

I saw him!
He went
down the
pit, not
so
long ago.

Wow!

But why would he do
something stupid
like that?

Is the only way
to get out of
here! It is a
portal, you
know?

You're not trying to fool me, are you, mister noseless robot?

No i am not! I promess! I can even prove, i am telling the truth!

Yeah?
How come?

Oh Jim...
Where did you
go...?

Here!
Take a look
at this!

WWW.LHART.COM - 28

But this is
Jim's clothes! What
are you doing with
Jim's clothes?

You can't enter the pit
with nothing that is
inorganic! To enter the
pit you have to leave your
clothes up here, or the pit
will bounce you back...

You better not
be fooling me...

It's just jump?

Yes!
You
just
have
to
jump!

And i get all these clothes! Oh how i love it! It makes me look human! He...he...he... My precious clothes... Like P.T. Barnum used to say: There's a sucker born every minute...
