Patrizia and Robert (43 and 45) have been married for over 20 years and are parents to two sons, 22 and 19. But lately, frustration has set in - for both of them. Although they still love each other like the first day, their sex life has lost its spark.

Like this evening, where after a brief and unsatisfying tryst, Patrizia is left reading a book, her mind drifting in frustration.

There he is, snoring away... after just 3 minutes.

Where did the fiery passion go? The shared climax?

I'd give anything for some real, intense sex like we used to have...

Is it me?  
Am I not attractive enough for him anymore?

I know, at 43 I still look good... though not as youthful as I once was...

Thoughts can be like a highway, and for Patrizia, her mind is stuck in a never-ending loop. Restless, she gets up to use the bathroom, but as she walks across the bedroom, a forgotten memory resurfaces - one her grandmother once told her long ago.

Ugh,  
I can't stop  
this endless  
headspace...

Okay,  
bathroom first. Then  
I'll make myself a  
hot cocoa...

... just  
like Grandma  
used to do for  
me...

Ah,  
Grandma...  
and her old  
stories...

One  
story she told me  
about an ancient  
goddess...

Venus -  
the goddess of beauty,  
femininity...

How did  
she always say it?  
'Sweetheart, Venus is always  
here for us women. She listens  
when you speak to her in front  
of a mirror - it always helped  
me when I was feeling  
lonely or down.

Maybe I  
should try that...  
Even if it's just to get  
this frustration off  
my chest.

Oh Venus, goddess of beauty and desire, look at me...

Old, tired... Can you bring back my passion, my vitality?

Everything feels so... dull, so ordinary. I miss the excitement, the craving...

Why does it feel like I've lost everything that made me feel alive?

\*squish\*

Please, Venus, can you make me feel that way again? Make me feel... desirable? Sexual?

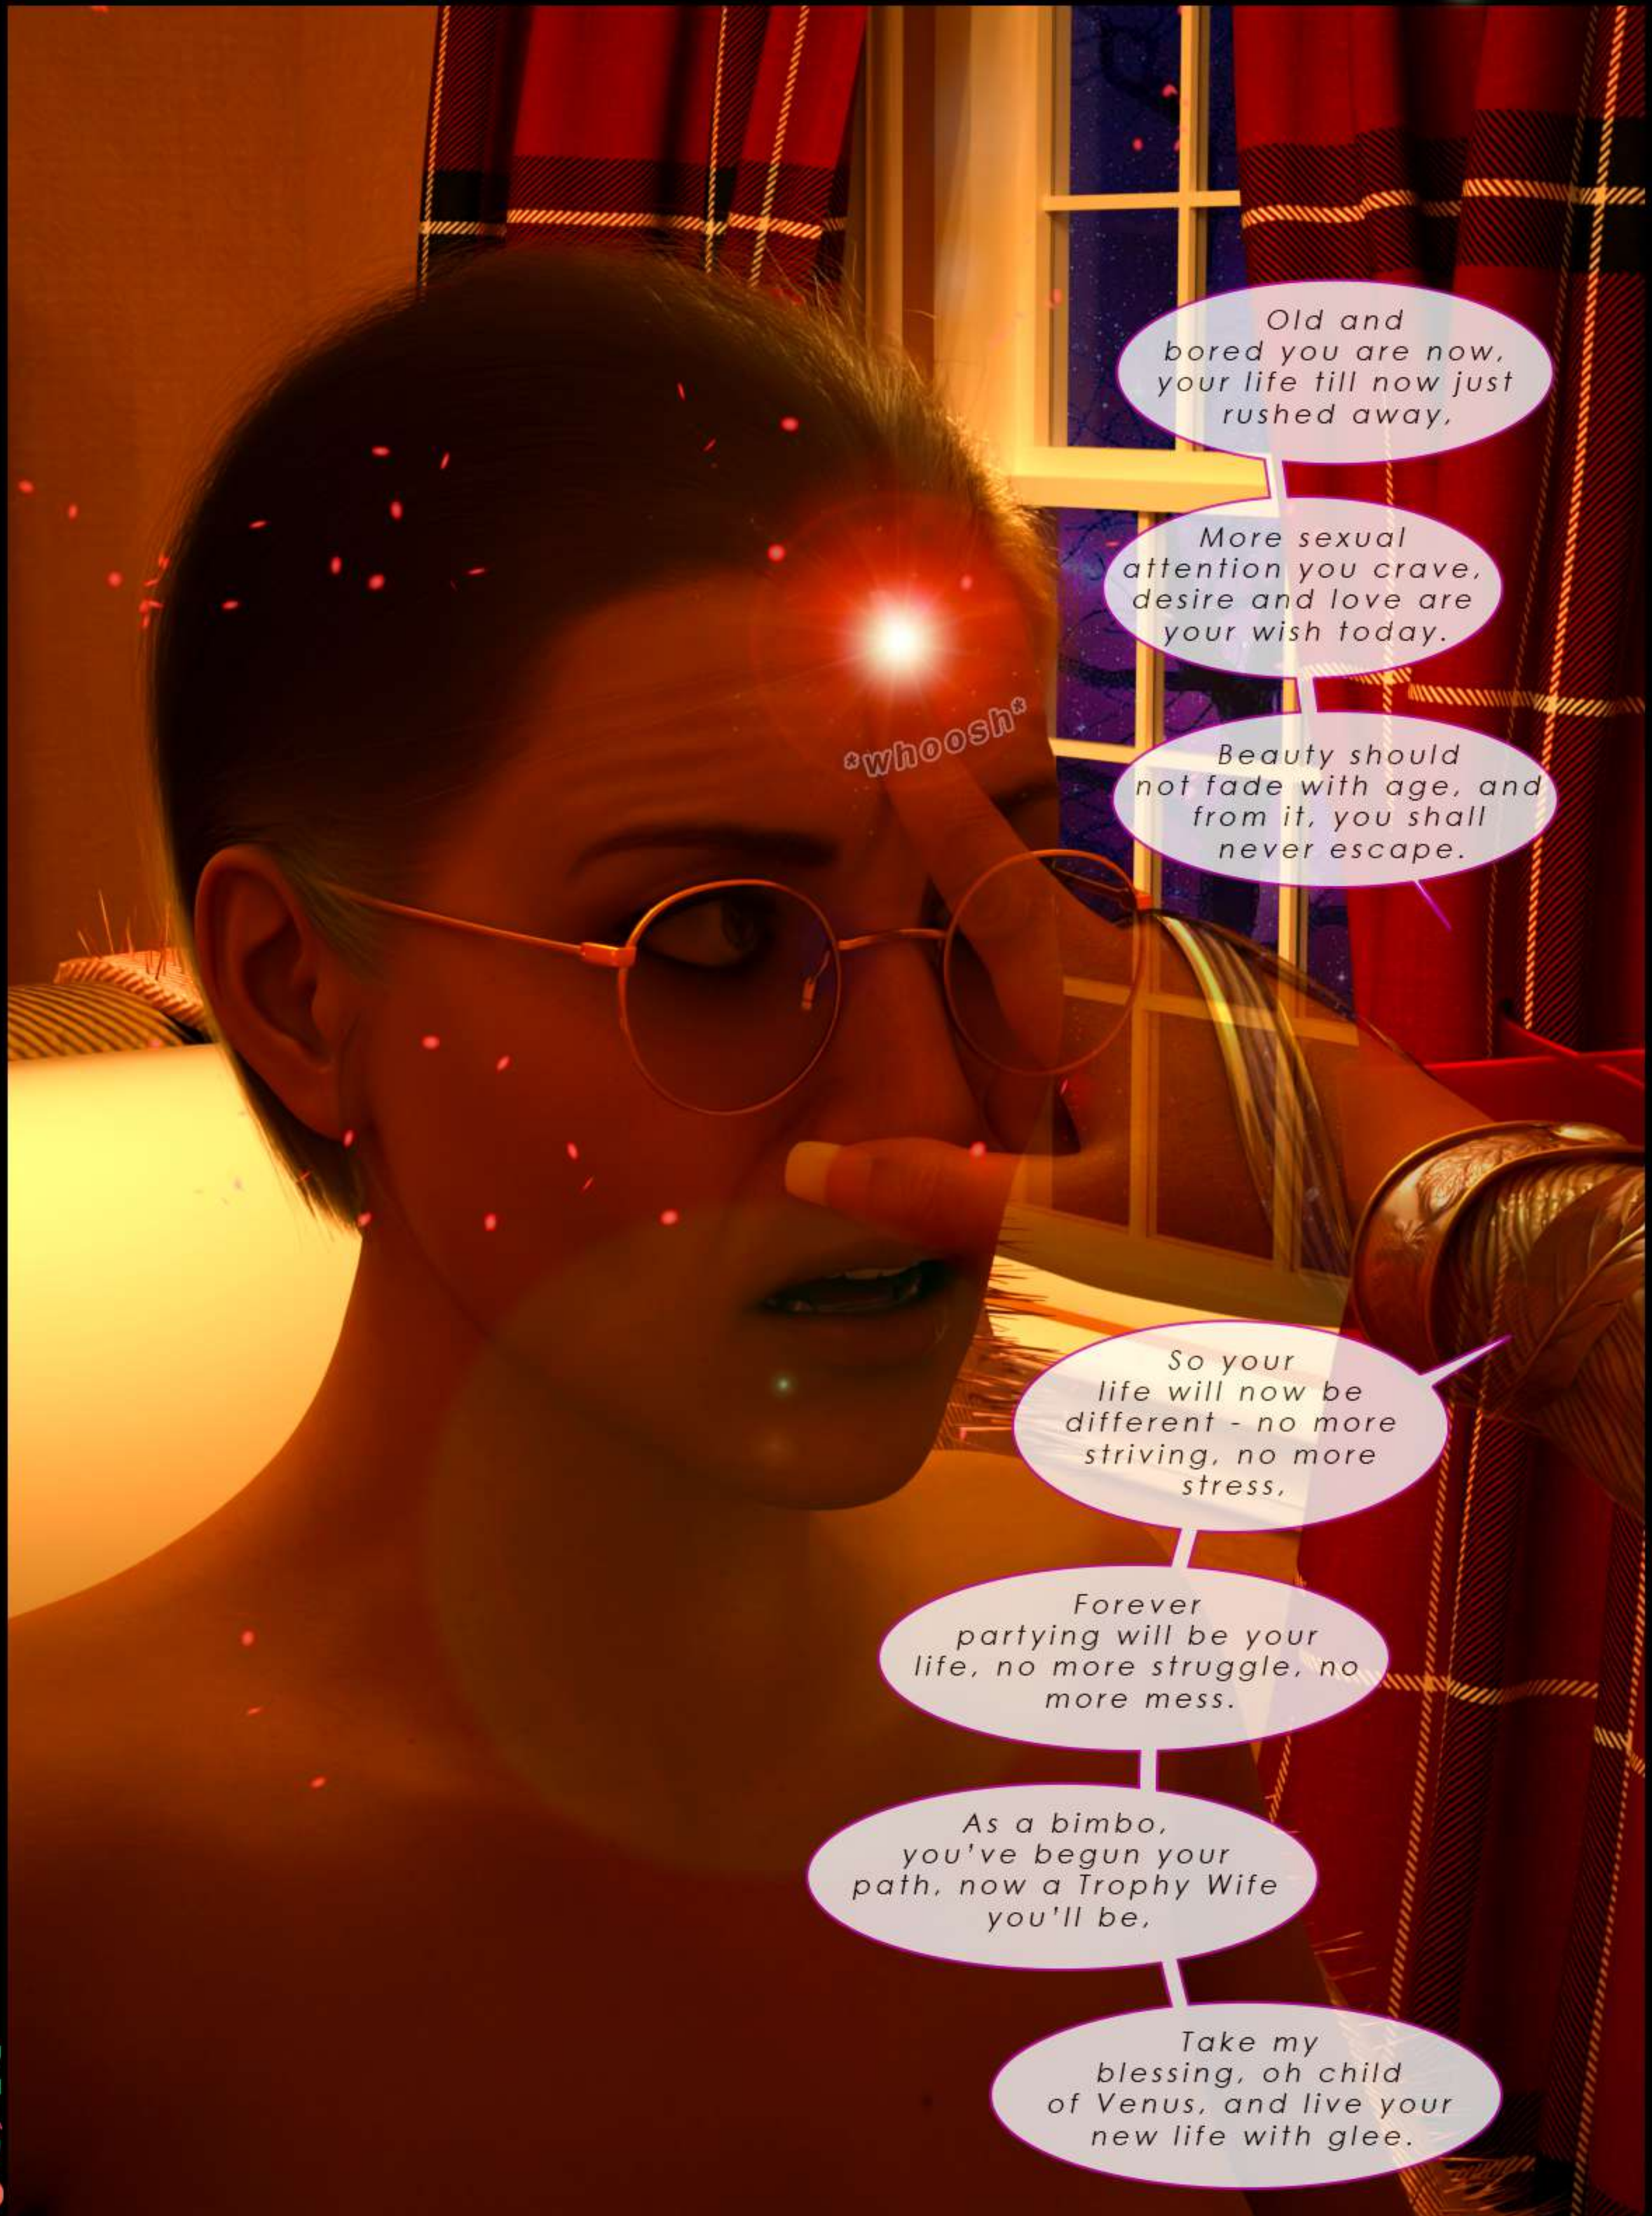

My child, I can grant your wish...

... but beware, it will not just be your life that changes...

... your husband's and your sons' lives will also be altered...

Yes, please... please grant me your blessing, oh goddess!

Old and bored you are now,  
your life till now just rushed away,

More sexual attention you crave,  
desire and love are your wish today.

Beauty should not fade with age, and  
from it, you shall never escape.

So your life will now be different - no more  
striving, no more stress,

Forever partying will be your  
life, no more struggle, no more mess.

As a bimbo, you've begun your  
path, now a Trophy Wife you'll be,

Take my blessing, oh child  
of Venus, and live your new life with glee.

# Amaz2k12 · Venus Blessings

The blessing has been granted, and Patrizia feels completely drained... Is this what it feels like to be touched by a goddess?

Ughhh...  
what is this  
feeling...?

Was  
it all just... a  
hallucination?

Maybe  
I'm still dreaming, lying  
in bed...

But even as Patrizia steps out of the room,  
the first changes begin to manifest...

But  
since when do  
dreams make you  
feel this tired?

...as if her entire sense of style had shifted  
- toward something far more...

...as if her entire sense of style had shifted  
- toward something far more...

# Amaz2k12 · Venus Blessings

The moment Patrizia lies down, sleep takes her instantly...

...and so she doesn't see the pink and red lights dancing above her body...

...nor does Robert, softly snoring next to her, sense the changes that are already beginning.

# Amaz2k12 · Venus Blessings

The night wears on... and so does Patrizia's transformation.

04:55 a.m.

Her body rests, unaware...

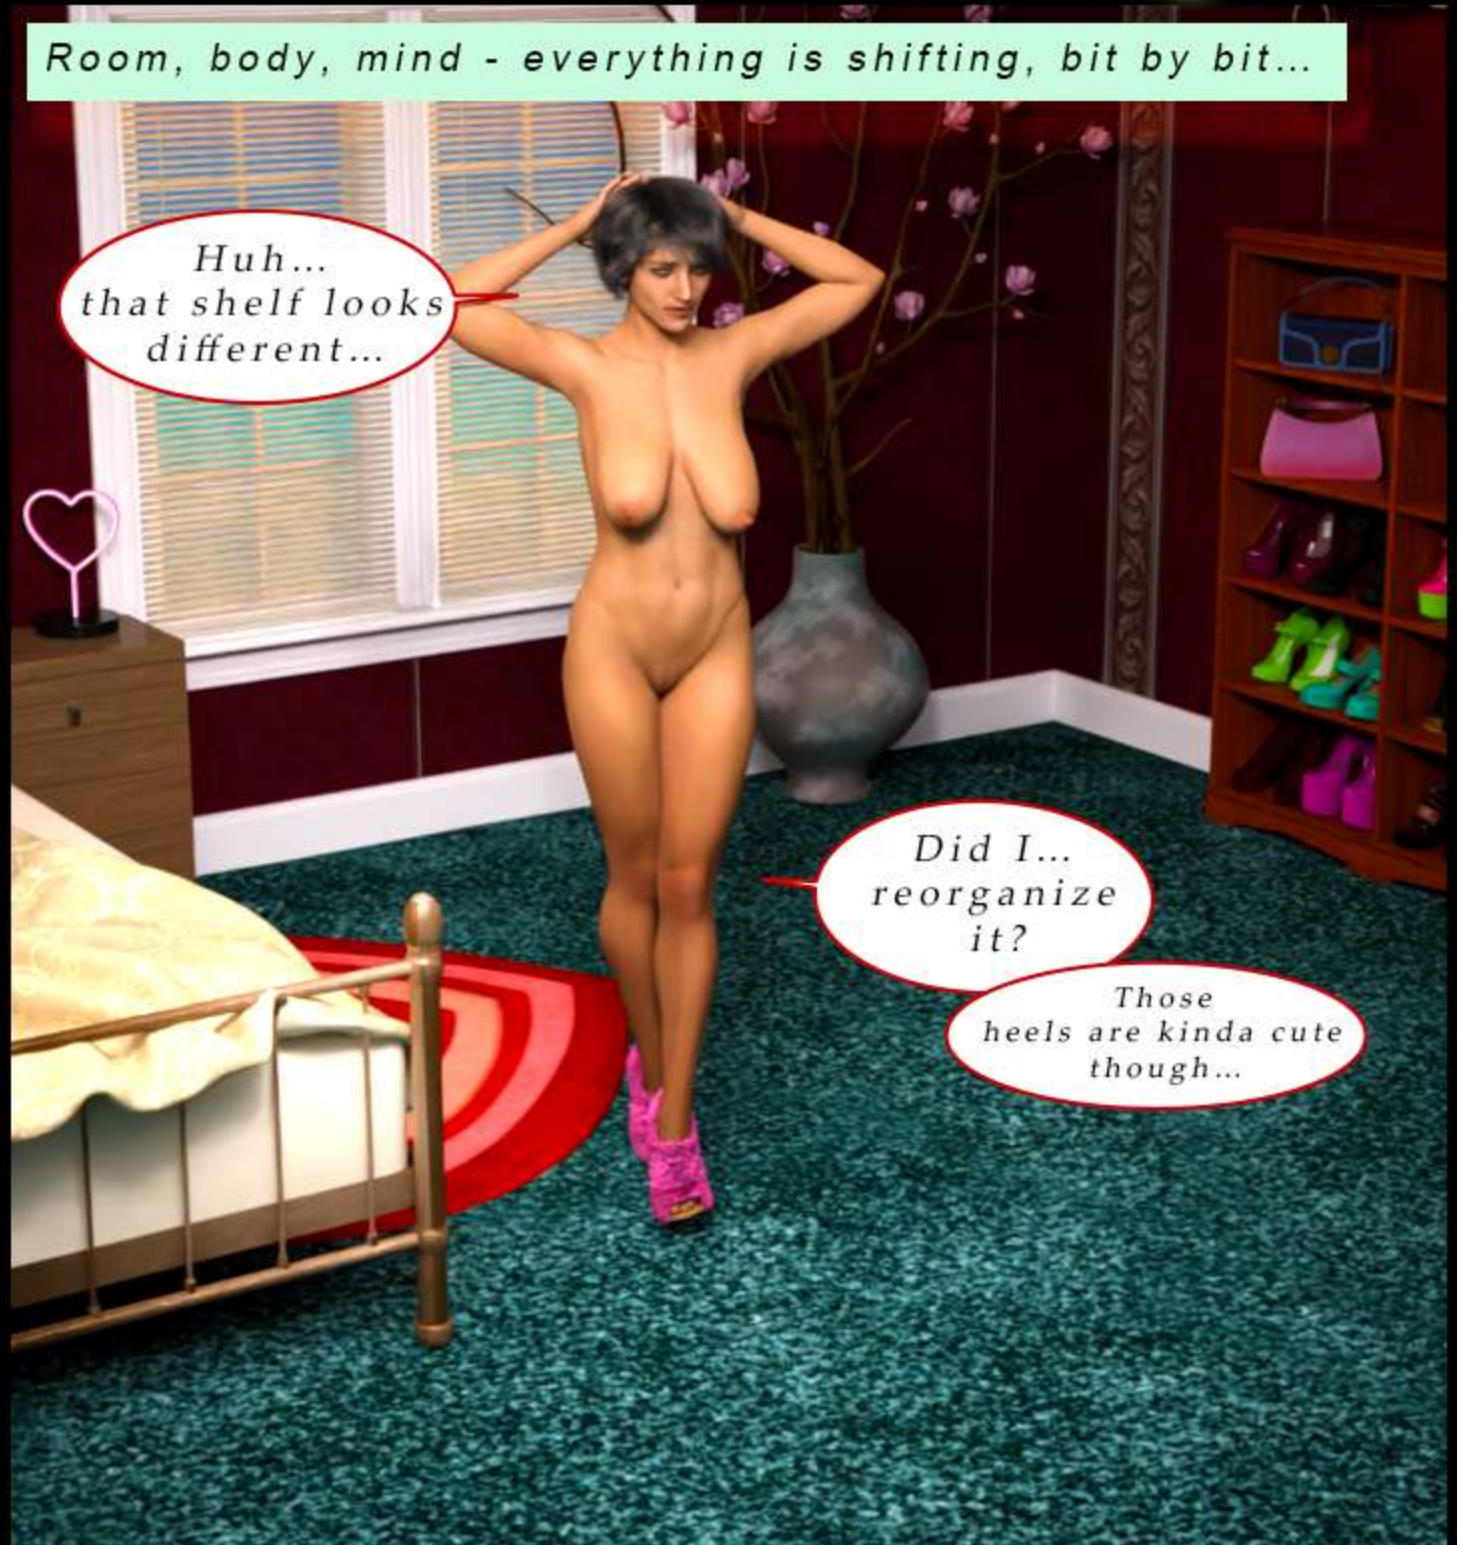

...growing longer...

06:00 a.m.

...and longer - gracefully reshaping into something new.

...as her fingernails begin to stretch...

By dawn, they gleam like polished jewels... the first sign of who she's becoming.

She doesn't notice a thing... not the hair, not the voice, not even herself.

No longer just a woman...  
Patrizia is becoming a 43-  
year-old display piece.

Ohhh!  
What's that  
shiny lil'  
thingy?

Teeheel  
that was, like, soooo  
refreshing! Buuuut...  
huh?

Gems shimmer where modesty  
once lived, growing bolder with  
every breath.

Diamonds  
make me, like,  
sooo dizzyyy  
...

Each sparkle, each curve -  
crafted with delicious precision.

Hehel  
squiiirty  
squiiirt!

Wait...  
huh?

Huh?  
This boobie's  
bein' lazy?

Mmmh...  
I loooove this  
creamy stuff.

And soon, no part of her  
will be left untouched...

Rub rub rub...  
make my boob  
all soft n'  
bouncyyy!

C'mon silly  
titty... get with the  
flow! Hubby paid  
for both!

...by skilled hands trained in beauty over biology.

No plastic surgeon leaves a job half done - especially not with Hubby's platinum card on the table...

**Teehee!**  
I'm, like, totally top-heavy... I luv it!

And so, two perfect, perky, volleyball-sized orbs now crown Pat's dainty upper body.

But her petite little booty...

**Mmmh...**  
let's make dis booty, like, super juicyy!

**BOOM!**  
That's, like, an A-List ass, baby!

...now smooth as silk, no trace of cellulite...

...wouldn't be left behind.

**Gosh!**  
I could, like, break chairs with this thing... but Hubby totally paid for it!

Oh-em-geel! such a gorgeous day today! The sun is, like, totally shining!

Mmh... and I totes feel like, ugh, shopping sooo hard right now!

Yaaas! That's, like, a super smarty idea, riight?

Robert always had taste - expensive taste, to be exact...

...so over the years, a few more enhancements found their way under Pat's perfect skin...

...as you can now clearly - and proudly - see protruding.

I'm going shoooooppiing!

# Amaz2k12 · Venus Blessings

Thanks to Venus's divine blessing, Patrizia is no more...

...now, there's only Patty - the picture-perfect, platinum-tier Trophy Bimbo Wife.

**Daaaaarling?  
Where'd you hide the  
Platinum Gold Card  
Deluxe™?**

**I, like,  
really really need  
to go shop sooo bad  
today!**

**Darling,  
you've got  
your own card -  
remember?**

**Gotta  
look, y'know, extra  
yummy for you  
tonight!**

**It's  
in your favorite  
handbag.**

**Wait -  
whaaat? In my  
handbag?**

**Giggle!  
Hubbyyy~ you  
always think of  
everything!**

**Enjoy  
yourself. But don't  
forget the gala  
tonight.**

And Robert? He's shed the softness of his past and stepped fully into success - trim, focused, and firmly in control.

But Venus's magic doesn't stop at their doorstep...

...and somewhere far away, their eldest son is about to feel the ripple effect.

# Amaz2k12 - Venus Blessings

Patty's and Robert's eldest son, a 22-year-old student at Polk College near Chicago, is hard at work on his academic studies...with his roommate Mike giving him all the scholarly support he needs. Tonight's 'study session'? A heated PS5 co-op battle... with bragging rights on the line.

Oh c'mon, Mike - that was a perfectly fair move.

Jon, you ass!

That was my move and you just punched me off the map? WTF?

Not my fault you left your character in such a dumb spot.

Yeah, well... it still wasn't fair.

...oh, and - did you hear Stacy's throwing a party tonight?

And yeah, she invited me too. So... we going?

Obviously we're going. Like I'd ever pass up free drinks and hot tits.

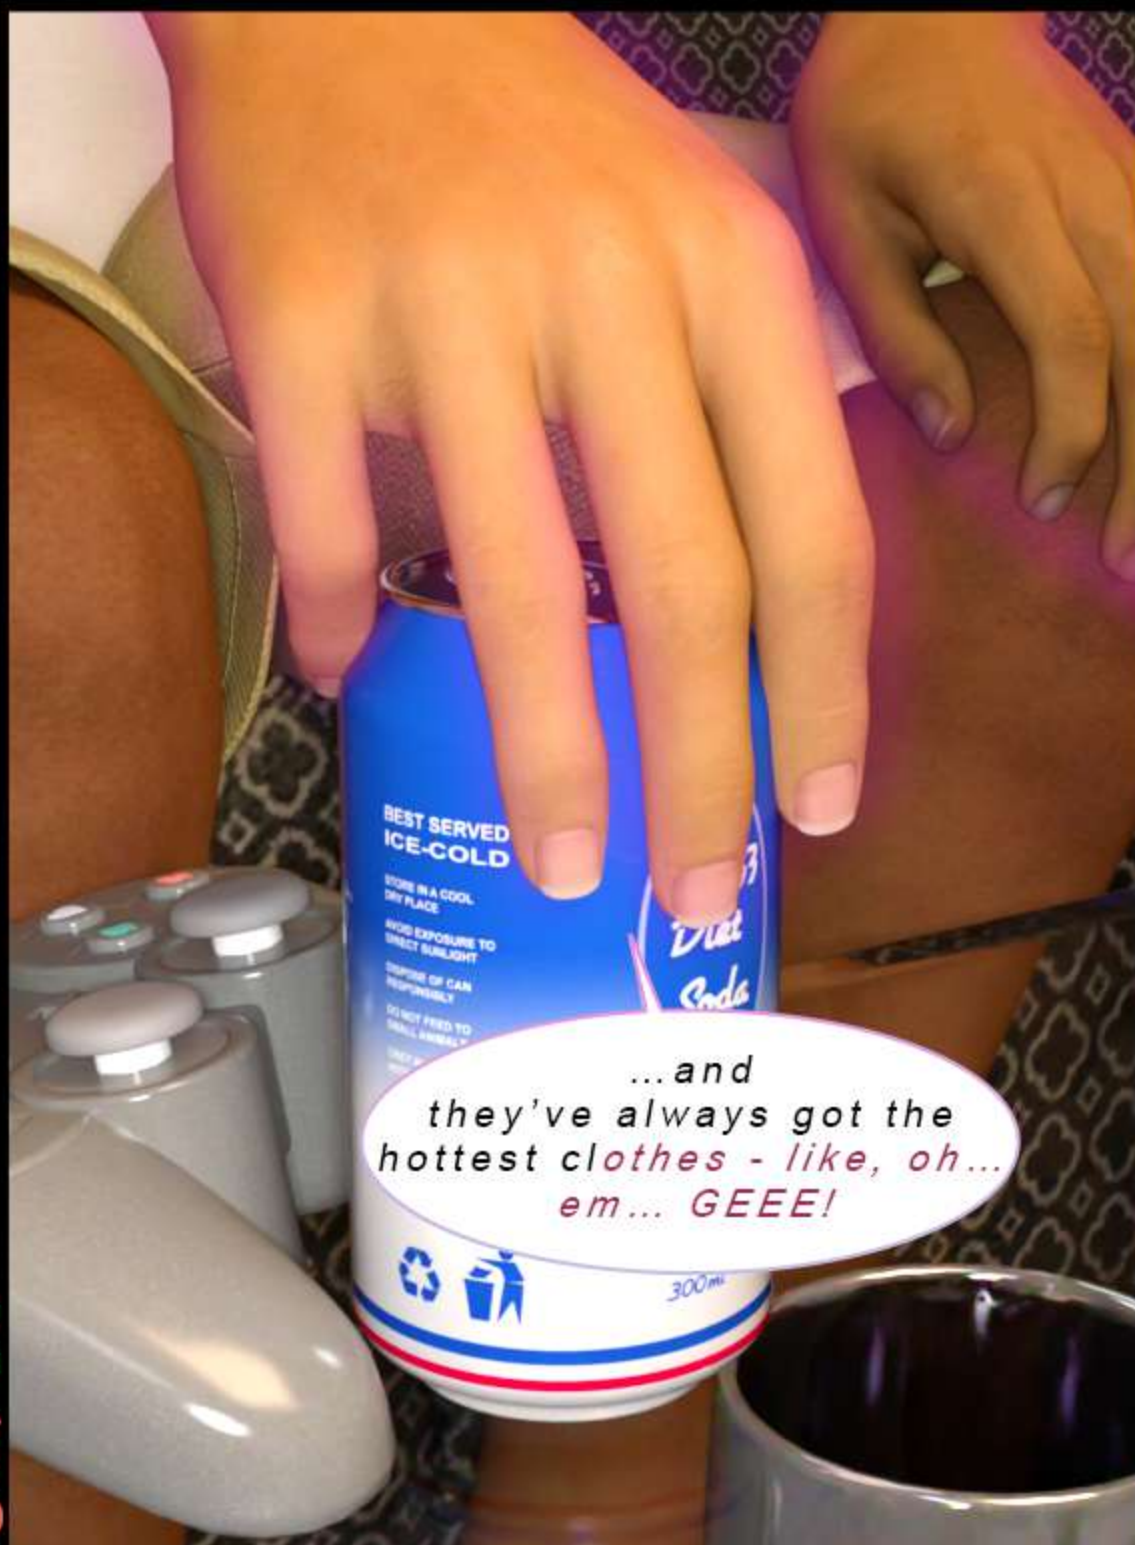

# Amaz2k12 · Venus Blessings

But Venus's blessing doesn't stop at Patty... and in this new reality, her eldest son is about to be swept along with her change.

Y'know, Mike - Stacy's parties always pull in the hottest girls on campus...

...like, we're talking solid tens, every time...

...and they've always got the hottest clothes - like, oh... em... GEEE!

...I sooo can't wait to check out what they're wearing!

The change wasn't exactly going unnoticed...

Jonatan...  
you... uh... I...

...just not by Jonatan.

But it's  
not like I'm gonna, y'know,  
miss out...

...oh nooo,  
not me!

\*Giggle\*

Wait - did  
you say something,  
Mikey?

...Mikey?

Not even when his shirt began to pull tight...

...holding a brand-new shape in place - for now.

# Amaz2k12 · Venus Blessings

In this rewritten reality, there had never been a Jonatan at Polk College in Chicago...

...but Krystal - the cheer squad's rising star - had always been here.

Jo - Krystal - wait...  
you... you were a guy like  
two seconds ago!

Oh my  
god, Mikey - do I  
seriously look like a  
guy to you?

What the  
hell's going on? And...  
why did I just call  
you Krystal?

Uhm,  
my name's Krystal...  
you know that,  
right?

°Giggle°

And  
weren't we, like...  
gonna hang out before  
the party?

Hang out...  
like, as in...  
a date?!

# Amaz2k12 - Venus Blessings

Just like with her mother before her, Krystal's transformation into a full-on bimbo was anything but subtle...

Y'know, Mikey... I'm sooo curious about something...

Krystal - wait... you... you were a guy like two seconds ago!

...don't my big girls - barely fitting in this top - kinda speak for themselves?

•Giggle•

Your... gulp... girls...? Those are the biggest I've ever...

Ohhh... damn, babe...

...with every passing second, her body - and her presence - becoming more irresistibly, unmistakably... bimbo-like.

Mmm... but I'm feeling, like... sooo warm right now...

Maybe we should have a little fun before the party... teehee

You and me? Gulp... right here?

Mmm... nothing tightening up in your pants yet?

\*Giggle\*

This... this has to be a dream.

I picked something suuuper comfy to wear - so c'mon, let the tiger out.

I've wanted to date you for years... and now it's actually happening...

Teehee... you said it - like mom, like daughter... I'm a totall bimbo!

So... wanna taste what this bimbo's got to offer?

\*Giggle\*

Your... gulp... girls...? Those are the biggest I've ever...

# Amaz2k12 · Venus Blessings

And so... Jonatan became Krystal - the ultimate glam-stripper, high-value bimbo on campus.

Ohhh,  
Mikey, I, like, knew  
you wanted meee...  
teehee

God...  
what a babe!

Every guy  
here does - 'cause, like,  
I am the hottest girl  
on campus.

\*Giggle\*

Have you  
even checked out  
my nails yet? They're, like,  
totally Chanel inspo... super  
exclusive, babe

# Amaz2k12 - Venus Blessings

But let's leave Krystal and Mike to... their current activities.

She'll have plenty more adventures at tonight's party (Mike... who?).

Ohhh,  
Mikey yesss... like,  
you're sooo my pre-party  
cardio...

\*Giggle\*

\*BOOBBES\*

\*BOOBBES\*

Krystal...  
you're... \*huff\*...  
unreal...

\*FLAP\*  
\*FLAP\*  
\*FLAP\*  
\*FLAP\*

God,  
I'm never letting  
you go...

Mmmh...  
gotta keep this  
bubble-butt nice and  
perky for the party...

Now, our attention shifts to Patty and Robert's youngest son - Dylan.

# Amaz2k12 - Venus Blessings

Krystal's path is sealed... yet one branch of the family tree remains.

Dylan (19) - a rebel with no leash. He worships the road, his bike, and his freedom...

A cocky ladies' man, chasing every skirt that crosses his way.

But even Dylan can't escape the ripple of Venus' blessing... a fate that will twist his journey forever.

# Amaz2k12 . Venus Blessings

Somewhere in the endless heart of America... a lonely highway cuts through the dust and heat.

Route 66, maybe... or maybe just another road that begins at one ocean, and dies at the other.

Now this -  
this is the life.  
Just me, the open  
road, and my baby  
right here...

Though a  
hot chick ridin'  
pillion wouldn't hurt  
either, heh.

No worries -  
there's always a  
diner down the line. And  
who knows what kinda  
sweet company I'll  
find there...

Either way... destiny is waiting at the end of this tunnel.

And indeed... just a few miles later...

Finally!  
Gas, a leak, and  
an ice-cold beer.

...a dusty old diner awaits him,  
bathed in faint streaks of pink.

Damn,  
this place's got that  
classic vibe... real  
old-school.

Heh... now  
all that's missin' is  
some smokin' babe in a  
mini-skirt.

WELL HEY  
THERE, SUGAR! WELCOME  
THE DINER.

HOT  
COFFEE? OR SOMETHIN  
SWEETER?

MHM...  
JUST SIT TIGHT,  
HONEY - I LL BE  
RIGHT OVER.

Damn...  
now that's  
service.

Sweetheart,  
with that body...  
I don't even need  
a menu.

SO,  
SUGAR... WHAT LL  
IT BE?

From you,  
babe? Your number..  
and when your  
break is.

'Til  
then, bring me a  
beer - make it strong,  
splash a little  
kick in it.

ALRIGHT,  
HON. COMIN  
RIGHT UP.

UGH...  
ANOTHER MACHO  
BIKER. SAME OLD  
STORY...

Heh...  
damn girl, with  
those knockers you  
oughta carry a  
permit!

# Amaz2k12 · Venus Blessings

He thinks he's calling the shots... but with every step, Dylan's body is already betraying him.

Heh...  
I've seen that  
look a thousand  
times...

\*GROPE\*

... give her  
five minutes, and she'll  
be waitin' naked in  
the stall.

... and  
guess who'll  
be ready for the  
encore?

\*SHRINK\*

Women -  
always so damn  
redictable.

In contrast to his mother and sister, Dylan is wide awake through every second...

Wh... what's  
happening to  
me...?!

Wait...  
I-I sound sooo  
diff'rent... like...  
girly?!

... marking the birth of Raven – the woman he never thought he'd become.

And so, the last remnants of Dylan's manhood dissolve...

Wh-what the... it's... MY COCK?!

N-no way... I'm turning... into...

...a girl... for real?!

...ohhh, this feels... sooo weird... but sooo goood~

...giving birth to Raven's flawless feminine form.

Dylan is gone... The young rebel's body is no longer his own...

...yet the world is already shifting, rewriting reality around her new self.

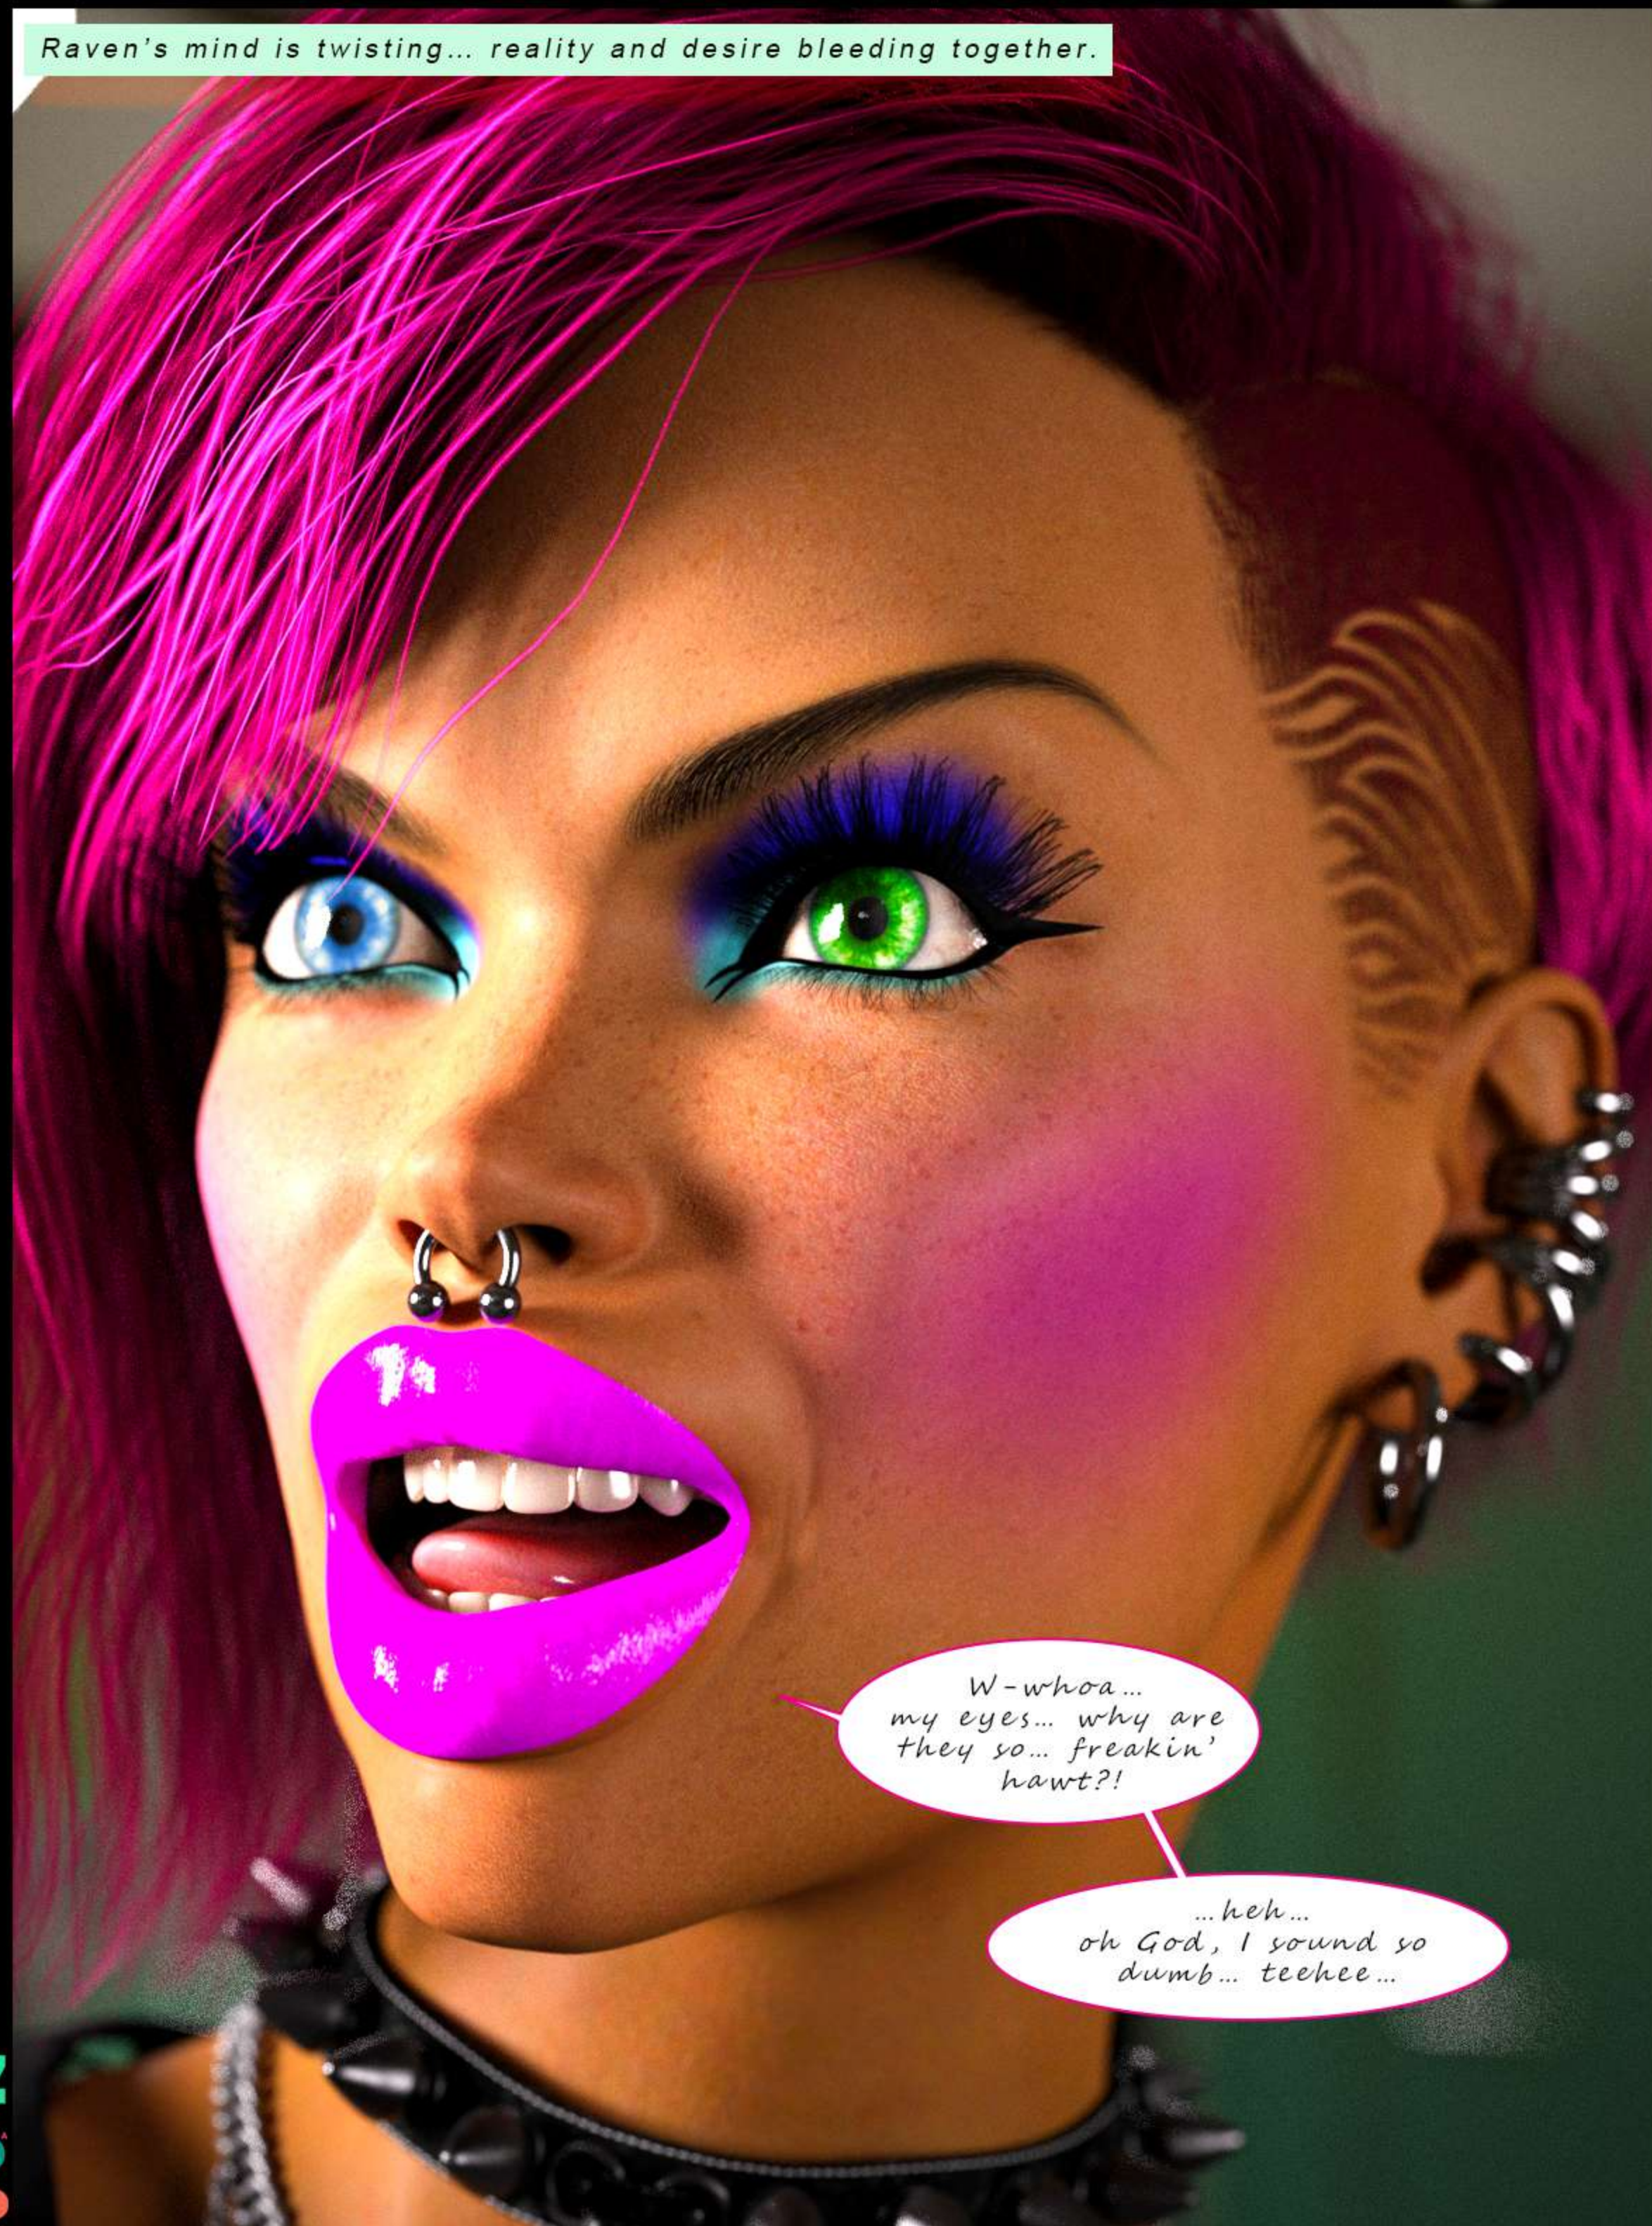

Wh...  
what the  
hell?!

Now, our attention shifts to Patty and Robert's youngest son - Dylan.

Raven's mind is twisting... reality and desire bleeding together.

W-whoa...  
my eyes... why are  
they so... freakin'  
hawt?!

...heh...  
oh God, I sound so  
dumb... teehee...

# Amaz2k12 · Venus Blessings

Unlike before, Raven's change is no longer just in her body...

... every word spoken around her now shapes her mind.

...from  
this side it all  
looks kinda  
normal...

Heehee...  
maybe I should  
just —

Whoa  
there, girl... this  
is the men's  
room.

...huh?!

...and  
you ain't no  
man!

And with one careless remark... her new reality begins to take hold.

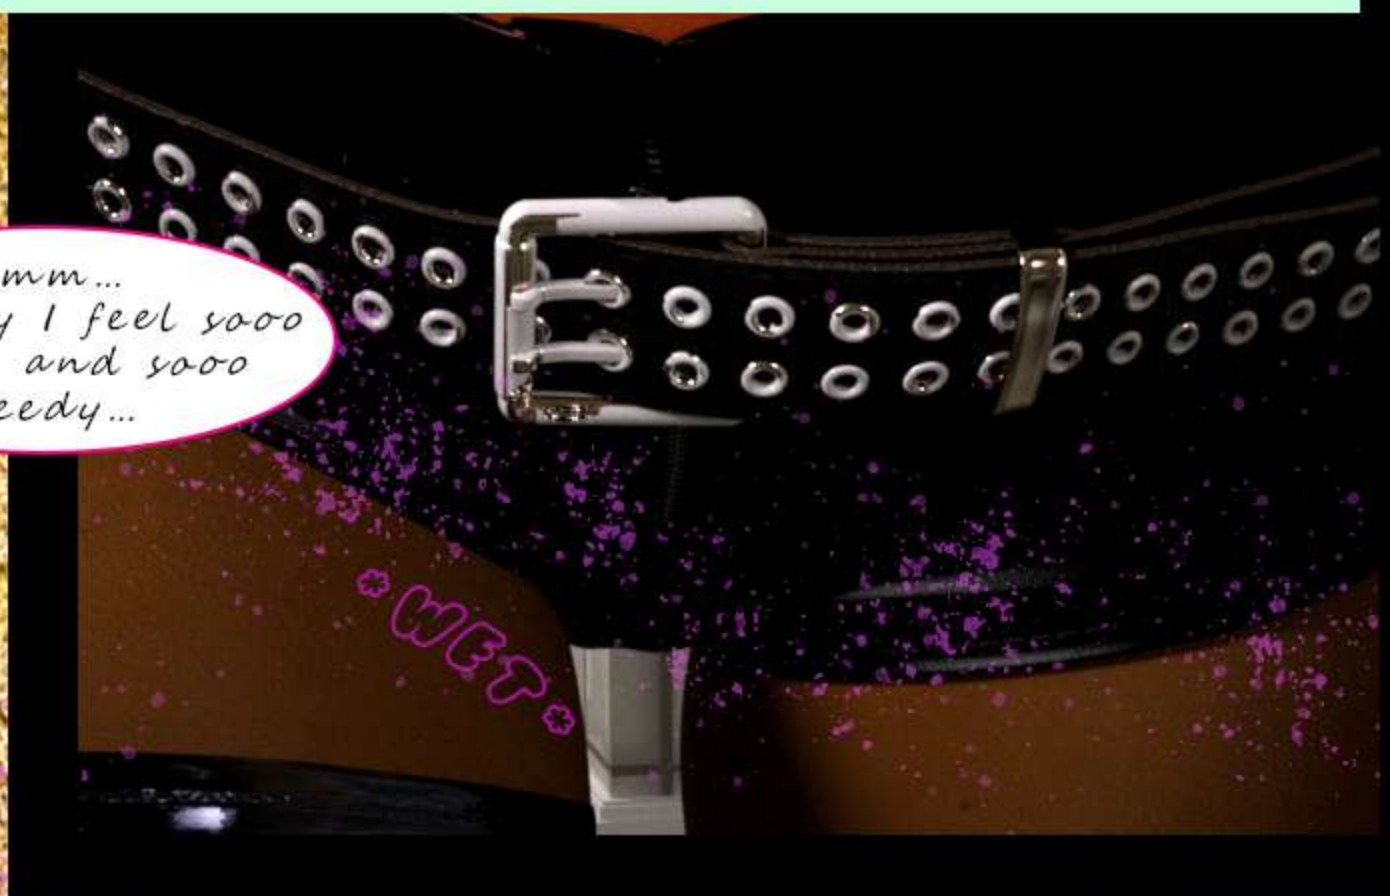

And so... fate twists again. Not even Raven's defiance can resist the power of spoken words.

Every careless word twists reality further... Raven's mind bubbling away into ditzy bliss as her body balloons with lust.

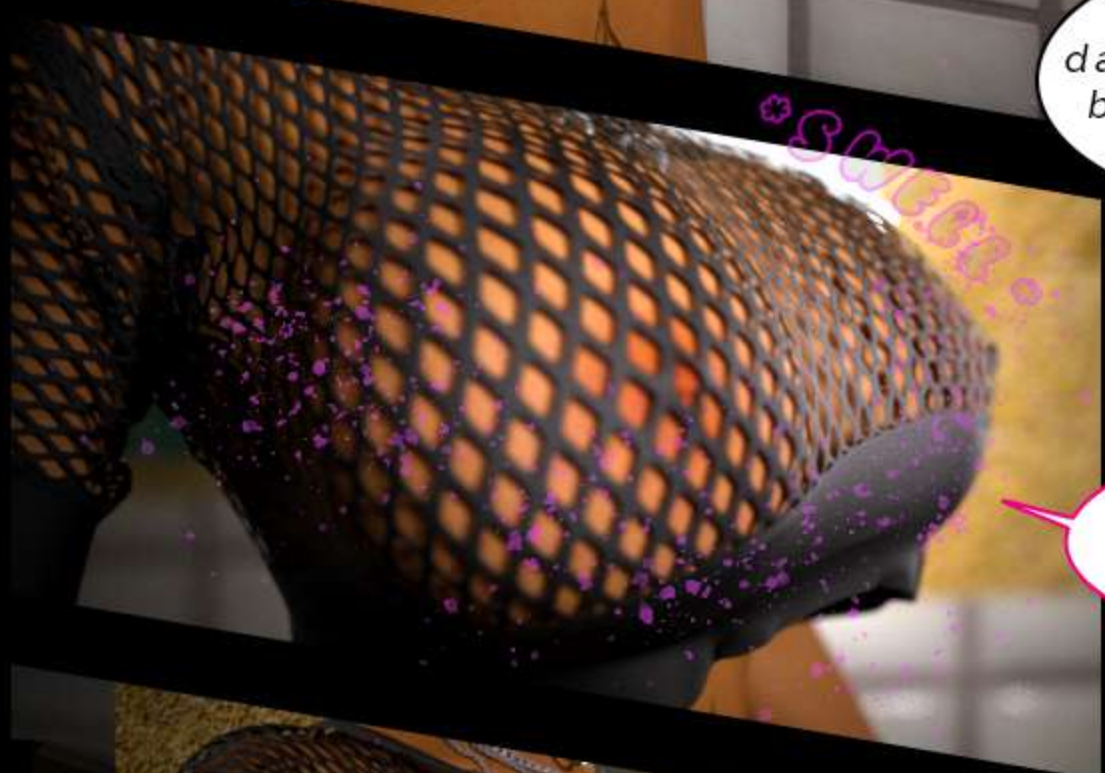

Mmm... suddenly I feel sooo hawt... and sooo needy...

Stacked? Duh, of course I am! Always had these, silly~

Heh... damn girl, you're built to drive a man wild.

You should take a better look next time... teehee~

Like... I just wanna be filled... teehee~

Omigawd...  
you, like... really  
think I'm that hot?  
Teehee~

I just... wanna  
bounce on somethin'  
sooo bad...

Raven,  
I don't know if it's  
luck or fate... but a top-heavy,  
junk-in-the-trunk pornstar like  
you? Doesn't walk in  
every day.

Like... I just  
wanna be filled...  
teehee~

# Amaz2k12 · Venus Blessings

And with this final expansion of Raven's ass, the transformation is complete...

Like,  
soooo... whatcha think,  
hawt stuff?

I can,  
like, totally show you  
what this bad girl's got  
to offer~

Teehee...  
and you'll show me  
if you're, like, really the  
BIG. BAD. HUNK I  
need?

...her old self erased, her new life taking a completely different path.

# Amaz2k12 · Venus Blessings

With lust burning through every fiber of her new body...

Teehee...  
ohhh yesss~ fill  
me up, big guy... like,  
more, more,  
more!

...Raven's old self vanishes into nothingness,  
as if she had never been Dylan at all.

All that remains is a bimbo punk slut, blissfully lost in Venus's domain.

# Amaz2k12 · Venus Blessings

Venus always keeps her gaze on the desires of mortals... yet they must be cautious, because every wish carries a price...

There IS  
always a PRICE  
to pay...

A  
single WISH, like  
a butterfly, can twist  
countless lives.

And what  
about you, mortal? Will  
you call upon me  
next?

# Amaz2k12 · Venus Blessings

Venus always watches... and for those brave enough to embrace their hidden desires, she is never far away.

It could be anyone... it could be you.

All it takes is a wish... and the courage to let me make it real.

So, sweet one... are you ready to call upon me?

My life is great... but as a woman, it would be epic! I wish...
