What a great day!
The sun is shining, the
birds are singing...

Uh-oh, looks like
I spoke too soon. I'm picking
up some kind of trouble with
my super hearing!

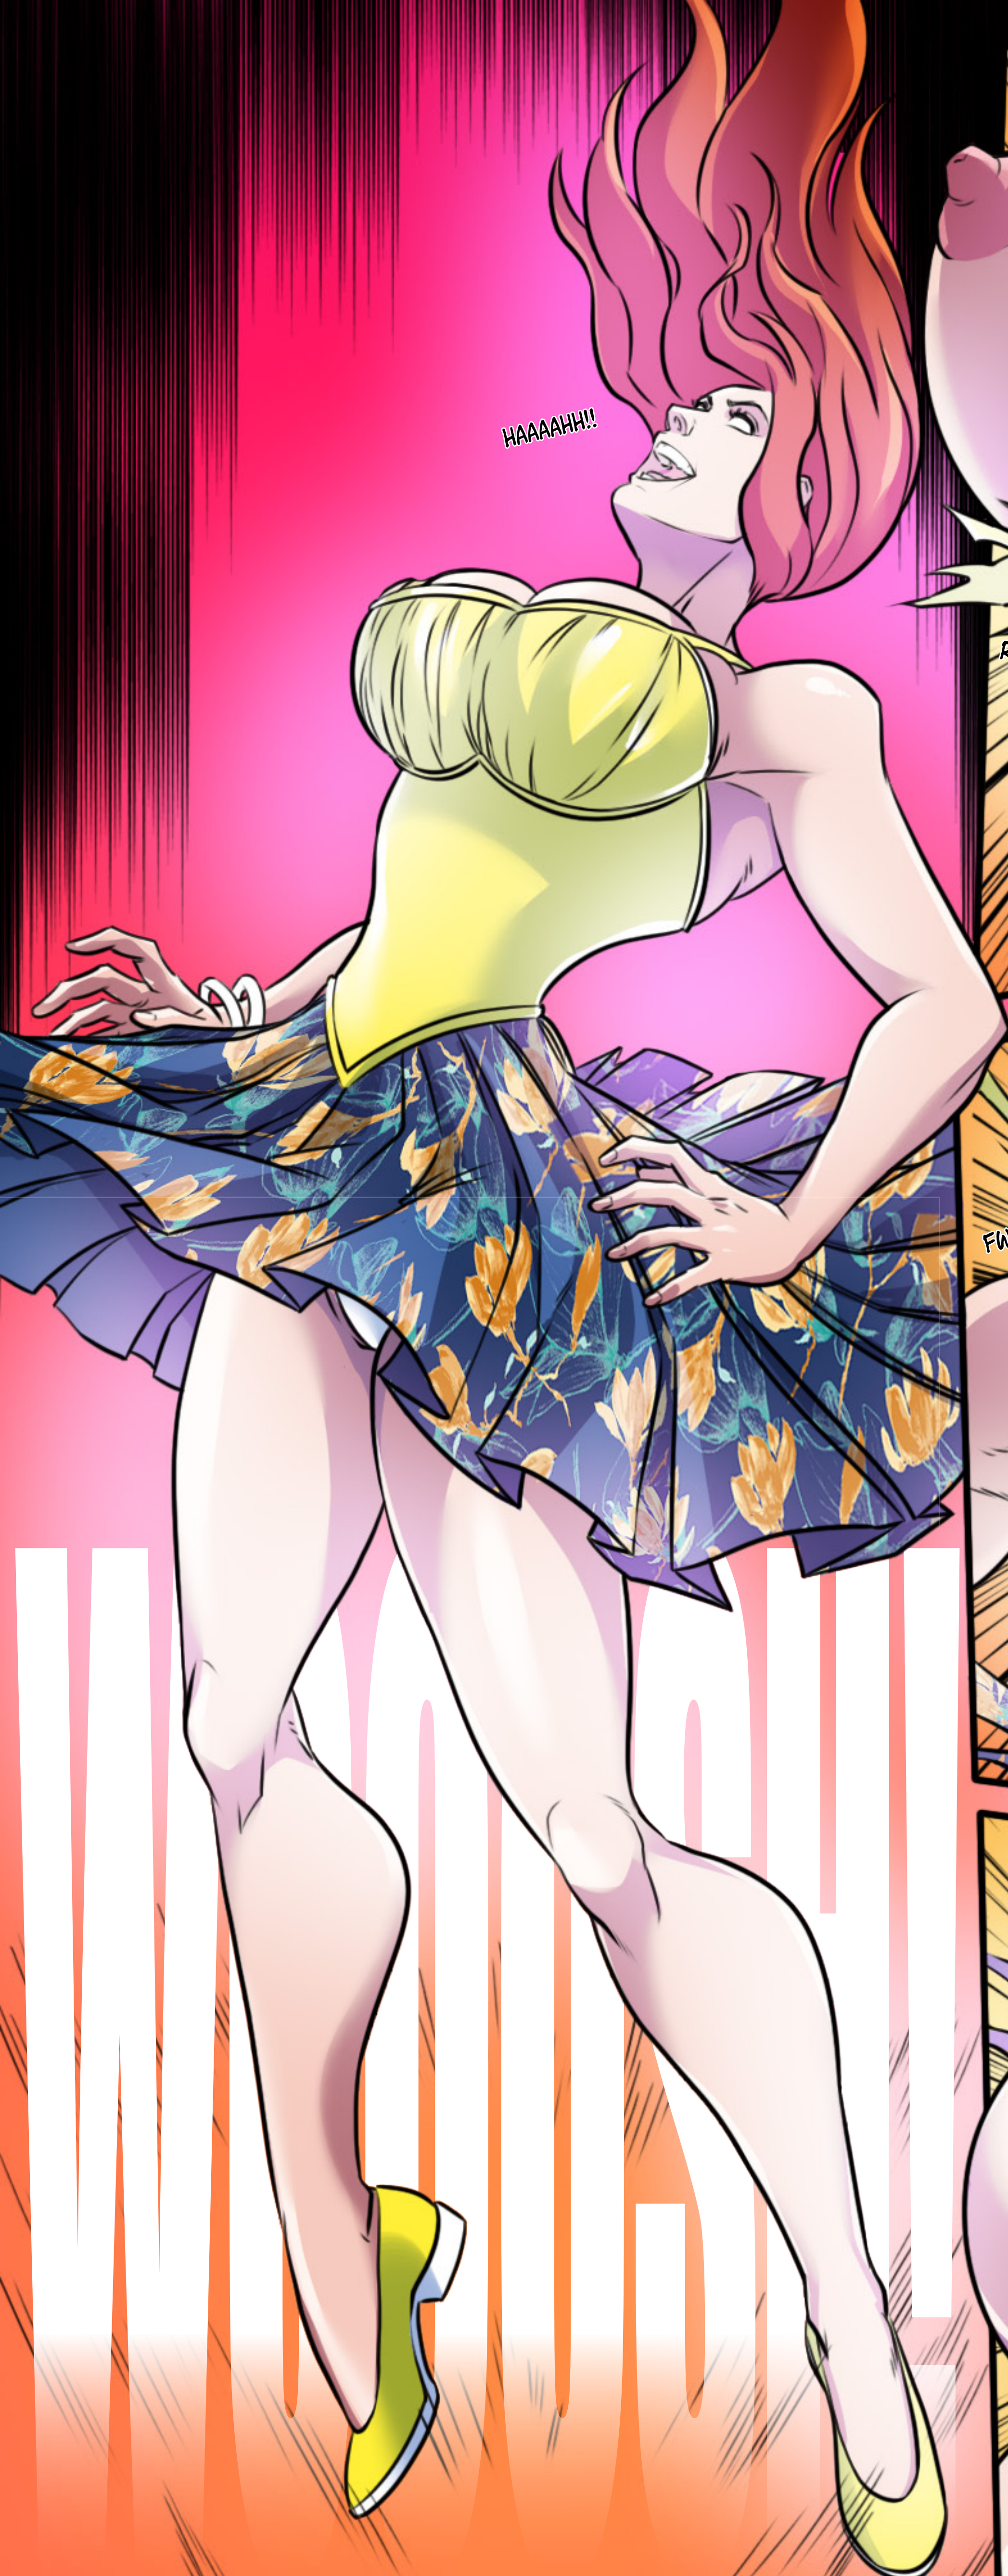

I guess
my walk will have
to wait.

SPLAT

It's
Ultra-Gal time!

HAAAHH!!

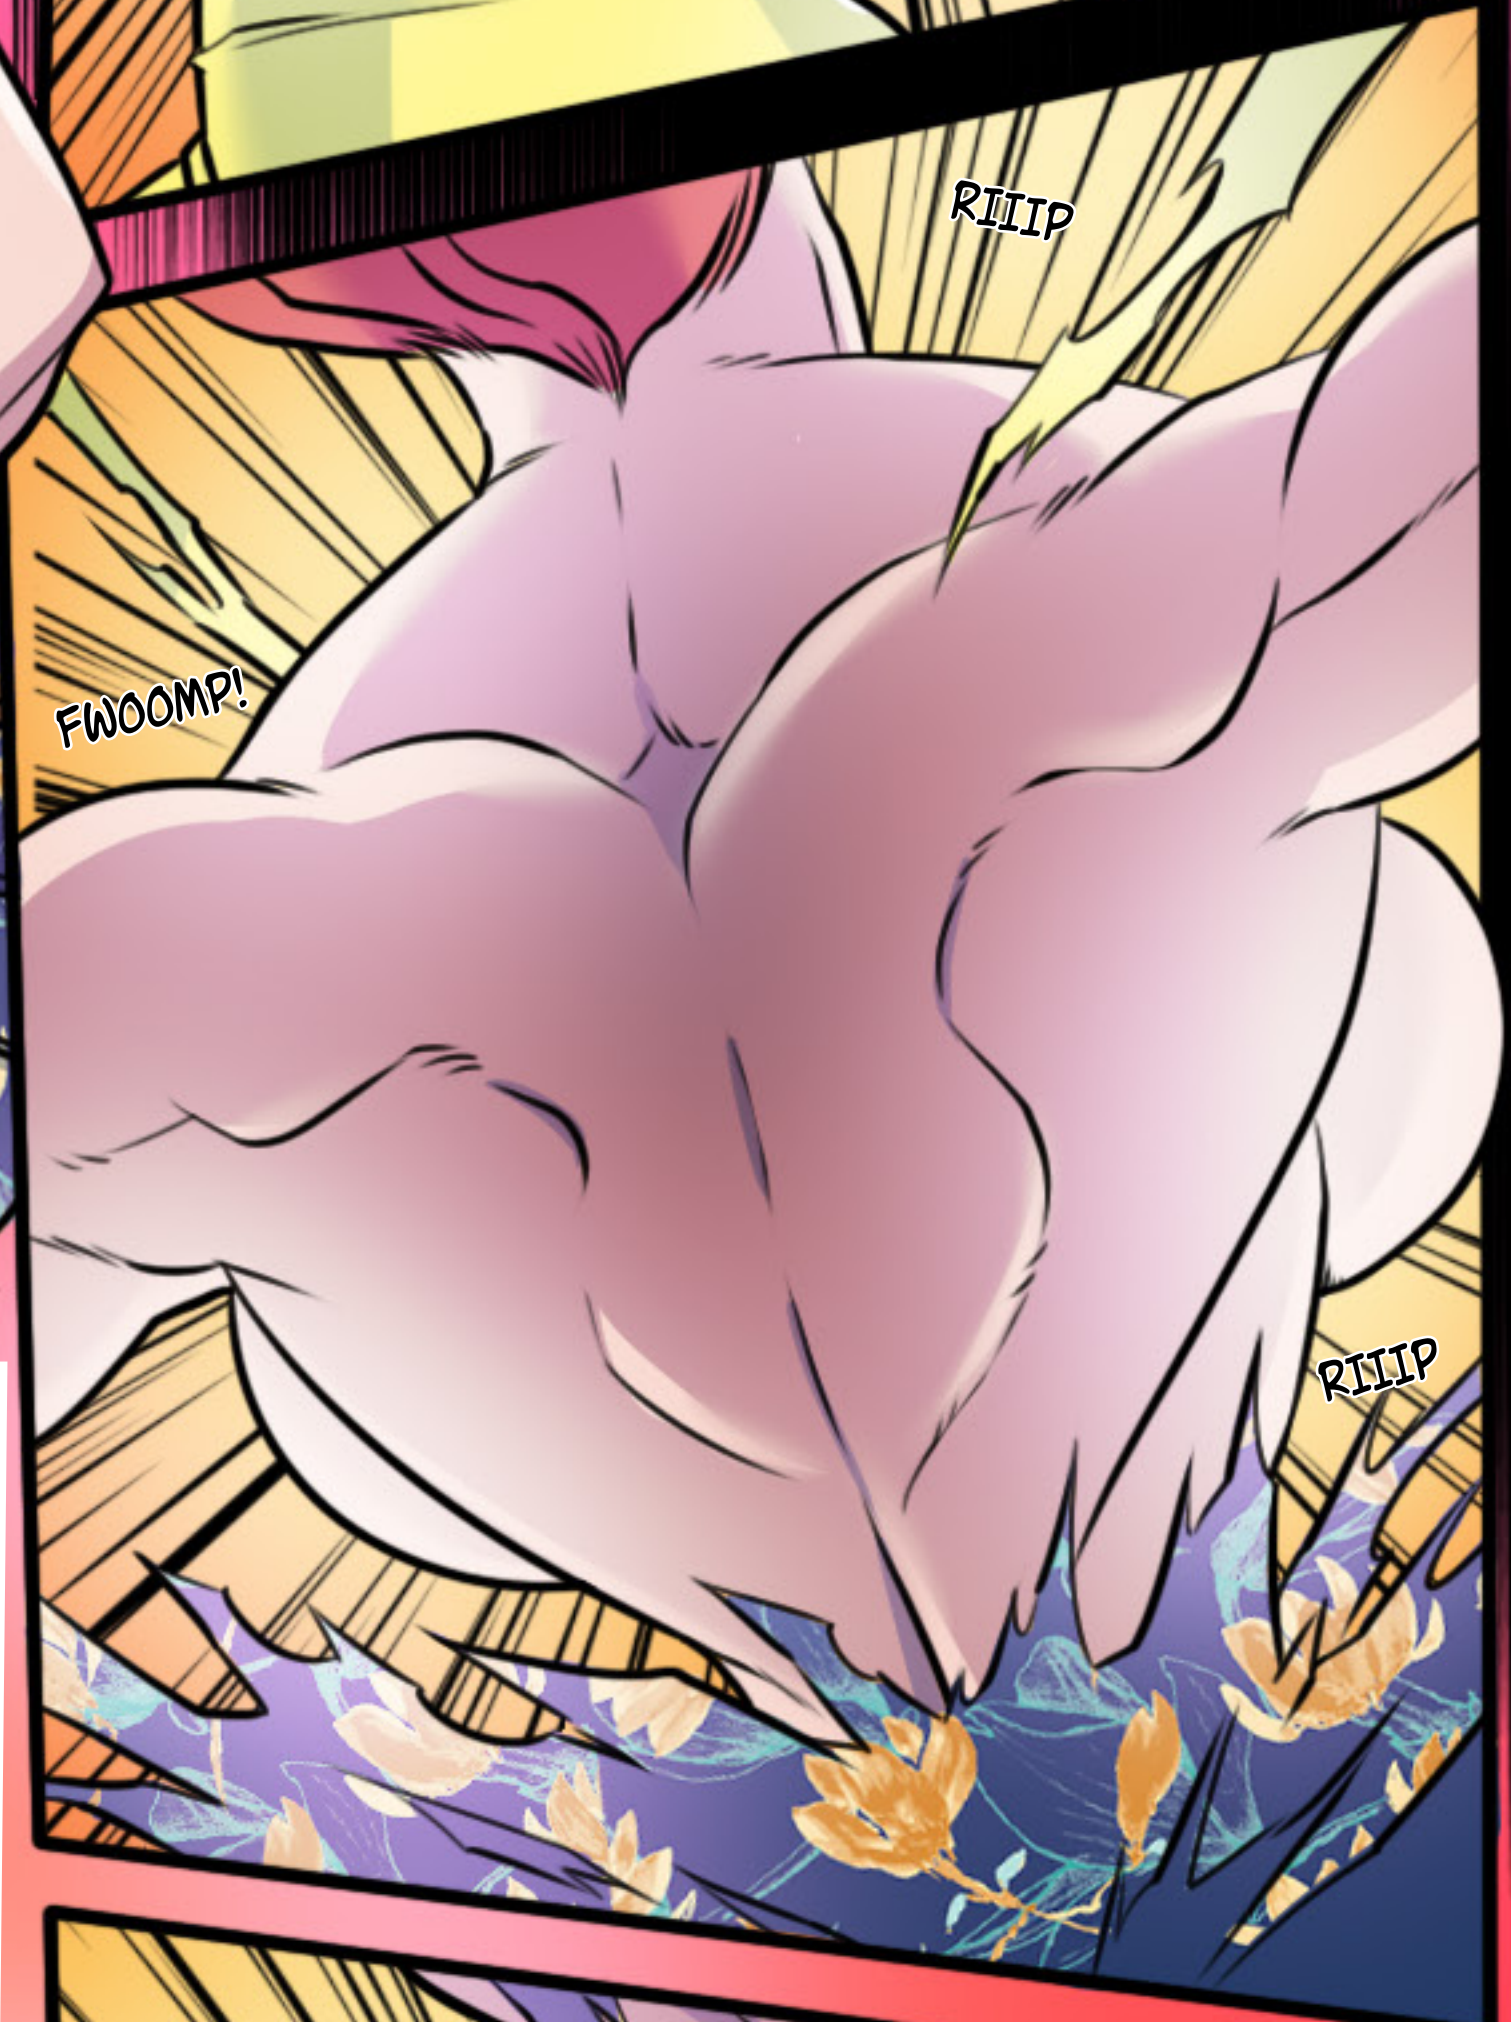

BAAAM!

Really Domina... giant robots?

WHIRRR!

KZOOM!

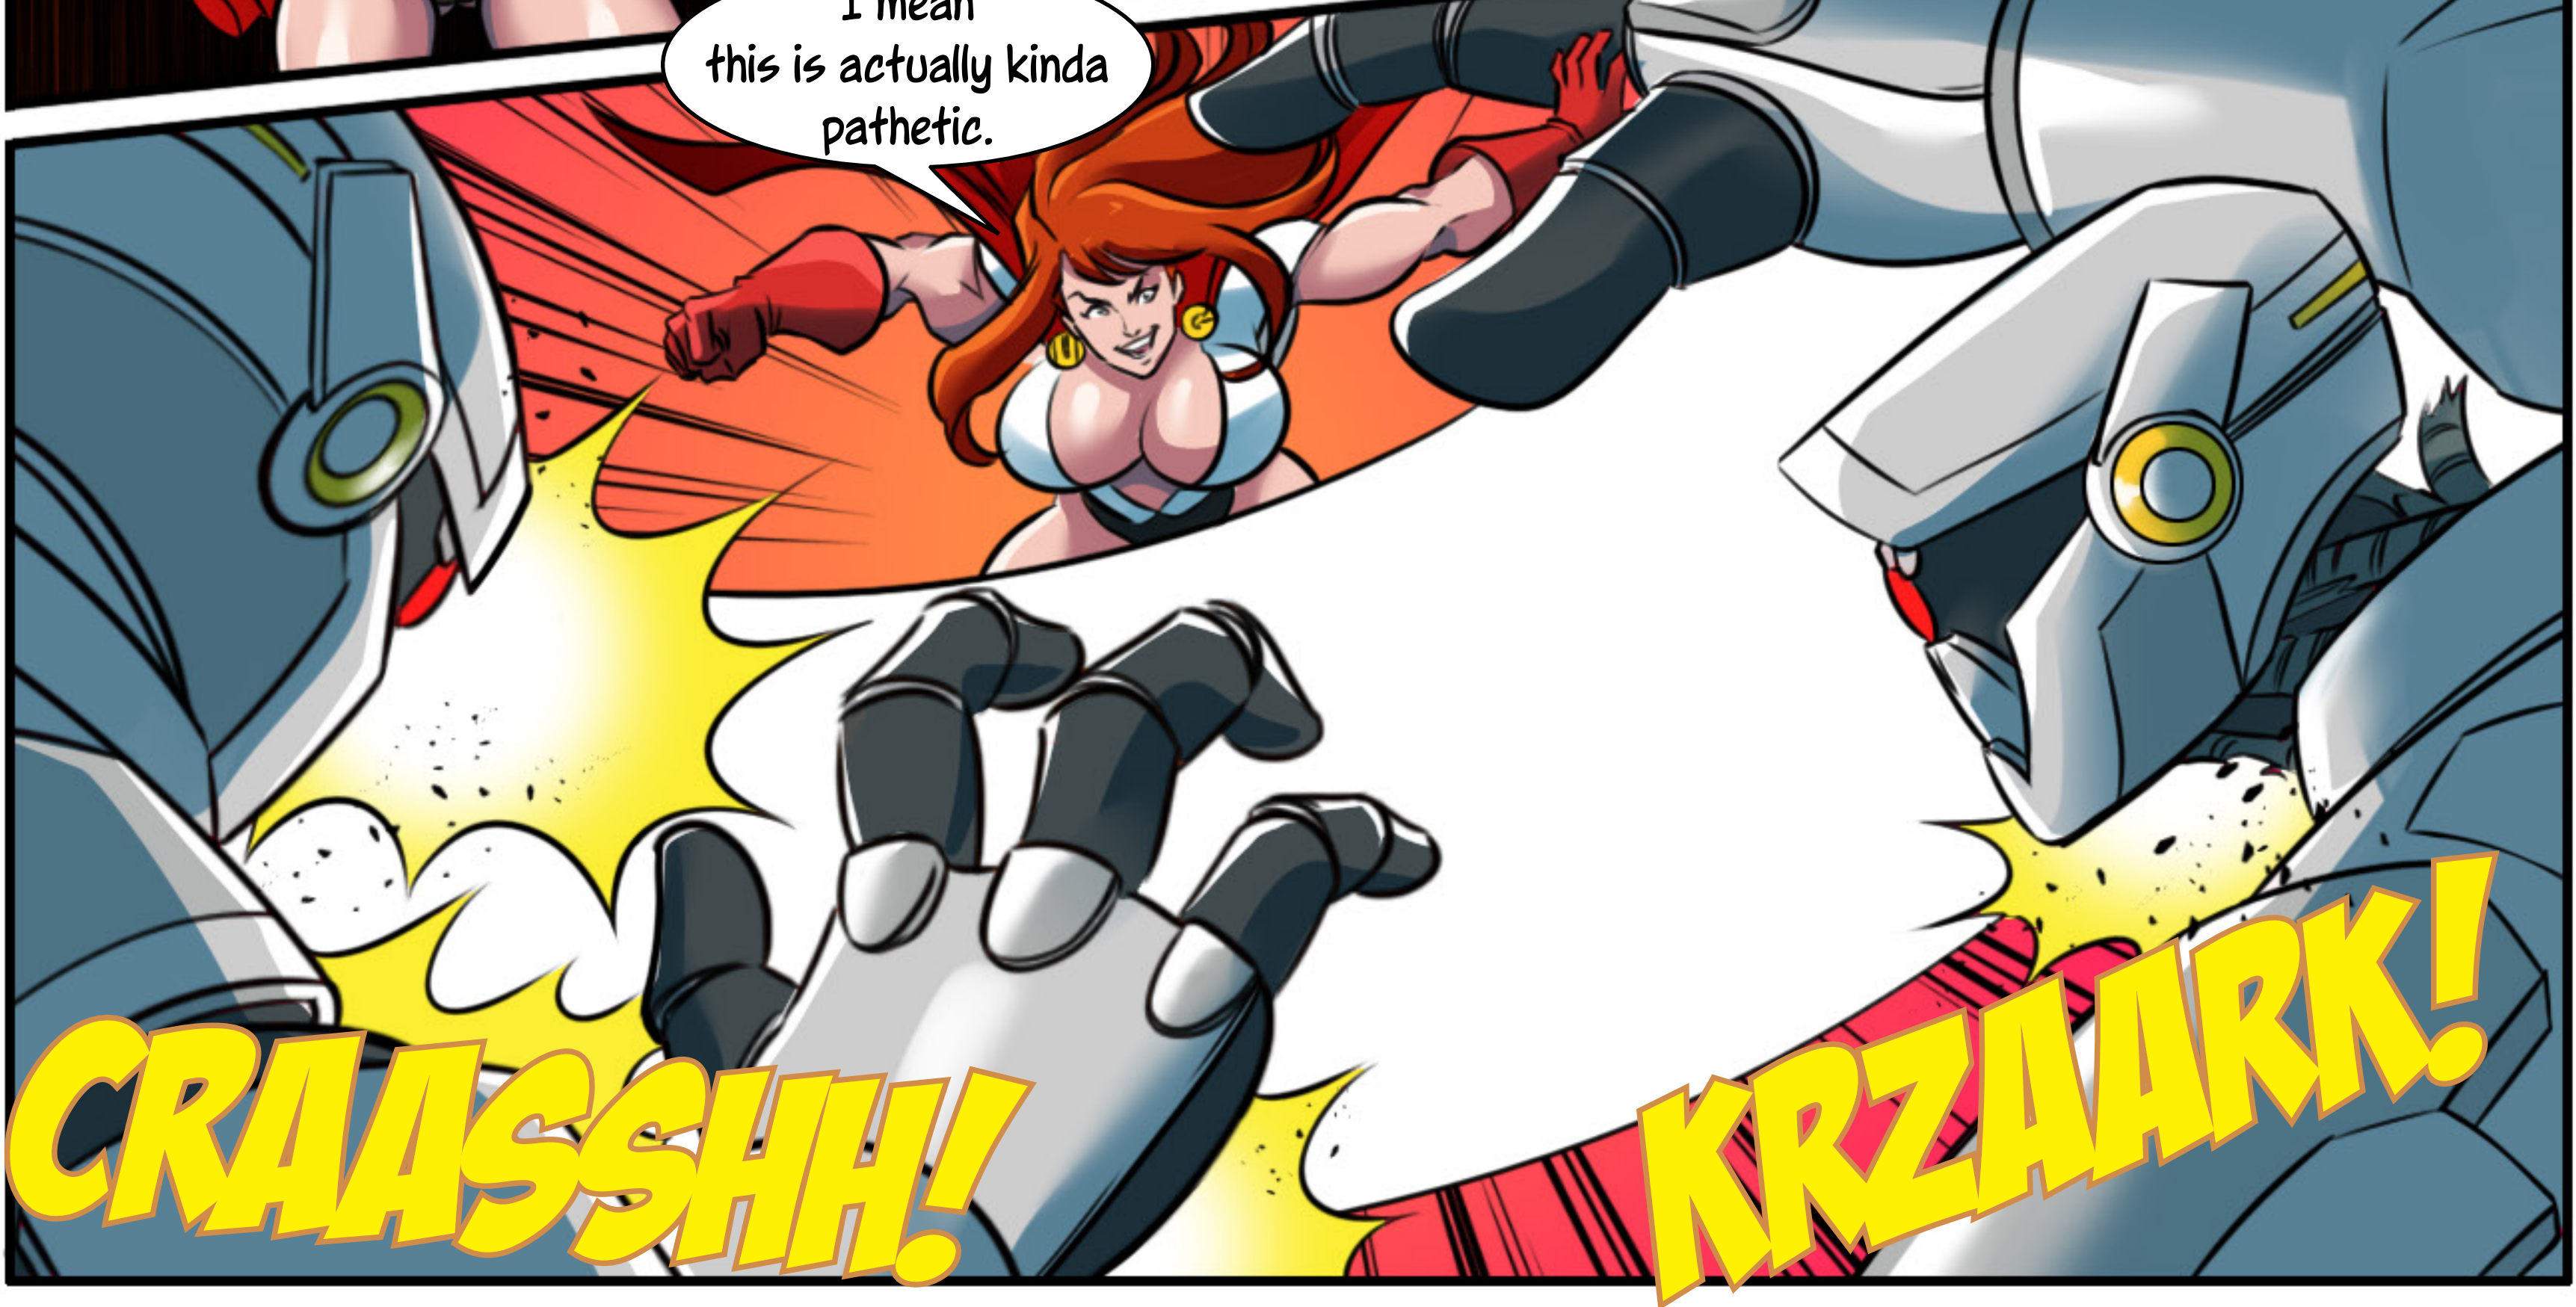

WHAAAM!

What were you thinking?

You know I can just rip these things apart.

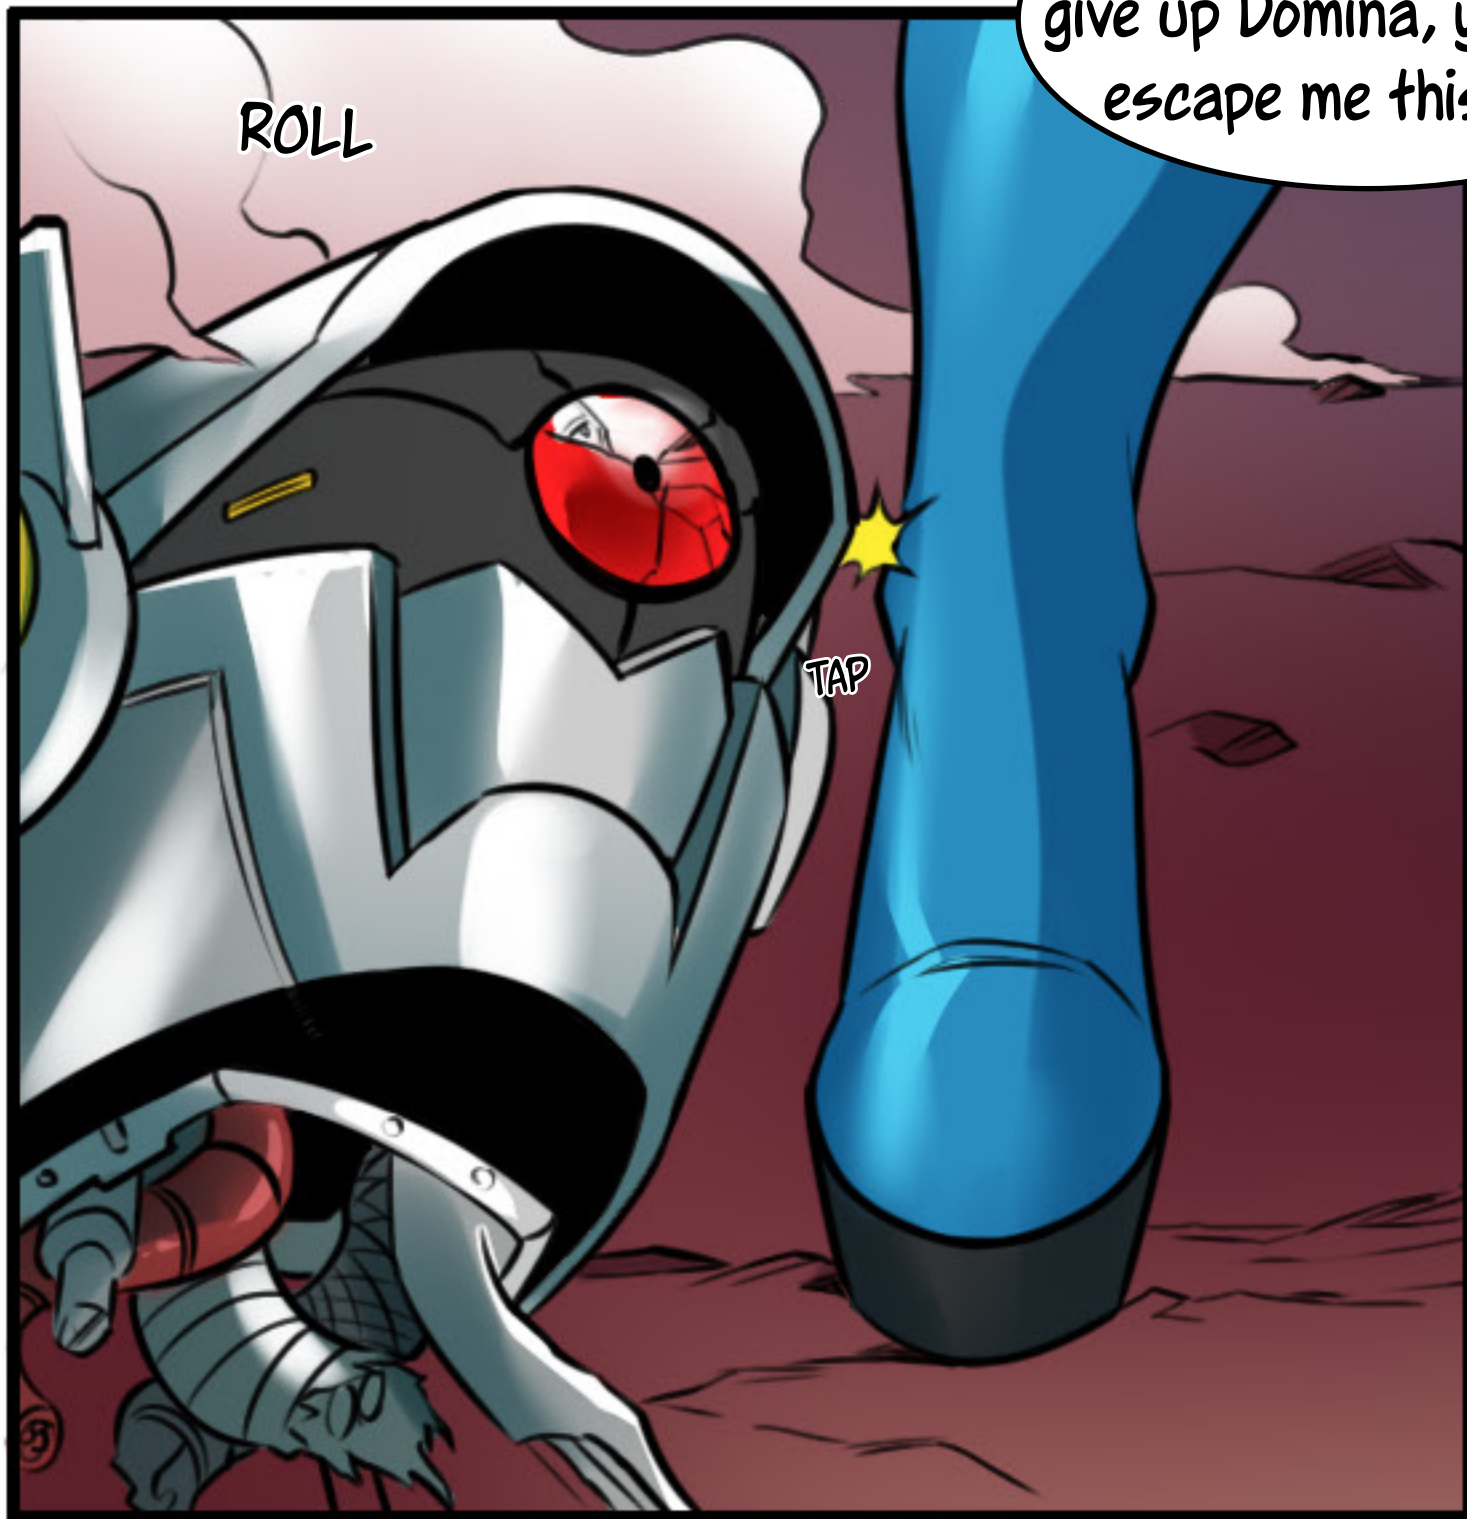

KRUUNK!

I mean this is actually kinda pathetic.

CRAASSHH!

KRZAARK!

You might as well give up Domina, you can't escape me this time.

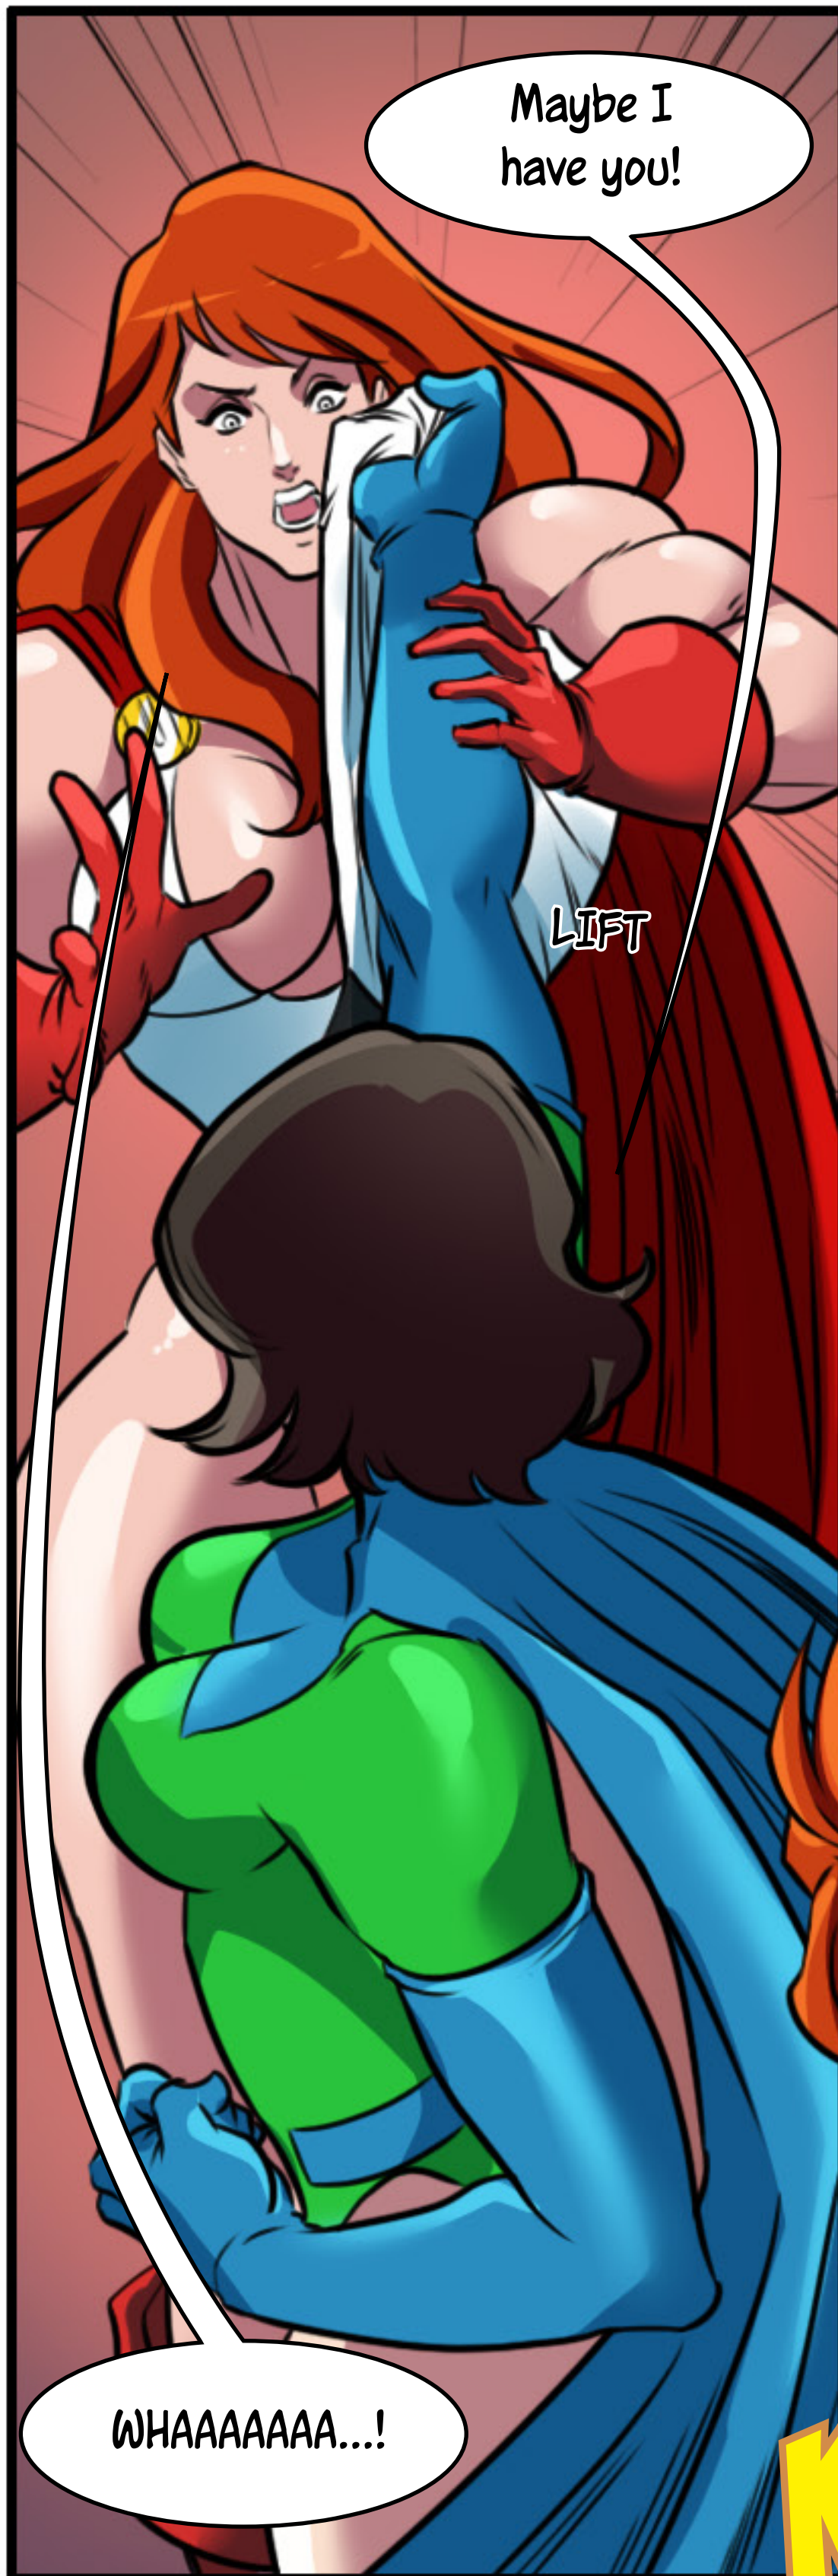

I guess you're right. It looks like you have me...

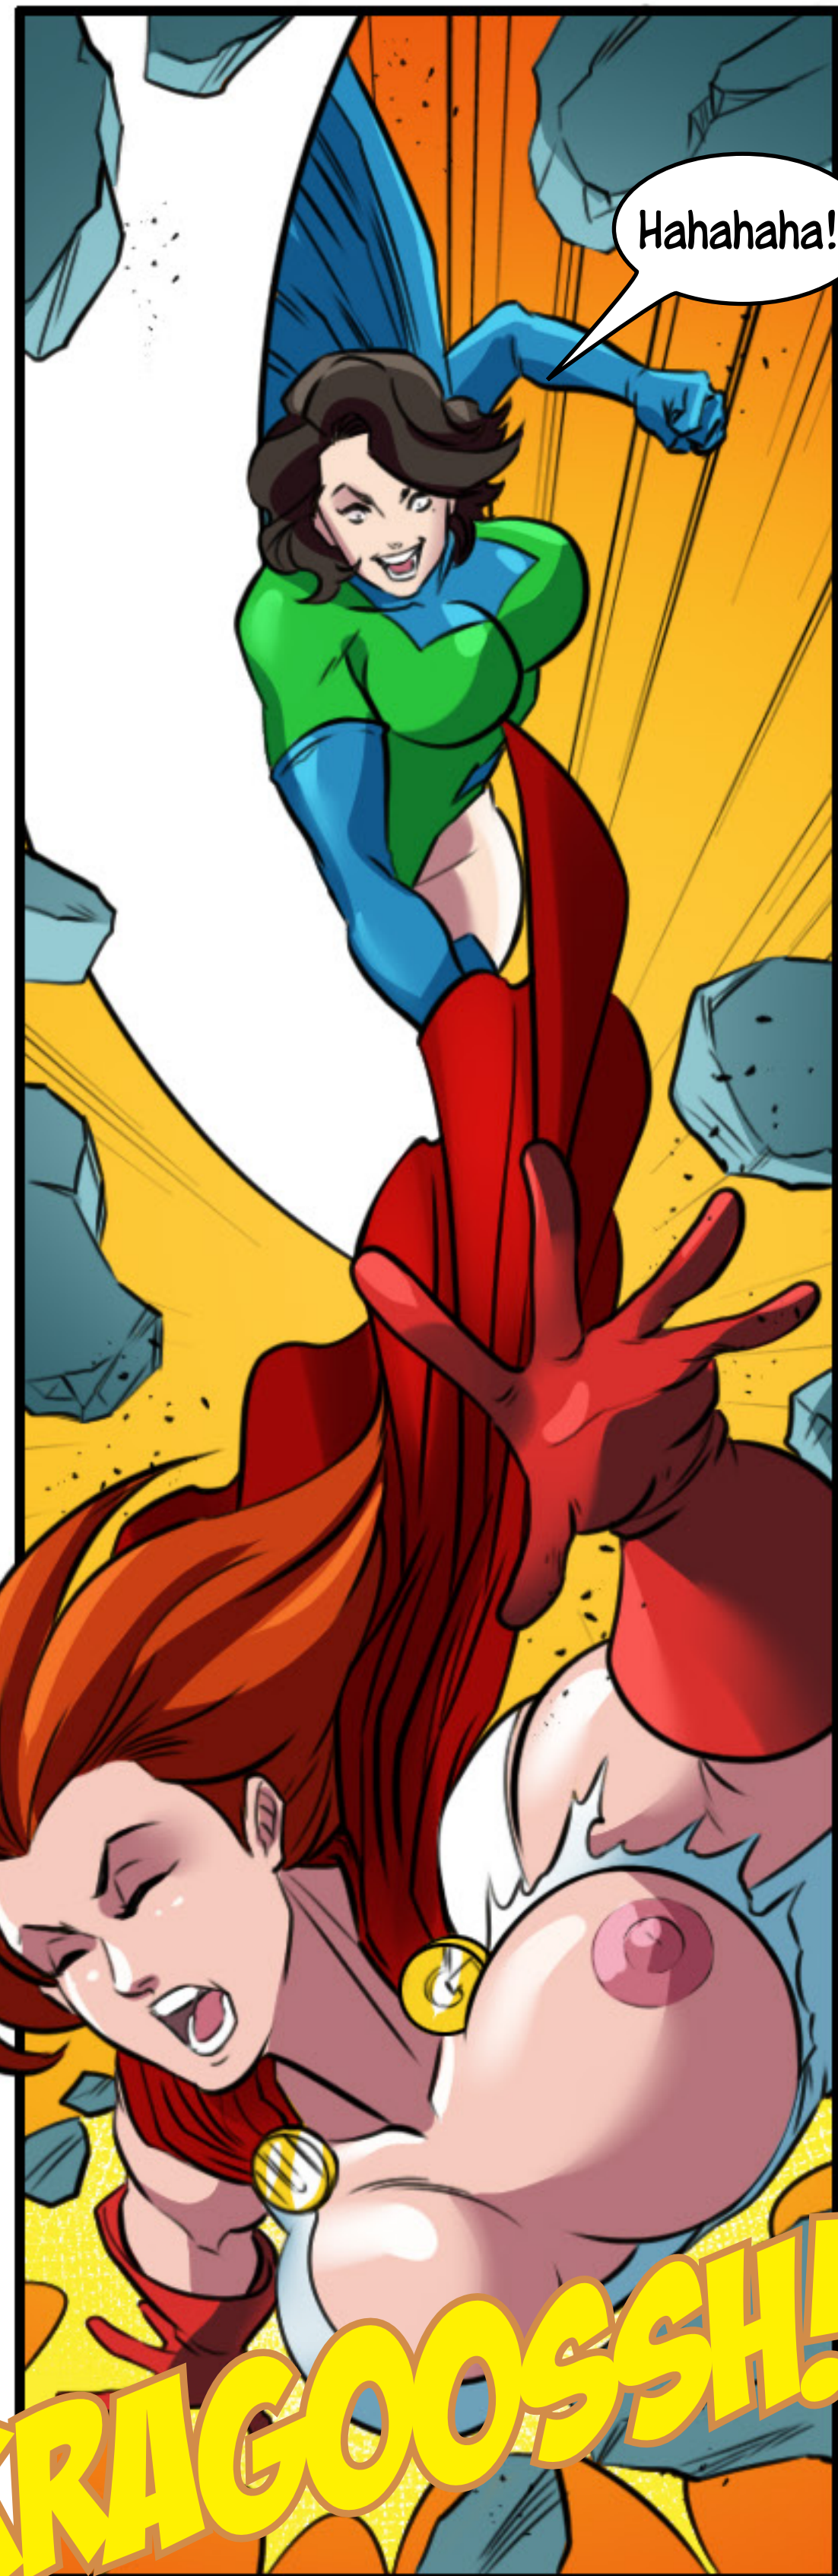

..then again...

Huh?

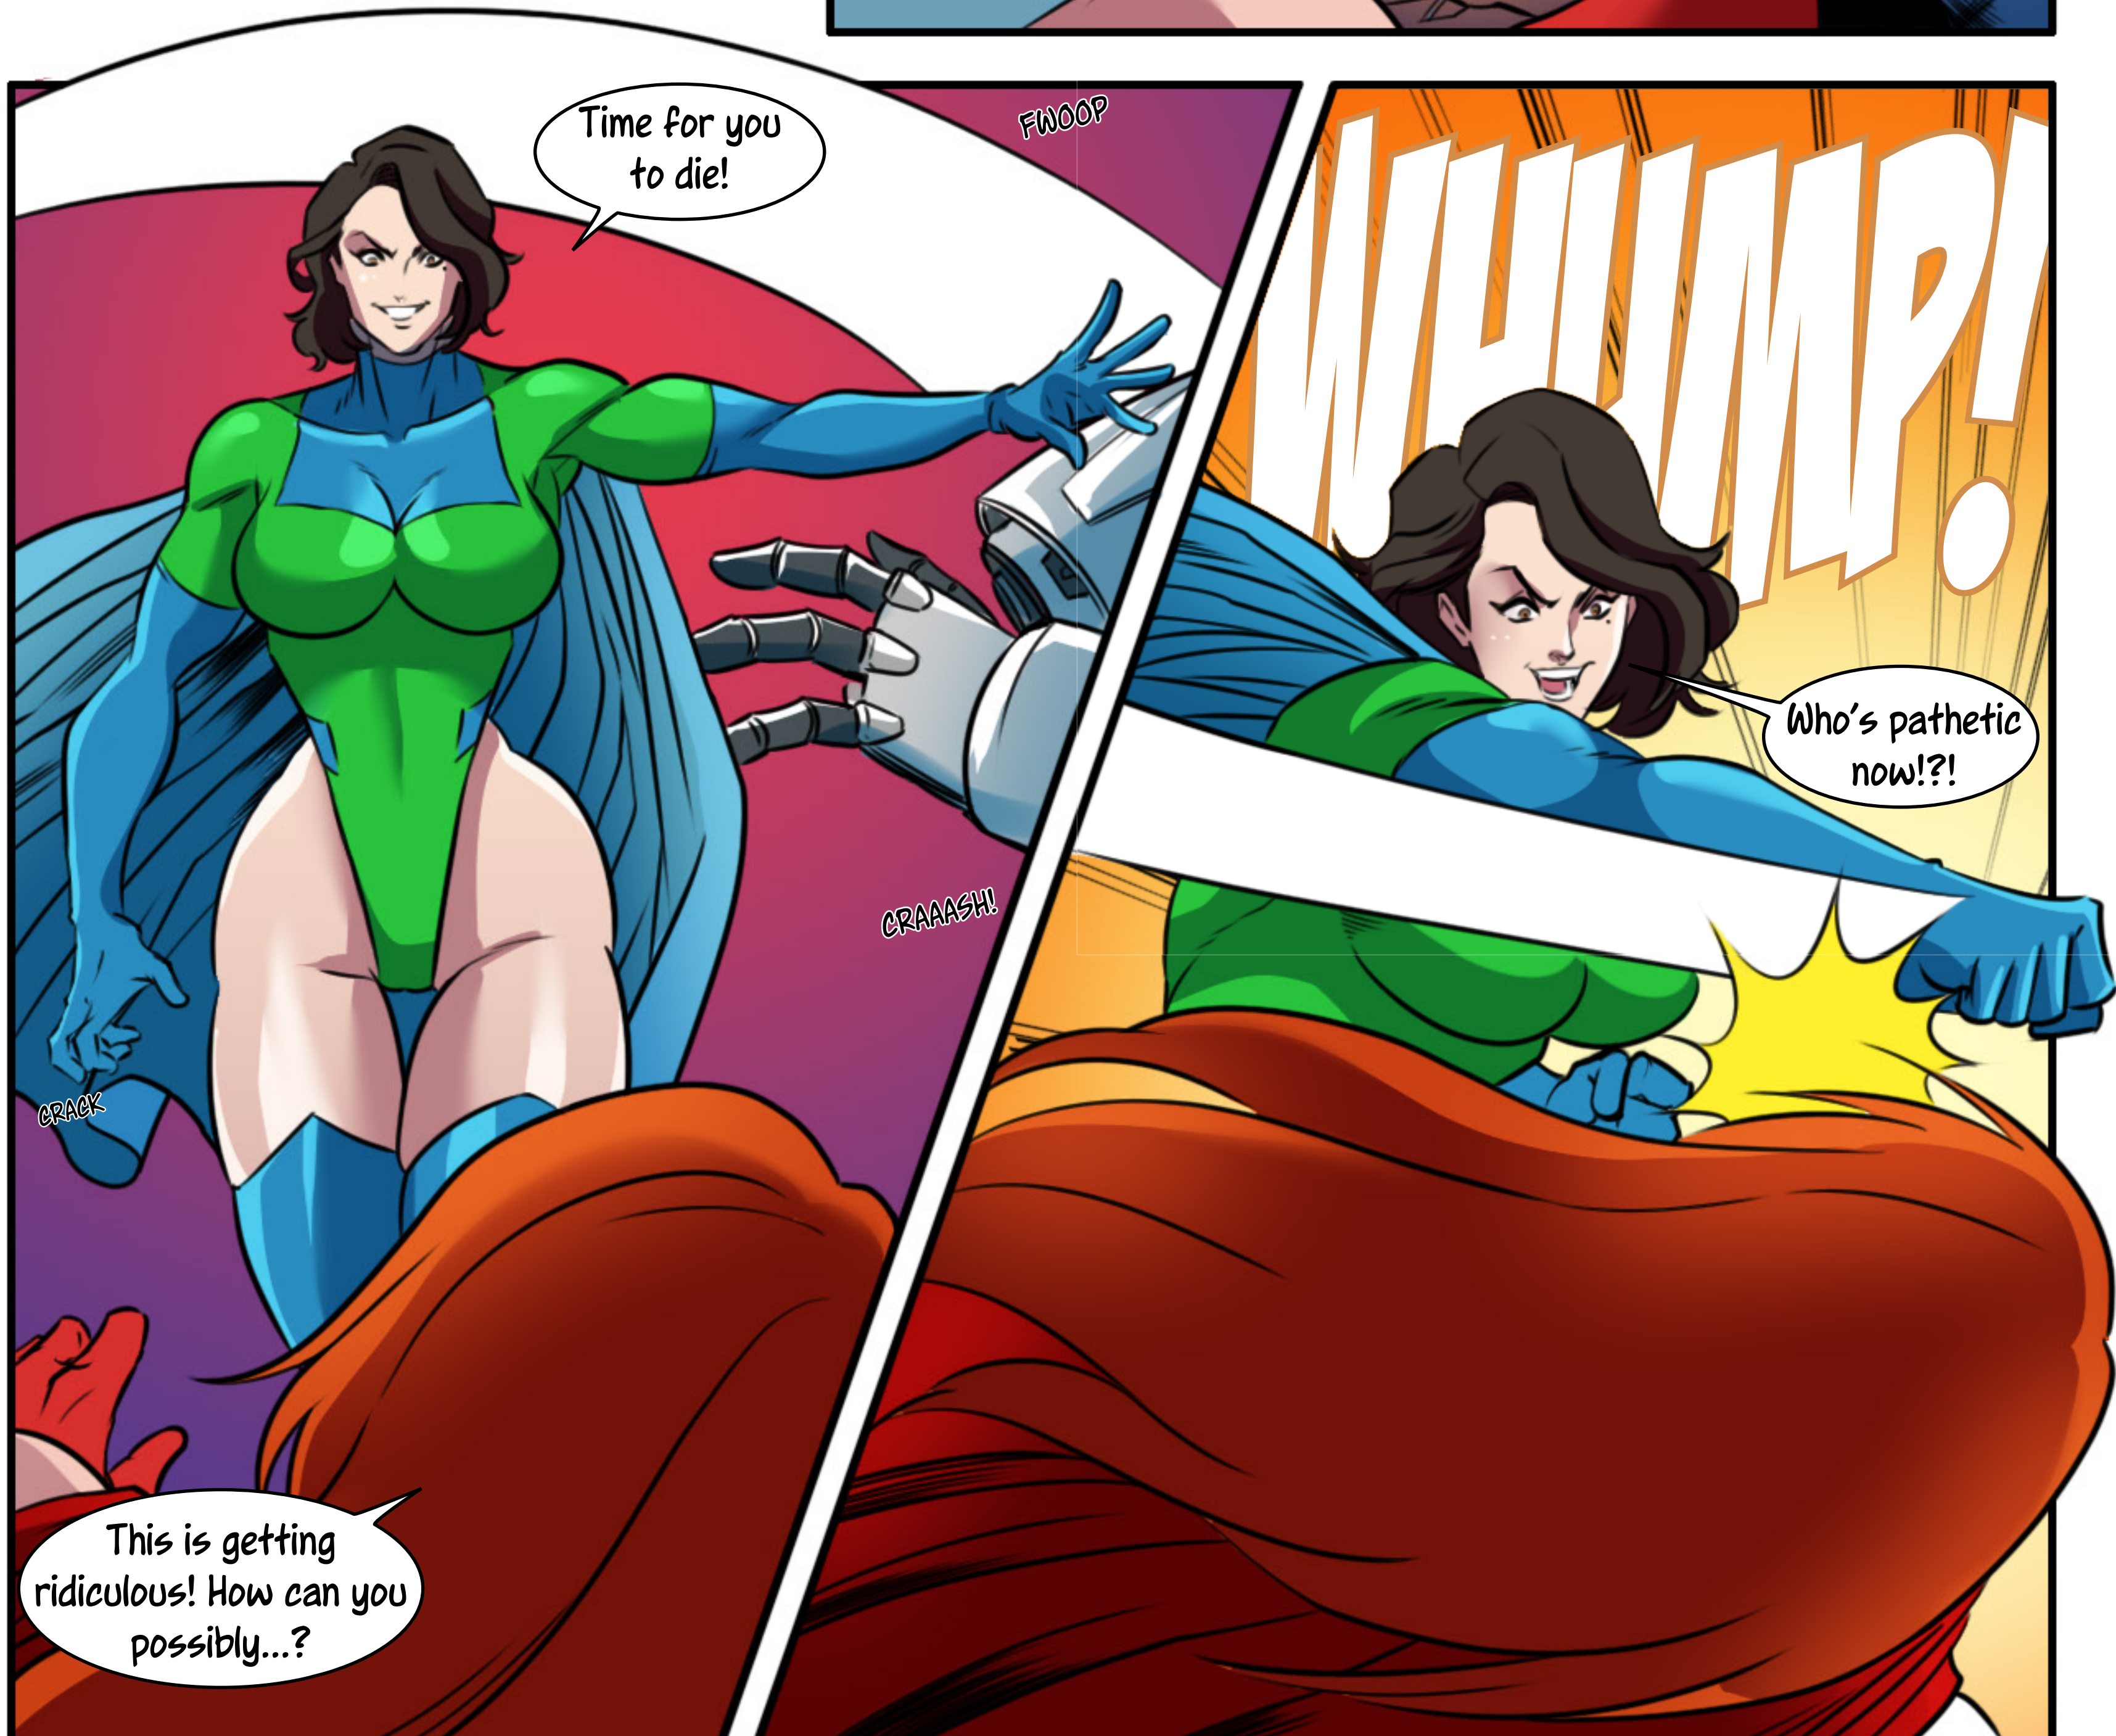

Maybe I have you!

WHAAAAAAA...!

Hahahaha!

Ow. Felt like her fist is made of metal!

What's the matter?

Am I too strong for you!?!?

How about I don't use my strength?

KZZT KZZT

ARGH!

Hahahaha!

KZAAAPP

That was entertaining, but I think I prefer the hands-on approach!

That actually hurt! I have to snap out of it and fight back, but... she looks so normal! I'm afraid I'll hurt her!

I'm going to tear your head off!

Sorry... uggghh... but I've kinda grown attached... ummmpph... to it!

You're really starting to get me angry!

Listen, I don't want to hurt you but...

Hurt me?

You fool!
I can't be hurt...
Watch this!

Huh?

NO DON'T!!!

TGK!
OH MY...
If I was having trouble with her before... HOW AM I GOING TO STOP HER NOW?!?

Maybe I can catch her off guard with some super speed.

ZOOM

What the...!?!
You didn't even feel that!

Nice try...

WHAAAM!

Now it's my turn again!

THOOOM!

ARGH!

HNGK!

Looks like this is the end for you!

I don't understand! I'm only holding back a little but she's beating me without even trying! I mean she's not even breathing hard!

OF COURSE! Fist like metal, doesn't feel pain, not breathing... This is a robot! Which means...

No? Oh well, it's not like I really cared.

WAIT A MINUTE! Unless my super senses are wrong... SHE'S NOT BREATHING AT ALL!

Any last words?

LIFT

CLENCH

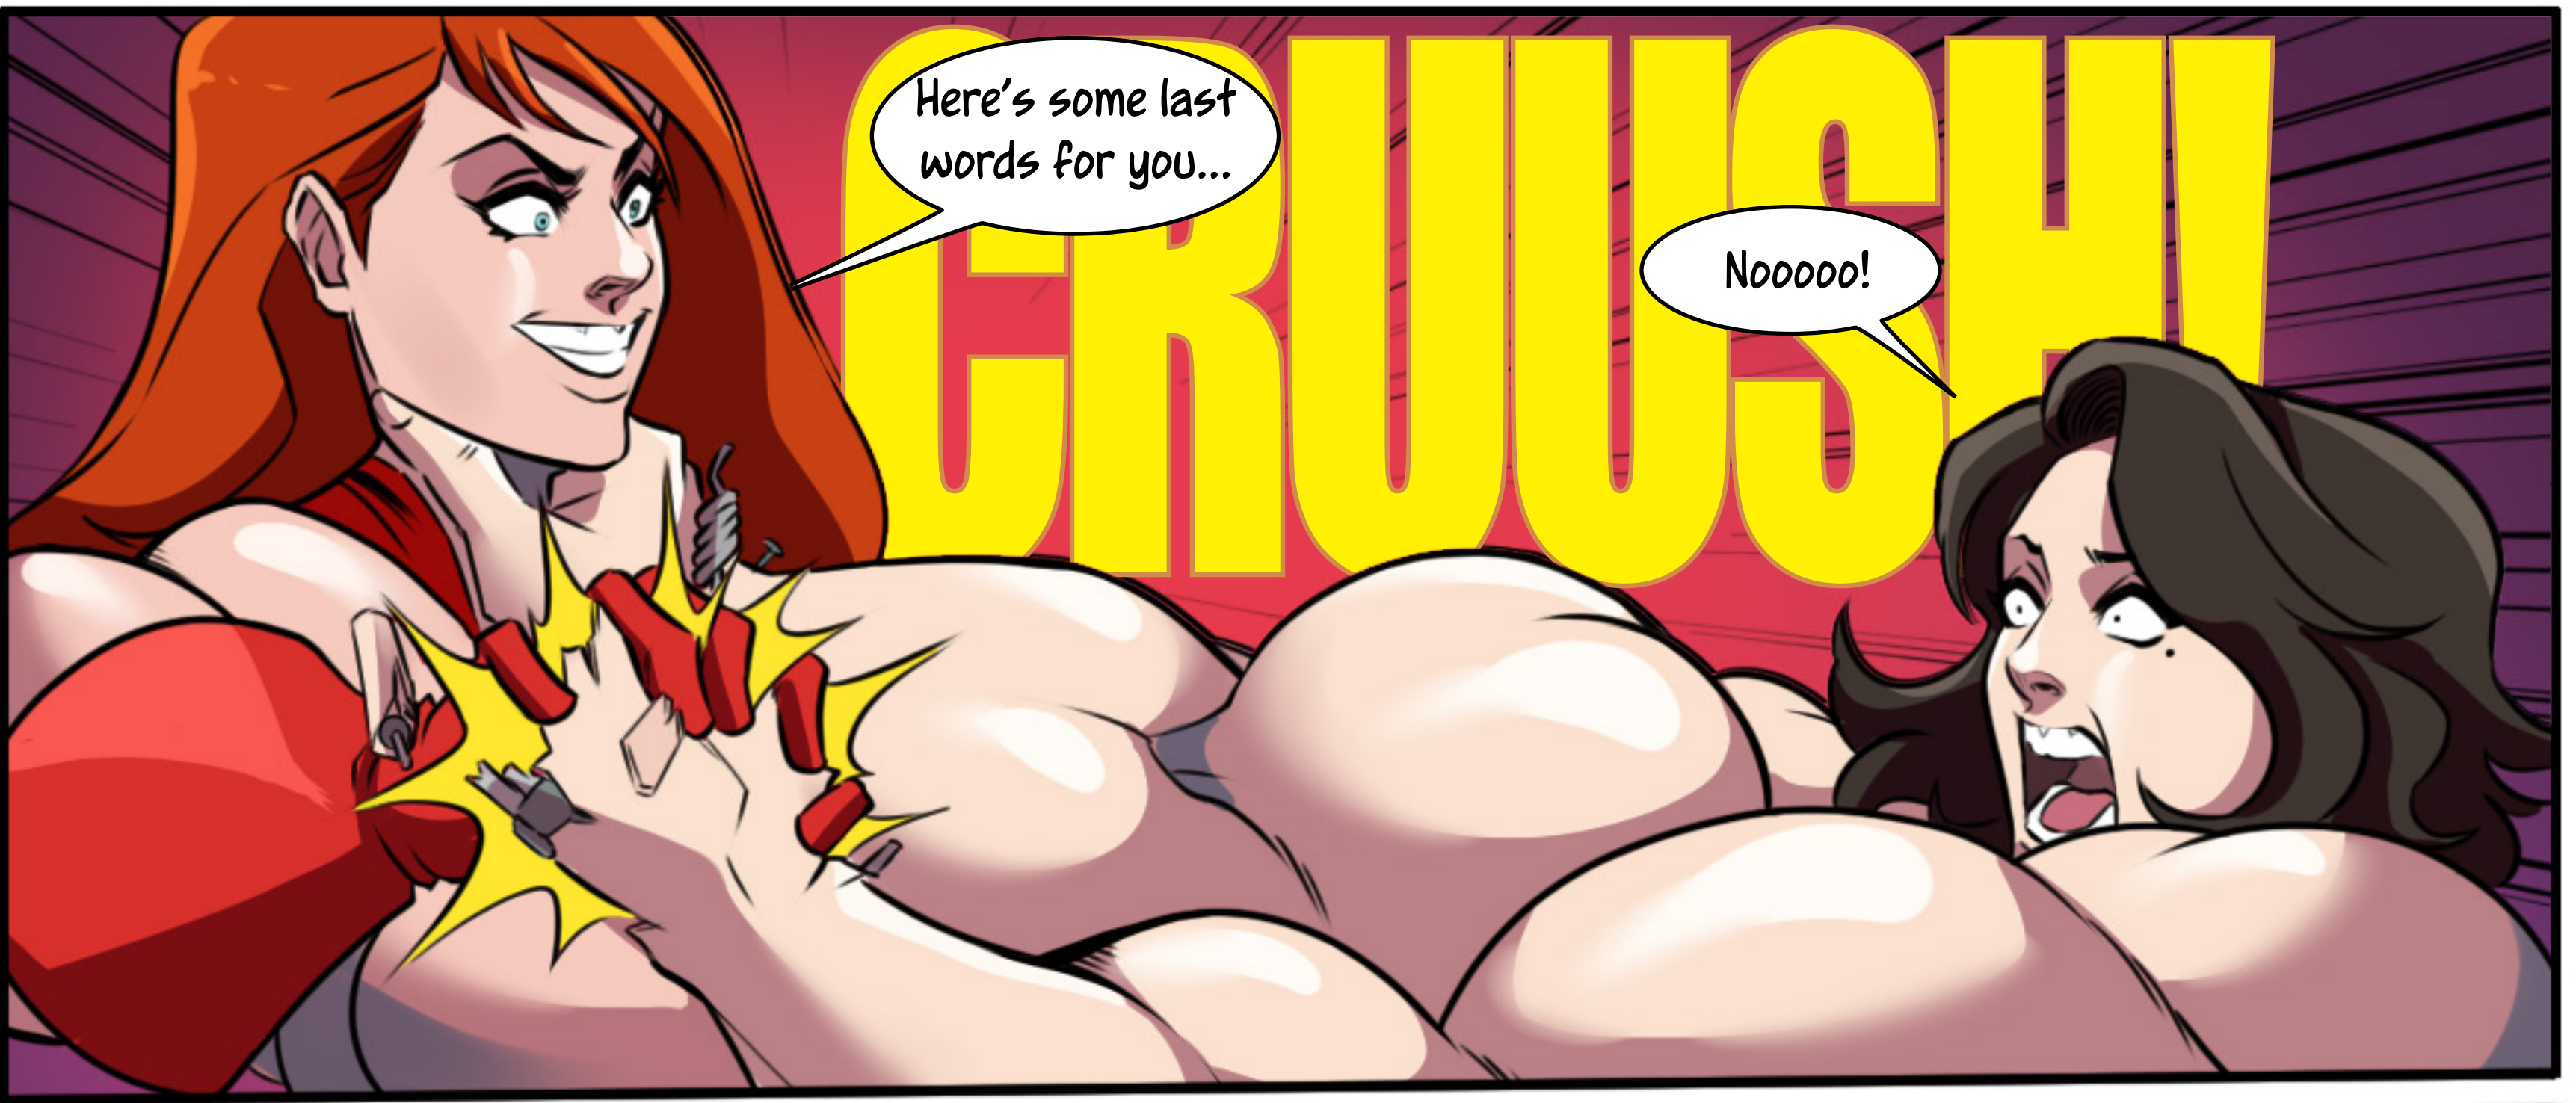

I don't have to hold back anything!

THWACK!

Wha...?

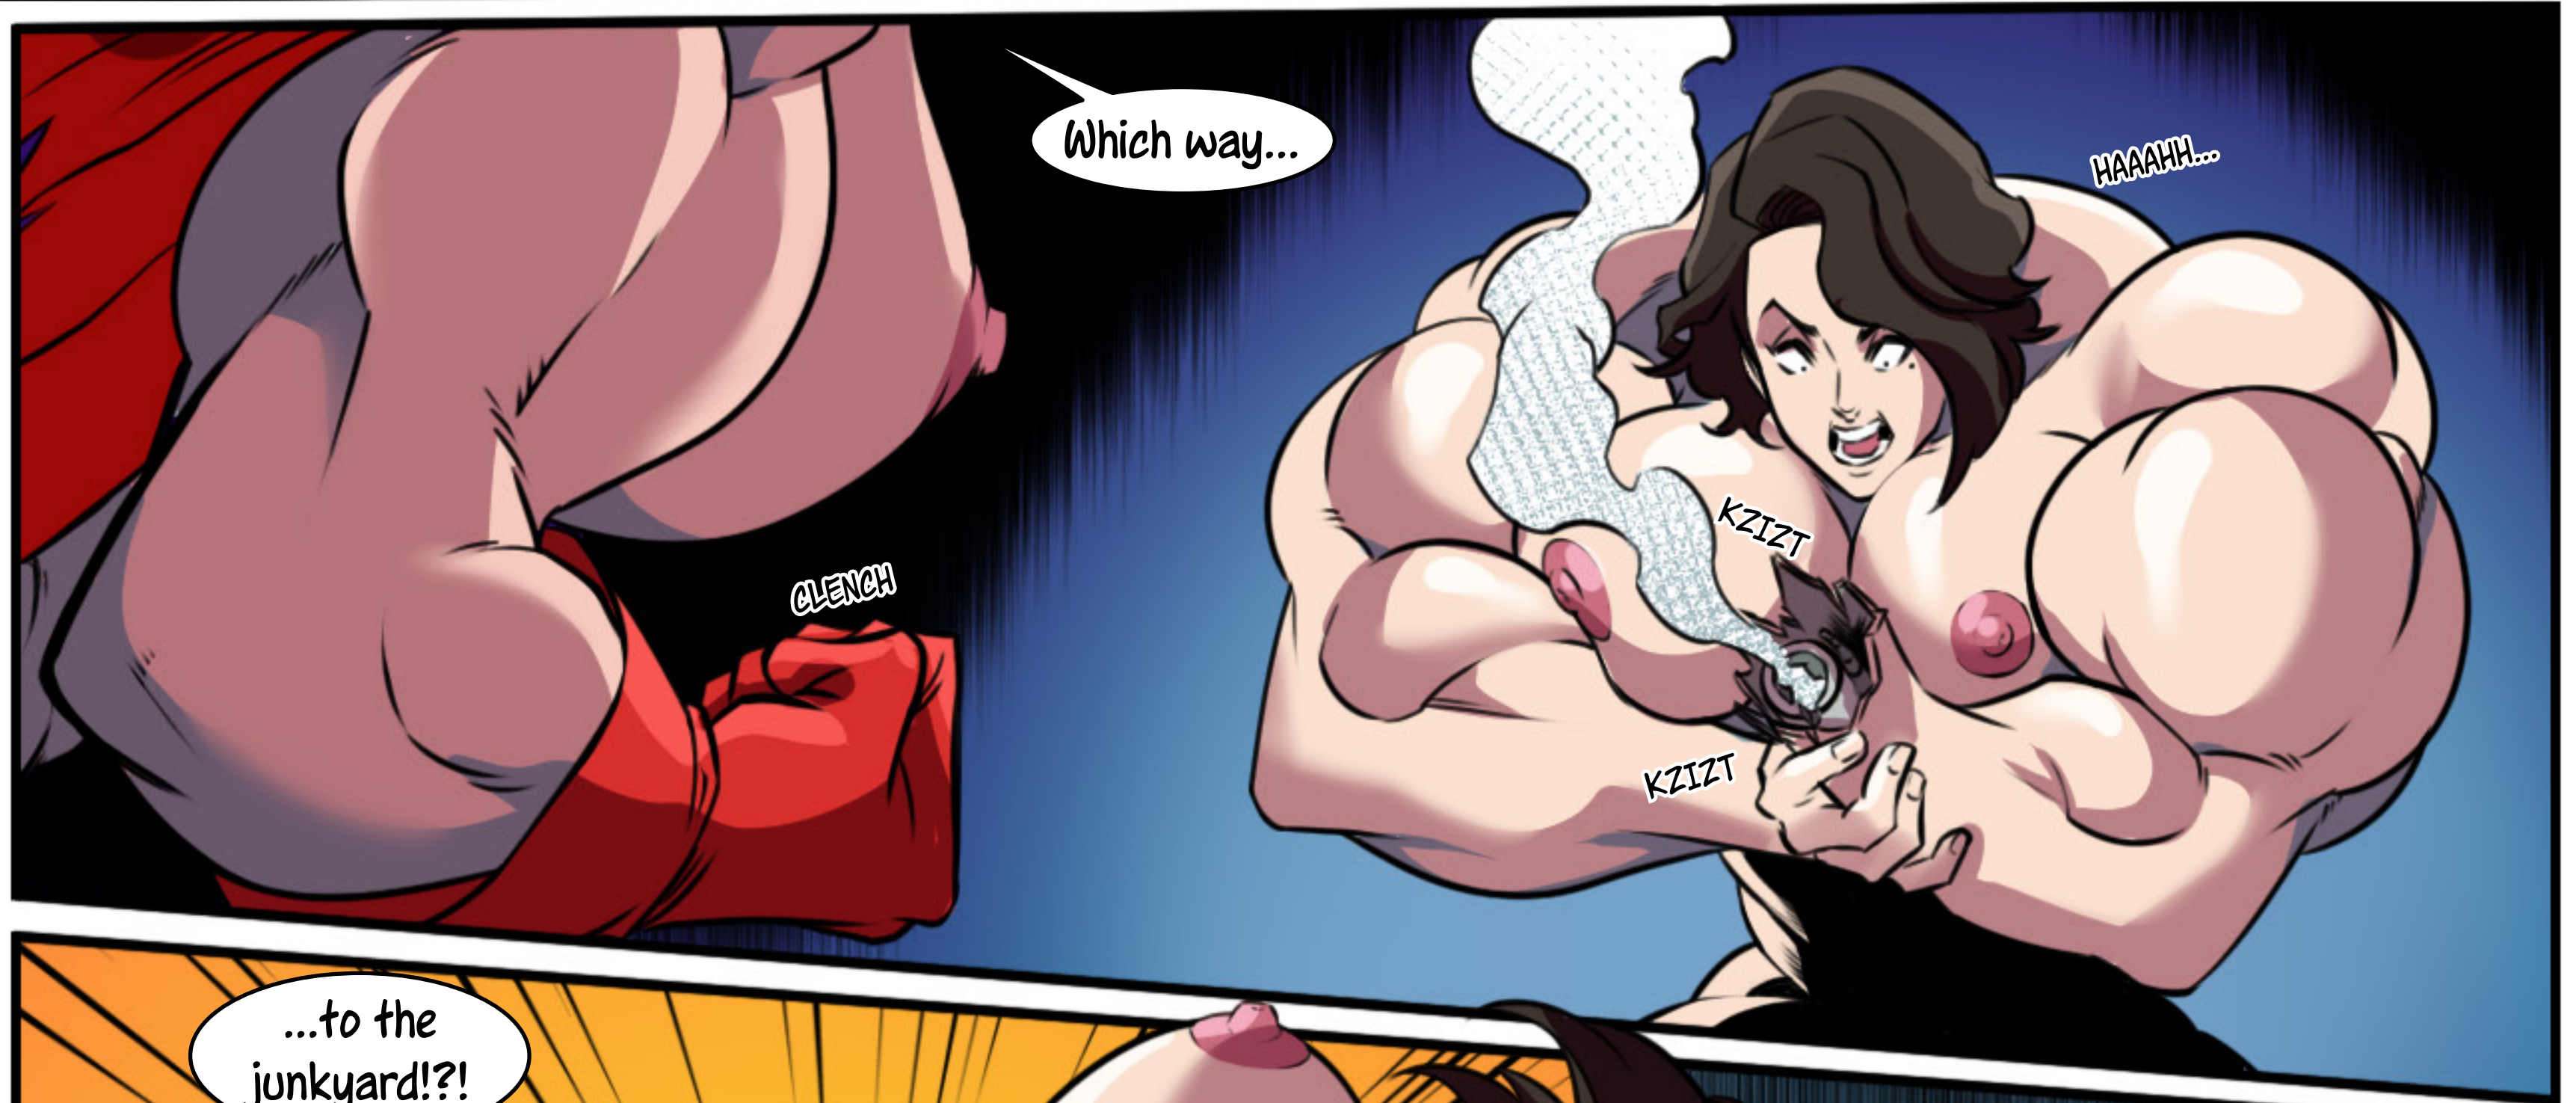

WHOOOOOPP

Here's some last words for you...

Nooooo!

CRUUSH!

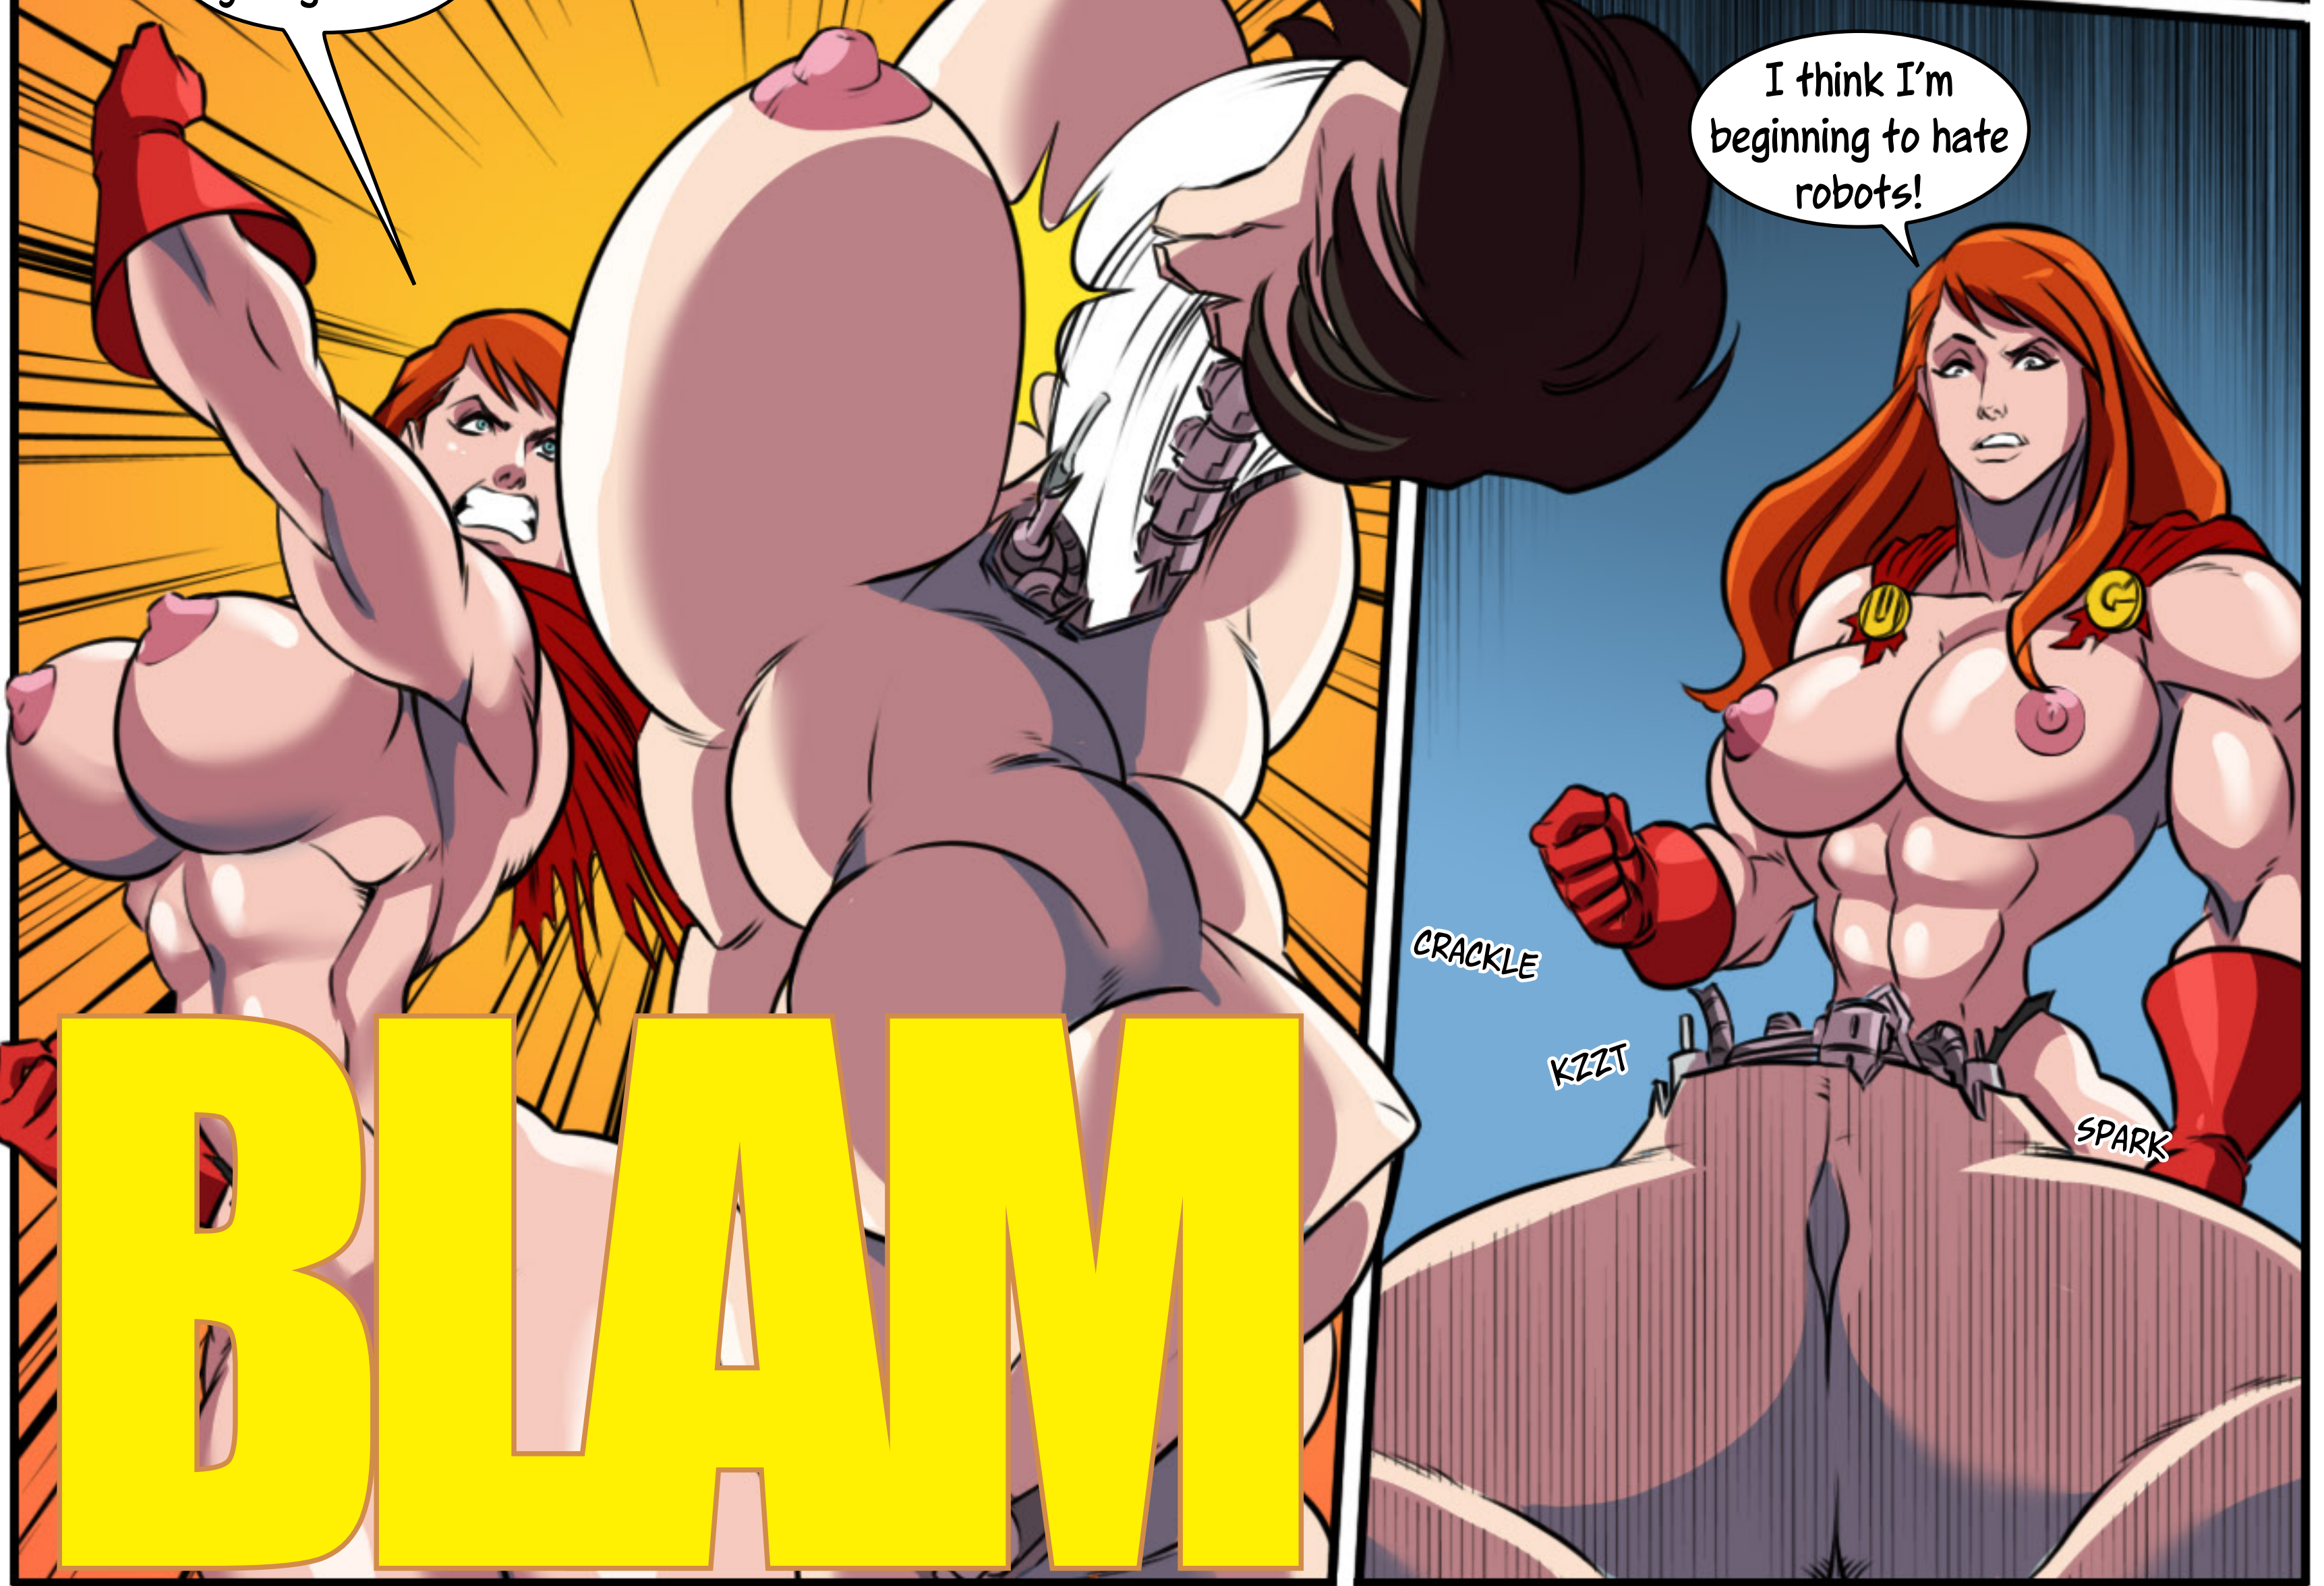

Which way...

HAAAHH...

GLEUNCH

KZIZT

I think I'm beginning to hate robots!

Domina must have been controlling it remotely from a safe place. She better hope I don't find her!

SWOOSH

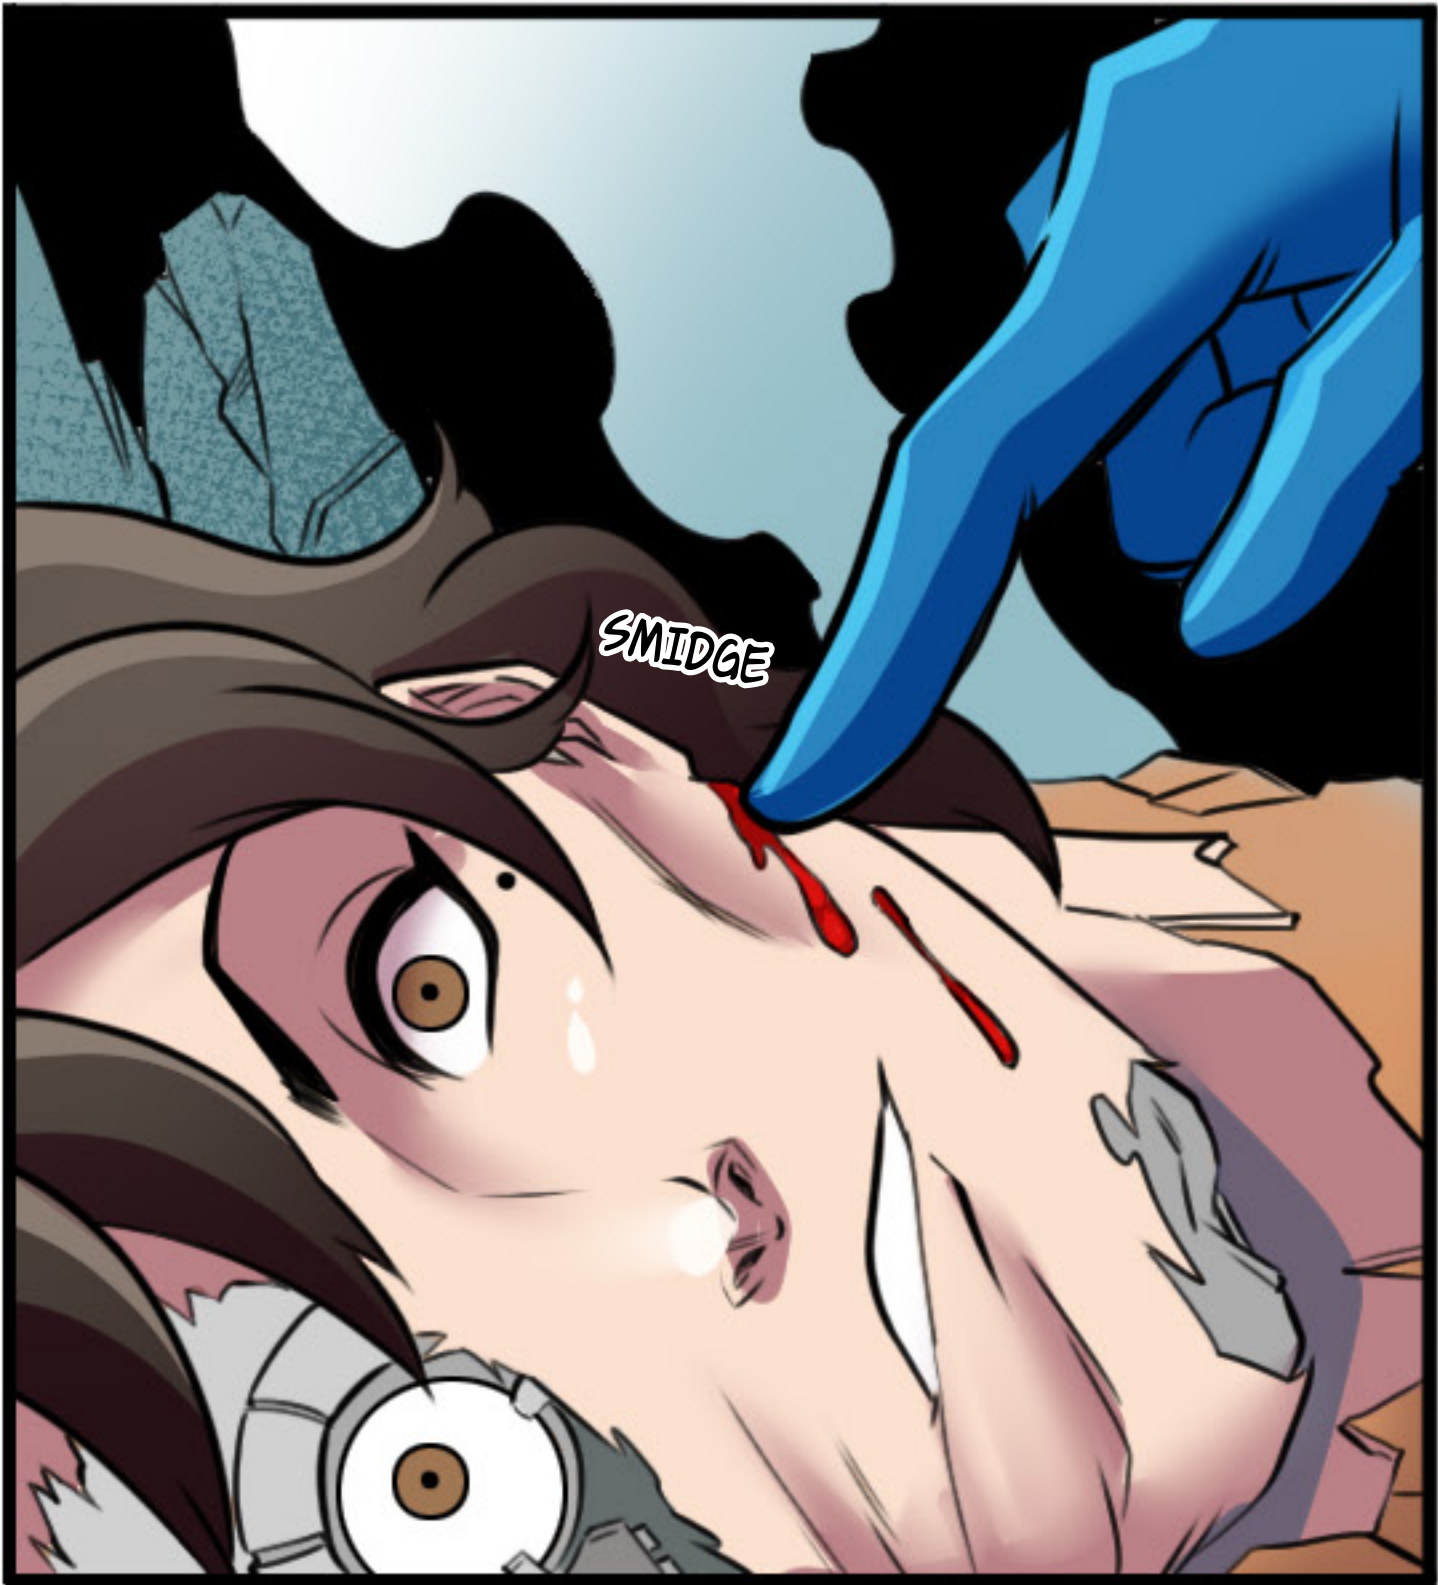

I almost had her that time! If only she hadn't figured out it was a robot...

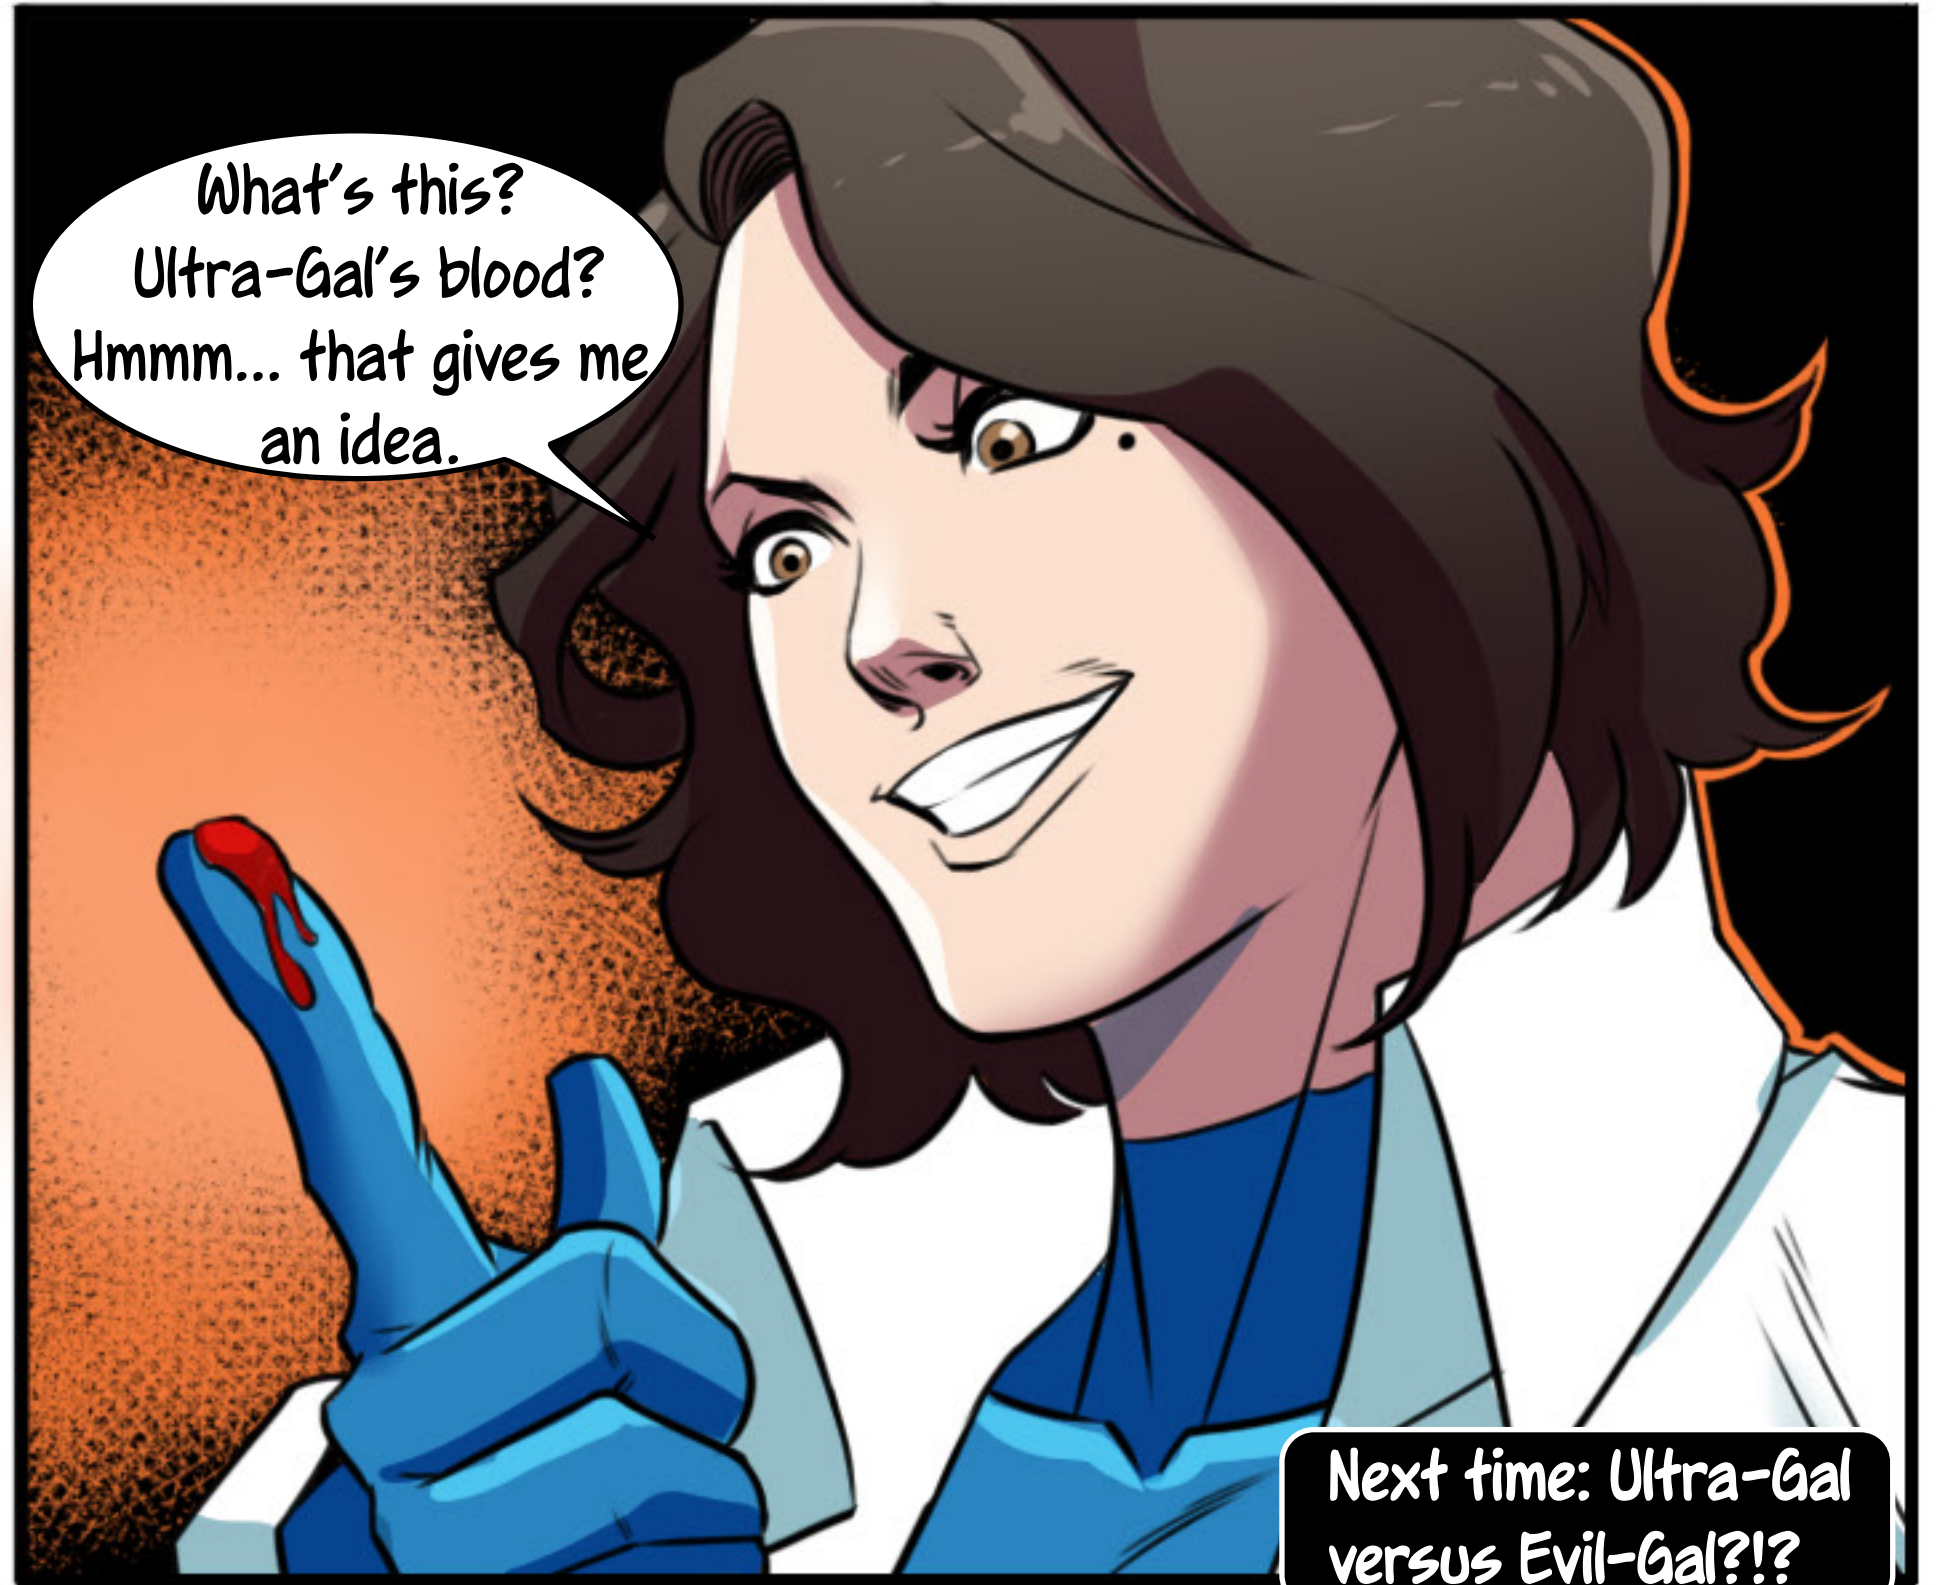

STEP

Still I was right, she'll hold back if she thinks she's fighting a living creature.

SMIDGE

What's this? Ultra-Gal's blood? Hmm... that gives me an idea.

Next time: Ultra-Gal versus Evil-Gal!?!?
