

This is bizarre...I find my long time most favorite shoe, but i can't find Jim... This place is huge!

I believe this is my fault...

What? Who are you?

I work for the purse. We used to be so many but now, there is only me in here. Our job is to revolve the clothes, and don't let them get stuck.

What did you do to Jim? You said it's your fault!

No, i said it's my fault you can't find your shoe. See, it's my job, make the clothes free, to be pick up by you, when you wish for. But it is too much job for just one...

And like i said, there's just me now...

I see... But by any chance did you see anyone arriving here recently?

Oh yes, i saw it. A human boy, a blond one came from up there a few minutes ago.

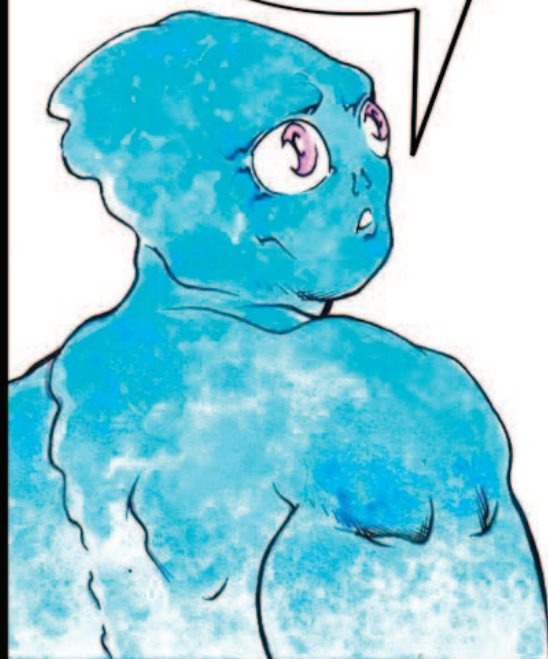

Oh my God!
That creature has a
giant cock! Blue and
veiny! It looks like a
blueberry popsicle.
And he was sniffing
my panties...

Fuck, it makes me real horny!
Forget it girl, you got to find Jim!
Don't look back, just follow the way!
You're a committed girl now. And your
boyfriend is missing... What a cock...
Big, blue and looks delicious... Stop
it! Don't go back. Forget it girl!
Don't go back! Don't you
dare to go back!

Excuse me mr. strange
creature who lives inside my purse!
I saw you sniffing my panties... And
i saw you're carrying some interesting
thing between your legs... May a have
a closer look, dear?

Oh...I-i-i don't know
w-what are you t-talking
about...

I am talking about this!
You panty sniffer pervert! This huge,
veiny, blue, massive cock! This blue
disturbing big , wonder! And you're
inside my purse all the time! I'm
not aware of this fact?

This was
inside my purse
all the time?
Owwnnnn...

Oh look at this! So huge that won't fit in my mouth...

Or my pussy... It would stretch it out... Oownn...

Uuuff... Need much self control, to leave this behind. But i'm a committed girl now.... If Jim cheats on me someday i'll be here to swing on your lap like a crazy one... But for now... I can't... But i'll allow you to keep sniffing my panties... Pervert!
