

After Explaining

Do you really think your mother is that dumb, Kenji?

Take off whatever makeup or wig you've put on.

But Mom! I'm
telling the truth!
This isn't a
disguise!

Yup! He's
telling the
truth!

Uhh... n-no
special reason,
Mother... I just
thought...

you're so
beautiful, so if I
looked more like
you... I'd be, uh...
handsome?

Kenji... who said you were ugly? To me, you're the most beautiful son in the world.

You're kind, thoughtful, and you'd never hurt anyone. That kind of heart... is more beautiful than any face could ever be.

So Sweet

Mother... thank you.

That really means a lot...
You're the sweetest mom in the whole world.

Fine... I believe you. But now... are you going to tell me exactly what happens next?

That's... really great

Yee thanks, Mom.

you two are so lovely!

Now then—guess that means you're officially ready to start school as a girl, huh?

Wait... what about the uniform? And what was your name again?

Uhh, I'm Lavina,
ma'am~! And don't
worry about the
uniform—I'll make
sure it's all sorted
before I leave.

But I do need a
new name for
Kenji...so I can
smooth things
over with the
principal.

A new name,
you say...?
Hmm...

Well, Kenji's
father and I did
have one picked
out in case we
had a girl...

Ohh, yes—I
remember! How
about... Shizuka!
Isn't it lovely?

That's a lovely
name, ma'am.
I love it!

H-Hey! Will you
two at least ask for
my permission!?

It's way too
girly... and I'm
not even a
girl...!

Hehe~ It's such a cute name... Shizuka-chan!

Anyway, let's get your uniform sorted—I've got to head out soon.

Why you...!!

Alright, Lavina-
chan. You're
always welcome
here whenever
you stop by..

Thank You
Ma'am

Next Morning

Mom!! Do I really have to wear a skirt? Can't I just go in pants!?

Will you stop moving for a second!?

Uhh... I hope
everything's okay
in there...?

Oh! Lavina-
chan,
welcome!

Just a minute! I'm
helping Kenji— I
mean, Shizuka—with
the uniform.

Why are girls
uniforms so
complicated!? I
change my mind! I
was perfectly happy
the way I was!!

Well, Lavina—are you ready?

Well ~ aren't you looking cute, Shizuka-chan!

What have I gotten myself into...
