**Why Paul, I don't see the problem - she's adorable! You should keep her like this...**

**I'll admit I thought about it...**

**EEP!**

**...but it sort of defeats the whole "she looks like my wife" purpose. Besides - it seems to get worse every time she cums...I'm worried she'll end up as an actual rabbit soon.**

**<sob> Oh g-goEEP!**

**You know...we've never taken anyone quite that far...we could use her to breed bunnies?**

**<choke> N-no, pleEEP!**

Well...while that would be funny, I suppose I'll see what I can do. You want to leave her here with me for a bit?

Sure, I've got to go to work anyway - be back later...

Your timing is impeccable, Dani...er, Kara! I think you'll enjoy some of my guests today...

Wh-wha-EEP what do you meaEEP-mean?

<chuckle> Oh that is just adorable! You sound like a cartoon character!

I had actually planned to ask Paul to send you over in the next few days, so not everyone is...ready, exactly. But it still should be fun!

Wh-whaEEP? What shouEEPshould be fun?

Patience, little rabbit. <giggle> I'll have to see if Paul will let me at least leave you with that voice...though I suppose that presupposes I can actually fix you....

<choke> What d-do you meEEP-mean?!

Well, too many abrupt changes break down the nanites, you know...

B-but...I c-can't sEEP-stay li-

DANI...DANI, IT'S DAISY...CAN YOU HEAR ME?

-EEP!?!

What was that, Kara?

I - I EEP! Y-Yes?

...WAS THAT "YES" AT ME?

...yes what? Are you alright?  
I mean...you know, other than  
the obvious...

Y-Yes? EEP!

IF YOU CAN HEAR ME...  
ANSWER WITH "MM-HMM"...

Y- uh...mm-hmm?

Kara? You seem a little distracted...

GREAT! OK...WE NEED TO BE  
CAREFUL...I'M PRETTY SURE  
IF SHE CHECKS CLOSELY,  
SHE'LL SEE ME IN YOUR FEED.

mmm? I guess there may be some  
mental effects as well...

JUST STAY WITH HER - WE  
NEED TO GET YOU INTO HER  
WORKSHOP SO I CAN RUN MY  
CODE...

mmm!

Well, we'll check that soon enough...  
come along, bunny...

Ah, here's someone you might recognize...

OHNNNNNNNNNN!!!! OHNNNNNNNN!!!!

<ahem> Did I say that you could play with her, Doctor?

OH! S-sorry Ma'am...I just... she was so desperate...

Mmm...well, I guess you know what that urge feels like now. You've been taking your new meds to see if they help?

Y-Yes ma'am.

Did you at least get the lab prepped?

Yes, m-ma'am.

And you do have pants somewhere, I hope?

Um...y-yes, ma'am...

Oh my gEEEEgod!! MAYA?!!

Oh god...please...more pussy...  
need pussy...lick you?

What EEP What did you do to  
hEEPher!

Why Kara - you did most of  
the work! I just found that  
the piercing craving you gave  
her was buggy. Didn't you  
notice she was missing them  
when she visited you a few  
months ago?

<choke> No, I -EEP!

It turned out that after you  
had her pierced, her natural  
extreme aversion to piercings  
made her get them taken out.  
But I was able to find the  
error in her code, and I fixed  
her for you! Aren't you  
happy?

Oh, don't worry - she still hates them...she just is now incapable of having them removed. I also thought we'd make them a little more - fun.

Oh god...please...more pussy...need pussy...yummy bunny...

What's wrong with EEP - why is she-

Craving pussy? Well, I've been testing something else on a few of your...friends. I'll show you in a moment - but I think we should test exactly how badly Maya wants it, don't you?

EEP? What do you EEP-

Maya, you can lick the bunny's pussy-

YESSSSS!

-if you agree to have your piercings replaced with bells...and maybe...mmm, a half dozen labia rings or so...? On each side?

<SOB> I - I <CHOKE> N-N-  
nnnnohhhh goddd...YESSS! <SOB>

OHHHHH EEEEE! WH-WAIT!!  
EEEE!! A-Anna!! When I EEEP  
cum I K-EEEE-c-chEEEEEEEEEP!

Changing? I know - I'm  
curious to see how it works.  
Let's call it "research".  
Though...hmmm...I guess I still  
don't know how much of this  
will be permanent...

P-PleeeeeEEEEEP! I-I'm EEEP S-  
SO C-CLOEEEEPPP!!

Gee...you're right.

Maybe...

I should...

No NO NO EEP EEP EEP  
EEEEEEEEPP!!!!!! EEEEEEEEEPPPP!!!!

Whoopsie! <giggle> Too late!

eep? Eep? EEP?!! EEEEP!!!!???

Oh dear - it appears you can't speak at all any more! I do hope that's not a physical change to your vocal cords. Not sure if I can correct that - they are such delicate little instruments...

EEEP!! <SOB> EEEEP!!

OH...OH SHIT, DANI...I'M SO SORRY! I'LL FIX IT...SOMEHOW.

I PROMISE-

...eep? EEP?!

Oh god...oh god...s-smell...need... need to...

Doctor? What are you-

Whoops! I guess the good doctor's new meds aren't working after all. We'll have to try again later...

Eep?! <choke> Eep!

<giggle> Well, at least you can't say anything to get yourself in more trouble now.

More? More licking? Bunny so yummy OHHHHH!!!

MMMMMMMMMM!!!

Eep? Eep!

<giggle> Don't worry about Maya, she'll be enjoying herself for the moment. Just think - this whole thing started with you having the hots for her! But there are some other guests you really should say hello to, Kara...

Eep?

Now here's a fun pair! I believe you know them both quite well....

E-eep? Eep!

Oh, I had Paul deliver Kara - er, Bimslut rather - here from her <giggle> day job yesterday. She's been helping me train my newest toy down there. Bimslut was awfully messy when they started, but she's much cleaner now...

<choke> Eep?!

Really? I thought for sure you'd recognize my other guest. Well...I guess you've never seen her naked before... or, you know <giggle> busy...

E-eep? ...eep...EEP!

Here, I'll give you a better look. Bimslut! Take a break now...

**EEP!!! <CHOKE> EEEEEPPP!!!**

**Kara - say hello to Dan's mom, Andrea...I'm sure you've met...**

**P-Please...A-Anna...h-help m-me...  
I...oh god...sooo horny...**

**See, Andrea - don't you wish you were nicer to me when I was dating your son Dan?**

**Wh-why Kara like bunny? <SOB>  
No make Bimslut bunny!! Please!!**

**<giggle> I have been toying with keeping Andrea - I may modify her vocal cords into those of an adorable lap dog, like Carl did to his poor sister Lisa. She's so cute now! Of course, I don't think Lisa sees it that way...**

**<CHOKE> eeeeep...eeeep....**

**<choke> Nohhhhgod please! W-wait...wh-who...who is...oh god...  
Bunny girl...smells soooooo good...**

**She does, doesn't she? Would you ladies like a lick?**

**EEP!?! EEEP!!!**

Ohhhhhh need to l-lick....soooo  
horny...s-so-

N-Nooooo...no want lick K-Kara  
b-bunnohhhh, so yumyyyyy....

EEP!!! EEEPPP!!!

**WARNING:** contact between  
immediate relatives is not  
allowed. Any further  
instructions involving  
immediate relatives will be-

Fascinating! I was wondering  
how the system would handle  
this! It still knows that  
Andrea can't be allowed to lick  
you - even though your body is  
100% Kara...well, plus the  
bunny of course...

EEEEEP!! <CHOKE> EEEP! EEEP!!

HOLD ON DANI! DON'T LET  
THEM MAKE YOU CUM AGAIN!

Well...while this is very  
entertaining, I think we should  
probably get going. Back at it  
girls...

oohhhh godddd....<choke>  
<slurp>

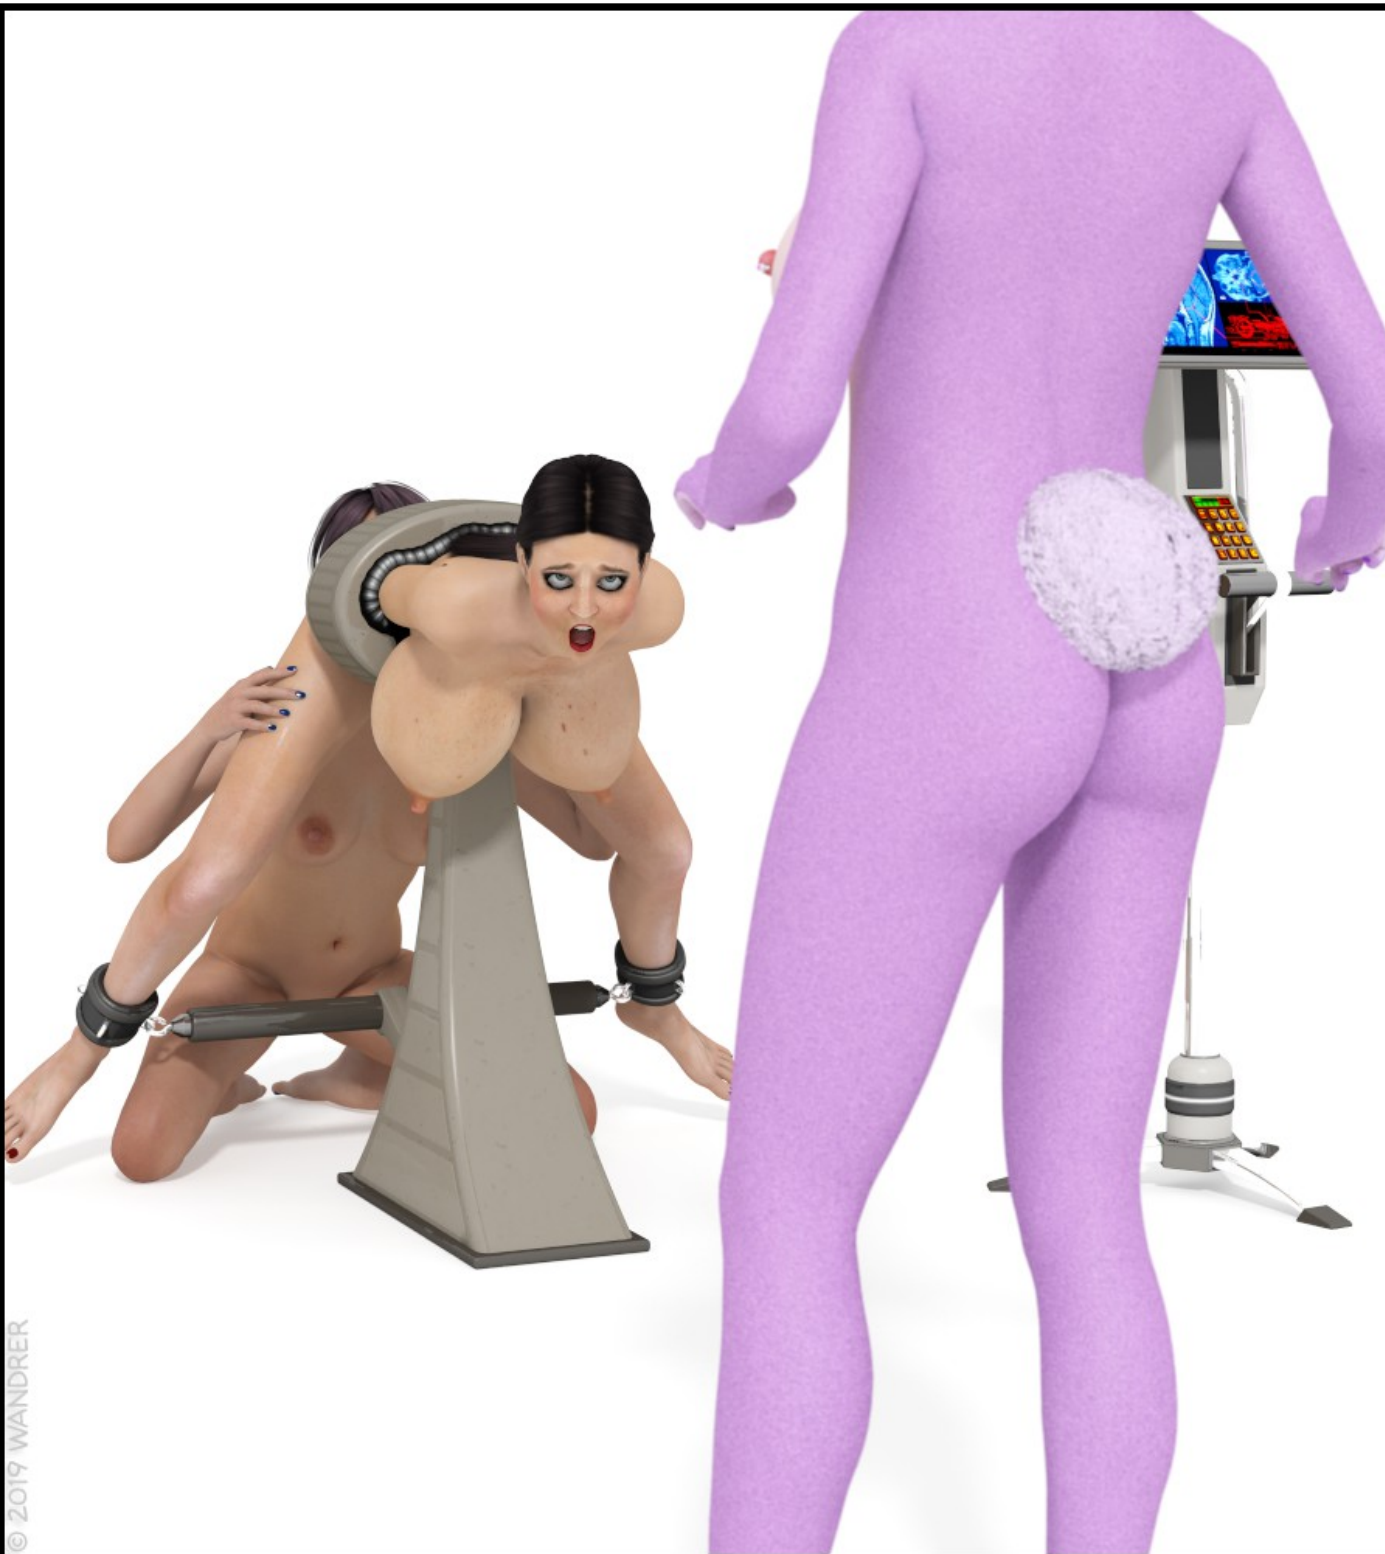

There we go...your mom always did like Kara more than me, even when we were dating. She seems to really like the way she tastes now, too. You know what's funny? I had the doctor taste-test her, and apparently she tastes an awful lot like Andrea...

<SOB> EEEP! EEEP!!

Now, now Kara - leave the ladies to their new pastime. Just think, your...er, Dan's dad is probably going to discover threesomes soon!

EEP! <Choke>

Now then - if you're wondering how I got them all like this...come meet my pussy training machine!

We sold poor Danny to one of the women's-only clubs we service...well, he services now <giggle>. But poor Julie - all the random mods your wife dumped on her, all those... bizarre cravings? She's quite mad in there I expect, and ruined for any sort of normal life.

**WHEEEEEEEEE!!! WHEEEEEEEEE!!!**

But - it turns out if someone tastes another pussy shortly after licking Julie, they get addicted to the taste. Just a few minutes, and women found their husbands would do practically anything to eat them out. So we'd been renting her out - usually several times a week. Of course, after twenty minutes or so, they don't much care whose pussy they're licking. Much longer...you get addicts who will literally do anything to lick anything female. Which happened to an entire college dorm when the sorority next door didn't follow instructions...<sigh>.

**EEP! EEEEE!**

WAIT...THAT'S...THAT CAN'T BE  
- NO, PLEASE-!

And just like what has happened to your other little friend I've got back there now!

NOOOOOOOOOO!!!!

EEEP!!!

Say hi, Erica.

Pussyyyyy...lick bunny's  
pusssssyyyyyyyyyy...?

<giggle> close enough...

eeep....<sob> eeeep....

Did you think I wouldn't notice how many times your little friend here had you over? And your records getting scrambled while you were there? I don't know what she thought she was doing, but we picked her up on the way to the airport today, trying to get away...

OH GOD...I S-SENT HER AWAY...TO BE SAFE! (SOB)

Well, I don't think she's going to be able to focus long enough for any more silly games any more...I'm thinking I'm going to put her in the girl's locker room at the office.. Would you like that, Erica?

<SOB> YESSSSSS LICK ALLLAAA  
PUSSSIEEEESSSSSS...

Eeep? Eeep! Eeeeeeeeepppp...?

Uh oh - that smell is really overpowering isn't it? I forgot how strong it is without inoculation...

eeep...EEEEPP!! <CHOKE>  
EEEEPP!!!

Hmmm...maybe I should let you have a lick and get you addicted to me...

mmmmmm...pusssyy????  
mmmmmm....

YOU (SOB) FUCKING BITCH!  
I'LL, I'LL...OH GOD...ERICA...

But, I guess that wouldn't be fair to do without talking to Paul...I'll ask him later...  
ohhhh...b-better get going...

Come on now Kara...let's leave your friend to get her fix...

OH GOD...

EEEP! EEEEEEEEEEP!!

<sob> pleeeeeeasssee...lick bunny pussssssyyyy...

She's pretty far gone - I'm actually not sure licking Julie for longer can do anything more to her...but it'll be a good experiment, I suppose.

OH GOD! <SOB> DANI - WE HAVE TO HURRY, BEFORE-BEFORE ERICA- <CHOKE>

EEEEEEEEEEEEEEEEEP!!!!

**Whew! That was close. You already like pussy, but - once someone licks Julie it's a very different thing.**

**e-eep...eep! <choke>**

**I mean...your mom only licked her for twenty minutes or so - and went from utterly disgusted by the idea to a cunt-addict!**

**Eep! EEP!! EEP!!**

**...it's probably good that I can't understand you, Van. That didn't sound very nice.**

**I - I...WE HAVE TO KEEP IT TOGETHER...(SOB) I - I...I THINK WE'RE ALMOST THERE...**

**Oh - I should probably warn you this next stop may be a little shocking to you...**

**E-eep?**

eeeeeeep....eeeeeeep...

Aw, Kara - don't you like my toy? I love having her mounted in here - especially since that fucker Nicky made me love the smell and taste of cum when I needed a mod available.

Mmmmm god that's good...

<choke>

She's well used - I rent her out online too! She's quite popular at frat parties, especially now that I've modified her throat, pussy and ass with special massaging features...

<CHOKE> EEEP!! EEP EEEEP!!!

<giggle> Or is it the other one that you're so upset about? Her new appendage is so humiliating for her...

HNGGGAAHHHHHHHHHH!!!!

Hello Erin...enjoying your new toy? Erin has been trying out each of Betsy's holes...

Ohhhhhhhh...<choke> A-Anna? Oh g-god...wh-what is that thing?

This used to be Kara, believe it or not...

K-Kara? Ohhh!! Ohhh godddd...

P-please...just a l-little taste of the b-bunny? S-so wrong... it makes me s-so hot....I'll l-lick your ass like you like? You k-know I hate that...

<giggle> Now then Erin, I - oh! You naughty girl, stop that! I - oh now that's...mmm....d-dammit, Nicky...you made me l-like this too much...

...eep? <sob> eep...

Eeep? Eeeeeep? Eeeep...

<choke> o-or I can fuck the bunny in the ass while you watch? Pleeeeease...

**You c-can't play with the bunny, Erin...the system won't...ohhhh...**

**T-tell you what...clean out my toy's mouth, and I'll find something new and nasty for you...**

Oh god th-thank you...thank you Anna...

Oh, you're wondering if she's aware in there? Oh yes...she kept going catatonic, so I've had to...<giggle> play a few little tricks with her to make sure she's paying attention...

I...WONDER WHAT THAT MEANS?

<choke>

Don't bother. She can't really react - it would take quite an effort for her to make any sounds. Except when she's being used of course

You know, you did something much worse to your sister than I could ever have come up with. She is literally a humiliation junkie now - the more disgusted with herself she feels, the hotter she gets. You should be thankful I brought her here - she was researching bestiality videos online, among other things...

<sob> eep...eep-

I'm almost tempted to tell her who you really are to see if her craving to lick you then would override the safeties...

EEP!

...but that might get Compliance looking closely at what I'm doing here, and we don't want that! Anyway, let's leave her to clean up and take a look at you...

© 2019 WANDER

Eep!

What, you don't like having your ex-girlfriend play doctor with you, Kara?

Eep!

Oh stop whining...it's not like you haven't had all sorts of things inserted in there already! I've been enjoying watching most of your little escapades with your mom or sister eating me out lately... your mom seems to like my pussy almost as much as you did, actually...

<choke> eep

Besides, don't pretend you aren't turned on by all of this...you're so wet that this is going in nice and easy.

This setup is obviously more limited than the real lab, but it should at least let me see what's going on in there.

E-eeep?

THAT'S IT! I'M IN! HANG ON DANI, JUST A MINUTE NOW... NEED TO RUN MY PROGRAM NOW THAT WE'RE INSIDE HER FIREWALL...

Huh...that's odd...

UH-OH.

Eeep! Eeeeeeep!

IF YOU'RE SAYING HURRY, I KNOW, I KNOW!

**What on earth? There's an external feed in there! How is that even possible?**

OH, SHIT. I NEED ANOTHER MINUTE...

**Is that...wait...is someone inside your head, Kara?!**

DAMN, SHE'S GOOD.

**You brought someone into my house?! You pathetic little cunt. You think I've been nasty so far? Wait'll you see what's next...I'll turn you into a real bunny factory... churning out fluffy bunnies every time you fuck...**

**Eep! Eep eep!**

**THAT'S RIGHT! KEEP HER MAD!**

**<choke> eep?!**

**COME ON, DANI - KEEP HER GOING! WE NEED A FULL ON EVIL VILLAIN MONOLOGUE AND WE'RE THERE...**

**E-EEP! EEP!**

**Oh, you're defiant now - but how about when I send your mom and sister to where the incest blocker is off? I won't even have to do anything - just let Erin do what she wants with the both of them...she'll turn the two of them into the nastiest show the world has ever seen...**

**<choke> EEEP!! EEEP!!!**

**I KNOW! I KNOW!**

**And you in there...think you're smart, do you? Well - you seem to have forgotten we keep detailed logs. Including the addresses you're probably hopping through to get here. You won't be able to hide from us, believe me.**

**Y-YOU DON'T SCARE ME, YOU CRAZY BITCH.**

**eeep?**

**Wait till you see what I do to you and anyone you love...I'm thinking our kennels need some new breeding bitches...in heat, and oh so fertile...**

**...OK, SHE SCARES ME A LITTLE.**

**Or maybe...I can use my research from Erin to addict you to humiliating everyone you care about...if you're this clever, you'll come up with nastier ideas than I ever-**

INSTEAD OF ANNA?

...OK, I'll admit that that time  
I just missed.

YOU REALLY AREN'T VERY

Would you like to try this? In

particular fix...

ohhhh...

What do you think honey -  
can I make you react like that  
to my cock in your mouth?

H-huh? Uh - sure? Definitely.  
Um...baby?

Wait, what? You always get mad when I suggest that kind of thing...especially since you're not such a fan of sucking cock...

Oh! I mean - no way, that's disgusting! Um, s-sweetie...?

You sound...odd...are you feeling OK?

Um, yes...

Ohhhhhh FFFFFFFF—

mmmmMMMMM???  
MMMMMMMMMM  
<GULP> MMMMMMM  
<GULP> MMMMMMMMM!!!

Wait, are you hiding a present back there or something...?

Um...yep! Yep, it's a present.

Well let me see!

No! It's a surprise!

Babe - you know I hate surprises...

EEEEP! <choke> EEEP!!

Weird - she hasn't reacted like this before...she's usually just desperate for more after we both cum like that.

EEEEP!!! EEEEEP EEE- ...eep?

eeeeep? EEEEEEEEEP?!!  
EEEEEEEEEEEEPPPP!!!

Holy shit...what's she doing?

That's...different?

EEEEEEEEEEEEEEEEEP!!!

WAIT...IS SHE-?

EEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE  
EEEEEEEEEEEEEE—-!!

EEEP!? EEEEEP!?!?

Holy shit! What - what the hell?!

WAIT - IS SHE GETTING...  
SMALLER?

EEEEEEEEPPPP!!!  
EEEEEEEEPPPP!!!!

OH MY GOD!! THAT'S  
HYSTERICAL!

No it's not! She's - she's  
laying eggs! And she's  
SHRINKING!

Just think how tight she'll be,  
man!

Yeah, but I'm supposed to have  
her be Kara! How can she be  
Kara if she's a tiny, egg-laying  
bunny!?!

Well-

Whuhhhhhhhh?

Nicky? What's wrong?  
Nicky?

Anna, what's going-

© 2019 WANDREY

Surprise!

HOLY SHIT...I DIDN'T...I MEAN,  
I SAW THAT WAS  
THEORETICALLY POSSIBLE,  
BUT...

Eep? Eeep?! <sob> Eeep?

Wow...that's...something.

I - I THINK IT ALSO HAS TO  
BE DROPPING HER IQ...OH  
SHIT, DANI...THERE'S NO WAY  
YOU CAN TRANSFER BACK -  
YOU'LL BE STUCK LIKE-

It's...OK. I...think...if I'm  
reading all those errors in my  
vision right, this was a one  
way trip anyway.

THOSE DARTS CAN'T LAST  
MORE THAN HALF AN HOUR,  
TOPS. CAN YOU...TIE THEM  
ALL UP OR SOMETHING?

Oh...I'm sure I'll think of  
something.

OK - OK, I'M ON MY WAY  
OVER...

Jesus, this place is huge!

I hope Dani is back this way...

Shit, I guess I'd better wait till I find her just in case something went wrong...

Uh...don't mind me, ladies.

You just...just...keep...

Doin' what you're doin'...

There you are, I...

Wait, isn't she licking her own...?

Mmmm...hi Daisy. I gave Anna a little time with Julie. Now she's quite addicted to the first pussy she tasted. Which mmmmmmm just happened to be mine. Hers. This one. Isn't that right, Anna?

<choke> Eep! Eep! Mmmmm....

Th-that's actually kind of ho...no! We have to stay f-focused! Where are Paul and Nicky? And...E-Erica?

I knocked out Erica for now. She and the other girls are in the guest room. The guys in the living room. I've mmmmm cum a half dozen times anyway...let's give her something else to occupy her...

Stay out, Daisy. Anna's body is protected against this, but I can tell you, if you aren't...

J-Jesus...even from here, I can...oh god that smells good...

**EEP EEEP!!! EEEEEPPP!!**

Now, now Anna, you said you wanted to experiment with her, right? Do you grow more addicted? Or just become desperate to lick any pussy like Erica? Both?

**EEEEP! EEEEEPPP!**

Oh, I'm sure you know - but since I can't understand you... Now then...let's go find Nicky and Paul...

**WHHHHHHEEEEEEEEEE!!  
WHHHHHHEEEEEEEEEE!!!**

At some point I suppose we'll have to figure out how to to unlock this thing...

Wait...you Marked them?

Yep.

Dani, that's brilliant! That will give us plenty of time! When they wake up they'll be in robot mode until we take them out of it!

Oh no, I'm waking them up now, already out of robot mode.

WHAT?!

Just wait. My turn for a plan.

Unnnhhhh...

Wh-whuh?

...the fuck? What happened?

Wait, why am I naked?!  
Wait...was Dani...laying eggs?

You left their memories  
intact?! Why?!

Who the hell is this?

More fun this way...you'll  
see...

Wait...Anna...you shot me!  
Why?

That's not Anna.

Huh?

I warned her that  
consciousness transfer stuff  
was risky...

Uh...Dani?

Wait...what do you mean,  
Dani? Where is she?

They're...getting up! And-

Just wait.

Who are you two? Some sort  
of spies? How did you get in  
here? And where did you  
transfer Anna?

What is going on!?

You'd better tell me who the fuck you are, or else...

Or else what, Nicky? You can't hurt me...

I most definitely can-

...because people who are **Marked** can't attack their owners, now can they?

...what?

But since you're wondering - **I'm Dani. Or...Dan. Well, whatever.**

**WHAT?!** That's...but...wait...

**Wait - you mean Anna was-**

**Yup. Fluffy bunny time! But you should probably be worrying about yourself right now.**

**Oh no - oh NO!**

OH MY GOD! I've got...got...

Boobs? Why Paul, after everything you've done I'd think you'd be excited to try them out for yourself.

You mother fucker! I'm going to...uh...

Now now - you know how Anna gets when you call her names. Why would you think I'd be any different? You're going to be too busy in a minute to do much I think, though...

Y-You can't do this! The Company will...ohhhhh god... what's h-happening?!

Well, the system did warn me that accelerating your changes this much could permanently max out your arousal levels. But I figured...what the hell.

N-Nohhhh godddddddddd...

OHHHHHHHHHHH!!!

OH GODDDDDDD...!

<giggle> Did I mention I also made you overwhelmingly attracted to each other? I thought that might be fun.

G-Gonna...g-get you...  
fffuccckkkkkk...  
mmmmmmmm....

Mmm...maybe. But not for a while. Oh - by the way... whichever of you makes the other one cum first gets to keep their cock. The other one will go full-on girl...

N-N-N000000000!!!

Oh g-god...that's...hot.

It really is, isn't it? The whole twins thing and...um...

...uh...hi.

H-hi. Anna is kind of hot.

I...know. You should feel her body from the inside. She was always horny, though she n-never liked girls...but...

But?

...I...um...

I...do like girls...

W-wait. We...sh-should figure out...mmm...what's mmmmmmmnext...

Yeah...mmm..we should...real...

...SOON...

OHNNNNNNNN!!!!

A little sensitive, are we?

H-Holy sh-shit...I thought my old body was  
ohhNNNNNNNNNNNNNNNNNN!

Noo, waiwwwpphhhh-

Mmmmmmmmm  
MMMMMMMM

MMMPRRHHH! MPRHHHHH!!!

OHHHH!! <choke> Oh god that  
feels so - n-no...d-don't want  
to c-cum first...

MMMMMMMMMMMM!!!

OHNNNNNNNGOBBBBBBBBB!!

Mmmmm....

UNNNNNNNNN....

Oh god...oh god that was so...ohhhhhh

<giggle> Man, you taste good...

**UNNNHHHHH!!! <choke> N-no  
don't f-fuck m-meeeEEEEEE!!!!**

<SQUEEEEEEEEEEEEEALLLLLL!!!>

<choke> Oh god OH GOD  
OHGODOHGOHGOHHHHHHH!!!

**N-Nooooo! I don't want to be a girl!!!**

**Awww...poor Nicky. Lost by a hair.**

**Mmm...pretty sure he deserves it.**

**You know...they could still talk about this...The Company...**

**You-you'd better believe... when I g-get away from her I'm going to-**

**...ohhh...still so hornyyy...**

**You know Daisy...you're right. Nicky...why don't you help poor Paul out so you guys stay occupied for a bit.**

OK, let's see if we can get into her systems.

**What's the plan now?**

Honestly? I didn't think we'd get this far. That's...why I sent Erica on...on a long vacation. Far away. I figured there was a 50/50 chance we'd get caught and I'd end up as Anna's new toy.

**WHAT?!**

Well - it was a long shot. But I figured it couldn't get much worse...

**...did you see what is happening to my body?! I could have been stuck in there forever!!**

Hey, it worked out! ...this far at least. We'll think of something.

Oh my god, this is incredible.

Good incredible?

Yes! Everything is biometric!  
With you in her body we have  
control over her entire org  
from here! Look at this!

I like my view here just fine,  
thank you.

Well, the first thing we should  
do is shut off her nanites.  
They're pretty damaged  
anyway, but they're probably  
continuing to corrupt you...

I...think Anna's pretty  
corrupted already.

Yeah, most definitely - but you  
should at least have a bit  
more control of her worst  
urges...

...I can think of some urges  
that aren't so bad...

Can you please focus for one second?

Well, technically I am f-

On something other than my pussy?

Actually...that time it was your ass-

Dani!

I don't know what it is! Anna was always kind of a nympho even before...she certainly didn't like girls...but...fuck, I think I might...be in love with you?

OK, that's almost certainly the hormones talking - plus, what about Erica?

I like her too!

Listen...um, let's figure that all out later. I've got your nanites off at least...and there's probably a few other things we should do now that I have access...

Andrea is the easiest, I think. We should - what's wrong?

That's my mother and my sister... but...I - I'm a little turned on by them...which is...ugh.

Wow, you really are insatiable.

**It's not my fault! It's this body!**

I know...sorry. Anyway - I don't think I can override the horniness and cravings from Julie, since it's not actually driven by the nanites. I might make it worse...like switch the target from girls and make her into horses or something...

**Don't do that!**

And I probably shouldn't turn off any more Marks. I bet The Company will notice if they lose a bunch of connections. We don't want them looking too closely. But since you're technically their owner...

Oh, geez...

I say you send Andrea home as "not available" and...leave it for now?

<chokes> O-OK. For now.

Erin...she's a mess. I think... for now we should probably just let her go back to her new life in the strip club until we come up with a new plan...

Oh god...Erin, I'm so... <choke>

Um...maybe I could take a little time with Andrea before we send her home?

**DAISY!**

She's hot! And...she kind of looks like a teacher I had in high school...and you know I like the whole involuntary-

**DAISY!!!**

<sigh> Fine...

...Maya's not so bad - she's still owned by her ex, who we may want to deal with at some point, but I've turned down the piercing craving as much as I can without causing an error. They really make it almost impossible to reverse most of this stuff. I guess the permanence is part of the selling point...

So...we just send her home like this? Poor Maya...

Yeah, we have to, without some more drastic plan. Kara...I really don't know what we can do for her right now. Like you - former you - she's undergone such extreme changes that anything we do is dangerous. We...may just have to keep her as she is and take care of her for now.

<choke> Kara...I'm so sorry.

I may be able to at least give her her name back...

Oh god <choke> Erica...

Oh, Daisy...

I...I don't know what to do. Her brain reads like a drug addict's...it's the same problem as with your mom, just...a hundredfold.

Maybe...we just keep her and take care of her too? And just find her lots of...things to keep her occupied? At least till we can find some way to cure her...

<choke> OK. As for the doctor...Dani, she's seen too much! I'm...not sure what to do with her. We can't Mark her and send her back - they'll catch that for sure.

Who says we have to send her back? I have an idea for her...

Oh god...Betsy... <sob> I can't believe...this - all of this is my fault.

Well...yes...but Anna sure helped you along.

What can we do for her?  
We have to do something!

She's...she's undergone so many changes...Anna actually even modified her digestive system to subsist on...<cough>. A-and like I said, you can't really undo those changes...

<sob> Can I s-switch with her?

Dani - your nanites are totally fried. Even if they can even be repaired - and I'm not sure they can - it'll be months or years before we could try that. And it doesn't seem fair to swap her with anyone that we care abou-

Oh Paauuuu!!!!!!  
Oh Paauuuu!!!!!!

There you go Nicky. Enjoy your training.

MMMMMM!!! P!-pleammmmpHMMMMM!!!!!!  
<choke>

Awww...you know exactly what this will do to you, don't you? Boy, for someone in this business, you sure don't enjoy licking pussy, according to your profile. Don't worry, you still won't like it, but you'll be much more enthusiastic about soon...

EEP! EEEP! <schlurrrrp>

And look, Anna's going to help you out too! Such a good couple.

I'll check back on you... eventually.

Fuck?! Fucky sucky!  
Cum dumpster pussy lick fuck...  
<sob>

She...won't be like that, right?

No - we'll be able to transfer everything since I have time to prep. And it won't matter for Paul since she won't be able to talk anyway... <giggle>

**SUCKY?! CUMDUMPSTER  
SUCKY SUCKY!??!**

You're sure you want me to reset her memory like this? Once we transfer, we won't be able to change it back...

I'm sure. You can make her forget what we're doing now, too?

Yeah - I'll transfer her in a highly suggestible state so we can leave the suggestions you want. So you can just tell her to forget it, after...

OK, you ready?

I...yeah. Do it.

CUMDUMPSTER FUCKY  
SUCKY COCK PUSSY!!!! CUM  
COCK PUSSY FUCK  
CUMDUMP-

-ooooohhhh...wh-whuh?

Betsy? Is that...I mean...are you OK?

Did it work?

What's...what's g-going on?  
Who is...is that...why does that girl l-look like m-me?!

A-Anna? What am I...where... why are you naked? Why am I naked...? Who is that girl!? What's going on!?!

Don't worry about it right now, Betsy. In fact...don't worry about anything.

Oh...OK. I feel kind of funny.

We're going to fix that too. What's the last thing you remember?

I...came home from work, I think? And maybe had some wine with Dan? And...I d-don't remember...how did I get here? Where am I?

I think it worked.

YES!

Why don't you take her out to the living room, Daisy. I'll be out in a second.

Look at you struggling in there! You can almost see that there is someone trapped inside now...

))))))))))))))

Aw, you sound so horny! Which I guess is your permanent state. Rough, isn't it? Don't worry - we're going to find you lots of playmates to help with that. Wouldn't want you to go hungry, after all.

))))))))))))))

I'm thinking we start with your brother's bachelor party? That will be a lot of fun, won't it. You were going to have me strip and fuck everyone there, I know...

))))))))))))))

Well, you just think about that. Back soon, Paul.

iiiiiiiiiiii!

iiiiiii!

iii!

и

...

OK...you ready? Like with Kara, this is sort of a one way trip - especially if you-

Wh-whats...why do I have a - ohhhh... that feels nice...

**Definitely. Do it. Betsy-**

Huh?

**Something is going to happen that may feel a little...weird.**

Will it hurt?

<giggle> No, definitely not. OK, here goes...

© 2019 WANDRER

Oh GOD! That was...that was...WOW....

Good?

Y-Yes...I f-feel...

More like yourself?

Y-Yes. Yes? Yes.

Good. OK, listen...this is what you're going to remember when you leave here...

OK, repeat it back to me...

There was an accident? And...and I've been given an experimental recovery treatment...and I'm better, but I...forgot the last few months. And...I might see some weird stuff with people I know, but I shouldn't worry about it.

Exactly right. And...um...Dan?

Dan <sob> - Dan and I got... divorced? But...but...I love Dan...

<choke> He loves you too. And s-someday he might come see you but he's...away. But he wants you to have a great life and find someone else if that's what you want. And most of all h-he wants you to be happy.

Oh...OK. I'll do that.

G-good. N-now go find some of Anna's clothes that you like, and we'll call you a cab to your mom's place. And then you'll forget all about being here.

Oh. Um...OK.

You know...that was actually really sweet. You really do love her, don't you?

<choke> Yeah. She'll be better off this way.

You sure you don't want to... you know, with her? Just once before she leaves?

Daisy!

What? I mean look at that ass!

She doesn't like girls!

Oh, I can fix that-

No.

But-

No.

Spoilsport. Well, I suppose we still have work to do....

**A few weeks later...**

Well, here we go. Hope I'm ready...

...Jesus how can I still get turned on looking at myself in the mirror...?

mrrowwrrr?

Awww...who's a good pussy?

Meowrrrr? Mrrowwr!

I think later we'll wake you up to get some more information. We may try out Daisy's experiment to see if we can finally turn off your pussy craving temporarily, to see if it'll work on Erica. Of course, she gives it a 50/50 chance it just makes you completely non-discriminating, so you need to fuck, suck or lick anything that you can...oh well...

Mrrowww?

Not that you can understand me, of course. Make sure you take good care of your other mommy today...

<purrrrrrrrr> <purrrrrrr>

<giggle> OK, giving you the equipment to purr was totally worth the risk, whatever Daisy says.

Hey sweetie...I'm off to work...  
wish me luck...

Go fix Kara?

Well...not yet. But hopefully  
we're starting on it, anyway.

Mmmmm...more play with Kara? Kara sooo horny...

Ohhh - h-hey! Not - now! I t-told you, I gotta go to work. <giggle> Play with the cat...

Mrrowr?

<purrrrrrrrr> <slurp>  
<purrrrrrrrr>  
mmrrrmmrorwwr  
<purrrrrrr>

**OH!!! OH!!! KARA LIKES  
KITTY LICK PUSSY  
OH!!!!!!!!!!**

<giggle> Oh, I know. Me too.  
She's better than a vibrator...

...maybe I could just...

**No! No...s-see you tonight...**

N-need pussy...please...oh god...  
<sob>...tastes like cum...

<sigh> I know, Erica...sorry...

D-Dani? <choke> Oh g-god...  
can...can I lick you?

Not now - later, honey. For  
now - just go to my bedroom...  
Kara and the kitty are in  
there...you can lick the pussy's  
pussy...

O-OK...

You know I'm going to have to punish you again, Niki.

Non! <sob> Please, Madame... Niki will be ze good girl..

Can't read, can't speak any more other than your broken french...maybe we should just make you a pet, too...

<CHOKE> Madame - p-please-

Hmm...I'll have to talk to Daisy and see what she thinks...this place had better be awfully clean when we get home.

O-Oui Madame...<sob> N-Niki... c-can start with y-you...?

Mmm...maybe later...I certainly am enjoying how submissive Daisy left you...

<sob>

Eep? EEP! EEP EEP EEP!

Not now, Anna - if you're a good girl today, I'll let you lick me later.

<choke> EEP EEP EEP EEP!

Hey, at least Daisy finally figured out how to stop your shrinking - too bad it left you so much dumber and hornier...

<SOB> eep...eep...

Who knows if you even understand me.

<sigh> And look at that mess...Niki!

See, this is a good example. I believe I gave pretty clear instructions that you're to keep things clean around here...especially with her. Anna is far too dumb now to realize she's dripping all over the floor like that...

Eep?

O-Oui, Madame. Niki will clean right n-now...

You'd better do a good job! I'm thinking we could use a dog around here anyway...

<choke> Non! P-Please Madame...Niki will do ze good job...<choke>...

Well, you'd better not get distracted again. I'll be back soon...

N-Niki will do ze good job...  
Niki will no be dis—dis—

Eep? Eep!

W-Wait...what...what is  
Bunny-

...I'll be taking a long sabbatical so that I can focus a bit more on my...private research in my home lab.

Very good ma'am. That is something you've been talking about for a long time...

It is? I mean...it is. Yes.

Will my...trainee doctor be coming back soon?

Uh, no...she's been permanently detailed to my private research. And please send Carl from QA over later. I have a position for him as well, starting with some...in-depth research on Julie...

Of course, ma'am. Should I be expecting any other major changes around here?

Well, you'll have to ask your new boss...

**...Ms. Daisy. She is...uniquely qualified for this role.**

**I...see. Welcome, ma'am. I don't believe we've met - are you from the head office?**

**If you check your pad there you'll see my clearance level...**

**Oh, here it is - my goodness! With our isolated branch cells, I-I've never met an Executive from Corporate before! Welcome!**

**Thank you. Anna has done a wonderful job, but we agreed that it was time for a change, isn't that right Anna?**

**Most definitely. I look forward to seeing your work here have a lasting impact on the future of the Company...**

**Oh, I think you can count on that...**

A black and white graphic featuring a series of nested, inverted triangles that create a strong sense of perspective, resembling a tunnel or a staircase receding into the distance. The triangles are formed by thick, dark lines that converge towards a central point. In the center of this tunnel, the words "THE END!" are written in a bold, white, sans-serif font with a slight shadow, making them stand out against the dark background of the tunnel's interior.
