

WasteLand

**The city council
was very clear...**

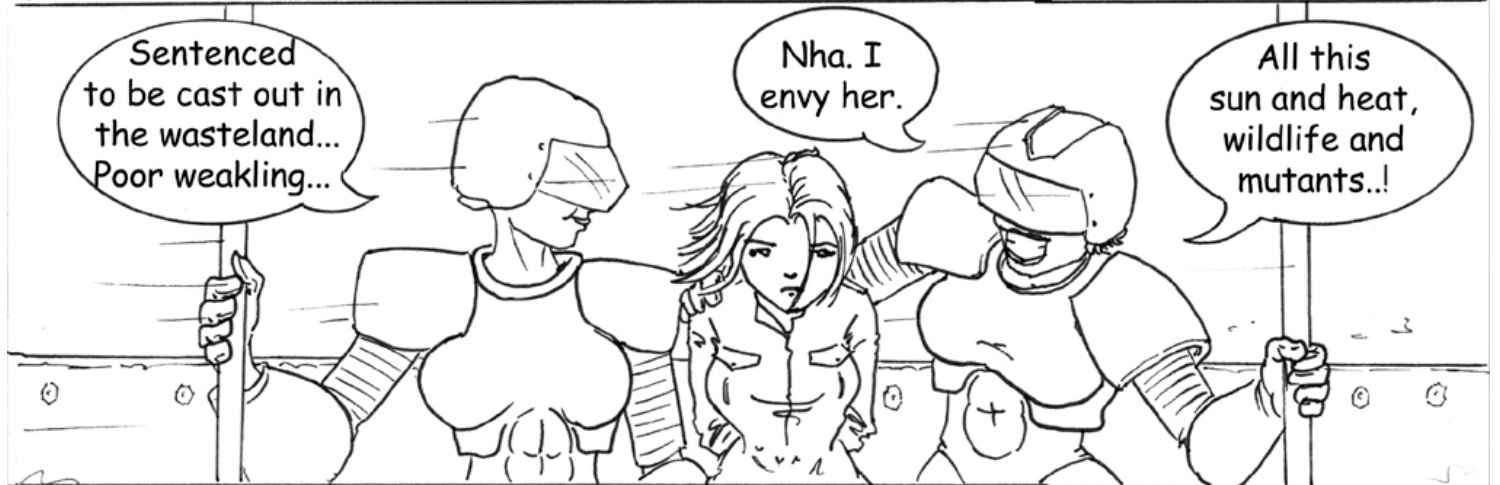

**...too weak to benefit
our community.**

Sentenced
to be cast out in
the wasteland...
Poor weakling...

Nha. I
envy her.

All this
sun and heat,
wildlife and
mutants..!

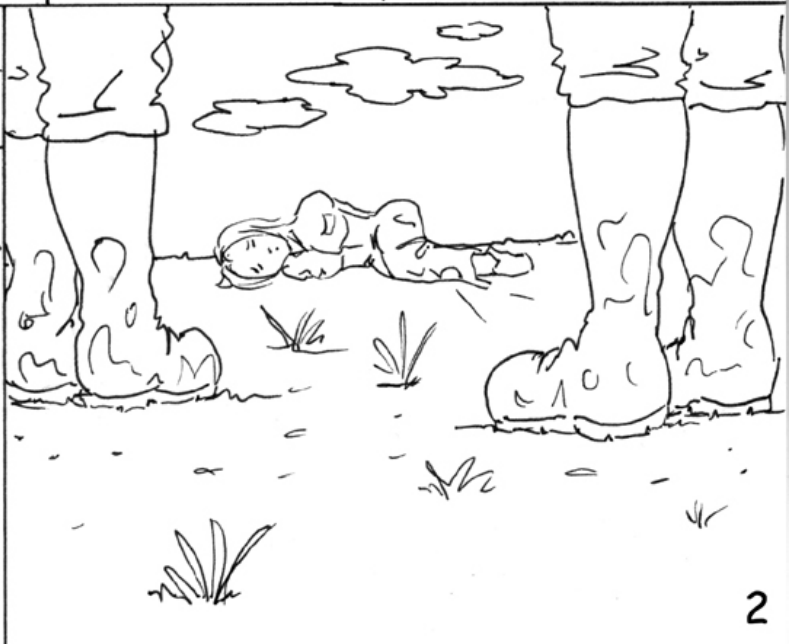

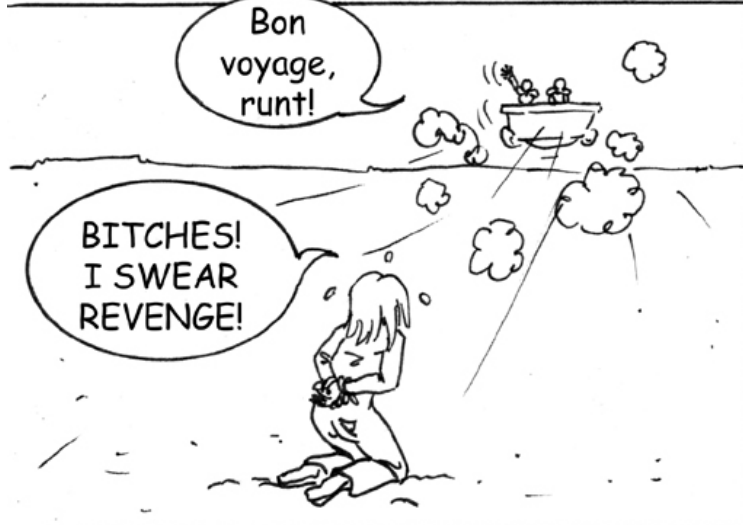

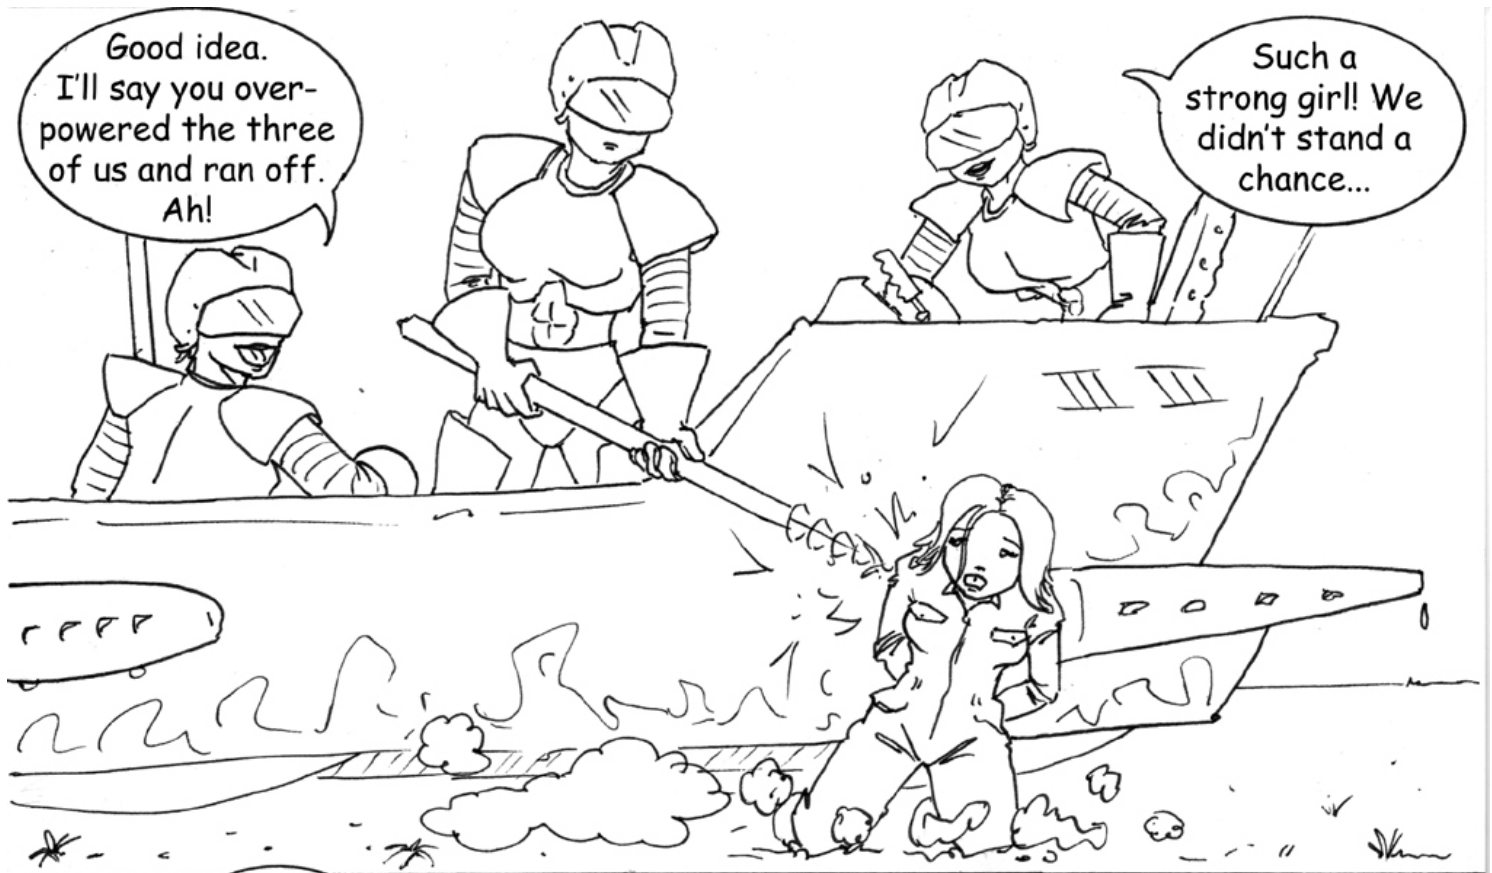

Please!
I'm begging you.
Can't you just tell
them I escaped?

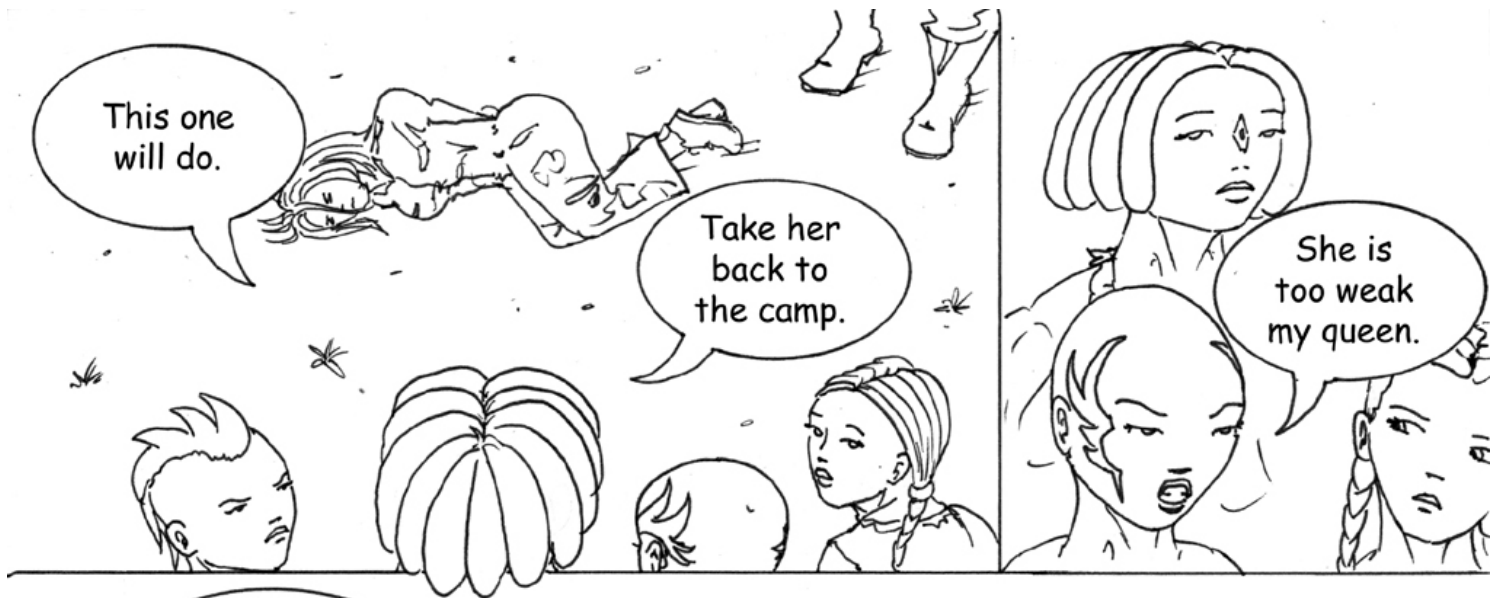

Ah!

Ah!

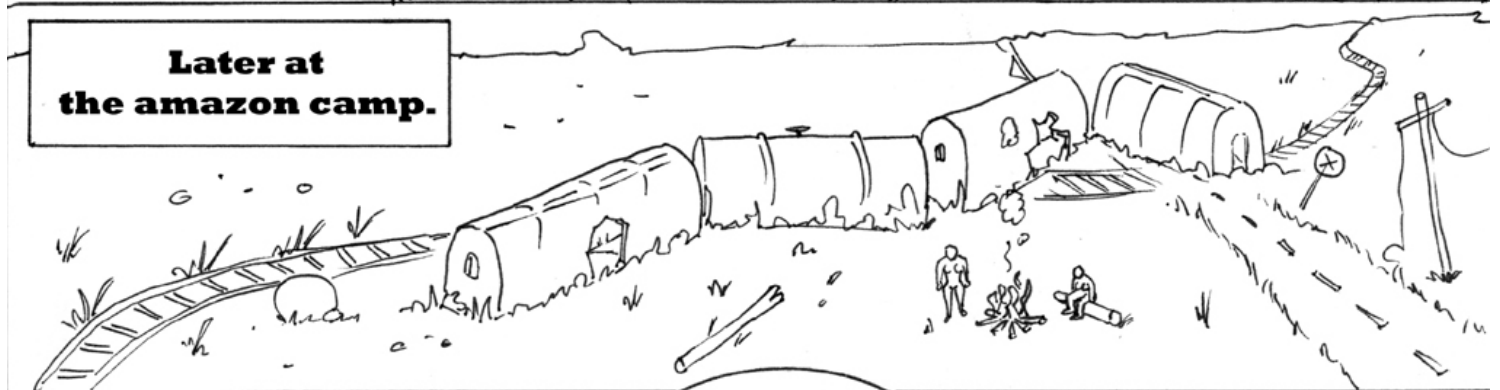

Ah!

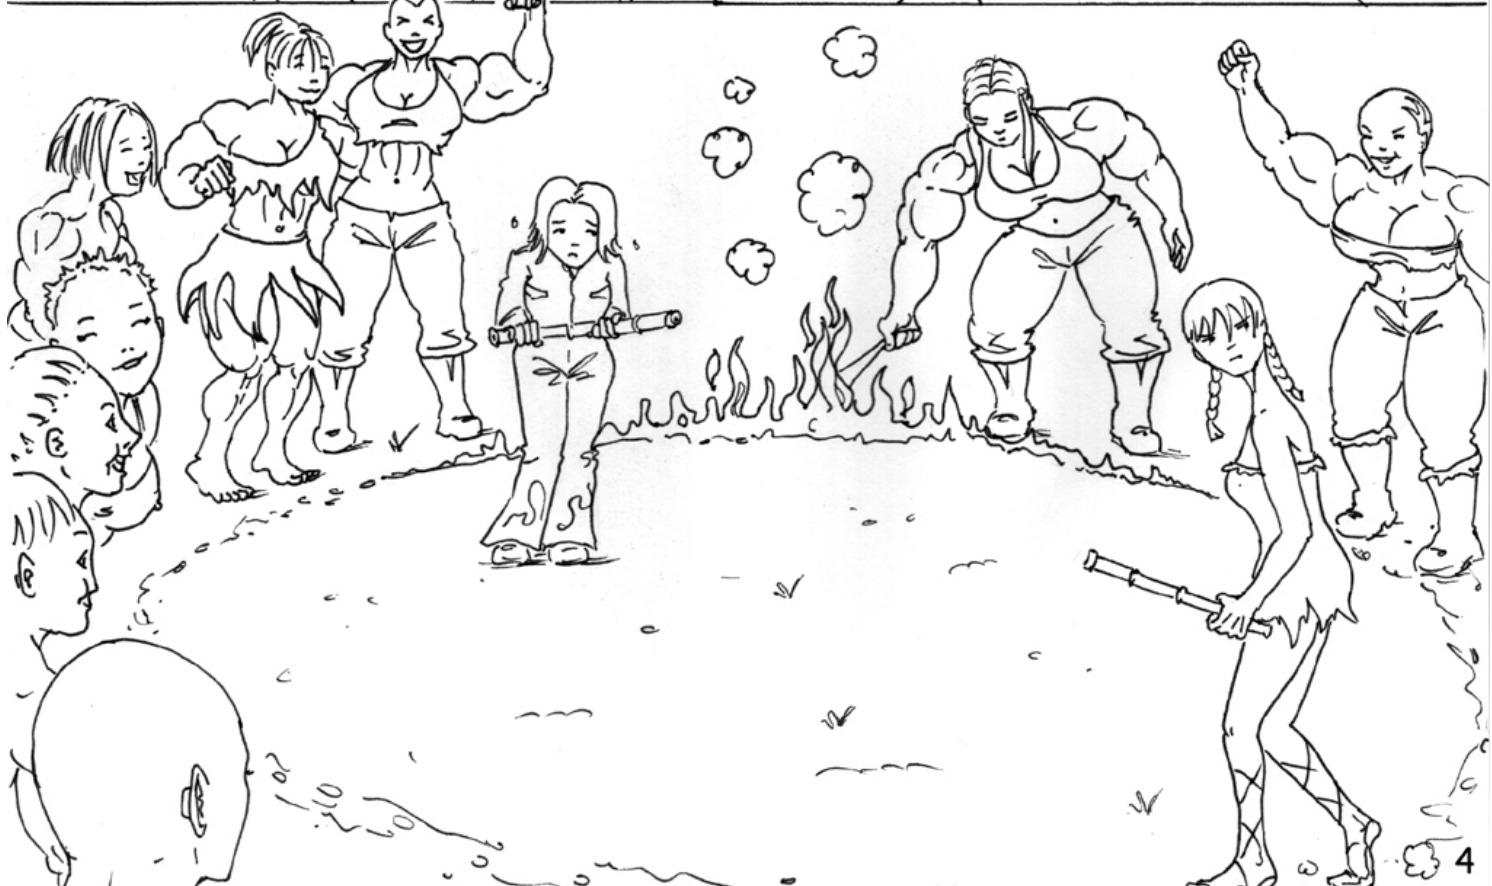

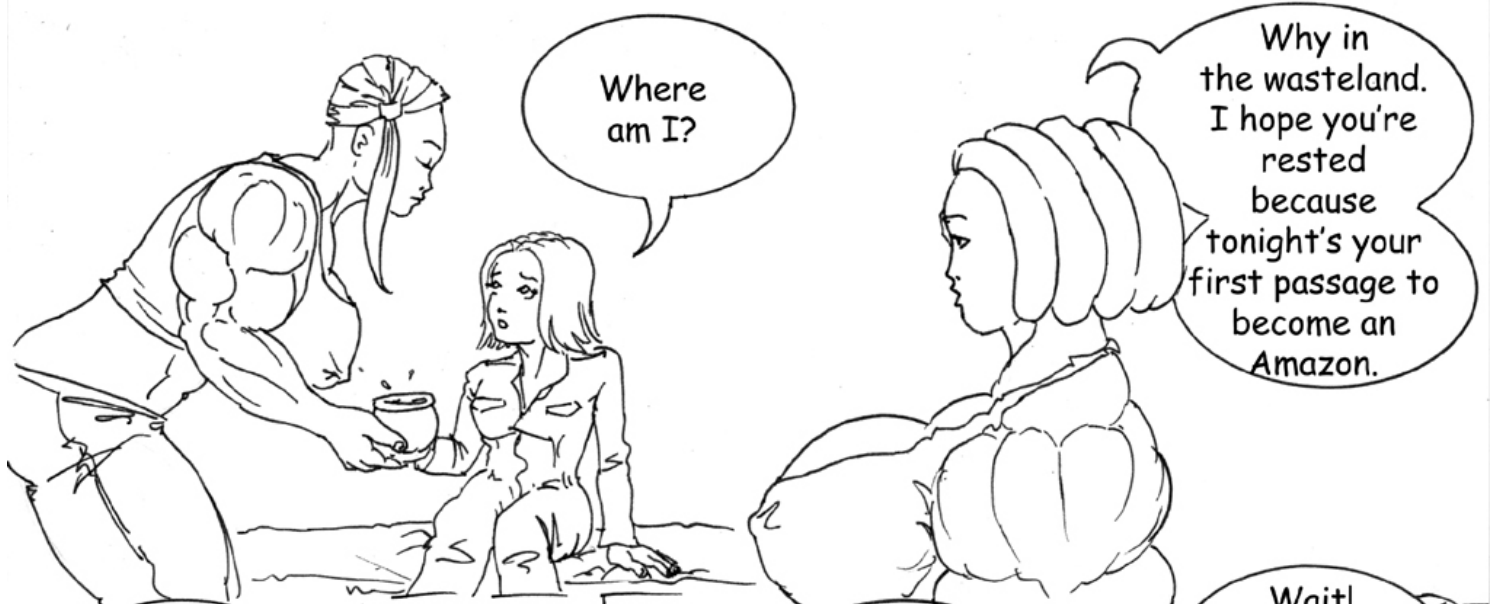

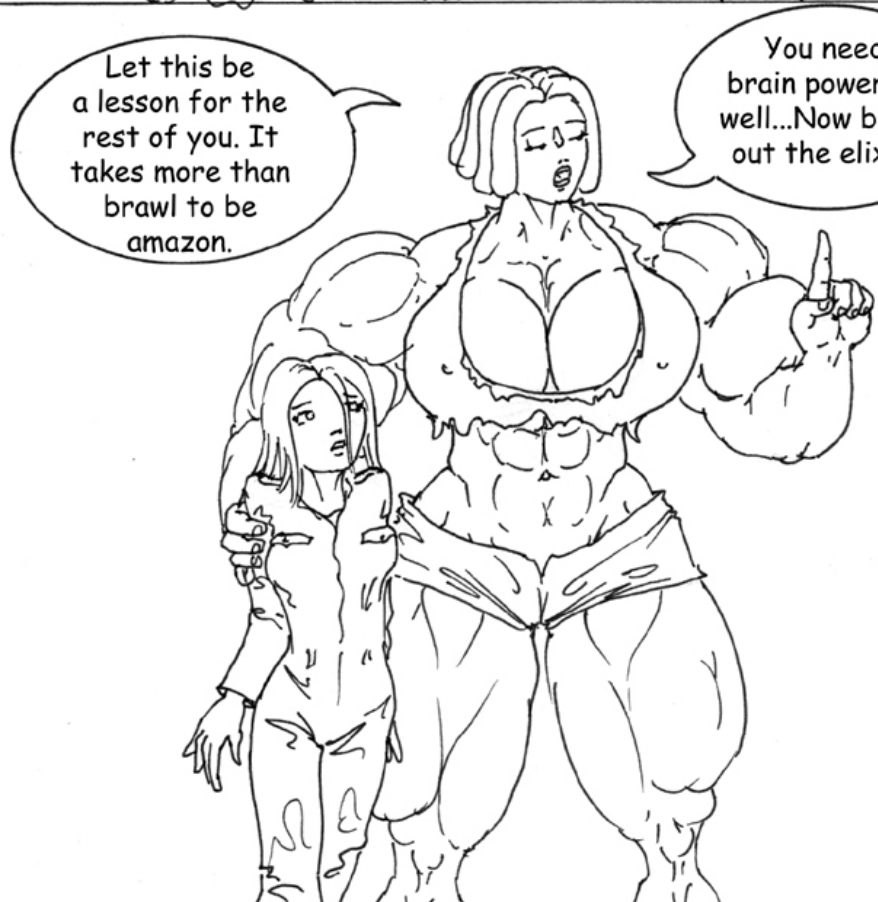

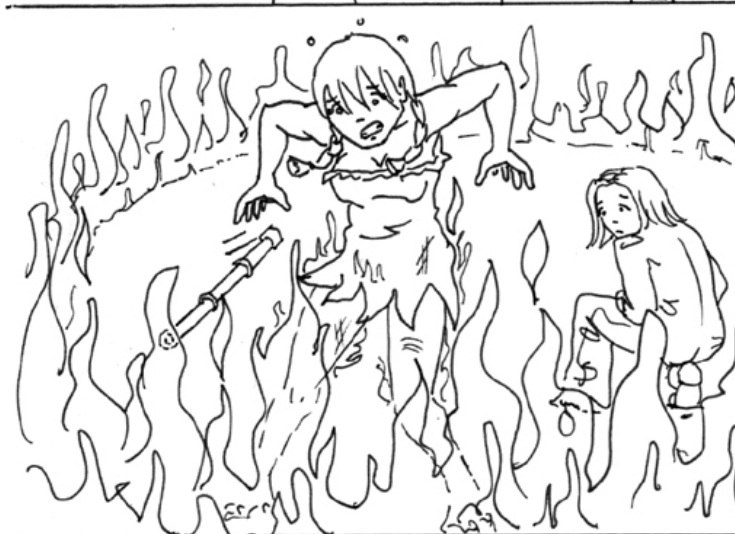

**Later at
the amazon camp.**

So when
does it start
to...uh.

ooh

This is
fantastic, I
feel so
STRONG!

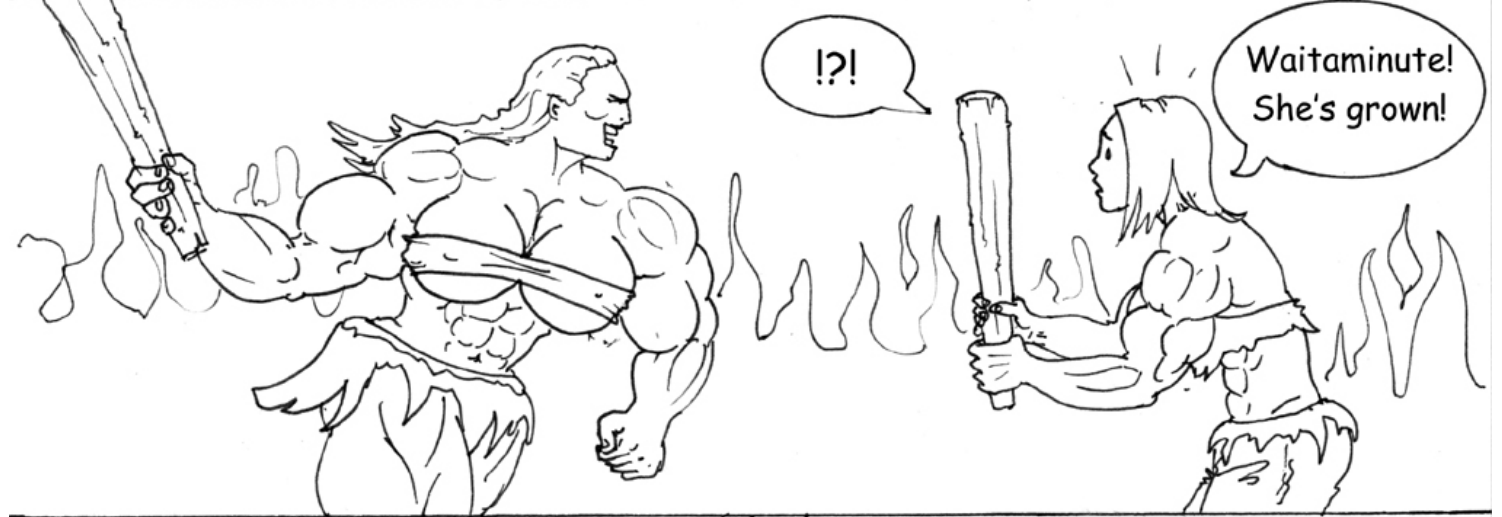

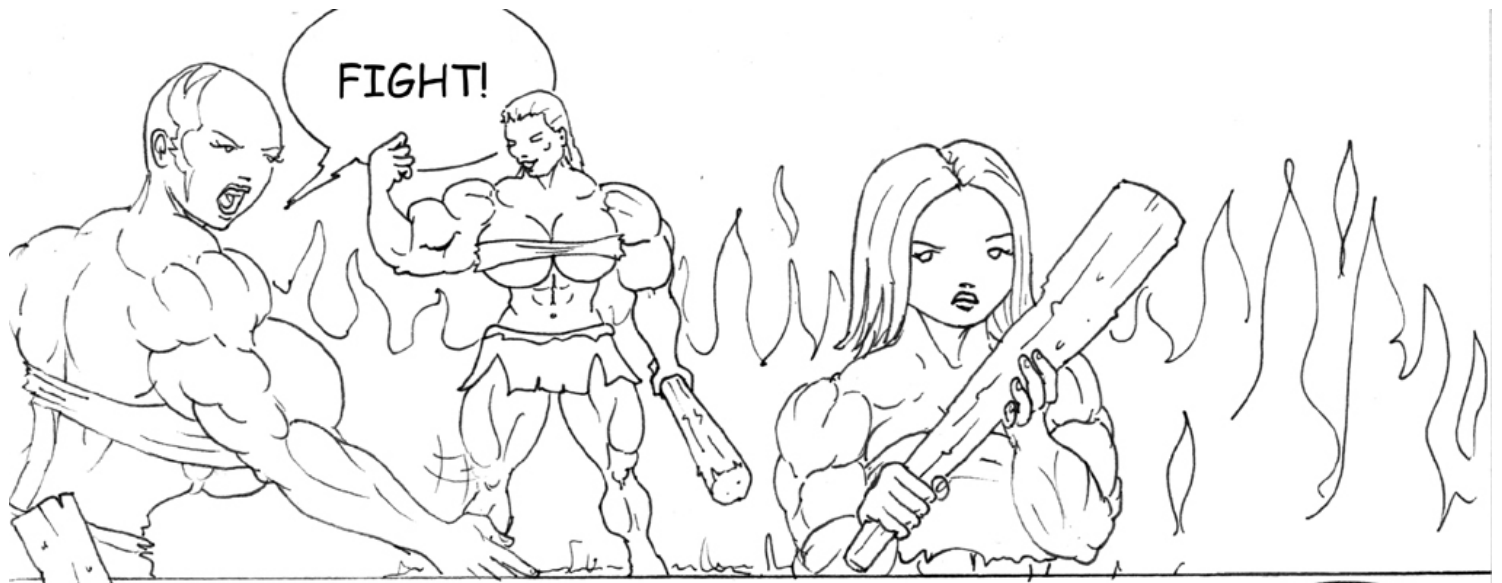

Calm down
junior. You're
still the smallest
one around...
Ehe.

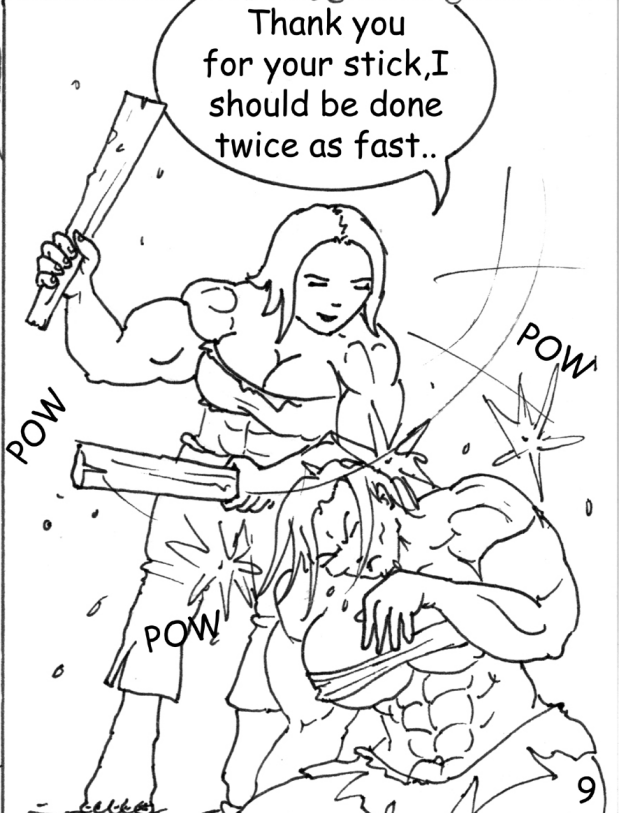

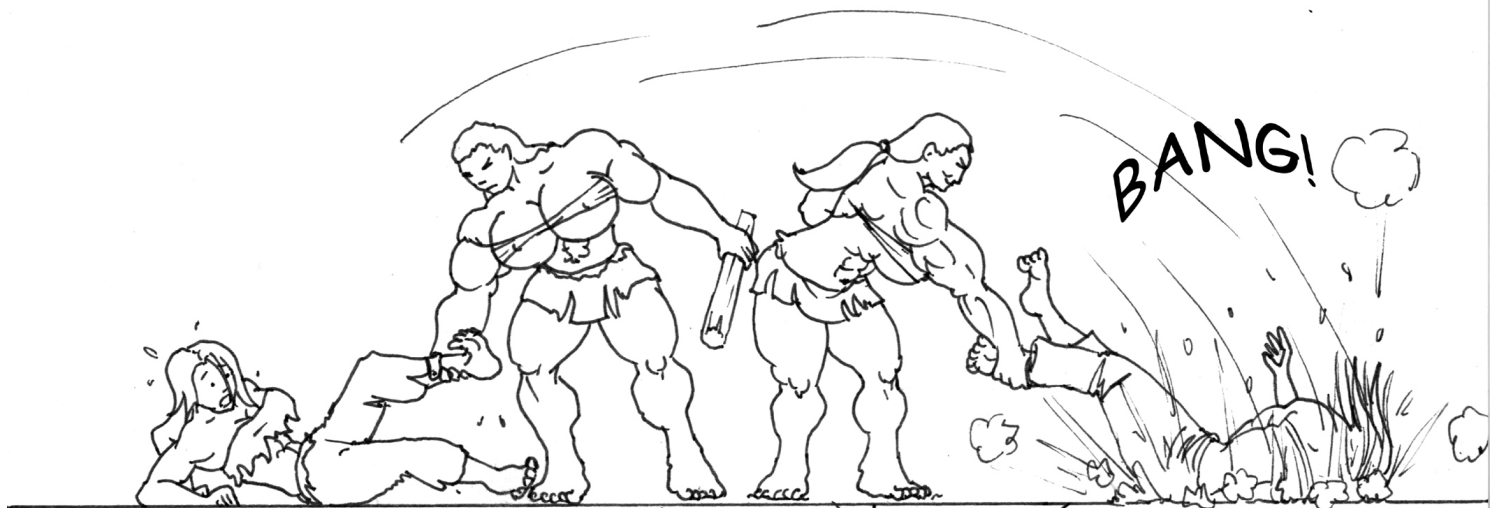

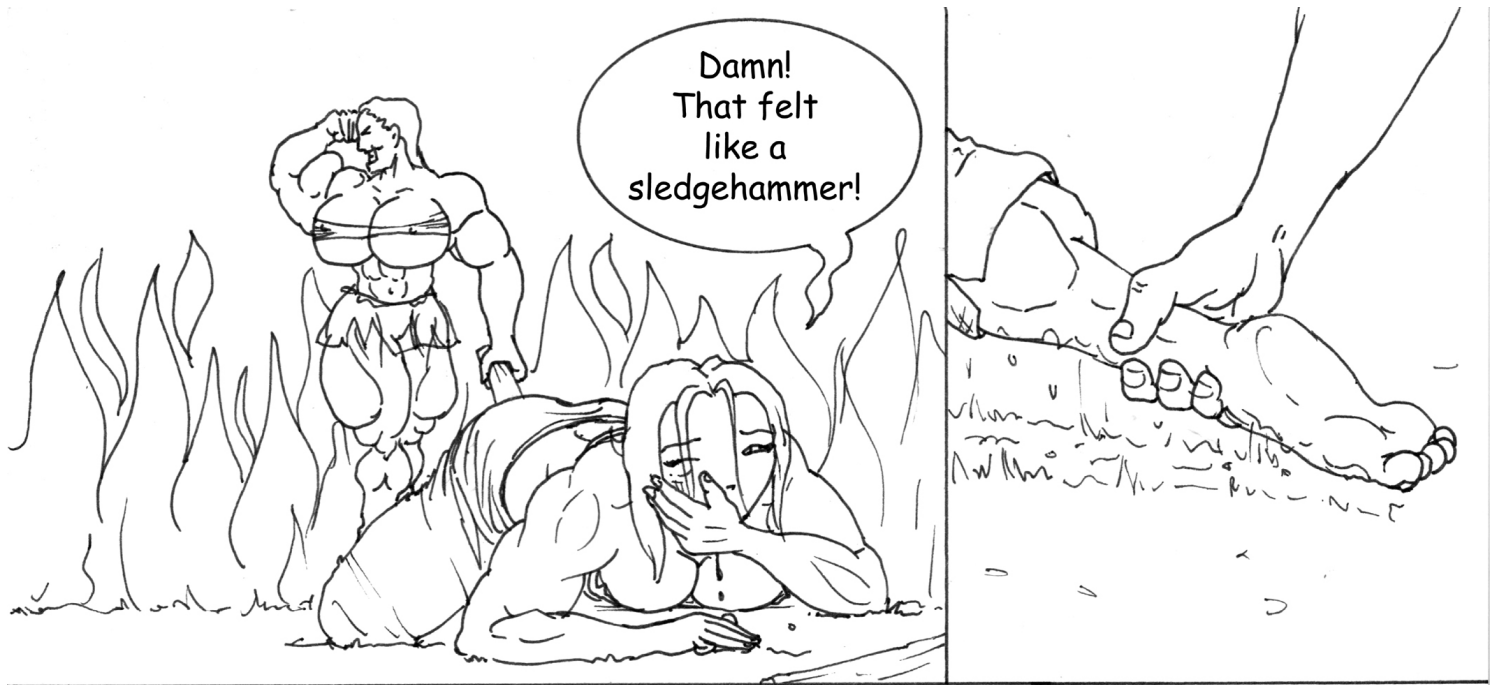

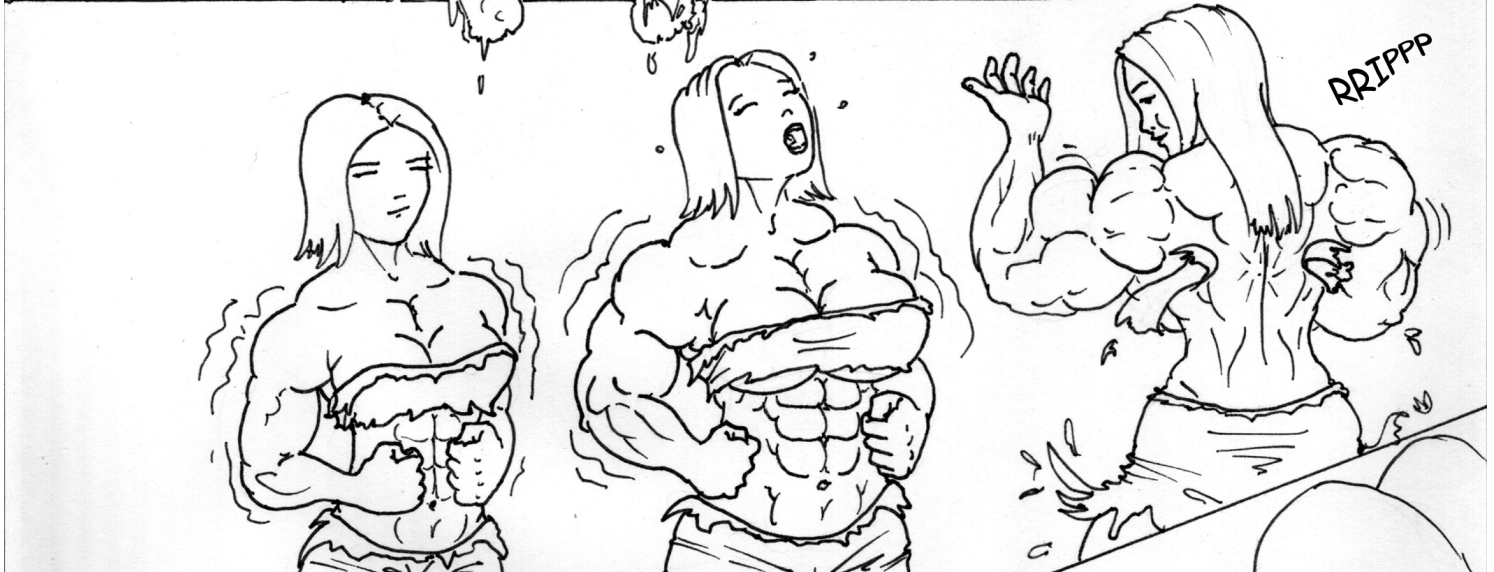

The next night.

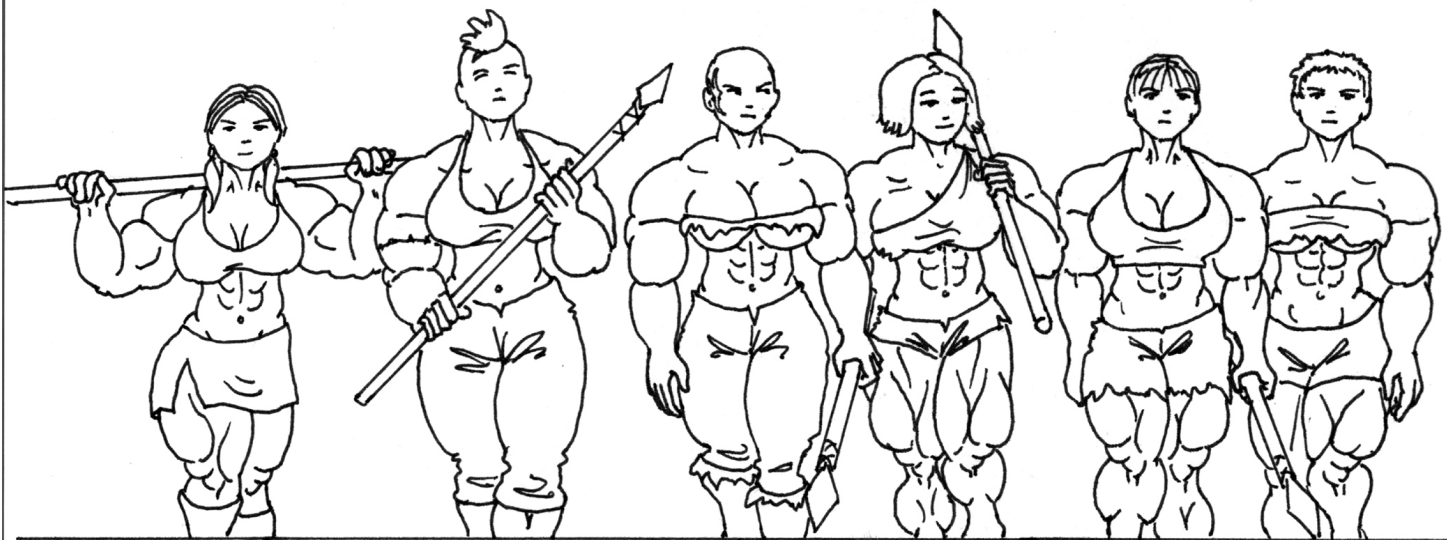

THE NEXT MORNING

Tanya.
I want you
to form a
hunting party.

Take four girls
with you and bring
Lisa along. she needs
to learn to hunt.

Here's my
chance to
humiliate that
bitch!

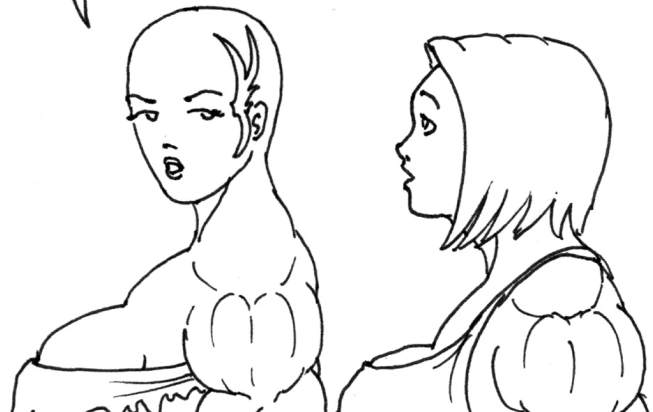

Listen up! We
are going to split up
into two groups. I'll
lead one and Lisa
the other.

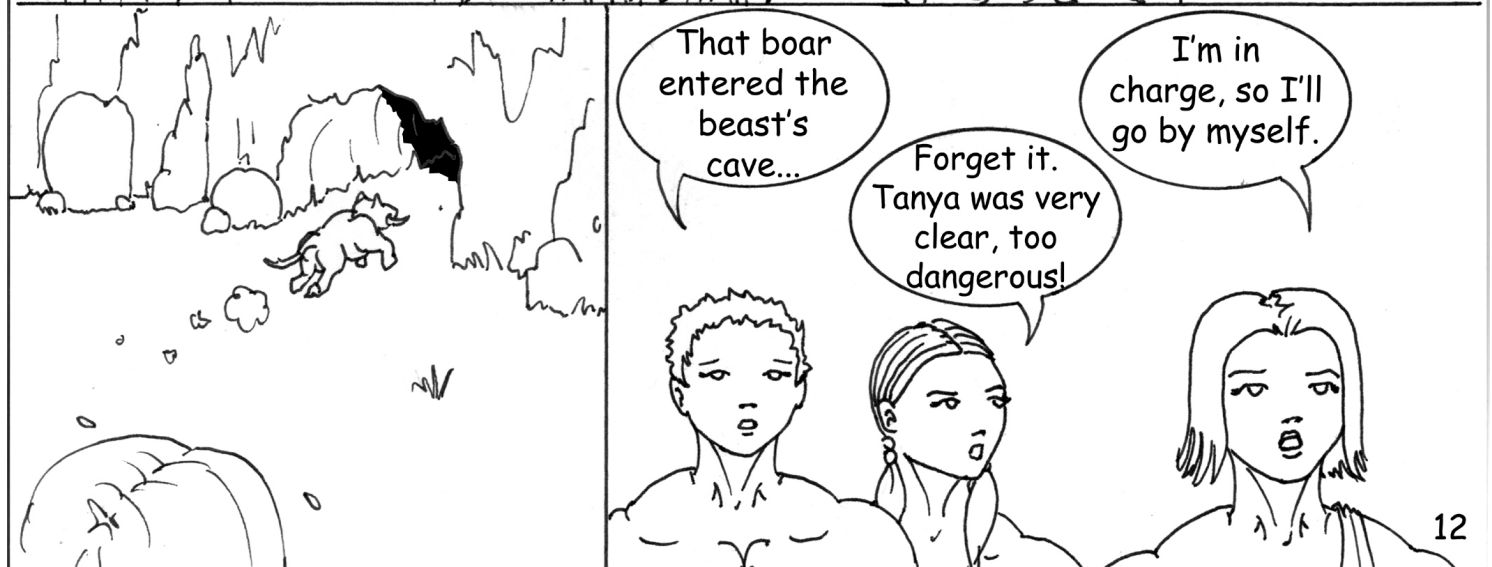

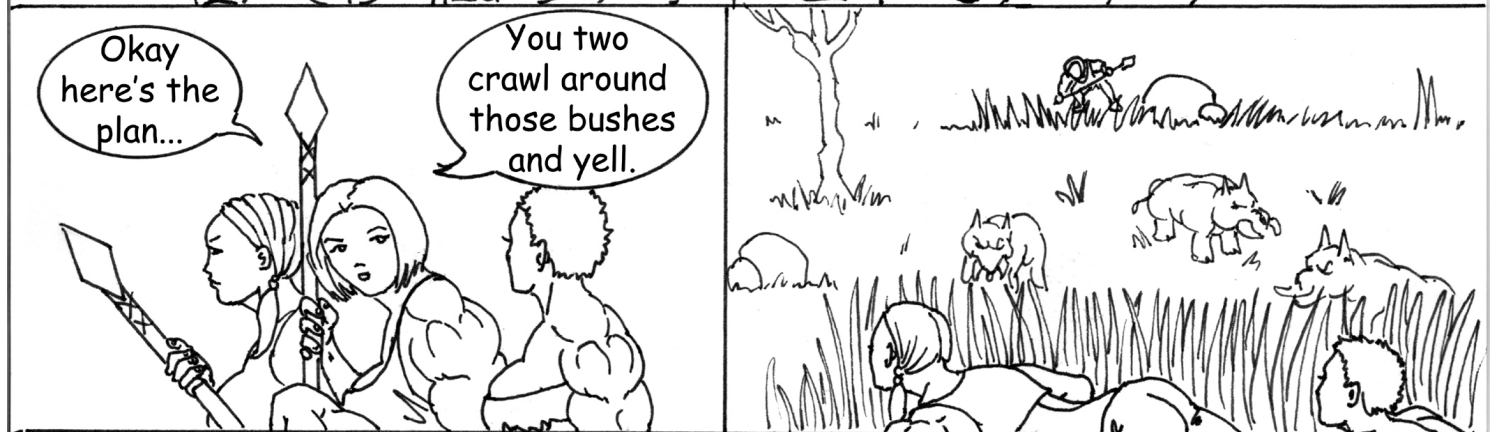

Me?
But it's
my first
hunt!

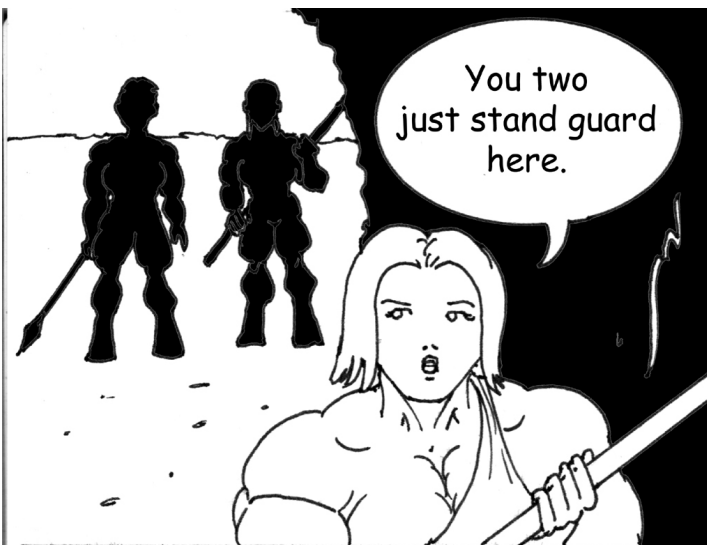

I know.
This will be
a good test to
prove your
value.

Of course
you are. Just one
thing; do NOT
enter the beast's
cave!

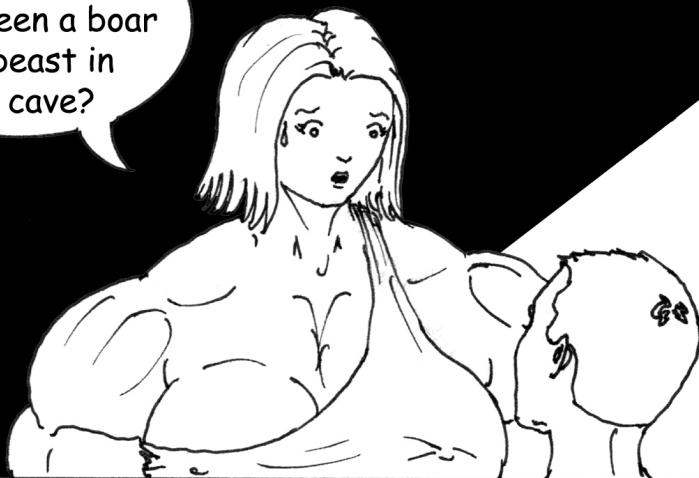

I don't
know if I'm
ready to
lead..

Um. I just wanted to ask if you've seen a boar or a beast in this cave?

The boar ran past me down the end of the cave. As for the beast, you're looking right at it.

Your giant penis is the beast?

Well that's what tanya calls it. She comes by every week to fuck me.

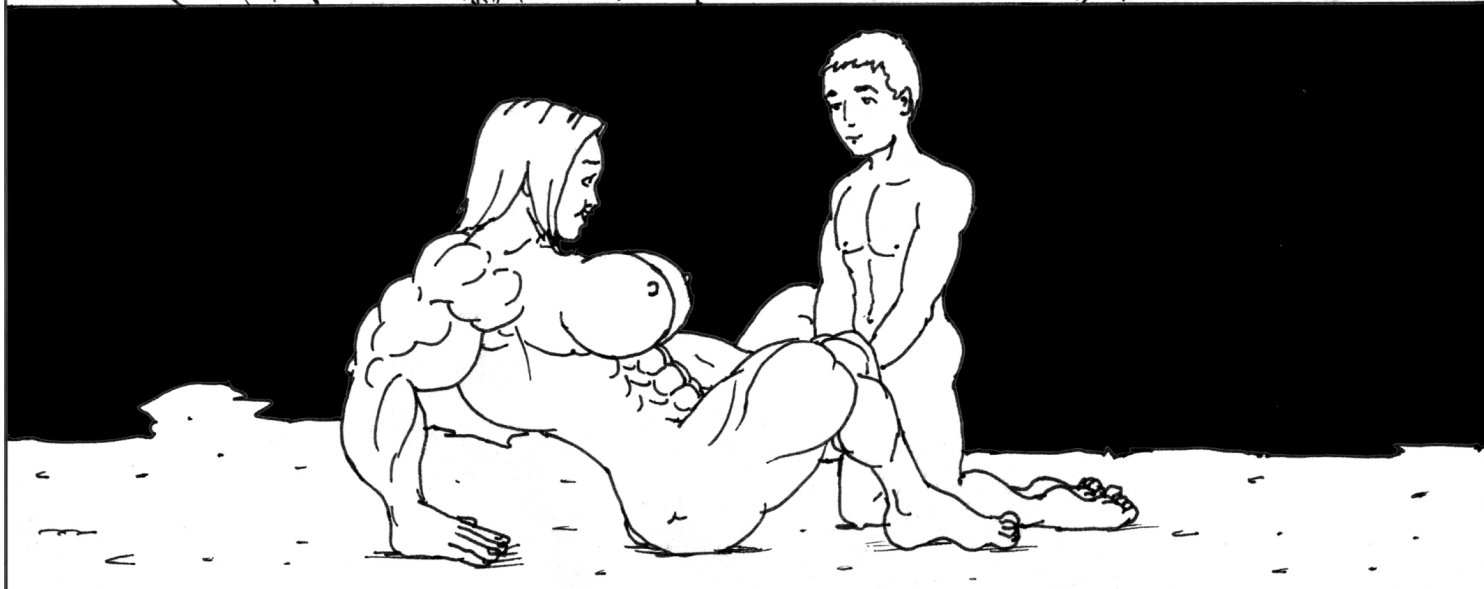

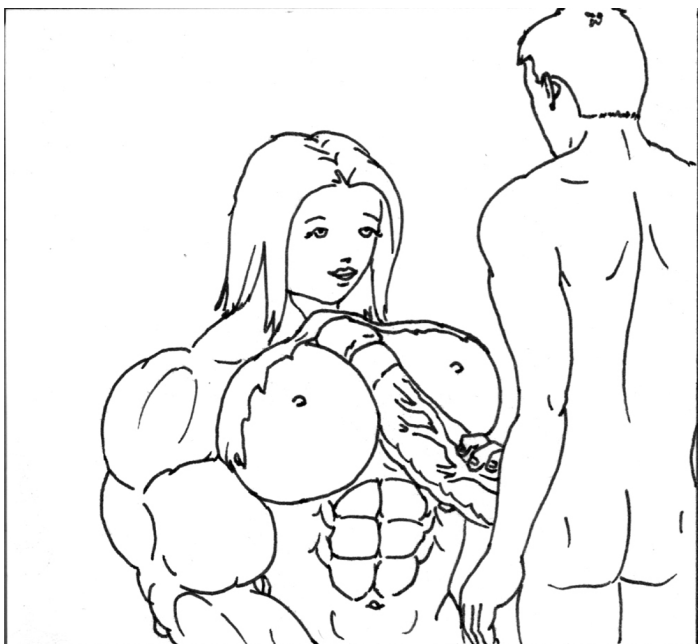

So she lied to me. i'll make her pay!

So. Do i turn you on?

Oh yeah!

I really must go. Thanx for the good time..

Thank YOU. Come back any time you want.

LATER BACK AT THE CAMP..

I'm telling
you girls, Lisa's
one awesome hunter!
AND she slayed
the beast!

It was a very , uh, intense fight!
But I came out on top..Ehe..

My vote
is on Lisa for
our new chief
huntress!

Hear
Hear!!

YOU
BITCH!!

You went
in the cave
didn't you? You
fucked him didn't
you?!

I warned you
that would put
your life at risk!
Bitch!

POW!

CRASH!

This
should take
care of that slut!
Good riddance!

Uh yeah.
But she landed
in...

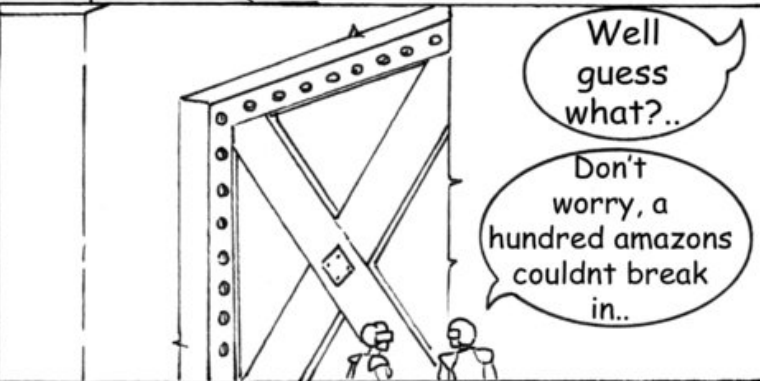

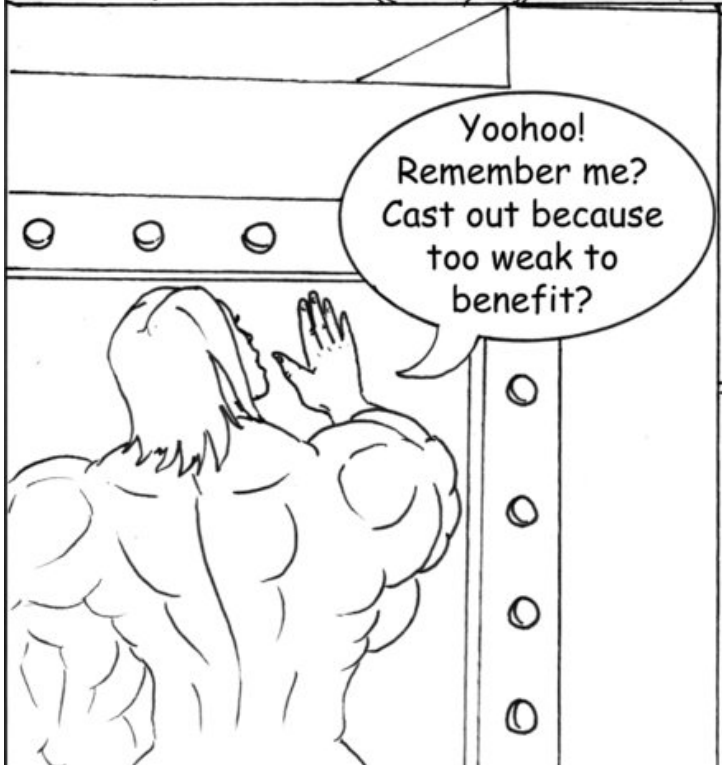

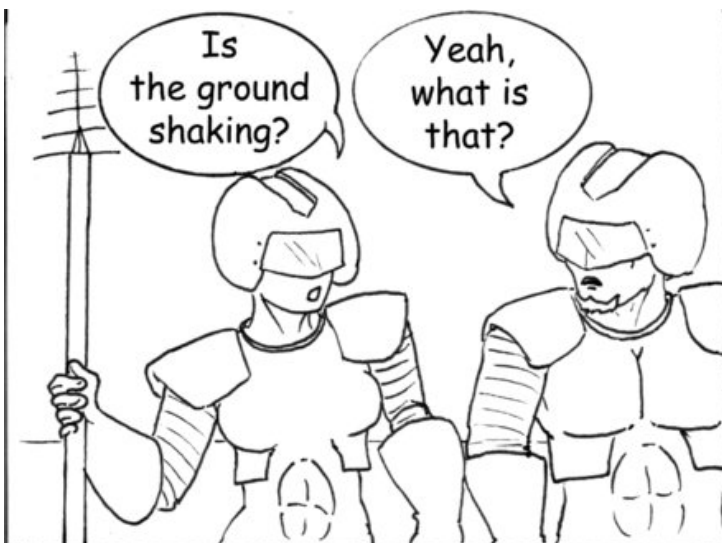

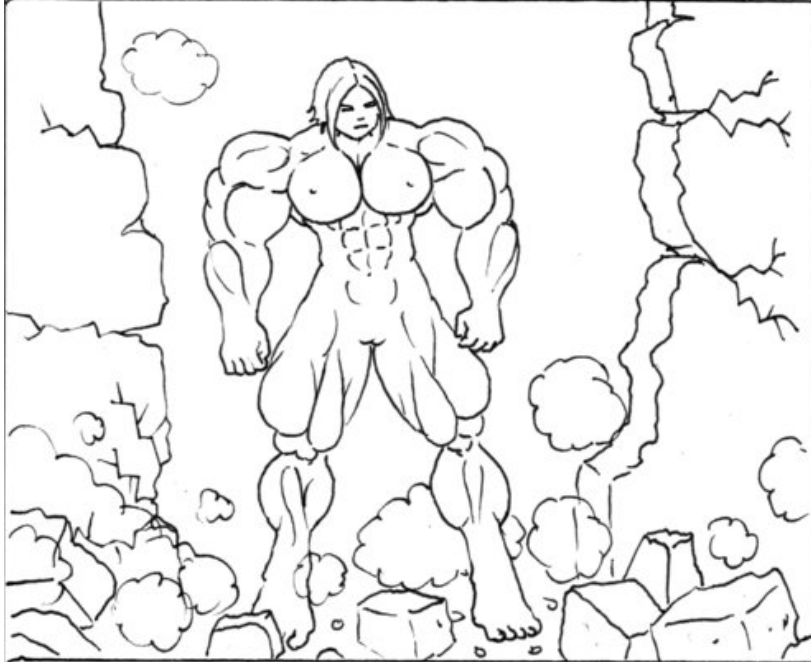

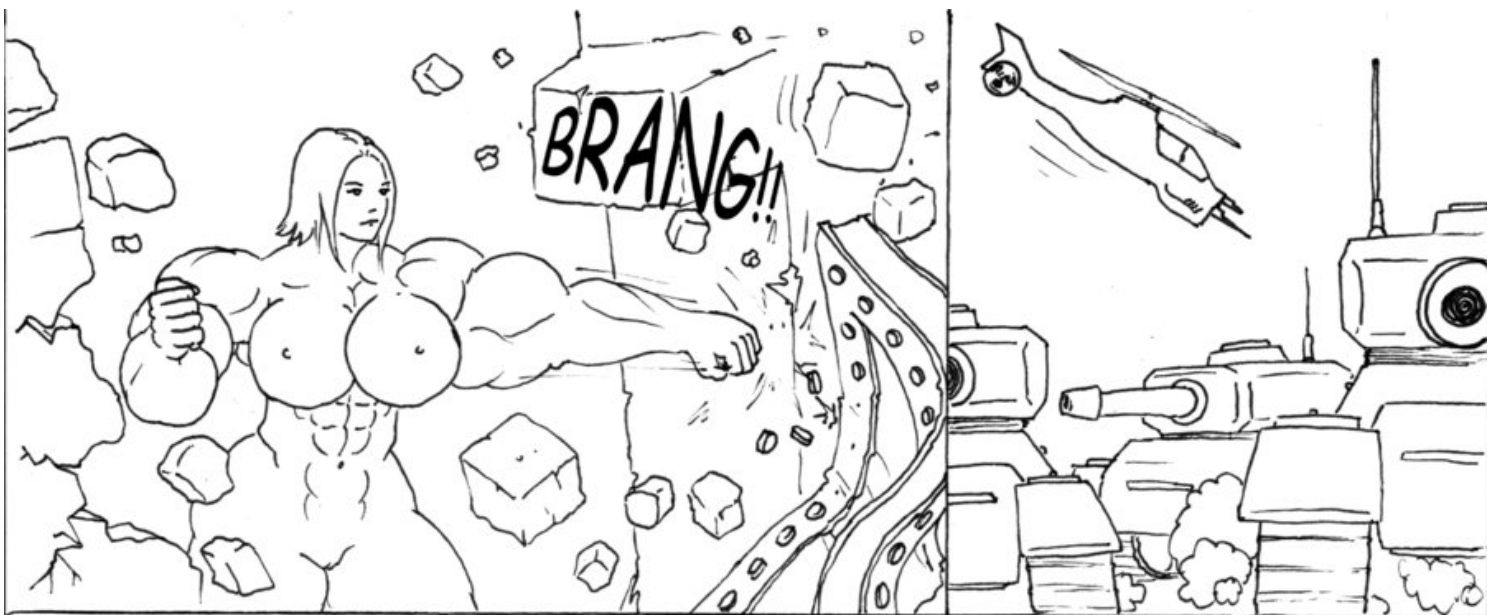

...The elixir stock room...

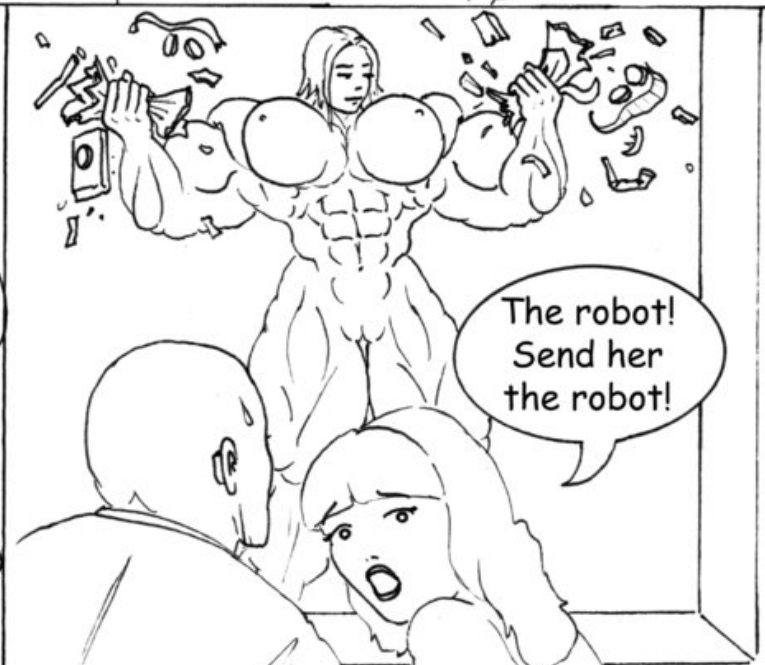

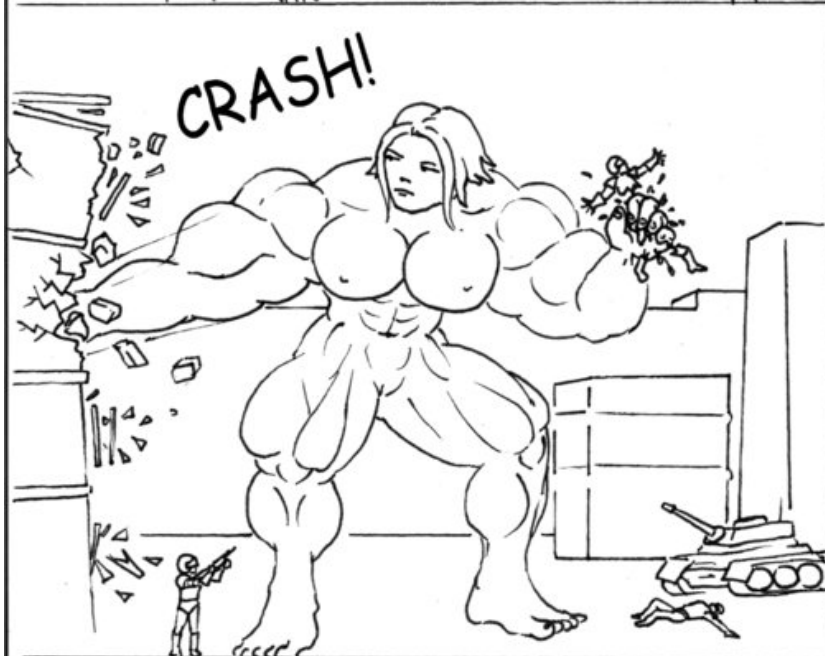

Did you recognize her?

Ya.
The bitch we left in the wasteland!

Let's finish what we started!

What's that sound?

ugh!

BROM!

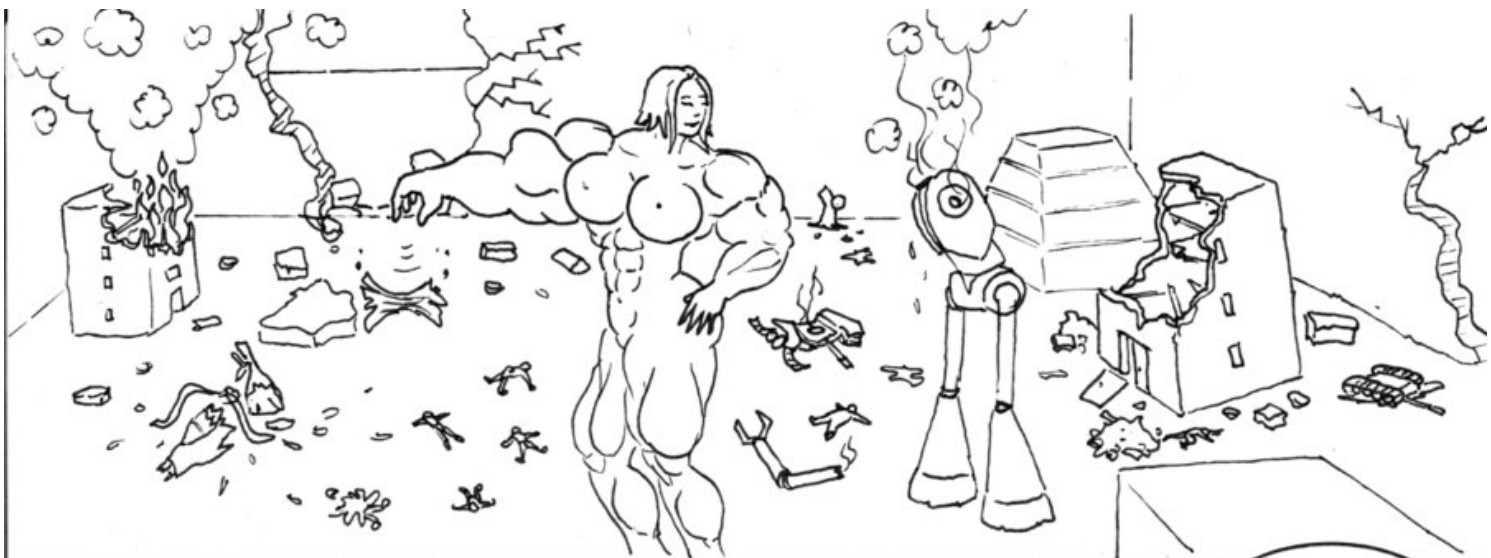

Waitaminute!
I know that voice...

oho!

Ow.
What the hell was that?

Stay down runt!

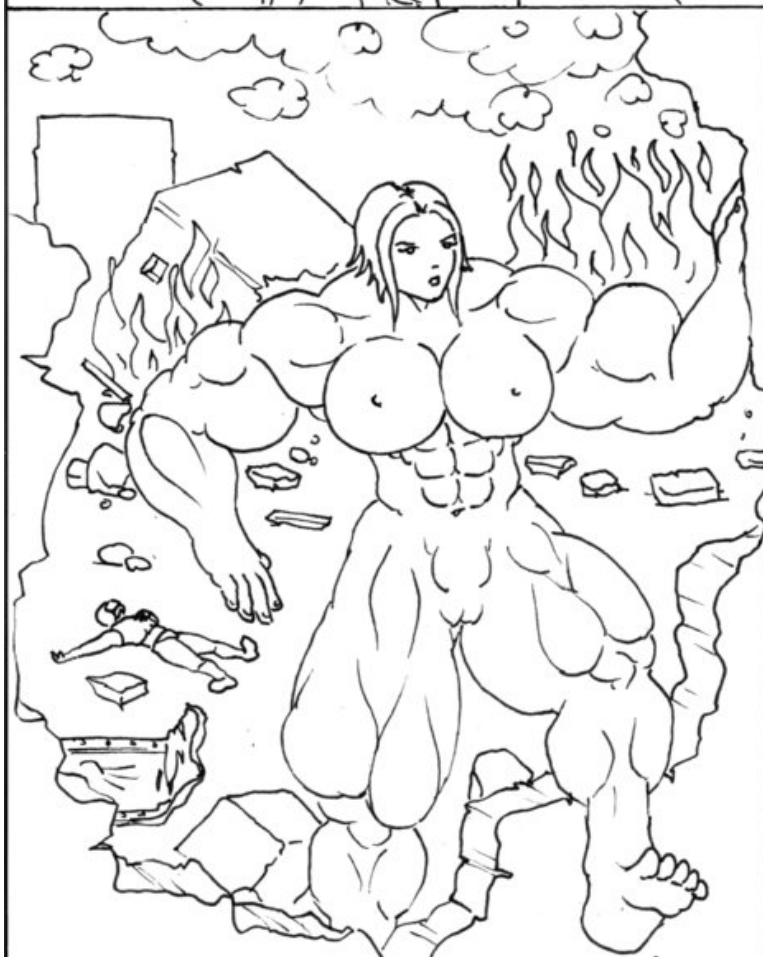

All that's left is the council...

Wait a minute. I'm shrinking!

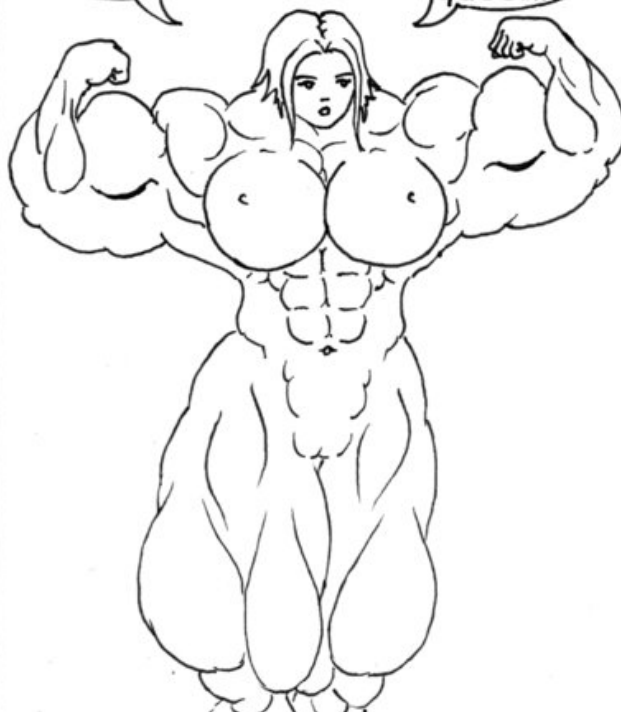

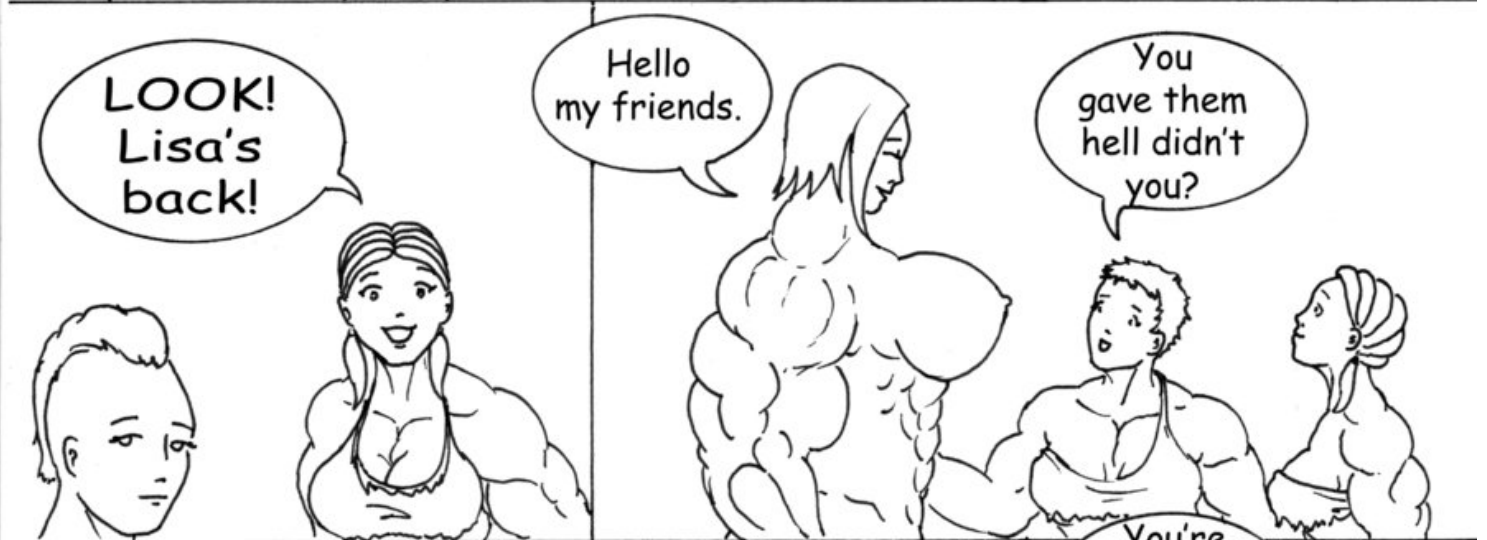

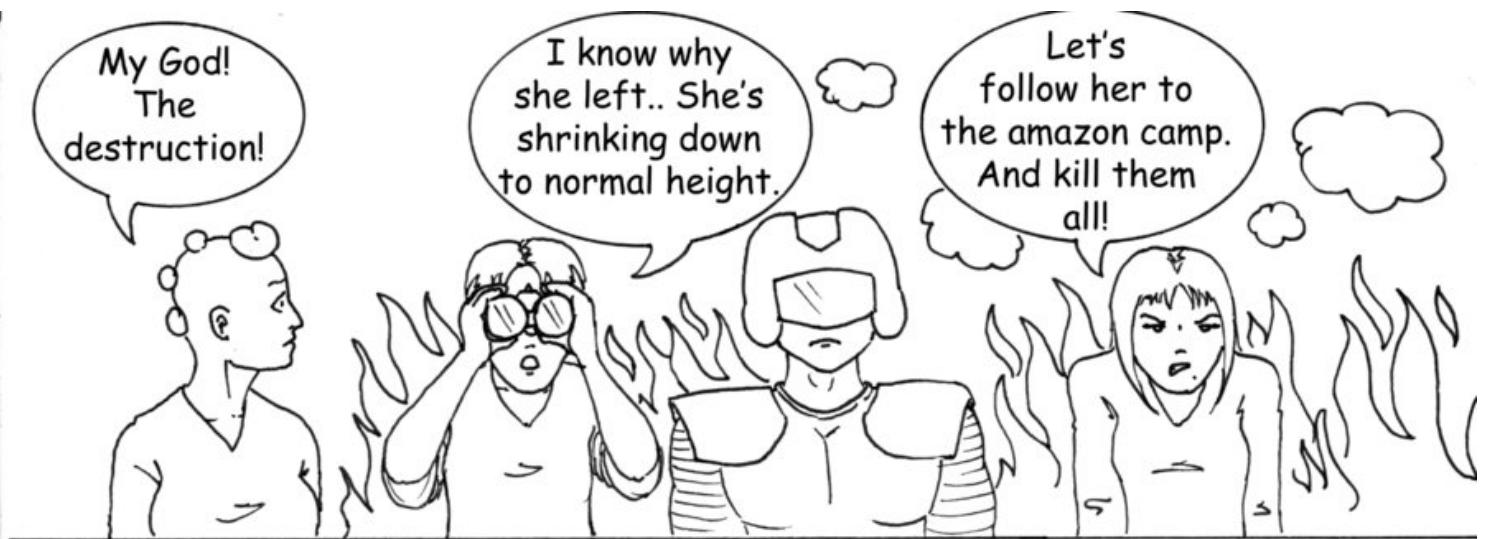

Better get back to the camp..

Well I ain't 50 feet tall no more.

But I'm still as big as the queen..

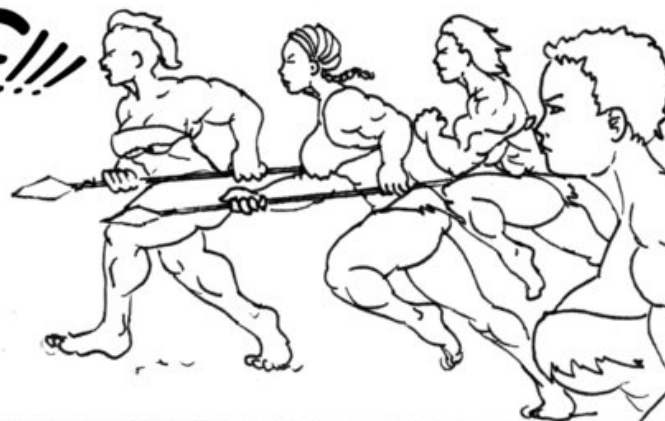

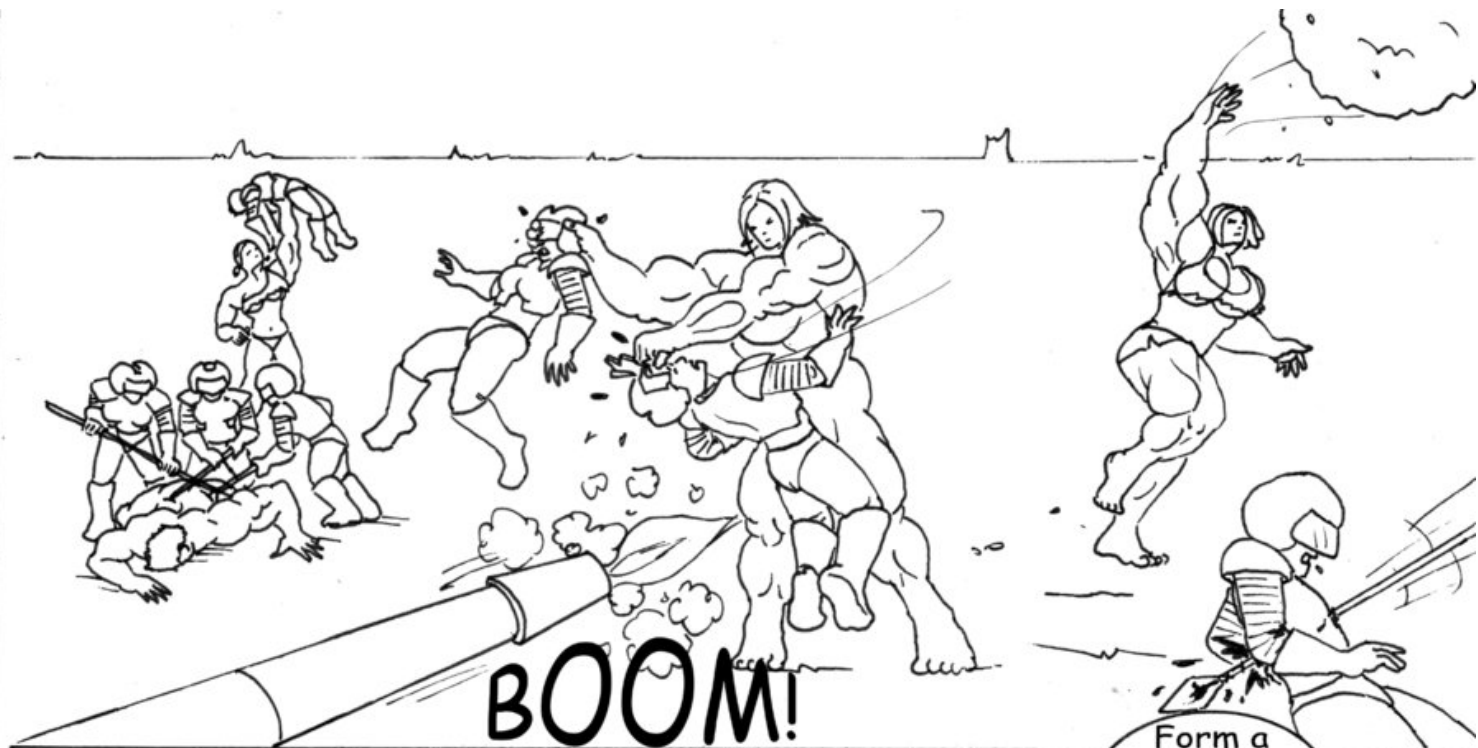

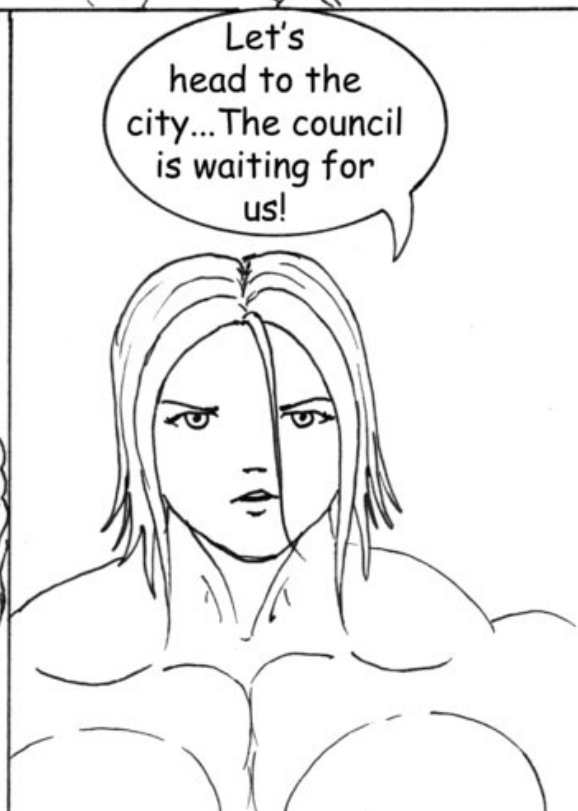

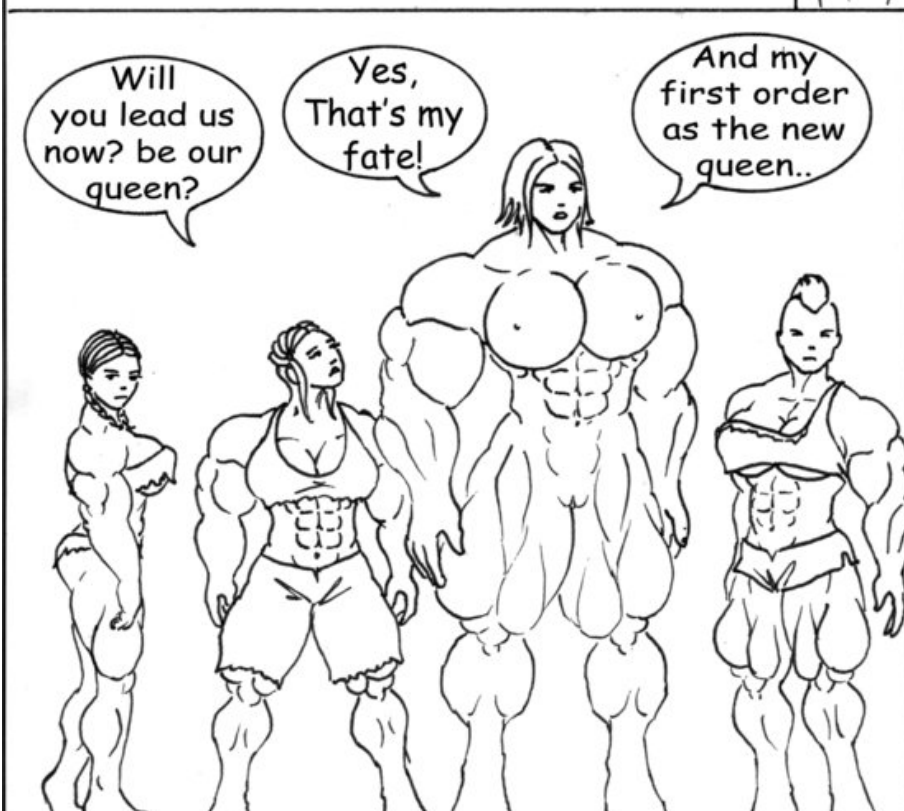

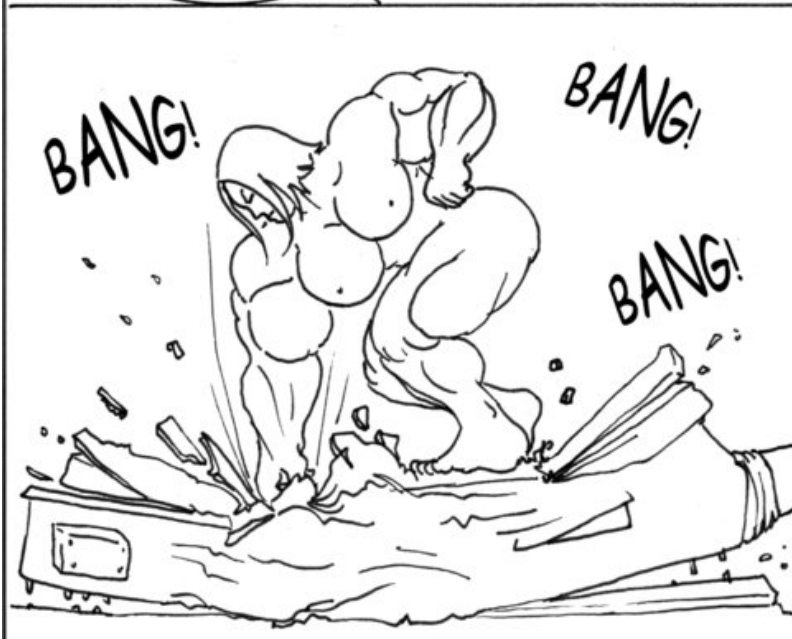

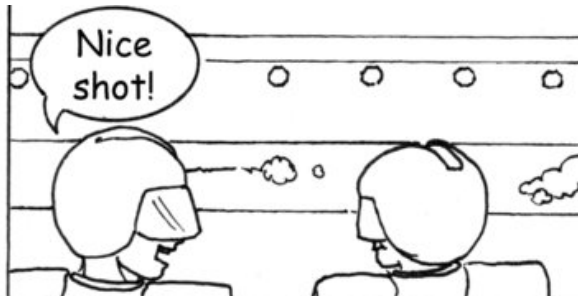

Everyone
grab your
weapons! Let's
fight back!!

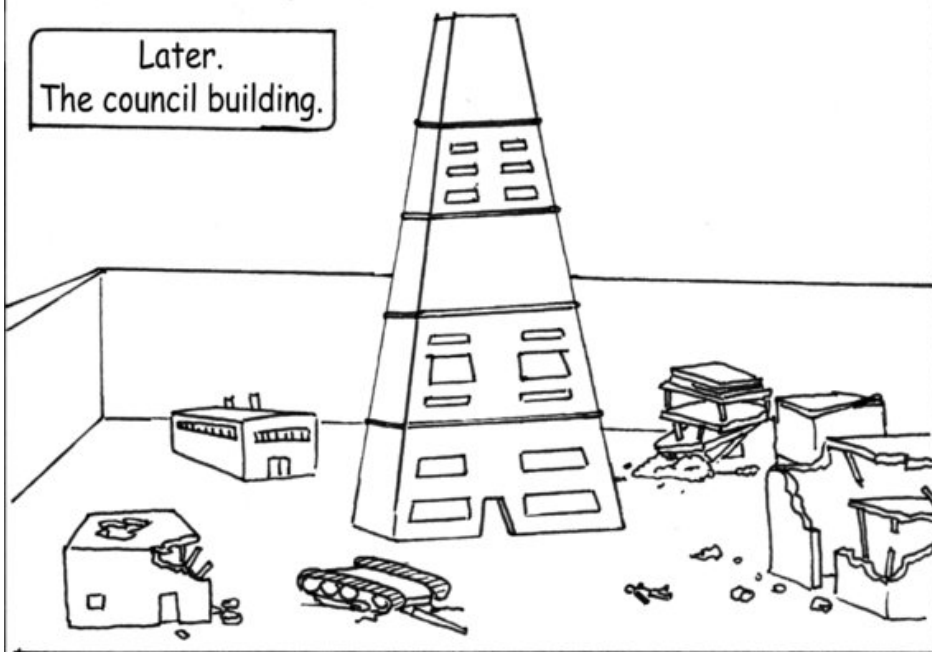

CHAAAARGE!!!

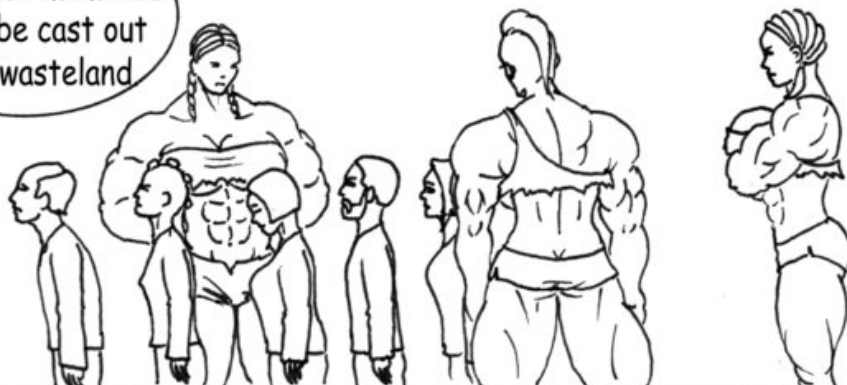

Later.
The council building.

I
have taken
my decision.

All of
the council members
are to be cast out
in the wasteland

So the council started
it's journey to nowhere.

after a day or so,
the weakest started to fall.

One by one
they were lost.

They were
all doomed unless
they could find...

YES!!
I found
some!!

What is
she talking
about?

I
have
absolutly
no idea..

RRRIIP!

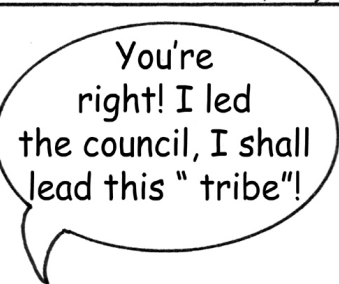

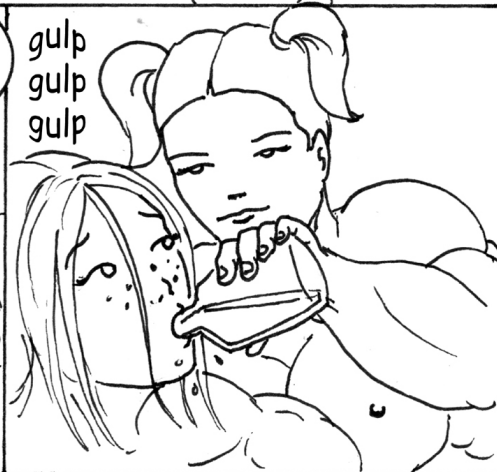

RRRIIP!

Perfect!
My own little
tribe. Time for
my revenge!

Meanwhile,
behind the shed...

uh!
oh!

Uh!
I feel
...

Your
cum. it's
like
elixir!

More!

I am
yours my queen.
I will obey any
orders you will
give..

This feeling
of power!! So
intoxicating!!
Almost scary!

Now
where is that
soon to be
former queen?

Yeah!
You go
girl!

No!
Girls!
Wait!

What?

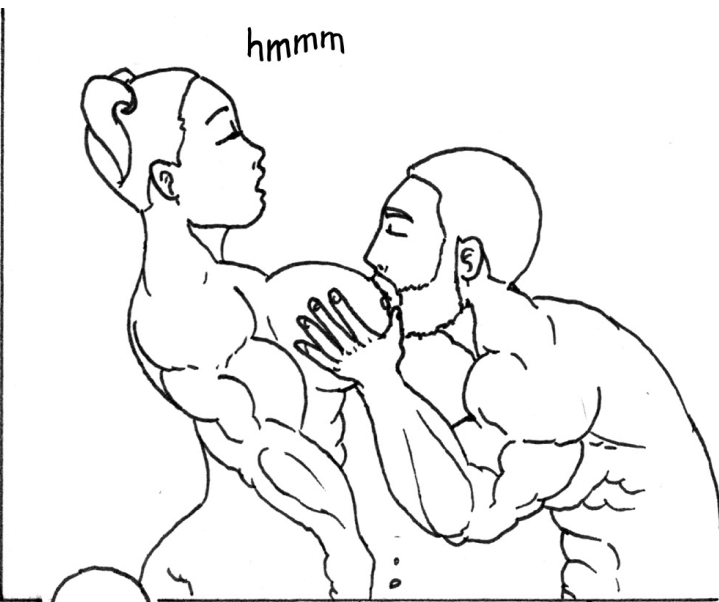

Wow!
Tanya, I'm so
sorry. You ARE
the queen...

Thats
all right, I
would have done
the same.

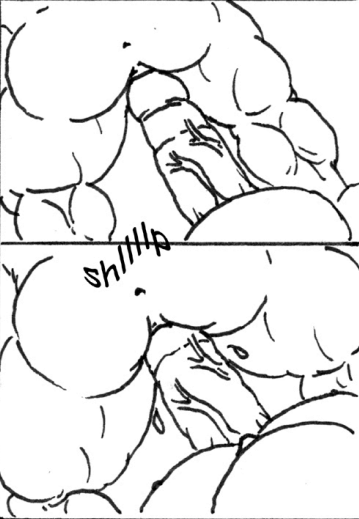

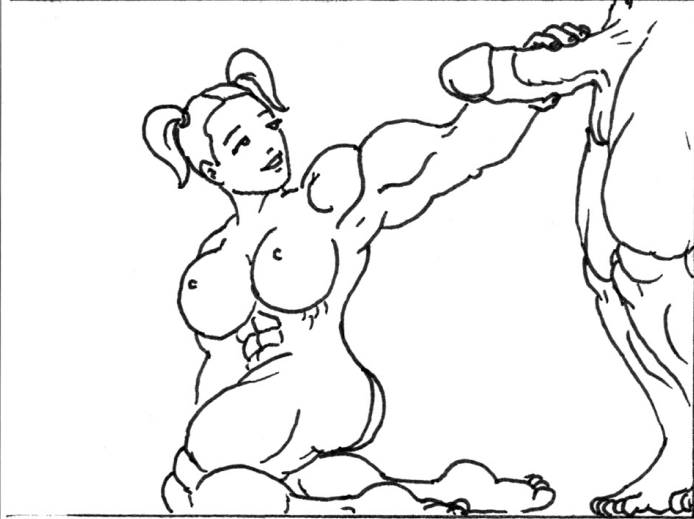

So,
wanna
fuck?

Let's leave those two alone. We need to gather all the elixir we can carry.

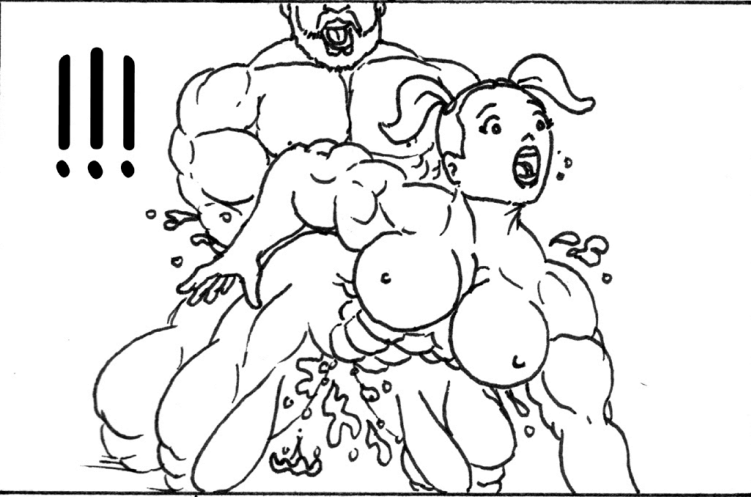

hmmm

shhhh

slap
slap
slap
slap

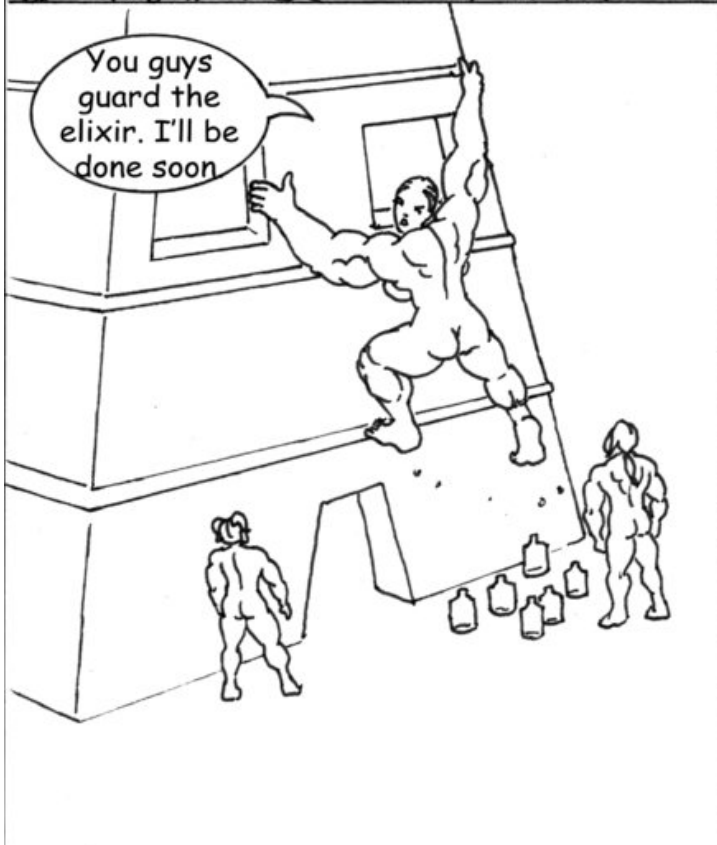

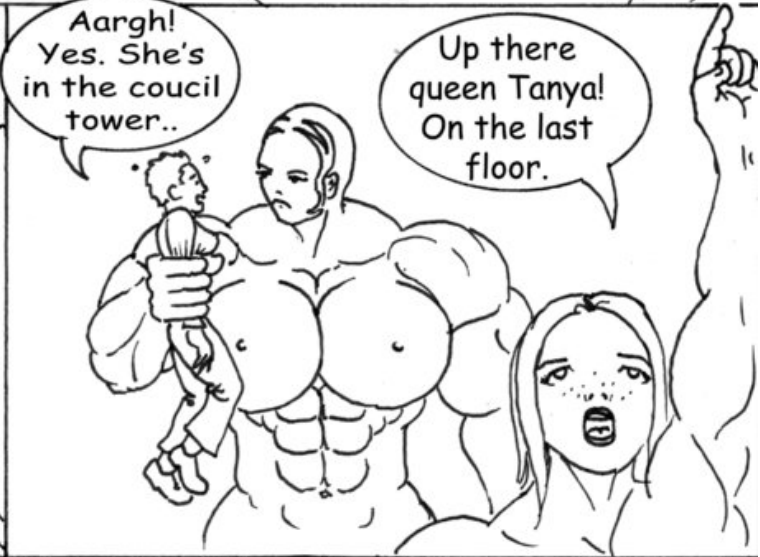

!!!

Thank you for that hun.

anytime babe!

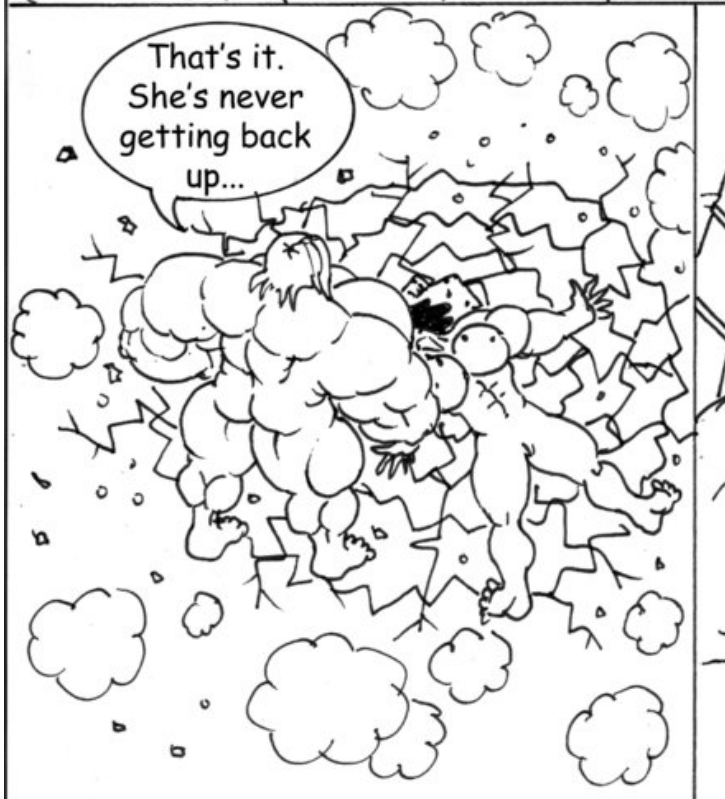

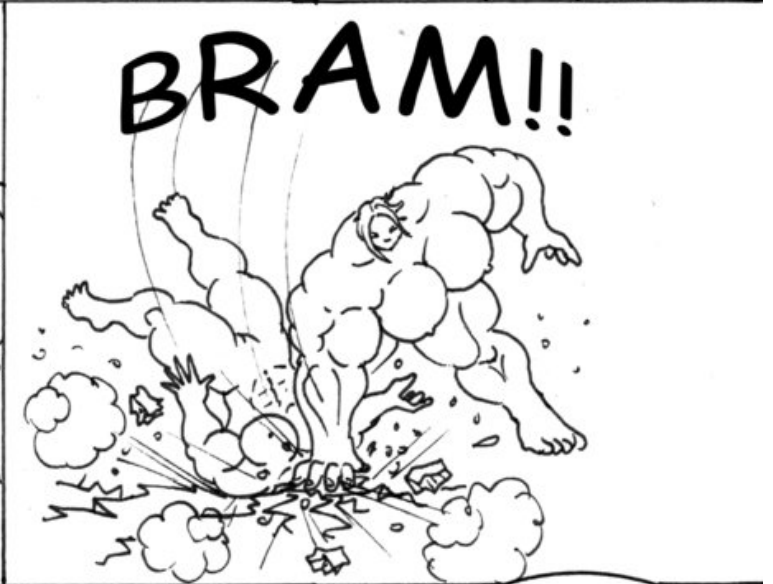

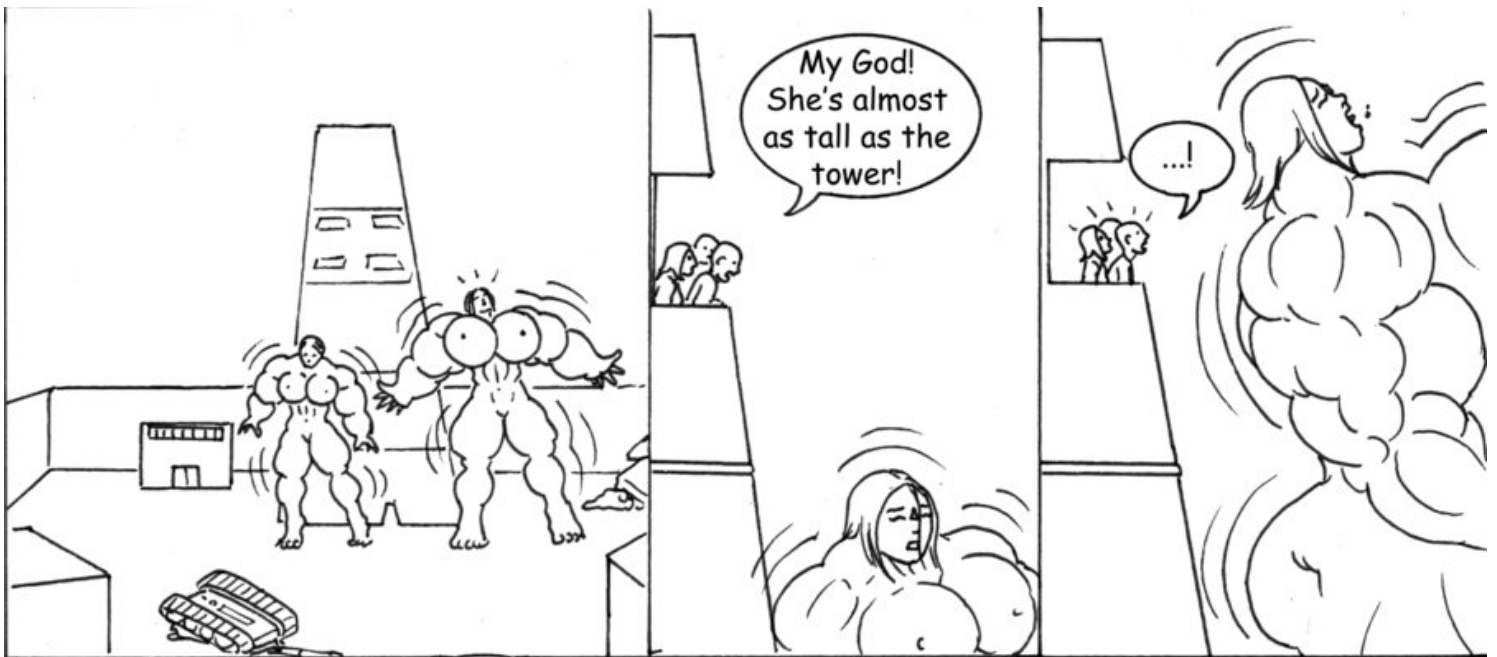

That puddle...Thats elixir! Talk about bad luck!!

better kill her fast before she starts to..

gkk

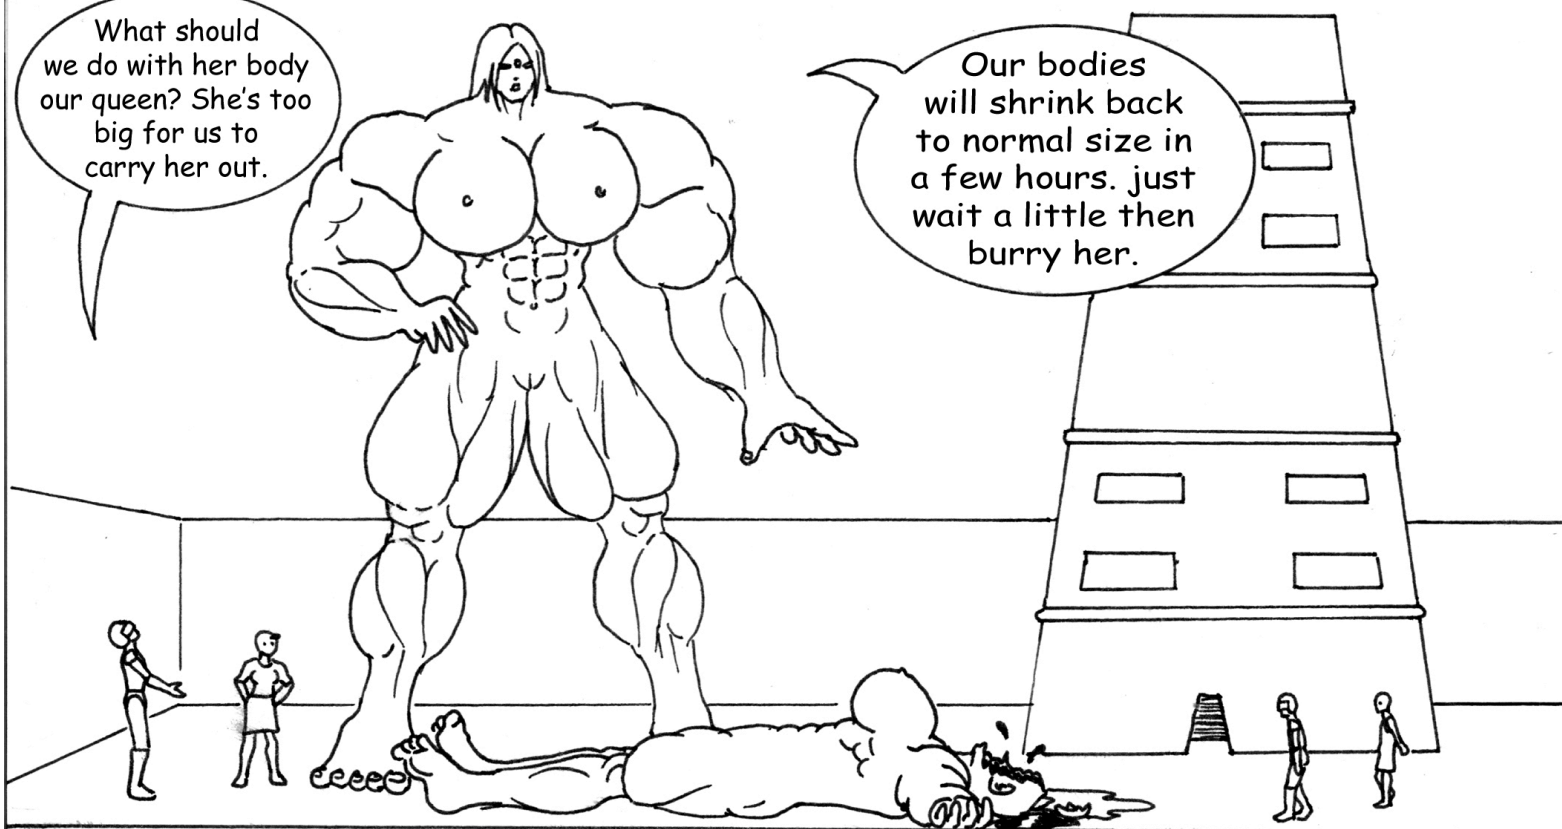

Crap! Too late...

I'm out of here!!

What should we do with her body our queen? She's too big for us to carry her out.

Our bodies will shrink back to normal size in a few hours. just wait a little then burry her.

On second thought, don't bury her. Let her corpse rot where it lies. It'll serve as a warning for all.

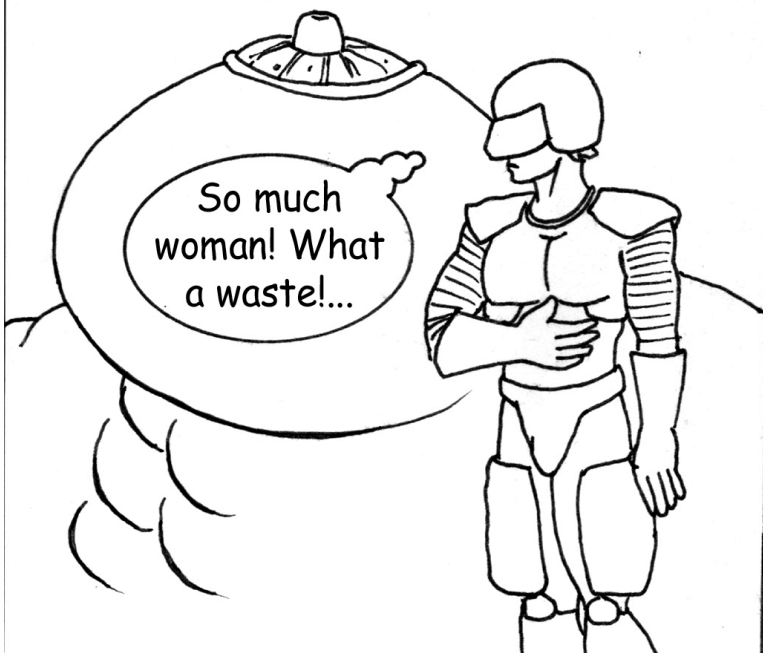

A few hours later.

Yes. Gather a few soldiers and meet me outside the gates.

The rest of the council members fled into the wasteland my queen. Should we go after them?

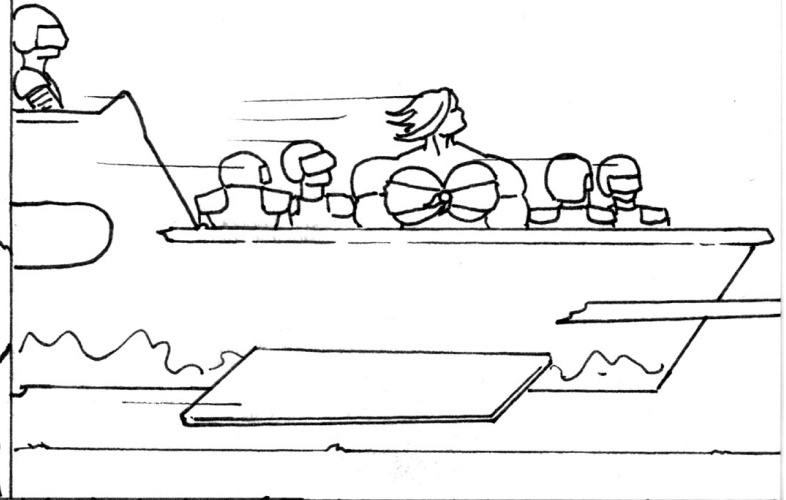

So much woman! What a waste!...

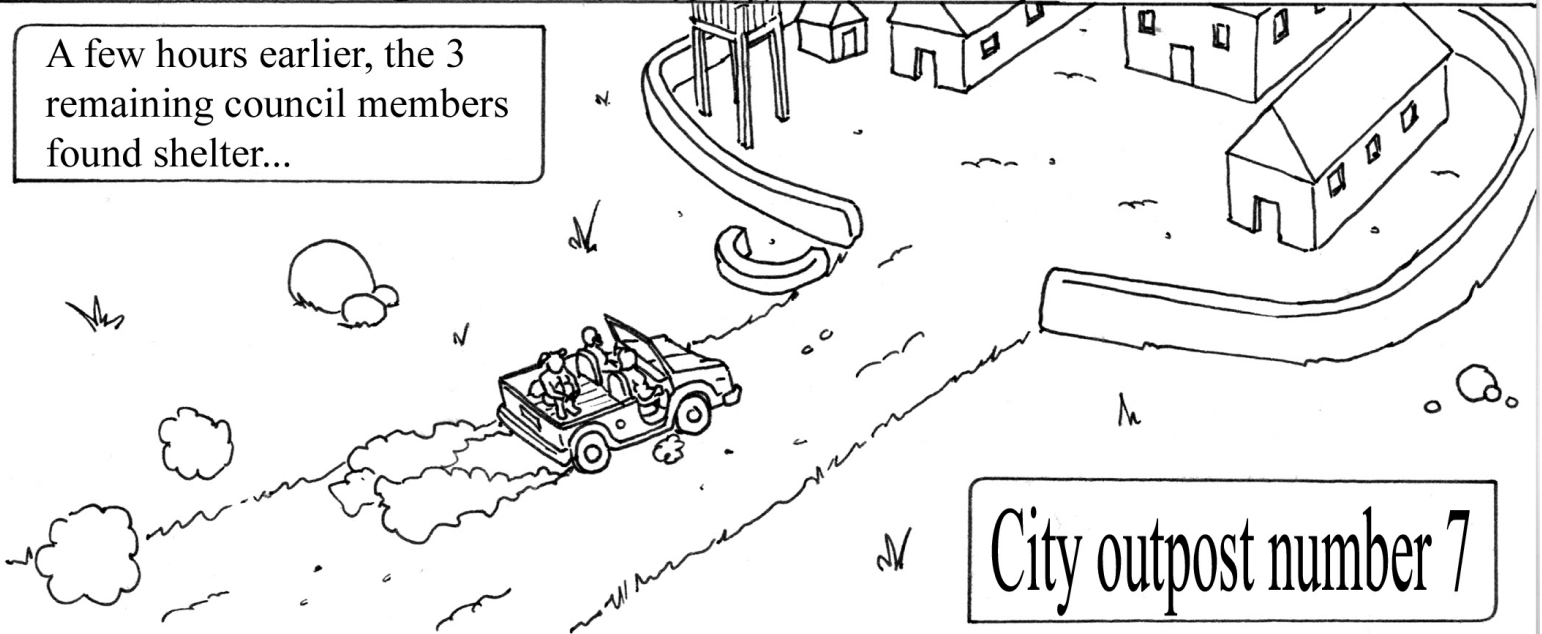

Determined to crush the rebels,
Lisa and a few soldiers heads
into the wasteland.

We should
be back soon. You
stay here and
stand guard.

Yes my
queen!

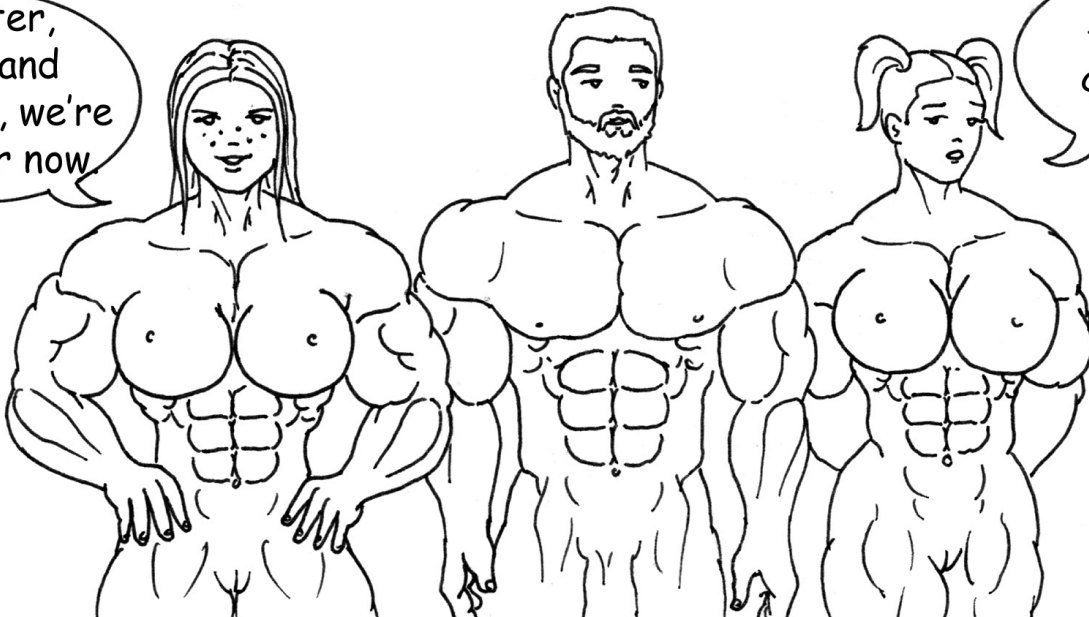

A few hours earlier, the 3
remaining council members
found shelter...

City outpost number 7

Shelter,
food and
weapons, we're
safe for now.

Don't
forget
clothes
too...

Do you think Lisa's gonna come after us?

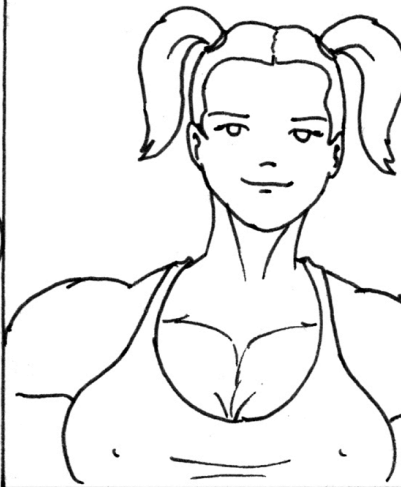

Yes. Her and the city's army.

You girls need to find a way to grow again.

Why you looking at me like that?

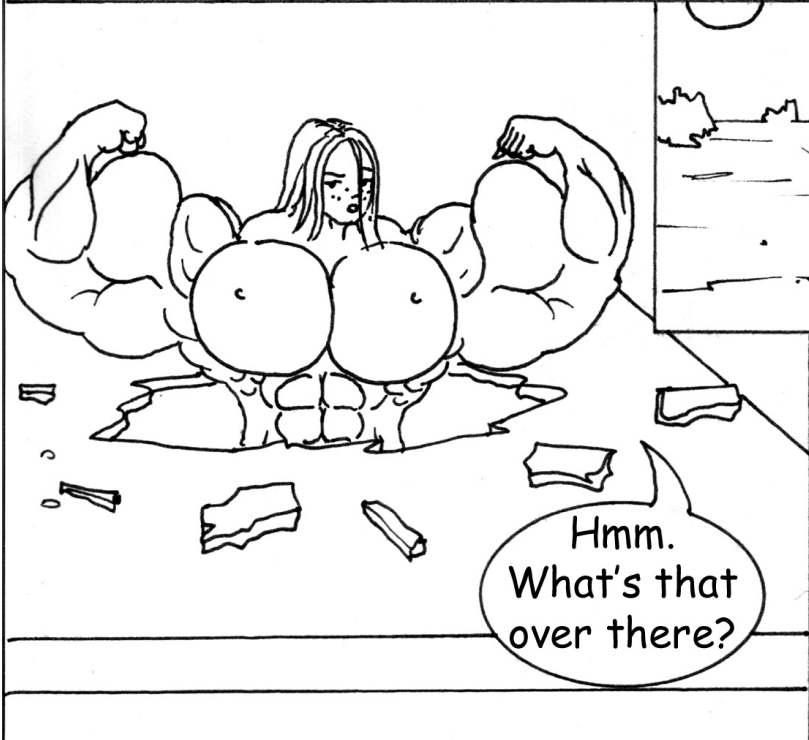

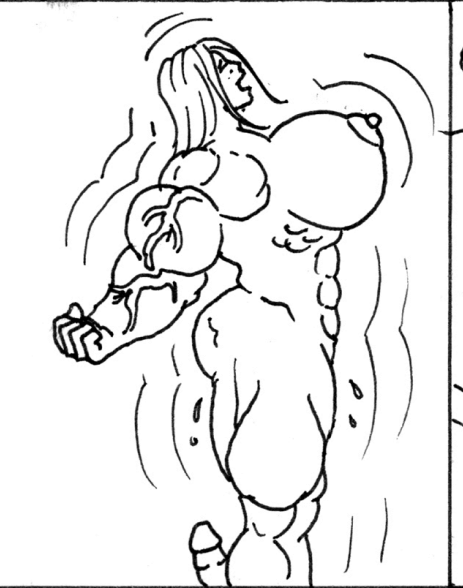

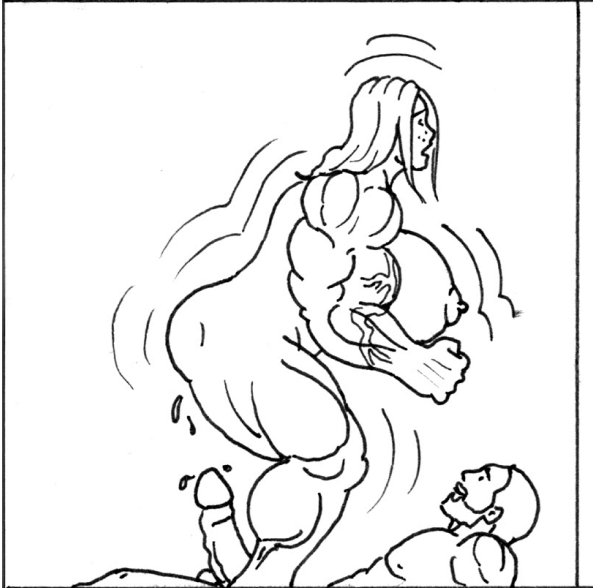

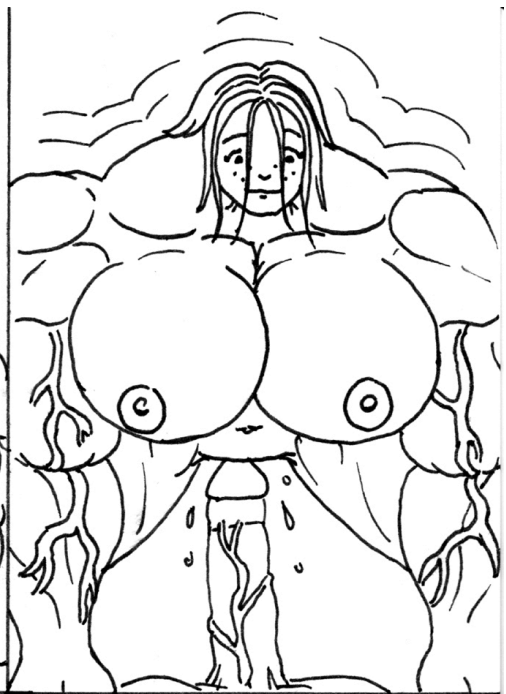

Don't bother with the pants..

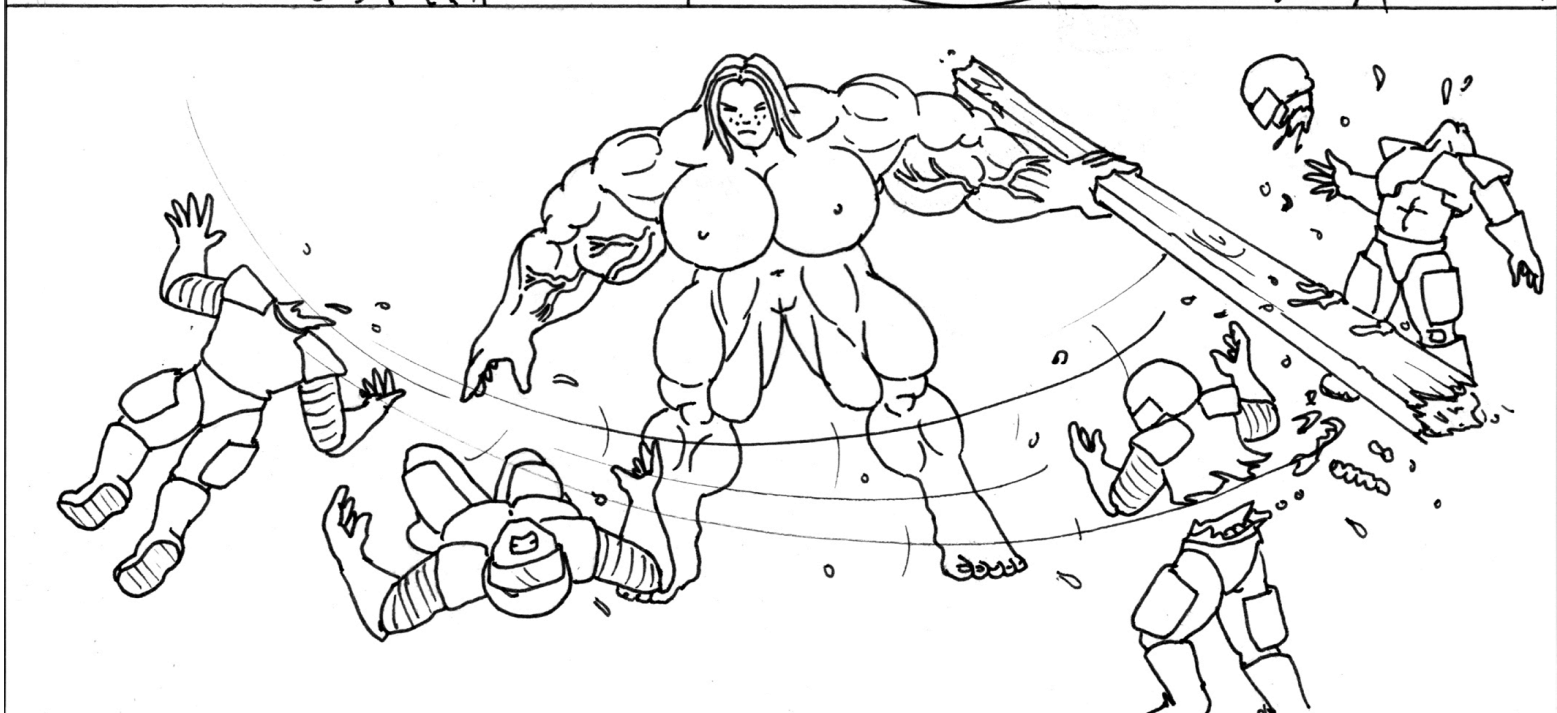

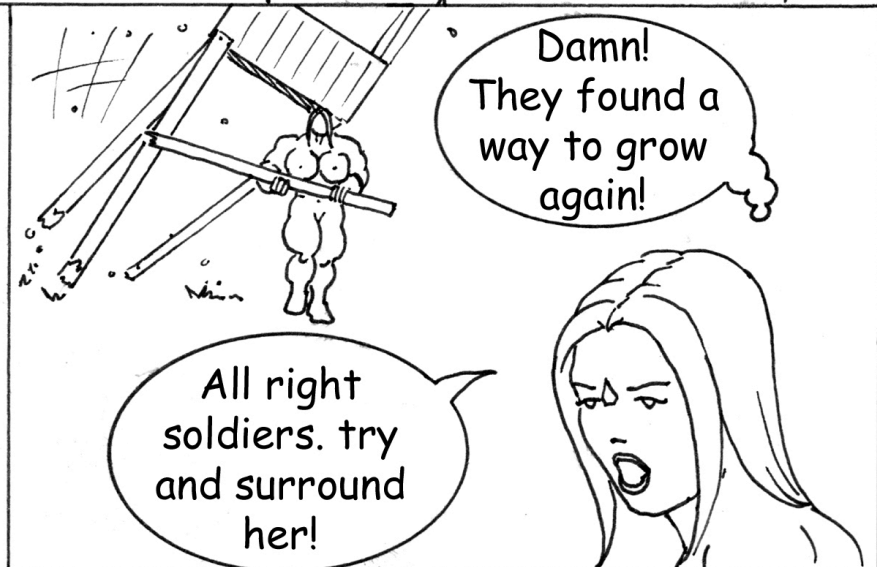

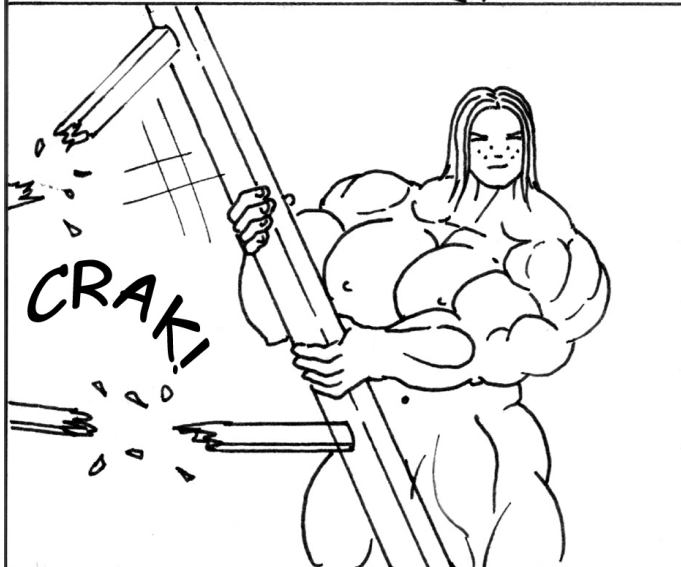

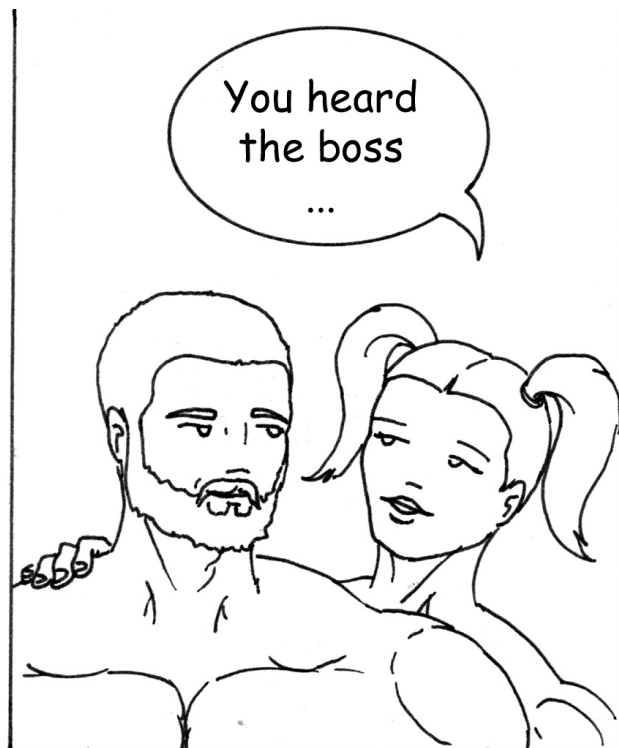

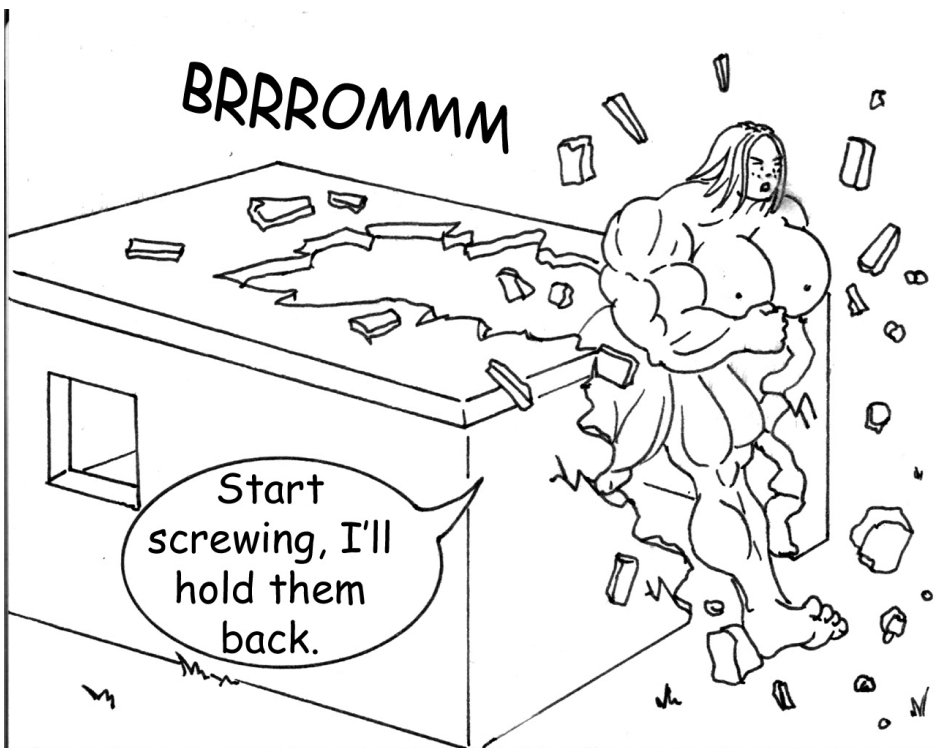

Oh. I get it ...

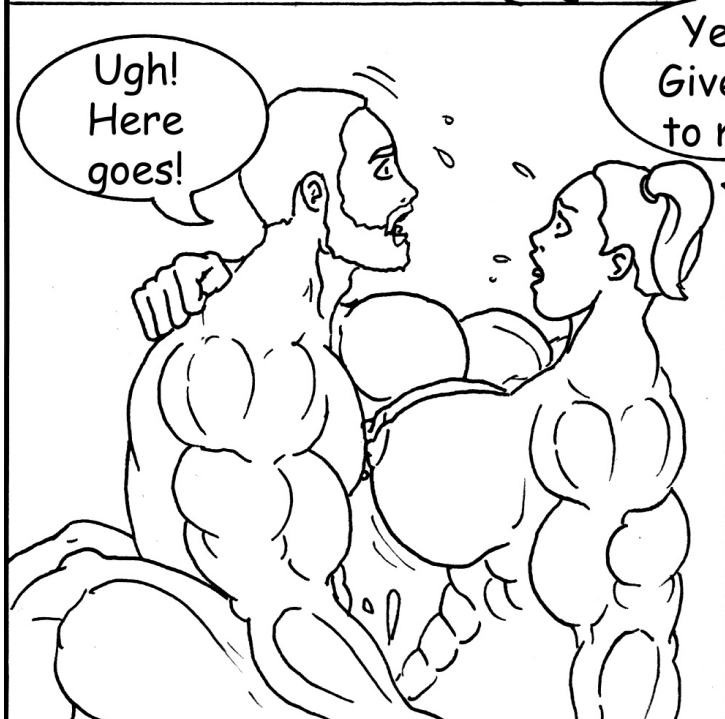

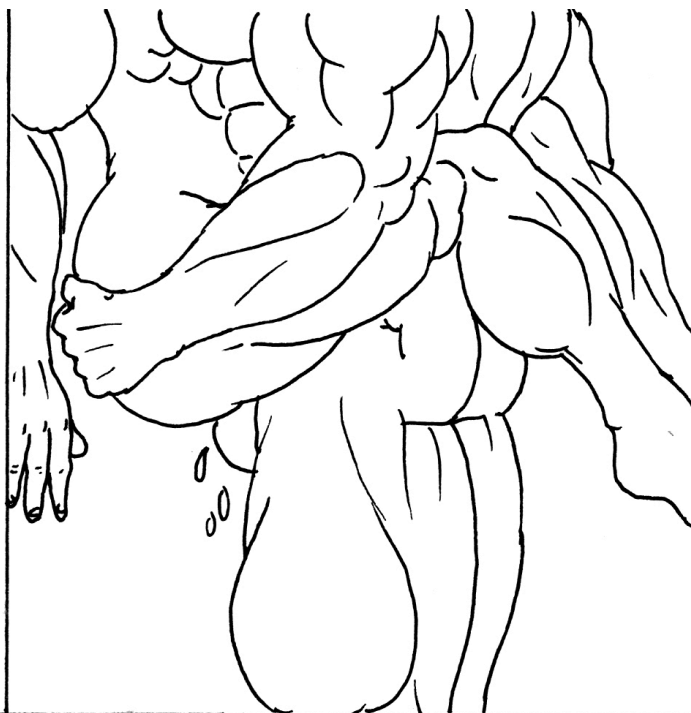

MEANWHILE...

Ugh!
Here
goes!

Yes!
Give it
to me!

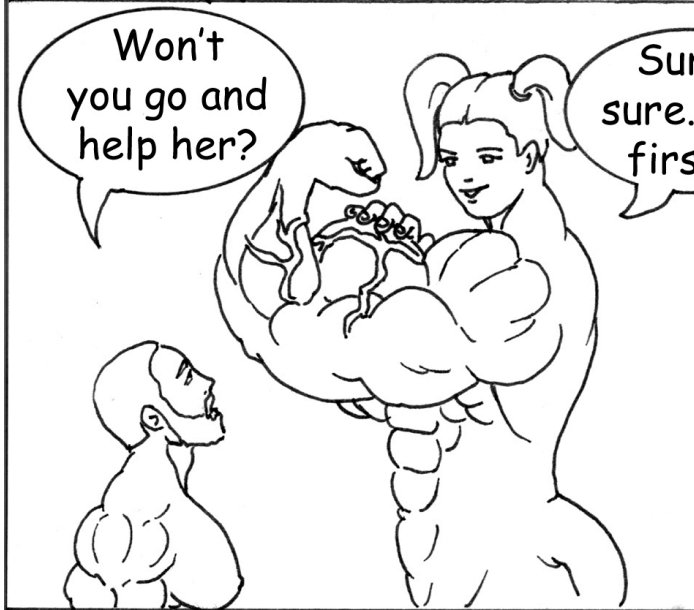

There!
That was the
last of your
little soldiers.

Now.
Ready to
meet your
fate?

Won't
you go and
help her?

Sure,
sure. But
first...

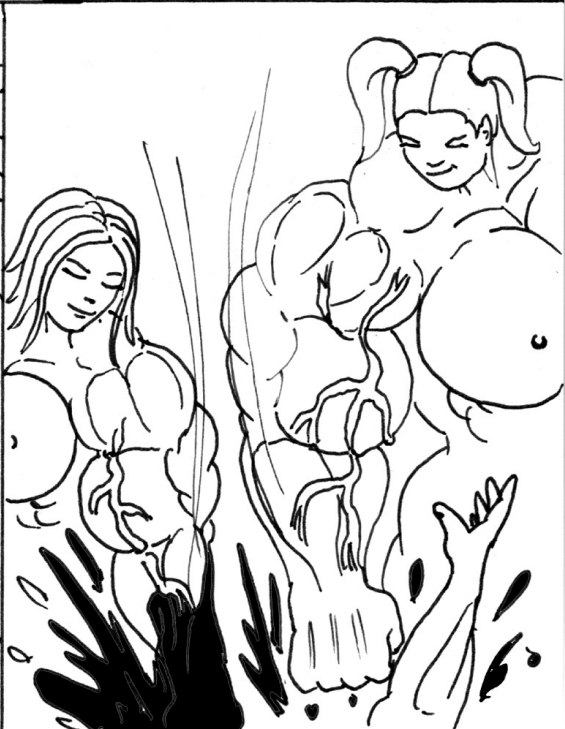

I'll take
another
serving.

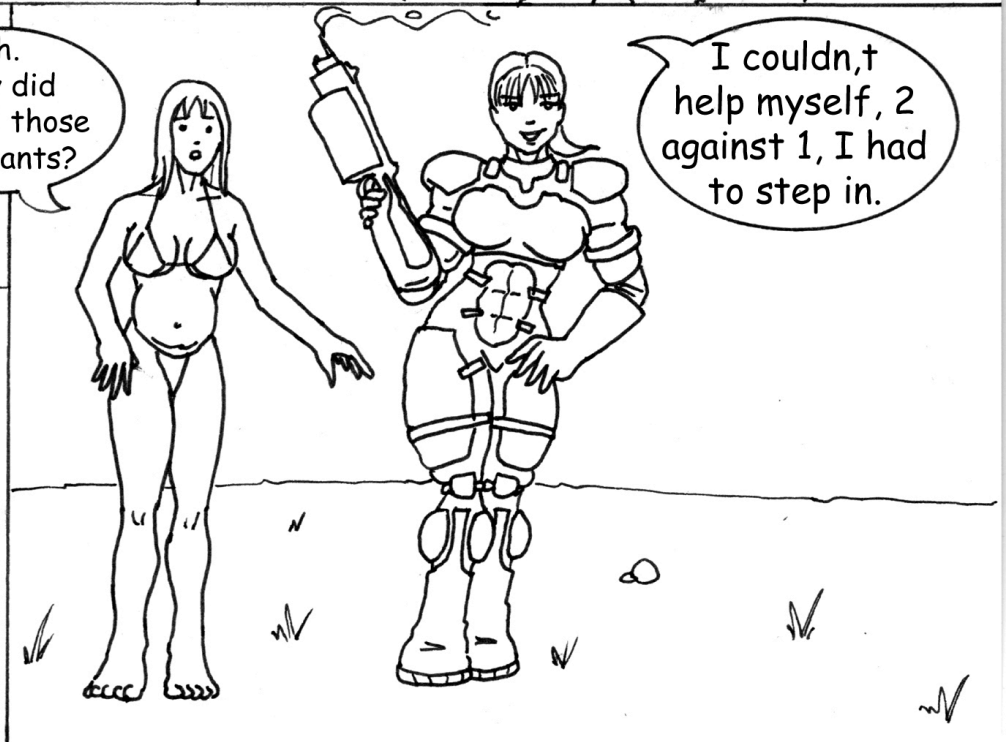

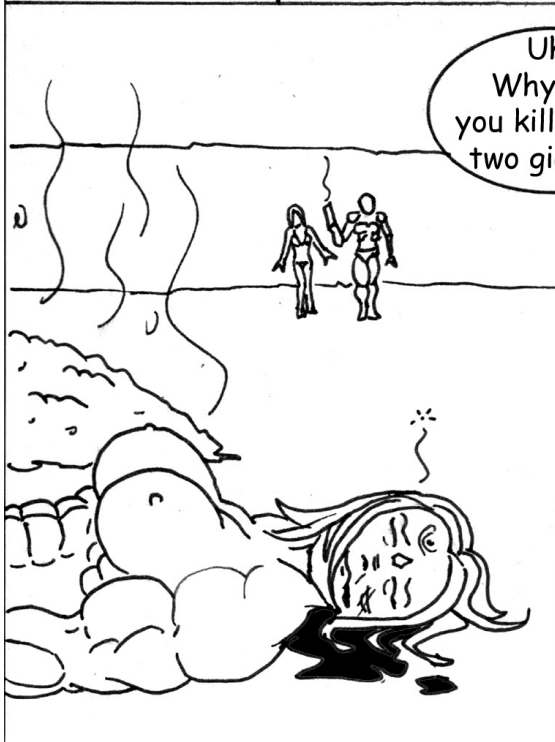

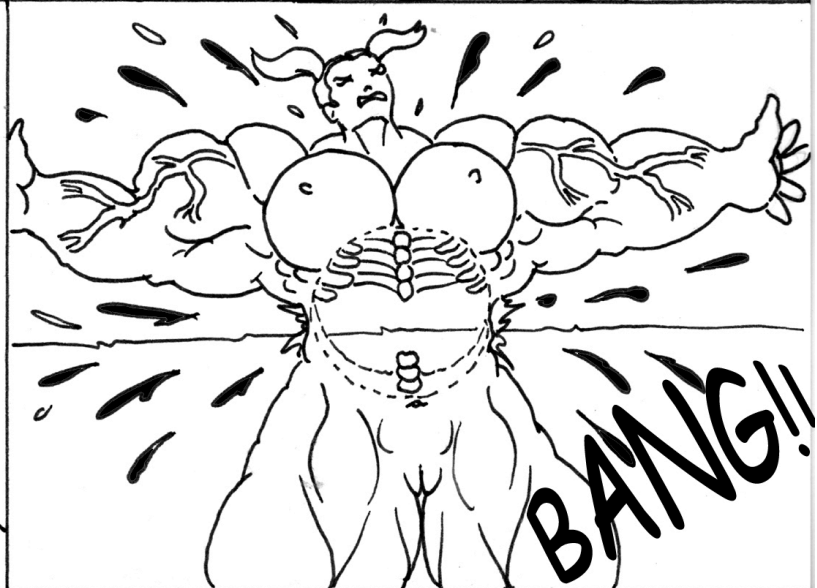

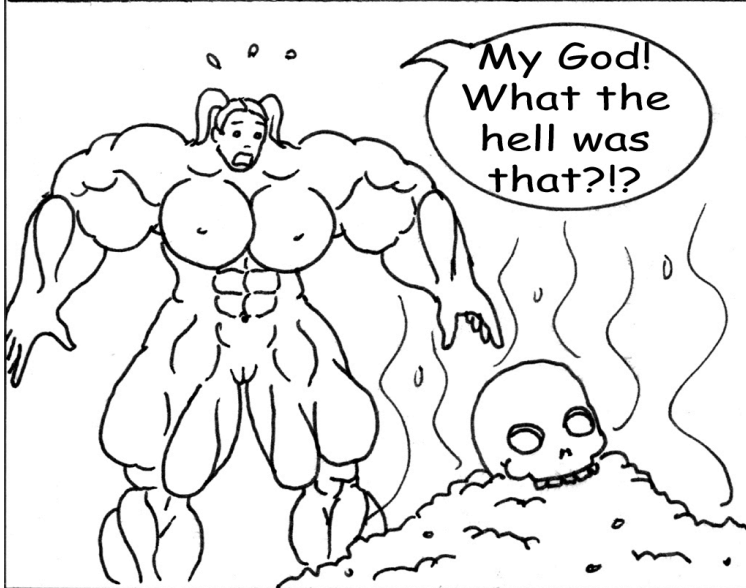

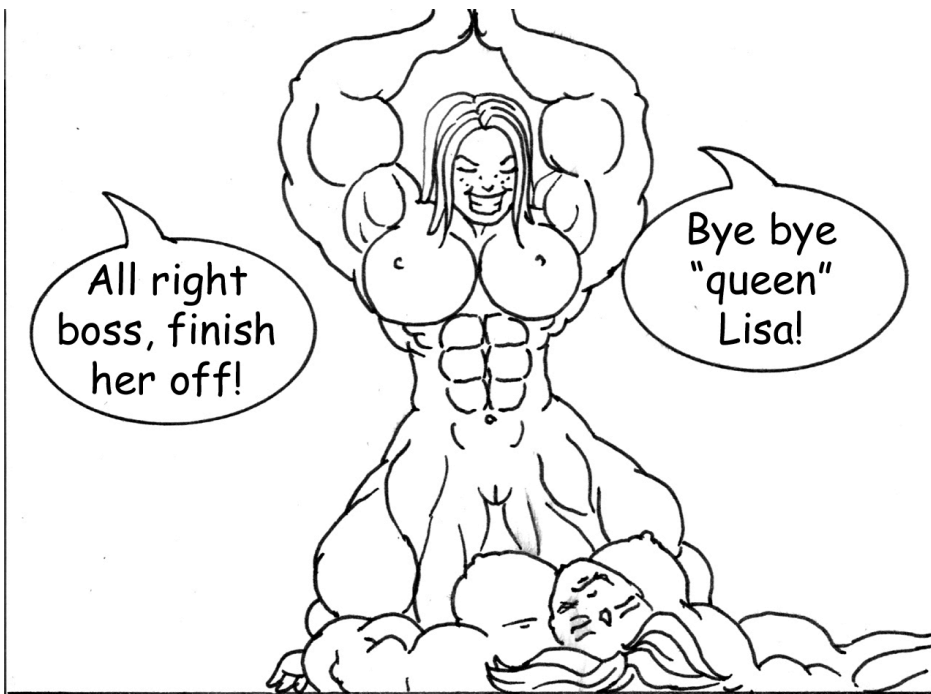

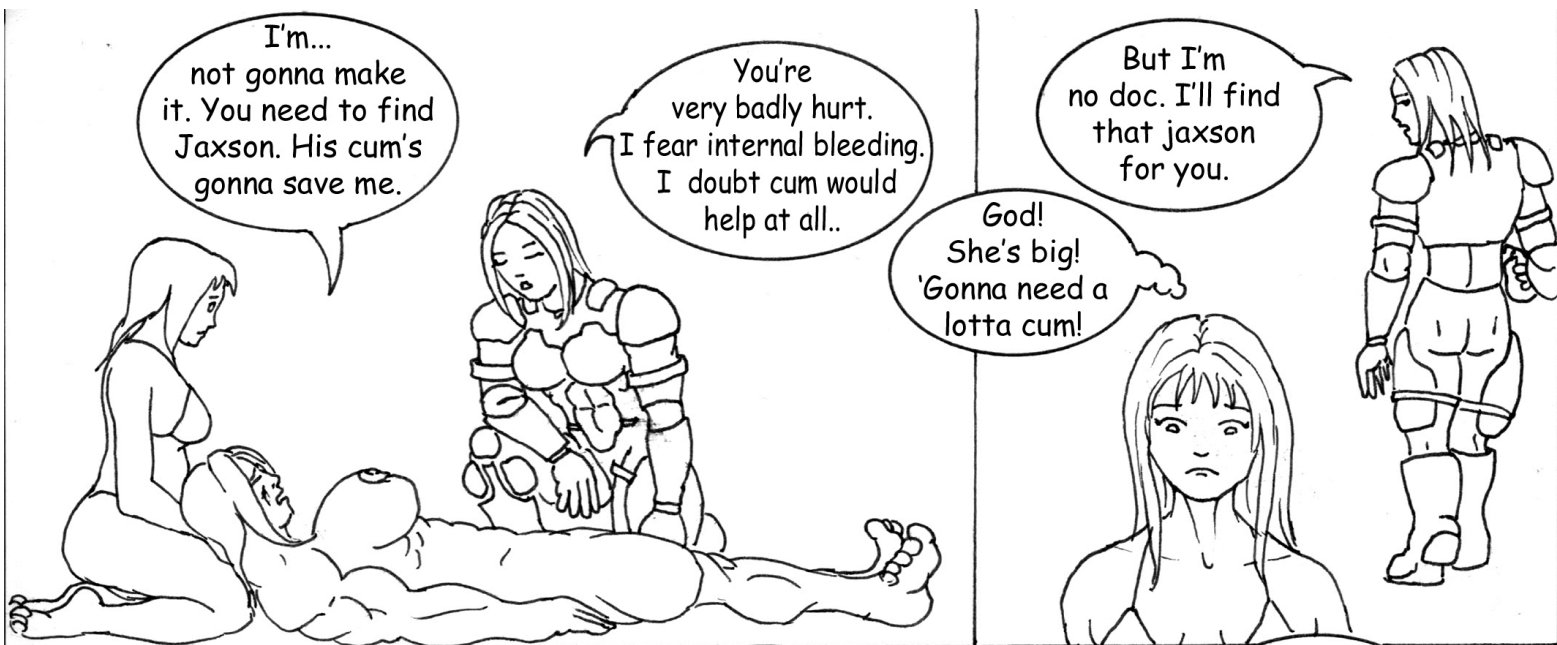

Ugh!
I can't
hold it!

Wow, ok.
Now I'm
full...

I'm...
not gonna make
it. You need to find
Jaxson. His cum's
gonna save me.

You're
very badly hurt.
I fear internal bleeding.
I doubt cum would
help at all..

But I'm
no doc. I'll find
that jaxson
for you.

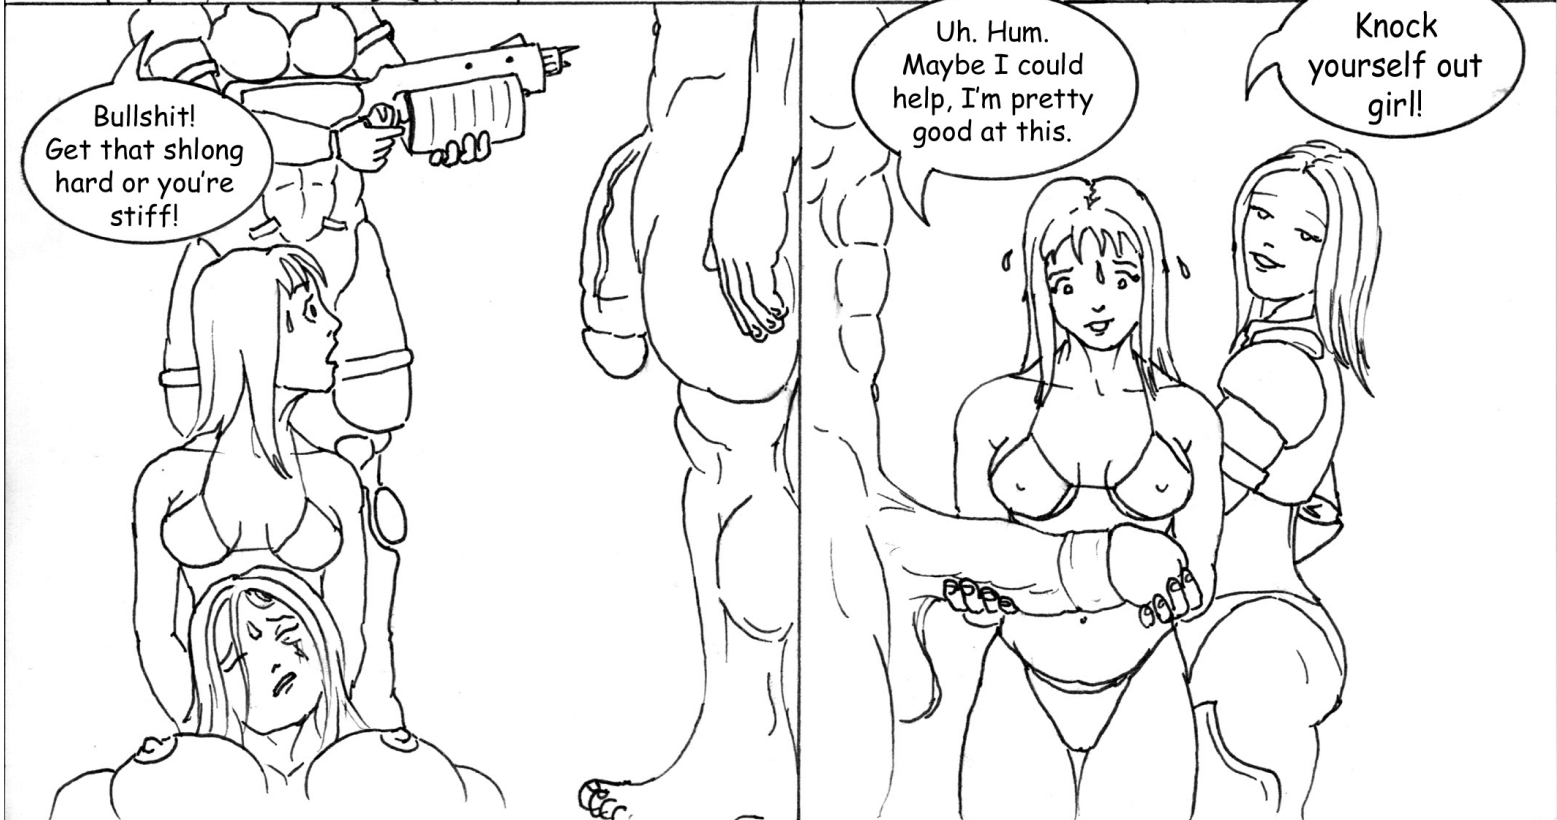

God!
She's big!
'Gonna need a
lotta cum!

All quiet
out there. I
guess the
fighting's
done.

Hello
Jaxson.

I'm sorry
lady, but I'm
afraid I'm all
cummed out.

Bullshit!
Get that shlong
hard or you're
stiff!

Uh. Hum.
Maybe I could
help, I'm pretty
good at this.

Knock
yourself out
girl!

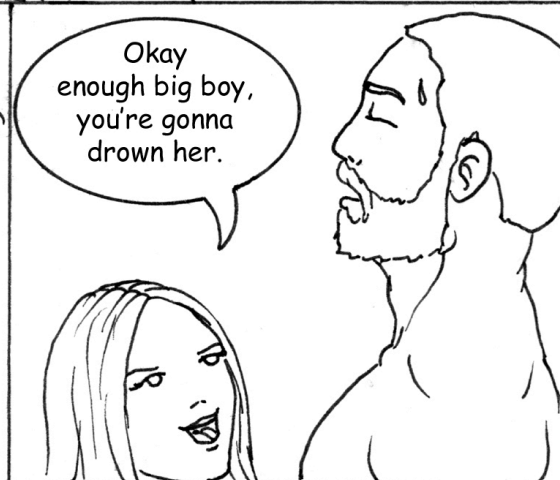

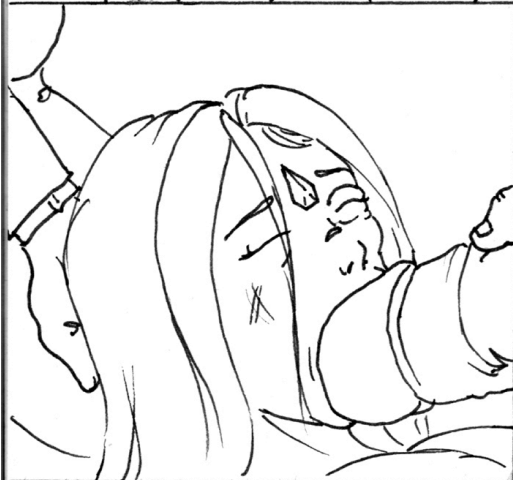

A few strokes and licks later...

Hurry up
and feed it
to her.

Okay
enough big boy,
you're gonna
drown her.

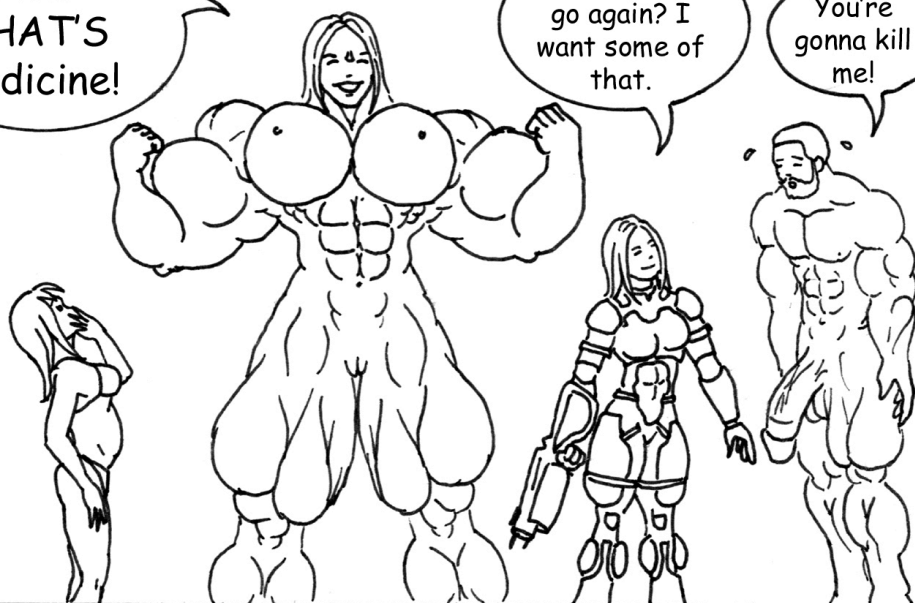

Woohoo!
I feel awesome!
Thanx girls!

Now
THAT'S
medicine!

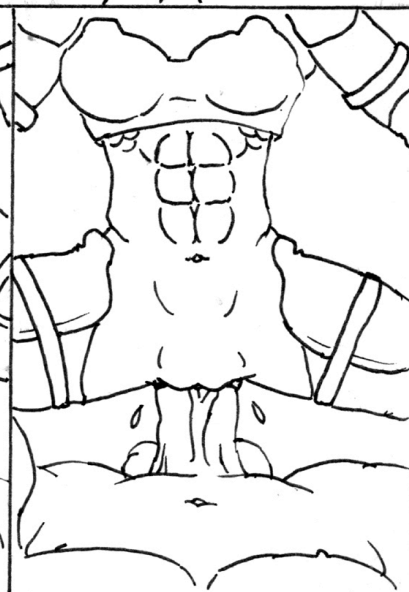

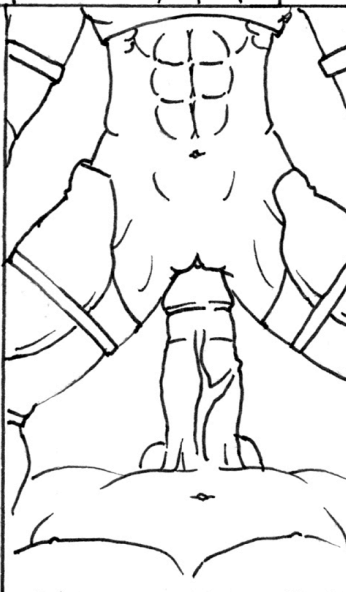

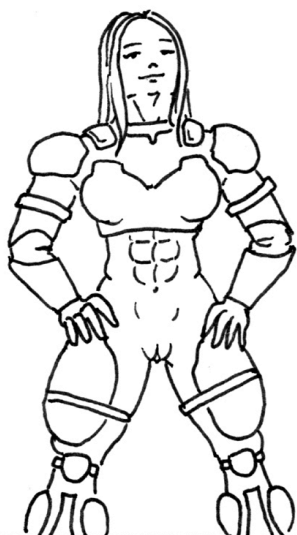

Ready to
go again? I
want some of
that.

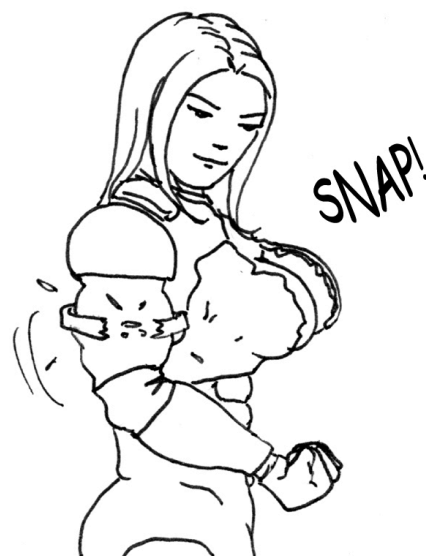

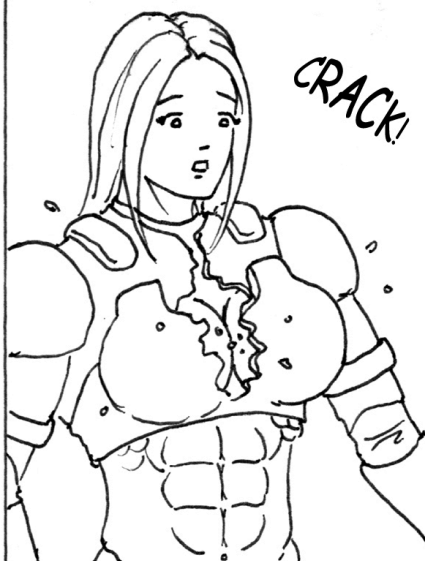

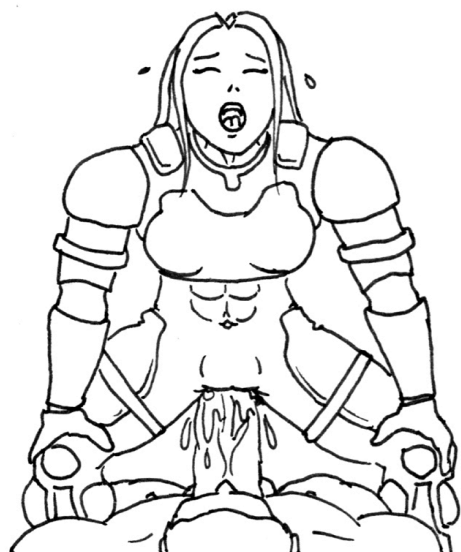

You're
gonna kill
me!

Let me put
it this way;
You don't have
a choice.

I'm on it.
My arms are
gonna end up as
big as yours!

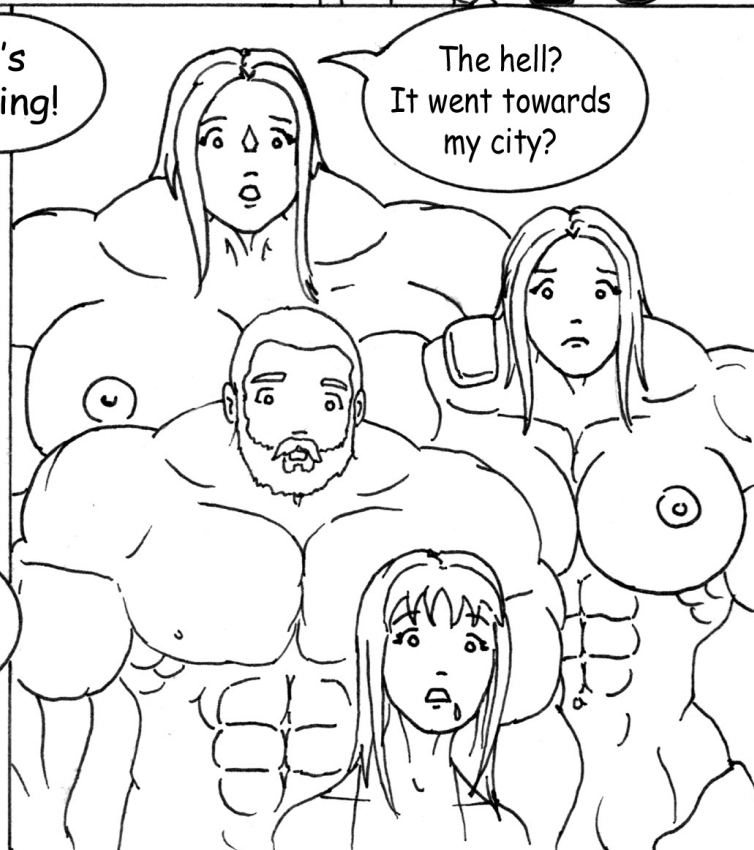

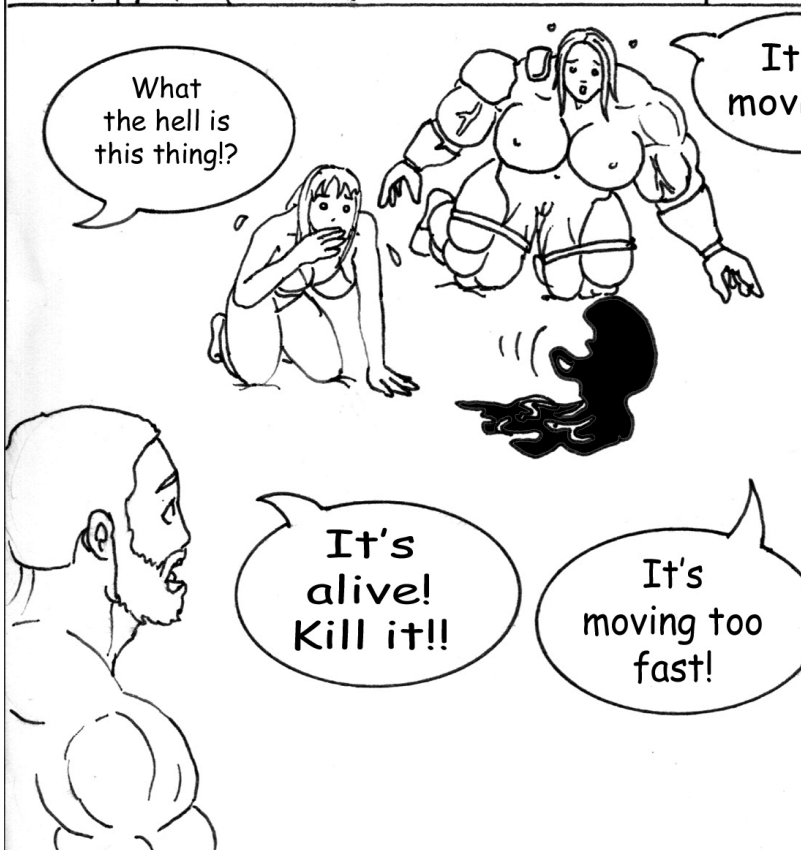

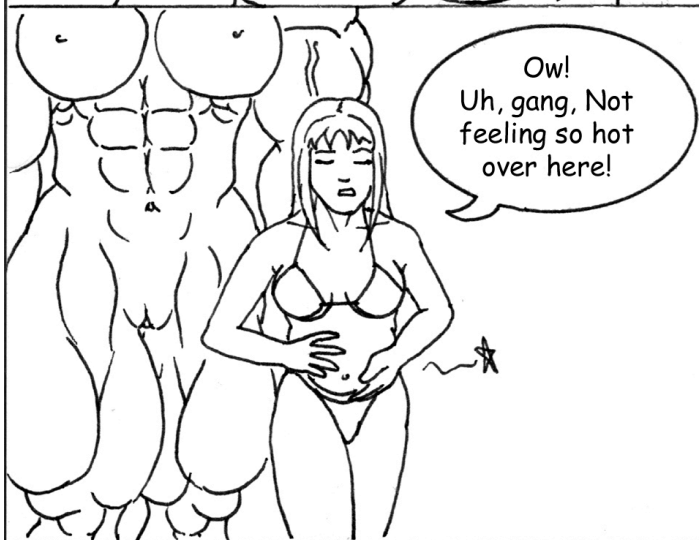

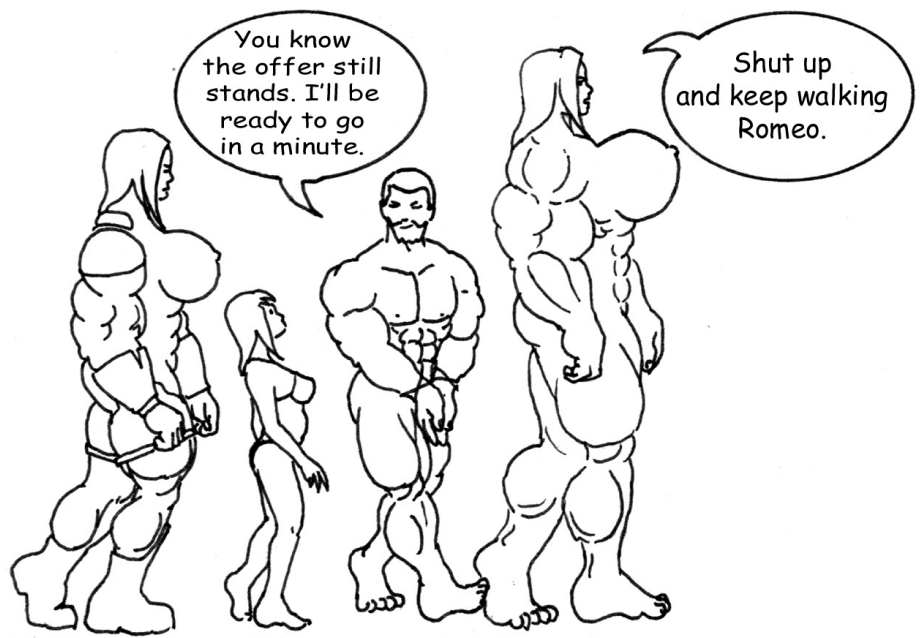

We were brought here by an alien ship. We took it over but crashed trying to land...

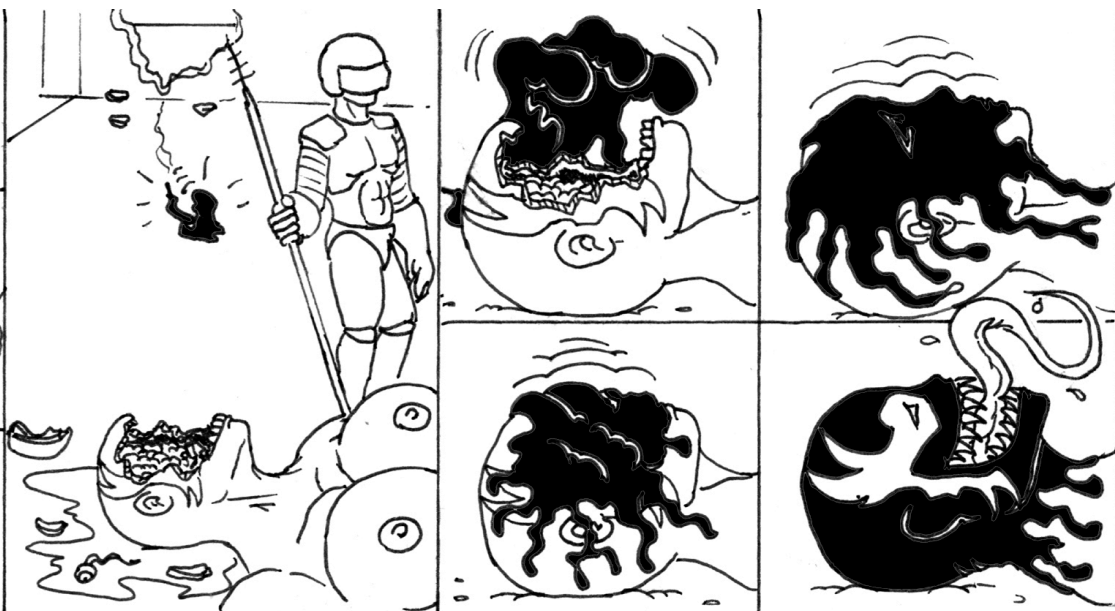

And we need to go back where we came from. I need to visit my gynecologist asap!

A minute later,
inside the city walls.

Sssssssssss

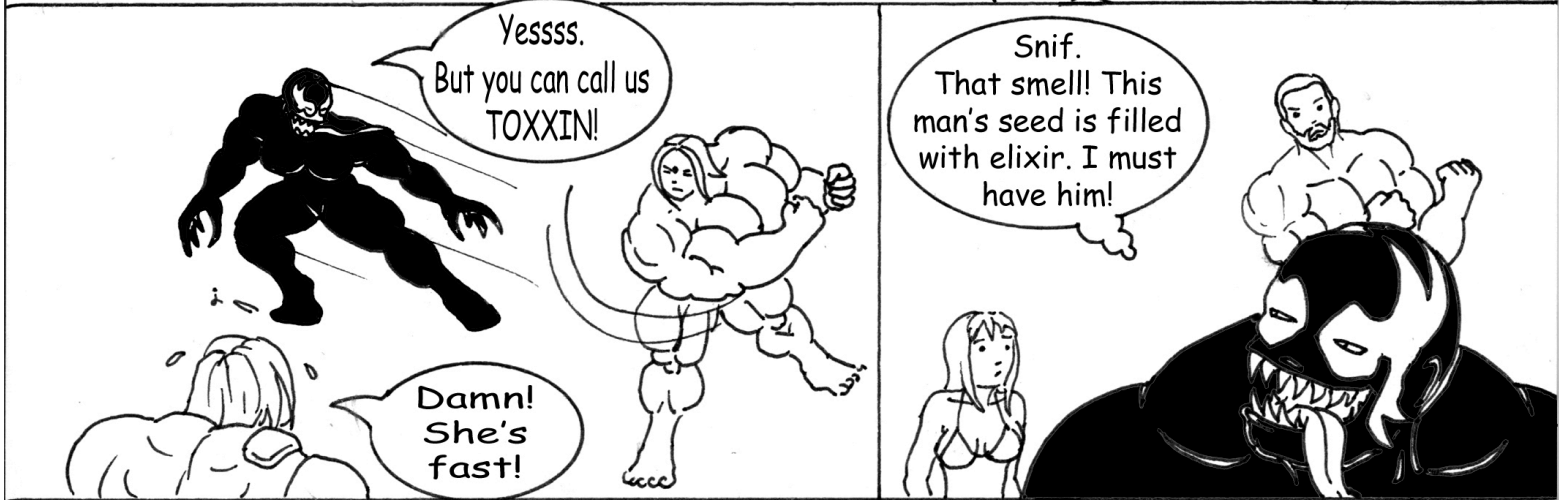

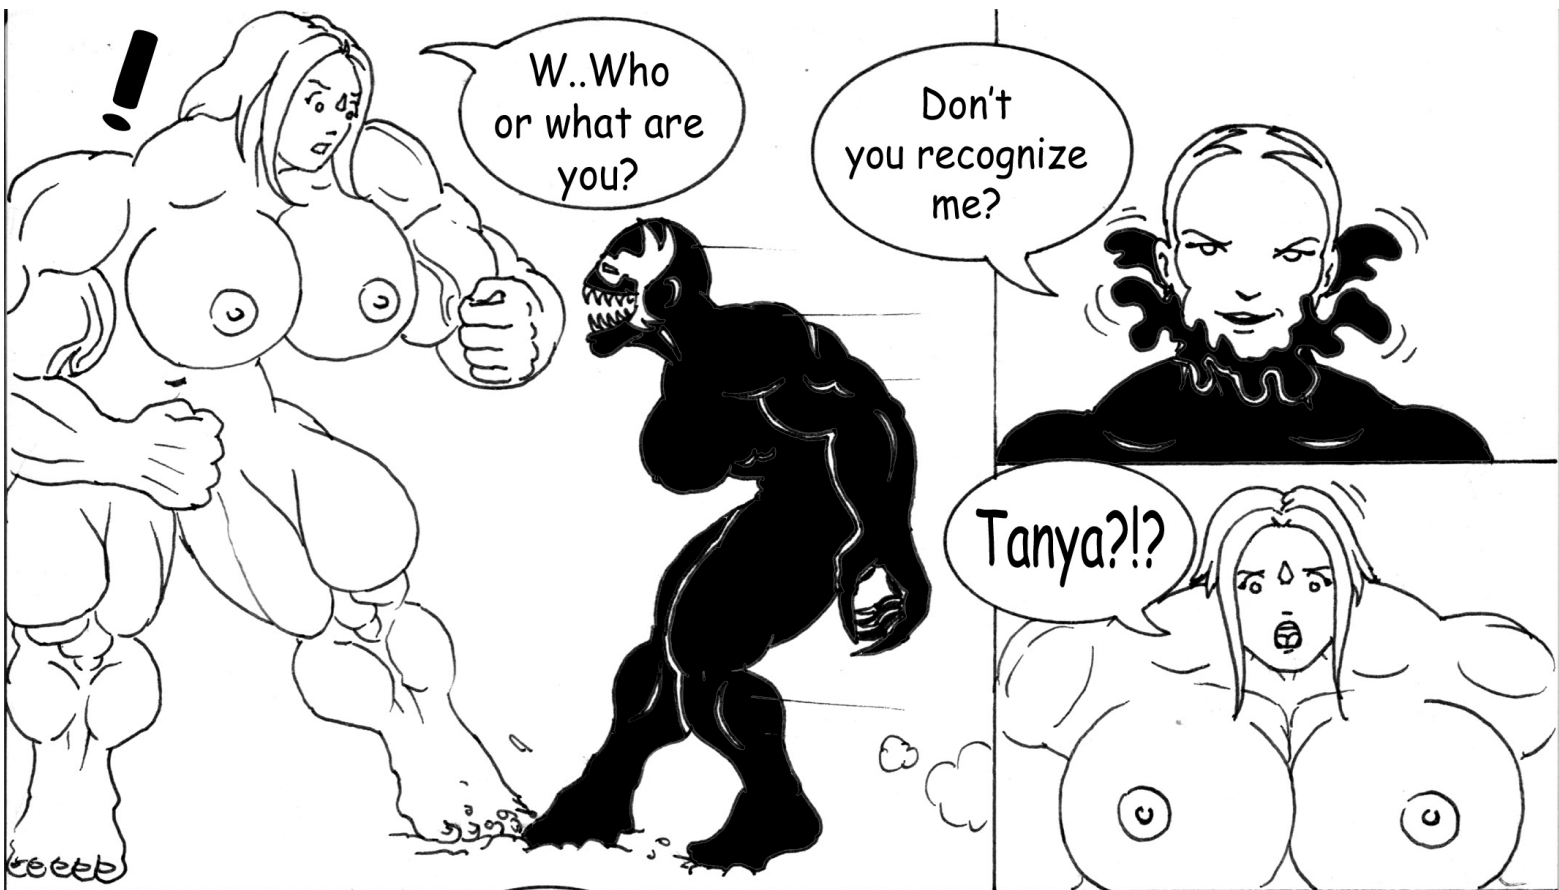

D'you
hear something?

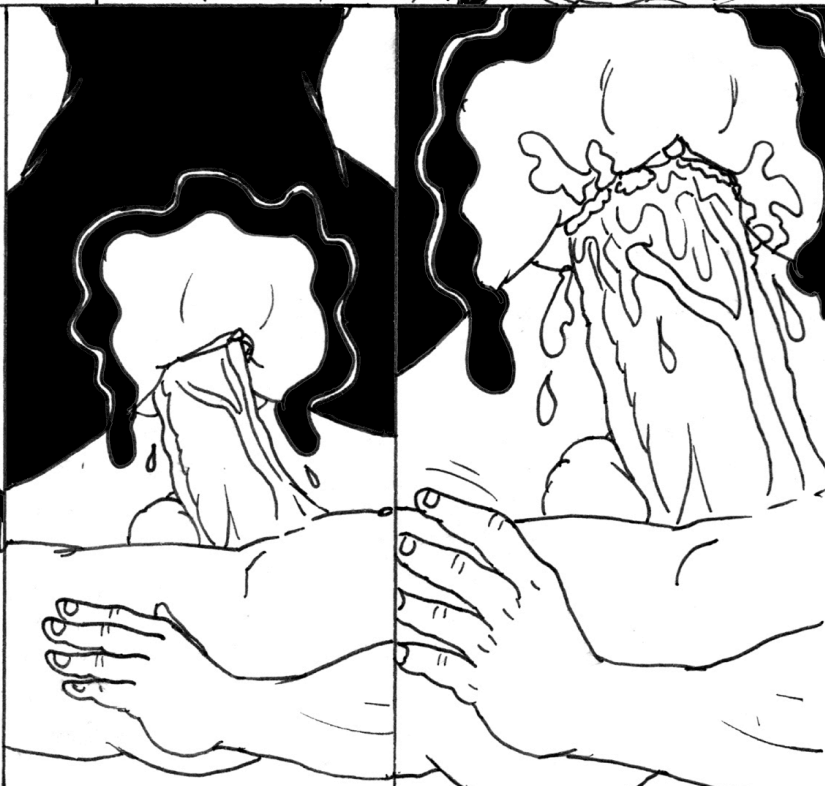

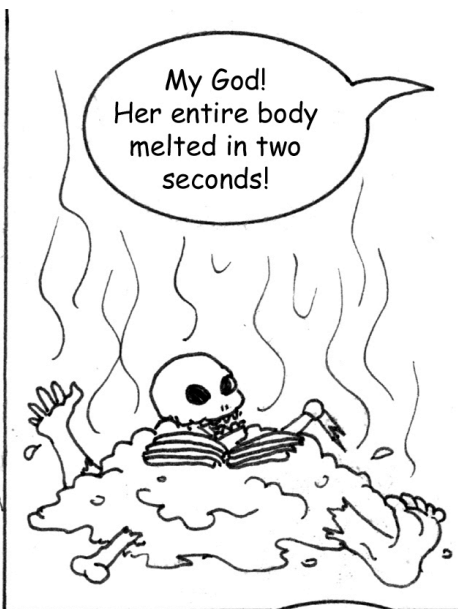

Meanwhile.

I'm sure
that blob was
evil. I fear the
worst!

It
seemed pretty
harmless to me. Like
black jell-O.

Something's
coming fast our
way, look
out.

It'sssss working! We're getting stronger!

Now that we've assimilated that power, we don't need you anymore!

All we need to keep growing is food. And you'll do just fine!

YYYEEEESSSSSSSSSSSS!

meanwhile, a few blocks away...

Another giant! Run!

A cannibal giant!

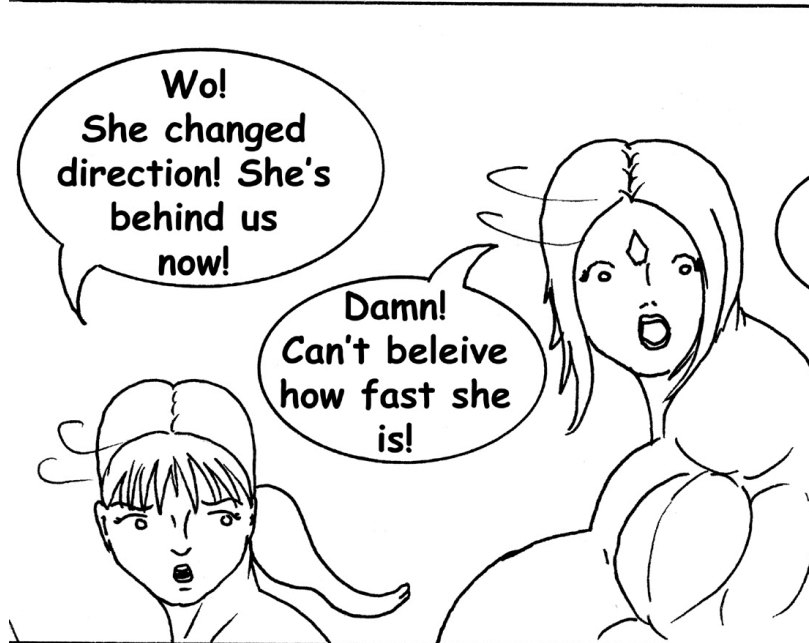

Cool,
we're gaining
on her. Get
ready.

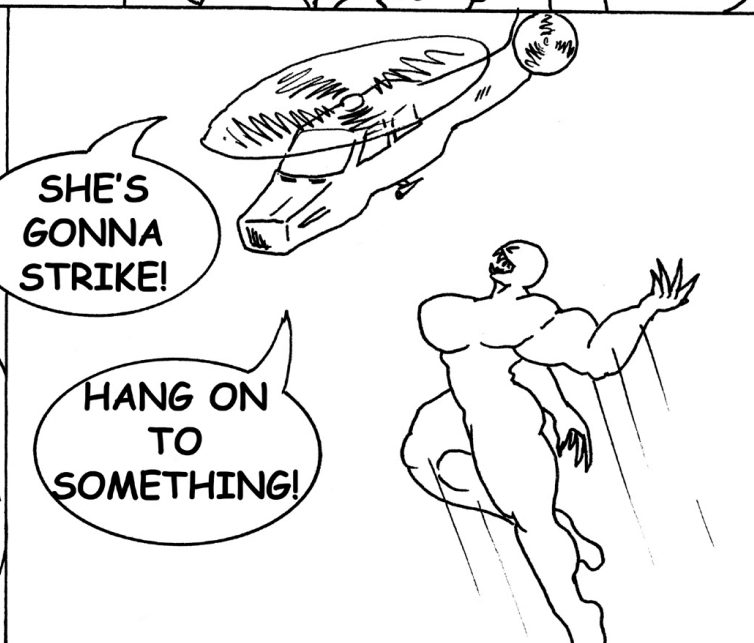

No prob.
boss...

Try and force
her into the
volcano.

Wo!
She changed
direction! She's
behind us
now!

Damn!
Can't beleive
how fast she
is!

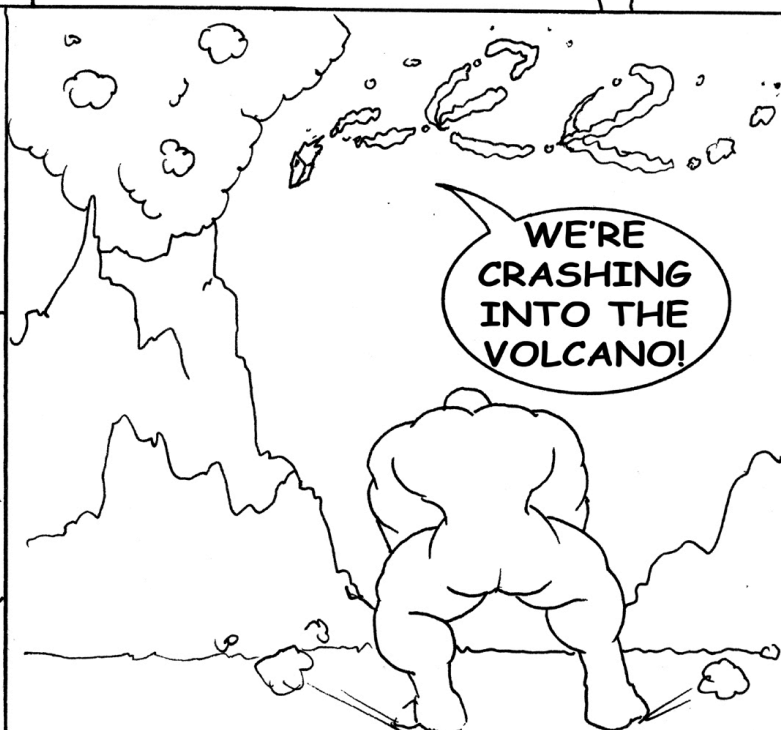

SHE'S
GONNA
STRIKE!

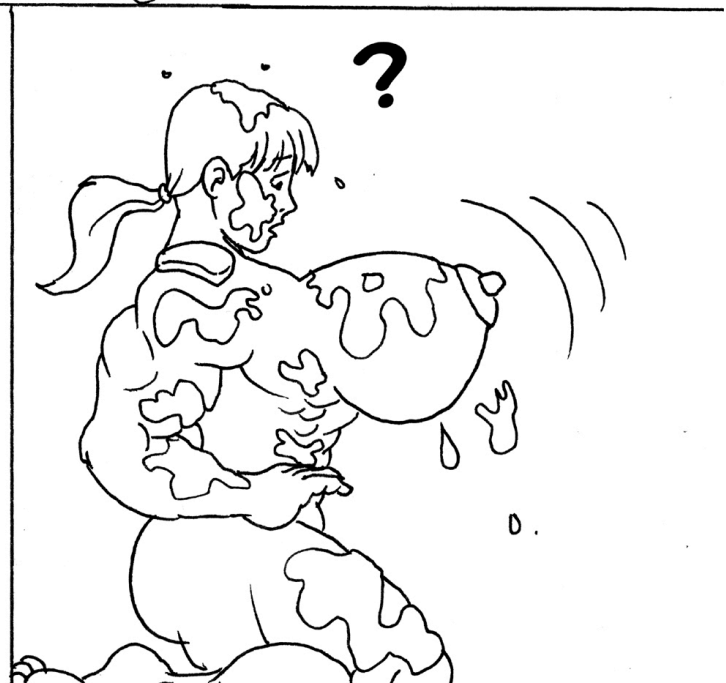

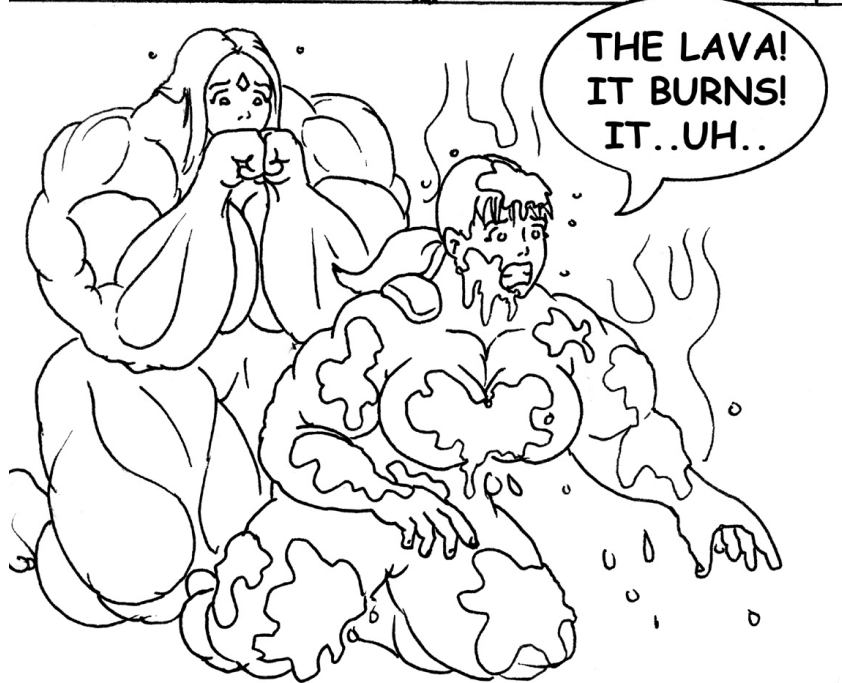

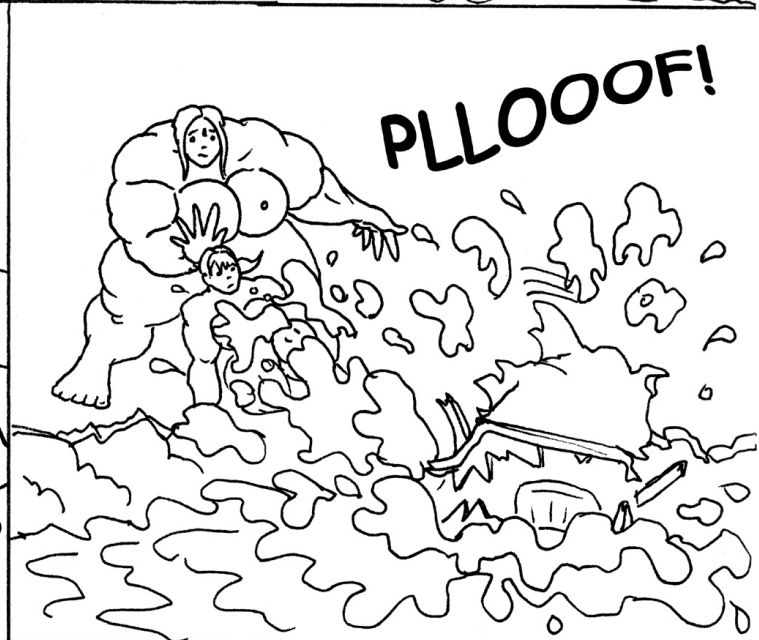

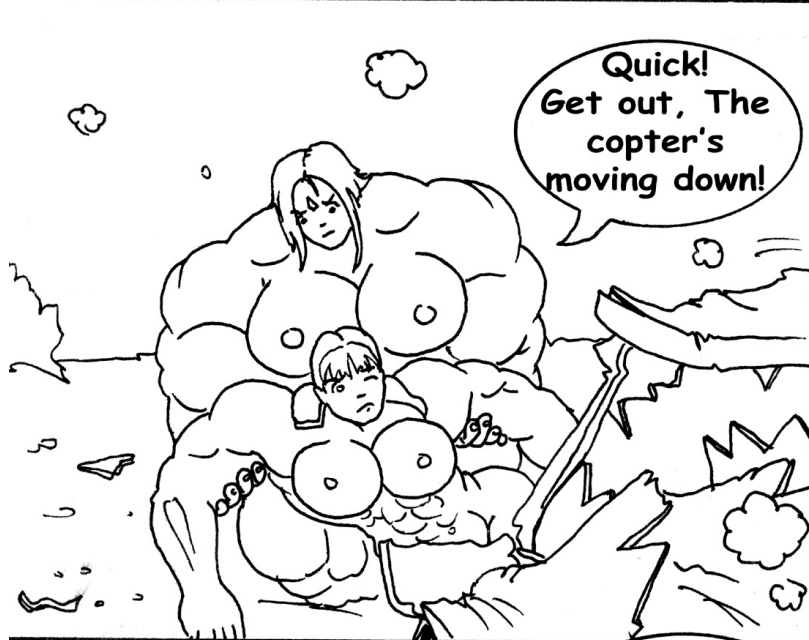

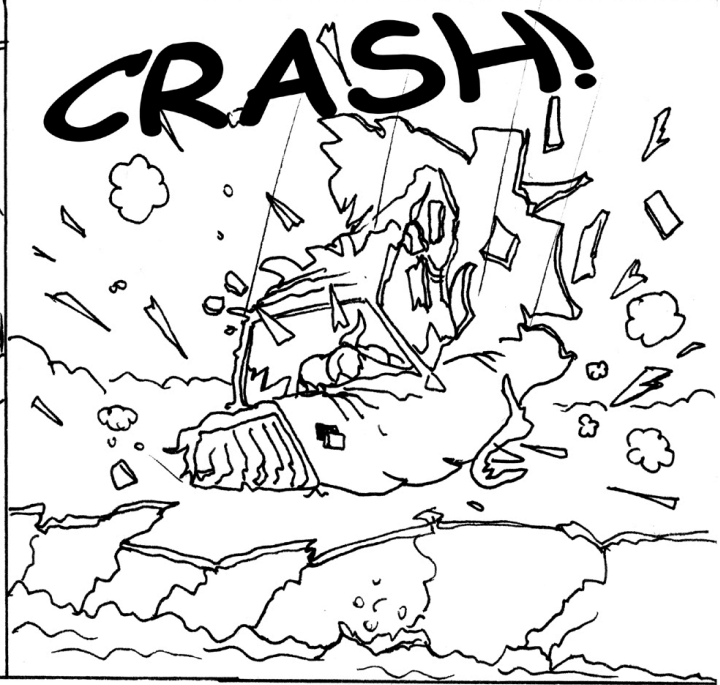

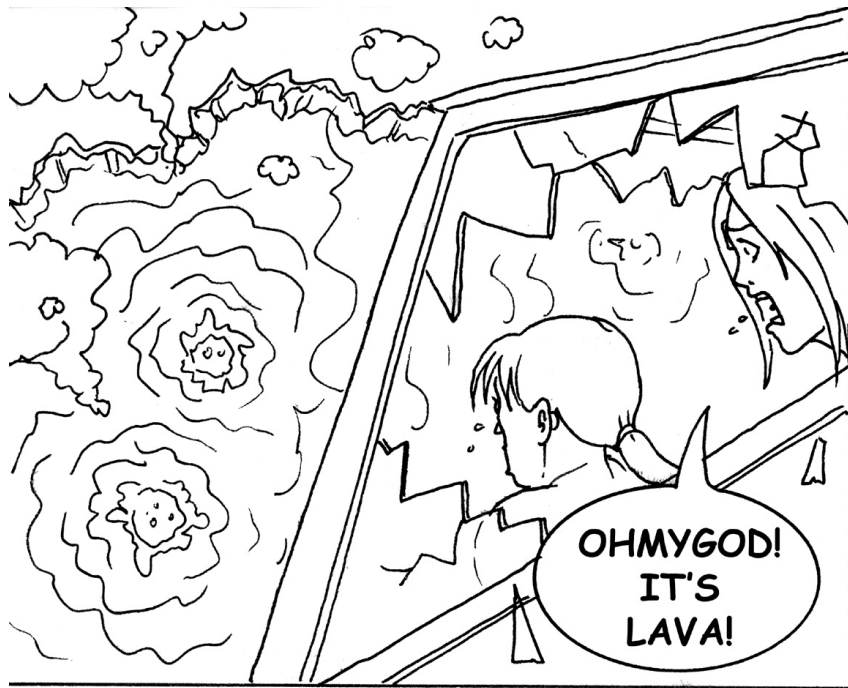

HANG ON
TO
SOMETHING!

SLAM!

WE'RE
CRASHING
INTO THE
VOLCANO!

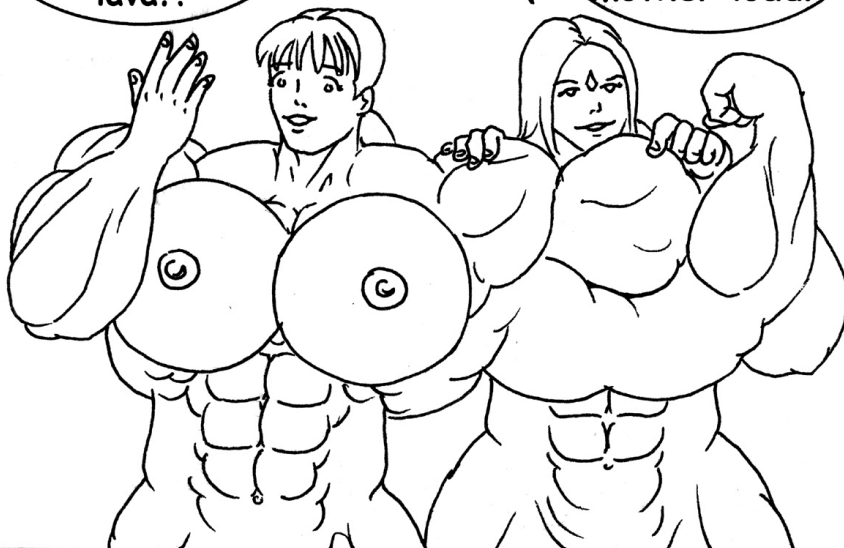

It's gone.
My body absorbed
it! That's not
lava?!

That my
friend is pure
elixir! The
mother load!

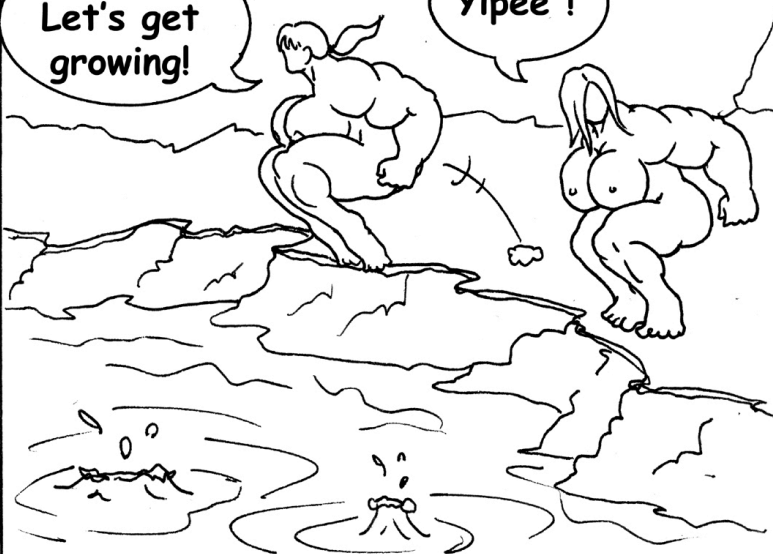

Very pure
indeed, I
never felt
stronger!

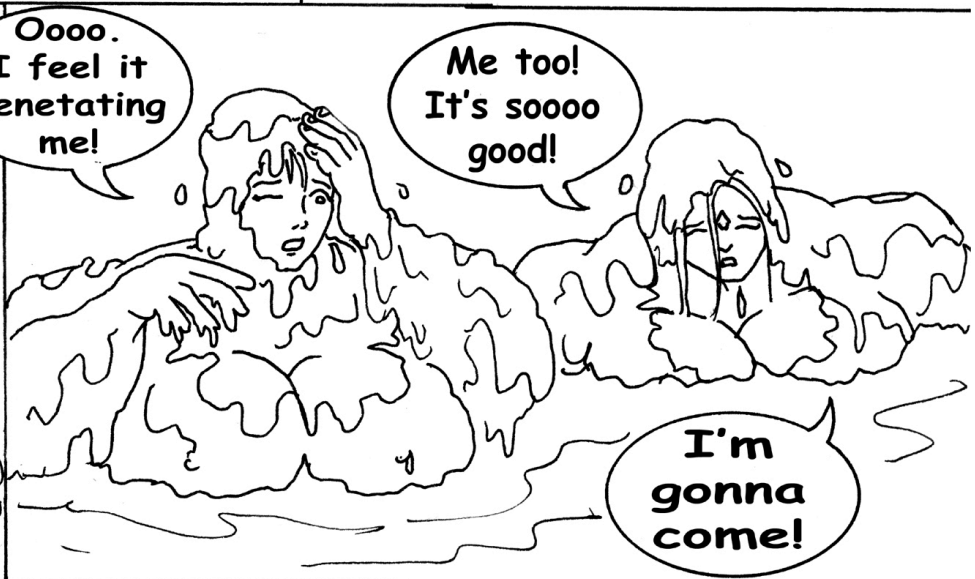

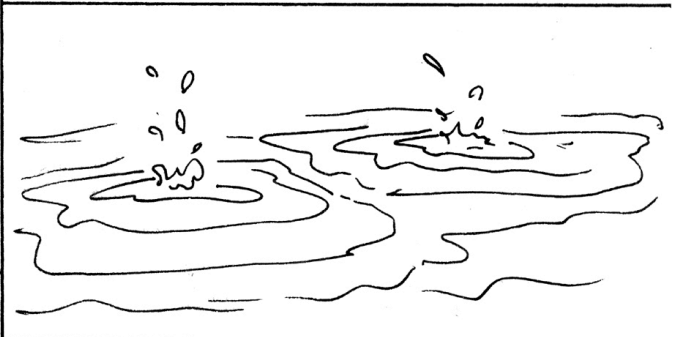

Enough
chatting, I hear
Tanya coming
this way!

Yeah!
Let's get
growing!

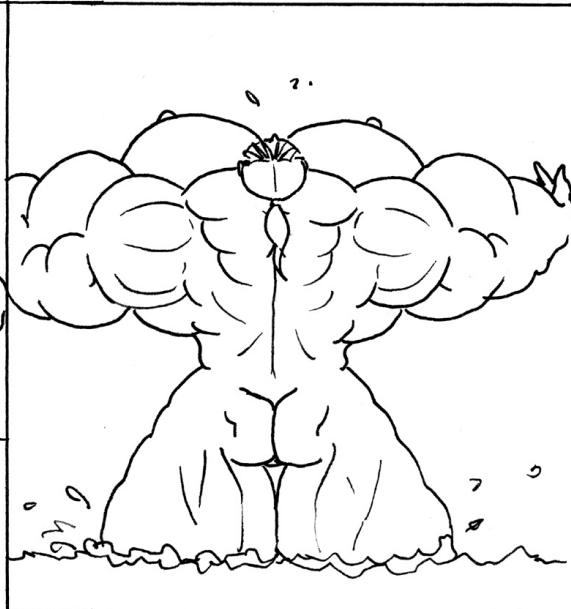

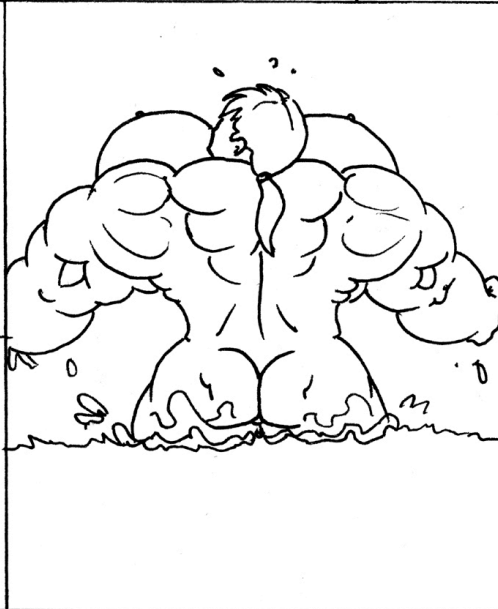

Yipee !

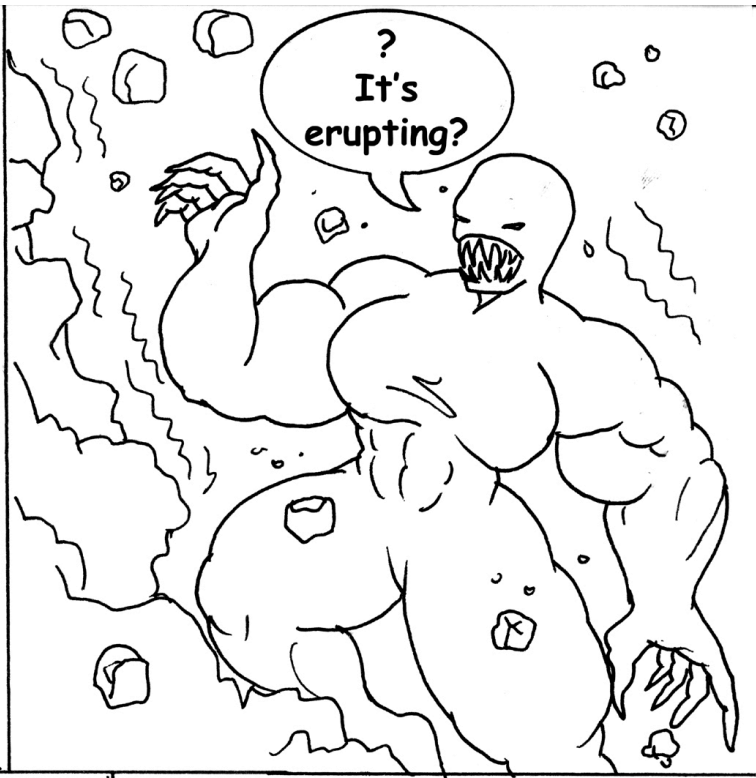

THIS
ISN'T AN
ORGASM! IT'S
MORE LIKE...

A
MILLION
ORGASMS!

Two punches and she's out... So weak!

What do you say we re-do her look?

Take this off of her.

With pleasure.

Eeww, It's slimy..

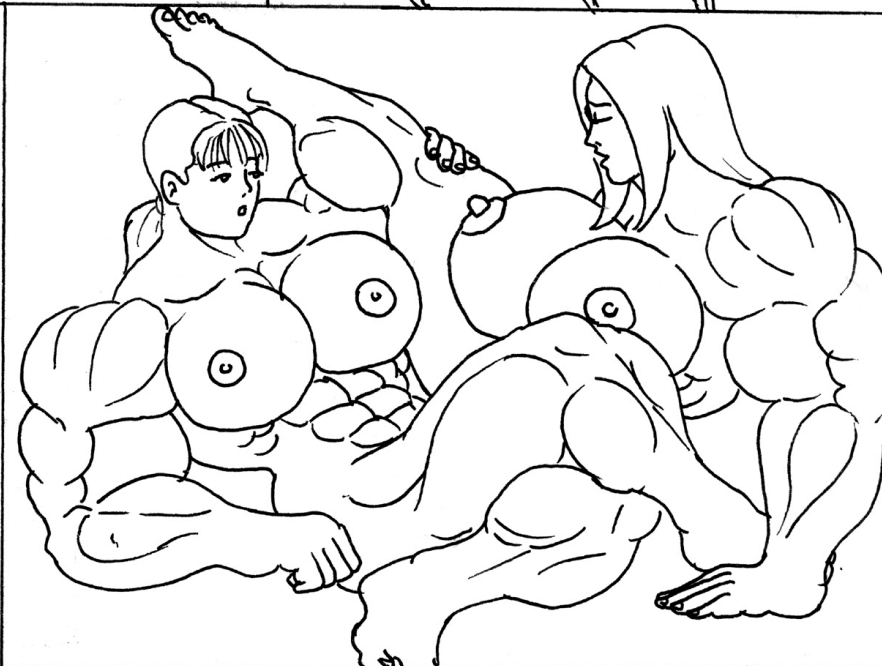

You're going back home. Ugly.

She's not
about to
come to.

Until she does,
do you want to..
you know...
fool around?

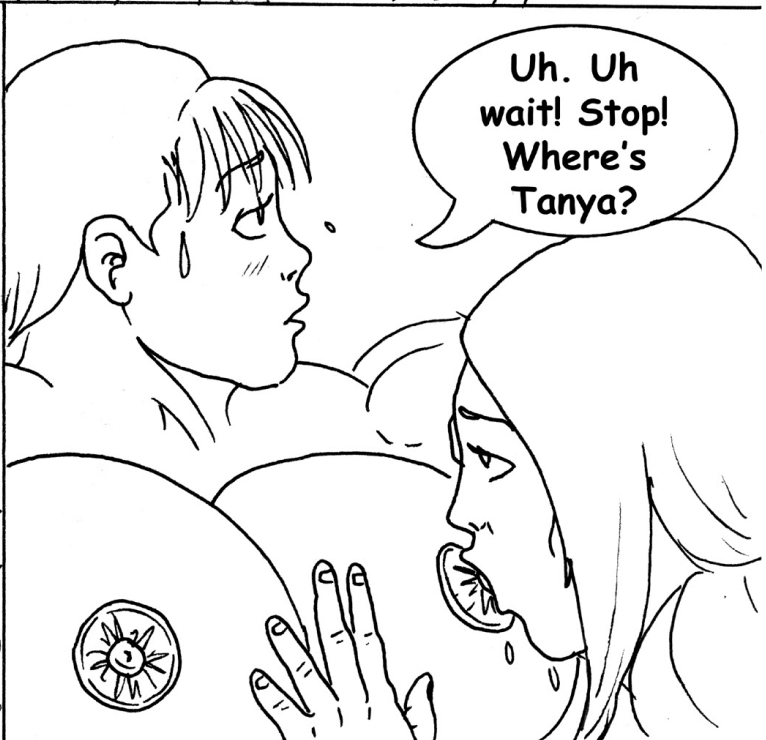

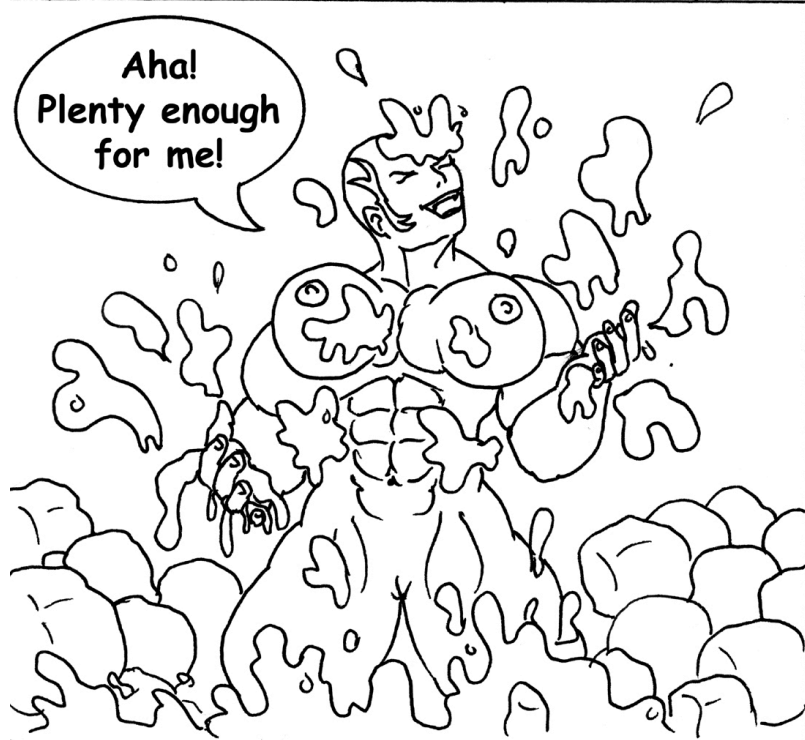

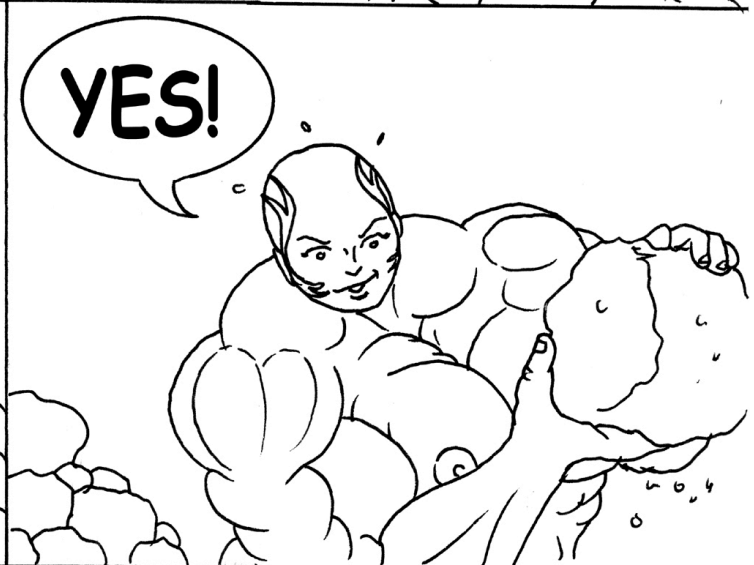

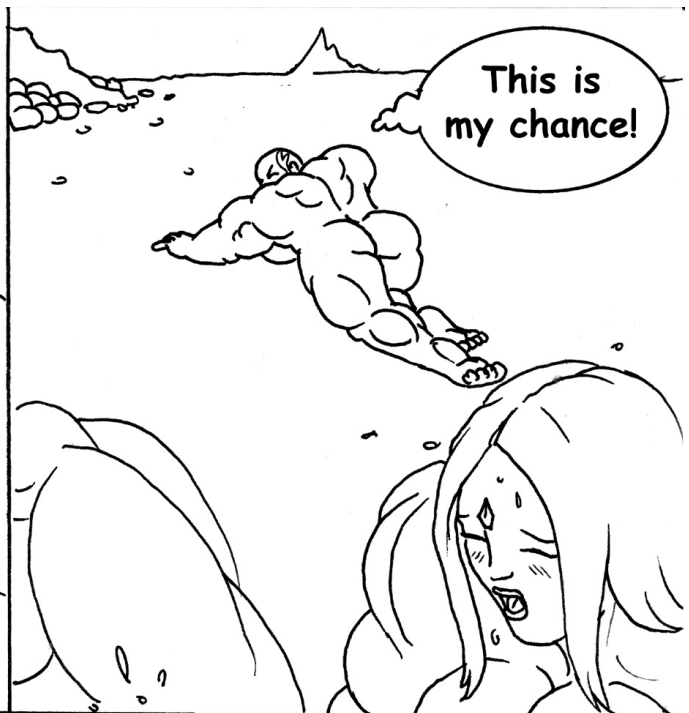

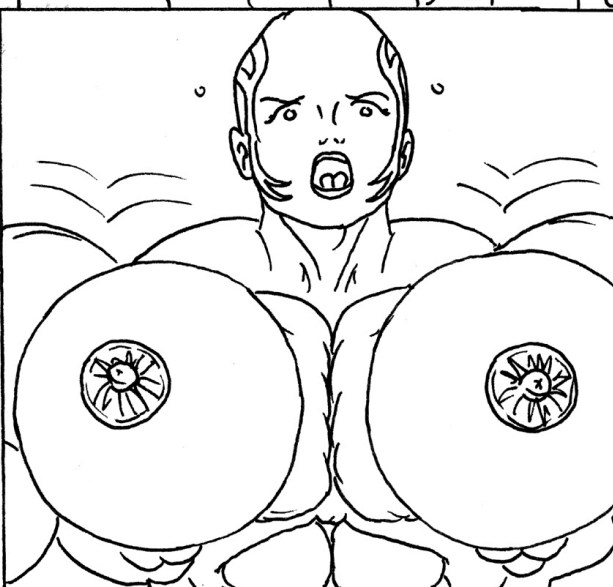

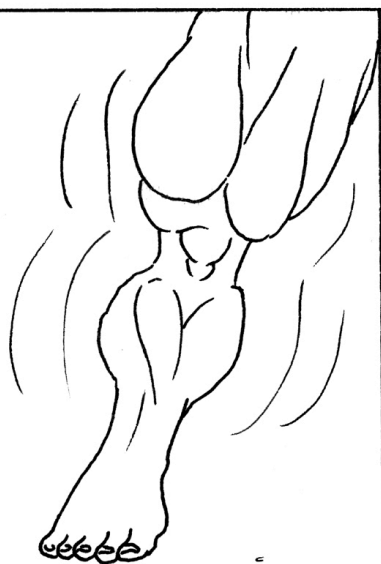

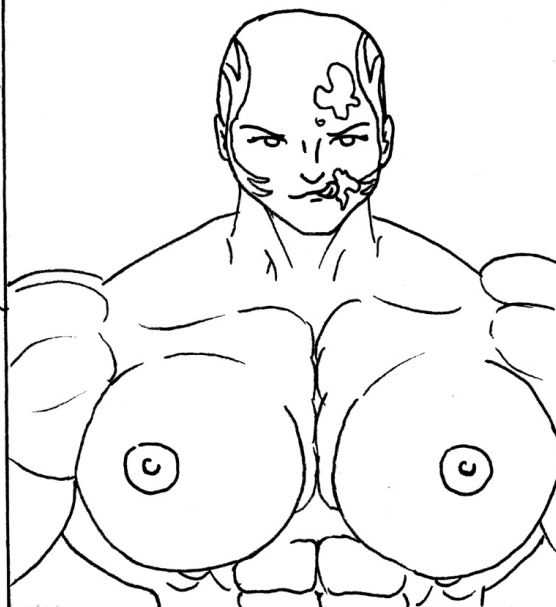

Mmmm
Yes that's it.
Right there!

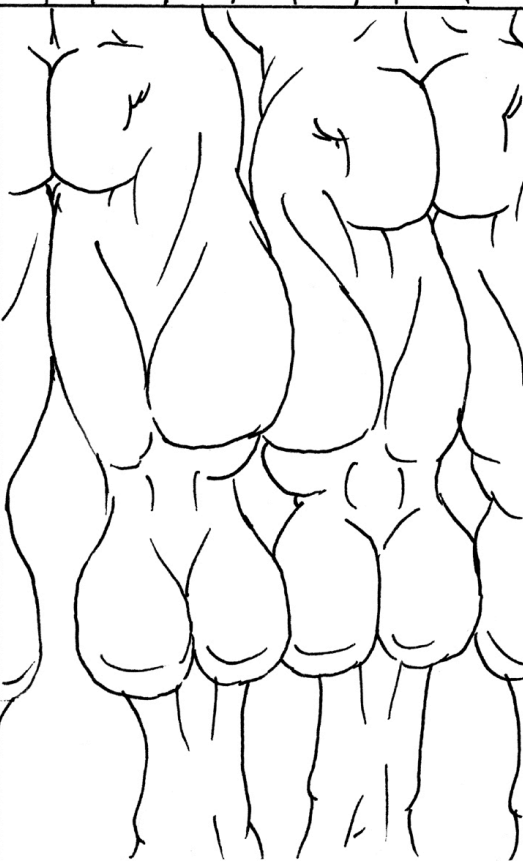

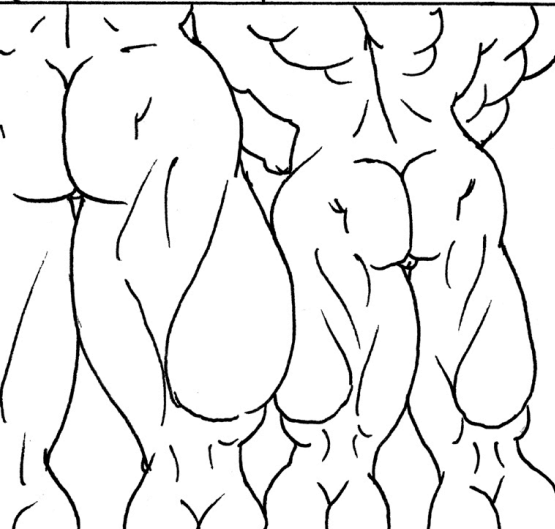

Oooo
Baby you're
so hot!

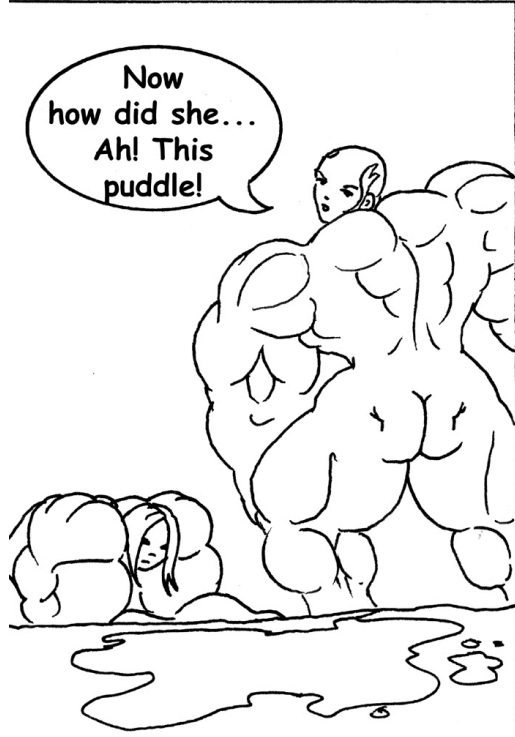

Hmm.
Where...?
I'm still
alive?

Yikes!
That's gonna
hurt!

Eh!
That was
easy!

Aw no
way!
