Moments later...

Now all that's left is to wait a few moments for the capacitor to charge.

Hmmm... perhaps a change in attire while I wait. Something more befitting the greatest being on Earth.

Perfect!
The fabric is form-fitting and
nearly indestructible while the color
scheme represents intelligence
and abundance.

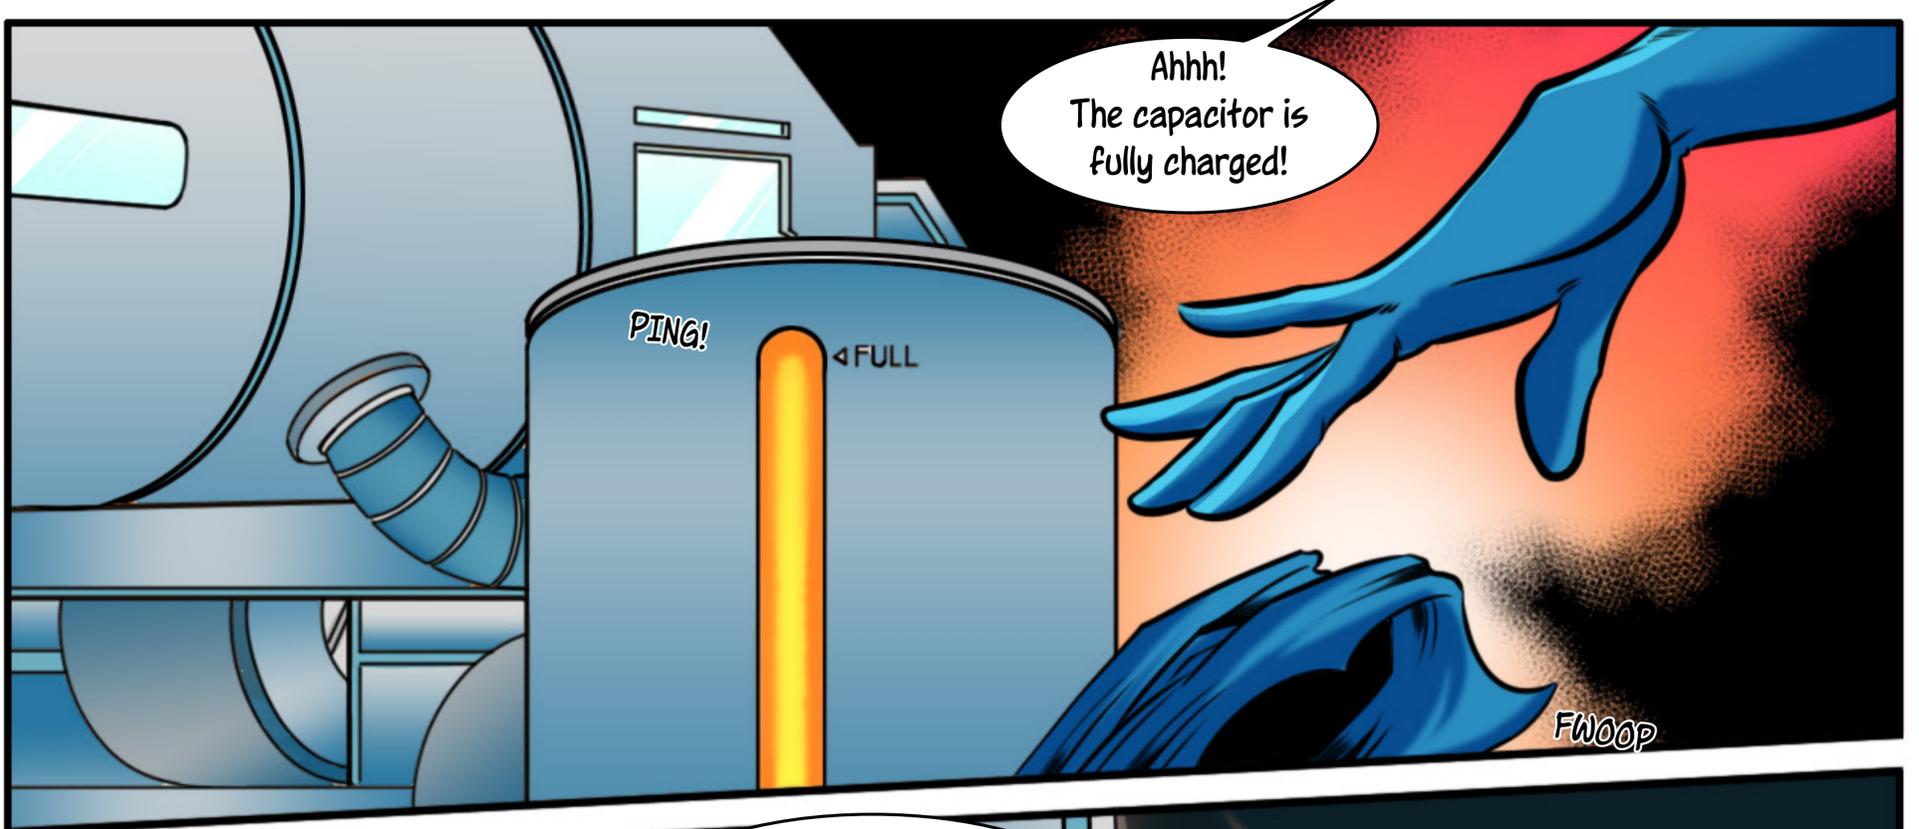

SHIIING!

SHIIING!

Actually
the cowl is a bit
uncomfortable.

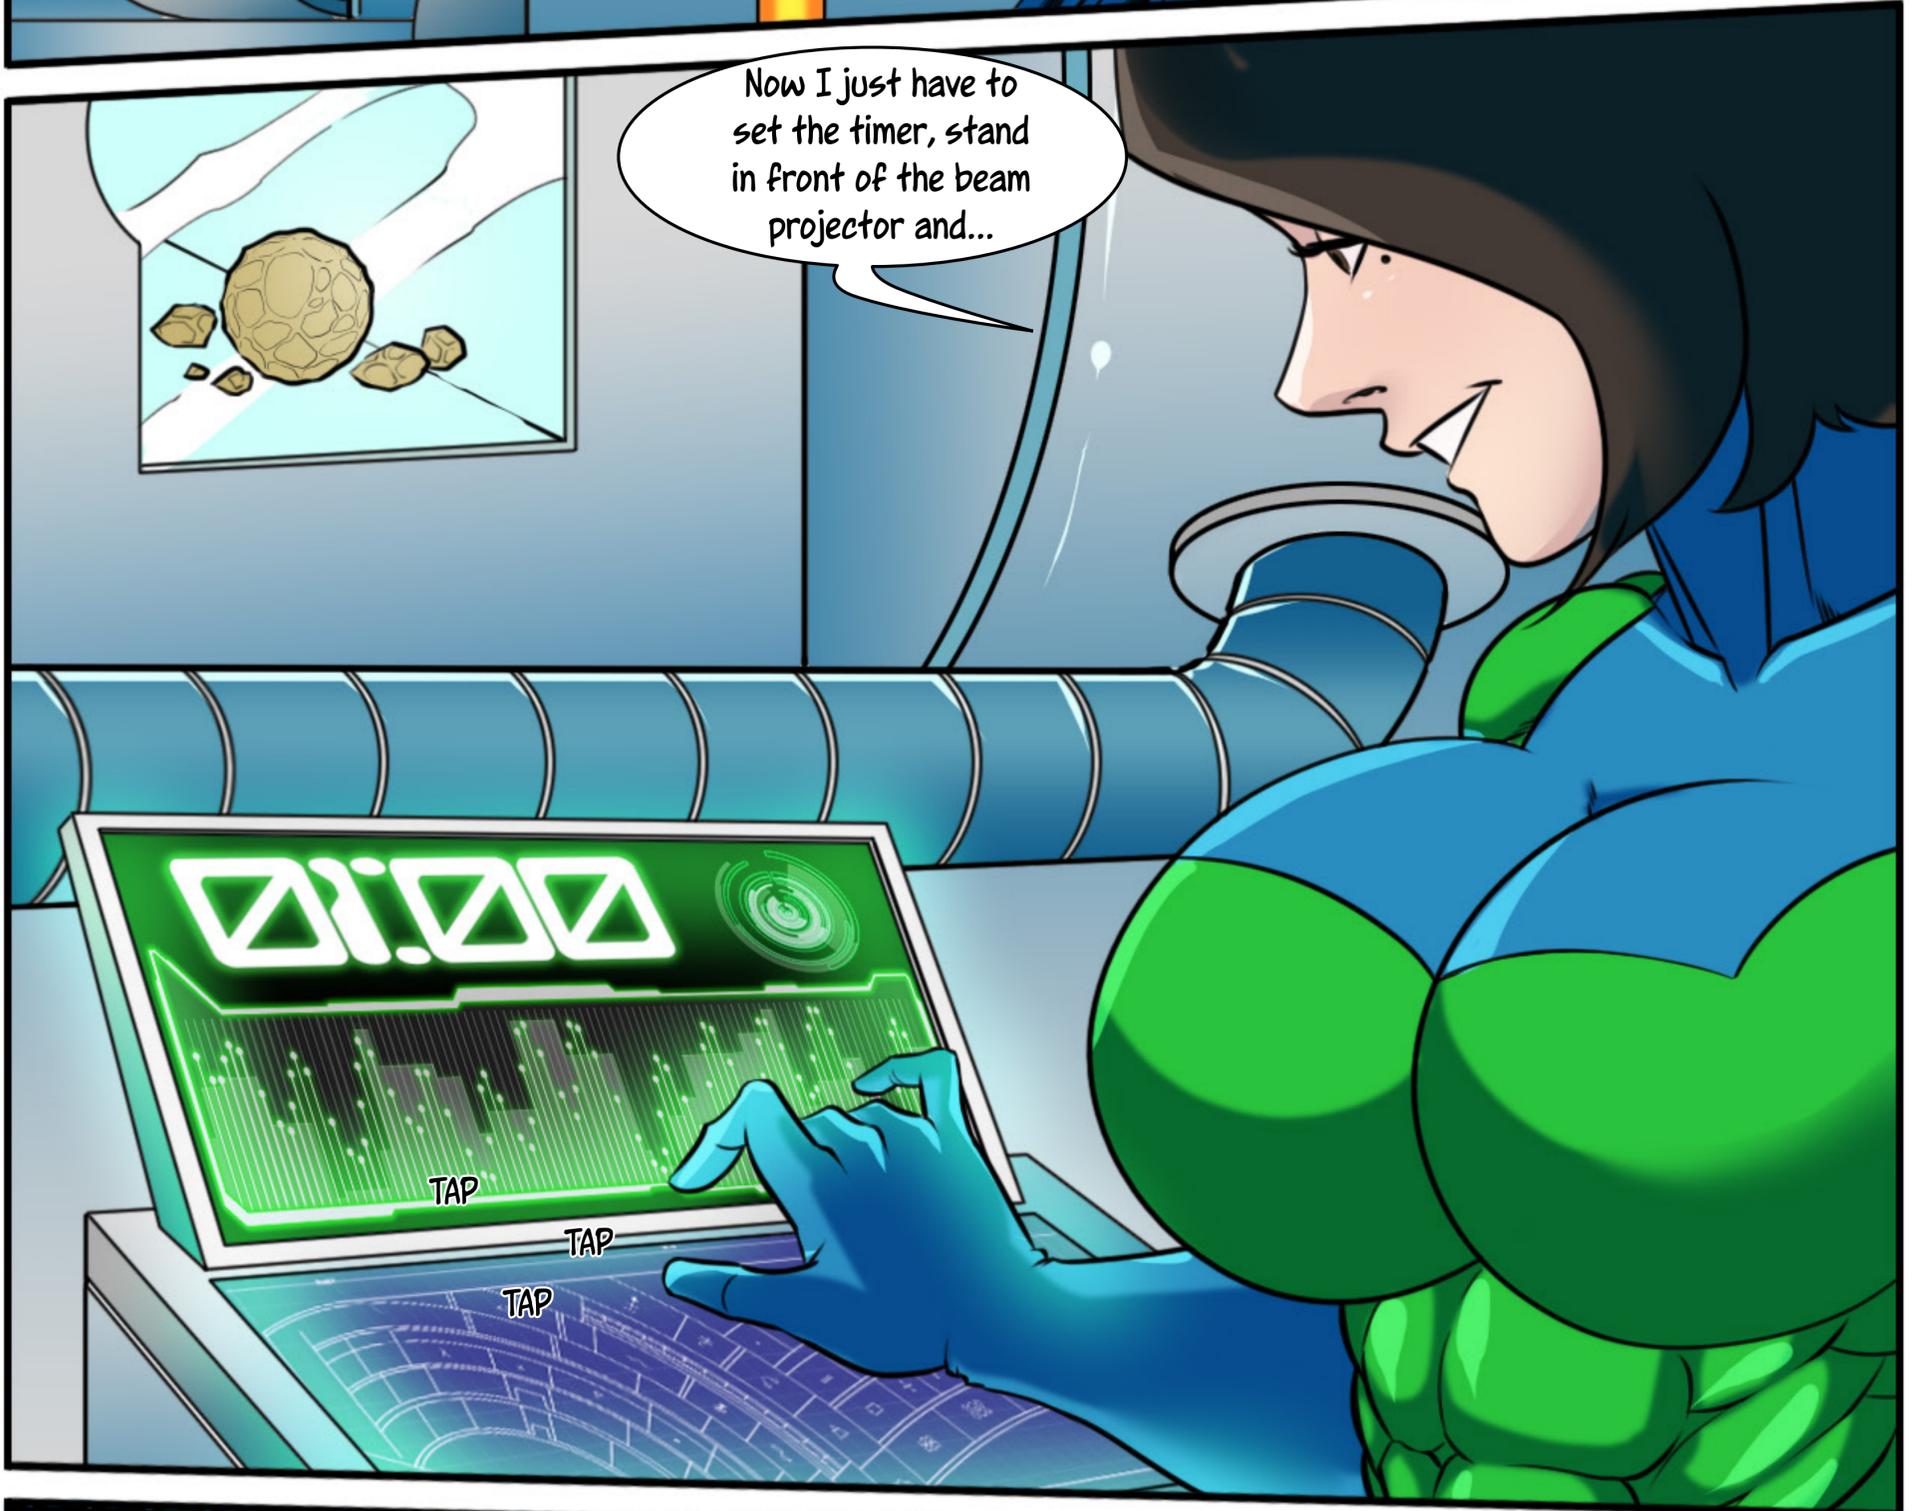

SQUEEEAK

Ahhh!
The capacitor is
fully charged!

FWOOP

Now I just have to
set the timer, stand
in front of the beam
projector and...

TAP
TAP
TAP

Huh?
What's going
on?

00:59

NOW
I REMEMBER!
You knocked me
out!

00:47

Oh you're awake.
Good, you can watch as I use
my machine to become forever
superior to all!

00:42

00:34

Actually,
you may want to
watch me...

Wha... why are
you glowing?

00:21

00:17

BUT...
HOW?!?!?

00:10

I was going to
tell you earlier... I
discovered another
power.

The ability to
change back and forth
between forms.

00:09

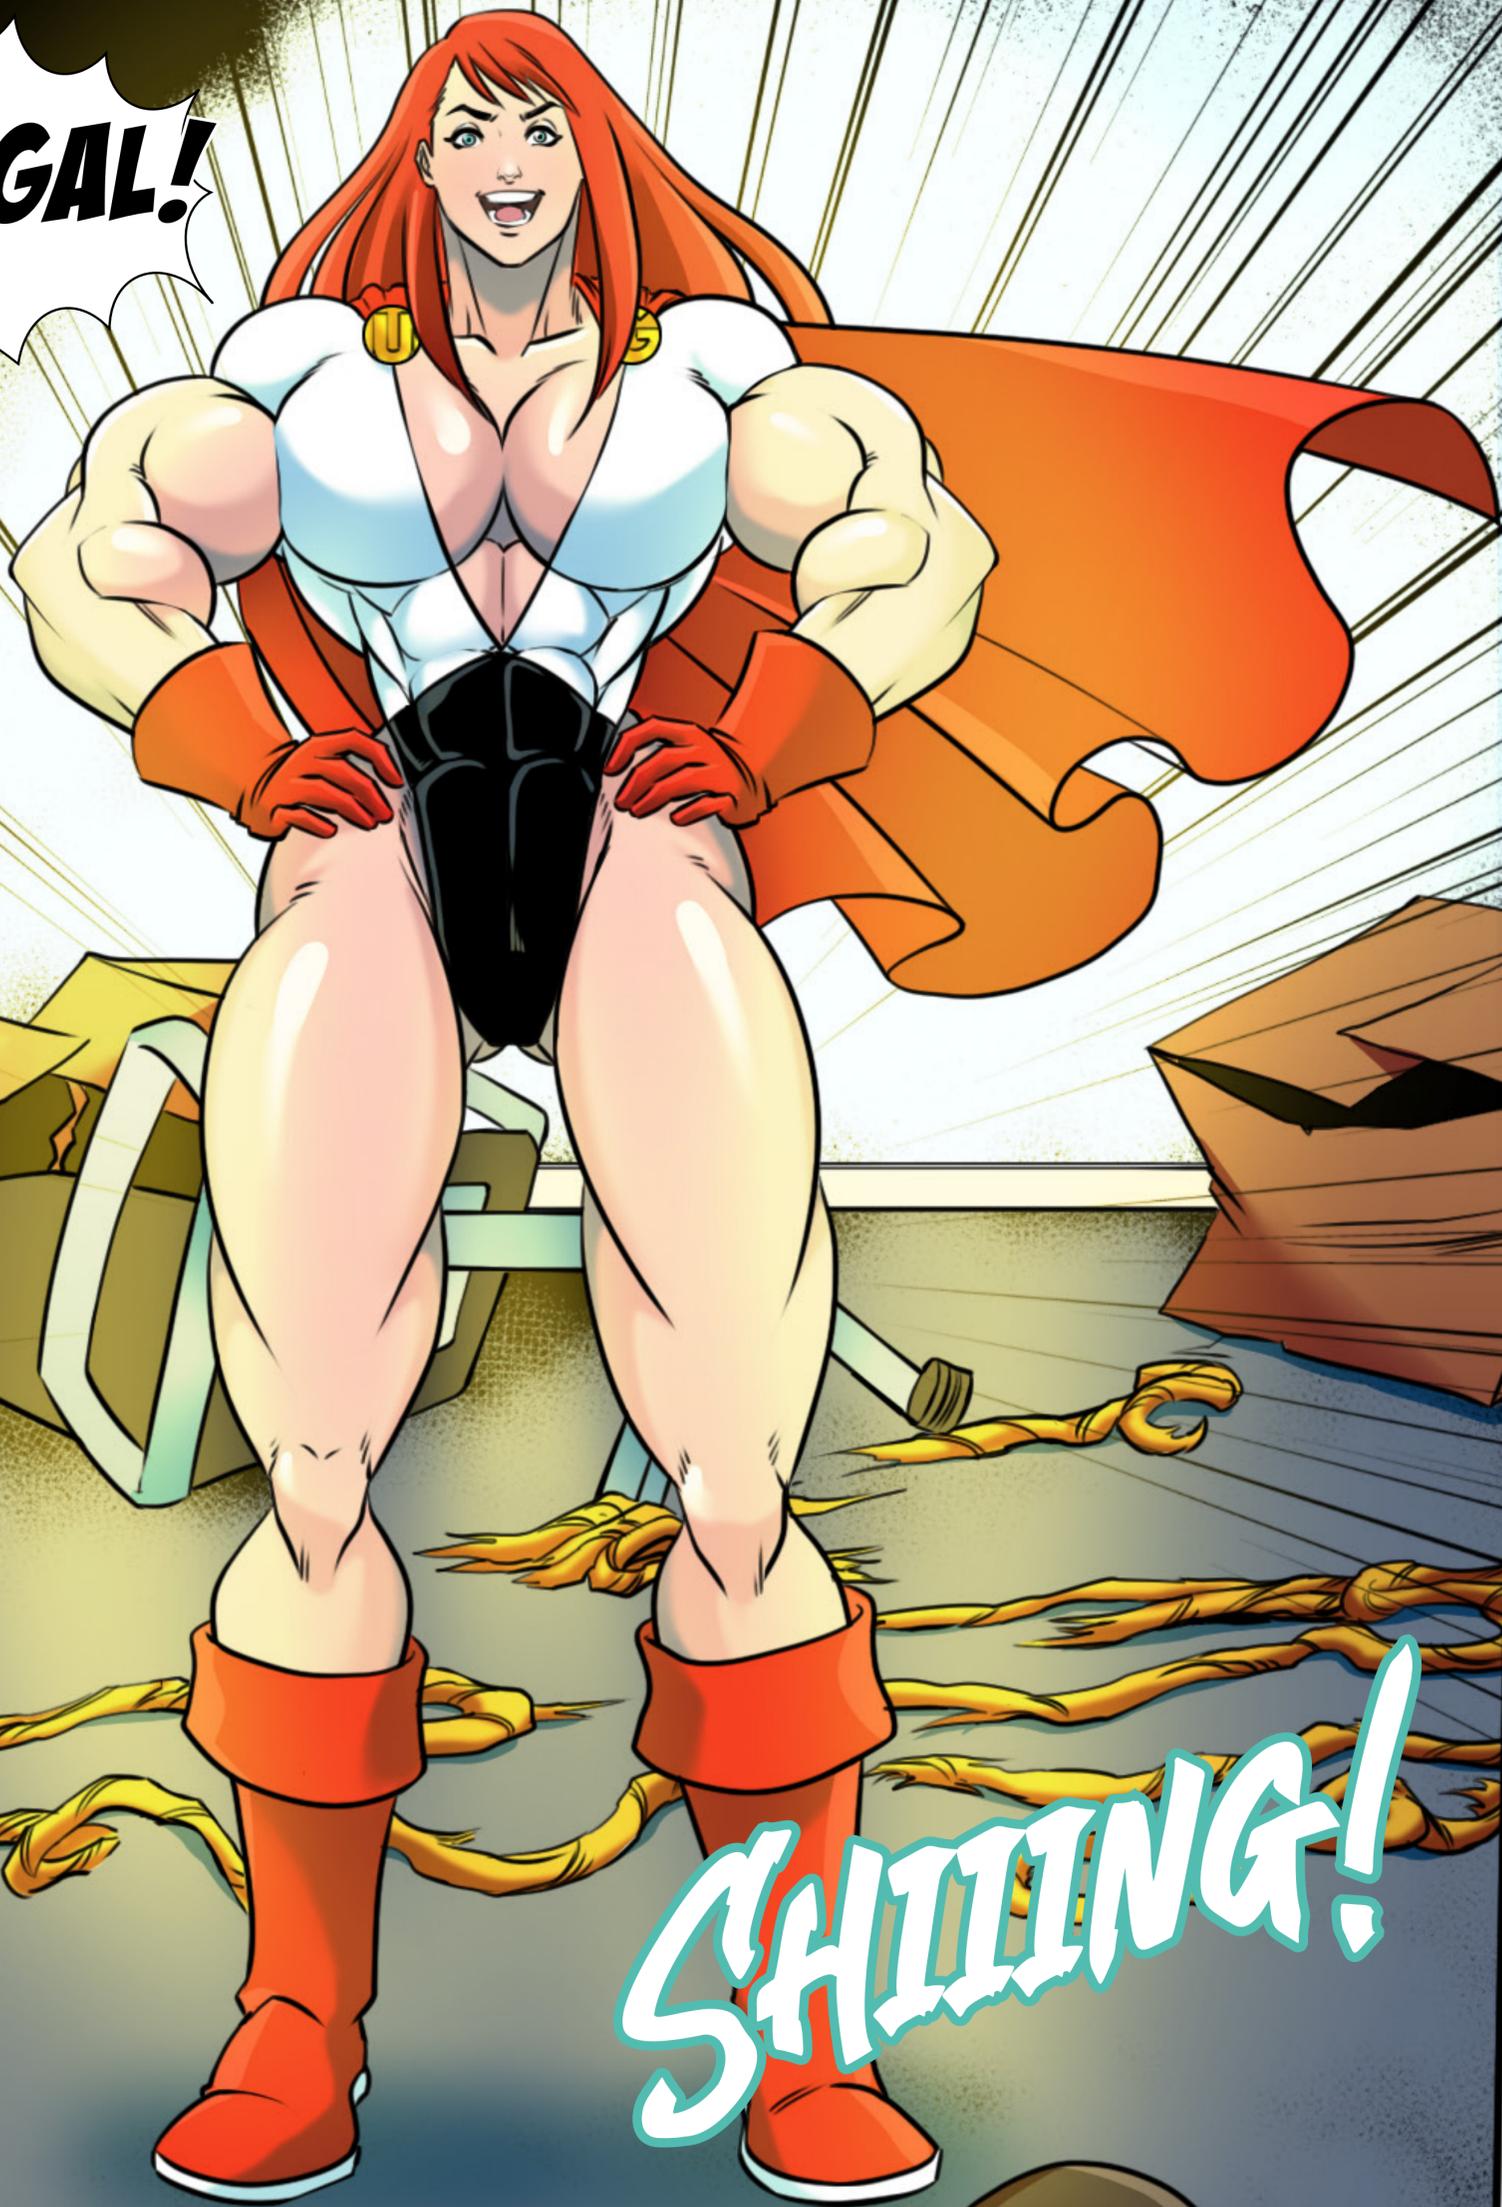

The power still
goes away after twenty minutes
but it's a neat trick and luckily for
me I recharged just before coming in.
Oh and I decided on a superhero
name... call me...

ZAZAZA

ZAZAZA

ULTRA-GAL!

Now to put an end to your evil ways!

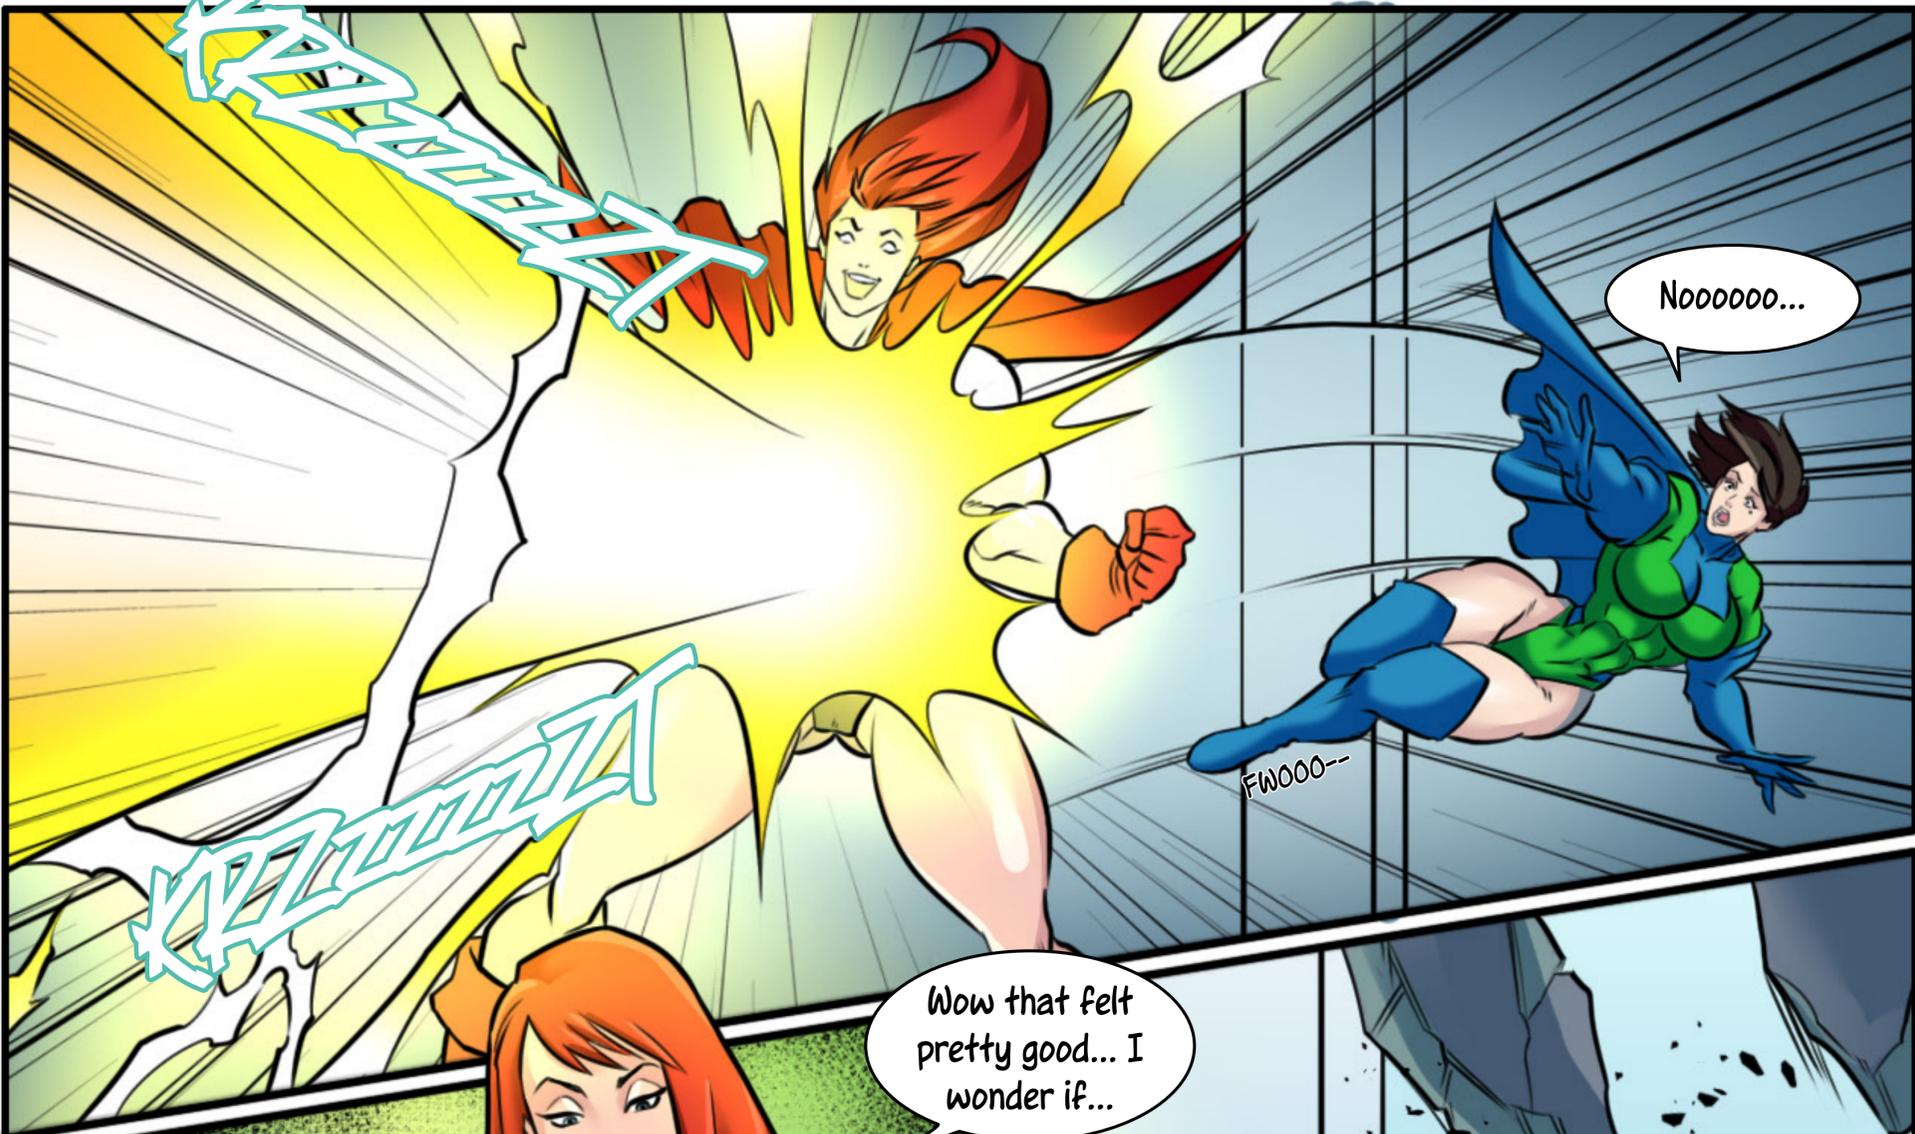

Well Ultra-Gal... you're too late! The timer has reached zero! HAHahaha!

00:03

00:01

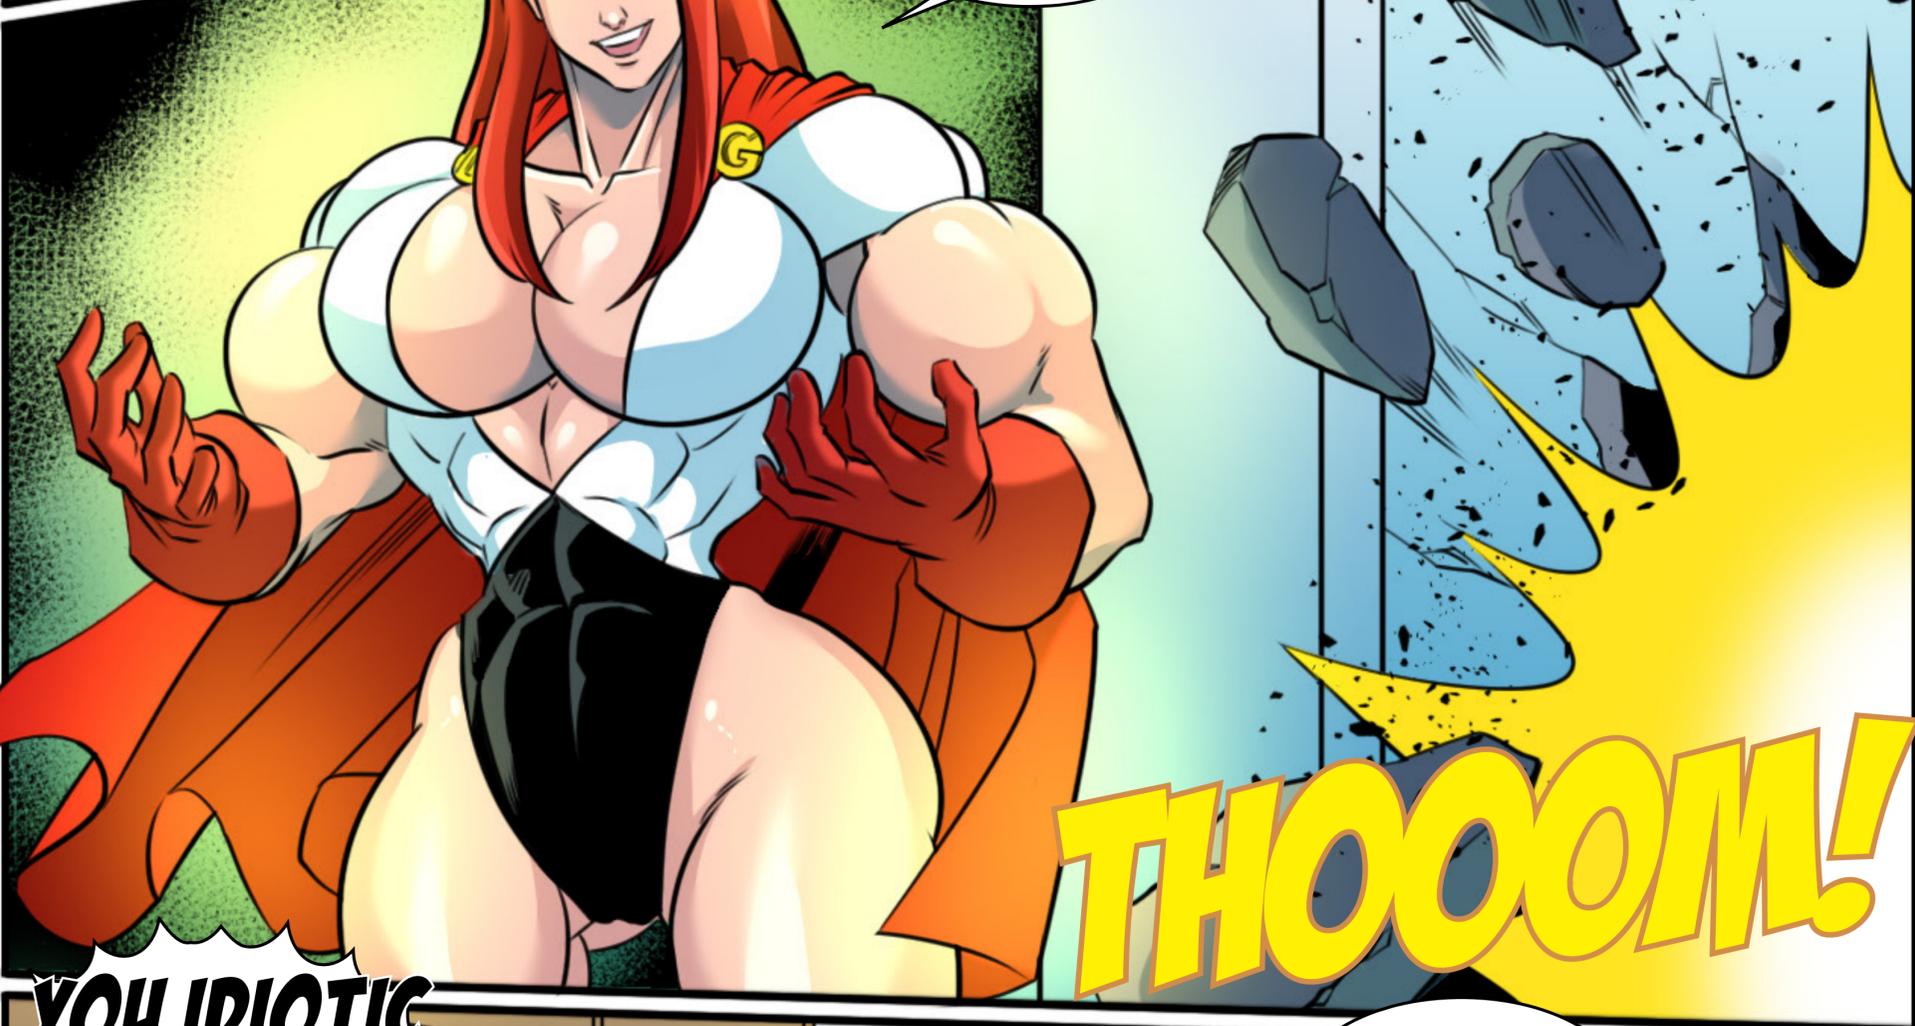

Noooooo...

FWOOO--

XXXXXXXXXX
XXXXXXXXXX

Wow that felt pretty good... I wonder if...

THOOOM!

YOU IDIOTIC FOOL!

Um, sorry about pushing you so hard.

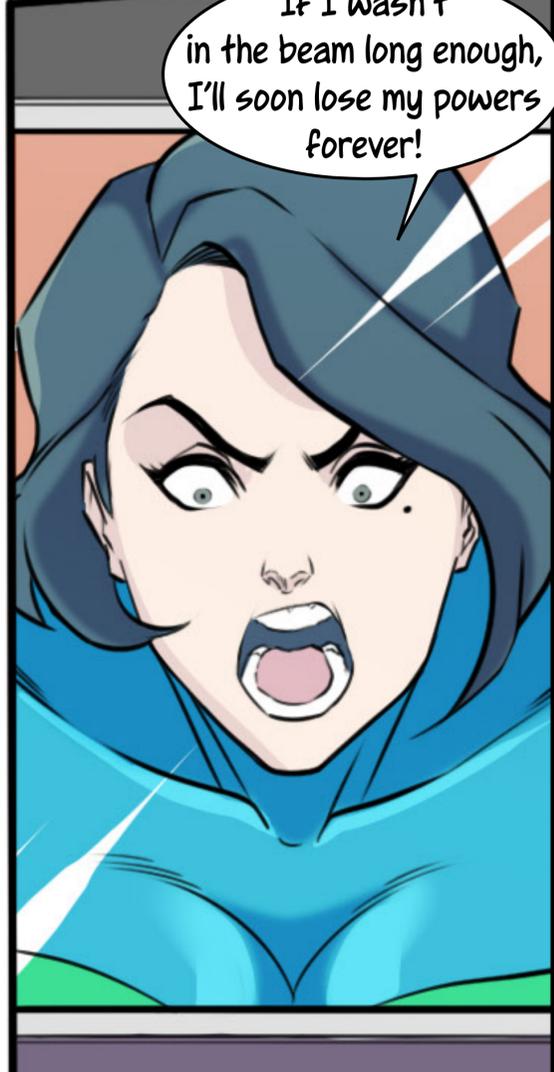

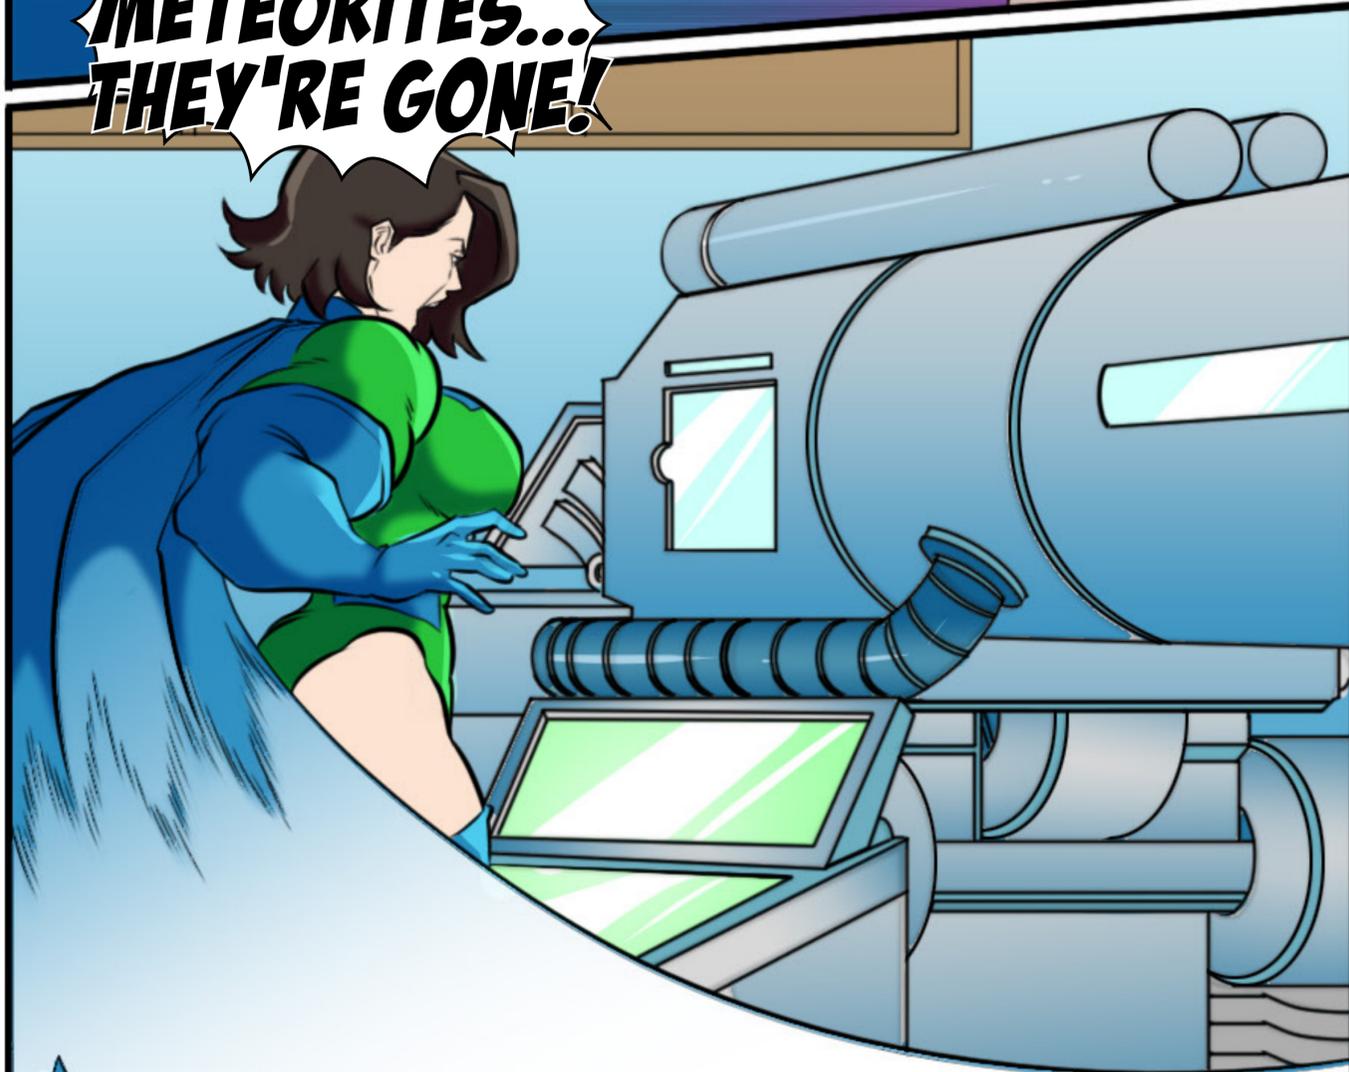

KRGSH

GAGUK

NO! THE METEORITES... THEY'RE GONE!

If I wasn't in the beam long enough, I'll soon lose my powers forever!

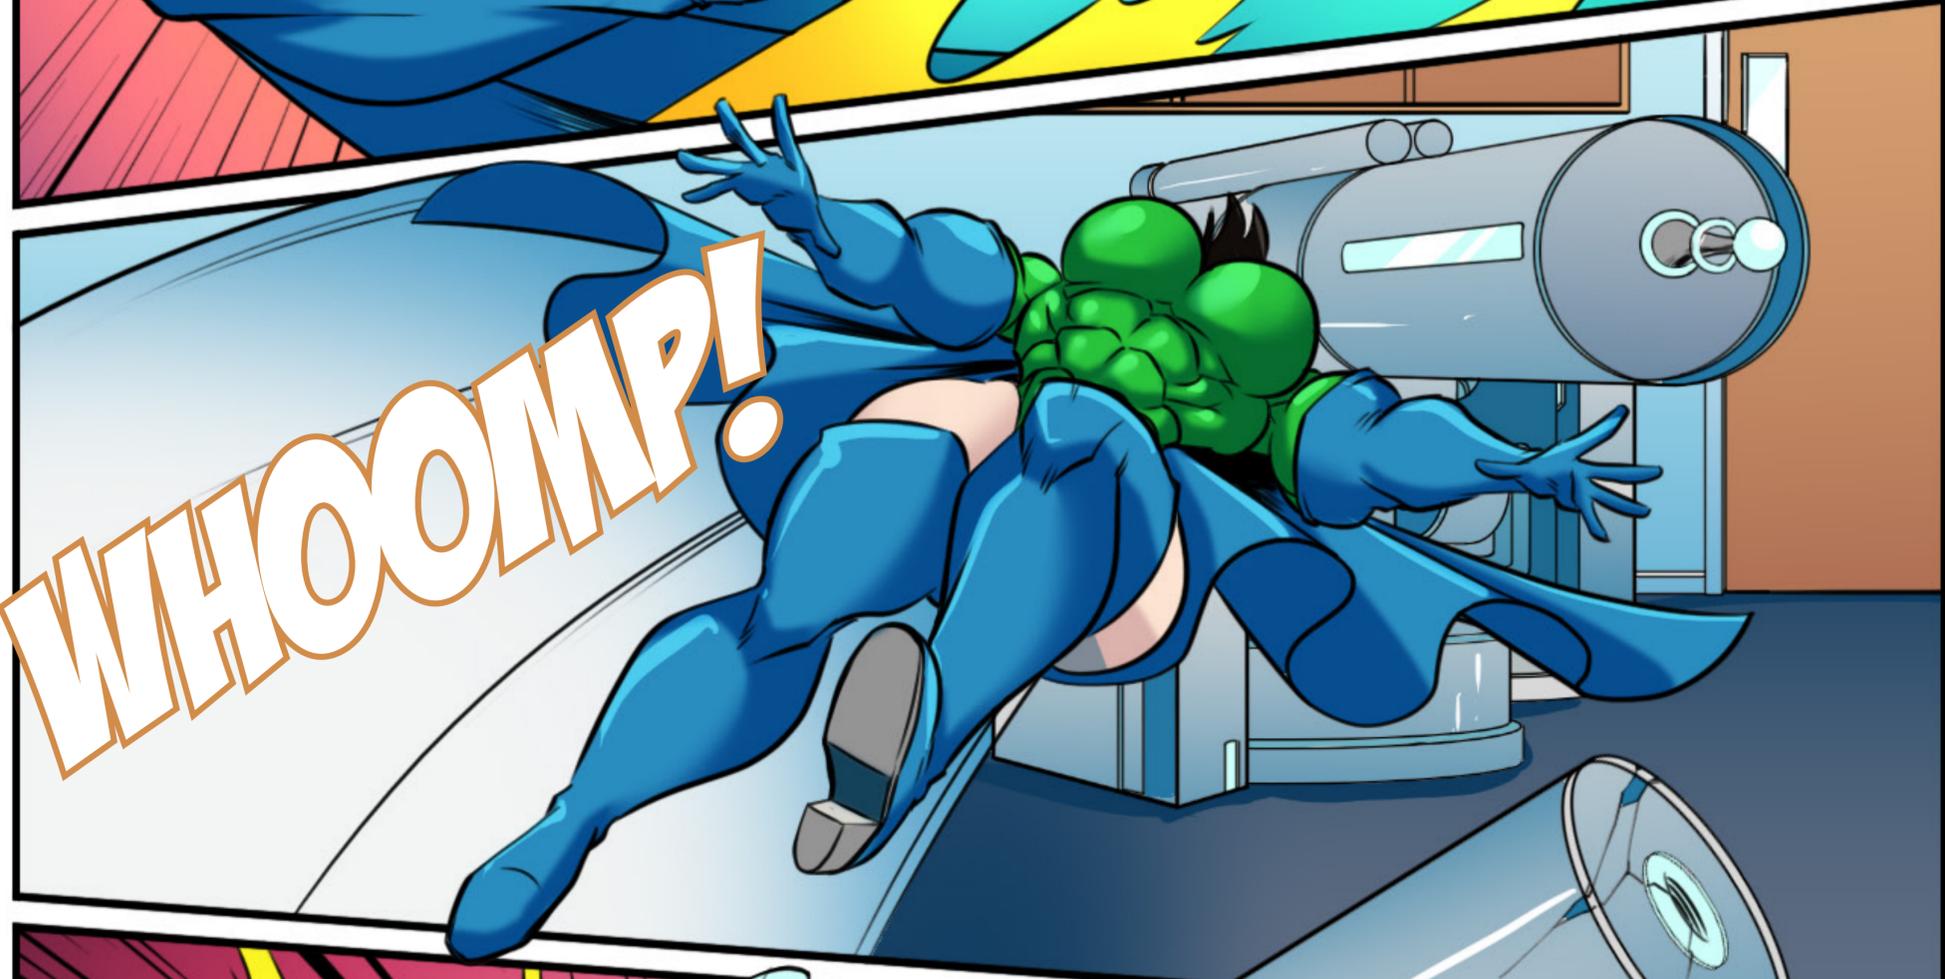

EITHER WAY... I'M GOING TO KILL YOU!

WAIT, I DON'T WANT TO FIGHT!

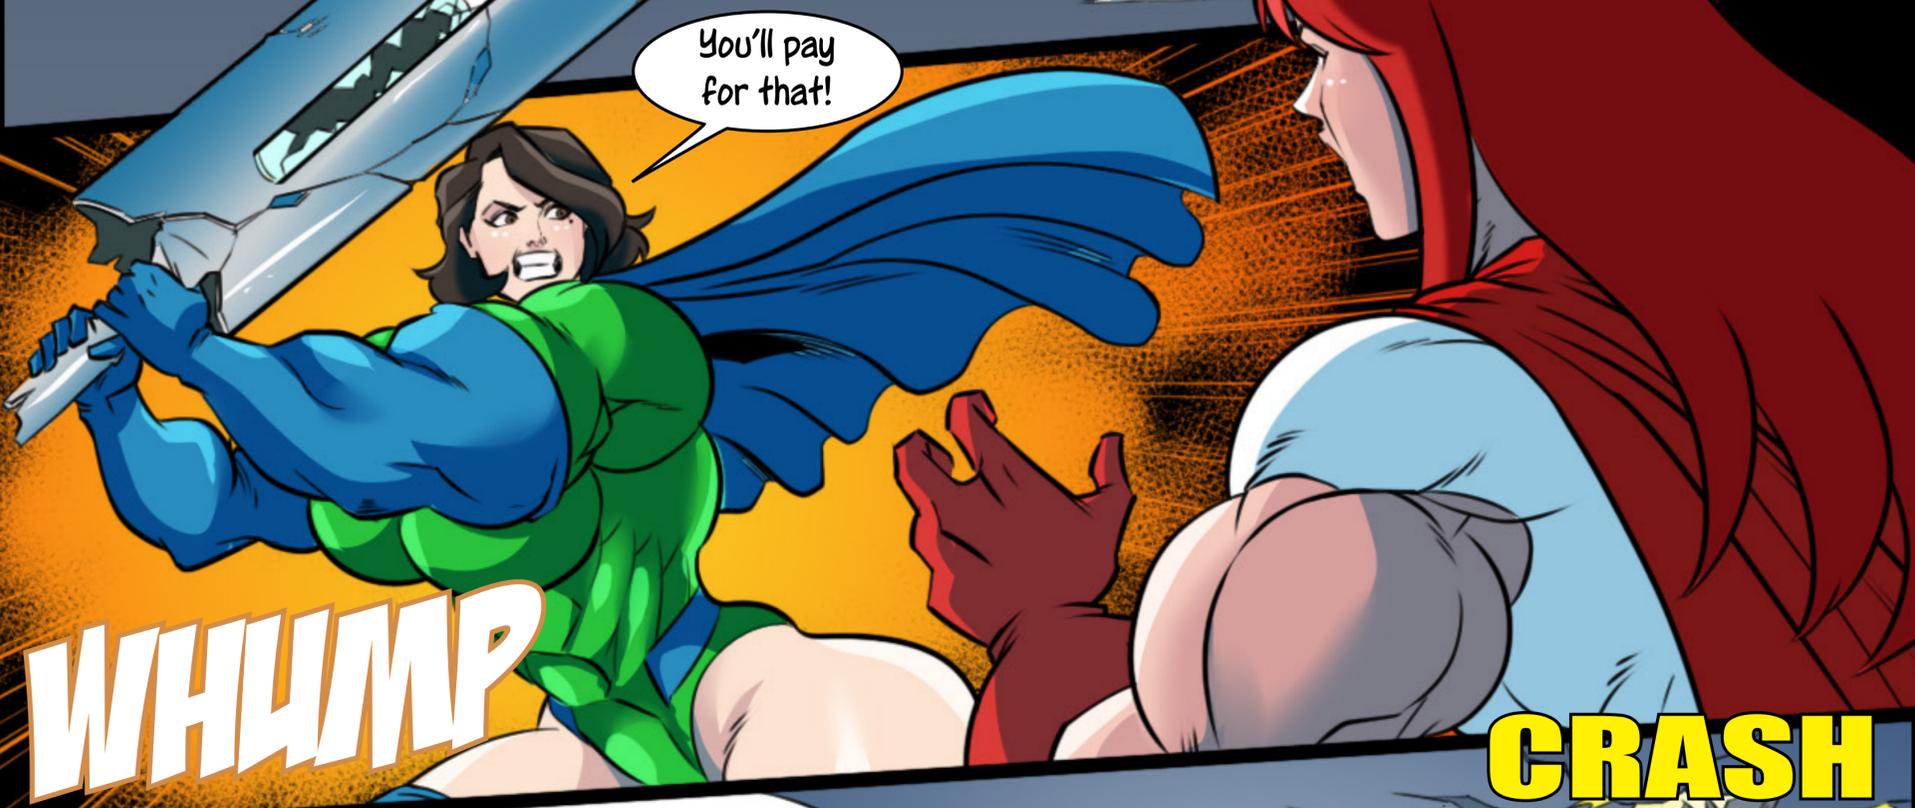

That hurt!
Ok if that's the way
you want it...

WHY YOU LITTLE...

You'll pay for that!

WHUMP

CRASH

WHAM!!!

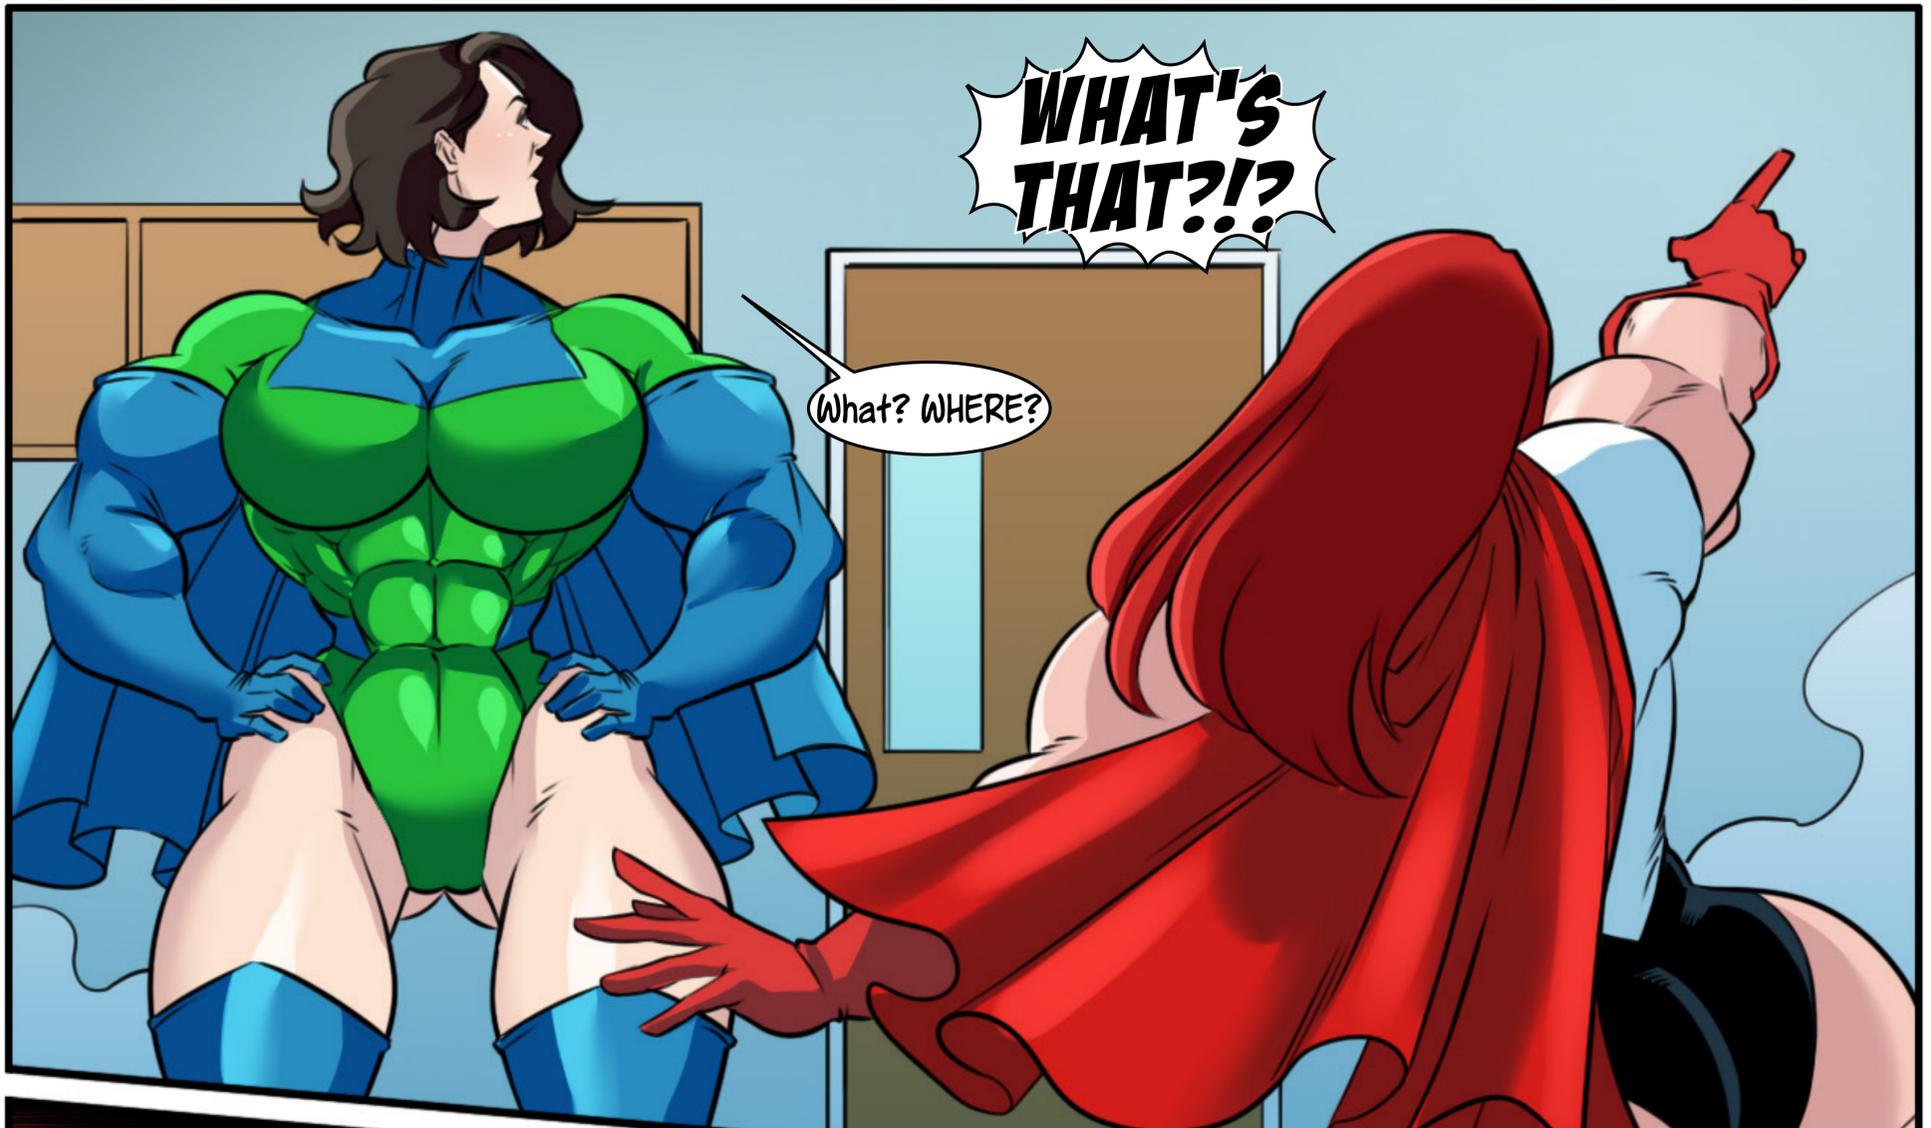

I'm going to enjoy snapping your neck with my bare hands!

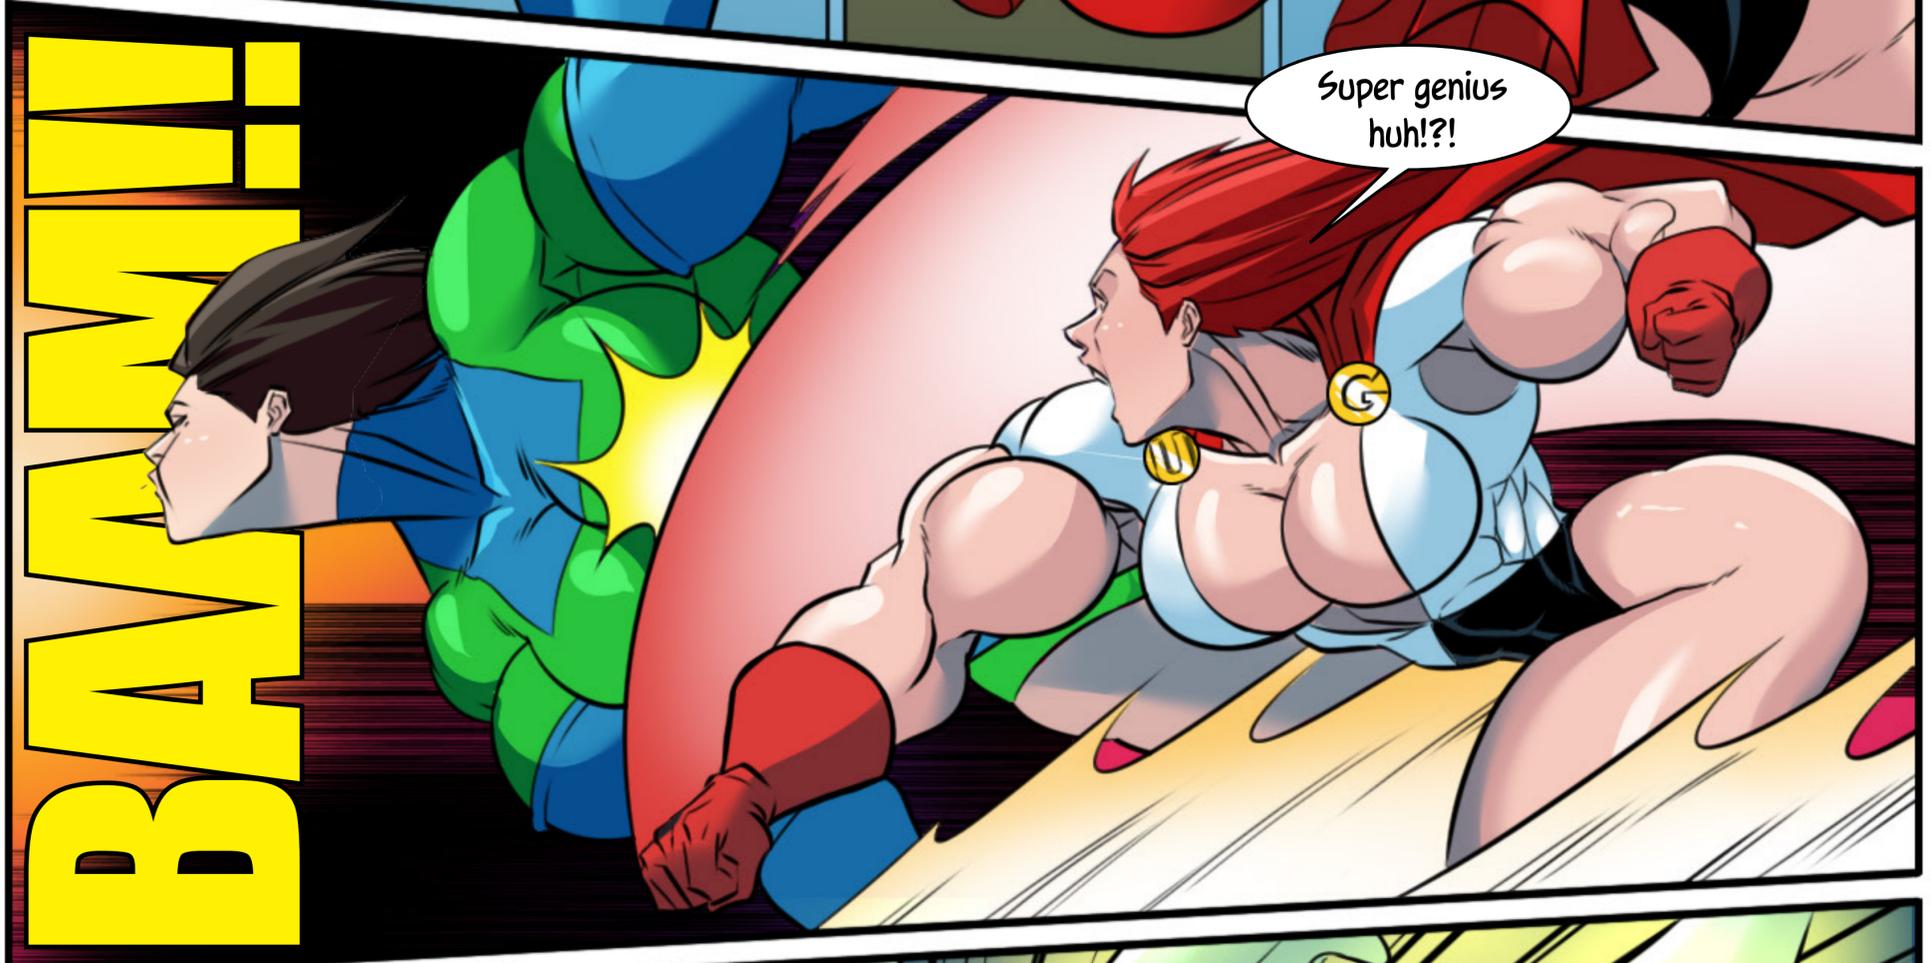

Get up!
I want to see the fear in your eyes as I'm killing you!

Wait...
I need to tell you something about the meteorites.
They may...

WHAT'S THAT?!?

What? WHERE?

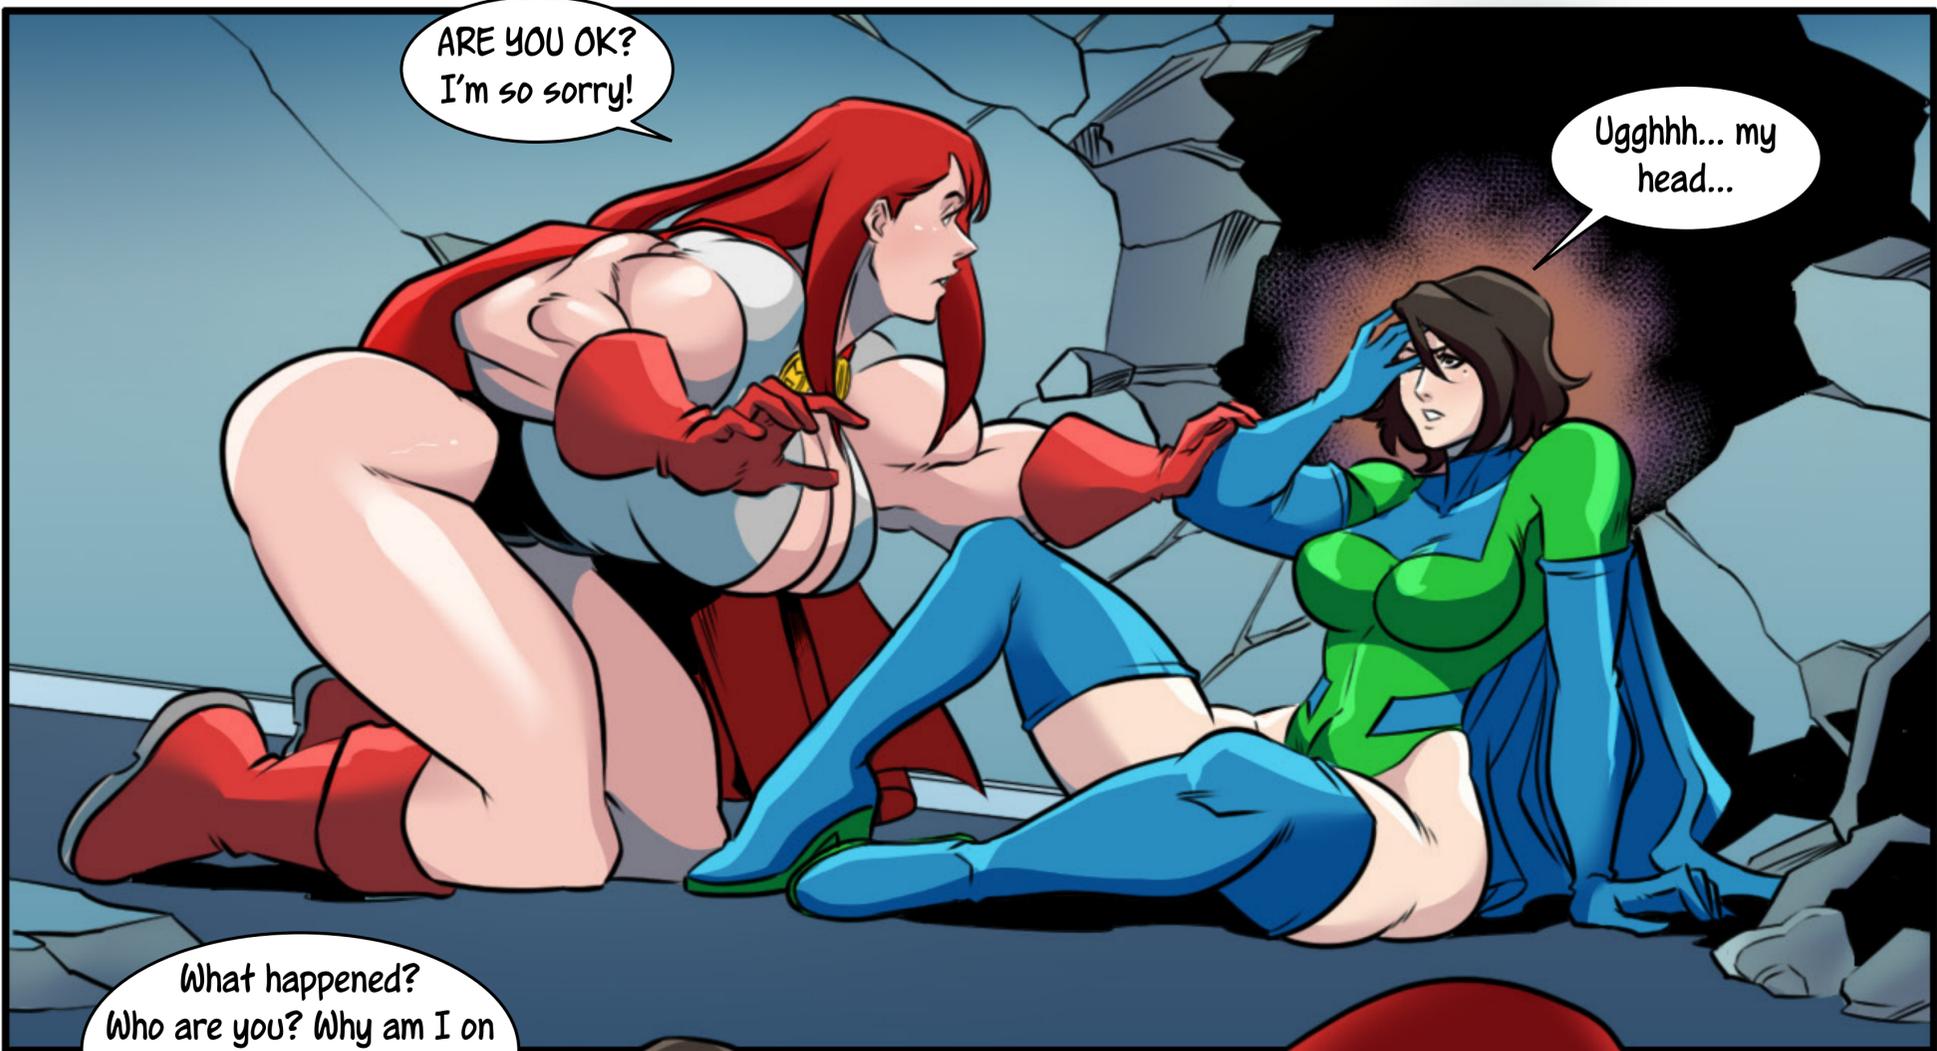

Super genius huh!?!

THOOM!

OH MY...
She changed back to
normal right as she hit
that wall!

ARE YOU OK?
I'm so sorry!

Ugghhh... my
head...

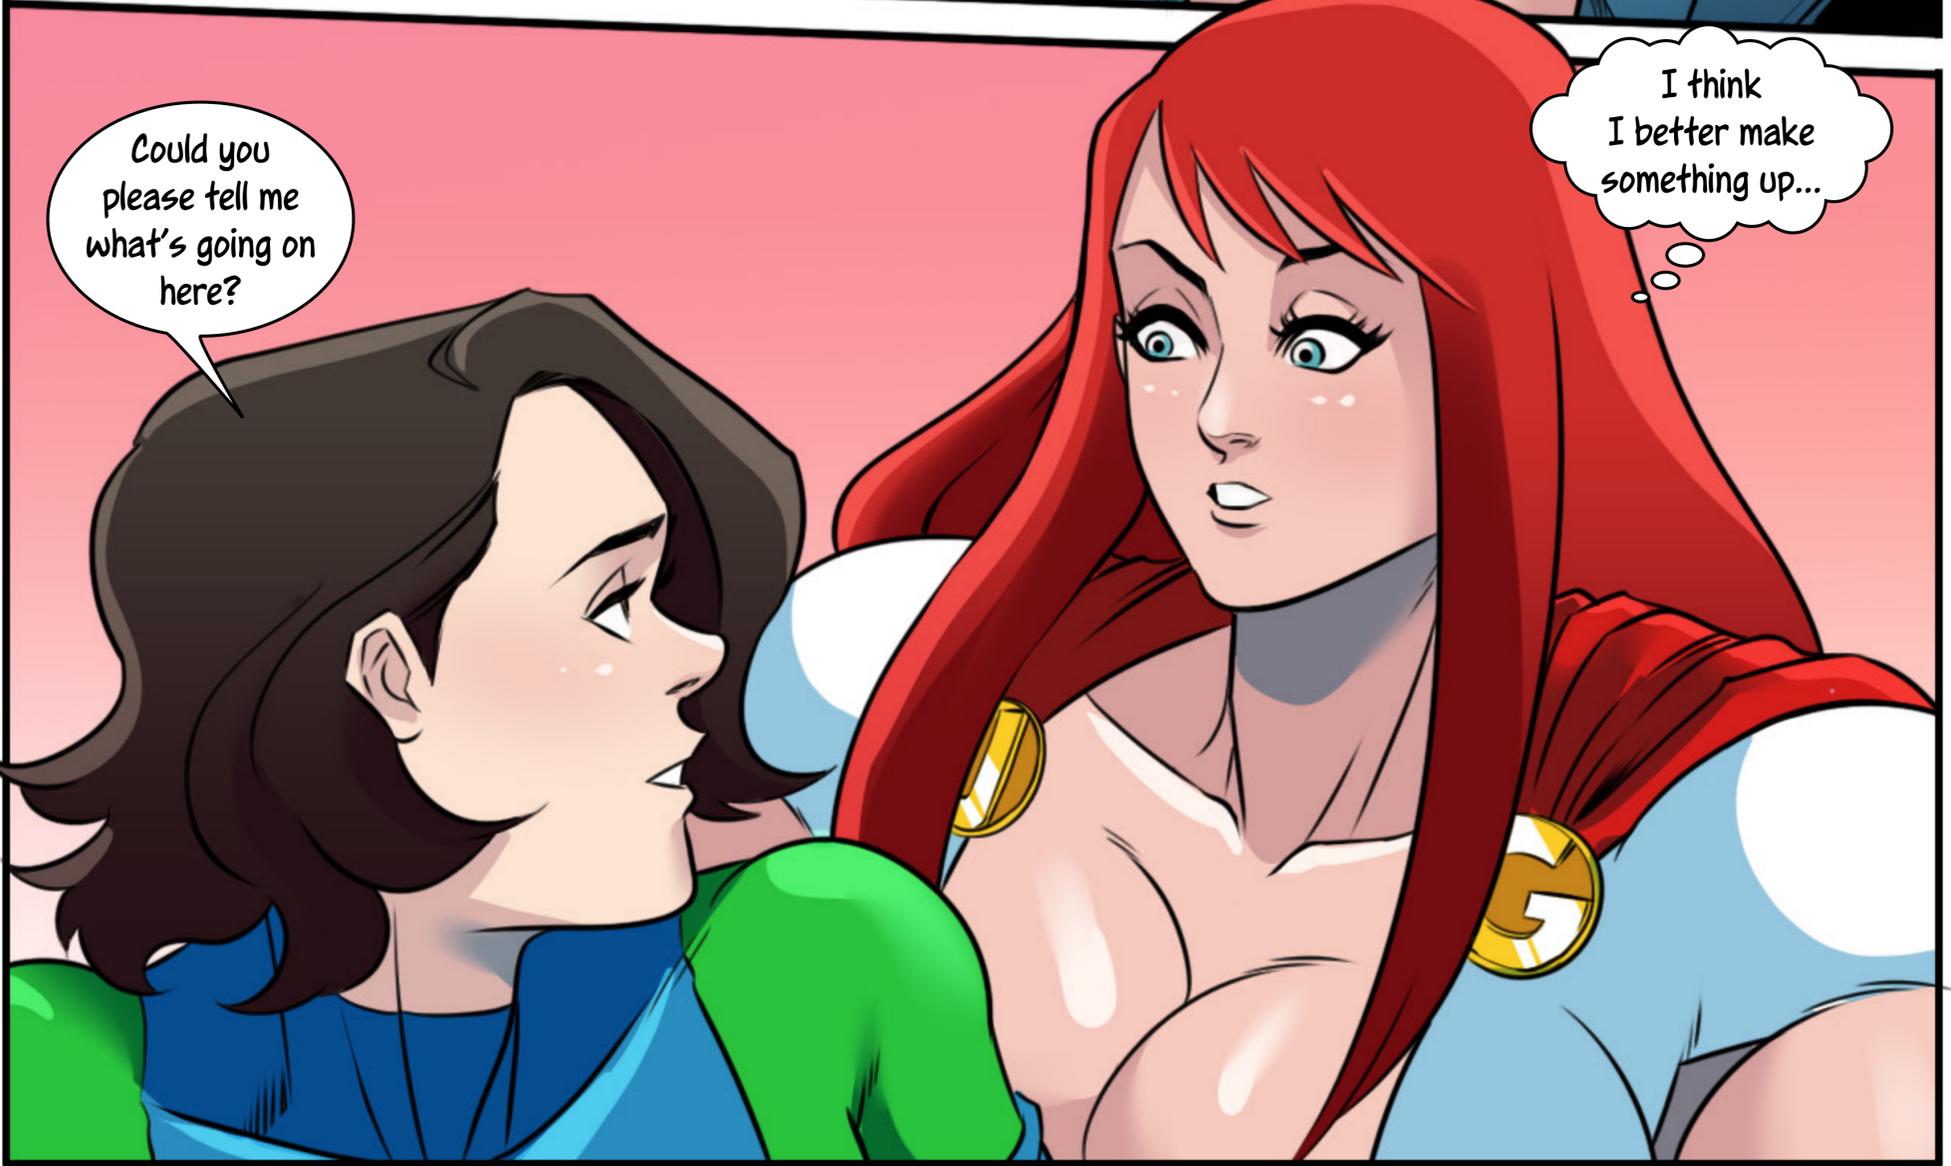

What happened?
Who are you? Why am I on
the floor? What on Earth
am I wearing?!?

What do you
mean? Don't you
remember?

The last thing I remember is working at my desk, I think a woman came in with something... can't remember...

She must have hit her head and forgotten all about the last couple of days!

Could you please tell me what's going on here?

I think I better make something up...

A few minutes later...

...and that's how you ended up on the floor.

Wow, that's some story. So the evil woman got away then?

Huh?
Oh... yeah when I was checking on you.

Well I hope you catch her, she caused a lot of damage to my lab.

Actually, I did some of it too... if you want I can help clean it up.

No, that's ok. You should probably start looking for that woman.

OH RIGHT!
Well... ok... I'll see you around
or something... I guess.

Yes,
you just might.
Well goodbye.

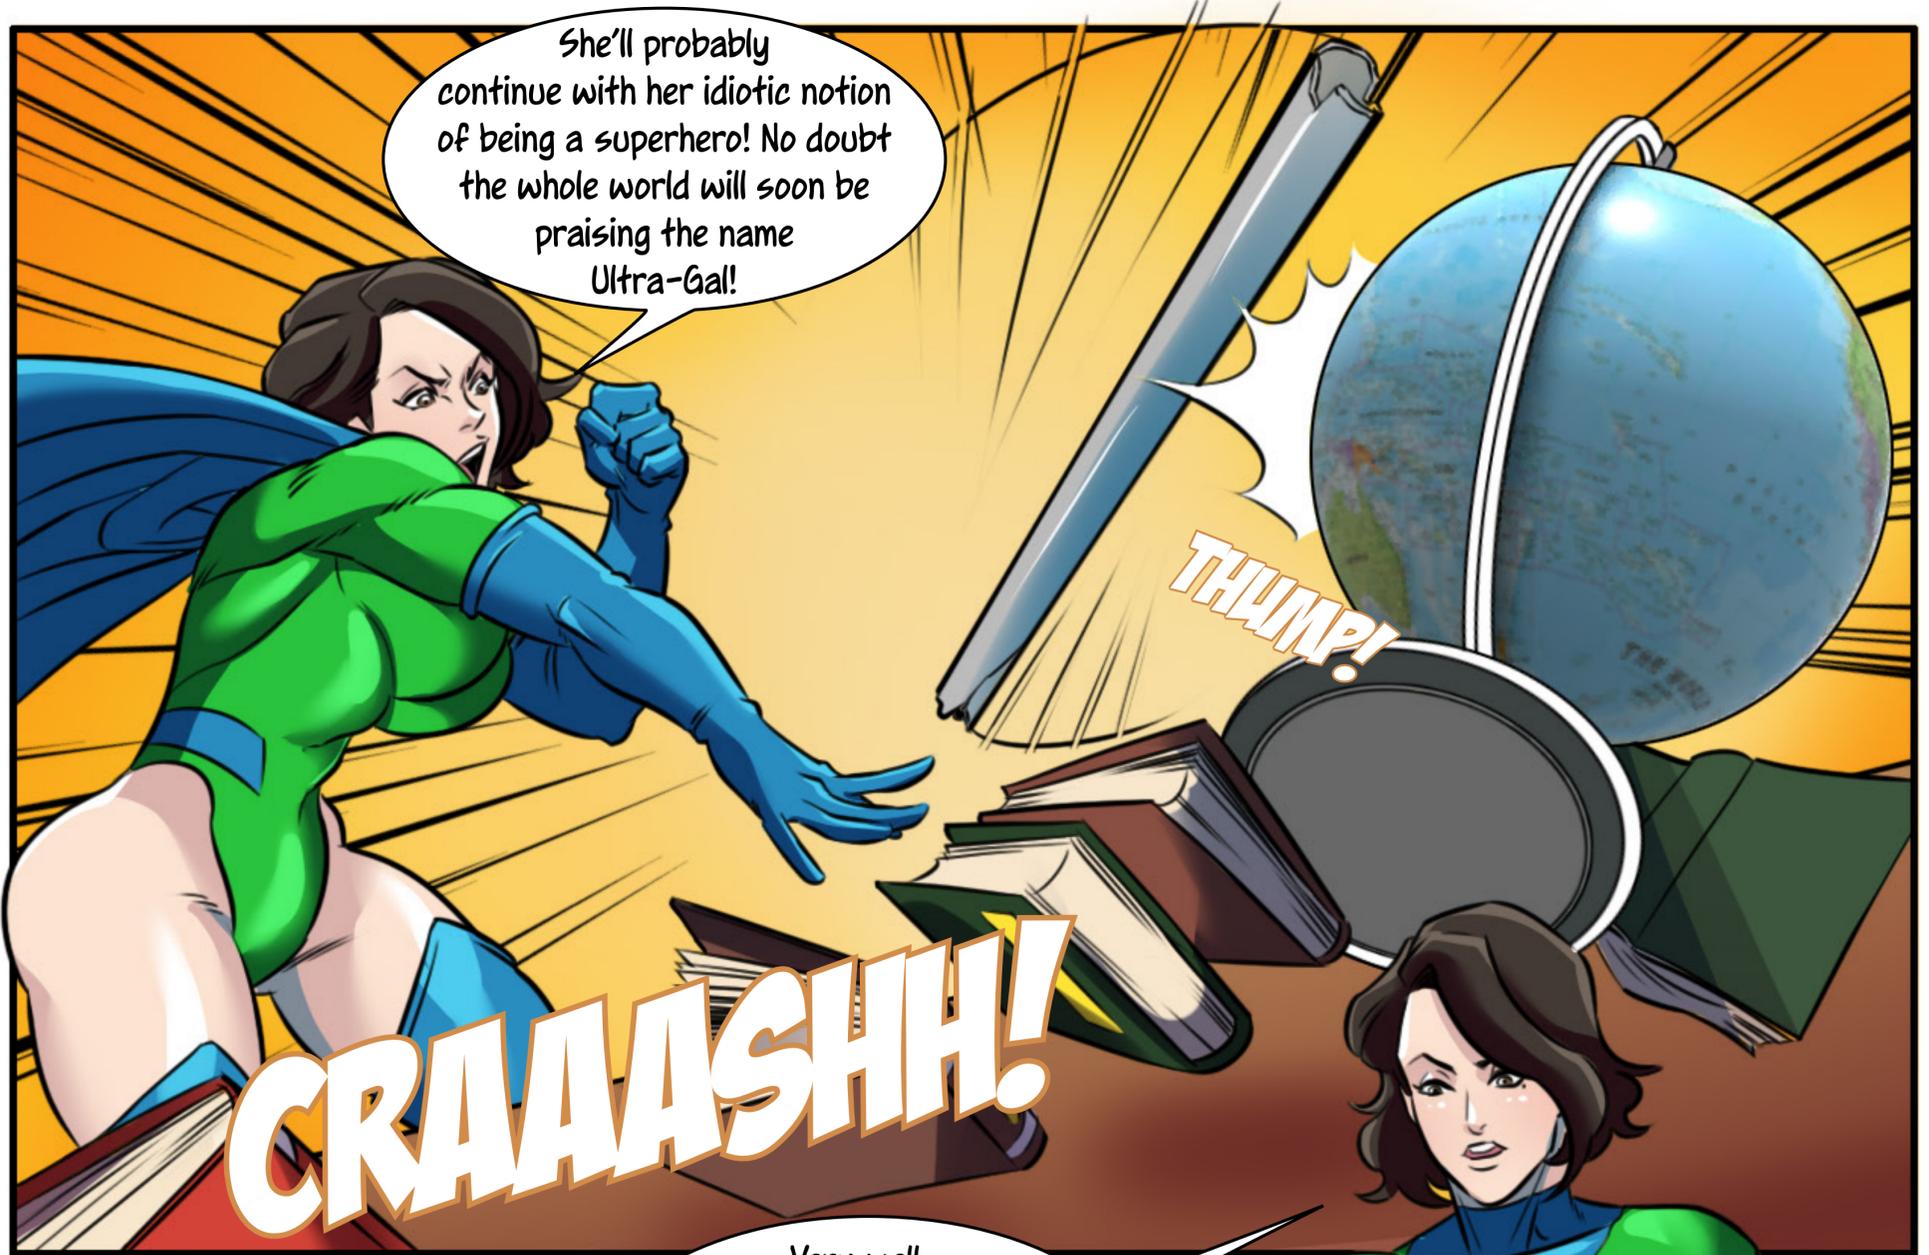

What a fool...
falling for that ridiculous
amnesia story... and I thought
she'd never leave! Still, it's now
obvious her powers have
become permanent.

While I seem only to
have gained permanent
super intellect.

She'll probably continue with her idiotic notion of being a superhero! No doubt the whole world will soon be praising the name Ultra-Gal!

CRAAASHH!

THUMP!

Very well... let them worship her for now, for soon they shall worship another. Soon all will fall to their knees in awe of my boundless intellect!

THOK

THOK

DROOLL...

**SOON I SHALL USE
MY SUPER GENIUS TO
RULE THIS WORLD AS THE
SUPREME... DOMINA!
HAHAHAHA!**

THUNK!
