## What's inside Lilac's purse?

Inside Jim's ship, Lilac is bored... But suddenly she gets an idea...

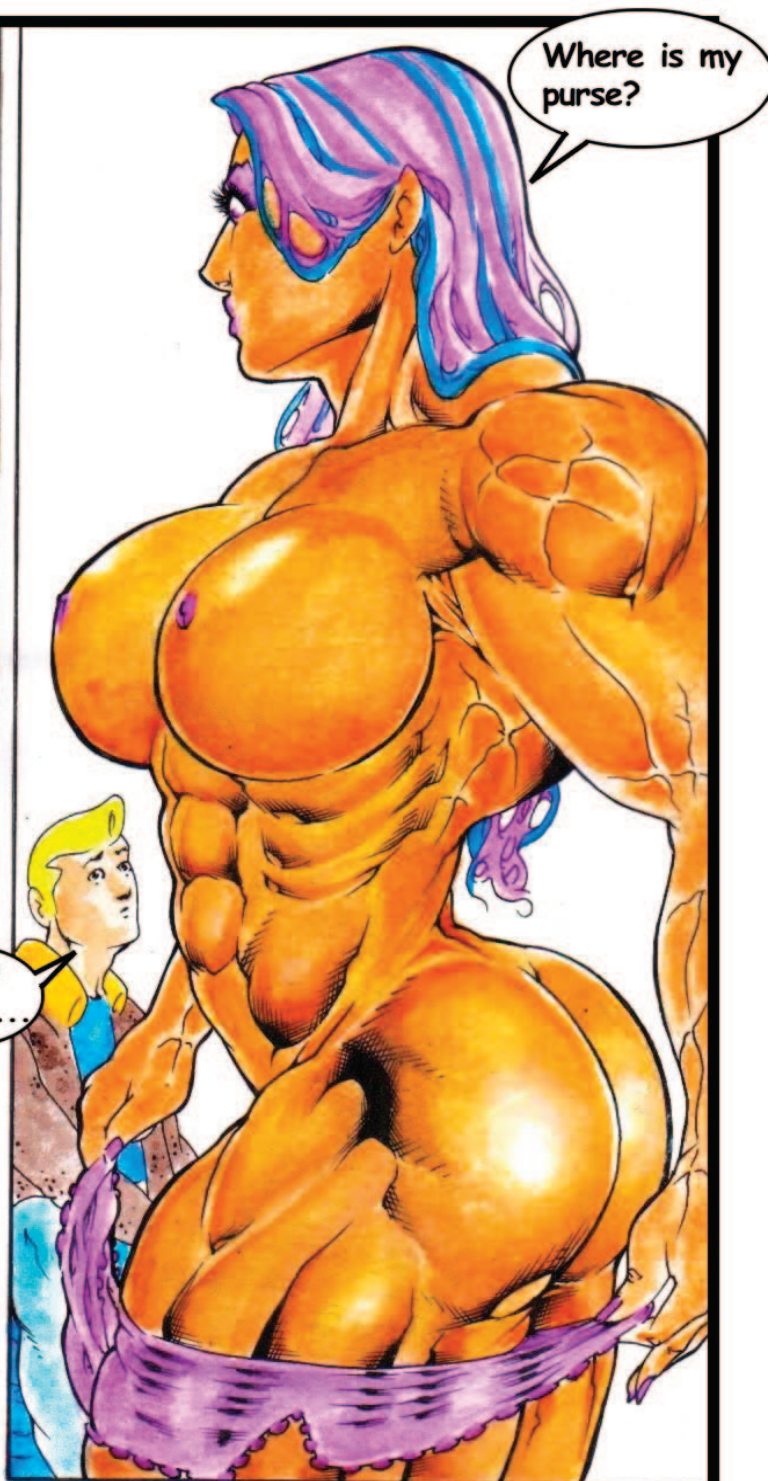

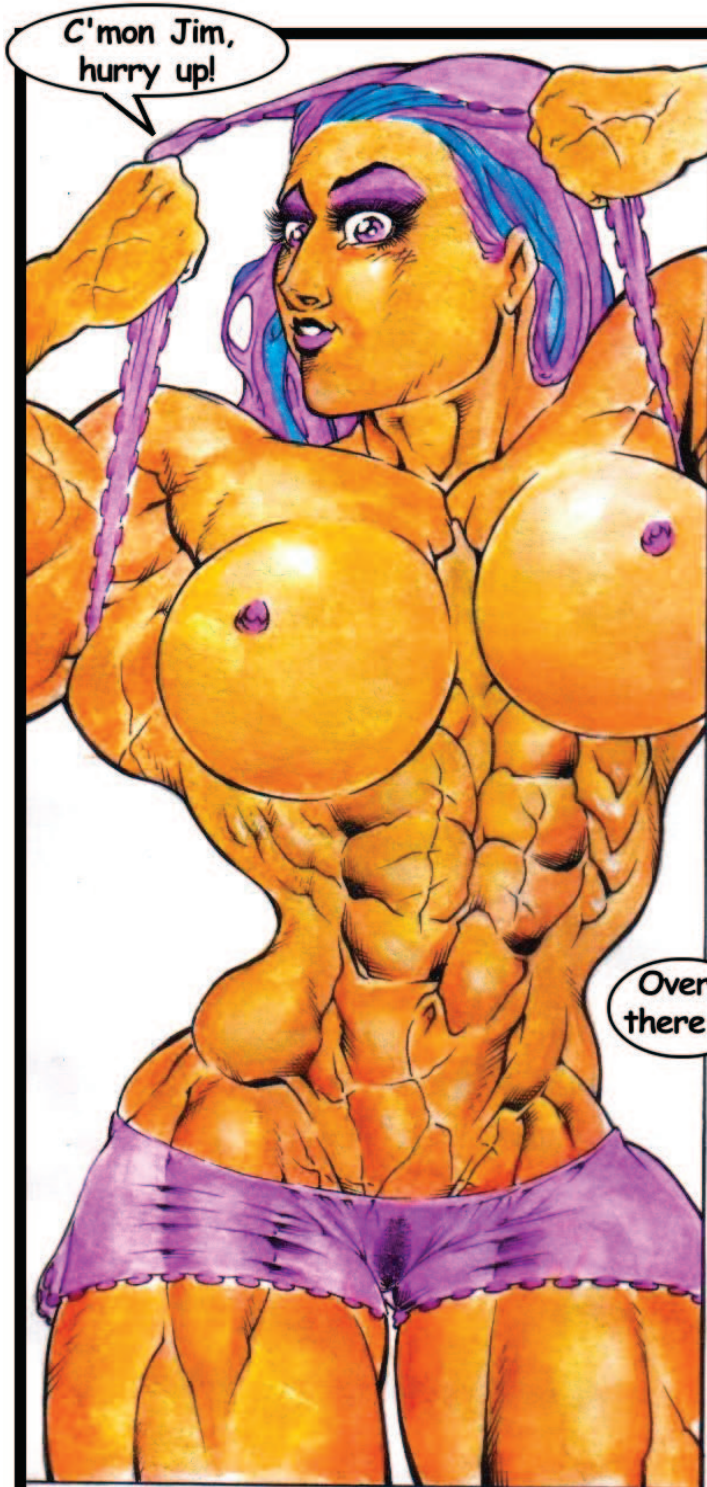

Let's go shopping!

Hmmm???

Now, where is  
my crochet lingerie?  
It is one of my  
favorites...

Holy  
shit !!!

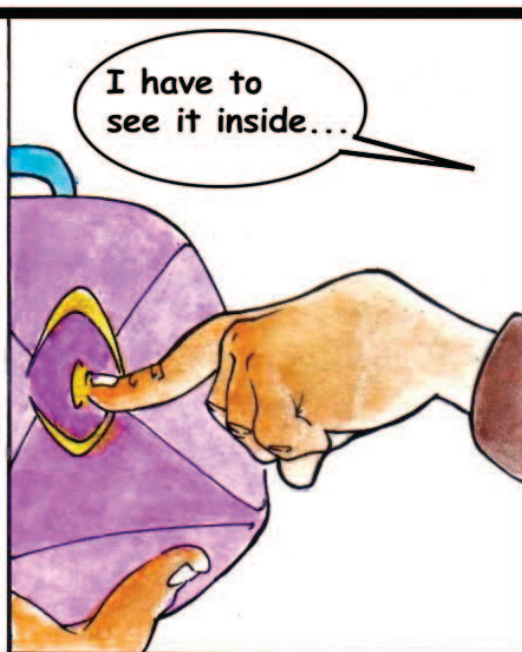

Oh here you are!  
That's a perfect  
outfit to go shopping!

I'm gonna take  
a bath! And you,  
get ready, i don't  
wanna miss the  
special sales!

It can't be.

As Jim lifts the flap of Lilac's little purse it suddenly SWALLOWS HIM!

Woomp...
