WOW!
The Ultra League of
Justice headquarters!

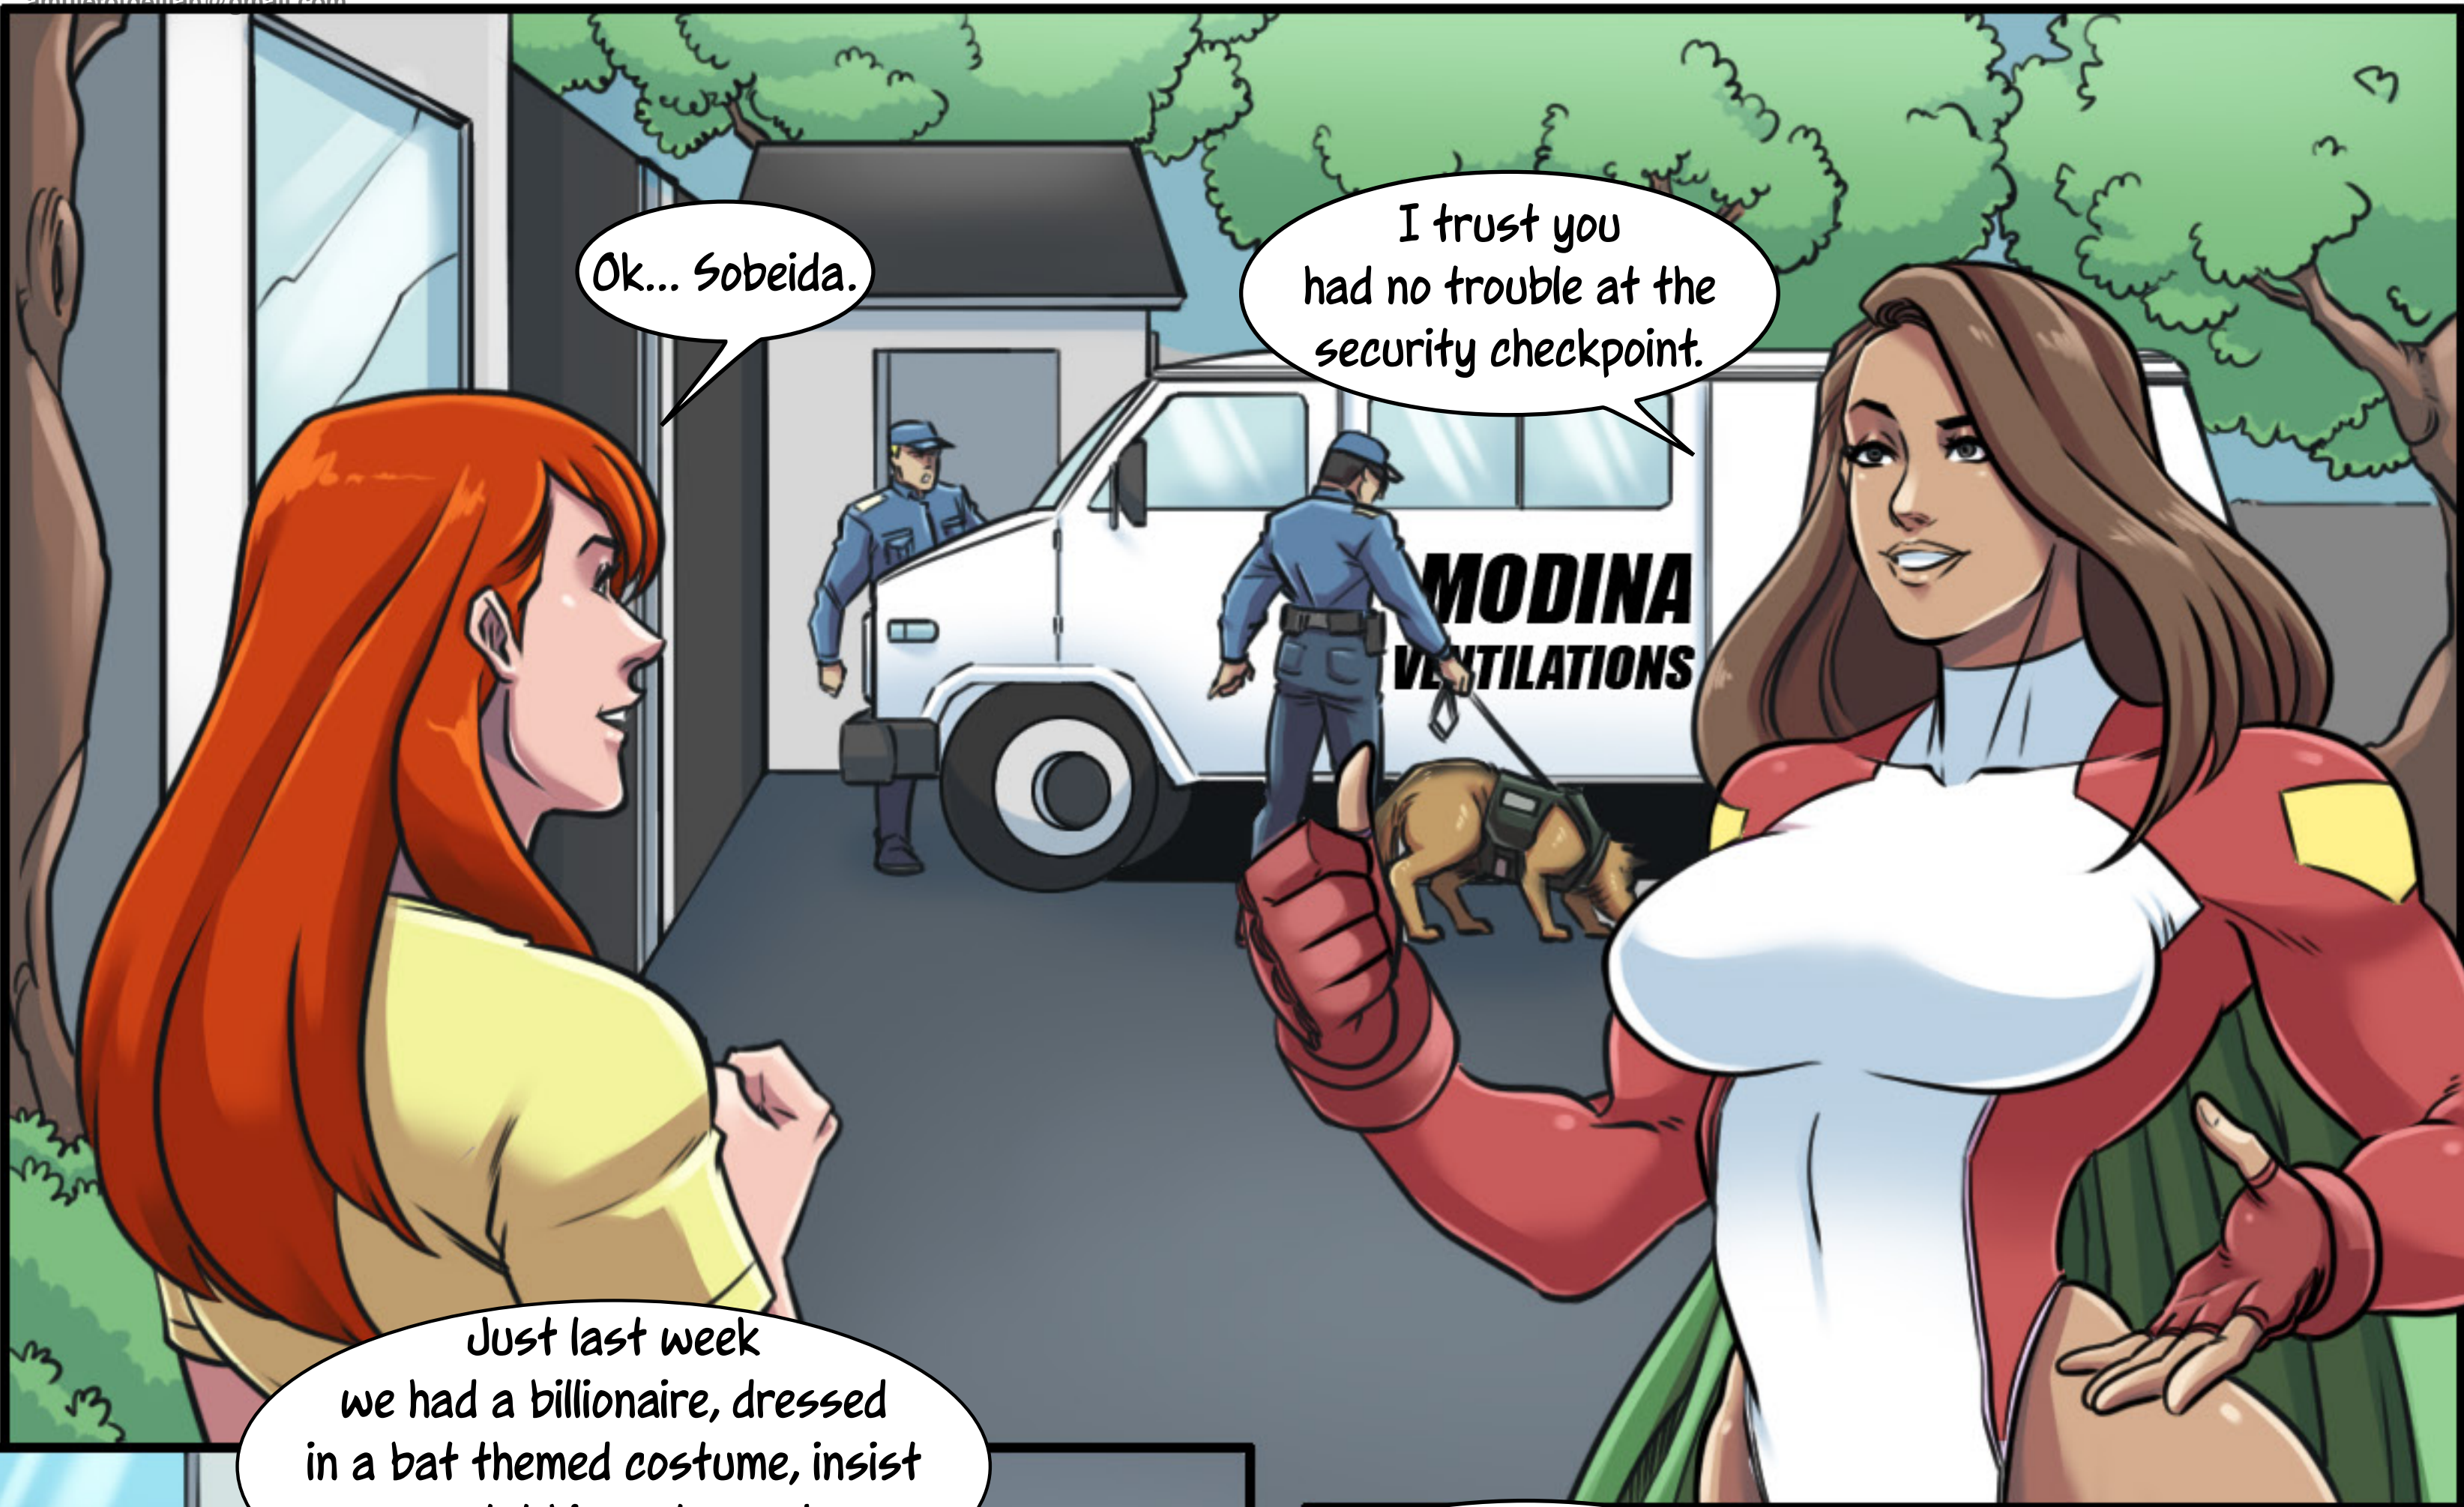

Hola. You must
be Heather, I'm...

OH MY...!!

SUPER SALVADORA!

Ah, we are soon
to be friends, please
call me Sobeida.

Ok... Sobeida.

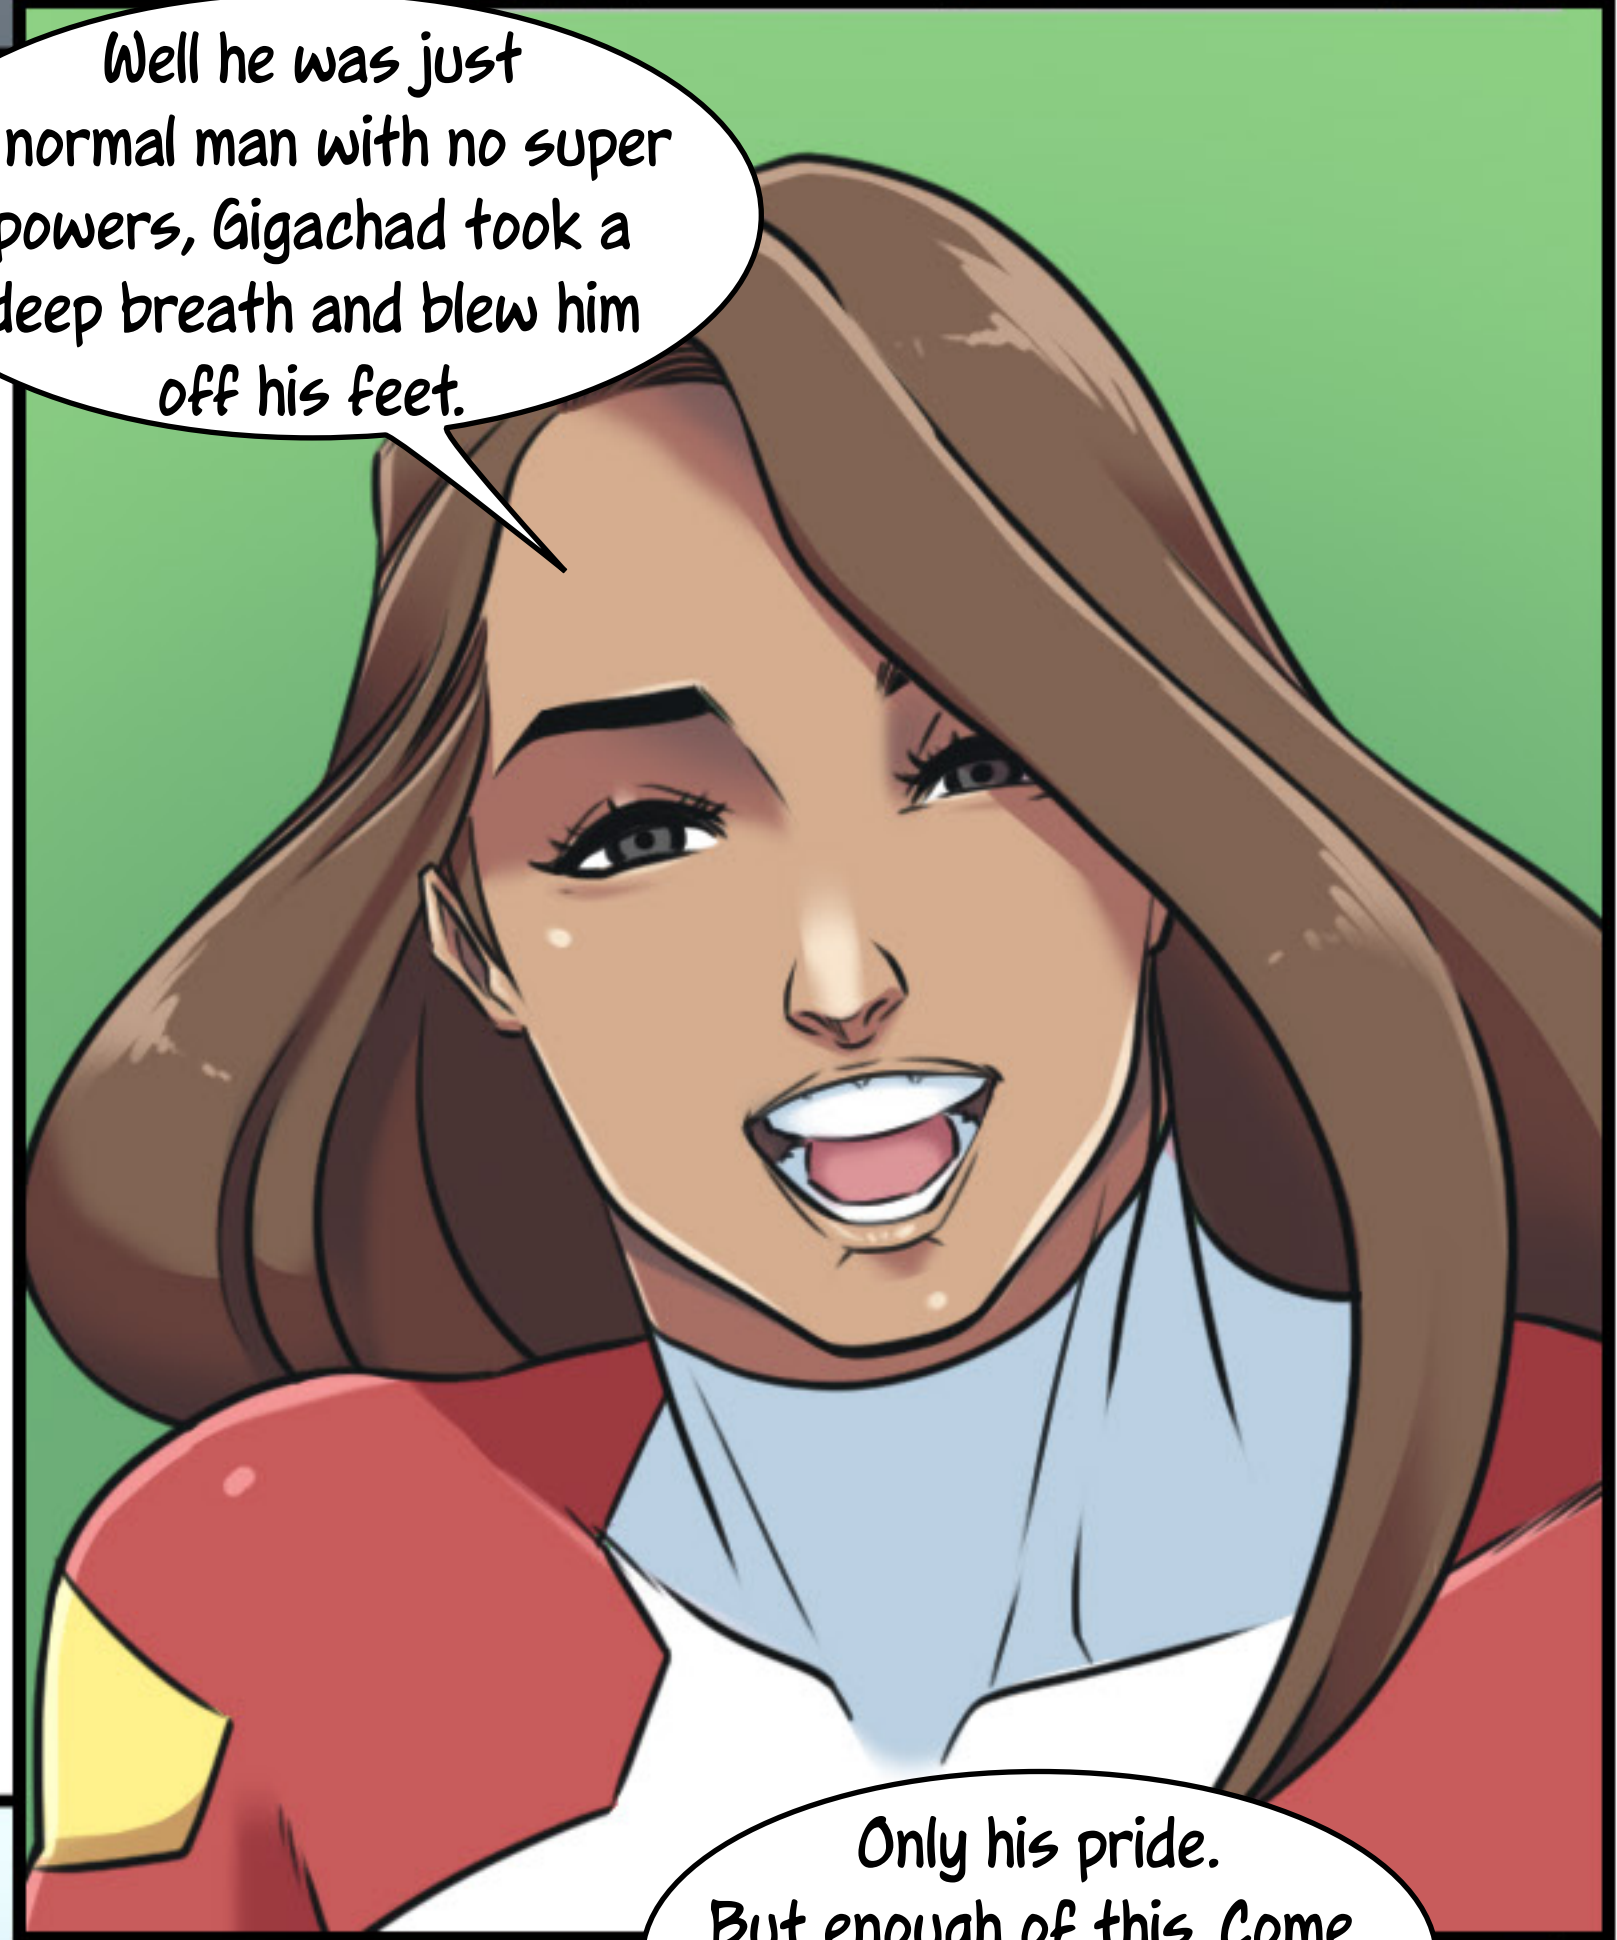

I trust you had no trouble at the security checkpoint.

Just last week we had a billionaire, dressed in a bat themed costume, insist we let him enter and allow him to join us.

Well he was just a normal man with no super powers, Gigachad took a deep breath and blew him off his feet.

Really? I've never heard of a superhero like that.

Only his pride. But enough of this. Come. Let us go inside and begin your tour.

Oh, was he hurt?

KZZZ...

A little later...

...and this is the workout room. No members of the league actually need to workout but a few still enjoy it.

The main barbell is made of a super dense metal called Dutronium and weighs two tons.

Wow.

Under the platform is a super powerful magnet system, which is controlled by this console, that can be used to simulate even greater weight.

COOL!
Can I try?

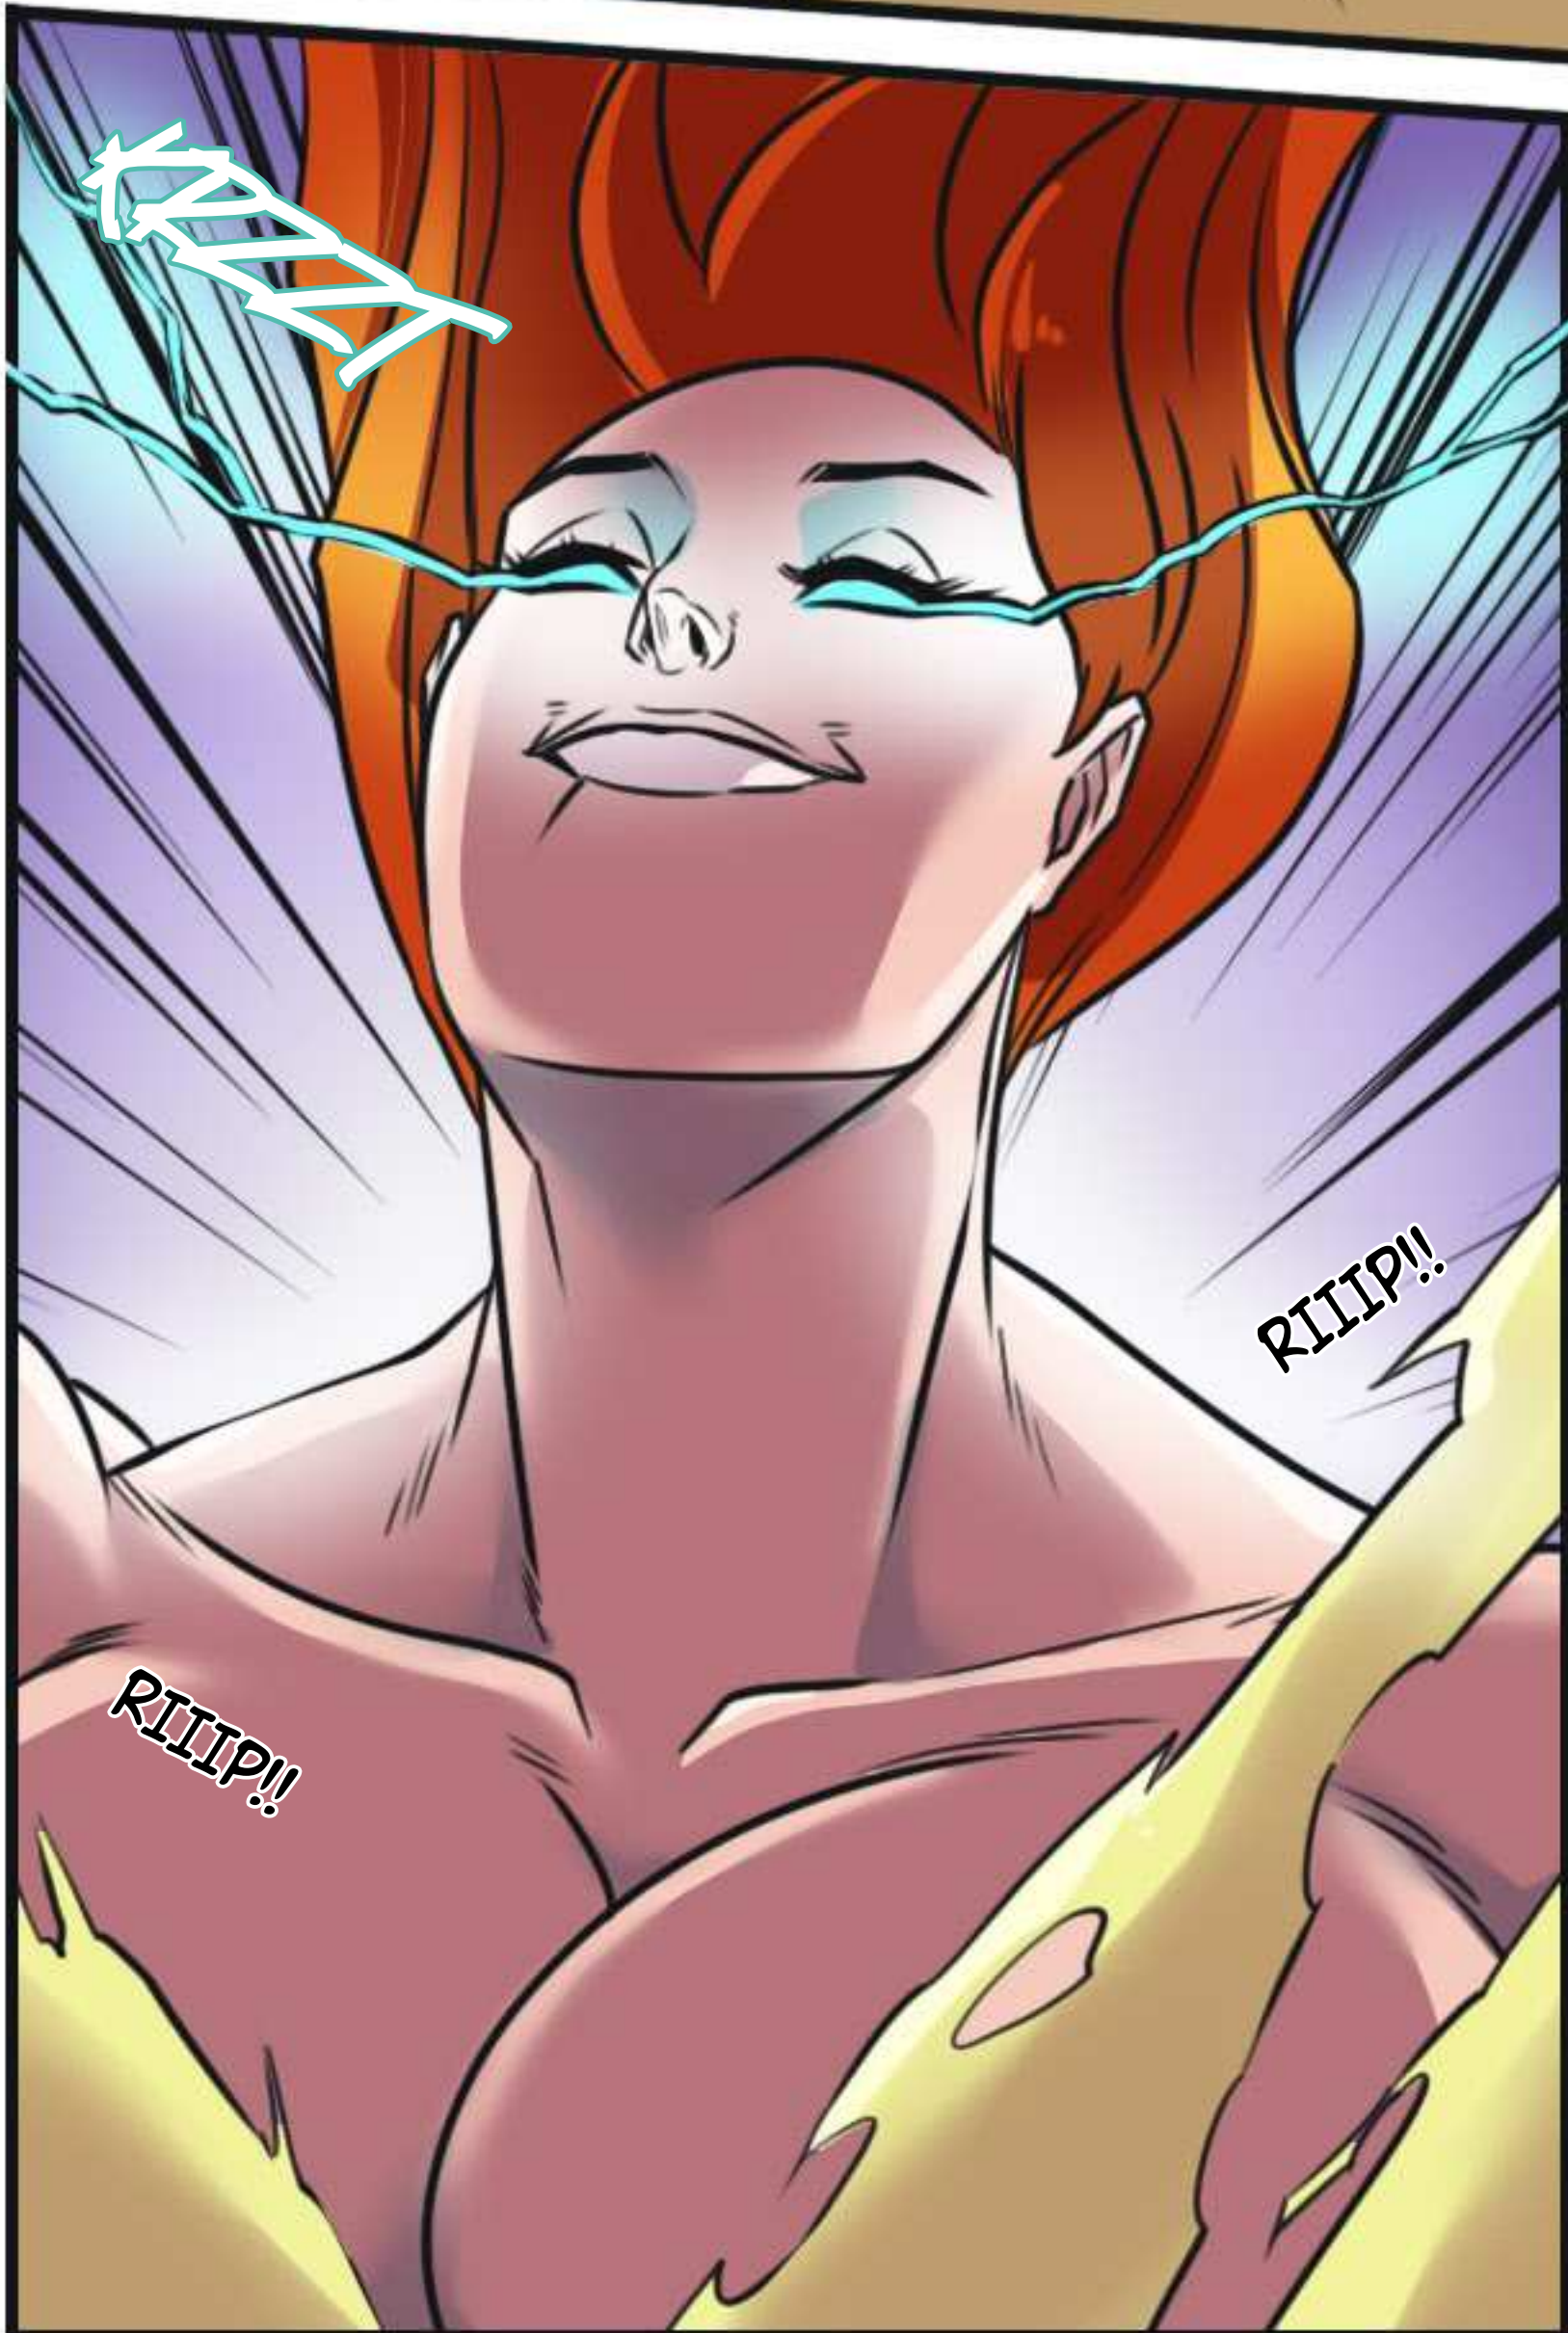

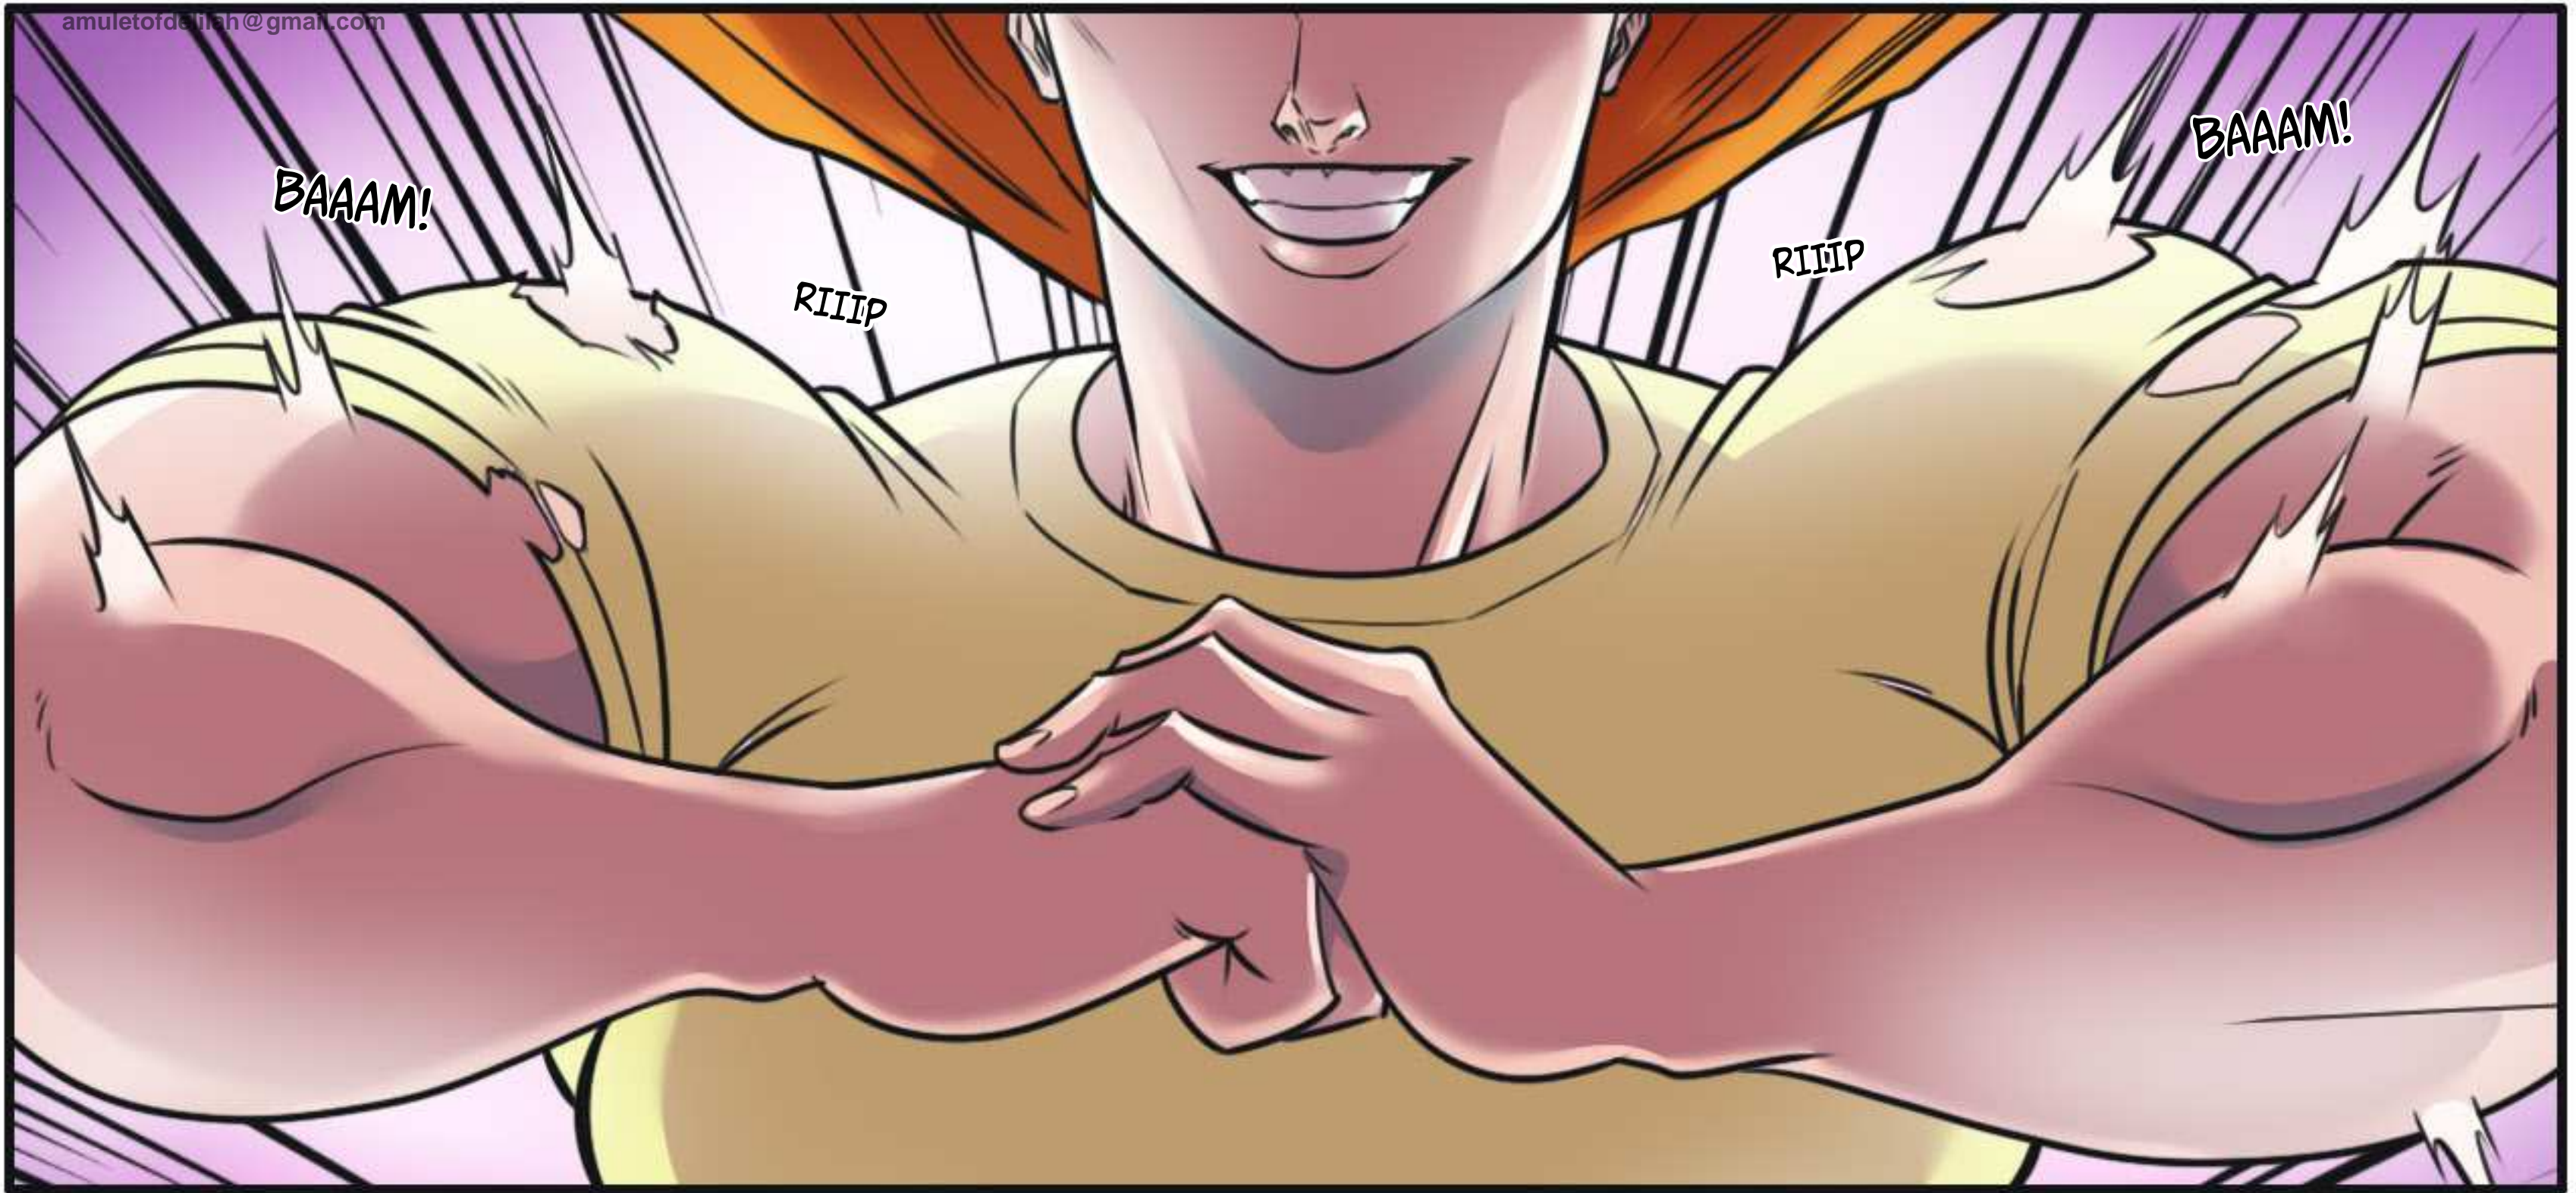

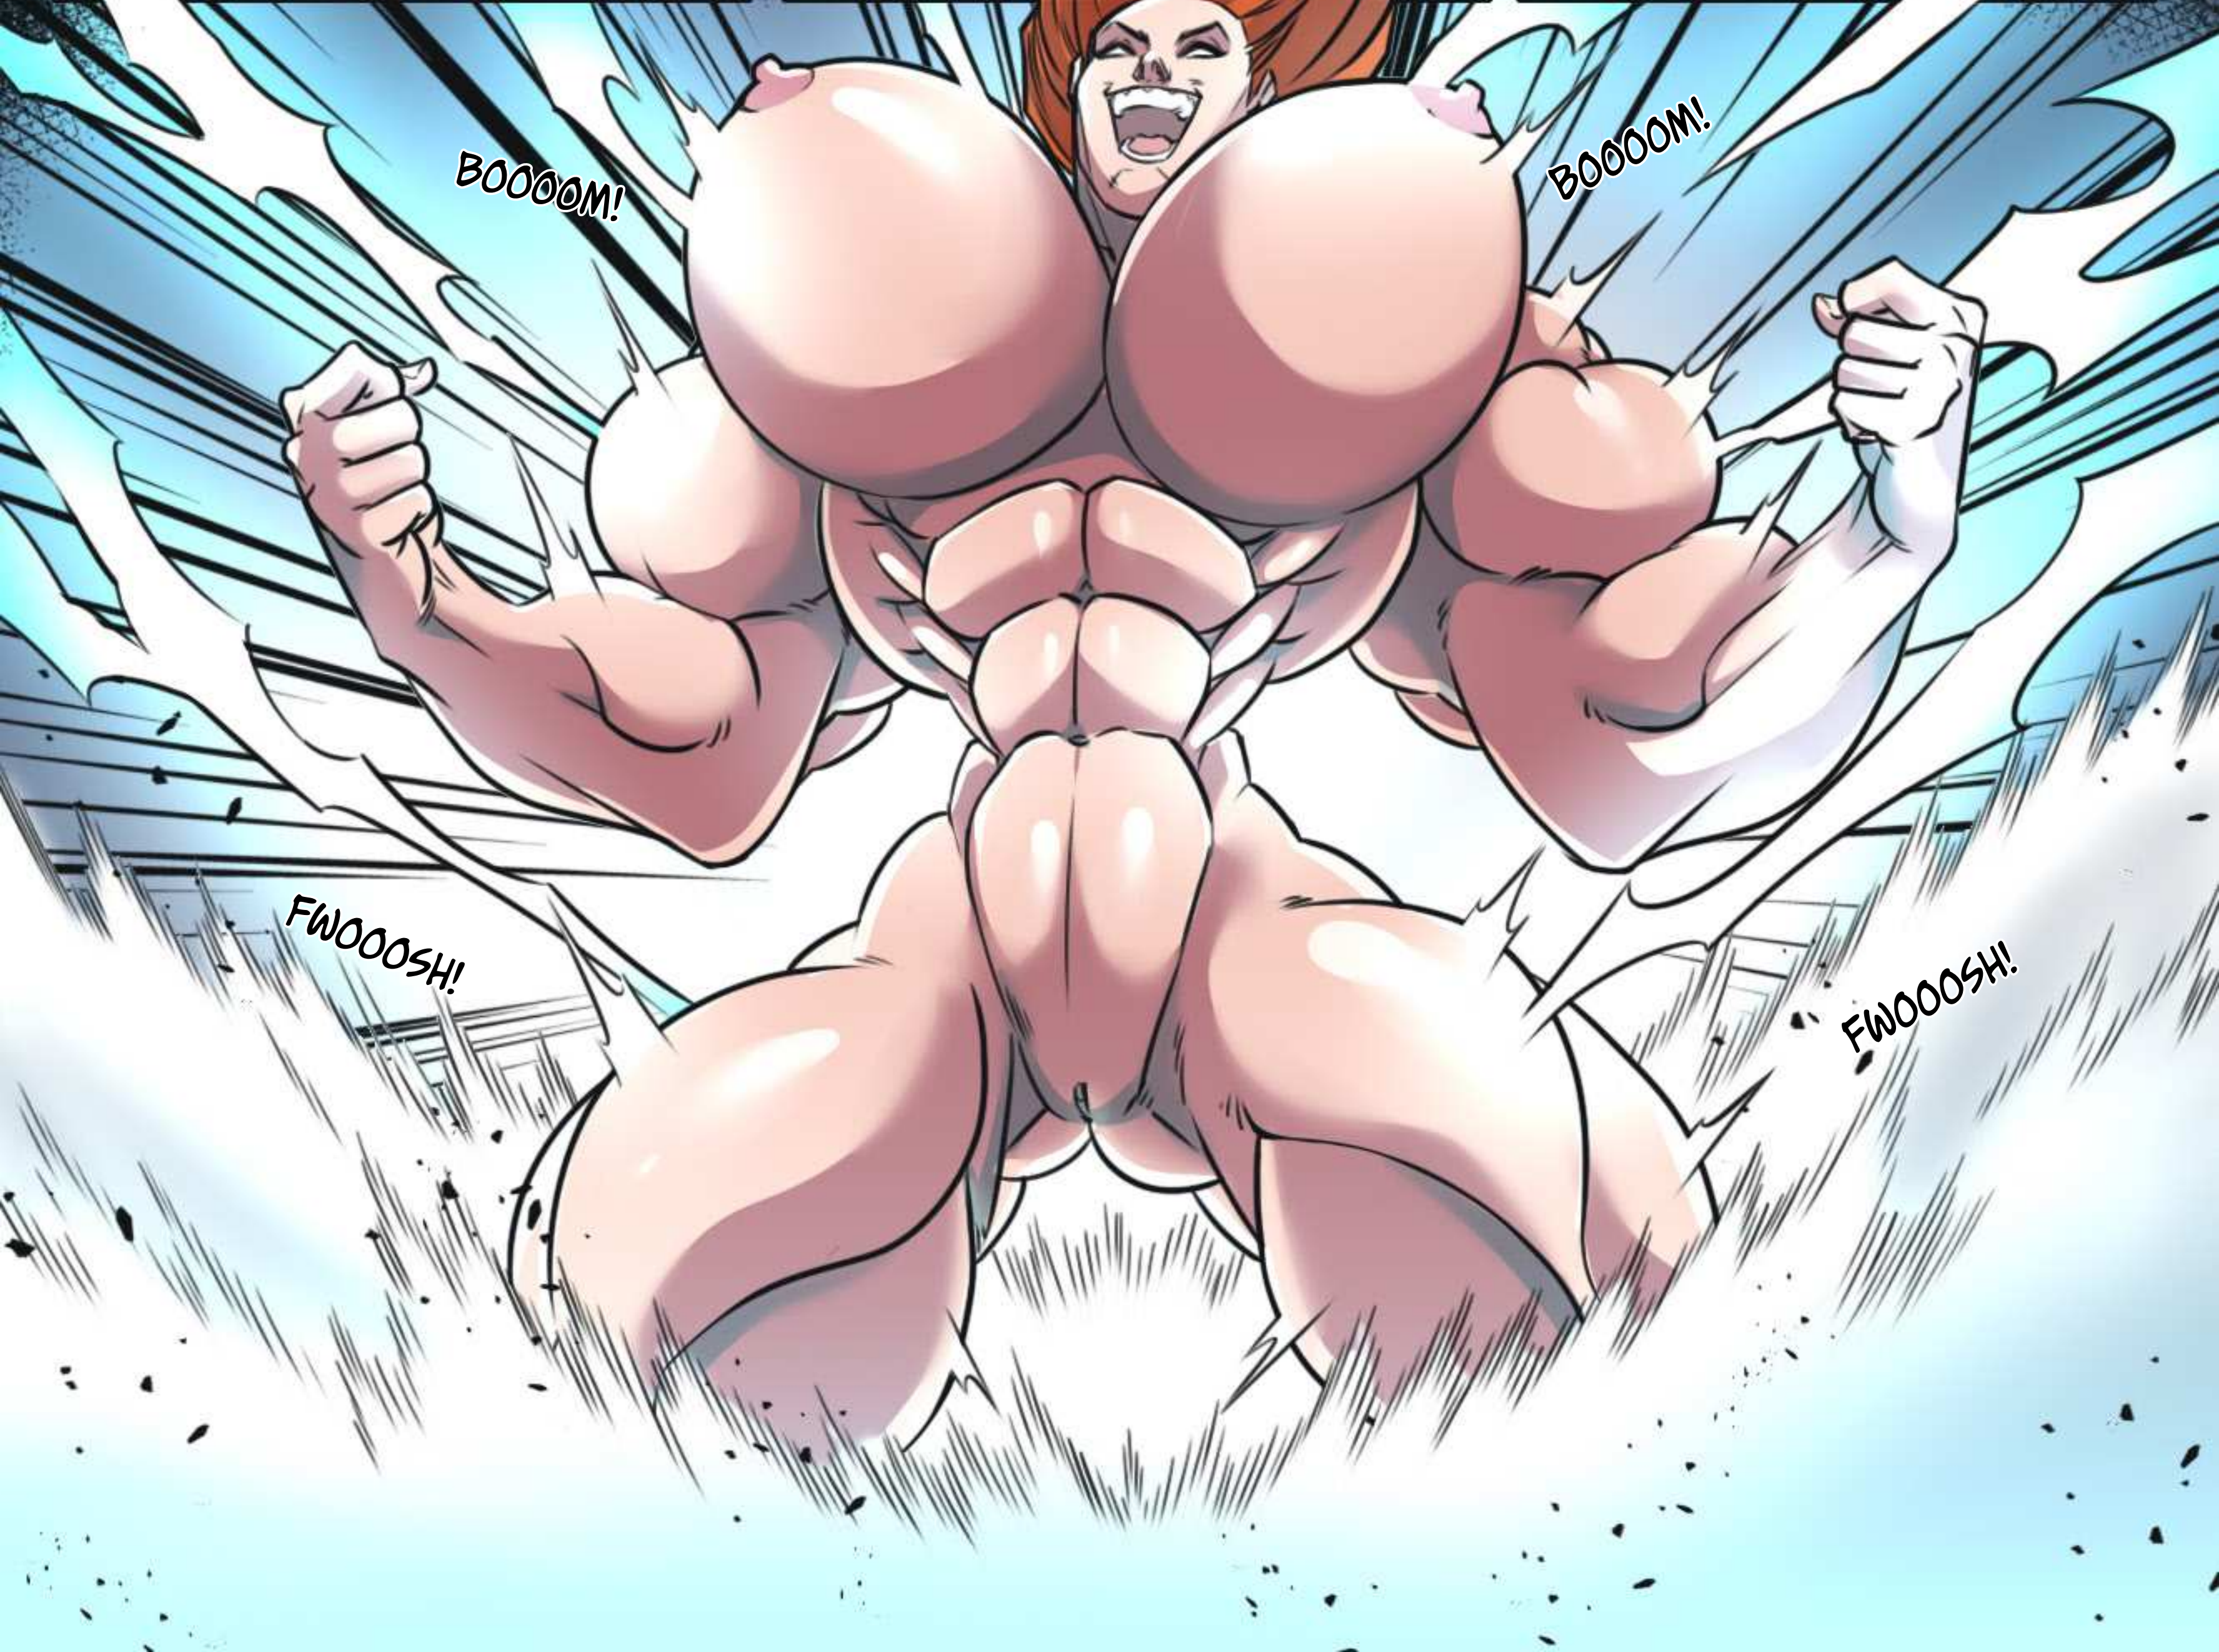

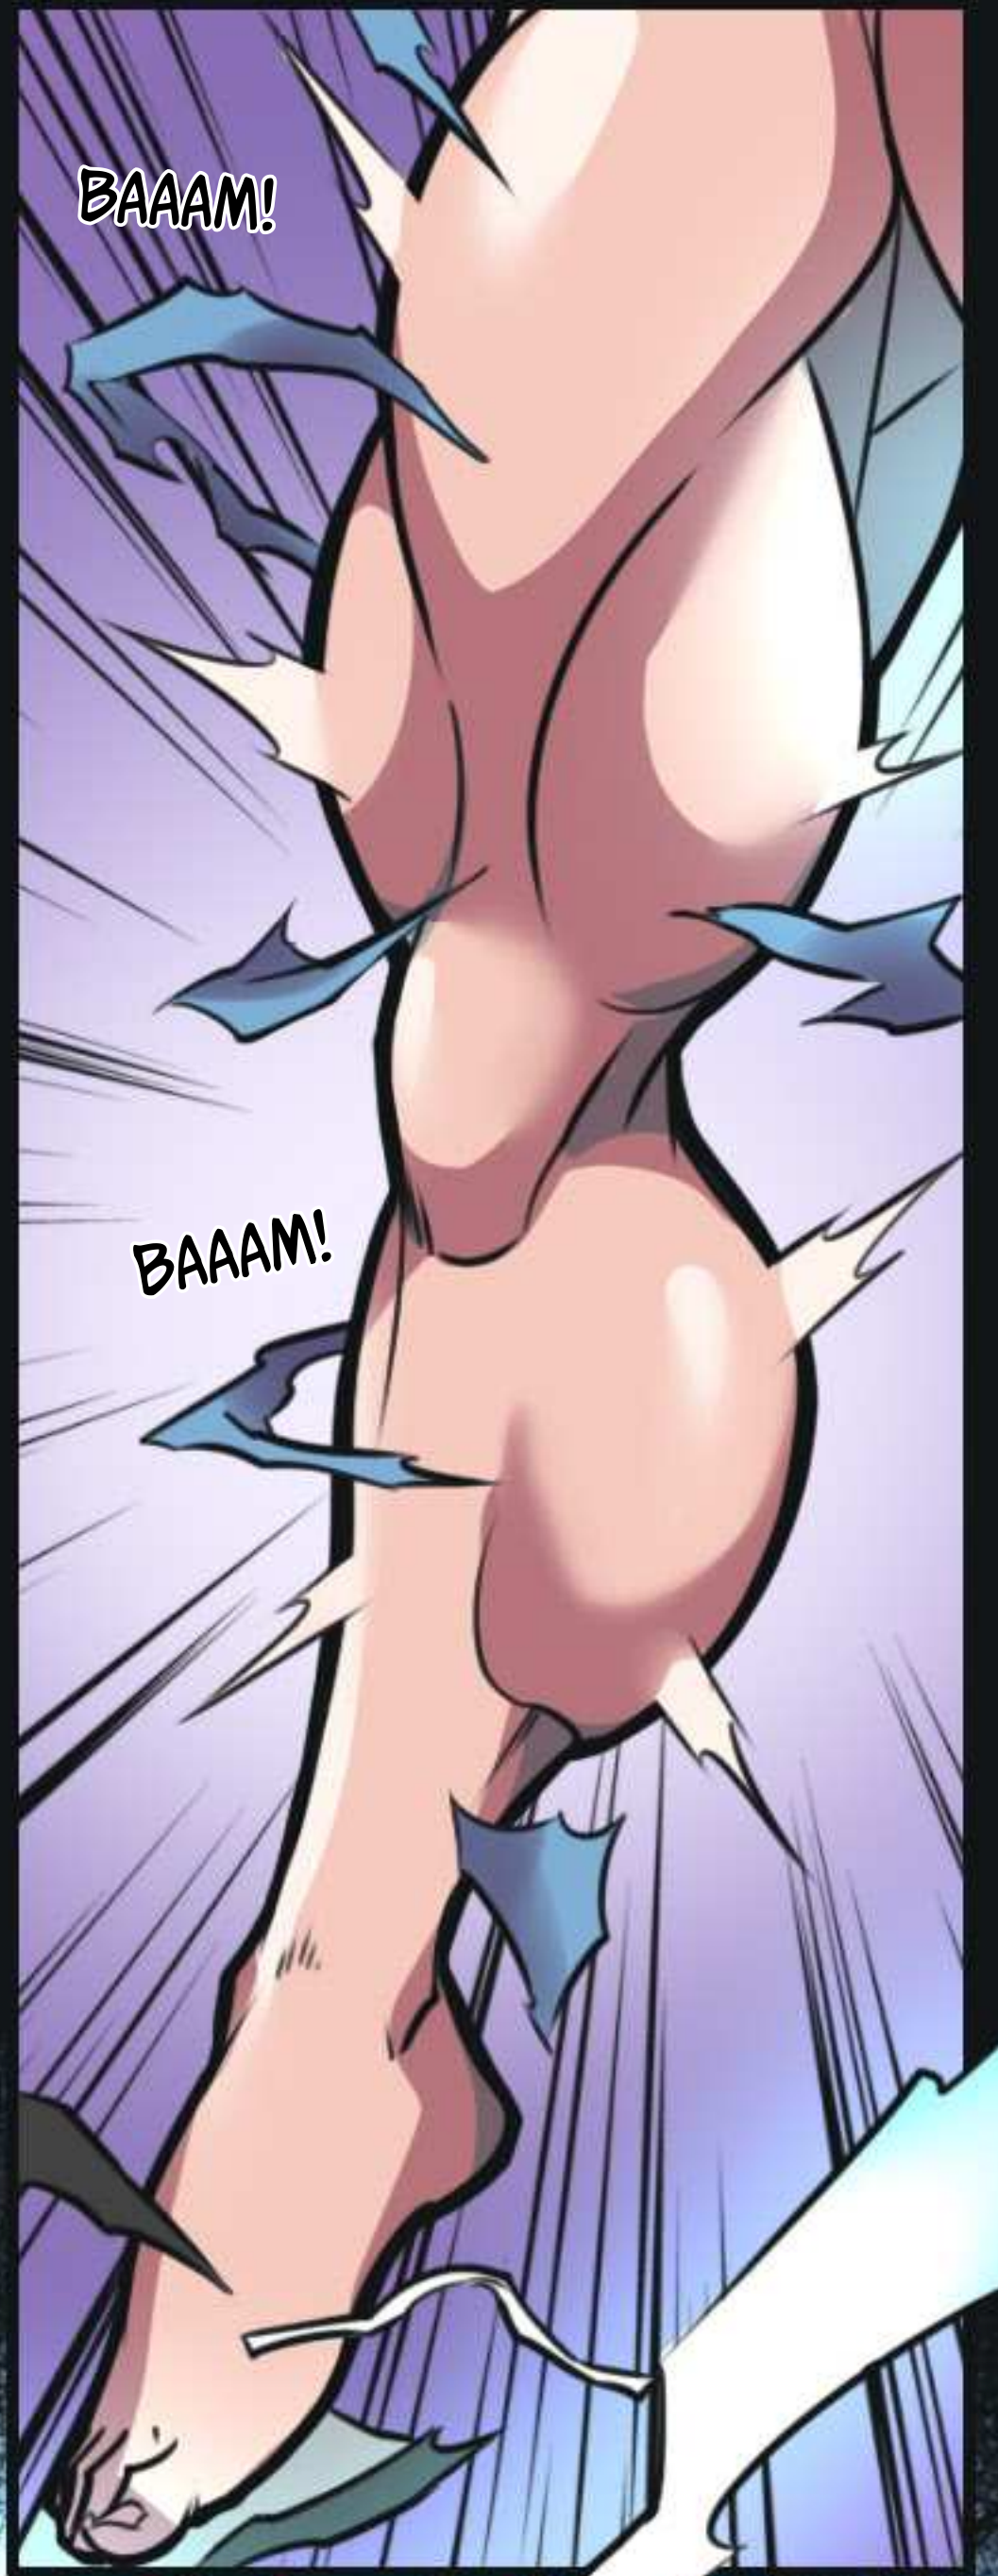

It's Ultra time!

Certainly, I just need to activate the magnet system. If you'd like to change, there are rooms over...

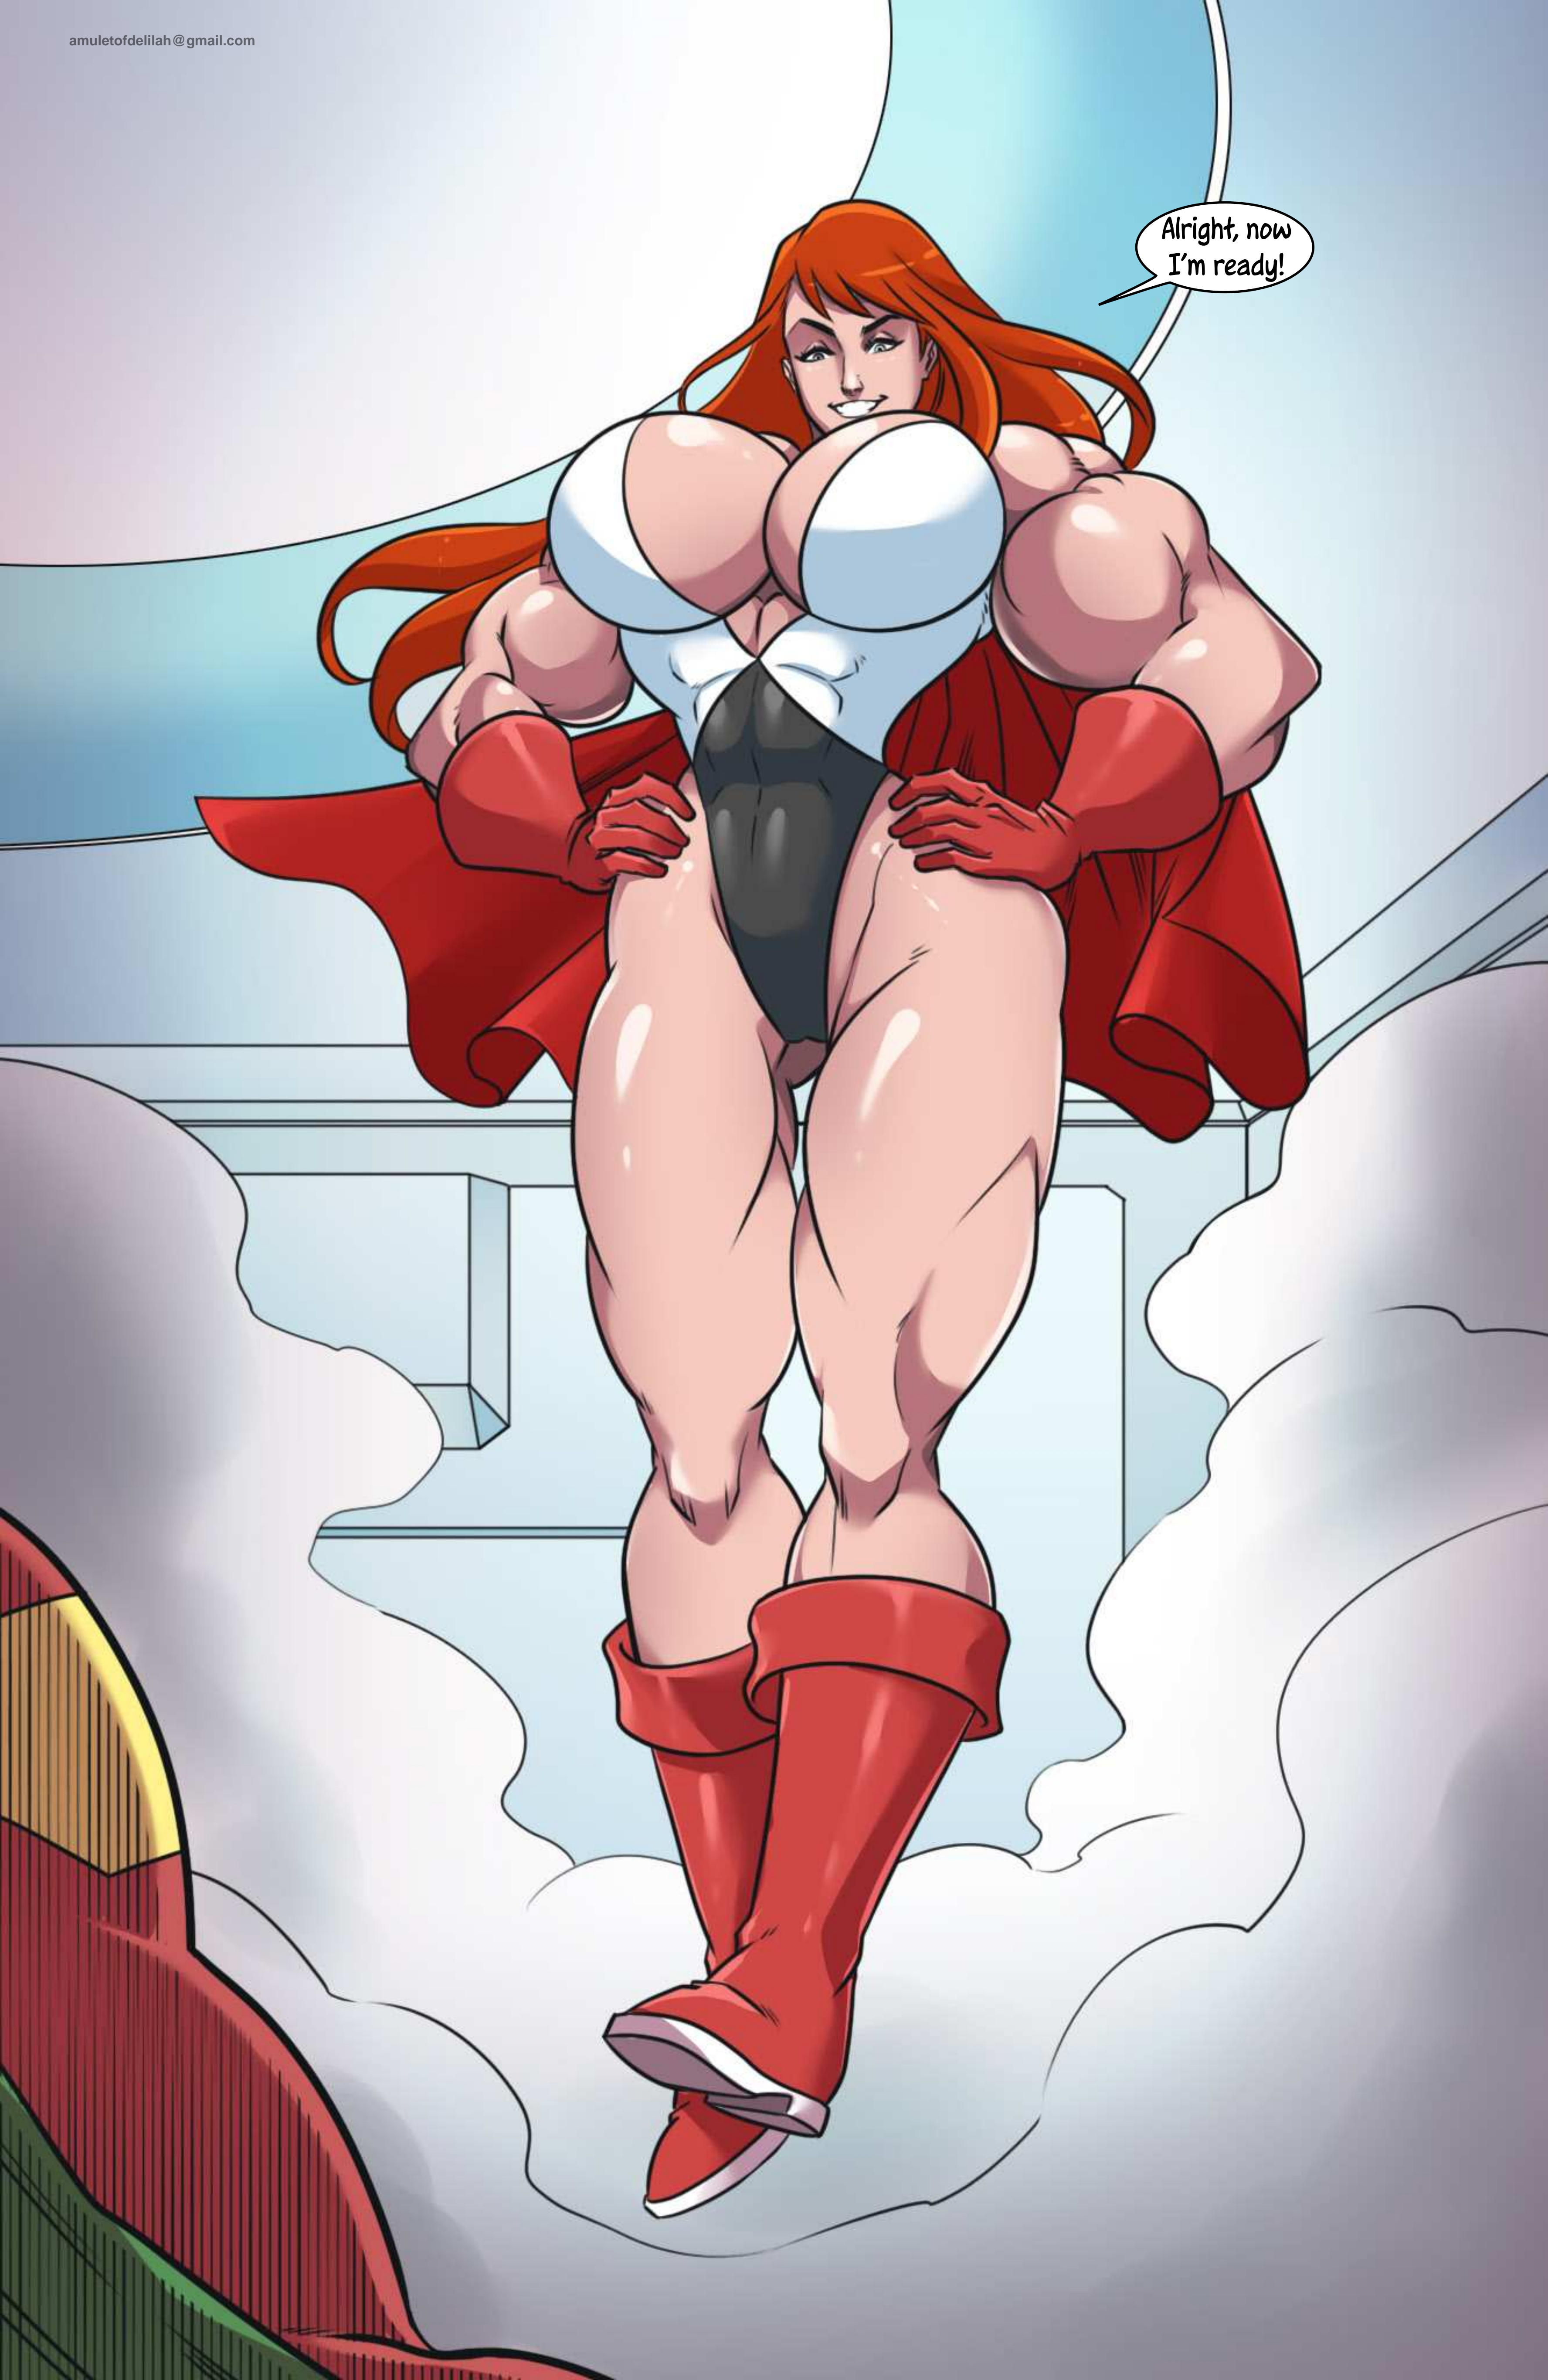

BOOOOM!

BOOOOM!

FWOOOSH!

FWOOOSH!

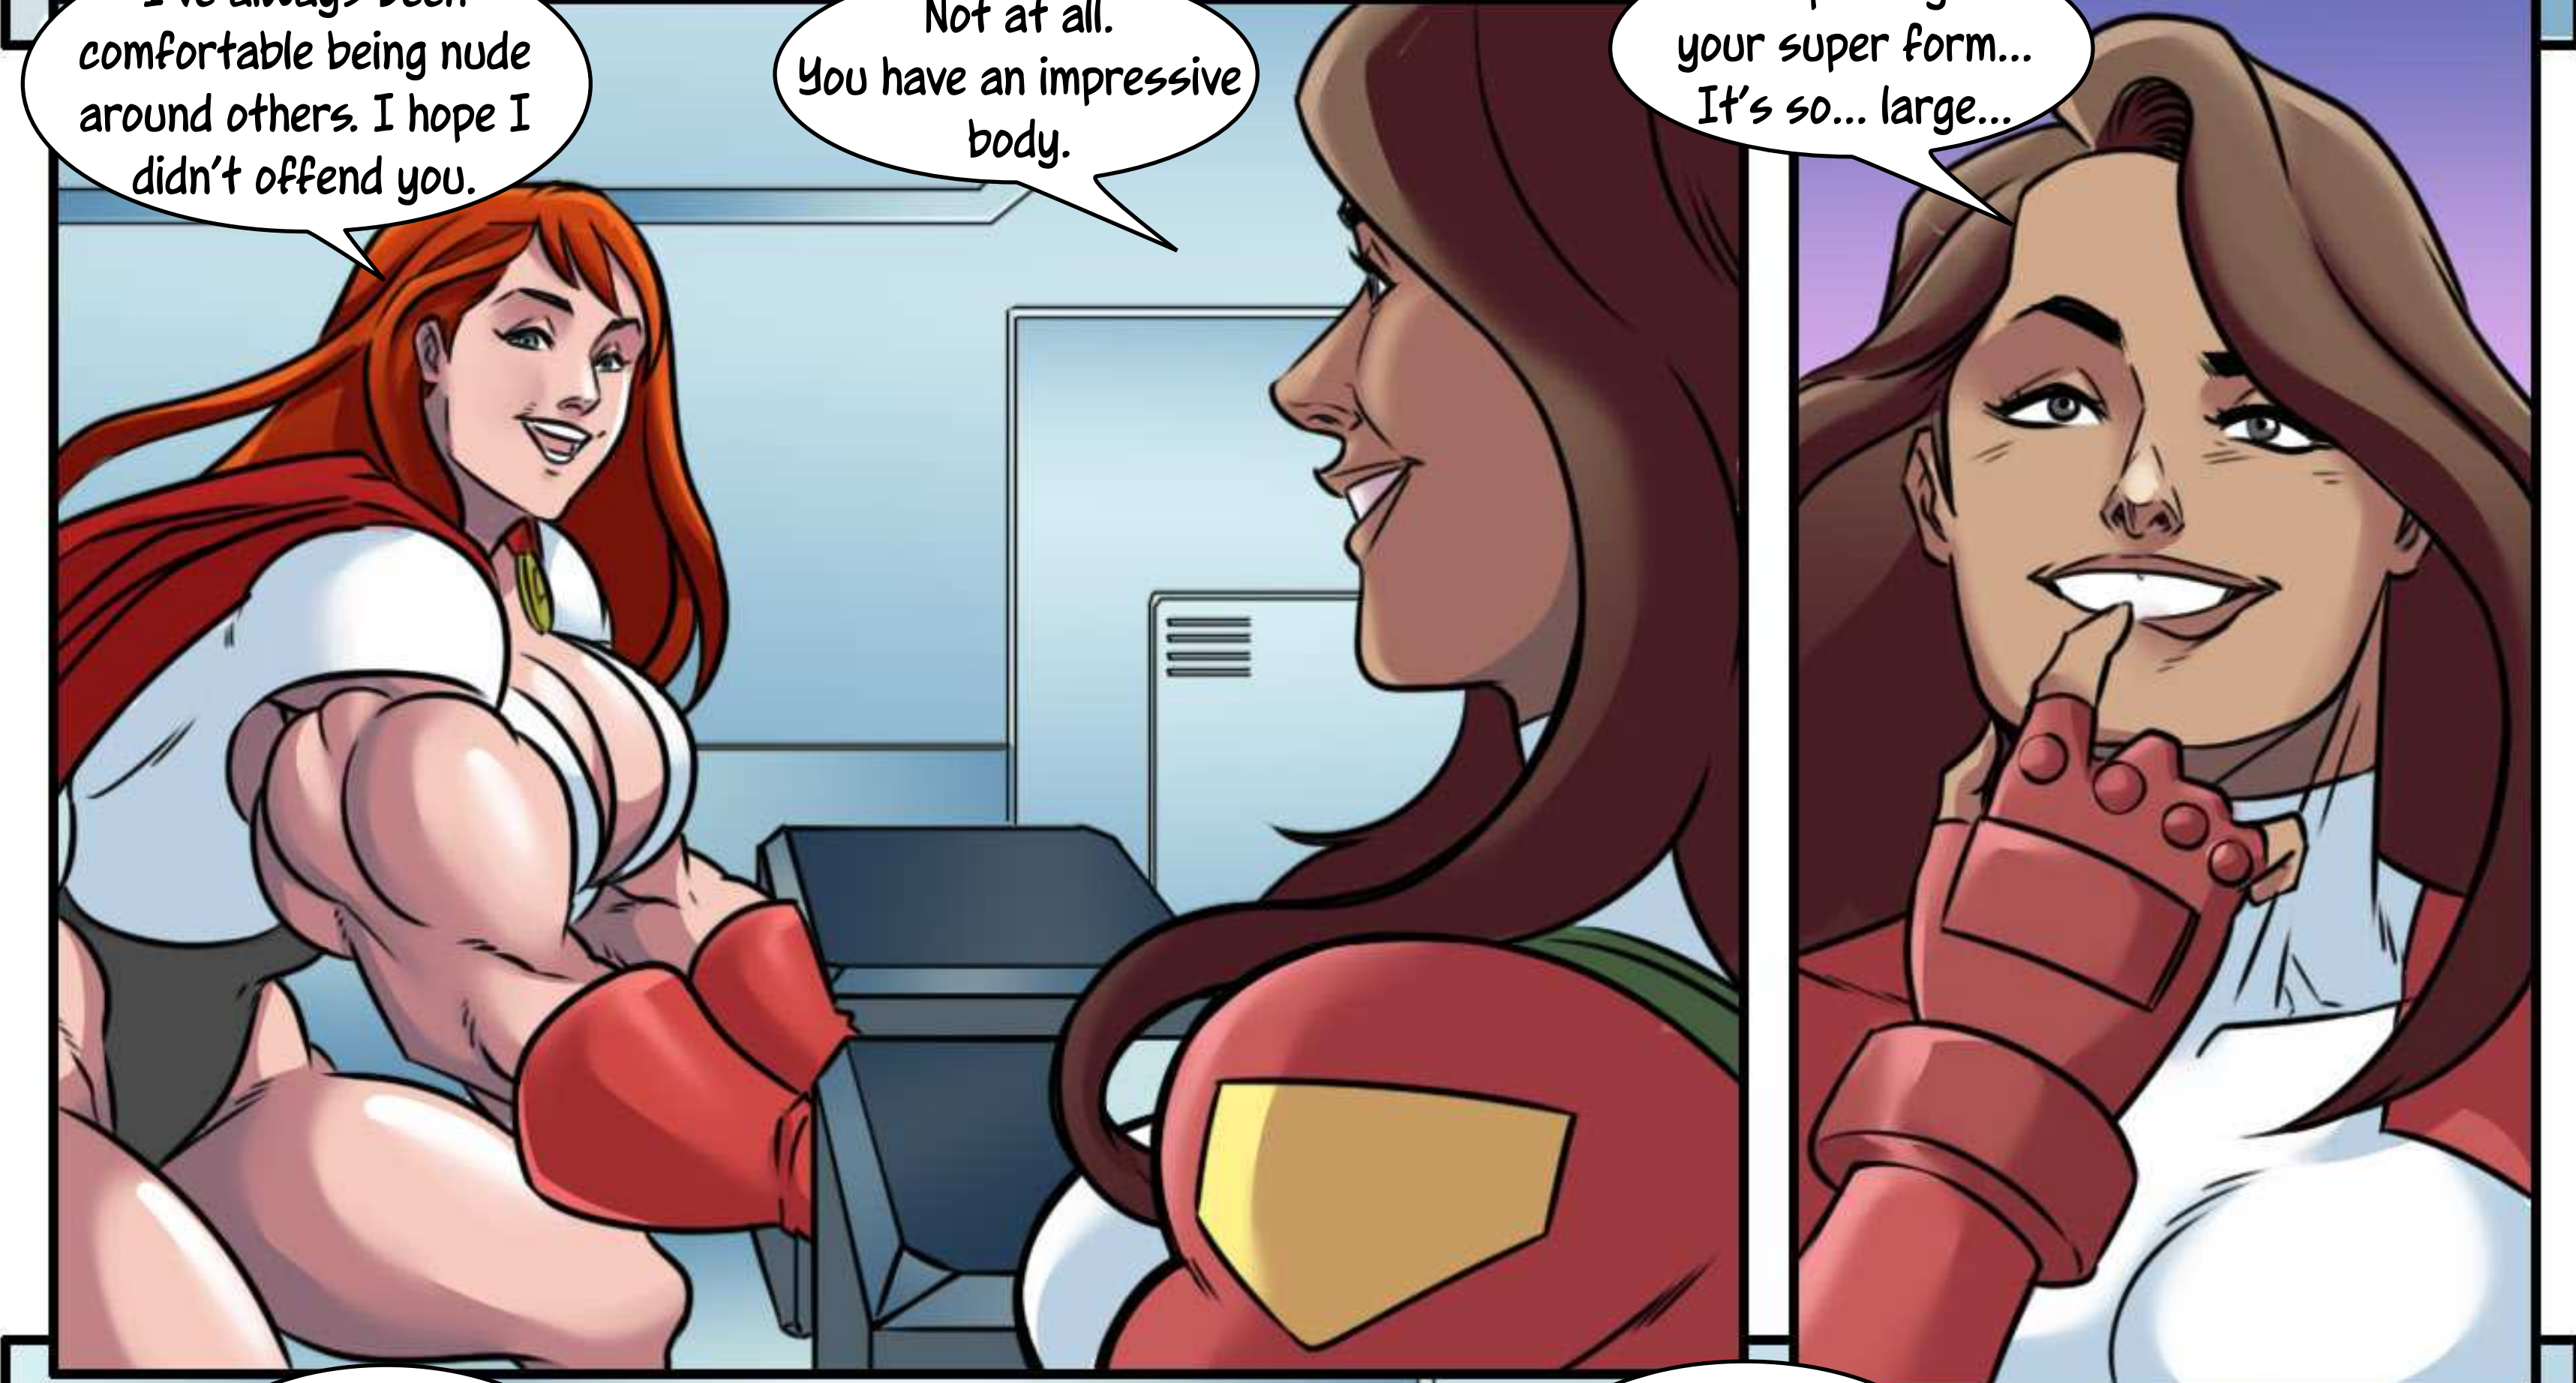

Alright, now
I'm ready!

Oh! You uh... were naked for a moment.

Whoops! I was so excited I totally didn't think about it.

I've always been comfortable being nude around others. I hope I didn't offend you.

Not at all. You have an impressive body.

Especially your super form... It's so... large...

Hmmm... it's a little light for me right now.

Sorry, it must be on a low setting I'll...

Dios Mio!
It's set to Mighty
Man's level!

Maybe it's
broken.

Yes perhaps.
Let me try it.

Ok.

SOOOOO...
HEAVY...!!!

RUMBLE

Careful. Don't
hurt yourself.

Well that...
gasp was embarrassing...

tour?

HOLY... her grip... I'm actually feeling a bit of pain!

Perhaps you'd like to see E.T.T.A., our supercomputer?

You have a supercomputer?!?

E.T.T.A. Please introduce yourself.

I AM E.T.T.A. THE EMERGENCY THREAT TACTICAL ANALYZER.

NO WAY! It can talk?!? What else can it do?

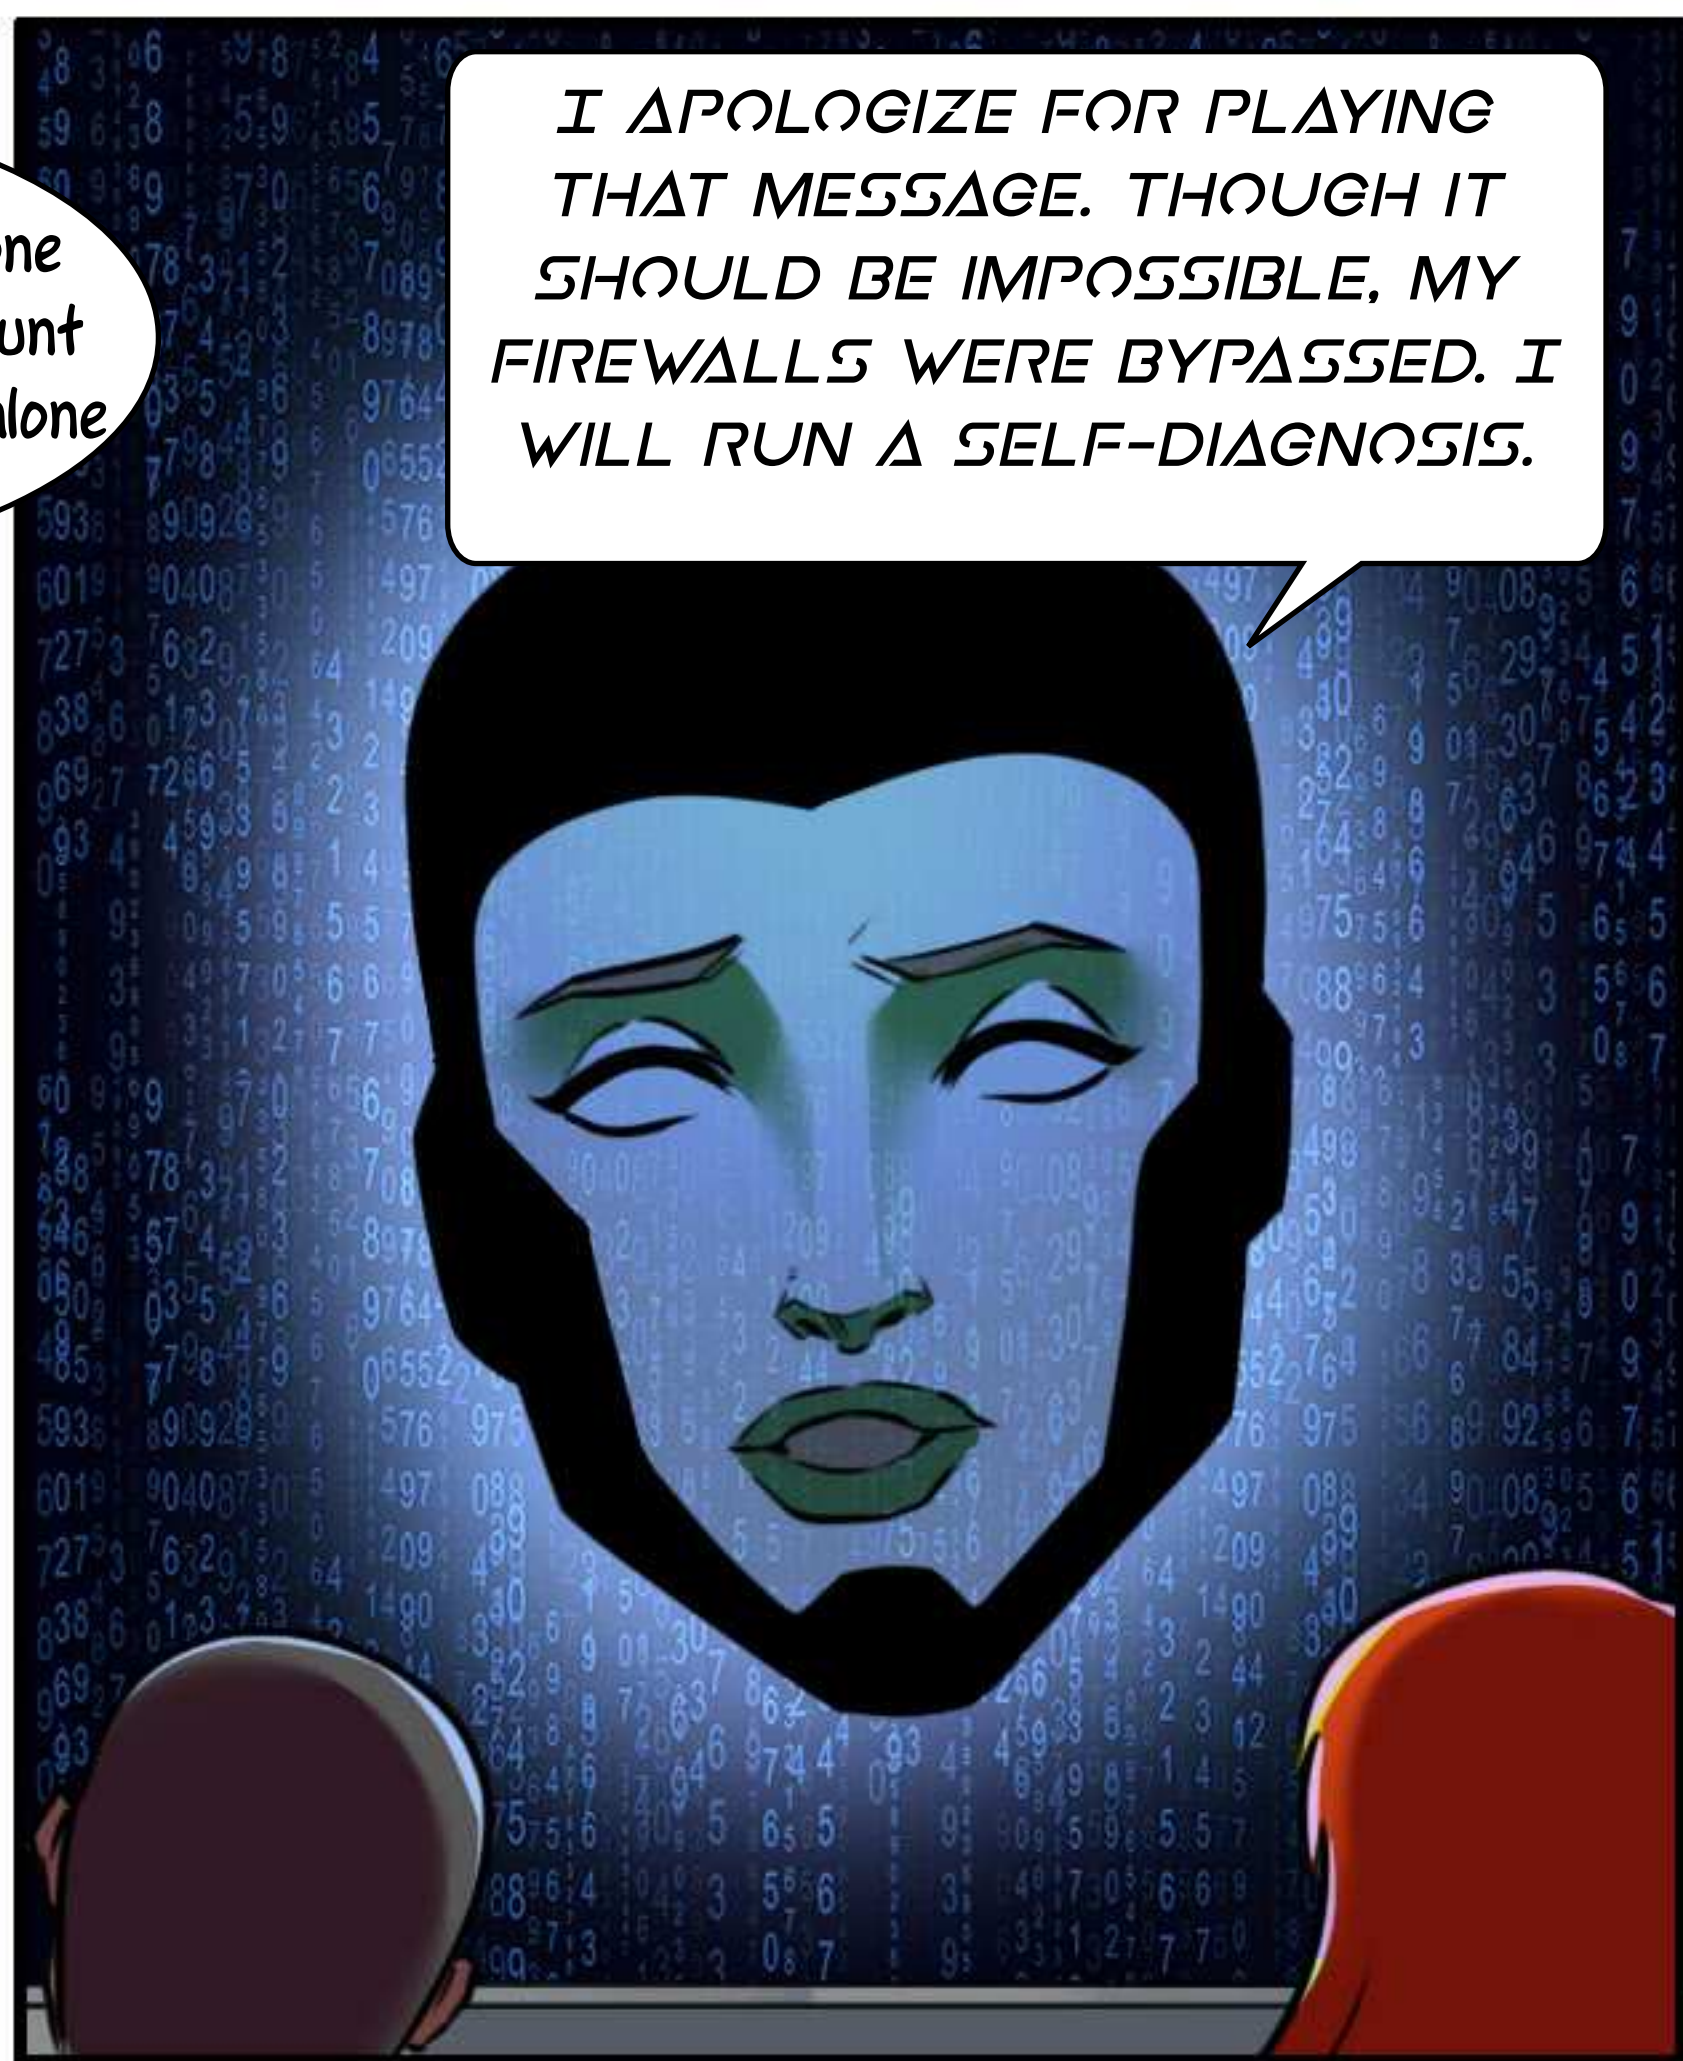

IN ADDITION TO MONITORING THE WORLD FOR EMERGENCIES I AM ALSO IN CHARGE OF SECURITY FOR THIS FACILITY. ADDITIONALLY, I...

Attention morons.
I challenge Ultra-Gal to a one
on one fight. Meet me at Mount
Rushmore. Be sure to come alone
or I will blow it up.

DOMINA!?!

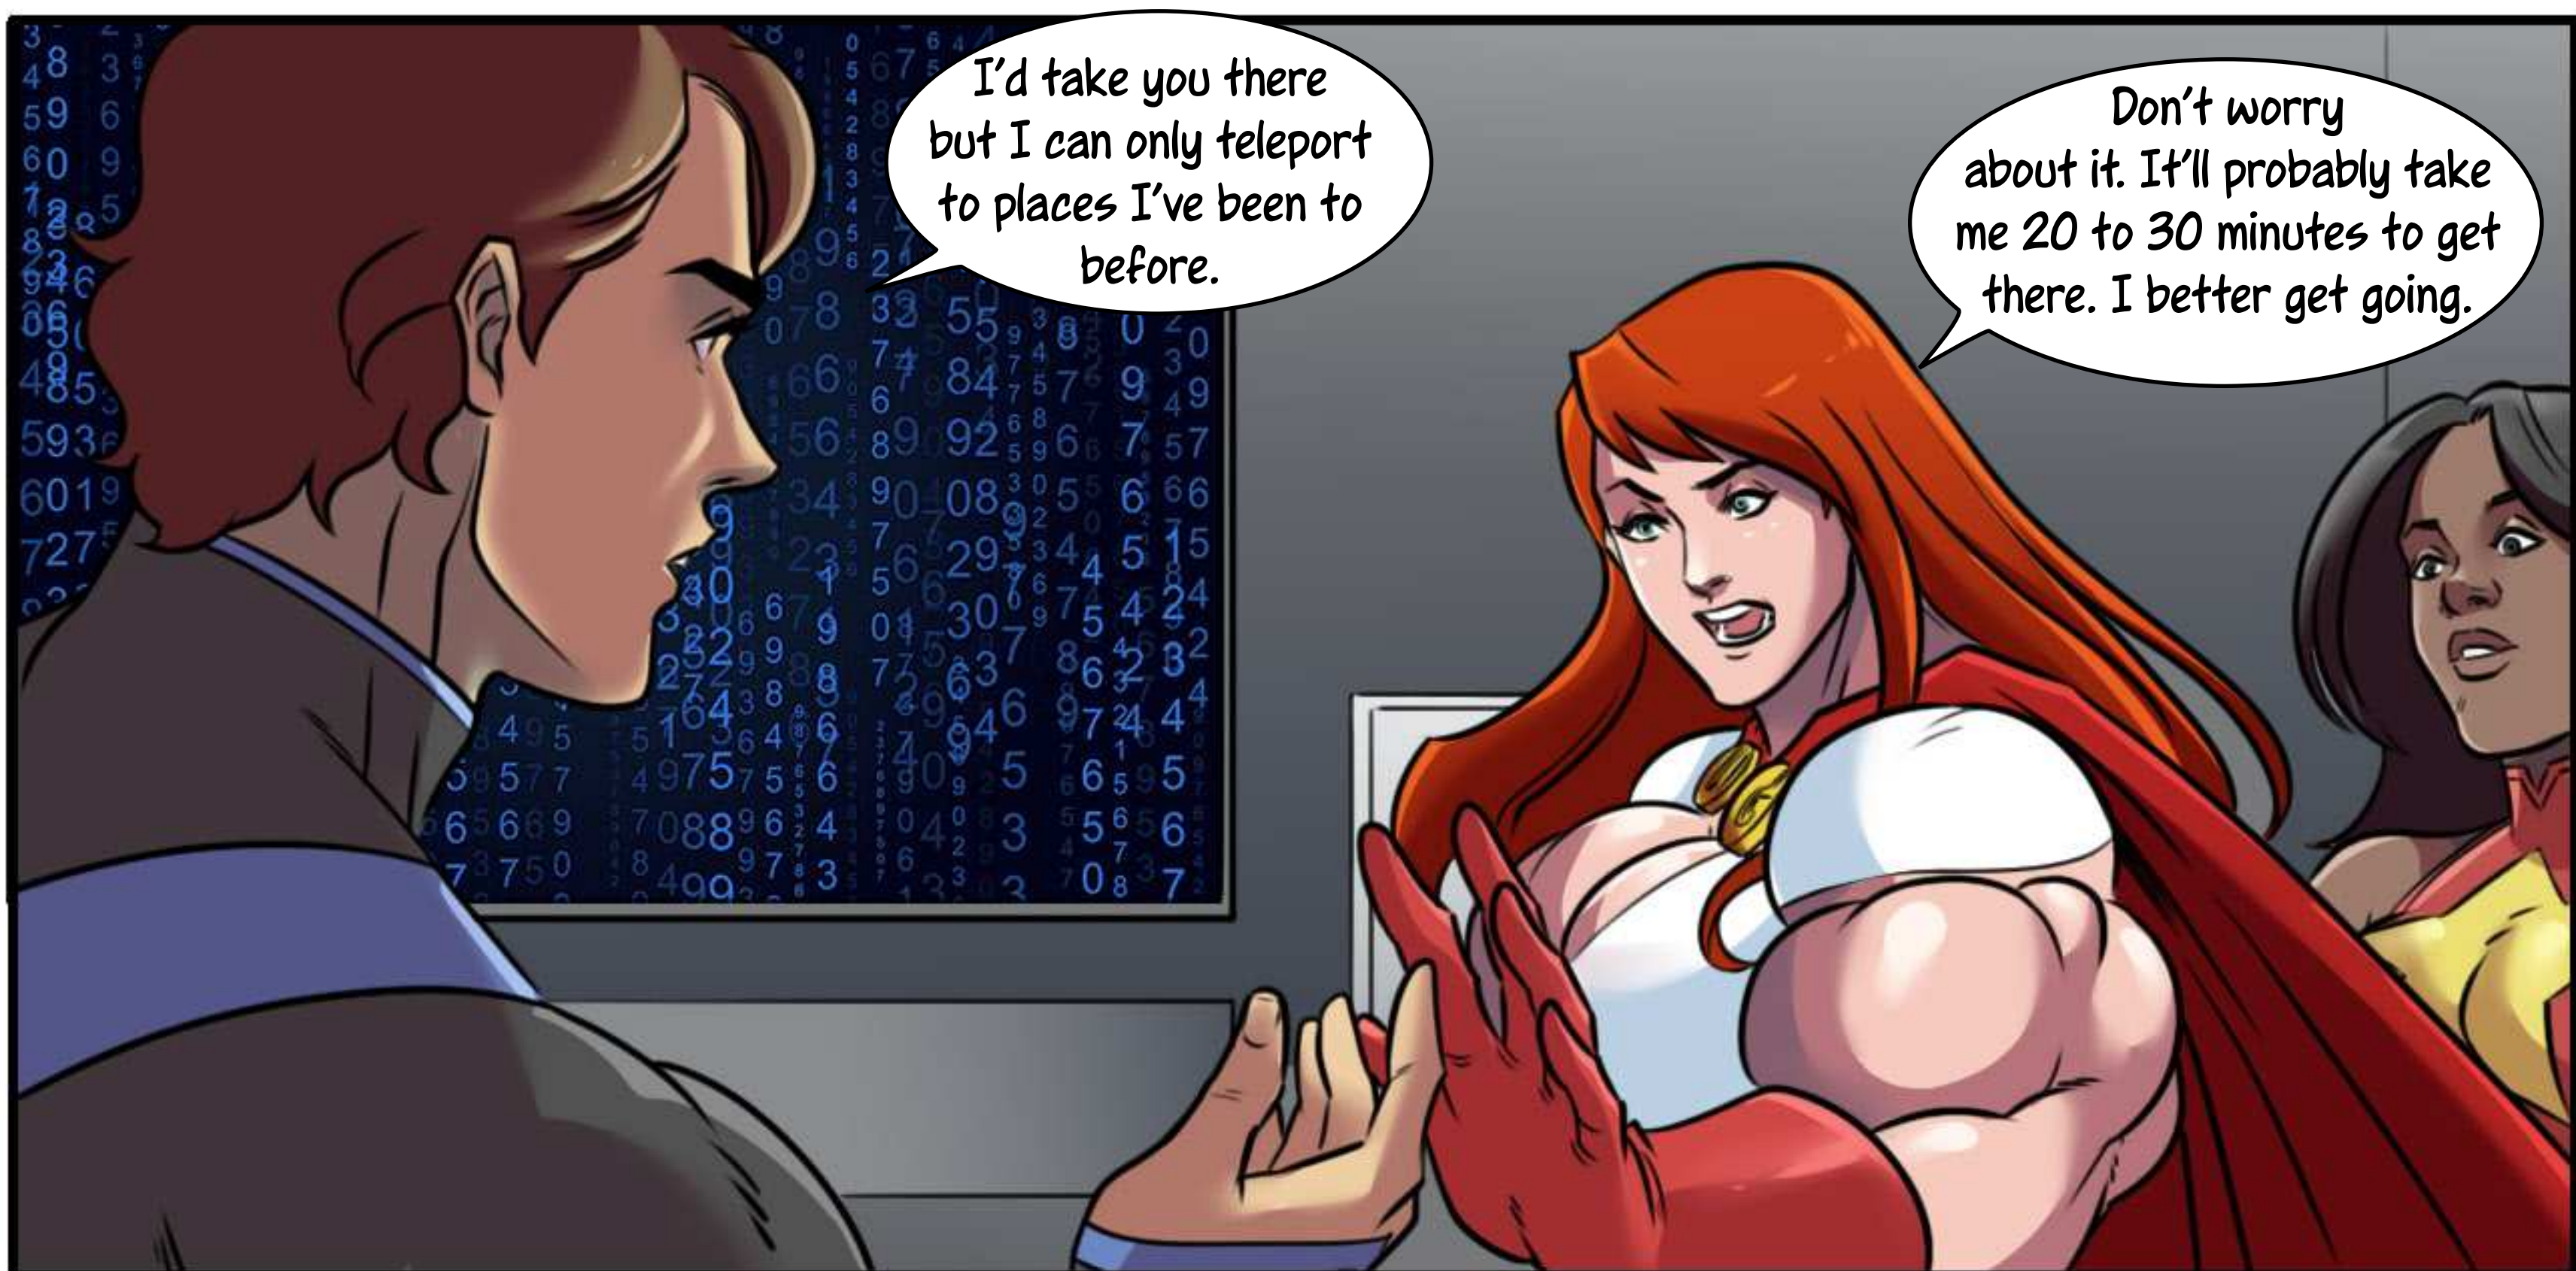

I APOLOGIZE FOR PLAYING
THAT MESSAGE. THOUGH IT
SHOULD BE IMPOSSIBLE, MY
FIREWALLS WERE BYPASSED. I
WILL RUN A SELF-DIAGNOSIS.

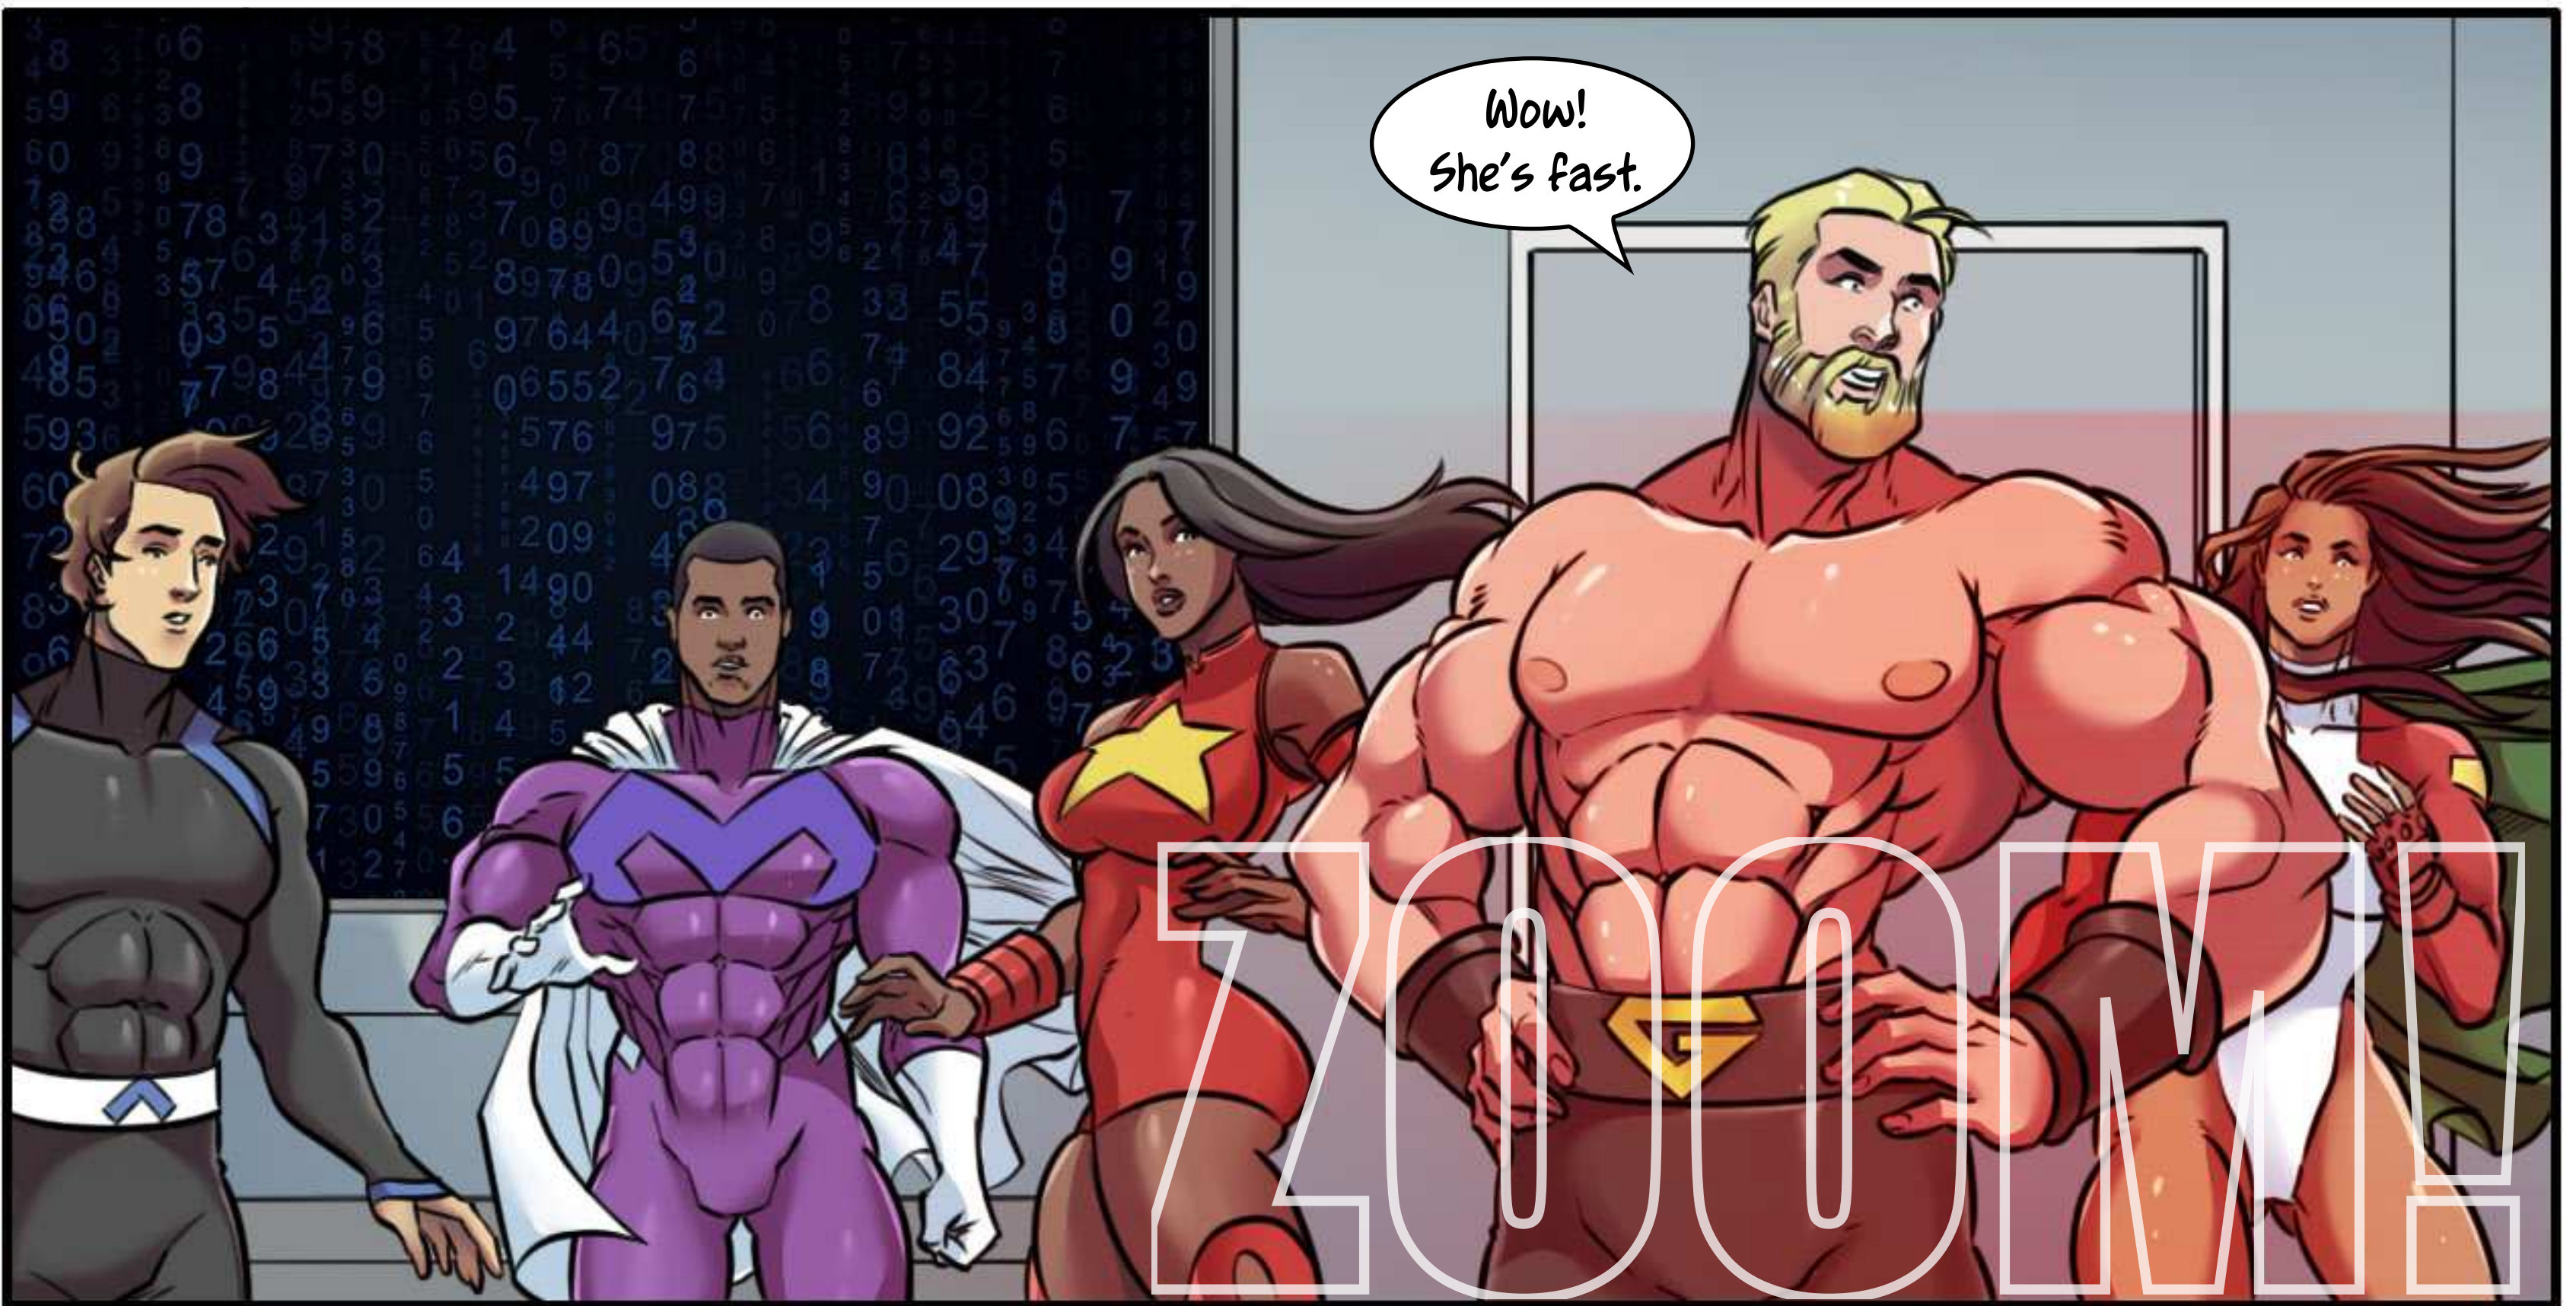

Well that's
obviously a trap.
I'll turn invisible and
go with you.

No it's too risky.
Besides, I'm sure I can
handle whatever she has
waiting for me.

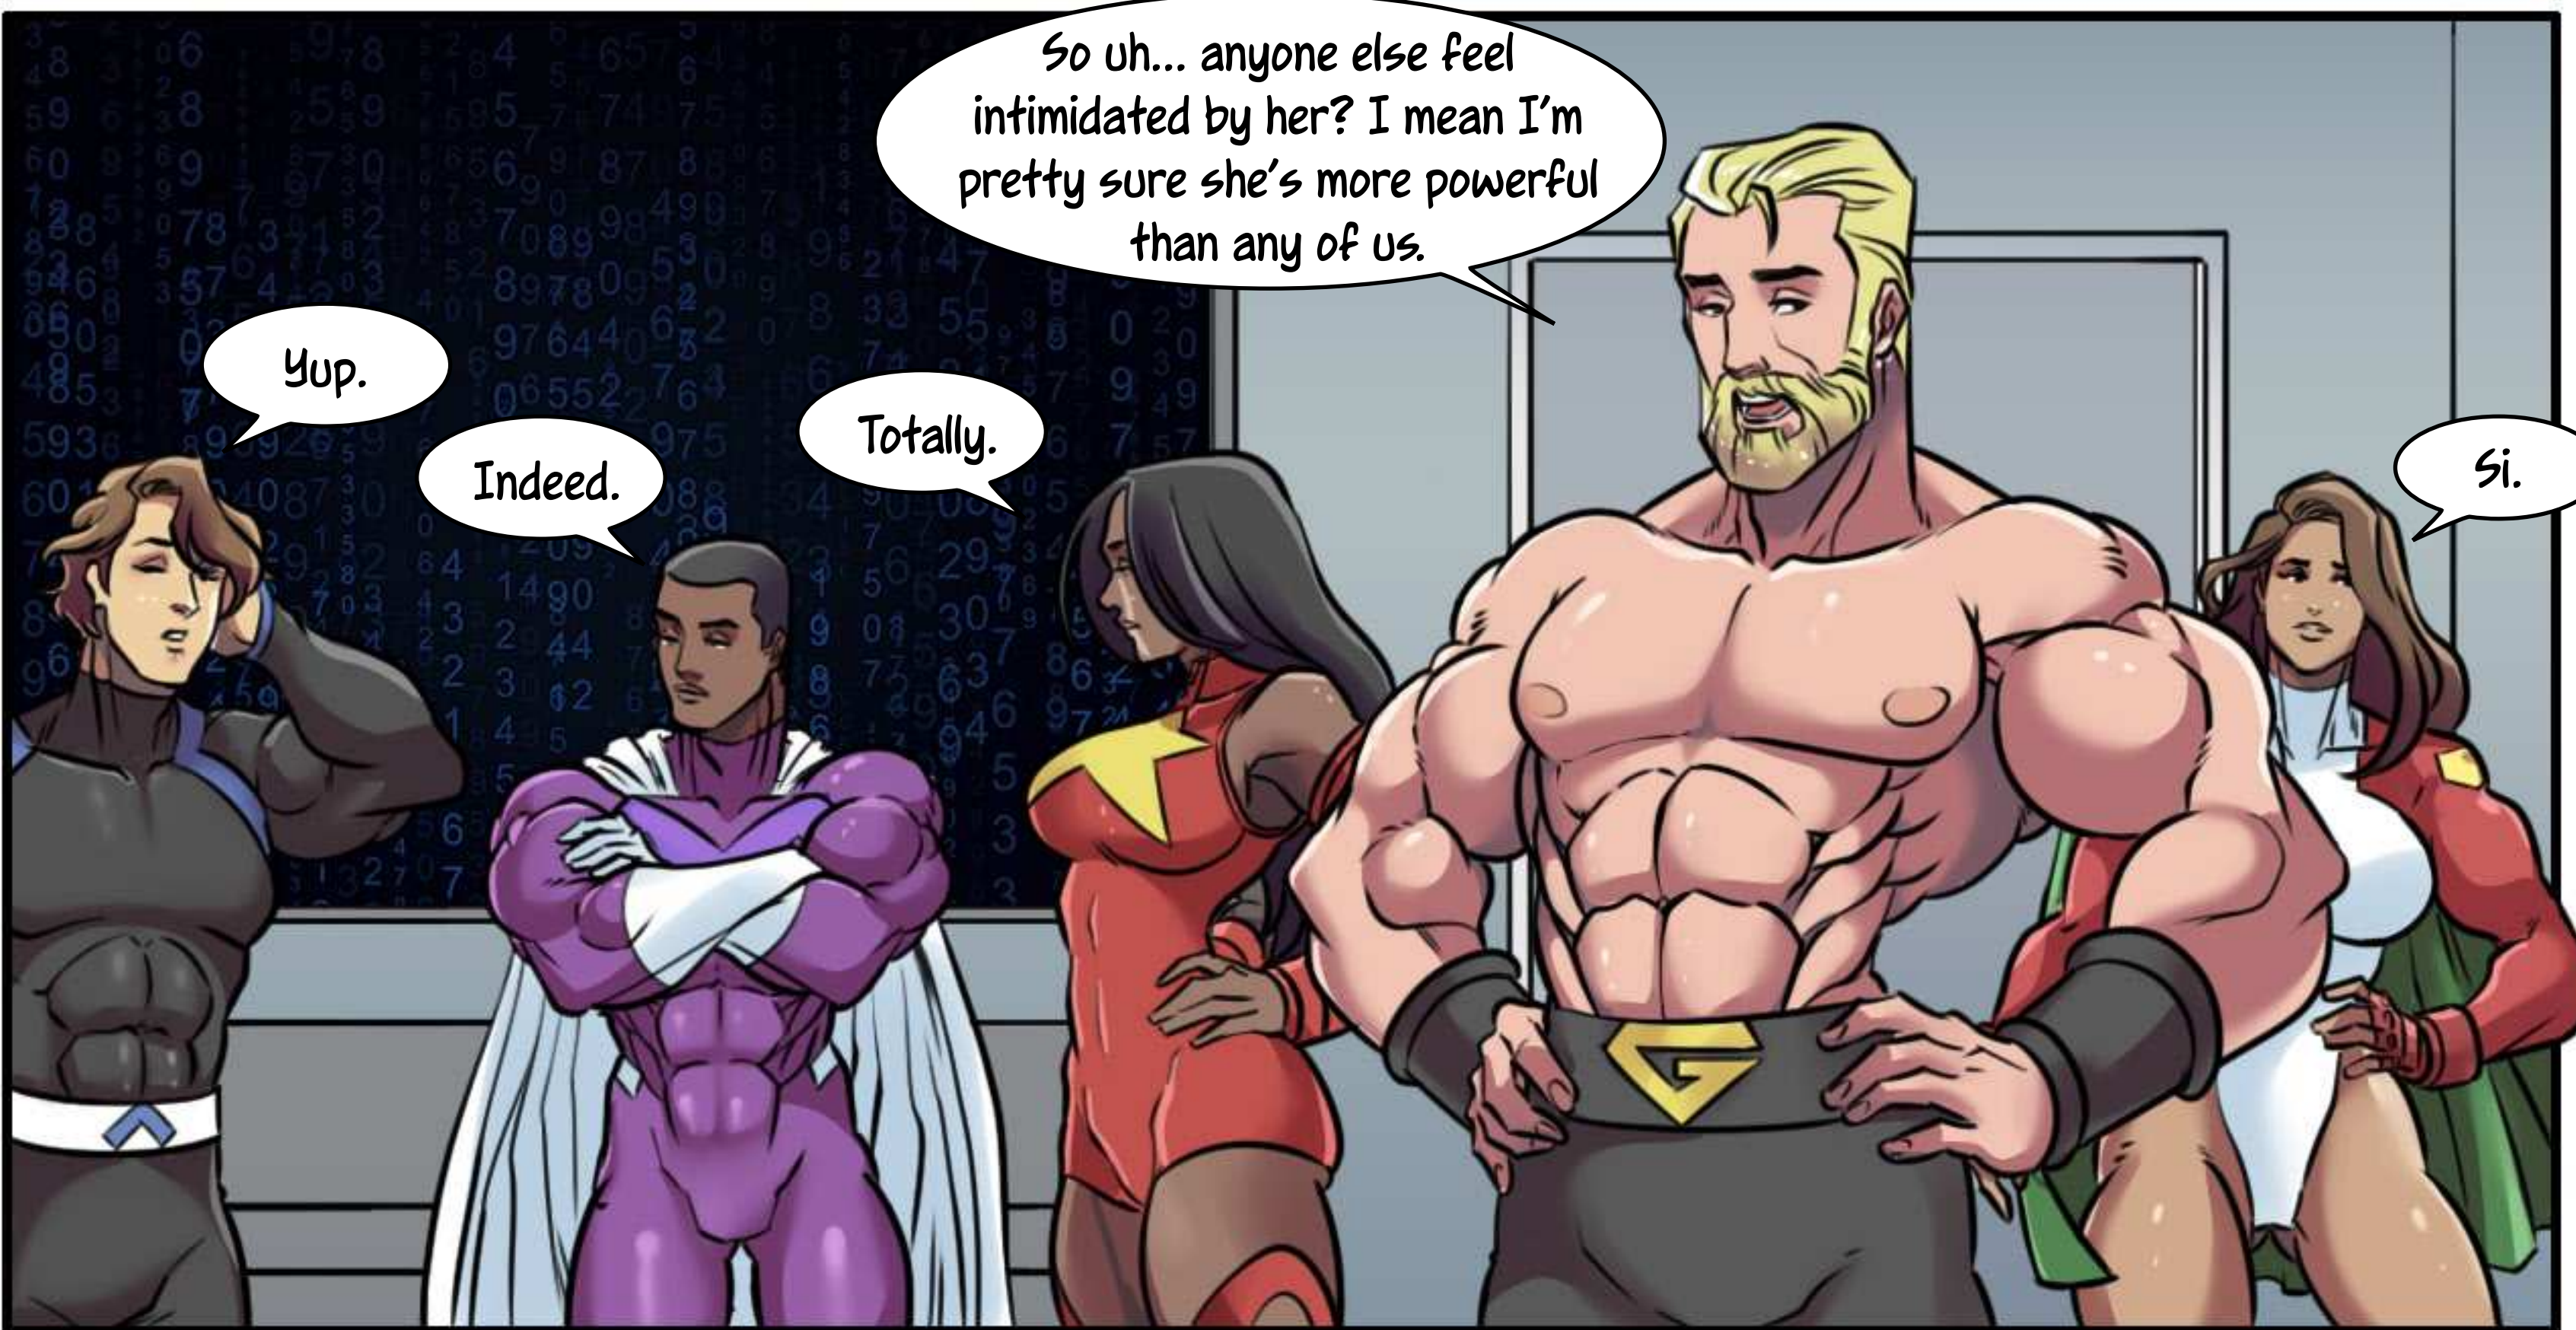

I'd take you there
but I can only teleport
to places I've been to
before.

Don't worry
about it. It'll probably take
me 20 to 30 minutes to get
there. I better get going.

Wow!
She's fast.

ZOOM!

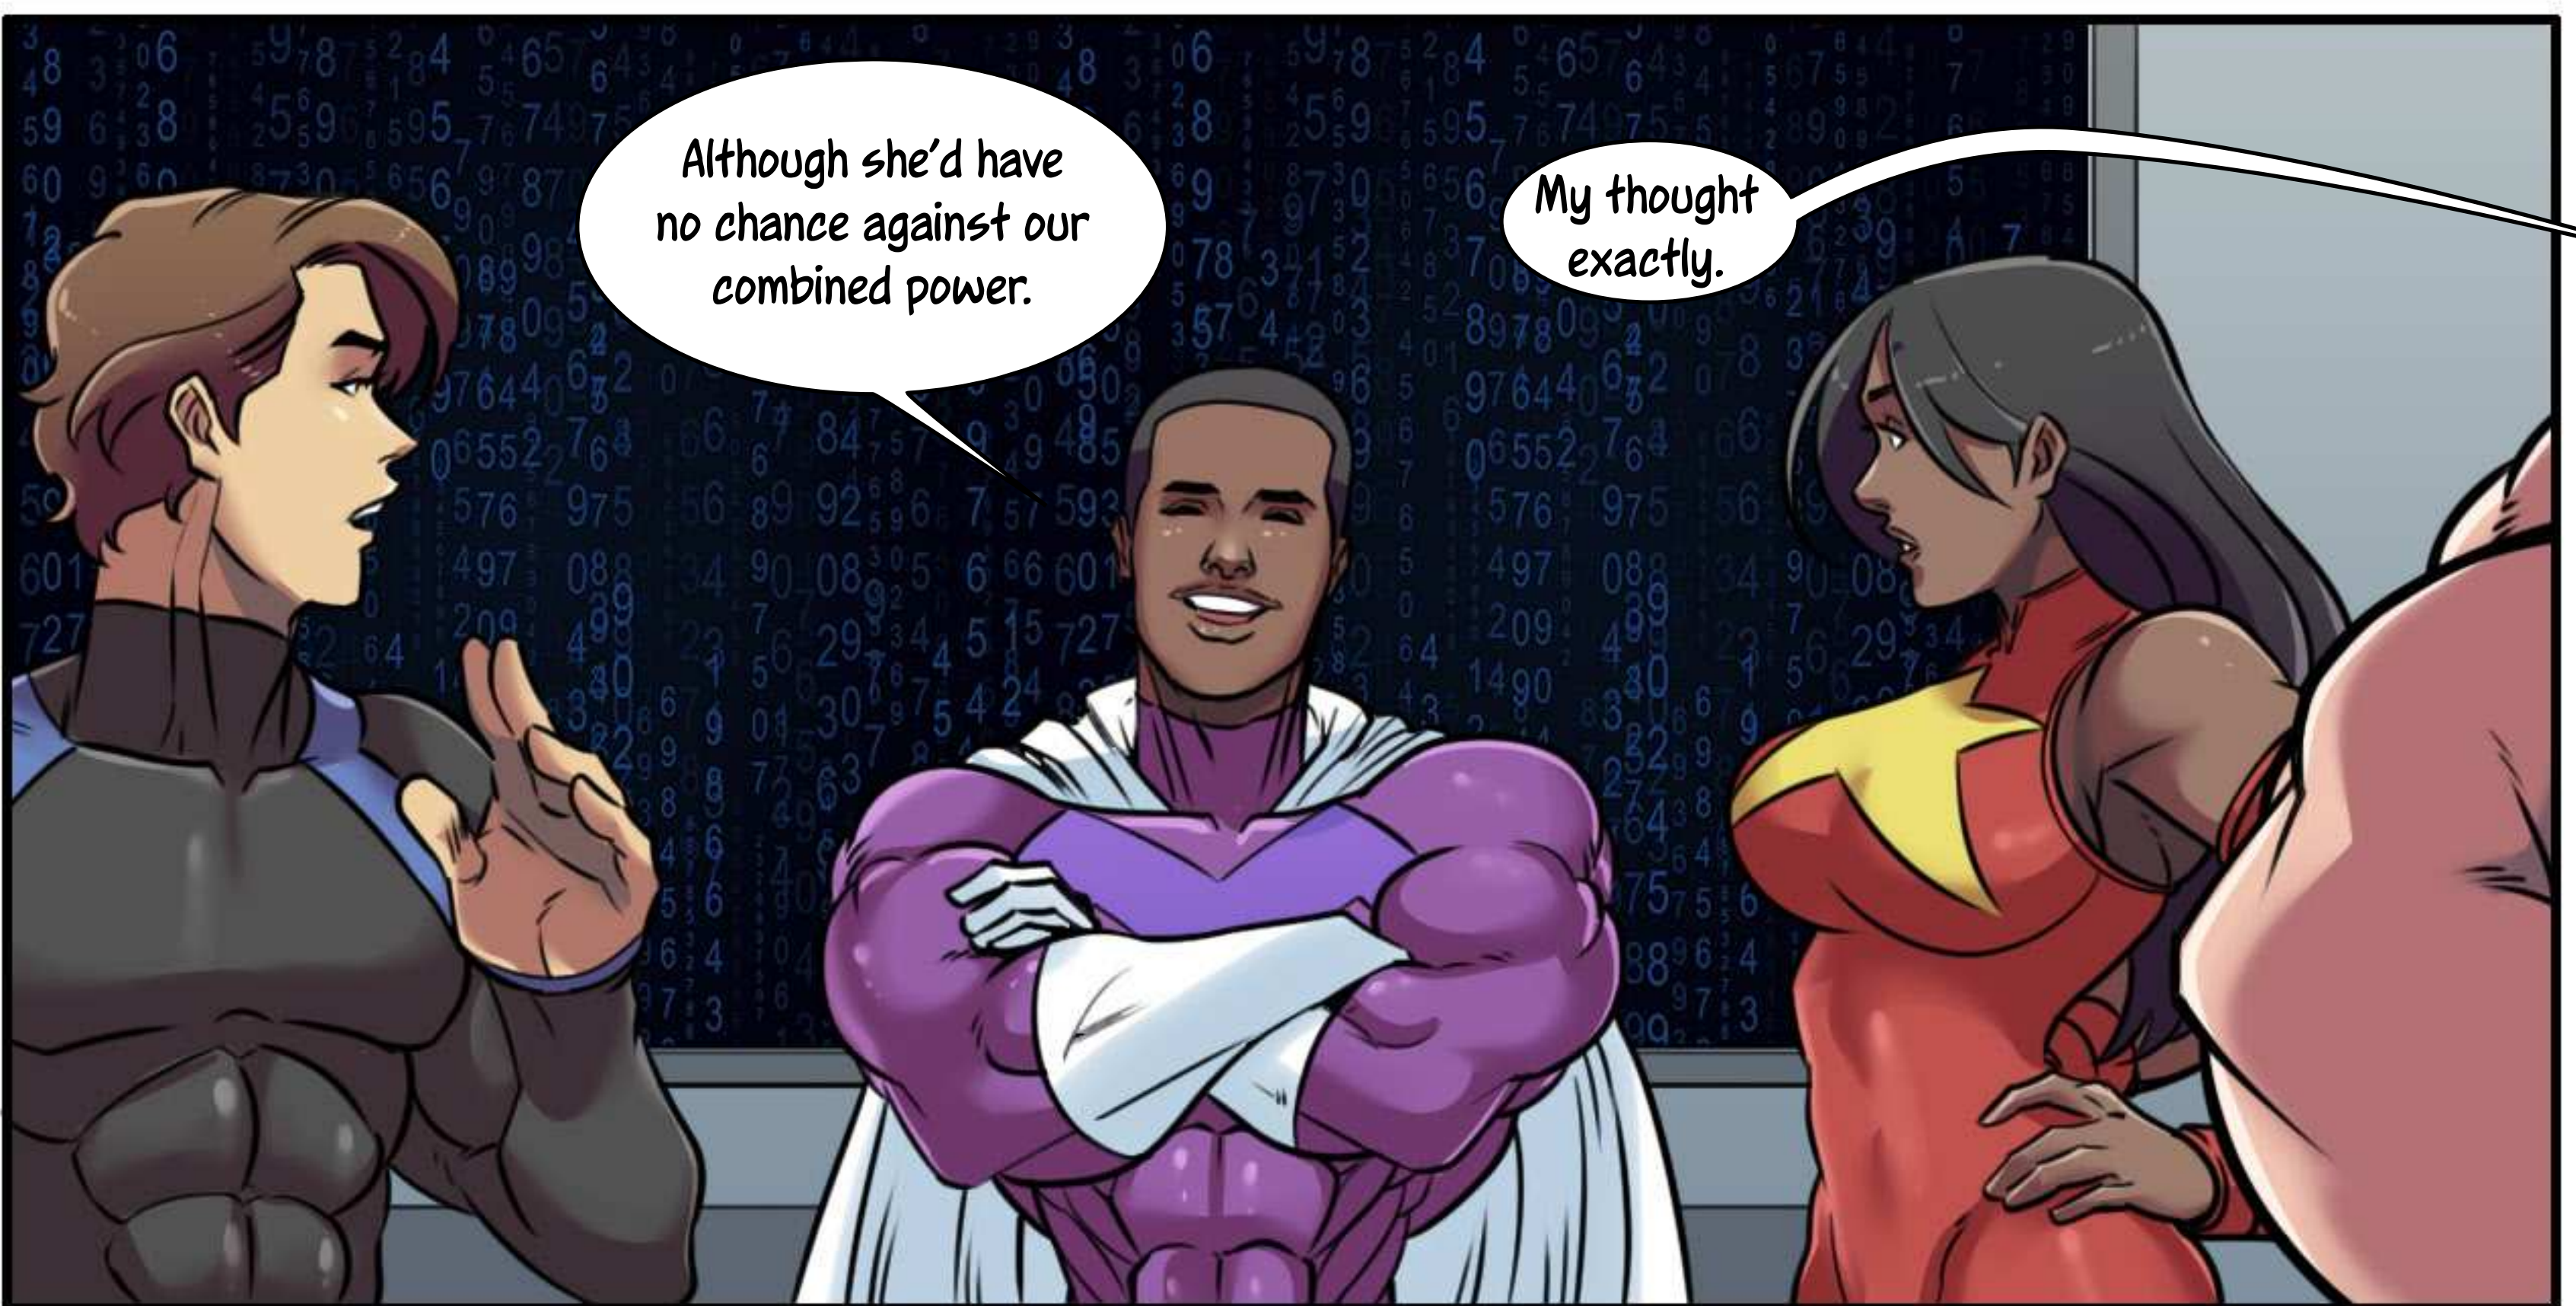

So uh... anyone else feel intimidated by her? I mean I'm pretty sure she's more powerful than any of us.

Yup.

Indeed.

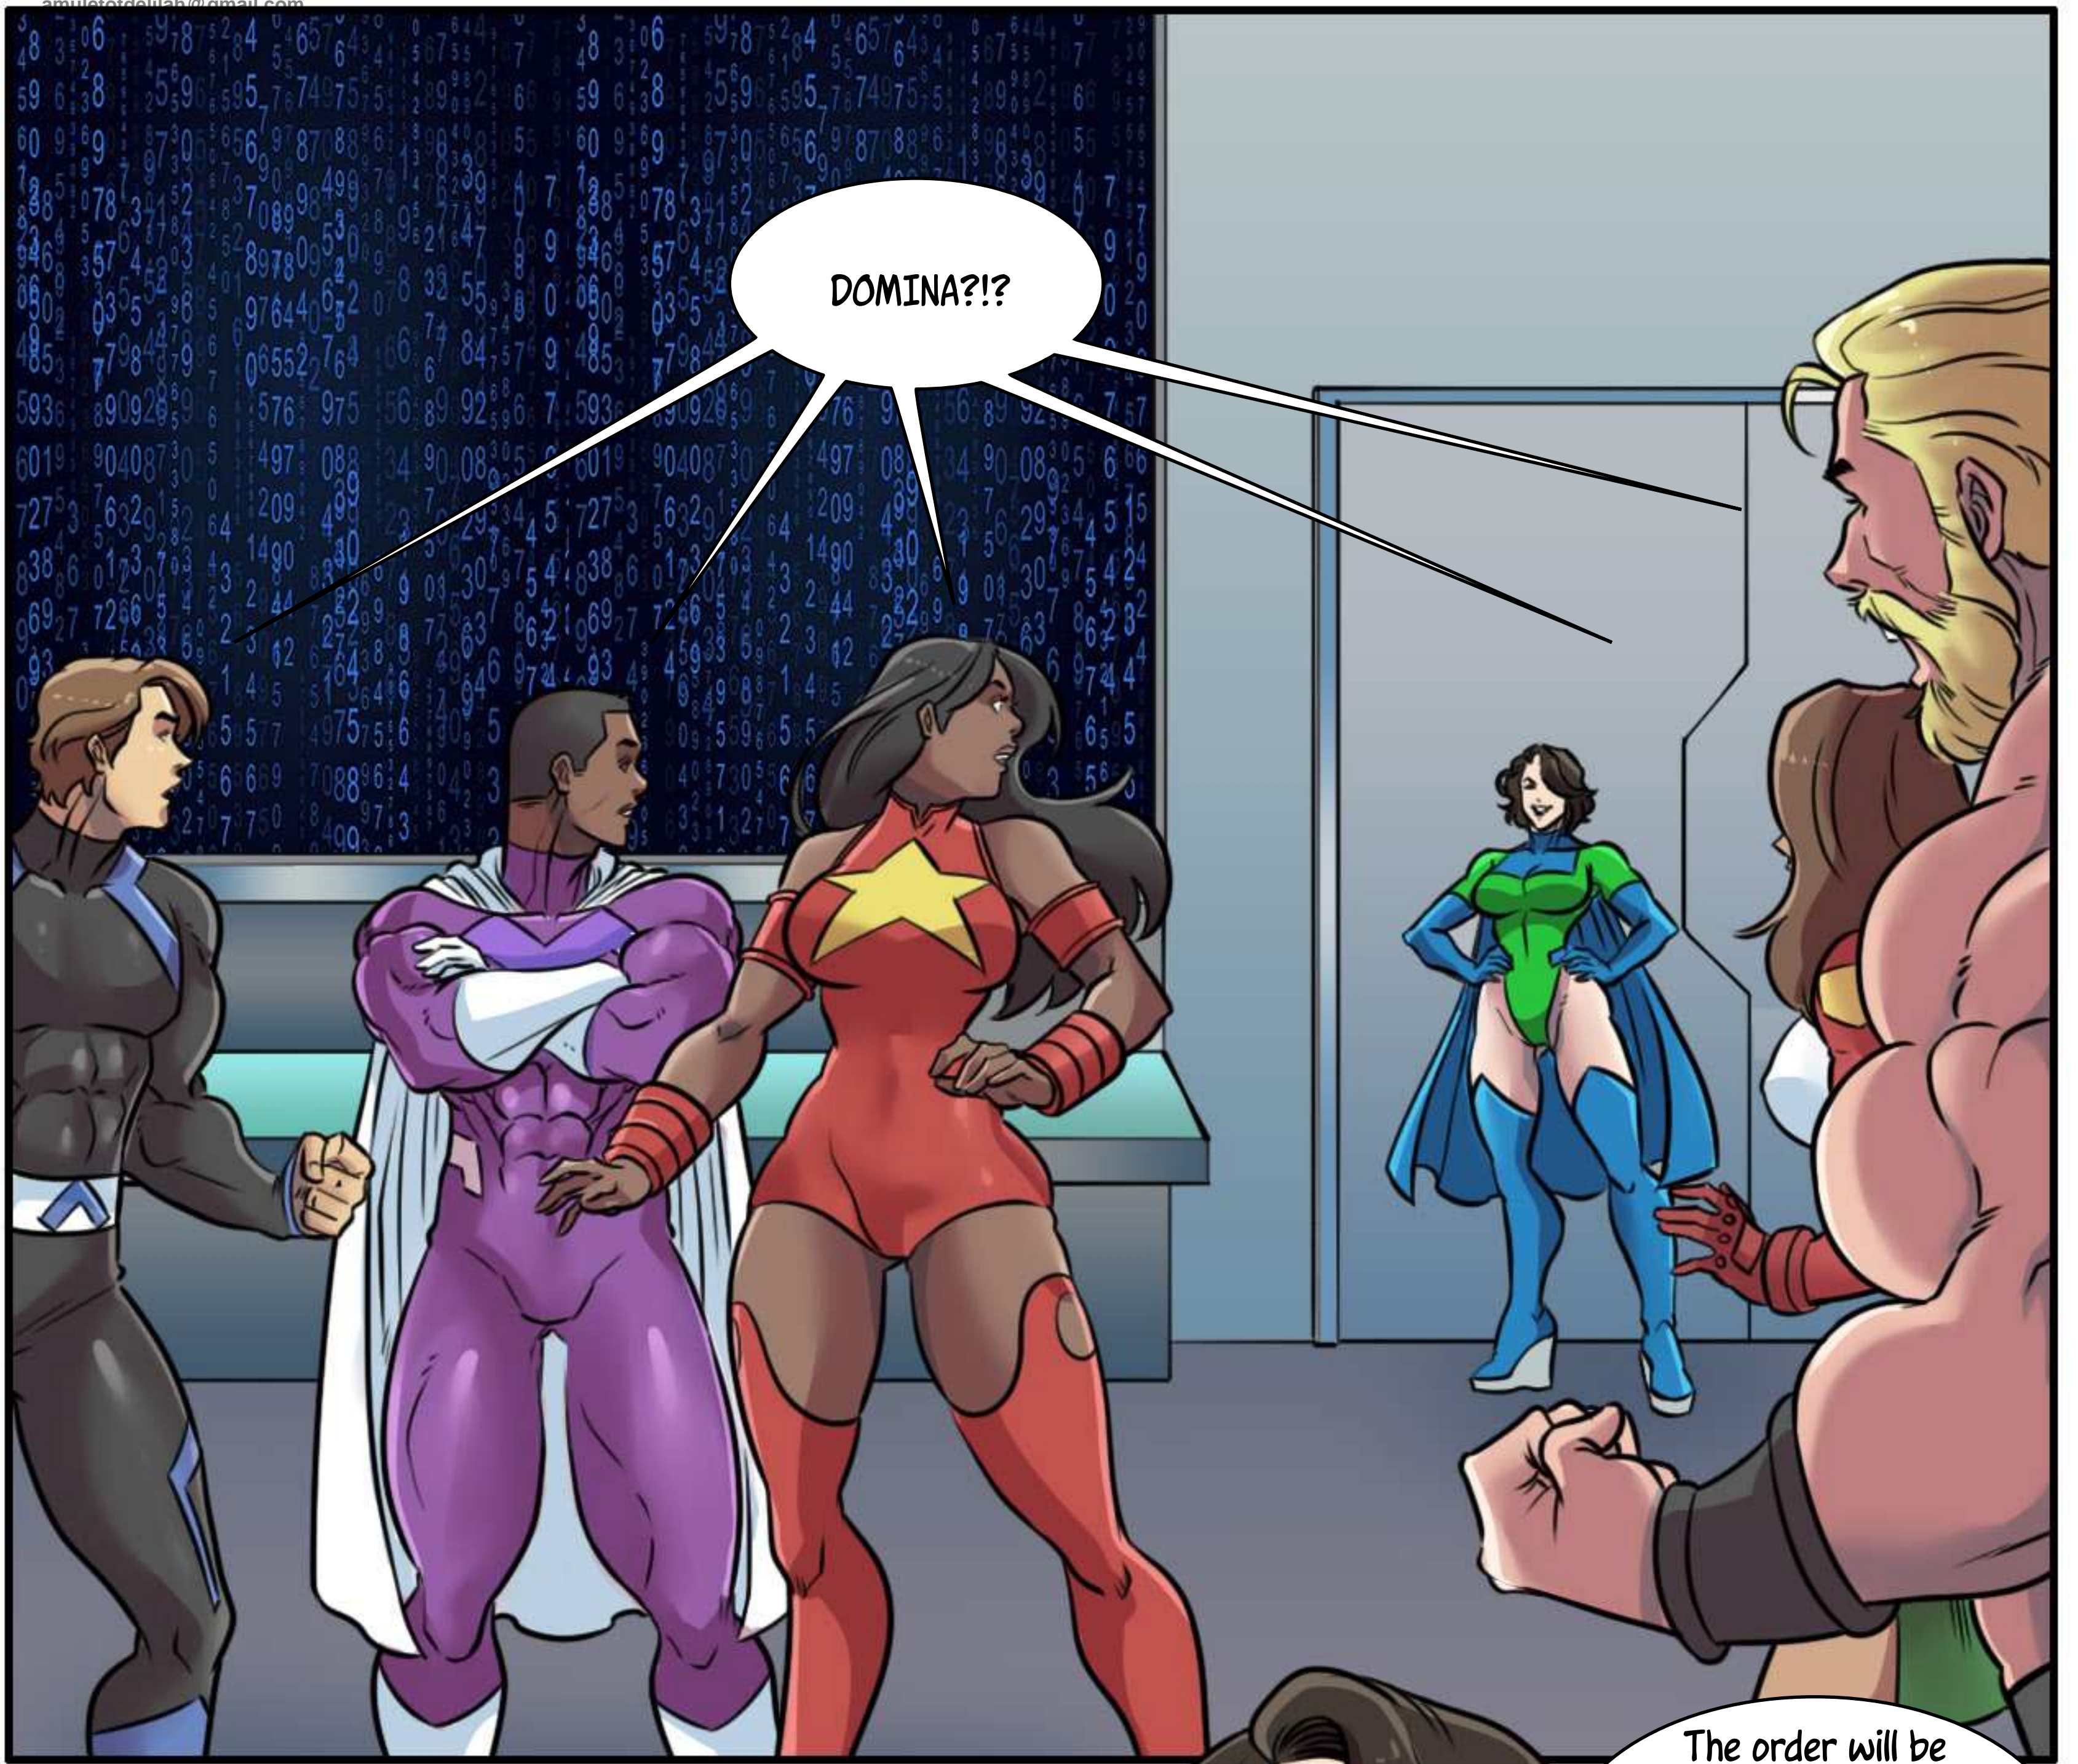

Totally.

Si.

Although she'd have no chance against our combined power.

My thought exactly.

DOMINA?!?

The order will be Mr. Amazing and Gigachad, then Megastar followed by Super Salvadora and then finally Mighty Man.

Ooohhhh...

Order? What are you talking about?

That's the order in which you will fall.

Whaaaaa...?

Unfortunately
I couldn't make it powerful
enough to incapacitate Ultra-Gal
without killing the others and I
need them alive. For now.

Robo-men,
start assembling the equipment
and place these pathetic imbeciles
in position once all is ready.

Soon nothing
will be able to stop me!
HAHAHAHA!

Some time later...

Excellent.
Everything is ready. Robo-men
return to base.

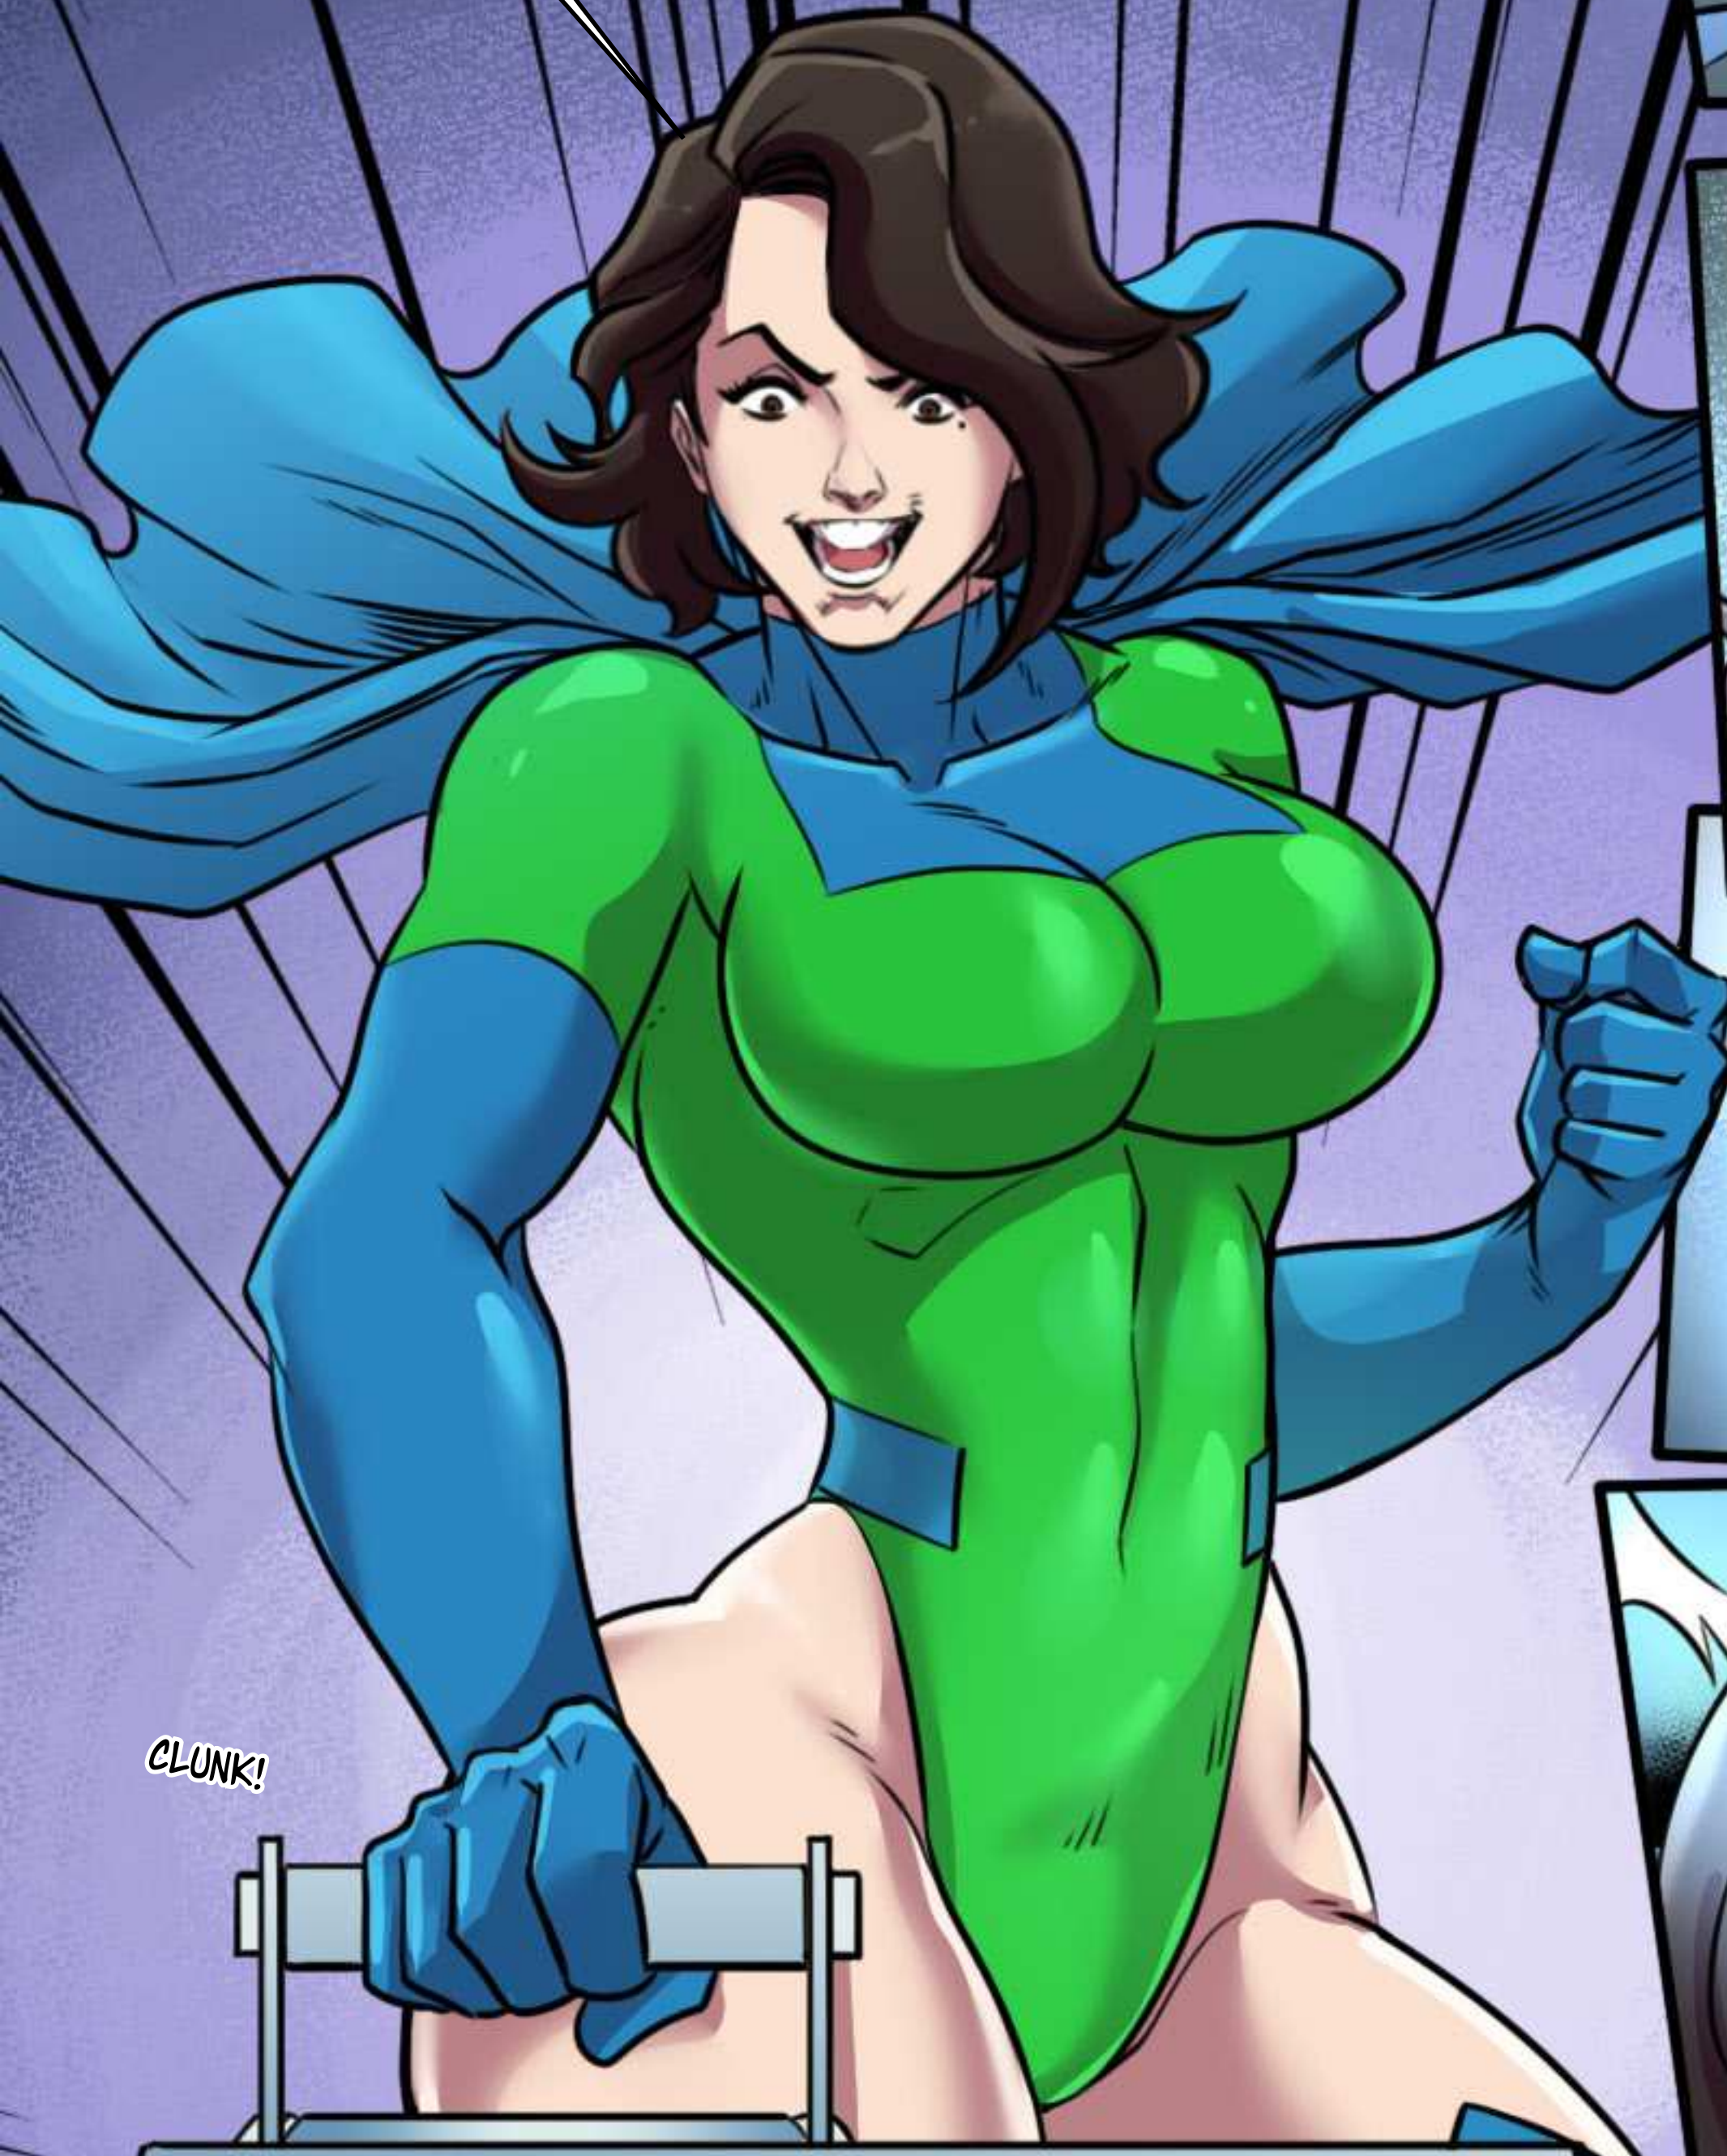

KATHUNK!

KATHUNK!

KATHUNK!

KATHUNK!

Now to activate the machine!

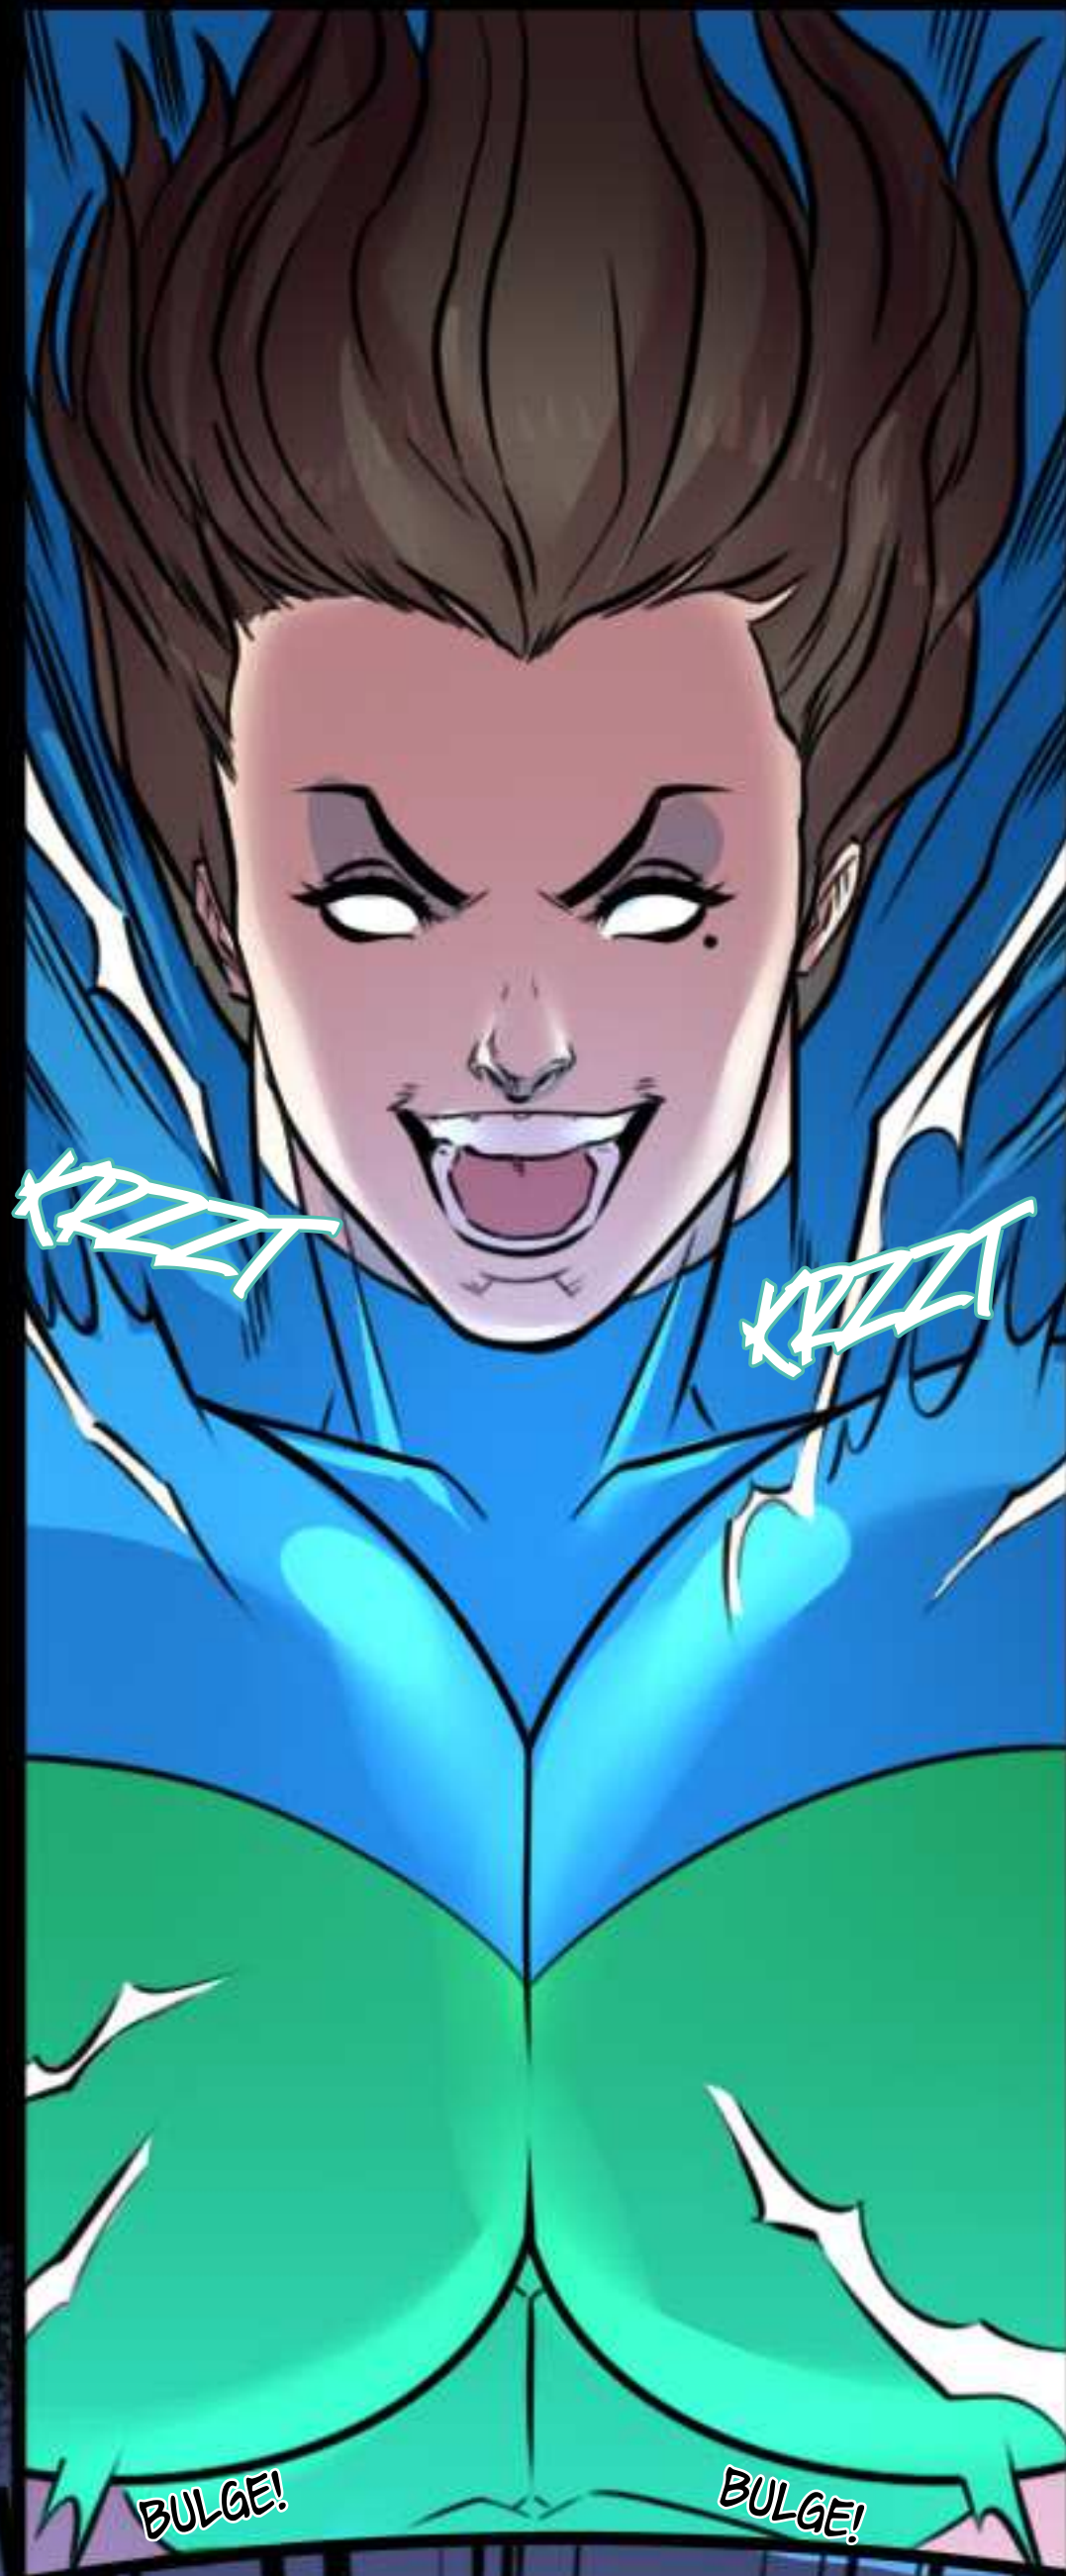

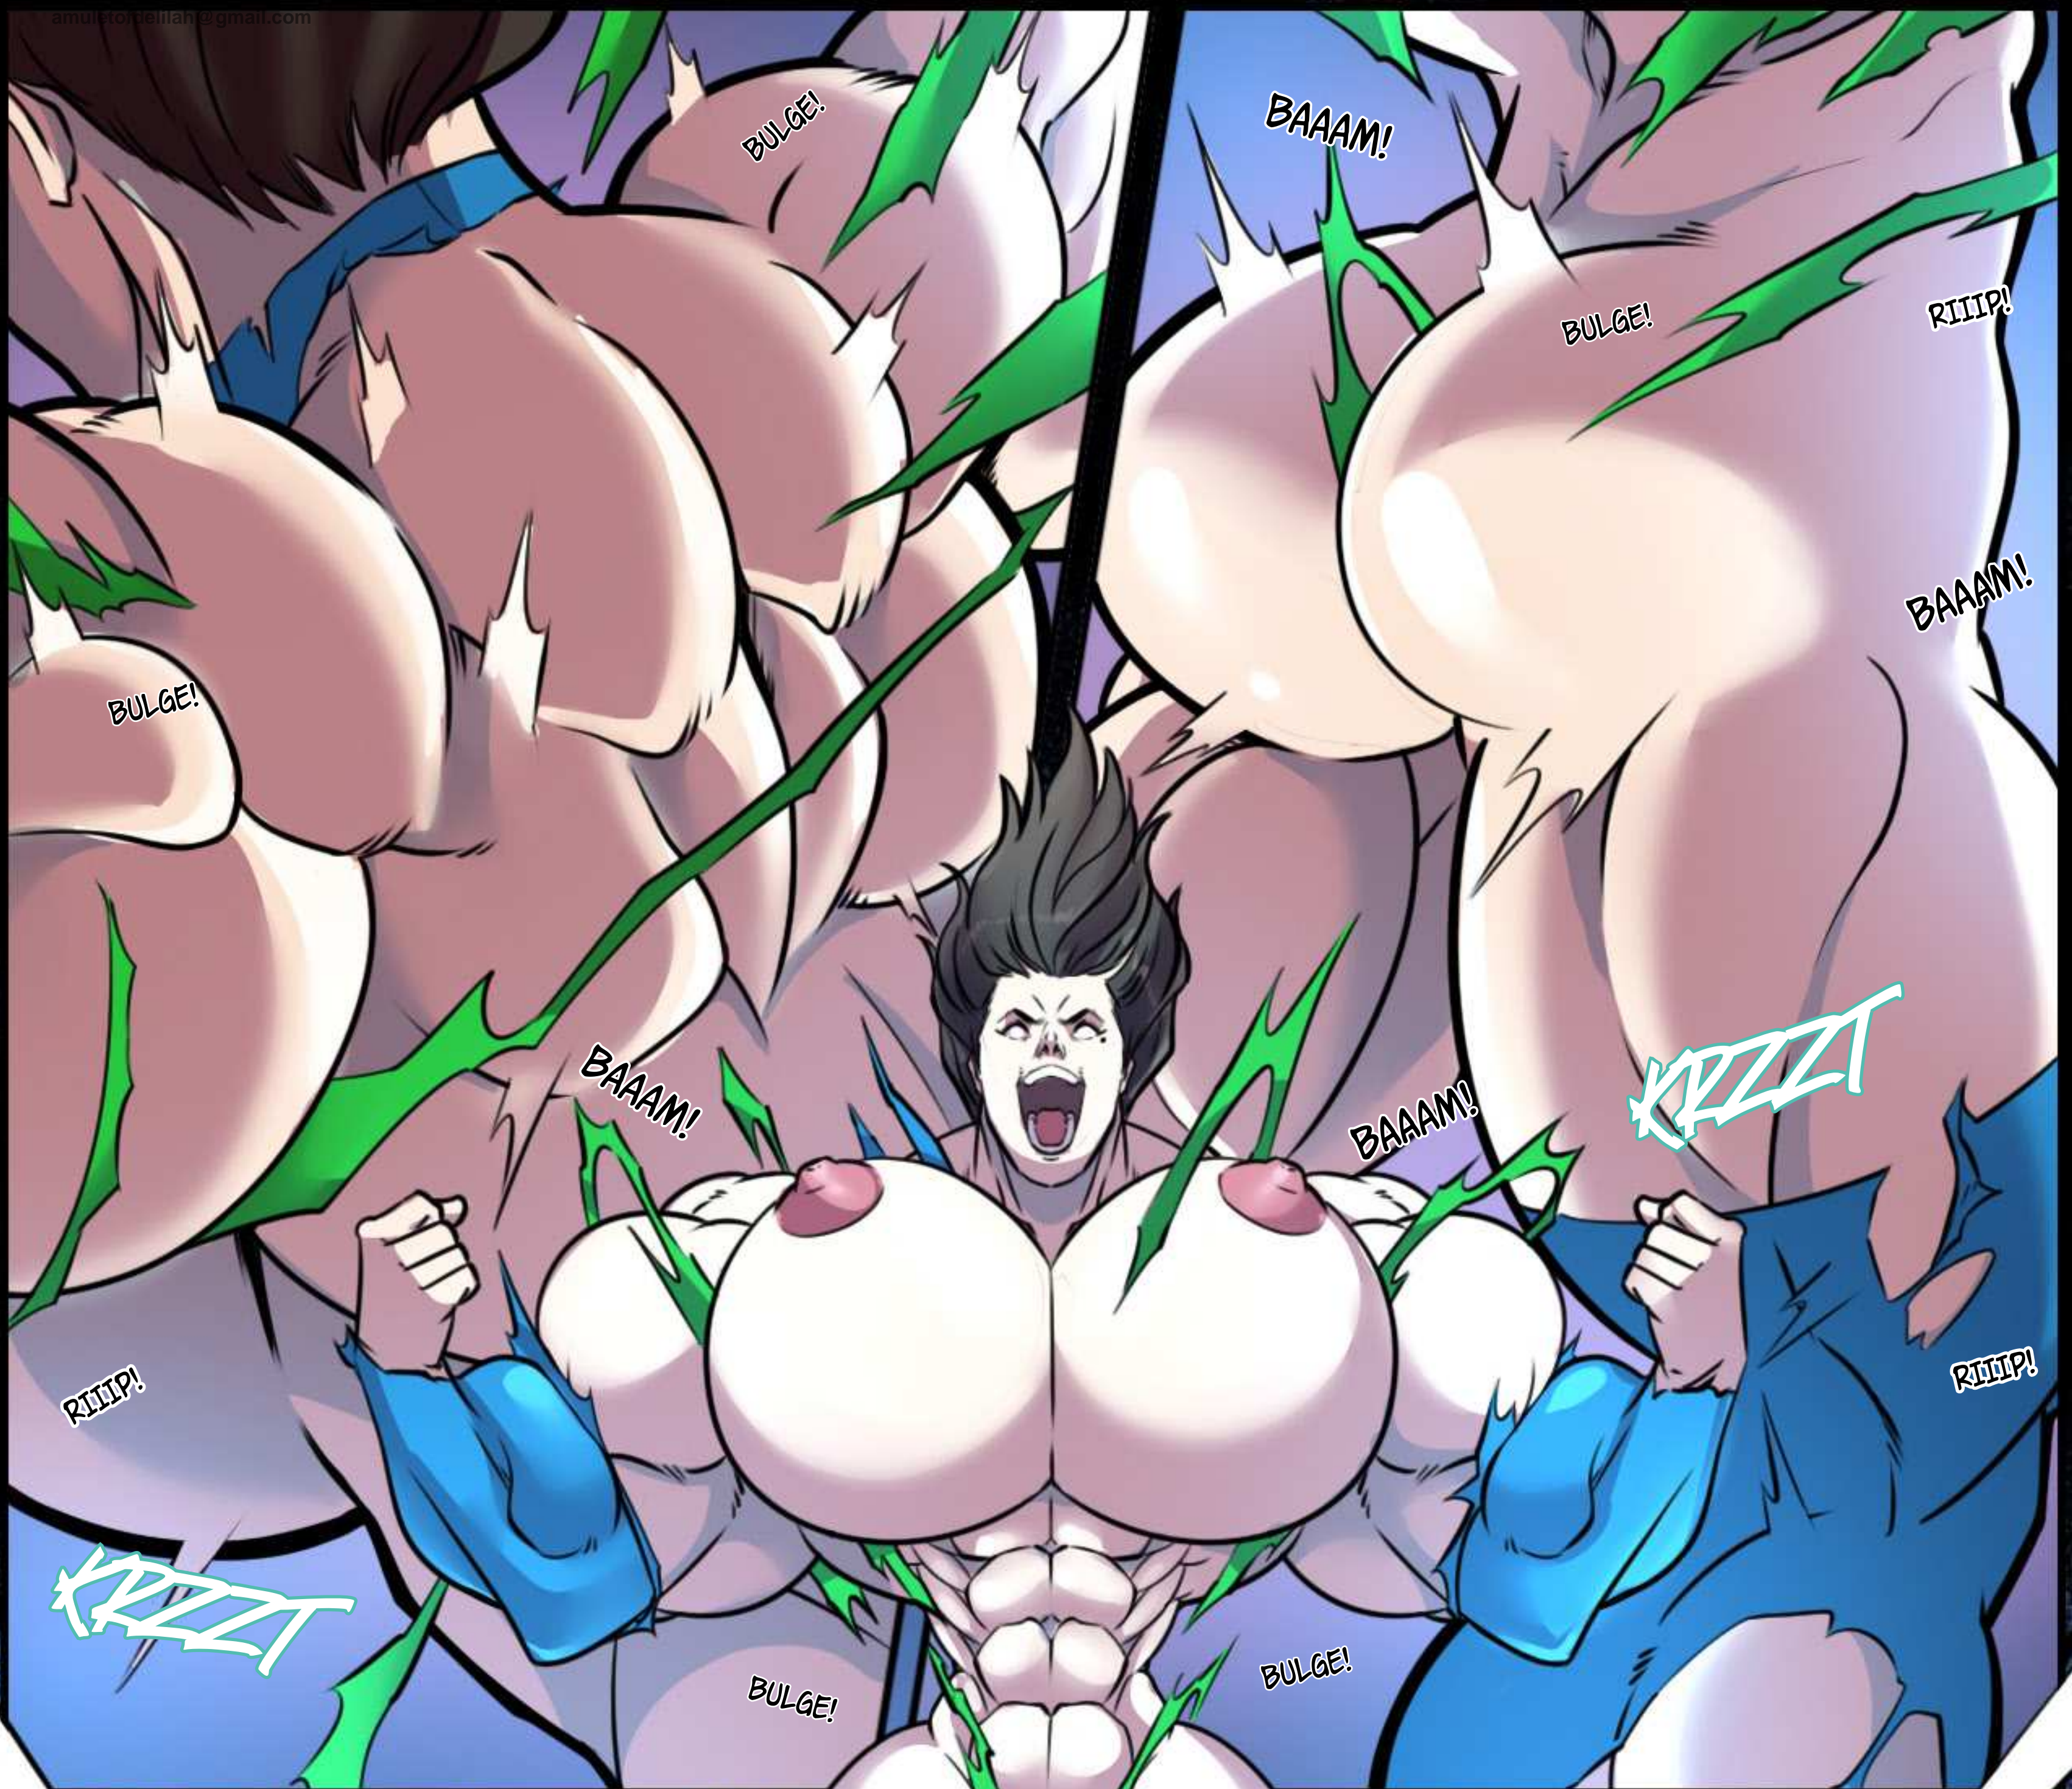

CLUNK!

Yes!
I can already feel the power!

I AM INVINCIBLE!
