I have to hurry!

ZWUOOOOOMMM!

THERE!

No time for
the combination.

KACRUUNKK!

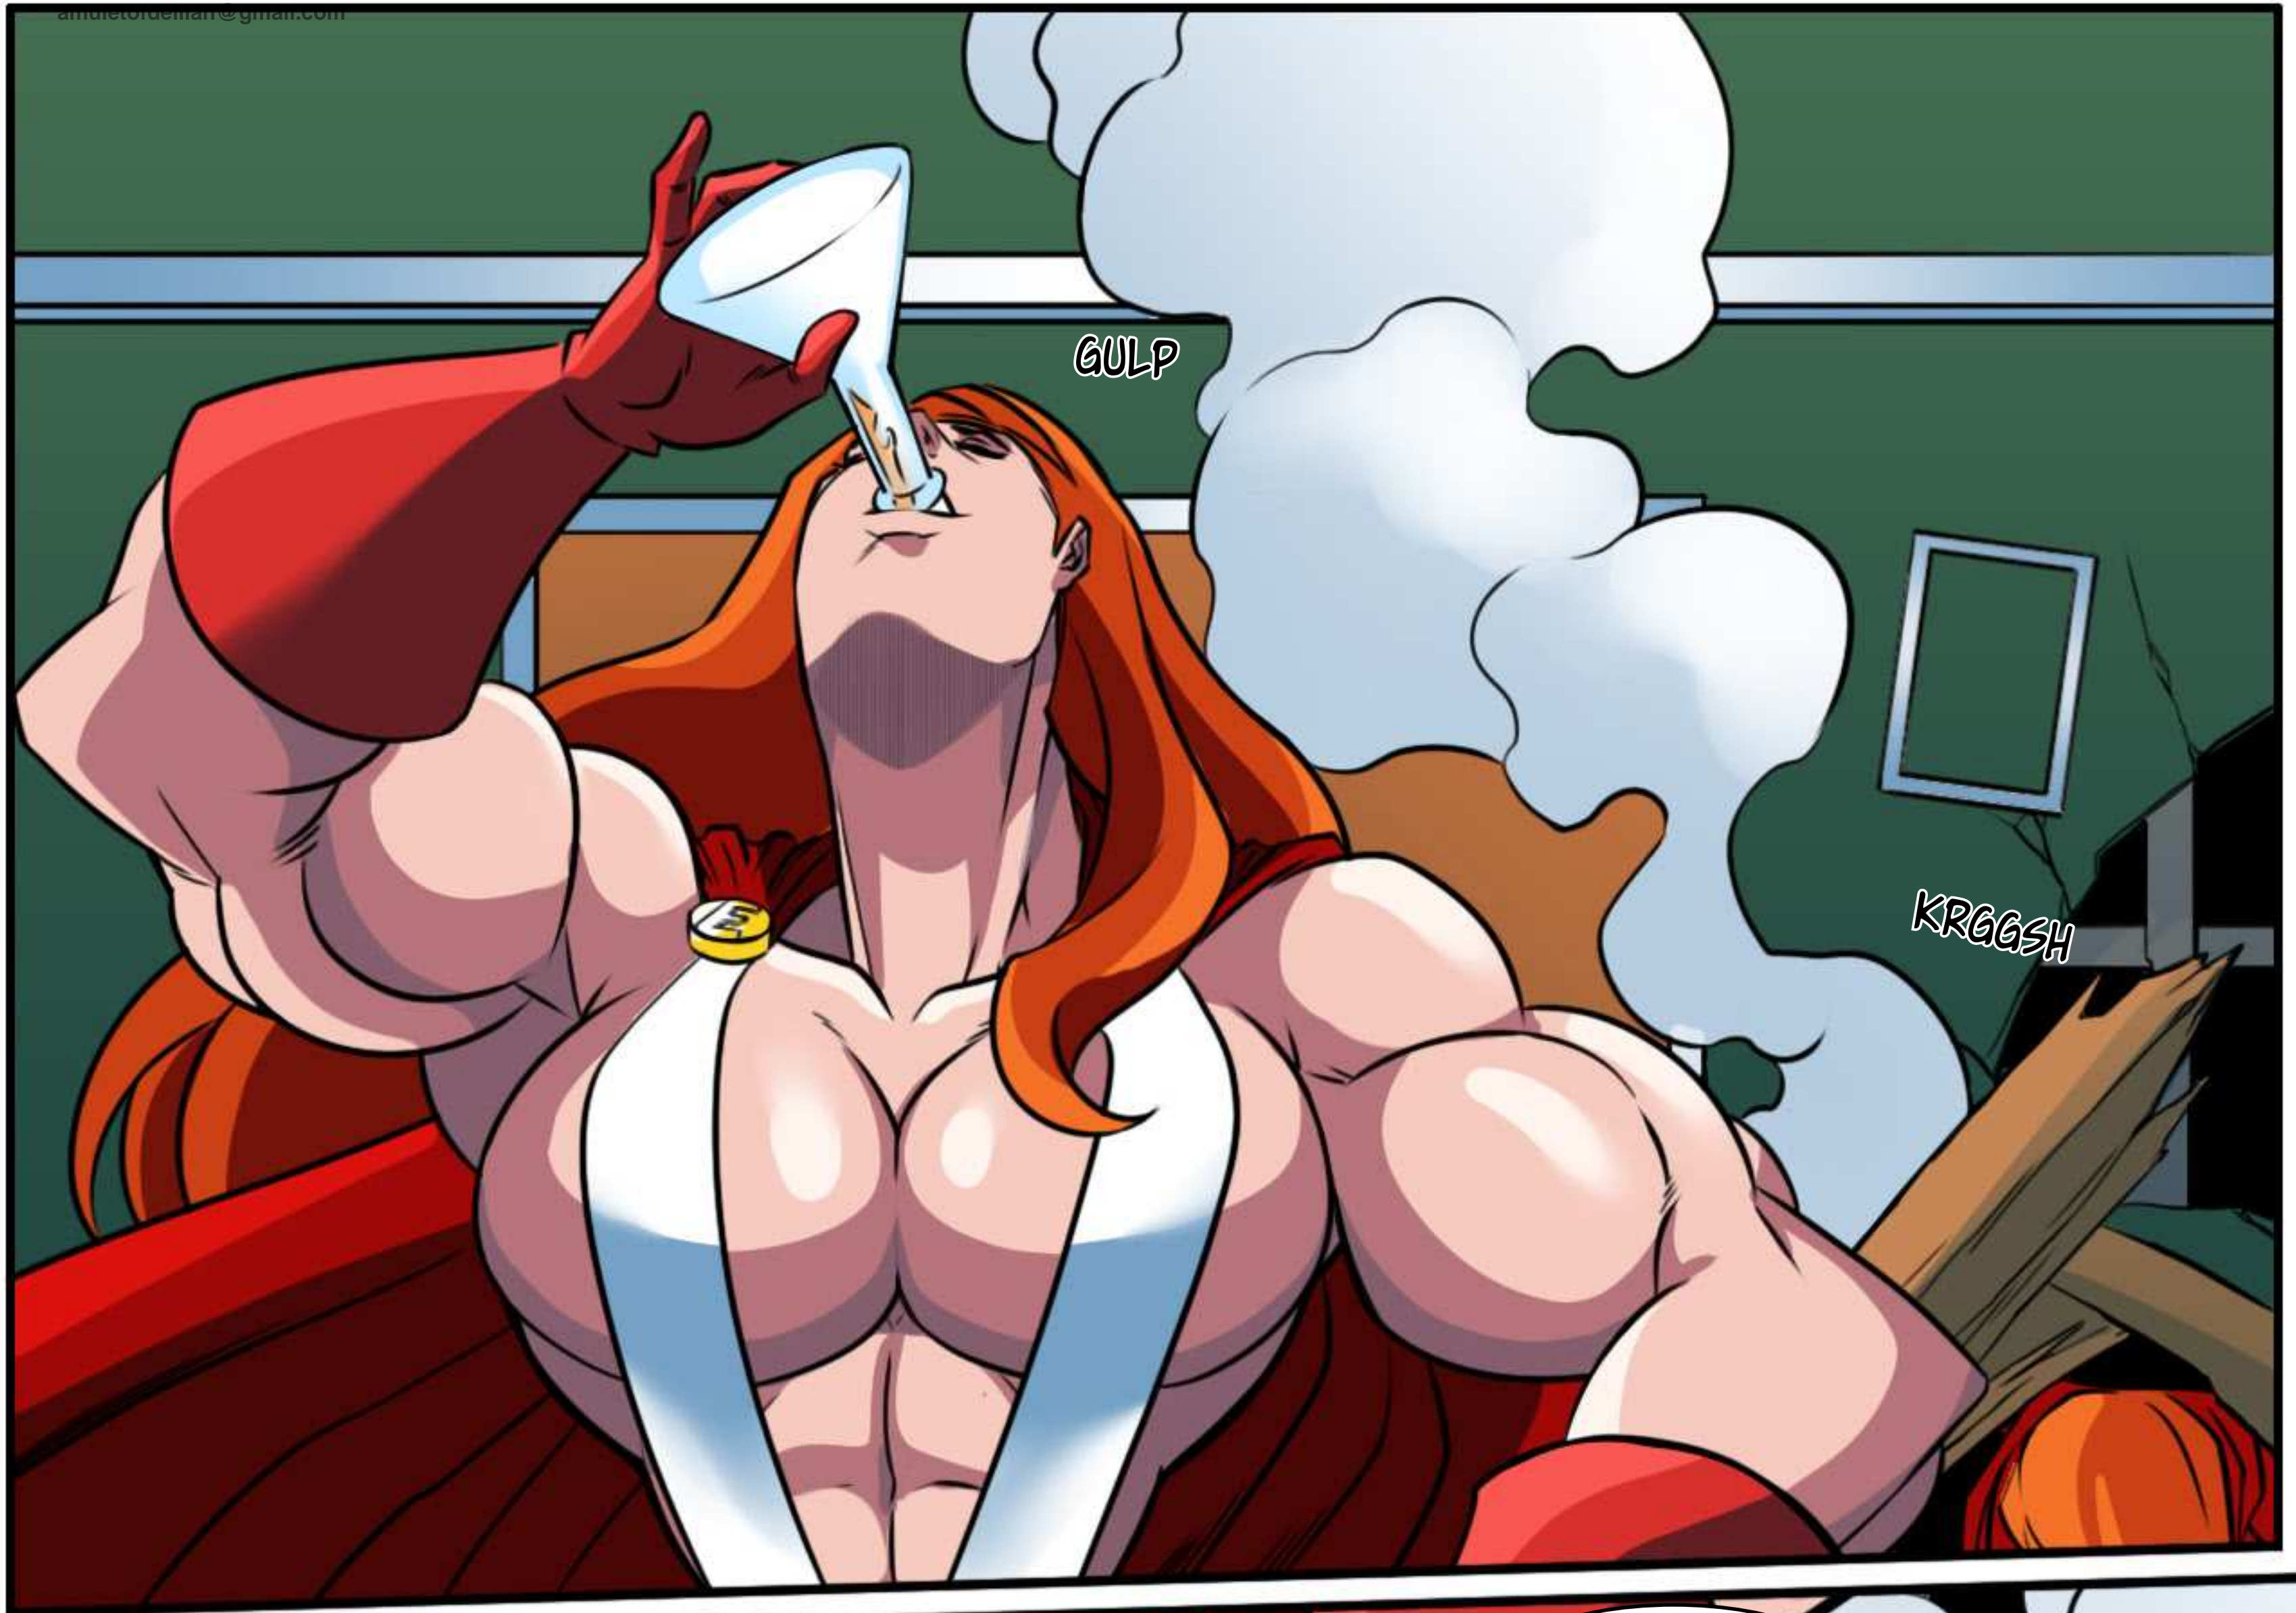

I was keeping this super power formula that Domina used a while back for an emergency. I think this qualifies, I only hope it can increase my powers...

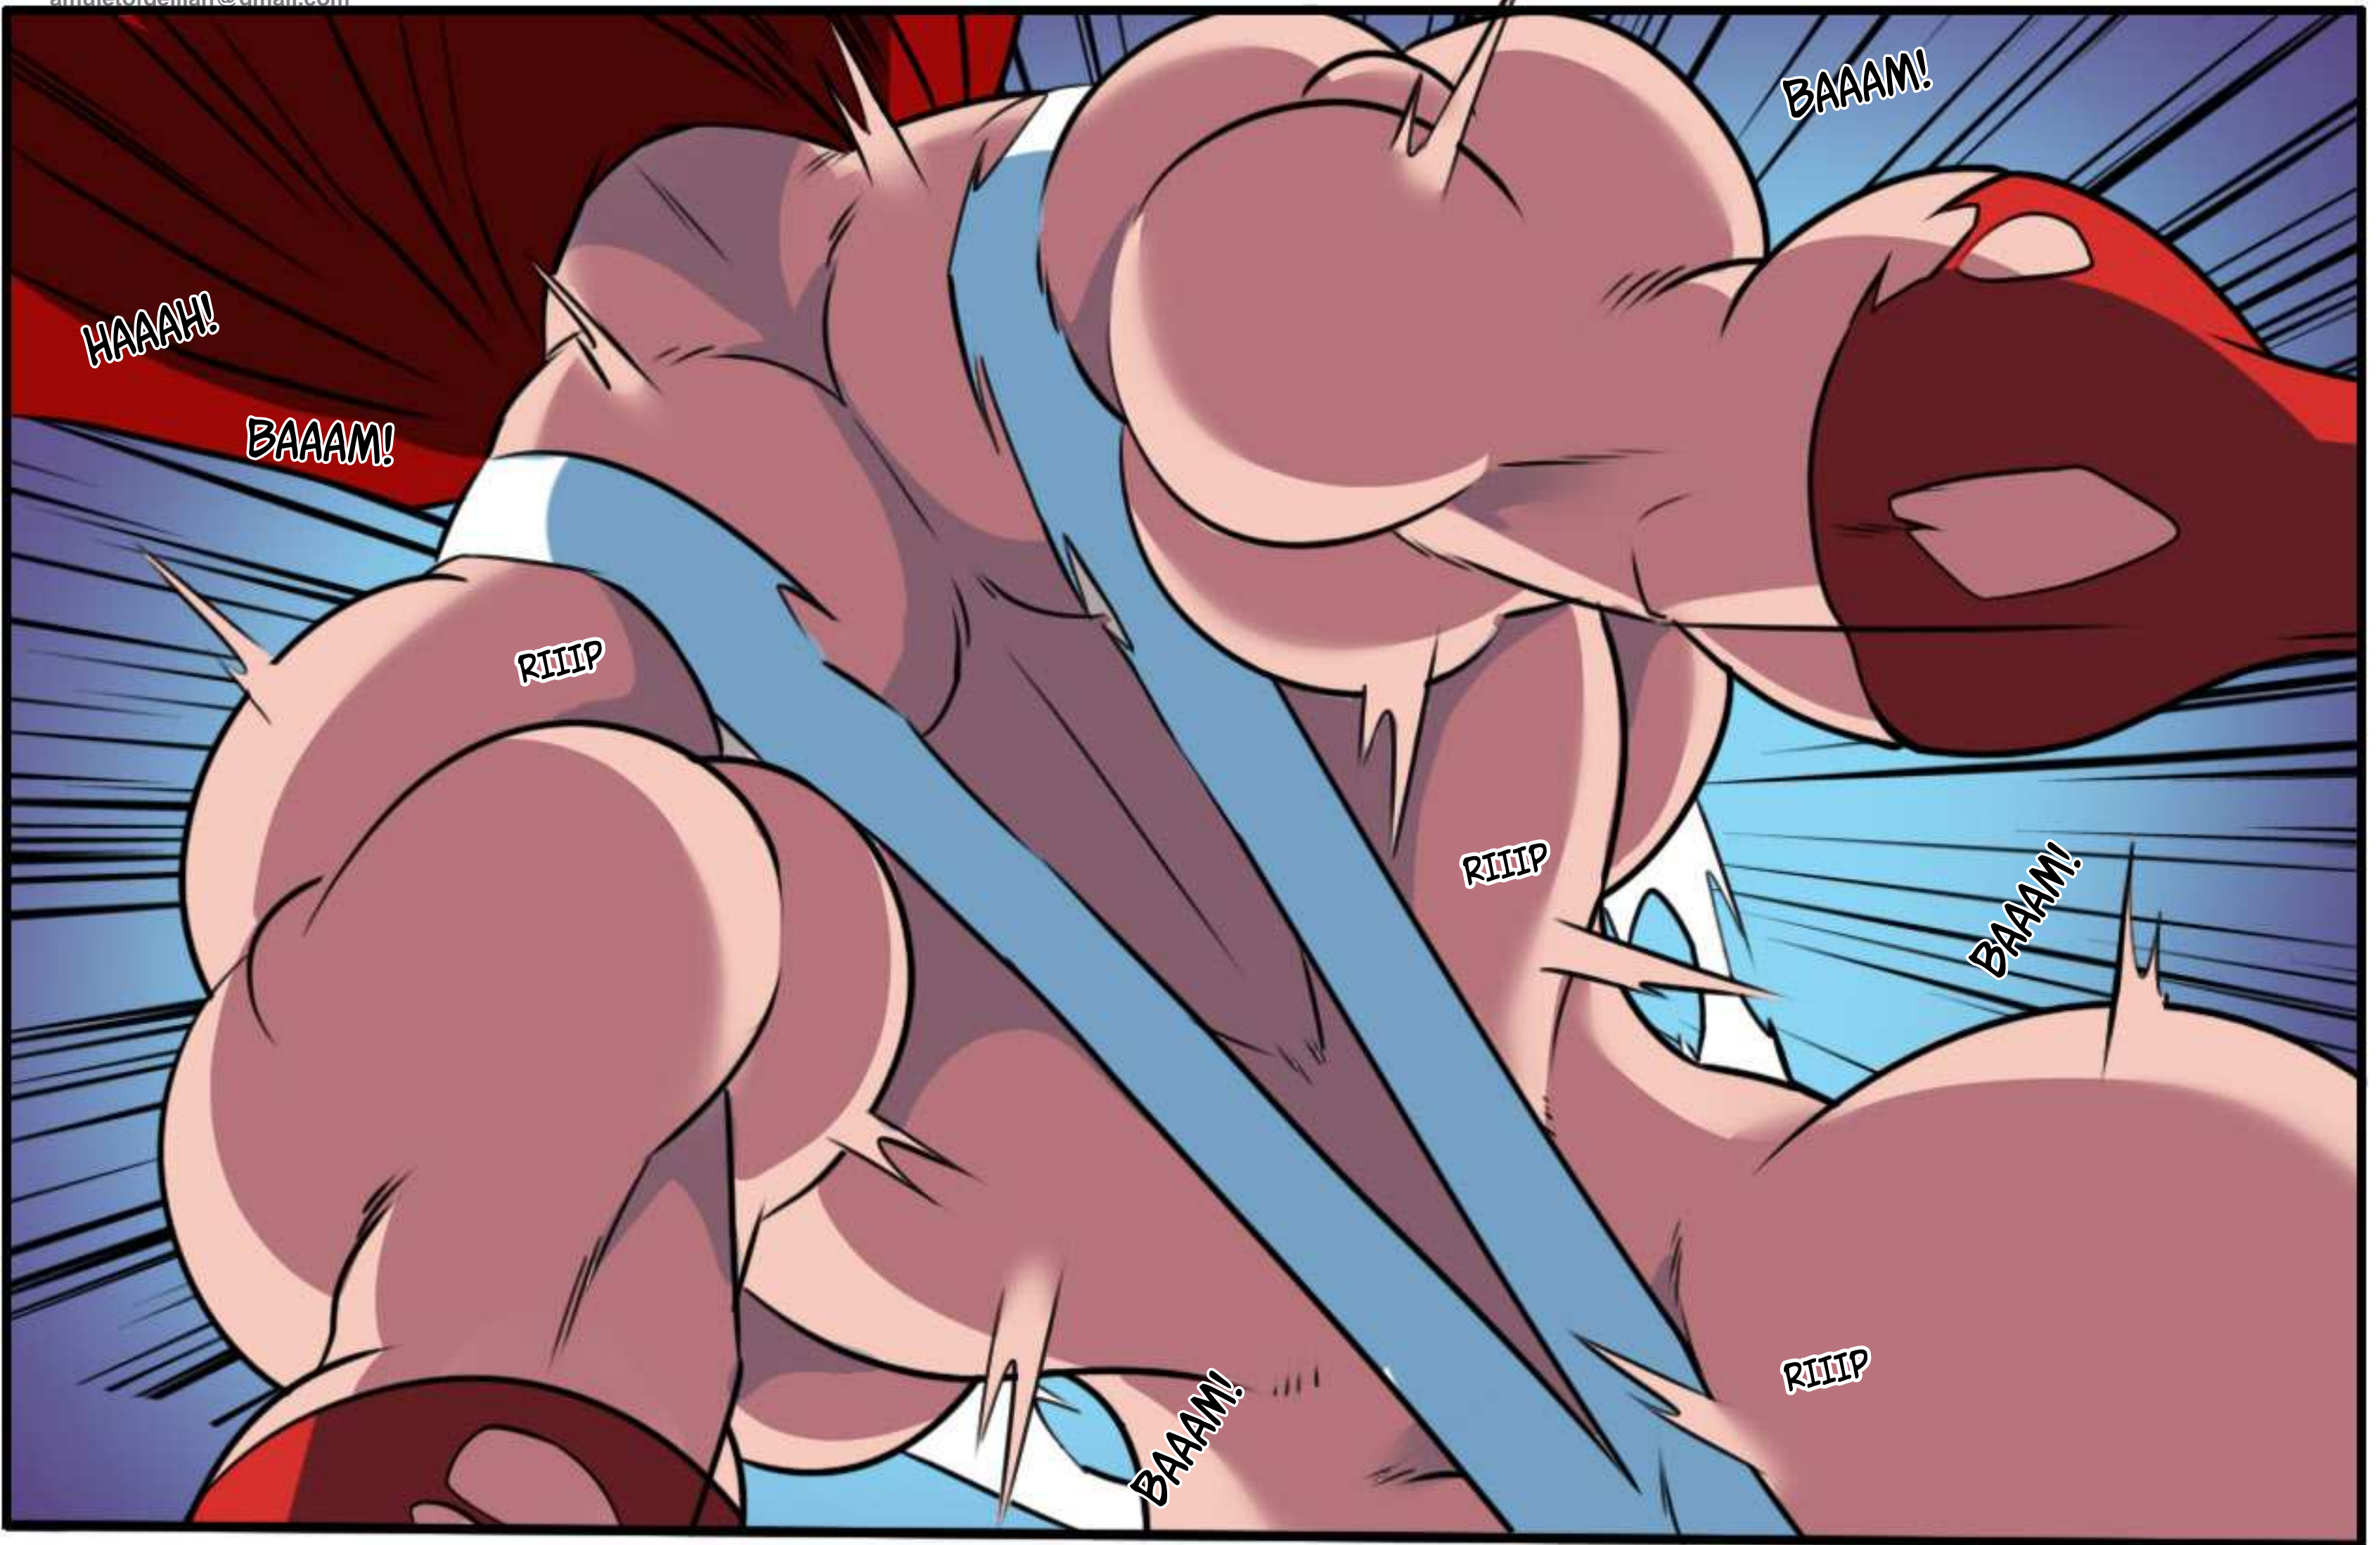

Let's find out!

ARGH!

**YES!
THE POWER...
THE FUCKING
POWER!**

Now I am an Evil Goddess!

Oh no...

CLENCH

OH YES!

You're nothing but an Ultra-Weakling compared to me now!

GRAB

LIFT

KRAGOOOSH!!!

WWW.UUUU

CRAAASSHHH!

I'm back!

EXCELLENT!
I... OH MY... What
happened to you?!
You're...

Bigger?
Yeah it's fucking
awesome! I've become some
kinda SUPER super bitch
now!

FLEX

But how?!?

Ultra-Slut here had some kinda potion, she was going to use it to increase her powers but I beat her to it.

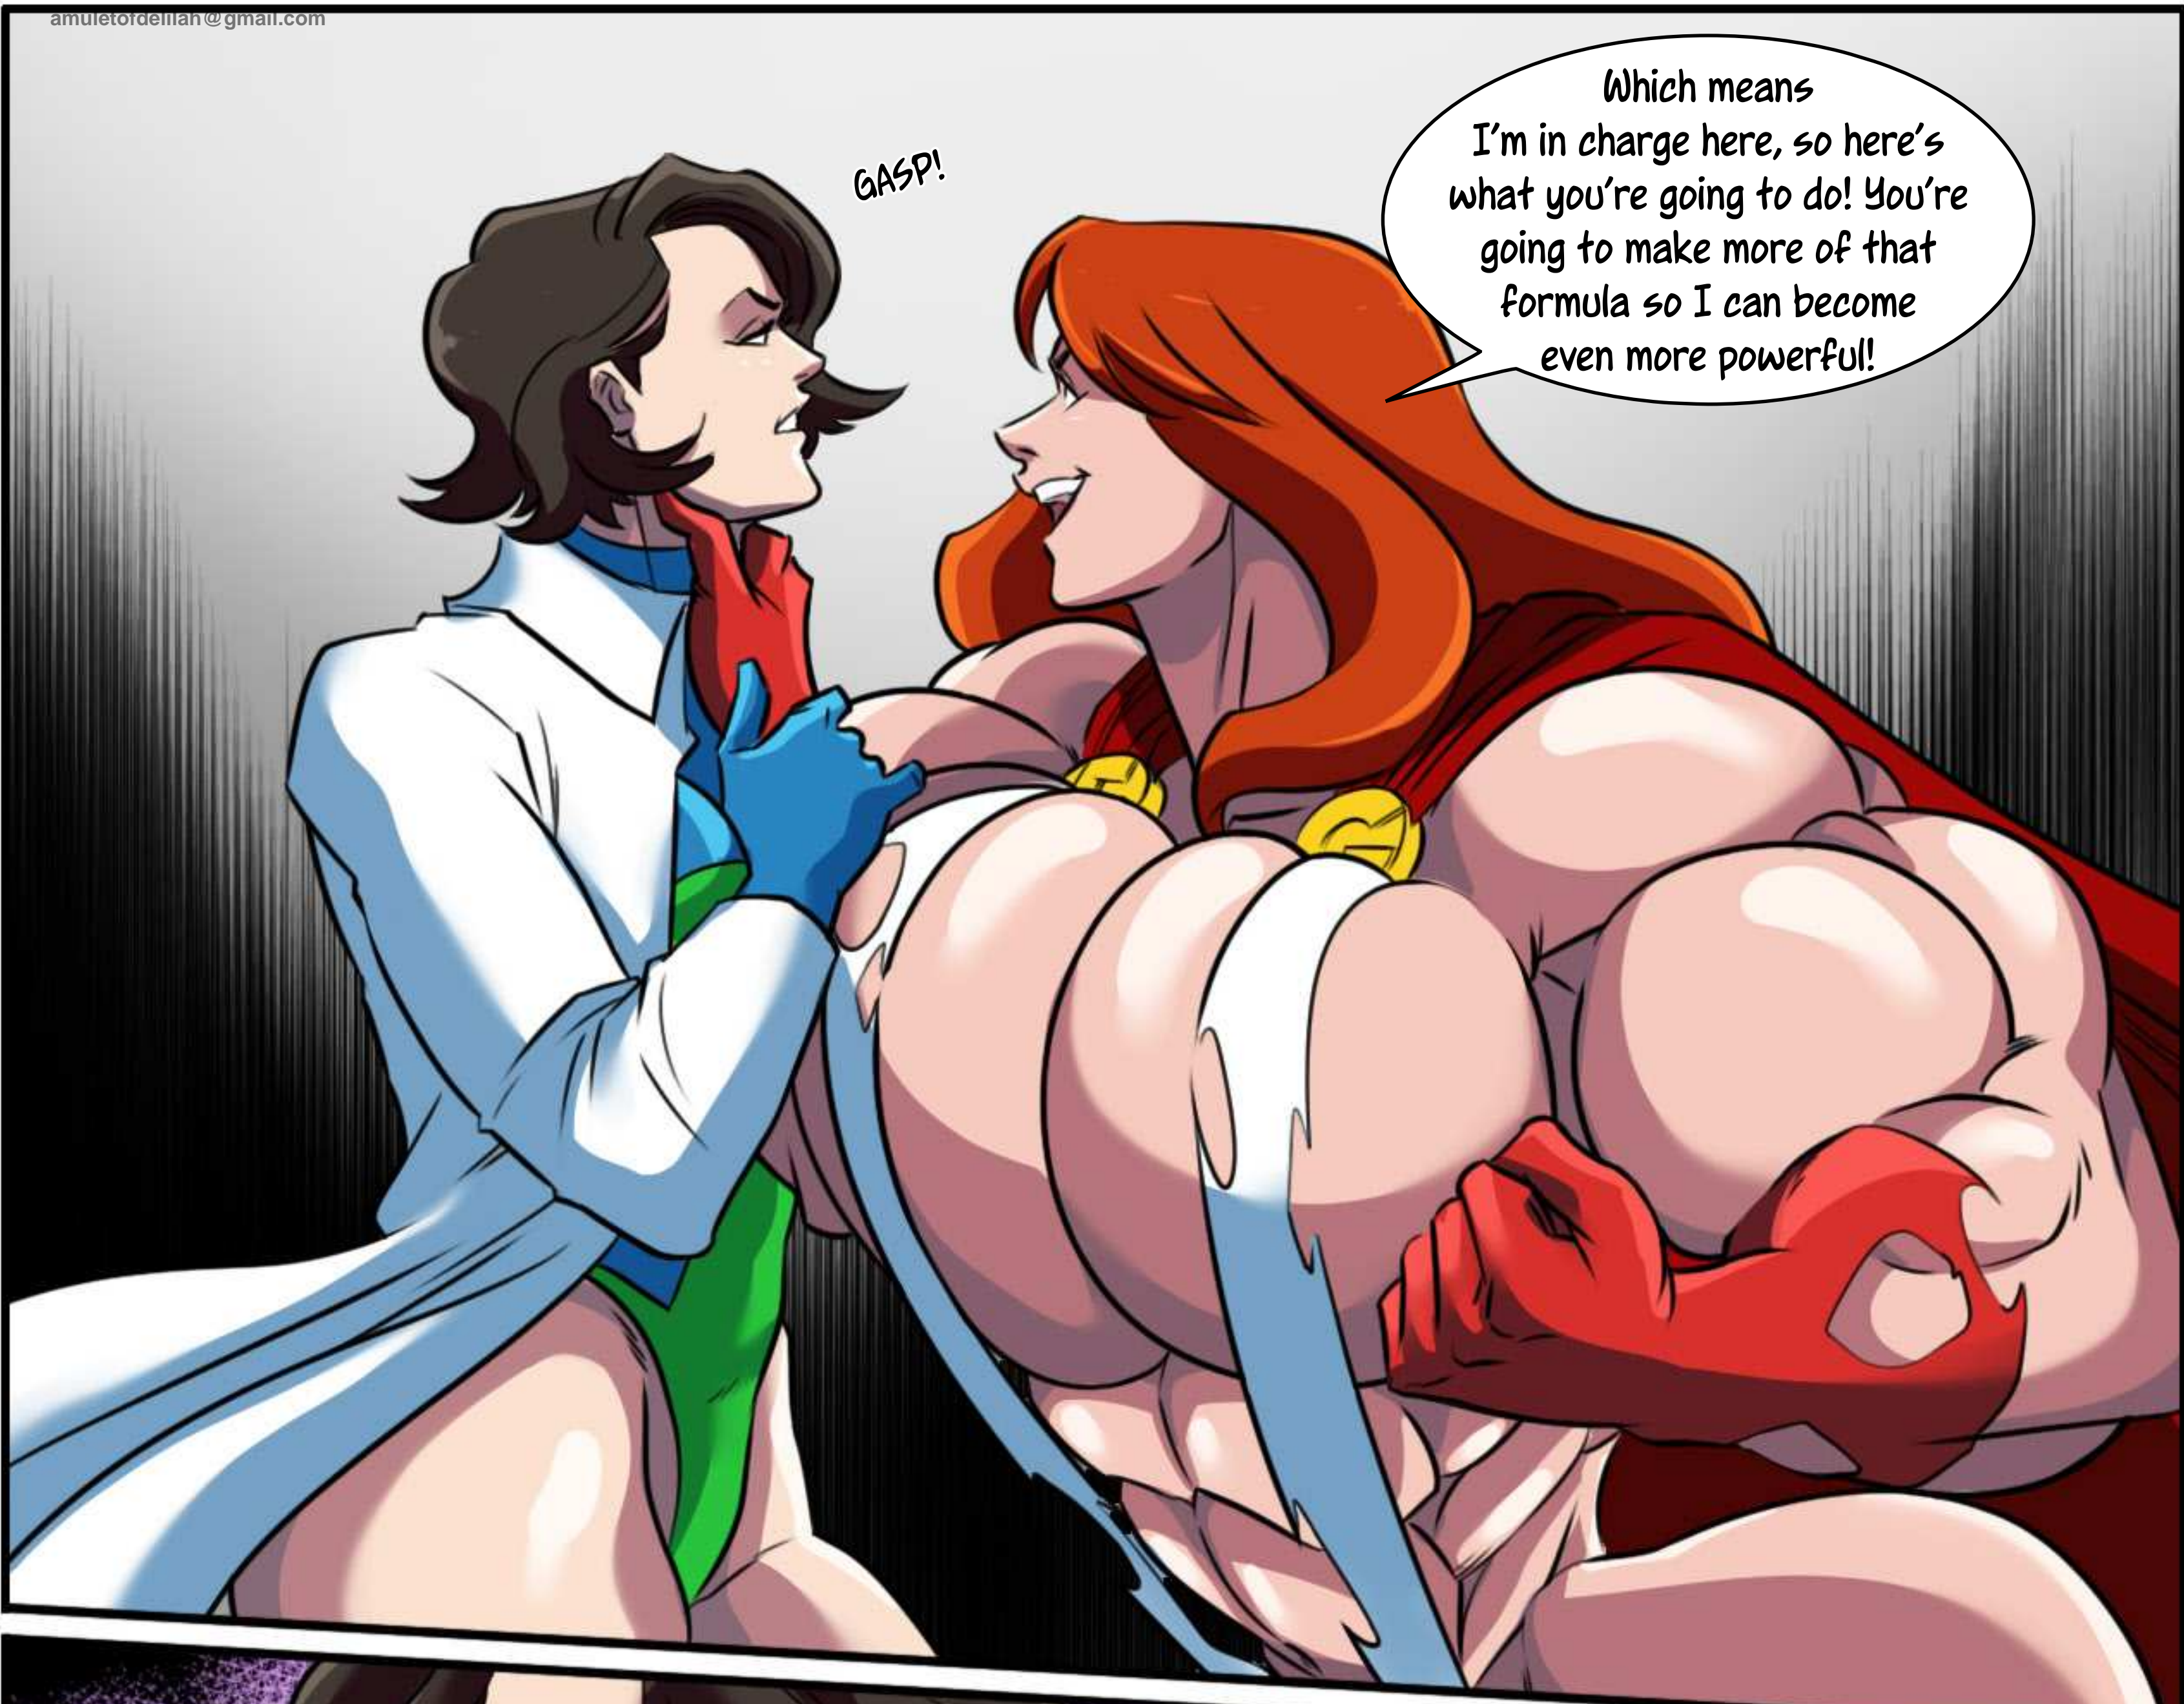

Potion? Of course! So that's what happened to the rest of my super power formula!

THUD!

Wait... you drank it! You idiotic fool! Do you have any idea...

OH SHUT THE FUCK UP! I'm the one with the power!

GASP!

Which means I'm in charge here, so here's what you're going to do! You're going to make more of that formula so I can become even more powerful!

HNCK!

But I can't make more, the key ingredient was the remains of the meteor that gave Ultra-Gal her powers.

I WANT MORE POWER!

Listen bug, you have ten seconds to come up with a way to give me more power or I'll kill you!

No... I... I might have a way! Maybe I could transfer Ultra-Gal's powers to you!

Sounds like a plan, get busy!

Of course, right away...

THUD!

GROAN

Oh no, look!
Ultra-Gal is awake!

Sweet!
I get to have more
fun.

I'm putting an end
to this now! No matter
what it takes!

CLENCH

CLENCH

Oh really?
Well ok then, take your
best shots.

That doesn't even tickle!

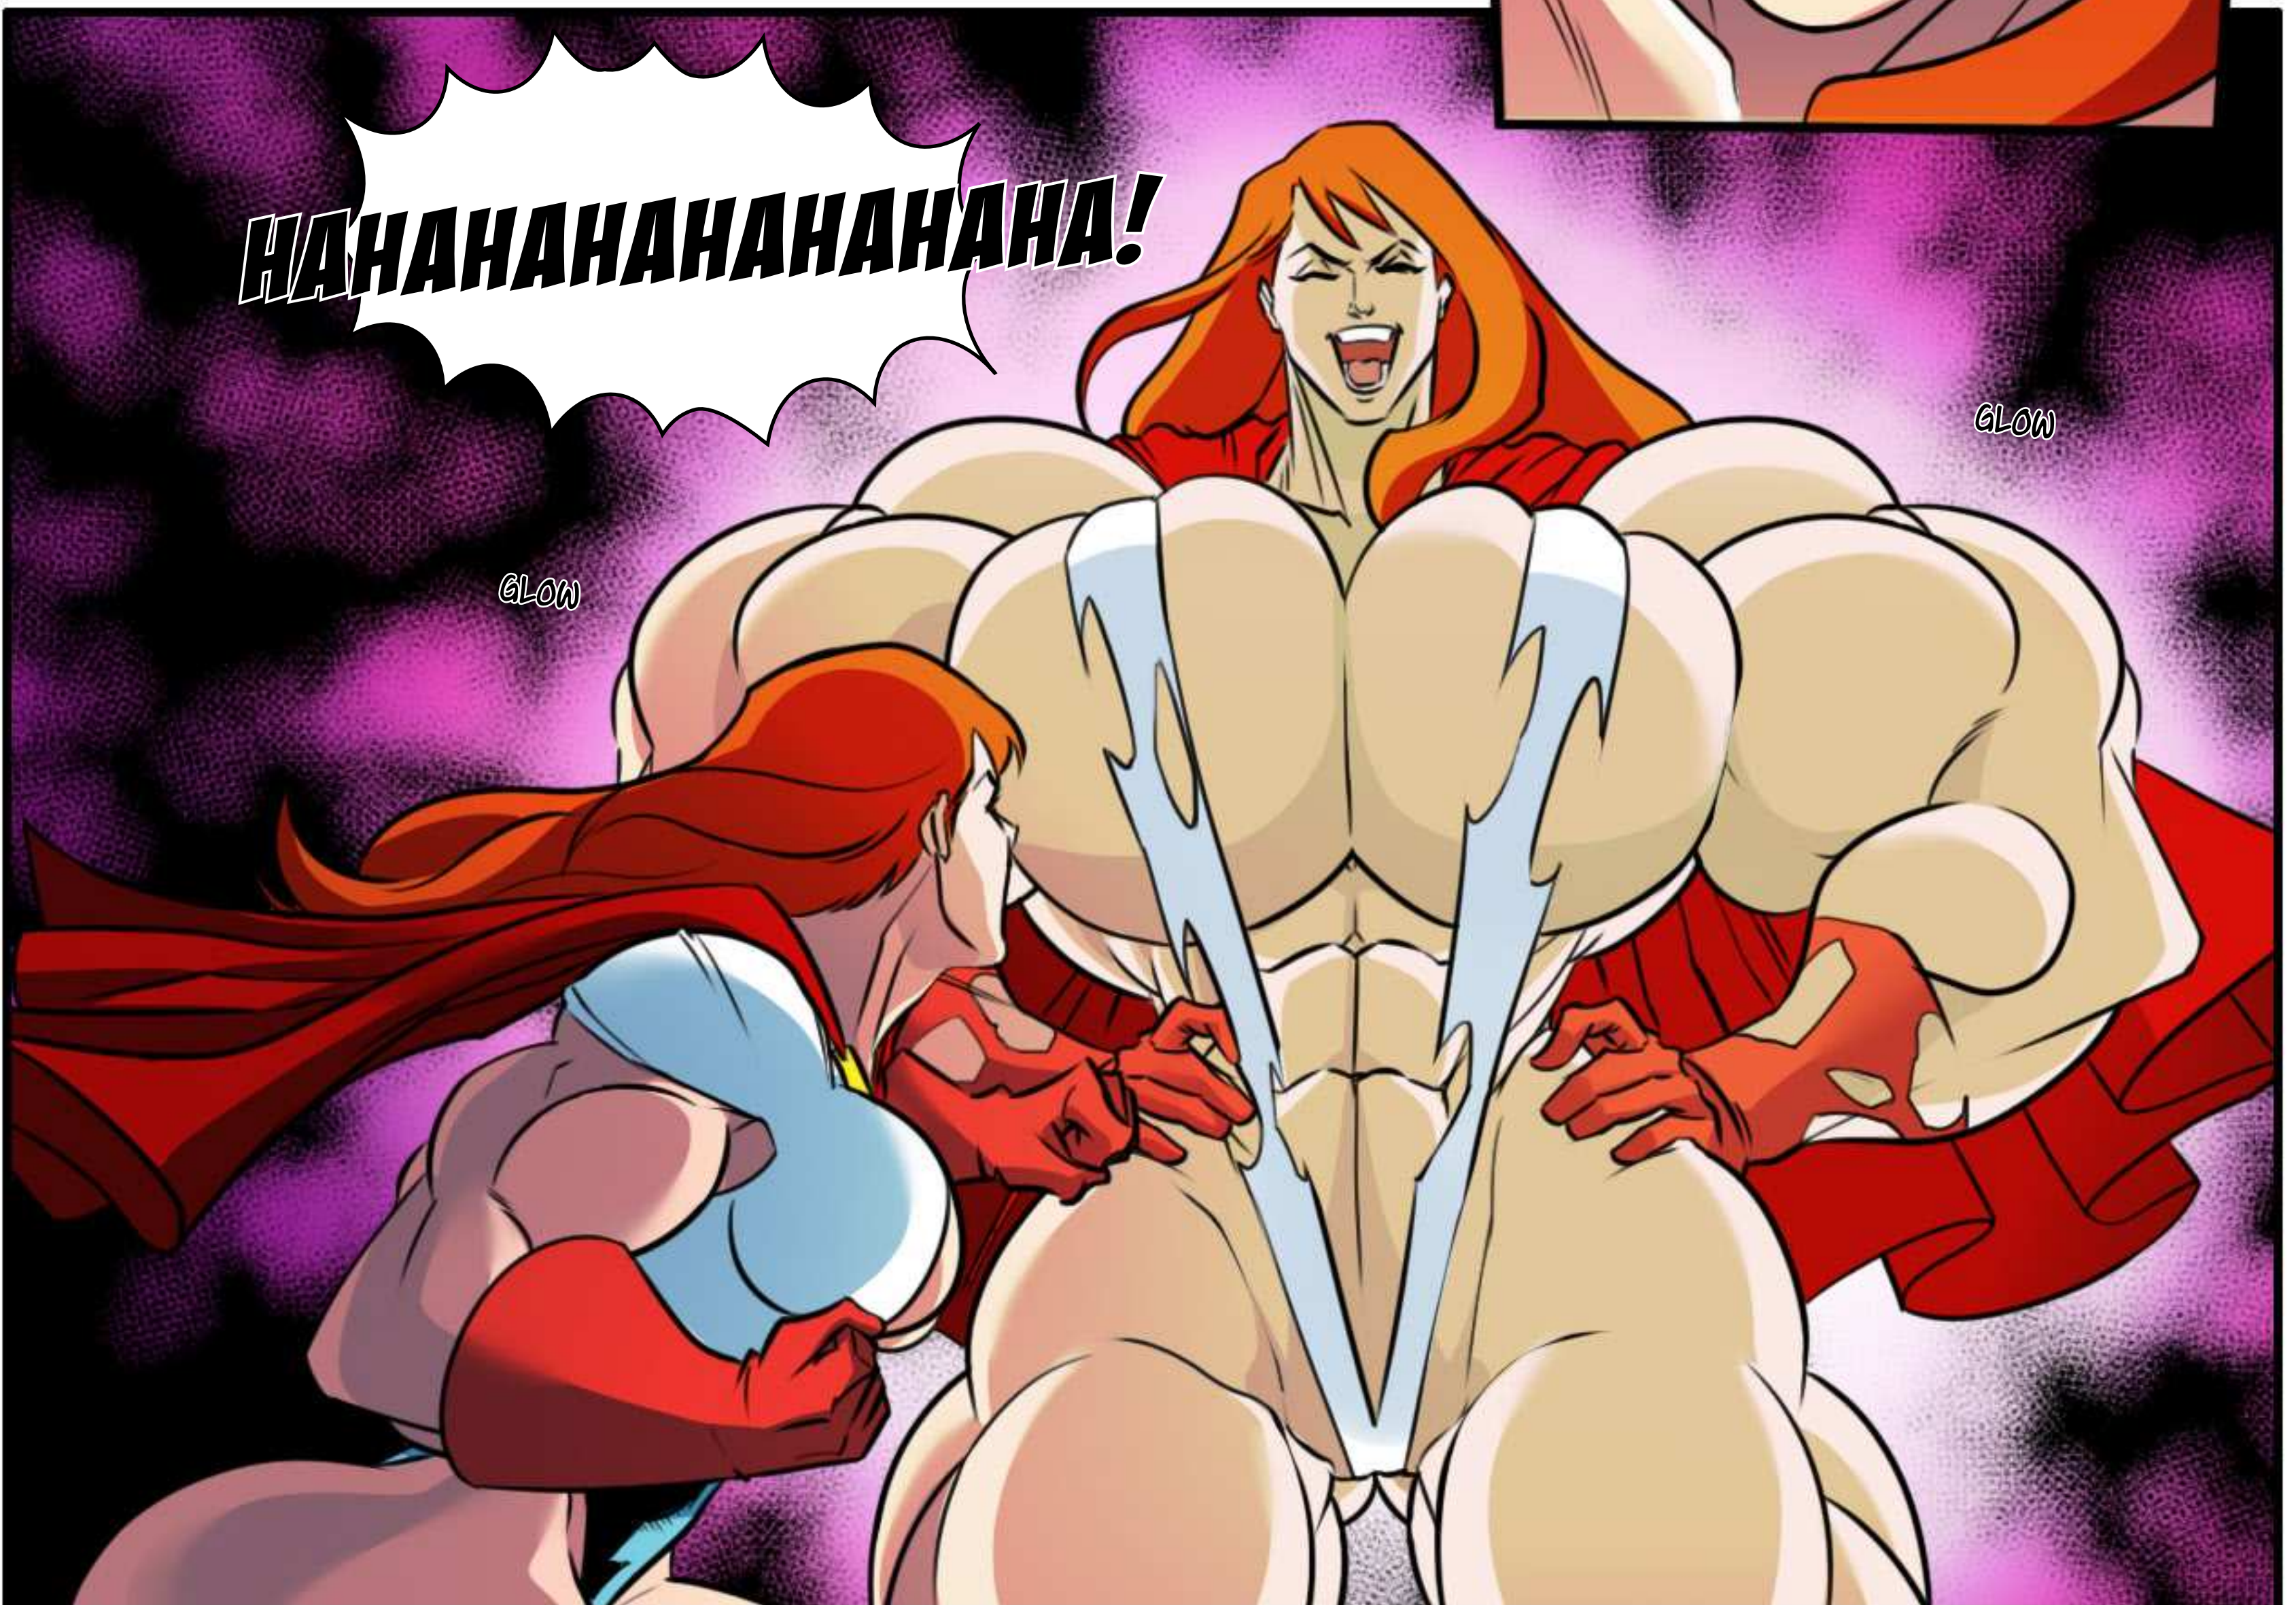

Is that all you've got?!?
I'll give you one more chance then
I'm ripping your head off!

HAHAHAHAHAHAHA!

GLON

GLON

WHAT THE FUCK!?!
What's wrong with me!?!

Ewww, gross!

Fuck! I'm...
MELTING!

Don't just stand there you cunts!
Do something!

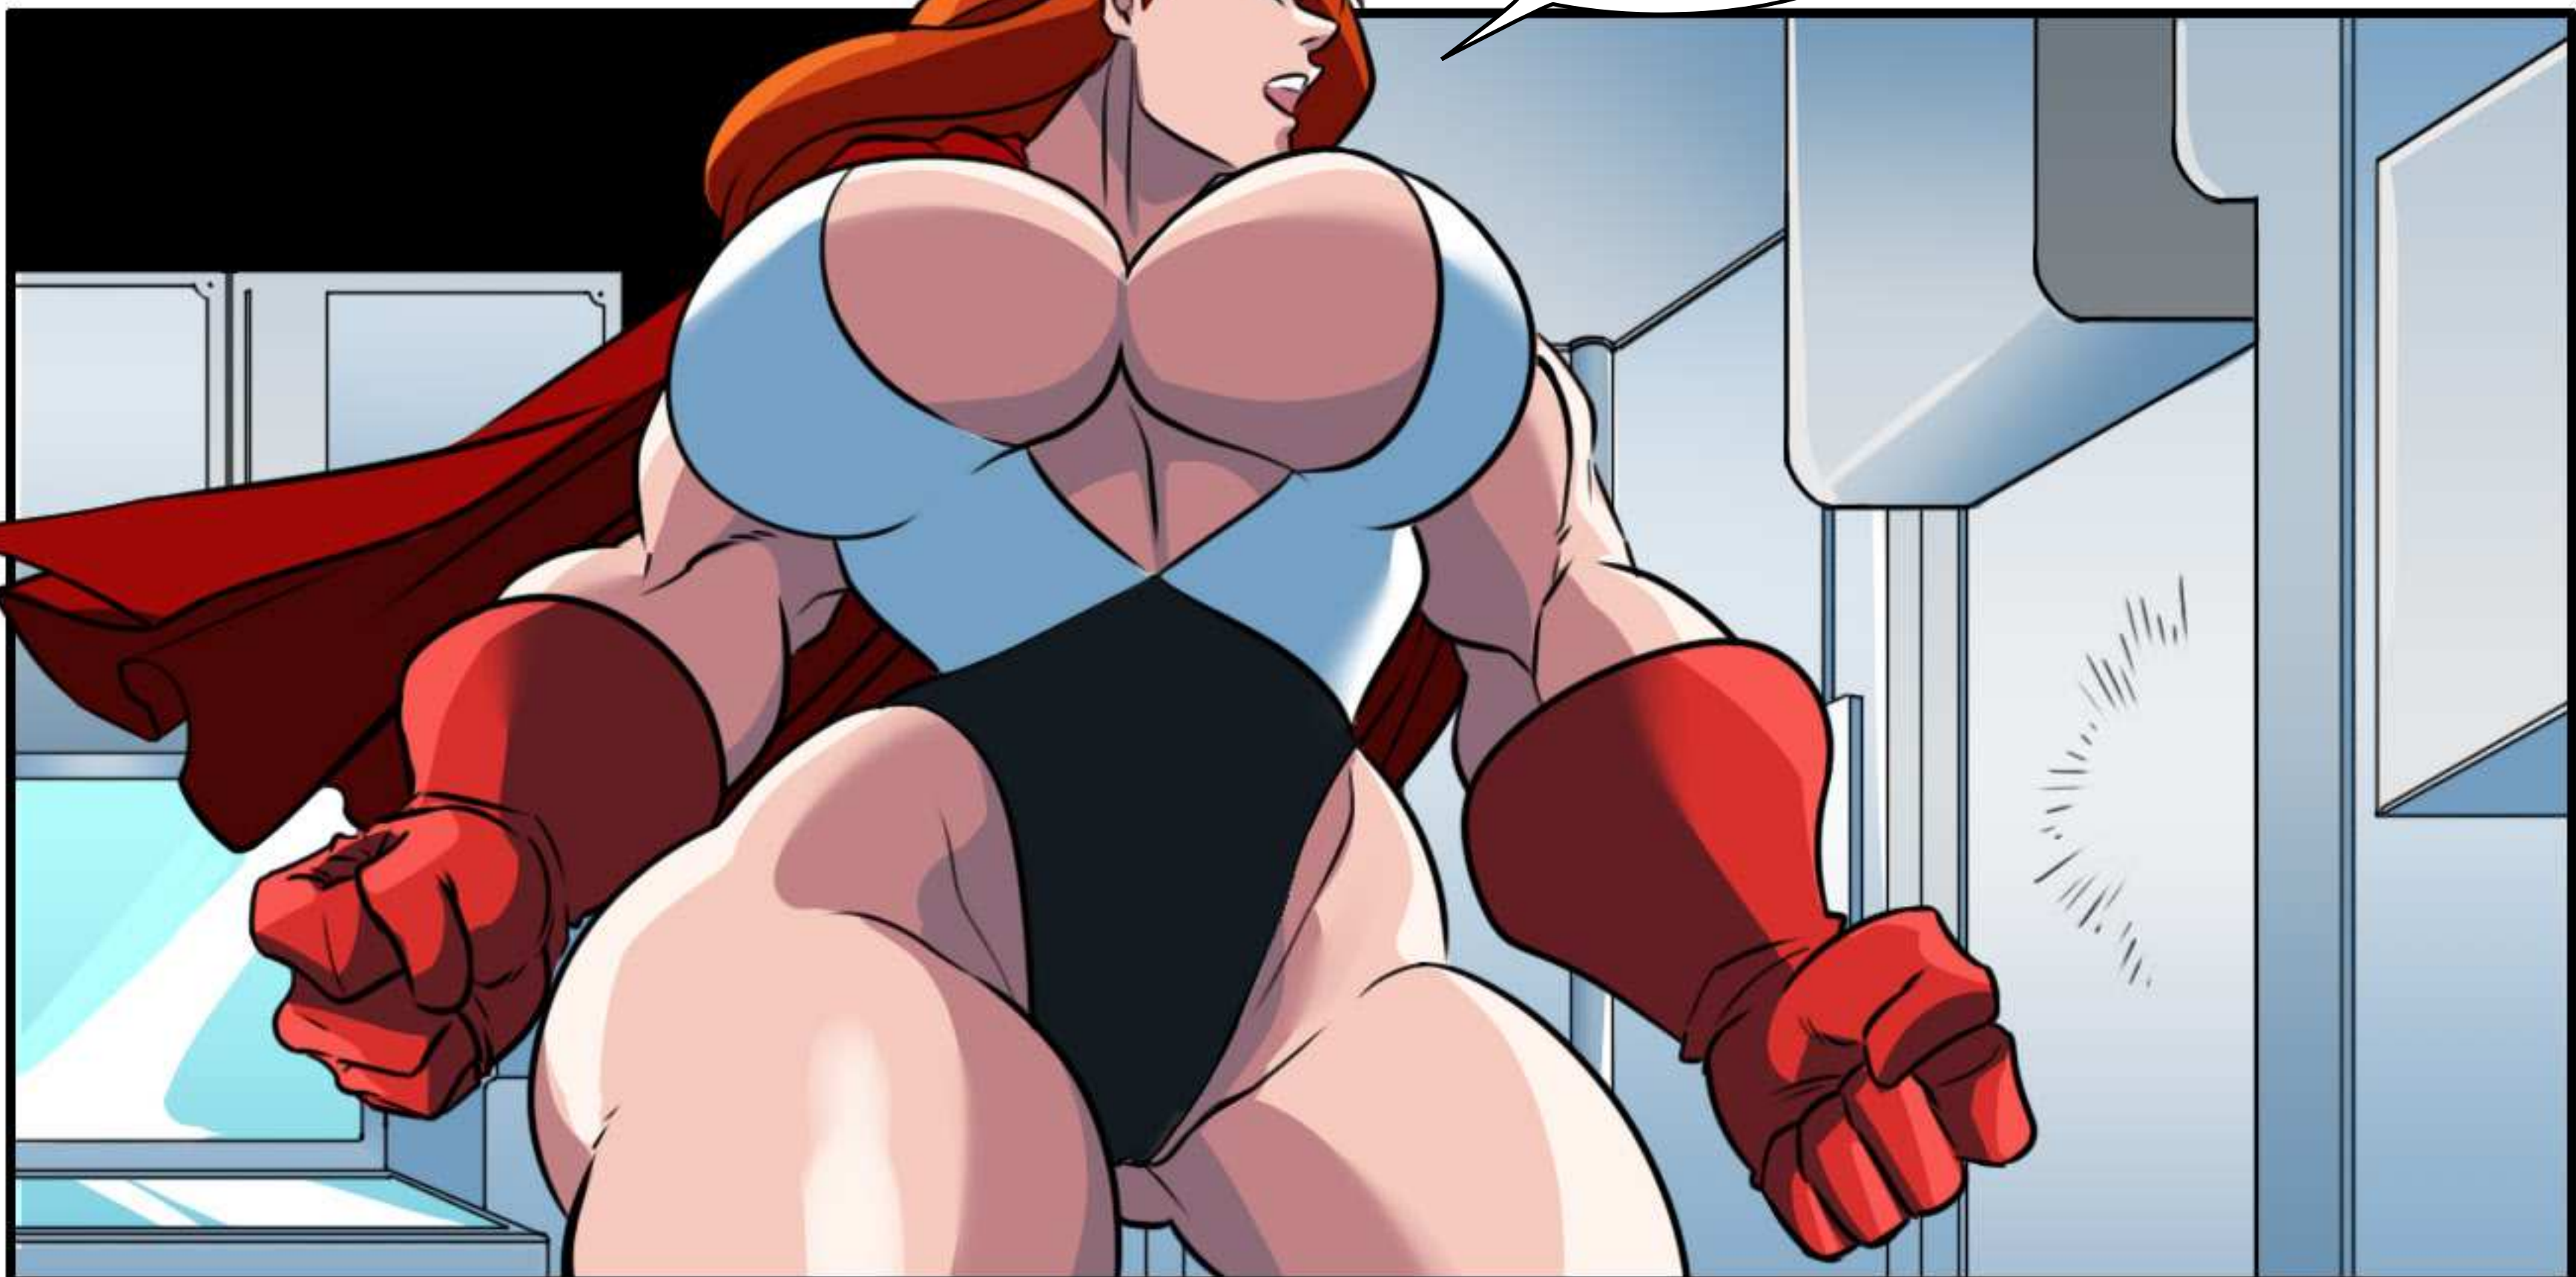

I refuse to fucking go out like this!

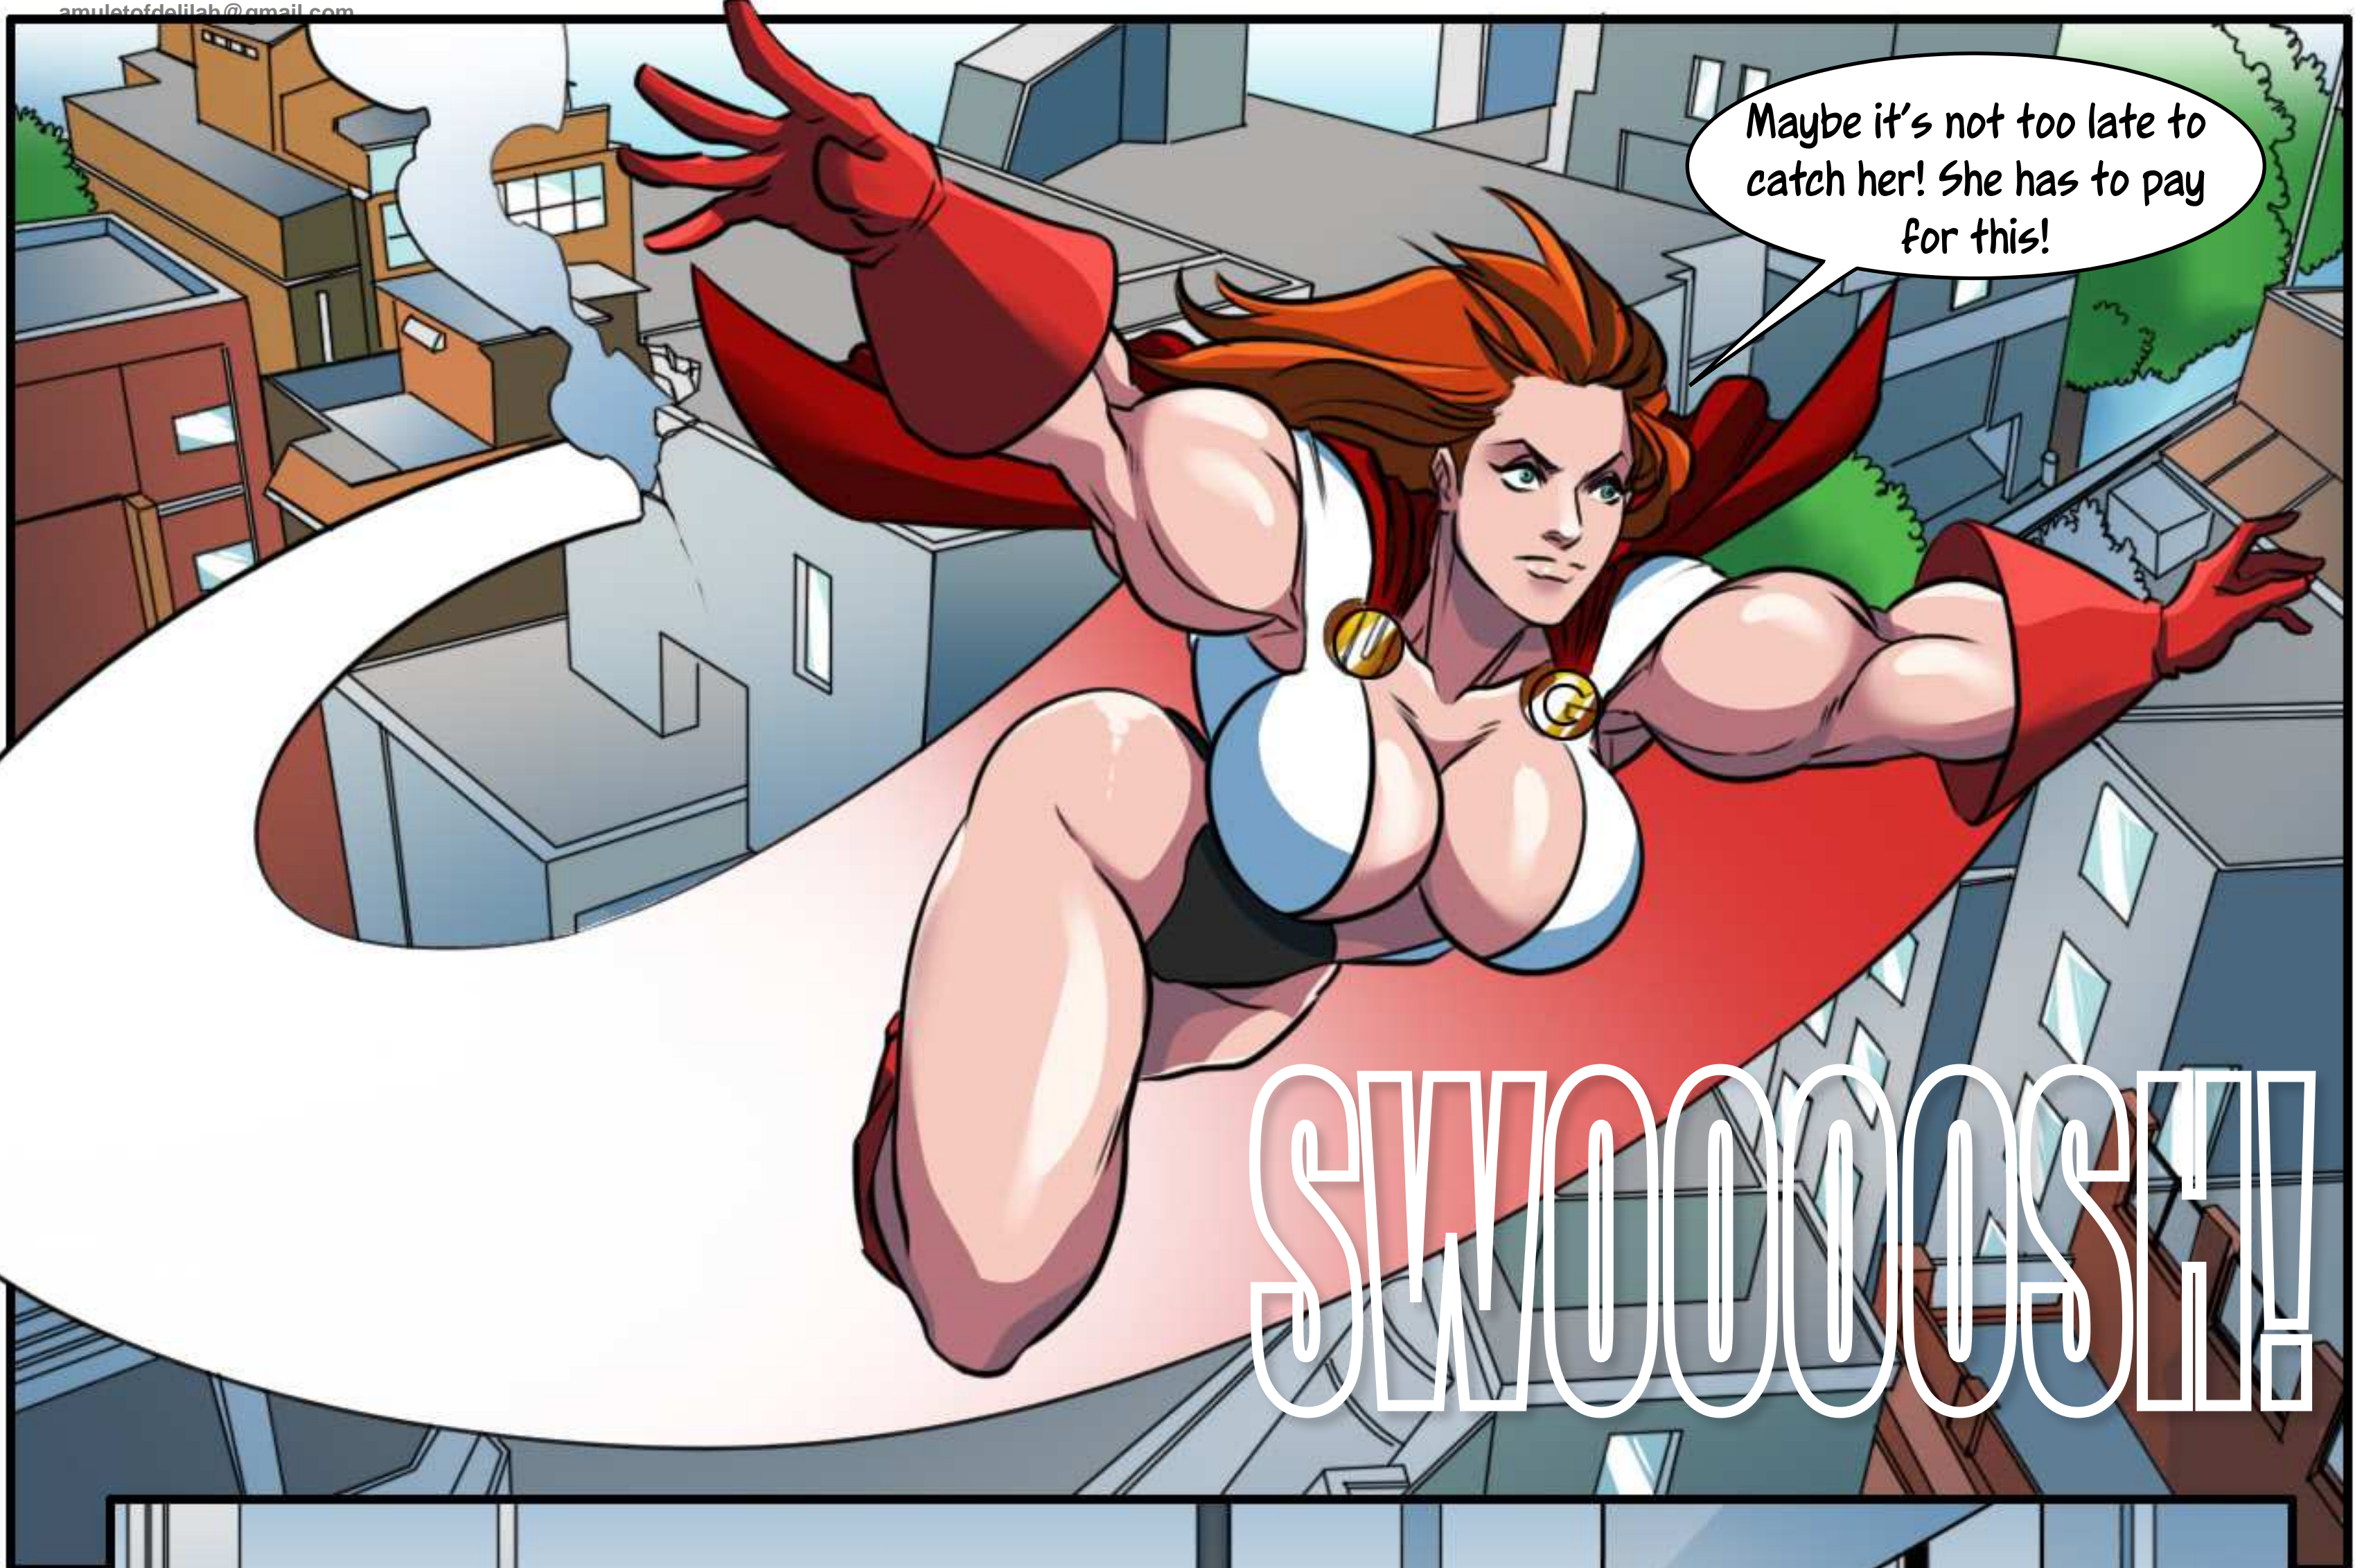

Look at what your evil genius has done Domina! How can you possibly live with...

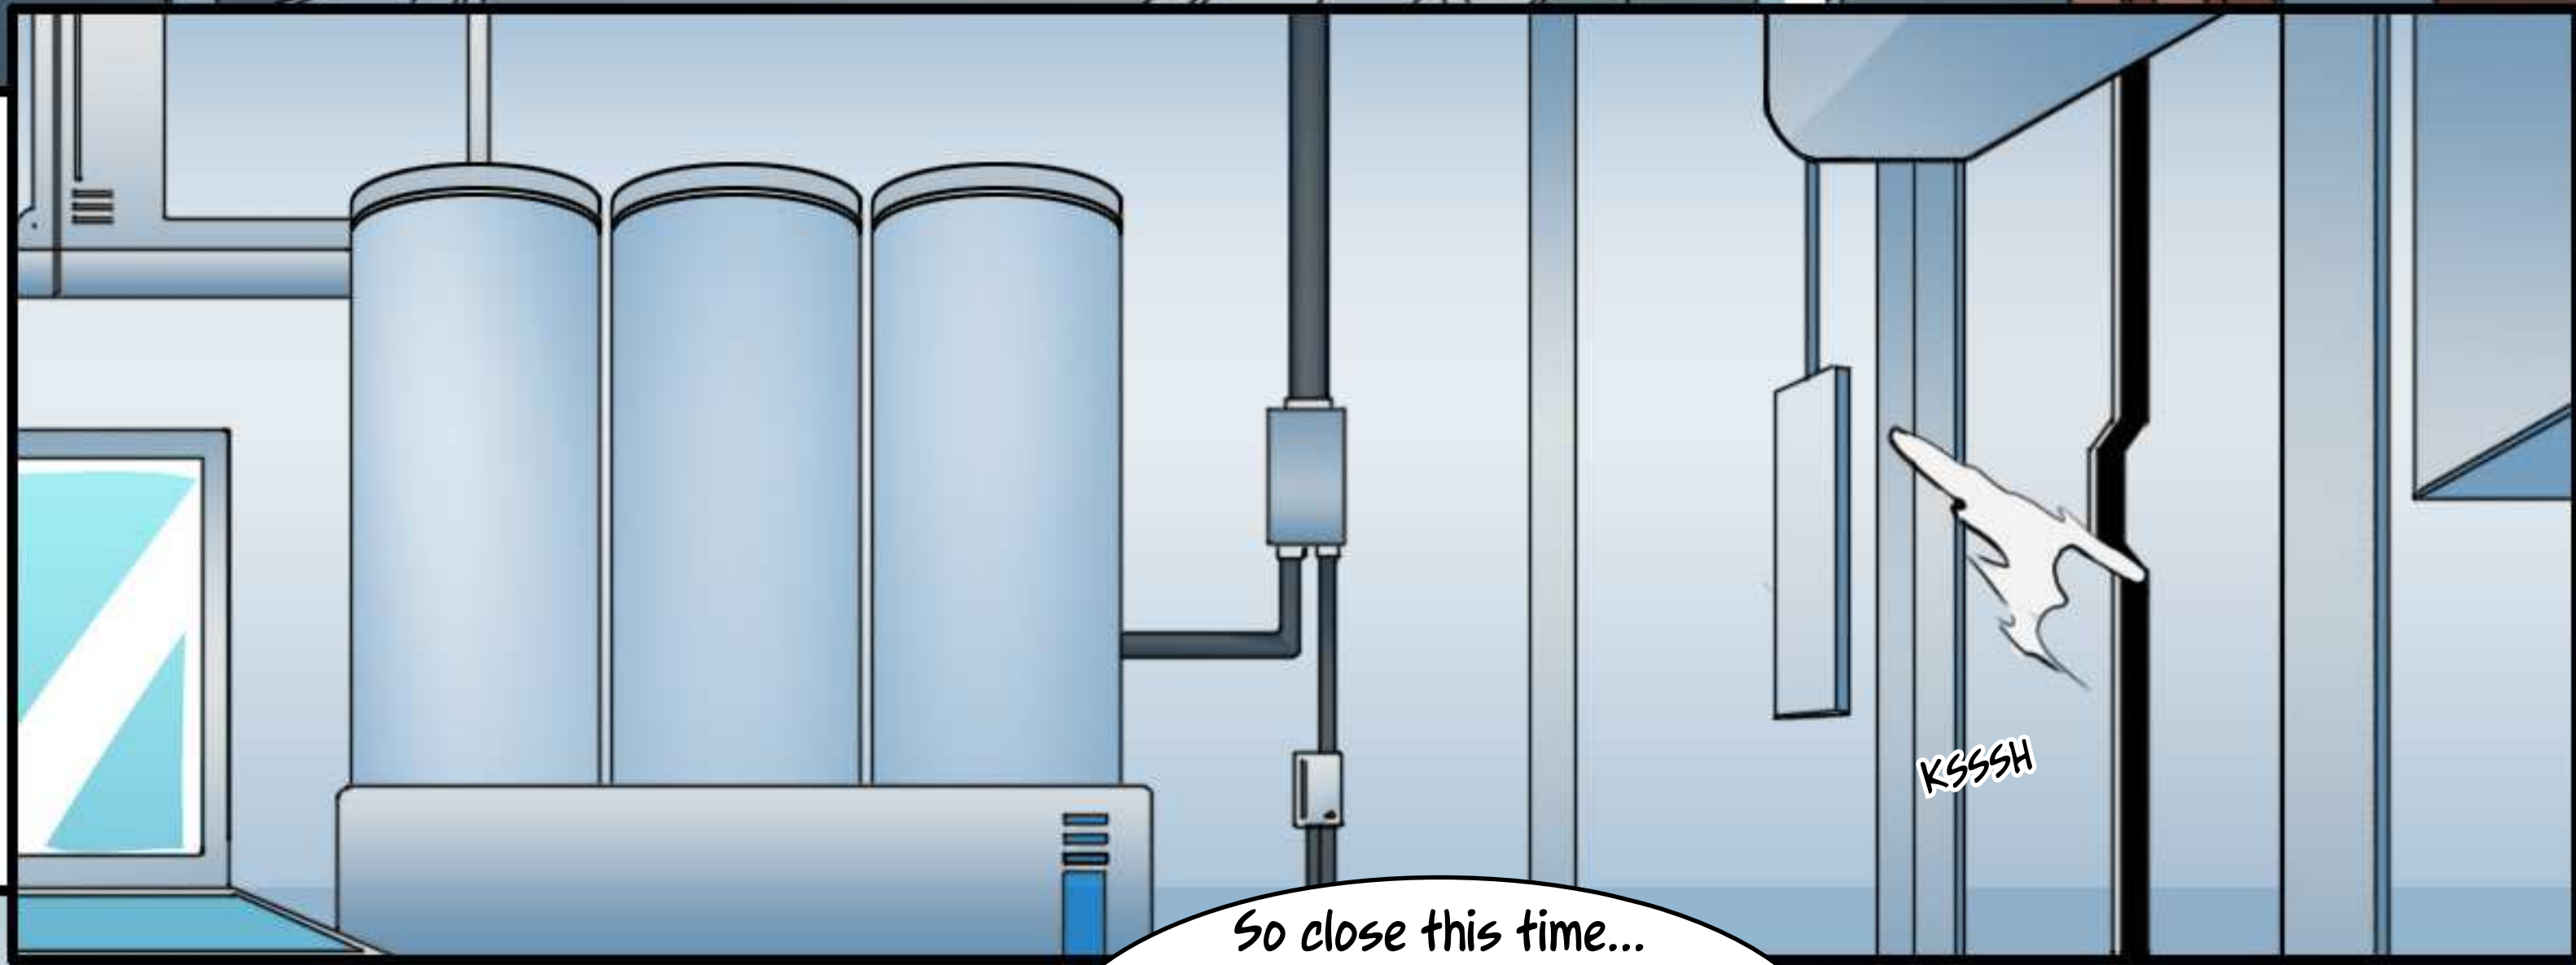

DOMINA!?! NO! She's gone!

Maybe it's not too late to catch her! She has to pay for this!

SWOOOOSH!!

KSSSH

So close this time... she was beaten... if only the clone hadn't rebelled... or at least had killed her before her body destabilized!

But it's not a total loss,
for I have come up with an even better plan.
One that will not only allow me to destroy
Ultra-Gal but will also make me into a
GODDESS! MUWHAHAHAHA!

Next time: Domina the Invincible!
