No need to wait for it to cool.

It must weigh at least one hundred tons but it feels like nothing to me!

**WHAAAM!**

**HAHAHA!**

I need a real challenge!

Meanwhile, at the Ultra League of Justice headquarters...

I couldn't find Domina... Whoa, where did all this stuff come from and where is everyone?

AS SOON AS YOU LEFT, DOMINA INCAPACITATED THE LEAGUE MEMBERS AND THEN USED THAT EQUIPMENT TO TRANSFER THEIR POWERS TO HERSELF.

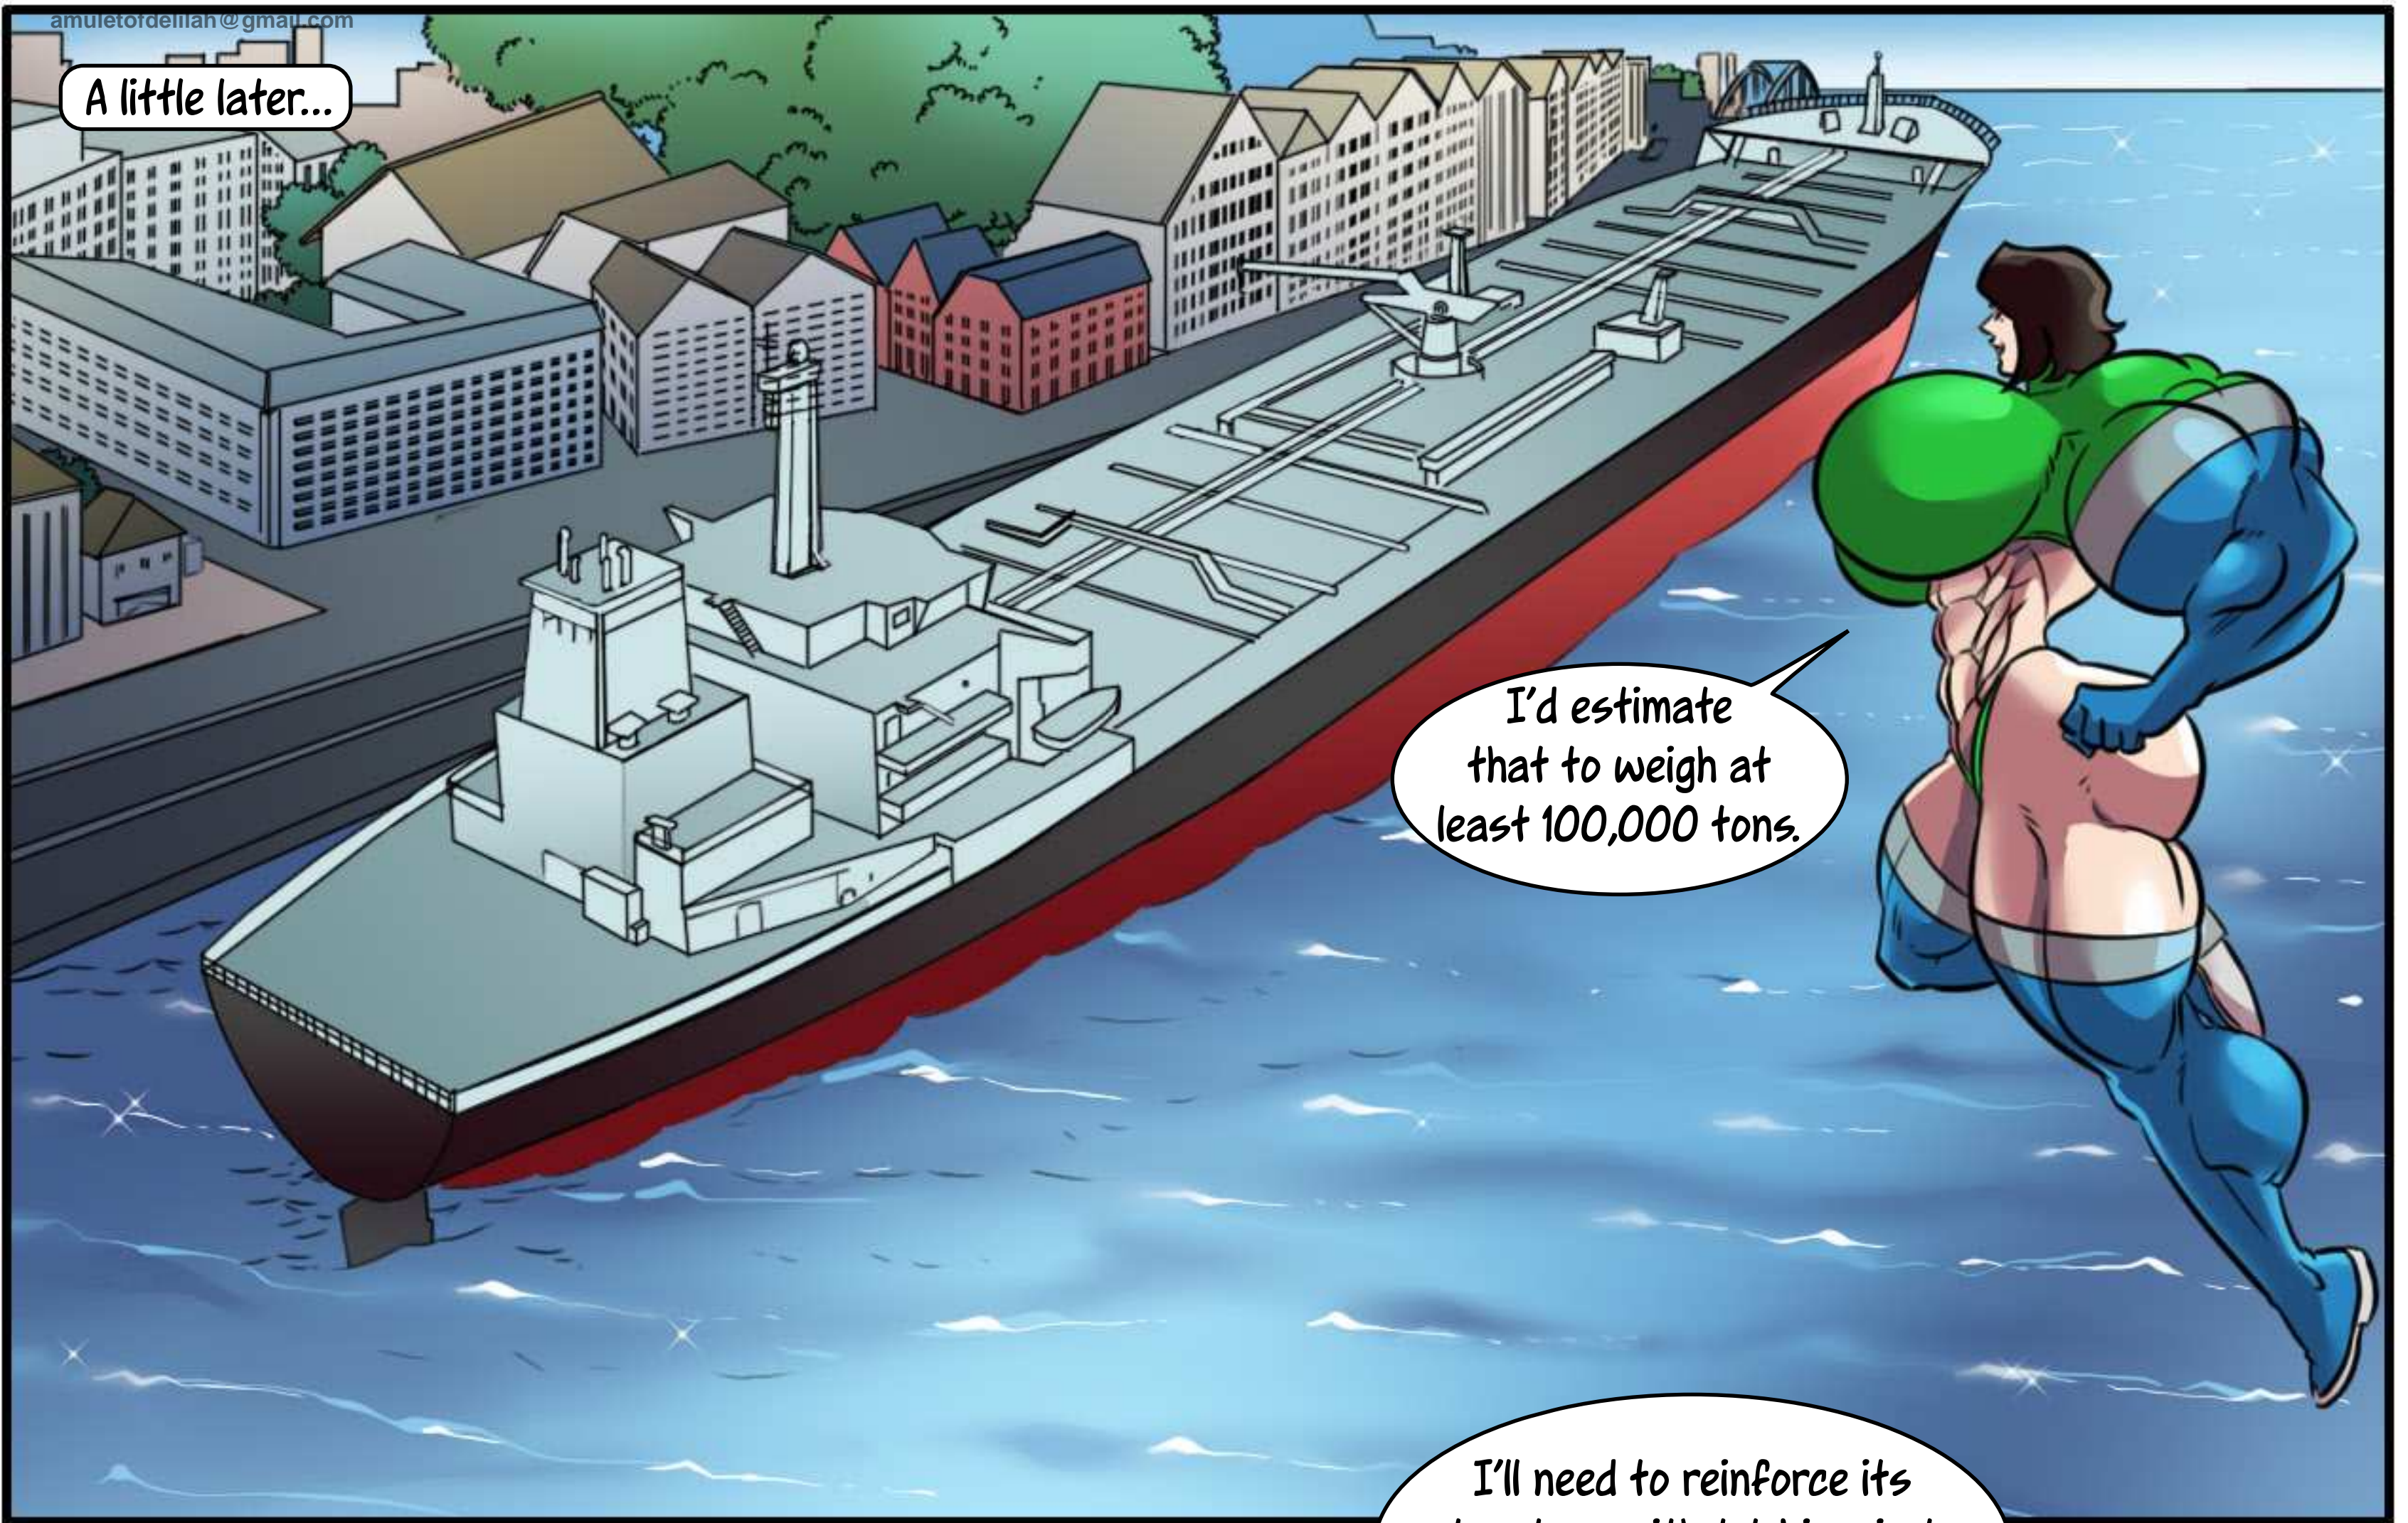

What?!?! I have to stop her!

YOU CAN NOT. DOMINA IS NOW THE MOST POWERFUL BEING ON EARTH. EVEN YOU ARE NO MATCH FOR HER NOW.

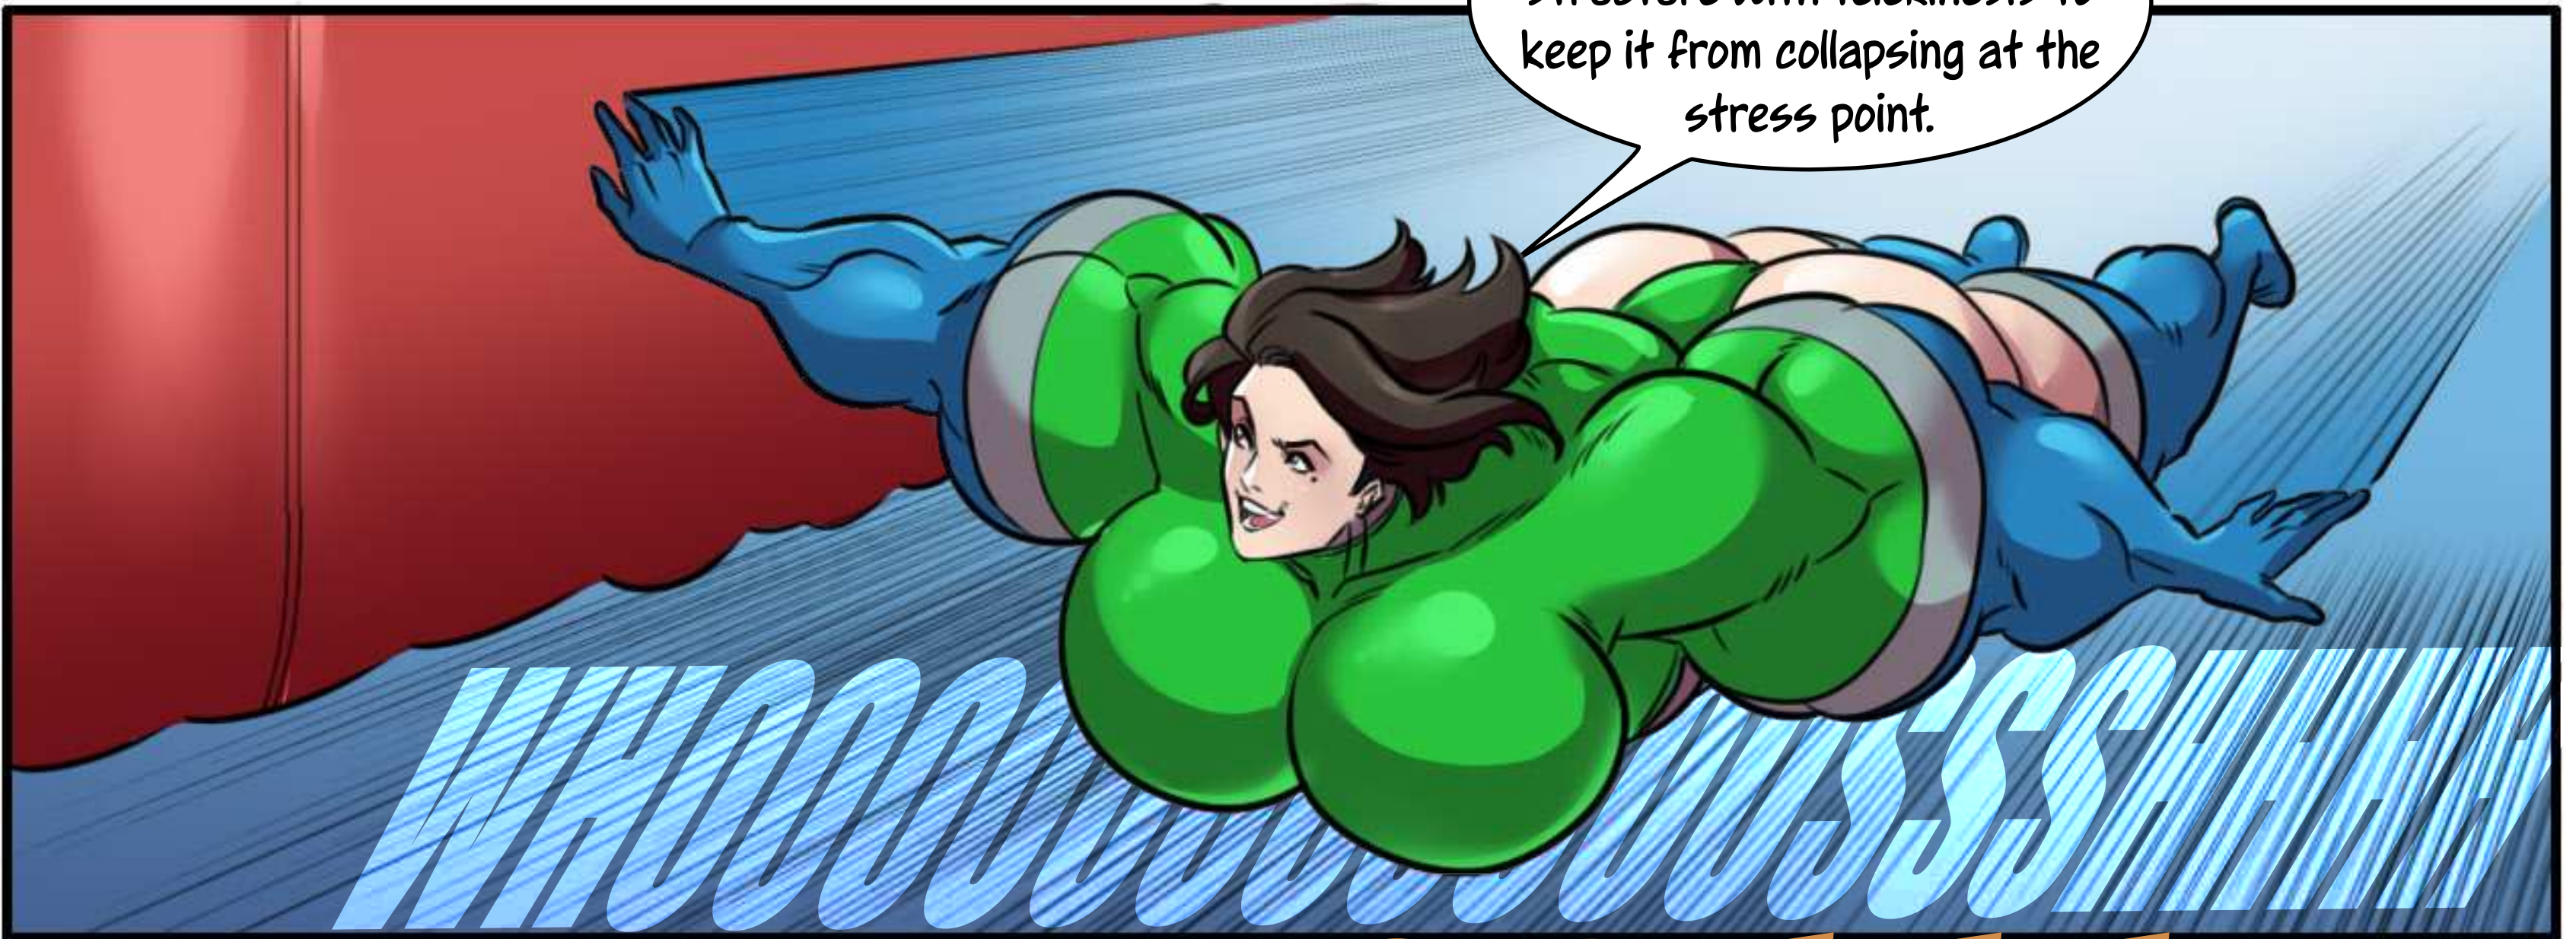

Wait! I have an idea! ETTA, I'm gonna need your help with something.

There has to be a way! She must have some kind of weakness!

A little later...

I'd estimate that to weigh at least 100,000 tons.

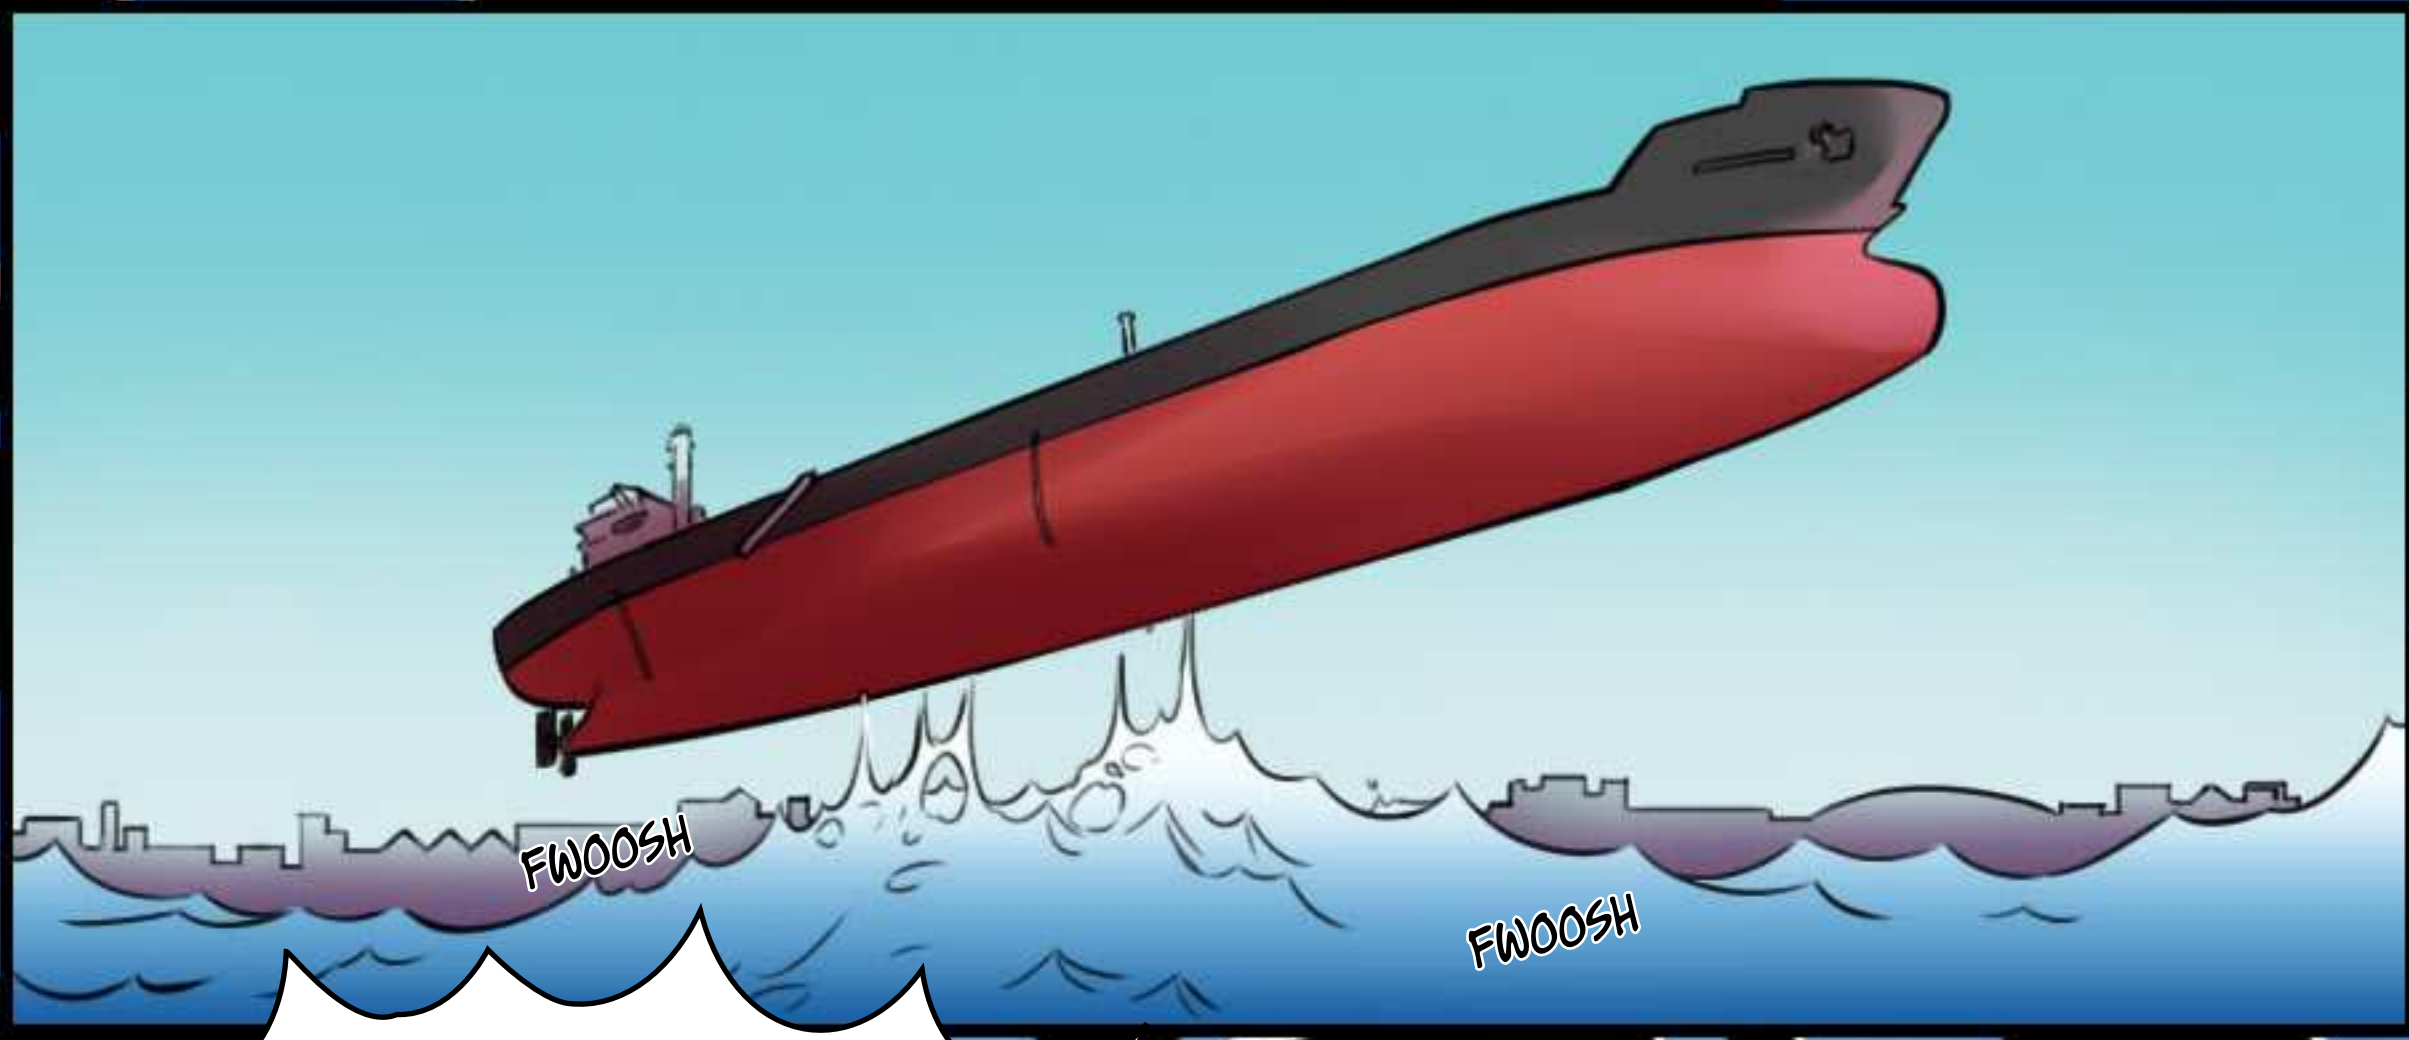

I'll need to reinforce its structure with telekinesis to keep it from collapsing at the stress point.

**SPLASH!**

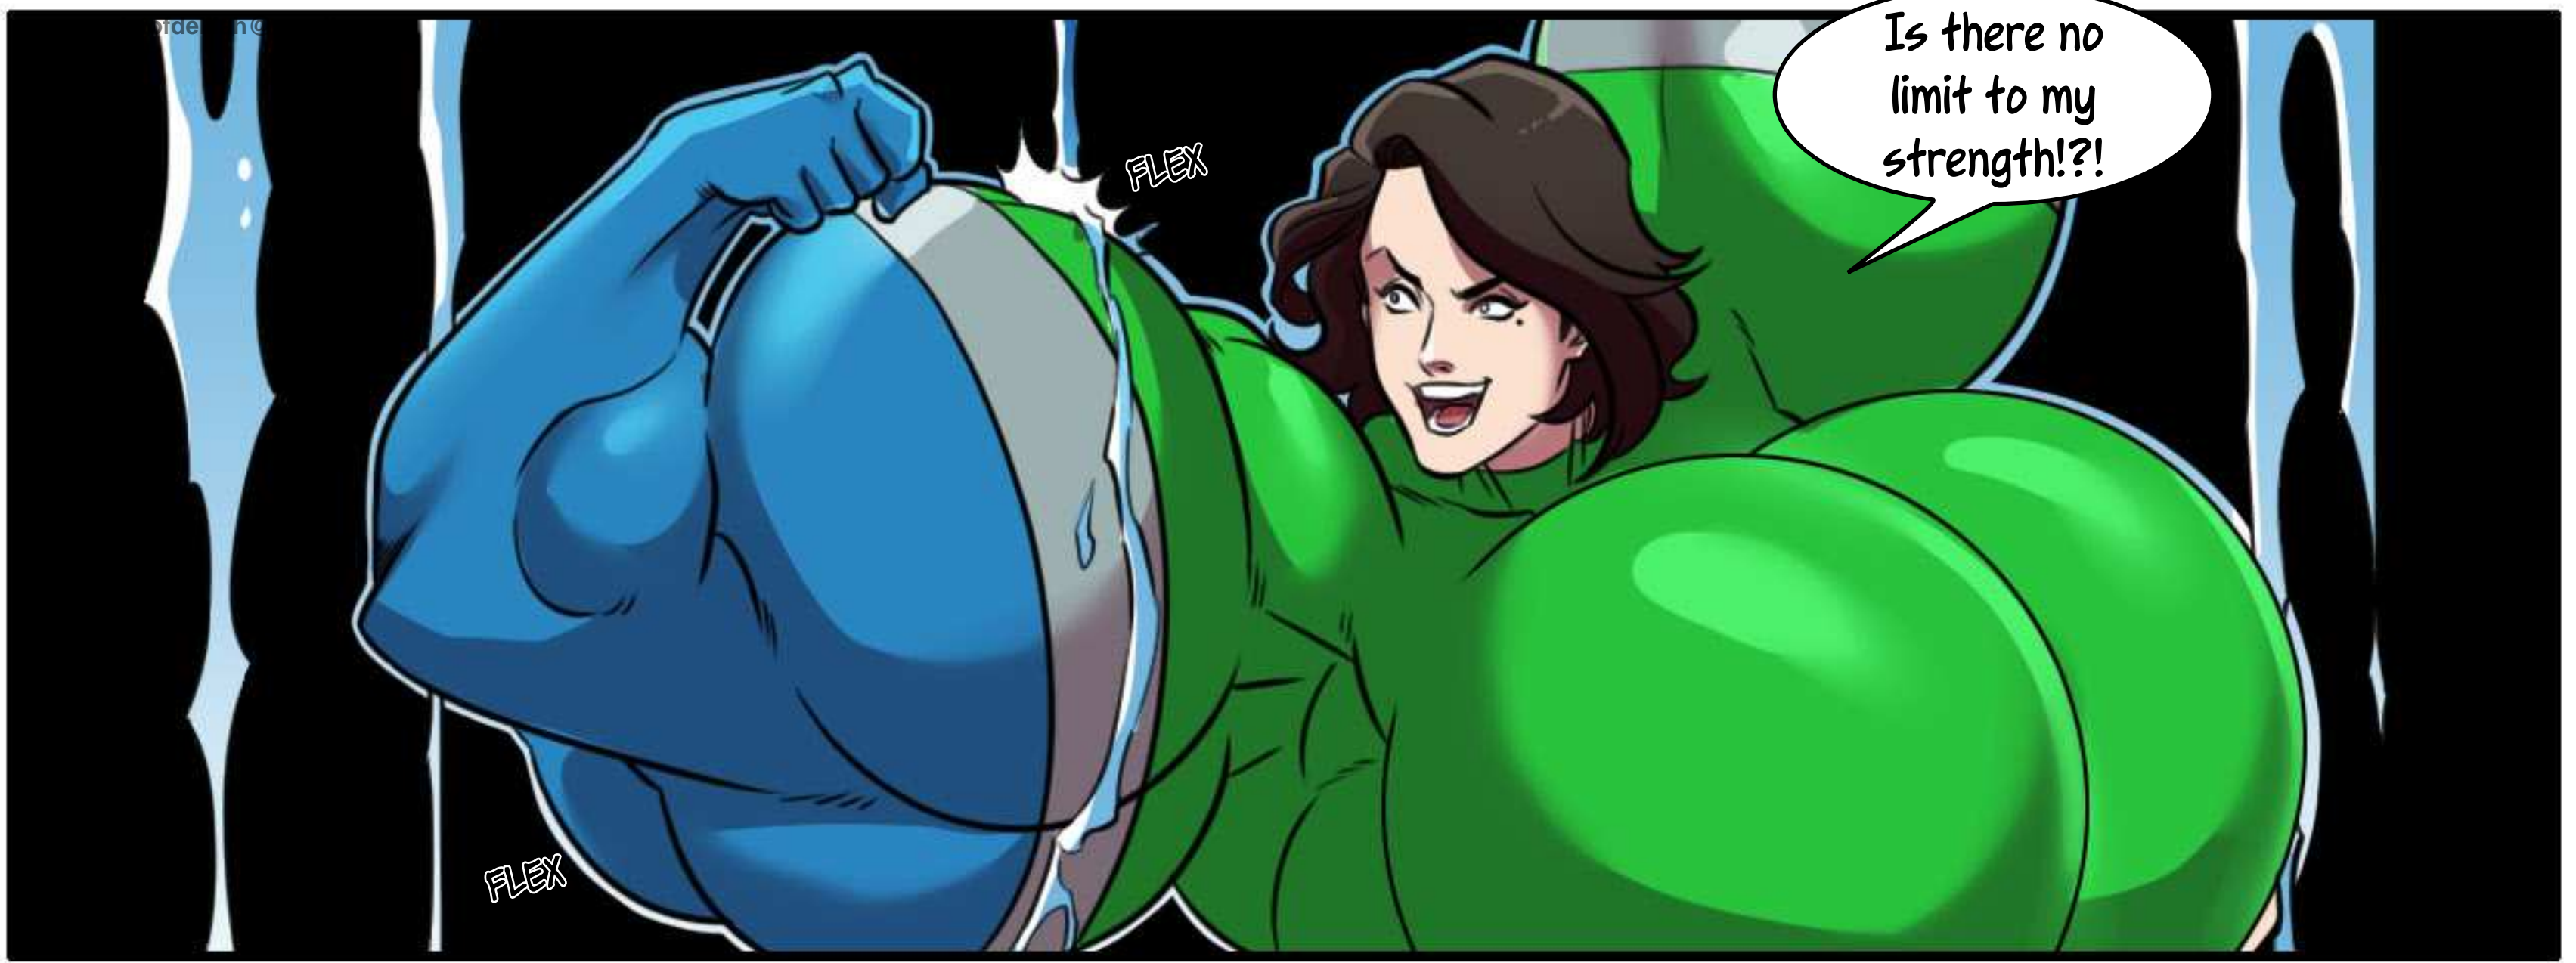

**CREEEKK**

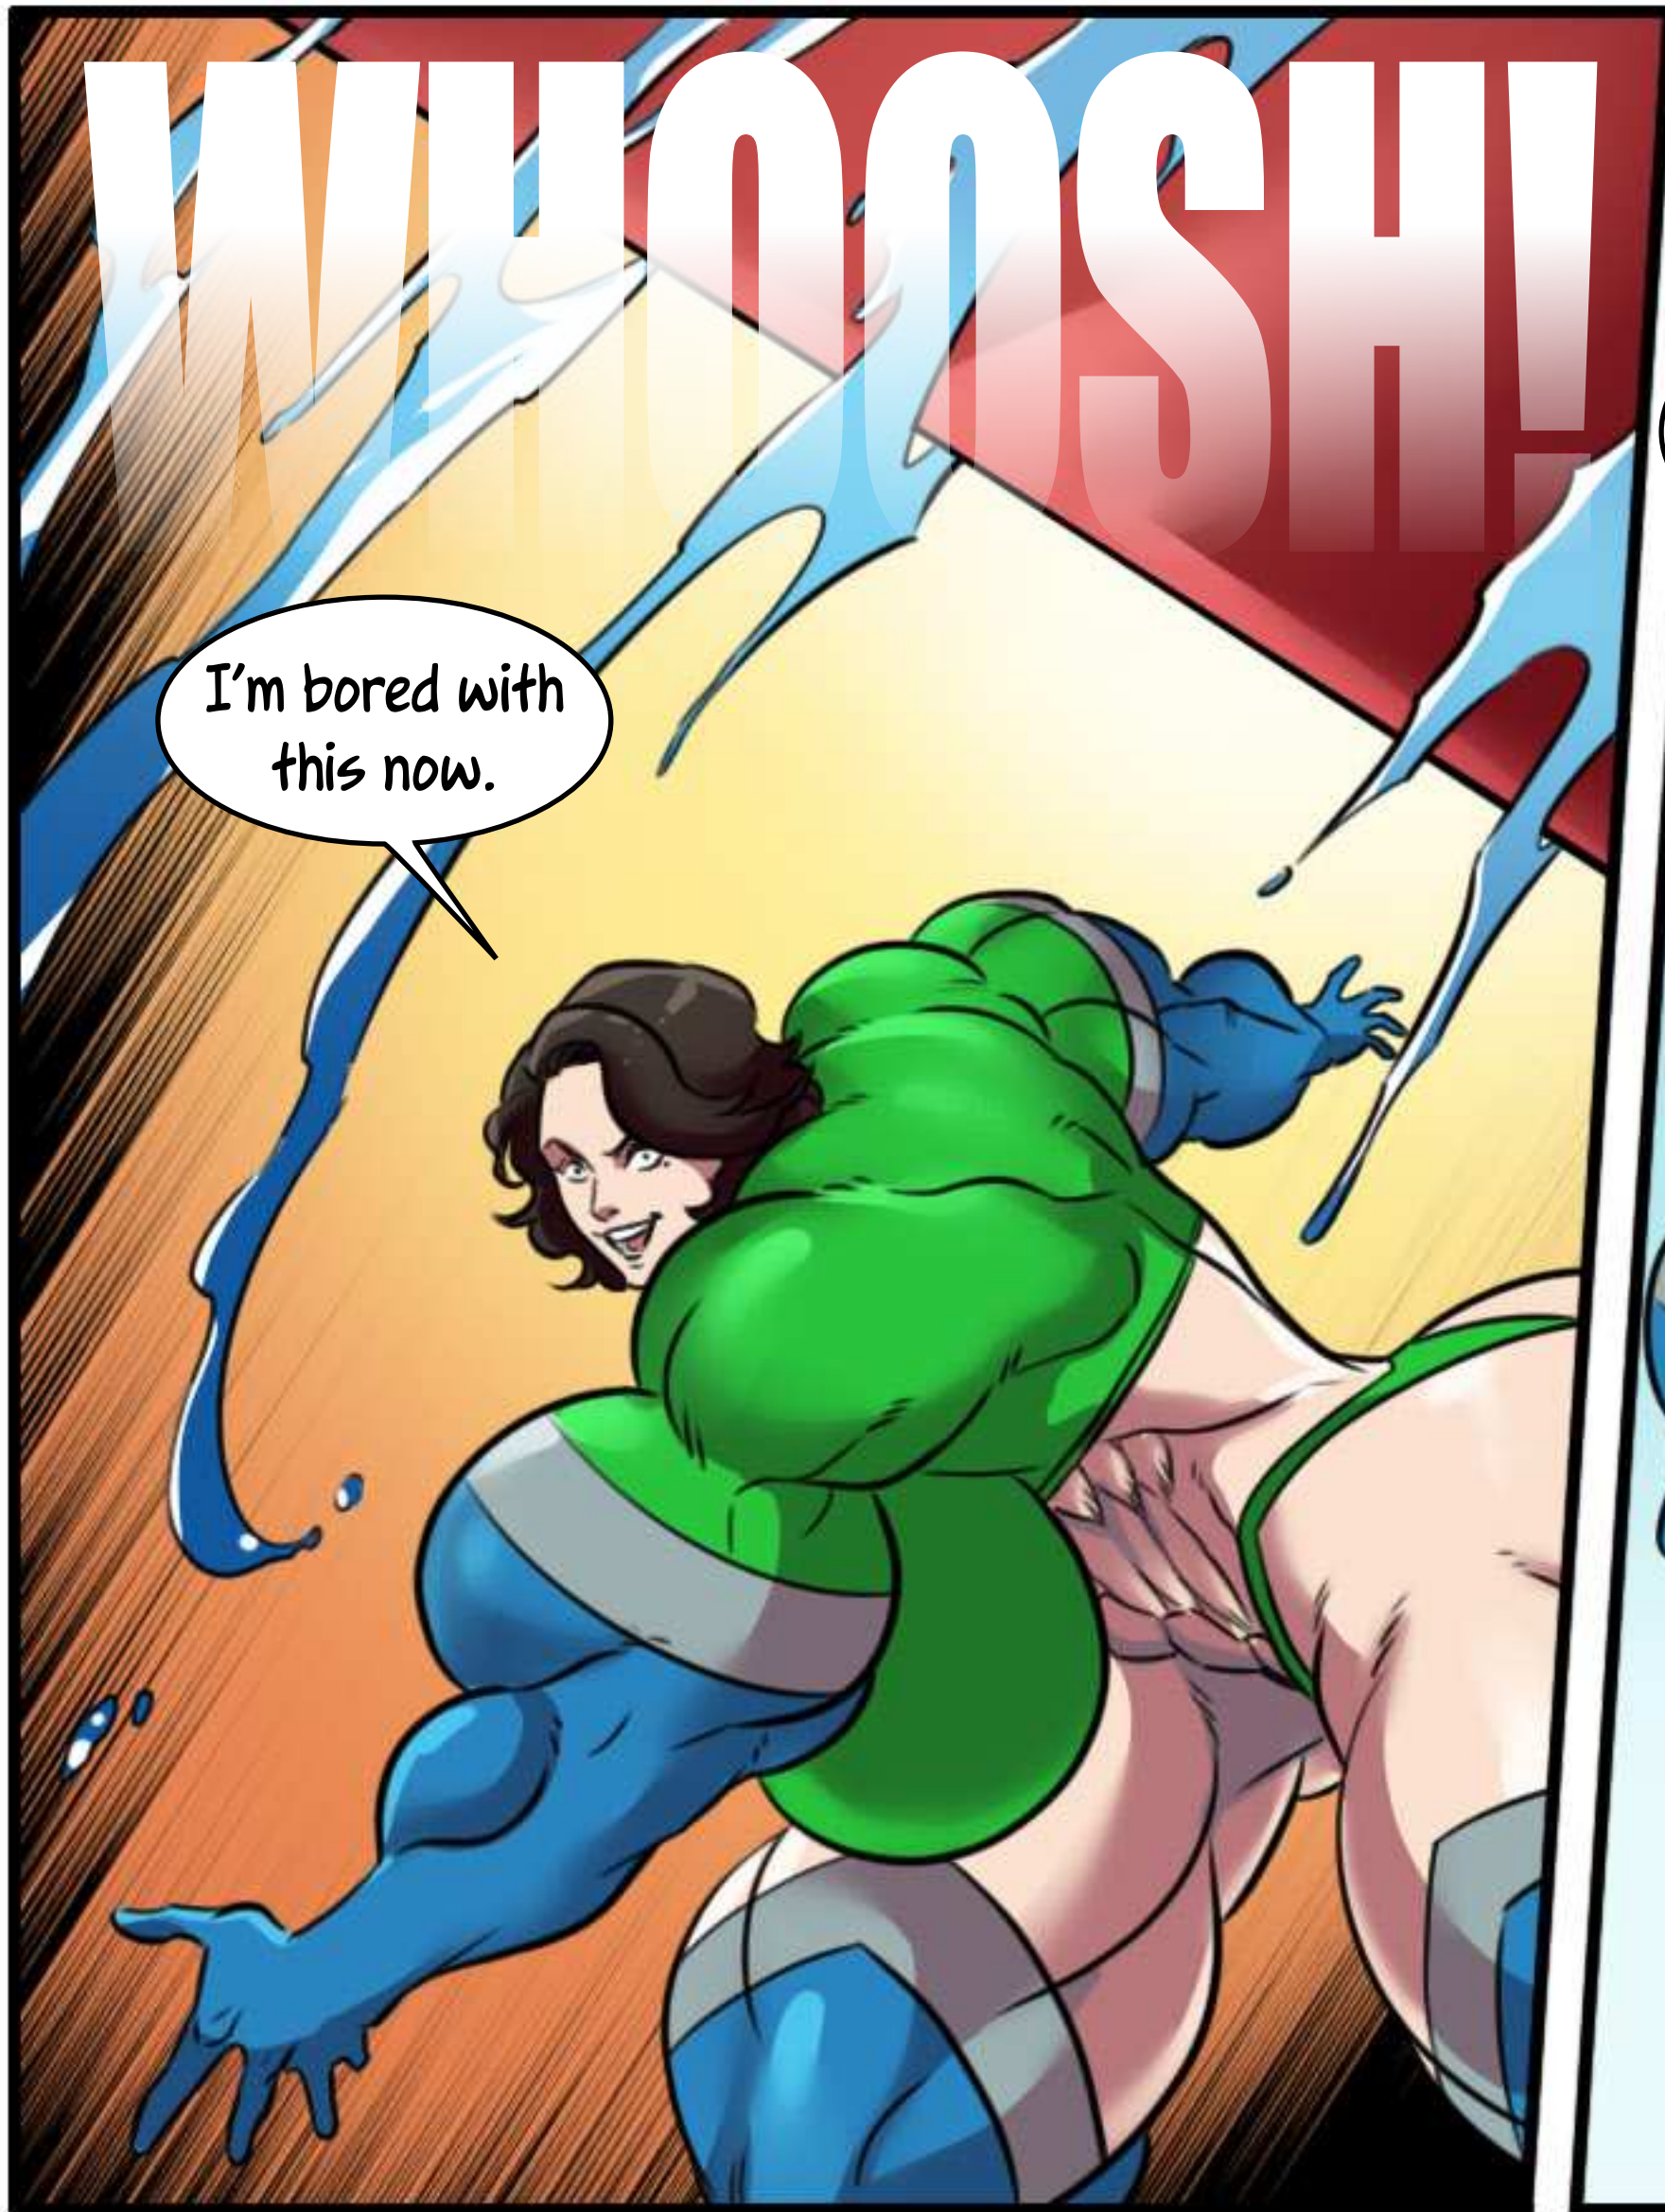

**HAHAHAHAHA!!!!!!**

**KRUGOOOSSHH!**

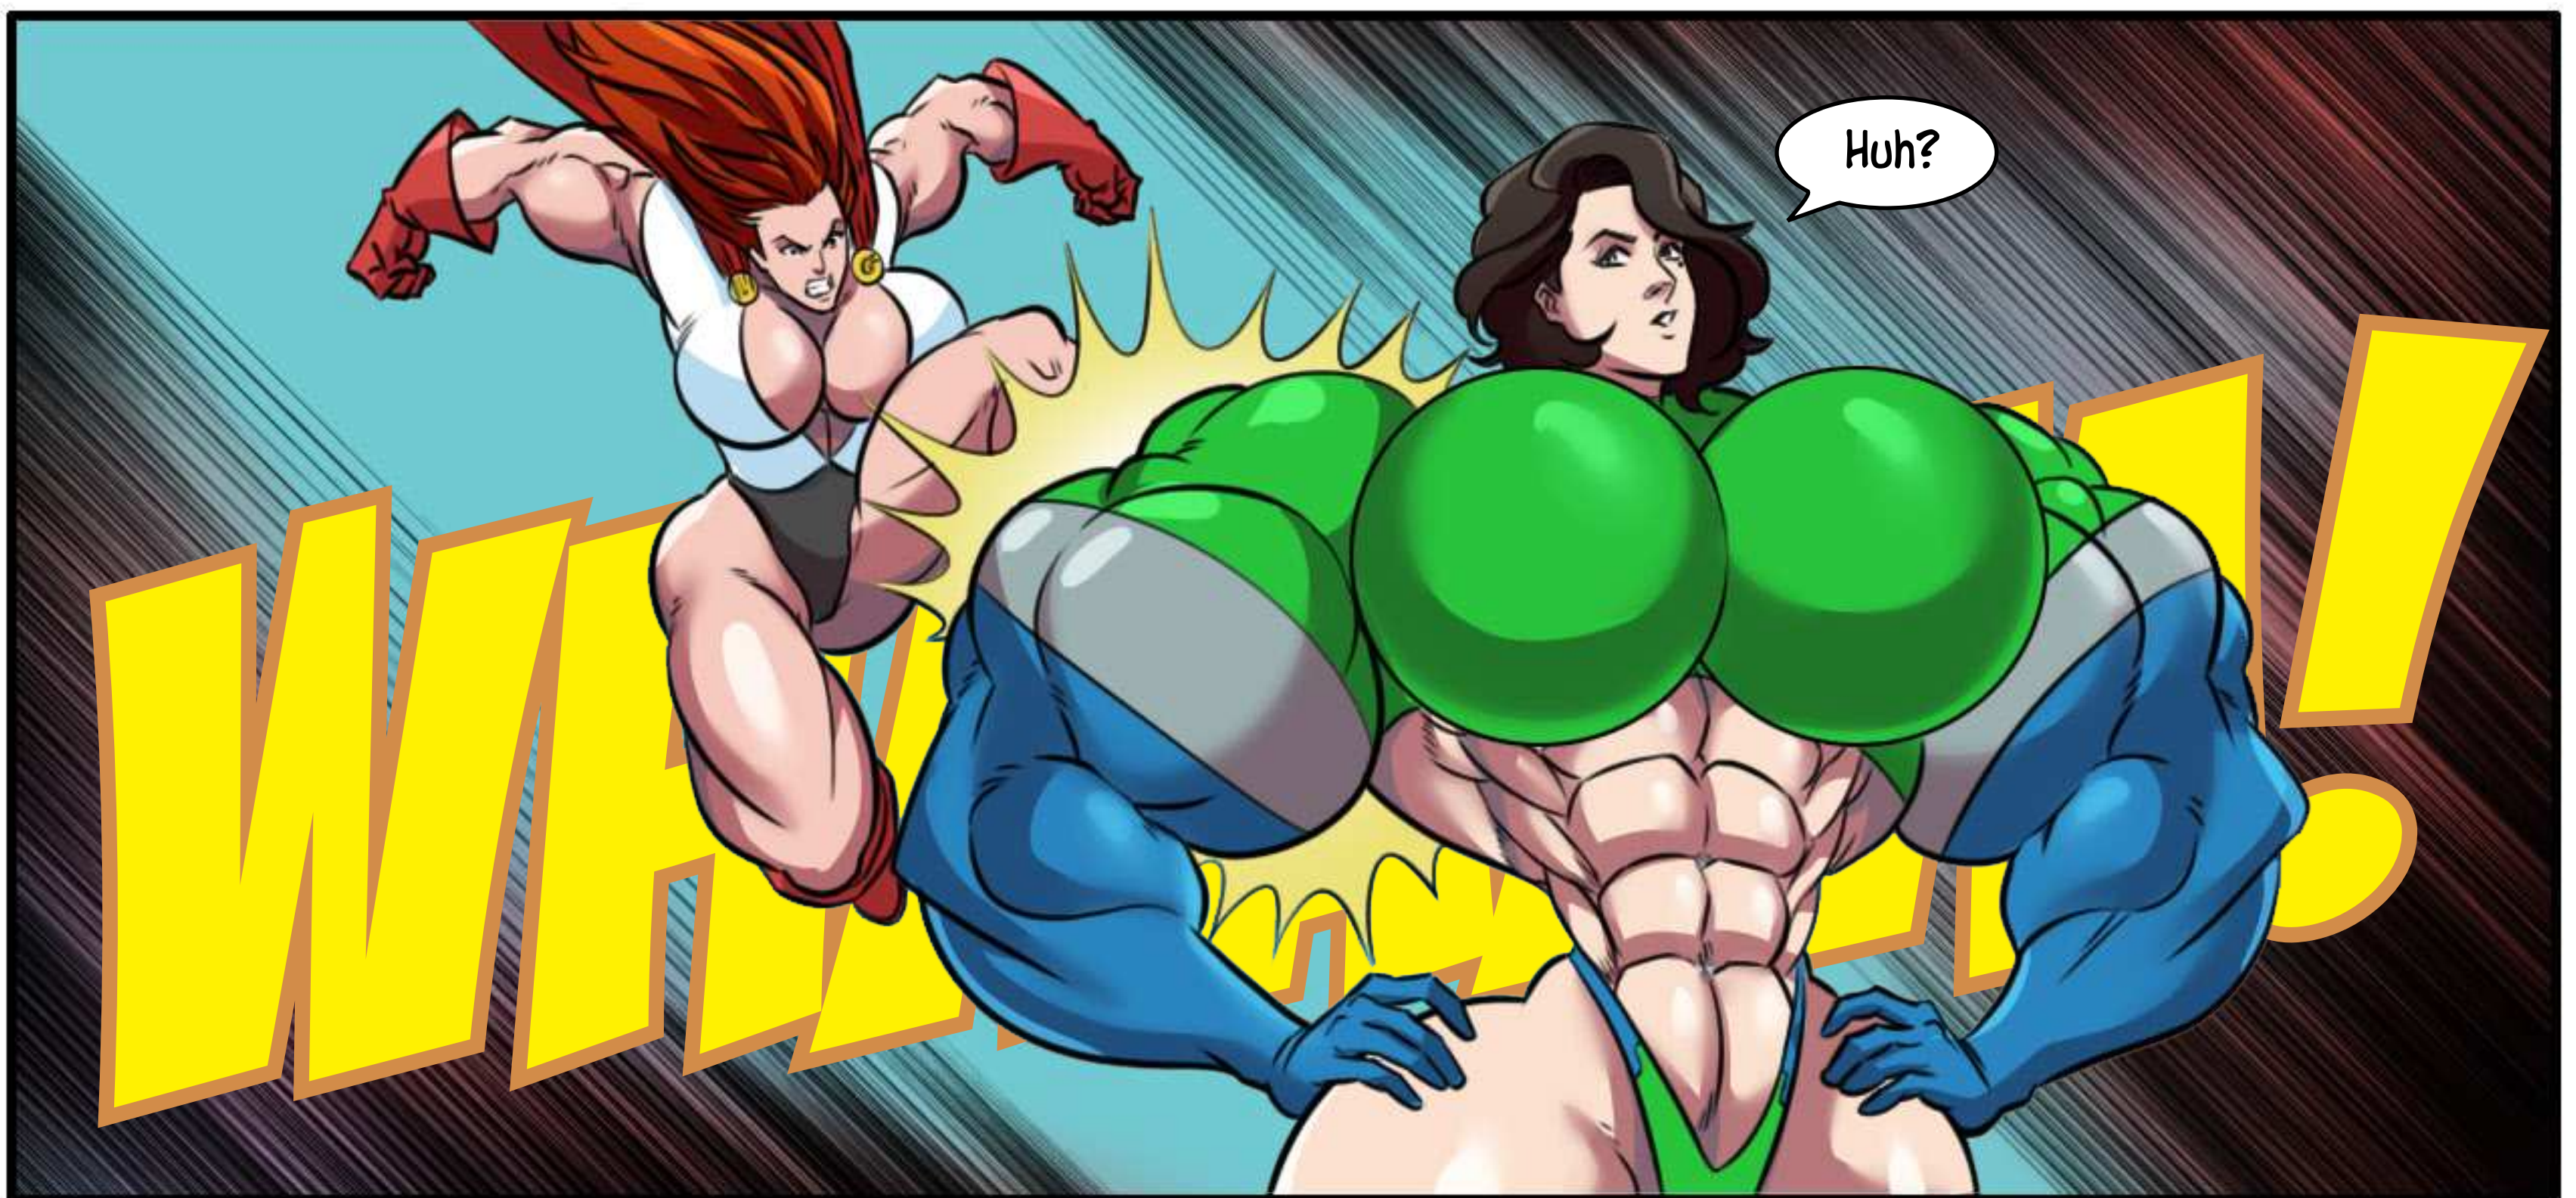

Is there no limit to my strength!?!

I'm bored with this now.

Hahaha! I finally have the power I deserve!

Huh?

NO WAY!  
That kick would've shattered a mountain and she didn't even seem to notice it!

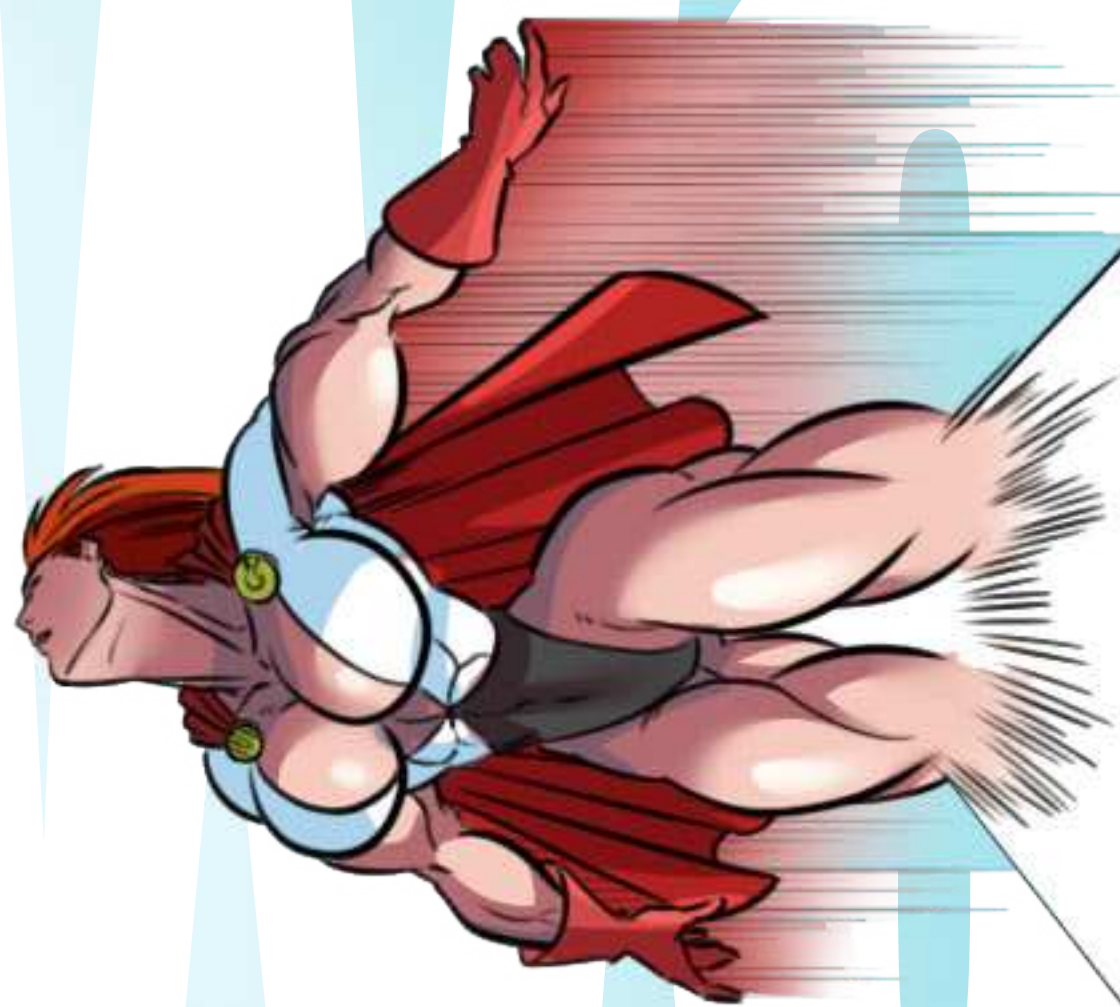

Oh good, you're here. I was just about to go look for you.

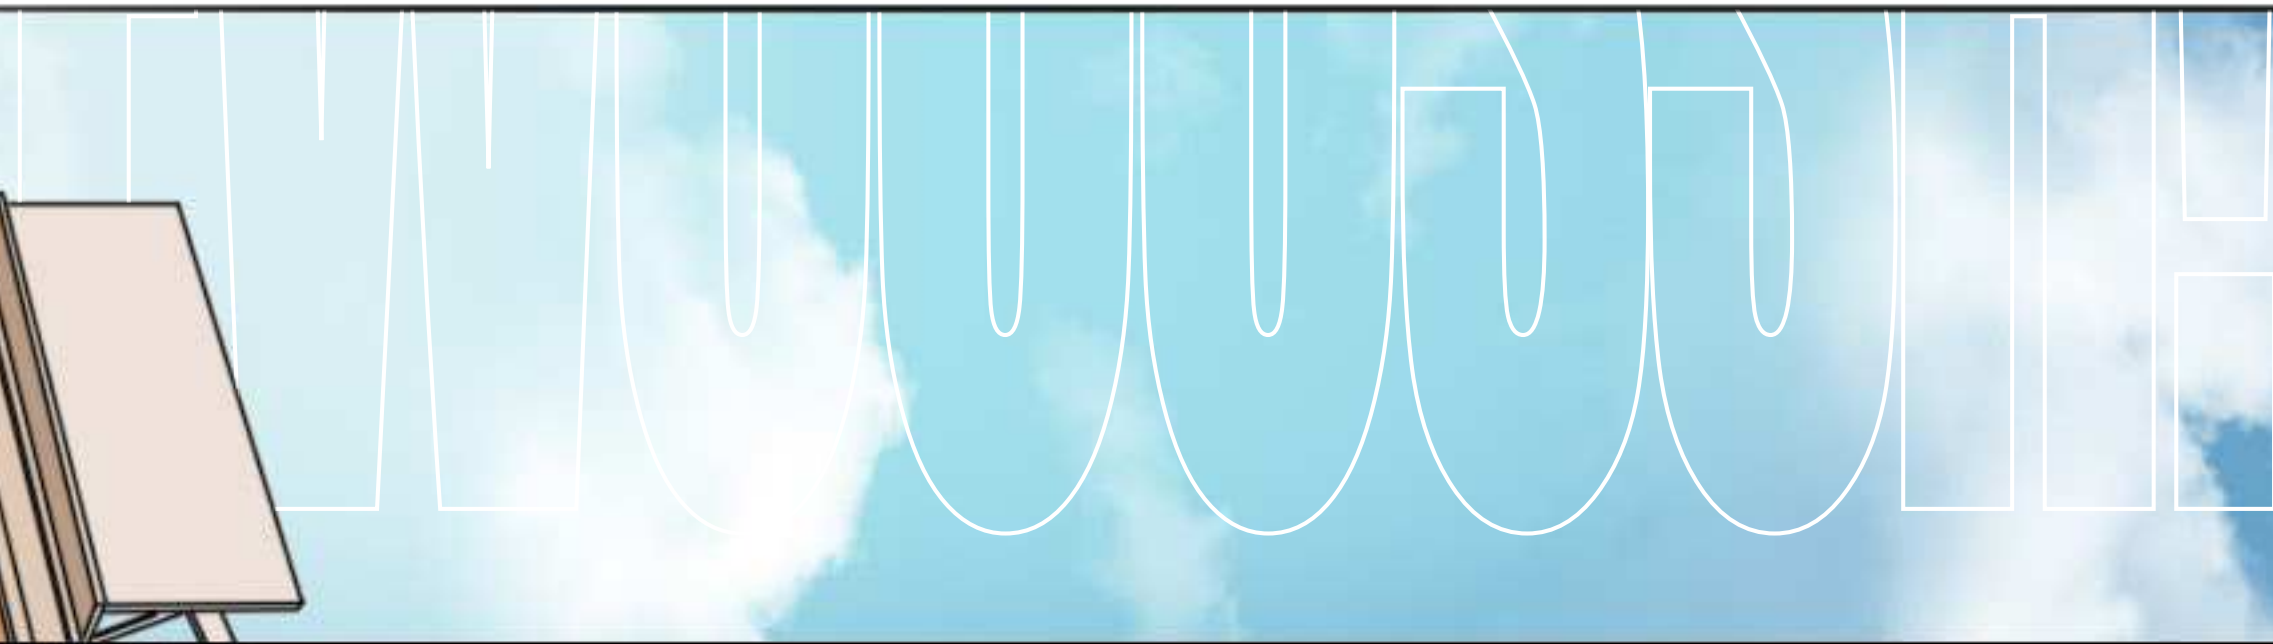

**AAACCCCKKKK!!!!**

I'm going to enjoy this!

**TAGOOM!**

Ow... my... everything...

FROOSH

FROOSH

FROOSH

Get up! I'm not done yet!

SWOOSH

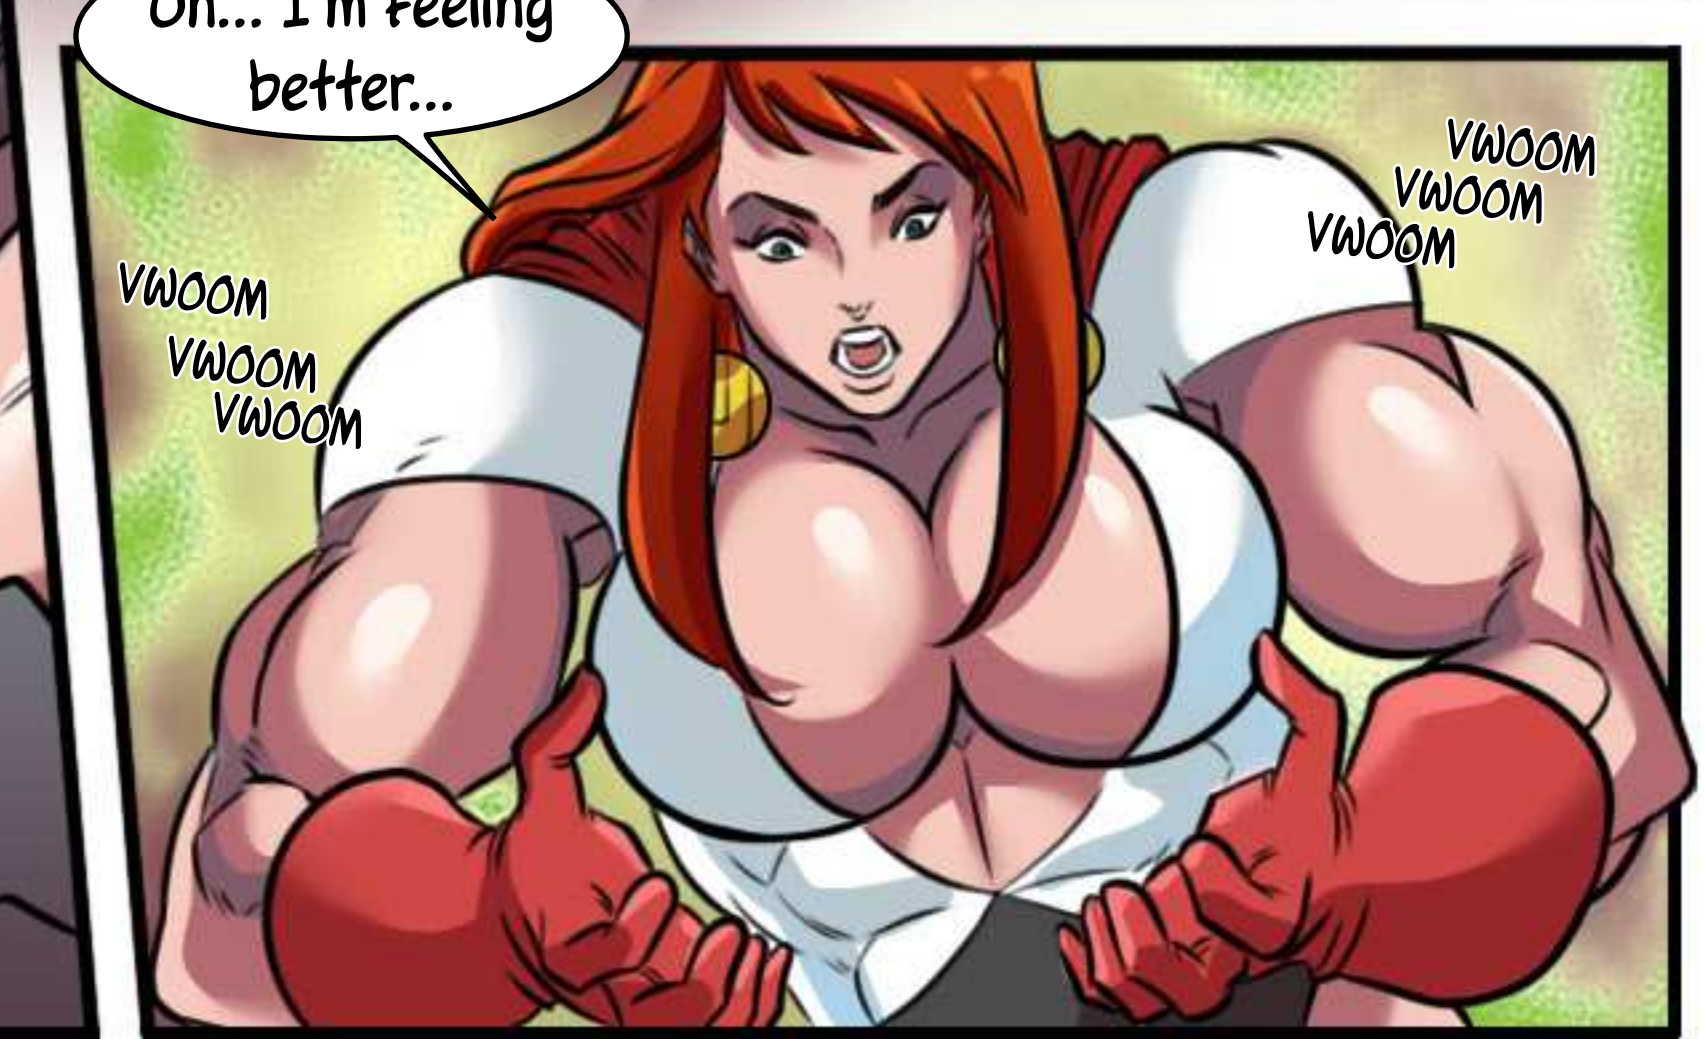

I... I don't think I can...

Looks like even your healing ability has limits. Allow me...

VWOOM  
VWOOM

Oh... I'm feeling better...

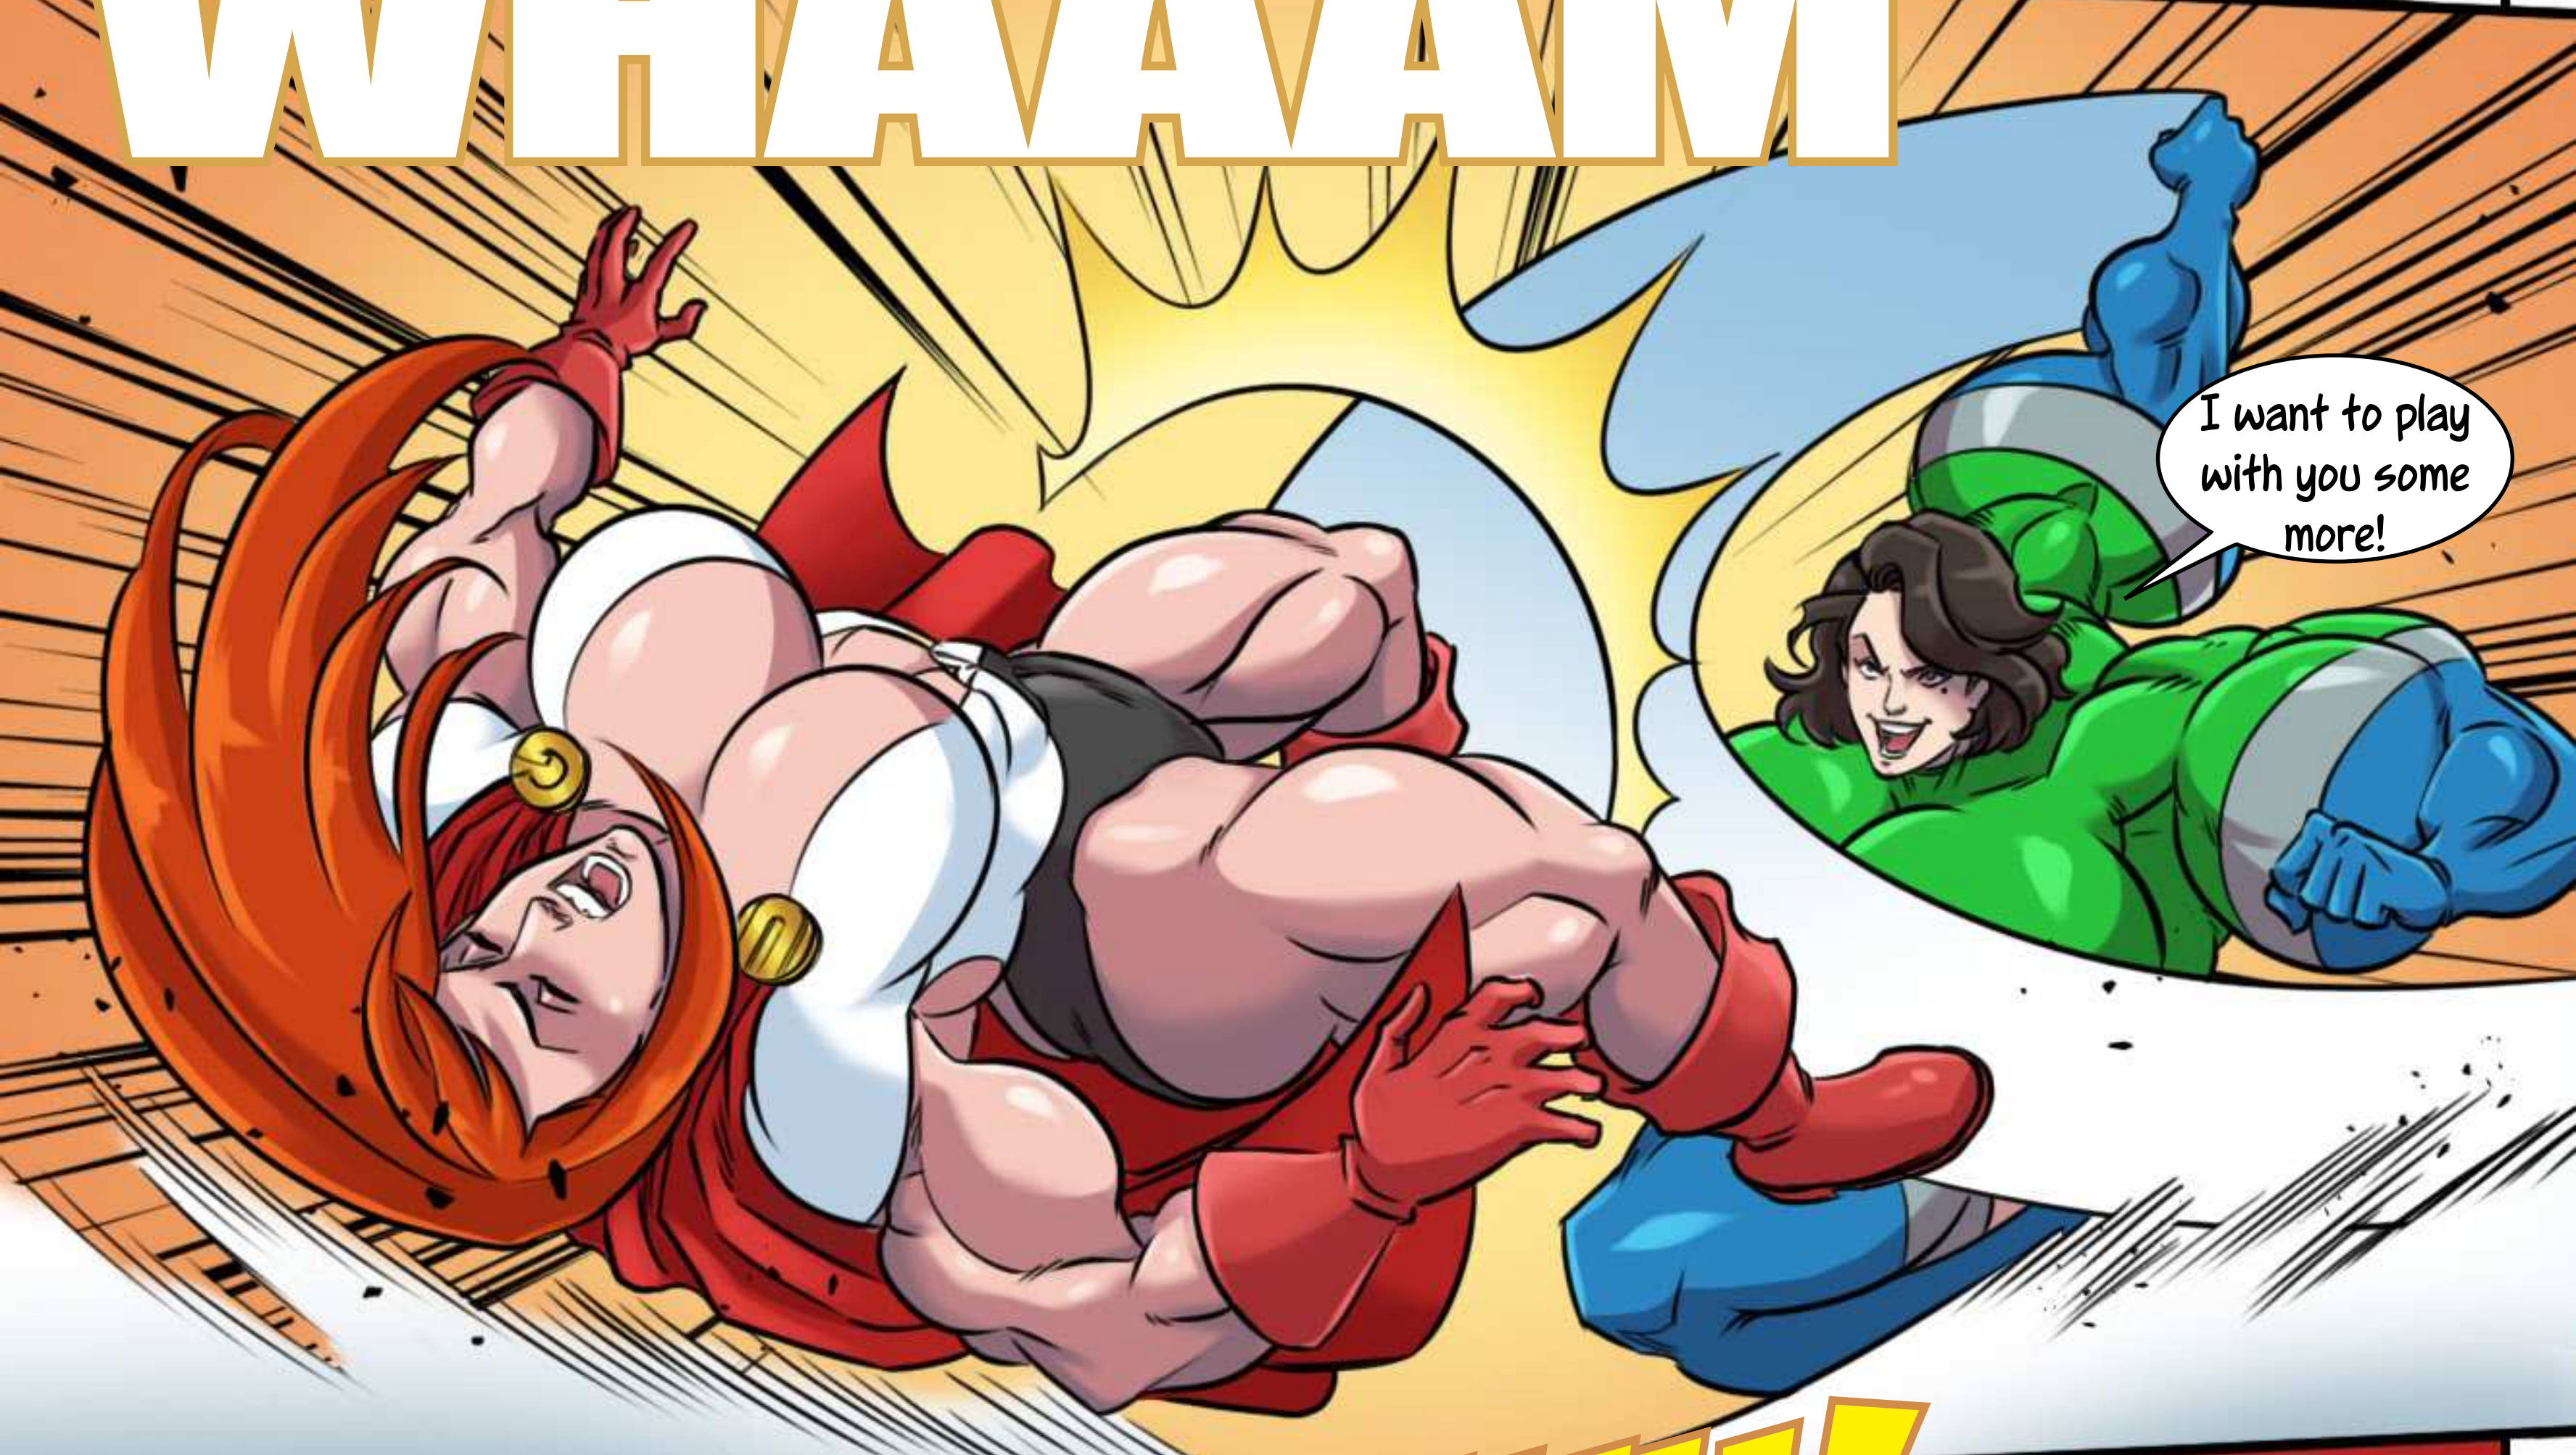

VWOOM

What?!?!  
Why'd you heal  
me?

**WHAAAAM**

I want to play  
with you some  
more!

**CRAAASSHHH!**

**FWOOSH!**

KRAGOOSH!  
KRAGOOM!  
KRAKOOOM!

Didn't break any bones this time...

KRAGOOSH

...she must've been holding back.

STEP

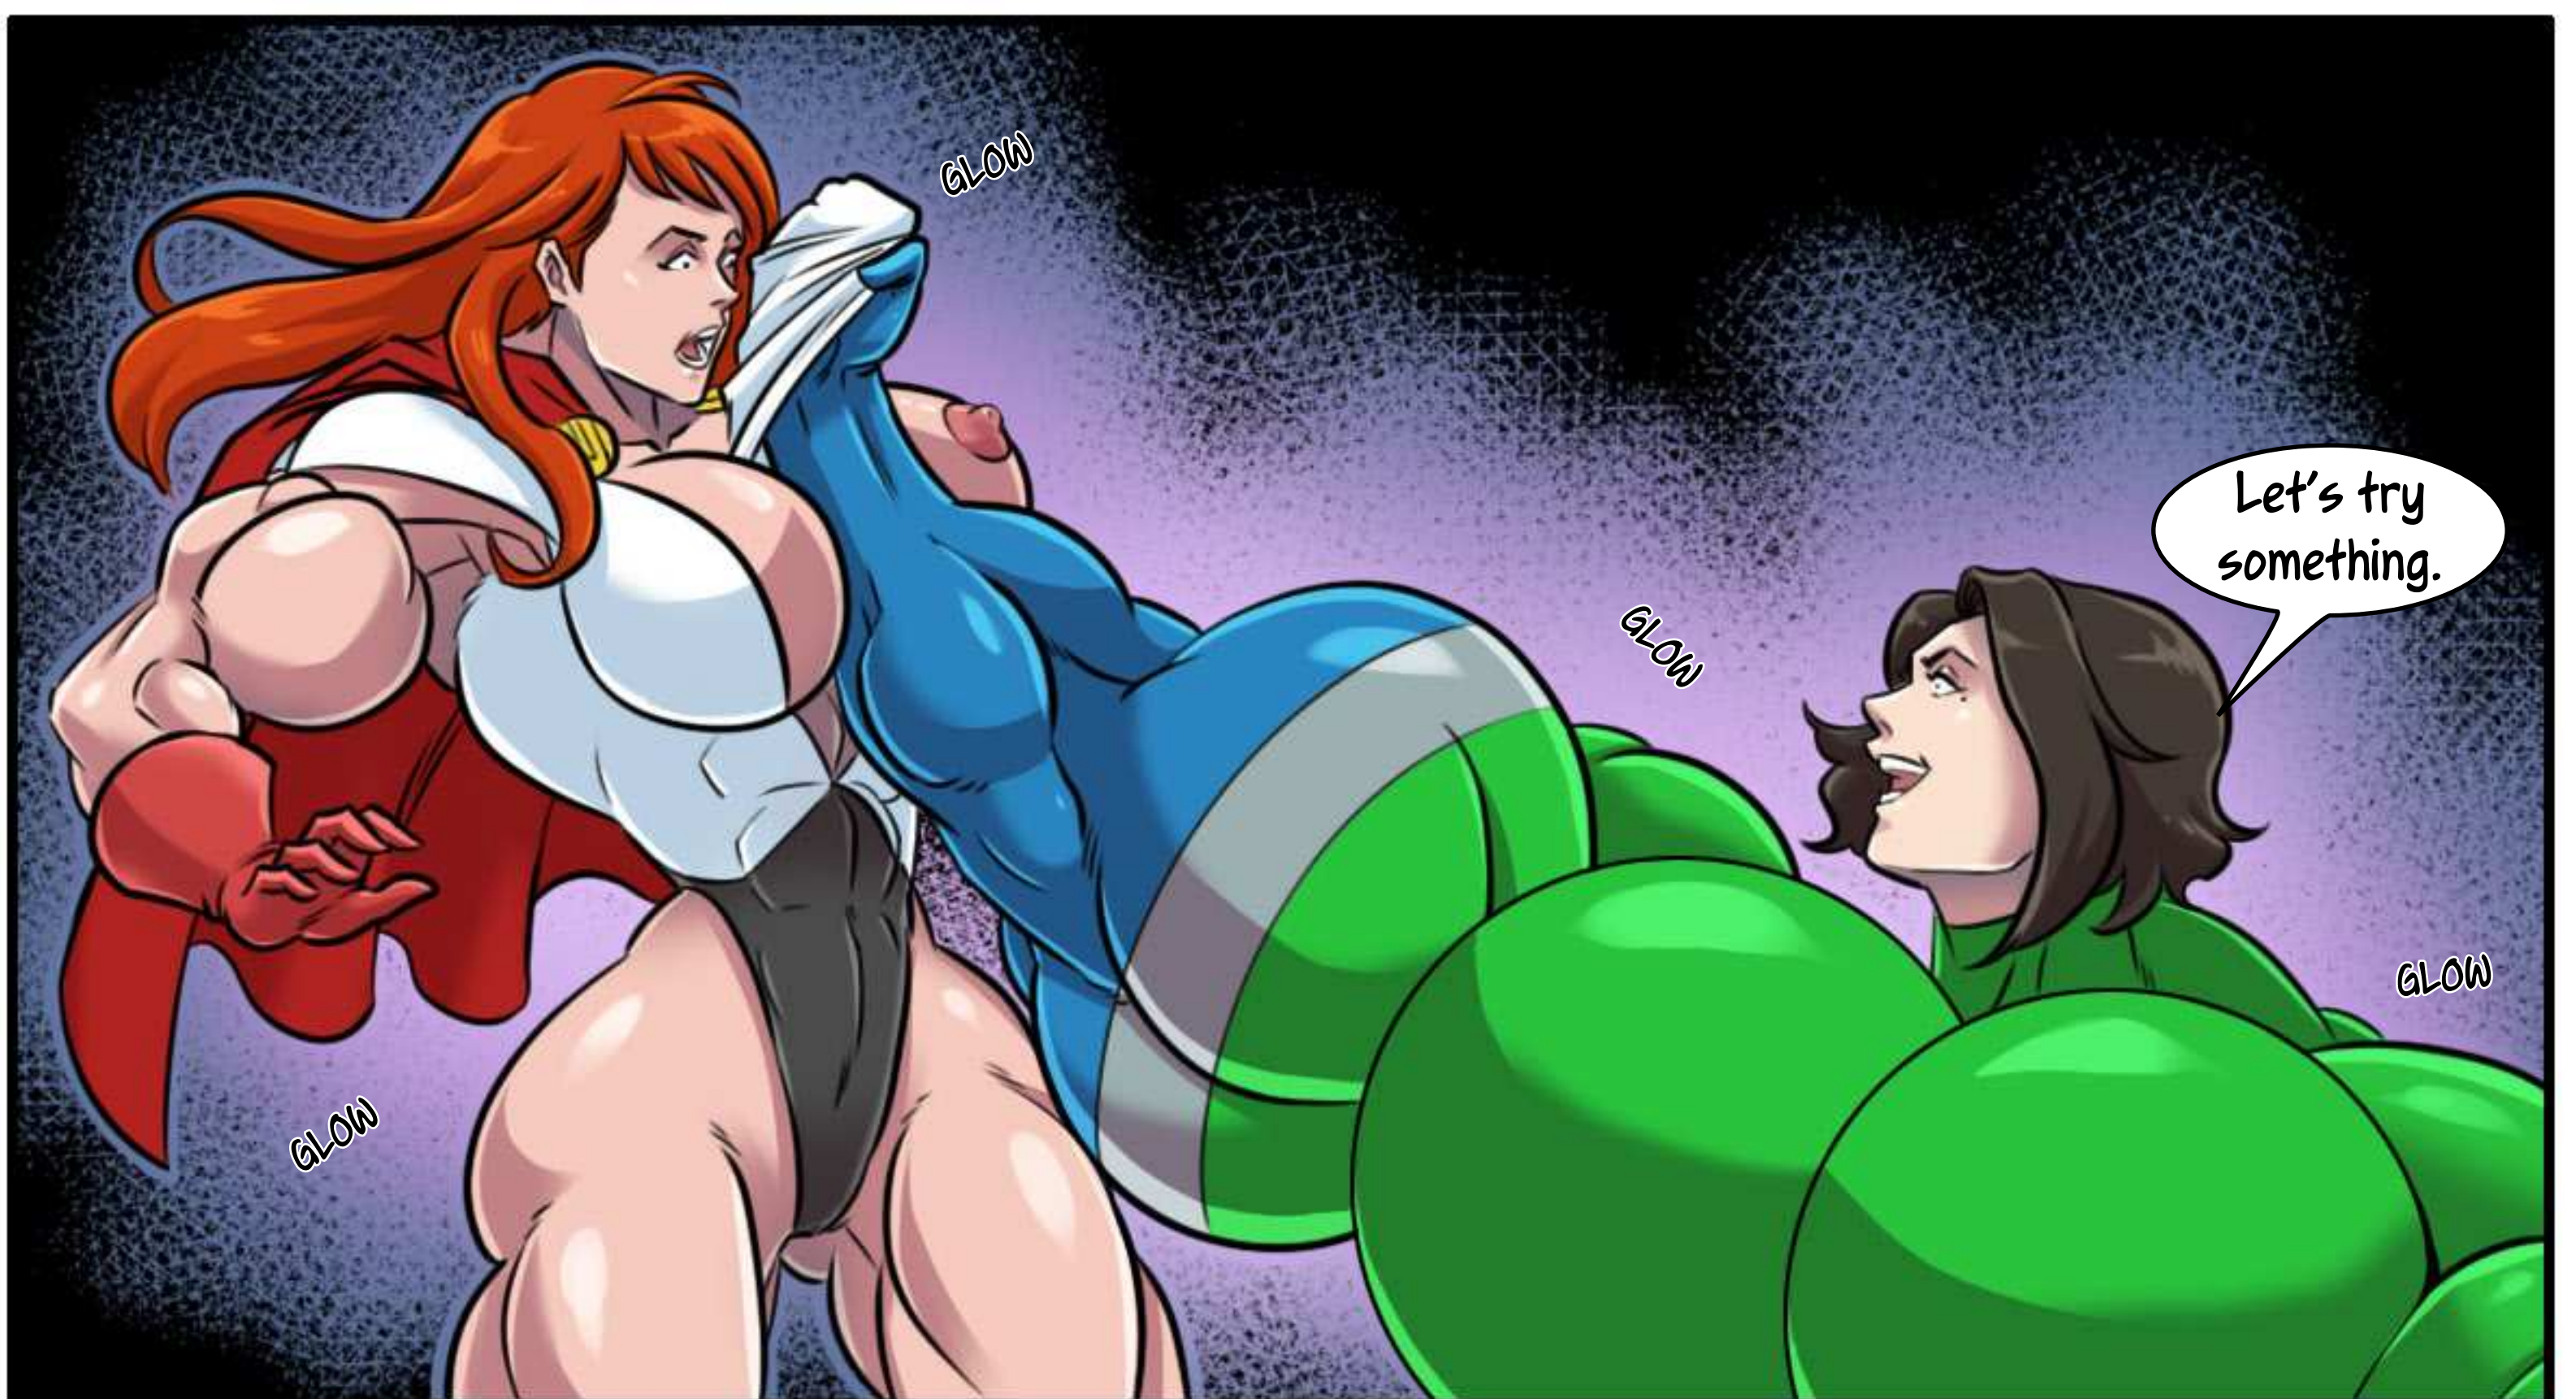

You have no idea how little of my power I'm using!

What? Who said... UFFFFFFF!!!!

OOOF!

WHUMP!

Due to the nature of your powers there is only a 2.87% chance this will work.

THUD!

If it doesn't, well then I'll just kill you.

UGH..

But if it does work... Mmm I'm getting aroused at the thought of becoming even more powerful!

POKE!

ZZZZT

ZZZZT

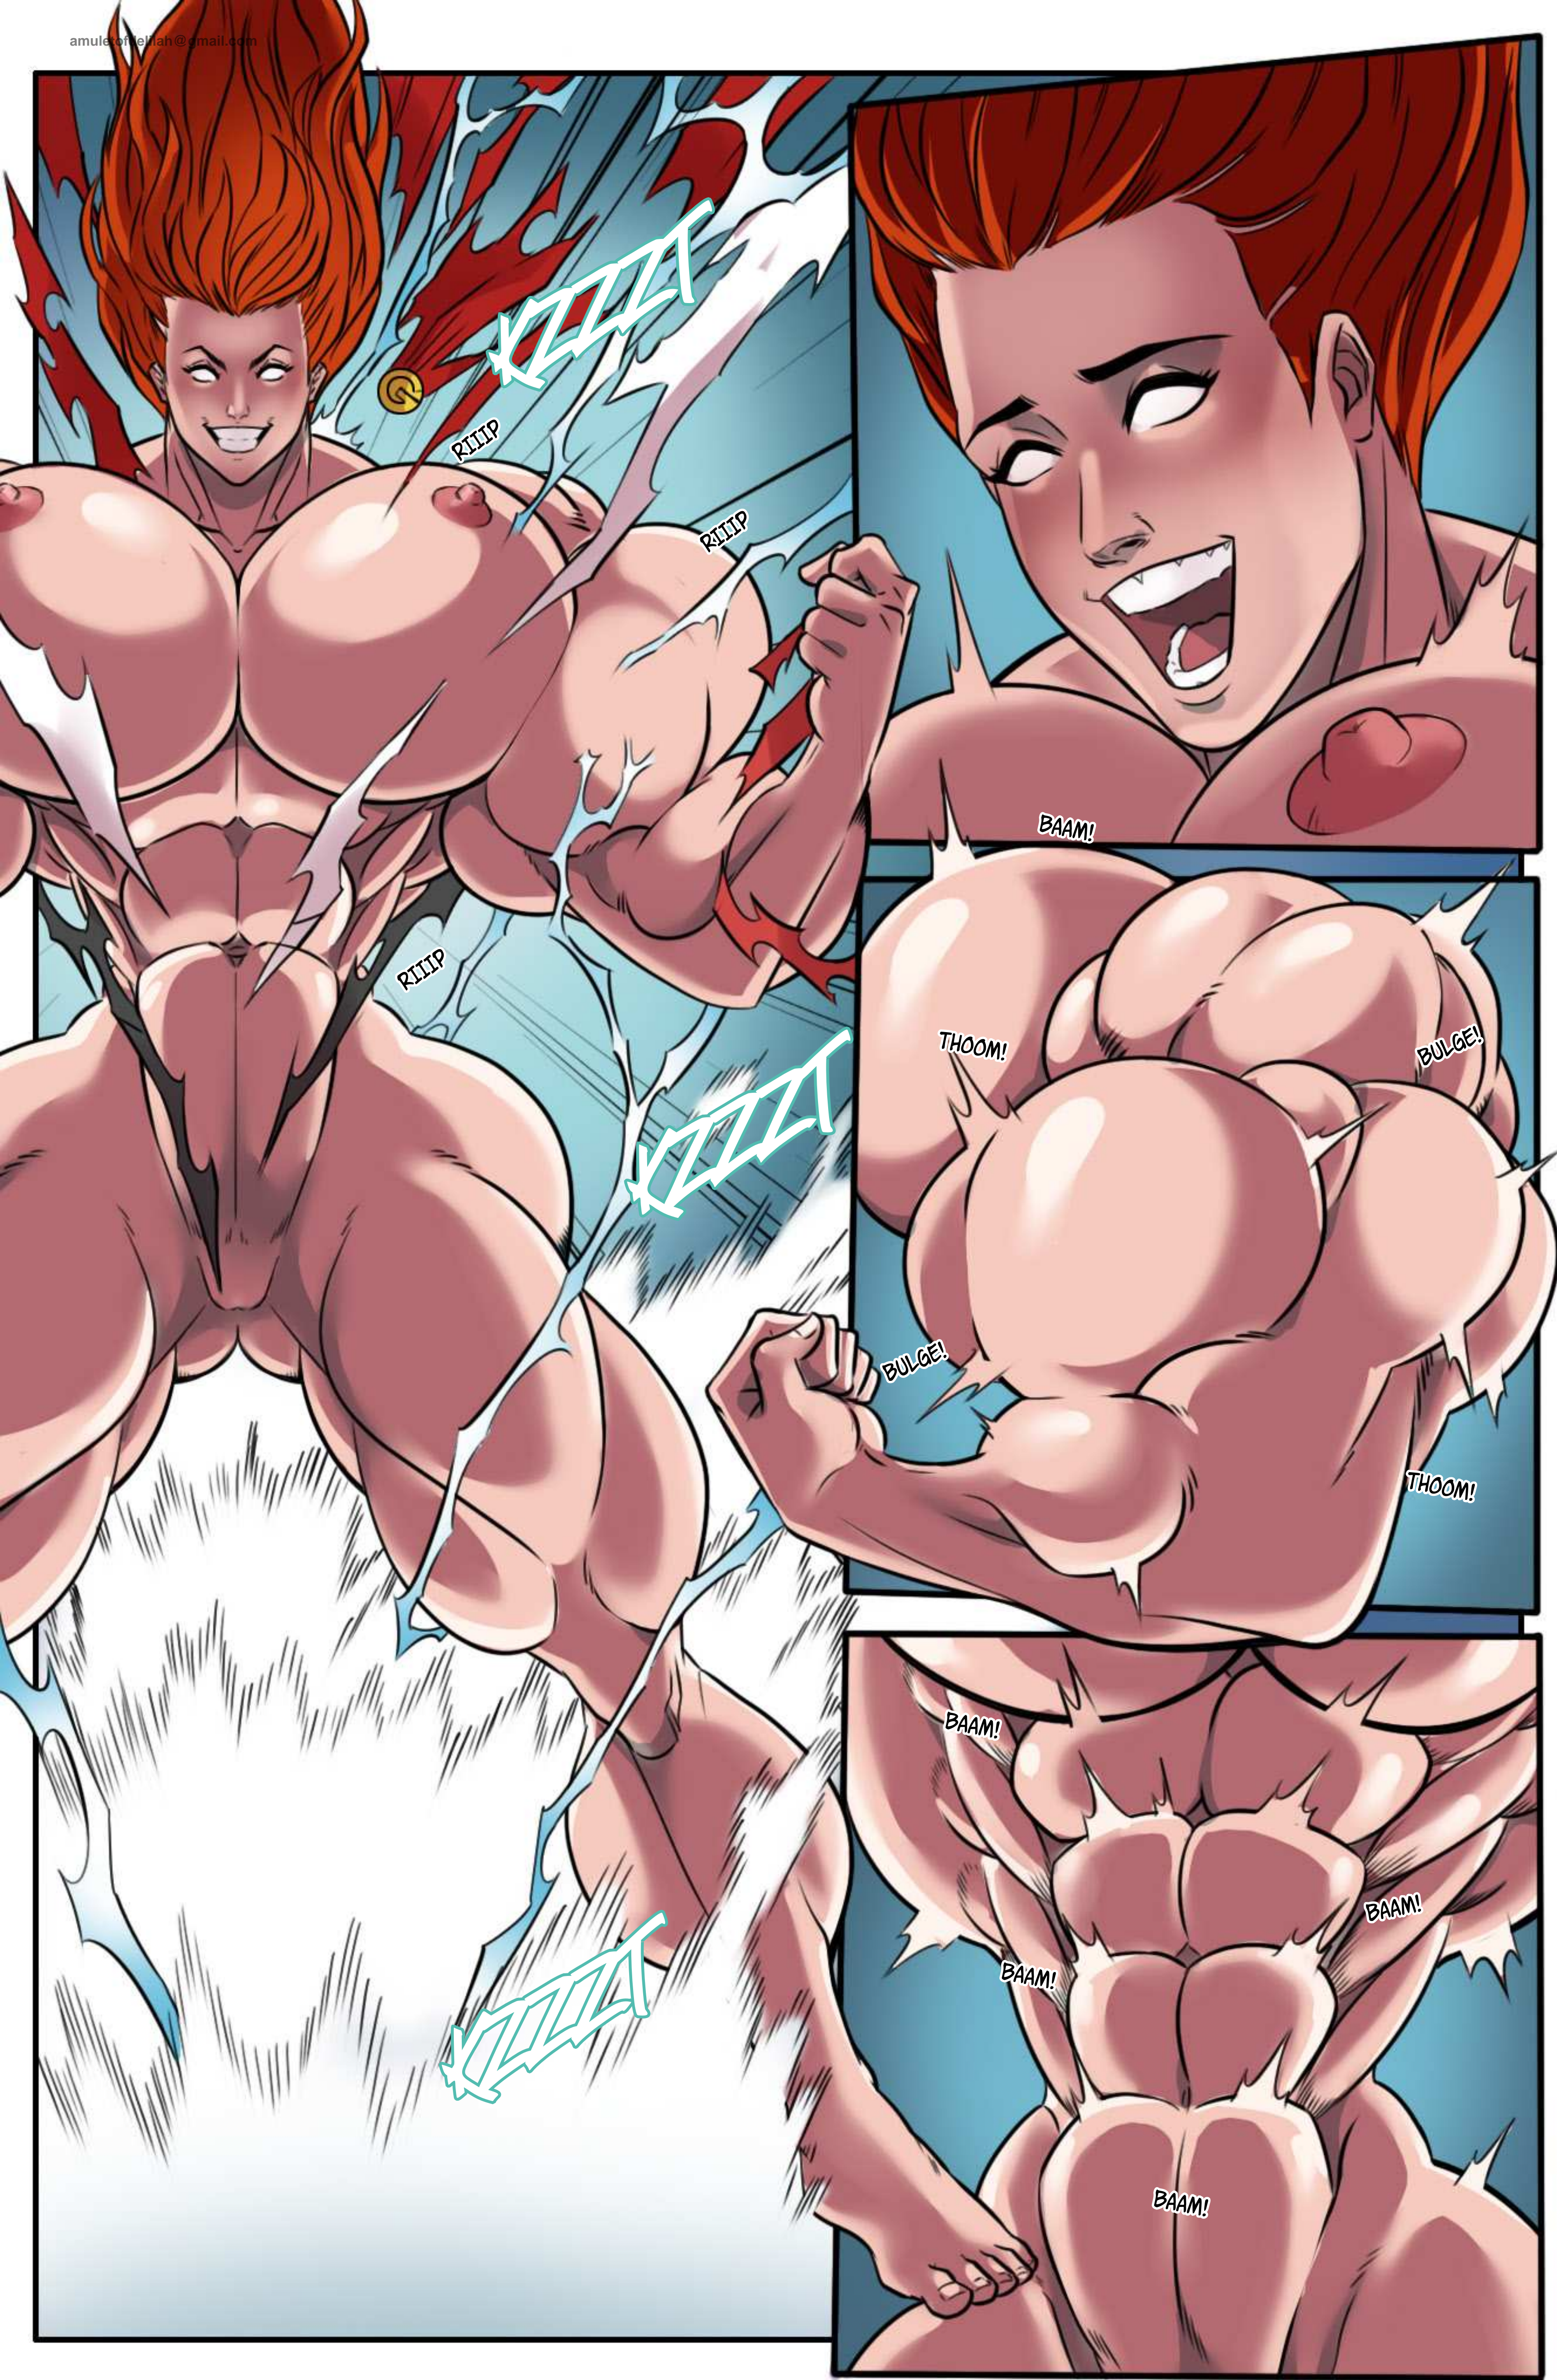

Huh? Something feels different this time.

**NO!  
MY POWER!**

**WHAT HAPPENED  
TO MY POWER!?!**

Here's a hint.

Now  
I have all the  
power!

CRACKLE

FLEX

CRACKLE

**BUT... BUT...  
HOW?!?!?!?!?**

I knew you wouldn't be able to resist taking my powers too. So I rewired the machine to work in reverse.

Impossible!  
You are an imbecile! I'm the only person capable of understanding how the machine works!

I ADMIT THE MACHINE IS BEYOND EVEN MY UNDERSTANDING BUT IT WAS SIMPLE ENOUGH TO SWITCH THE INPUT AND OUTPUT.

Well I had some help...

You're not getting away this time. Now before we send you to jail you're going to help us return the powers to their rightful owners.

GRAB!

Return?  
You fool! Once removed  
from someone they can't be  
returned!

Wait... this is  
permanent!?!

Next time: Domina Triumphant?!?
