Dani's adventures in the clutches of Dan's former friend and current owner and QA tech Carl continue, as Dani grows more and more desperate to please him and sate her ever-growing craving.

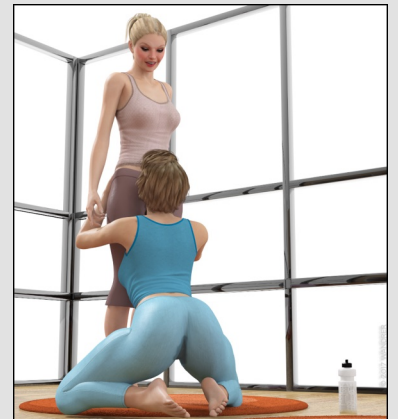

After Carl arrives to clean up (and enjoy) the aftermath of Dani's adventures with Linda, Katie, and Cindy...

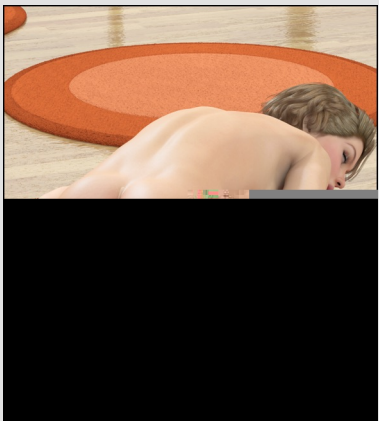

...Carl sends her across town to collect two more names on her list - one of them being Dan's own sister, Erin.

After the girls - and their yoga instructor - down water laced with another experimental primer, they proceed with their class...which very quickly goes off the rails, as the new primer forces their every depraved urge to the surface...

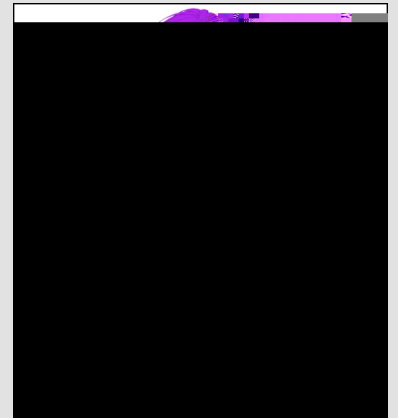

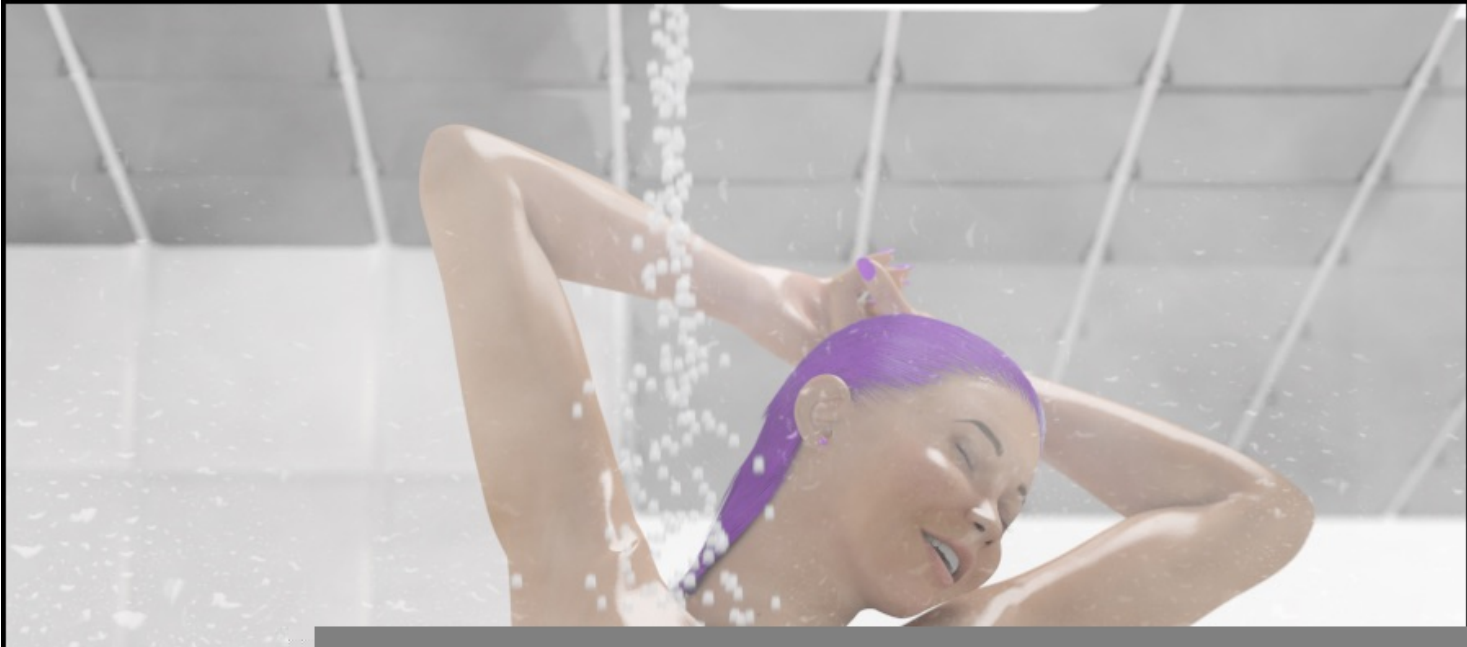

Dani can do nothing but watch as Erin sinks the furthest into depravity, pushed further and further by Betsy's suddenly domineering cousin - and then is horrified to realize they are about to be joined by another class. All men.

Dani returns to her apartment to clean up at Carl's instruction, trying to forget what she has done to her poor sister, all to satisfy Carl...

...who reveals that after some errands, they are off to a party!

Good to hear. You know...I think you've finally earned it...

Y-You mean...?

Not even at the party
tonight?

H-huh? Party?

Perfect - looks like we've got
the memory blocks working
finally.

I-I don't...

OK, just a couple more tests.
QA override, disable most
recent memory block and
restore...

What, I-

Oh.

My.

GOD.

Oh, would you stop sniffing?!
Don't be such a baby.

I c-can't help it! They h-hurt!

I know they're sensitive -
heh...even more so after last
night - but you're practically
healed already! Benefits of
nanites and all that.

I k-know, but I still c-can't
help <hic> crying!

Well, they do have your
hormones and emotional
sensitivity turned way up I
suppose...girly girl and all
that. You'll probably cry at
almost anything now.

Oh g-god. ...C-Carl? Can - can
we...

And there it is. The
humiliation does make you
hornier after all.

P-please, Carl! Just - just a quick blowjob before we get there?

I so love how desperate you sound...

Oh god...I c-can <sob> g-get on my knees and beg if you want!

Wow - I'd love to watch you do that in public...but we're already here.

H-huh? Where-?

Don't you realize where we are? What today is?

What, I-?

Oh - oh NO. No, Carl! No no no-

Oh come on, now, you RSVP'ed and everything!

<sob> Carl, please! I c-can't! You c-can't make me-!

Well, I can, actually-

N-no! You can't let them see me...n-not like this!

Oh come on - no one will even know who you are! Tell you what - come on in, and...hmm, for every half hour we're in there, you can suck my cock....

Oh g-g-god...p-please...I - I-

At the end of the night...if you're good...I might even fuck you...

Ohhhhhh<choke>ohhh god....

Oh god <sob> Ohgodohgod...

Come on! It'll be fun! Just think how much your co-workers must be missing you.

<sob> Oh god...

Shh - if you look upset, someone might wonder what's up.

<whimper>

You should fix your makeup. I need to take a leak anyway.

I - I don't know how to-

Sure you do! Girly skills auto-implanted by the nanites...

...oh god...OK, I'll just go in with you...

Uh - Dani...the ladies room is over there?

<choke>

iirrrls 

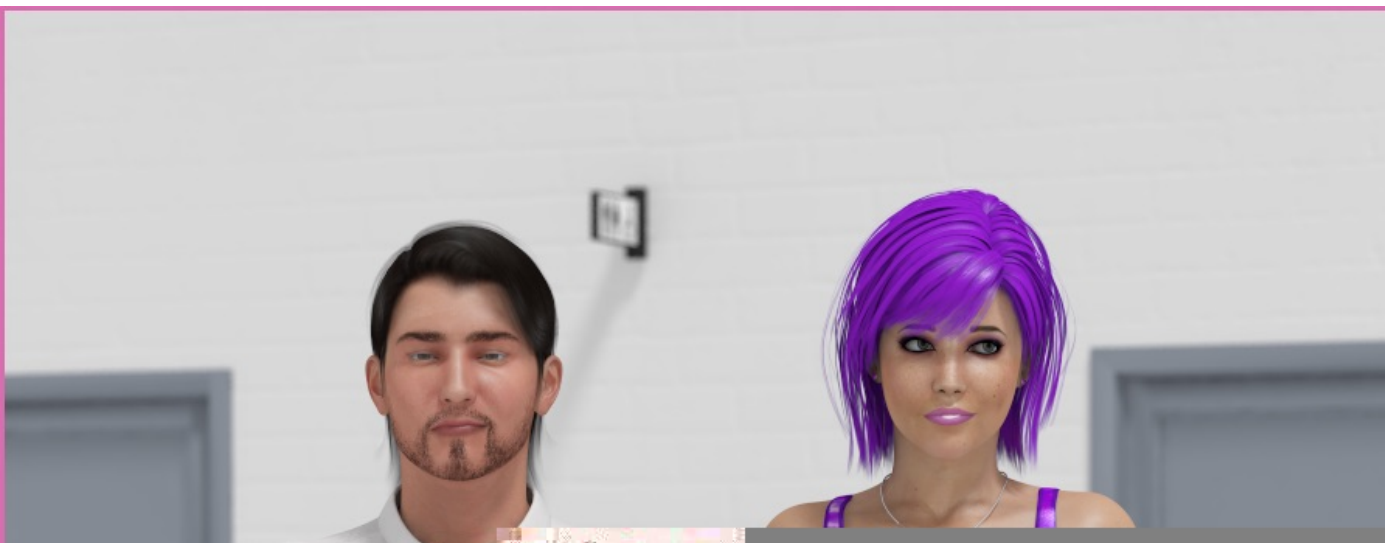

they just a-wanna...

they just wannaaaaaa

C-Carl...I c-can't do this...

Relax! You're just my date for the office party! I'm sure no one would believe such a cute, tiny, girl like you used to be their so very masculine co-worker, Dan...

<sob>

Don't start crying again! Man, we should have Nancy fix your makeup situation...

H-huh?

Never mind. Anyway, it could be worse...think about what you did to poor Caitlyn...

<choke>. But - but why are we even here?! You don't know anyone at my office!

Really?

Susan! Good to see you!

Carl! You made it!

This is for you, as requested.

Oh, wonderful! I have plans for this tonight. And...oh my goodness...is that really...?

Mm-hmm.

Incredible!

You - you two know each other?! But...how?!

Why - how do you think I found about this whole Mark business, uh - what's her name now, Carl?

Danielle - Dani, usually.

Hah - unimaginative, but amusing, I suppose. Oh, Carl - I have a little present for you. ...Lauren!

Y-Yes, Mistr- uh, Mrs. Dean?

Dani, you remember Lauren of course...

<choke>

H-Huh? Have we met...?

Never mind dear. Did you do what I told you?

Y-Yes, Ma'am. T-tr-three shots of vodka...<hic>

Would you believe that until very recently, little Lauren here didn't even drink? But I found that when she does, she becomes quite the horny little thing, don't you Lauren?

M-Mrs. Dean!

Oh don't be shy, Lauren. Carl here is the special consultant that helped you get your new...artwork.

In fact, why don't you bend over and show him...

HERE?!

Yes dear, here. You know the consequences for disobeying.

Oh god, I - I... <sob>

Wow - she's wet!

That would be the vodka...all natural!

How's the prototype working?

Remarkably well! Lauren, tell Carl what is on your cute little ass there.

It's a...it's... <sob> I c-can't!

Amazing! She's fully aware?

Quite - of anything she does while on it. But she can't speak of it at all, can you Lauren?

<sob> N-no.

How often is she activated?

Never, actually - other than by my husband and I. I prefer her like this, knowing if she disobeys, I'll turn all her options on and see what happens to her. Until recently she was such an innocent thing...she probably can't even imagine most of the things she'd be available to do...

<choke> Oh god.

She's quite obedient. Lauren, why don't you go show Carl here a very, very good time.

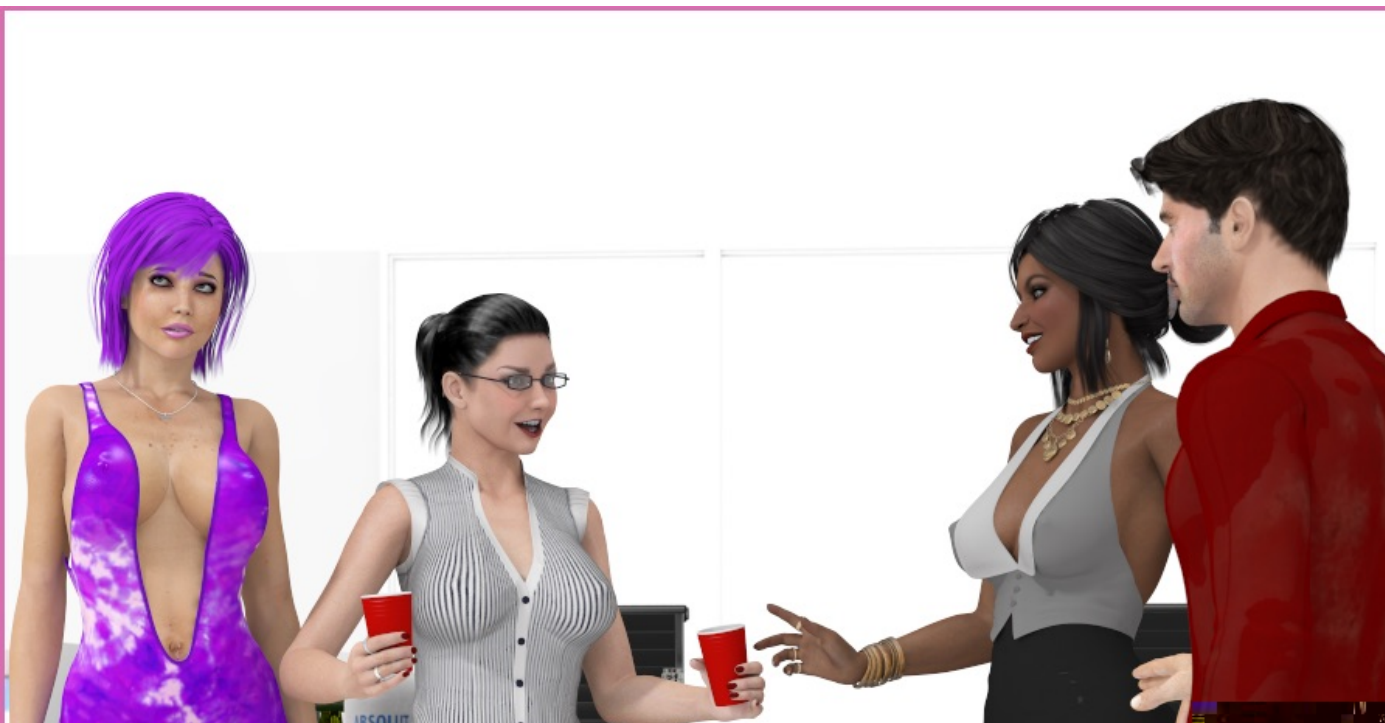

<sob> Yes, Mrs. Dean.

W-wait! C-Carl, you p-promised I could...

Blow me? Well, it hasn't been a half hour yet...I'll be back soon.

Oh, don't worry Dani, I'll... introduce you around while he's gone to keep you occupied...

<sob>

Why, hello Brad, Pari. Would you guys like a drink?

Thanks, Susan! And...uh...?

Oh, this is Dani. Dani, meet Brad and Pari...

H-hi...

Mmm...nice to meet you.
...Interesting hair.

Now now, Pari - be nice! Dani is a...friend of Dan's.

Really? He never mentioned you - though, heh, I wish he had! And I wish he'd get back from leave...

That makes one of us.

I - I <choke> have to go to the bathroom...

The little girl's room is that way, dear. Pari - can I have a word with you?

...will just never get used to this...

OK - tell Mrs. Dean I'll be over in a
minute...

Wait...I...know that voice...?

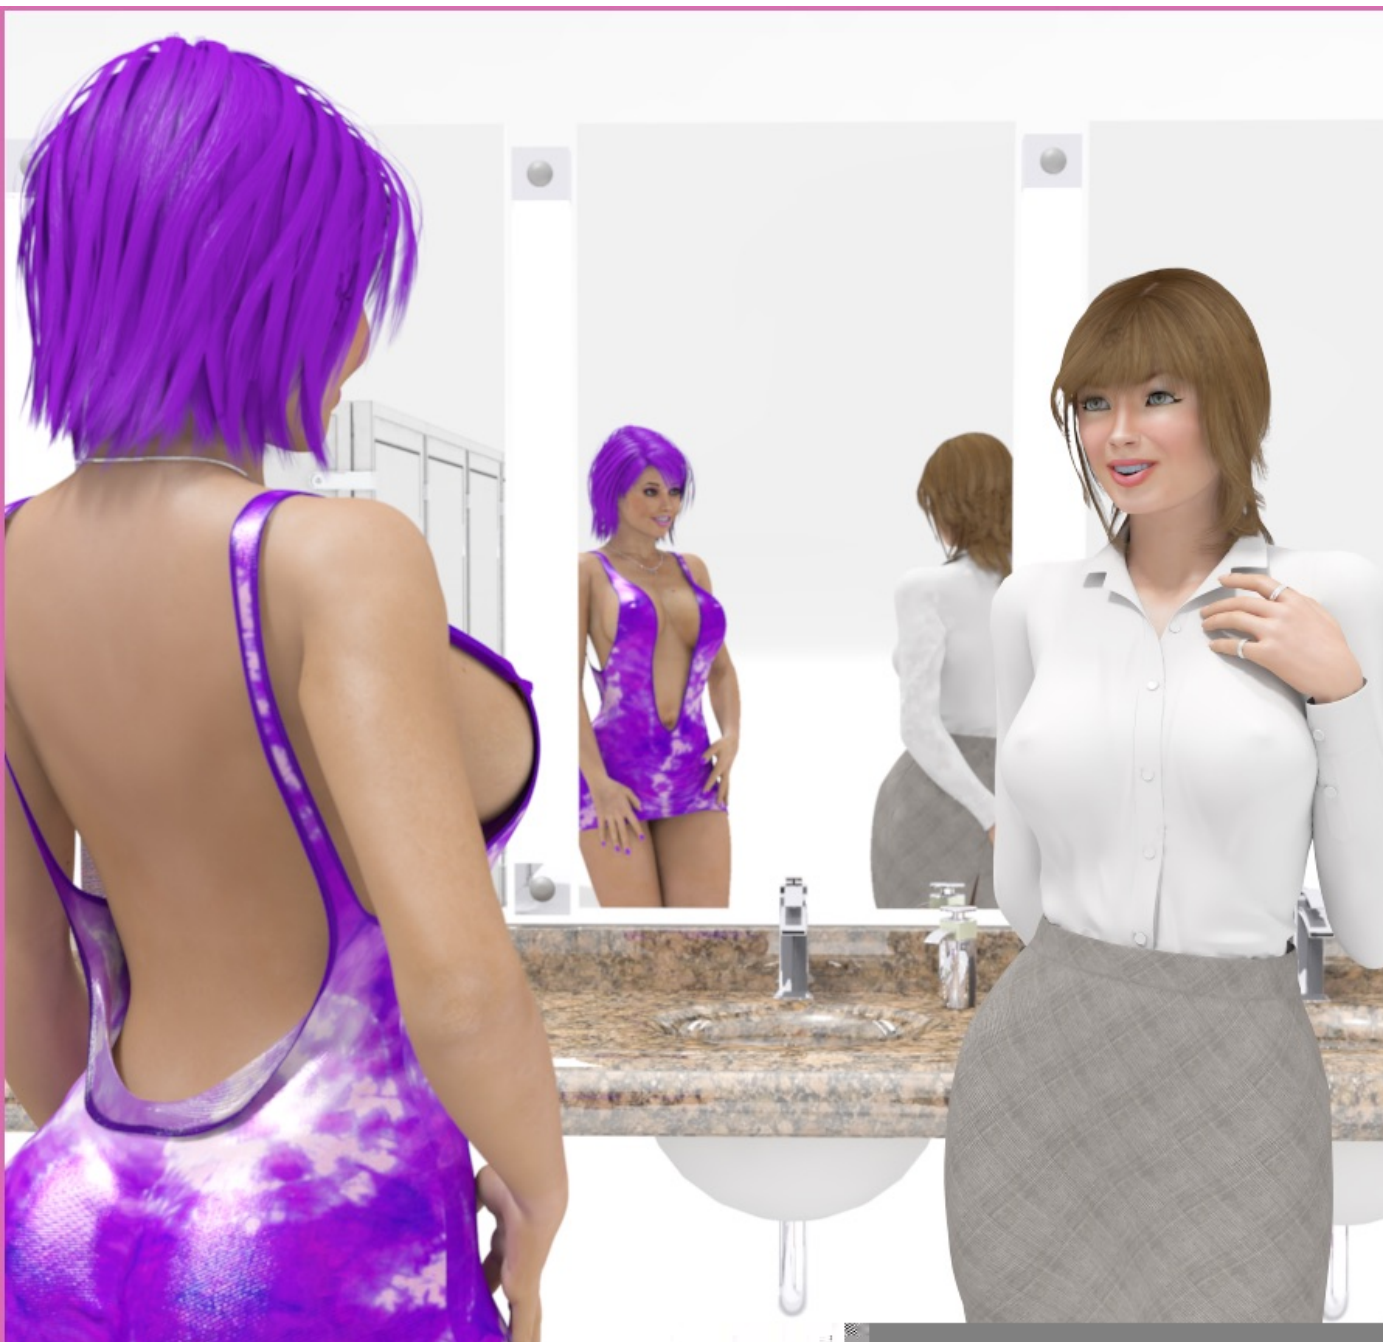

whoah...that's quite a dress-

Oh my god - Claire?! What -
what are you doing here?

Huh? Do I know you, uh,
ma'am?

I - oh god...

N-no, but...I'm a f-friend of
Dan's...?

Really?! Oh my god! Tell him I am like, sooooo thankful for him for helping me get this summer job while I'm home from college!

Oh...right...

oh...

oh no...

I mean - I was having so much trouble finding work for the summer, but being Mrs. Dean's assistant has been great! My dad - he and Dan are, like, old friends from high school? He told me to make super sure to thank Dan.

But he's, like, been away, I guess?

L-Listen..Claire...I - I uh, Dan told me to tell you. you should-

Oh! Mrs. Sadana!

Hello...umm...you are?

I'm...C-Claire? Mrs. Dean's summer intern? I...spent the whole afternoon in your office filing for you?

Right. Whatever. Would you give Dani and I a moment alone, please?

Huh? Oh, uh...sure?

Actually - make sure no one comes in here for a few minutes.

Bu - uh - OK...?

Uh...P-Pari, was it? What - what did you want with-

Oh, let's not play games. I just wanted to verify for myself... Dan.

<choke> What!? How do you - I mean, I'm not- who is-

Oh don't bother. Susan told me all about it just now. Well, probably not all - but enough. It's amazing - you're really...

...are you really a girl down there?

<sob> Oh god - please...

She said you're super obedient, too - so stand there...I want to check...

Ohhhhhhhh!!!

Oh my god - it's real! And - oh my god, feel how wet it is!

Ohhhh g-goodddddddddd!!

Listen to you! Not just a girl - but a total little slut, too!

<sob> OHHHHHHHHHHH!!!

You know...I've never touched another girl's...you know.

The idea always disgusted me...but something about this...is getting me...

awfully horny...

A video call window showing a person with purple hair. The person is mostly obscured by a black bar at the bottom of the frame. Only the top of their head and a small portion of their face are visible. The background is a plain, light-colored wall.

In fact...I - I never get this horny! I...hoo..wow, I feel-

...you know...I've never actually had anyone lick me down there...my worthless arranged husband certainly won't do it, and he's the only person I've ever been with.

Susan...said you are quite good at that...

Oh god...Pari...

Oh, don't pretend you don't want me! I saw how you used to look at me, while you wormed your way into the position I should have gotten. Not that I'd ever have been interested in you as a man...

But...maybe...

That's...that's right. Get down there and...lick me...

I-I-

Don't pretend you don't want it - I can smell you! And your cute little nipples just got even harder...

Oh god...

I've...I've always been disgusted by the idea of being with a woman. I - I'm not sure why I...

But...oh god...I'm so horny...lick me!

But I-

LICK ME!

OH GOD!! OH GOD SO GOOD! OH
LICK ME YOU LITTLE CUNT!

MMMMMMMMMMMMMM!!!

OOOOOOOOOOOOOOOOOOOO

mmmmmmkay...n-need a...l'il...
break... 'll find you...

...s-still...so horny...

C-Claire!

Uh...are...you and Mrs. Sadana...OK? I h-heard...uh...

Now Claire, I told you not to worry, I'm sure she's fine. Here, have a drink...

I - I c-can't drink yet Mrs. Dean, I-

Oh, don't worry, it's just lemonade. A...special blend, really.

O-OK...

I - I n-need to...go...

Don't go far, dear - I'm sure Carl will be looking for you soon...

C-Carl...ohhhh god...

Oh god...have to find Carl...
have to get out of here...and...
s-suck him too, but...oh god...

How did she get in here?

Must be someone's
<snicker> escort...

excuse m-me...s-sorry...

Did you see that - what's her
name...she's here too?

How could I miss her?
Didn't she used to be little
miss prim and proper
librarian type?

oh god...where is-

B-Brad!

Oh - hey! Dani, right? Are you OK? You look a little spooked.

Oh god...Brad...I - I need your help...

Of course - what can I do for you?

Oh, hey - let me introduce you to a...friend, I guess, who just got here. ...An old co-worker anyway...although...

C-Caitlyn?! What...what are you doing here?

I'm...not thure?

I think...maybe Thuthan invited me? I...I don't really remember-

Oh...you guys know each other?

No - I, I don't think tho...do we?

Hey, are you guyth cold...?

Oh god...c-can I t-talk to Brad alone?

Huh? Oh...thure...I thould find... thomeone elthe to...talk to...

Smith has made quite a mess
of your...nether regions...

I'm s-sorry, sir...would you l-
like me to clean it out?

Oh - uh, yes, please do that.
Although...

I don't suppose...

Hunnnhh?

Perhaps...yes, perhaps I'll have to...see if there are any other options available for now...

unnh! unnhh! unnhh!

Damn! When Brad told us to come over here, I thought for sure it was just another one of his stories...

Holy shit, yeah...after she sucks your cock you should try her from this side.

I thought it was another one of his stories - hey, we should go out again, guys night...

Ohhh yesss....ohhhh wanna suck your cock!
Pleeeassssee...

Huh - interesting that that carries over. Well, I've been having some fun with Lauren so might take a while to cum, but - sure.

MMMMMMMM...MMMMMMMM...
MMMMMMMM....

Wow - they really did a number on you. Well, I had sort of planned that eventually - but not quite this much this soon. Of course - it looks like Susan used quite a lot of our little orgy drug, and it's really starting to kick in. An awful lot of your former co-workers are going to have quite fun but hazy memories of this party...

MMMMMMMM?

Oh, never mind. Hey, who's that?

So - you are...?

I'm C-Caitlyn.

Oh right! Dan's old boss.
Wow. You look different than
I expected.

I - I d-don't...

Tell me Caitlyn...are you
available, too?

What? I d-don't...y-yes, I'm
available for use, cheap.
Wait...why did I say-

Heh - Susan mentioned
something about you. So...for
ten dollars I could...?

For ten, you can use me
however you like! Wait - why
did I say that?! I'm not a-

OK, I'm in.

OK! Wait...what?

<sob> W-Wait! Come back! I need you to c-cum in my mouth!

My goodness - such a mess. Poor Dan...er, Dani.

W-Would you like me to lick you?

Hmmm...maybe in a bit. But in the meantime, I have someone who does need your...expert services.

Oh god...Mrs. Dean...you s-said you would help me? ...feel so... ohhhh...

Indeed my dear - Dani can help you better than anyone I know.

Oh - oh my goodness...is she... has she...?

She's been quite busy - but just climb up there and she'll help you feel better, won't you Dani?

Y-yes, Ma'am!

Ohhh...what - what is she...?

Just wait...

Go on, Dani...doesn't she smell delicious?

Ohhhh...yessss...

D-Delicious? Wh-what do you mean...? Wait...what are you-

W-Wait...Mrs. D-Dean! What is she d-doing?

Just relax! She's going to help you with your little...problem.

No! Sh-she sh-shouldn't! put her mouth down-

OHHHHHH!! OH GOD THAT

First time being licked, I take
it?

<chuckle> She's so cute when she cums!

OHHHH-Huk! Huk! Huk!

Well, the primer I gave her should be really kicking in now...what say we condition the sweet little thing to like licking pussy? Particularly mine?

Ohhhhh...ohhhh g-goddddd...

H-huh? Mrs. Dean - wh- what are y-you-

<sob> N-no w-wait-!

<sob> N-no w-

<choke> mmmmmmm!!!

Hmm...maybe a little
encouragement...and let's
make her a little kinkier
while we're at it. Dani, stick
a finger in her ass and make
her cum a few times like
that...

Mpph mmpmppp!

mmm?? MMM!! MMM!!!!
MMMMM!!! MM MM
MMMMMMMMMMMMM!!

There she goes...

© 2017 WAJDRER

Mmmm...OK, that's enough I think...she seems to be pretty happy down there, four or five orgasms in...

mmm...mmm...mmm...

Why don't you go find Carl and see what he's up to, Dani?

Yes, Ma'am.

Oh god - oh god fuck me! N-
Need to cum again!

Say it...

N-No, I-

Say it!

Oh g-god! I-I'm a wh-whore!

More!

Fuck my s-slutty wet whore

UNNNHHHHHHHHH!!!

Y-Yes, sir. Mrs. Dean ohhhhh said I should do whatever you want me to...

So...have you ever taken it... in...you know...

S-Sir?

Your other hole.

My - oh! Oh...n-no! No sir...

You said you'd do anything?

...y-yes, sir...

Damn - I can't believe proper little Caitlyn left to become a stripper and porn star!

You should see some of her movies...she is so fucking hot... she always sort of seems surprised at what she's doing...so hot...and she always cums when...

**Mmmmm! Mmmmm?
MMMMMMM!!!
MMMMMMM!!!
MMMMM!!!!**

OHhhh FFFUCKKKKKK!!!

Yeah - that...

Oh there you are.

Y-Yes sir.

And still in your program mode, I see.

Sir?

Never mind. Man, I can see why you were into Caitlyn - she is one hot little thing.

Yes, sir. Can I fuck you sir, please sir?

Hmm. Maybe when you get home - and you've washed yourself off. You're a mess. I suppose you can suck my cock though.

OH! Thank you sir! Thank you!

mmmmmm...mmmmmm...

Man - it is entertaining how much you've been conditioned to enjoy that now, especially once your resistance is gone.

mmmmmmmm??

Never mind. Do the other girls' pussies taste good on there?

Mmmm hmmm!!!

Oh man...want me to cum in your mouth?

MMMMMM HMMMMM!!!
MMMMMM HMMMMMM!!!

You sure you don't want to stay? With the drug in full swing it should be quite a party...

No, I have some stuff I need to do. Dani and I should probably blow this party.

You want me to go blow everyone at the party? OK-

Heh - no, I meant-

Oh...please, can I keep her, just for tonight?

Well...I guess she's still mine till tomorrow, for the most part, so - sure, why not?

Yay! Why don't you go start in on that, sweetie...

Blowing everyone? OK!

Come on, Carl - don't you want one woman here to fuck you voluntarily?

Susan...you're just trying to use sex to get more access.

What? I - I wouldn't-

And I totally respect that.

Well, can't blame a girl for trying...

True...I'll admit there's one thing that is pretty tempting to do with you...

Name it - there's only a couple of things I won't do...

I know - anal and going down on a girl, ironically. Says right here.

What? Right where?

Sorry about this-

...wait...what's hurr happen-
harf! Harf?! HARF! HARF!!

I saw your little dog thing with
Dan. Your arousal was off the
charts - even if you don't want to
admit it, feeling humiliated turns
you on. Big time. Sorry, sort of a
thing for me...

HARF! HARF HARF HARF!!

You're going to be quite obedient.
Oh - I might have made your
inhibitions into urges instead for
the night, too.

HARF?!! HARF! <whimper>

Don't worry - you won't
remember. Though we're really
starting to see some bleed from
this sort of thing into peoples'
normal lives - will be interesting
to see how much of this sticks.

<whinnnnnnnee!!!!>

Hmmm...I think I'll give Lauren a
quick heads up that you won't
remember this part, actually...

<WHINNNNNEEEEEEE!!!>

© 2017 WANDRER

Jesus - she said she has to
blow every guy here?

Yes...ohhhh man...

mmmmmm....slurp....

Weren't you just fucking
Caitlyn in the ass?

Oh god...the party...I - OH GOD!

And removing the blocks
works too! Good I...wait...did
your pussy just squeeze...?

<whine> <slurp> <slurp>

Ohhhhh...we're going to need to train you better, Mrs. Dean...you aren't a very good pussy licker...

<whimper>

Mmmm...need a better name... how about...Cuntpuppy?

<whinnneeeeeeeee>

I wonder if we can find you a collar? Doesn't Frank have dogs? Maybe he keeps an extra in his car...

<WHINNNEEEEE>

<giggle> Once you've cleaned out my pussy and made me cum, you can clean my ass, Cuntpuppy.

And then do the same for every other woman here...

YIPE! <WHINNNEEEEE!!!!>

Ohhh fuck. Claire, I don't know what this robot thing you're doing is, but it is **HOT!**

Yes sir.
