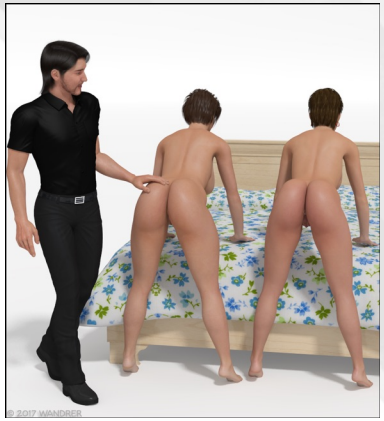
Dani is now at the mercy of Carl, Dan's long-estranged friend who turned out to be the QA tech to whom Anna assigned Dani. Much to Dani's horror.

After demonstrating exactly how bad things could get for Dani, Carl instills in Dani a desperate lust for Carl. Then, giving her a list of women that Carl wants added to the Mark program, Carl leaves the new addict to her withdrawal.

Within hours Dani is so desperate that she begins working on the list - starting with Betsy's sister-in-law, Susan.

However, Susan does not come alone, and Dani watches with horror as Susan and Betsy's mother, Helen, drink the lemonade she has prepared for them - lemonade laced with Primer.



Innocent Susan and (as it turns out) not-so-innocent Helen quickly fall prey to the effects of the Primer. Helen, her fantasies awakened, force Susan and ultimately Dani into increasingly depraved activities (unaware that she is permanently conditioning herself and her daughter-in-law with a craving for everything they do under its influence).

Carl, amused with Dani's accidental addition to his list, sends the poor addict off without a fix - to his cousin Katie's apartment.

Unfortunately, Katie has some unexpected visitors...

Wait - Katie's boyfriend...is coming over!?

Oh yes. Here, in fact. Probably not alone, either.

...with **FRIENDS**??

Mm. ...I'm going to need to open some more wine for this, I think.

But - but they can't be here now!

I'd prefer they not be here at all. But you try telling her that. Would you like some wine now?

I guess. I mean - y-yeah, I - sure.

I do so like a woman who's sure of what she wants...

Lucas!

Hey girl - how're you doin'?

Great! Where are the guys?

Runnin' a few minutes behind.

Um - my mom is still here.

Aw, man...

She said she'd be nice!

Yeah, right-

Hey.

Oh! Oh - uh, h-hi-

Love the hair.

Th-thanks. I...um...I'm...uh...

This is Danielle - she's a friend of my cousin.

Y-yeah...I'm - yeah...

Uh - hi, Mrs. Walker.

Mmm...yes, hello Lucas.

It's, uh, good to see you.

Is it?

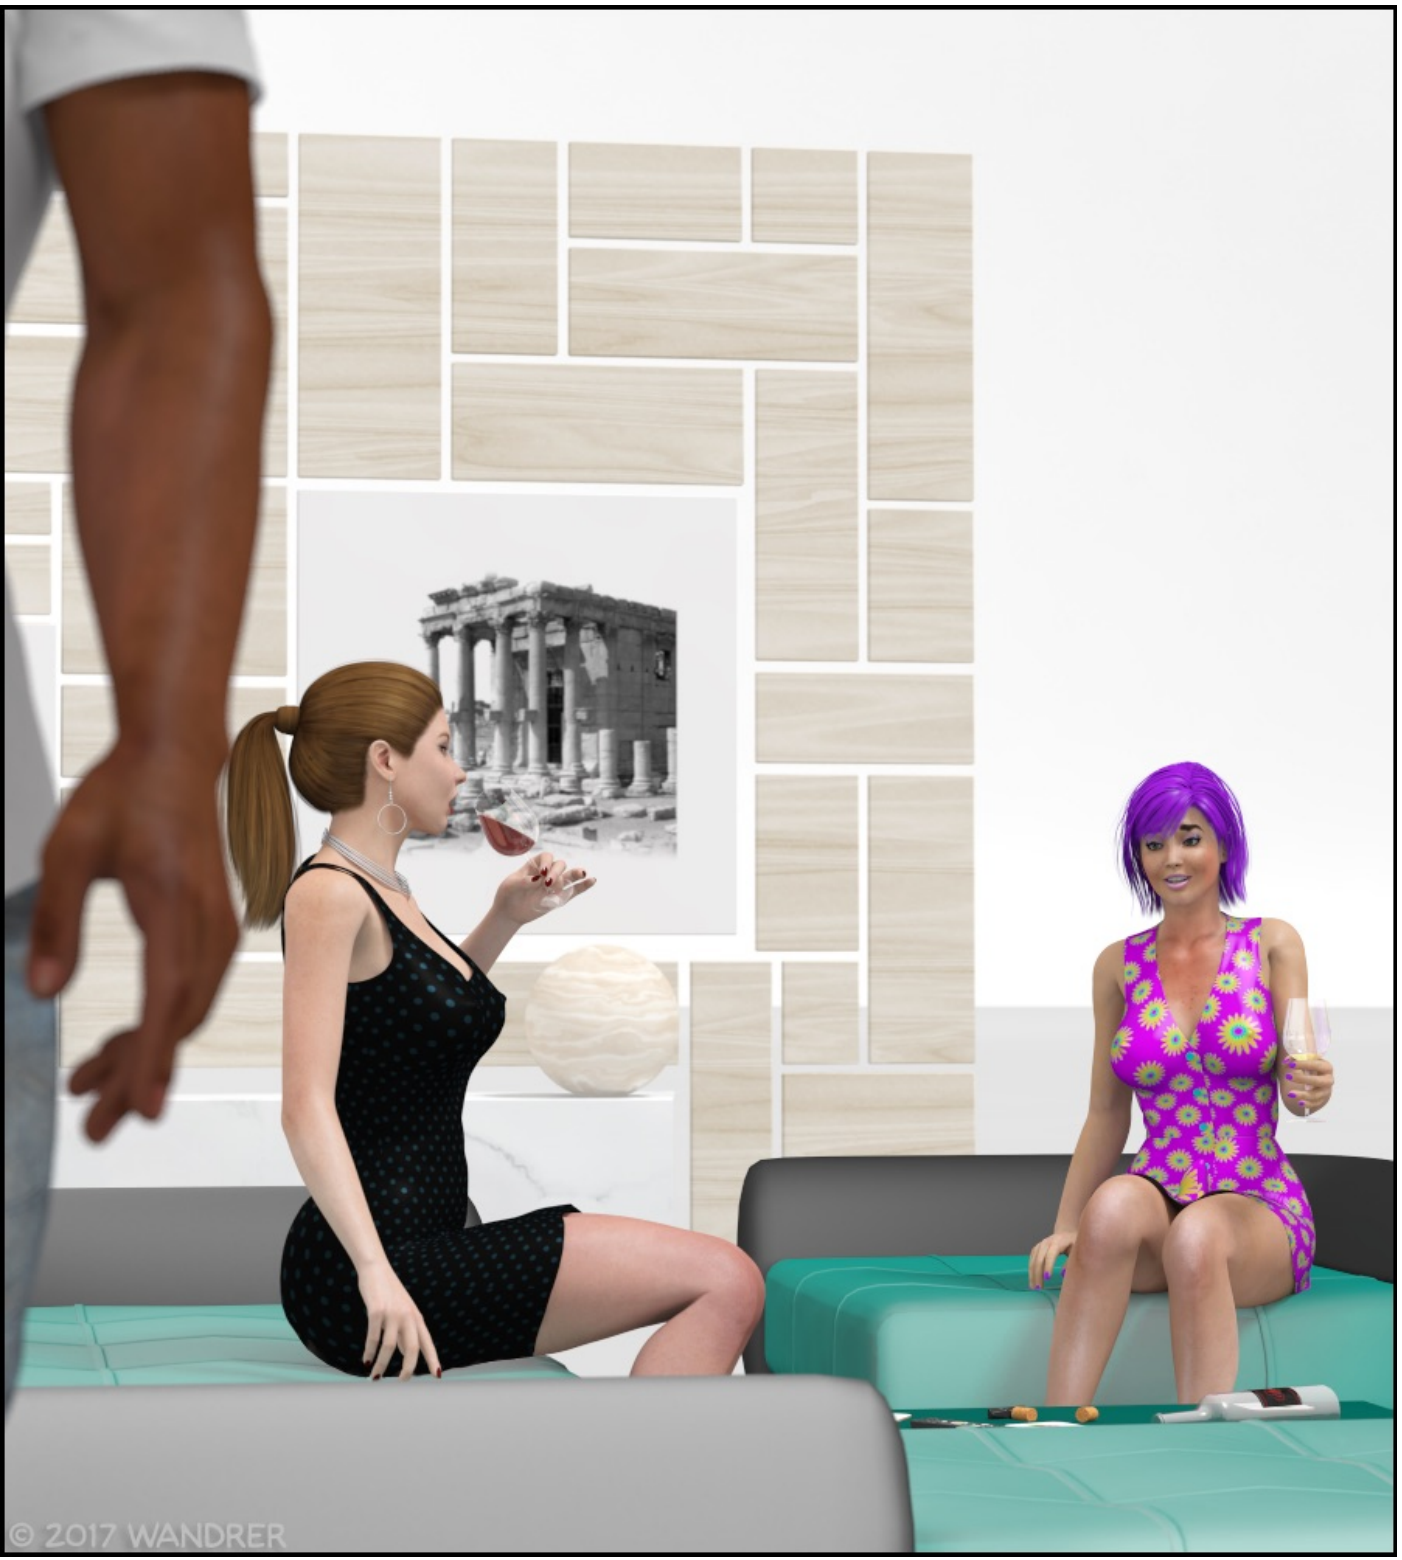
MOM.

Come on, Lucas. I've got the tickets in my room.

Uh...OK...

Oh, yes, by all means go back to my daughter's bedroom...

Mom, I swear, just - UGH... come on, Lucas.



Uhh...wh-why don't you like Lucas, Mrs. Walker? He seems really...um...nice.

I'd think that would be obvious.

Wait - you don't mean, because he's...

I am **not** racist! I just...don't want him dating my daughter.

Isn't that sort of the definition of-?

I'm sorry, what was that?

I...uh...boy this was, uh, really good wine. What was it?

I don't know dear - you should, you brought it.

W-wait...this...this was...this was the white that I brought?!

Yes - you looked like a...white sort of girl, and it needed finishing.

But I thought that one was already...oh - oh no...oh NO...

Whatever is the matter, my dear?

And what on earth is happening with your skirt?

I - oh god, I need to go to the bathroom...

Well then go ahead! What is it with you girls and needing to announce that sort of thing?

I - I <sob> oh god...

What a strange girl. Must be...drugs...

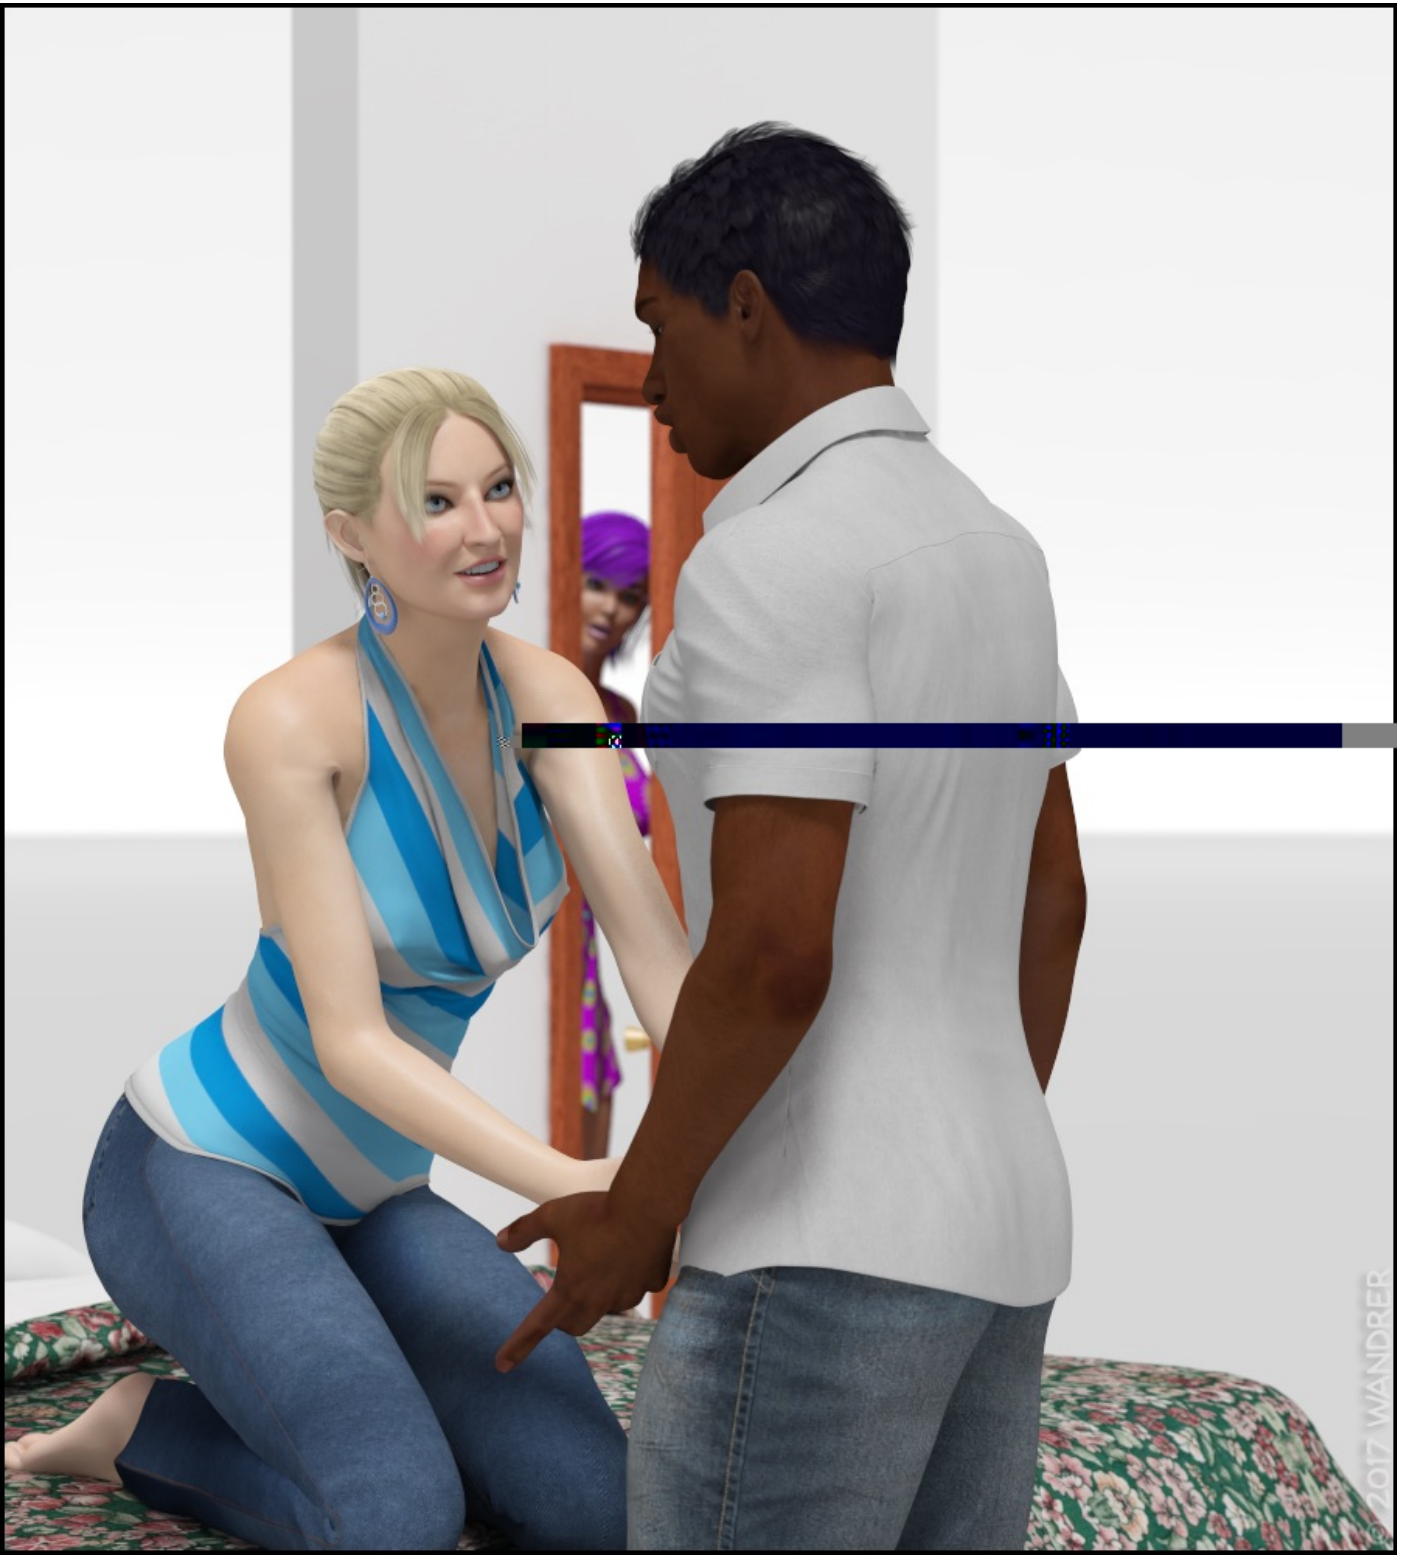
Good wine though...

mmm...

<sob> C-Carl...please call me back! <sob> I - I drank the Primer! I - I don't...what happens when someone drinks the primer and already has a Mark?! I-

-ease Lucas, just real quick?

Girl, what's up with you? Your Mom already hates me, we can't just...



I - I don't...I don't know, I just... oh god...I feel so...

Damn, Katie - this isn't fair! We can't do this with your mom right there...and the boys are gonna be here any minute!

I - I know <sob> But I - I c-can't h-help...oh god...listen...I would even...you know...suck it...

...wh-what? But you hate that-

<sob> I know! But - but right now I'll do anything you-

OH!

W-wait...that's not-

Listen, Katie, I - I don't know what's goin' on but...listen, I gotta bounce anyway.

I-Lucas, wait-

I'll come back after the show, OK? When your mom's not out there ready to call the cops on me.

Oh god, but-

I promise we can get as freaky as you want later...

Oh god yes! If I'm dreaming I - I can do what I want! I don't have to pretend anymore...

Uh...OK, well, I'm gonna run now.

Mmm...hmmm...

Listen, Mrs. Walker, I know you don't like me, but-

Uhhhh...

What's the matter, Lucas? Something distracting you?

Ahhhh....

You know, you're right. I *don't* like you. Not. One. Bit.

Uhhhh...

Why - are you looking up my skirt? How disgusting! How dare you look at my vagina! But you'd make me call it something else, wouldn't you?
