# Previously, in Trade-In...

When Dan heard about a secret procedure that would let him trade in his wife for access to a cornucopia of sexy women available for his pleasure, he thought nothing of it...

...until he noticed the mysterious Mark on the shoulder of his wife's friend, Maya.

Unable to resist temptation, Dan added his wife, Betsy, to the program...only to be overcome with guilt and promise himself he wouldn't use it...until he realized it was already too late.

Dan took advantage of his newfound power in many ways, reveling in the shocking things he was able to do, all at the click of a mouse button.

Dan started to realize, however, that all was not as it seemed. Dan followed the clues to discover...

...what, precisely? Dan and Betsy find themselves back in their home, but with sweet wife Betsy's lovely body modified in shocking and demeaning ways, but no memory of what had transpired to leave her in this state.

But at least that was all over now...and Dan had seemingly escaped unscathed...

Man, you're sure you're OK?

I'm sure - just a little weak and tired.

You heard Caitlyn quit?

...yeah.

I heard some weird stories about her too, man - you wouldn't believe it.

...uh...probably not...

Say, how's Betsy? We haven't seen her for a while - we were thinking about having you guys over.

Umm...

By the way - what's with the tattoo on your neck?

I...uh...what tattoo?

Heh...wait, seriously..?

-Dan, can you come check in with me?-

Uh - yes, Susan, be right there. <click>

Man, can you believe they sent her over from the main office to replace Caitlyn? I heard she was *\*pissed\**. But they probably wanted to get rid of her...

Oh come on, Susan isn't that bad.

Yeah, that's why they all call her "queen bitch". Well, good luck.

Uh - Susan? You wanted to see me?

Yes, Dan. Why don't you come in and close the door.

Is - is everything OK?

Well, you've been out a while, and I wanted to discuss some new...positions that you might be a fit for.

Really? Like...a promotion?

Well...let's just say it's an opportunity to work more closely with me...

Holy crap, man - everything OK?

Uh - yeah, why?

You were in the queen b- ...uh, Susan's office for most of the day.

I - yeah, she...actually she's pretty nice. She wants me to be her...understudy. That's what she said, anyway.

Really? Wow! Maybe Caitlyn quitting will be good for you. Or you're just good at sucking up to the boss - heh, heh.

...yeah. Listen, I gotta go...

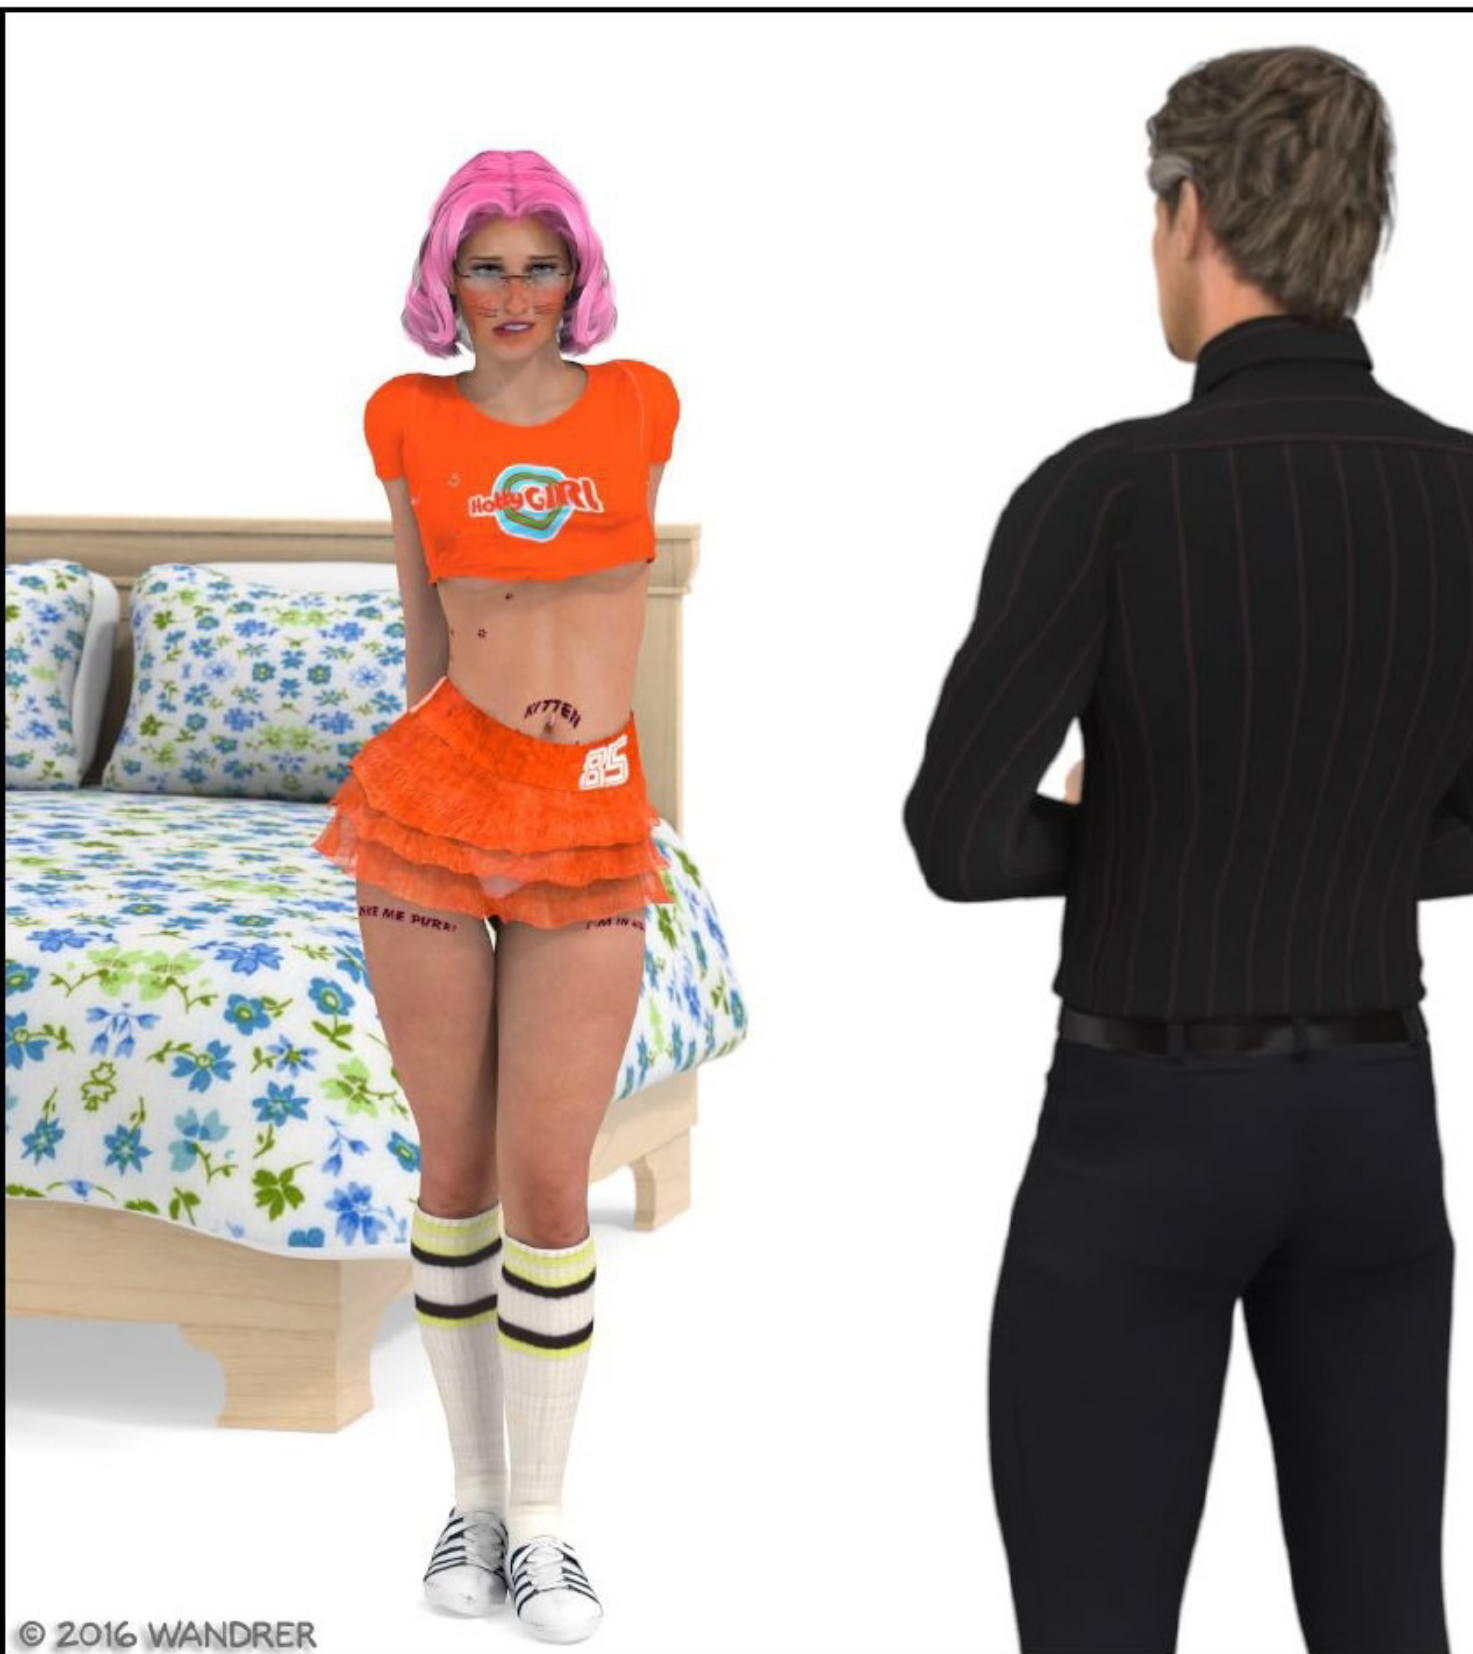

Uh...honey? I'm - I'm home...

Hi...I - um...jutht a minute...  
getting ready for work.

Oh, right, forgot you were  
working tonight. You - you  
OK?

...yes. I - I couldn't...I didn't  
clean up. You know, other  
than...

Of course! I'll get it - don't  
worry about it.

Oh my god...I still can't believe I have to wear thith.

I know - I'm sorry. It's only for a little while till we have a little more money again.

You get thome retht. You

I - I actually feel pretty good.  
A little tired, but-

Well - don't overdo it.

And Betsy - oh god, I am so sorry, Betsy. I just wish...I wish I'd never...

Girls tell me I am, Susan.

Oh my! Well - this red mark may have been worth it after all. But...let's make a few little tweaks.

[ NANO-CAM ]

Please, mistress...may I lick your pussy? Please?

<giggle> You know, in your performance reviews, Caitlyn always complained about how aggressive you were.

Do - do you want me to be aggressive, mistress?
