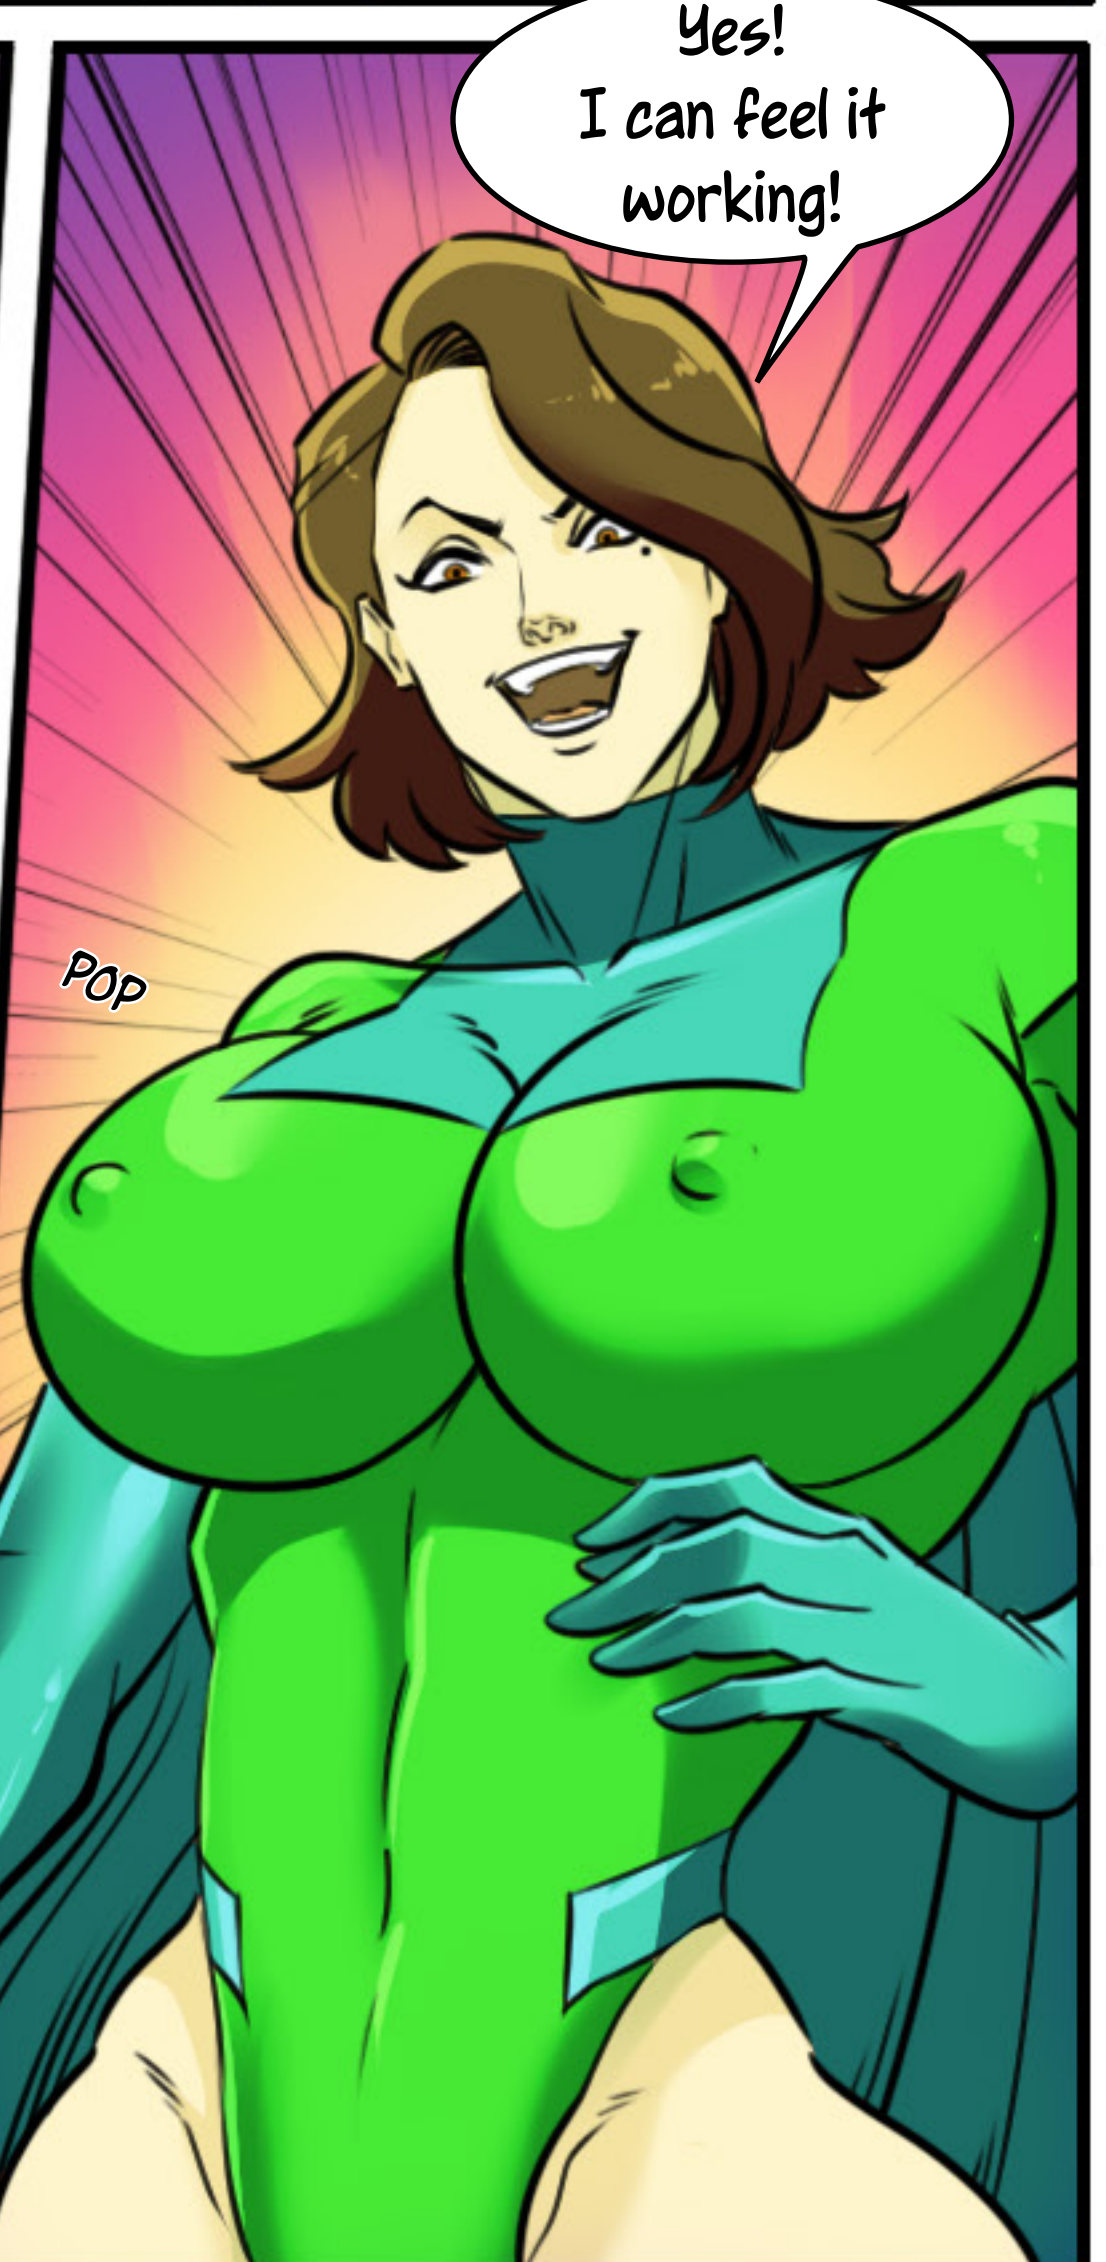

DRIP

But with my super genius intellect it was a simple task. Now to become the greatest being on Earth once more!

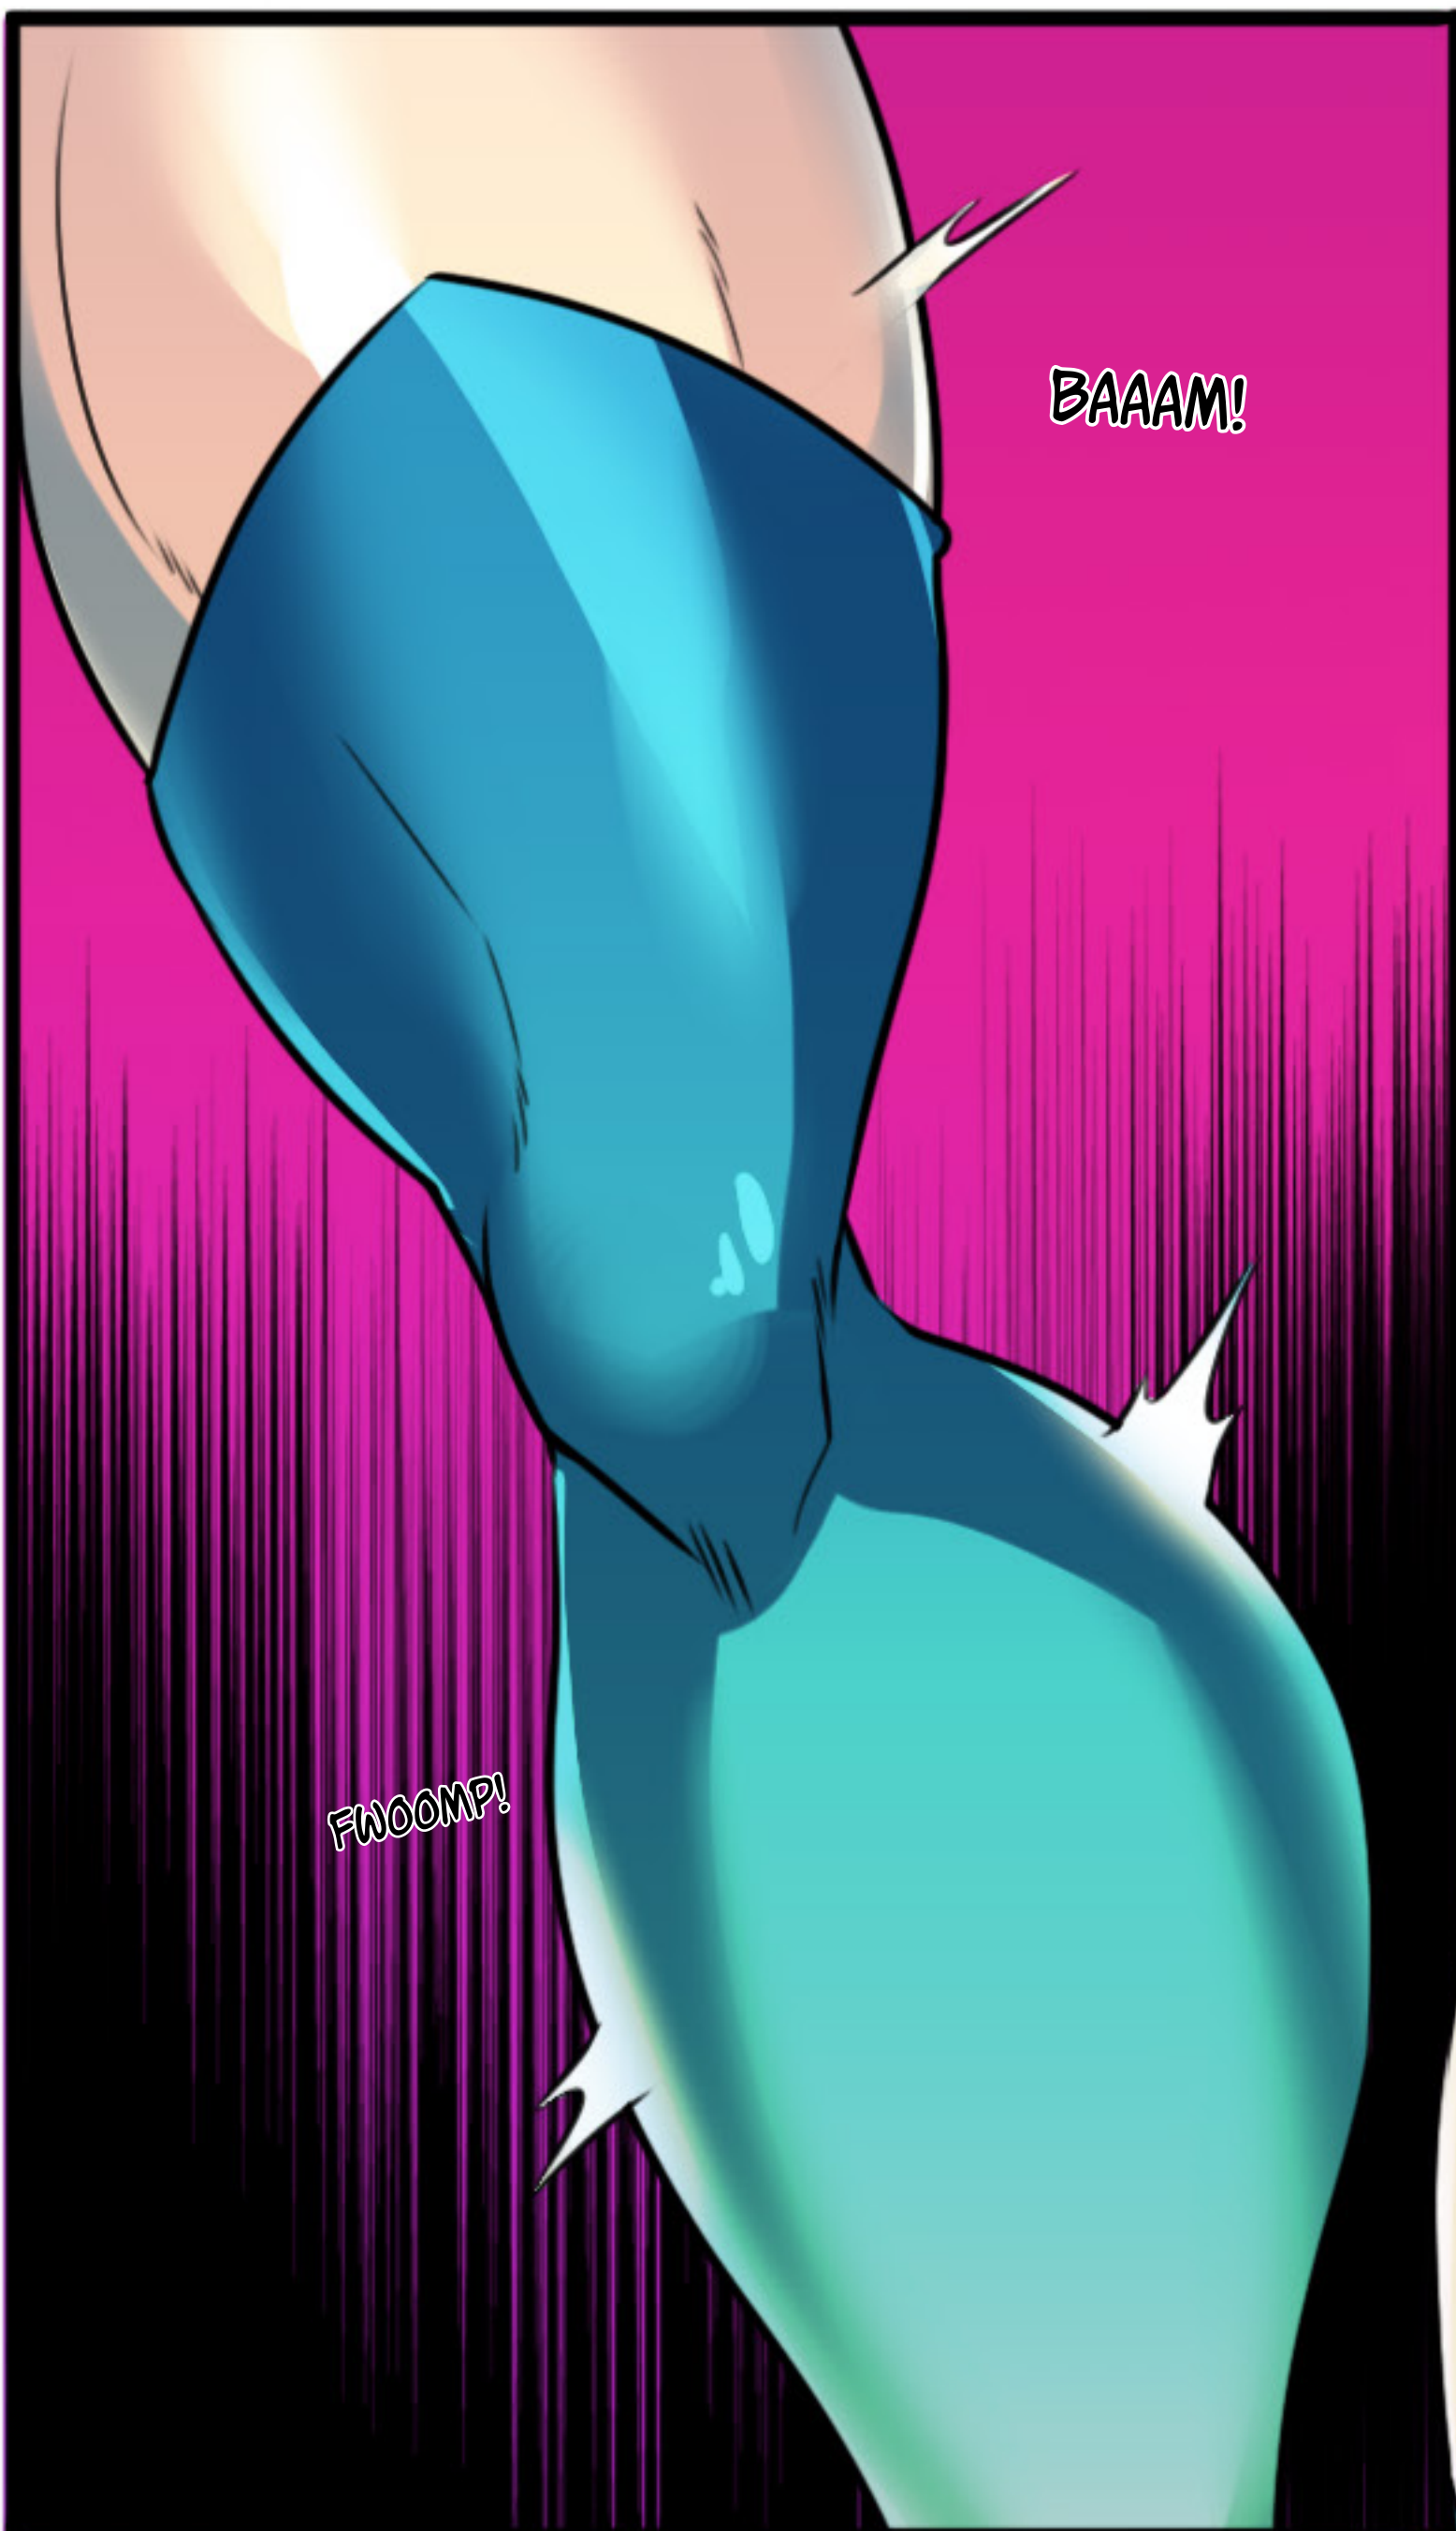

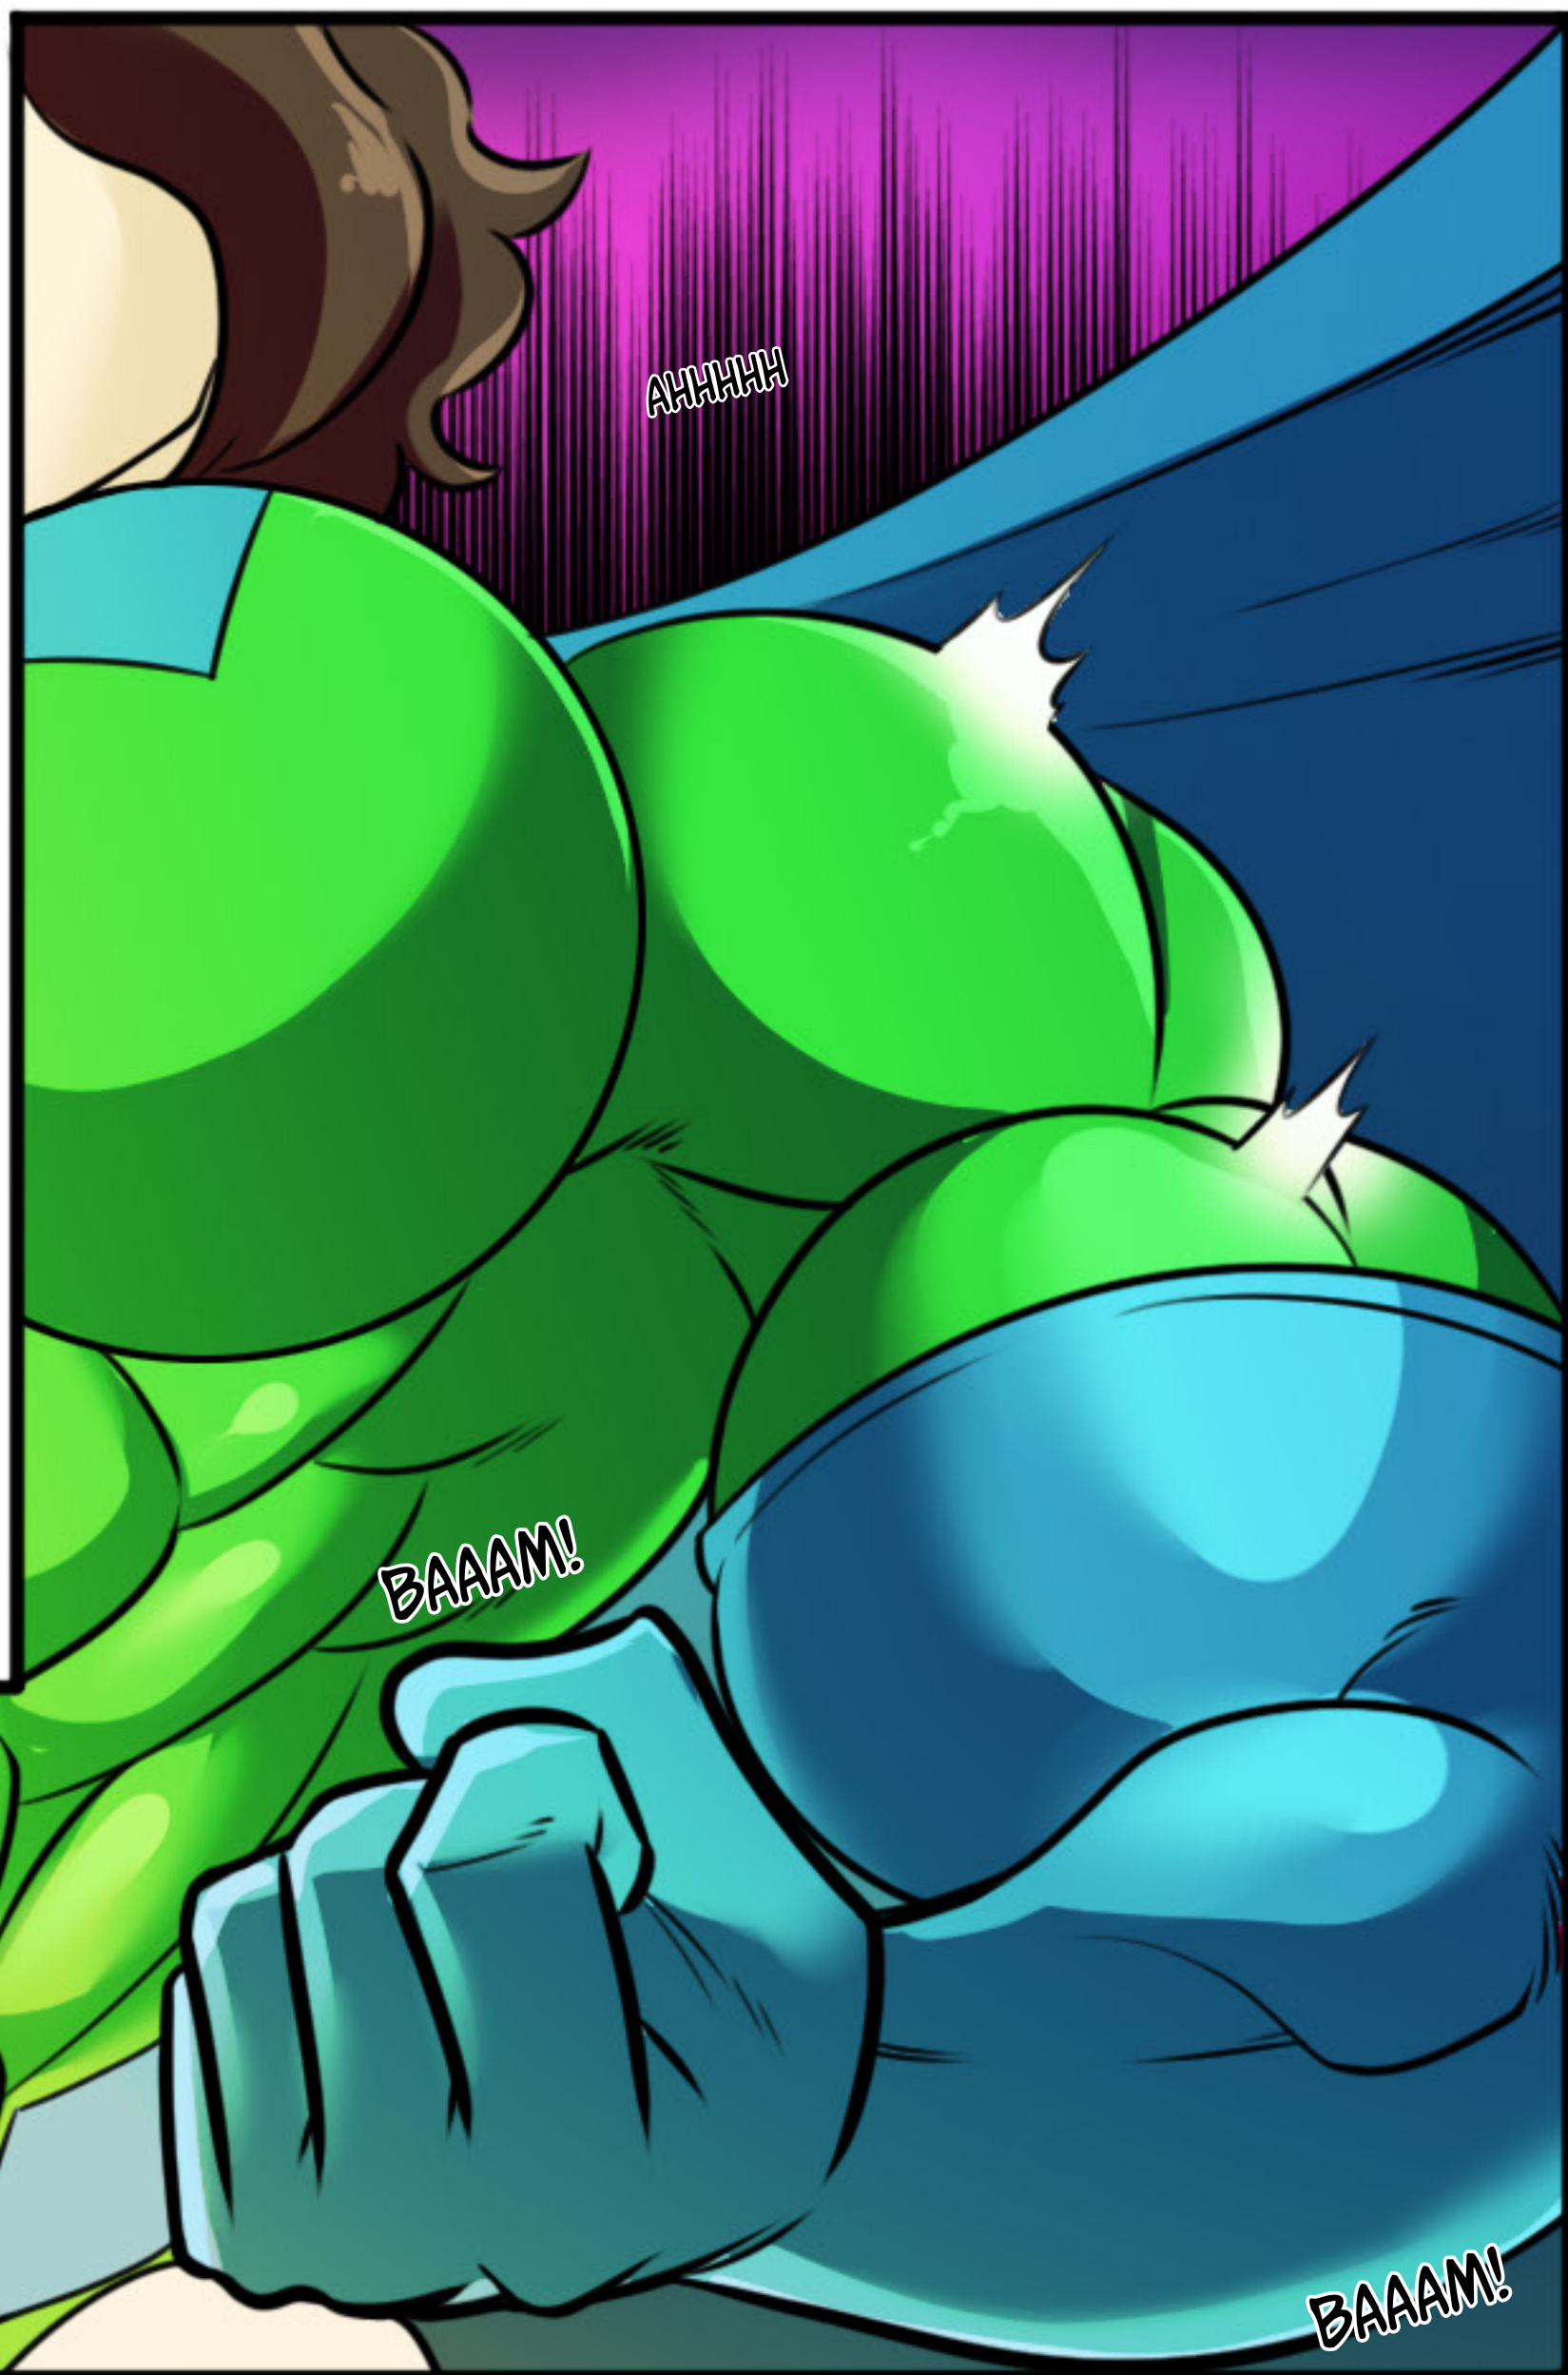

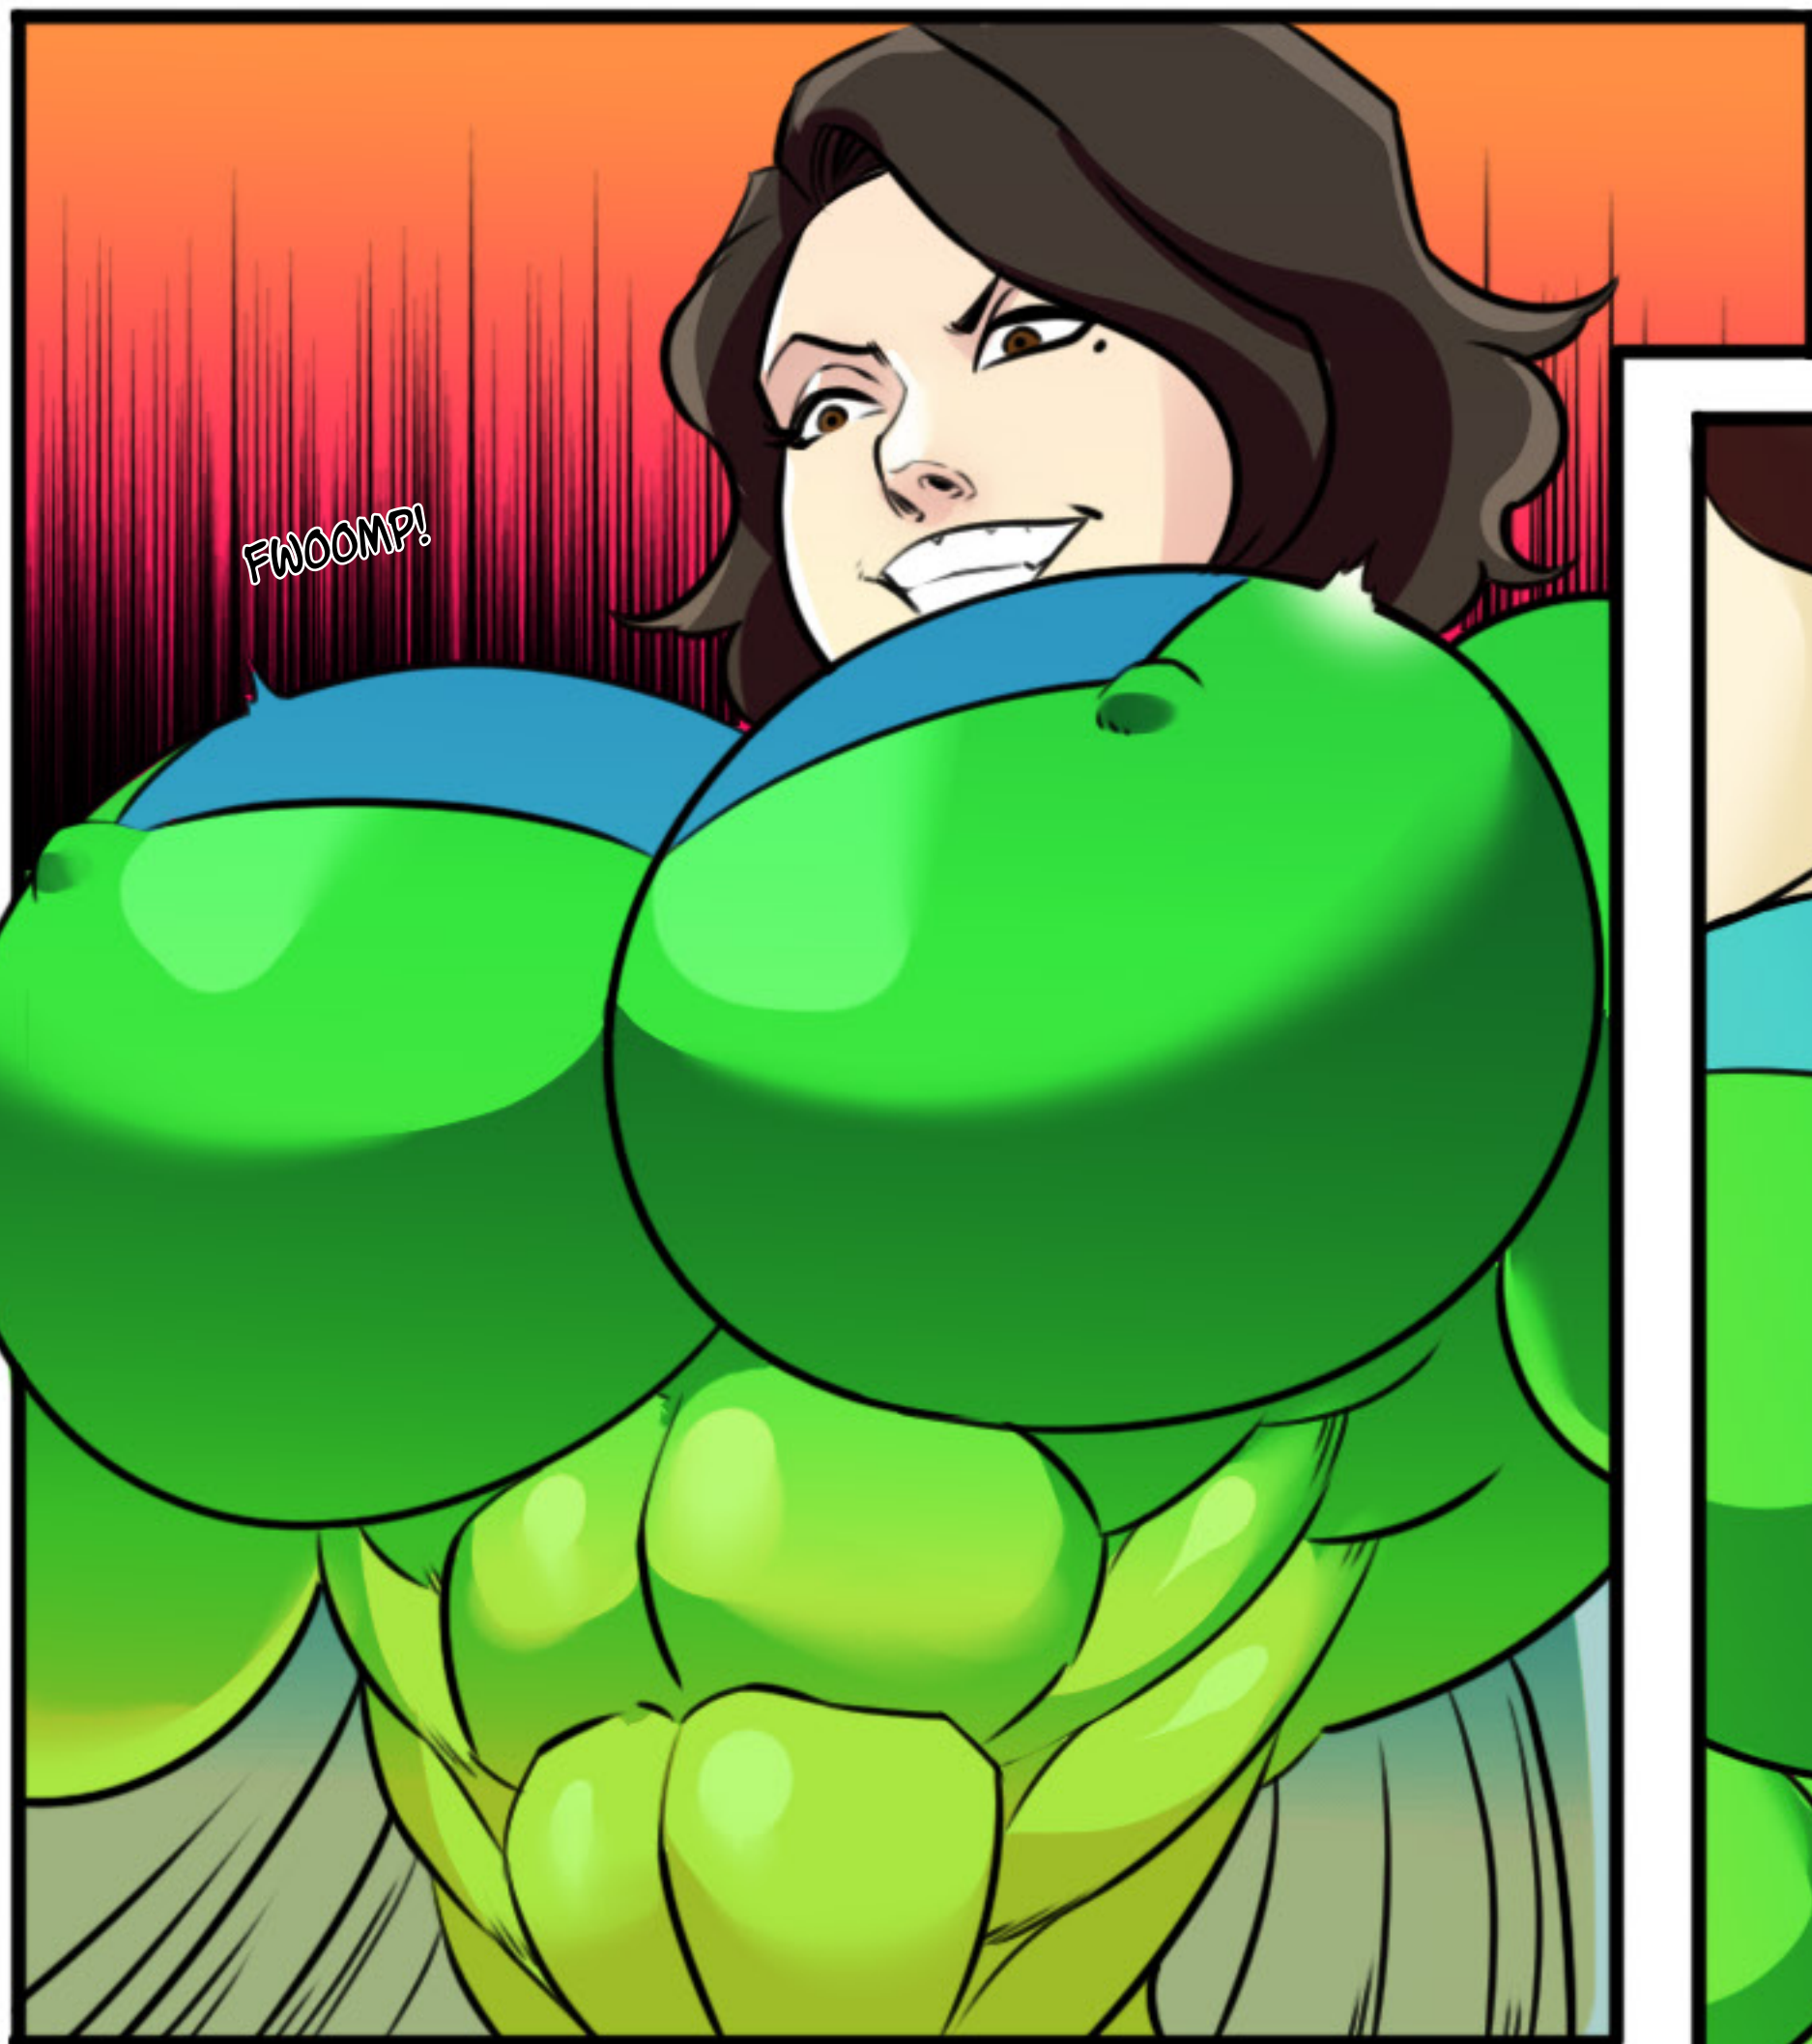

GULP

Yes! I can feel it working!

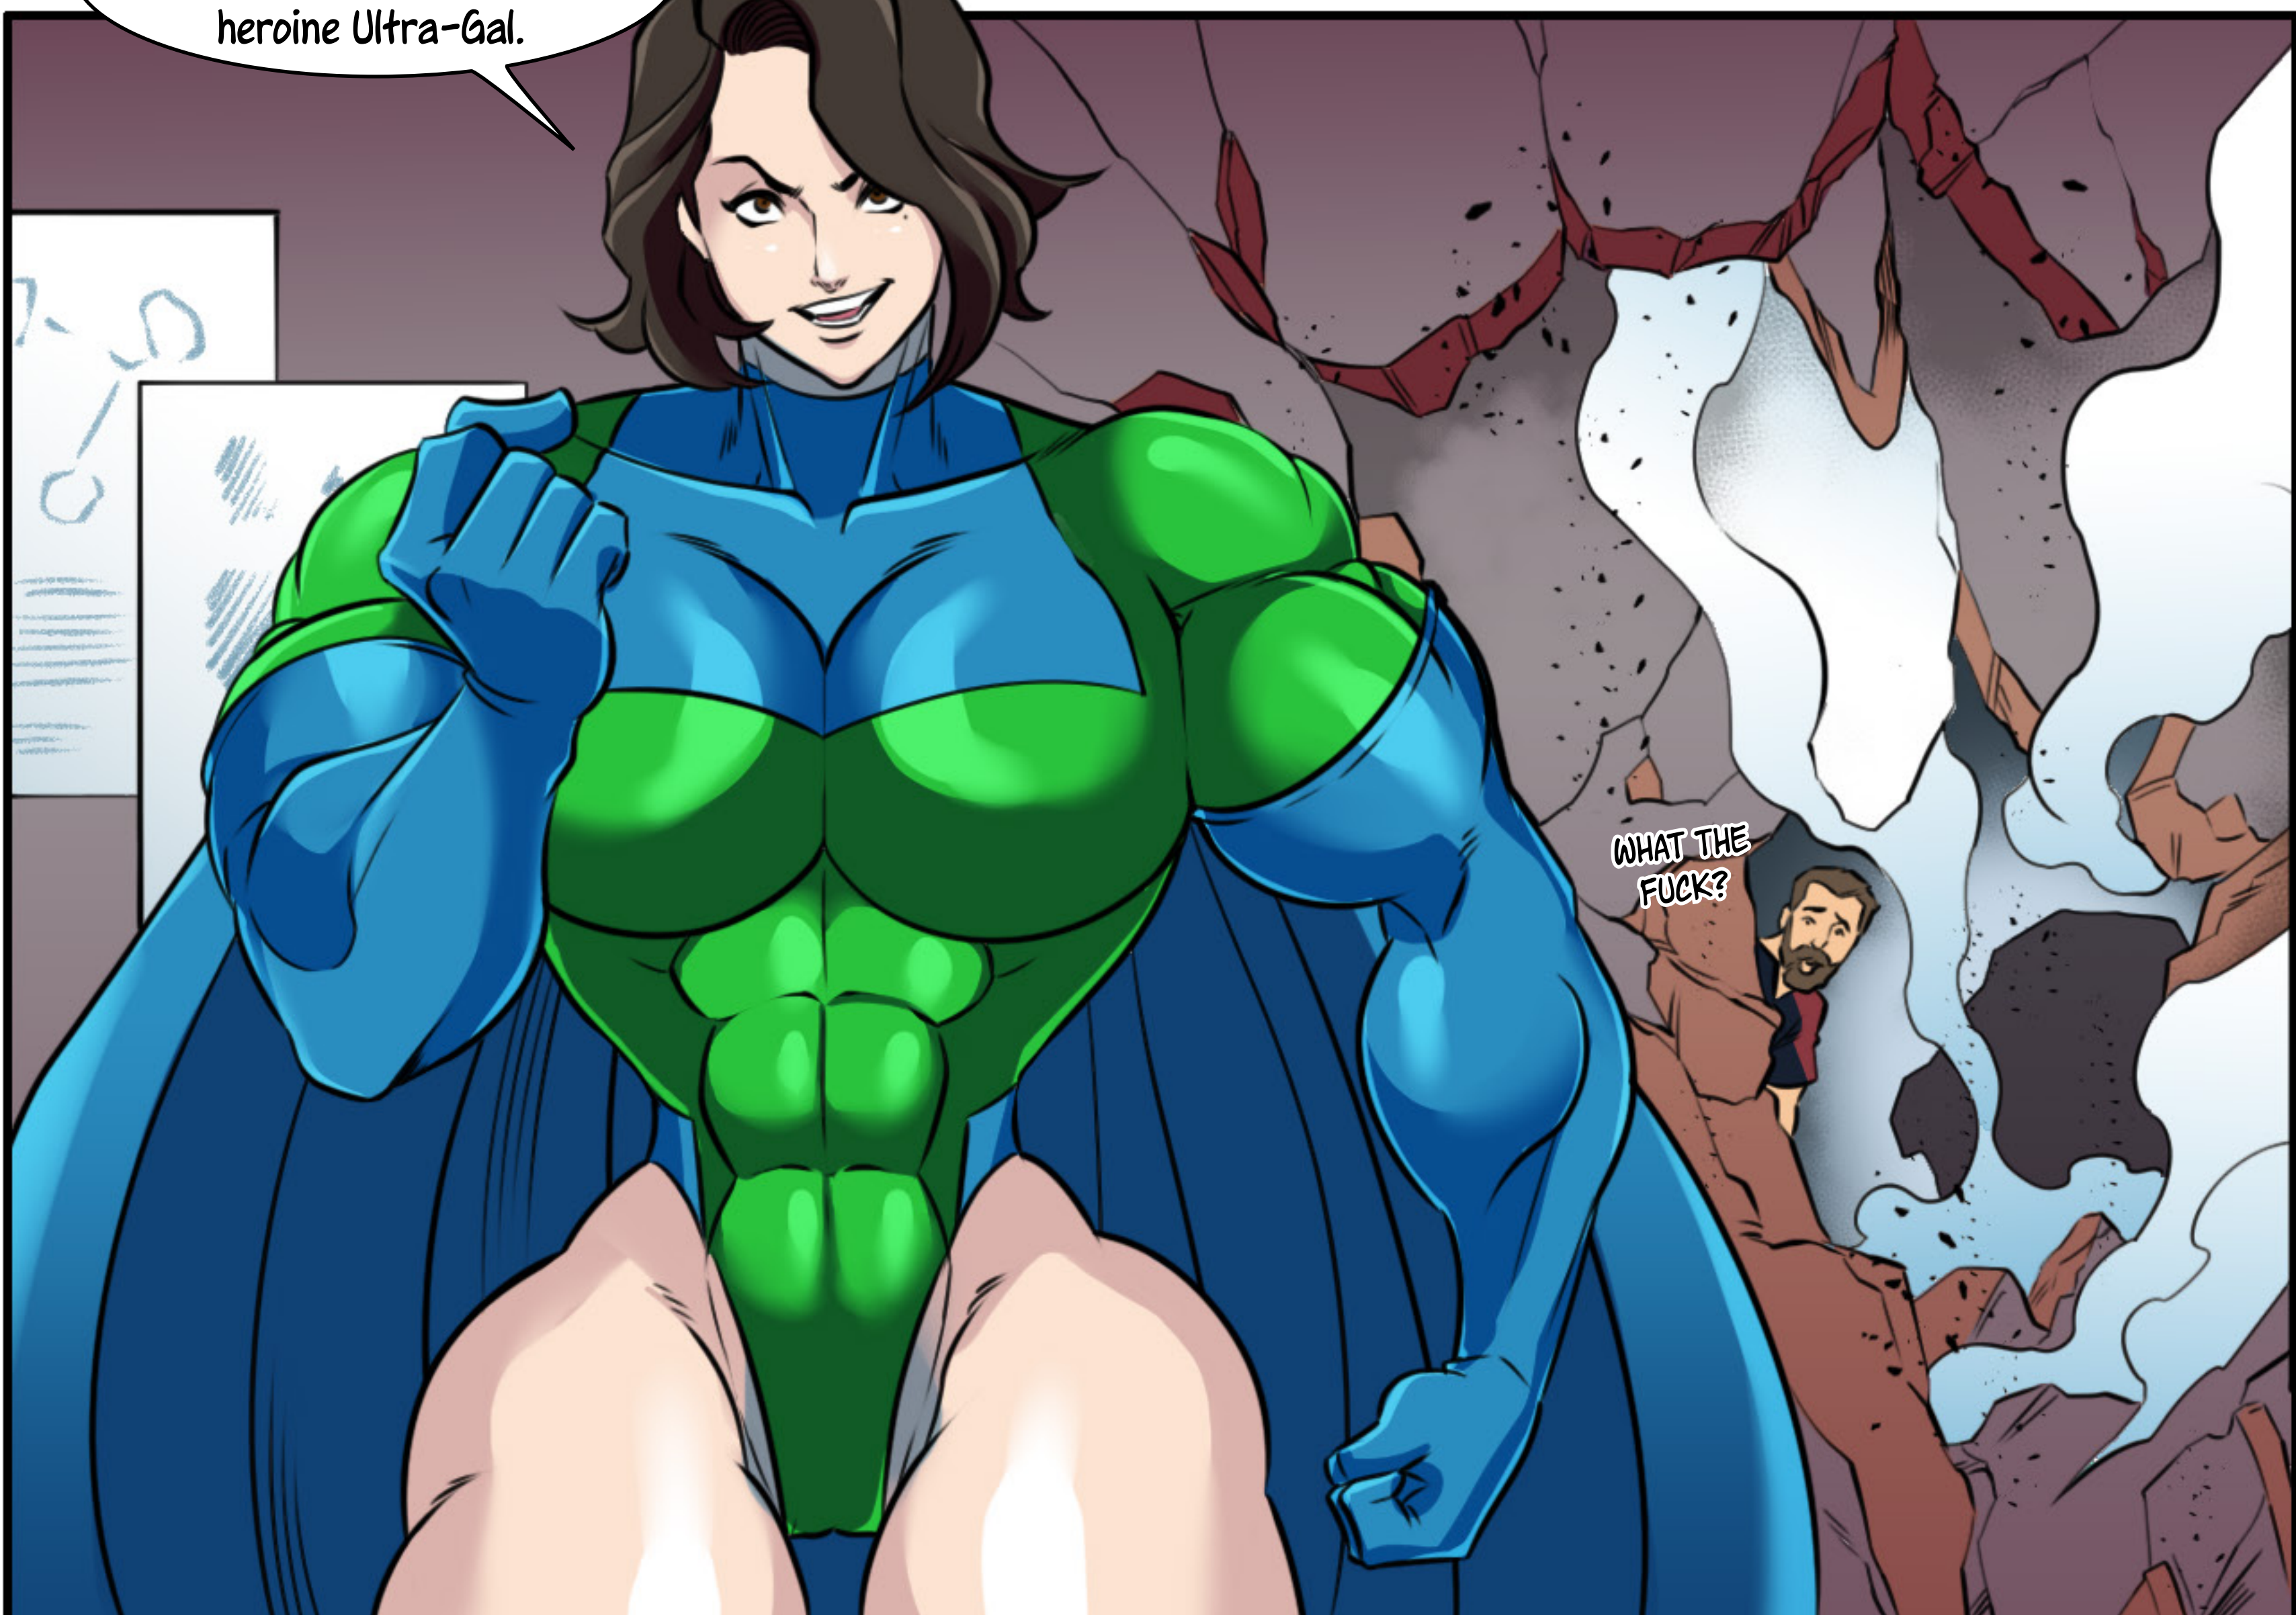

POP

HAHAHA!!!

A short time later...

I'm starting to get angry!

Look out!

Where is Ultra-Gal?!

I don't know!
Please don't hurt me!

How pathetic, he fainted. No matter, Ultra-Gal should be arriving any moment now.

What a wonderful day.

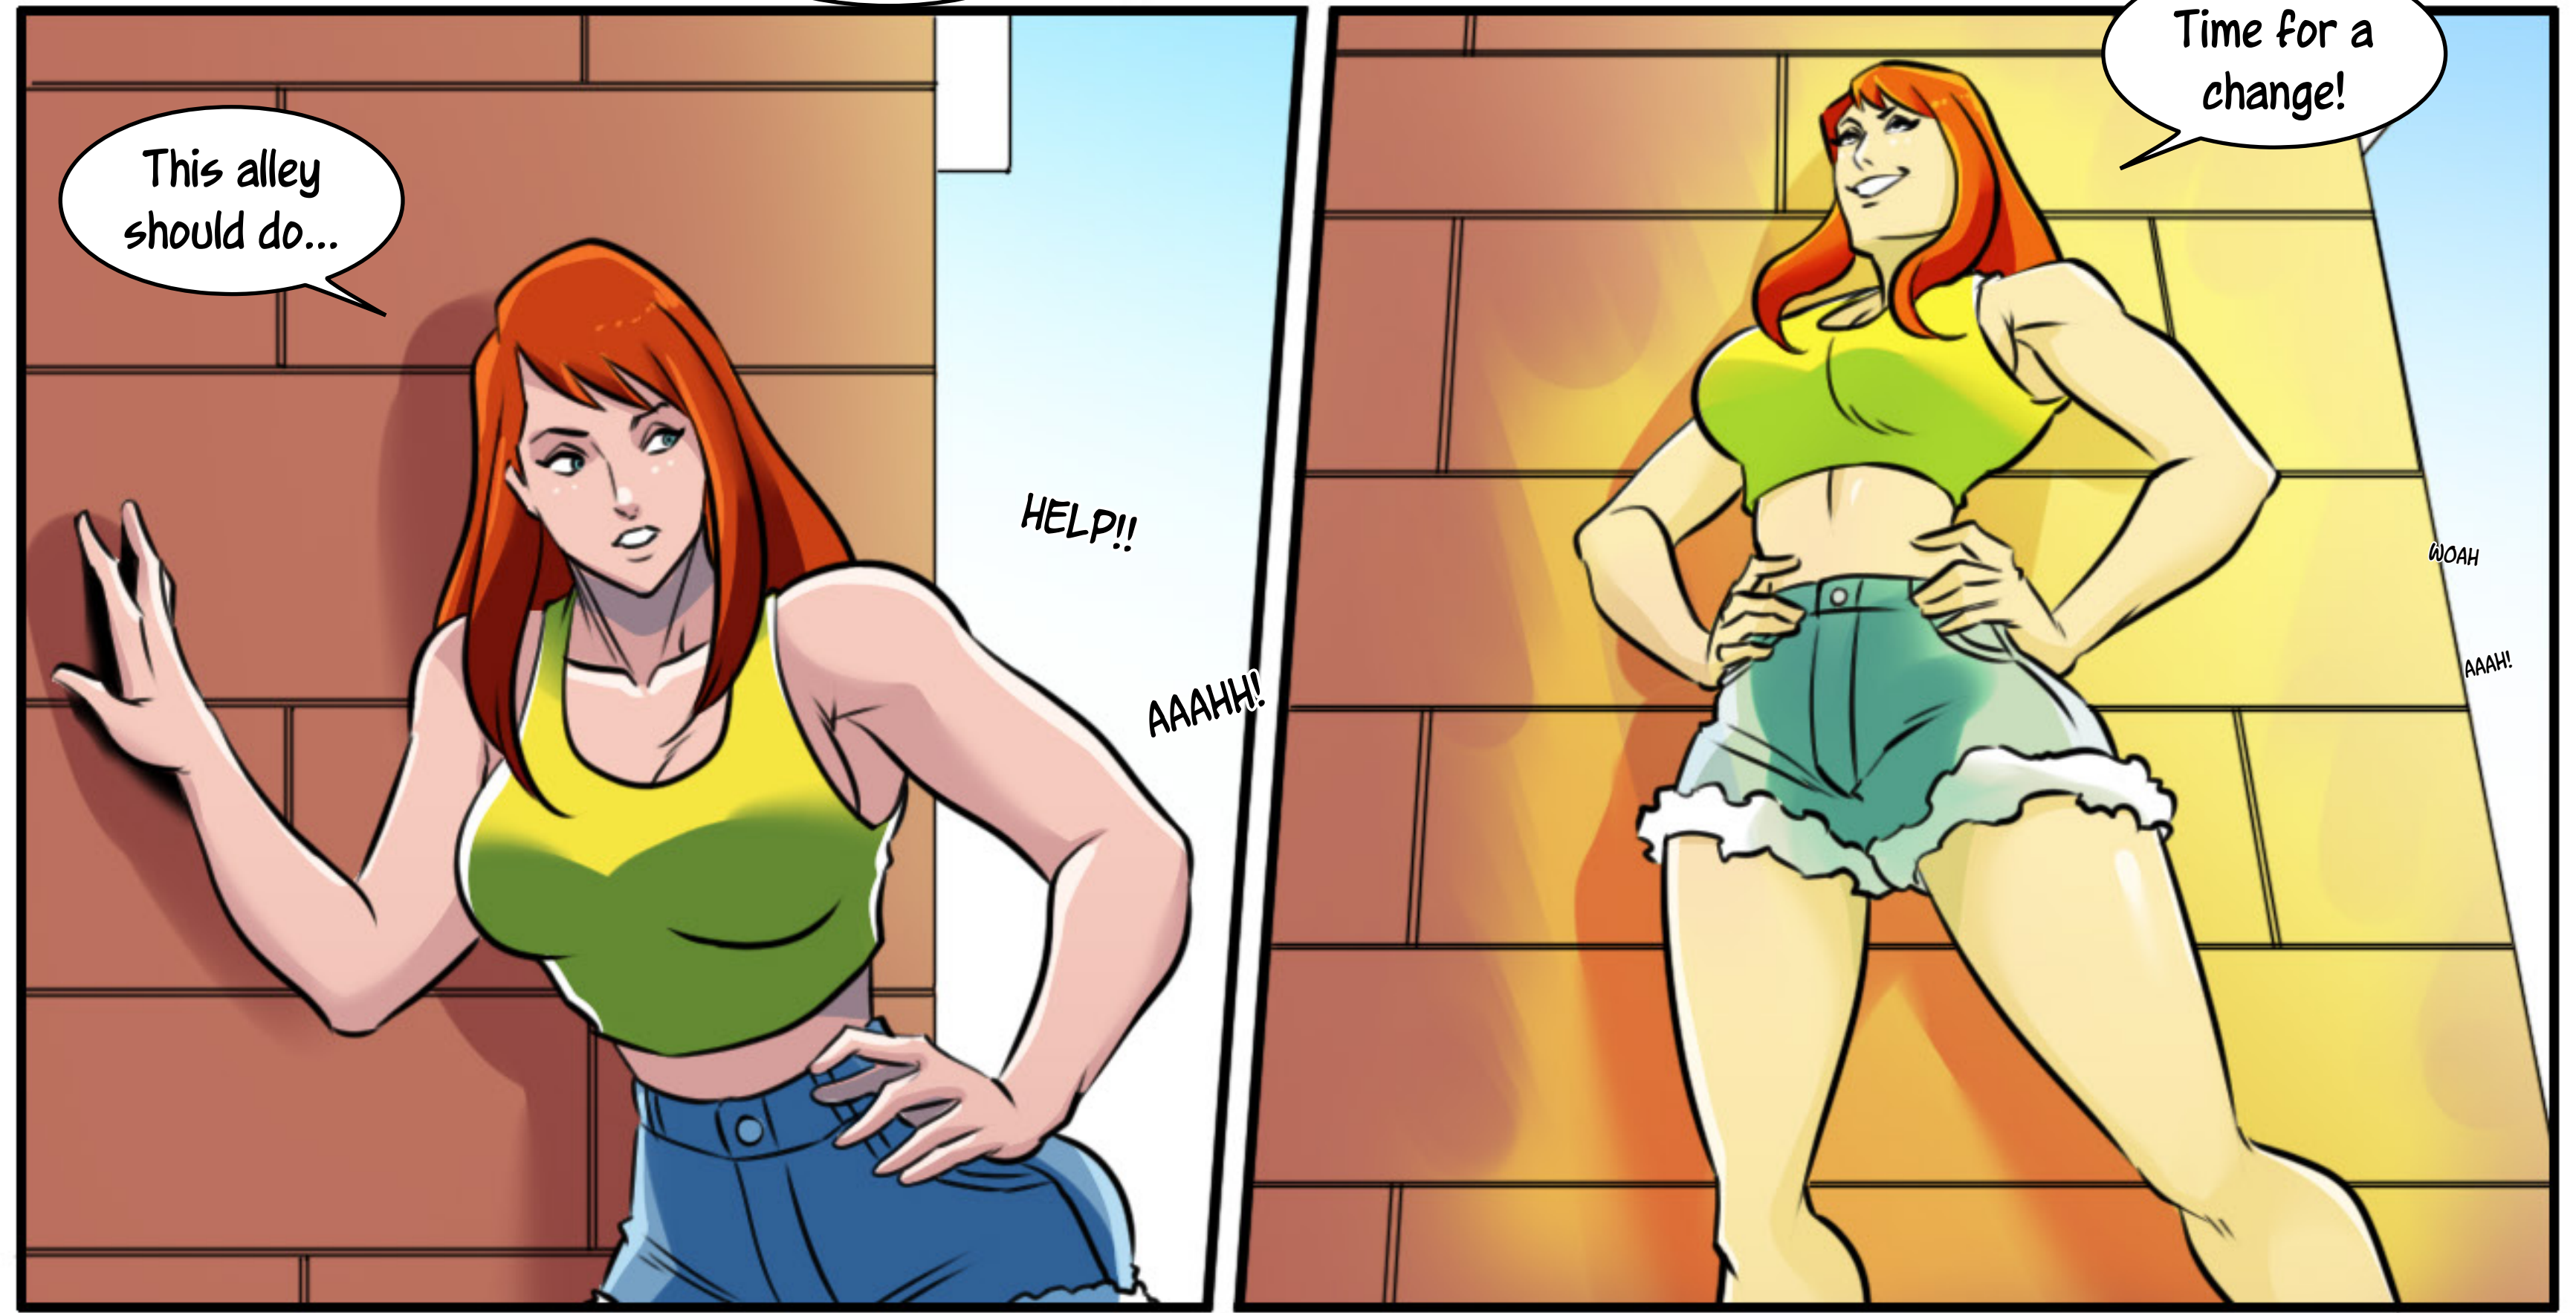

OH!

Run! She'll kill us all!

Somebody save us!

Well it WAS a wonderful day.

HUH?

This alley should do...

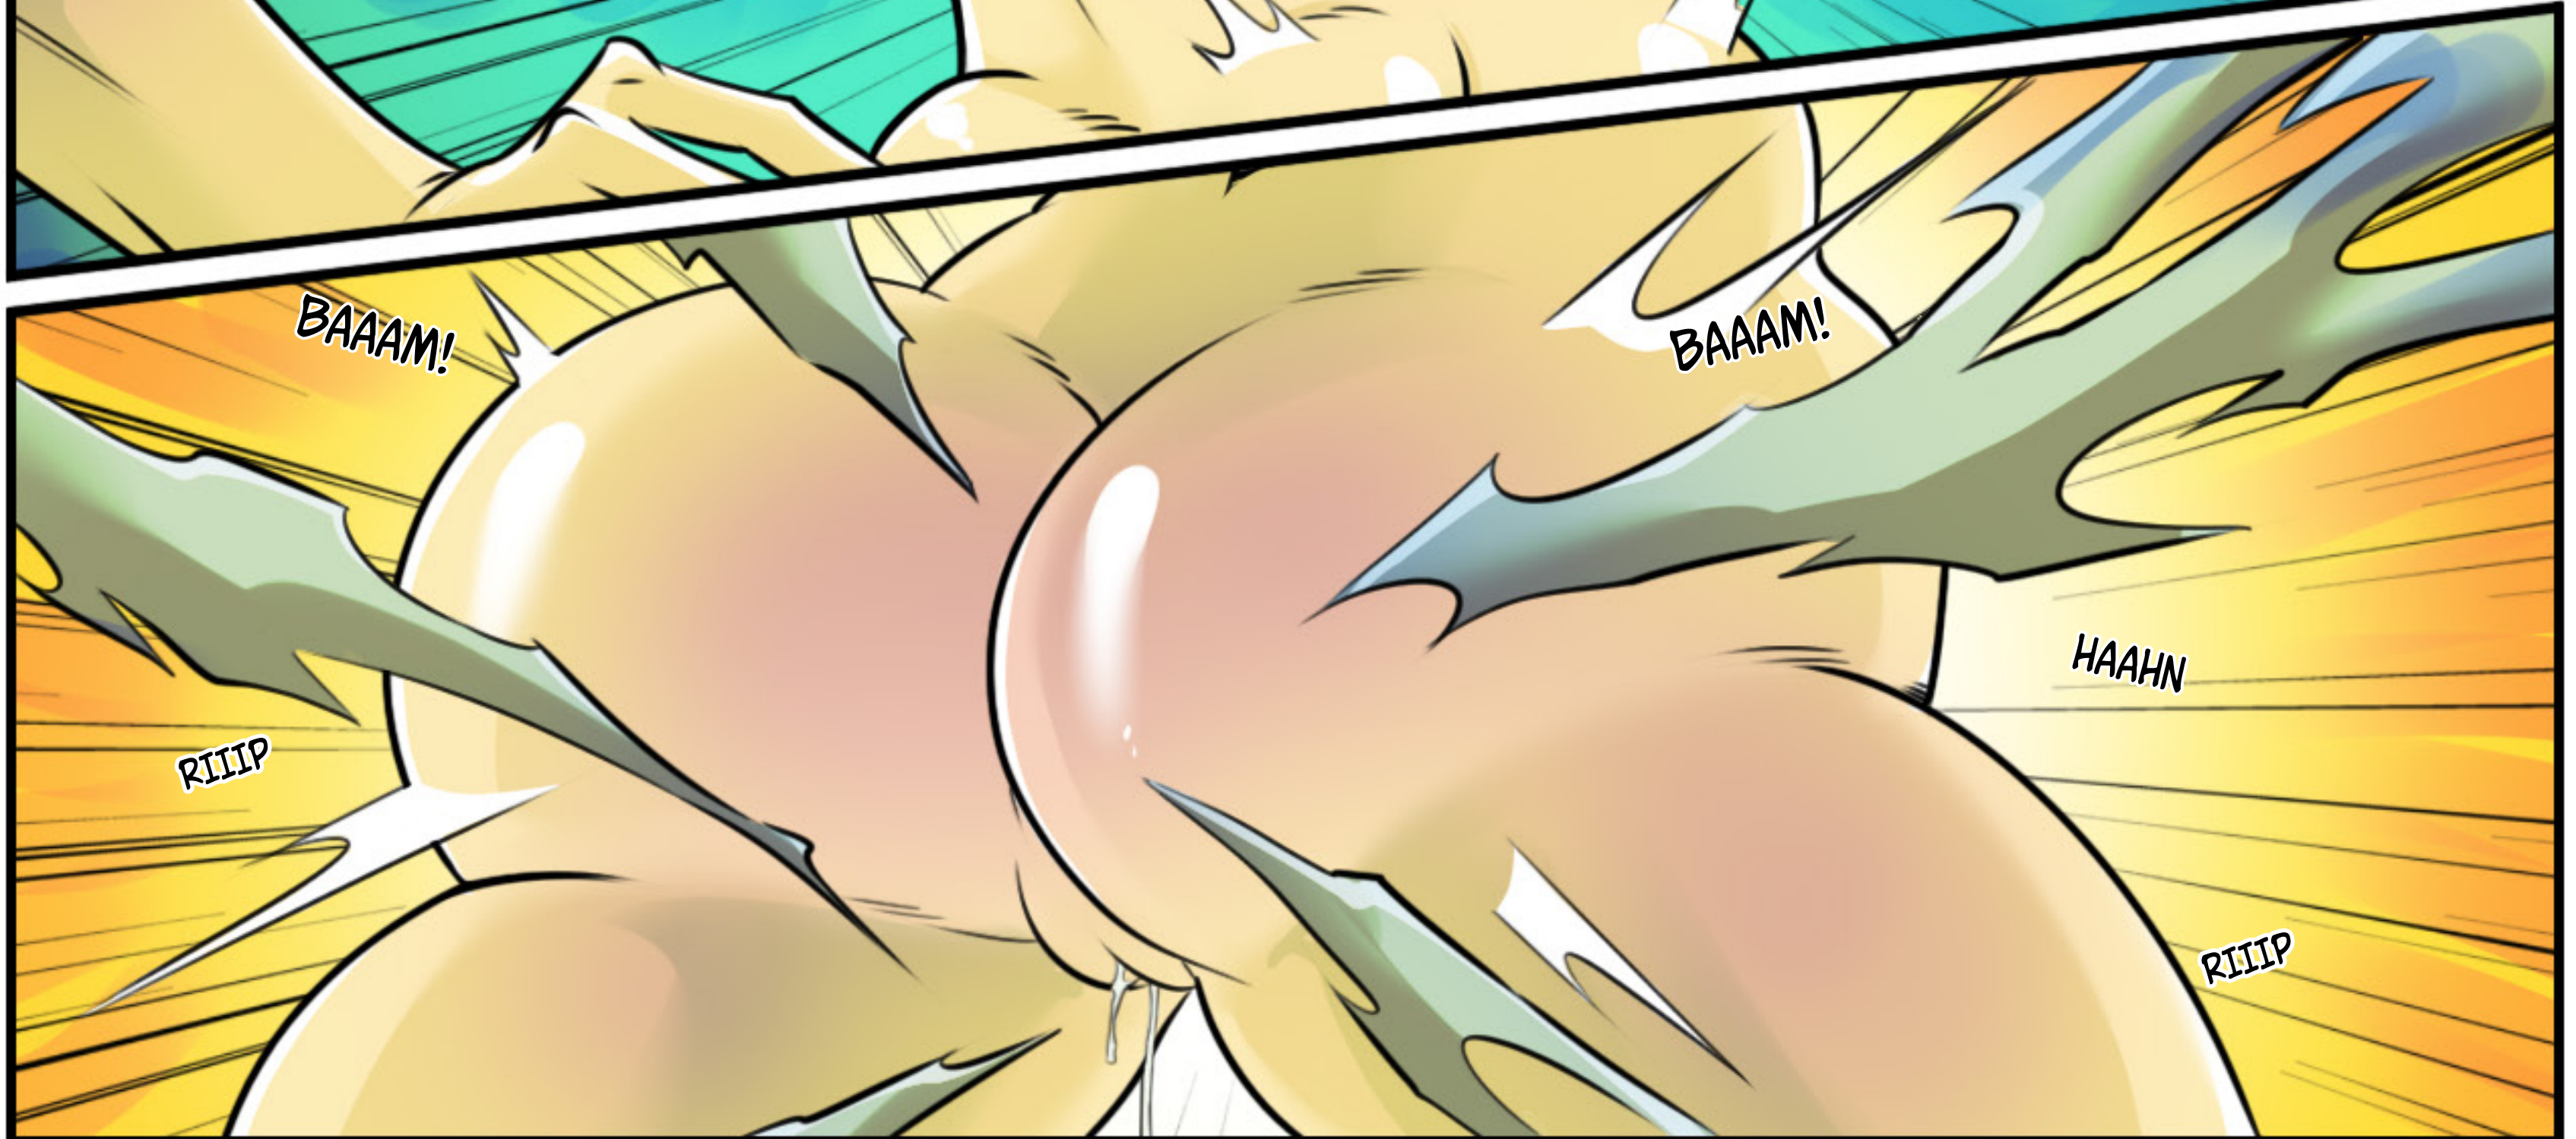

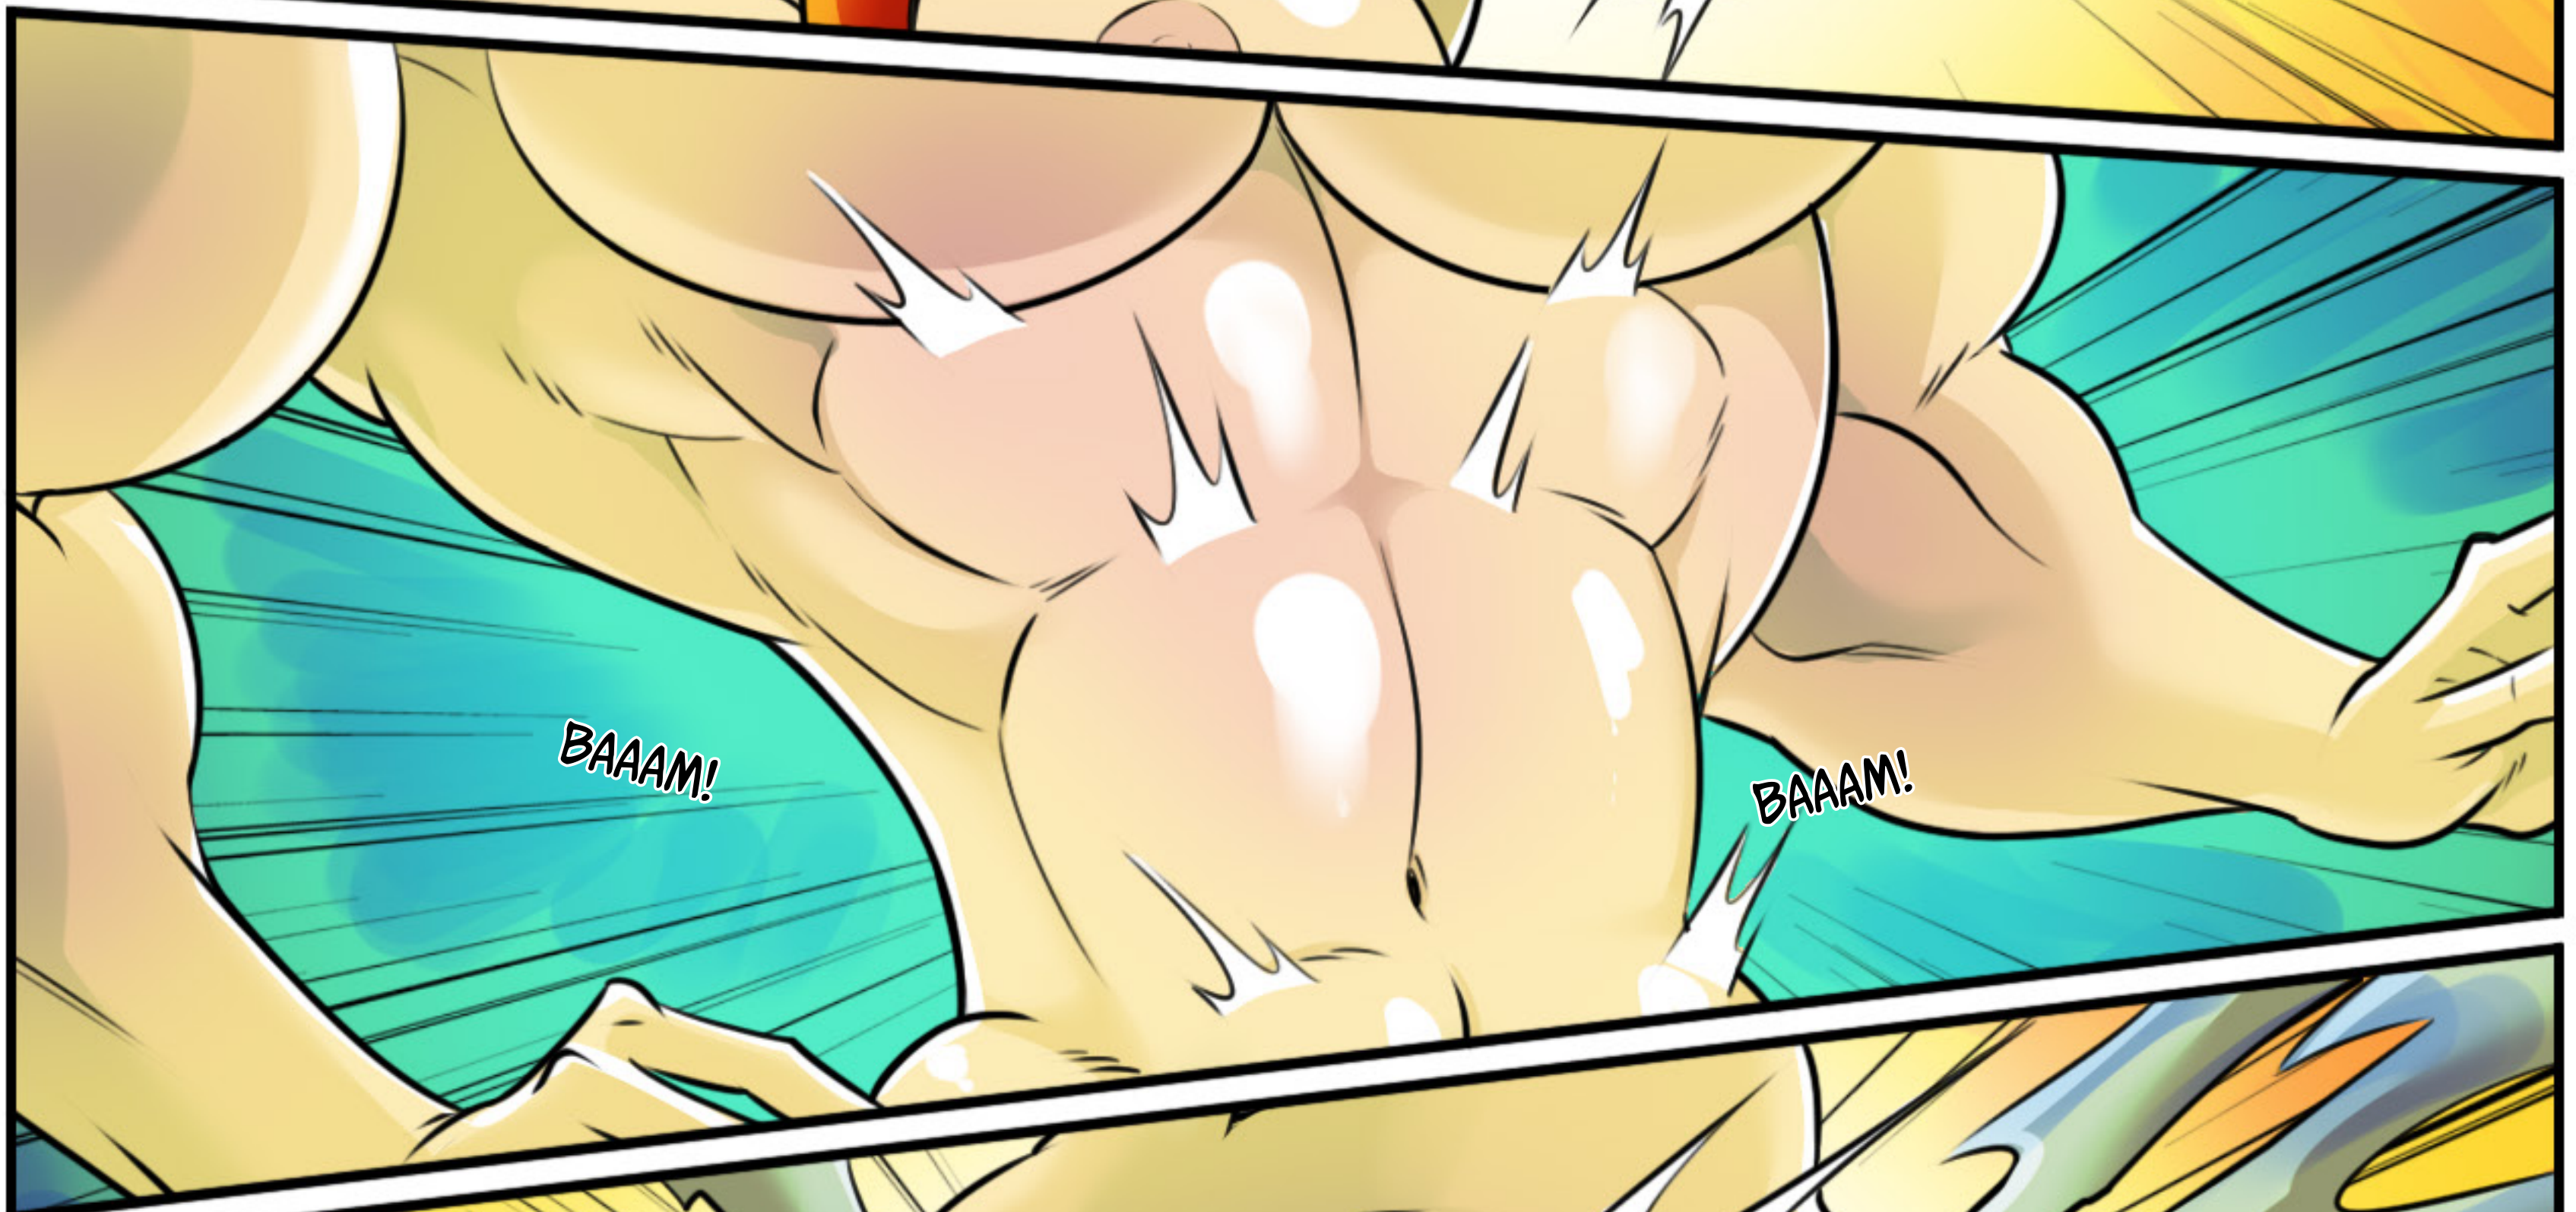

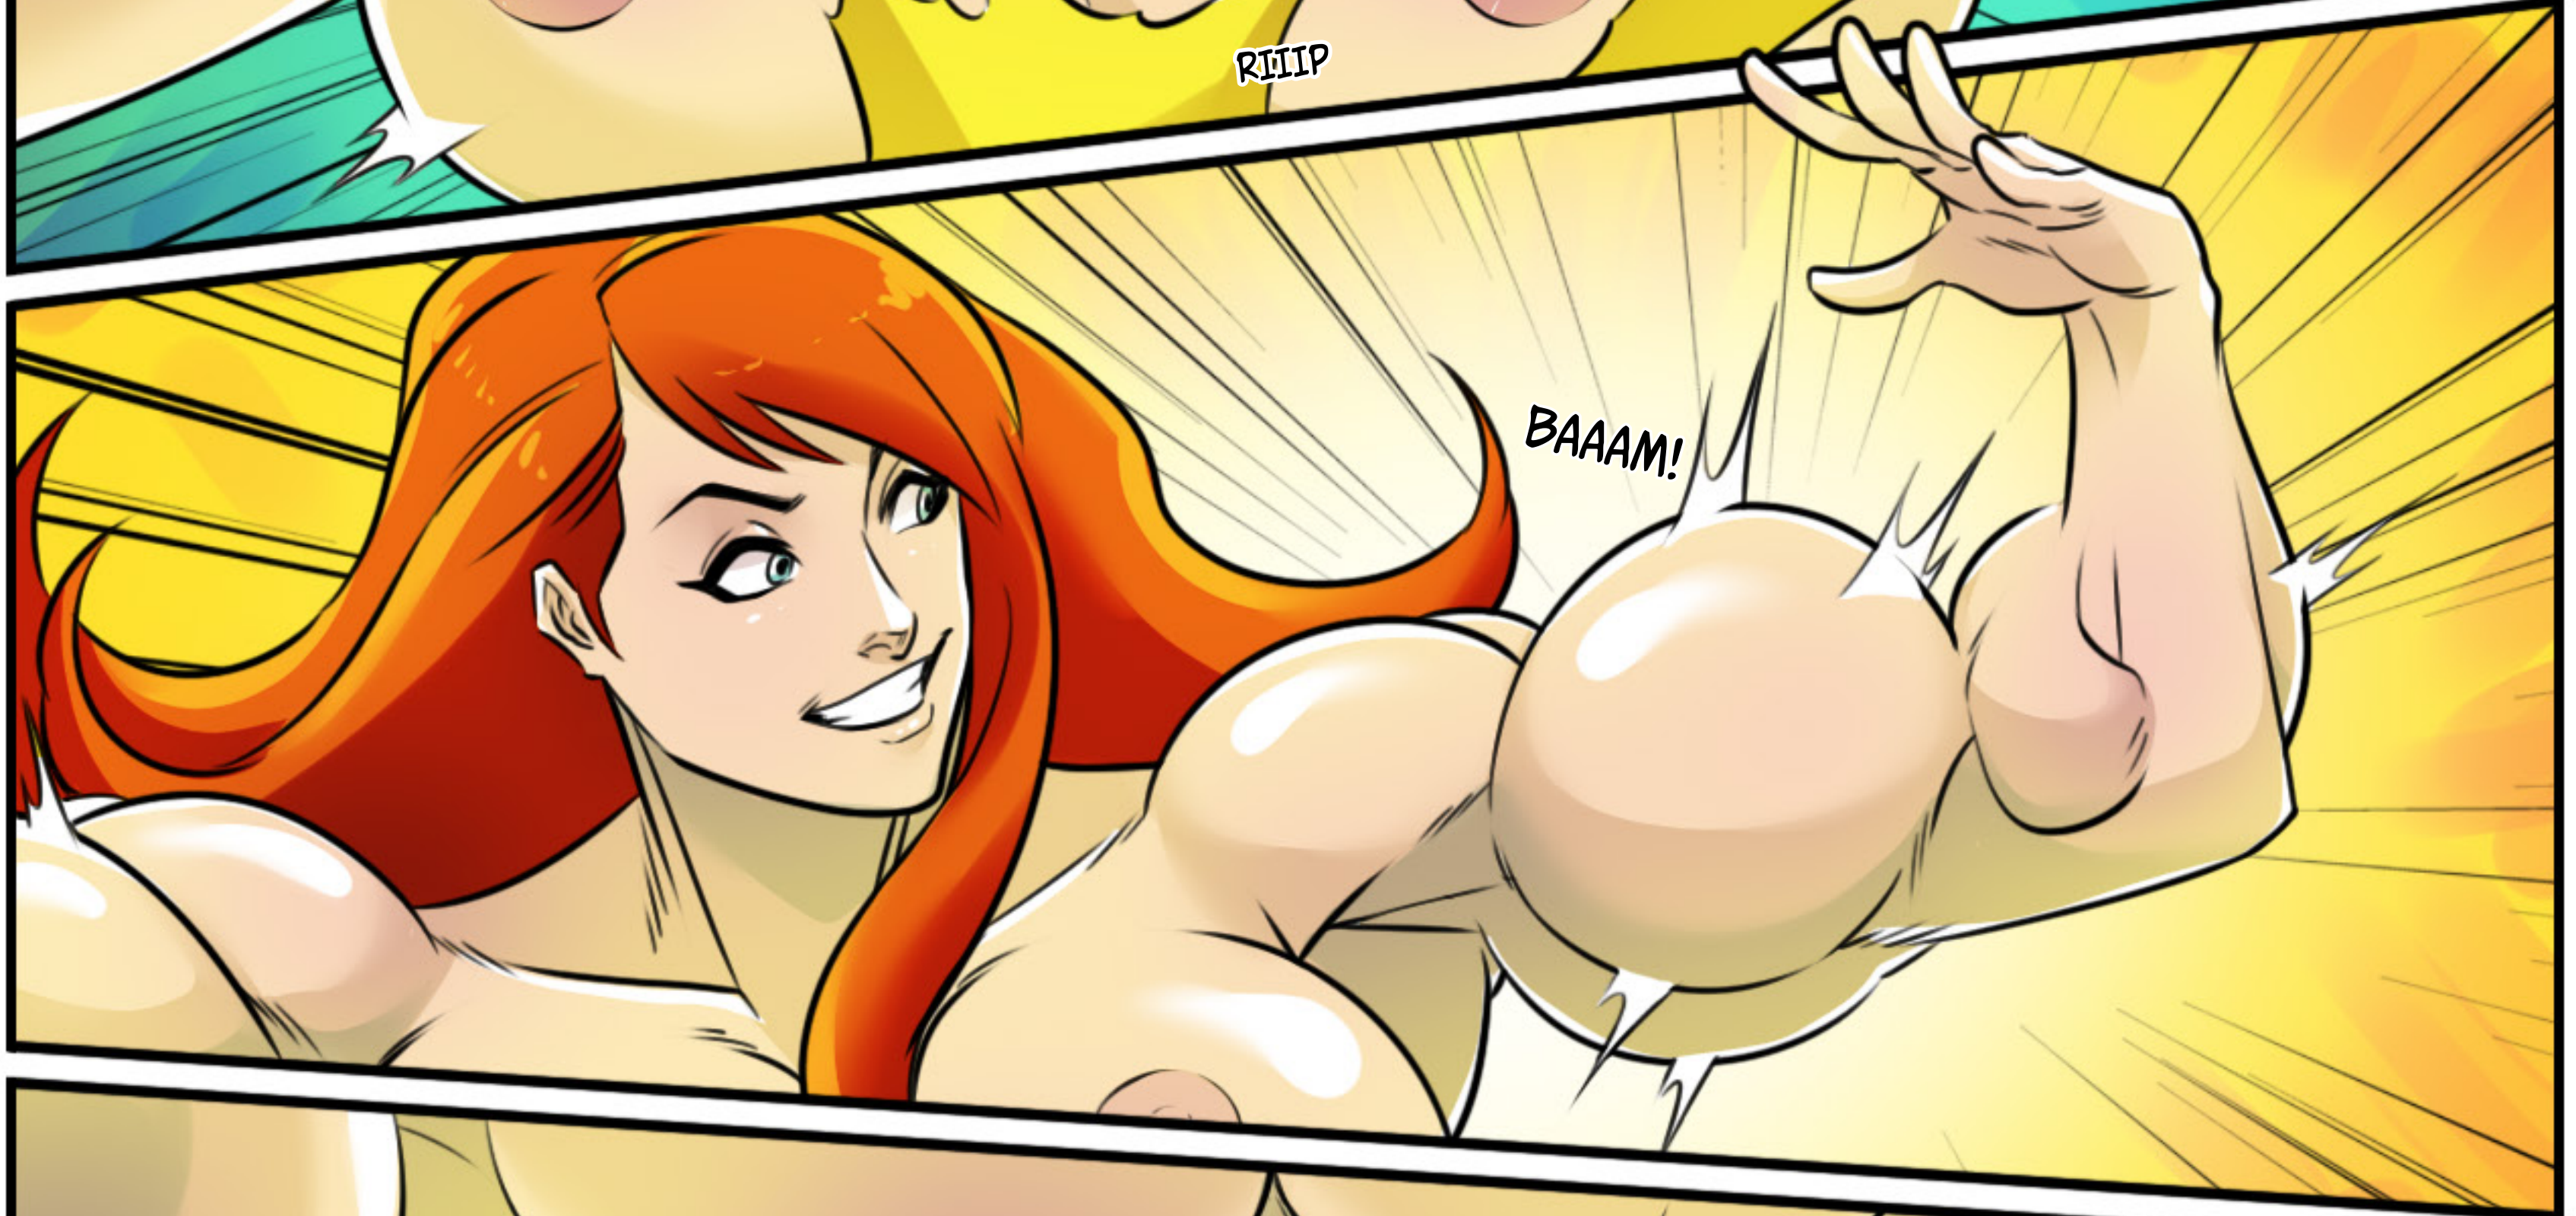

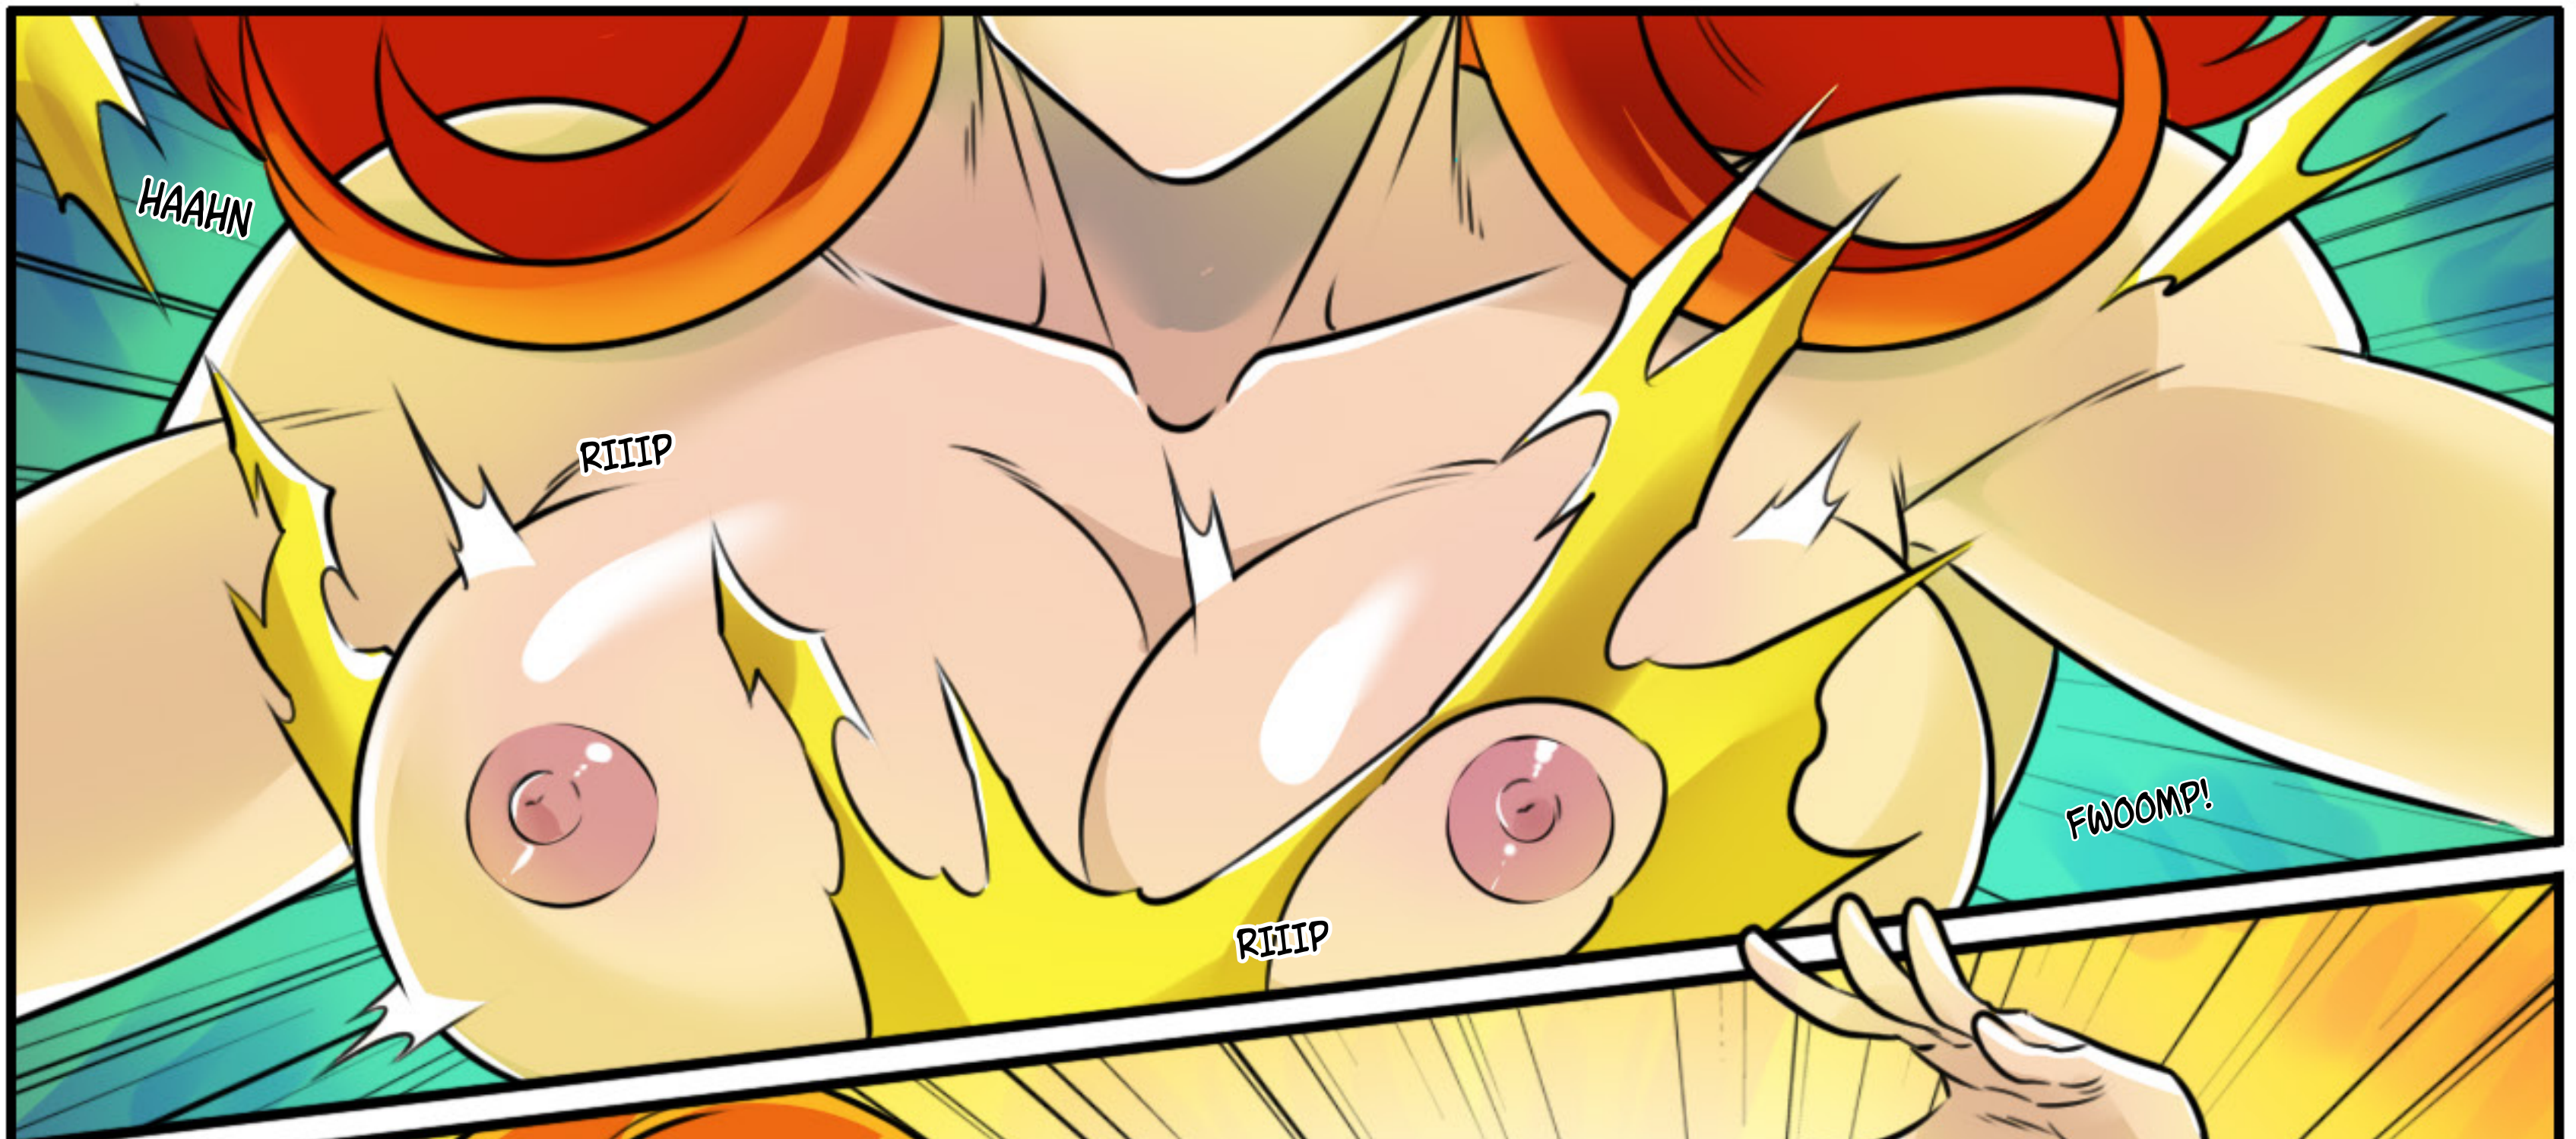

HELP!!

AAAHH!!

Time for a change!

WOAH

AAAHH!!

NICE!

FLOAT

Moments later...

You insects are beginning to bore me!

That's enough!

CRASH!

Wait... DOMINA?!? Oh my... You have super powers again!

Oh you figured out my surprise. What gave it away?

But you were back to normal and had amnesia... how did...?

I was faking it, you Ultra-Dolt! I've spent the last few months using my super genius intellect to reacquire the power you stole from me!

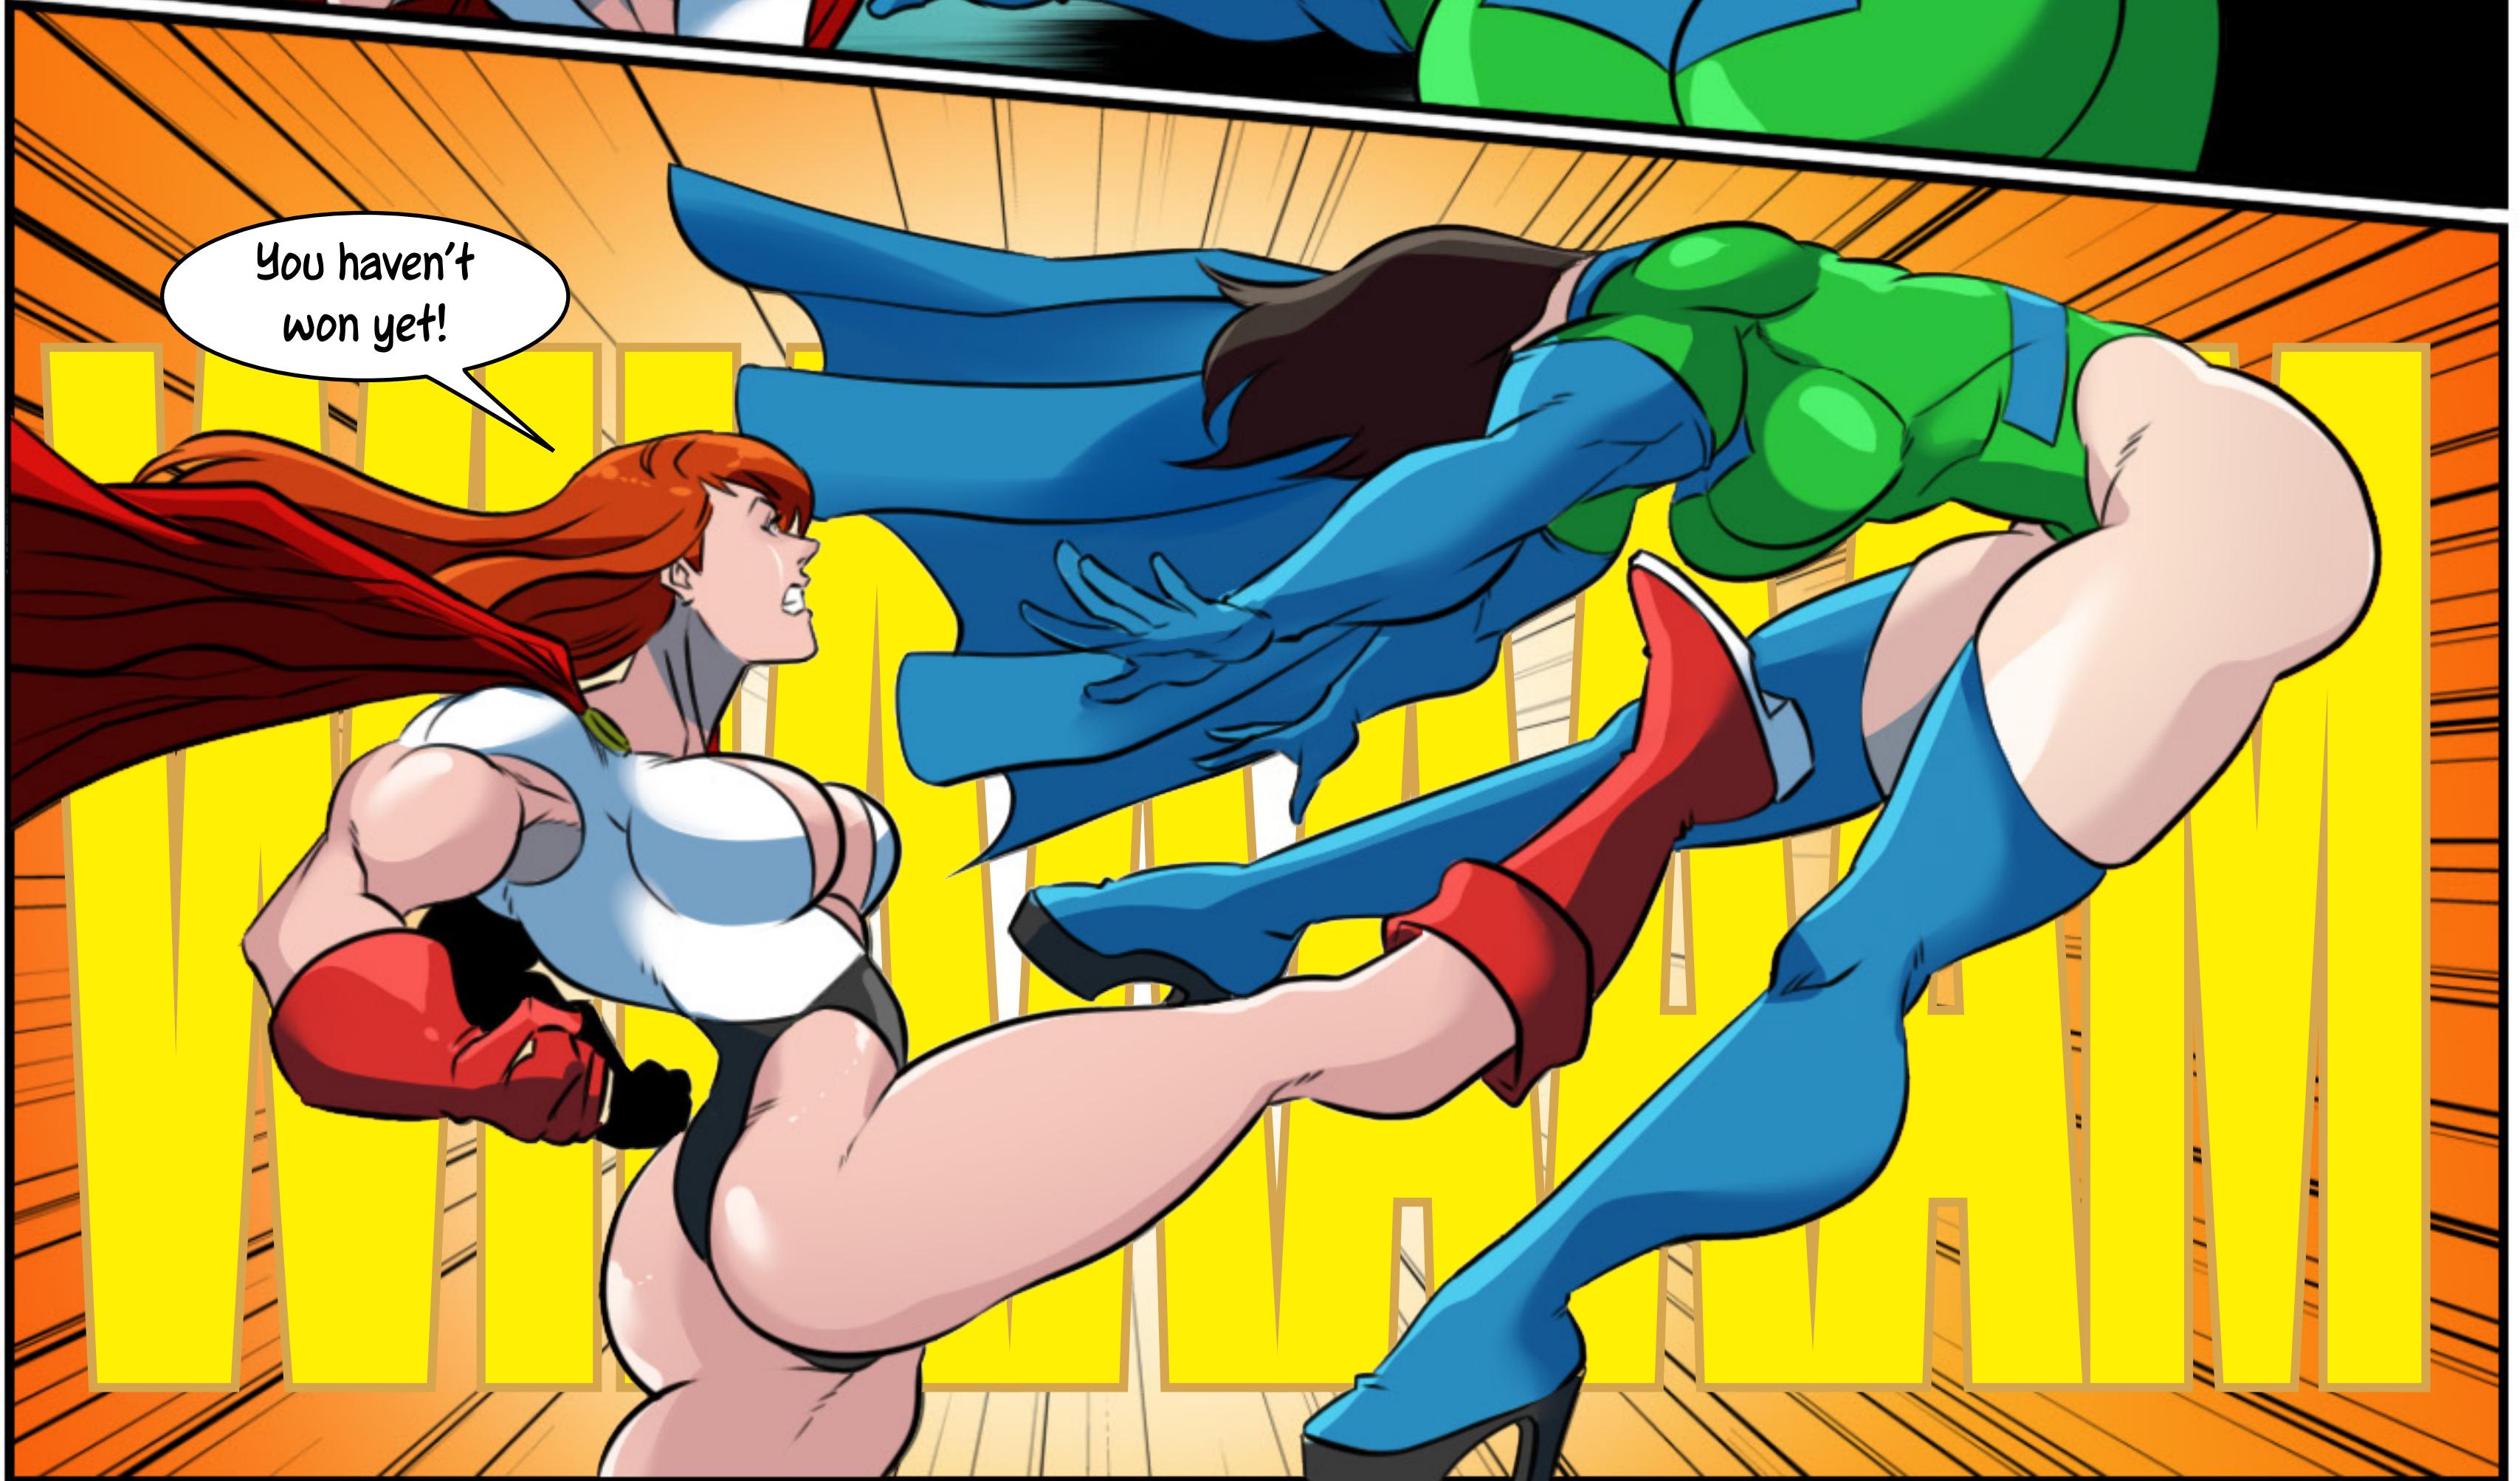

Enough talking! It's time for my revenge!

Uuggghh!

WHAAAM!

GRIP

GRIP

Those self defense lessons I took recently are paying off. Still, she fights like a wild animal.

Uggghh!

I don't want to hurt her, but she has to be stopped.

Saw this in an anime once... Let's see how it works in real life!

FWOOSH!

WHUMP!

BAAAM!

WANTROON!

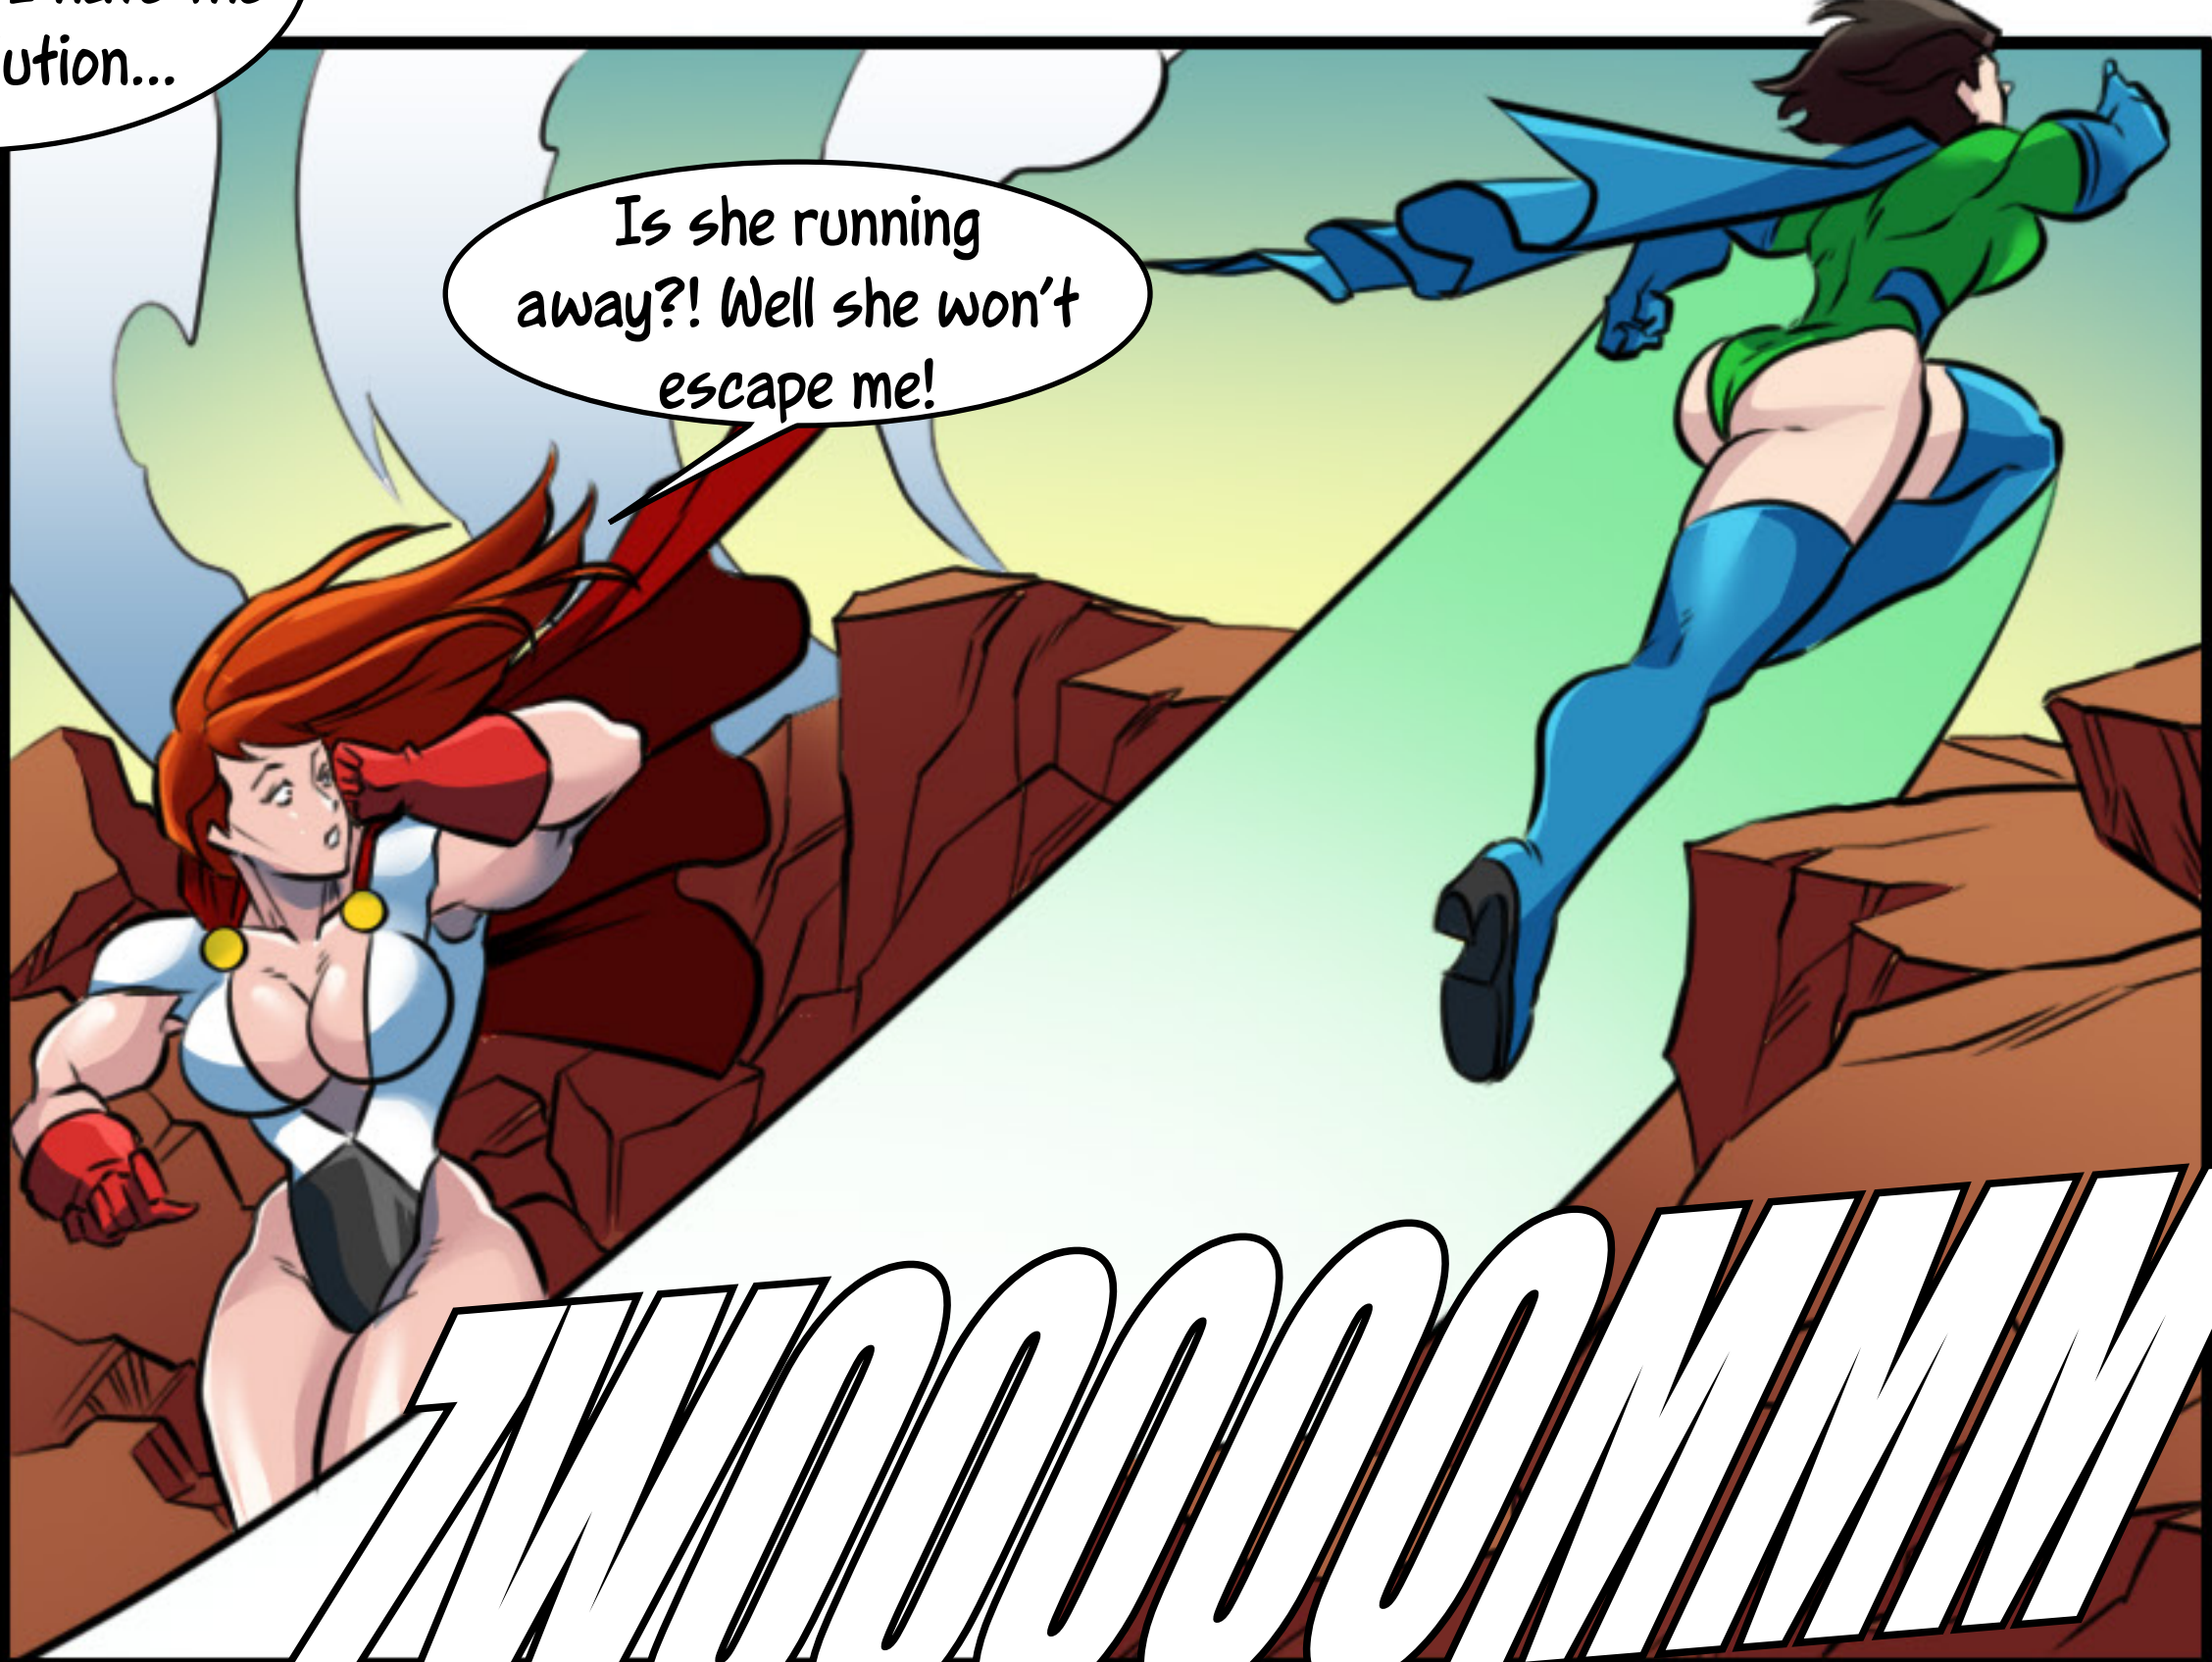

Oh no!
I think I overdid it!
Are you ok?!?

KRAGOOO

KROOG

I may have underestimated you Ultra-Gal, but I have the perfect solution...

Is she running away?! Well she won't escape me!

WAAAAAAAAAAAAAAAAAAAAA!

Seconds later...

Using more of this is risky but I refuse to lose again!

SWOOOP!

RATTLE

RATTLE

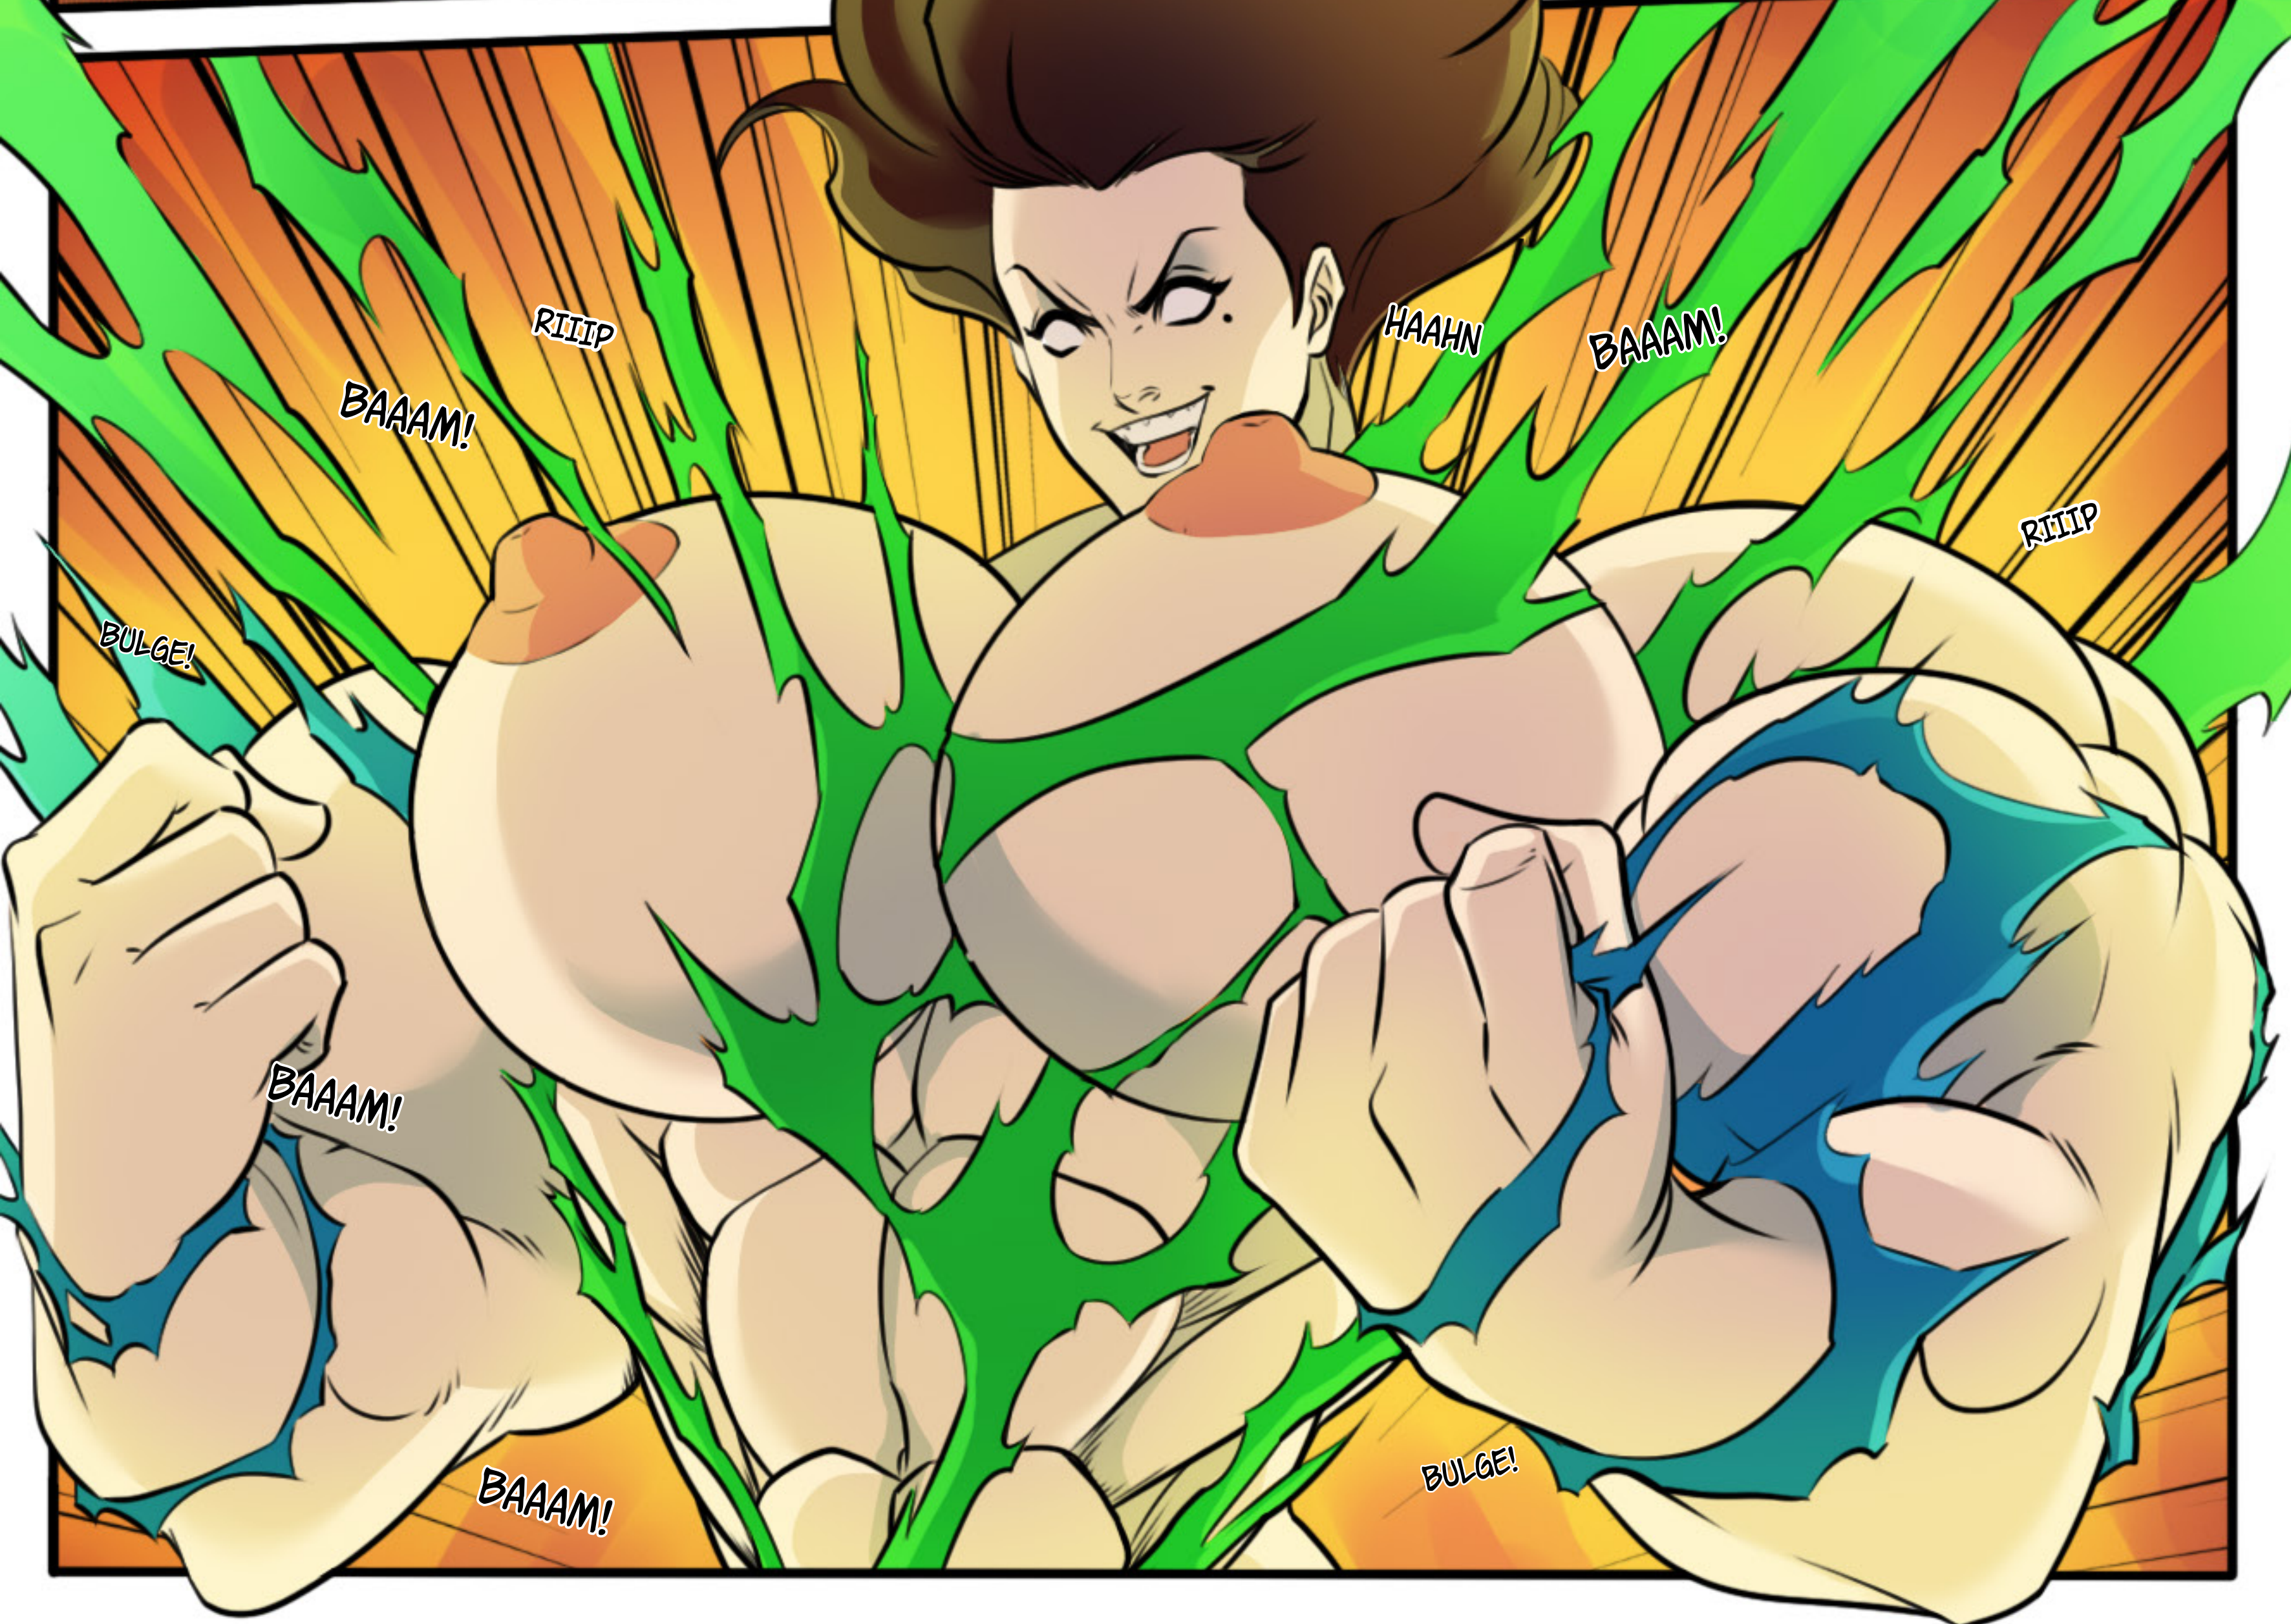

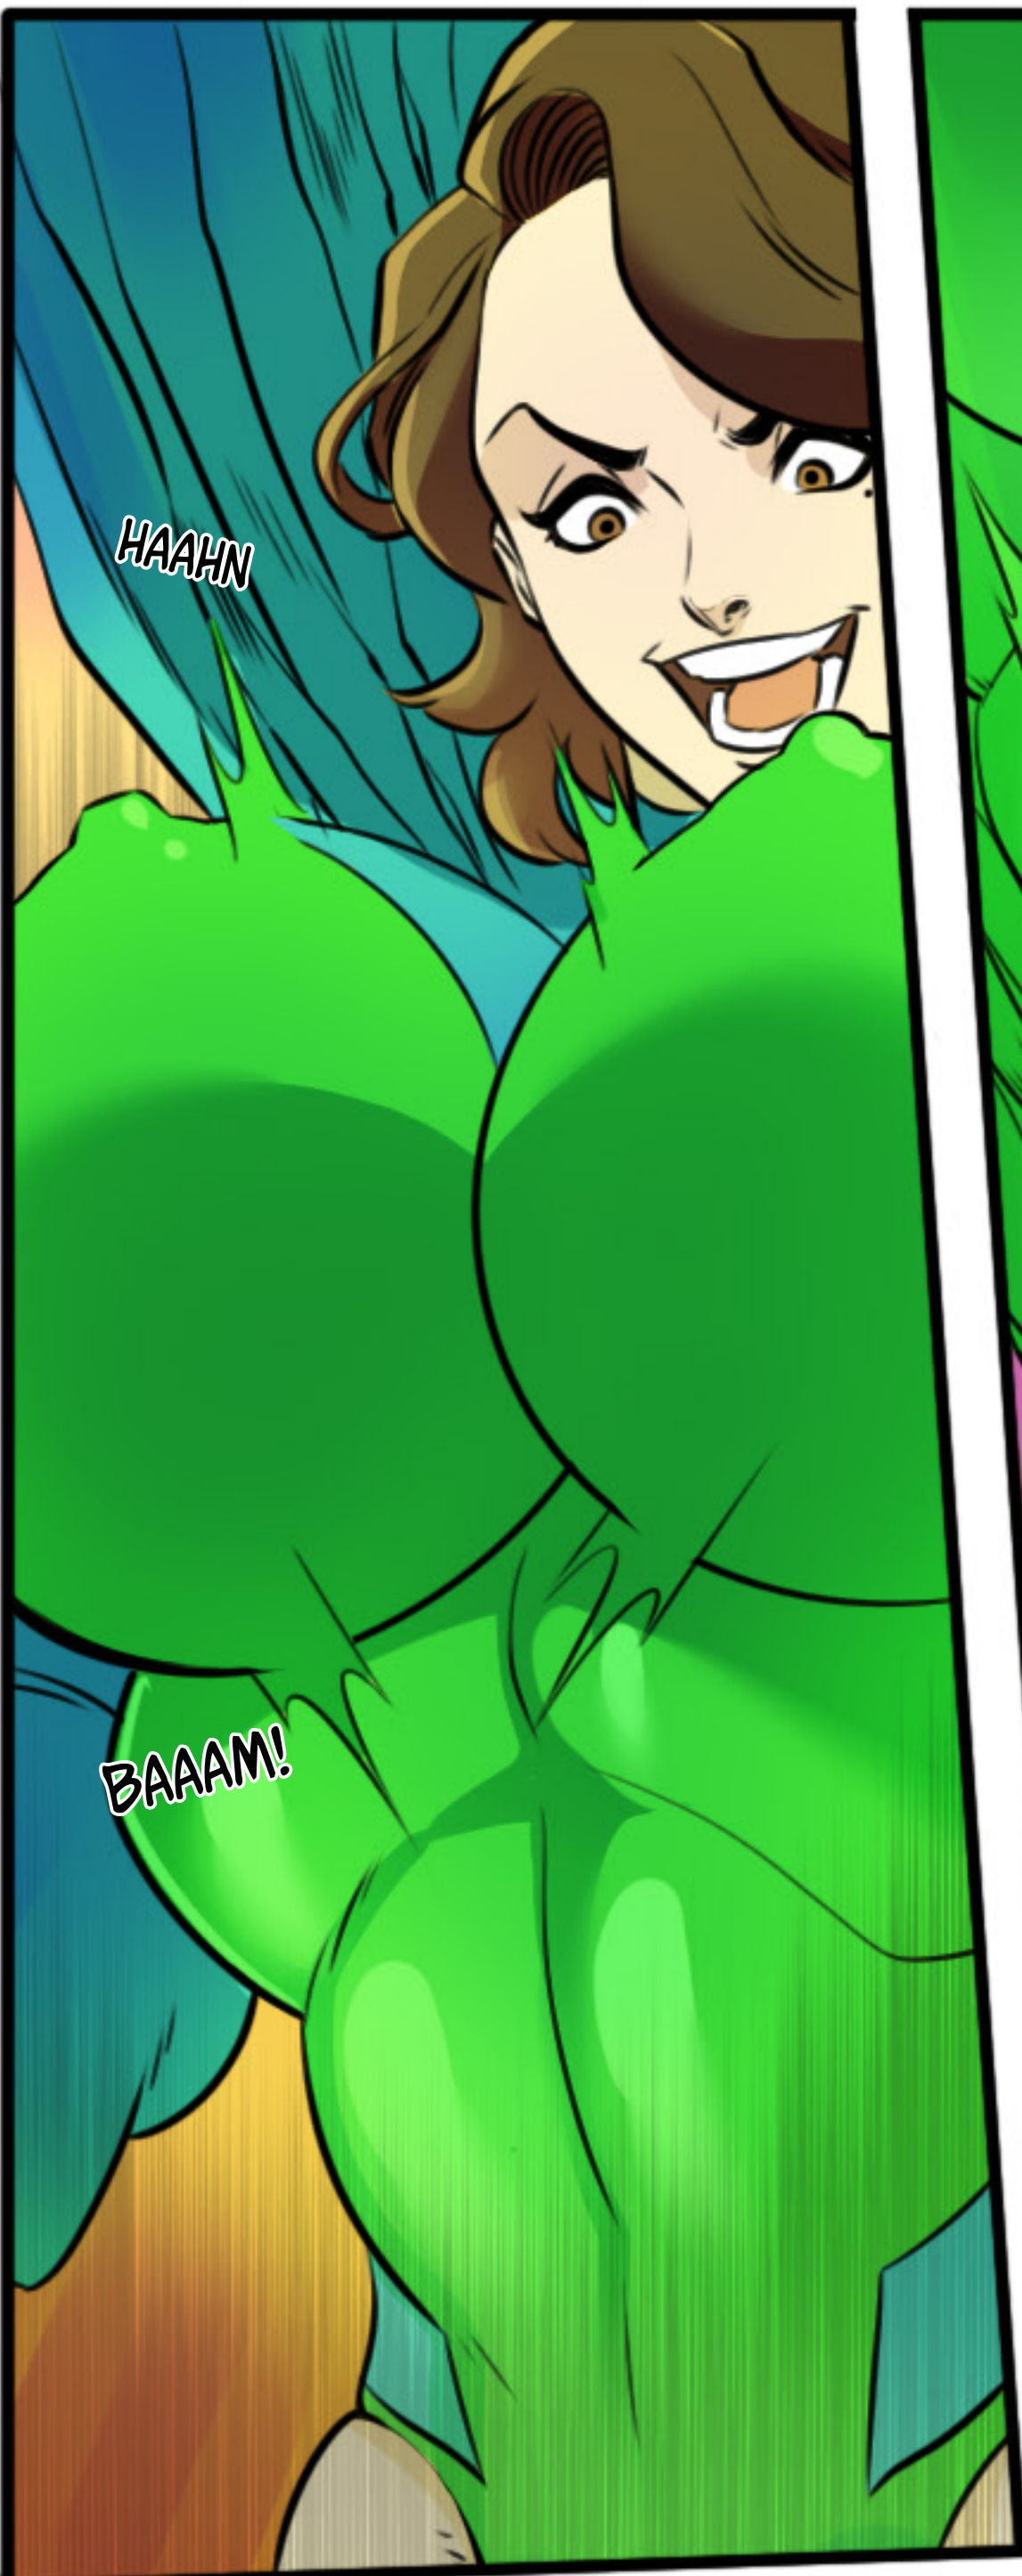

GULP GULP GULP

I'm not sure what she is doing but I have a bad feeling about this!

What are you planning? What was in that beaker?

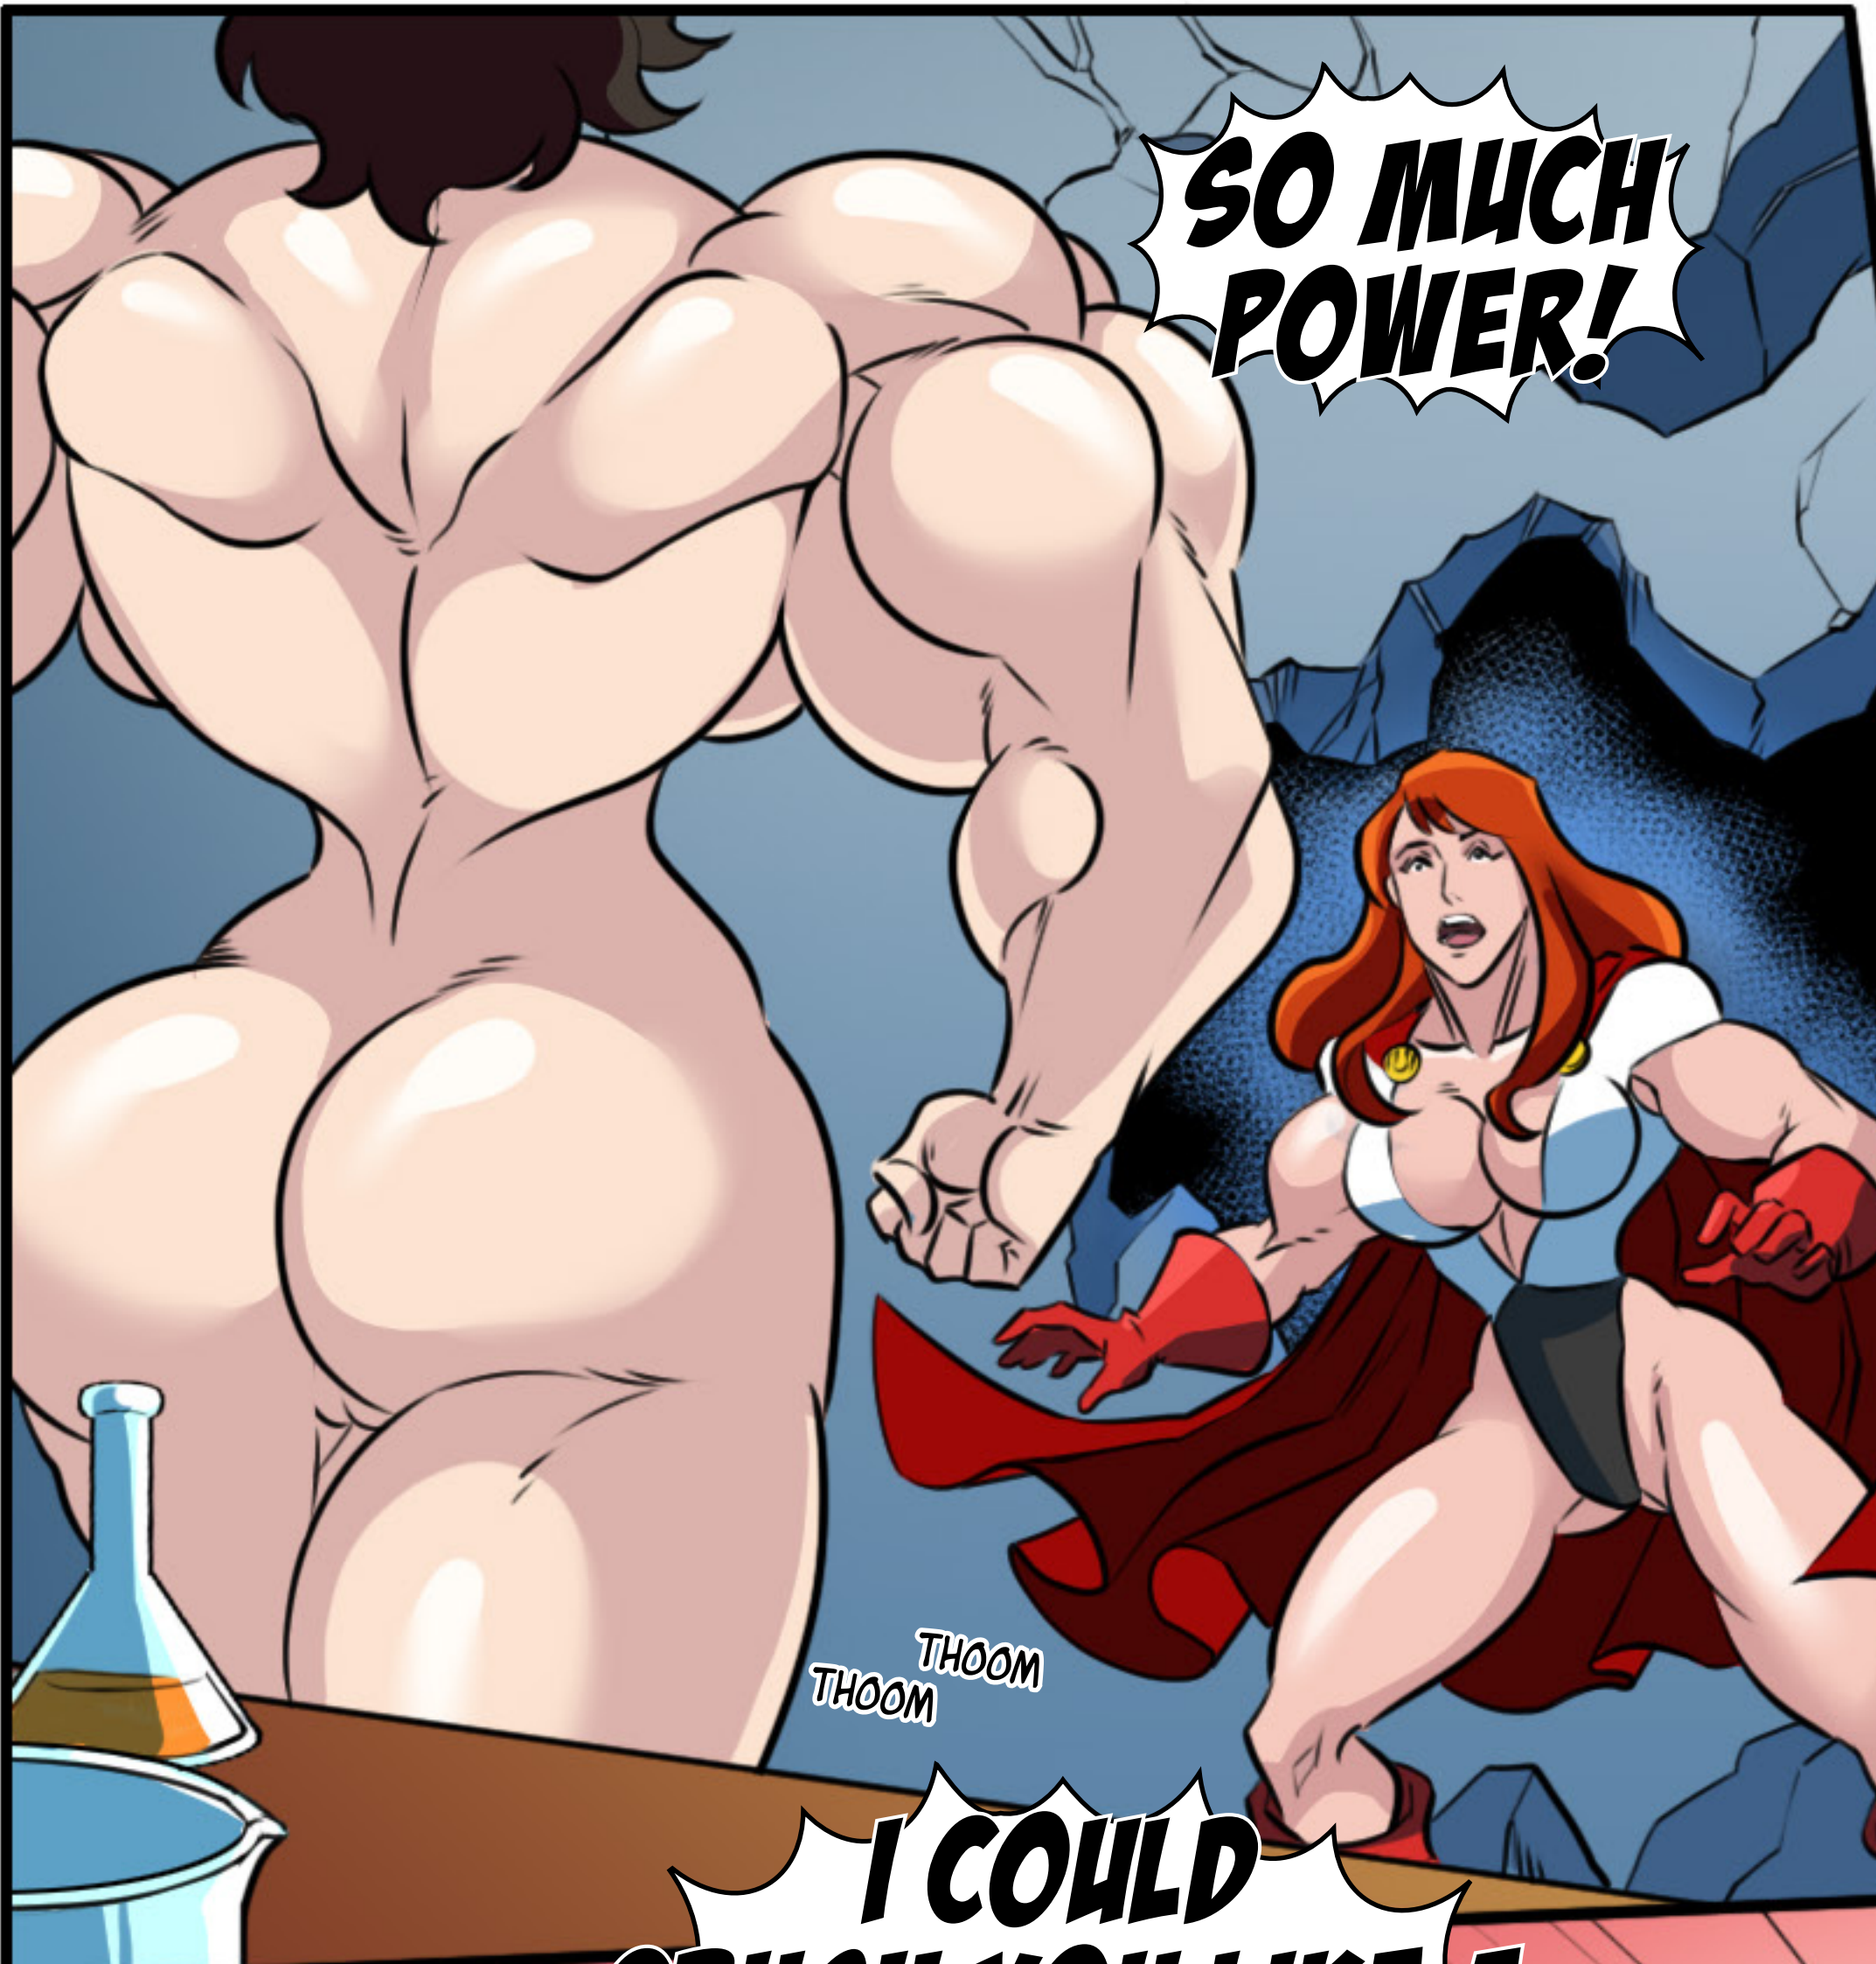

You want to know what was in it? Alright, I'll tell you and I'll make it simple enough for even you to understand.

POWER!

HAHAHAHAHA!

SO MUCH POWER!

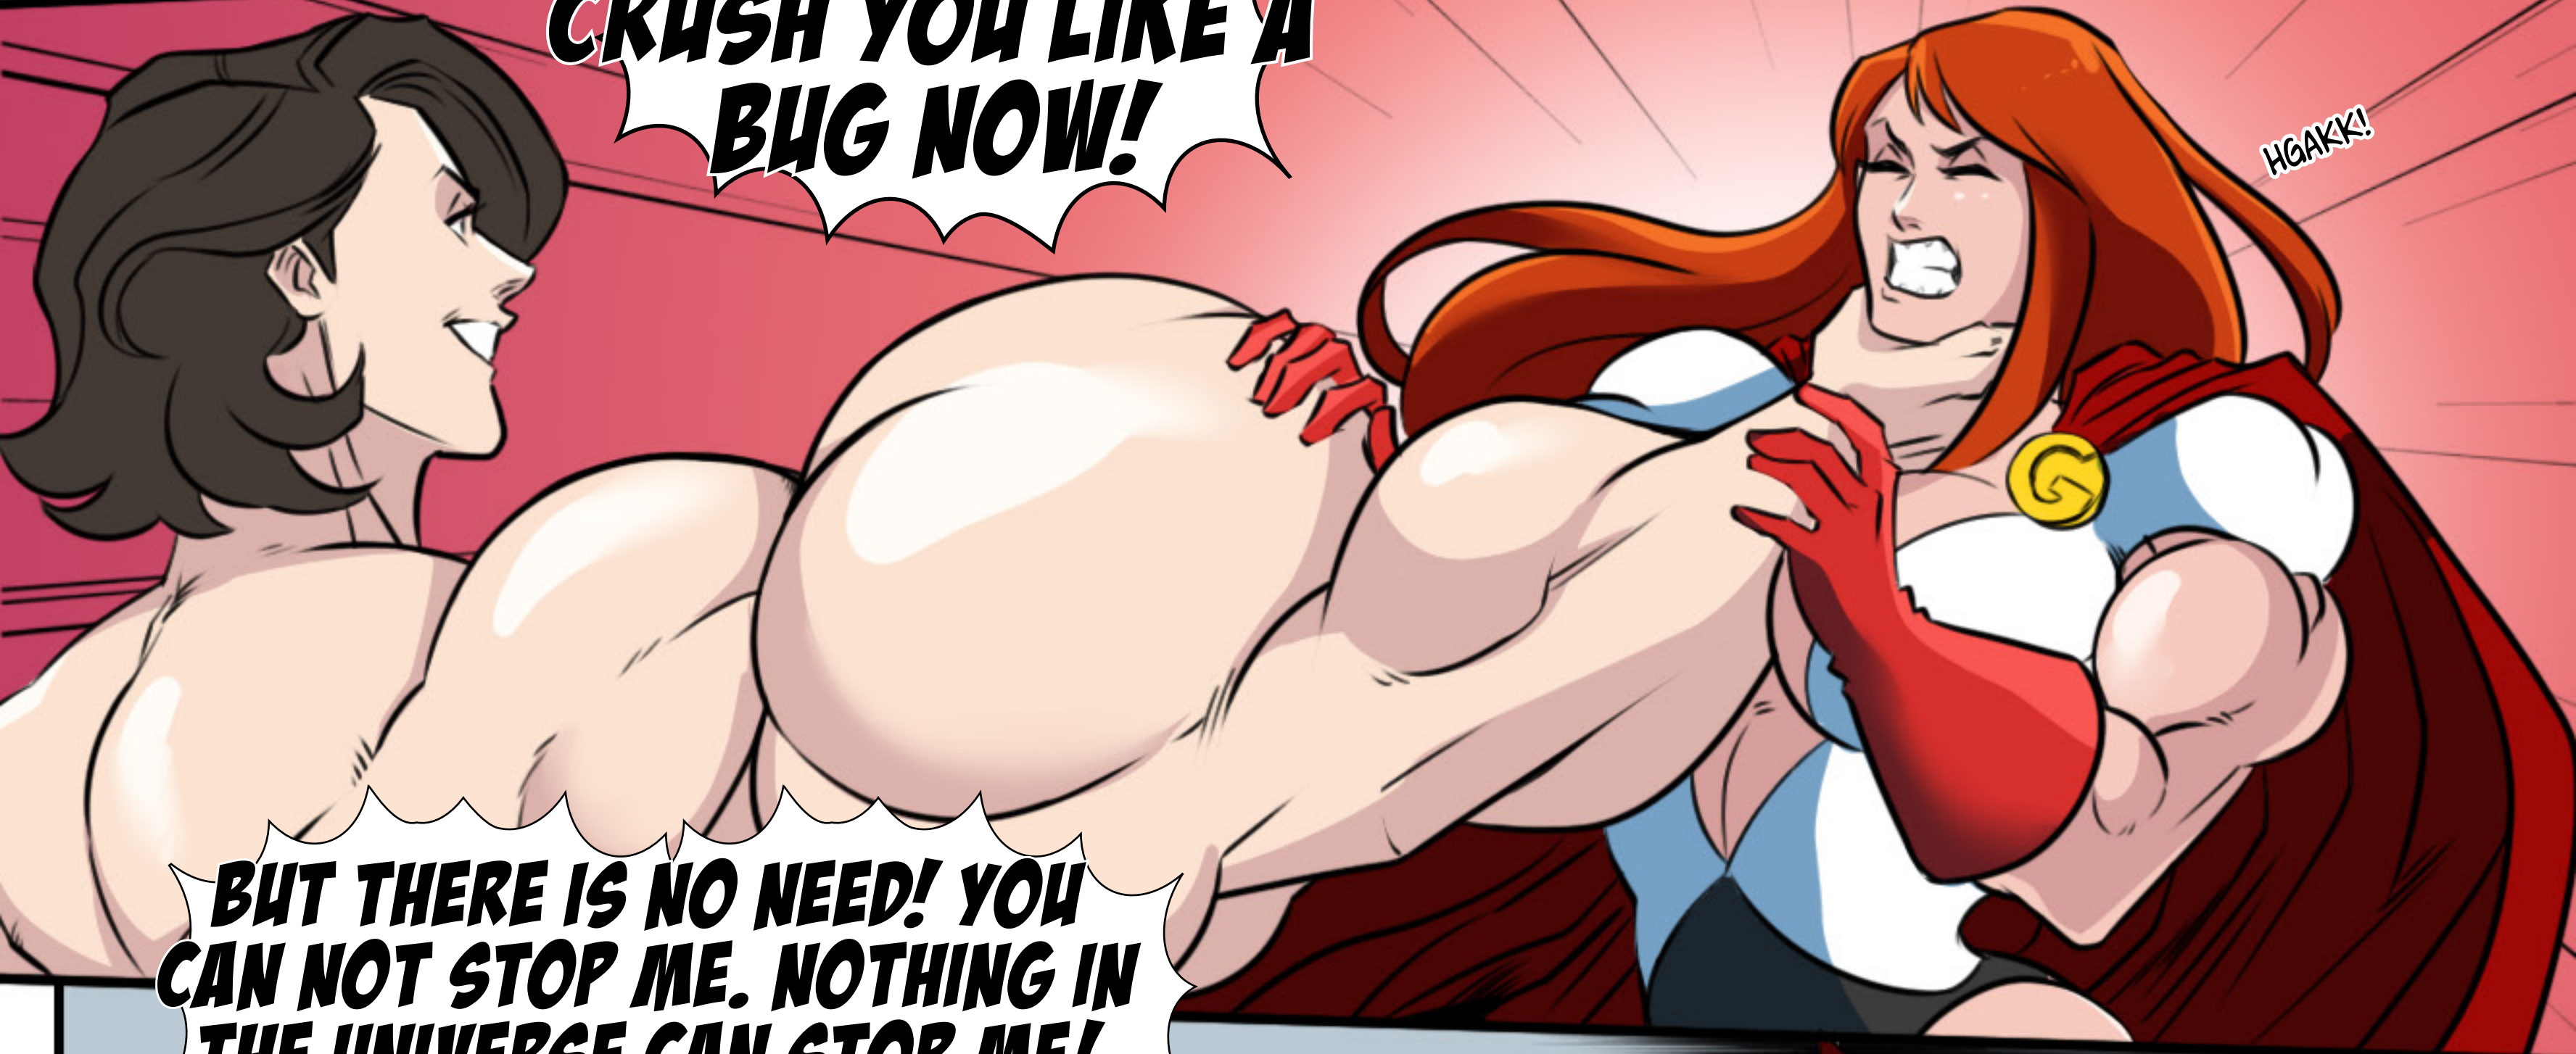

THOOM
THOOM

AAACCKKK!!!!

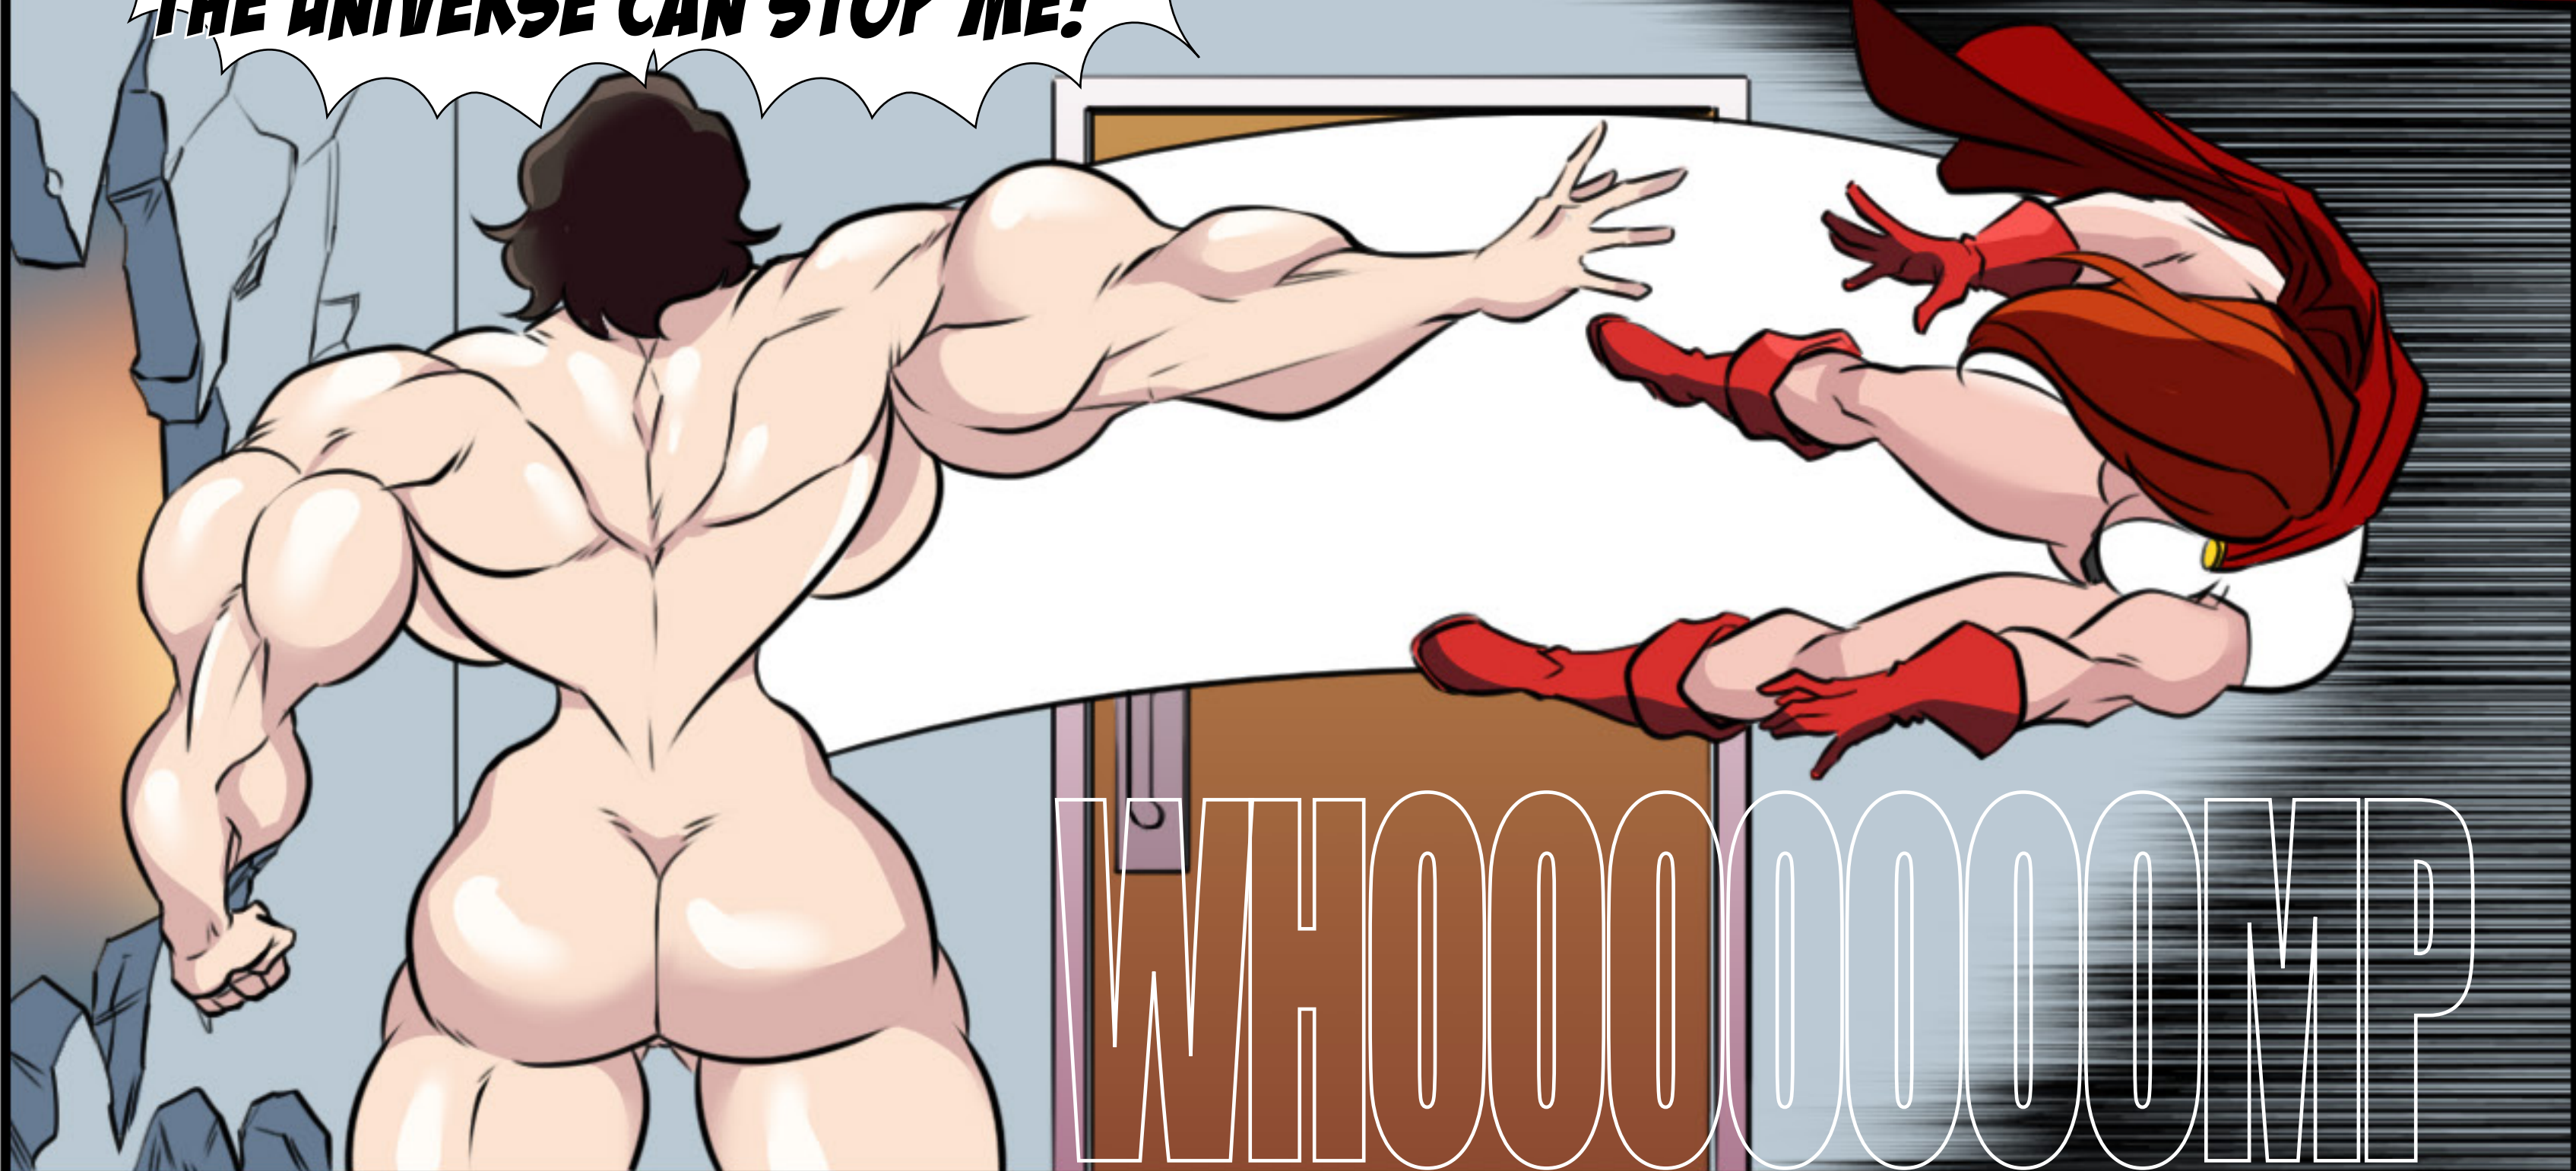

HGK!

I COULD CRUSH YOU LIKE A BUG NOW!

BUT THERE IS NO NEED! YOU CAN NOT STOP ME. NOTHING IN THE UNIVERSE CAN STOP ME!

HGAKK!

WHOOOOOOOOMP

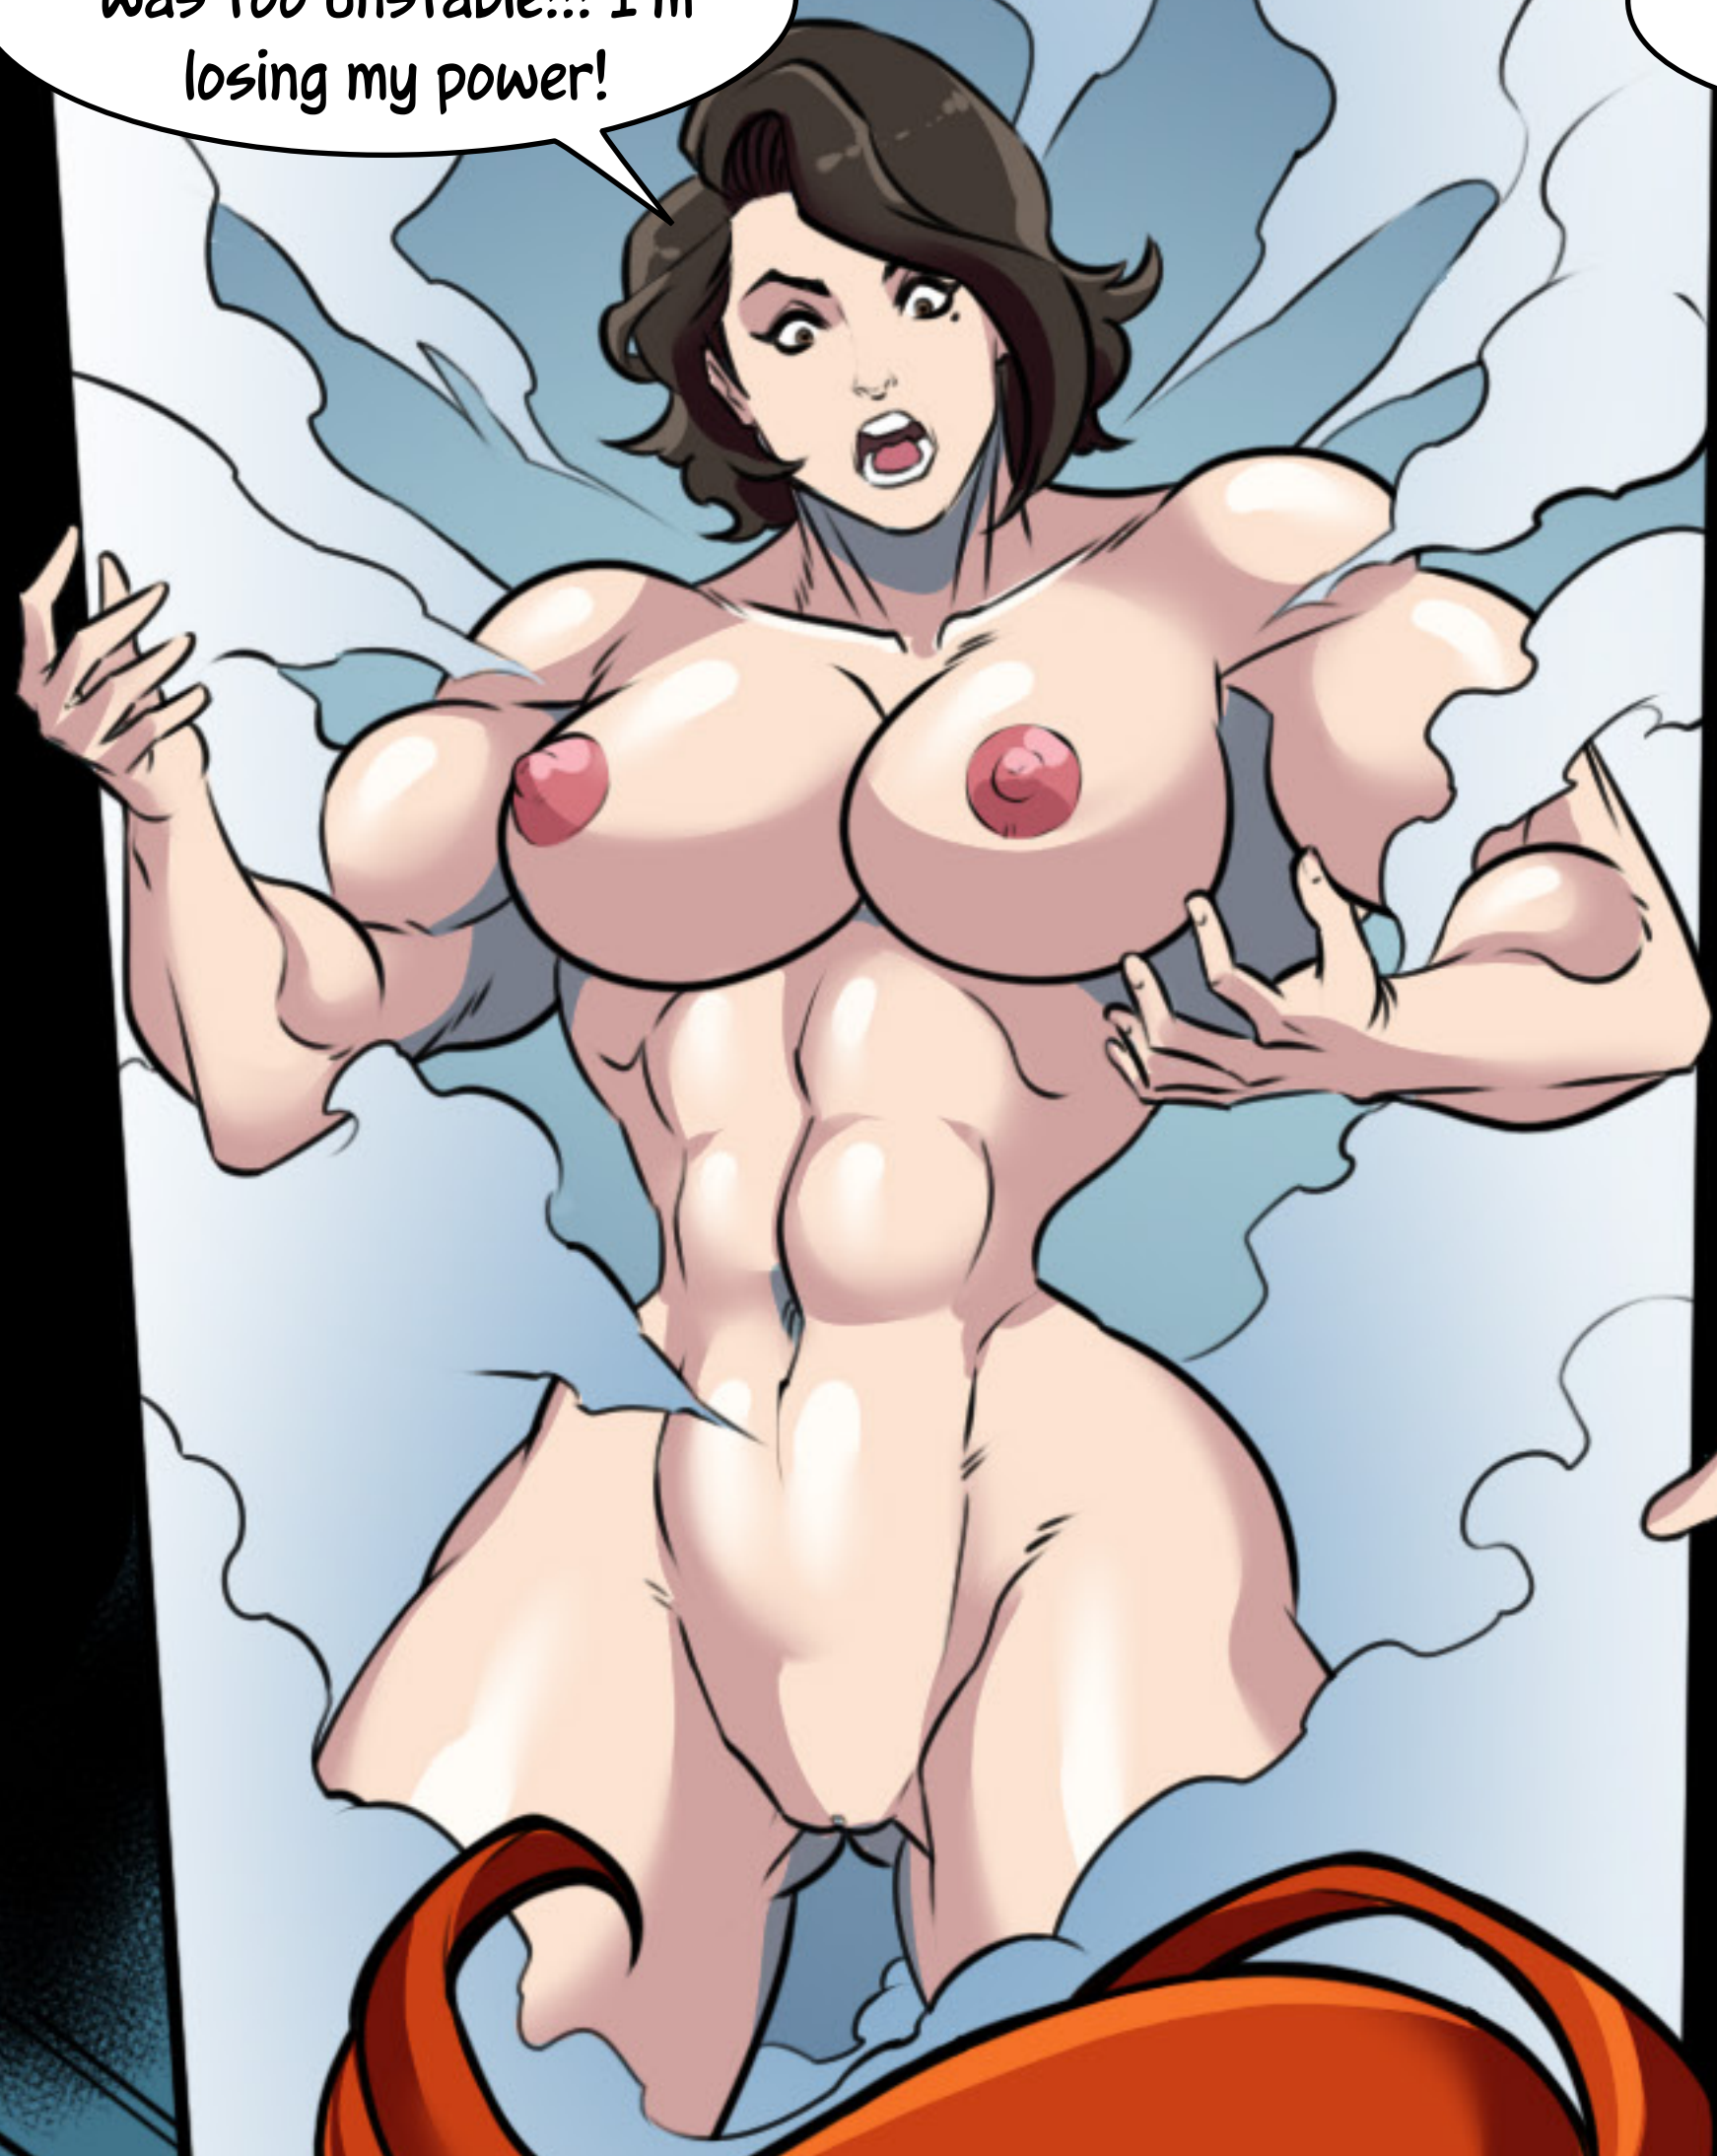

**THE WORLD
IS MINE! ALL WILL
WORSHIP AND
OBEY ME!**

Uuuhh... suddenly
feel... strange...

NO!!!! The formula was too unstable!!! I'm losing my power!

Uggghh... feel so weak...

Can't even... stand...

Don't worry, I have you.

SWOOOSH!

Wow she passed out. Whatever she drank must have been too much for her to handle.

I suppose I should get rid of this stuff. I wonder if it's safe to just pour it out. I suppose I can ask Domina before I take her to jail.

HEY! She's gone! Oh come on... she tricked me again!

To be continued...
