Usopp's Skinsuit Discoveries Part 3

Now that the real Nami is tied up alongside Robin

I can
enjoy my time
as Nami with
no worries
of ever being
caught

I can't believe how easy it was to catch both of them thanks to these skinsuits

I can walk around as Nami and do whatever I want as her

It was a blast being Robin for some time... But I think I prefer Nami's body so far

Both Nami and Robin have killer bodies... But Nami has an extra level of authority and control over the others

With that I can act more natural and comanding with no one suspecting anything

Hehehe...!
I can do so much with Nami's lovely and attractive body

But where should I begin my little evil adventure as Nami

I need someone who can take her place for now

Wait... The others will get suspicious if Robin is missing

Think...!
You're not
a genius for
nothing....

Oh!
Thats right
I already have
the perfect
partner to help
me fill in
that role

I'm also sure he would love to play that role... Hehehe...! This is perfect

A few moments later in the kitchen

Urgh...
I think I fainted...
Did I really just have sex with Usopp disguised as Robin-chan

I even made that stupid promise to keep his secret and even help him out...
He really got me good this time

Hello! Sanji are you in here?

That lovely and melodic voice... It's Nami-swan

Hi
Sanji I need
your help....

Huh...

WHAT IS GOING ON IN HERE SANJI!

Why are you naked? Where are your clothes?

Wait
Nami-Swan!
I promise
It's not what
you think...

Oh really!
Because to me
it looks like you are
doing something
perverse all alone
in the kitchen
while you're
completely
naked

Hehehe...!
Seems like he
doesn't know
it's really me...
Time to see if
he keeps
his promise

Tell me everything Sanji... You and Usopp are up to something aren't you!?

How does she know I've made a deal with Usopp?

I don't want to lie to Nami-swan... But a deal is a deal and I can't break my promise

Hello
earth to Sanji!
Will you tell me
what you and Usopp
have been plotting
or will you
keep quiet

Uhhh...
I have no
choice do I

Sorry Nami-swan... But I have no idea what you are talking about

Ohh...
I see...
So you really have no idea then

I can't believe it... He really kept his word and even lied to his precious Nami-swan

I'm
very sorry
I can't help
you Nami-swan
but I haven't
even seen
Usopp all
day

Mhhm!
Mmm..
Nghh....

A
good boy
like you desrve
a special
reward

Heaven truely exists! And it's the most wonderful place any man could ever dream of! A true paradise

It was
just a little
thank you
for keeping
my secret safe
Sanji

Huh....

You're actually Usopp! But I thought you were wearing the skinsuit of Robin

After a very intimate shower with the real Nami I decided to change my skinsuit

Pretty accurate to the original wouldn't you say so Sanji

I swear Usopp if you do something like this again I'll spill your secret for sure

Wow someone is pretty stressed

As a
way to show
that I'm thankful
for your help
how about
I help you relief
some of that
pent up
stress

Wait! What are you doing Usopp?

Calm down and just enjoy yourself

Your mouth feels amazing
Mmph... Mmm... Mhmm..

More... Deepthroat my cock
Mmmph! Mmmm... Mhmm

Ahh....
Keep going...
Keep sucking
your mouth
is the best...
I can't hold
back much
longer

MMPH!
MMM...
MMMHH
NGHH

He actually came in my mouth... It's soo thick and hot

The taste is actually not bad at all... Does cum really taste this good?

Mmph... Mmmm

I'm sorry Usopp! I didn't mean to finish in your mouth... Please spit it out

Mmm...
Gulp...

Thank you for the treat It was delicious...

WAIT! You really swallowed all of my cum!

Would you prefer to watch Nami spit it all out?

Thats what I thougt... Now be a good boy and follow me

.....

A few moments later in Usopp's workshop

Here we are! Now I can finally get to the next part of my plan

Huh...? Plan... What kind of plan are you working on here Usopp
Don't worry about that Sanji

I wonder what he might be up to... But I did promise him to help... So I can't exactly tell him to just stop

Here
you go Sanji!
I need you
to wear this
skinsuit
for me

Wait...!
Is that the same Robin-chan skinsuit that you wore?

So...
If I wear this
I'll turn into
Robin-chan?

Yes!
And it is
indeed the
exact same
one that
I wore

Woah...!
The bottom part of my body already feels completely different

Thats the skinsuit working it's magic

Once you're fully wearing the enitre skinsuit you will see just how amazing it feels to wear it

I don't mind having a ponytail but this is way better

Arghh... I think I'm almost done Usopp

Ohh you're right... Not much left until you look and sound just like Robin

Just keep pulling until you feel the face align

I'm trying to align the face... Mmmph... But it's not that easy

Come one your almost there! Just a few more pulls should do it

Thats easy enough for you to say! You're used to wearing these things

SLAP

OW...!

That hurt... My hand slipped and I let go accidentally

Huh...?
This view...
This voice...
Did I really
do it right?

Seems
to me like
you did it
perfectly

Holy Sea Cow! I have massive breasts

I really have Robin-chan's huge perfect soft and heavy... Breasts

Even
though I already
know the answer...
How does it
feel to be
Nico Robin?

AMAZING!
This is the
best feeling
ever!

In the hall near the workshop

Shishishi I wonder what Usopp is up to

Huh...?
Was that
Luffy's voice
I just
heard

Stop fondling your tits for now! Luffy is outside right this moment

Sorry Usopp! But it's hard to control myself when they are right on my chest

Alright... Just remember you are Robin right now and I'm Nami understood!

I also haven't seen Nami or Robin much today either

Though I doubt Nami and Robin would be doing anything crazy

Oh..!
Hi there
Luffy are you
looking
for something
or someone?

H-Hi there Luffy... Uso.. I mean Nami and I were just doing some girls stuff

Idiot! No way the cool headed Robin would stutter and use that excuse!

I see! Have the two of you seen Usopp anywhere?

....This guy might be the most trusting person in all the seas

We haven't seen him sorry Luffy

That was close... You don't think he will figure out we're fakes?

There is probably a 0.1% chance of him finding out our secret

Hmm...
Something
seem different
about Nami
and Robin
just now

It's probably nothing... Lets see if Usopp is in his workshop

Hmm...
I can't help
but worry
that something
is going to
expose us

Ughh...
Just worry about fondling these huge tits instead okay

YES MA'AM!

Thats more like it! What a good girl you are

Back at Usopp's workshop

Huh...? What are these?

They look almost like special costumes

There
is even one
of Yamato
in here

Nami Usopp and Robin probably made all of these for a big costume party!

Wow!
My body
feel weird...
It feels bigger
in certain
places

ARGHH! Why is the face of this costume so annoying!

Come on! Fit already you dumb costume! ARGHHHH!

SLAP

SLAP

Uhhh...
Did I work!
Did I do it?

Huh...
My face feels
fine I think...
So I guess
it worked

WOOOAH!
I'm soo tall...
And I even have
huge boobs like
Robin and
Nami!

Woah...
So this is what Nami and Robin have been carrying around all this time

Why are they so heavy?

What is this... I just touched the nipples
What is this tingling feeling

It feels like small jolts of pleasure shooting through my body

AHHH!

Uhhh..
Phew... That was dangerous I almost couldn't stop

Huh...?
Why is my lower body so wet?

Huh...?
A hole...
I wonder
what's inside
of it

AAAHHH!
Ahhhh...
Wha-What
is this... It feels
soo good

Ahhhh...
Can't think...
Straight...
What is this
pleasure

It's...
It's too much...
It feels like
I'm loosing
my mind...
But it feels
soo good

Ahhh!
Somthing...
It's coming...
I can't
stop

AHHHH!

Phew...
That was intense...
I've never felt something like that before

Having a female body isn't so bad

Huh...
I wonder
where that
door in the
back leads

Maybe
thats where
Usopp is
hiding

Hey
Usopp about
these cost...
Huh what
is going on
in here?

NAMI!?
But I just...
You were
just...

Mhmm..
Mmph

Mmph...
Mmm
Robin
is also here!
What is
going on?

BY TSF AI

What the... Why are the two of you here? I just saw you not long ago

To Be Continued?
