In summary, there has been a rising trend in the number of prostitution and solicitation cases in District A over the past few months. The Director have repeatedly emphasized this during meetings multiple times.

D3D

Captain Li, if this matter is resolved,  
you might have a chance of being  
promoted to Vice Director this year.

District A? Prostitution? Could it be her?  
I can't believe that after helping her out last time,  
she dares to continue with this behavior.

Li ... Do you have any good solutions in mind?

You don't need to worry about this matter for now, I will investigate it. Did you take care of the tasks I assigned to you a couple of days ago?

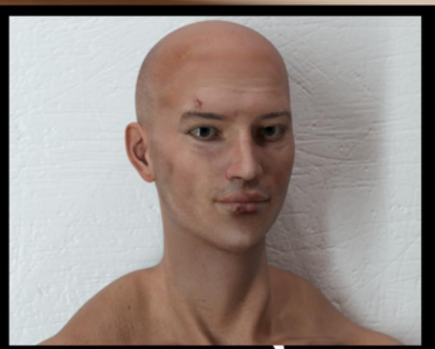

Of course, the person should be sent over today.  
You can rest assured that I will take care of it.  
However... why did you arrange it this way?

A woman with long black hair, wearing a light blue short-sleeved police uniform shirt with a dark tie and dark skirt, is sitting on a black office chair at a long wooden desk. She is looking towards the right with a serious expression, her hands clasped together. The room has several other similar desks and chairs, suggesting a classroom or office setting. The floor is covered with blue carpeting.

That guy comes from a powerful family, so I arranged for him to have a compatible cellmate. It's just a matter of ensuring a harmonious environment for him.

Of course, it's also to provide some entertainment for our Officer Li. The guy's crime is quite intriguing. Let's see what Officer Li will do with him

Inside prison

The background is a light-colored brick wall. Two speech bubbles are present: a jagged one in the top left and a rectangular one in the upper center.

Hurry up --

He is shirtless, revealing a very well-defined physique with prominent muscles on his chest, back, and arms. He is wearing grey athletic briefs. His head is tilted forward, and he has a focused, slightly strained expression. A speech bubble is positioned above his head, containing the text "En?". The background consists of a light-colored brick wall and a dark metal bed frame with a yellow cushion. The lighting is soft and even, highlighting the contours of his muscles.

En?

Don't push me!

She has a concerned expression and is looking towards a police officer. The officer, a man with a shaved head, is wearing a dark blue police uniform with a peaked cap, a badge on his chest, and the number '22' on his collar. He is looking at the woman with a serious expression, and his right hand is resting on her right shoulder. The background is a light-colored stone wall. A speech bubble is located in the bottom left corner of the image.

Do you know who my parents are?  
How dare you behave like this?!

Alright, young master.  
It doesn't matter to me  
who your parents are.  
You're all equal here.

Hey, Qiang, your new roommate has arrived.

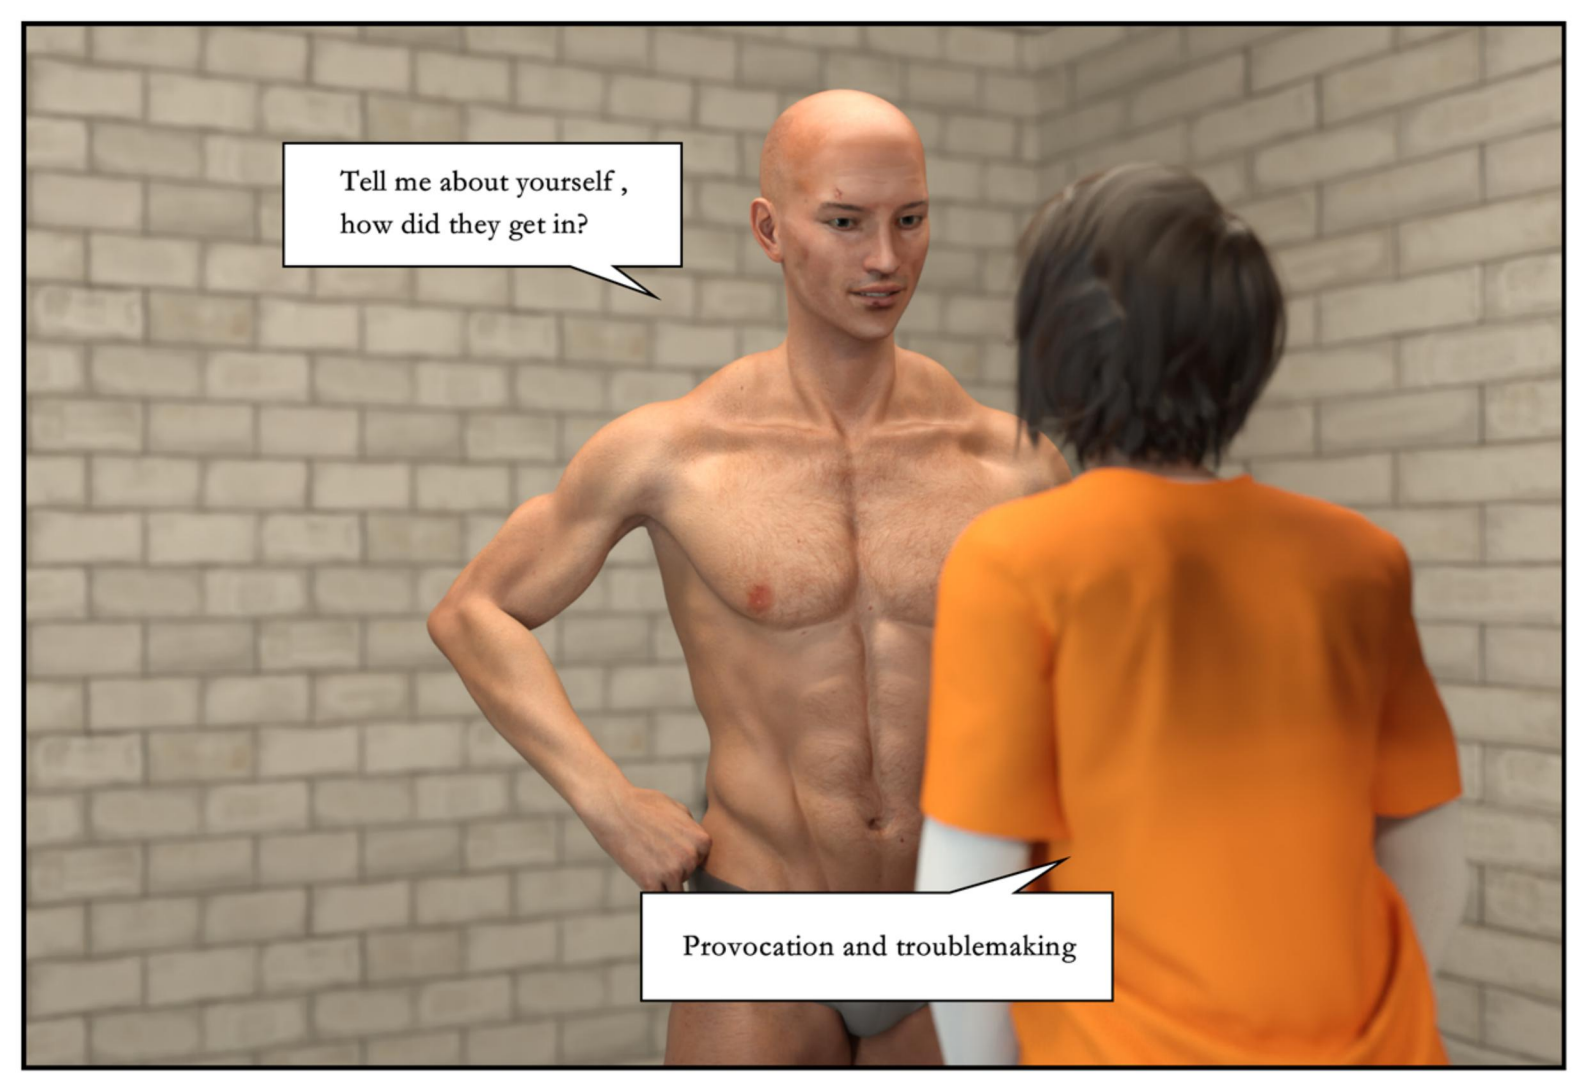

Go inside.

Qiang, remember to be gentle with the newcomer.

Qiang.....

A 3D rendered scene featuring two characters against a light-colored brick wall. On the left, a muscular, bald man with a fair complexion stands with his left hand on his hip, looking towards the right. He has a small red mark on his forehead and another on his chest. On the right, a person with dark, wavy hair, wearing a bright orange t-shirt, is seen from the back, facing the muscular man. The scene is framed by a black border, suggesting it is a panel from a comic or a still from a video game.

Tell me about yourself ,  
how did they get in?

Provocation and troublemaking

Oh? Yes?

Damn,, don't stand so close. Okay?

You are so smooth.

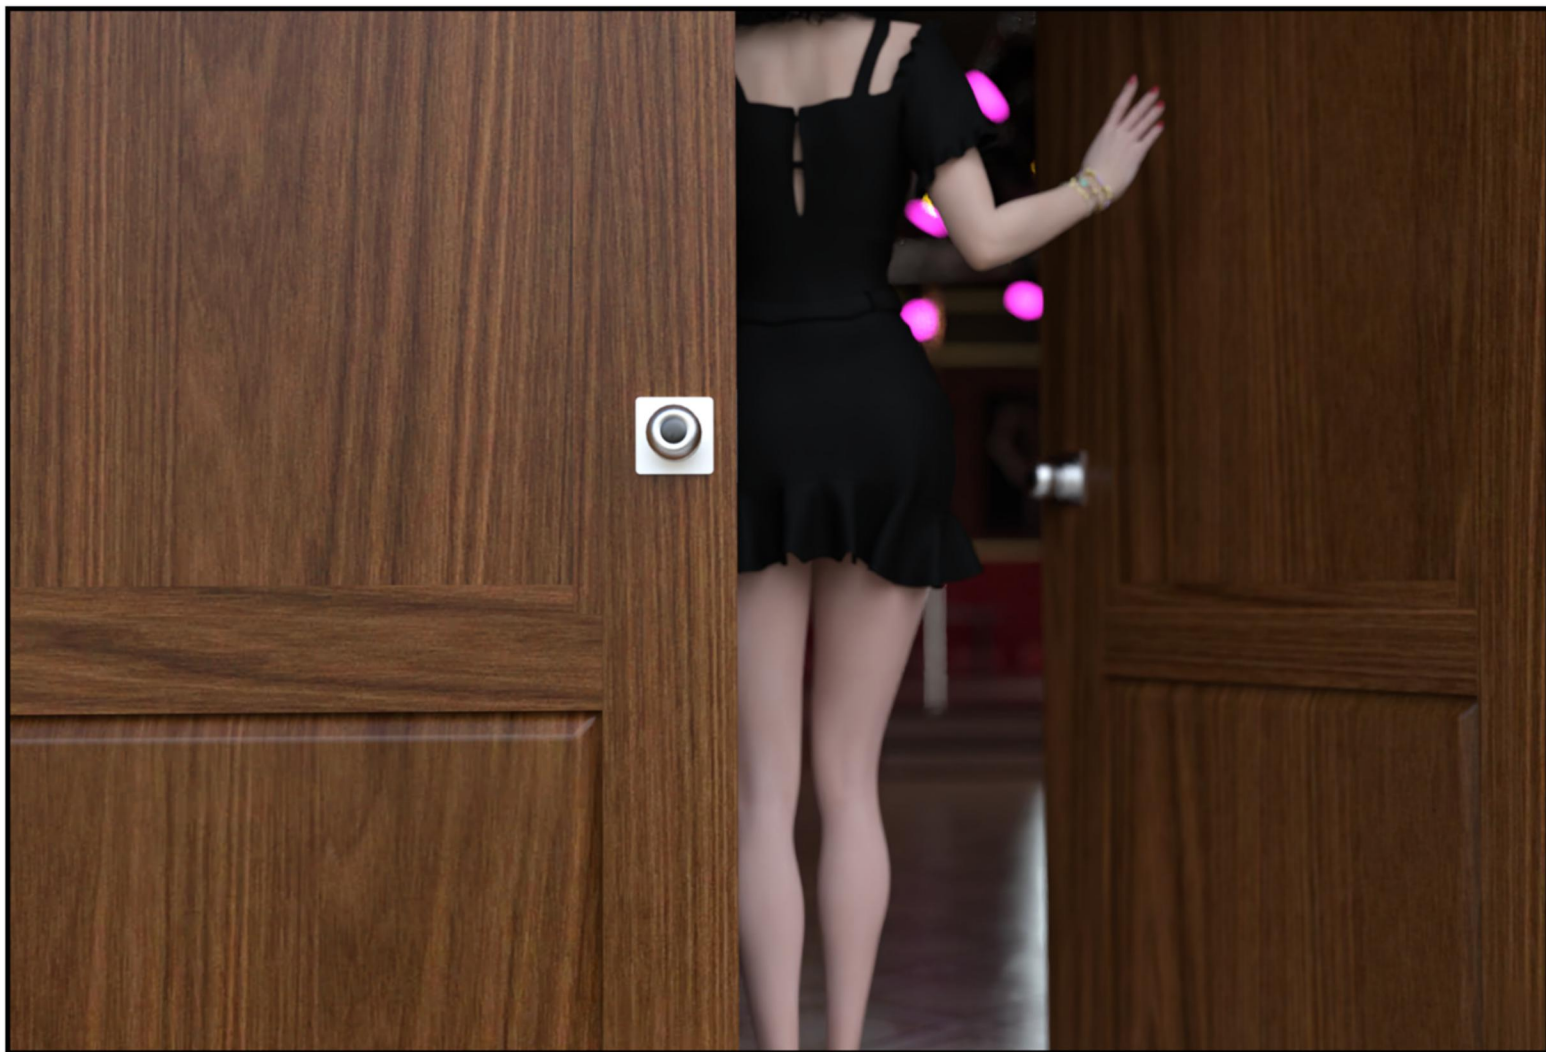

You're still so adorable. Don't worry,  
here, besides me, no one would dare  
to do anything to you.

Ah? You don't do anything to me either.

Pa

The scene is set in a modern, possibly nightclub or lounge, environment.

Nothing changed at all

But I never thought that one day  
I would come back here as a police officer.

Ah, today isn't for nostalgia.  
I have a mission.

If I remember correctly, it should be this way.

Damn it, you are so useless!  
The guests can't be kept, and  
you have searched him for so  
long without any news!  
Just go away!

THE FUN BEGINS ALL

Damn it, in such a big city,  
where can I go to find  
someone for you?

...?

What are you watching...

You still have such a volatile temper.

I've said before that you should  
be a bit nicer to the people below you

Even after all this time,  
you still haven't changed.  
Sigh, I guess there won't  
be another chance in the future.

Is there anything else?  
Didn't I say it already?

If there's no news, then don't come.

Oh? A new face.  
Are you here looking for work?

You look so good-looking,  
I can offer you a good price.

Come and give it a try  
tonight after 9 p.m.

I think you misunderstood.  
I'm not here to find work.

Not here to find work?  
Then why are you here?  
Are you here for fun?

I'm just here to deliver a message.

A woman with long black hair and bangs stands in a room with a tiled floor and a dark door. She is wearing a black, short-sleeved, off-the-shoulder dress with a keyhole cutout at the bust and a ruffled skirt. She is holding a glowing, curved sword in her right hand. She is also wearing a gold necklace with a blue pendant, a gold belt with a large buckle, and several bracelets on her right wrist. You don't need to look for him anymore...

What...?

You can repay what you owe me at your own pace.

You are!

I didn't expect it either.  
After so many years of emotions,  
you sold without any hesitation.

Why... you... It's not true.  
Please, let me explain.

I would love to hear it,  
but it seems like you  
don't have time to explain.

Ah ah ah... It's so hot...  
What is this feeling...

My... hand...

Wow, this spell that wipes away consciousness is so powerful.  
I better stay away.

Help.....

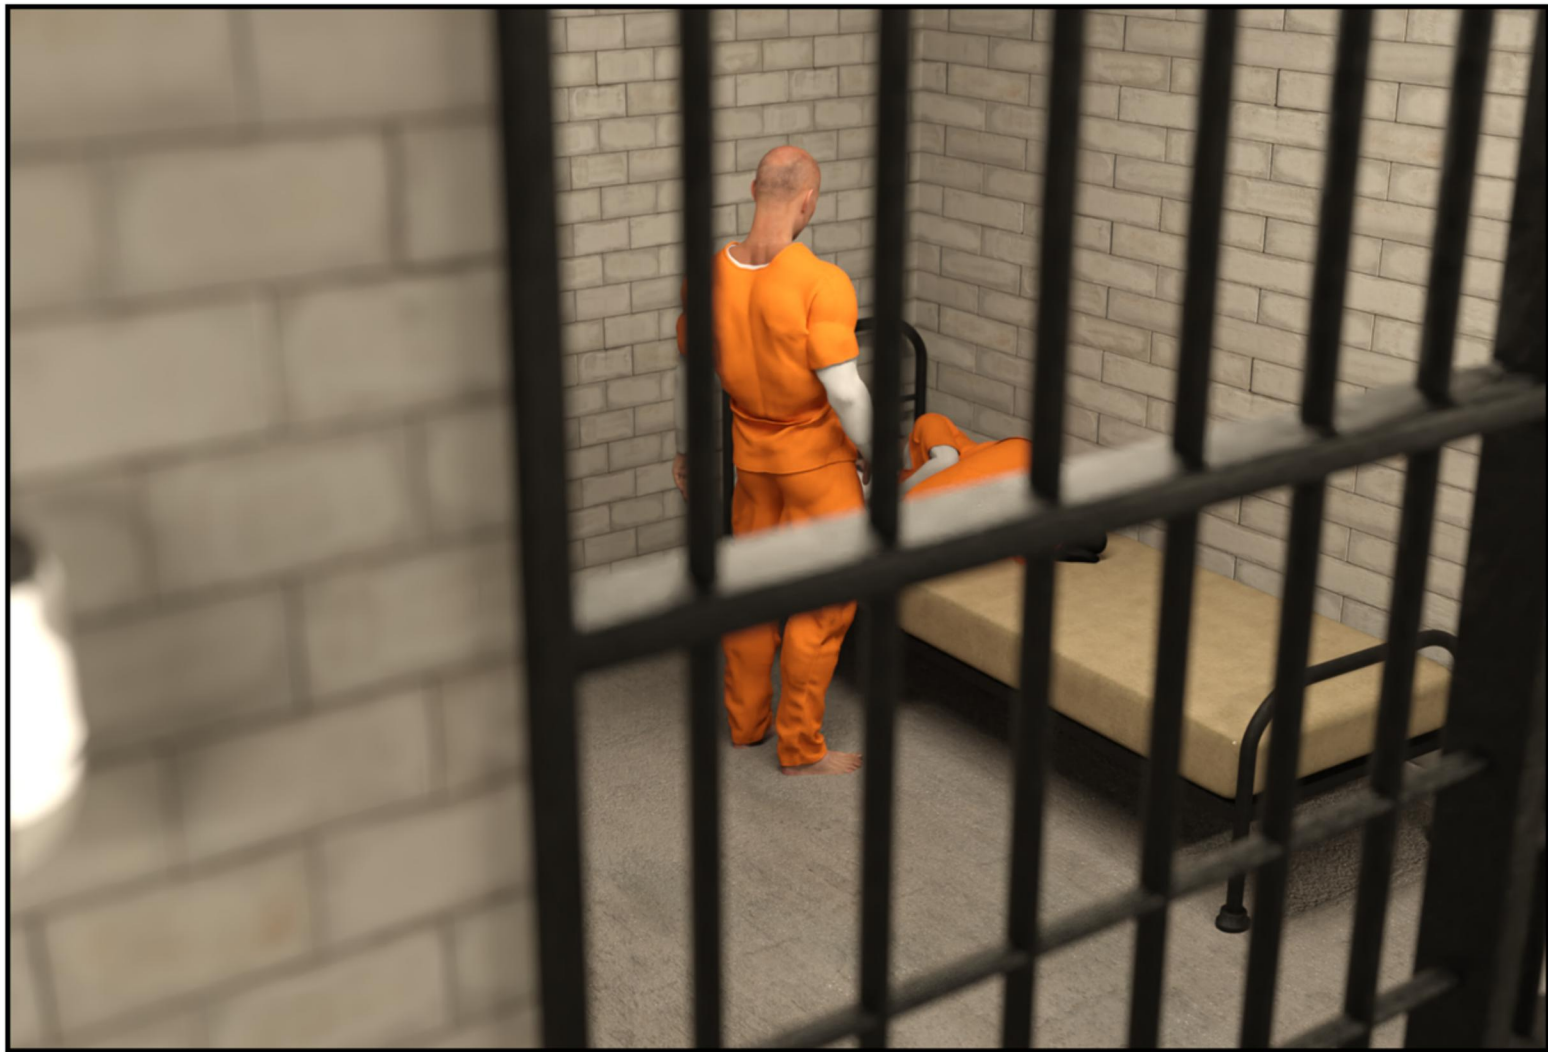

It's okay, no matter what,  
I forgive you.

Okay, next we need to come up with a plan to trick her into wearing this skin.

that kind of fetish!

Really? You don't like it,  
but everyone else here is  
probably drooling over you.

If you let me have fun, I guarantee that no one else will dare to touch you. If I don't protect you, do you think you'll get out of here in one piece?

So what do you want me to do...

\*Pull

Of course to check your body!

At least be gentle!

The nipples are also slowly standing up

I hear you're having a good time these days

Indeed, if only you could send in some  
women's clothing in would be nice.

Heck, I knew you'd like it.

You're really becoming quite the man.

Compared to you, it's not even close.  
How feminine you are dressed.

Don't you miss your good girl anymore?

After the last time I did that to her.  
I'm probably no longer qualified .....

and console me today?

An inset image shows a woman with long, straight black hair and yellow eyes. She has a slight smile and is looking towards the right. A speech bubble from her expresses her satisfaction with her current situation.

Finally I can do it with  
my own body again.

You've been thinking about  
this since the moment I  
walked in the door, right?

I knew exactly what you had in mind...

I deliberately not wearing underwears.

so I had to wear a pair that hasn't been  
washed for several days.

It seems to be right up your alley.

What about the cock popping out,  
does it want to be stepped on?

Just stepping on the cock and being licked by you  
feet, the bottom is wet...

Ah, no... I... I misspoke...

Are you mentally impaired?  
How could you forget again?  
It seems like it's been a while  
since you were last punished.  
Come here!

Yes, Mom.

Give me a serious lick!

Good, you should know  
that a rapist like you is  
only worthy of licking my  
mother's feet.

A close-up photograph of a woman with long, dark, wavy hair and bangs. She is holding a black high-heeled shoe with gold studs along the strap. She has red nail polish on her fingers. The background is blurred, showing warm lights and a person's legs in the distance.

You know very well,  
your rapist mother did  
have a good time licking it today.

Hm, almost.

A 3D-rendered woman with brown hair tied in a ponytail with a red bow, wearing a white short-sleeved pilot's uniform shirt with a dark blue tie and a dark blue skirt. She is looking down and slightly to her left. The background is a blurred interior with modern lighting.

Remember to remember  
who you are in the future.

Yes, mom but...

Every time I tend to forget it's because  
You don't look mature enough.

What?

Huh?

If you can look older than me,  
I'm sure I'll be able to get more  
into the scene.

Older than you?

Of course, to be a mom,  
you need to be older.

There is something in the police station  
that can change a person's appearance.  
I took one.

But how?

Change appearance?

Yes, just like in Mission Impossible, wearing it can change your appearance. It can make you look like a middle-aged woman. In that way, you can stay at home and be a good mother.

And you don't have to go to school either.  
I will arrange for you to have some time off

Don't have to go to school?

I'll go get the prop and show it to you.

Oh, I haven't agreed yet.

This looks so real.

Of course, after all, it's from the police station.

What do you think? If you wear it, you can completely transform into this appearance. And you won't have to go to school for a while either.

Start from the feet.

Is it easy to take off this thing?

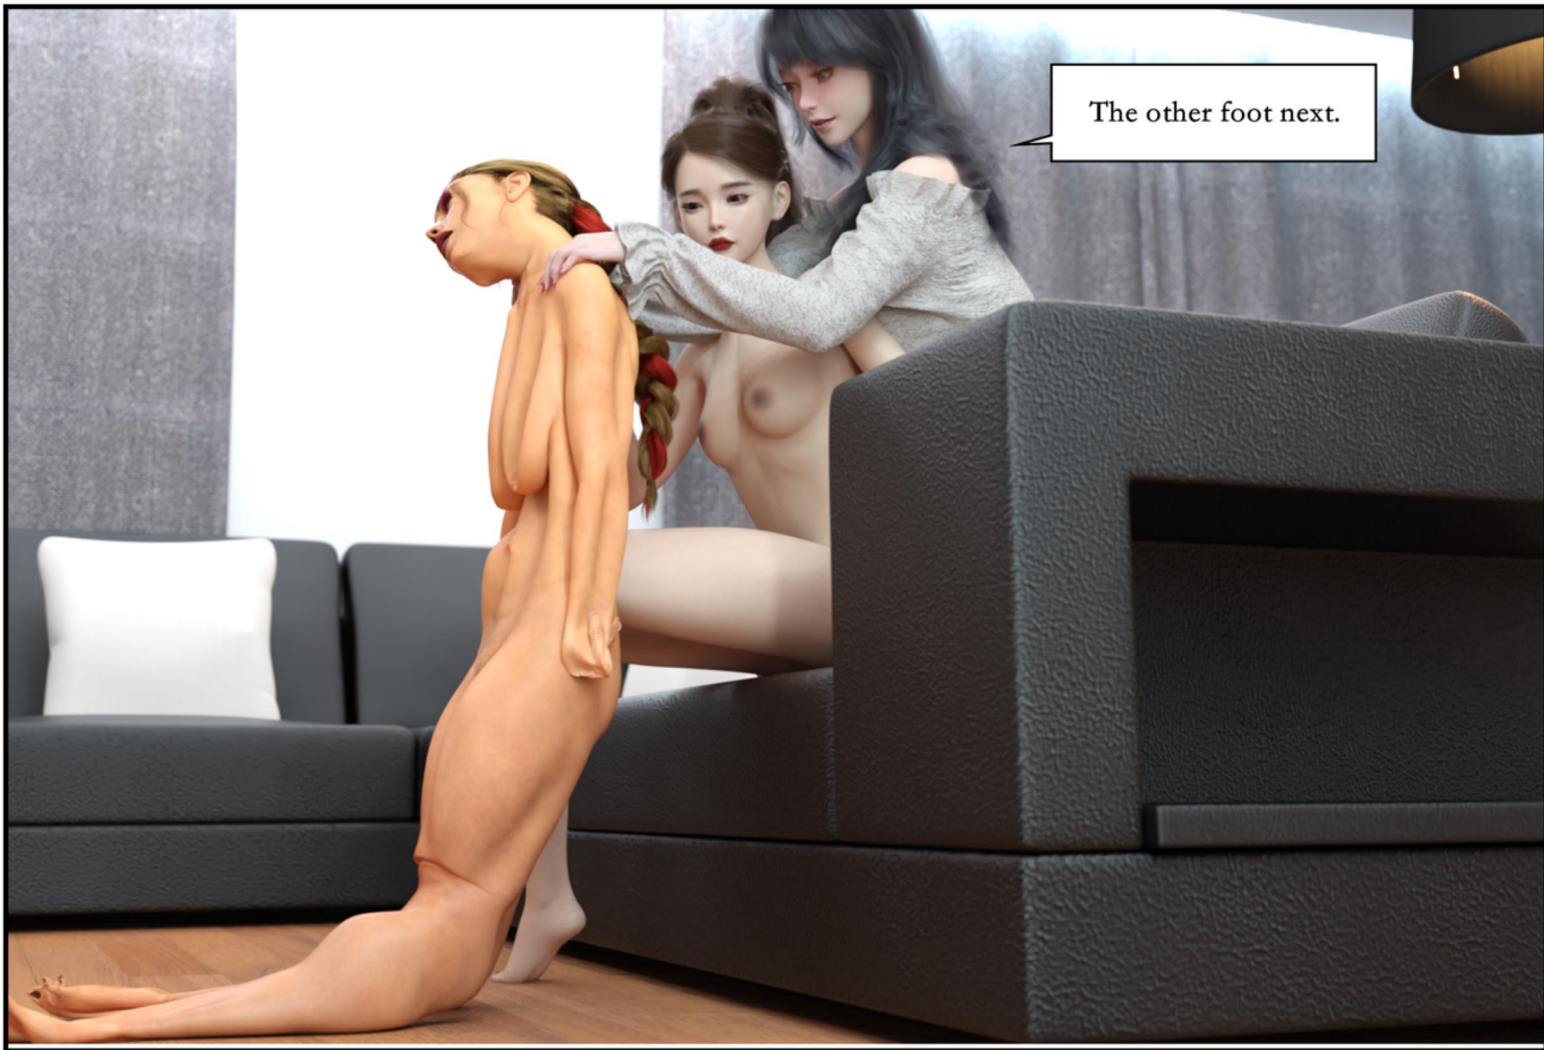

Of course, come on, let's start  
by putting your feet in.

Yes, that's the right place.

The other foot next.

And then put on the upper part.

But, it's so much bigger.

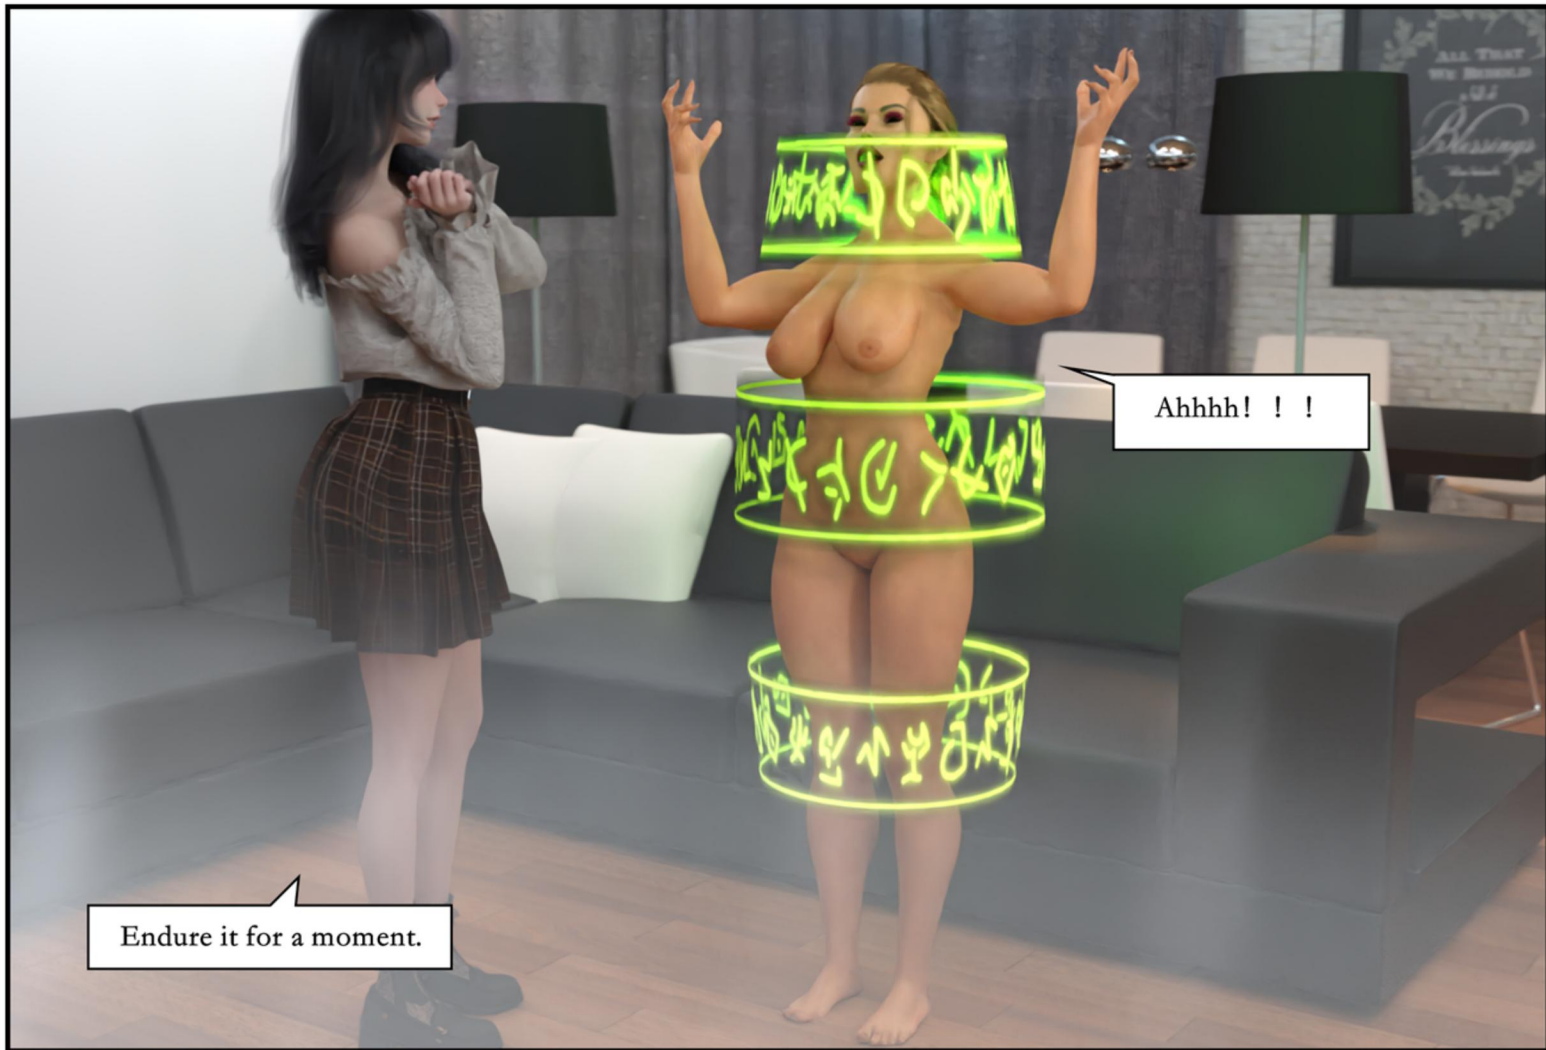

Don't worry, once you've  
put on everything, it won't  
be too big anymore.

It will tighten up soon.  
It might be a bit painful.

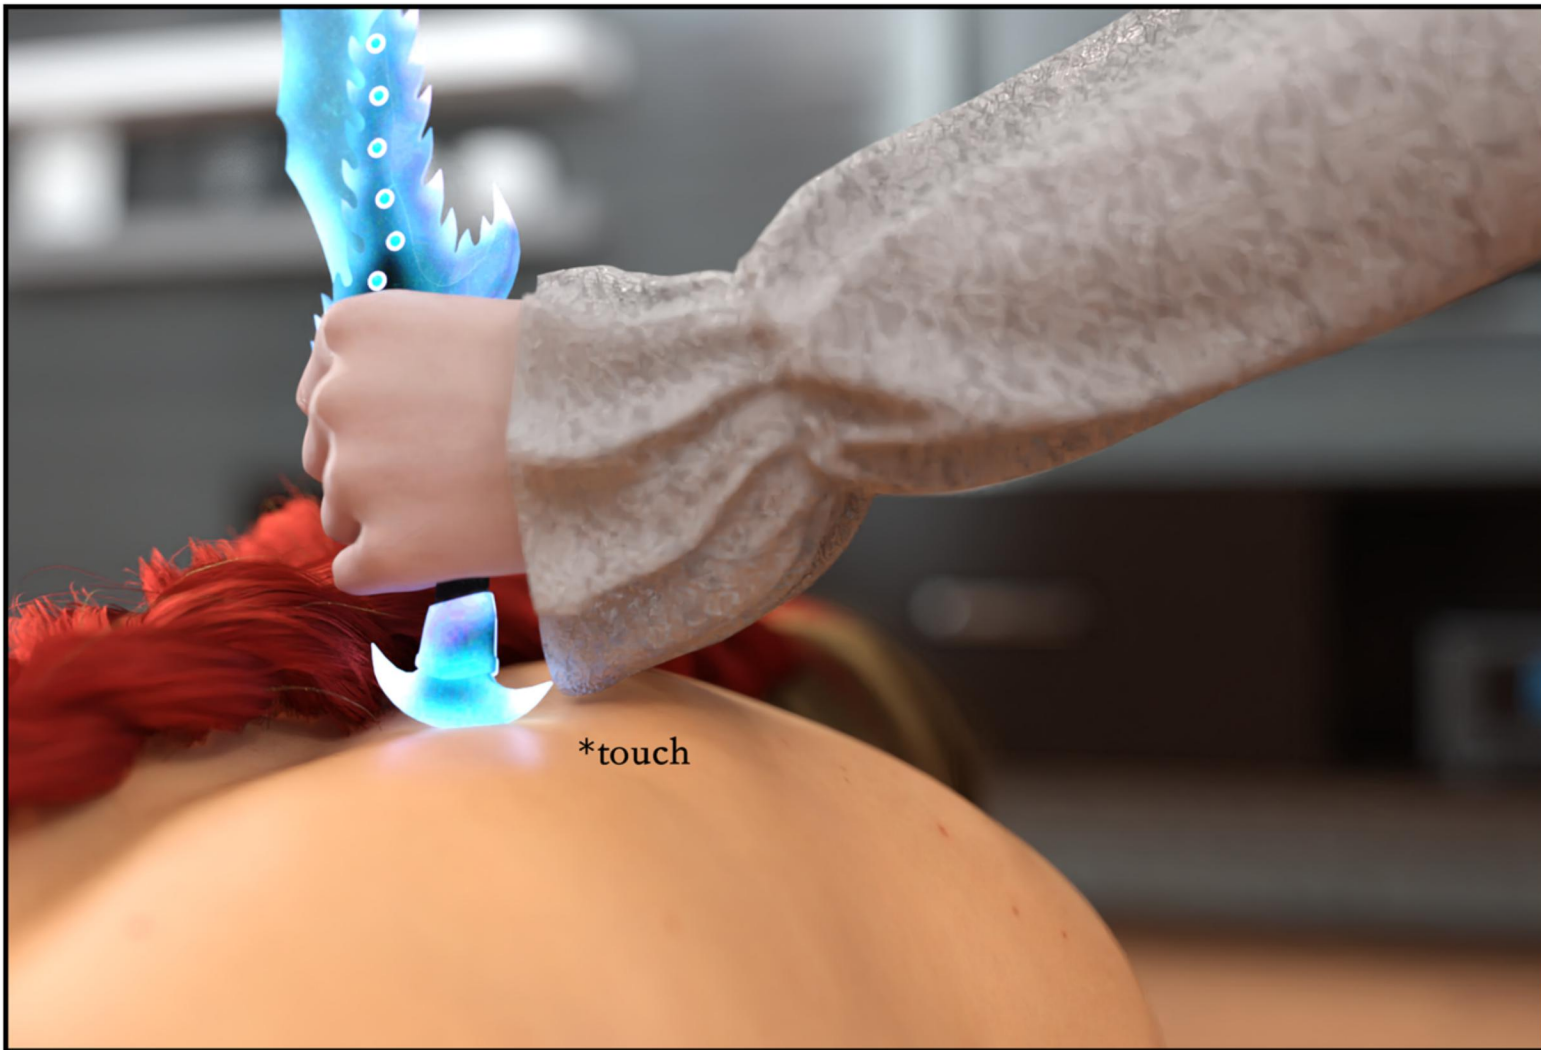

Ahhhh! ! !

Endure it for a moment.

Phew... phew... It was really painful just now.

\*touch

How do you feel now?

Much better... My voice...  
why is it so hoarse?

Oh my, my hands, why are they so dark?

*Boobie*

Ah, ah, ah! Why am I so fat?

It's impossible for a middle-aged woman to look as innocent and beautiful as a high school girl. It's inevitable to have some excess fat on the body. I forgot to tell you, this prop was originally used for anti-vice purposes. So this woman's appearance is based on a brothel owner.

Brothel owner? !

Oh my, what have I become?

\*  
轻轻  
放下

Oh my, what have I become?  
Not only is my body full of excess fat,  
but my face also has many wrinkles.

Perhaps it was done to provide better service. They must have undergone numerous lip augmentation surgeries

Why are the lips so thick?

A close-up photograph of a woman with blonde hair pulled back, wearing heavy makeup including dark eye makeup and bright red lipstick. She is looking directly at the camera with a slight, unsettling smile, showing her teeth which are noticeably yellow and crooked. Her right hand is raised towards her mouth, with fingers slightly curled. The background is blurred, showing some indoor lights and a person in the distance.

Even the teeth are yellow and crooked.

Not just the teeth, even  
the breasts are big and dark.

In that case, even if I go out and say  
that you're my mother, others would believe it

And, you'll soon experience the  
goodness of this bountiful flesh.  
My good mother.

Hmmmm...

It was just a casual plug.  
I didn't expect you to get hard again.

Throw it away, you wear the clothes  
I have for you in the next closet.

But, this side are all the  
women's clothing ,

Ah? You know how to make up?

Is it too humiliating to go through like this.

Don't be afraid, let them  
take a look and be envious.

Have confidence, you will be very popular.

I don't want to be popular with them at all...

Wow, bro, don't sleep! Come and take a look.

\* 噏

If you can't stand up, squat down.  
Ready, I'm going to upshift.

Well ~ ♡ No, watched by

What nonsense.

Cumming a lot, I'm really going to like  
this feeling now.

In these few days, Xiaolan has gradually adapted to her new body. Although her current self is old and ugly, anyway, she can just take it off, so she enjoys the days without going to school and the freshness of having a mature woman's body. However, she didn't notice some subtle changes.

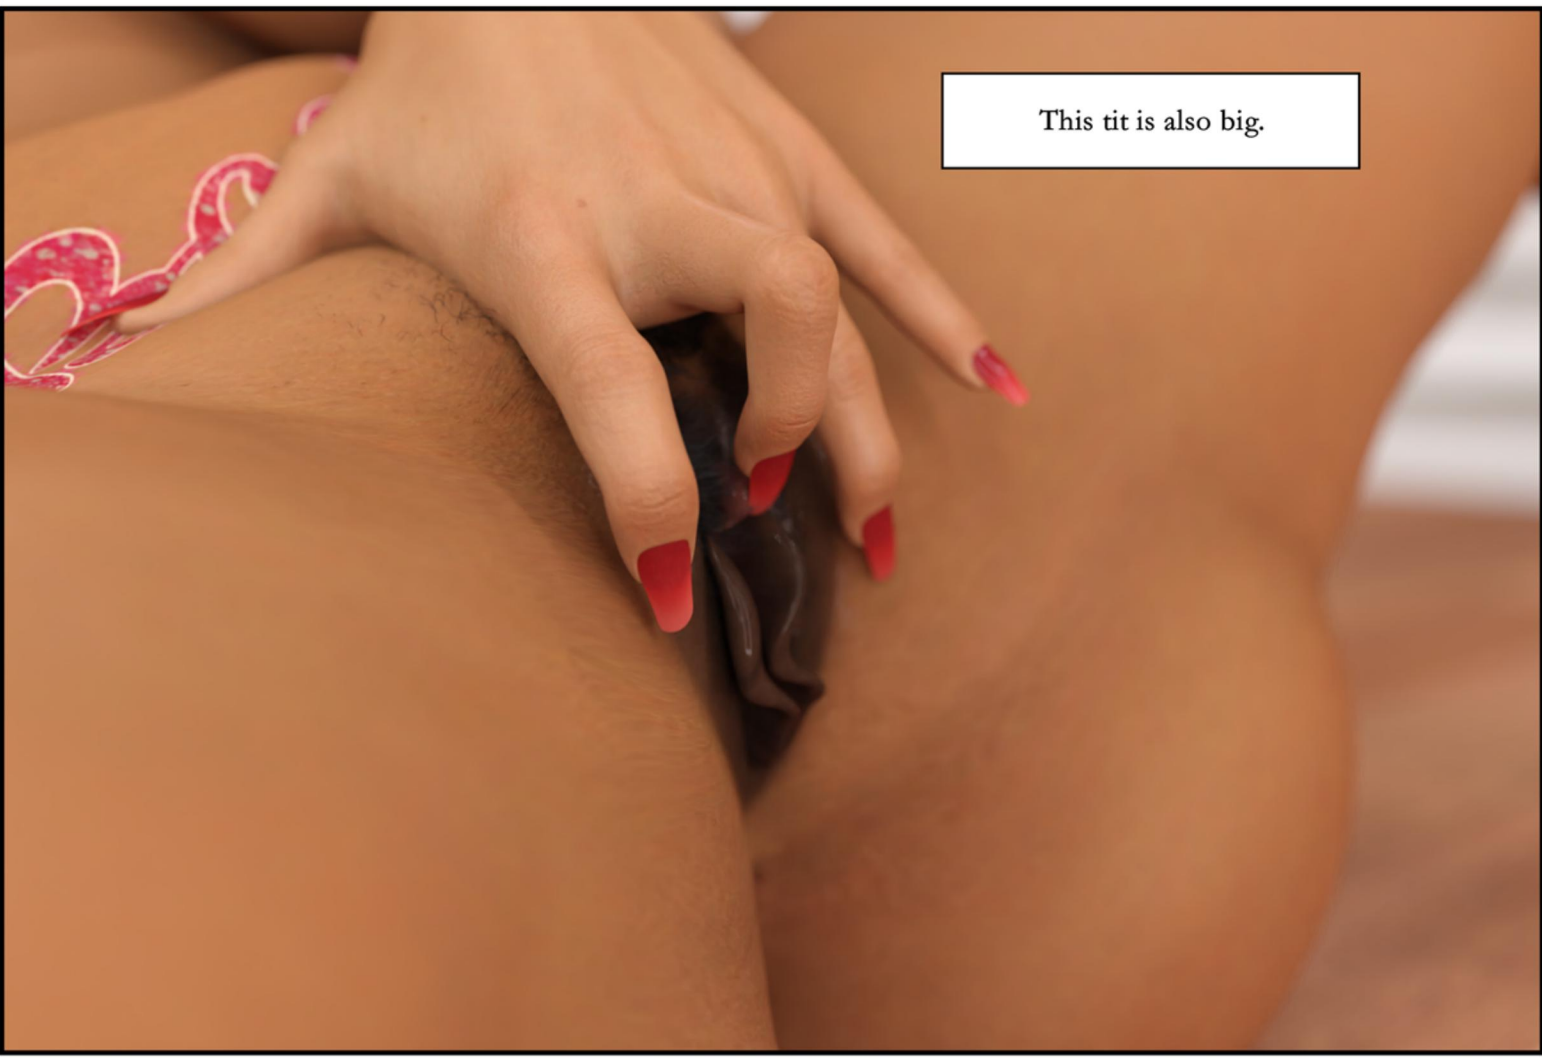

How can my nipples be so black and so big now?  
My classmates used to laugh at my small breasts,  
but now look who dares to say I am small.  
My breast is bigger than their mother.

The shape of the bottom is also different from before. And, it's also dark.

Mine is pink.

This tit is also big.

It's already getting wet.

Want to find something to stick in it and try it out

Yes, this is it. Just looking  
at it makes me wet.  
So thick, it must be cool.

Hiss... So cool, obviously never used it before  
But it's so familiar.

Whatever, the pleasure is over.  
Ah, the nipples are too big,  
pinch up so exciting.

I want to have sex with a real person, shit.  
I want to be fucked by a real cock.

two fucking pounds after having a good time.  
Why do I feel that my stomach  
has grown bigger, is it my illusion?

Ah! Fuck me, it's really getting bigger.

Wait a minute my God, my stomach hurts, it feels like something is coming out.

Ahhhhh, it hurts too much to walk to the toilet.

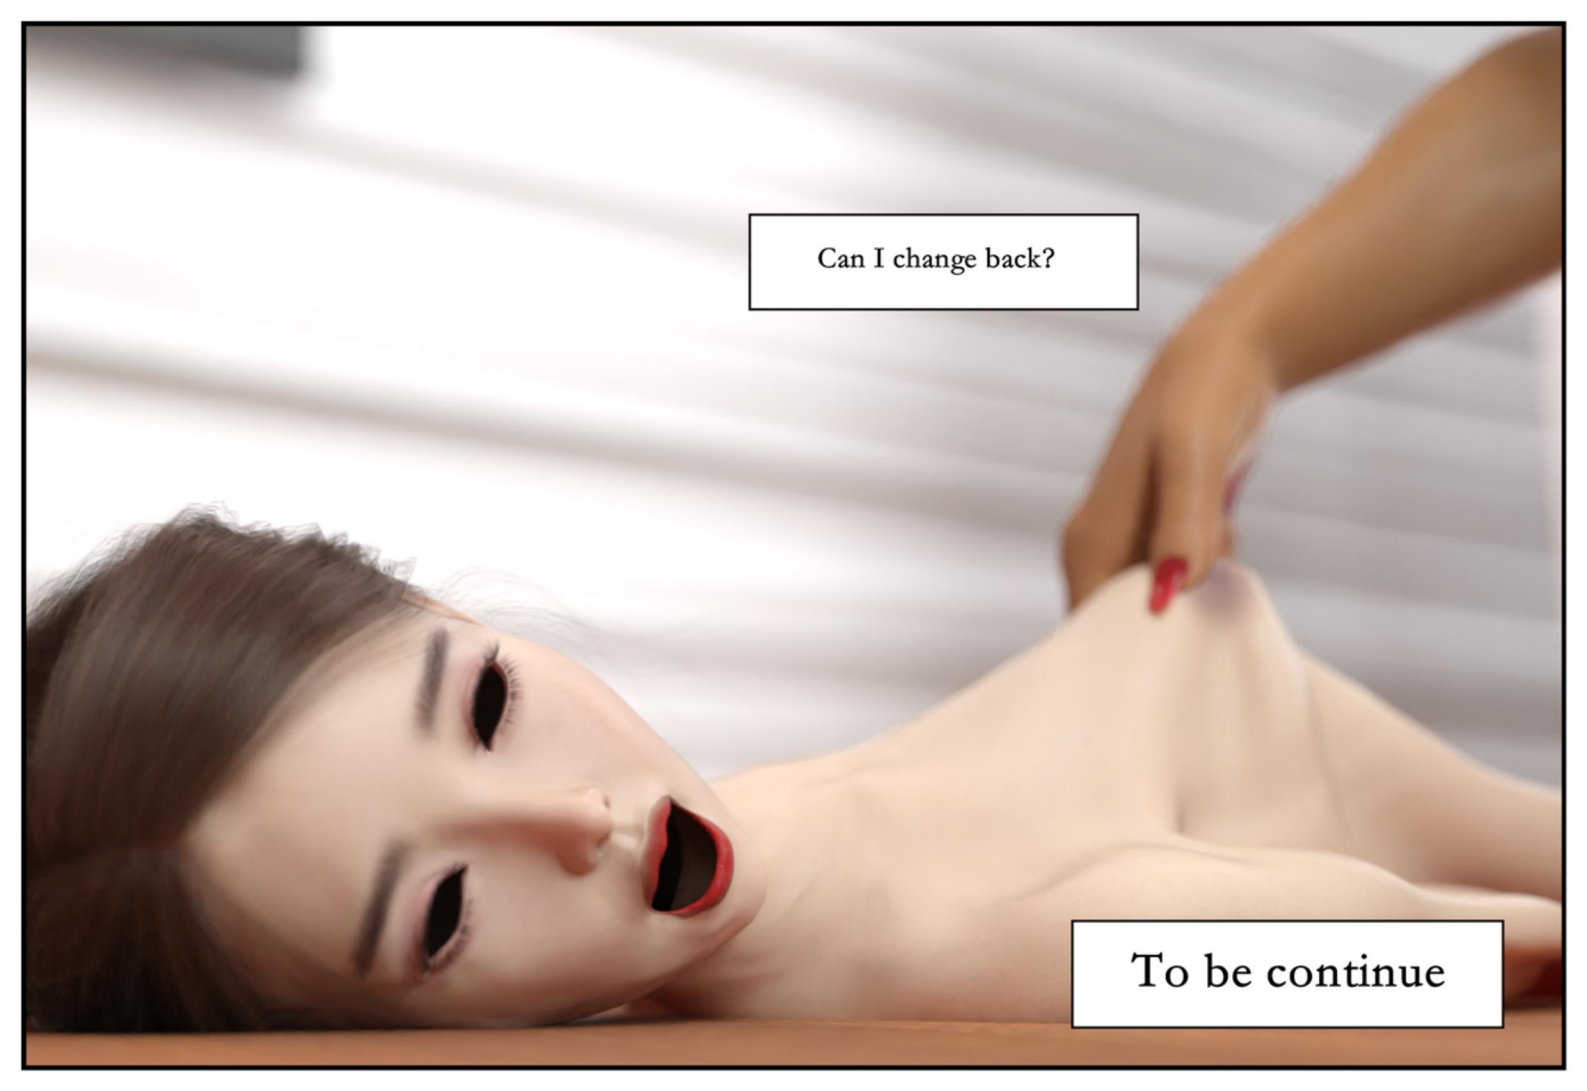

Hiss, much better, .  
What the heck.

What? Isn't this me?  
How could this happen?
