Excellent!
Scans indicate that the
accelerated growth phase is
complete.

Now to
activate the education
phase.

FWOOSH

Ughhhh...

FWOOSH

If I'm right then this clone will have the same powers as Ultra-Gal, however, thanks to the education I gave her she'll be her opposite in personality... In other words... EVIL!

TAP

MIWHANAHANA!

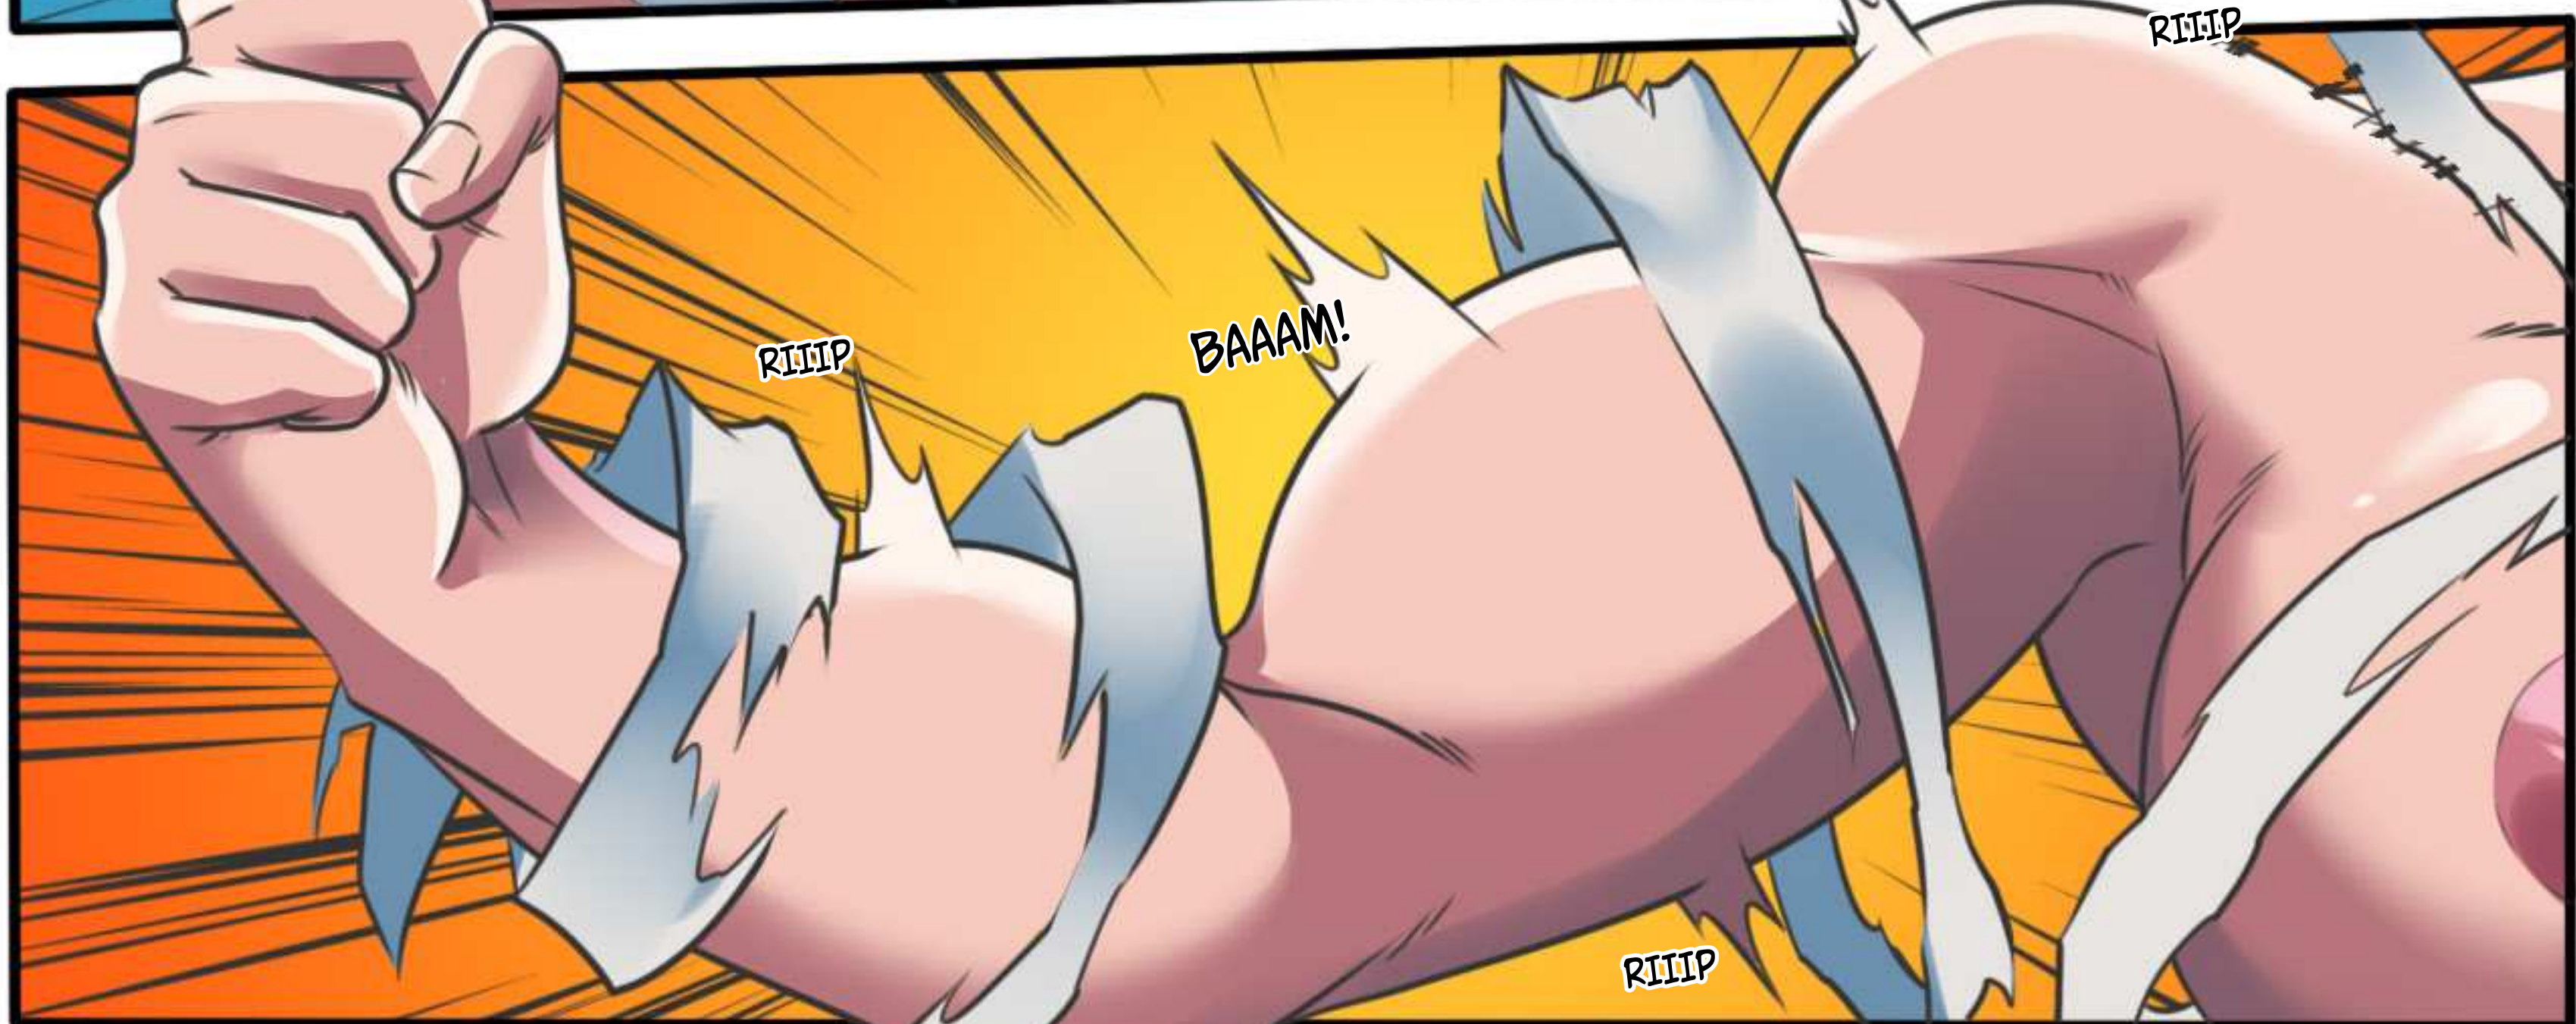

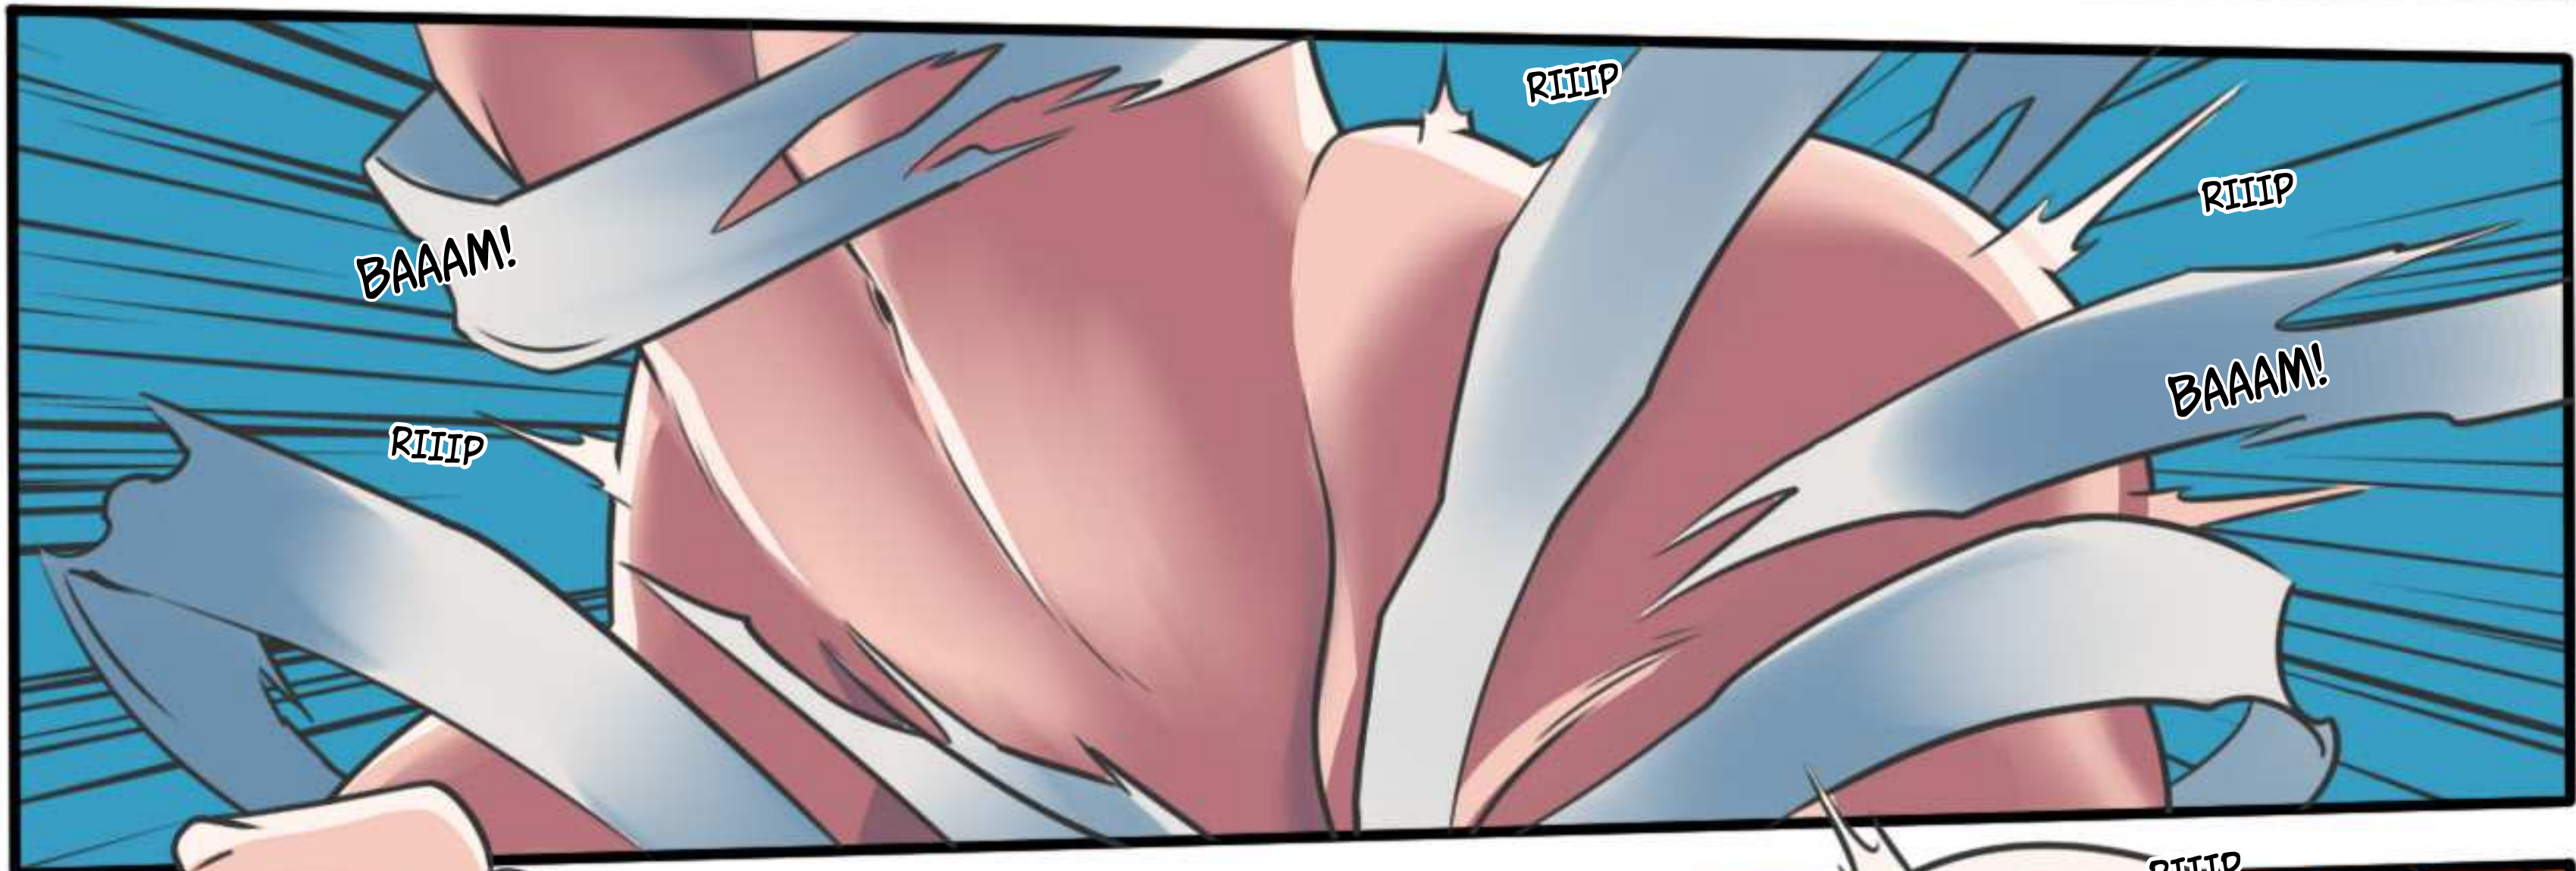

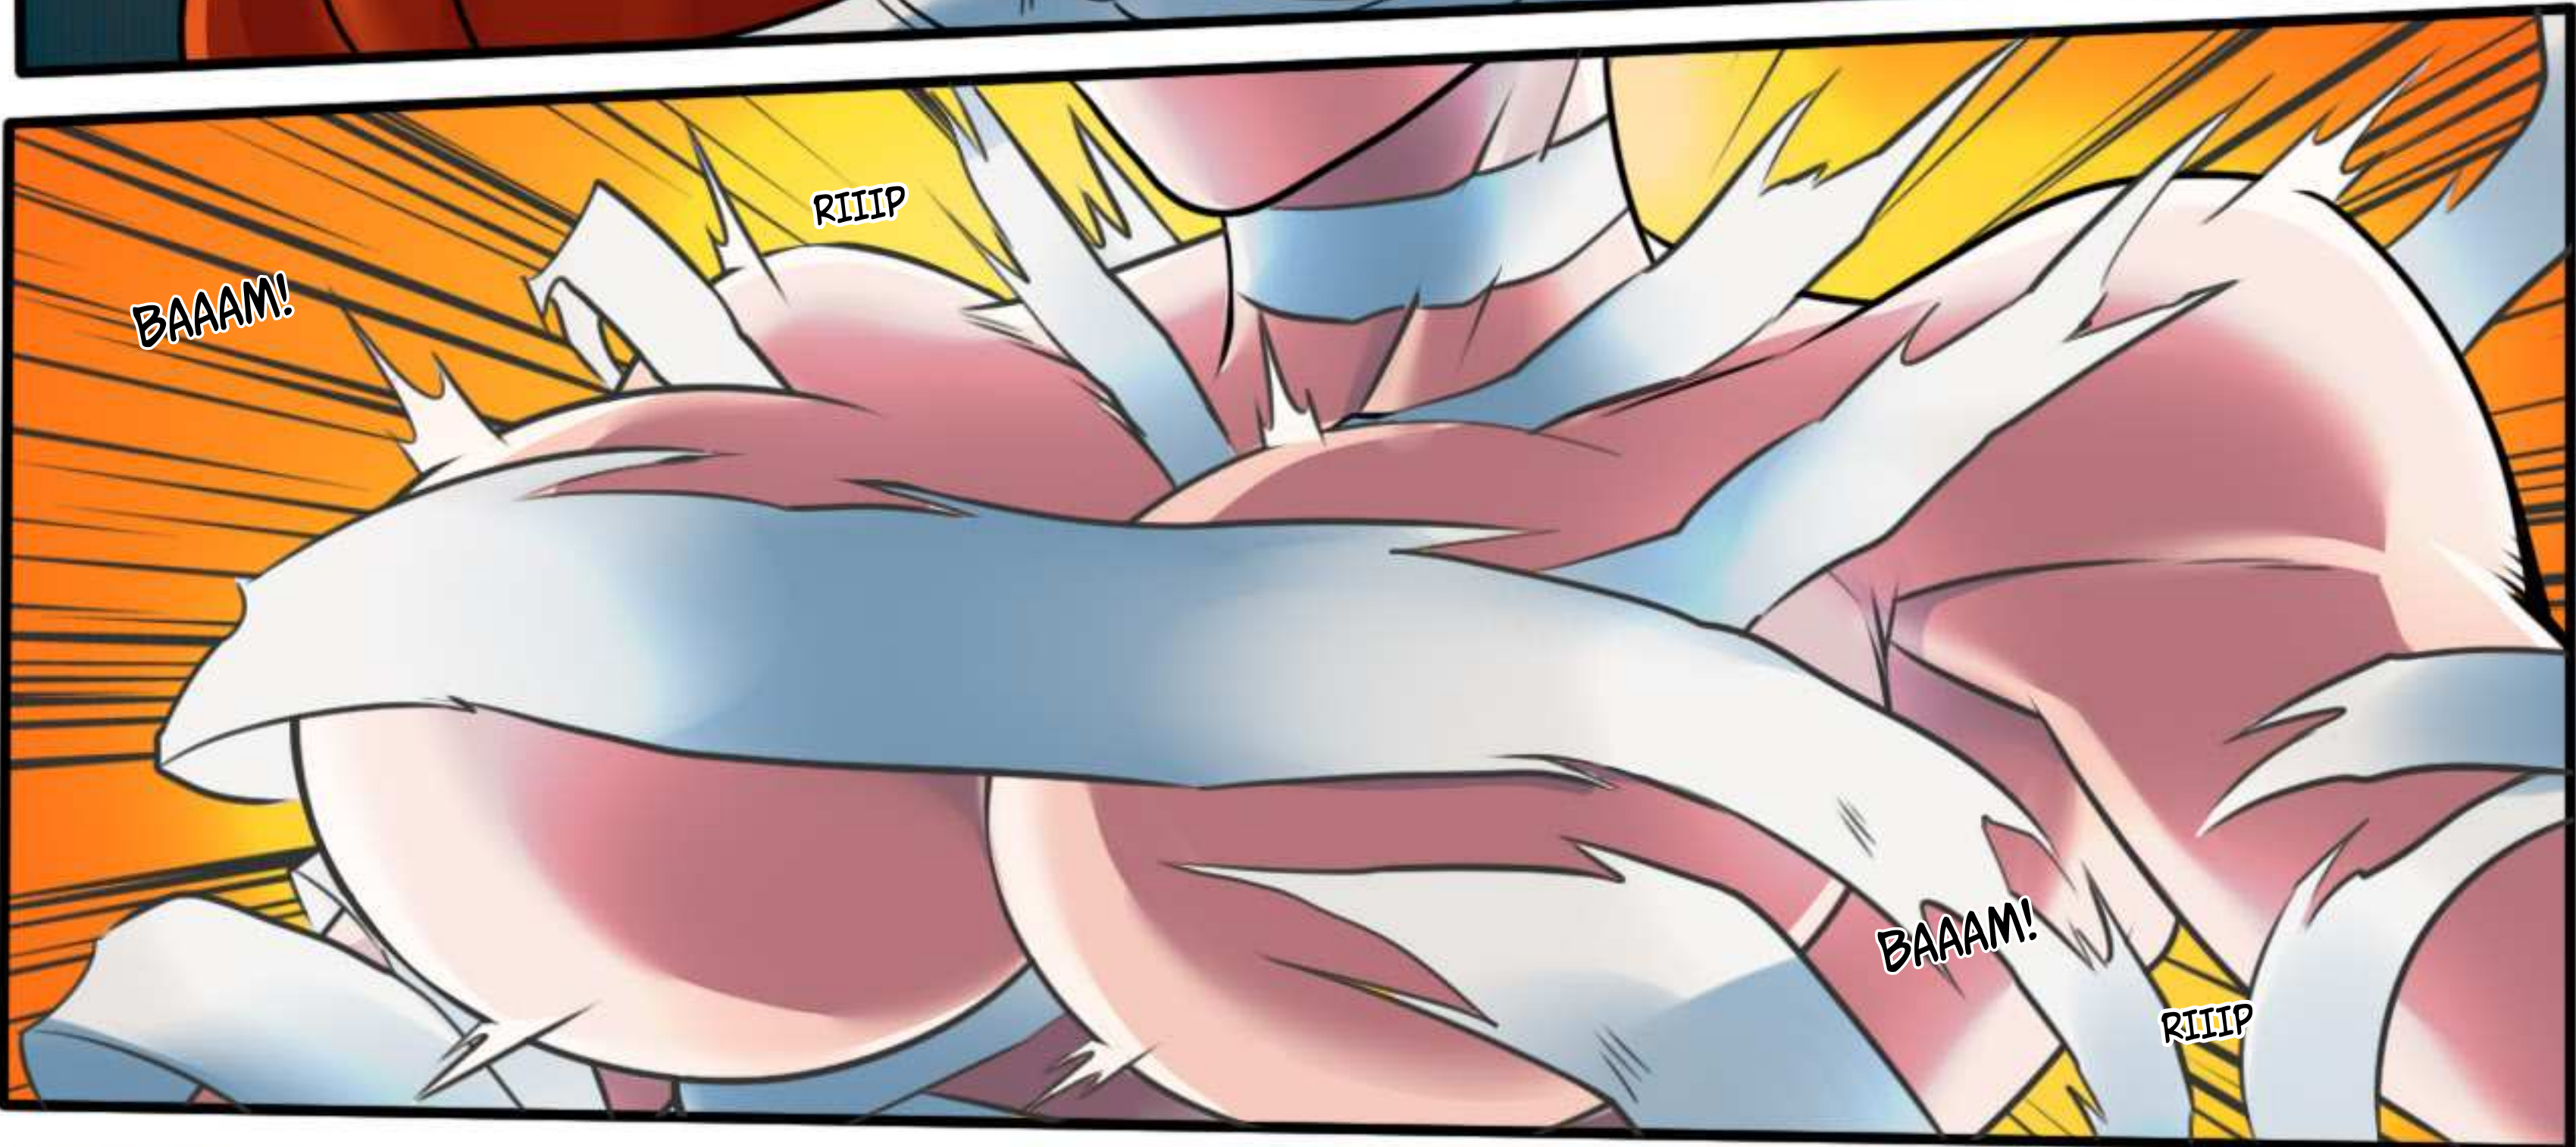

So my EVIL-GAL, how do you feel?

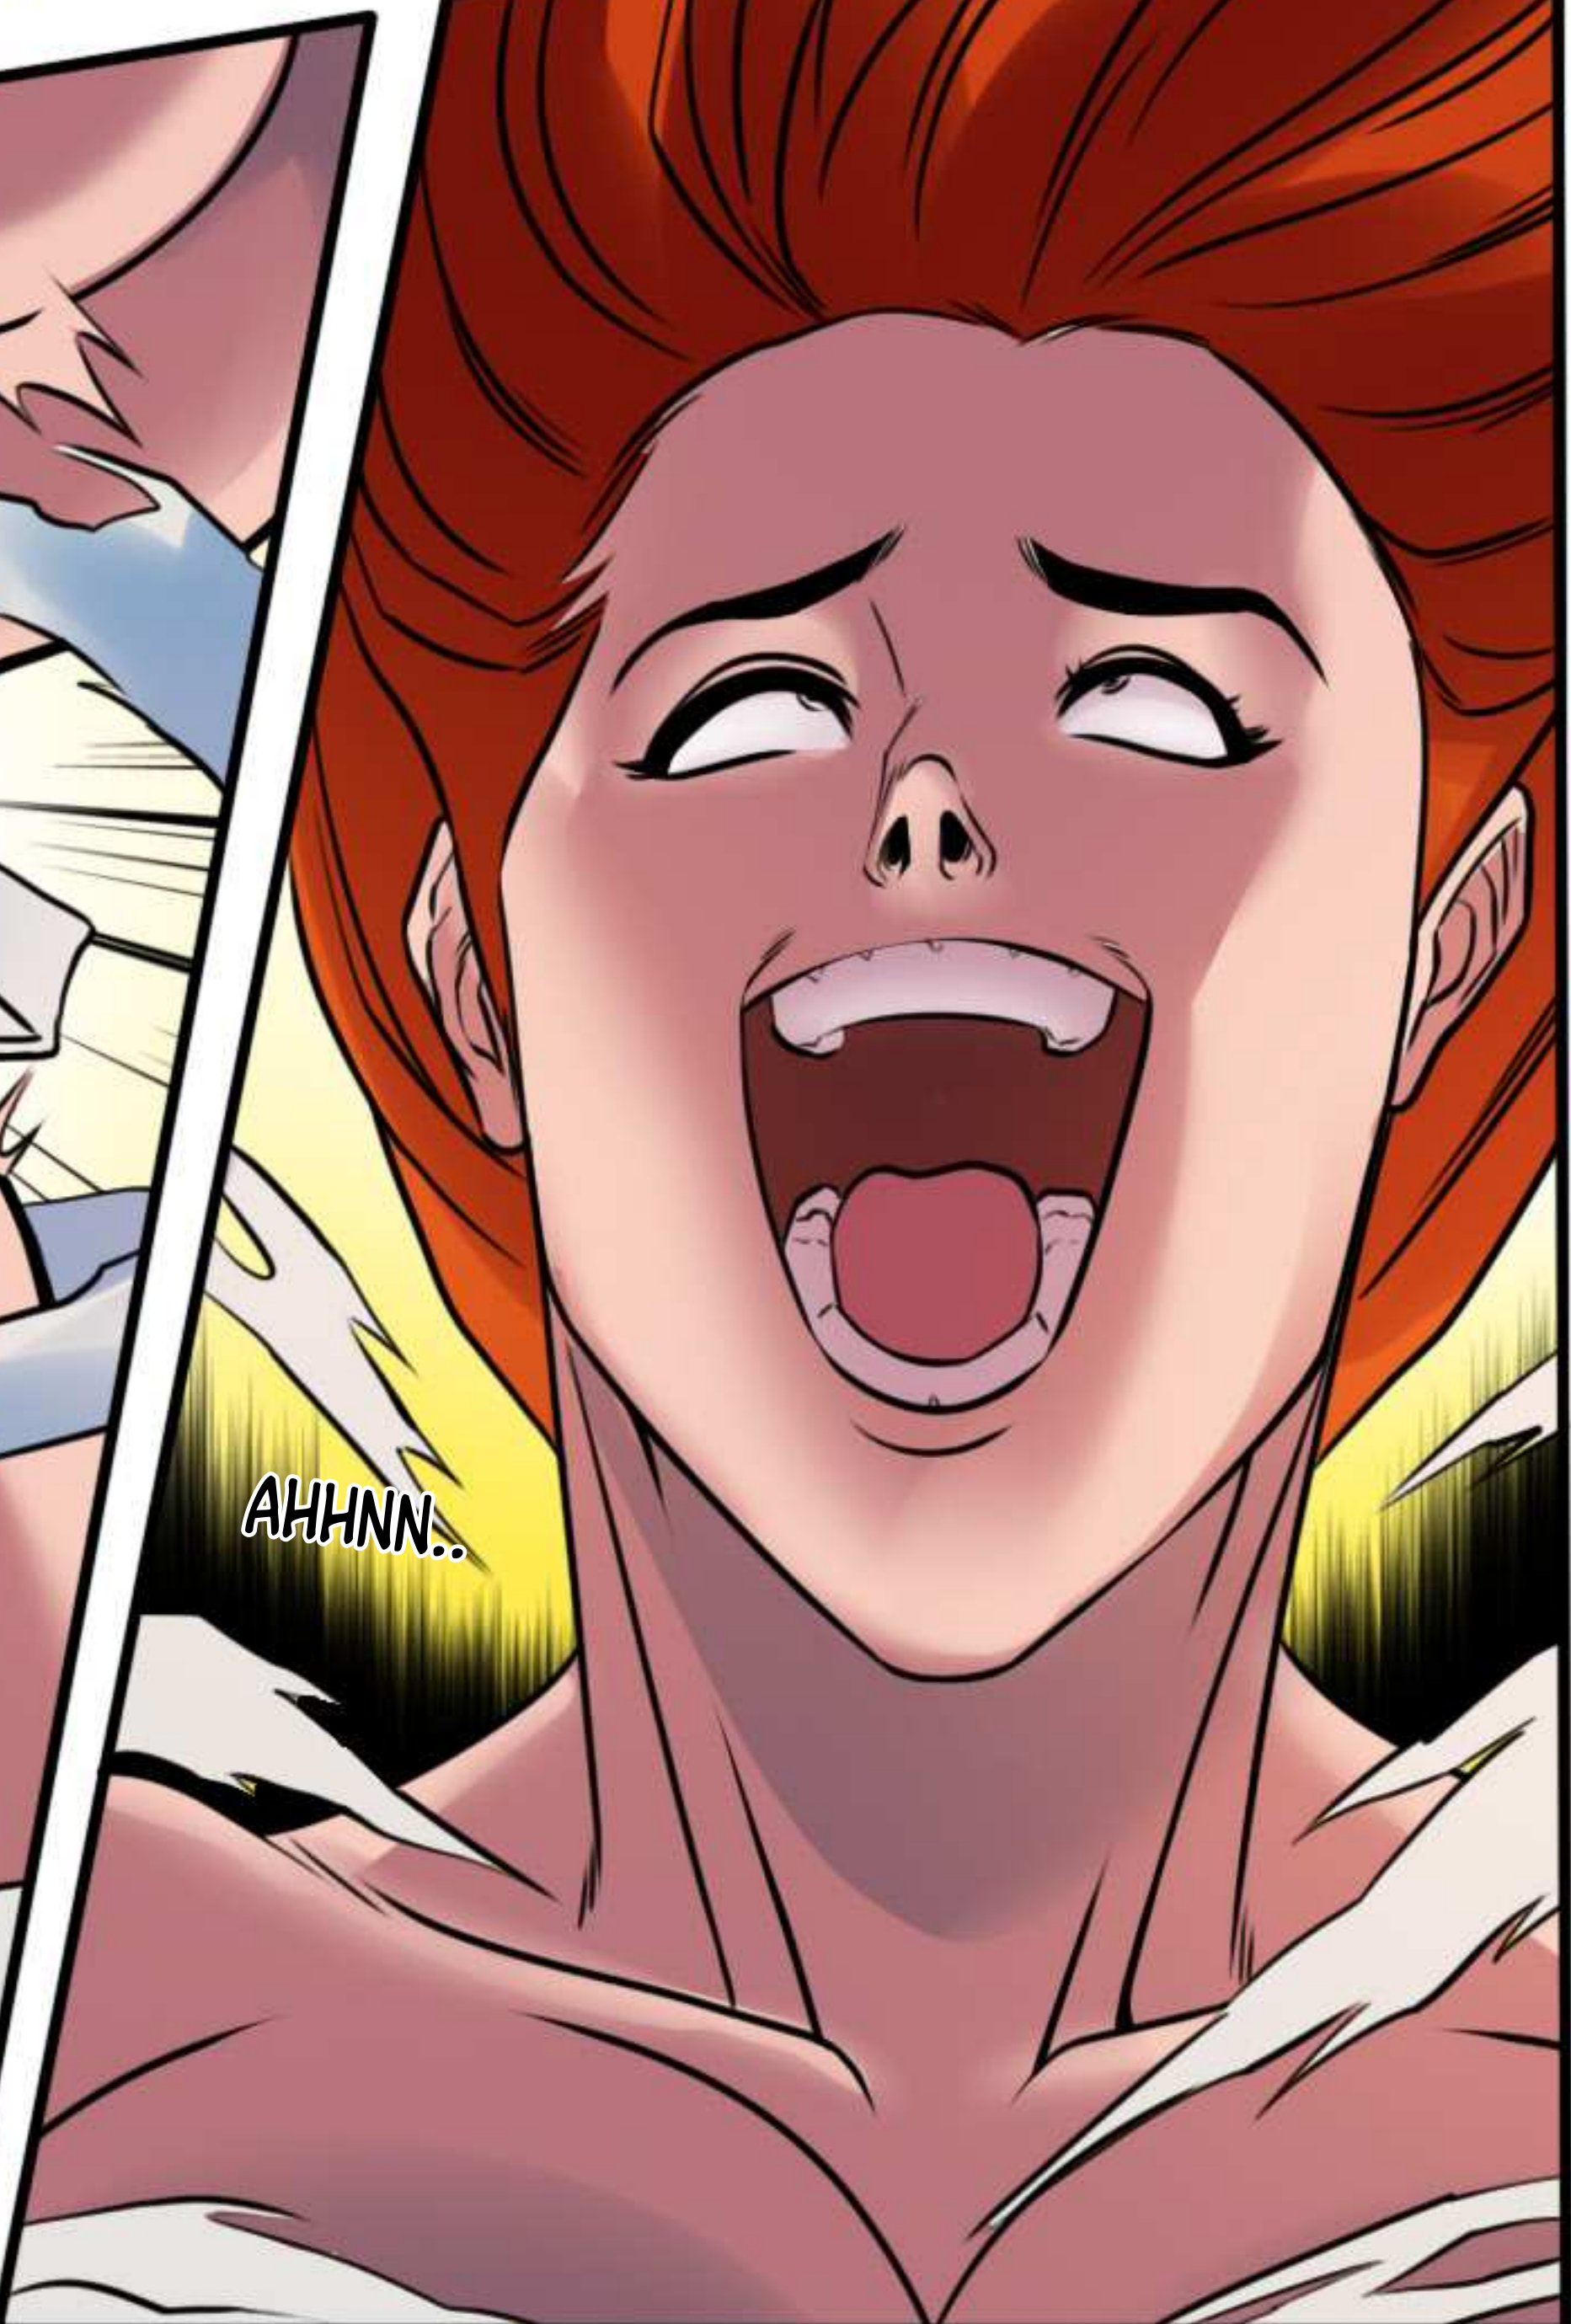

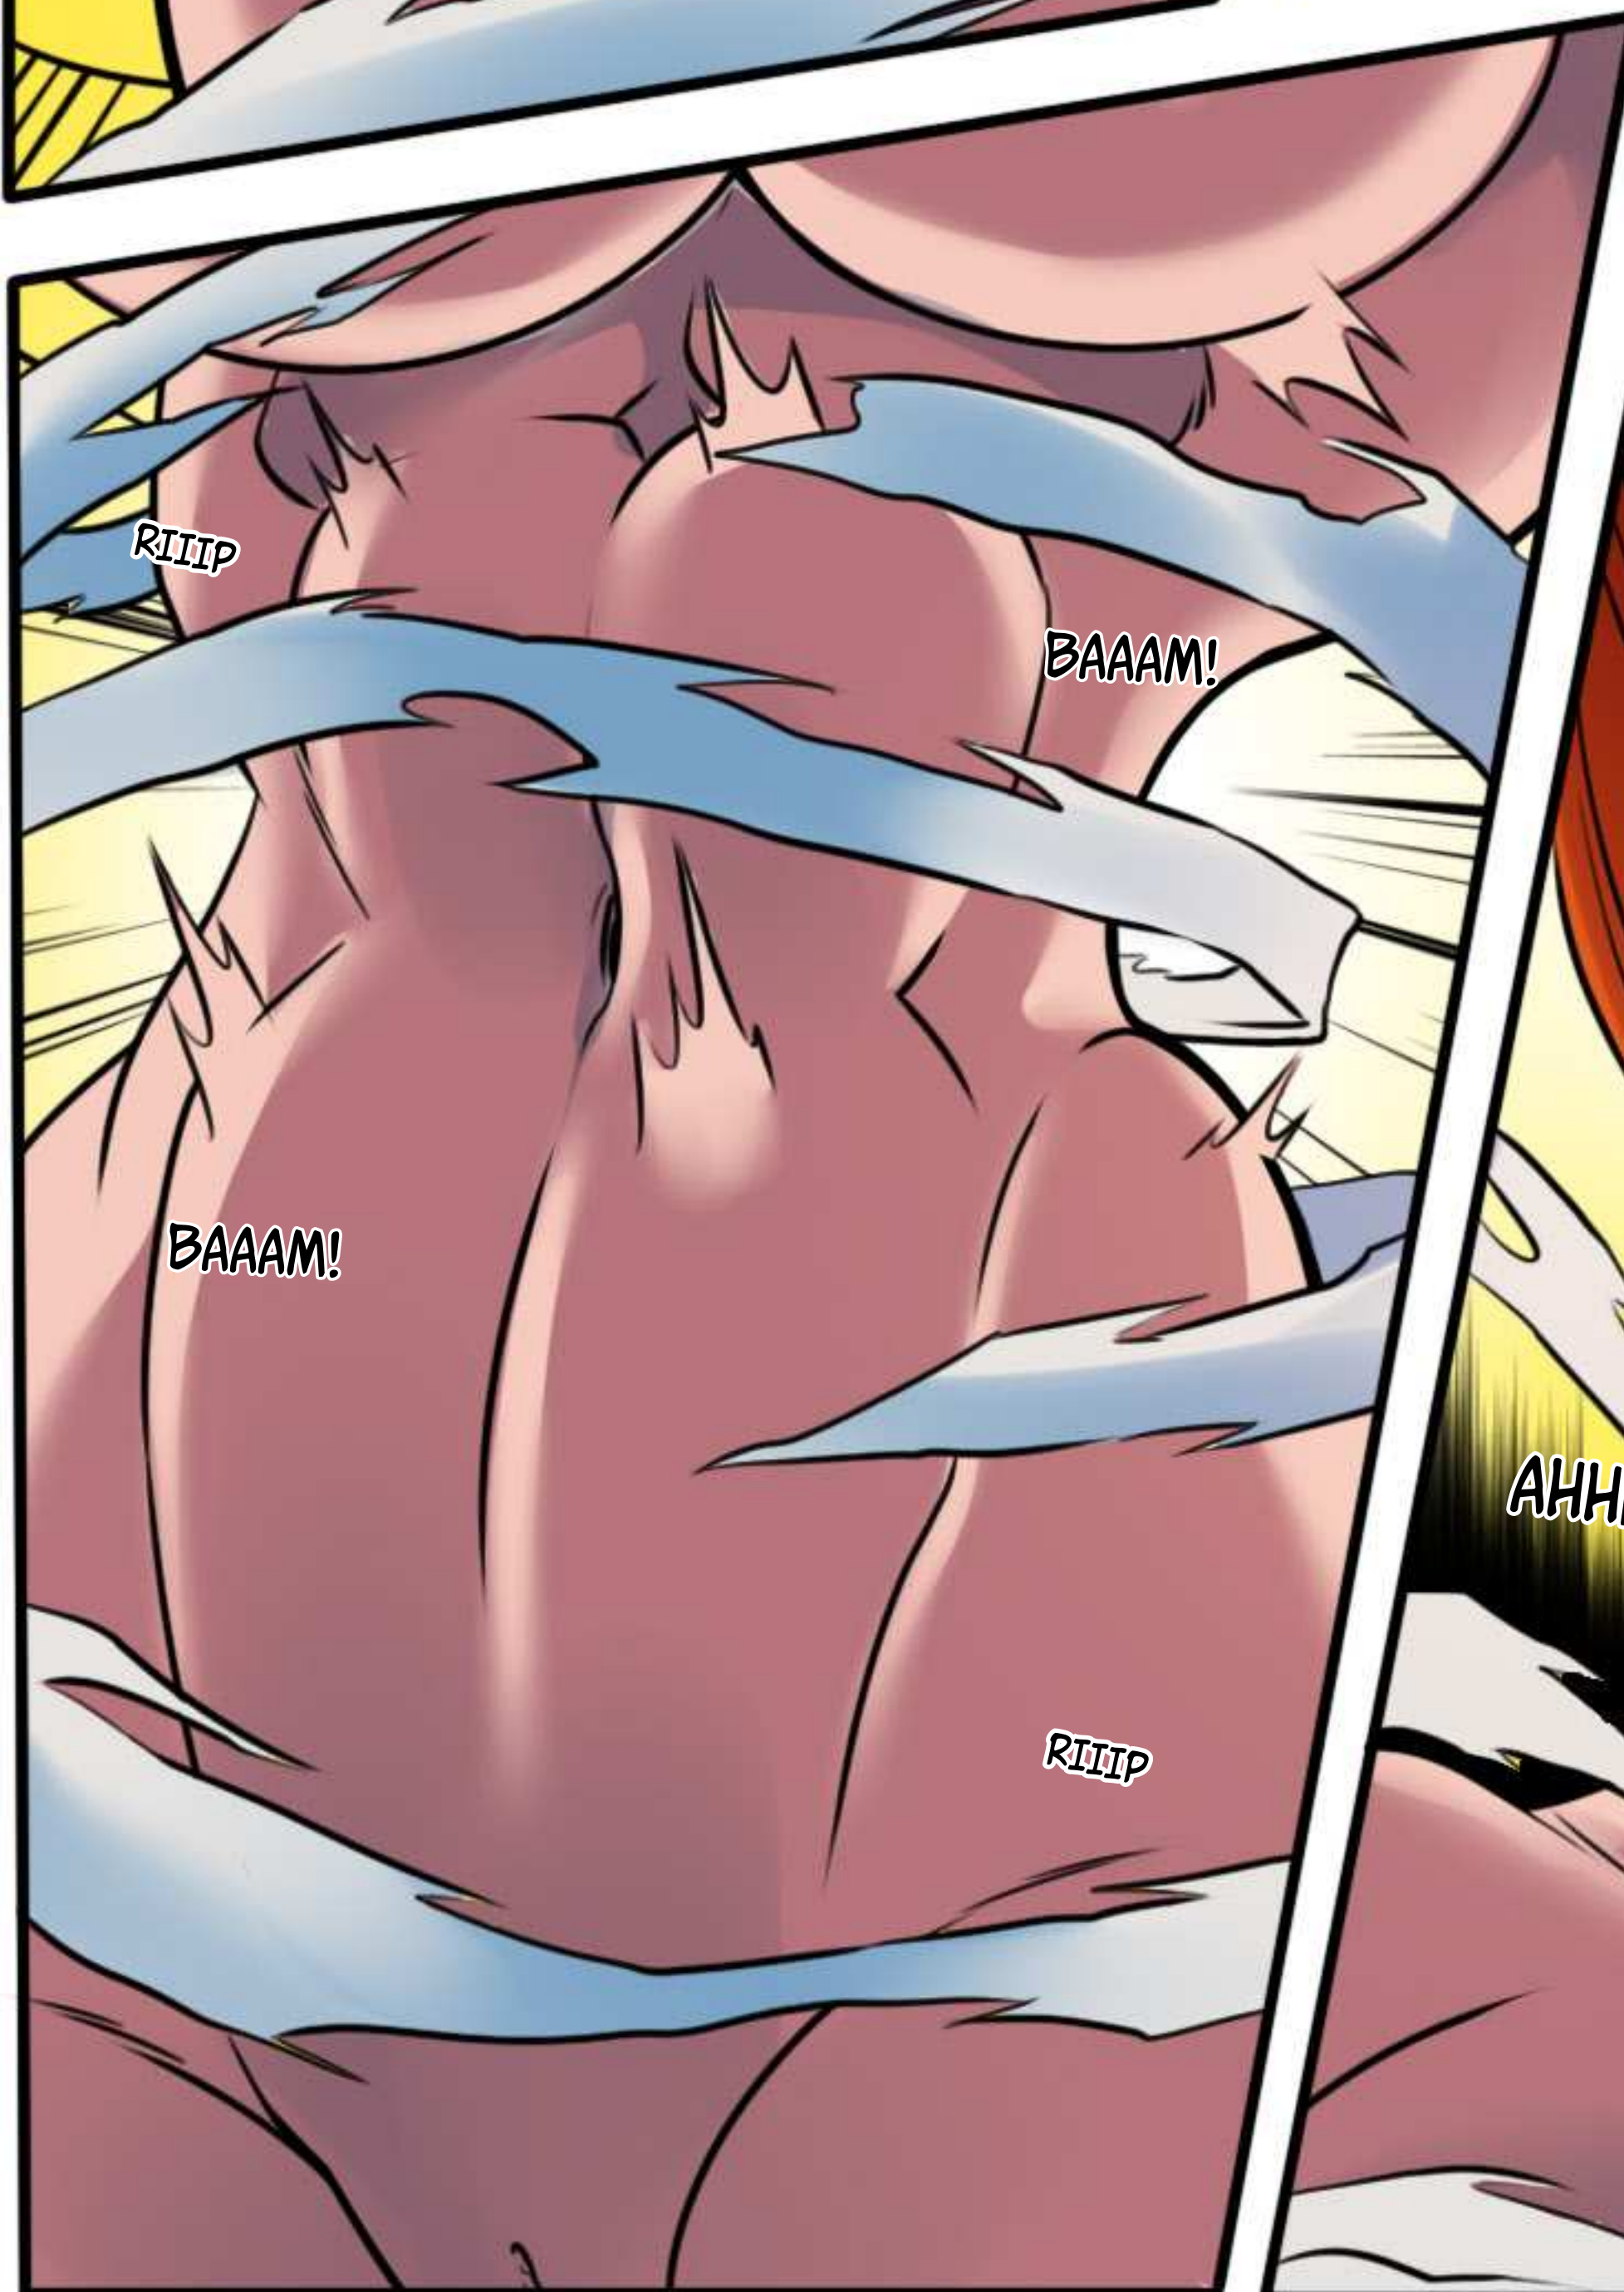

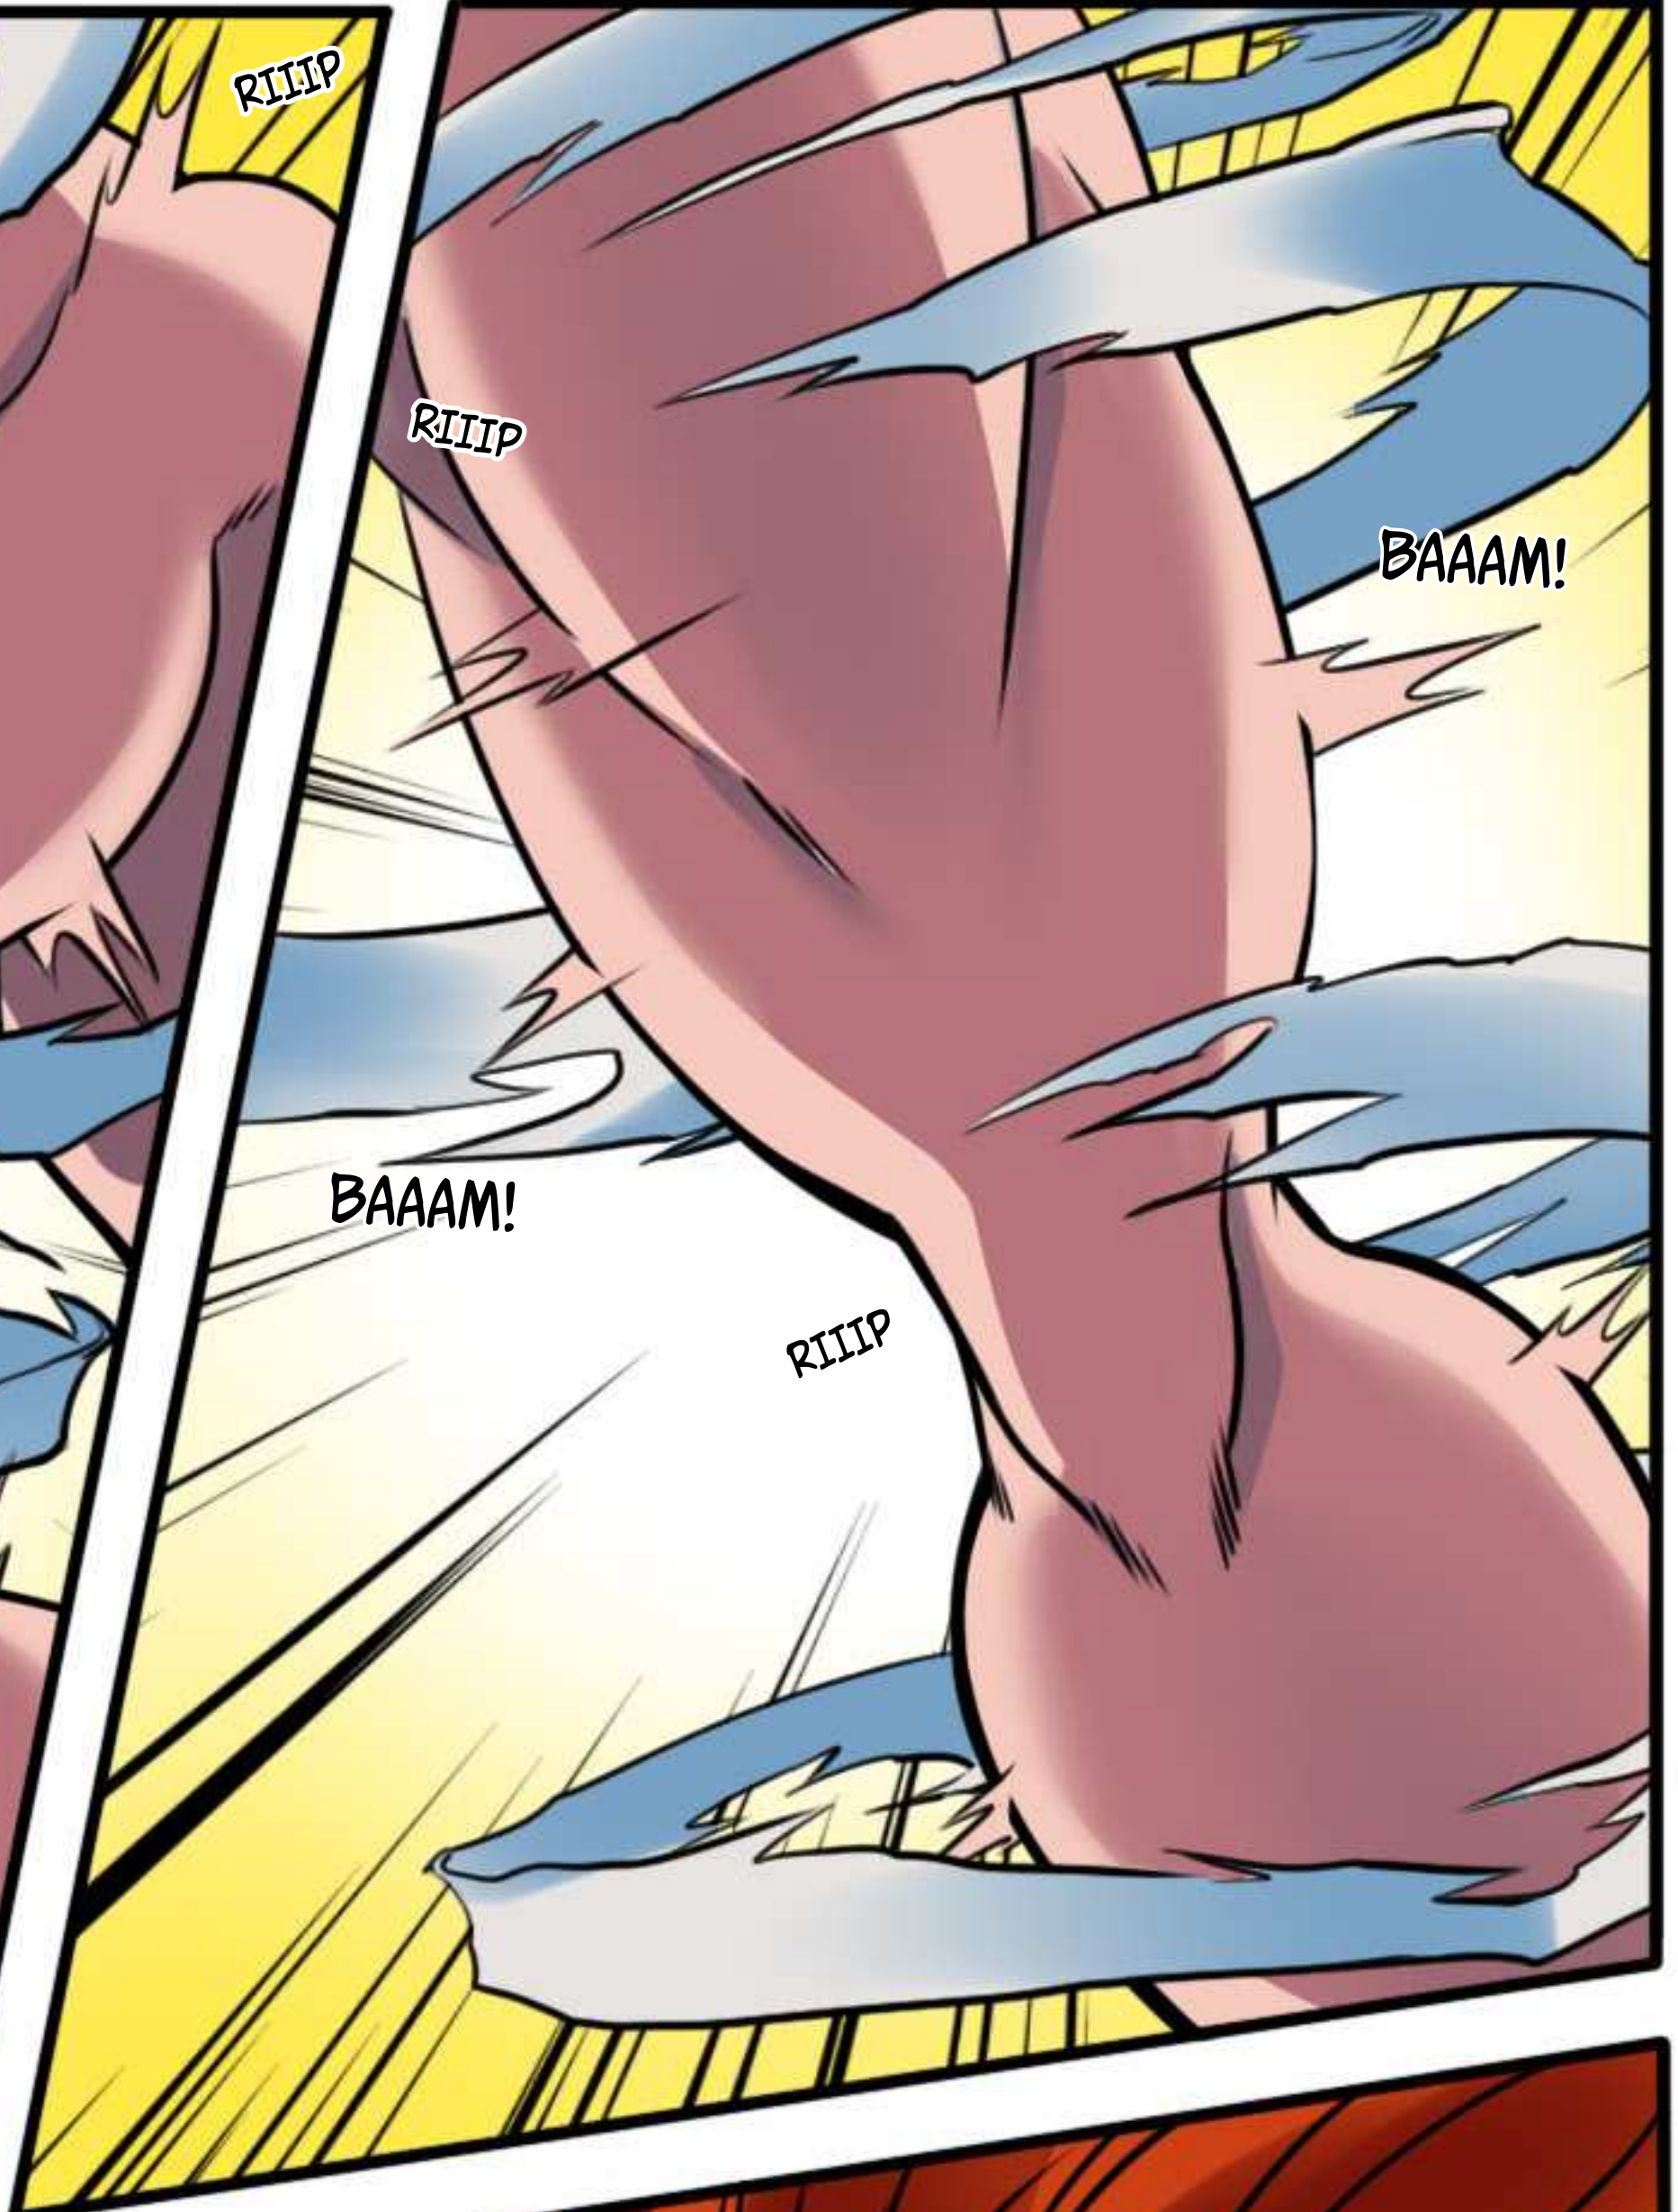

FWOOSH

Weak and pathetic... and that fucking pisses me off!

Mmmm...
that's much better!

Sweet...
now I look like the
total bad-ass bitch
that I am.

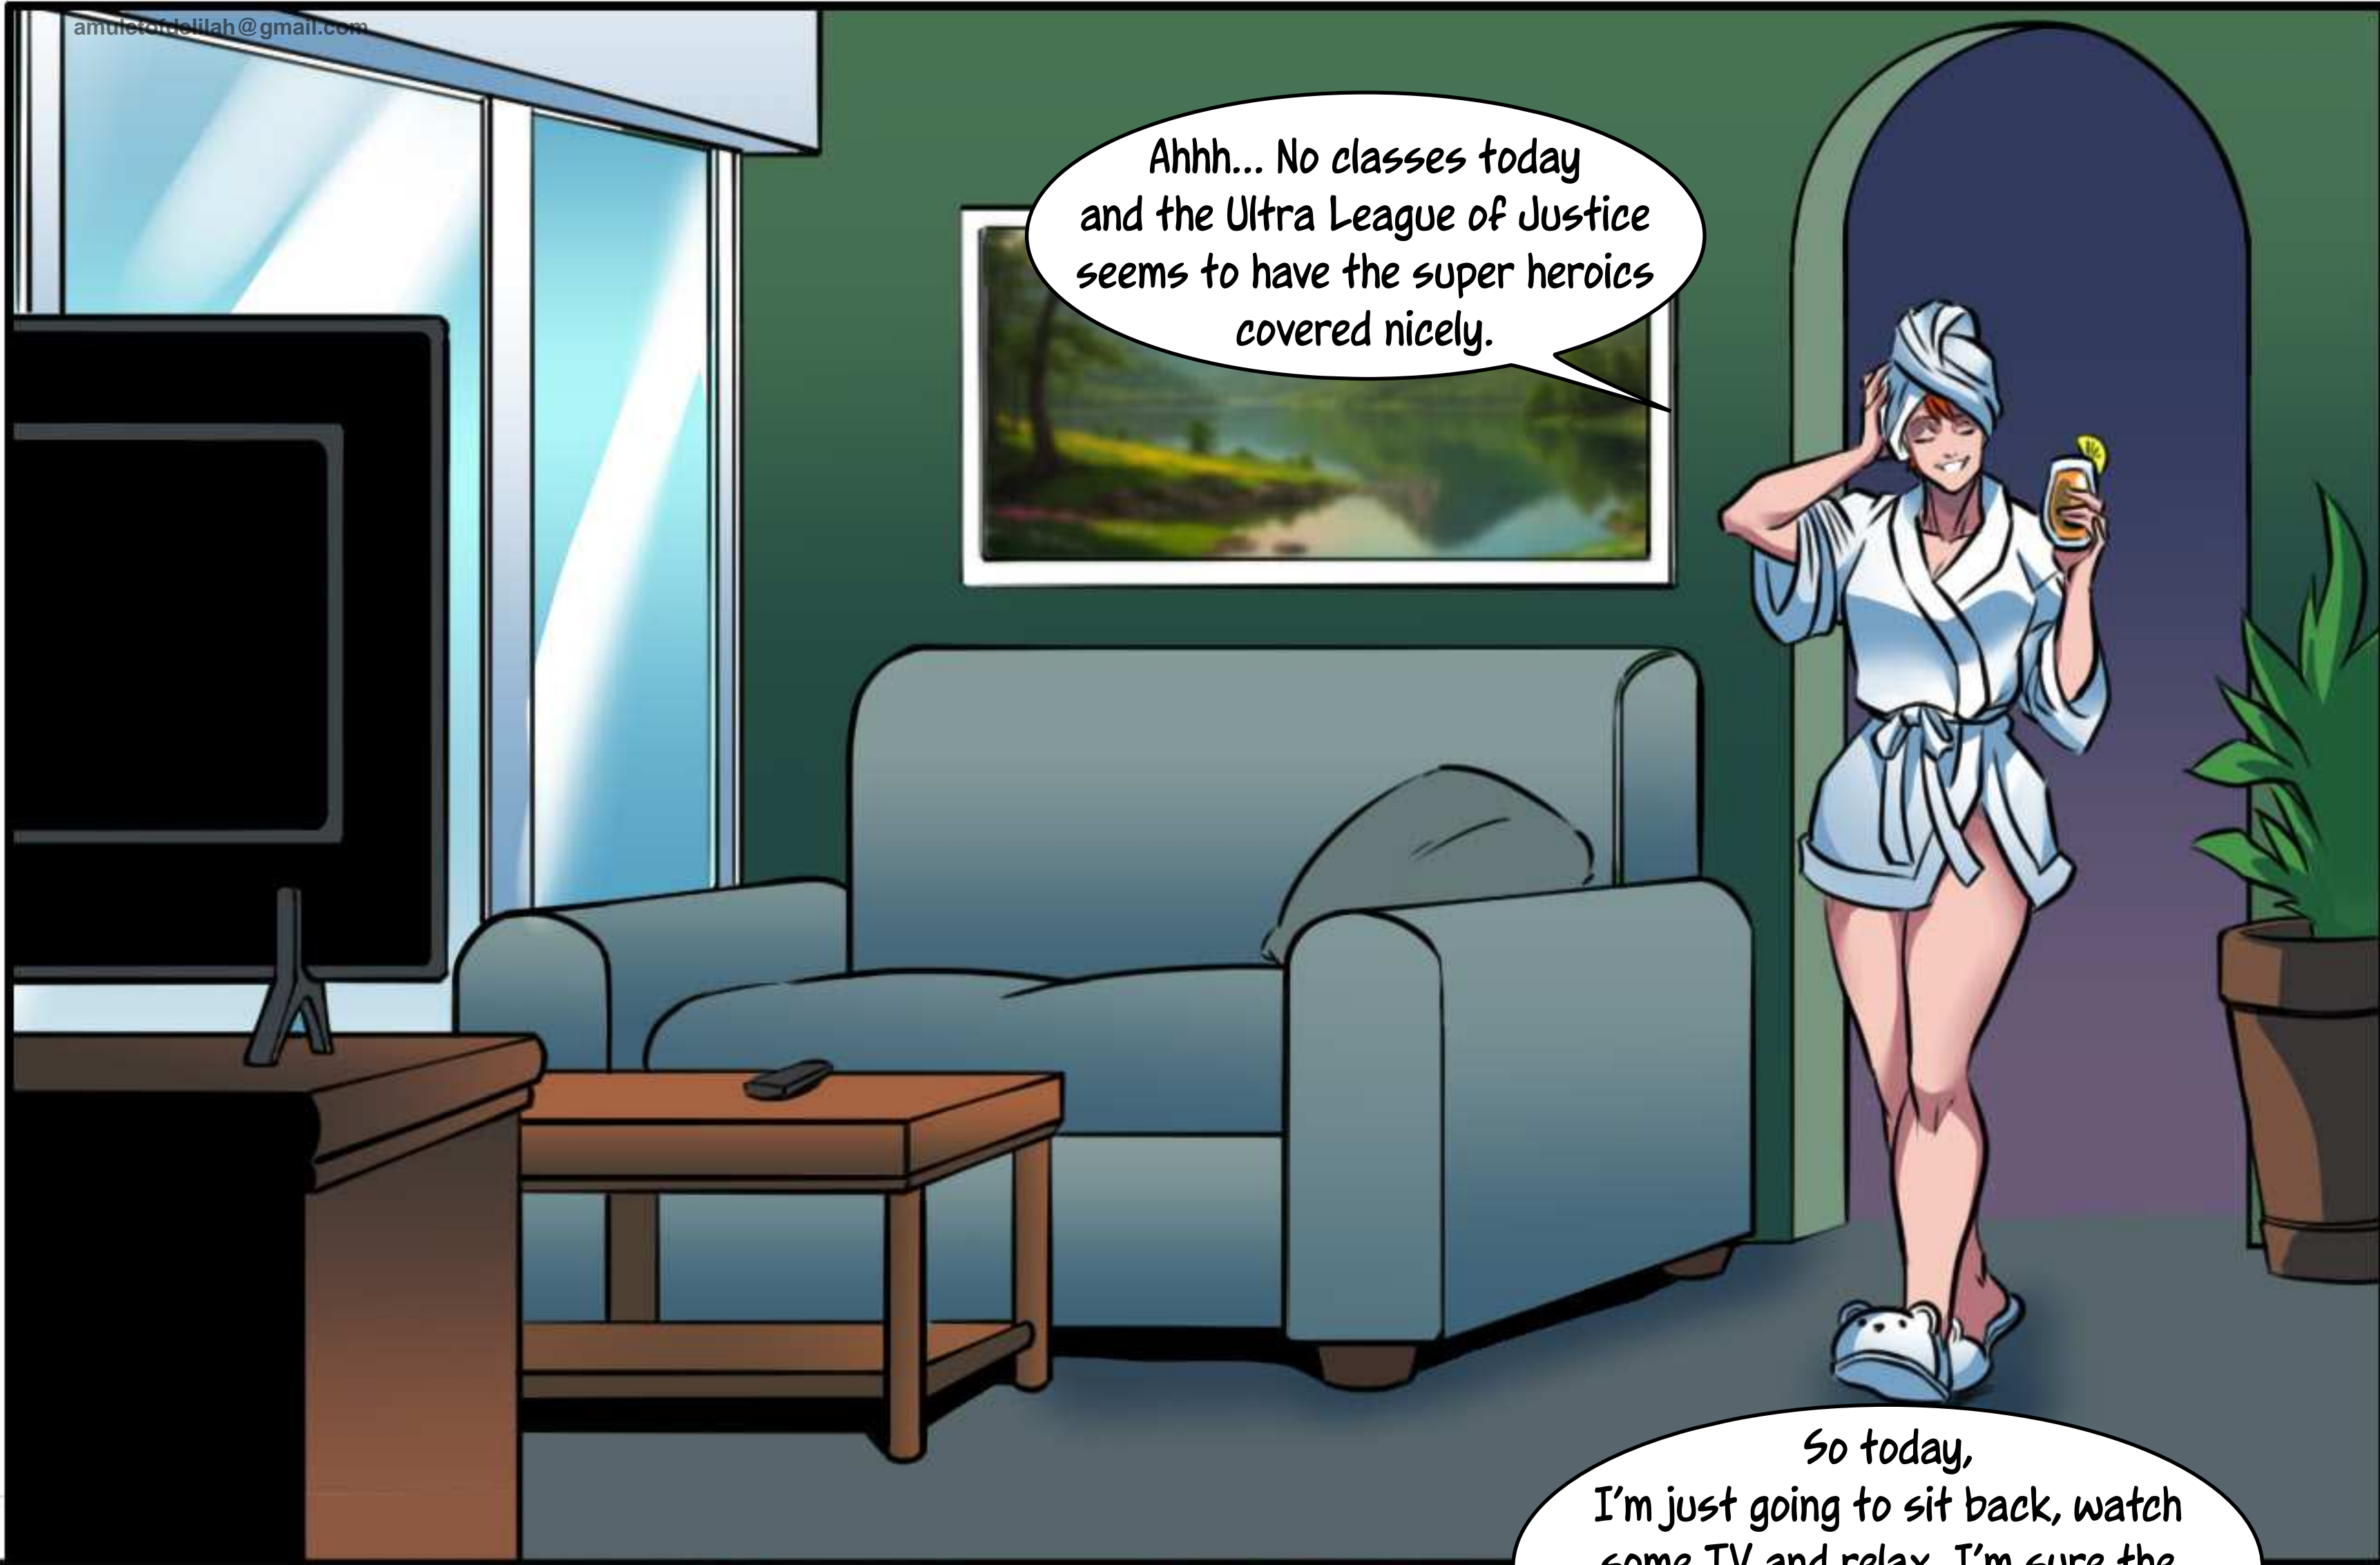

Yes, it suits you.
But now it's time to fulfill
your purpose. Go! Find
Ultra-Gal and kill her!

I feel like
kicking some super
ass anyway.

OOOSSSH!

Ahhh... No classes today and the Ultra League of Justice seems to have the super heroics covered nicely.

So today, I'm just going to sit back, watch some TV and relax. I'm sure the world can survive one day without seeing Ultra-Gal...

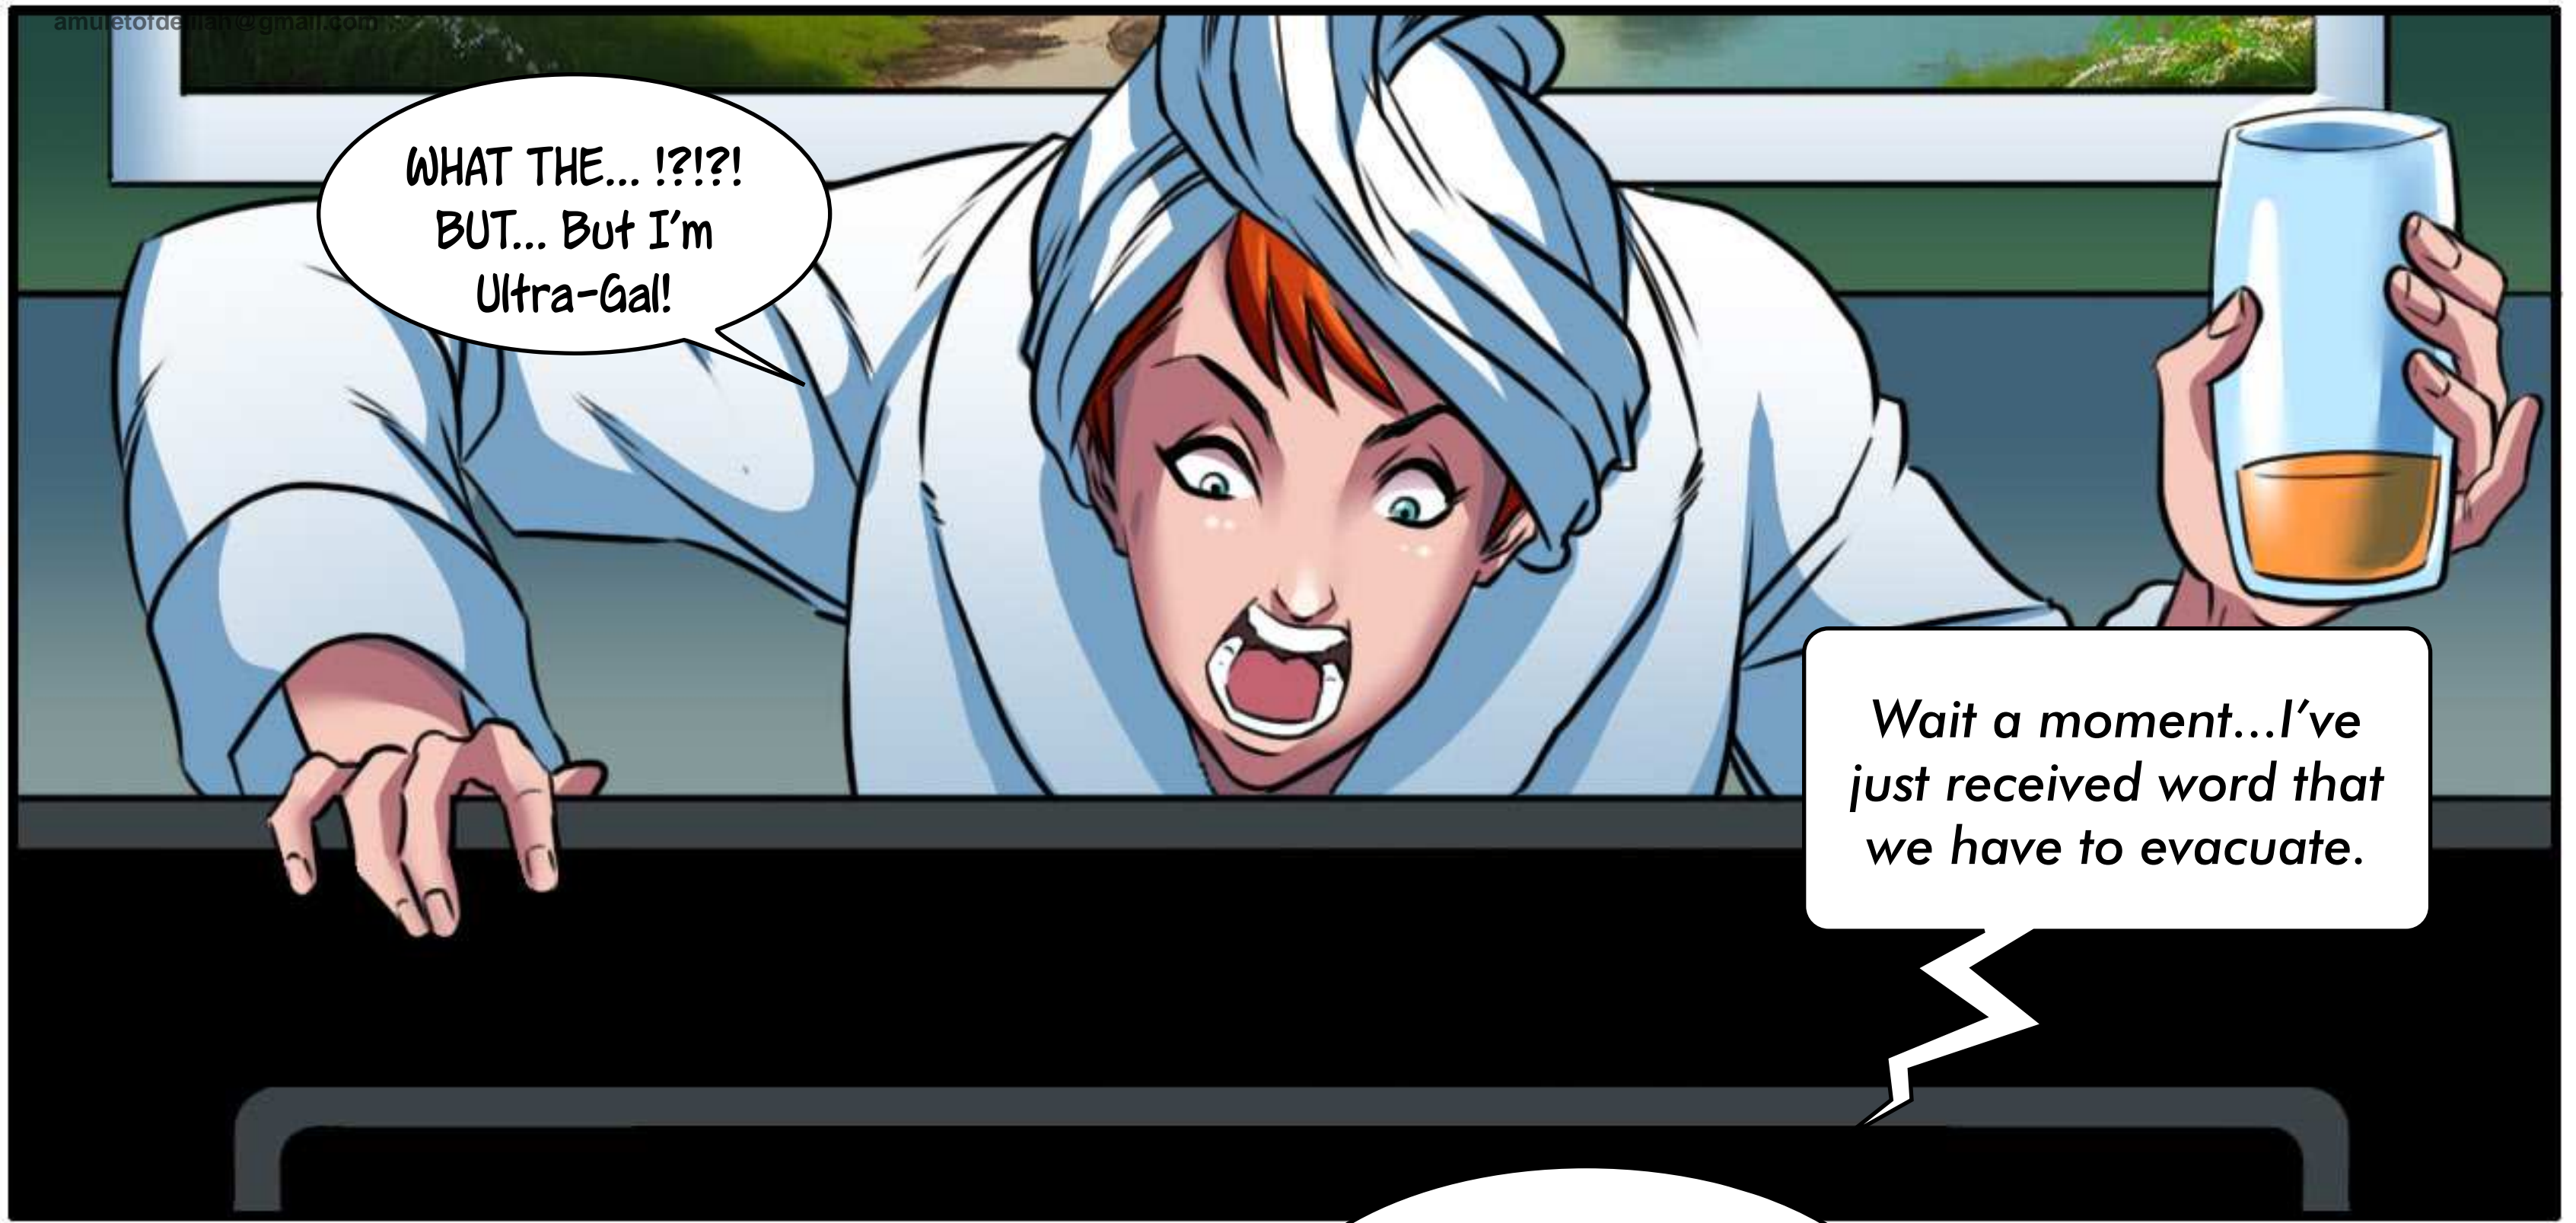

CLICK

...just can't believe what I'm seeing! The sheer amount of destruction... it's... mind-numbing!

Ultra-Gal is simply destroying everything in her path!

WHAT THE... !?!?!
BUT... But I'm
Ultra-Gal!

Wait a moment...I've
just received word that
we have to evacuate.

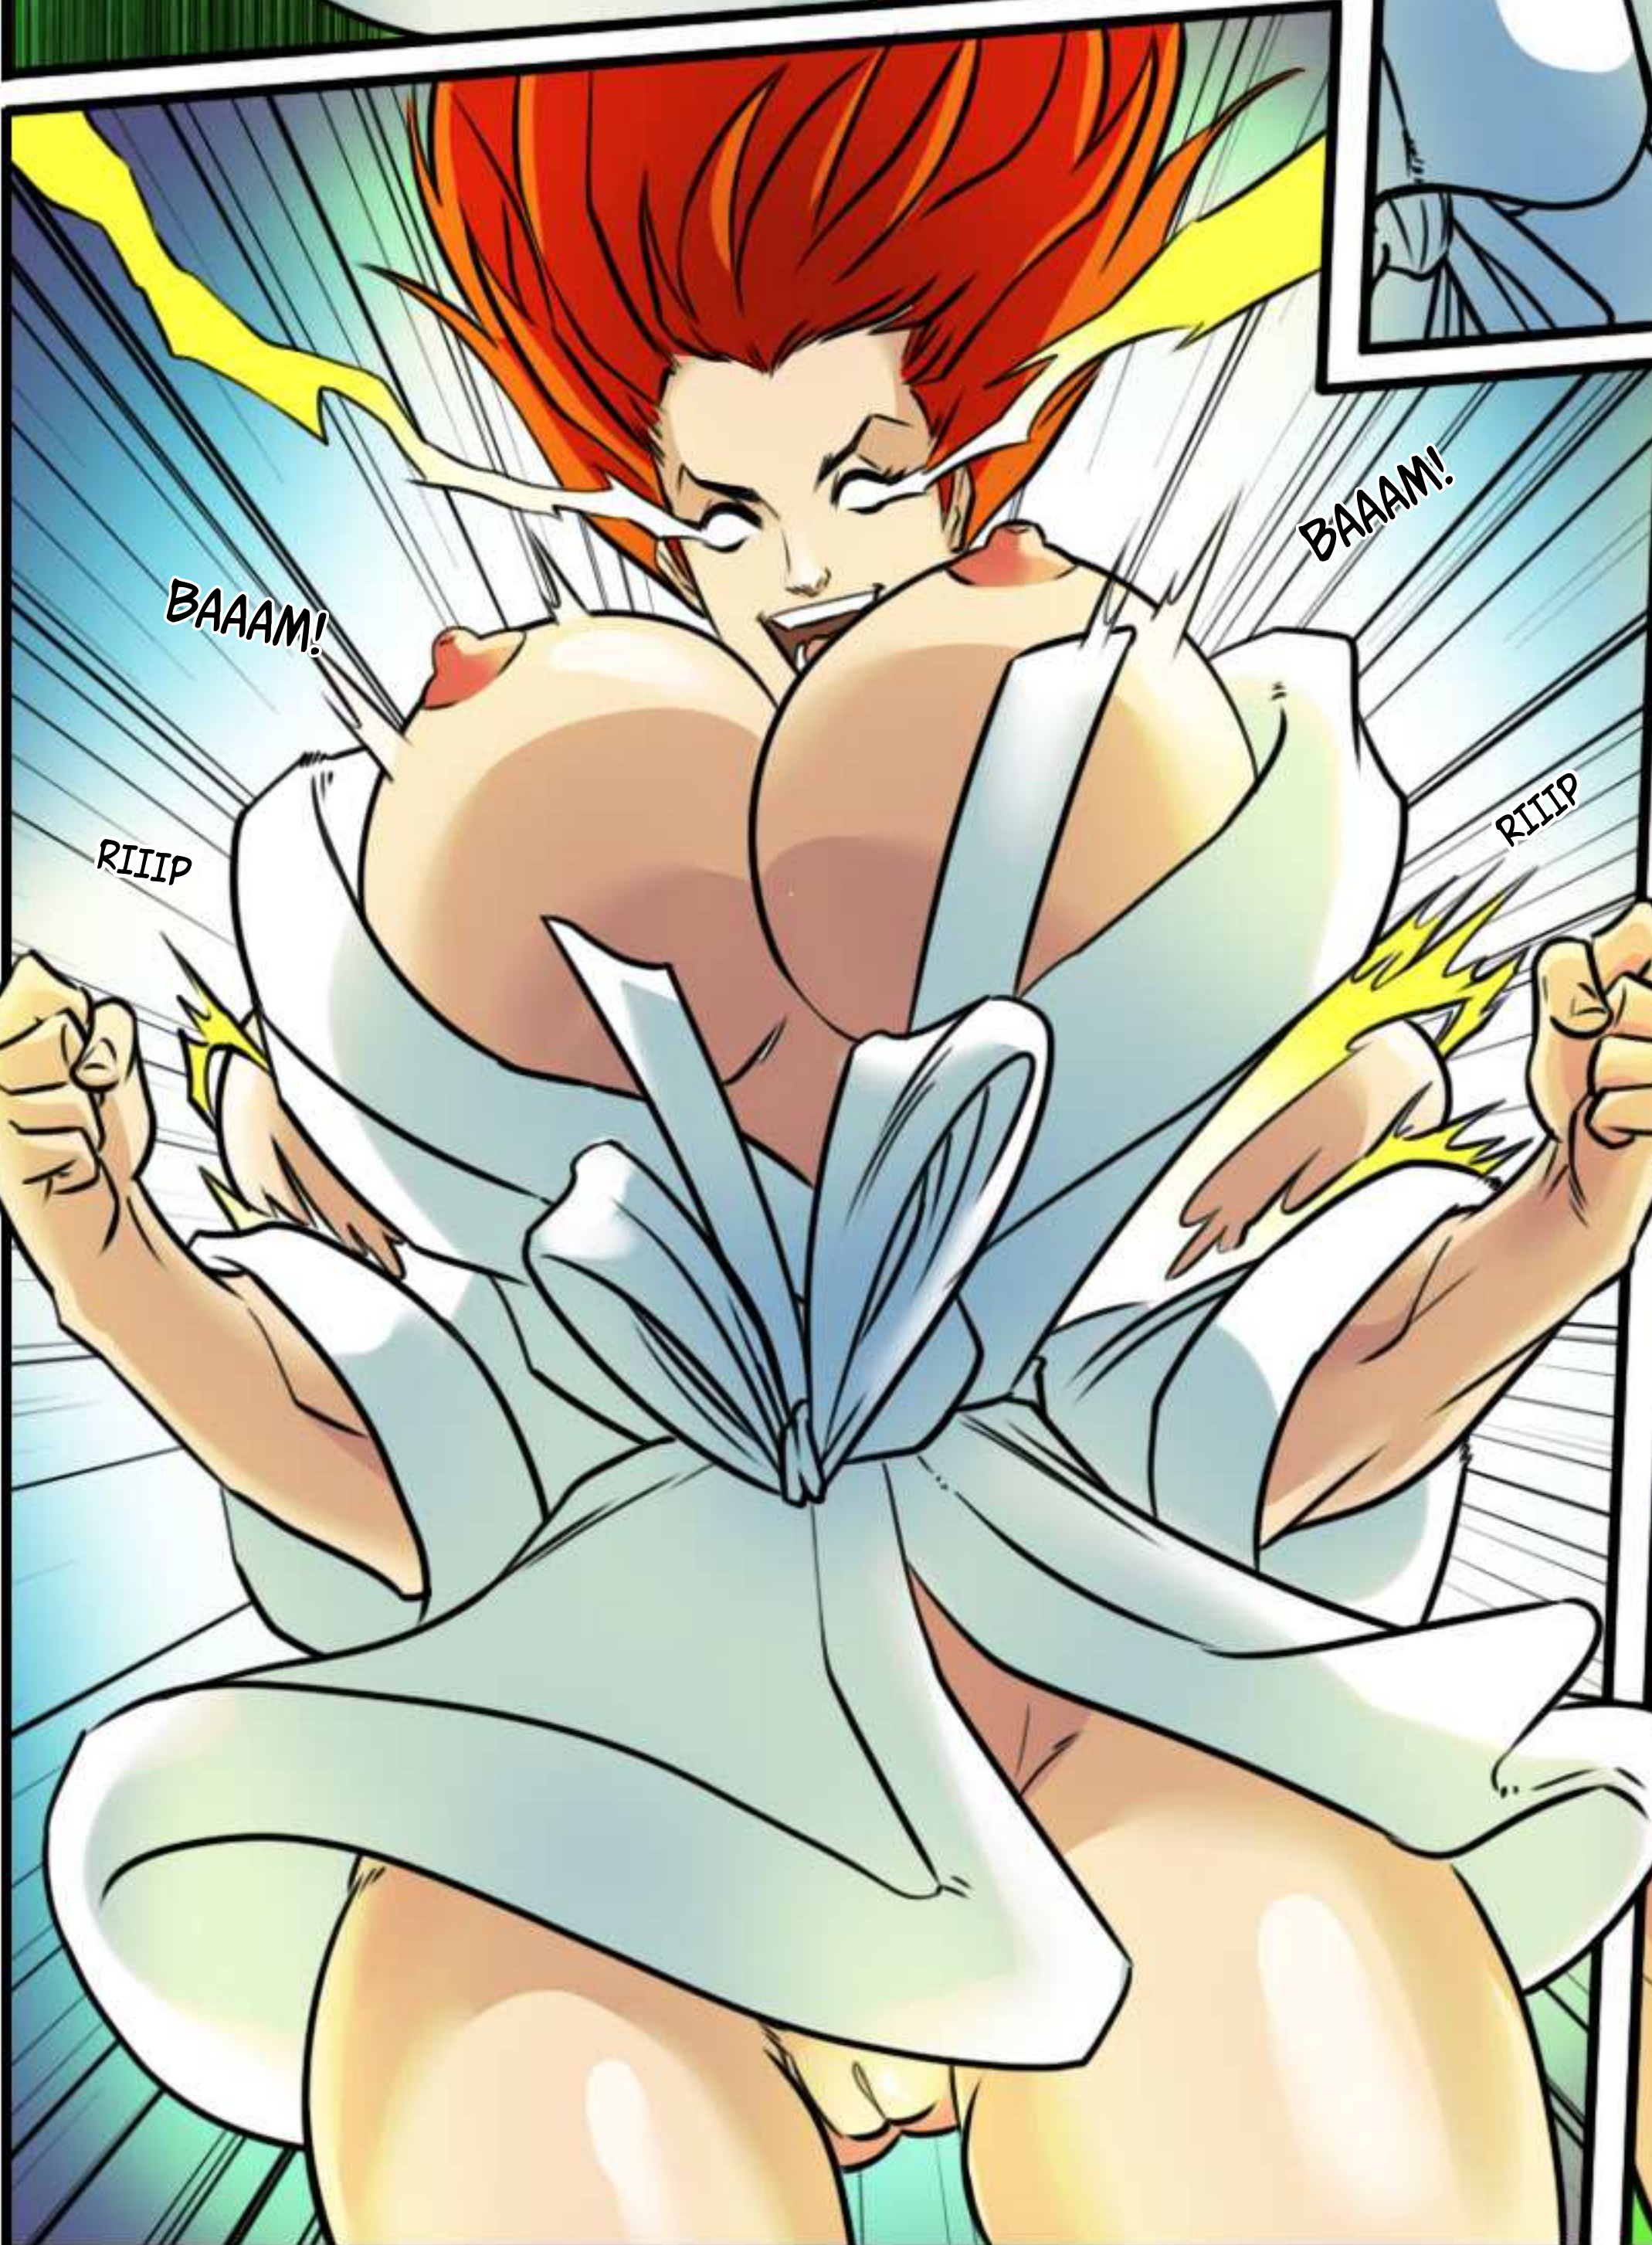

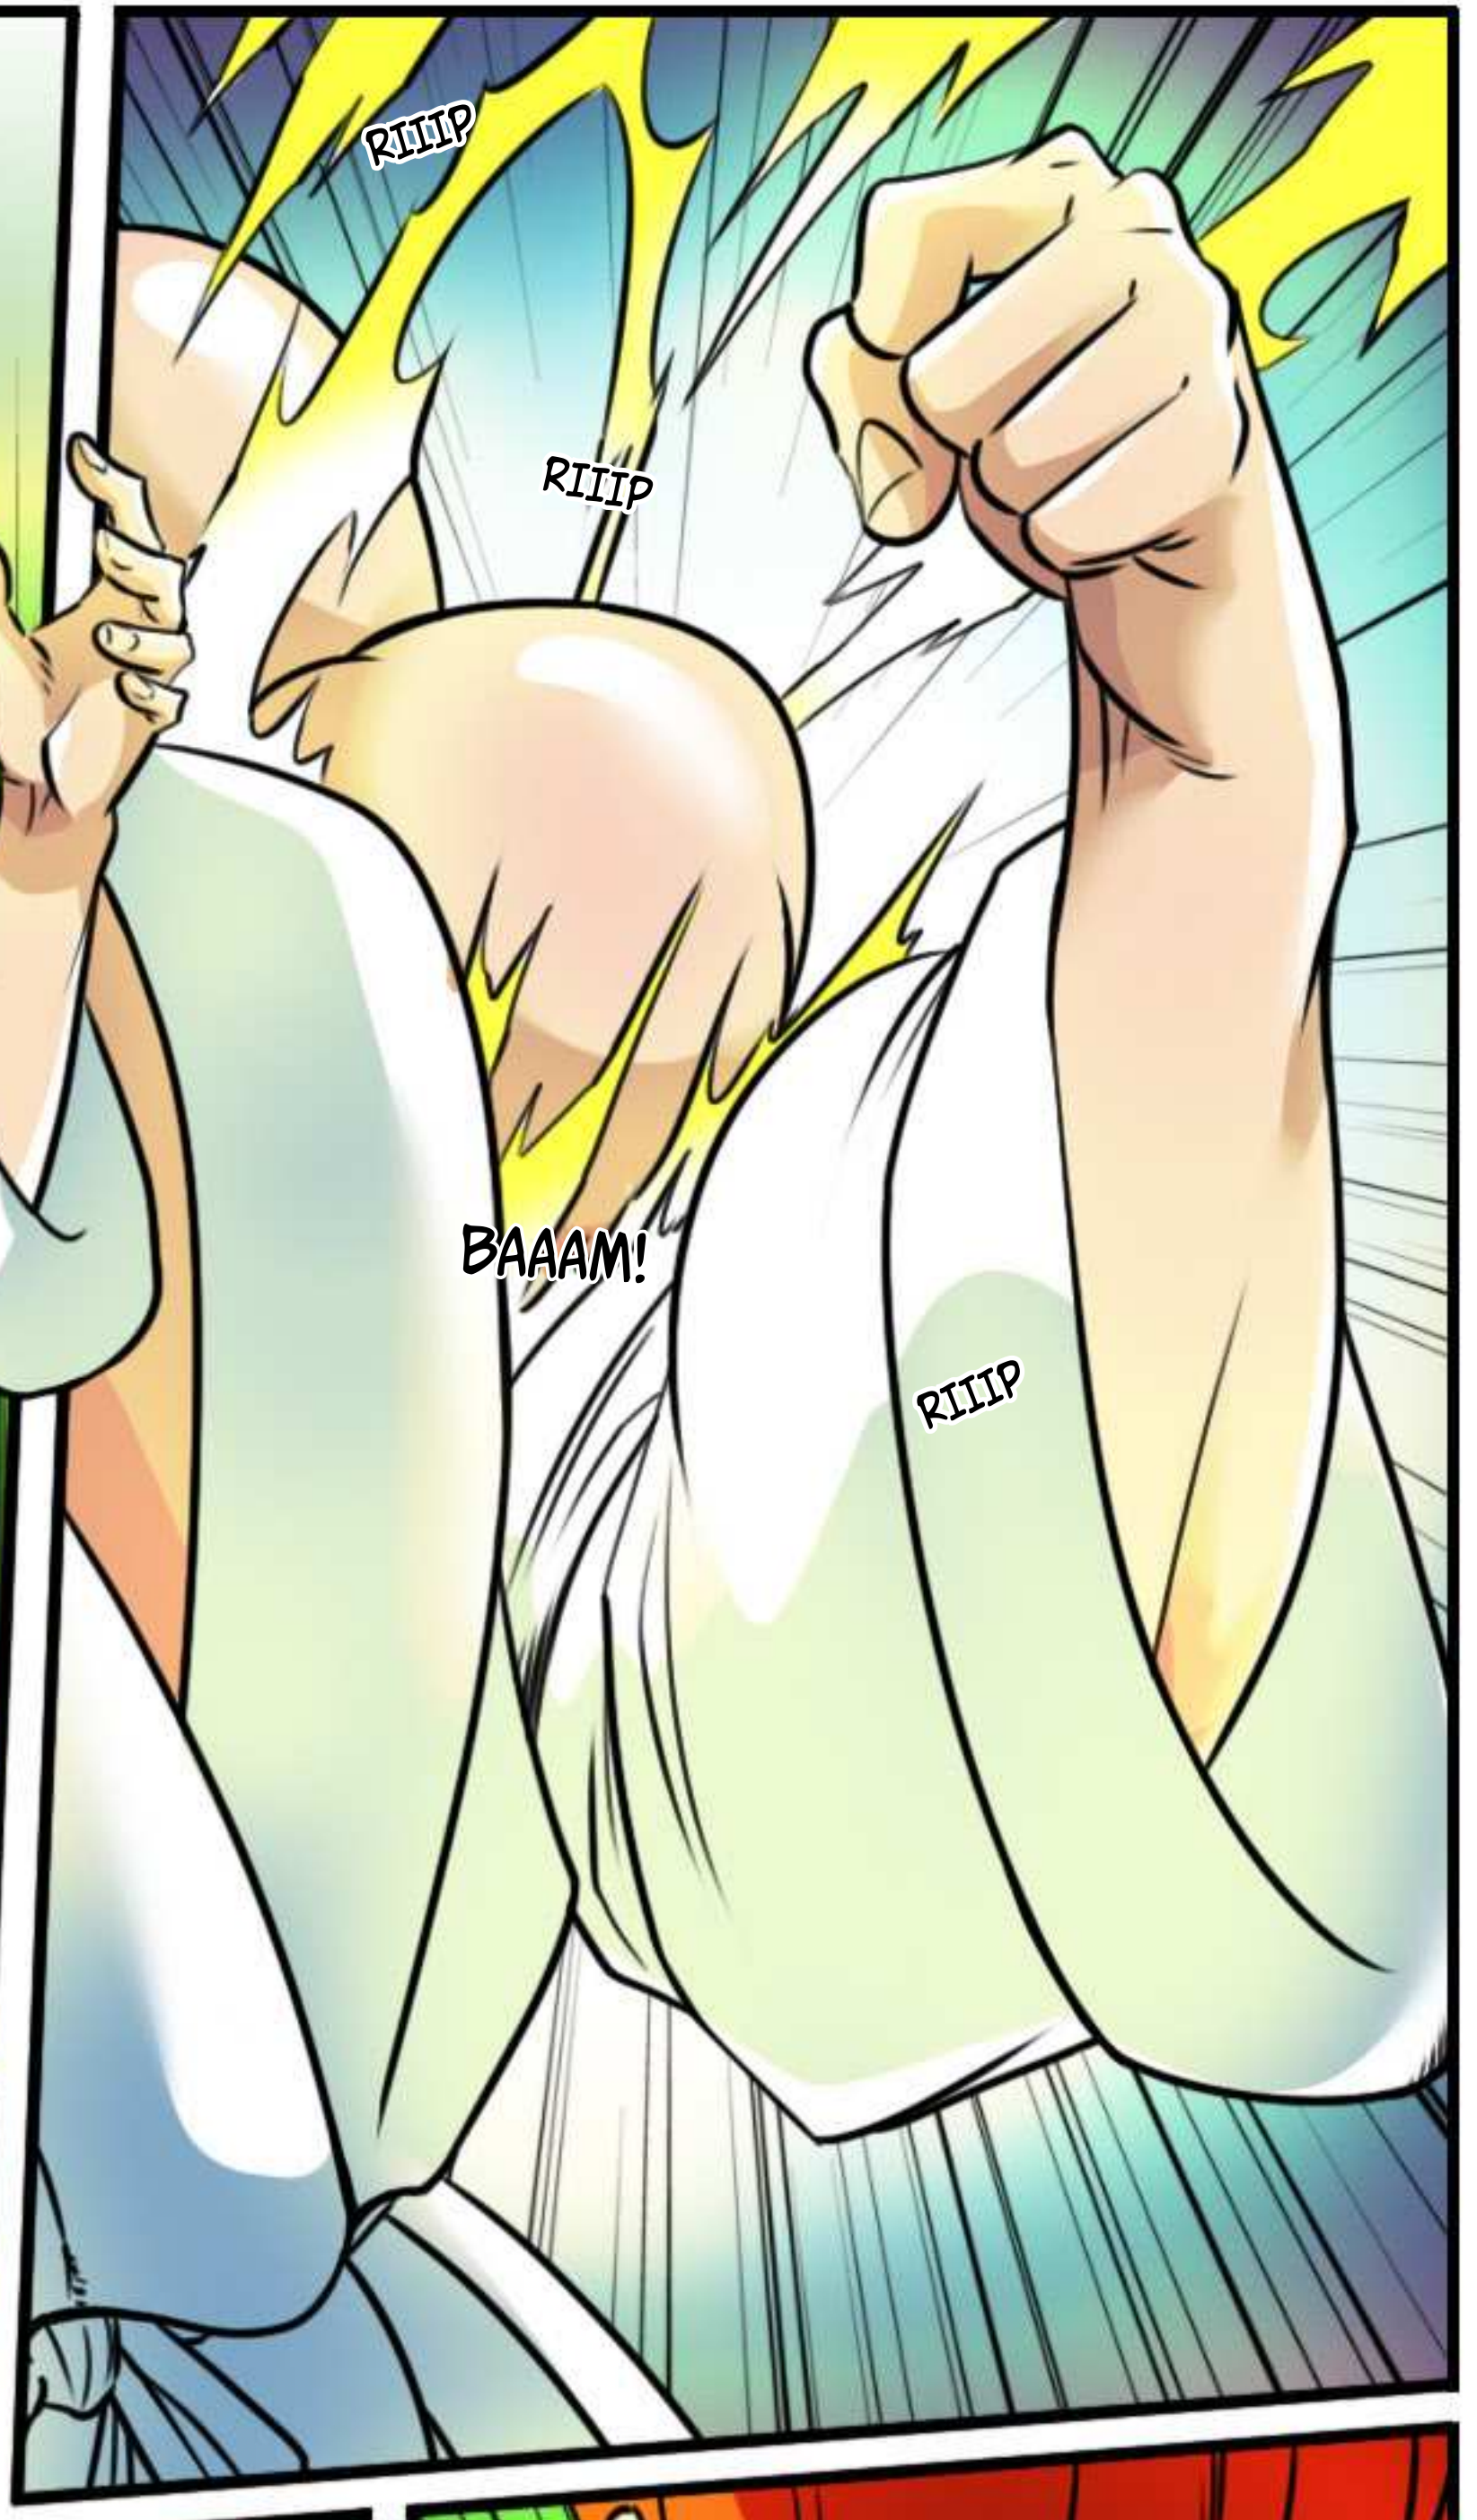

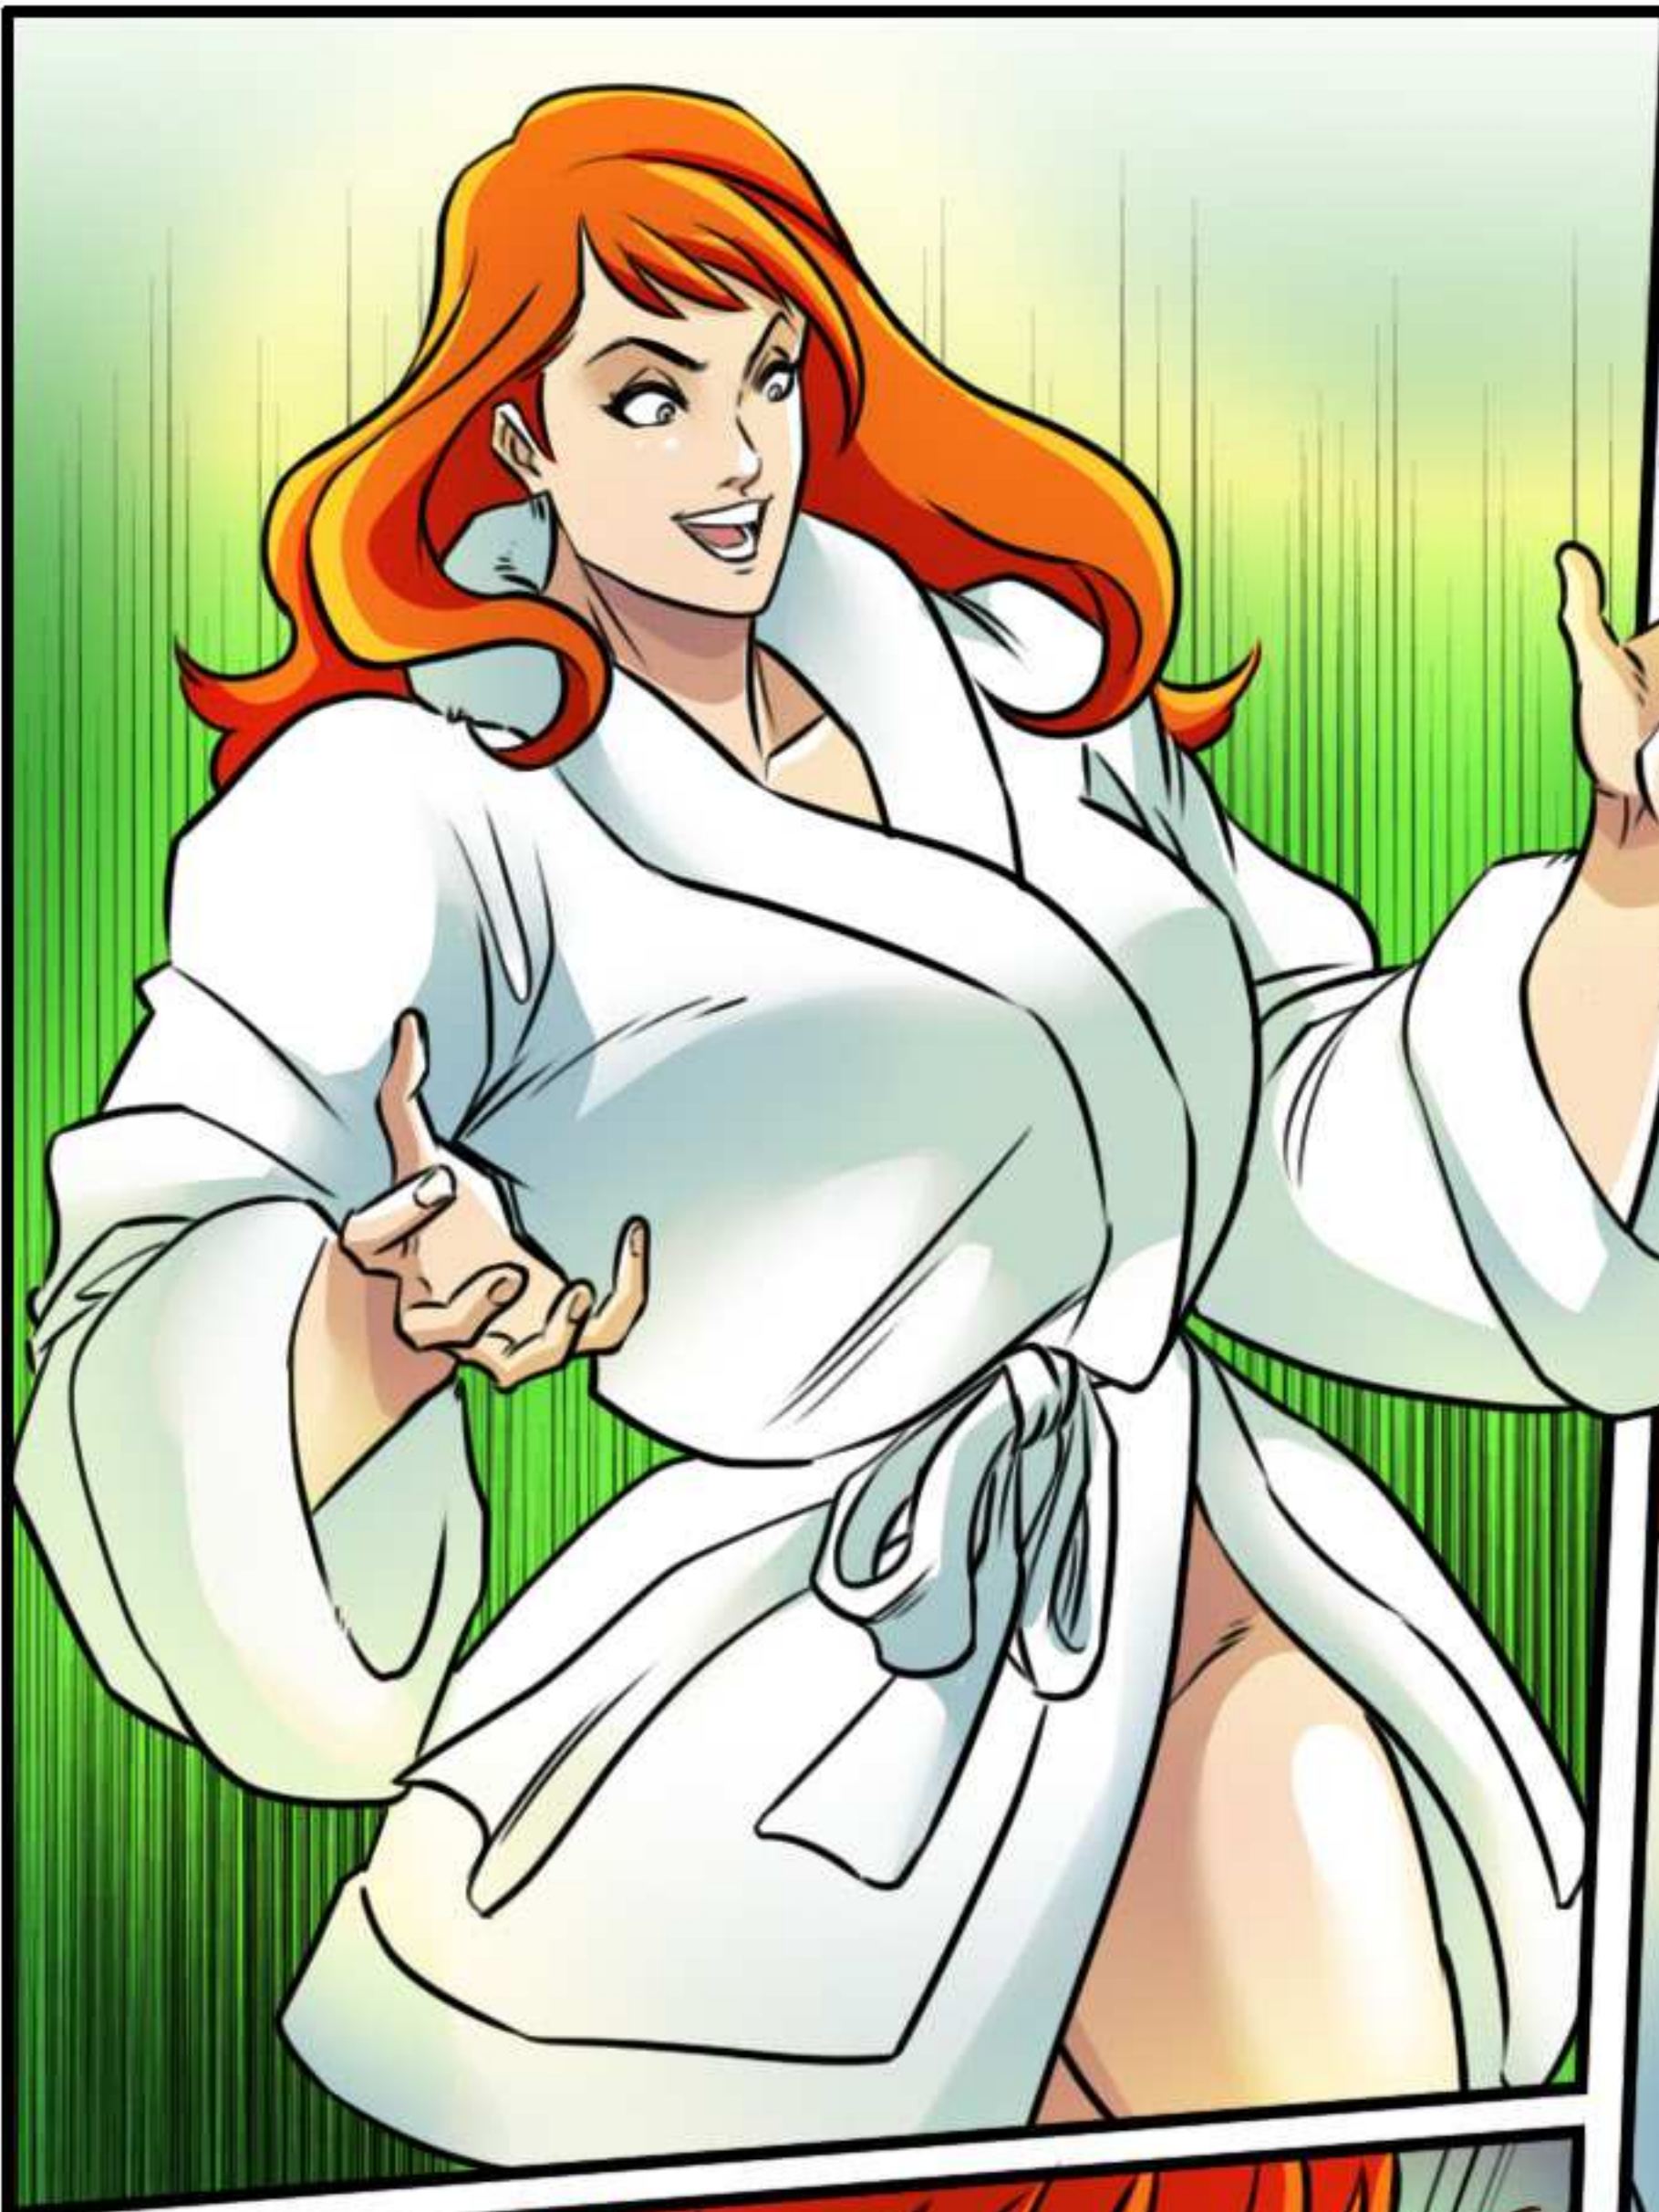

What's going on
here?!? How in the
world... ?!?

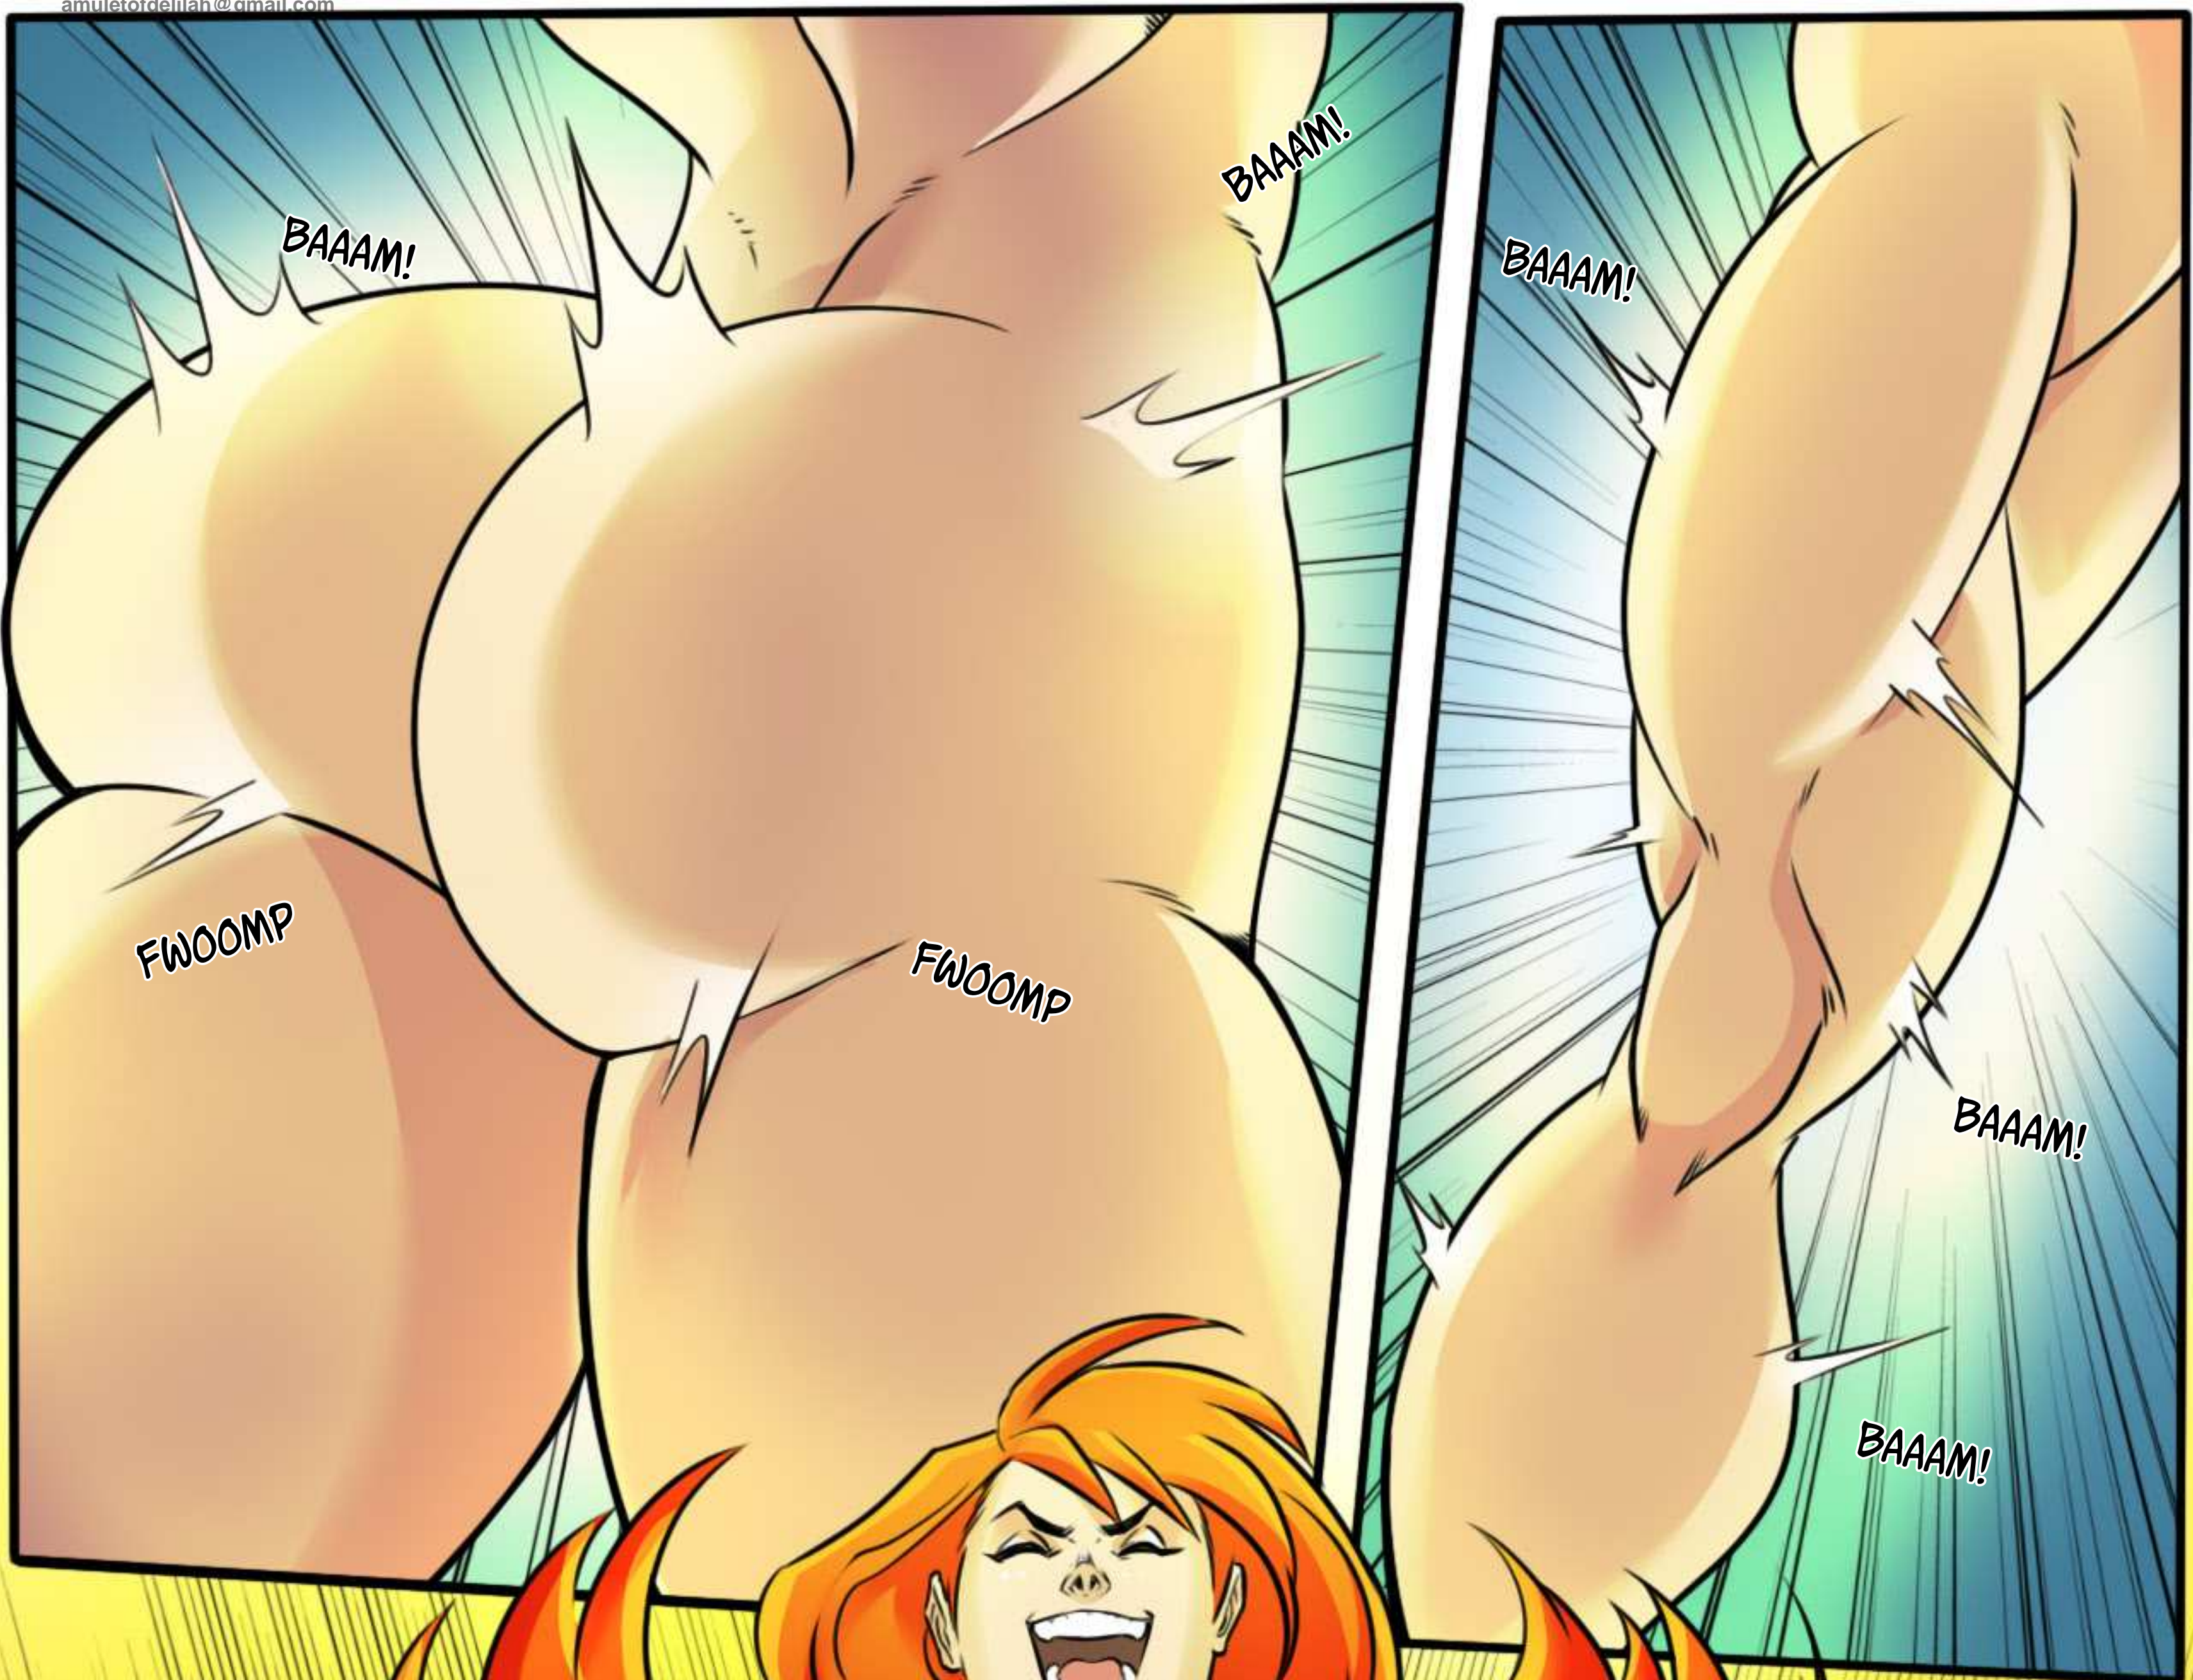

Domina! She's behind this!
She must have made
another super robot, only
this one looks like me.

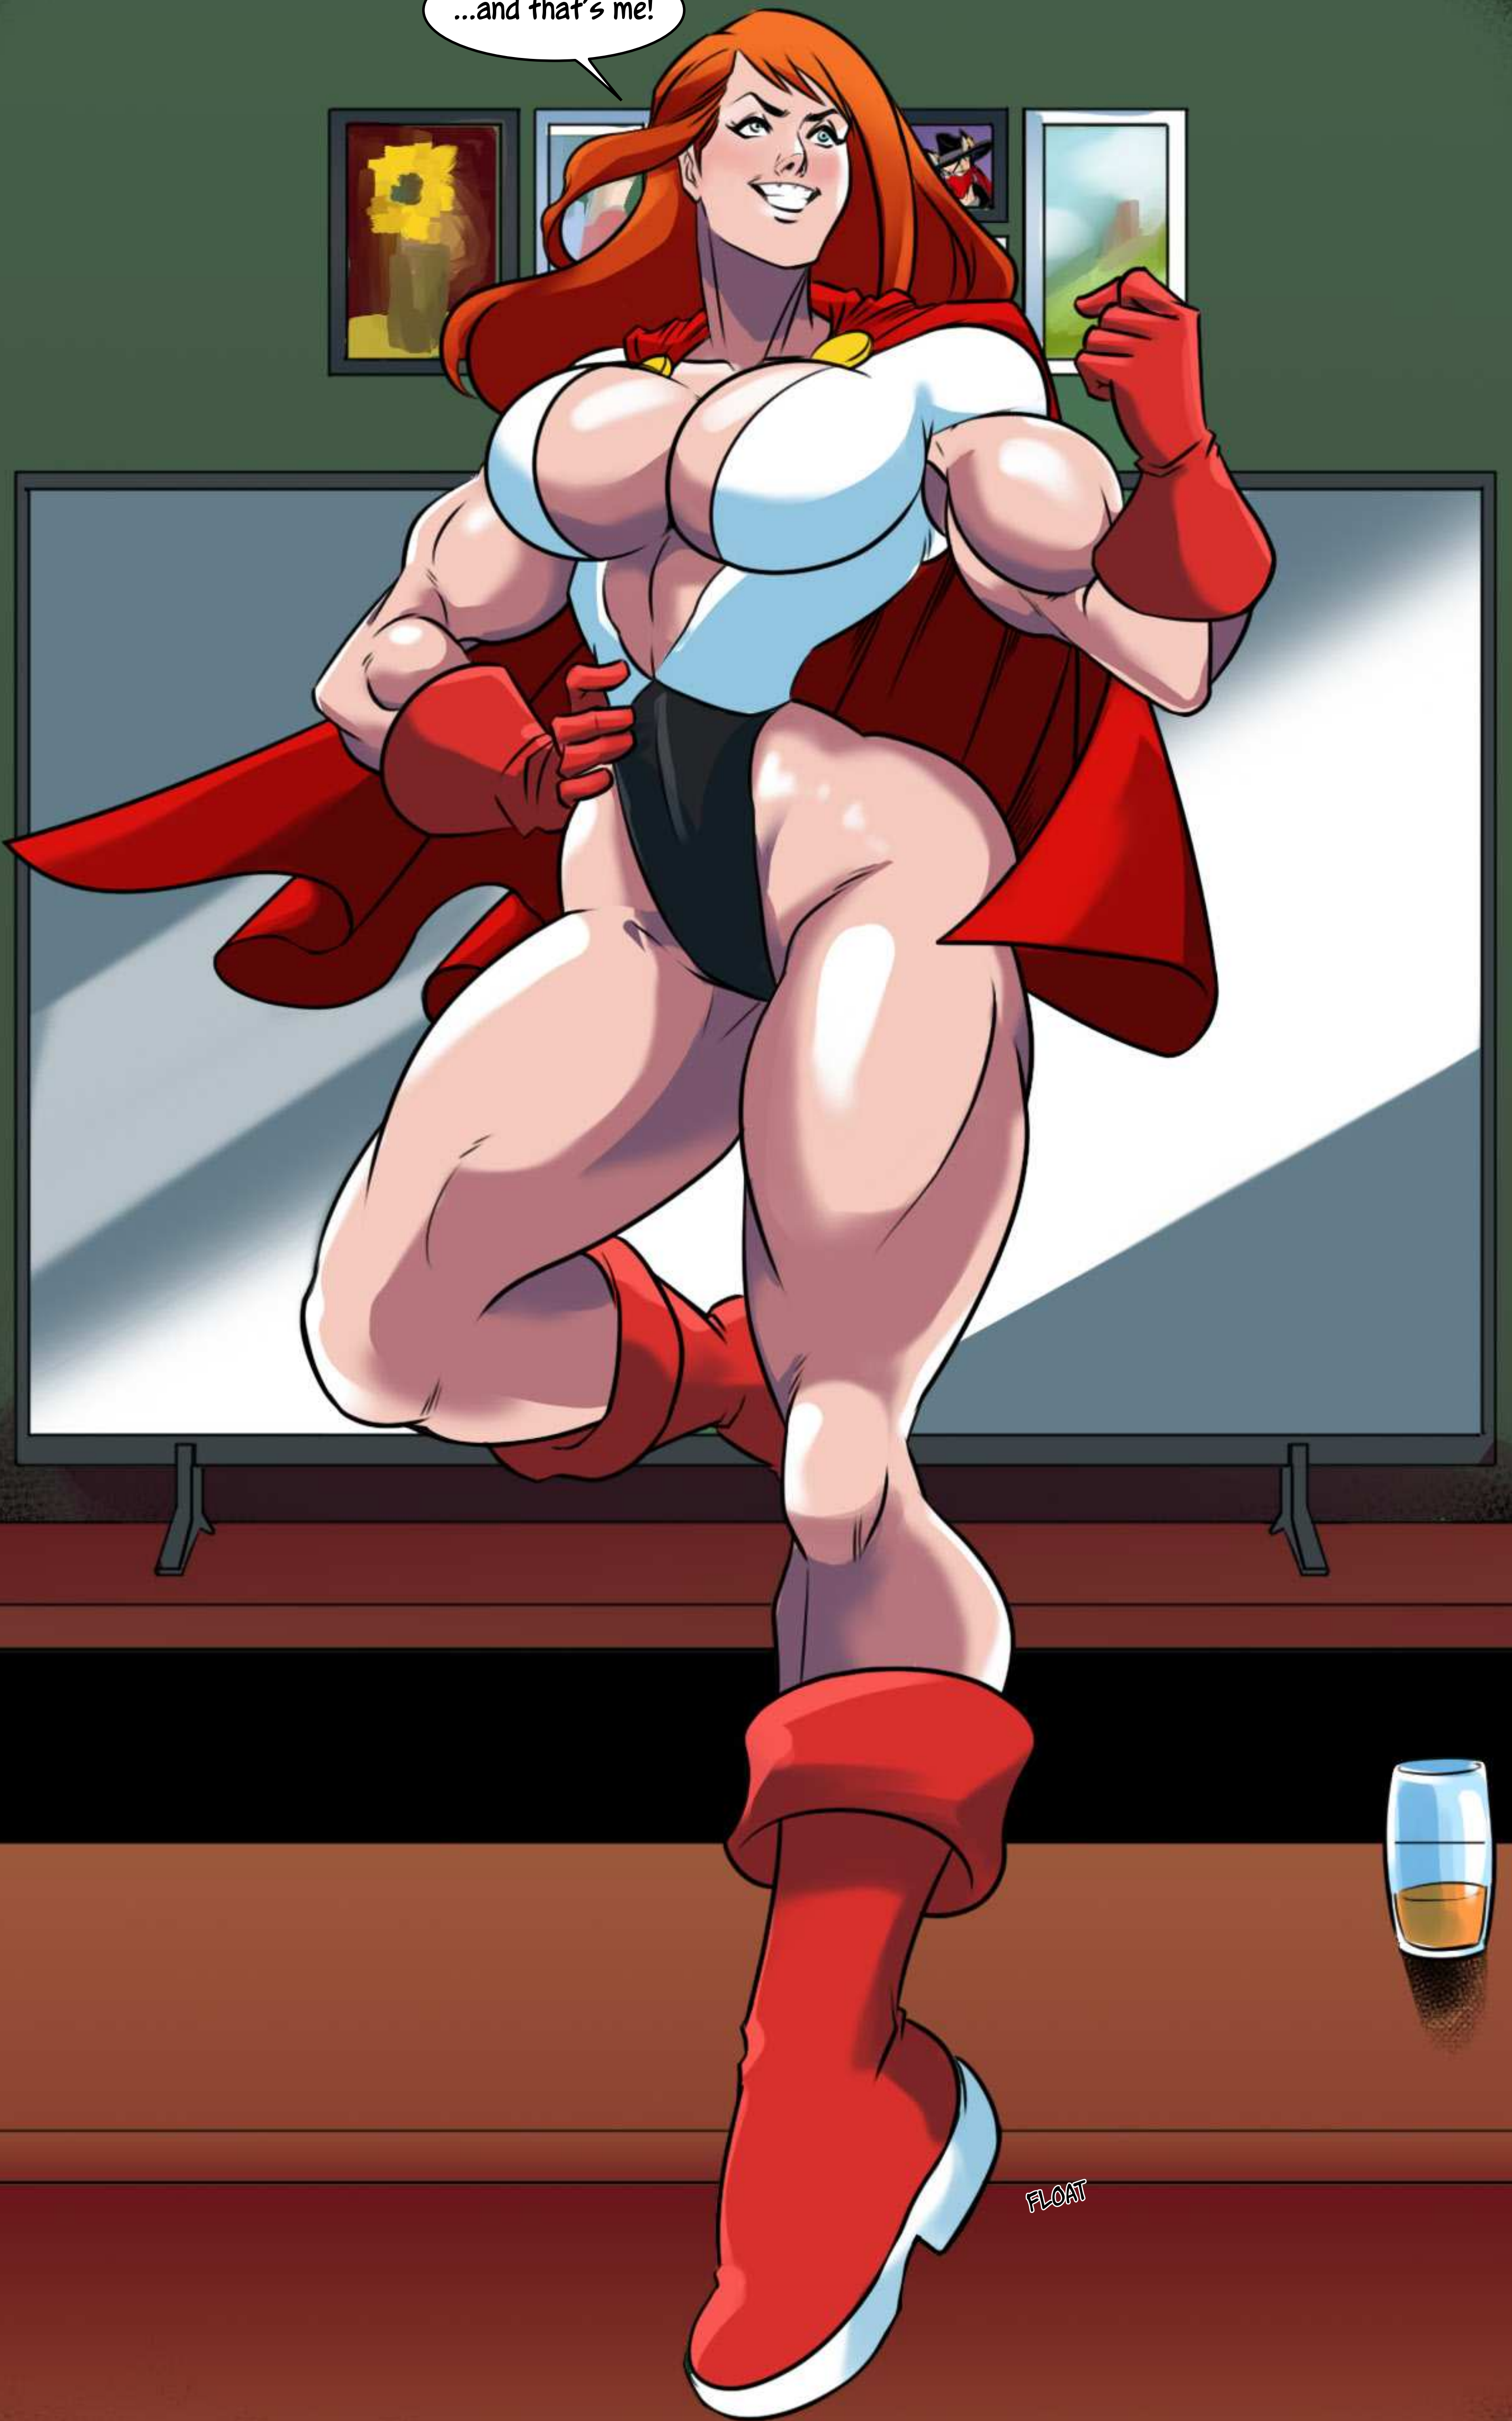

She's sunk to
a new low this time.
There's only one
Ultra-Gal...

...and that's me!

FLOAT

ZWOOOUMMM

ZOOOOOOOOOOOOOOOOOOOOOOO

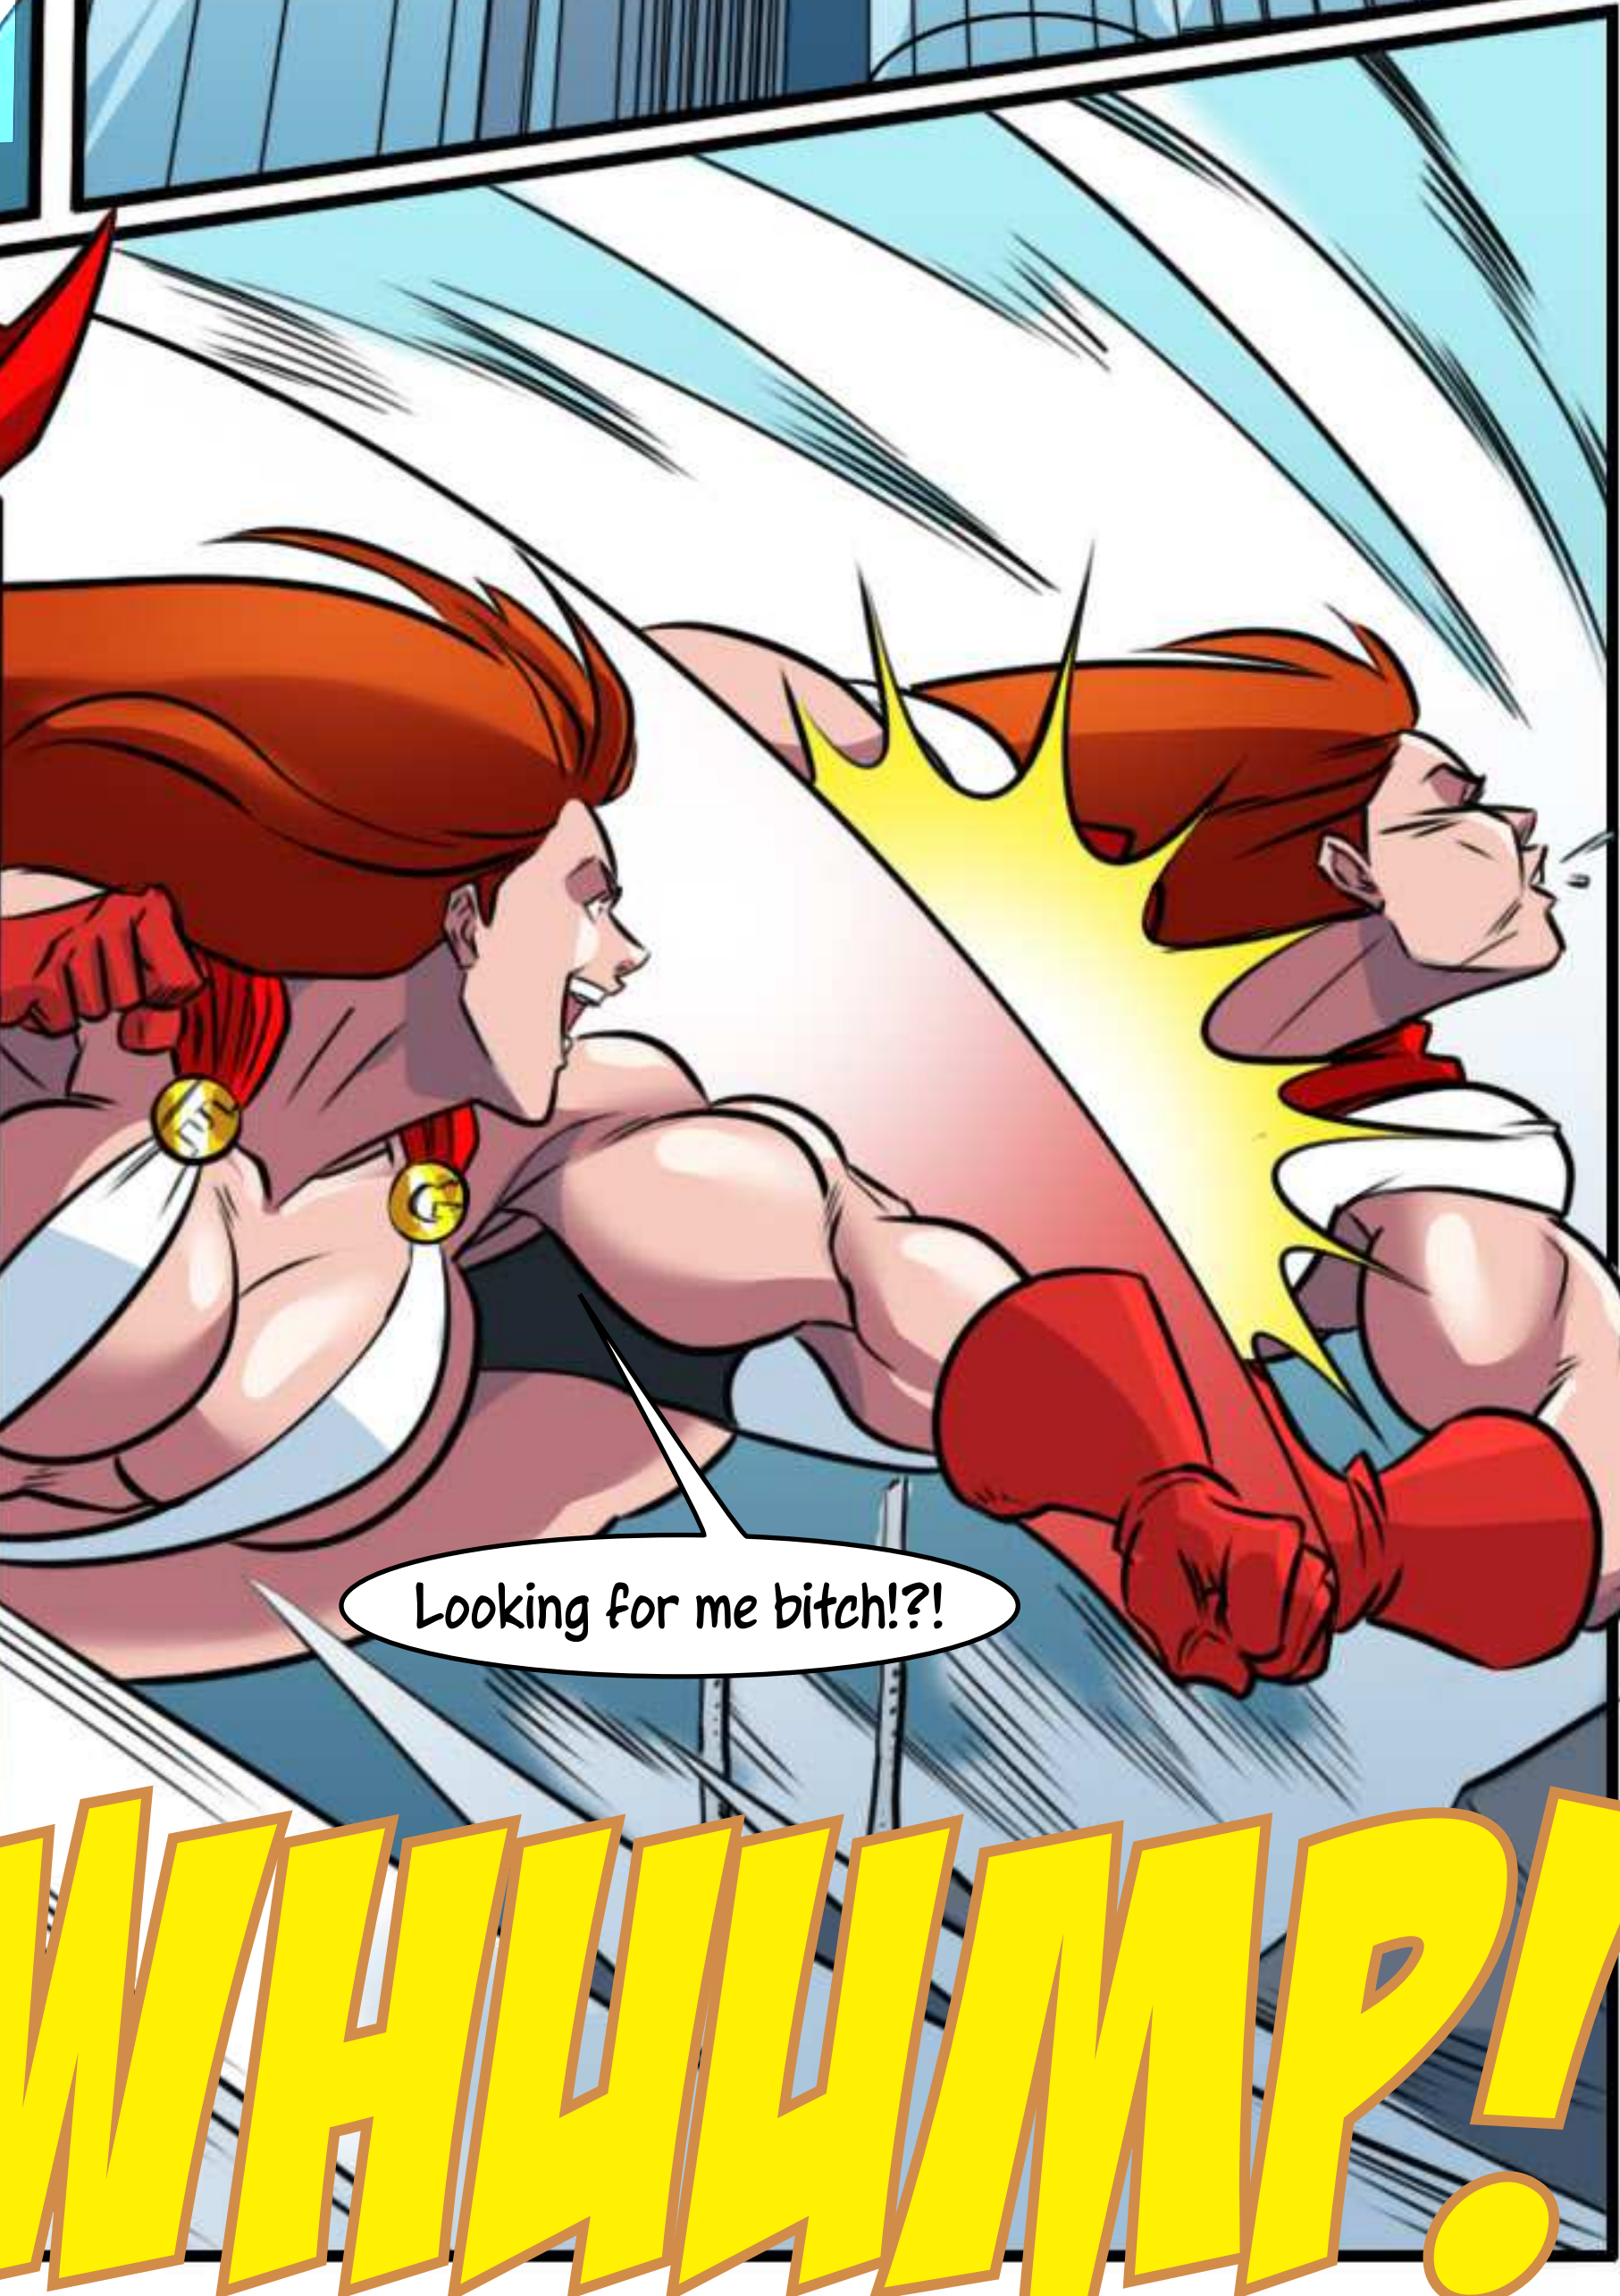

What a mess!
When I get my hands
on the thing that did
this...

FLAP

FLAP

HOVER

Looking for me bitch!?!

WHWUMP!

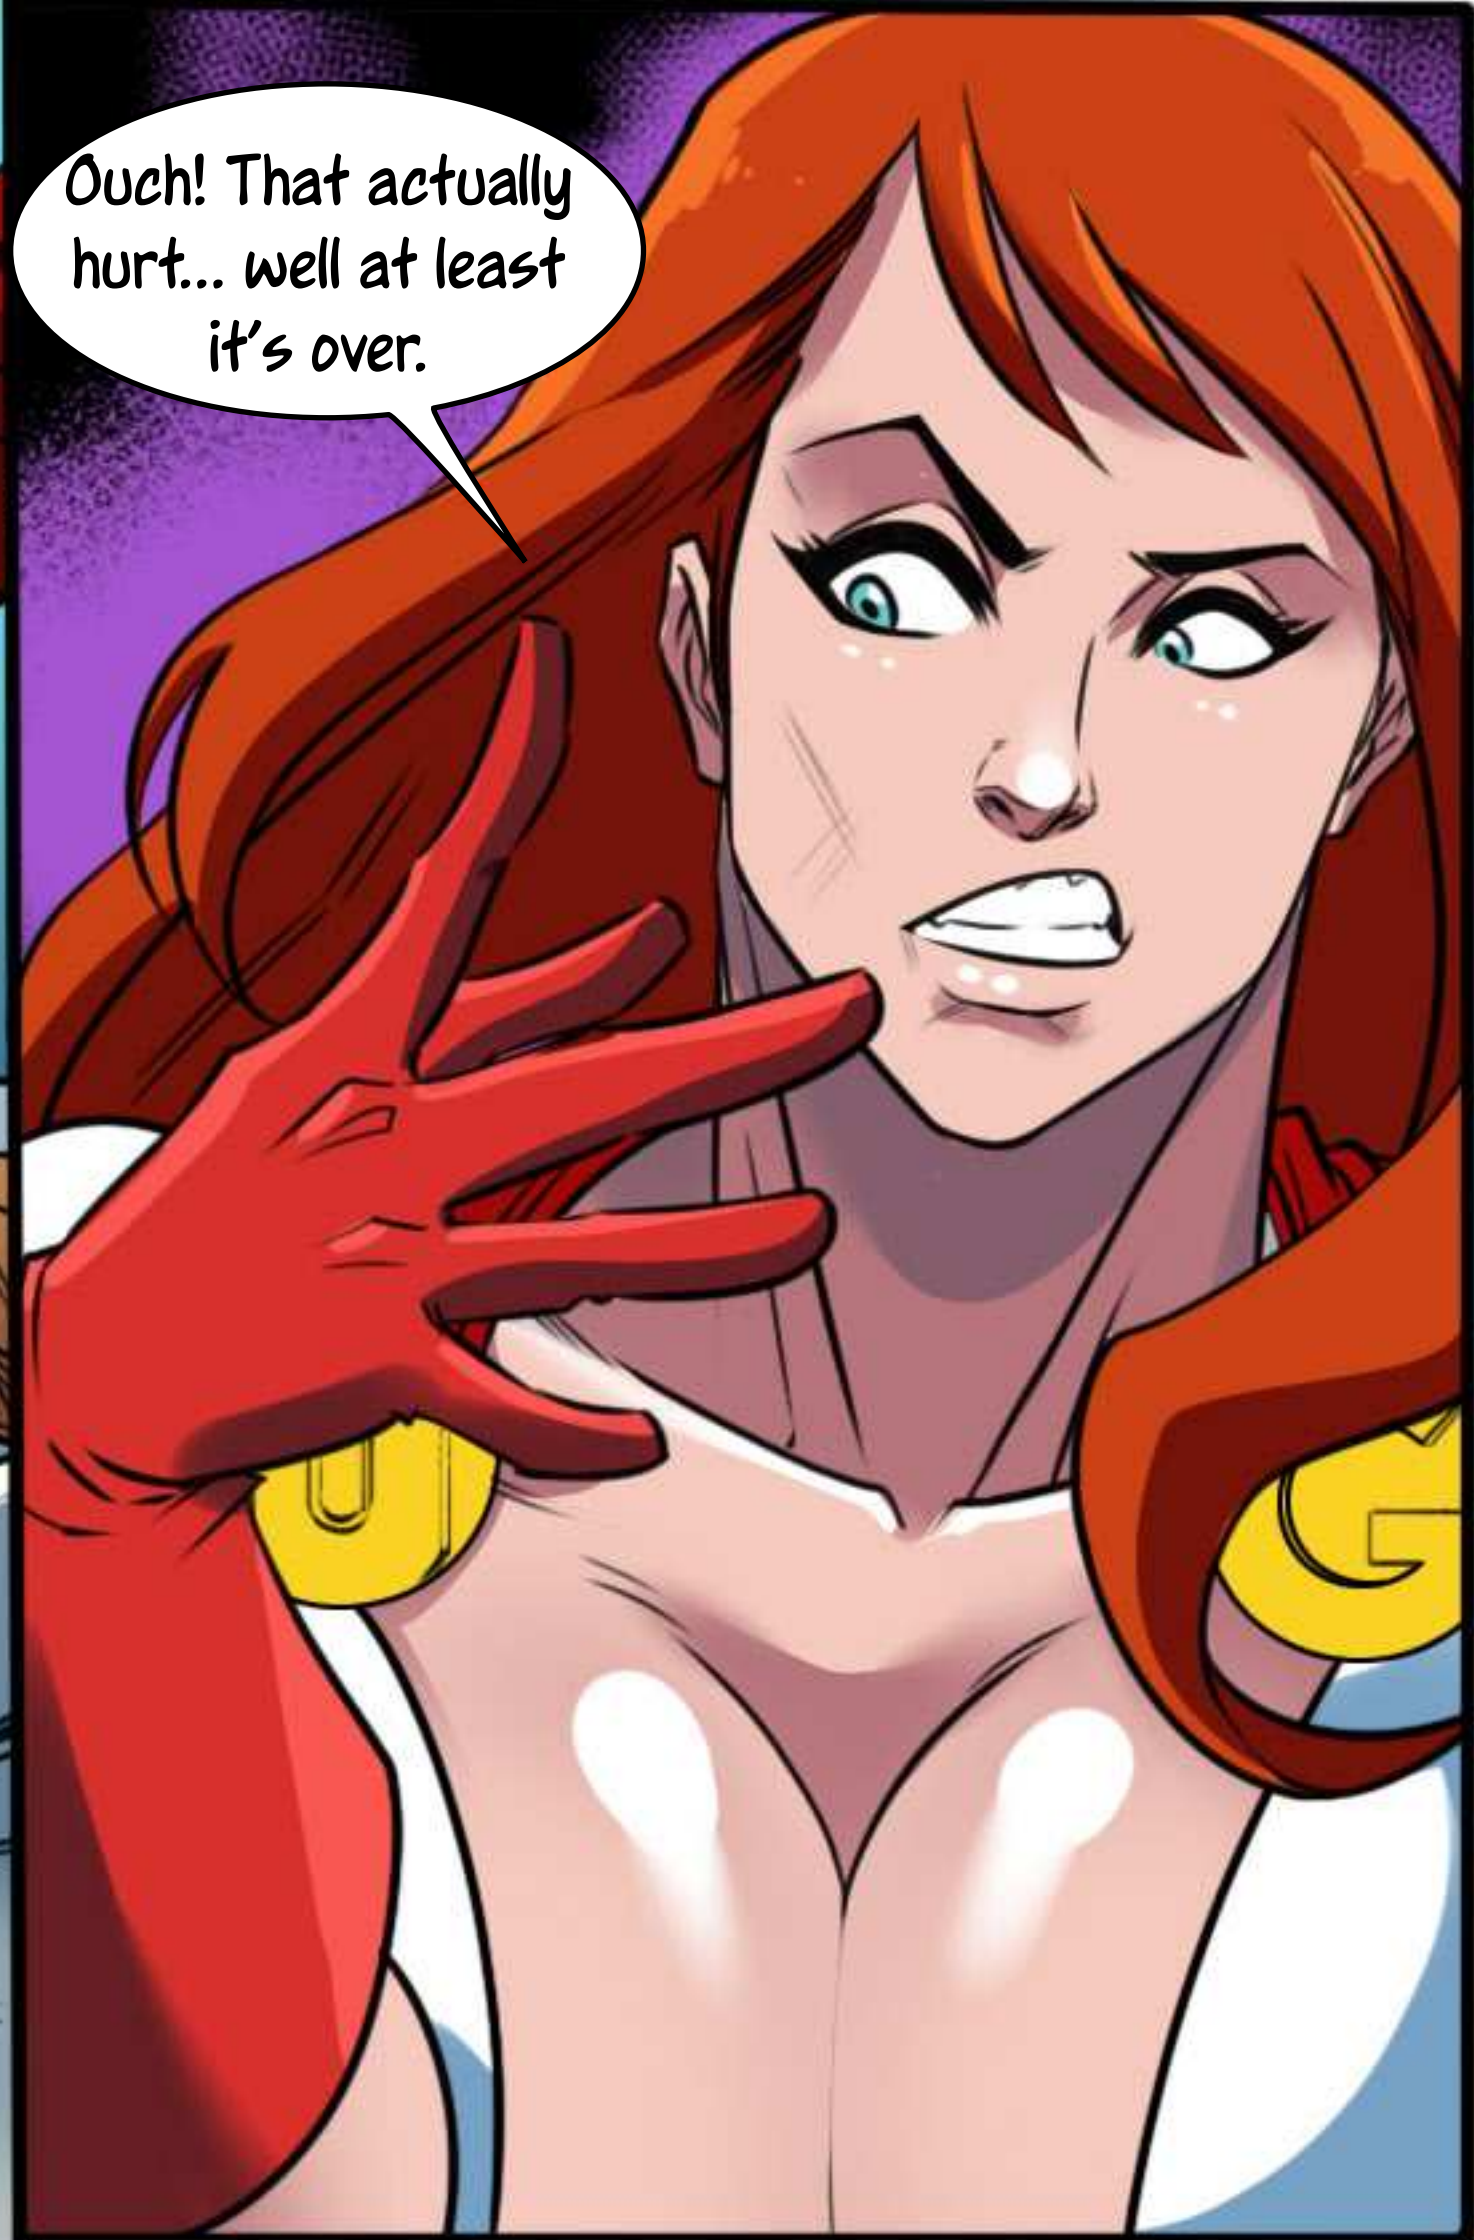

KRAAGOOOOOOOOSSH!

That does it!
I'm going to rip you
apart!

Ohhhhh,
I'm scared!
Hahahaha!

Laugh at
this!

Ouch! That actually
hurt... well at least
it's over.

KATHOOM!

Not even!

UGH!

THWACK!

I'm better!

CHK!

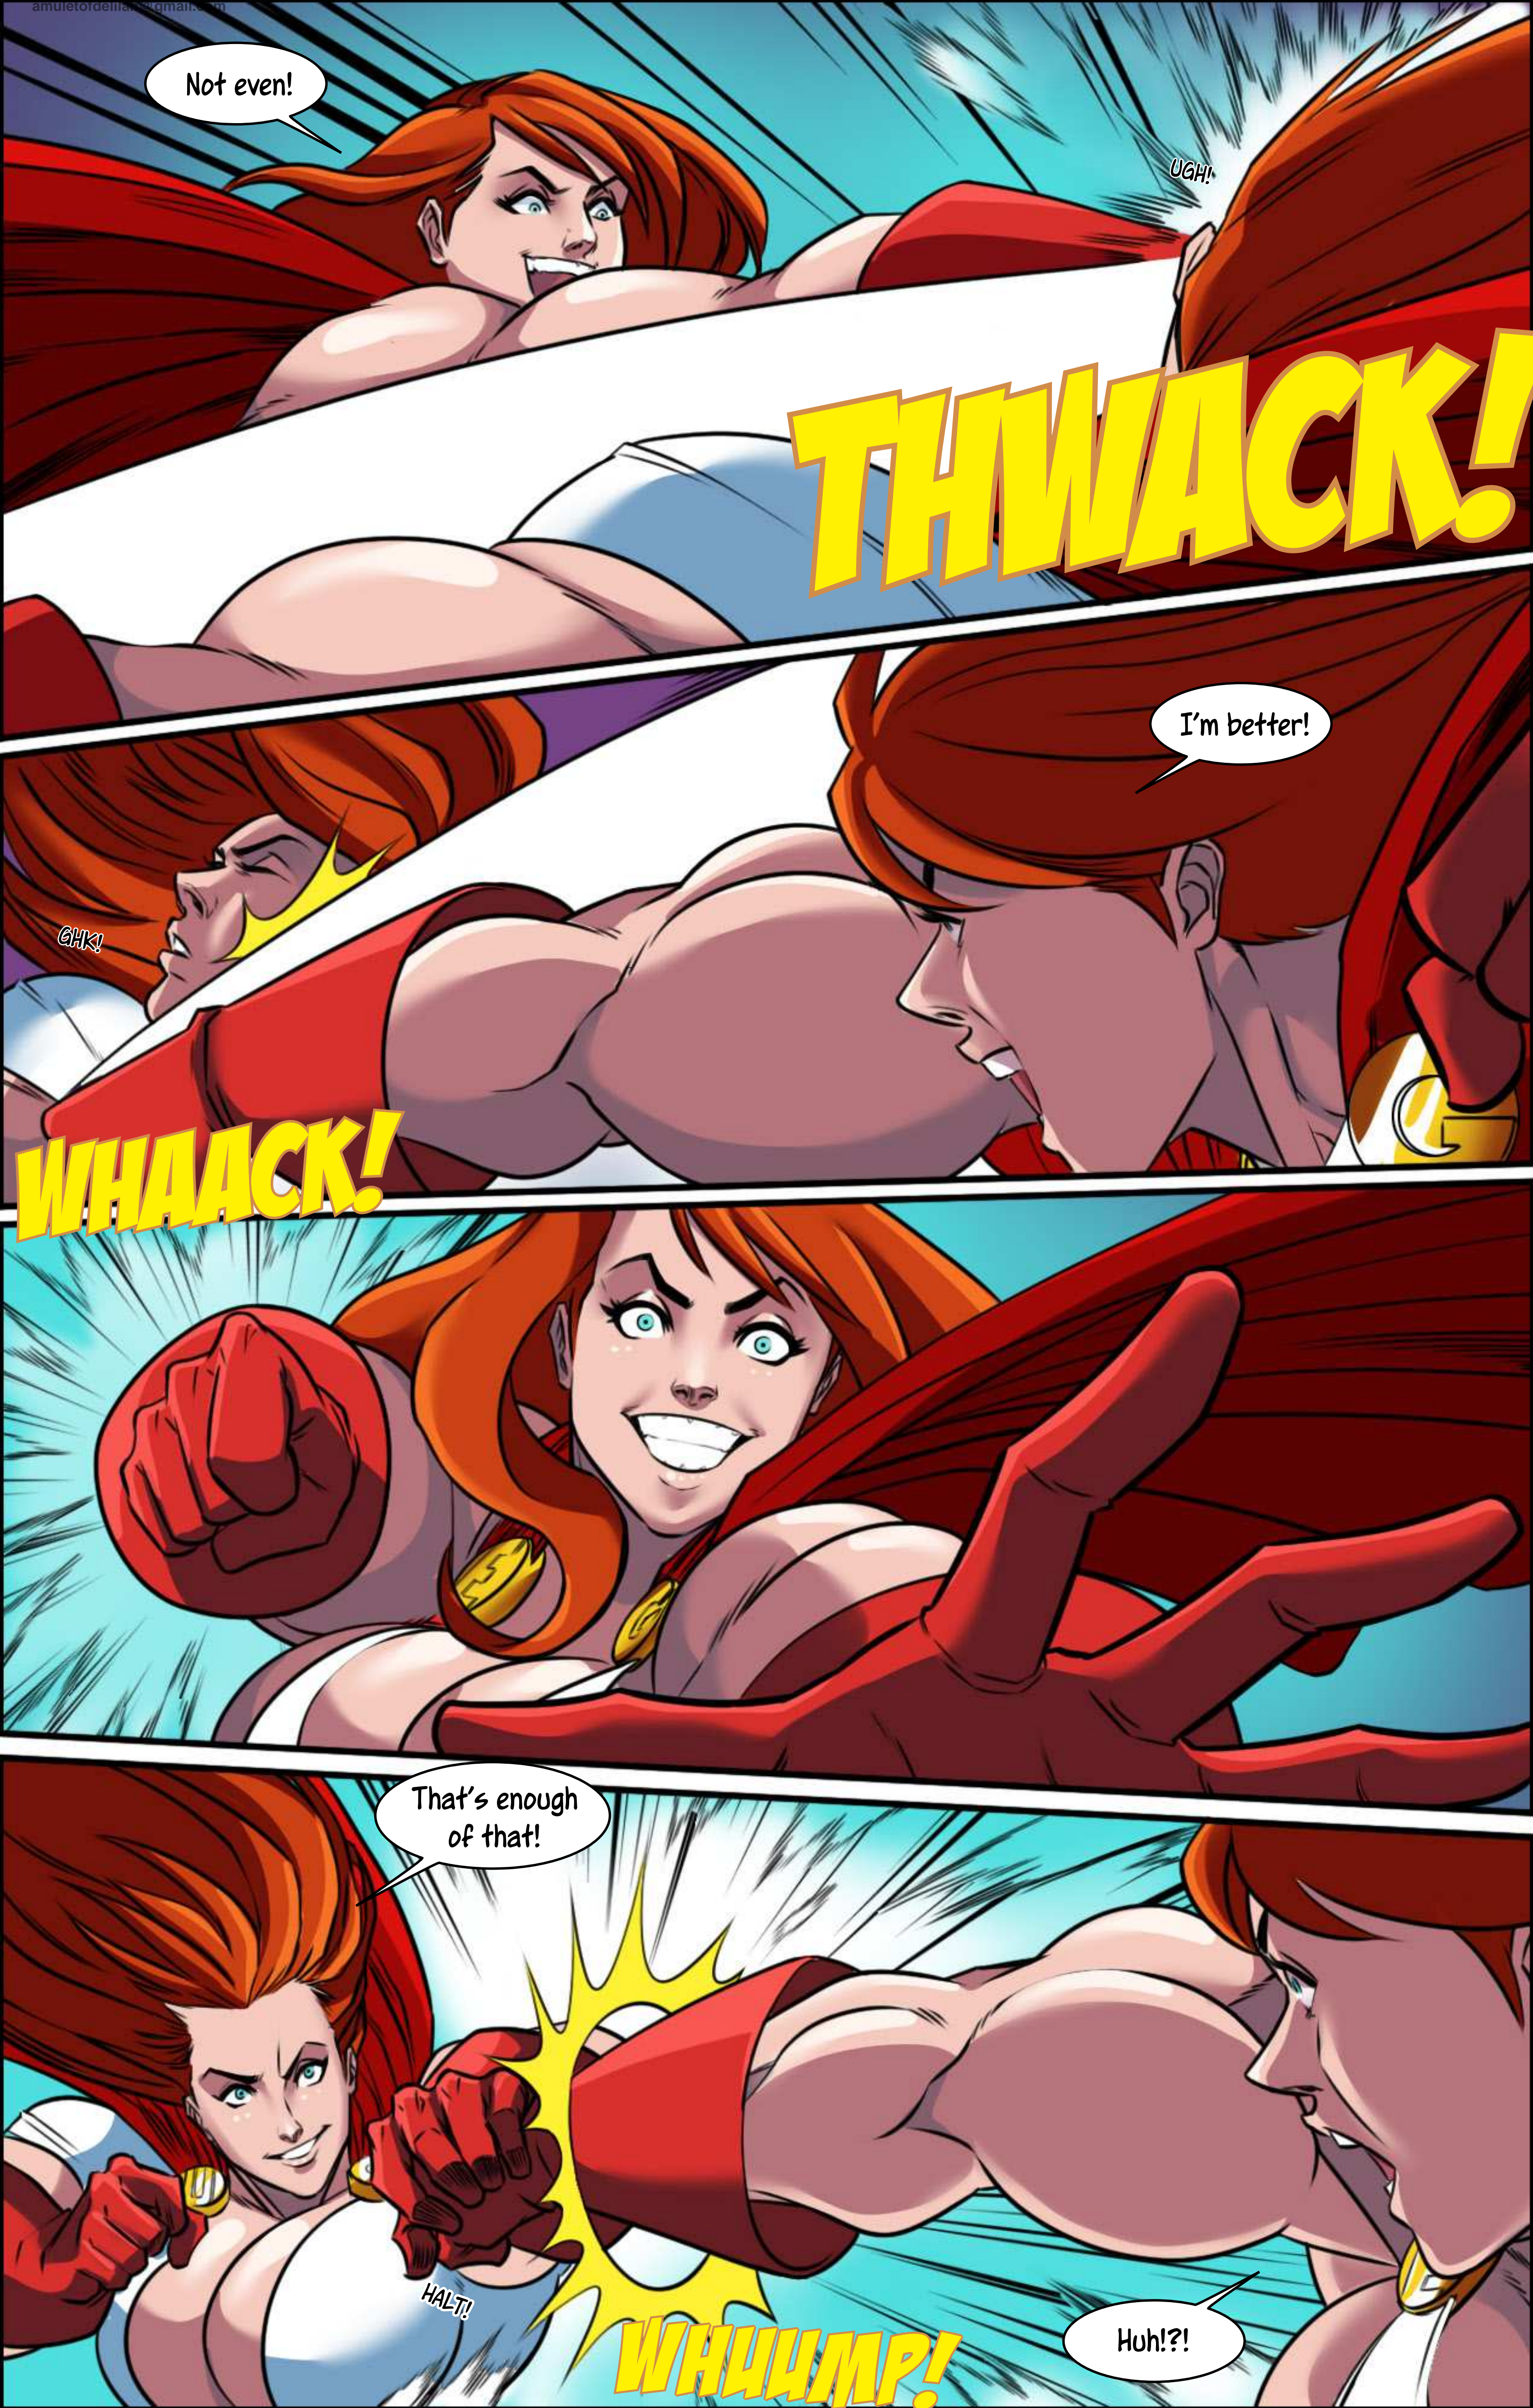

WHACK!

That's enough of that!

HALT!

WHUMP!

Huh!?!

ВНААААМ!

ВНААААМ!

I'm not sure
what's going on here...
But I'm stopping it
right now!

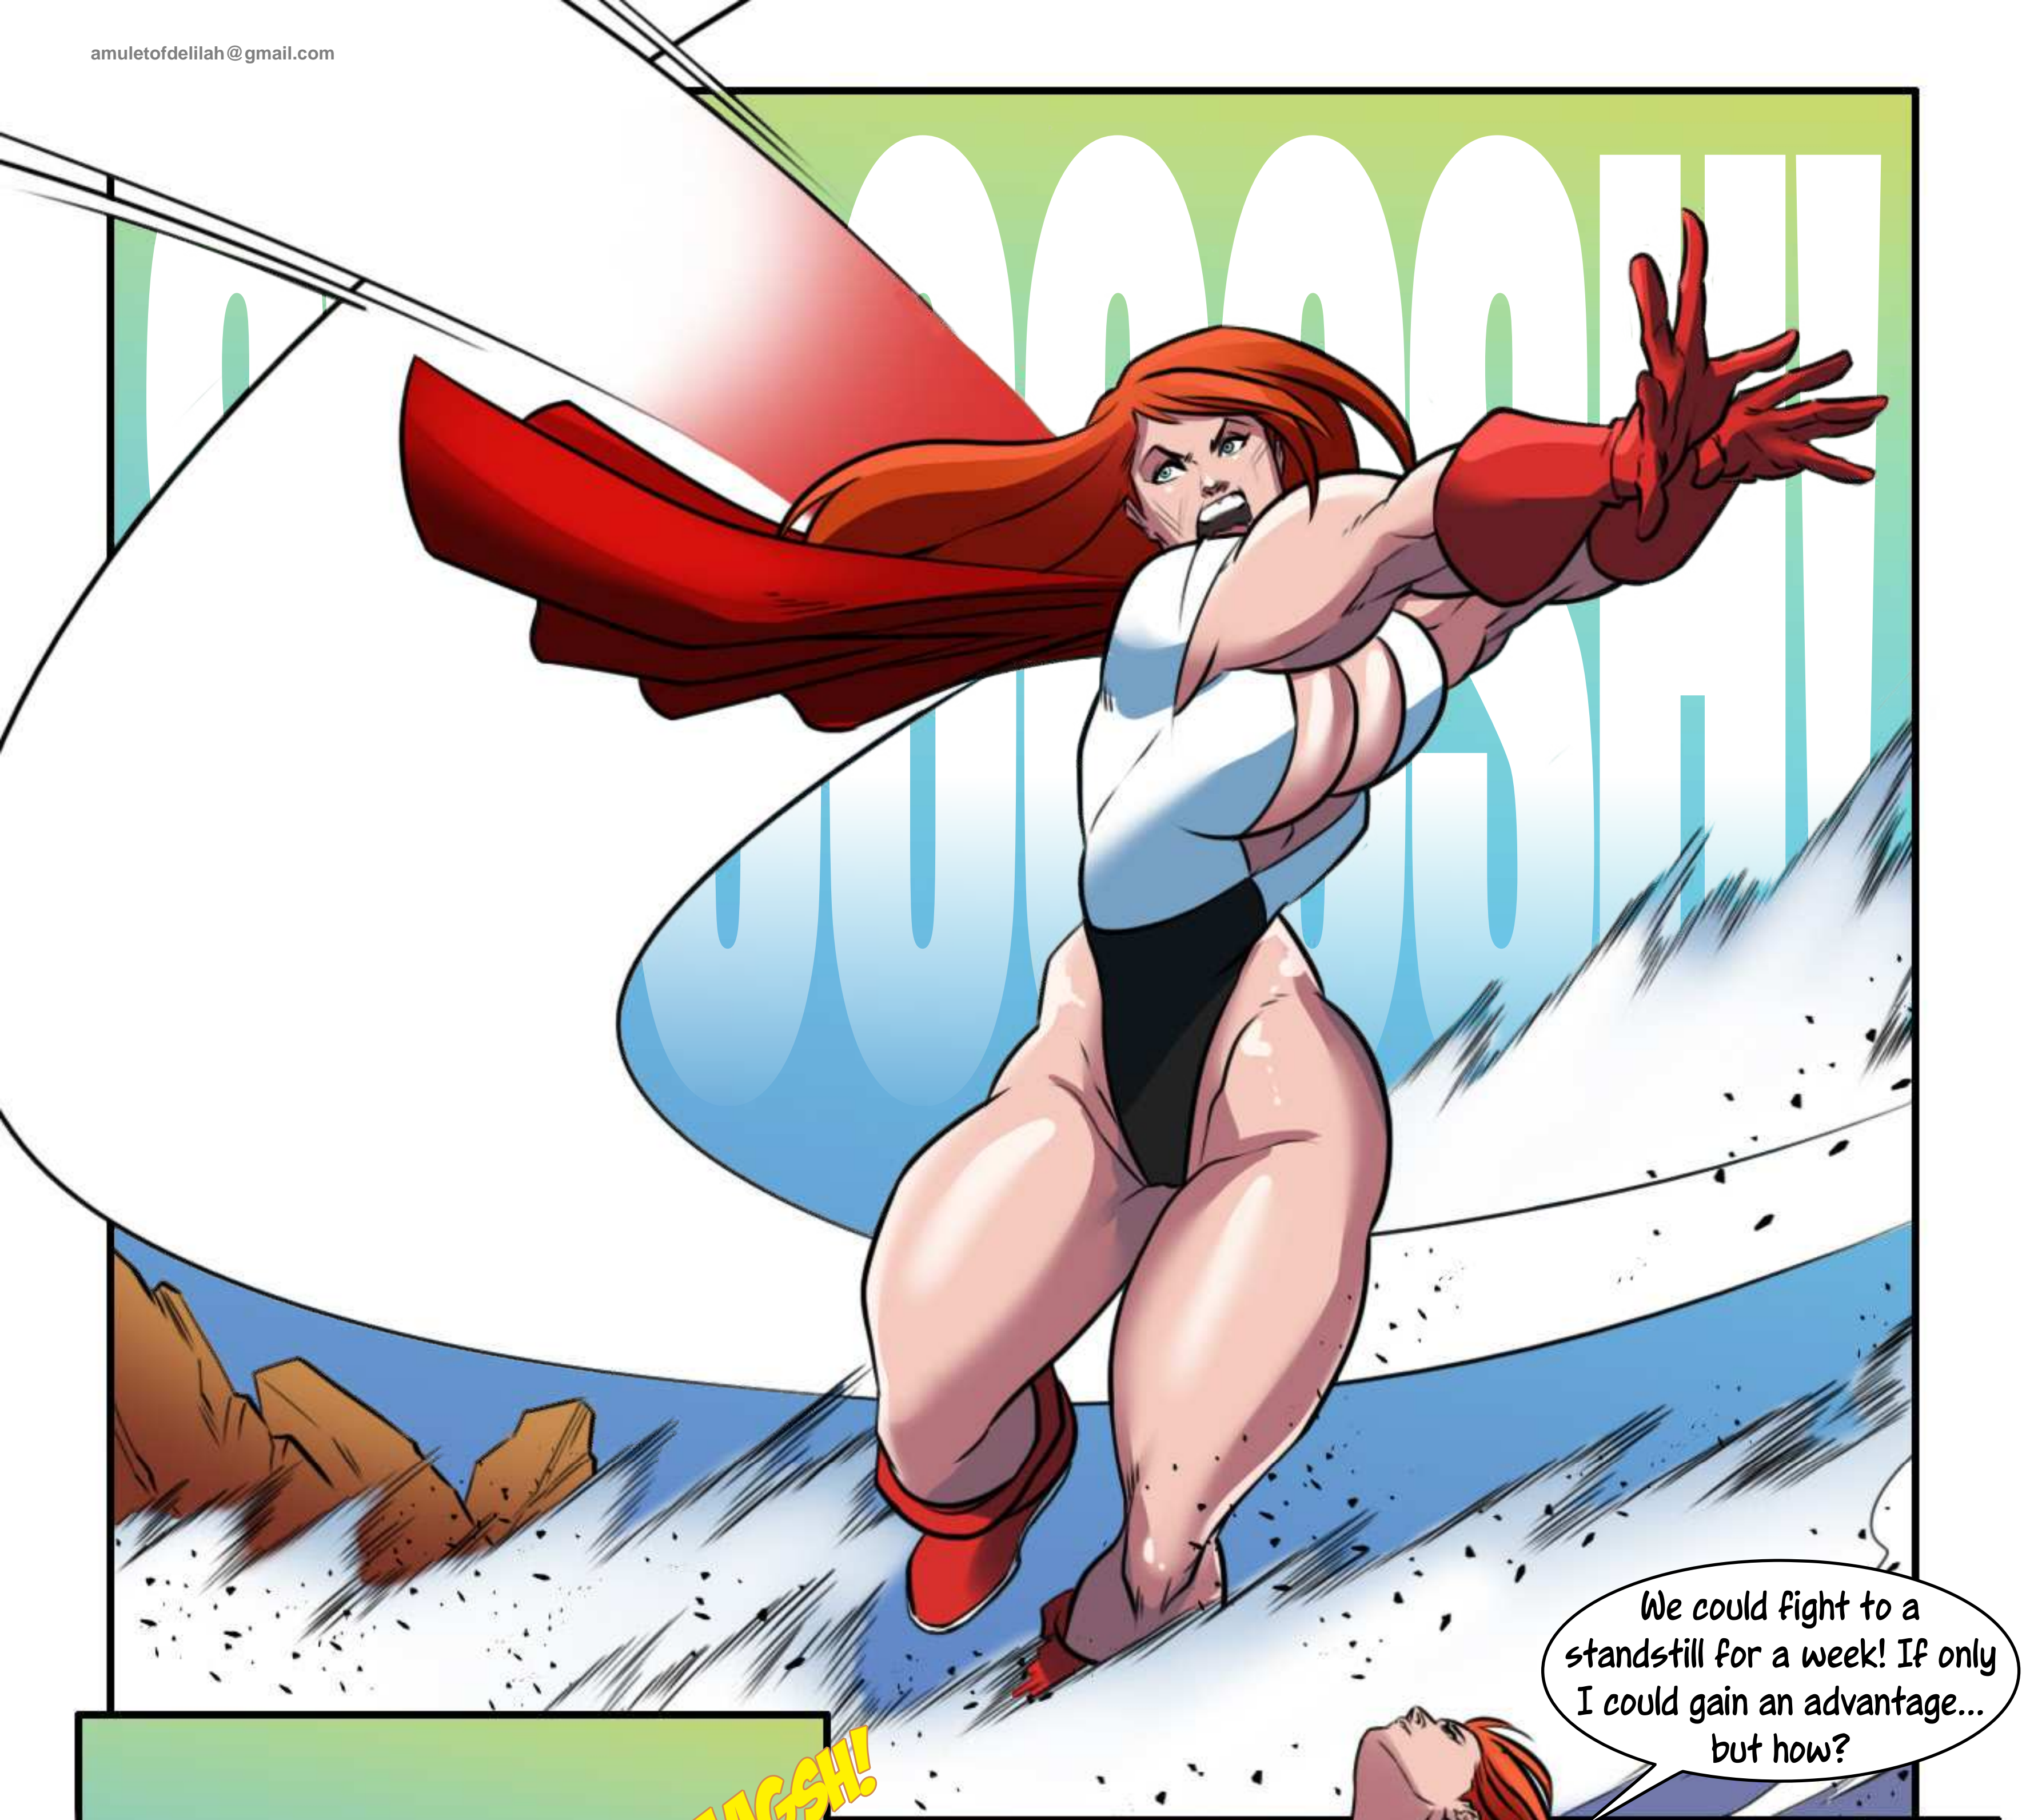

КА-ТНОООМ!

KRIIIGGSH!

WHOOOM

WHWUMP!

We could fight to a standstill for a week! If only I could gain an advantage... but how?

It's no use, she has every power I have... including my super healing.

Wait... I know!
It's risky, but I don't have
much choice.

Is she running
away!?!

What a fucking
coward!

To be continued...
