

"What, you want me to pretend to be a sissy?! How on earth can I even do that?"

"Let's not worry about whether it's possible; first, you need to decide if you're up for it. If you're going to do it, you'll have to give up everything, including your appearance and identity."

However, you won't really be losing much, and during this time, you should also be aware of how you're performing. I thought of this trick because I've noticed that crossdressers and sissy have become more popular in recent years."

"It took quite an effort to find a workable method. Considering we've known each other for so many years, you were the first one I thought of. If you're not willing, I won't force you. However, I can't keep idle people here, and given your recent performance, I might have to let you go."

"Even if I'm willing, how in the world
can I be turned into a man?"

"Of course it's possible, and that's just the first step. Afterward, I promise to give you a whole new identity, a chance to become an upscale woman, permanently leaving behind your current lowly prostitute role."

A woman with long, wavy red hair is sitting on a light-colored couch. She is wearing a black sleeveless top and a black skirt with red and black thigh-high stockings. She is looking up and to the right. In the foreground, the back of a person with blonde hair is visible, wearing a white tank top. The background shows a room with a patterned curtain, a small table with various items, and a pink sign with the word "love" on the wall.

"A new identity? Are you saying I
can turn back into a woman, albeit a different one?"

"Yes, just need to be a man for a while."

"I'm in! Wang Jie, as long as I can escape my current life, I'll do whatever it takes, even if it means working like a dog!"

"Great, I'll count you in then."

"But how can I actually become a guy?"

"It's difficult to explain, but that kind of thing does really exist."

"What do you mean by 'that kind of thing'?"

"Oh, what is that?"

"Is it something scary? I felt the same way at first, but believe me, you'll fall in love with the feeling of becoming someone else."

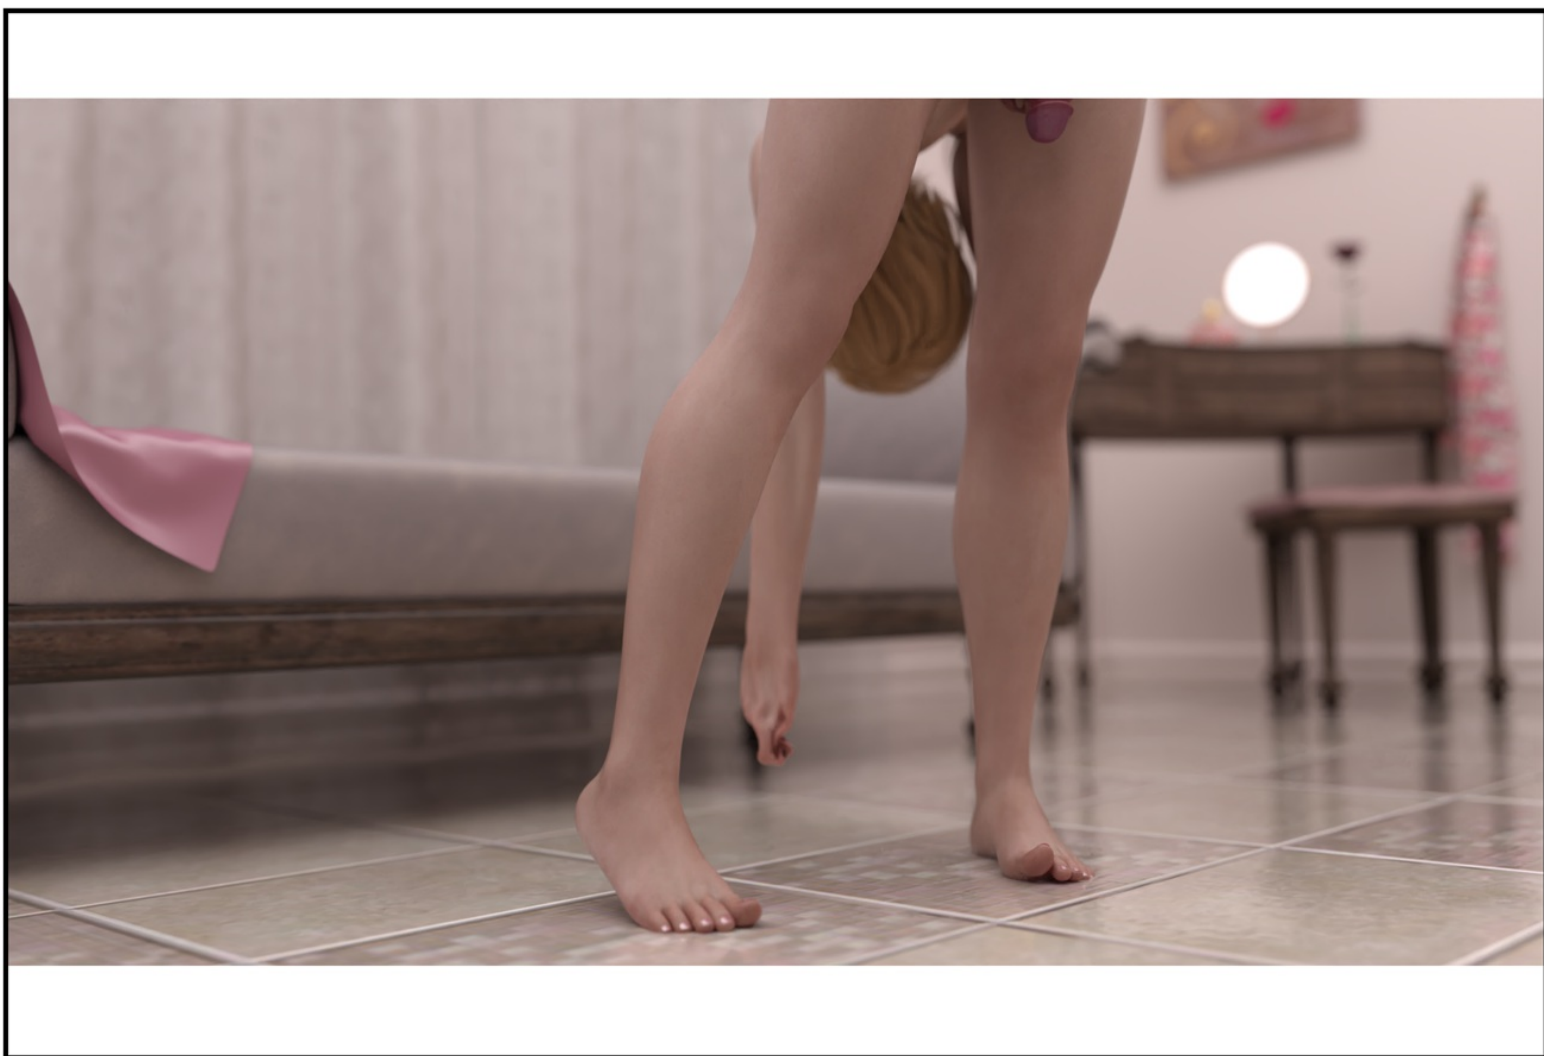

"But how do you use this thing?"

"It's straightforward,
just like putting on clothes."

"Come on, you take off your clothes first, and I'll help you put it on."

"My feet... I can actually
feel the ground beneath them!"

A woman with long, wavy red hair is sitting on a light-colored chaise longue. She is looking towards the camera with a slightly distressed expression, her hands near her neck. In the foreground, the lower half of a person wearing shiny black leggings and high-heeled shoes is visible, with a pink fabric draped over their leg. The background features a light-colored wall with a decorative circular pattern and a small framed picture.

"It's getting so tight... I can hardly breathe!"

"Oh, sis, why did you take your clothes off?"

"This isn't a question that should be coming from your mouth. Take a look at your dick, I have to check its functionality."

"Is this... the sensation of a man's dick?"

You've been accompanying so many men, but didn't expect to experience the feeling of this one day?

What a tempting penis, the old
lady's vagina
It's getting too wet.

Hurry up! Insert in.

Wait a minute, this feeling

Aha, it's so great.

It's really great to become
this old prostitute.

I really like this dark nipple.

I will never change back!!!

Oh? Did the semen come in? How does it feel for a man to ejaculate?

"But you mustn't fall in love with this feeling, after all, you'll have to be a wealthy lady."

"So, what exactly do you plan to have me do?"

"Don't rush, let's first get you dressed in this skin suit."

"In the next few days, you need to get used to this body's sensations. Then, I'll need you to return to the original owner's home in this skin owner's identity..."

Wu

"At his home, find an opportunity to replicate a layer of his stepmother's skin. Then, you'll remove your own skin and exchange it with hers. After completing all of this, call me as his stepmother, and I will come to collect your new 'son.' You won't have to worry about anything else."

"This skin belongs to the son of the
Provincial Party Committee Secretary.
Whether you can live a wealthy lady's life after this
all depends on how well you handle this."

Ah Ah Ah!

(Shrinking...)

"My face... it seems
to fit perfectly."

"But how do we actually transform
her into the so-called 'skin'?"

"I'll tell you shortly."

"I never thought that in the end,
even if I knew the secrets behind it, I
wouldn't choose to change back."

"This thing is called a 'skinblade.' With it, you can turn someone into skin, but there are a few things to be aware of..."

"But, in that case, won't she die?"

"She won't die. As long as you remember to stab her with the blade when it turns blue, she won't die, but rather shed a layer of skin that you can wear."

Is it that ez?.

Then, in the blue state of the knife,
touch your own body with the
handle to remove the skin

"Yes, and then, after I take him away, you'll be left there following my instructions as a wealthy lady, wearing the skin I provide."

"Well, it sounds intriguing. Don't worry, I'll make it work."

"But this guy's face is really cute,
you won't get lost in the body of a guy and can't pull
yourself out, will you?"

"I won't. I won't
want to be a guy."

"Oh, really?"

"Wow,, what are you doing?"

"With a Hag like me hugging you, look at how hard your dick has become."。

"If a few young and pretty girls come and surround you, saying, 'Hey, handsome, just stay as a guy and be with me,' will you be able to resist?"

Ah, stop masturbating, it's so comfortable.

Wow, I shot so much again.

Are your legs all soft now? Semen
is still flowing out continuously.

See, the pleasure of being a guy is still too stimulating for you right now. Before you go, you need some special training to adapt properly."

'go easy on me, please."

"In a villa within the city."

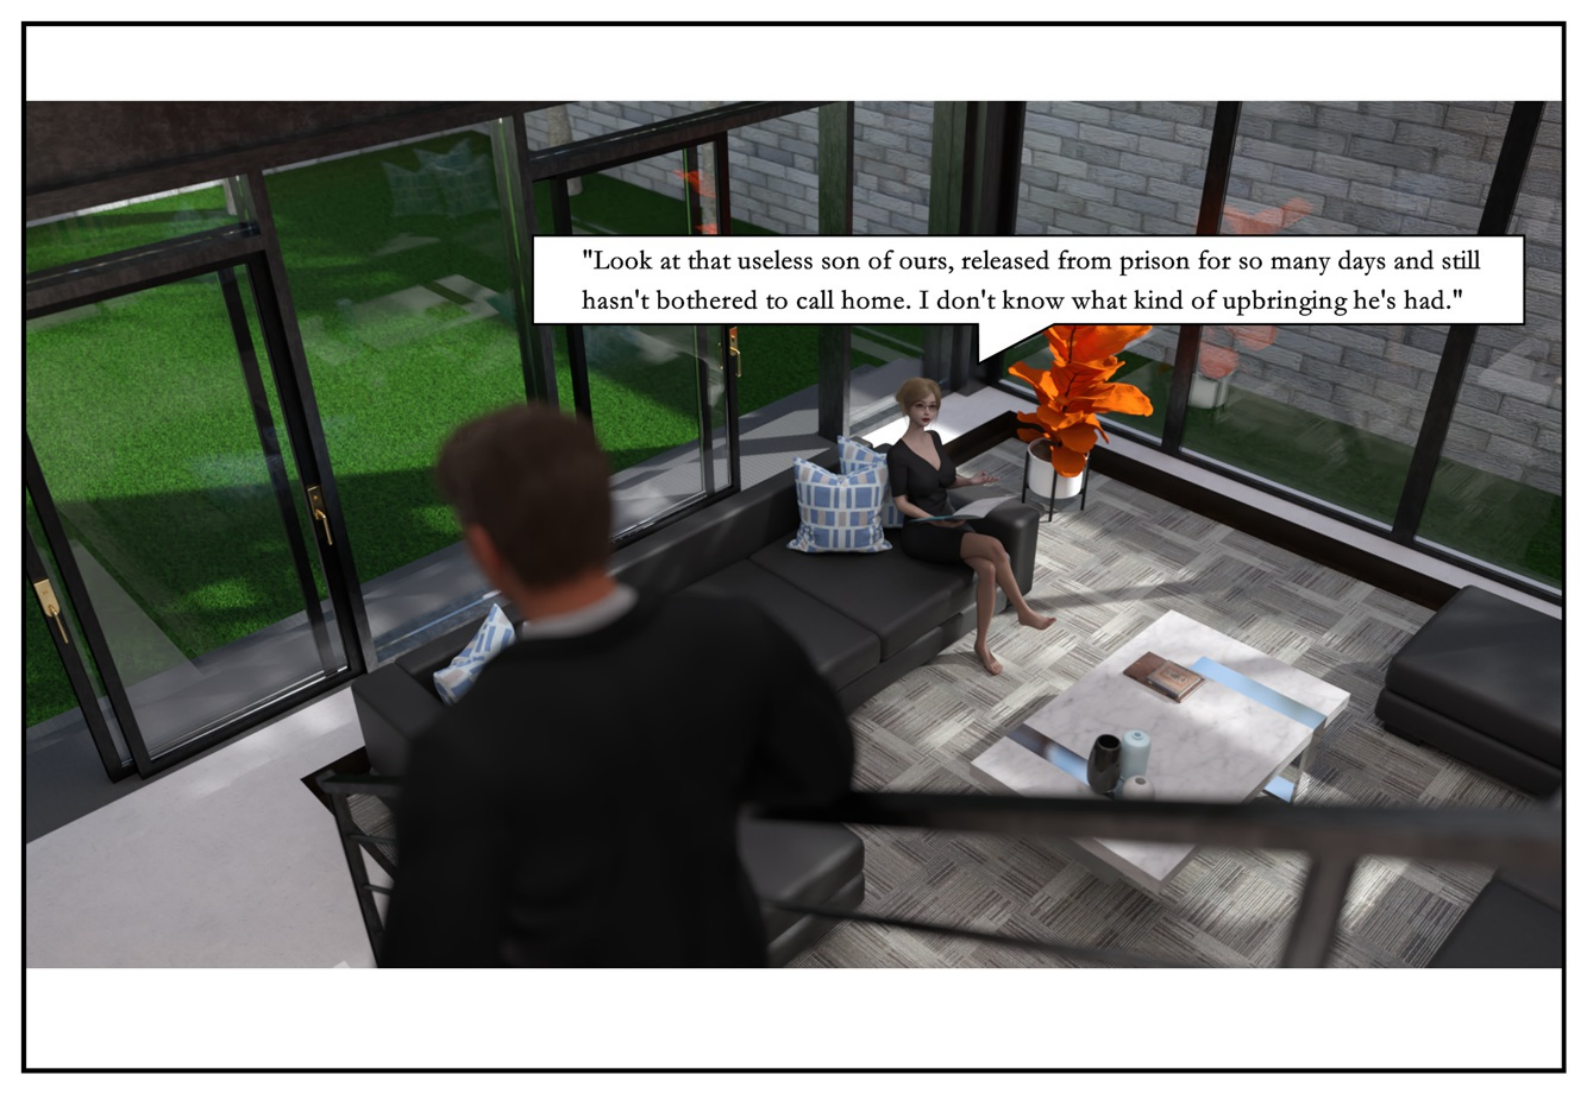

Awake? Are we going out? Any plans for the big weekend?"

I've just heard from Zhong Shu;
I'm heading out to pick him up now."

A 3D-rendered scene of a modern interior. In the foreground, a man with dark hair, wearing a black jacket, is seen from behind, looking towards a woman. The woman is sitting on a black leather sofa, wearing a black dress and glasses, and is holding a book or tablet. She is looking at the man. The room has large floor-to-ceiling windows with black frames, offering a view of a green lawn and a stone wall. A blue and white patterned pillow is on the sofa. A coffee table with a white top and blue base is in front of the sofa, holding a small brown box and two blue vases. A potted plant with orange leaves is next to the sofa. The floor is covered with a grey and white patterned rug. The scene is lit with soft, natural light from the windows.

"Look at that useless son of ours, released from prison for so many days and still hasn't bothered to call home. I don't know what kind of upbringing he's had."

A man in a dark suit and tie stands in a modern interior with wood-paneled walls. He is gesturing with his hands while speaking. A woman with blonde hair in a bun, wearing a black dress, sits on a dark grey sofa, holding a book. The room features a staircase with a metal railing, a large window with a view of a garden, and blue and white patterned cushions.

"Wang Beiru! Do you even have the nerve to say such heartless things? Ever since his mother passed away, I married you. Have you had even the slightest positive influence on his upbringing? Besides spending money and being out and about every day, what kind of stepmother are you supposed to be?"

"So, you're implying that it's all my fault that he's turned out this way?"

A man in a dark suit and tie stands in a modern living room. He is looking slightly to his right with a serious expression. His right hand is near his chest, and his left arm is extended outwards. In the background, a woman in a black dress sits on a dark sofa, looking towards the man. The room features large windows, a staircase with white steps and a black railing, and a low coffee table with decorative items.

"Close enough, I guess."

"Zhong Genxi, what's your deal? You come here just to pick a fight with me? Hold on, and let's talk this out."

"I need to go pick up my son.
I don't have time for this now."

A woman with blonde hair tied in a bun, wearing glasses and a black short-sleeved dress, is sitting on a dark grey couch. She is looking slightly to her right. To her left is a large cushion with a blue, white, and tan geometric pattern. To her right is a potted plant with large, bright orange leaves. The background shows a window with a view of a grey brick wall and some trees. A speech bubble is positioned above the plant.

"Darn it! Both the father and the son are a bunch of jerks."

"The next morning."

"Yeah, yeah, yeah~~ Slept so damn well."

"Sleeping in a rich person's bed is so damn comfortable."

"Wow, guys' bodies are truly amazing. Even after those intense 'workouts' every day for the past few days, he's still so energetic."

"So, before we get started, let's have a few more experiences, after all, there won't be many opportunities in the future."

"Mmm, still so sensitive, huh?"

A 3D rendered woman with blonde hair is lying on a bed with a yellow headboard and striped bedding. She is holding a large, realistic-looking dildo in her hands, positioned near her groin. She is looking down at the object with a slight smile. A speech bubble above her contains text. A window to the right shows a blurred outdoor scene.

Haha~The feeling of masturbation
is really comfortable.

A man in a dark suit and tie stands in a modern dining room, looking down with a stressed expression, his hand to his forehead. In the background, a woman sits at a wooden dining table with plates of food. The room features large windows, a stone wall, and a wooden floor with a large, textured rug.

"This is just ridiculous. Look at him coming back with makeup thicker than mine. I wonder what he's been through in there."

"Can you stop buzzing around like a fly? I already have enough work and things to deal with every day..."

"You spend every day with him, and you're his stepmother. Do n't you think you should communicate and educate him if there's a problem? Stop bothering me with every little thing. I'm off to work."

"Oh? Are you giving me demands
now? Of course, no problem..."

"But I also hope you can tone it down outside and come home earlier every day. After all, we are still legally married. As for that despicable woman, I'll find out who she is sooner or later."

"Also, you better not even think about divorce, or those unsavory things you've been up to will be all over your workplace, and you'll risk getting investigated. Be careful about disciplinary actions."

You, damn it...

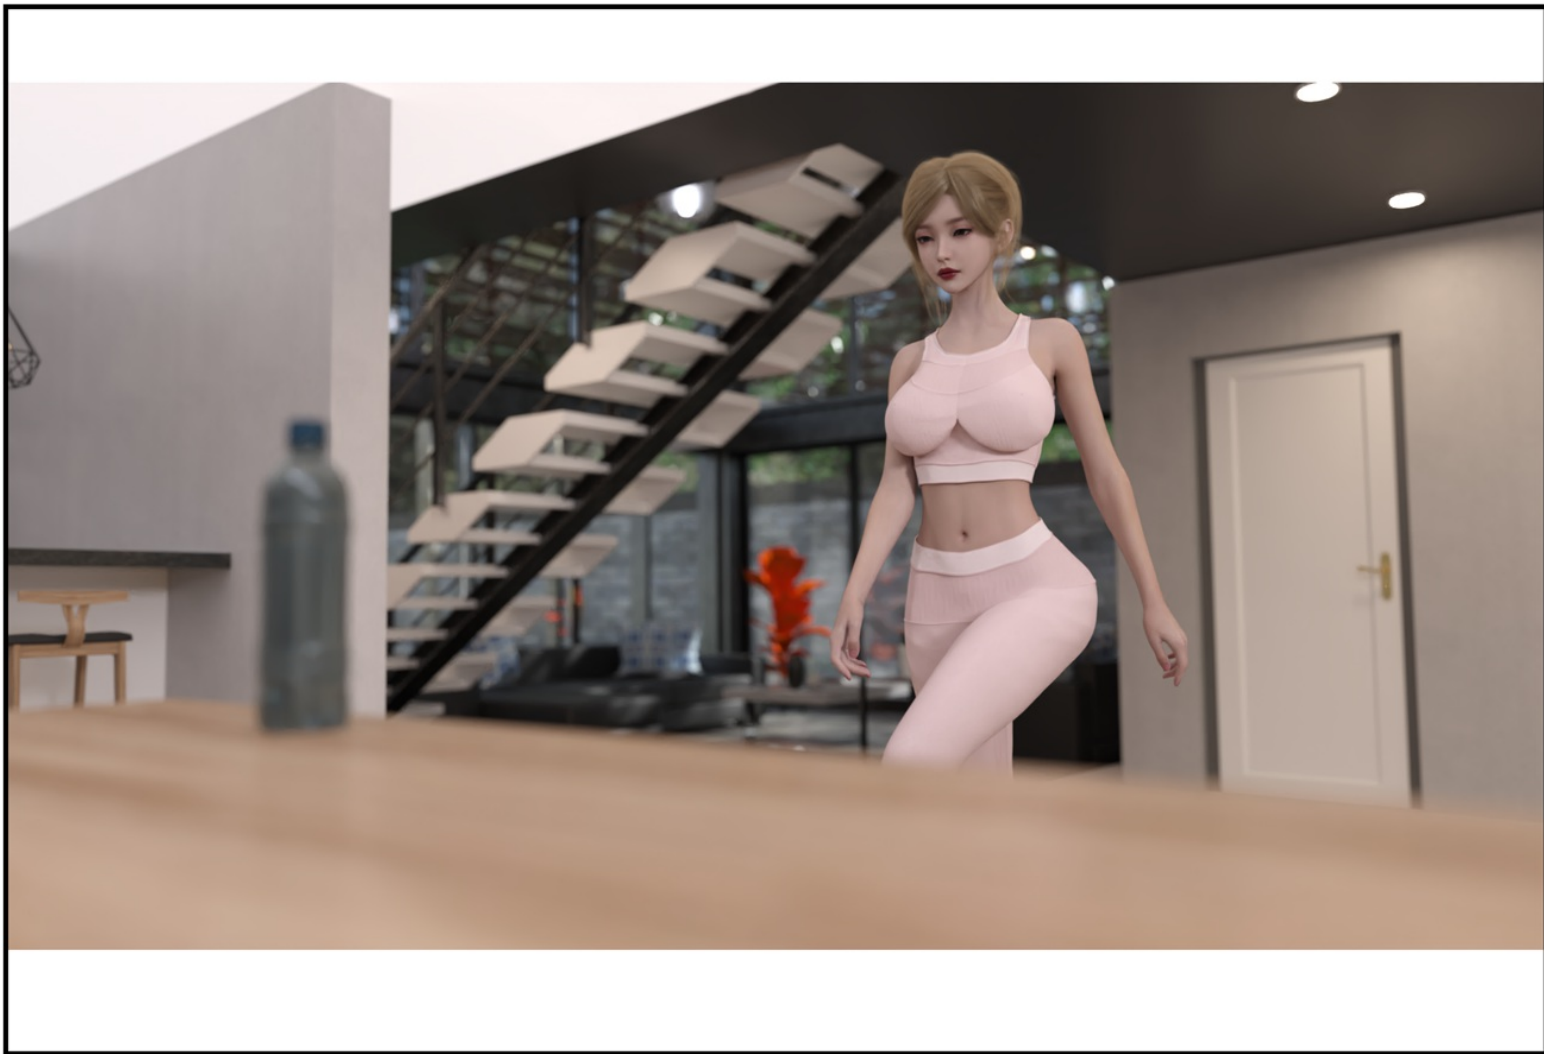

Afternoon.

"Phew."

"This bottle is empty again. I'll have to remember to buy a whole case online in a bit."

"She always has a glass of water after her yoga session and then sits here to rest. I'm not sure if this kind of life is considered routine or just plain boring. But it does make it easier for me. After drinking the water I've tampered with, she should fall asleep pretty quickly, right?"

"So, the effects kicked in this quickly, huh? Hehe, it's time to bid farewell to your life with your mistress.'

"Even though we have no quarrel, and I have no idea who you've offended..."

"But as long as I do what she says, I can have such a beautiful face and a comfortable life like yours, so, well, I don't want to know about anything else."

"Yeah, the knife did turn blue, and then I should just wait a few more minutes for it to pierce the skin."

"Don't worry, you won't die.
It's just shedding a layer of skin."

"Wow, it's working. Even though I don't know the principle behind it, it's so amazing. But it seems like it'll take a few more minutes to take effect."

A woman with short blonde hair and dark eye makeup is holding a glowing blue sword. She is wearing a black short-sleeved top and black pants. The background is a modern interior with a wooden wall, a staircase, and a couch with blue and white patterned pillows.

"Before it takes effect, let's start
by shedding the skin from your own body."

"Phew, back to myself."

Oh, my lower body is still a boy.
It's so hard again

"One last time, let's cum once more."

"Phew, this feeling,
it's truly addictive."

"I can't do it, I'm going to cum in front of mom."

Ah~ I am cum

"Oh, as expected, there's a crack appearing behind."

*
拉

"Following this crack, I should be able to shed a layer of skin like a snake, right?"

"The upper body has completely come out."

"That's amazing! This face is perfect. Once I put it on, I'll no longer be a streetwalker but Wang Beiru, the wife of the Provincial Party Secretary!"

"I can't wait to become you."

"Ugh, ugh, ugh..."

"It's becoming a tight fit now."

"I really need to take good
care of my skin."

"Finally got my part sorted out."

So, the next part
is the most important...

After all, we can't let my
husband lose our son, right?

This intense physical sensation, I believe you'll gradually come to experience it too later on.

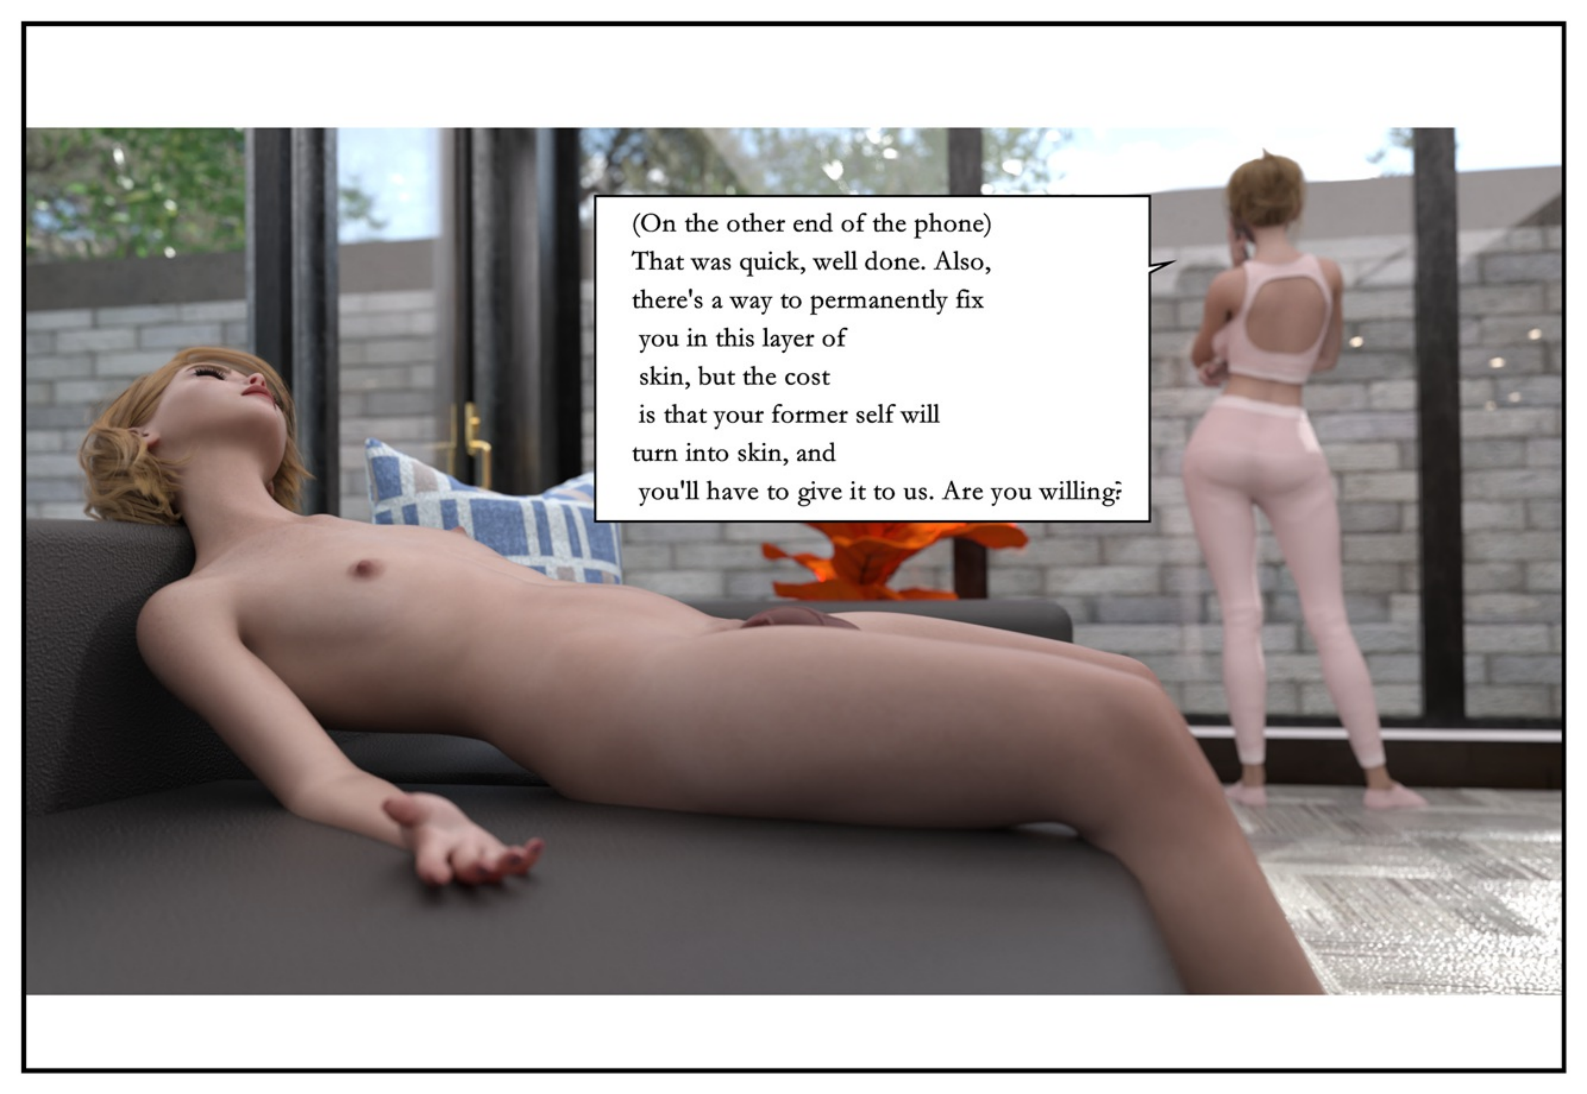

Get ready to bid farewell to
your current body.

A modern living room with a large window. A person is lying on a dark grey sofa, looking up at the ceiling. The room has a patterned rug and blue and white patterned pillows. A person's legs in pink leggings and socks are visible in the foreground on the right. A speech bubble is present in the upper center of the image.

Hey, Zhang Jie, it's all sorted out.
You can come pick up the person now.

A woman with blonde hair is lying on her back on a dark grey couch, looking up at the ceiling. She is unclothed. In the background, another woman with blonde hair is standing by a large window, wearing a pink sports bra and leggings, talking on a phone. The room has a stone wall and a blue and white striped pillow.

(On the other end of the phone)
That was quick, well done. Also,
there's a way to permanently fix
you in this layer of
skin, but the cost
is that your former self will
turn into skin, and
you'll have to give it to us. Are you willing?

Permanently fixed?! Of course,
I'm in! I don't care about my old skin,
what do I need to do?!

(On the other end of the phone)
Great, the process is quite simple, and you can complete
it before we arrive. You just need to...

Hmm~Ah~, the vagina of this body
is also very sensitive.

Oh, my stomach,
why is it bulging?!

Ouch, it hurts! Feels like
something's about to come out!

Phew, it's finally over. This should
do it, right? They should be here soon.

Huh? Where am I?

A woman with long black hair, wearing a black spaghetti-strap dress with a lace side slit and black high-heeled shoes, stands in a dimly lit bar. She is looking towards the camera with a neutral expression. The bar has a curved wooden counter, several high stools, and shelves with bottles in the background. A red curtain is on the left, and a red tufted chair is partially visible. The floor has a patterned tile design.

You're awake now?

My head... hurts. Who... who are you?

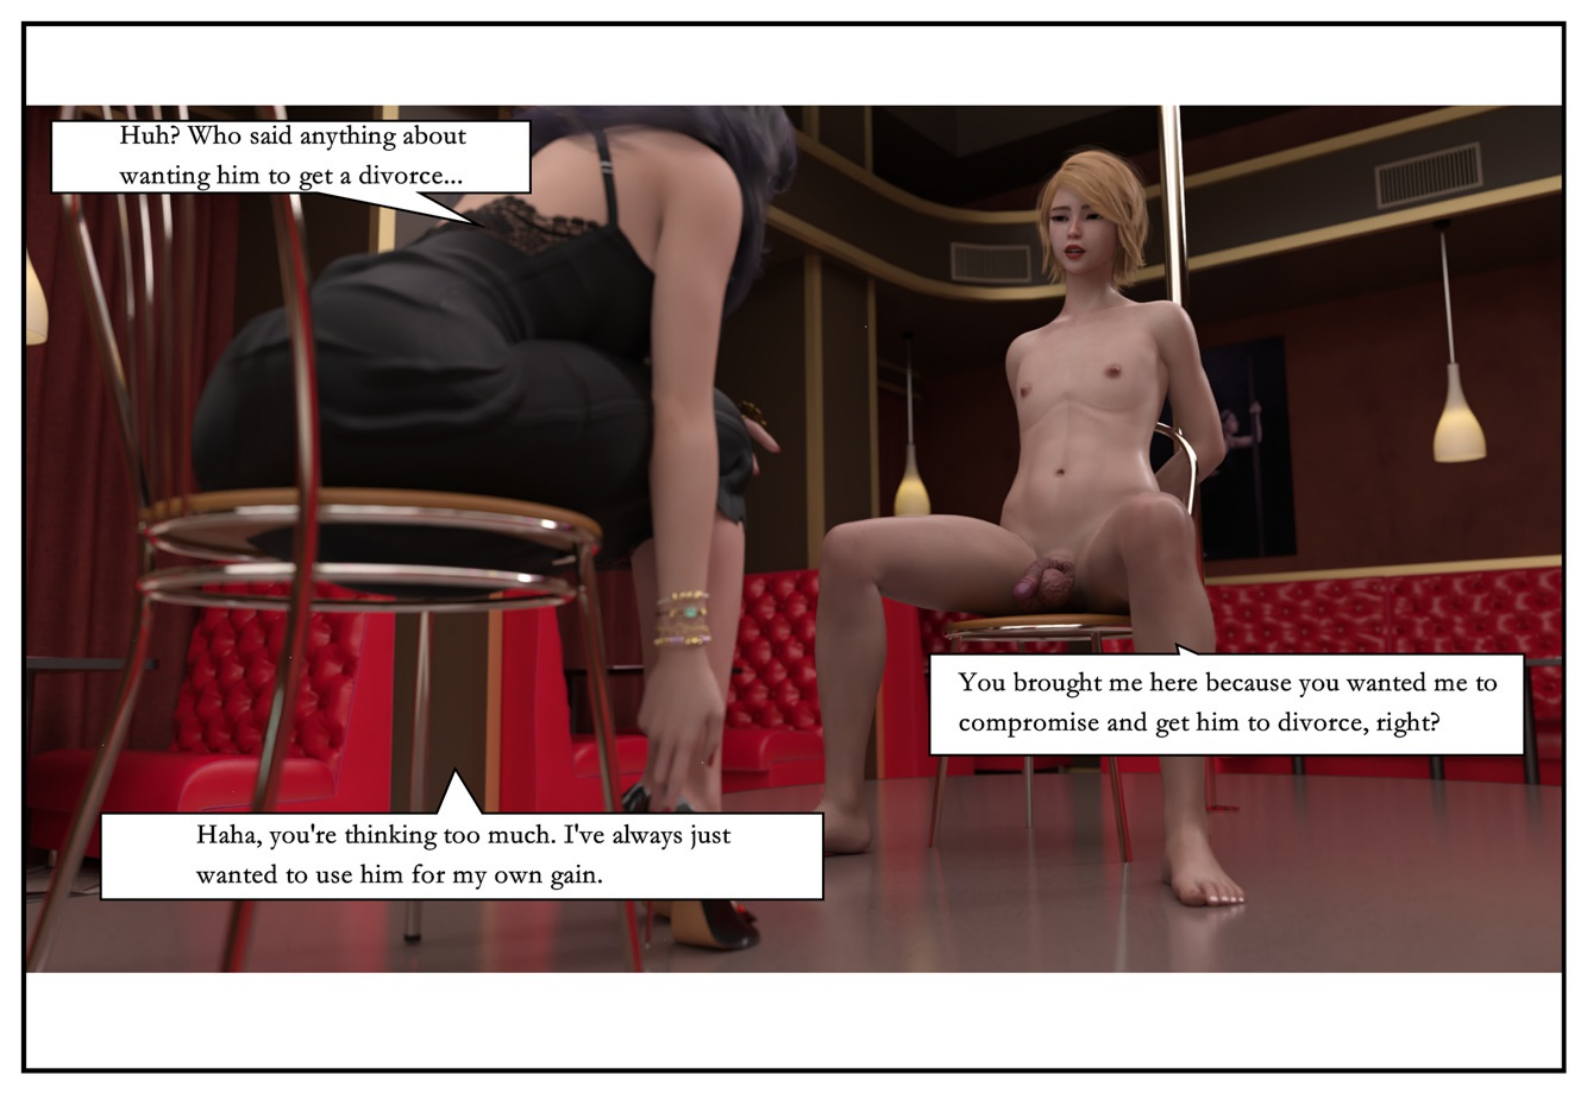

Me? Hehe, weren't you looking for me
all along? I'm Zhong Genxi's lover~

You!... You're that woman! What did
you bring me here for?!

Hmph, let me tell you, even if he
really falls in love with you, he'll never divorce me!
You can forget about it!

Huh? Who said anything about wanting him to get a divorce...

Haha, you're thinking too much. I've always just wanted to use him for my own gain.

You brought me here because you wanted me to compromise and get him to divorce, right?

But even so, you've been too much of a nuisance. I don't like having uncontrollable factors in my plans, so I had to make sure you also became mine.

What do you mean?

I'm really curious, did you lose your temper because you saw me, the other woman, in front of you? Or are you really that slow? Haven't you noticed the changes in your body yet?

Light touch.

Ah! What is this? This can't be! I've
turned into a guy?! What have you done to me?

I told you, didn't I? You were too much of a bother,
so I found someone obedient to take your place.
As for the real you, I thought for a long time and
decided to make you his son. By the way, let me tell
you, I had someone looking after this kid while he was in prison

You turned me into that useless guy?
How could you! No!!! No!!!
Please, don't do
this, I beg you,
change me back, please.

That's not going to happen, at least not now. Unless
you perform as a crossdresser here and earn enough
money, I might consider changing you back.

Me? As a sissy?

Hmm~ It's quite simple, just dance,
have a drink with the customers. You were originally a woman, so even
in your son's male appearance now, it should be easy to be a sissy, right

Ah, no, please stop!
What... what is this feeling?!

I think your penis is also quite excited. I'll tell you quietly that your son's anus is even more sensitive than his penis. I'll take you to experience it.

You obediently raised your butt, didn't you?

It seems that you have really enjoyed your useless son's body

I-I'm not enjoying it at all. Please, I beg you, change me back quickly.

What if I rub your testicles like this?
Do you still want to change back?

The buttocks are also opening
and closing one by one.

What are you looking forward to?

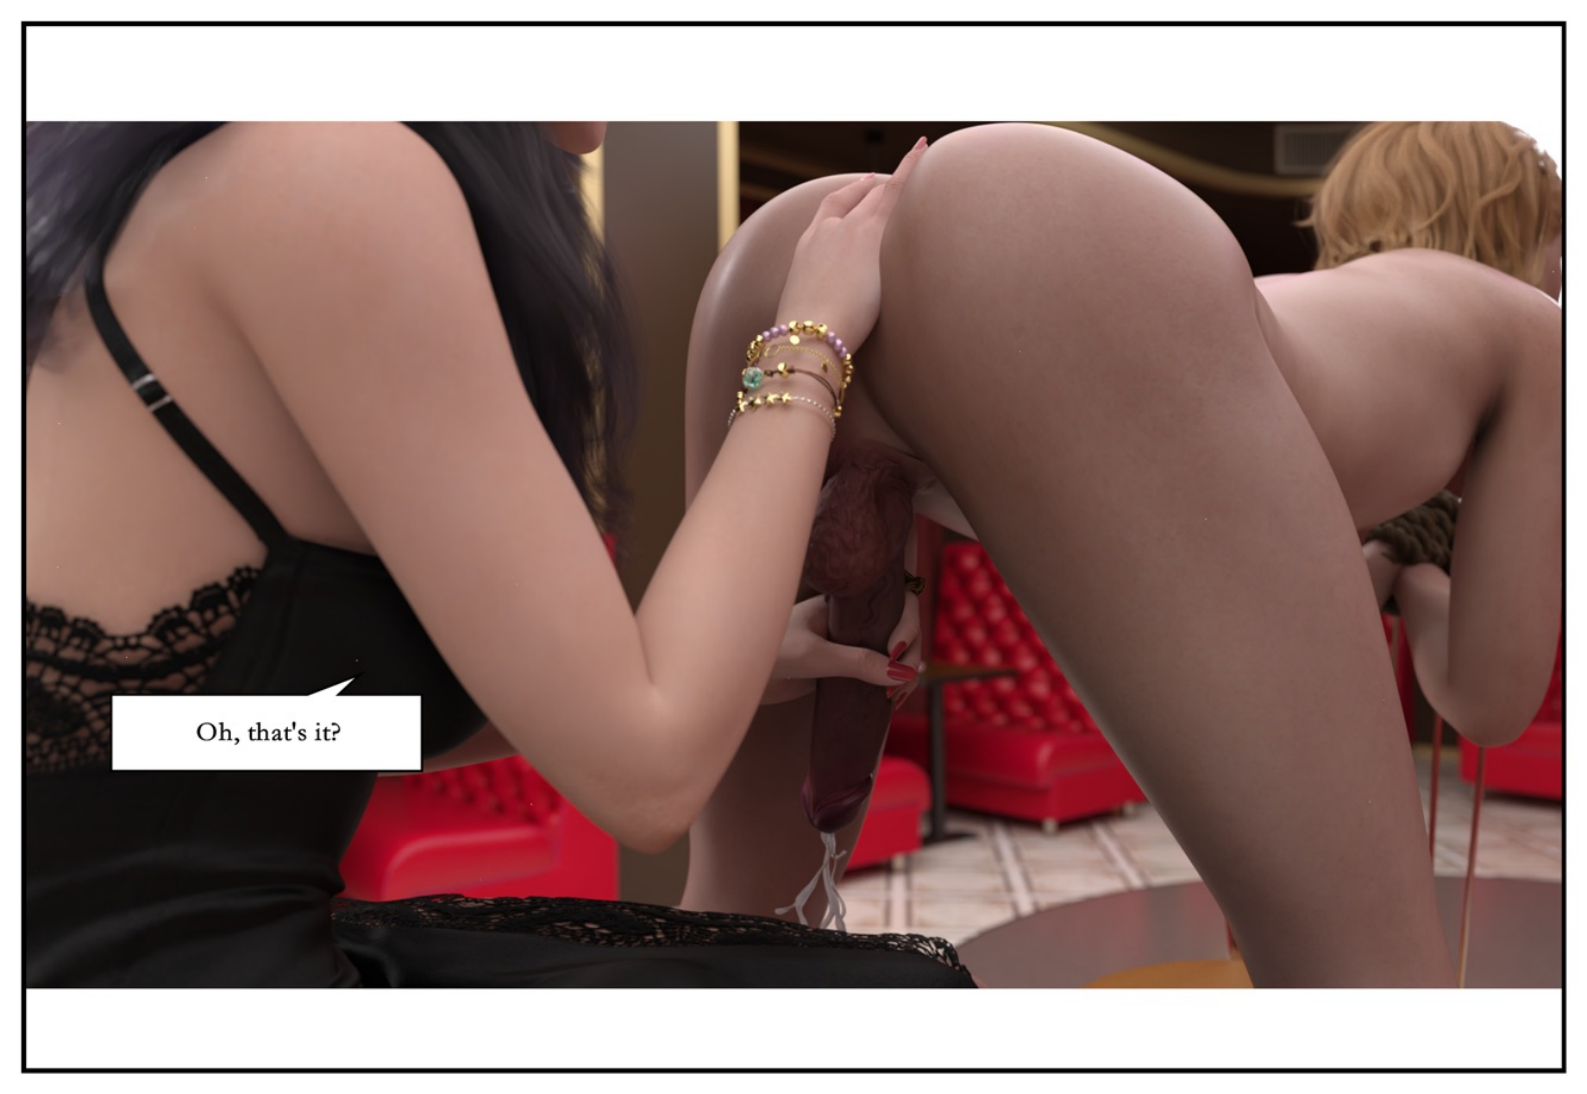

Do you want Mom to do it like this?

Ah, why is my asshole so comfortable

Because boys' assholes and girls' It's different.

A woman with long dark hair, wearing a black lace-trimmed dress, is shown from the back. She is applying a red, bullet-shaped vibrator to the buttocks of a person with blonde hair who is sitting in a red tufted chair. The woman has several gold and purple beaded bracelets on her right wrist. The scene is set in a room with other red chairs visible in the background.

Oh, that's it?

I just went to gear up for a bit, how did he just cum? After all, this is my turf, couldn't you waited for me a bit?

Hey Zhang, you finally made it! We were waiting for you to serve the main course to her. Why did it take you so long?

I was just trying to pick out the right size for her, you know. The regular ones probably wouldn't do the trick

Come on, handsome, come over to Auntie and see if you like the big horses dick Auntie picked out for you.

Hurry up! If you want to change back, you better listen to this lady here. She's the boss around here, you know.

I really like someone like you. For now, just stick around and help me make some money, okay? I'll train you to be the top performer here.

Today, let's first let you experience the pleasure of your asshole.

Seems like I picked one that's
a bit too tight, it's a snug fit.

Oh, oh, oh, it's unbearable,
it hurts so much.

I was really unconsciously influenced by a
woman's body a lot
Well, just watching the boy get caught
in front of him
The body unexpectedly
became excited.

You're excited to see my
seductive vagina, right

I really want to get in there.

Not today, but if you perform well, there will be rewards in the future.。

Today, just enjoy watching me
perform, okay? ♡ Oh yeah! ♡

Afterward, she's all yours. Make sure to have a good time with her as soon as possible.

No problem, hand her over to me.

By the way, I've done you such a big favor, shouldn't you release the person for me now?

Don't worry, that troublesome woman is out of the picture. I can focus on advancing my career online soon. When the time comes, I'll let you and your daughter..

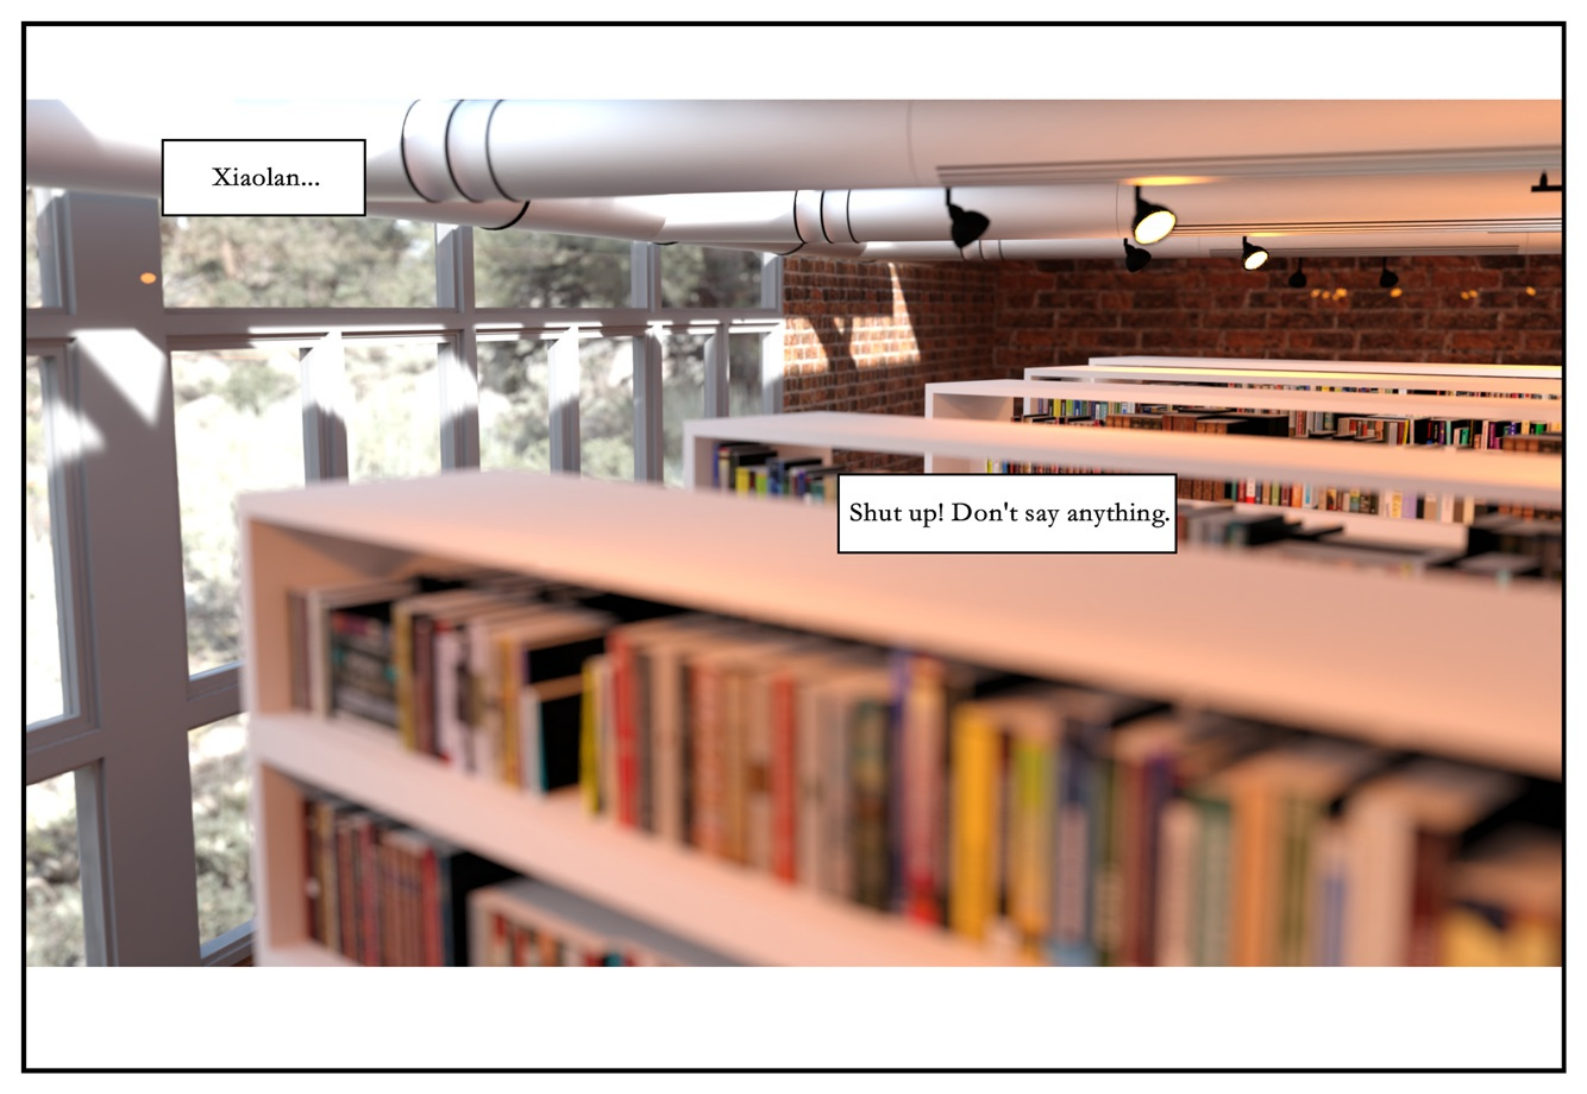

Oops, my bad! I meant the husband
and wife will reunite.

It's a good thing you remember! Do you know how
excited a middle-aged woman like me gets every
day?

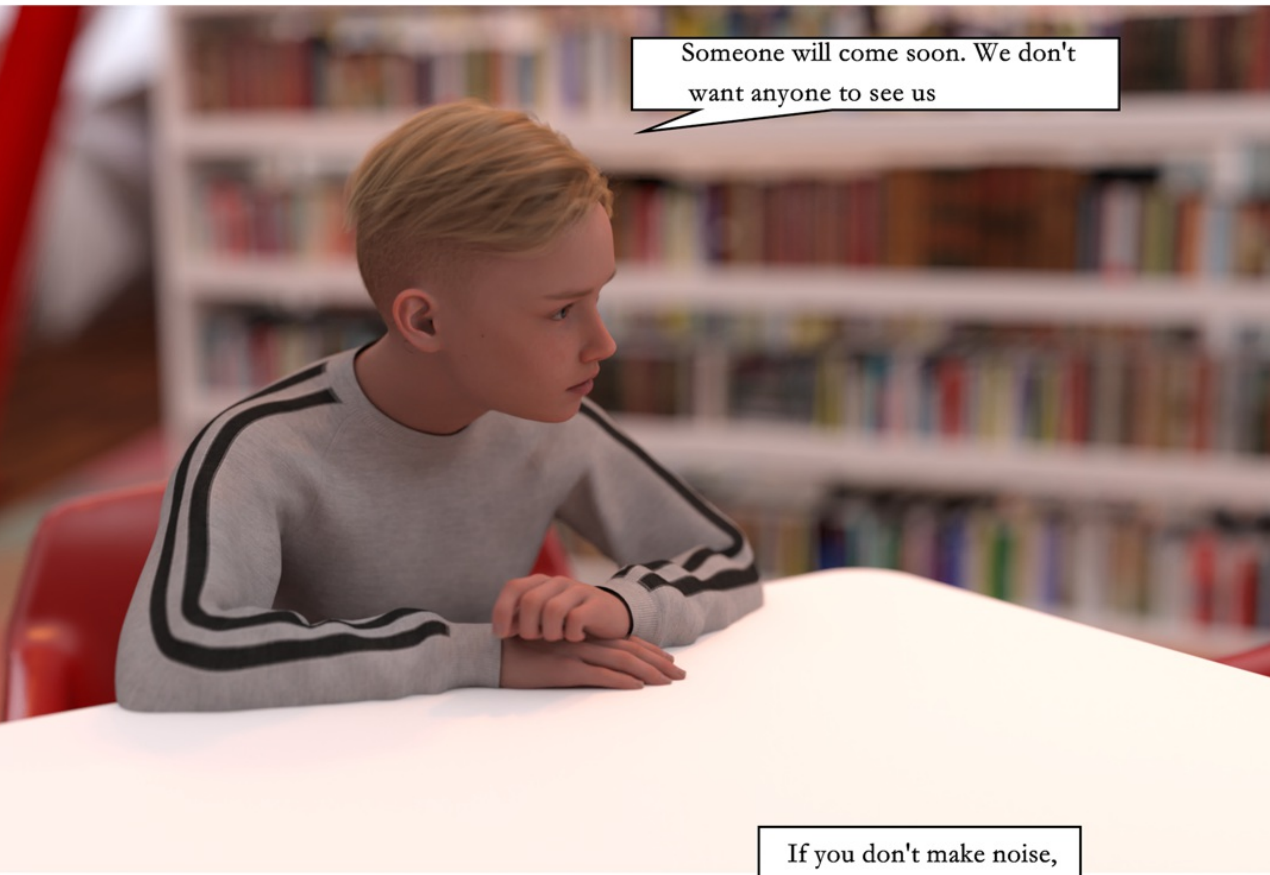

Alright, alright, I see what you're getting at. I've brought you a toy, after all. You can use her as a substitute until your husband comes out.

A modern library interior featuring white bookshelves filled with books. A large window on the left provides a view of greenery outside. A brick wall is visible in the background, and a white cylindrical pipe runs horizontally across the upper part of the frame. Track lighting is mounted on the ceiling.

Xiaolan...

Shut up! Don't say anything.

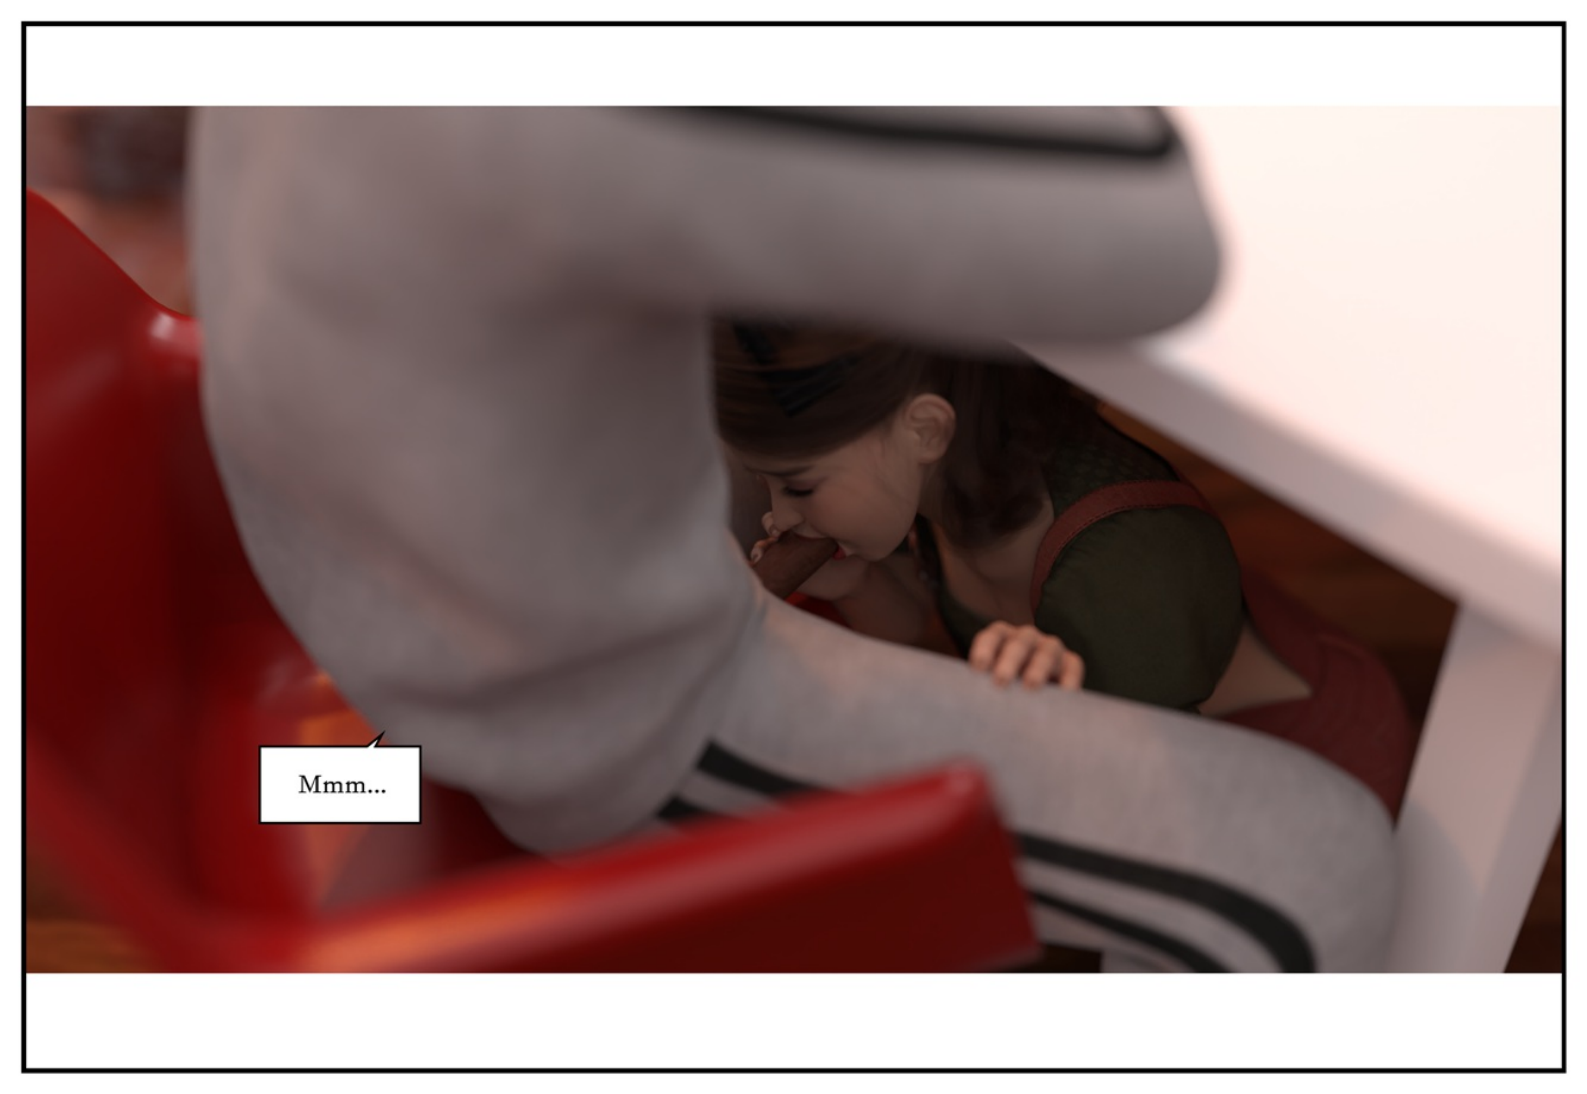

Someone will come soon. We don't
want anyone to see us

If you don't make noise,
no one will notice!

Ah, Xiaolan, your
lips feel so good.

Mmm...

Even afraid of playing at this level with me, and you
still dare to say you like me? Huh?

Seriously, ever since I turned into a girl, I'm surrounded by these little brats.
If I hadn't found a good toy yet, I wouldn't be playing with a little brat like you!

please stop scolding. i am going to cum !

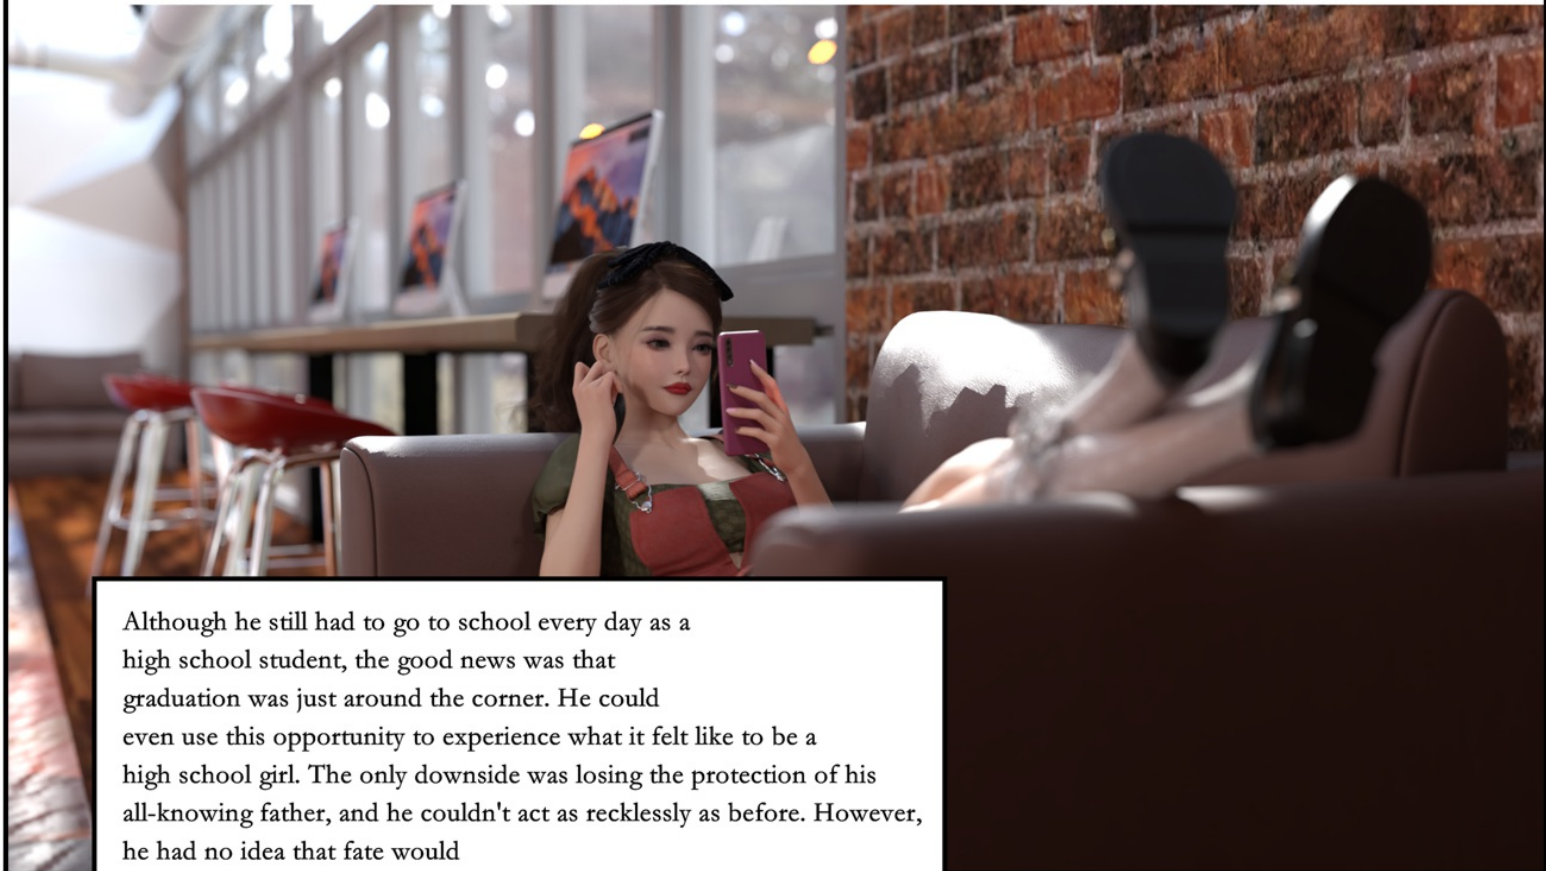

You're really useless.

I'm sorry, Xiaolan. I'll go get some tissue for you right away.

After donning Li Lan's identity, Zhong Shu quickly fell in love with his new persona. As he gradually regained his memories, he not only understood the entire process of what had happened but also perfected his transformation into Li Lan.

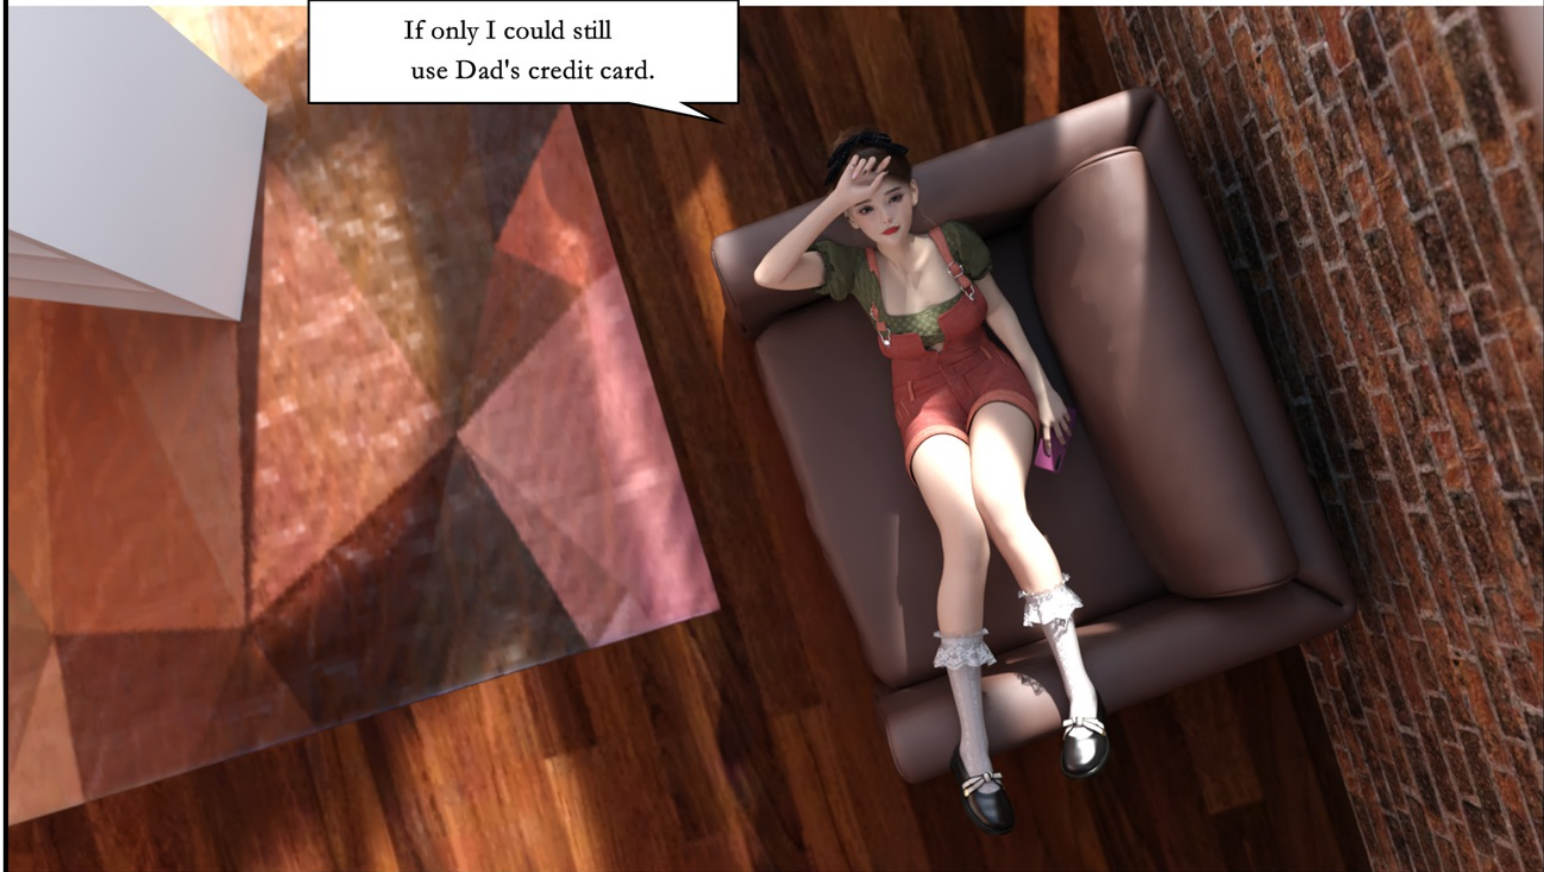

Although he still had to go to school every day as a high school student, the good news was that graduation was just around the corner. He could even use this opportunity to experience what it felt like to be a high school girl. The only downside was losing the protection of his all-knowing father, and he couldn't act as recklessly as before. However, he had no idea that fate would reunite him with Zhong Genxi in a different way.

Wow, this bag looks so nice! But, it's 80,000 yuan.
There's no way my mom will buy it for me...

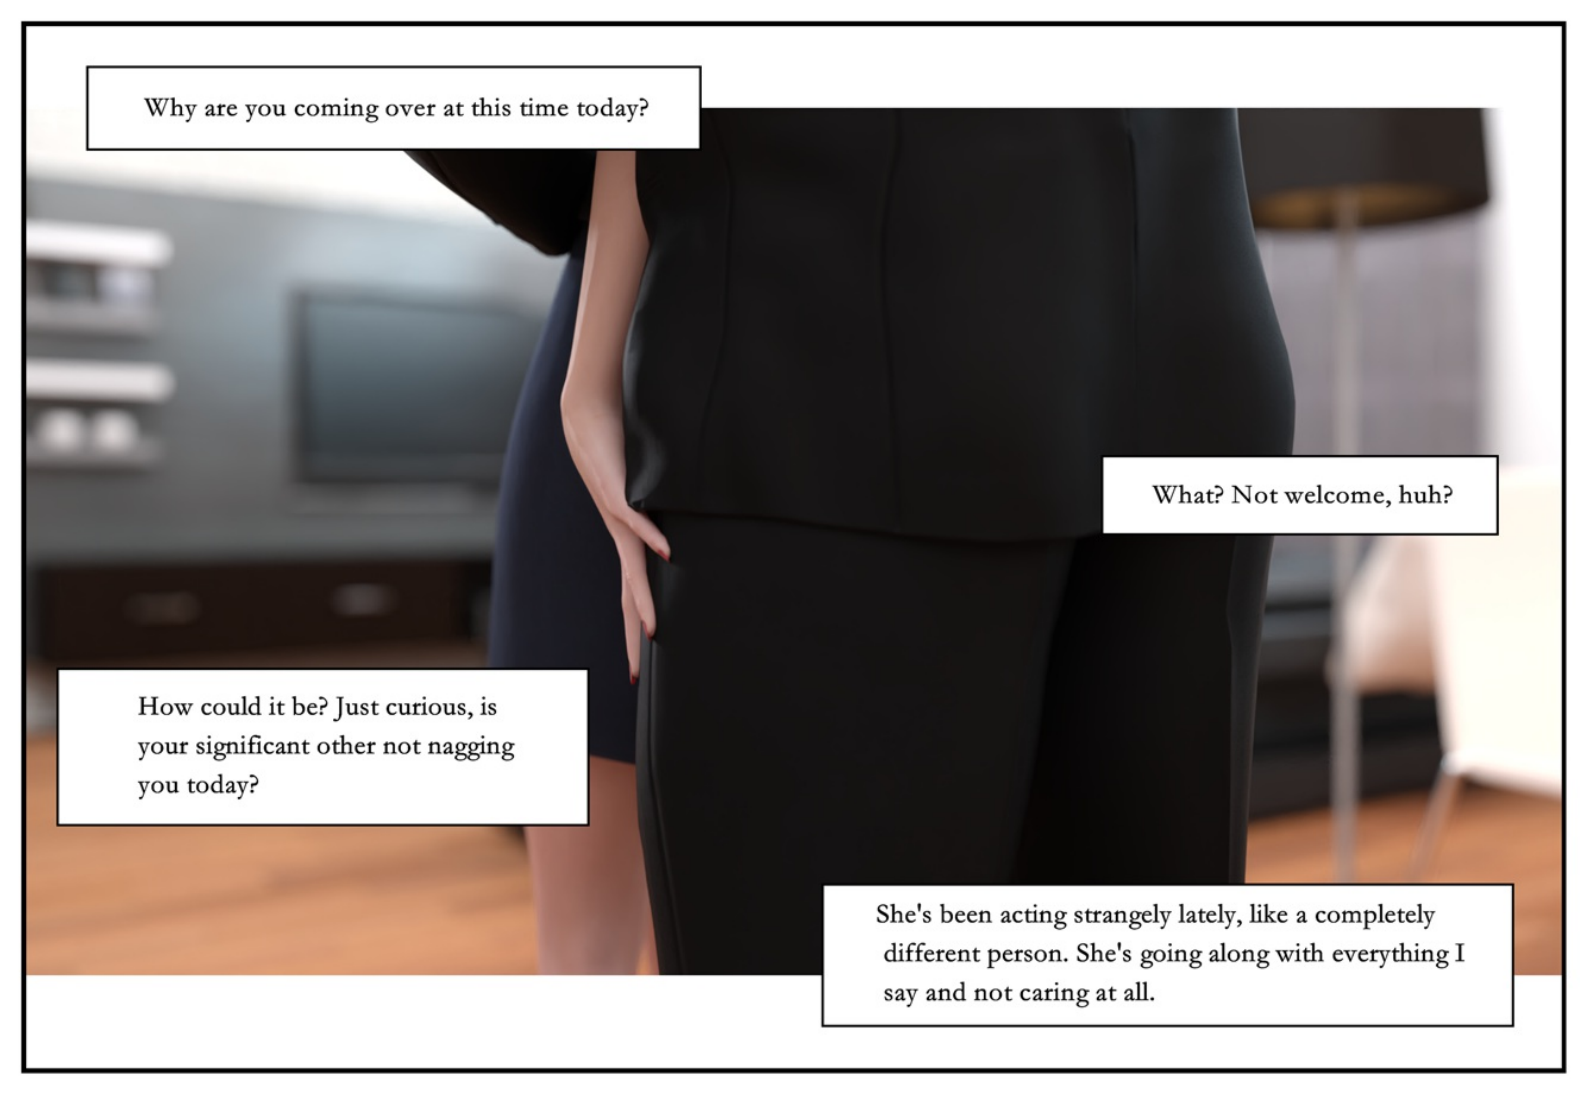

If only I could still
use Dad's credit card.

Oh, take it easy!

A woman in a black dress is standing in a modern living room. The room has a large television on the wall, a lamp, and a chair. The woman is looking towards the camera.

Why are you coming over at this time today?

What? Not welcome, huh?

How could it be? Just curious, is your significant other not nagging you today?

She's been acting strangely lately, like a completely different person. She's going along with everything I say and not caring at all.

Is that so? Isn't that a good thing then?

Why did you cut your hair?

Short hair makes you look more energetic, doesn't it? Don't you like it?

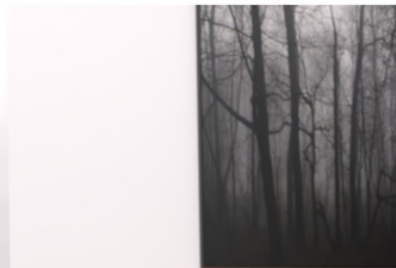

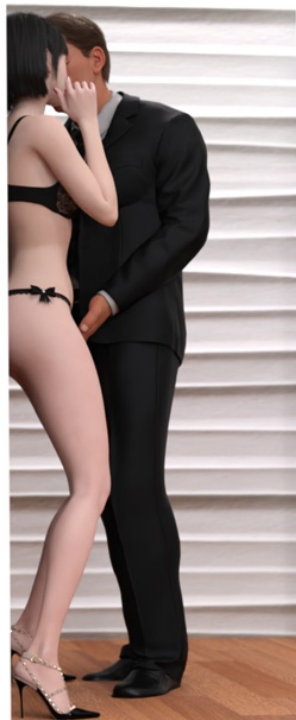

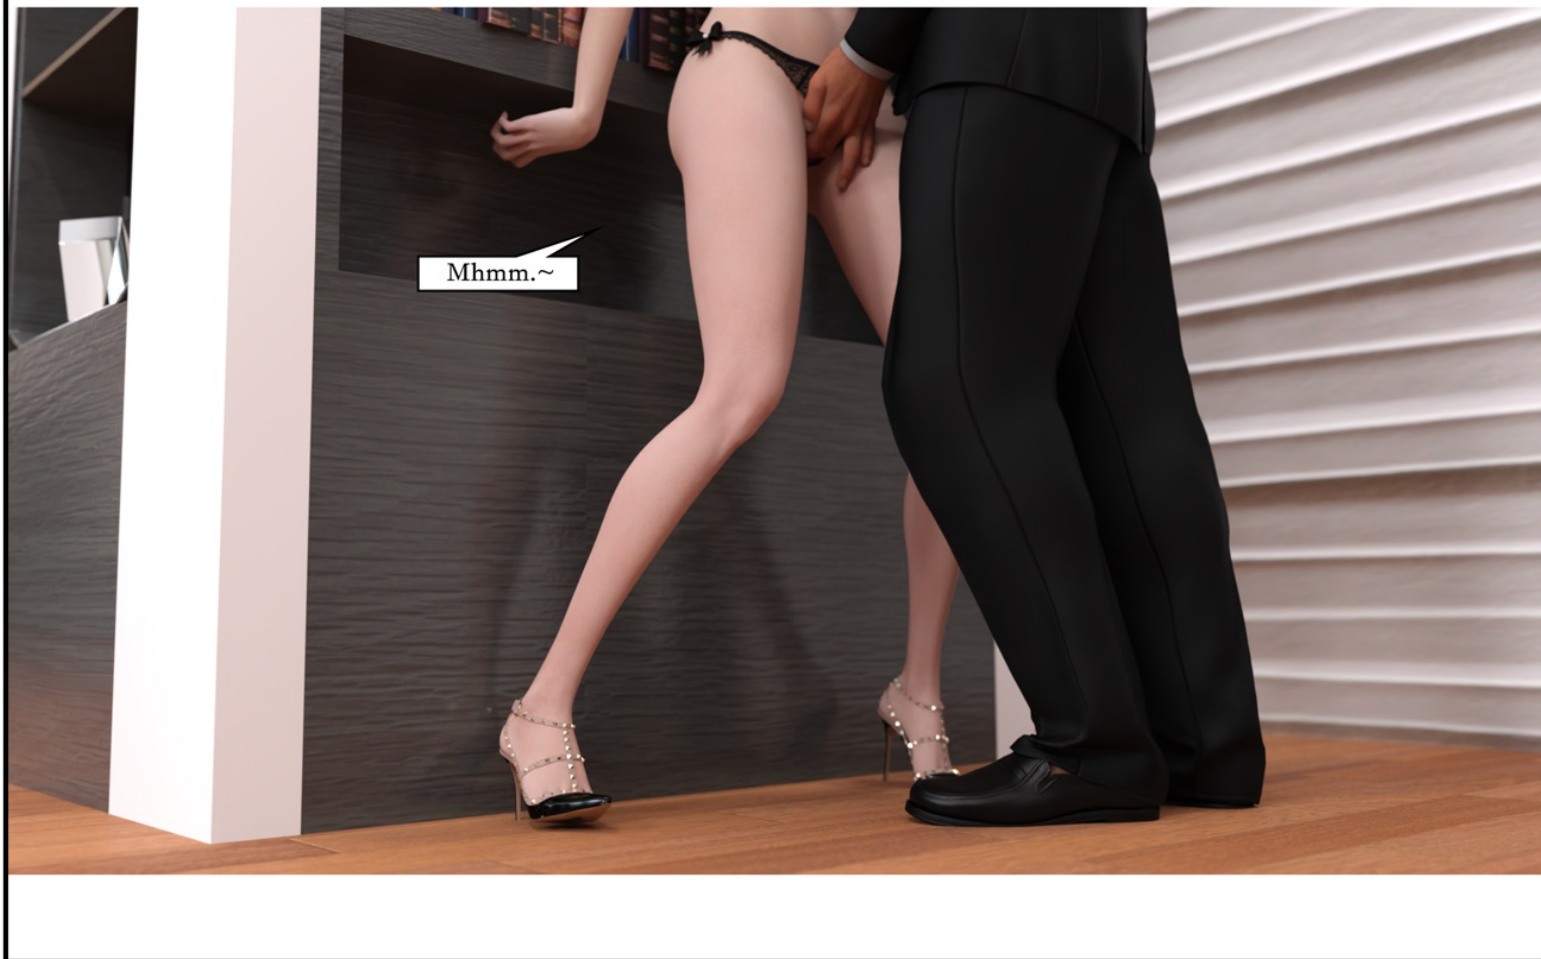

Really? I love it too.

Oh !

Hmm

Mom, your good girl is back!

Pause for a moment, my daughter's back.

I'm just going to greet my child

It's pretty late,, I'll order some takeout for myself.

Wow, where did you come from?
You startled me...

Ahem, hello there, young lady. Uncle
here is a friend of your mom's.

A woman with brown hair tied in a ponytail with a black bow, wearing a red jumpsuit over a green short-sleeved top, stands in a modern kitchen. She has her hand near her face in a surprised expression. The kitchen features white cabinetry, a stone backsplash, and a dining table with white chairs in the foreground. A yellow shopping bag is visible on a chair. A speech bubble is positioned above her head.

Oh, Dad! What are you doing here?

Dad...? Oh, haha, your mom and I haven't reached that stage yet.

Uncle here didn't come prepared with any gifts for our first meeting, so how about I send you a red envelope instead? (This girl is a bit jumpy, just like her mom said, but she sure is adorable.)

What? Wasn't this project already agreed upon a while ago? How can the progress be this slow!?

Why did you lure him into the house like that? You scared me!

Mom needed his help for some work, and besides, I helped you and your dad reunite, so you should thank me.

But what about his wife, Wang Beiru? How are you going to deal with her? She really is annoying every day.

A scene from a video game or anime showing two women sitting at a dark wooden table in a modern, brightly lit interior. The woman on the left has long, wavy brown hair and is wearing a green short-sleeved top with a red strap over her shoulder. She is looking towards the woman on the right. The woman on the right has short black hair and is wearing a blue and gold patterned dress. She is resting her chin on her hand and looking back at the first woman. In the background, a blurred figure of a man in a suit is visible. Three speech bubbles are present: one from the woman on the right at the top, one from the woman on the left on the middle left, and one at the bottom right.

As for her, hmm, of course, I took care of her first. If you're curious, Mom will give you an address where you can go and meet her. By the way, there's someone there who definitely wants to see you too.

Oh, who is it?

You'll find out when you go there.

What are you two whispering
about over here?

Darling, you finished your call. Look, this child just came back and is already telling me she wants to go to a classmate's house to play, not listening to her mom at all

What's the big deal? Then just let her go play. Here, Uncle will give you an extra 5,000 yuan as pocket money, and you can treat your classmates to dinner tonight, whatever you like to eat.

A scene from a 3D animated game or movie. Two young women are seated at a dark wooden table in a modern, brightly lit room. The woman on the left has short black hair and is wearing a blue and white patterned dress with a ruffled back. She is looking towards the woman on the right. The woman on the right has long brown hair with a black bow, is wearing a red and green jumpsuit, and has her hands clasped together. She is looking off to the side. A speech bubble from the woman on the right says "Thank you, Uncle~". A speech bubble from the woman on the left says "Oh my, don't spoil her like that.".

Thank you, Uncle~

Oh my, don't spoil her like that.

A 3D-rendered scene set in a modern interior. In the background, a woman with brown hair in a ponytail, wearing a green long-sleeved top and red overalls, stands on a wooden floor. She is waving her right hand and looking towards the right. To her left, on the wall, is a large abstract painting with black splatters on a white background. In the foreground, the lower legs and feet of two people are visible, walking from left to right. One person is wearing black trousers and black shoes, while the other is barefoot. The floor is made of light-colored wood planks. The scene is lit with soft, indoor lighting.

Goodbye, Uncle
and Mom. I'm off~

Be safe tonight, Xiaolan.

A man with short brown hair, wearing a dark suit, white shirt, and striped tie, is looking off to the side with a serious expression. A woman with short black hair, wearing a blue and white patterned dress, is leaning her head against his chest and looking at him with a slight smile. The background is a blurred living room with a lamp and a window.

Such an adorable young girl.

You already have me, so don't even think about hitting on my daughter, or I'll get jealous.

A man with short brown hair, wearing a dark suit, white shirt, and dark tie, is embracing a woman from behind. The woman has short black hair and is wearing a light-colored, backless dress with thin straps and a blue and white striped pattern on the lower half. They are in an indoor setting with a white wall and several framed pictures in the background. To the left, there is a window with horizontal blinds. The scene is framed by a black border.

How can someone be jealous
of their own daughter?

Well, that's because she loves you, isn't it?

How about we continue with what we were doing earlier? I've been waiting for it since we started.

it's so wet.

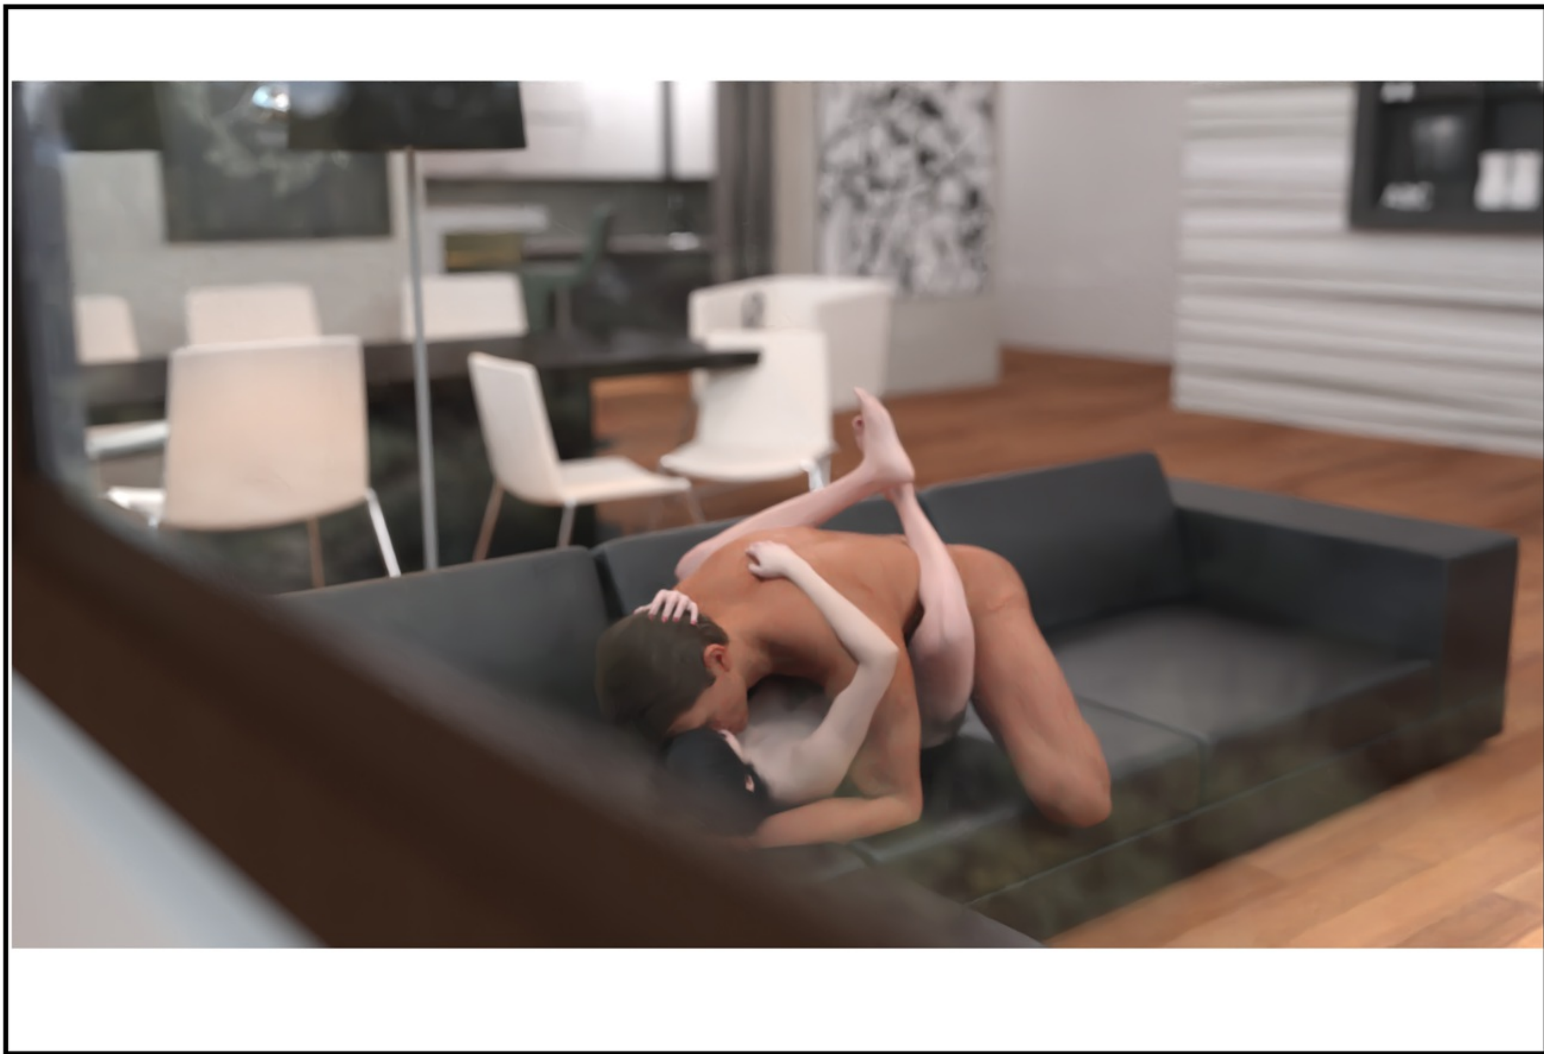

Ah, ♥ How can I deceive you anymore?

A 3D-rendered scene depicting a muscular man and a woman on a black leather couch. The man is leaning over the woman, who is lying on her back. He is shirtless and has a very muscular build. The woman is also unclothed and has long black hair. She is looking up at him with an open mouth, suggesting surprise or pleasure. The background shows a modern interior with a wooden floor and a white chair.

Alright, I'll satisfy your desires.

♥ Ahhhhhh! ♥

Oh, what kind of bar is this? It doesn't look very formal.

And there's no one here. How could
Wang Beiru be here?

Young lady, our bar hasn't opened yet.

I'm sorry, ma'am.

I didn't notice there was anyone here.

"Oh? Wait a sec, I remember you are..."

"Oh~ You know who I am, seems
like when I shed my skin, all my past memories
were kept."

A woman with long blonde hair is sitting on a red tufted sofa. She is wearing a red dress and white lace socks. Her legs are crossed at the ankles. She is sitting next to a black table. Another person's legs, wearing black high-heeled sandals, are visible under the table. The floor is covered with a patterned rug.

"I can't believe you'd willingly give up such a young and cute identity, only to choose this old and unattractive auntie look?"

"I didn't have a choice. The real Li Ruyun has permanently swapped bodies with Zheng Qiang and is now locked up in prison. If I want her to get out sooner, I have to cooperate with the current Li Ruyun, who is actually Zheng Qiang."

"Being a kid is so restrictive, always
being bossed around by adults. Look at me now,
so free. And sure,
my body might be old now, but...
My pleasure is extremely strong

Gee, that's really disgusting. let's leave your body
for middle-aged men to enjoy.

"Hahaha, just kidding."

"But after all, you're the past me. I still have a lot of affection for you."

"Ah. So what's your point?"

"How about this? You consider me your godmother. If you ever need some pocket money or just feel bored, come over anytime. I'll treat you as if you're my own. It'll be a way for me to cherish memories."

"Eh, is that even possible?"

How about that suggestion of mine?

Yeah, that sounds good. You'd probably be happy to connect with your former self.

You're such a well-behaved and lovely girl. In that case, your stepmom will give you another gift.

Oh, what kind of gift?

You've been here for a while and I haven't even offered you a drink yet. Zhong Shu, get the young lady a cup of milk tea

Zhong Shu? Isn't that...

Could it be...?

You didn't guess wrong, and you didn't forget who you originally came to see. Your former skin has been worn by the woman you despise the most.

And in my training, she's become more like a slutty sissy than you, hahaha.

Wang Beiru?!

I'm definitely not Wang Beiru, young lady. I'm Zhong Shu, the naughty sissy maid from the bar.

How about that, trained her well, didn't I? She's fully embraced her new identity. Gets excited just seeing a girl's... you know what. I bet her mind's almost gone haywire from all this.

Alright, come on down and meet your new owner.
From now on, you're her pet, so be a good boy and
listen to your owner, okay?

The image is a 3D-rendered scene. In the center, two women are seated in a large, red, tufted leather chair. The woman on the left has long brown hair with a black bow, wears a green top and red overalls, and holds a white coffee cup. The woman on the right has short, wavy blue hair, wears a silver sequined top, and holds a lit cigarette. To the left, a large, dark, metallic robotic arm with a white cuff is reaching towards the women. In the foreground, a wooden table holds a pink book with 'CHERRY' written on it and a glass of red wine. The background is a simple room with brown walls.

es, Master, woof woof.

Such an adorable little puppy you are. Looks like we'll have some fun in the future. Thank you, stepmom.

I'll be good to you from now on,

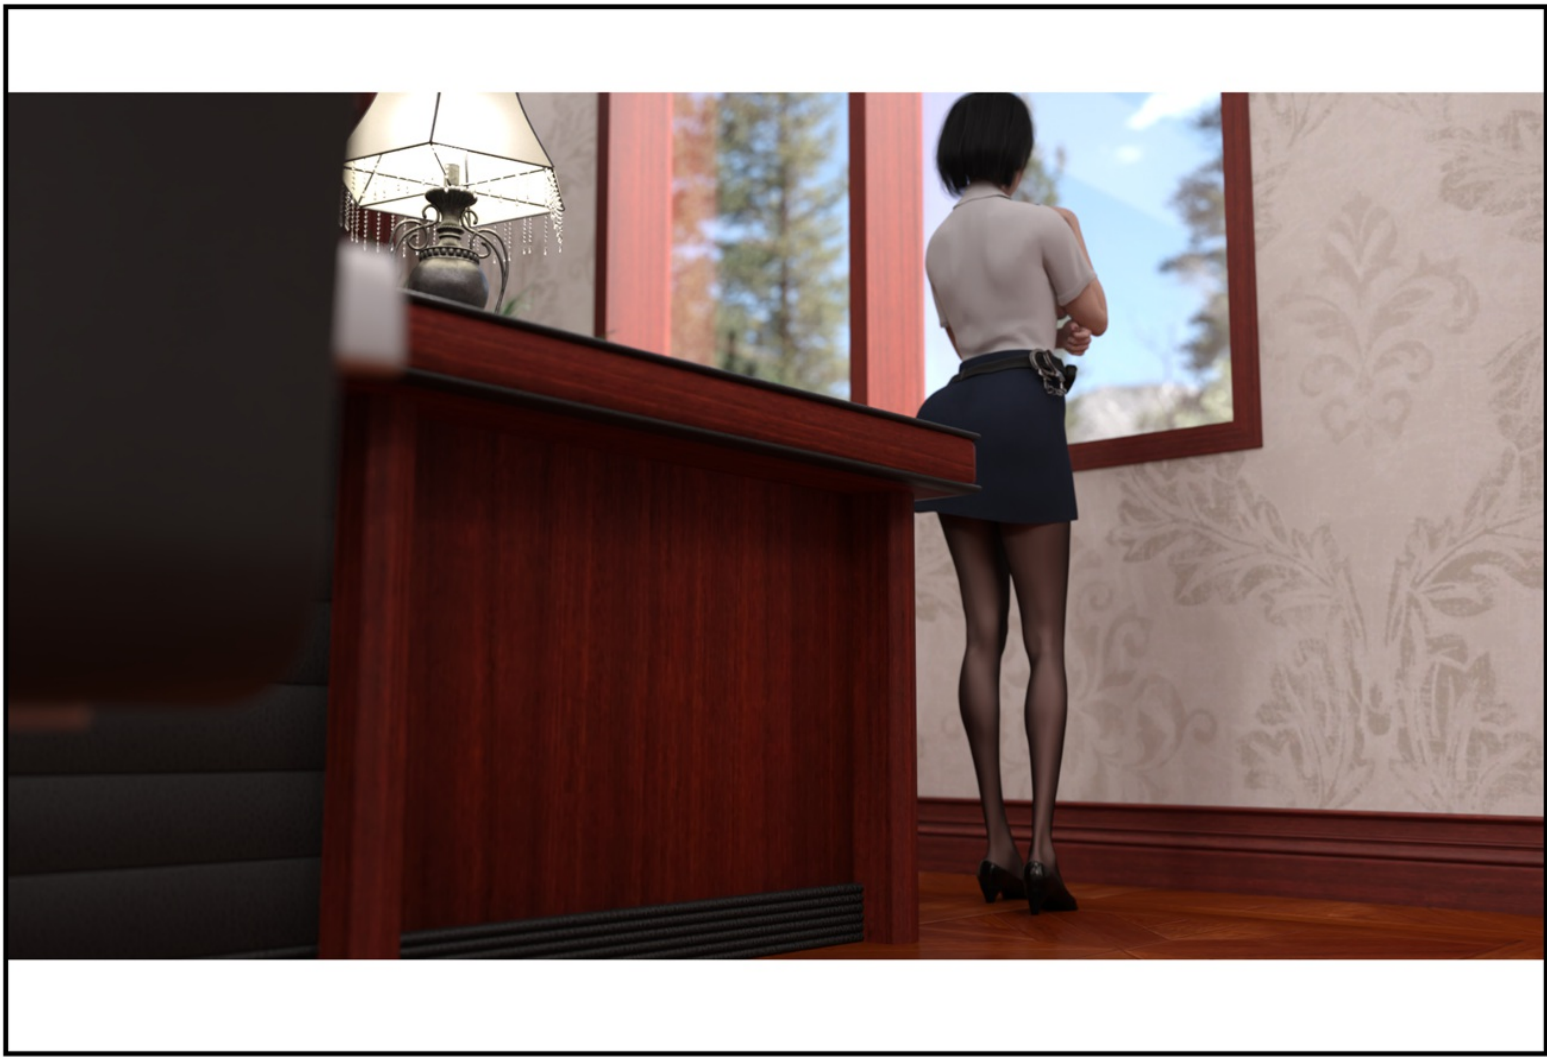

Woof~

Let's shake hands~

Good boy~

Report, Director, the person has been released as per your instructions.

Very good, Xiao Liu. You've done well. By the way, you're already the squad leader, aren't you?

Yes, I am.

But if you want further promotions in the future, you'll need to demonstrate some outstanding performance. Otherwise, even I will find it difficult to help you.

全听李局长安排。

How about this: I have an undercover mission for you. Go undercover for three years, then return to the team, and that's when I can continue promoting you.

Three years... Director,
what kind of mission is it?

Disguise yourself as a prostitute and help me monitor the city's largest brothel. I don't think you'll refuse, will you?

Finally, freedom...

He actually kept his promise and released me. I just didn't expect to have the authority to do such things so soon

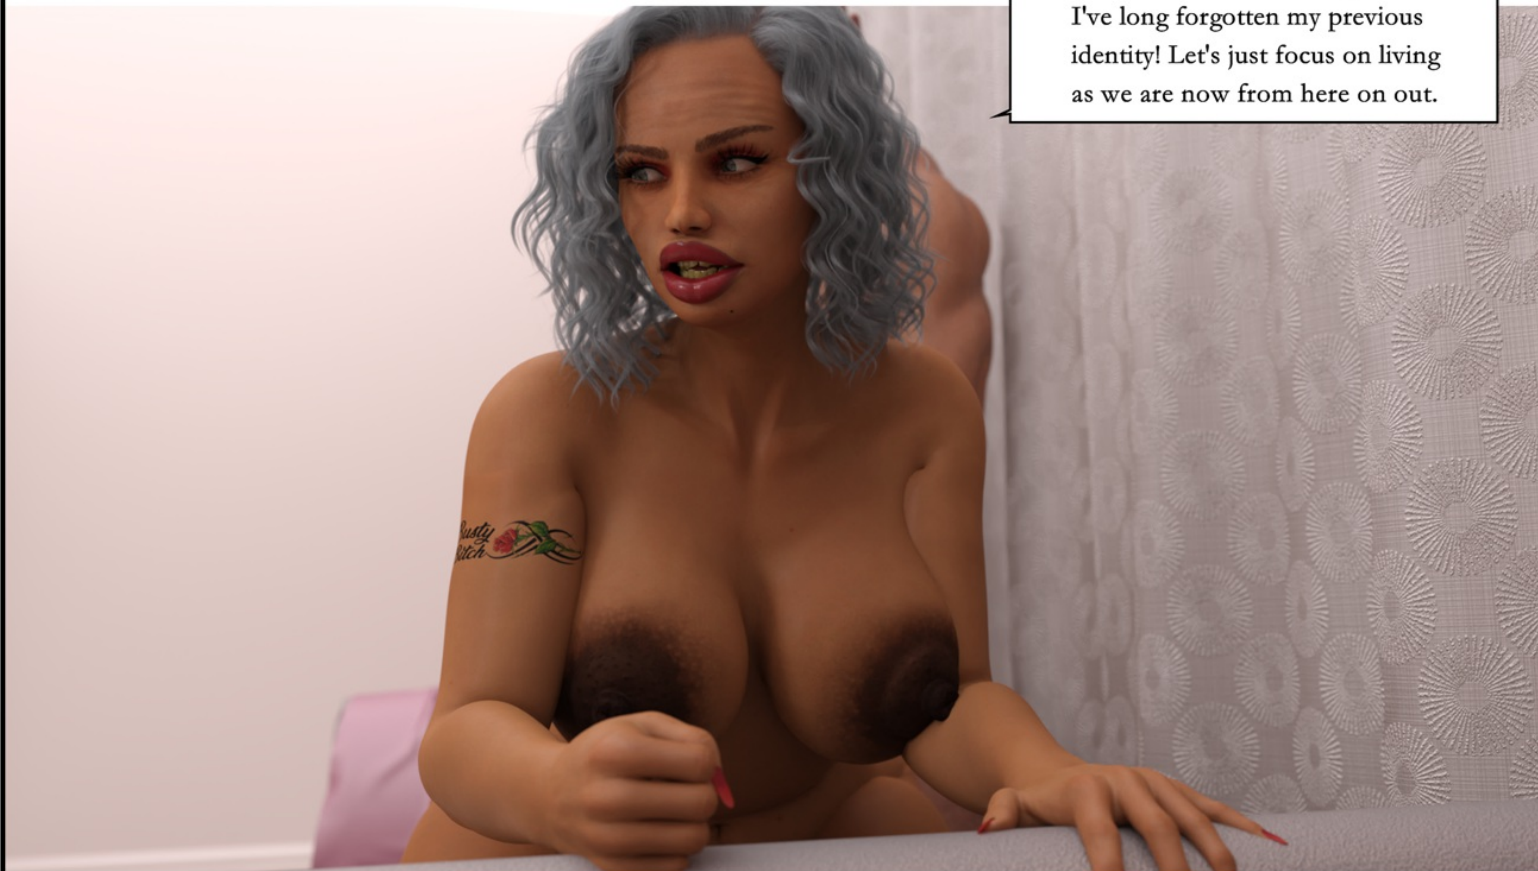

Xiaolan, you've sacrificed so much for me.

The current Li Ruyun can use those low-class, unscrupulous methods that you once despised to climb the ladder. So, you worked for ten years and are still a grassroots squad leader, while she, in less than a year, is already a deputy director at the city level. But from now on, we'll make money under her protection.

Don't call me Xiaolan anymore!
I've long forgotten my previous
identity! Let's just focus on living
as we are now from here on out.

Patch*

If you really feel sorry for me, then don't complain about me being old and ugly and getting close to the young hotties in the bar in the future. Stay with me and let's run the bar together.

Bud
Bite

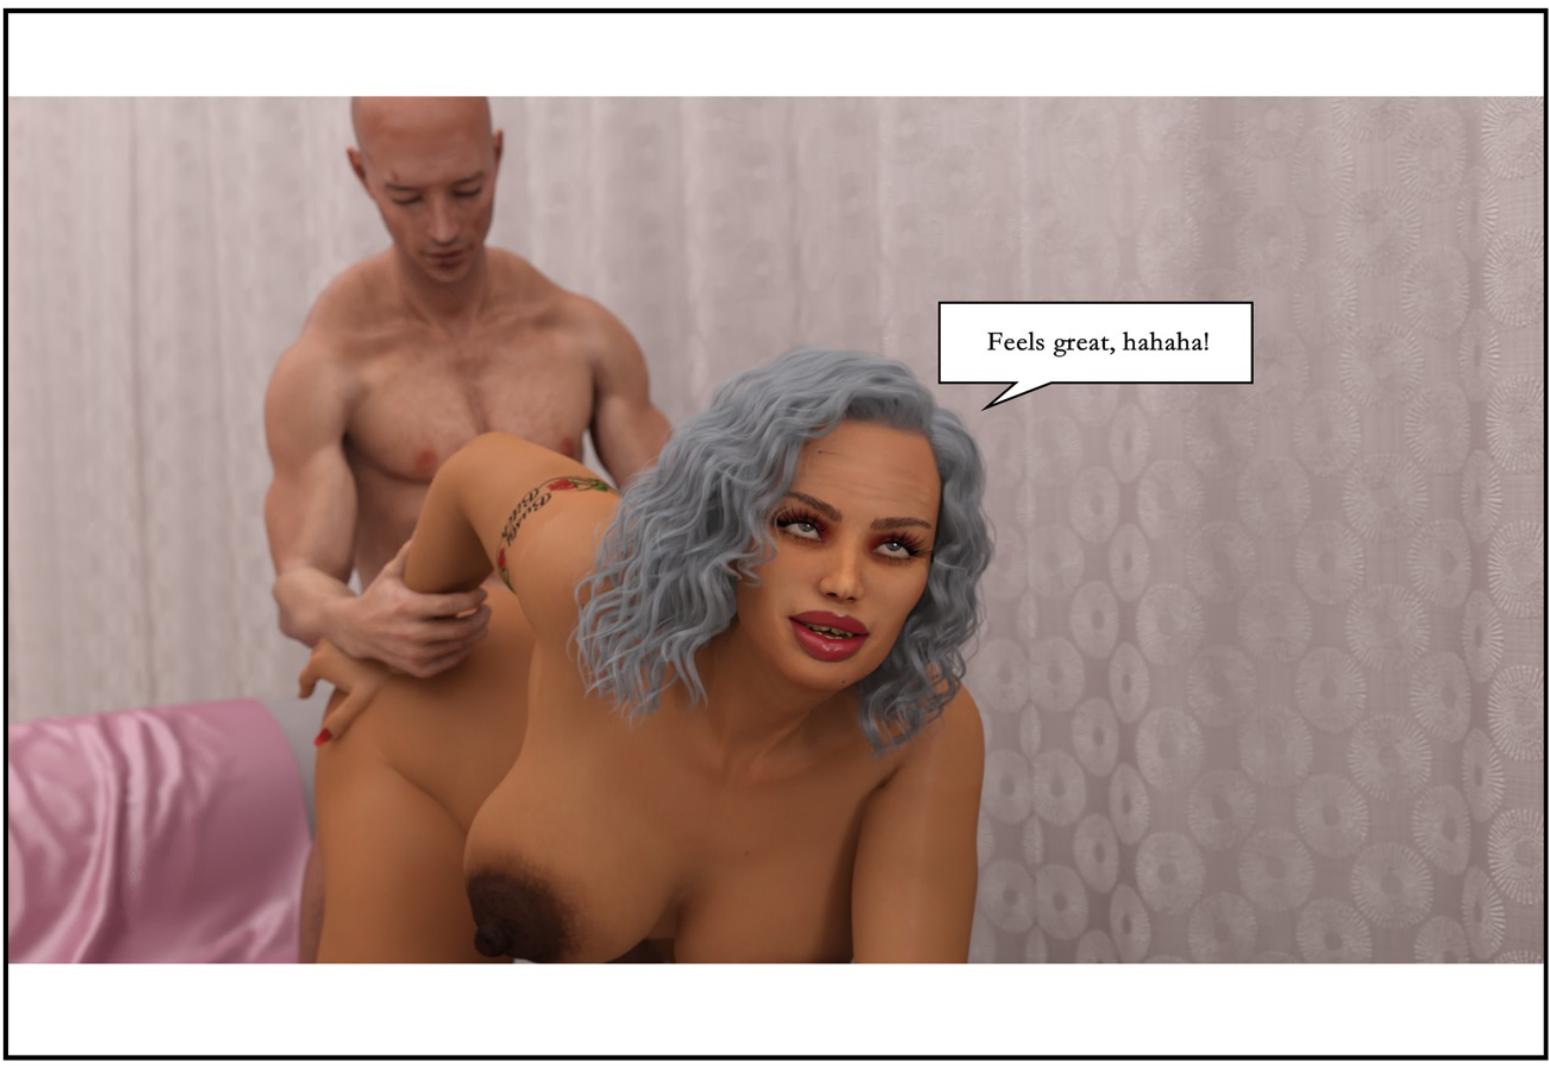

You've been in there for so long,
haven't had fun in a while, huh?
Don't you want to slide
into my slutty hole quickly?

Hmph, my cock has been
hard as a rock for a while now.

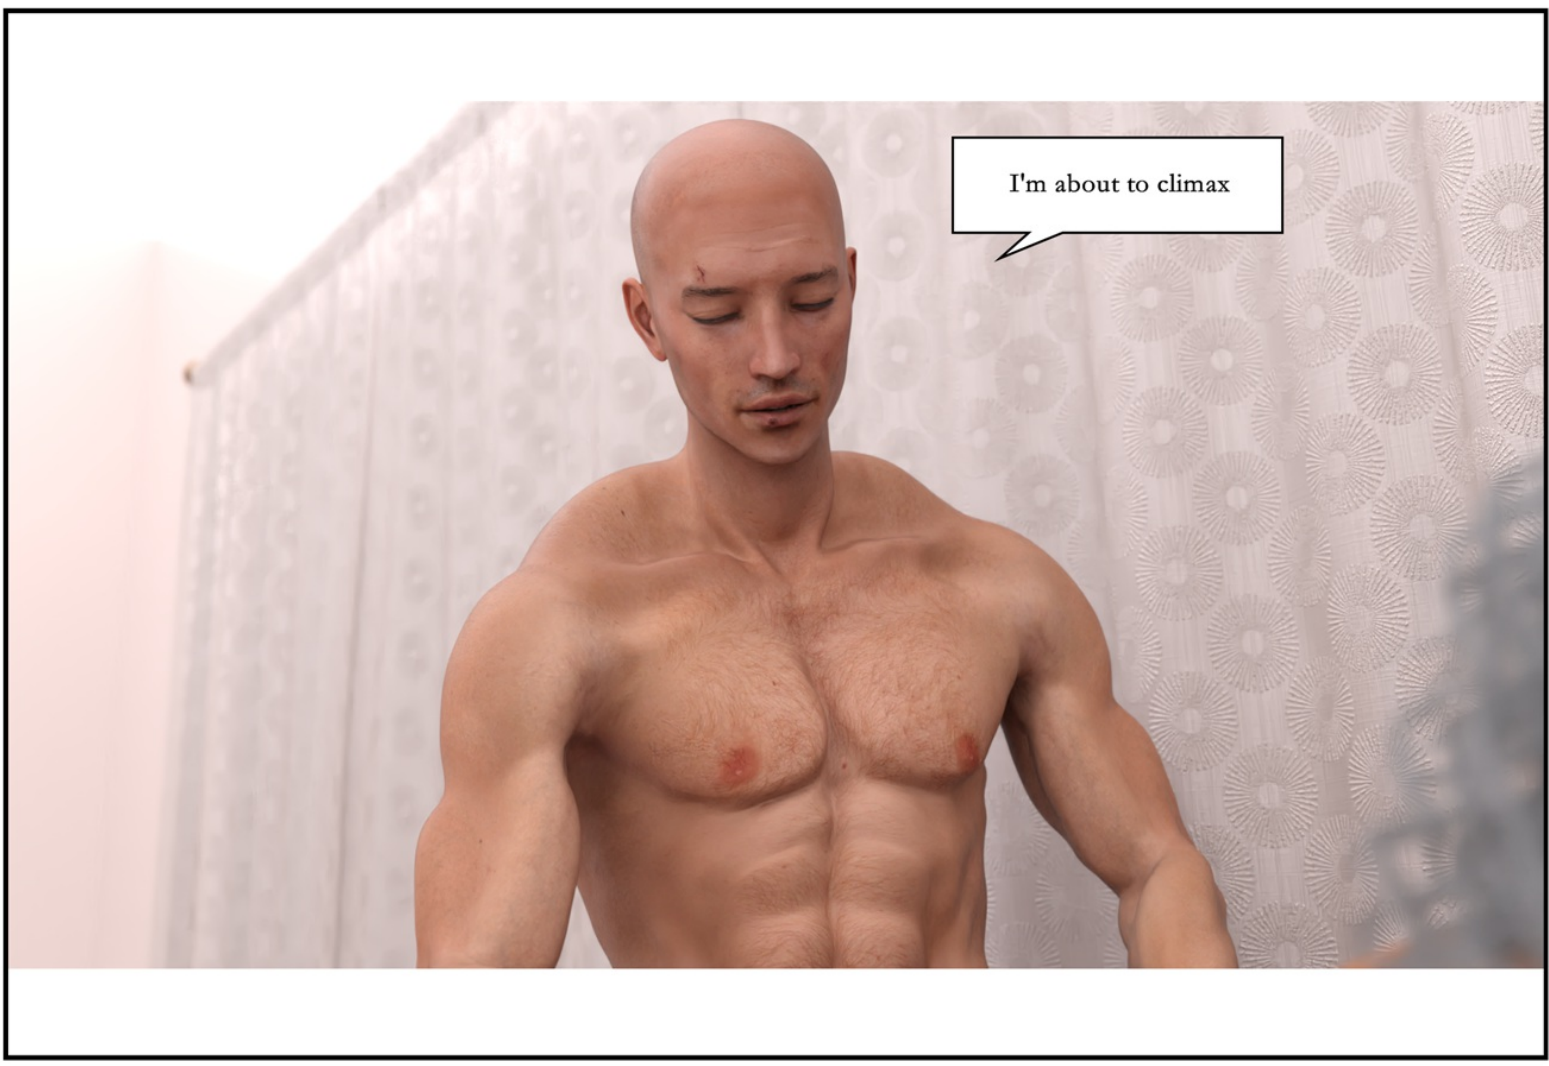

Ah, ah, ah, I still love your big cock the most.

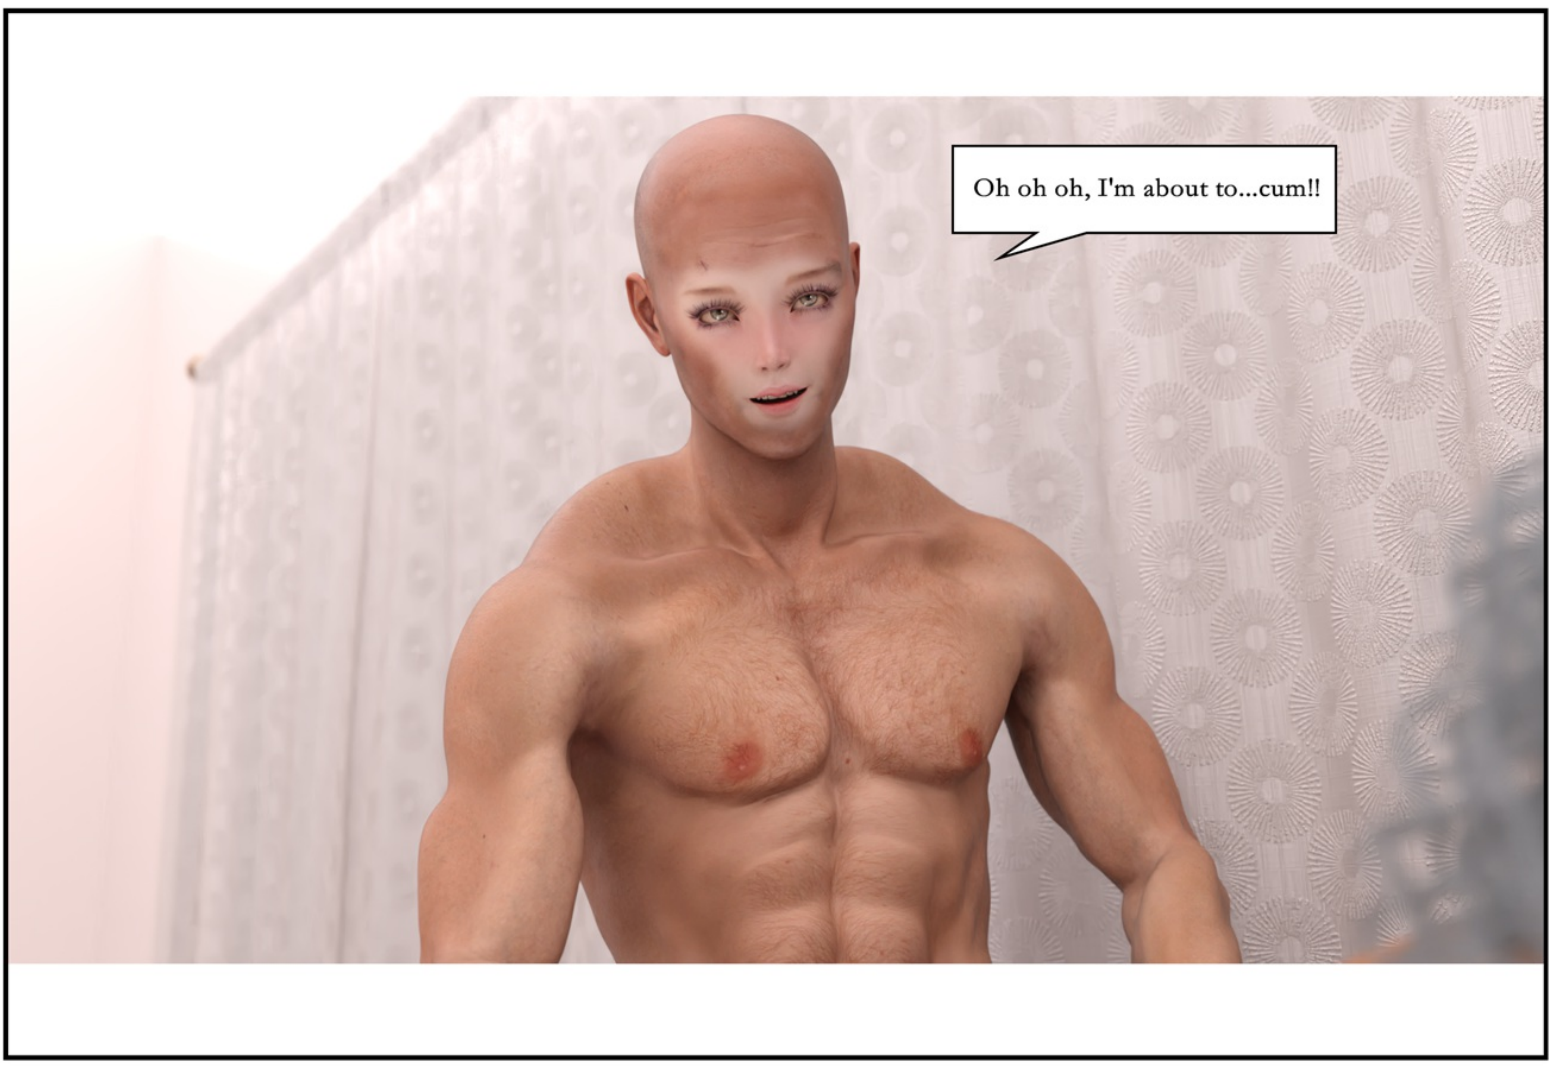

Feels great, hahaha!

Only your big, hard cock can satisfy
this horny pussy of mine.

I'm about to climax

Oh oh oh, I'm about to...cum!!

Get up quickly and tidy yourself up. We need to go outside and see how they're doing at work.

The people we met at the dinner party just now are all influential figures in our city. Remember to keep in touch with them in the future.

Thank you, my dear, for bringing
me to such an event.

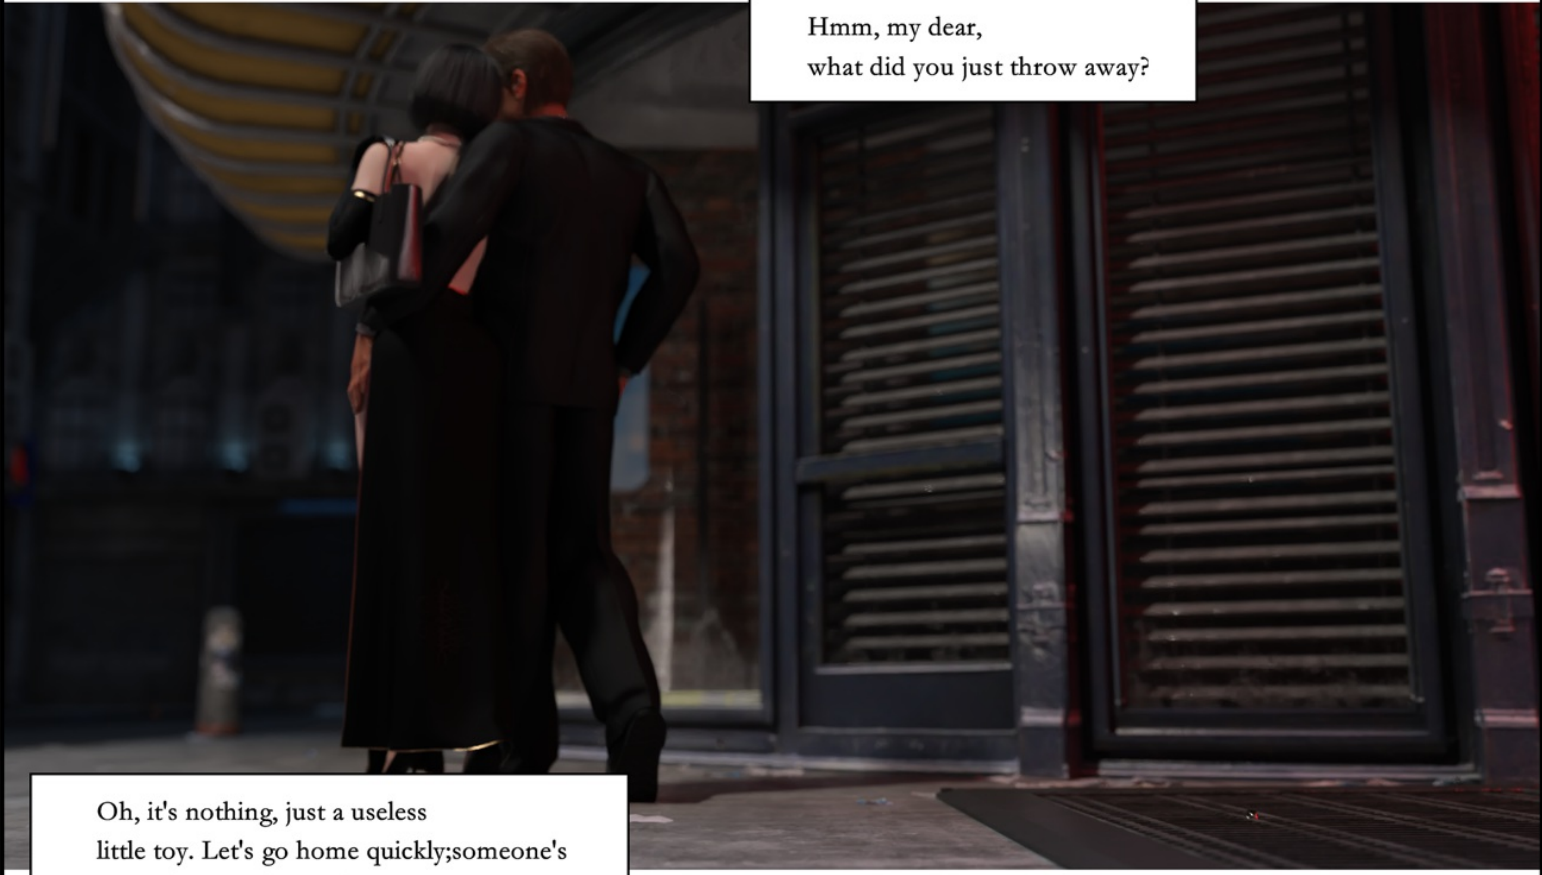

But they all seem old and greasy.
None of them are as young, promising, and
charming as my dear.

You, are just too sweet.

A man in a dark suit is hugging a woman from behind. The woman is wearing a black dress and carrying a black handbag. They are standing on a city street at night, with a building featuring large windows and a yellow curved structure in the background.

Hmm, my dear,
what did you just throw away?

Oh, it's nothing, just a useless
little toy. Let's go home quickly; someone's
eager for your big stick again.

The end.
