Usopp's Skinsuit Discoveries Part 2

Now that I have Robin's appearance and the real Robin is tied up...

I can
do whatever
I want as her
and no one
will suspect
a thing

Though having said that... What should I do first as Robin?

Actually maybe I should get someone to join me and be on my side

I can't exactly keep the real Robin tied up forever...

Who could I strike a deal with to have them vouch for me and help me out?

Hold on! With this body I can surely get "him" to help me out

Thats perfect! No way in hell "he" would refuse this kind of opportunity

He gets exactly what he would want and I get an acomplice and a taste of what this body has to offer

The plan is perfect and it will make sure I have a safety net

Maybe it's because I have Robin's body and voice now...

...But I feel more confident and cunning than I normally do

Hehe...
Time for
''Robin''
to visit the
kitchen

Okay...
All of Luffy's meat is prepared...
Now for the others

Huh?
Is someone
there?

Hi Sanji! I would like to have a little chat with you

Of course Robin-chan~ Anything for you! What do you need!?

Do you need food... Maybe a cocktail! Maybe some deserts! Let me know and I'll make it right now

Oh it's nothing like that my dear Sanji... I simply have a deal for you

Huh... A deal? What sort of deal is it Robin?

I'm willing to let you have your way with this perfect body of mine...

All
you have to
do in return
is become
my accomplice
and help me
when I need
you to

What do you say my dear Sanji!? Pretty good deal right!?

You are really letting me have my way with you! And in return I just have to help you out! DEAL!

Perfect!
Now let me reveal that I am in fact not the real Nico Robin!
But rather Usopp wearing a disguise of Robin

USOPP!
Is that really you? How is that possbile? You tricked me!

It's my latest invention pretty impressive right! I look sound and feel exactly like the real Robin

Think about it... I can make a costume of any woman you want and then you can make love to them all you want! Pretty good deal right

What have I gotten myself into!

Ahhhh...
Finally
done with the
latest sea charts!
Mhhmm...

I could use a shower... I wonder what Robin is doing

Ahhh!
I can feel
you inside
of me now

Ahhhh...
Keep going
deeper...
This feels
incredible

Ahhh...
Ahhh...
Yes like that!
Harder

Yes!
Harder...
Ahhhh!
Your cock
feel incredible
inside me

Ahhh...
These feelings...
This pleasure...
So good

AHHH...
Harder...
Fuck me
Harder
Sanji

Your incredible Uso... I mean Robin! You're soo tight

Maybe that deal was worth it after all!

Ahhh Sanji... Please... I'm getting... close
Thats right! Moan my name louder "Robin"

I can't...
Hold it...
In much
longer

Please fill me up Sanji... I'm soo close

Ahhhh!

I'm cumming!

I can't find Robin anywhere

I wonder what she could be doing right now?

That was intense but also incredible! I could get used to having a body like this

I should get dressed again before anyone comes in here

There we go! Fully clothed once again

Wow!
My legs
are a little
wobbly
after all
of that

I must say Sanji you sure know how to please a woman

Sanji?

Oh...
He's completely passed out it seems

Now I have the perfect accomplice to my little "fun" plan

What should I do for my next bit of fun as Robin?

She should be on the ship somewhere

There you are! I've looked all over the ship for you Robin

Oh it's Nami! Why is she looking for Robin?

Oh... Hi Nami! do you need something?

I was planning on having a quick shower and thought you might want to join me

Ohh... Sure thing Nami I would love to join you for a quick shower

Looks like I just found my next target for some naughty fun

A few minutes later in the shower room

Ahhh...
A nice warm
shower is
just what
I needed

What about you Robin what have you been up to today?
Ohh nothing much... Just helping Sanji with some taste testing

Huh?
Speaking off I wonder what these perfect tits of yours taste like

What are you talking about Robin?

Hey! Let go of my breasts Robin!
Aww come on now Nami... We're both women right!

Robin I'm not su.... AHHHH!

Shush... Just relax Nami... Let yourself embrace the feeling of pleasure

Ahhh...
Ro...
Robin
Thats
it Nami...
Relax your
body

Ahhh...
Mhmm...
More...

I'M CUMMING!

I...I feel weak... My head is spinning

You're body must be very sensitive... Interesting!

Sleep for now Nami... I'm going to make some preparations while your sleeping

Some time later

.....

Phew!
Being Robin
was a blast
But now...

It's time for a wardrobe change

I'm glad I prepared this suit of Nami as well just in case

It fits perfectly... Just like the one of Robin... Just need to adjust the face

So far
so good!
Just a few more
streches and pulls
should be enough
to align it
perfectly

Uhhh...
That felt
right!
I think I
did it

Okay everything should be in place now

Lets have a look at my new body

Holy cow!
Nami's breasts
are not only huge...
But they are
softer than
Robin's
breasts

I could squeeze these pupies all day long

Not
to mention this
fantastic ass
she is carrying
around

Before
I get way
to excited
I should probably
get dressed
first

Keeping these girls contained in a bikini top is nothing short of impressive

Perfect! Now for the tight pants

Nice and snug over her ass!

Mhmph...
Hmm..
Mhmm

WHAT
THE HELL!
Why am I tied up!?
I was in the shower
with Robin and
now I'm here

MHMPHM...
MPHHMM...
HMMM!
UMPHH

Seems like someone finally woke up from their little nap

ME!? BUT HOW!? WHY IS THERE ANOTHER ME!?

BY TSF AI

You're probably confused after seeing yourself... Don't worry I'll pretend to be you for some time...

... So you can stay here while I have fun as you
