

CONSEQUENCES!

FEATURING ART BY STURKWURK

Sir, I understand you want to take these girls back to the "special area".

Y-oh god...yeah.

OK then - please just sign this form, and you will be a full member of the club, with all attendant privileges.

Oh god - OK...I - wait...why do you need this information on my wife?

That is required - just in case of emergency.

Well I - hey, where are you putting your hand - oohhhh god...OK - I'll sign anything you want!

Excellent. Girls, please show Mr. Anders an excellent time this evening...

Hi!
I'm Marlee!

Uh - hi. I...got a call saying that my husband
signed me up for a free treatment here at...
Club Lucky?

Oh goodie! That sounds like fun!

Um...yeah.
So - should I just go back now, or...?

Sure! They'll take good care of you!

Well, this place certainly looks nice, in spite of the terrible name. And that bimbo receptionist. Nice of Dan to get me a day at a spa like this. I certainly need it with him traveling so much these days.

Hey - what's that steam? Is the sauna leaking? That doesn't seem...hey...I feel sort of...sleepy...

This one is a little house-wifey for us, isn't she?

Well, we're pretty full up on college girls and twenty-somethings these days. You'd be surprised how many clients go for this sort of MILF thing, too.

I suppose.

Besides, she's the type that people like to really see get broken down. We'll have some fun with her.

Yup, should be all set.

Good - I think she's coming around.

This is your first time seeing one of them come online, isn't it?

Yeah.

Well this should be interesting then.

Ohhhh...

Oh my god! Who are you people?! What are you doing?! Where are my clothes!? What the hell am I wearing?!

Hello Beth - that's your new outfit for your new night job.

What?! What are you talking about?! This outfit is disgusting!

Oh, I think it's a perfect outfit for a slutty little stripper, which is what you'll be doing in your evenings from now on.

WHAT?! I'd never do anything like that!! Who the hell do you think I am?!

Actually Beth, I think you have a nifty little chip in your neck now that will pretty much let us make you do whatever we want.

Wh-what? That's impossible!

On the contrary - it's quite revolutionary technology. But don't take my word for it. Besides, it's time for you to go out and do some lap dances for your customers.

WHAT?! I'll never do something like that! I'm getting the hell out of here! I -

So, Beth - tell me what you are now.

I'm a slutty stripper.

You sure are. And what's your job?

To get as many men to play with me as I can.

That's...amazing! Wait - why is she still crying like that?

Well, for some reason we got a special request with this one to leave her awake inside there, even though she isn't in control any more. It takes a little longer for the chip to gain control of the tears, in this case.

Wait - so she'll be totally aware of what she's doing, even though she won't be able to control it?

Yup. And when she's sent home during the day, she won't remember any of it - at least until she comes back the next day.

Wow - that's...nasty.

OK Beth, off you go. Make sure you satisfy lots of men out there tonight.

Yes sir.

So...what happens if no one really wants her?

Well - she's been programmed to get progressively sluttier and more horny the longer she goes without getting someone to pay for her.

Oh wow.

And of course there are some other things we may try later if she's not popular enough. But we'll see how she does.

Hi there, I'm Beth.
Do you guys want to have some fun with me?

Uh - thanks I'm good for now.

OK - how about you sweetie?

Thanks - that's OK.

Are you sure? I'll be real fun...

Sorry - I'm not into older chicks...

Hey baby - do you want to play with me?

Uh - well, I'm not sure...

Come on...don't you like my big titties?

Maybe later...

Oh come on - you can suck on my nice big nipples...oh, that would feel so good...

Sorry...

*C'mon baby...pleeease play with me...
I'll be the best little slut you've ever had.
I'm...I'm Slutty Bethie!*

Oh man - I don't know...

*Please baby...you can play with my big titties
...you can even...you can even stick your fingers
in my wet, slutty pussy...*

*Wh-what? I thought that wasn't allowed
out here...*

*Ohh - I won't tell anybody. You can finger
me and feel how wet I am inside...
I'm soooo wet baby...*

*Oh god - OK...
let's go...*

Please...just a few more songs, baby...

I really shouldn't - I...

Pleeease...you can make me cum...

*Oh god - you are such a slut.
But I don't think I-*

*How 'bout if I make ***you*** cum?*

...what?

*A few more songs...and you can finger me
while I play with your cock...*

Oh god....

Oh god baby...I'm gonna cum...I'm gonna cum

Oh fuck...oh fuck me too...

Oh yeah - cum for me baby...but we gotta be quiet...we gotta be quiet so nobody knows...

Oh god...oh fuck...

Oh - oh G-fffuuuuugggggggg!!!

Thanks, baby. That felt soooooo good.

Oh god - you were amazing.
You are such a totally hot slut.

That's all I am, baby - I'm your hot little slut.
Will you come back and play with me again?

Oh yeah...

And tell your friends to come play with dirty little
Slutty Bethie?

Oh god yes...

Oh goody!

Oh my god - that's what happened after
an hour of trying to find a guy to use her?

Yup. And she's going to have to get at least two
more tonight - and ten by the end of the week.
She'll just keep getting hornier and sluttier till she
hits her quota.

God - how much more slutty can she get?

Well - I guess we'll find out...
