Danielle's life has fallen apart. She knows her name was once something other than Danielle - but now she can't even remember what that was.

Forced by Anna and the mysterious scientists to clean up the aftermath of the debacle with Danny and Julie - horribly conscious the whole time even though it is clear she wasn't supposed to be - Danielle thought she had reached bottom. But she was even more horrified as Anna forced her to perform with Betsy - all to convince Betsy that she was, in fact, just a sex bot all along.

Perhaps the worst and strangest of all - Anna somehow swapped her mind with Betsy's, leaving Danielle to experience

Oh god...what have I done?

What do I do...? <sob> What do I-

Hey honey - are you OK?

Wh-what? I - oh...Erica - I -

Oh - have we met?

Don't you recognize-? ...Oh.
Of course not. No, I'm sorry -
I - I just...read your name tag...
I <sob>

Oh - sweetie...don't cry!
Whoever he is, he's not worth
it!

Listen, you want some more
coffee? And someone to talk
to?

Uh - yeah, maybe. I-I'm
really...my name is...Danielle?
No...wait - it's not...it's...it's...

QA CONTROL ENGAGED: RETURN TO RESIDENCE

[X284]

Wait - what?! Dammit! Not now!

I am sorry. I have to leave now.

Huh?

No! No, stop! She can help me! I don't want to-

I am sorry. I have to leave now.

Are you OK? You sound... funny...

I am OK. I have to leave now.

Thank you for the coffee and someone to talk to.

Goodbye.

OK, I-uh...

Wait - it can't be...is that a pink-

...Dan?

QA COMMAND: ENTER AND AWAIT FURTHER INSTRUCTIONS.
ENTERING VERBAL COMMAND MODE.
ENTERING QUIET MODE.

GOD DAMMIT! <sob>

Turn around!

What does that mean,
'Further Instructions'?!?

Why am I going home?

[X284]

C-Carl? What are you doing here, you son of a bitch!?

Hello Dan. Or I guess it's Danielle now.

Get ou-wait...why am I whispering?

Oh, that would be quiet mode. You can't really cause trouble, but I thought it would be simpler.

W-wait...you're the QA Tech?!

That's right. Anna hired me a little while ago. Best job I've ever had - and it just got better.

But - but -

Awwww, come on Dani aren't you happy to see me?

Actually - act happy to see me. Nice and bubbly and chatty and obedient...

Hi Carl! It's sooooo good to see you!

There you go. Boy, Anna was right - you sure are cute, even if you aren't done baking yet.

Gee, thanks Carl!

Why don't you strip down for me - let's see how you look.

OKEE-DOKEY!

Yeah, pretty cute - though...
ugh, how long till that cock
goes away?

Anna said twenty or thirty
more times cumming! But I
came in my mouth about ten
times while watching the
videos of Betsy being
humiliated! So maybe ten or
twenty left?

Heh - did you like watching me
fuck your wife?

I hated it! But I came all over
my face watching you fuck
her while she fisted Jennifer!

Awesome. So - Anna said you
can actually suck your cock...
why don't you show me?

OK, that's kind of fun, I guess.
Do you like sucking yourself,
Dan?

Whoof Dan?

Hah - right, sorry...I meant
Danielle...

Oh! Mo, I hate it! Ephpecially
simphe it meamph my cock
will go away phooner!

Good. Why don't you act like
you really enjoy cumming in
your mouth for me, as
punishment for calling me a
bad name.

MmmmmOK! Mmmmm Mmmmm
Mmmmmmmmm!

You can revert to your normal
personality once you're done.

mmmmMMMMMMMM
MMMMM<GULP><GULP>MM
MMMMM!!!

Oh my god - you...you...

Ah ah ah - wouldn't want to have to go again, would you? You don't have too many of those left. Besides - according to Anna, you should be getting used to that by now, at least on yourself...

<sob>

OK, I was going to wait till later to try this, but...I can't resist. Why don't you stand up...

Wh-what? What are you-

ENABLING SENSORY OVERRIDE. (QA ONLY). SIMULATION
TARGET: X284 OVERRIDING SENSORY INPUT...COMPLETE.
STARTING DIAGNOSTIC TEST.

[X284]

What - what's going on?
Sensory override? What-

Man! You really are buggy,
aren't you?! You shouldn't be
able to see any of that! Or at
least not aware of it, anyway.

Wh-what?

That's why Anna assigned
me. Well, partly anyway.
Something is really wrong
with your install.

What is all this, Carl?!

Well, I've put you into
simulation mode. Once the
diagnostics are complete -
well, you'll see.

What - ohhhhhh...I feel weird...
dizzy...

That'll pass. When the nanites grab control of your sensory input, it takes a few seconds to adjust. I think it may be the added lag since it has to process and rebroadcast everything you're feeling. Just...modified.

Wh-what? Modified? I don't understand...

Don't worry your pretty little head about it - it should be done now anyway. And in about three seconds we should see if this thing really-

OH MY GOD!!!! WHAT DID YOU DO TO ME?!?!

Heh - I guess it works. Glad I left you on quiet mode...

Oh god! Oh god! Please - I can't be - this can't really -

What's the matter, Danielle? Feeling a little...funny? Here, let me take a look at what you're seeing...and feeling...

ohmygodohmygodohmygodoh
mygod...

Awww...Danielle! You sure look cute all preggers like that!

Please! <sob> Carl, what did you DO?!! Oh god - I feel...feel so...

Huge? Bloated? Like a cute little whale?

Please! You can't leave me like this!

Oh quit whining - it's not real. Yet, anyway.

Wh-what? But - I f-feel...

Oh, I know. The simulation overrides all of your senses to give you the...full experience, as it were. Great for testing and design. Here - how about this?

Unnngggodddd! What did you...unnghhhh!!

What's the matter Danielle, feeling a little...full?

H-H-hhhheIIllppp!!!

We had a test subject get actually stuck like this - and she pretty much has to be milked four or five hours a day....

M-milked? Oh g-god! N-No p-please...l...oh god...<sob>

It's the only way she can get relief. It's surprising how urgent that feeling is...

I - l...oh god...m-milk me! P-Please!!!

OK, that's sort of hot...but let's try something else...

Oh my gawd! Like - what'd you do to me?!

Ooo, that's cute!

Ohhhhhh...why'm I, like, soooo hornyyyy?

Yeah - that's a weird side effect of that one. Or we could go with...

Oh my heavens! <sob> Wh-
what have you done?

You know, you're not half bad
as a MILF!

Young man, I - nngg...C-Carl!
P-please...

No? Something else, then.
Ooo - here, we could try a
couple of the experimental
ones...

WHAT?! You - you can't really do-

Actually, this one's easy. Not approved for general use yet, of course, but we can pretty much make you whatever colors we like.

This one's pretty popular these days, though. Or maybe-

Adorable! Hmm...maybe I'll leave you like this...

You c-can't!

Actually, there's a girl in the lab who got stuck like this after a prank by one of the other technicians. Though honestly I feel worse for him, since she was allowed to pick a punishment for him as an object lesson. Her, now, I guess.

Carl-

Of course, I always thought

this would be fun combined with this...

Oh my GOD. I - you can't really do this to me?!

Well - this one is highly experimental. I don't know if they've actually tried it on a human, but we do have a few adorable tiny German Shepherds wandering around the office, and they seem OK.

Oh god - why is my voice all squeaky like that!!!

It's so cute! Like a little cartoon character...hmm... maybe I'll see if I Anna will let me actually do this to you... you'd make a cute little pet...

C-Carl! P-please...

Oh, speaking of pets...!

Wh-why can't I thstand up?

This one is sort of slow - just like the transformation itself. It's a lot more work for the nanites.

Ohhhh god...I f-feel tho weird! What - whath wrong with my thounge?!

Oh, your tongue will be the least of your worries in a moment...

<sob> Pleathe! I d-don't want
to-turrrhhh...HARF!

Whoops, there goes your voice
box.

HARF! HARF!!
<Whinnnnnnneeeee>

Wow, that is sort of adorable!
It must feel really weird to
physically only be able to
make dog sounds though...

<whinnnnnnnnnnneeeeeeee>
HARF! KRUFFF!!

Don't like it? Well - we could
always switch on some of the
mental stuff...here you go...
just for fun.

Probably time to move on,
though...

whine? Whine whine? Bark!
Bark!

Heh - that is sort of funny
without the headphones.

Sex please? Sex please?
Whinnnnnee.

HAH! Well, that pose is
awfully tempting but - ugh,
that cock. We're going to
have to do something about
that, I think. Though seems a
shame to just lose it right
away. Hmmm....

Oh my god - I...I was...I
couldn't... <SOB>

Think? Other than as a dog?
I told you - that's the full
upgrade. We've never tried
that one for real though...

But...see - you shouldn't
remember any of that. Yeah,
something's definitely wrong
with your code...

Wrong with my code?! I'm not a robot! I'm a guy!

Well...sort of.

Shut up! <sob> You can't do this to me! I - I - I can...I'll-

Yeah, OK, let's just get this out of the way...I was going to wait till later, but - I have the overrides, and it'll make things easier, so...

I...I...ohhhhhh oh god...wh-
what...what did you d-do to
m-me?

Why Danielle - whatever is
the matter?

Oh god...oh god n-no...I - I...I c-
can't...

You seem to be in a little
distress. Something
bothering you?

I - I...

Something you need?

Oh god <sob> Carl...please...I - I need YOU!

Me? My goodness Danielle...I didn't even think you liked me...

What did you do to me!?!? I - oh god p-please! Please Carl...

Please what?

...Please touch me!

Touch you? How?

<sob> However you want!! Do anything you want with me!!! I need it!

Oh god please...<sob>...I need you...

That's sweet and all, but I'm definitely not doing anything with a guy.

But...I'm not a guy!

I thought you just said you were...?

N-no! <sob> I have a pussy! Feel how wet it is! <sob>

But you do have a cock, Danielle...too much of a guy for me...

Oh god I - I...do you...<sob>...do you want me to get rid of it? It - it won't take me long! I - do...do you <sob> want me to... to suck it? Here I'll-

Oh no - in fact, if you do anything to make your cock cum, I'll just turn you into that dog thing and turn you over to the main office for... assignment...

Oh god...no...please...what do you want me to do?! I'll do anything!

Hmmmmmm....

Tell you what - I need to think a bit, and maybe do a little work.

Oh god...please...I c-can't...I need...<sob>

I suppose I could let you suck my cock for a while, while I'm thinking about what to do next.

I...I...<sob>

If you don't want to, that's OK. I can take care of myself later.

Huh. You really don't like that, do you? A second ago you were willing to do anything I asked, but now you won't suck my cock?

I...oh god...

Well, I have work to do, so if you're not going to do that, I'll just head home...

NO!! PLEASE!!! <SOB> D-DON'T LEAVE ME!!

Well, you know what to do then...

<sob> Ohh oh god...oh god...

...

...oh my god I need it in my
mouth I need it I need
itmmpphhhh...

Mmmm...not bad...you clearly need more practice.

<whimper> mmm-hmmm...

Nice and slow there. I still have stuff to do...

...mmm-hmmm...

Mmmm...nice...like that...

<sob>

mmmmmm...mmmmmm...

Hmmmm...you know, I don't want to change you too much...but I think a couple more little personality tweaks is in order.

Mmmmmmm...? <Sob>

Oh, don't worry. You won't even notice them - well, until it comes up anyway.

Ohhhhhh...OK...I've got an idea of what to do next...you can finish...

mmmm...<sob>...phank you...
mmmmmm...mmmmmm....

I'm curious...answer honestly...do you want me to cum in your mouth?

...<sob>

<mmmmmm-hmmmm>

I'm sorry, I didn't quite hear that...

<sob> mmm-hmmmm!! Cum in my mough! Pweafe!!

Wow - that compulsion is really strong!

OK...mmm...yeahhhhhhhh!!

MMMMMM!!!
MMMMMMMM!!!! <gulp>
MMMMMMMM!!!

Well, that was fun. I mean - you definitely need more practice at that, but...wait - did you just cum when I came in your mouth?

<sob> y-yes. Oh god...I'm still so...C-Carl...will you please...

Touch you? No way - not while you have a cock, I said.

<sob> Please...Carl...s-so horny....

I do have a plan for you, though.

Wh-what?

It would be cruel to leave you like this. Which is tempting, but...I have a better idea for how you can get a little...satisfaction. Given that you're such a horny little slut.

<sob>

None of these women are in the program yet. If you get them added, you can cum with each of them...hmmm...let's say three times, once for each hole.

...Carl, these are all...

Familiar? I know! Think how much fun it'll be for your last few uses of that cock of yours to be with them!

Carl - please...I c-can't!

Tell me..do you like sucking cock, Danielle?

Wh-what?! <sob> N-no...oh god no...

Didn't think so. But - does it turn you on to think about sucking my cock again?

Oh...oh god... <sob>

y-yes...c-can I...? Please?

Get started on the list, and I'll think about it. I need to head home for now, got a few things to do.

Carl - please...won't you just... you know...with me...a little...?

Not till you're, "you know, a little" less male! But if you get to work on that list, I'm sure that nasty cock will be gone in no time...

Carl...please - I can't-!

Well, up to you, of course. I'm sure if you give me time I'll come up with some other, nastier ideas for you...maybe some good opportunities for you to practice your cocksucking more...

Oh god - no! Carl - please...
<sob>

Your fun little...urges should fade a little after I leave - but they get stronger over time, too, if they aren't satisfied.

<sob> Carl - please...maybe we could just-

Nope. And no playing with yourself! You can get pleasure from other folks - but if you touch yourself, no Carl for you. And remember - you can't lie to me.

Oh god... <sob>

I left you a box full of primer and Mark devices to use. See you in a bit! Oh - and maybe go buy yourself some clothes for your new body...you know, something fun.

Please...Carl... <sob>

Later!

...LATER

DING-DONG!!

Y-Yes?

Oh - hi. Are you Danielle?
Betsy's email said you might
be here housesitting.

...Y-yes. I mean - yes, I'm
Danielle.

Hi, I'm Sarah, Betsy's sister-
in-law.

She emailed and asked us to
come over and grab a couple
of things to send to her while
she's in London?

Sure, come in and-...wait - us?

Oh - I'm sorry...this is Betsy's mom, Helen. Helen offered to give me a ride and help out since my car is in the shop.

Oh sh-uh...I only meant for-
...um...hi.

Nice to...meet you?

Both?

You too, Danielle.

...are you OK, sweetie? You look a little distressed...

Y-yes. Fine. C-Come in...
