Usopp's Skinsuit Discoveries

Hehehe...
At last
the ultimate
invention is
complete

A flawless skinsuit disguise! And who better to use as the model than Robin

It looks...
Almost
too real
Even the hair
and skin
texture

With this I'll be unstoppable! No enemy will ever see through my tricks!

Hhhrrgh quite the tight fit!

W-whoa...
This feel
so real...
Even the
skin texture
is perfect

It's like
I'm slipping into
someone else's
body...
Her legs are
longer than
mine too...
Look at
the shape

Even
her hands...
The detail
is insane
her nails
her skin

Here goes... The final piece...

Got to adjust the face... It has to fit perfectly

I just felt her... My boobs inflate...

It's
soo close...
The face
is almost
perfect

One last big pull should do the trick

Arghh...
That hurt
I shouldn't
have let go
so quick

Phew... That should be it... Lets take a look

HOLY....
These things...
I can't even see
my own
two feet...

I-I can't believe this! I've got Robin's... Hips! Her arms! Even... Her...!

OMG!
I'm actually
Robin...
I can even
feel the weight
of her huge
breasts

Oh my...
Her breasts
are soo soft...
Massive and
so heavy

I never knew having breasts would feel so great

I can't believe I can play with these huge tits all I want!

I think my new body is getting excited when I play with these things

Wow... I wonder what will happen if I touch the nipples

Arghhh...
Oh.. My...
I just felt
a few tingling
sensatios
from one
little touch

Ahhhh...
Arghh....
Yes.... This...
This pain...
It's like a type of
pleasure I've
never felt
before

Ahhh....
That was insane...
I wonder what her tits taste like?

Mmmmph...
Mhmph..

Mmmmph...
Mmmph..
Ahhh...
Amazing...

Aghhh...
I could
suck on these
huge tits
all day

I've always loved girls with huge tits but having huge tits... I could get used to this

There is one area I have yet to explore with this body

Ahh...
So this is what a vigina feels like

Ohhh...
Ahhh...
This pleasure...
It's soo
good

I'm actually... masturbating as Robin...

Ahhh!
This... It's...
Soo strong...
I could...
Get addicted
to this
feeling

AHHH...
Ohhh....
I'm Cumming!
I'm climxing
as Robin...
Mhmmph...

This...
Is way...
Stronger than
a male
orgasm

I... I...
I can't hold it anymore....
This feeling is too much...

I'M... ABOUT TO...
I'M CUMMING!

I wonder what Usopp is up to

Huh?
What was
that noise?

I hear a female voice... Who is that?

Ahh...
That was
the greatest
feeling...
I've ever
had

I should probably remove the suit before I get caught

I'll make sure to play with these puppies again later

Hey Usopp!
are you in there?
It's Robin...
I thought I heard
a female voice
just now

Shit it's actually Robin... If she sees me like this I'm dead

I need to hide quick... But where there aren't any places to hide in here

Wait!
Those are...
This might just worked perfectly

If I use these... I won't have to remove the suit anytime soon

Time to capture and replace Robin

Is anyone in here?

It's empty? I could have sworn I heard someone in here

Was it just my imagination?
?

Huh?
Why am I
suddenly in
handcuffs?

Someone really is in here... Wait don't tell me these are...

I can feel... My strengh being drained

These handcuffs... are made of seastone...
I need to do something before... It's... To... Late...

Wow! Those handcuffs worked better than I thought

Time to complete my disguise and become you fully

Mhmph...
What... Just happened to me?

Mhmmph...
Mhmph!

Where are my clothes! Why am I naked?

You really do have the perfect body Robin!
WHAT!? Thats me? But how is that possible?

You see
I've taking
a real liking
to your body...
So I'll be
you for
some time

After all who could pass up the chance to have tits like these

Mhhmph!
Mhmph...
MHMMPH!

Don't you
dare walk
around as me...
Using my face
and body however
you desire

I have no clue about what you are trying to say
