Dan and Betsy's mysterious escape from Anna's clutches in Trade-In is beginning to show its true consequences. Though Dan has returned to work, portions of his day have gone missing - though he is having difficulty remembering that.

Strange, vivid dreams haunt Dan when he closes his eyes - dreams that are both disturbing and...arousing. Yet when he wakes, Dan finds it difficult to focus on those strange dreams, even though he feels they are somehow important.

Betsy, meanwhile, has been attempting to find a job that she can hold down, given her new, somewhat less professional look and voice. Unfortunately, she finds that she cannot control certain horrible urges, and in acting on them loses the one job she could get, in the most humiliating manner.

What do Dan's strange dreams mean? Why does he keep growing thinner? And can anything stop Betsy's humiliating urges - both in public and at home...?

For now, it is time for Dan to pick up his morning coffee, where he runs into an old friend...

Hey! Dan, right? Where've you been? Usual morning brew?

Oh, uh...hi...uh, Erica, right? Yeah, uh, usual please.

Wow - you lost a bunch of weight, huh?

Yeah - I've...been sick actually...

Oh - wow, I'm sorry-

No - it's OK. I'm much better now.

Good, I...uh...

Thanks for the coffee - see you soon.

Uh...y-yeah...I - I think so...

Ugh. Why am I so tired? I just...can't...zzzzzzz....

[NANO-CAM]

Ma'am - I'm really not sure I should be-

Oh come on, Lauren - you want that promotion, right?

Y-Yes, but...

And I know you've had a bit of a thing for Dan, even though he's twice your age.

B-But he's married!

Oh, don't be such a little girl. No one will ever know! Now... what do you fantasize about with him? Be honest...

[NANO-CAM]

OHHHHH GOD!!!! OHHHHHH!!!!
OHH YES!!! FUCK ME!! FORCE
ME TO BE YOUR DIRTY LITTLE
SLUT!!!

My goodness, Lauren - who
would have thought such a

MMMMMMMPHH!!!!
MMMMMMMMPPPHHHH!!

Oh, stop whining! I'm sure you're enjoying at least part of this - Dan here is quite good with his tongue...and we'll eventually get you trained-

MMMMMMMMMMMMMM
MMMMMMMMMMMM!!!

Oh, you're cumming. That's better. But I'm not getting off your face till you make me cum too...

Poor thing - I don't think she's ever cum so many times. Guys normally can't get hard four times in a row like that.

No Ma'am.

Well, I guess I'll have to call into work to let them know you've been helping me "off site" today. Then I think I'll wake our little intern up and train her a bit more on pussy licking.

Yes Ma'am.

So what's the problem?

See these errors? It's almost like his nanocams and his own recordings are cycling somehow. And..there are other anomalies in the nano-network.

Hmmm...any issues physically?

No - you can see he's already progressed past stage 1. We were about to enable the new class of Mods for him. Though - Ma'am, I really would recommend at least another six months of testing before-

No, if the prototype is going to have problems, I'm fine if it's with him. Just reboot him - we'll see if that makes it better.

Yes Ma'am.

Oh look - he's getting another request already! Popular guy...

[X284]

Oh my god, I can't believe that worked! <giggle> I should have come up with a scenario, but I couldn't wait to see if you really were available.

Erica, who is it? Who are you talking to?

Daisy, sweetie, come in here! I have a surprise for you!

What is i-OH MY GOD!

<giggle>

I'm - who is - what is a guy doing in our apartment!??!

You should see the look on your face!

Erica! This isn't funny! I don't have any clothes on!!

Oh, don't be such a prude - besides, he's Marked! Here, watch - Dan, take off your clothes.

Marked? But - I thought only girls could be...

EWWW!! I don't want to see him naked! Make him stop!

No! I kind of like him like this. Besides - I thought that since you've never had sex with a guy...

...what?! You think I'm going to...! With him?! Gross!

[NANO-CAM]

Aww...come on...you know I've
always fantasized about a
threesome...

[NANO-CAM]

Arf! Arf! <pant> <pant>

<giggle> See! Look how friendly Dan is...hmmm...I think he needs a better name. How about...Buster! Who's a good boy, Buster!?

ARF! ARF ARF!

OK, I've had enough. You can play weird games with him if you want to. I'm going to get dressed and go somewhere else. Let me know when he's gone.

<sigh> Well, I was hoping not to have to do this, but...

[NANO-CAM]

Wait...what? Why can't I move?! Erica...oh my god, what are you doing!?

I'm sorry, sweetie - I...I just can't resist.

You promised we'd never use mine! I only got it for my research!

I know, but...oh god...I - I just... the thought of you with a guy gets me so hot...

Erica!

I've got you set so that you'll forget it happened afterwards anyway...just go sit on the couch...

ERICA!!!

[NANO-CAM]

...that's right....spread just like that...oh, that's hot...

Erica, please...

Let me just add a couple more things here...

You can't - I - ohhh...ohhhhh!
Wh-what - oh my god...what did you do??!

Welllll...I might have made you a teensy bit more...horny... and...
