Collaboration Notice

This comic is a collaboration between **3D-Swede** and myself. I‘ve commissioned 3D-Swede to create the renders for this comic, while I‘ve provided the script and added the text. I‘ve also bought the rights to sell the finished piece from 3D-Swede. Note that the base idea for the script was derived from my Patrons who could put options to vote and the most voted options were turned into this script.

If you want to know more about 3D-Swede, have a look at his Deviant Art Page. He has already created a lovely story about mannequins that is over 300 pages long and I‘m looking forward to anything new he might create in the future:

Once upon a time, a young man found an amulet…

Window Wishing XII
Sex Romp Arc II
Sports and Arts

The story of Window Wishing has concluded with Chapter X, And Chapter XI has started the Sex Romp Arc where King Erik encountered two hot elven joggers. Now buckle up as his steps bring King Erik into the nearby park – lured by some enticing music.

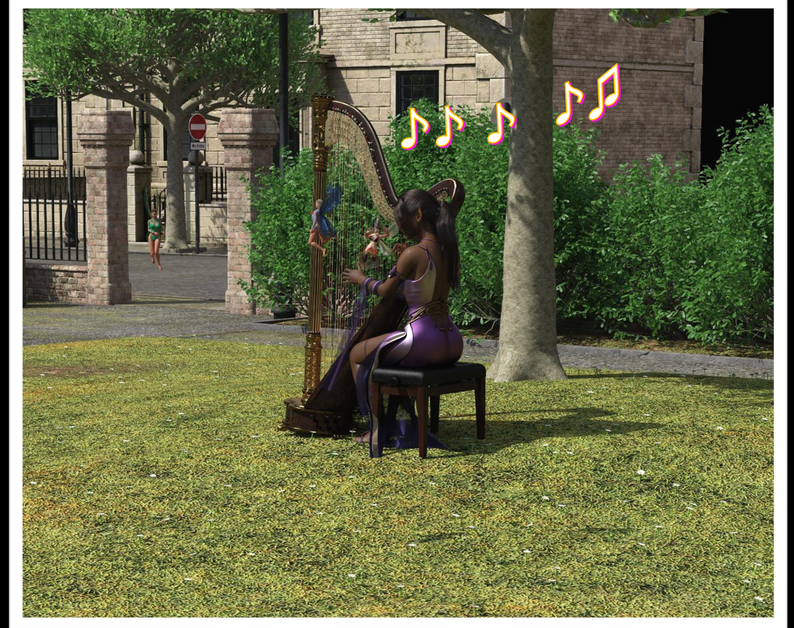

Cast of Characters:

Erik … **The Fairy King**

Artist & Fairies… An elven musician and her fairy entourage

Lured by the beautiful music, King Erik's steps take him to the nearby park where a dark-skinned elf is playing the harp. Several fairies are dancing in the air.

Guess I'll have to say hi.
I wonder what he's doing here! What an honor!

Look! It's the fairy king!

Well, I'm sure he's here for me. I'm the cutest fairy around, after all.

Oh, Bollox! You know you are not even half as cute as me!

The fairy king!
What are you saying, little one?

Look behind you!
T..t...t THE FAIRY KING!
Huh?

Hi!
Hi!
OH!

I heard your beautiful music.
But now that I stand before you, I can't decide what's more beautiful. Your music or you yourself.
T... Thank you my King. I'm flattered.
Translation: He wants to fuck you.
Get on with it, girl!

I... is that true, my liege?
Would you... indeed like to... *cough* fuck me?

I would indeed like that.

"Music" ... right!
See, he's here for her music!

Pretty sure they'll be playing to a different tune pretty soon.
There's always room for one more fairy, right?
Think we can join in?
Right!

Do you... like what you see, my King?

I love it. You are a true beauty.

Come on! Start fucking already! This horny fairy wants a show.

Do you like my butt?
What are you waiting for, my King? Take her!
What do you say my King?

I wish I was naked as well.

Right?
Now that's what I call useful magic! *giggle*

Erik bends the elven artist over her seat and while marveling at that chocolate-colored booty inserts his dick in her waiting wet twat.
Groan
Let's move in!
Let's!
Oh, wow!

My Liege, may we join in?
Please?
Sorry, *grunt*, girls.
Just in for the pussy action right now.

You fucked it up!
Me?!
You were too direct!
Fuck off! You heard him, he just wants big girls right now!
They are touching the amulet!
Argh! So unfair! I wish we were big enough to fit his cock in our pussies!

I feel strange!

What did you do?!

We are growing!

I did it!
Groan
... I guess... you did.
But how?
It must be the King's secret desire. He actually wants us!

This is an unexpected turn of events. *giggle*

Having grown to full-sized elves the two ex-fairies have permission to join their King in a lovely foursome.

Erik swaps pussies and pounds one of the ex-fairies. The artist sits down and has one of her still small fairy friends help her out.

The elf that was now alone getting all her King's attention was in heaven!
Oh, yes!

Give it to me, my liege!

Faster!

Harder!

May I cum for you?
Oh god! I'm close my King!

You may!
Moar

Inspired by his subject's orgasm King Erik is approaching his climax as well.

With one final stroke, King Erik pushes his cock deep inside the spasming elf's pussy – releasing his cum inside...
Groan

Oh, yes! I can feel you shoot inside of me!

Shortly later...
Thank you so much, your majesty. This is like a dream cum true.
You came so much in me, milord, I look like 5 months pregnant. *giggle*
drip
Maybe I get pregnant for real from your strong seed my King!
I'd love to carry your offspring my liege!

It should have been me!

Hey, are you okay?
Tsk!

Girls, don't quarrel...
I wanted to receive his majesty's seed.
I wish I was pregnant from our King!

Hm...

Well, I **wish** that too.

Why do you always end up with the good stuff!
Come on. Don't be mad. You win some you lose some...
drip

Win some?! You got the fairy King's load!
That's like the motherload of all loads!
drip

Your belly!
drip
O.M.G.!!
I feel strange!

Is that... are you... I mean... pregnant for real?
AWESOME!
drip
I just felt a kick!

Thank you, my king!
You are welcome.

Could you... return us to our normal fairy form now, my liege?

Yes, my liege.
We wouldn't know what to do like this.
We are fairies through and through.
And I already miss my wings.
drip

You sure you don't want to stay elves?

Welp, fine. I **wish** you were back to your fairy bodies.

Thank you, my king.
Thank you, my liege.
drip

shrink

drip

shrink

Within a few seconds, the two girls who were just standing tall were shrunken back to their old fairy shapes.

Oh, my beautiful wings.
giggle Yeah, walking is a real bother!
drip

Ufff...
What's up?

Flying is quite tiresome with this extra weight.

giggle
My "extra weight" is slowly dripping away.

But it looks like it will be a fairy!
What an amazing day for the fairy race. Everyone thought it'd be an elf to bear the Fairy King's firstborn.

Still can't wrap my head around you being pregnant.
Well, if you are as fertile as me, then maybe you'll be too soon.
Oh, shut up! I'm way more fertile than you!

As the fairies keep bickering King Erik addresses the artist once more.

I had a lovely time.

I might have gotten a bit distracted with those fairies at the end.

But you were a great fuck!

If there's anything wish for...

There is!

I've dedicated my life to art.

I'm playing various instruments. I write. I dance...

But what I truly wish for... is to become art myself.

At least... for a little while...

Art incarnate so to say... Yeah. I think I can help you with that.

I wish for a marble podium.

Now, step on the podium, if you will.
And strike a pose.

Like this?
What now?
Yup.
Now I **wish** you'd turn into a marble statue.

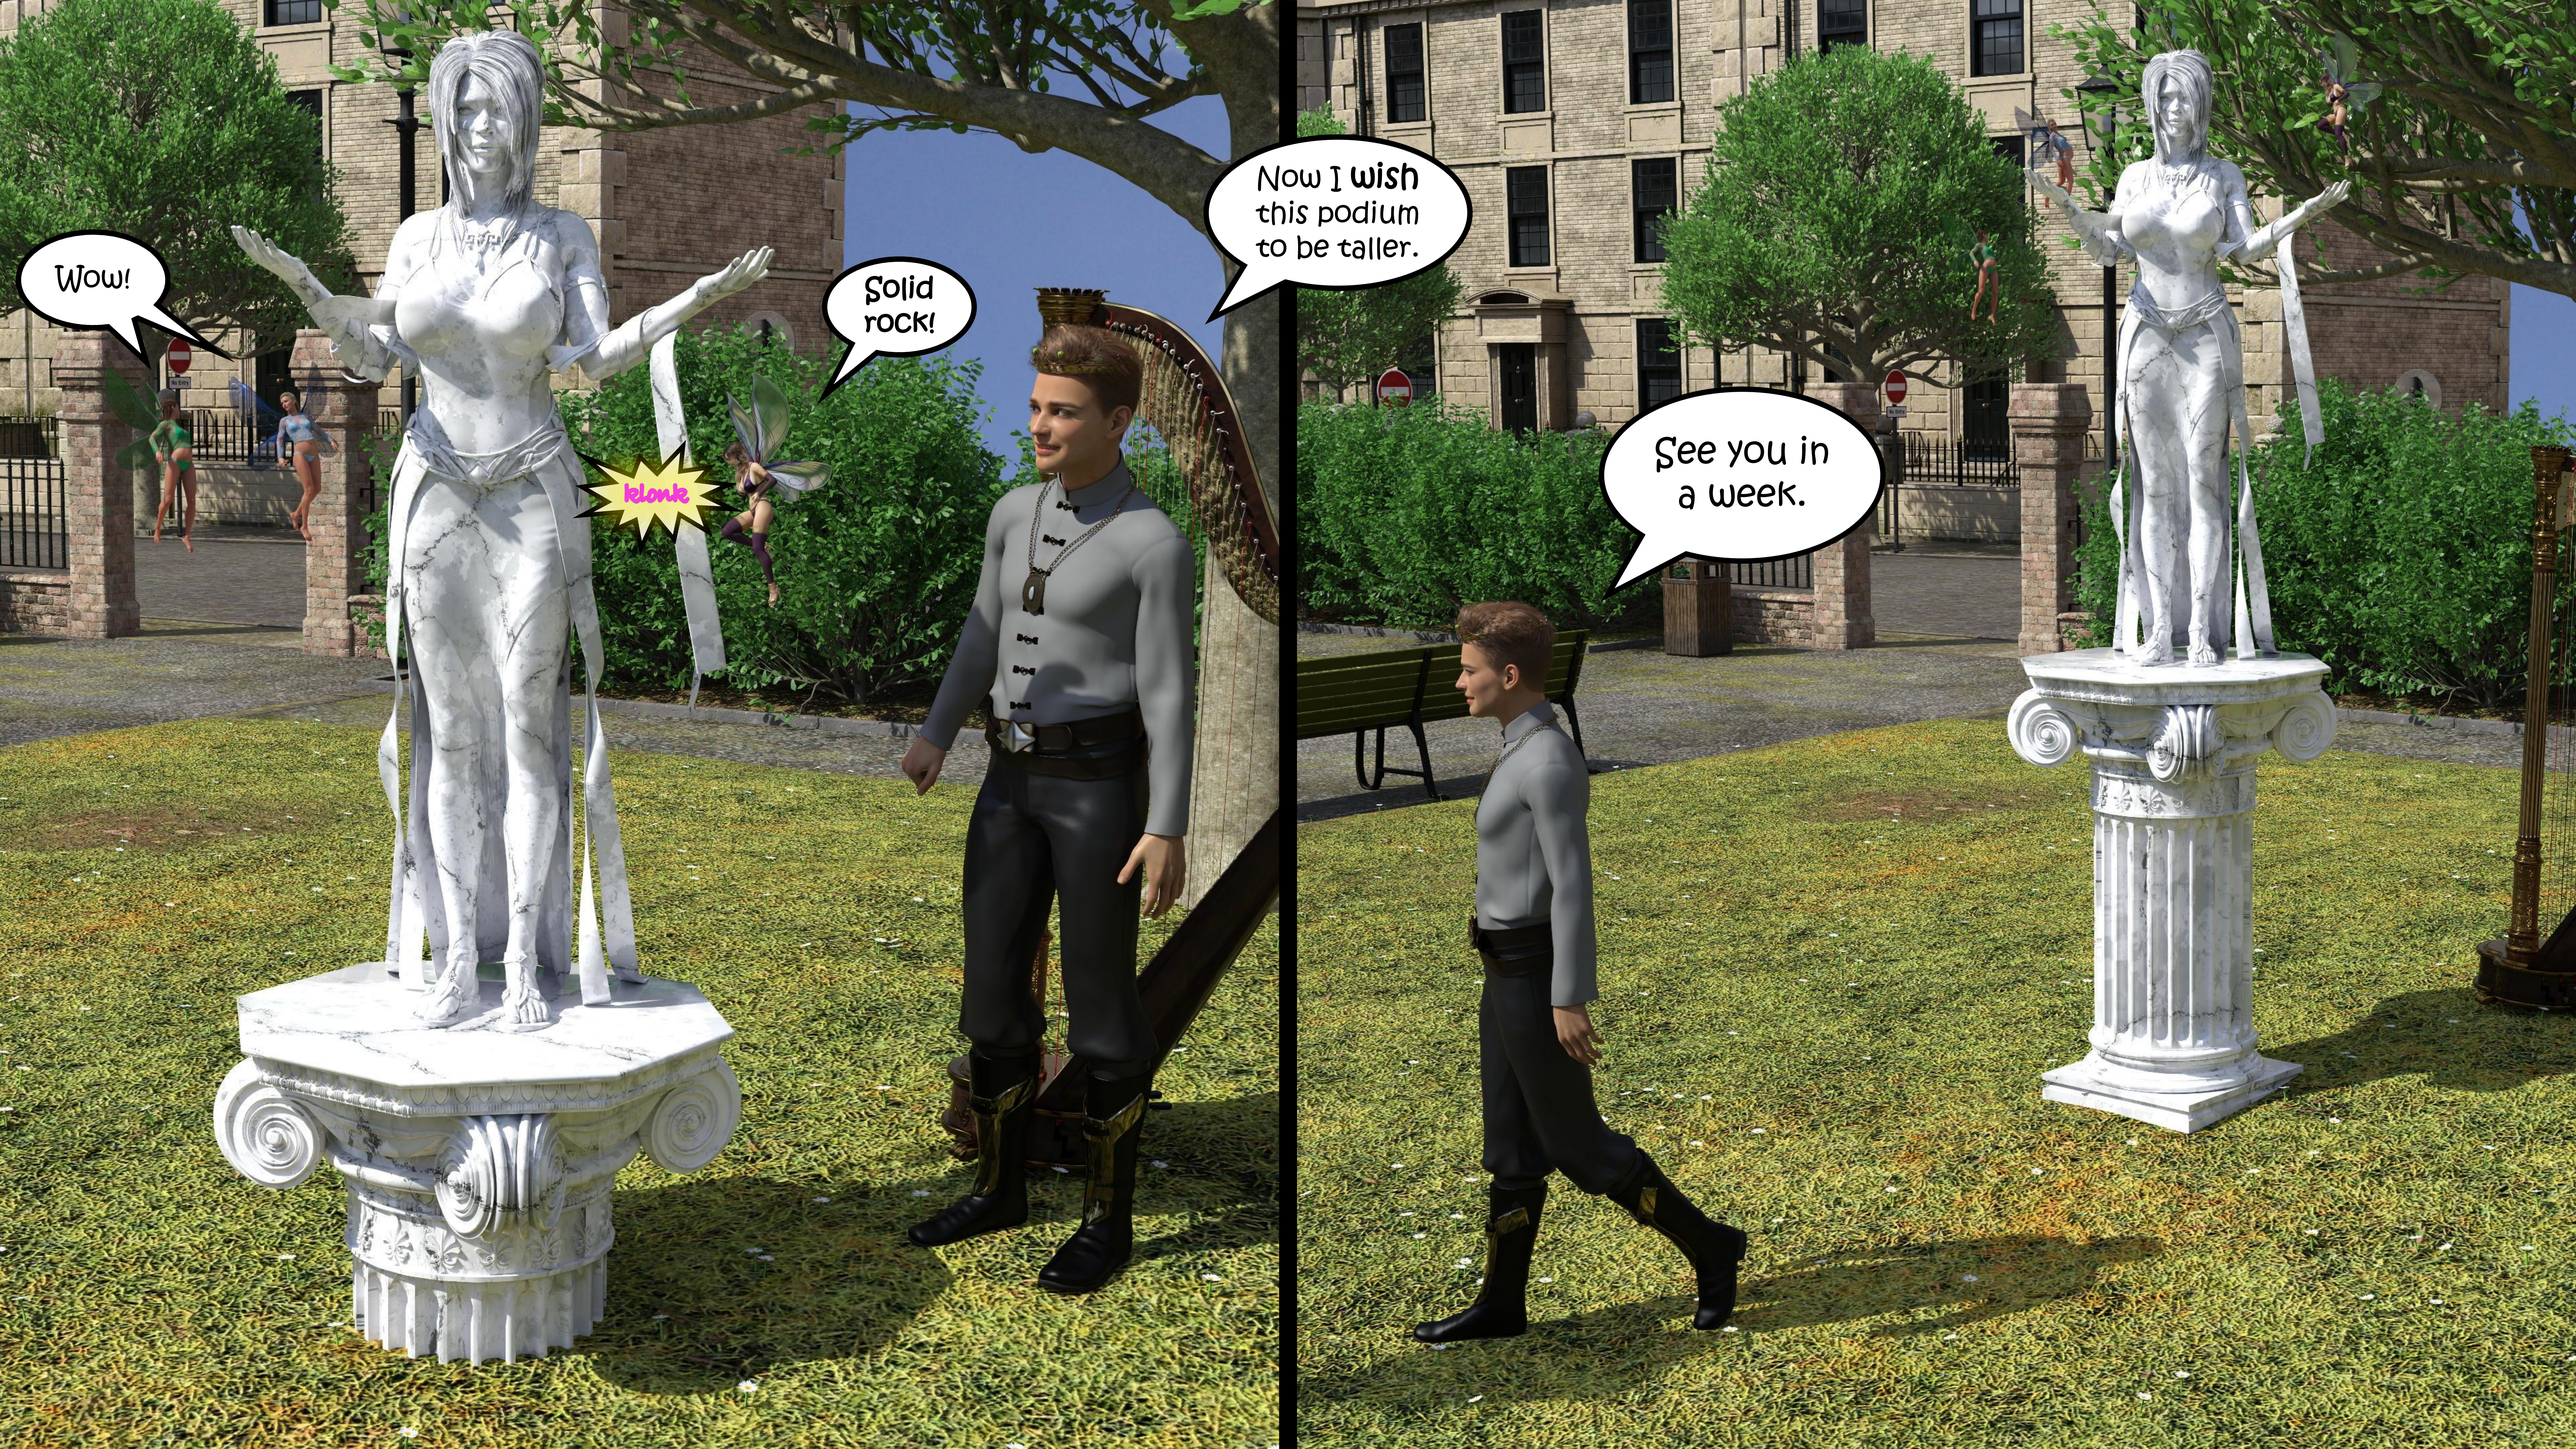

Oh, a statue!
An interesting choice my liege.

Well, I always thought this park could use a statue.

Wow!
I can't feel my legs any-more.

Wait!
How... will
I get back
to normal?

Don't worry.
I'll come by in a week and turn you back.

Wow!
Solid rock!
Klonk
Now I wish this podium to be taller.
See you in a week.

His Majesty was right.
This park really needed a statue.
Yeah... But I already miss her music.
It's just a week. Surely our king won't forget about her...

Me?
Could you stand on the platform over there real quick please.
