<grooooooaaaaann>

Well, my dear, it certainly looked like you enjoyed yourself.

J-Jesus. He's really good at that. Oh my god...

Well - why don't you go get yourself cleaned up and take a little break - you look a little shaky there.

Y-yes sir. Th-thank you s-sir.

Now then, Dan - we need to keep you revved up here for a while. You certainly seemed to enjoy your little peek into your wife's new life this week.

Y-you b-bastards. Wh-what did you do to m-my wife? And Michelle? You made them...oh god...

And remember - that was only your wife's second day and Michelle - I'm sorry, Shelly's - first! Wait till you see what else they get up to! But in the meantime - aren't you curious what happened to Lily?

Lily? She's just a college freshman! What did you...

Hmm - I think perhaps we need something to keep Dan quiet while we show off our handiwork.

**OH MY GOD!
LILY!??!**

**You sons of bitches!!
What did you do to her!?**

ARF! ARF! <pant pant>

Once again your choice of words is quite amusing - but look, she certainly is happy to see you!

<sob> Lily - what are you doing? Stop! What's wrong with you?!

<whinnnee> ARF! ARF!

*She does like you, doesn't she Dan?
Of course, part of that is probably just
the saltiness that Ursula's pussy left
all over your face and neck...dogs do like that.*

*She's not a dog!
She's a girl!
Make her stop!
Don't let her lick this up...!*

*You're right - she's too well trained to
jump up on the furniture.*

Why don't we lower you a bit...

Oh god! Lily! Please - stop!

ARF! ARF ARF! <pant pant> ARF!

My goodness - I haven't sen her this excited since she's been transformed! She must really have a thing for you, Dan.

Please - stop her!
She's my best friend's little sister...
I can't...
I won't...

So...

This one was apparently something of an accident. The others were expected, but poor little Lily getting invited wasn't planned for. Unfortunately for her, apparently our current client has a bit of a nasty streak when it comes to this family, and didn't want to pay for another full chip.

I haven't seen that collar before. What does it do?

Oh, that is one of our nastier devices. It predates the chip - with much simpler, but less refined, techniques. Here, watch...

Ohhhh...wh-what? Where...why am I on the floor? And I'm - hey, why am I naked? Gotta get up...

OWWWWWWWWWW!!!

Wow - that looks like it hurts.

Indeed - the collar uses pain to discourage behaviors it doesn't want, to get the subject to stop trying them.

**<sob> Why can't I stand up?!
I've got to stand OWWWWWWWWWWW!!!**

Eventually, the subject gives up,
and when they do the right thing...

Oh god...oh god...I...wait...I - I can't...I can't remember how to stand up! Oh god... <sob>

Oh - oh that's...that's...

It's fairly nasty, isn't it?
Unfortunately for poor Lily here, it's just getting started.

Wh-who are you people? Why are you talking about me like I'm OWWWWW!! Wait - what, I OWWWWW!! PleaOWWWW!!

Why - why is it doing that?

I'll show you. Lily - I'm afraid you are no longer a girl. You are a dog now. The sooner you realize that - and act like a dog should act - the less you'll receive pain, and the more you will receive pleasure.

WHAT?! I'm n-not a OWWWWW!!!
No! I OWWWWW!!

For example - dog's don't speak, do they?

F-fuck y-OWWWW!! I w-won't OWWWWW!!!
<sob> a-arf?

a-arf! woof! I OW! harf harf! OHHH OWWW!!
What? I OWWW! OWWW-YIPE!
YIPE...h-harf! HARF! HARF HARF! OHHHH
YESSOWWWW!! <whine> <whine> <WHINE>
<WHINNNNNNNNNNNNEEEEE>

Jesus - she's whining like a dog already when she cums!

Impressive isn't it?
You hear how it's tuning her?

HARF! HARF! HARF HARF HARF HARFFFFF!!
AWWOOOOOOOOOOOO!!!!!!

That's amazing - she sounds more and more like...

Like a dog, right?
The pleasure and pain subtly pushes her until she gets the sounds more and more correct. Of course - it's now starting to burn out her language centers, which means we need to start on training soon.

Pllll-hurrrrr...plllleaa YIPE!
<whimper>...plssssYIPE

And there they go - she pretty much won't ever be able to speak again. Not that it will matter soon.

Ah, Miss Kristin!
Kristin is in charge of our kennels.
She'll be working on training with little Lily here.

Oh yes - I haven't gotten to do one of these in a long time!
Lily - SIT!

Nnnn-nnnnnYIPE! grrrrrrr...<whine>

OK, that was your one moment of resistance, to get your growl down.
But from now on...SIT!

GRRRR YIPE! YIPE!

<whine>...<WHINE>...

See, doesn't that feel good when you obey commands like a good dog?

<WHIIIIIIINE> <WHIIINNNEEE>

Oh such a good girl! Good dog, Lily!
Good girl!!

HARF! HARF HARF HARF
AWWOOOOOOOOOOOOOOO!!!

And there she comes again.

Now it will get harder and harder though - the more obedient she is, the more turned on she'll get, but it'll get more difficult for her to cum.

Is she supposed to be fully trained?

Oh yes.

Oh goodie, in that case...

Lick, Lily! Lick!

<whinnnee!!!> <whinnnnnnneee!!> YIPE
<whinnnnnnneee!!!>

Wow - she really doesn't want to do this,
does she? Has she ever licked a girl before?

Definitely not. In fact - I do believe little Lily
here is a virgin. From either sex.

Seriously?! Oh wow...let's fix that. LICK, LILY!

<WHINNNEEEEEEE>

MMMMMMMMM!!!! MMMMMMMMMMMMMM!!

OHHHH FFFFFFFFUUUUUUUUCCKKKKK!!!!

Good god - how long has Lily been cumming?!

This is actually one of the longest I've seen. That means the collar is having trouble overriding her aversion to licking pussy. It must really disgust her. Well - used to. Pretty soon she won't care about this or much of anything else.

What do you mean?

You'll see. Actually - the rest of her training will take a while. Shall we get some dinner, and then come back and check in them?

Sure.

GOOD GIRL!!! GOOOOOD GIRL!!!

MMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMM!!

<pant pant pant> <whimper>

How's our puppy?

All done, sir. She was really fighting it for a while, though, unfortunately.

Ah - well, that's the price of the collar. Where is she, would you say?

Probably...smart cocker spaniel?

Ouch.

Wait, what does that mean?

Unfortunately, the harder the collar has to work, the more of the subject's intellect it burns away. Some girls are left with still vaguely human levels of intelligence. Poor Lily, though...she apparently really fought hard...

...Oh god.

<whiiiiinee!> <whinnneeee!!!>

Yeah - she's going to be a horny one now.

My goodness, I can see that.

Will she always be like this?

Pretty much. Breaking her of her aversion to licking pussy probably broke her of her aversion to....well pretty much everything. She'll pretty much fuck anyone...or anything...that takes an interest in her. ...are you OK, my dear? You look a little green.

I'm...fine. Just - promise me no matter how much someone pays, you'll never let anyone use that collar on me...
