

16 JULY

This vacation couldn't have come at a better time, I was too stressed from work. I can't wait to go to the beach.

Thank you, but I just want to relax on the beach.

Good day, sir. Welcome to our island, our staff will create a daily activity schedule for you to ensure you have the most enjoyable vacation.

I'm sorry, sir, but I've received instructions from the agency, and you must adhere to our schedule.

17 JULY

Finally, I've got to the beach after the morning workout. I deserve to relax and I really don't understand why I need supplements.

17 JULY

What do you mean you can't find my luggage and I am left only with these clothes?

From what I've told you, I haven't found anything, and the option of being stolen is excluded because there are only girls on the island, and they have nothing to do with your clothes. You surely lost them.

17 JULY

What do you mean you can't find my luggage and I am left only with these clothes?

From what I've told you, I haven't found anything, and the option of being stolen is excluded because there are only girls on the island, and they have nothing to do with your clothes. You surely lost them.

17 JULY

Are you sure this is the only clothing store on the island? There are only women's clothes.

As I told you, there are only women on the island, and there are no men's clothes.

17 JULY

Do I really need a pair of panties?
They feel so soft.

Okay, but why do I need to tuck
my penis away?

You can't wear your underwear
under women's clothes because it
will be uncomfortable.

Because no one wants to see your
penis through clothes, and it's
best to hide it if you're wearing
women's clothes. You need to
present yourself as a woman.

17 JULY

Why do I have to wear heels? I can't even walk in these.

And this dress is too short, are you sure there are no other clothes in the store?

These heels are the only ones in your size in the store.

Stop complaining and thank me that you didn't end up stranded naked on the island.

2 WEEKS LATER

Why do I have to wear this even in the hotel room? I feel very uncomfortable.

I don't understand how my hair has grown so much in such a short period, and your workouts aren't effective. I've lost a lot of weight and my chest got puffy.

You don't have other clothes to wear, and I certainly don't want you to be naked in front of all the girls."

We'll go for a haircut tomorrow, and as for the chest, I'll talk to a doctor.

WHAT HAVE YOU
DONE!!!

1 AUGUST

Why do I have to wear heels even in the room?

I fell asleep because I was tired, and I woke up like this

Now that you look like a woman, you have to behave like one. If you don't like how you look, why didn't you say anything at the salon? And what I told you about your voice?

1 AUGUST

And what if someone notices that I'm not a woman?

Get ready to go to the beach because you can't stay in the room all day, and your skin needs some sun.

That's why I've prepared a fake vagina to hide your little penis.

2 AUGUST

Why did you choose the smallest swimsuit possible? It highlights every curve of the body.

After so many workouts, it would be a shame to hide such a body. If you come across a male tourist and he's cute *giggle*

16 AUGUST

I think the pills I'm taking are messing up with my head and body. I feel very feminine, and I'm not attracted to the girls I see on the island anymore.

16 AUGUST

I haven't masturbated since I got this fake vagina. I feel like I need a man's touch...

What have I been thinking?!?! I need to get out of here as soon as possible. Right after the doctor's visit, I'll try to go home.

1 SEPTEMBER

1 SEPTEMBER

I'm so happy that I no longer want to get rid of my new breasts, and the doctor offered me implants. He said he replaced the prosthesis with something more realistic. I don't know what he meant, but I can feel the skin. I heard a tourist has arrived on the island, and I'm going to find him here at the club.

1 SEPTEMBER

I can't believe I ended up kissing a man and getting aroused.

1 SEPTEMBER

OMG! OMG! i think i m wet down there, but how is it posible?

moan

1 SEPTEMBER

I can't believe I
am actually doing
this.
