Poor Danielle's life is increasingly spinning out of control, now that she has been handed over to QA for "assessment".

After a brief respite, and a chance encounter with one old friend, she has discovered to her horror that her QA tech is none other than Dan's former friend, Carl.

After a brief demonstration of exactly how powerless Danielle now is in the face of Carl's administrative overrides to the technology that now controls her...

...Carl uses the testing software embedded inside her to show Danielle exactly how horrific things could become, should he - or someone else - choose to exercise some of the more extreme Mods available to them on her .

But even that threat isn't enough for Carl, who introduces a simple imperative into Danielle's personality matrix - leaving her desperate to please Carl...in every way.

Rather than letting her sate her overwhelming desires, Carl gives her a task - to work through a list of women Carl wants added to the Mark program, all of whom are horribly familiar to Danielle. Now the first, Betsy's sister-in-law, has arrived... but she did not come alone...

So how do you know Dan and Betsy?

I...um...I've known them for...a while...from...uh-

Oh! Fresh lemonade! I love lemonade! Hah, did Betsy tell you that? She always has Dan make some for me when I'm over...

Uhhhh...yes?

Do you mind if I have a glass?

S-sure, go ahead.

Helen, would you like some?

Sure, honey.

um....

Earlier...

So - you were saying how you know Dan and Betsy?

I...um...work with Dan?

Really? I always thought Dan's firm was a little too conservative to hire someone who colors their hair like that...

Huh?

Your purple hair?

Oh...I um...forgot it's...so...purple...?

My goodness dear, how could you forget a color like that!

Well, I think it's cute! I mean...not for me, of course

Oh, heavens no!

...but it looks nice on you.

Wow, Danielle - this lemonade is great! It's a lot like Dan's... but there's something else in it I can't quite place...you'll have to tell me the recipe...

I...um...

Mind if I have a little more?

Well...I...sure, but-

Anyway, we should probably go grab Betsy's stuff and <giggle> get out of your hair... no pun intended.

I'll go get it, Sarah.

Are you sure?

Certainly - I know how Betsy organizes her things, after all.

I'll...uh - I can h-help...I'll just...

Mmmm...maybe just one more glass...

Sarah is right - this lemonade is really quite lovely! I just can't stop drinking it!

Um - H-Helen, you might not want to-

Mrs. Jones, dear.

H-huh?

We don't really know each other, yet. You seem like a nice enough girl, but I am your elder, after all. Manners, you know.

Young ladies like yourself should really...really...

Ohhh...ohhh my.

Hel...uh, Mrs. Jones? A-are you OK?

I - I think so? I - I just feel...a little...odd...

Maybe - maybe you should sit down?

Y-Yes...Yes, perhaps that would be best...

I'll just go ch-check on...uh...t-tell S-Sarah to, uh...

Sarah? Ohhh...yes... Sssssarahhhh...

S-Sarah, I - wait...did you drink all of that lemonade?

H-huh? Oh...y-yeah...it was just so good! I - I feel a little...f-funny though...

I - I only meant for...I mean, you should only have had one glass!

Huh? I...I...ohhhhhh what's... what's going on? Why do I f-feel so...w-weird...?

W-wait...did - did you put something in...in the lemonade?

What? I-I- N-no! I...

Oh my god...you...ohhhhhh... ohhhh god...I f-feel so...oh god <sob> oh god...th-this isn't right!

it too when I was a kid, but by the end of my

first year, I was the sorority

even make me clean them up
after they'd fucked their
boyfriends...

MMMMMMMMPHHH!!!

Oh, I still pretended to be
disgusted...but by then I kind

Whoops - guess they just finished. Heh - what a mess! Poor Sarah...all over her face!

Oh shit! I - I didn't mean to-

Yeah - maybe instead of a blowjob you should go clean that up.

<sob> O-OK...I'll get a towel...

Why would you need a towel?

I...oh.

Oh my - I think I may have to stay here and enjoy the two of them in robot mode since you so nicely got them ready for me.

<sob> OK Carl - can I still-

Mm...maybe later. Besides - you cheated and came inside Helen. A couple of times even.

<sob> Carl, please - I - I didn't mean to!

Tell you what - why don't you go turn on all of their options on their profiles, while I think about what to do about that.

All of their...? Carl, please, w-we can't-

Up to you...if you really want something from me...

<sob> I - I...OK...

Damn, Helen - you are actually pretty fine for an older lady.

Thank you, sir.

You ever taken it in the ass?

No, sir.

Mm - I can't wait to fuck that ass of yours for the first time.

My ass is not available for use. Any attempt to use my ass will result in expulsion from the program and... and...

Heh - sounds like Danielle just turned off those limits. Do you want it up the ass, Helen?

No, sir.

But you'll let me do it anyway, won't you?

Yes, sir.

Awesome! Then maybe we'll have Sarah clean you afterwards before I fuck her. Would you like that?

Yes, sir.

Unnnhhh...

That's right, Helen - you know... just make whatever sounds you'd normally make...I want to hear your real reaction to this...

Urrnnnnh...<sob>...unnngggghhhh!
P-Please...n-notunnnGGHHH
THERE!

C-Carl? P-Please...can't I j-just...

Go on, Danielle - I already texted her you'd be coming over tonight. I guess, I could punish you instead...maybe in addition to practice with your mouth, I should say you have to fuck...say, ten guys before I'll touch you? Twenty?

NO! Carl-

HNGG-HUK! HUK! NNGHHOHGOD!!!
<SOB> P-PL-UNGH!

Or maybe in that cute little ass like Helen here? Helen, do you like it in the ass?

NGGAHHNNNO, SIR!

You do now. Danielle - use one of your overrides to push her anal pleasure to max. Keep the pain, though.

Oh god...<sob> OK...

NGGGGG...Unnnhh?? Oh god! Y-Yes! Unnnh fuck my ass, sir! OH GOD!! YESS!!! MORE <SOB> OWWWWW...MORE!!

Want this to be you, Danielle?

OH GOD FUCK MY ASS! <SOB> IT HURTS! IT - OH GOD FUCK MY ASSSSSSSS!!

I'm going! <sob> I'm going!

Good girl. Besides - you can get a couple more girls for your list. Closer to getting my cock yourself, right?

Y-yes. <sob>

You know - I think I like this whole "sir" thing...

...y-yes...sir.

OK then - go have fun...oh, and Danielle? Go ahead and use wine for this one...

But...but you're not supposed to use - won't it...? Oh. Y-yes. Uh, sir.

Hello? Oh, Hi!

H-hi...I'm-

Danielle! Yeah, Carl said you were new in town and needed to meet some people. Come on in!

Y-Yeah, I - I, um...brought some wine?

Awesome! We'll open it right now! The three of us just finished a bottle...

Uh - wait, three of you?

So this is my roommate...

Um - hello.

Hey. Cindy.

And this is my mom, Linda.

H-Hi, Lin- ...uh, Mrs Walker?

Mmm...nice to see that at least some of you young ladies have some manners...

Mommm...

Although...your hair is quite... interesting.

Oh, um...

Mom - be nice! Here -have some more wine. Danielle brought a bottle...

Well - I suppose one more glass won't hurt.

Are you sure you don't want some of this wine, Danielle? It's really good!

Um - maybe in a minute...if you, uh, open another bottle. Thanks.

So...anyway...this girl at the store - she was totally checking me out while I was changing...

That is truly disgusting.

I...I know, right?

God - I can't believe the two of you! In this day and age? I'd be flattered if another girl was interested in me.

You most certainly would not! No daughter of mine would be-

DING-DONG!

Was that the doorbell?

Yeah - that's my boyfriend and a couple of his buddies. They were stopping by for a bit before heading to a concert.

Can't leave soon enough, as far as I'm concerned.

Mom! You promised...

Oh, I'll be civil.

Yeah, on that note - I think I'm going to go to the bathroom...I feel a little... funny...

Wait - y-your...boyfriend is...

...Here?

...Now?
