# Previously, in Repossessed...

Since being handed over to QA - in the form of Carl, her former friend as a man - Dani has found herself unable to resist increasingly desperate urges to please him, even though she knows those urges have been implanted via her Mark.

As her desperate need for Carl has grown, she's found herself doing more and more terrible things at his behest, starting with first Marking Betsy's mother and sister-in-law....

...and then Carl's own step-aunt and cousin, as well as several other visitors...

...followed swiftly by Betsy's cousin and Dan's own sister, Erin!

Most recently, as one final suite of tests for the buggy nanotechnology controlling Dani's body and mind, Carl revealed Dani's latest indignity: being the centerpiece of a chemical-fueled orgy of her own former co-workers as Dan at an office party.

As an exhausted Dani finally recovers from the numerous explosive orgasms that the memory replay induced, one can only wonder...

...what happens to Dani once all of this testing is complete?

<groaannnnnn>

Well...good morning,  
sleepyhead!

Wh-whuh?

You passed out while we were  
replaying your suppressed  
memories...

S-Suppressed-?

Your poor little brain  
patterns are all kind of  
messed up, sweetie. The  
engineering team is having a  
field day...

I - I remember...oh god...what did I do?!

Well, you were the life of the party, that's for sure.

Y-You made me-

Me? You did it to yourself - you should have known better than to try to tell someone who you were...

<sob> I - I...

Oh g-god...s-so horny...Carl,  
please...fuck me...

Man, you really are  
insatiable! We've got a busy  
day, you know...

<sob> Please!

Well, I suppose a quickie can't  
hurt...

**OH GOD! OH GOD!**

**My goodness...you sure like it when I fuck you, don't you?**

**YESSSS! OH GOD YESSS!!**

**Hmm...you know...I really want to try that cute little ass of yours...**

**OH GOD ANYTHING YOU WANT!!**

**Anything?**

**YESSSSS!!!**

**Man...I really wish I was going to be able to keep you and test that assertion out...**

**UNH! UNH! UNH!!**

**You really love it in the ass now, don't you?**

**<SOB> YES!! UNNNHHH!!!**

**Ready for me to cum back there?**

**UNNNHHHHYESSSSPLEEEEEEE  
EEEEEEEEEEEEEEASSSEE!!!**

**UNNNHHHHH!!**

**<SQUUEEEEEEEALLLLL!!!!>**

All cleaned up and ready to go?

C-Carl...where are we-?

You'll see.

Oh my god...Carl...why - why are we here?

Well, the boss wanted me to drop you off, now that we've debugged most of your issues.

What?!

You didn't think you were going to stay with QA forever, did you?

**Why if it isn't little Dani!  
Such a cutie now!**

**Oh god...**

**Hello, Boss.**

**Why hello Carl.**

**Wh-where's Betsy?**

**Oh, she'll probably be along  
later. But first - would you  
guys like a drink?**

**Definitely!**

**I believe you know my maid?**

**Why yes...hello, "Mother"... though I guess I can finally just call you Cassandra now.**

**N-Non...m-madame...**

**Jennifer and Lisa's mother goes by Sandy these days...**

**Oh really? She always hated that name.**

**I know. <giggle>**

**My goodness, "Sandy" even if you did screw over my father in the divorce...I can see why he married you. Even old as you are, you're still hot...**

**<sob>**

**Dani, didn't you have a big crush on Cass...Sandy, when you were younger? You know, when you used to be a man?**

Oh, they had a lovely time together when he was here last, as Dan, didn't you, Dani?

Oh god...<sob>...yes....

Did Dan get to lick her?

You know, I don't think he did! How silly of me. He - she does so enjoy doing that.

Want to let Dani have a taste while we conclude our other business?

A great idea...of course, Cassandra hasn't cleaned since she decided to fuck the delivery man an hour ago...

<choke> Wait, I-

Oh, Dani doesn't mind, do you Dani? Especially if it'll make me happy?

<sob> Y-Yes, Carl...I mean...no...I mean...oh god...a-anything you want....

Should we put on a little show for Sandy? I don't think she's seen your sisters-

Half-sisters...

- of course. Her daughters, anyway - since that little bit of fun you had with Jennifer and Betsy. She has no idea what they've been up to...

<choke> M-Madame?

Fun! Maybe we should make a game of it. If Sandy makes it through watching them without cumming, while Dani licks her, maybe we don't do anything more nasty to the girls? But if she cums I get to throw a new Mod on whichever girl is onscreen...

Why Carl, I like the way you think.

Thanks, Boss.

N-Non...Madame...

Ohhhhhhhh!

I think Sandy likes that.

Dan always was good at that...

Now Dani - no going easy on her... if you make her cum, you can come suck me, next.

Oh g-god, y-yes, Carl...mmmm...

<giggle> Nice. Shall we start with Jennifer's new job?

Heh - she wasn't happy when I set her up there...but where else was she going to work?

Here we go...this is from last night, actually.

Ohhh - <Choke> N-non...n-non!

What's the matter, Sandy? Don't like Jennifer's new look?

N...nnnnn...non! Nuh-nuh-ohhhhh!

<giggle> It's so sad - with her minimal vocabulary, Sandy can't even say her daughter's names any more...

[ NANO-CAM ]

Jen-jen, what did I tell you?

Ummm...Jen-Jen has nice big titties?

<sigh> Well, yeah, but - dammit, Jen-jen, you can't blow the customers out here.

J-Jen-jen can't blow the, um...?  
<sob> B-but...but Jen-Jen likes-

You're not supposed to do it at all, but I know there's no point in telling you to stop - just do it in the back! And you need to have them pay you...

Oh! Okie-dokie! ...Can I fuck them, too?

<sigh> I guess it's easier to just say yes. Just get them to pay you at least.

Oh goodie! ...Can Jen-jen to blow you now?

Uh...sure, why not.

[ NANO-CAM ]

mmmmmmmm....

J-Jesus...you're good at that.

Mmmm! Jen-jen din't useta like sucking cock but now she's don it lots an lots an Jen-Jen likes it lots now an is real good at it!!! Mmmmmmm!

Oh, goodie! Mmmmmmm...

Ohhhhh fuck....

© 2018 WANDRER

<choke> N-non-ohhhhhhhhh...

Mmmm...seems like Sandy is having all the fun here...

You want to...?

Why Carl! I'm your boss. That would be inappropriate.

Sorry, Boss-

So of course I want you to. Why don't you get on your knees and lick me.

Oh...I was thinking something more like...I'm not really that into, uh...

<sigh> Fine. Fingers, then.

S-Sure...

Let's jump ahead a bit...

[ NANO-CAM ]

God, look at her tits!

Jesus...

<giggle> You like Jen-Jen's big titties?

Y-Yeah...

Ohhhhh...that makes Jen-Jen soooooo wet...

Really? Can I see?

<giggle> sure!!

Hey - what am I, chopped liver?

Oh you're plenty hot too...

[ NANO-CAM ]

OHHHHHHHHH!!

Holy shit, she's soaked!

Hey - you're not supposed to touch-

OHHH YESSSSS!! PUT MORE FINGERS IN JEN-JEN!!!

Oh, hell yes...she's fucking my fingers!

Heh - I'd like to put something else in Jen-Jen.

What do you want to OHHHHHH put in Jen-Jen?

Uh...my cock?

Oh yes! Jen-Jen likes cock! Put your cock in Jen-Jen!

Wait, really?

What!? No, you're not allowed to-

[ NANO-CAM ]

Oh man - I've got an idea...

OHHH FFFFFFFF-

[ NANO-CAM ]

Oh god...I've never had a girl do this...

Oh man, this is so hot! Go on, Jen-Jen!

B-But...Jen-Jen d-doesn't like... lickin' girls.

You sucked us after we fucked you...isn't that sort of the same? You sure liked that...

But...but...

Hey - if we pay you more...you have to lick her, right?

Umm....right?

How about...five whole dollars?

Is...izzat a lot?

Oh, yeah - tons!

O-OK...<sob> If Jen-Jen hasta...

[ NANO-CAM ]

Ohhhhhhhh...

Fuck this is hot...

Is...is she any good at that?

N-not g-great...but it s-still feels ohhhhhh!

Maybe you girls should pay her to practice on you!

Hah! Hey Jen-Jen, if the other girls pay you five dollars, you have to lick them too, right?

<sob> ...mm-hmm?

Oh my god - oh the other girls are g-going to l-love th-oh OH OHHHHHHH!!!

Wow, poor Jennifer, huh Sandy?

<SOB> OHHHHHHHHH! N-NONNNN!!!

Jeez, how low is her IQ now?

<chuckle> Well hard to say... the bimbo stuff usually pegs them around a 70, but she had a little bug and seems lower.

...Carl, you really aren't very good with your fingers, do you know that?

Oh, uh...sorry...I could...still, you know...

Carl...do you really want Nicky to come home and find you fucking me?

Shit - no. Well, uh...

I think I'm going to have to insist, Carl. On your knees.

You can't be serious...

You want to keep your job? I know you like it...

...

Oh just start licking, Carl. You don't even have to make me cum - just get me warmed up.

But I-

Think of it as on-the-job training...or if you like I can transfer you down to research?

<lick, lick>

Good boy.

Now then...how about we take a look at what happened with Lisa after I sent her home?

[ NANO-CAM ]

Lisa - you here? You said you needed us - what's **HOLY SHIT!**

N-Non N-N-  
NNOHHHHHHHHHHHHHHHHHHHHHHH!!!!

Whoops! <Giggle> Looks like poor Sandy couldn't hold back any longer. Or was she just that turned on seeing Lisa debase herself like that?

UNNH! UNHH!  
OHHHHHHHHHHHHHHH!!!!

Mmmph.

Oh come on, Carl - it's not that bad. <sigh> You know what, just stop. You suck at that anyway...

...ugh

Oh my god Carl...I'm tempted to Mark you and make you practice that on all of HR!

<choke> Anna, I-

Oh, relax, I'm kidding. Probably. Anyway - Sandy! You came...so I guess we get to see what Carl wants to do to poor Lisa...

ohhhh <sob> N-Non...Madame... M-Monsieur...n-n-n-Non...

Is that really all she can say?

<giggle> Yup - four words. Poor thing. Here Carl - you can use my overrides on your sister...

Half-sister!

Whatever - Dani, come over here and lick me, too. Clothes off first, though, let's see that cute new little bod of yours...

Oh g-god...

Hey - can I-

Uh-uh - she's busy now, Carl!  
I'm not rewarding your half-  
assed pussy licking. <Giggle>  
Not even with Dani's cute ass.

<whimper>

Honestly, that was so terrible  
I'm sort of tempted to have  
you Marked and swap you  
into her body till you learn to  
be a better pussy licker as  
punishment...

WHAT?! Boss - please...

Kidding! Probably. Anyway,  
why don't you focus on our  
prize for Sandy cumming like  
such a slut?

<SOB> N-non...monsieur...

R-Right - yeah, OK...let's see  
what Lisa's up to right now...

[ NANO-CAM ]

UNNNNNNN!!!!

UNHH UNNNHH OHNNNNNNNN!!!!

<giggle> Lisa sounds just like you when she cums, Sandy!

<SOB>

Aaand that's all three of us for the morning! Breakfast-time...

Ohhhhh y-yes M-Masters...

Wow - I was wondering how that would all play out. It looks like she really internalized her little...fling with her roommates. <giggle>

Oh my god...that is so hot..

Ohhhh...slower, D-Dani...don't want to cum till we see what Carl's nasty little mind cooks up for Lisa...

Anna, I really need to...do something while I watch this...

So jerk off if you want!

<grumble>

OK, fine - why don't you fuck Sandy?

Huh? Well...I - HMMMMMM...

NON! N-NON, Madame-

N-non...Monsieur...Madame...

Well, a little old...but at least she gets nice and wet...

<sob>

Just think how many times your Dad fucked that pussy...

<heh> Not many, from what he said about her...

<SOB>

OK...let's start Lisa's override...hey, can I use two?

Sure. What are you going with? Huge tits? Oo! Oo! Make her bark like a dog when she cums!

Just wait...you'll see...

[ NANO-CAM ]

This is pretty good, Lisa!  
You're getting better at  
cooking...

Pretty low bar.

<chuckle>

Th-thank you, Master. C-Can  
I, um, clean up now?

Nope! You know I like to  
watch you drip cum till we  
leave. It really grosses you  
out, doesn't it?

<whimper> Y-Yes, Master. I-I-

W-wait...what's...?

[ NANO-CAM ]

You OK, Lisa?

I...I...ohhhhhhhh...that smell!  
What is it?!

I don't smell anything...

Me either. Something bad?

<choke> N-No! G-Good! Oh  
god - SO GOOD where is it?!

[ NANO-CAM ]

Jeez - is her stomach growling?

Oh god...what is it!? It's...over here...wait...but...that's... where we...we just...

[ NANO-CAM ]

N-no...oh god...no...no no no  
no-

What is she doing?!

Wh-why?! Why does it sm-  
smell so good?!!

Oh GOD I c-can't...I WON'T!

I...I....

Oh my god...C-Carl ohhhhhh y-you didn't!

Oh, I did. Number 47.

You g-gave poor cum-hating Lisa a cum craving?!  
Ohhhhhh nastyyyy!!!

<SOB>

And number 93.

Oh my god! She's going to go crazy when she - ohhhhhh!

<chuckle> Yup - as soon as she licks it...or gets it onto her skin...poor Lisa...

[ NANO-CAM ]

<choke> OHHHHHHHHHHH!!!!

H-HOLY SHIT! Is she-?!

OHHHHH <SOB>  
NOOOOOHHHHHHGGOOOBBBBBB...

Man - that cum-drug effect is powerful...like full-force MDMA as soon as she touches the stuff and then ramps ohhhhhh up from there...

**Unnh! Unnh!**

**Listen to Sandy! I think she likes watching her daughter humiliated...and you fucking her!**

**Unnn n-non unnnh!**

**Tell the truth now Sandy - you can't lie to me anyway. Does it - mmm, right there Dani - turn you on knowing Lisa is going to be an involuntary bukakke queen now...disgusted but unable to help herself?**

**<CHOKE> o-oui...**

**And do you like Carl's big cock fucking your old, used, slutty pussy?**

**<SOB> O-Oui...OUI...OUI <SOB> OUI!**

**Ohhhh that's so hot....**

[ NANO-CAM ]

<sob> C-can't s-stop...<sob>...

noooooohhhhggoodddd....

What is going on?! She's...oh  
god, that's nasty...

No it's not - it's totally hot!

But - but she hates-

[ NANO-CAM ]

<sob> Morreeee  
cummmmmmm!!!

L-Lisa...are you OK?

Shut up man - she wants  
more cum!

Listen to her...it's like she's...  
drunk or something...

She...doesn't sound drunk  
exactly...

Where do you want it Lisa?  
Want us to cum in your  
mouth? Want us to cum...on  
you?

**YESSSSSSSS**  
**ANNNNYWHEERRRRREEEEE...**

We're all calling in sick today I  
think...

hnnnnnhhhh...unnnnhhhhhh....

Holy shit! Sandy's never cum like that before...ohhhhhh so hot! <giggle> O-OK Dani...you can stop for now...

Hey...uh, boss...I was wondering if I could have a favor...

Mmmm? Do tell...after all of that, I'm actually feeling pretty generous, even with your terrible pussy licking...

OK, here - let me tell you what I was thinking...

C-Carl? C-Can I clean your cock? Please?

Huh? Well, it's up to Anna really - she's in charge. You'll have to ask her.

<choke> A-Anna? C-Can I please suck on Carl's cock?

<giggle> Oh my god, she's pathetic! Has she been like this the whole time?

This experimental "desperate" mode you put her in? It's awesome. She'll do anything to get me to play with her...

OK then Dani, go ahead.

Say thank you, Dani!

Oh g-god...th-thank you Anna, thank you!

Oh my god, I love it!

Mmmmm...mmmmmm...

OK, so - here is what I was wondering...<whisper whisper whisper>

Why, Carl - you naughty boy!

It was just a thought - we don't have to...ohhhh...

Oh, I love it. I was getting bored with her anyway - you can have her.

Wait, you mean perma-ohhhhh

Sure, why not? Here, I even have a fun idea...Sandy, come over here...and Dani - don't let him cum yet...

mmphhh...? <whimper>

**M-Madame?**

**Sandy, you're going to belong to Carl from now on. What do you think about that?**

**<choke> N-non - Madame!  
N-Non...**

**Oh, I'm sure he'll take good care of you. But first - I thought I'd give you and him a present....**

M-Madame? OHHHHHHHHH!!!

What did you - wait...is she getting...?

<giggle> Yup. This is the experimental permanent version...not really ready yet - it has some funny side effects...

OHHHHHHHHH!!!

Holy shit...

N-Noonnnn...N-  
NonnnnnnnnoouuUUUU!!!!  
OUUUUUUUUUUUUUUUUUUU!!!!

...She's HOT!

OHHHH MADAME!! OUI!!  
MADAME!!

And more than a little horny  
- Sandy wait, I - ohhhhhh! S-  
Stop...

MADAME...MADAME...

C-Carl - I already t-  
transferred her to you...  
ohhh...c-call her over...

S-Sandy...come here....

Oui..mmm...<choke>...non...  
monsieur...oui...non...oui...OUI!

Well, I did warn you there were some side effects. She should become a little less of a nympho in a day or two - at least enough to restrain herself.

Ohhhhhhhhh!

mmmmmm!

But she'll basically get turned on by pretty much anyone now, like it or not...she should be quite enthusiastic with you, Carl, even if she doesn't want to be...

**Mmmm...look at you, Dani...  
such a good and enthusiastic  
little cocksucker! Is she good  
at this Carl?**

**Ohhhhh...she's gotten muuuuch  
better....**

**<giggle> Well, practice makes  
perfect. OK Dani, let's see you  
get Carl off in your mouth.  
You really want to do that,  
don't you?**

**<sob> Mmm-hmmm!**

**Make him cum now, Dani...**

**Ohh - ohhh  
fffukkkccCCCCKKKKK!!!**

**MMMMMMM!!!  
MMMMMMMMMM!! <GULP  
GULP> MMMMMMMM!!!!**

**Ooo, you're cumming too!  
Cute!**

**oui...non...non <sob>  
Monsieur...oui...oui...mmmmmm**

**Ohhh...S-Sandy...g-give me a  
min-ohhhhhh...**

**Oh come on now, Carl...the  
poor thing is desperate...**

**Oh god...C-Carl, can I f-fuck  
you too?**

**My goodness, Carl! An  
embarrassment of riches...but  
unfortunately I have to take  
Dani back.**

**Wh-what?**

**Yes, I'm sorry to say that  
your time with Carl is done.  
But Sandy, why don't you  
show Carl how tight your  
new young pussy is...**

**Monsieur...oui...<sob>...oohhhh!**

**Ohhh mmannnnnn....**

**Carl <sob> P-Please...don't let her take me away! I'll do anything for you! Sandy can tie me up or I can tie her up and we can do nasty things for you together-**

**Oui! Oui Monsieur! Oui! OUI!!!**

**God, Dani, you're so pathetic! You really would do anything for Carl now, wouldn't you?**

**<sob> Yes! W-wan't me to lick her ass?**

**As entertaining as this is...I've got other plans for you. But I'm curious how you'll react to...**

**Or I could lick your ass!! Carl, don't let her take me - watch, I'll-**

...this.

OH MY GOD!! OH MY GOD!!

<giggle> Dani...you seemed so enthused about what you were doing a second ago...

OH MY GOD! I - I ALMOST...YOU MADE ME-

No one made you do anything, sweetie...

I - I ...oh god <sob> I'm going to be sick..

Well...thankfully for my carpet, you can't. But perhaps we should take a moment. Carl - once you finish, why don't you go get Sandy dressed, she can show you where her outfits are. <giggle> Something should still fit...

OVI!!! OVI!!!!!!!!!!!!

O-OK, Boss...I unnnNNNNHHHH!!

...and she can't play with herself without permission, and she can't cum that way anyway. Though she'll try for hours...which frankly you may need with her like this. At least it'll keep her busy.

OK, Boss.

Monsieur...Oui...Monsieur...

You may want to find her some playmates though. I doubt even as horny as you are you'll be able to keep up...

Oh, I-I'm sure I'll think of someone...several someones...

<whimper>

Talk to you soon, then.

Oh god...oh god...oh god...

Oh, get it together, Dan. Dani.  
Whatever.

I...oh god...with Carl...and all  
those other...so many times!  
And...ways! And...

And you enjoyed every  
second, at least at the time.  
We need to get you all cleaned  
up! You've got a whole new  
life ahead of you.

Wh-what?

Carl never got around to  
telling you about the auction!

A-Auction?

That's right! Now that you're  
all-girl, I thought we should  
find you a permanent home  
with someone you know.  
Wouldn't want to let you go  
become a stray or anything.

**WHAT?!**

<giggle> You'd be surprised at who from your former life is fascinated by the idea of the new you as their sex toy.

**Oh G-GOD! Who else knows that I-I'm like...this!??**

**Well...not too many - after all, it had to be limited to those who know about the Marks... still, your college roommates were quite interested...they've had such fun with Betsy...**

**<CHOKES>**

**I'll admit I was sort of pulling for your high school girlfriend... she was just going to rent you out online and retire!**

**F-Fuck you, Anna! You c-can't auction me off like some sort of...thing!**

**Oh, Dani...**

**...I already did!**

**...wait...what? What just...**

**Huh - interesting. You're still buggy, I guess. You shouldn't have noticed that pause while I sent you to get cleaned up and dressed all nicely for your new owner.**

**Owner?! Oh god, Anna, please-**

**Well, we can keep debugging you. We'll schedule monthly maintenance calls - you are a prototype after all.**

**<DING DONG>**

**That must be him now!**

**Him?! Who him?!**

Oh, never mind, it's just Betsy....

Betsy?! Oh my god...

...wait...I know her! That's...

Now, now, Betsy - remember, your memories are fake! Dani is just another Fuckbot like you...waiting for her new owner.

Y-Yes, Mistress. Should... should I still take my clothes off, Mistress?

Of course, just like you always do at hom. She's just another toy, after all.

<whimper> Oh god, Betsy...

So, how was the Glory Hole today?

G-Good, Mistress...

<choke> G-Glory Hole?!

Hush, Dani. No more speaking for now.

...? <whimper>

That's better. Actually, why don't we take a look at how your day went, Betsy...

Y-Yes, mistress.

You can do your usual little self-cleaning while we watch, like a good kitty...

...yes, mistress...

[ NANO-CAM ]

**Look at you, all excited!**

**N-No, I wasn't, I-**

**Now, now Betsy - you know what happens if you try to lie...**

**Oh god...**

**So...did it get you excited, seeing that cock all ready for you...?**

**...yes**

**<whimper>**

**Good! That means you are finally starting to lose your aversion to being used like the toy you are!**

[ NANO-CAM ]

Listen to you moan! To think, not so long ago you were whimpering when you had to take that first cock in your mouth...

<whimper>

Yes, just like that! But now you sound so very happy...you just love sucking cock, don't you?

Y-yes...

And you don't particularly care whose, or where they have been, do you?

...no...

**My goodness, it sure sounds like you were enjoying yourself there, weren't you, little pussy? Oh, I just love the sounds you make when being fucked now...**

**<CHOKE>**

...

**Sorry, Betsy, didn't catch that.**

**Y-Yes, Mistress.**

**Yes what?**

**Y-Yes...I - I...enjoyed myself...**

[ NANO-CAM ]

<giggle> You sure do prefer them once they've been inside you, don't you?

<choke>

Good thing you get lots of chances to clean them off...

[ NANO-CAM ]

**Mmm...what was your count today, Betsy?**

**S-Seven in my mouth, twelve in my pussy, six with my hands...f-five in my ass.**

**<SOB>**

**Mmm, not bad. Let's try to get all those to double digits again tomorrow. Practice makes perfect, even for a Fuckbot!**

**Y-yes, mistress...**

**That reminds me, it's good you're home...**

I have another test for you.  
Come over here to the table...

M-Mistress?

I just want you to sign this  
document. Just right there at  
the bottom.

Wait...what is this...?

Just a little test, like I said-

Divorce papers!? From Dan?!  
But - but - I can't!

We've talked about this - Dan  
wasn't real! This is one of the  
final steps to free your  
programming-

I - I w-won't! I c-can't!

**Betsy - it's a fake document!  
You're a robot! You weren't  
ever really married...**

Then...then it doesn't matter  
if I sign it! I - I please don't  
make me...

**Oh, Betsy...it's just another  
test! And...you know how  
your programming goes  
haywire if you try to resist  
orders...**

Oh god <sob> please - don't  
ch-change me more! I a-  
already meow like a cat  
whenever s-something is  
inside my pussy!

**I didn't change you, it's your  
buggy programming! Uh oh...  
there it goes...**

OH GOD! PLEASE! MISTRESS!  
STOP THEM!

I told you, I can't do anything!  
If you want to stop the bug  
you need to sign the  
document!

OH GOD <SOB>

You might want to do it soon  
though - they look like they  
are done, which means a  
second change is probably  
starting...

<sob> OK, OK! I signing them!  
I signing them!

<giggle> <cough> S-sorry...  
something caught in my  
throat...wait...Betsy...why did  
you sign that like that?

Huh?

You signed it "Breasty..."

That I name! I Breasty! W-  
Wait...

© 2016 WANDER

N-No! I name no Breasty, I...  
Breasty! I Breasty! <SOB>

Oh g-god <snicker>...

P-Please! Why Breasty talk  
funny!?! <sob> Breasty no  
want talk like this!

S-Sorry Betsy...er, "Breasty"...  
I th-think you're stuck like  
that now...

<DING DONG>

Go get the door, Breasty!

<SOB> P-Please, Mistress! No  
leave Breasty like this! No  
make Breasty answer door...!

Better hurry or you might hit  
another bug...

**OH MY GOD THAT'S HILARIOUS!!!** I set her to have a random mod whenever she refused to do something I said. How awesome was that one! I wonder if they're somehow selecting based on her humiliation levels...?

**MMMMMM!**

Oh...you can talk again - softly, though.

**You - you're sick! And I - I'll never sign those papers!**

Oh, you already signed them earlier, don't worry about it. I just thought it'd be fun to see her struggle through that...

**WHAT?!**

Yep. You are free and clear, a single girl again...and just in time! This must be your new owner...

PAUL!?

Wow...is that really-?

Shh! Not while Betsy is here.  
But yes, it is indeed!

<sob> Breasty know them!  
They Dan friends Paul an'...  
Kara?

Pauuuuuuu...Kara smell  
yummies...

Jesus, Dani...what did you do  
to your poor friend Kara?

<choke>

Oh, dammit...

<sob> Yummiesss...Kara need...<sob>...yummies! W-wait...Paul...no let Kara...

Sorry - I think it's because Betsy smells like...well...

Like she's been fucked six ways from Sunday?

<sob>

Is it OK if I just let her go? She's going to be like this unless we let her lick Betsy...

As long as you don't mind that Betsy - hee hee, "Breasty" had a dozen guys cum in her pussy over the last few hours?

Heh - oh, she won't mind. Well, she probably does, inside there, but she can't really do much about it...

**OHHHHHHH!!! OHHHHHH LICK  
BREASTY PUSSY!!!!**

**MMMMMMPPHHH<SOB>M  
MMPPHHHHH**

**Oh, that's lovely. Plus it  
should keep the two of them  
busy while we talk...**

Oh god...Paul...please...

Wow, she's cute!

Isn't she? Are you sure you want to do this mod? She's had so many changes already, it's unfortunately a one way trip, at least for a while. It's so pervasive that it'll be months before she can take on major mods again.

Pervasive? What-?

Yeah - but it'll solve a lot of problems. Since Dan changed Kara, I've been struggling to keep her hidden...

Explains why you were so aggressive in the auction...

Oh, the opportunity to get Dan as a fuck toy was a big part of it too!

<sob> W-Wait...

OK, here it goes...

W-Wait, what are you-

Oh. UNH!

UNNNHHH!!! UNNNHHHHHHH!!!  
UNNNH!!!!

Jesus! Is that-

-normal?!

UNNNNNNNNNNNNNNNNNNNNNNNNNNNNNNN

NNHHHHHAAAAAAHHHHHH

HHHHHHHHHHHHHHHHHH

HHHHHHHHHHHHHHHH

— — — — !!!

-----

Um...she still has a few bugs...

I can see that.

This might be a little while.  
Want a drink?

Sure.

unnnhhhhh...

mmmm<slurp><slurp>

mmmm! <lick lick>

Oh g-god...Betsy...Kara... <sob>

Oh good, she's awake!

Let's take a look...

Wh-what's wrong with my voice?

That's amazing!

Wh—what...did you d-do to me?  
Feel...different?

Pretty cool, huh? It's still a prototype but it seemed to work! Which is good since a couple of the recent tests left the girls with...well, let's just say some pretty strange results...

Wh-what?

Strange?

<giggle> One of the test subjects actually ended up with...well, a pussy in place of her mouth...

WHAT?!! Wh-what did you do to me? Am I-

Oh relax, Dani. Fortunately, we seemed to have ironed it out in the last couple of weeks...here, take a look....

Oh my GOD! I'm - I'm...KARA!

Inside and out! <giggle> You got to feel what it was like inside her...you'll get to feel exactly what she felt...a little tighter than she is now though, I think...

Definitely.

And of course - one of the best things about winning her in the auction is you get to try out our other new experimental feature with her - our new app!

Wow! Look at these options!

Now - remember...this is pretty experimental, and Dani is the first test subject. Some of this could...break her.

<sob> Wait, - what are you-

I'll stick to the basic stuff for now - what does this do...?

Wait - what did you just-

Cool!

Yep - you can control her makeup however you like...

How about something a little more...fun...

What are you doing to my face?

Heh - well, if you want fun, try this-

Wow - maybe I should leave her like that...

What?! Like What?!

Yes, you should!

...but I guess it sort of defeats the purpose of changing her to look like this in the first place...

Awww....

There, that looks pretty good...just a little slutty...

What? What's slutty?!

Oh, what does this one do?

Wait - what am I...what am I doing?! I'm not - I can't control my hands. Stop that!

Paul - you should probably be careful pressing buttons if you don't know what they do...

Uh oh - what did I-

<giggle> You just put her into display mode. Normally we prevent Marked girls from being put into "robot mode" - we need to encourage people to add their marked wives, girlfriends, whatever to the ecosystem. But with the new app, we're considering letting very...select customers have a... "private Mark". You get to be our beta tester...

Whoa...

Give her a second and she'll be all set...

Oh my god! I - I can't move!

Fun, right? There are a number of pre-set positions...

So...wait, she'll be totally aware and lucid, but entirely physically controlled.

Yep! You can also set a memory window to suppress. You can set her up like a horny sex doll, have a party where everyone fucks her, and then make her forget the whole thing...then remember it later, even.

Holy shit...

Oh god <sob>

And there's a few experimental "personality" overlays - more limited than the normal set, but you can leave her aware - just a spectator in her own body. Want her to be a cheap hooker while you're at work?

<choke>

I think I prefer seeing what I can get her to do on her own, but maybe I'll try those out if I get bored.

Well, each to their own. Ooo - here's one experimental thing, but let's try it....

NGGGGGOOO!!! WH-WHAT-

Her pussy is so tight now that your pinky would feel massive to her right now....a normal cock will feel like a horse...

Holy shit-

Or, speaking of horses...

UNNGAAAAAAHHHHHH!!!

<giggle> Now she'd pretty much need a horse to satisfy her...

Jesus-

We left one girl like this and gave her a pussy-fucking craving...she literally fucks herself to sleep with a baseball bat. <giggle> They found her the other night passed out still impaled on her bedpost...

<SOB>

Well - let's put her back to normal for now...

Oh yeah - be careful with those. That's the kind of thing that's likely to bug out and get stuck...but let's let her <ahem> loose.

P-Please...Anna...Paul...<sob>  
You c-can't...

Oh, we can! And I suspect Paul will. But it's probably time for you to get on with your new life. Right, Paul?

I said "Right, Paul"?

Hmm? Oh yeah...I was just curious about this one...

Oh god! P-Paul- <choke>

<GIGGLE> Well, that's a little extreme with the lubrication, don't you think, Paul? She'll certainly never be able to wear pants...though she'll certainly smell like sex all the time, so that's fun...

Whoops! Here, is this the off button?

OH GOD! I C-CAN'T S-STOP-

Paul!

WHOOOPS!

Maybe you should play with the app at home where she can pee on your carpet.

Sorry! Sorry...

Oh it's fine, I'll have Betsy clean it up later. There are lots of other options...you can grow and even restyle her hair...change sensitivities...

Fantastic! I can't wait to play with her...

<SOB> Oh god...what have you done to me?!

...you know, it is a little sad... Dani was so cute before...I designed her myself, you know...

Oh, on that note, I had an idea. What do you think about <whisper whisper>

Oh! Oh that's a great idea! You're sure you're OK with it?

Sure, why not?

Oh let's do it now!

Hi Kara...

Hunnnhhh? W-Wait...why that girly looky like...<sob>... like Kara? <sob> She no Kara! Kara don' wanna look like this!

Well, we're going to fix that.

<choke> You gonna make Kara all pretty again?!

Well...I think so, but you might not...

Wh-what...what hap-pen  
Kara...Kara feel dif'rent?!

Oh GOD! You - you made her  
look like...

Not just look like - <giggle>  
inside and out, just like the old  
you.

You want to keep her for a  
while?

Sure! But...aren't you  
forgetting a little something?

Huh?

On Kara's finger?

...oh...OH!

Hmmm....maybe she needs a  
new name, too?

What were you thinking?

<gurgggle>

N-No! N-No take Kara wed...wed...wifey ring!

Aw, poor thing...but you're not Kara any more are you? She is.

<SOB> No! Is not! Paul <choke> please! I's Kara! I's Kara! I's...

Here, let's fix that...

...Bimslut! I's...Bimslut? NO! I no Bimslut, I Bimslut!

That's...amazing.

<CHOKE> Oh god...K-Kara...

<SOB> Not Bimslut! Bimslut not Bimslut's name! Pleeese... oh god...s-smell...

And there you go...back to work on Breasty...Actually - have you ever been fisted, Bimslut?

F-Fisted? What fisted?

Ooo - this should be a fun surprise...

Now then, honey, let's put a ring on you. <chuckle>

WHAT?! I'm, I'm not your wife! Y - you can't make me...!

Hmm...I thought she'd be a little more...compliant...

Oh, right! I forgot. One last tweak to your new wife, of course.

I am NOT your wife! I'm a - a guy, I'm not a-

Oh g-god...p-please...N-NO...

Oh yes! You know that feeling, don't you?

P-Please- you c-can't...I d-don't w-want...want...

Just like you felt about Carl... at the end after your need had ramped up and up and up...

What did you do?

Just give her a second for it to fully kick in...

Oh GOD! Paul! Please...please...  
I'll do anything for you...  
anything you want...just  
touch me...

Wow...that's...an impressive  
change in attitude.

Welcome to your new wife,  
Paul.

<sob> Yes! I'll be the best  
wife...

Oh god...oh god let me suck  
your cock and fuck you and  
<sob> anything you want...  
fuck my mouth and my ass  
and cum in me and-

**So...ring?**

Oh g-god...yes! Yes, put the  
ring on me!!

**Shall we make it a little  
more...official? I think we  
have some witnesses here...**

With this ring, I take you to  
be my wife and fuck toy...

MRROOWWWWWRRRR  
RRRRRRRR!!!!

...promise to obey...oh god  
yesssss I'll obey anything you  
want just please-

MMMMMMNGGGGGGG!!!!

I now pronounce you slave and  
owner... <giggle>

**Enjoy yourselves, you two lovebirds!**

**You like your new wedding ring, dear?**

**<choke> I love it! I love being your wife! Will you fuck me now?!**

**Mmm...when we get home, if you're good...**

**Oh yes - I'll be good! I'll be the b-best wife!**

**See you again real soon...**

**MEE000WWEER000WVWWW!!!**

**NGGGFFMMMMFFFF!!!**

**Hmm...I wonder if Bimslut can fist Betsy's ass...**

A black and white optical illusion of a 3D triangular tunnel. The tunnel is formed by a series of nested, slightly offset triangles that create a sense of depth and perspective, drawing the viewer's eye towards a vanishing point in the center. The lines are thick and have a slight gradient, giving the impression of solid, dark walls.
