You...have been living in my skin for a while...  
can't you change the habits you had when  
you were a prostitute and behave more  
elegantly like i used to?

A woman with short, wavy blonde hair is sitting on a dark grey couch. She is wearing a light grey long-sleeved sweater with black stripes on the sleeves and matching light grey pants. She has a serious expression and is looking down. Her right hand is raised towards her chest, and her left hand is resting on her lap. In the background, there are two blue and white patterned pillows on the couch. The setting appears to be an outdoor or semi-outdoor area with a green lawn visible in the distance.

I am the kind who's been proficient in all kinds of music, chess and painting since I was a child you see? Can't you pay more attention to you behavior?

I would never put on such heavy makeup or wear such revealing clothes.

Oh, you really think you can just educate me?  
Have you forgotten who you are now?

You, you are now just a prostitute working in some nightclubs every day, how dare to accuse your 'stepmother' of being too revealing after you return home from 'work'?

No..I didn't mean..

Besides, this is my body now.  
I could dress up like however  
I want. Who are you here to  
judge me?

I...I'm sorry...

A 3D-rendered woman with long, wavy brown hair, large gold hoop earrings, and a necklace stands in a modern outdoor setting. She is wearing a beige, off-the-shoulder, long-sleeved dress with extremely exaggerated, large breasts and a very tight, form-fitting skirt. She is holding a small red flower in her right hand. She is looking towards a blonde woman whose back is to the camera. The background features a grey stone wall, a wooden slat wall, and a black sofa with a blue and white patterned pillow. A white speech bubble is positioned above the blonde woman, containing text.

I asked you, have you been in a man's body for too long, had become less sensitive to the changes in women's body? Haven't you noticed any change to my body?

It costs a lot of money to have a pair of such big and real breasts. I used to be reluctant to do that surgery, but now of course it is a trivial amount of money for me as 'Wang Beiru'.

Of course, in addition to these babies,  
a matching butt is also a must. Thanks  
to your good exercise and protections,  
your butt is already very perky, and it only  
needs a little prosthetic lift to make  
it perfect.

How about some more minor plastic surgeries? I think your body is becoming more feminine under my lead.

You... make me look really like a  
dumb internet famous and  
extremely cheap.

Hum hum, you are not cheap right? But didn't  
your husband just run away with that woman?

.. that's because.

Men... they are just into  
this kind of simple and  
crude sexiness. You  
should understand that  
more or less now, right?

Otherwise, you wouldn't be doing  
that kind of thing quietly at  
home alone, right?

What kind of thing...I...I didn't

No? Hum, then let me help you to recall.

One afternoon

When Wang Beiru came back from the bar that day (the end from main story line), she naturally fell into madness. She tried to prove to everyone that she was Wang Peiru, not Zhong Shuyi. Unfortunately, no one believed him, and under the instigation of the fake Wang Beiru, she was almost sent to a mental hospital.

In order to at least live in a relatively free environment, she had to swallow her anger and play the role of the stepson she once despised the most, as Zhong Shuyi.

But at certain times, she would still struggle,  
even in the body of a man now,  
trying to find some of her former self.

My old yoga clothes got so small now.

Wearing a wig should make me  
look more like a girl maybe.

The same hairstyle as before.

Putting on the wig and feeling the familiar smell, Wang Beiru finally felt like she had regained a little bit of her true self.

However, before she could fully enjoy the time of dressing up as former herself, she was brought back to reality by the tightness in her crotch a second later.

Ah! How come it..

A woman with blonde hair tied back, wearing a light pink sports bra and matching high-waisted yoga pants, is sitting on a grey and yellow couch. She is looking down at her pants with a surprised expression, her hand near her mouth. A speech bubble above her head contains the text "Got... hard again." The background shows a modern interior with large windows and a view of trees outside.

Got... hard again.

She pull open the yoga pants, and a giant dick popped out immediately. After all, she is now in a man's body, feeling women's underwear at such a close range, it is inevitable to have an erection under the stimulation of female hormones, even if it's from her own clothes.

Looking at the cock in front of her,  
the pleasure of being played in the  
bar that day was recalled in her mind.  
Although she felt disgusted, she tried  
to hold the cock in front of her.

A close-up, profile view of a woman with short, wavy blonde hair tied back. She has a thoughtful expression, looking slightly to the right. She is wearing a light pink tank top. The background is blurred, showing an indoor setting with a yellow sofa and a person sitting on it in the distance.

Hmm, why does the it become this sensitive...

It must... be because of the skin im in..

She remembered that in the past, her clothes would sometimes be inexplicably stretched out, and yellow white chunks would often appear on her underwear. It must be that pervert Zhong Shuyi stole her clothes.

Just like what I am doing now.

She turned to look at the mirror. Even though she tried her best to restore her previous appearance, yet in the mirror it was still just a boy wearing women's clothing.

But somehow her hands moved faster and faster when she looked at herself in the mirror. She didn't even have time to think about blaming Zhong Shuyi in her heart.

She was like a boy experiencing the pleasure of masturbation for the first time. She just wanted to keep doing it until the pleasure hits.

Finally, accompanied by a series of complex emotions including anger, shyness, and curiosity, she ejaculated.

Ah ha... ah ha...

Looking at the puddle of semen on the ground, her mind went blank, and she finally became the most disgusting and despised version of herself.

What she didn't know was that all of  
this was recorded by the camera in the room.

A woman with long brown hair, wearing a grey dress and red heels, is walking away from the camera in a modern office lobby. In the foreground, there is a dark grey leather sofa with a blue and white striped pillow. To the left, a decorative plant with orange leaves is visible. The background shows a blurred office environment with a staircase and other people.

You...you installed a camera in my room!

That...that's not my original intention,  
it's all from the influence of this skin!

Oh Really? Oops, it seems I misunderstood.  
I thought you really wanted to change back  
to yourself.

I was ready to let you change back for a while,  
but since that's not your intention, just forget it...

A woman with short blonde hair is sitting on a white table in a modern, brightly lit interior. She is wearing a shiny, red, form-fitting bodysuit. She is looking towards the right side of the frame. In the background, there are blurred lights and a staircase. A person in a white shirt is partially visible on the right side of the frame, facing away from the camera.

Wait, can you really make me change back?

That's right~ Otherwise, why would  
I let you change into this outfit?

I still jsut want to hear it from your own mouth...

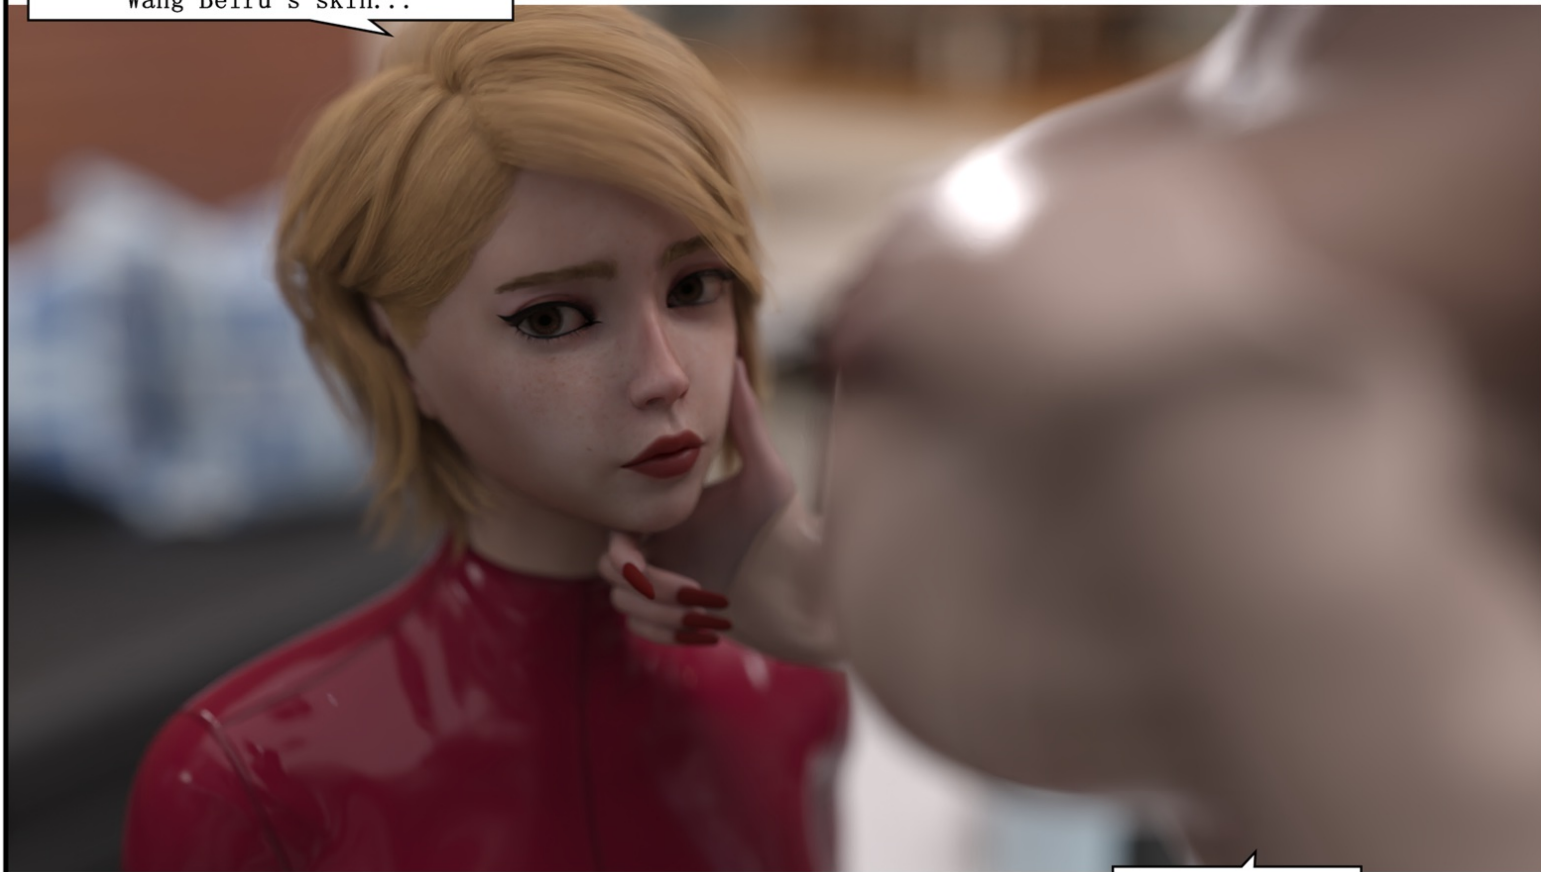

Tell me who wants to do what?

Wang Peiru knew that the person in front of her was teasing her, but to change back to herself, even just for a breif moment, she was not willing to miss the chance, so she had to do what ever she's asked to do.

I...Zhong Shuyi wants to wear  
Wang Beiru's skin...

Good boi...

Then...

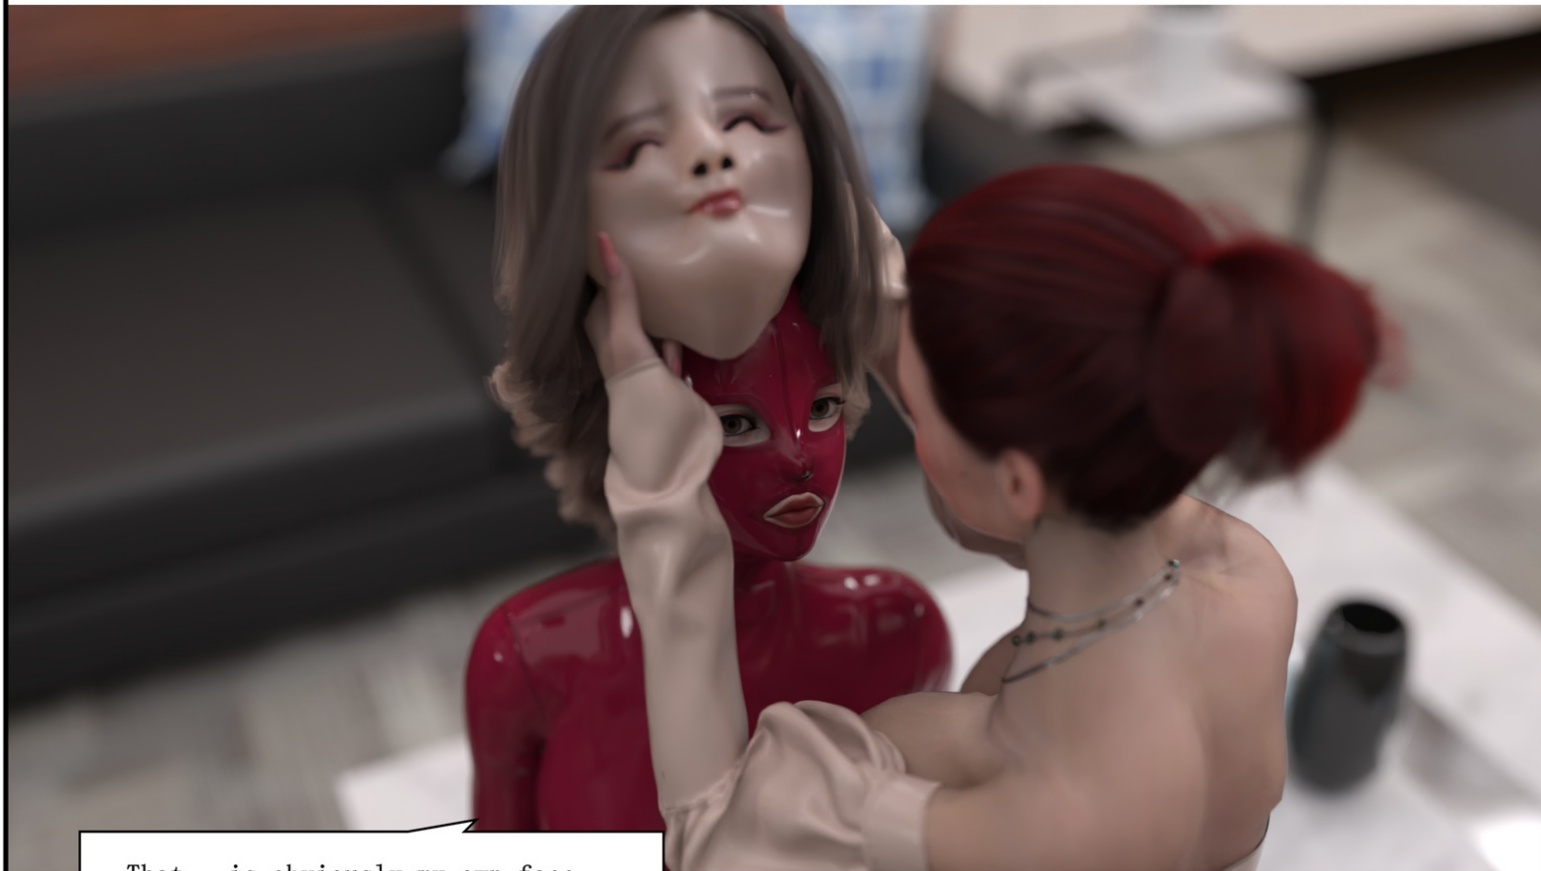

A 3D rendered woman with long brown hair, wearing a tan, long-sleeved, form-fitting outfit. She is holding her hands up to her forehead, with her fingers spread. She has large gold hoop earrings and a necklace with small black beads. The background is a blurred outdoor setting with trees and a blue and white striped cushion. A speech bubble is positioned to the left of her head.

Phew..

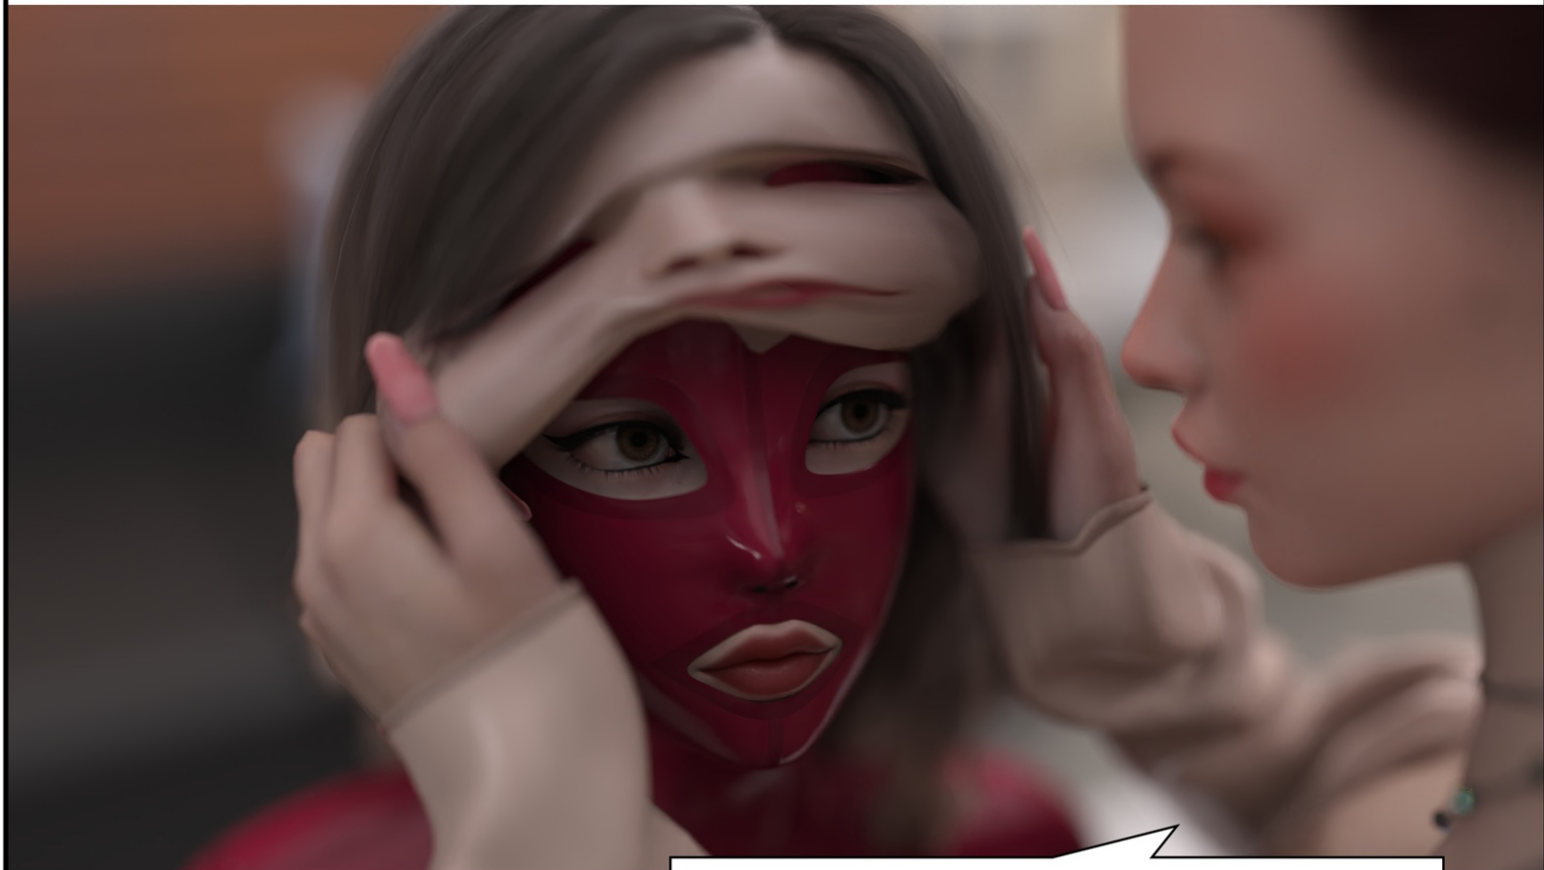

You want this pretty face, right?  
Let me borrow it to you today.

That...is obviously my own face...

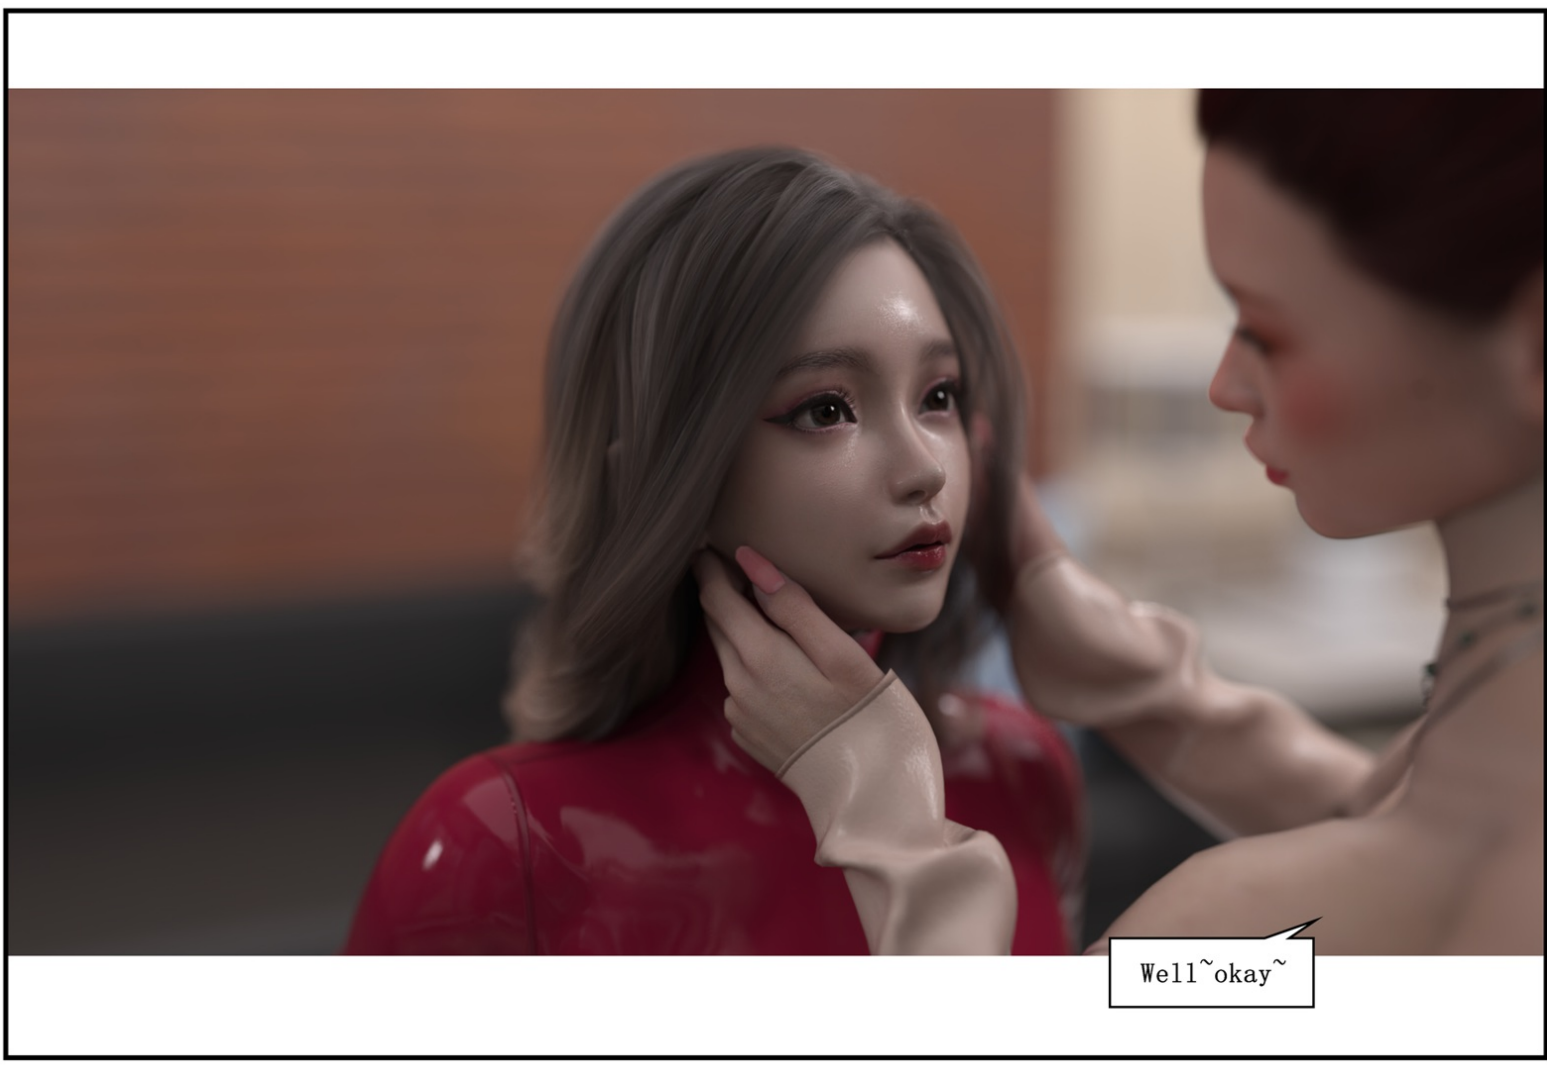

Shh, I won' t lend it to you if you say that again.

Well...

Well~okay~

You see it's kinda troublesome to take  
off your skin, I'm doing this especially  
for you you know?

Thank you...

A woman with red hair tied in a bun is wearing a transparent, form-fitting bodysuit that accentuates her large breasts. She is standing in what appears to be a modern building with large windows. To her right, the back of another person's head and shoulder are visible. Two speech bubbles are present: one from the woman in the bodysuit and another from the person on the right.

Such smooth skin that I can't  
bear to take it off.

You've never experienced such  
big breasts yet right?

Oops, I see you're getting hard down there just from watching me taking off you skin?

Ah, I... didn't mean to.

Stop pretending, it's not like I haven't worn your current skin before, I know what it feels like. It's really uncomfortable to hold that in there. Come on pull it out.

Here, the skin that you missed so much.

Looking at the skin taken off from the woman in front of her, and her erected dick, Wang Beiru felt indescribably complicated at this moment.

She has been quite angry and somewhat upset for being trapped in her least favorite person of the world recently. But she had to admit that these incredible things that had happened during this period had brought some changes to her boring life.

How about feeling like a woman again?

But, why is it so strange to wear the skin this time? It still looks very real from the outside, I don't have that sense of integration.

Humph, why do you think you're wearing the latex suit? It's preventing the skin from merging with your body.

So even though you are wearing it, it only looks different and your body still functions with the skin under that latex suit.

Ah? I feel...down there.. its..

You first layer is Zhong Shuyi's skin,  
the second layer is the latex suit.  
And the third layer of your own skin.  
However, because of the latex, the  
layer of your own skin you wear in  
the end could only change your  
appearance but not influence or  
assimilate your body.

Ah?

So, your dick won't disappeare.

See? Your cock is pushing up  
against your own skin.

Oh my God!

It's so drummed up, how about  
I help you with it.

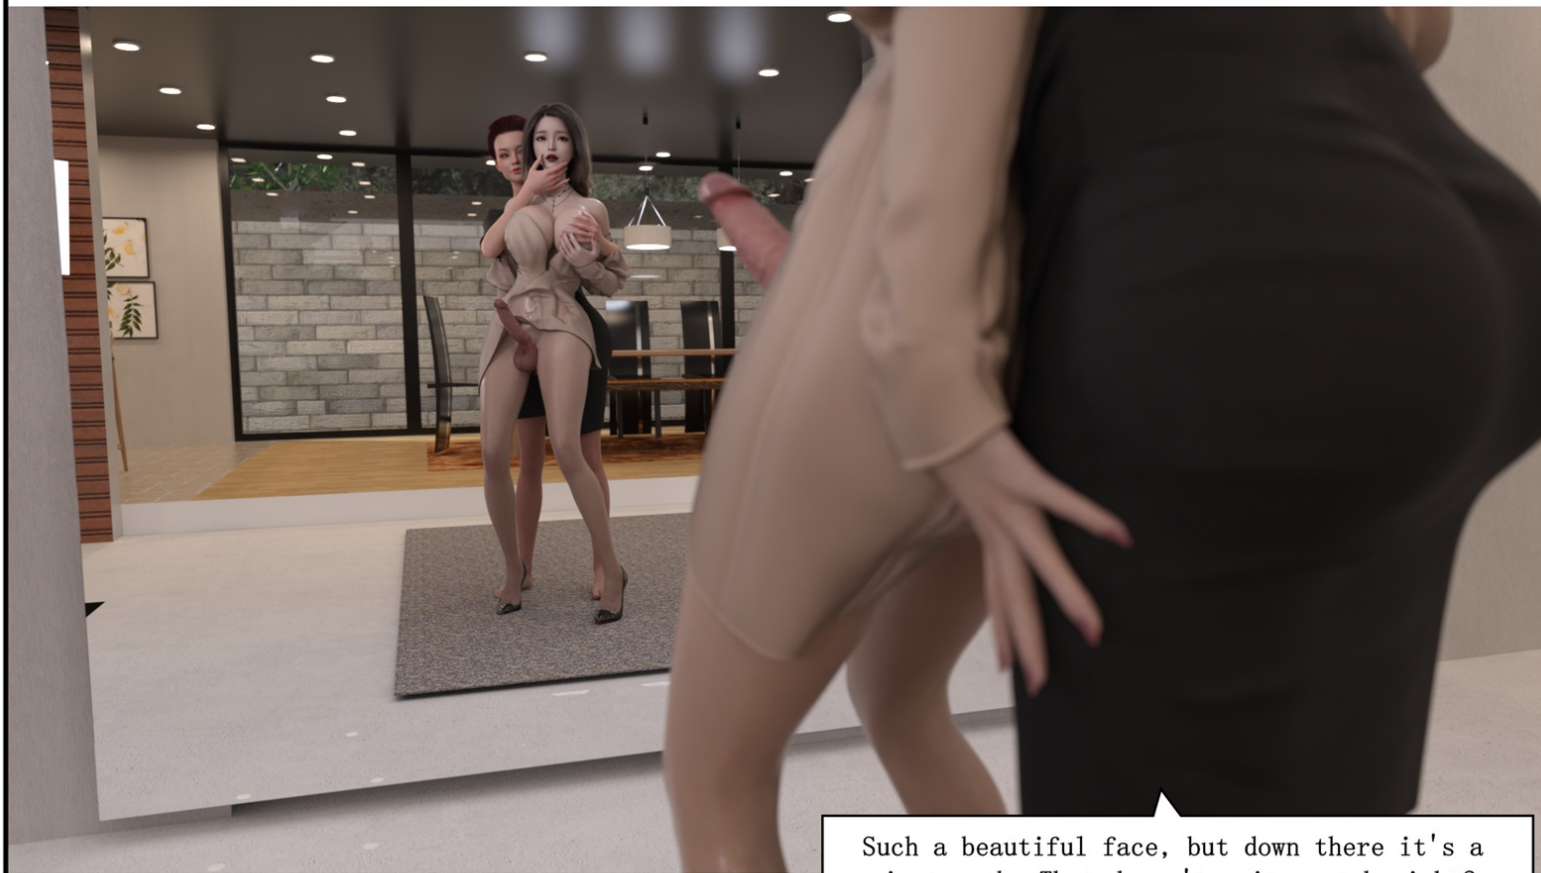

It's really ready to come out.

Haha, it's so hard now.

\*Pops out

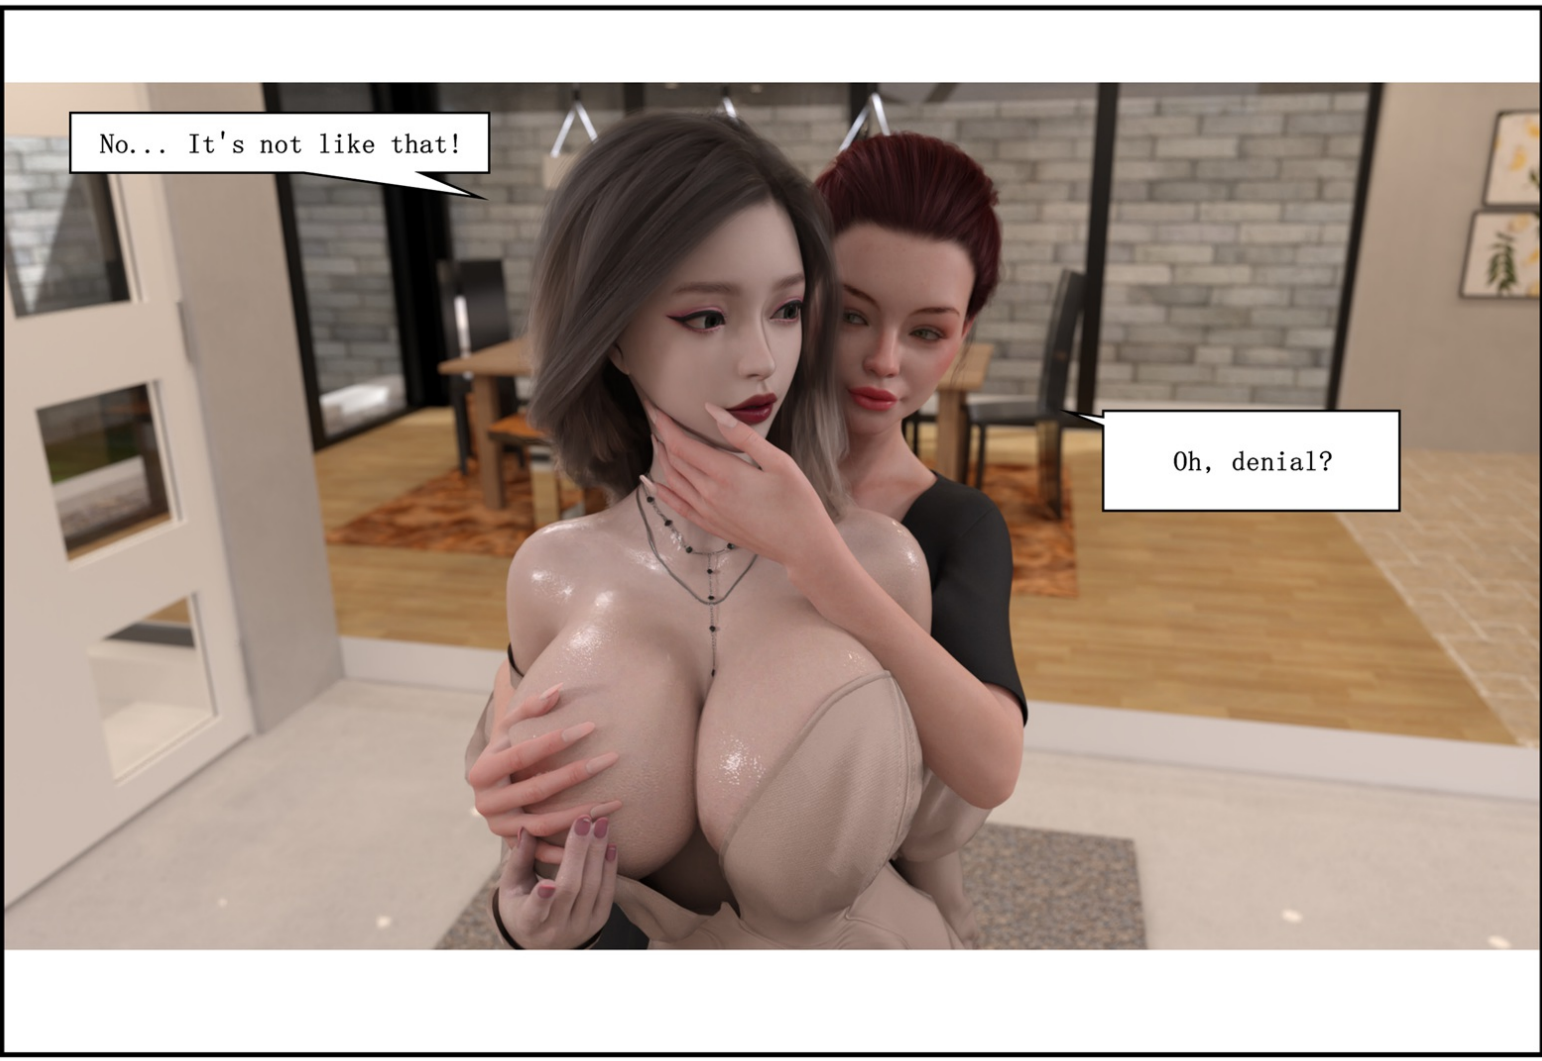

Such a beautiful face, but down there it's a giant cock. That doesn't quite match right? Isn't that strange?

You must also feel very stimulated,  
otherwise you wouldn't have an  
erection like this.

No... It's not like that!

Oh, denial?

Um. .

You have never experienced the feeling of having sex with a girl after being put in that skin right?

I originally thought that if you  
cooperate well, I can relive  
and try my old job today and  
help you with your virginity problem.

How about it, you want to cooperate  
with me and role play as a young  
virgin wearing mother's clothes and  
calling a call girl to come? The plot  
suits your current look very well.

Ah, don't rub my your glans like this...  
I'll...just play along with you.

How was my technique? Think  
you're gonna cum soon.

Yes..

Then take your time, have some rest.  
I'll find some sexy outfit from your  
closet. You are about can experience  
the pleasure of you life.

Wang Beiru was left alone below, she looked at the big door just around the corner and couldn't help but think to herself, isn't now the perfect opportunity to run out? Why not just escape and tell the people around what happened during this time to get out of the current predicament?

But why would I sit here obediently?  
Am I really expect anything more?

While hesitating, she saw her reflection in the mirror again. The woman reflected in it looked so familiar yet so strange.

My old self would never think that such exaggerated breasts could be called sexy.

But now, every time my eyes come into contact with these plump breasts, I feel hot in my heart.

Maybe this is really the difference between  
a man's perspective and a woman's.

She lifted up her skirt and looked at her slightly limp cock in the mirror.

It is indeed difficult to say that she is a woman at this time, even if she really meet some of her friends, it will still be difficult to explain everything.

Even when she looked at the chaotic scene in the mirror, she could hardly tell whether she was Wang Peiru wearing Zhong Shuyi's skin, or Zhong Shuyi wearing Wang Peiru's skin and imitating her.

This weird sense of perversion stimulated her, and she even began to look forward to what kind of clothes Liu Piao would wear when she came down.

Thinking of that, her dick erected again.

You didn't cum yet right?

How about it? I found this quite sexy to wear.

You don't need to answer, your  
little brother has already nodded  
for you.

I'm coming for you.

It's already quite hard, why don't you put it in? Can't you find the place to insert? What a little virgin.

Let your big sister guide you.

Ahhhhh

AAA. .

Ah♥Damn♥You really have the talent  
to be a man...Ahh♥ It' s obviously the  
first time, ah, but it' s so comfortable♥

How does it feel to be a man? Is it any good?

Yeah.

You are indeed suitable to  
be a boy.. In that case...

Then this face suits you better!

My...my face!

This face suits me better now,  
don' t you think so, Shuyi?

Her dick was tightly clamped, Wang Beiru had no time to think at this moment and could only answer obediently.

Ah, yes, I am more suitable as a boy.

♥Sure enough, I still prefer  
this young and beautiful face♥

♥Hmm~ Shuyi, please give me  
your first ejaculation. ♥

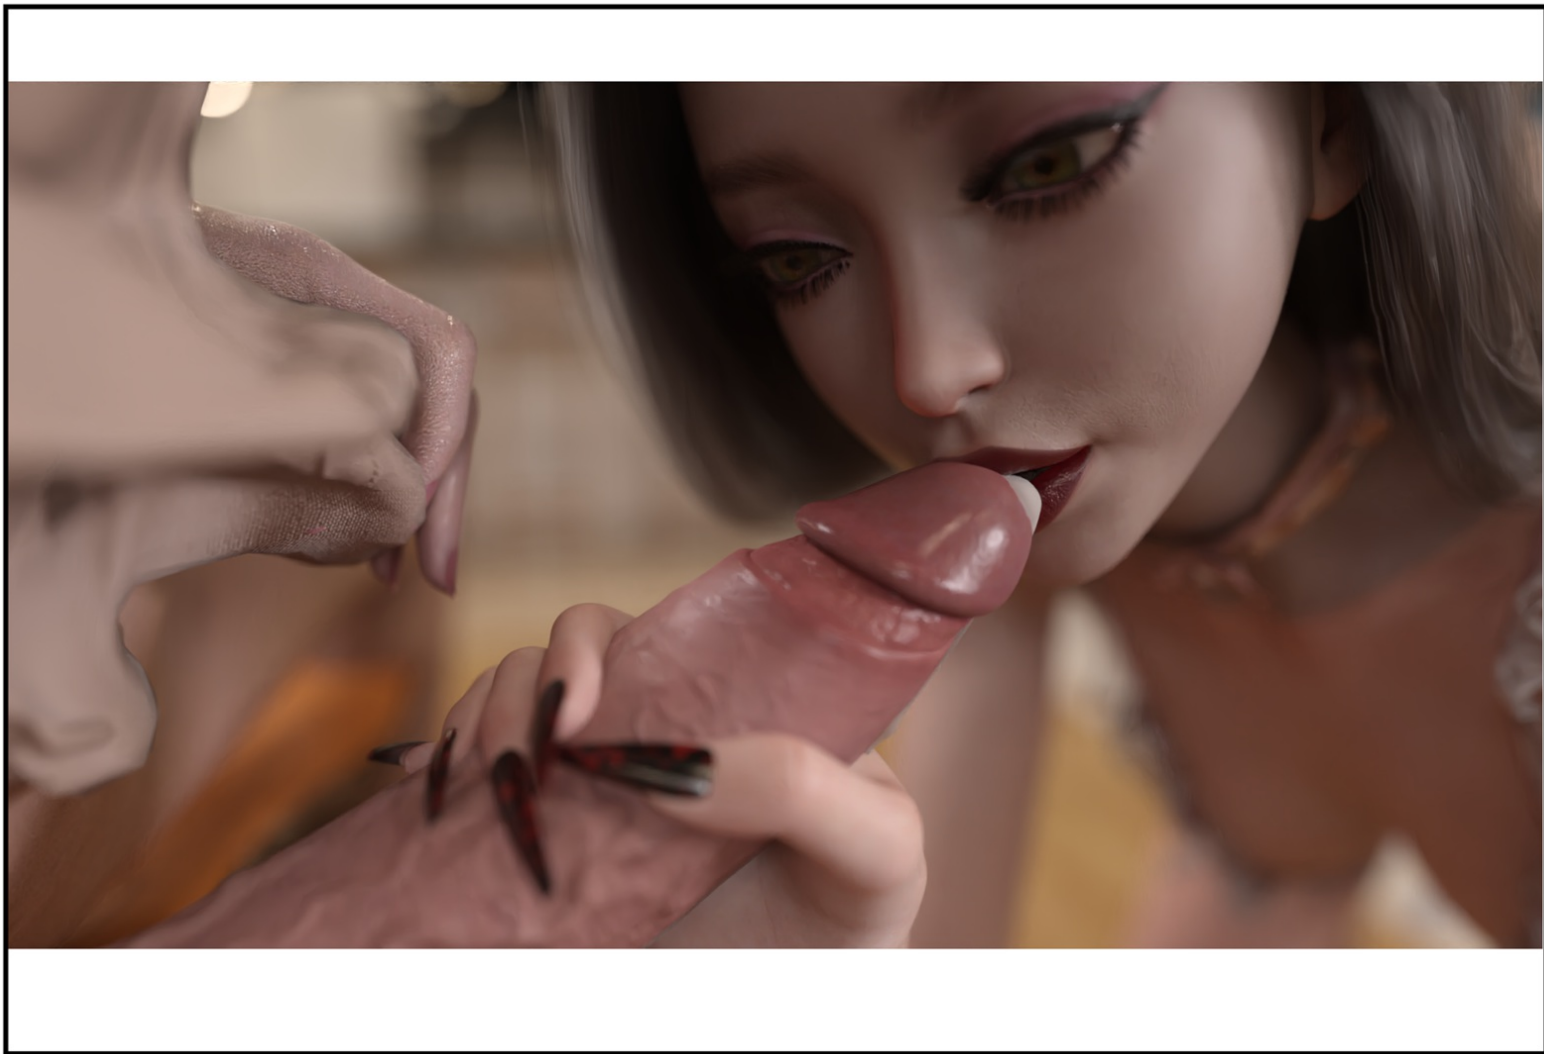

You... when will you lend me  
my skin next time...

Thinking about the next time already?

Of course it depends  
on your performance.

♥ Ahhhhh ♥

The lustful voice echoed throughout the villa. From this moment on, Wang Beiru gradually accepted her new identity.

The End
