<groan> Ohhh...god...my head...what - what happened to...wait - Beth? I - who are you? Where's Beth?

Ah, awake. Hello Dan.

What the - am I NAKED? What kind of sick operation are you running here...!?

"Operation" <giggle> - an interesting choice of words...

Indeed.

I'm sorry to say, Dan, that you really managed to piss someone off - one "Nancy"?

*What, I - wait...Nancy my *ex-girlfriend*?
What does she have to do with any of this?*

I honestly don't know, but she wanted you to know that your original invite to the club came from her. Apparently if you hadn't decided to cheat on your wife like you cheated on Nancy with Beth, none of this would have happened.

*WHAT? She's crazy!
Whatever she paid - I promise I'll pay more!
I'll...*

Terribly sorry, but our business doesn't work like that. However - we thought you might like to take a little peek at what your wife and her friends have been up to this past week...

*What?! What did you do to them?!
Let me out of here!!!*

Hmm - I think perhaps we need something to keep Dan quiet while we show off our handiwork, and give the nanites time to start working. Nancy indicated that Dan had a thing for licking girls...Ursula, please take your clothes off and squat on his face.

Sir - what?! I-

Oh come now, you were warned that as my intern you would be required to be hands on. Or - other-things-on, in this case. Getting him more aroused will accelerate the nanites, as you know, and I'm certain you'll enjoy yourself.

I...I - O-OK...

Wait - what are you...oh my god, what are you doing?! I'm not going to - wait don-mmmm-mmppppphhhhh!!

OK then, why don't we take a peek at Michelle and Beth's first night together on the floor, shall we...?

Ohhhh...oh my god...oh yeah - right there...

Oh god..I don' wanna...I don' wanna...

Hey - that is quite the outfit.
You are kinda cute.
Want to go in the back?

No! Like, no - I don'...

Hey - sorry...no problem...lots of
other girls here...

I gotta...wait...dint they say they'd...change
me if I dint do things?

C'mon baby, take Slutty Bethie in the back...

Listen, you seem...nice, but I really prefer someone...you know...

Your - your friend looks kind of nervous.

She's new to this...in fact, I think this is her first time. Besides, isn't it more fun knowing she's a little...reluctant?
