Window Wishing VIII
Kingdom Journey Arc II

Previously on Window Wishing we saw Erik and Veronica on their separate journeys around the fairy kingdom. After attending a sexy car wash and some „dancing“ festivities in the local Park both are drawn to a certain coffee shop – the best milk in town! ☺

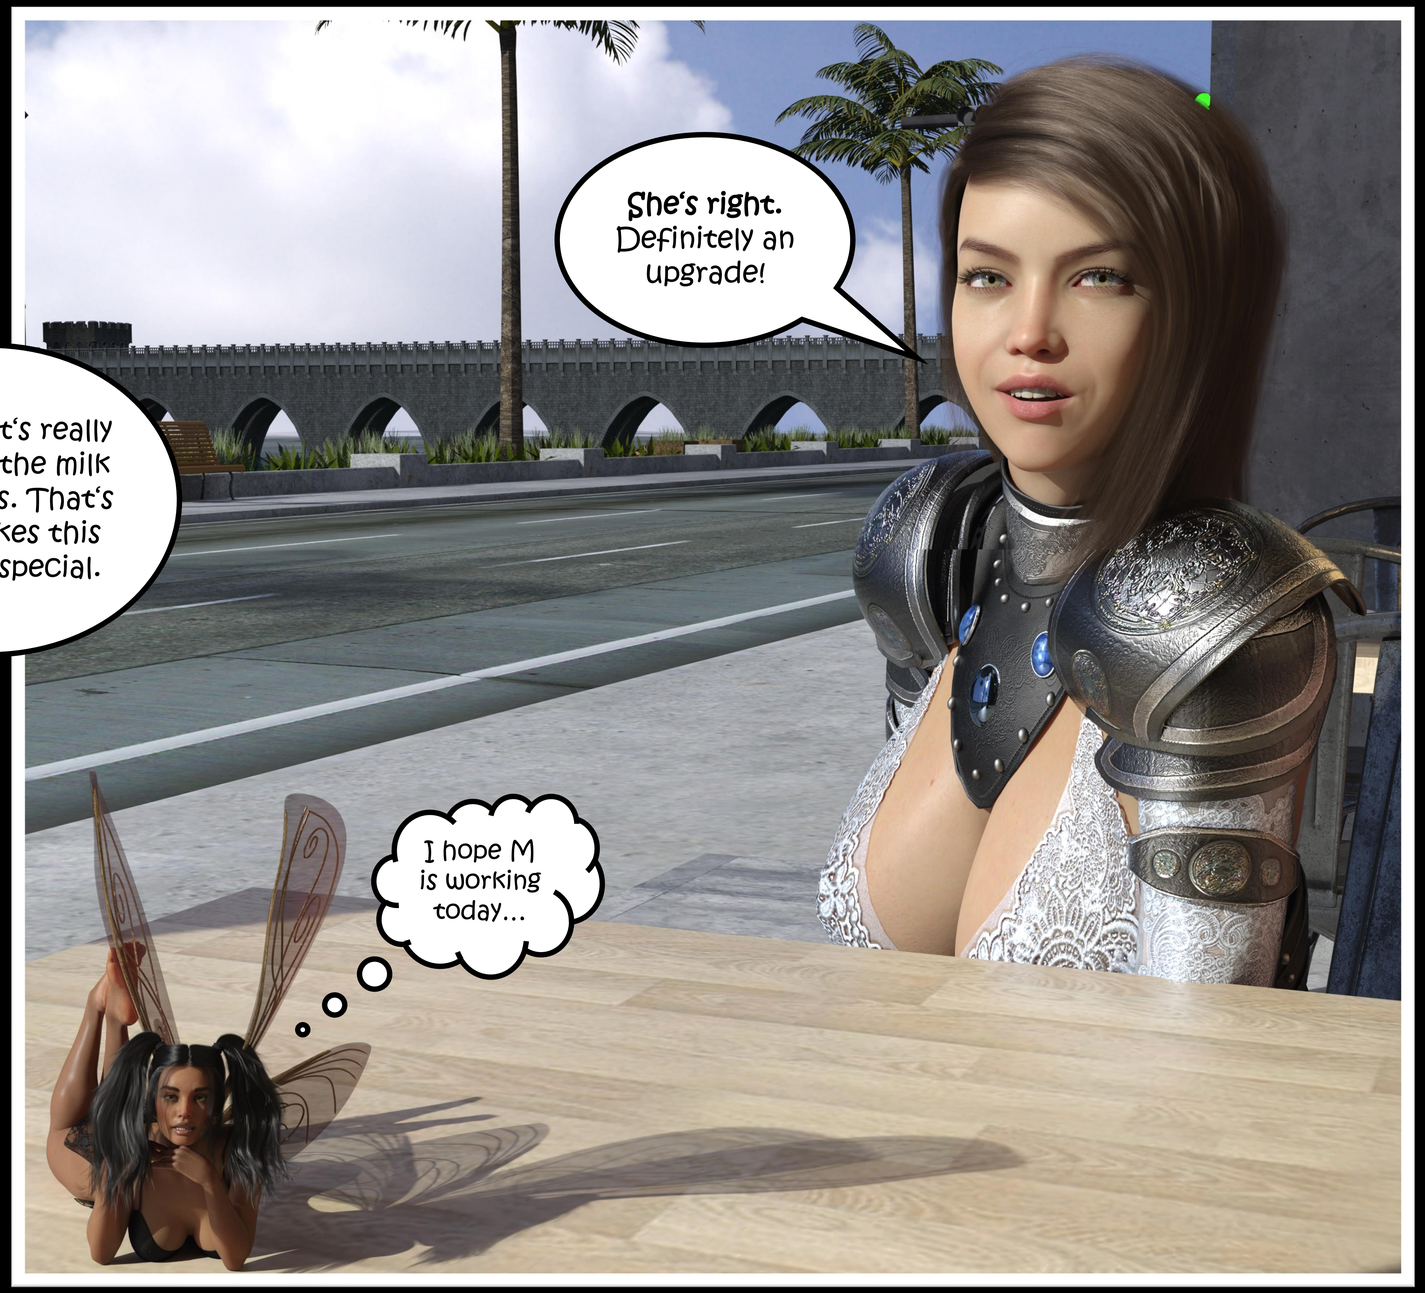

Cast of Characters:

Erik …	~~A young guy with a boring job~~ → **The Fairy King!!**
Veronica …	A woman visiting the fairy kingdom as a tourist
Nicole & Yvonne…	Two of Erik‘s girls accompanying him on his journey
Melinda …	One fo Erik‘s fairy girls, now woring at the coffee shop!
Various NPCs …	Waitresses, bystanders, hotel Staff, …

After their eventful stay at the gas station, Erik and his entourage (Nicole his elven driver and Yvonne his fairy advisor) have come to a local coffee shop that's known for its exquisite milk...
Did you ever stop here. Before... you know... before you were the king?
Ha-ha.
Once! Took a look at the prices and walked on.
9$ for a coffee? WTF?!

Well, they use the most exquisite beans here. And you can taste that!
Well, I'm looking forward to it. It's good to be the king. *chuckle*

Though, it's really all about the milk these days. That's what makes this place so special.

She's right. Definitely an upgrade!
I hope M is working today...

buzz
buzz
Well, you girls got me intrigued. I'm looking forward to this.
You won't be disappointed, your grace. *wink*
And here comes the menu.

O.M.G.!
Melinda! That... that... that's the king!

We are serving our king today! What an honor!
Everything must be perfect!
Chillax!
Erik's a great guy.

My liege.
It's an honor to transport this menu to your table.
O.M.G.!! Did Melinda just call our king by name?!
Hi Erik!

The fairy waitress bends the knee in submission to her king. It's the first time she's meeting King Erik after all.
My king, it's such an honor that you grace our humble coffee shop.
We will serve you with absolute dilligence today.
Oh, my, M! You braided your hair.

Well, my girls tell me a lot of good stuff about this place.
So I'm looking forward to your service.
Hey, Melinda! Cute pigtails!
I did not know you were working here.
Yes, my lord! We'll make sure everything is to your taste!
Thank god that Melinda is working today!
Thanks!
Those pigtails are super cute.

Hi there.
You look cute.
Wanna fool around?
Boring!
Er... No thanks.
I should really serve our King now.
Oh, wow.
Melinda really knows the king!
He-he.
Well, I used to work here.. Before... you know. And now... it's kinda the perfect work for me. *giggle*
So... what can we get you?

Well...
Two coffees, please. Of your best blend.
chuckle
And one piece of your famous cake.
Cake!
Don't forget about my cake!

Human or fairy-sized, the cake I mean?
Human-sized!

Well...
You heard her.

Alrighty!
Two coffee and a cake.
All human-sized.
Coming right up, my liege.
BAY

Let's get some coffee!

In the meantime, some bystanders have taken notice of King Erik's presence.

Holy cow! I think it is!

Woah! Isn't that... King Erik?!

O.M.G.!!

His presence is getting me all flueshed up!

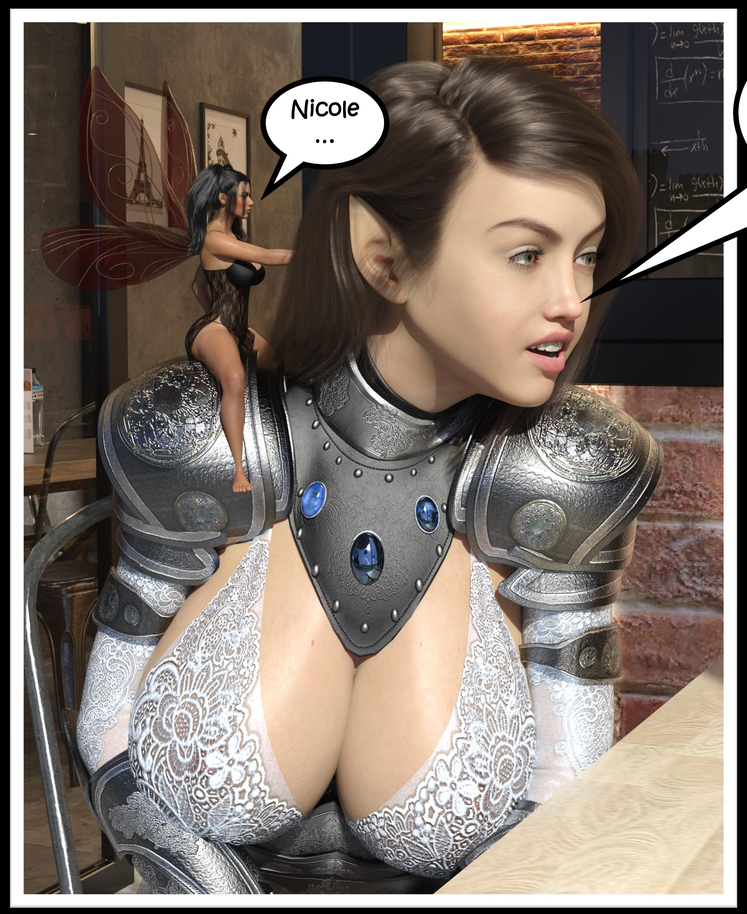

I'm wet just from looking at him!

It's so long since I've been with a man...

Note, due to Katarina's wish, there are no native males in fairyland aside from fairy King Erik!

Should we go over... say hello? 1
You can't just say hello to a King! 2
Maybe we can ask him to take a picture with us? 3
A picture of the fairy king and us?! 4
Oh, god! I need that! Let's try! 5

I hope you like it here, Erik. I promise the coffee is just the best.

Oh, I'm enjoying my first day out already. I like my kingdom. *chuckle*

I'm hoooooorny!

Oh, come on! Don't hump my shoulder again! Find some fairies to fool around with!

Hey! And don't wipe your juices in my hair!

The waitresses are too busy!
moan
rub rub
Oh, my! I'd love to rub one out myself... but duty calls.
Look over there!
Erik's presence has attracted some more fairies.
GO PLAY WITH THEM!

Aside from a couple of elven bystanders Erik's presence has also attracted the attention of a bunch of fairies!
No. She is right! That's the fairy king!
Lol. No way, girl.
Hey! Look over there at the coffee shop! That is our king!

If you are in need of a plaything we'd be happy to please you in ayn way you want, my liege.
Tihi! Hi!
Your Majesty, it's an honor to meet you.
Go, Yvonne. Get them.
OH, err.. Hi there.
Hmpf Hmpf. I'm sorry. I know you are the king's adviser and all. But could I ask you to not masturbate at the tables? We have a strict policy against that for hygienic reasons.

Oh! That's Yvonne, the king's advisor fairy!
I'm also an advisor fairy. She's my idol!

So, how about we get cozy over there on the umbrella and give him a show he's sure not to forget in a long time?
However, I'm sure he'd appreciate a little display of affection from three fit fairies just like yourselves.
I'm sorry, girls. But the King is currently very busy.
We'd love to!
What an honor!
Absolutely!

Under Yvonne's instructions, the fairies get cozy on the umbrella, starting to please themselves and each other.
Our king is such a handsome guy! God what would I give to hug that cock of his once!
He's got everything a fairy's looking for in a man!
rub rub
rub rub
Which, to speak truth, is not much. A cock suffices for most lusty fairies...

It does not take our fairies long to get out of the little clothes they are wearing and soon they are masturbating naked while watching their king at the coffee shop.
Just imagine landing on his rock-hard cock!
I could stick my tongue in the tip. I bet he'd like that!

In the meantime, Yvonne is getting the full Fairy spa treatment from her adoring fangirl.

While Yvonne is busy with the fairies the waitresses bring King Erik's order to the table.

Don't drop the tray now. That would be really embarrassing.

And it's delicious! Promise!
Wow! That is a huge piece of cake. *chuckle*

Excuse me. Can I have some milk?
Fairy, please.
Of course, Miss! Elven or Fairy?

Melinda, some milk for the lady, please.
Sure! Coming right up, Nicole!

Our milk is freshly milked at the table.

I can see that.

Say stop.
pshhht

Stop. Thanks, Melinda.
Enjoy your coffee.

Mhhh! Delicious! As always, Melinda.
Tihi. Told ya. It's the perfect job for me.

Finally, our elven bystanders have gathered their courage and are approaching King Erik to ask for a photo.

Alright!
Here comes the birdy!
Say „Fairy King“!
17:45
PICTURE

Fairy King!
Fairy King!

After that photo our elven cheerleaders walk off, giggling with their treasure (the photo) in hand.
The coffee is really something else here.
Told ya! It's all about the right ingredients! *chuckle*

With our photo-hungry cheerleaders out of the way, the view of that piece of cake is clear and Yvonne seems to have finished with the fairies... as she is swooping in on her prey.
Caaaaaaake!!!!

While Erik and Nicole talk about mundane things Yvonne inspects the cake before digging in...

A little while later, Yvonne is done with the cake... only a few crumbs and she herself remain on the plate...
Buuuuuuurp

I can't believe that just a few days ago I was working a 9 to 5 job.
Don't forget to tell Katarina. She'll be most delighted that you are happy with her wish.

I really love how fairyland has turned out!
Urgh... I feel sick.
Fairies! No selfcontrol whatsoever!

Let's go to the car then.
Uff.
I feel so heavy. I can barely fly. Can I ride somebody's shoulder?
Fine...
But no masturbation!

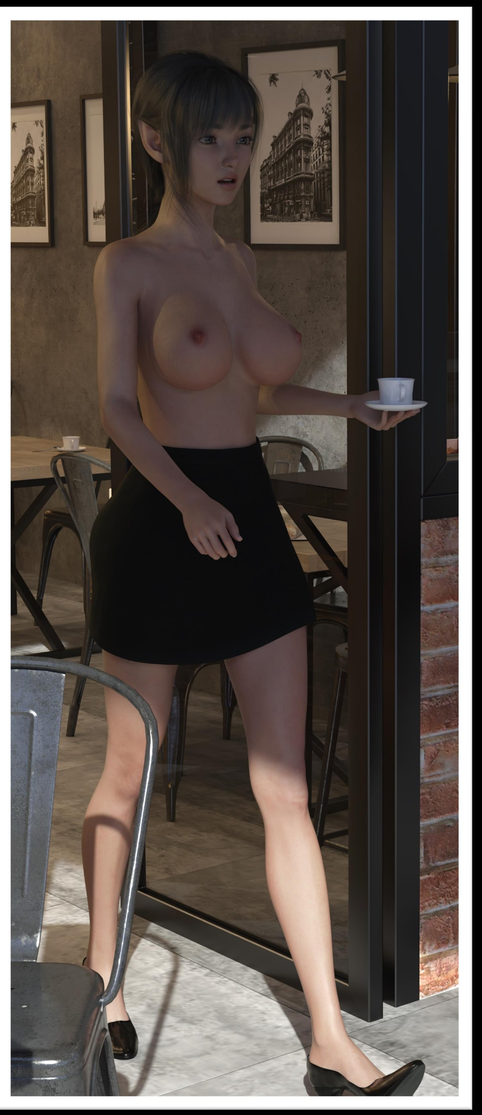

And just as the King and his entourage sit down in their car Veronica finds her way to the coffee shop.

As the King's car drives away Veronica and her fairy companion sit down in the coffee shop.

It does not take long for the waitress to return with Veronica's coffee. She has already taken off her shirt for the "at-table milking".

In her shocked state it takes Veronica some time to say stop. But she ordered a latte anyway...
What the hell!?
STOP?

Yum! That's more milk than coffee!
Please enjoy your coffee, Miss.

Veronica is still very perplexed by the strangeness of the situation.
Come on! Take a sip!
I promise this is delicious!

I assure you this is a top quality product.
Our breasts are examined regularly to ensure milk quality.
Well... when in fairyland...
Wow! This is delicious!

Thank you for enjoying my product.

Told ya!

After their stay at the coffee shop, the tour fairy leads Veronica to her hotel.
I hope you were happy with my tour of the city.
Yes, very! Thank you a lot.

Sure. You earned it.
If that is so... how about a tip?
Here you go.
Money?!
Oh, right! The fairy handler said something along those lines...
I'm not really looking for money you know...

And I really held back my urges during our journy.
We fairies are a horny bunch.

You still up for tipping? Pretty please!
So I was hoping for a little help... down here...
rub

Why not? You earned it.

Delighted our tour fairy drops her hot pants and welcomes Veronica's touch.
Thank you! I'm in your care then. *giggle*

I never... had such a small companion.
Is this okay? I don't want to hurt you.
moan

Yes! It's great! *moan* Don't worry!

Tihi! Thanks a bunch! That was a good one!
You are welcome. You taste really good by the way.

giggle Now you know what fairy dust is made of. *giggle*
Have a nice stay in fairy-land.

Our tour fairy thanks Veronica for the orgasm and leaves as Veronica heads for the hotel's reception.
Hello. Welcome to Fairy Grand Hotel.
Hello. I have a reservation for Elcot. Veronica Elcot.
Elcot... Yes, Ma'am. I got it right here.

Welcome in Fairy Land. I hope you will have a pleasant stay in our hotel.

Uhh... sorry wh...
Feeling Dizzy

Excuse me. I made a mistake. Our suits are on the top floor. Here's the key.
And I'll send two of our best companions over ASAP.
Happy to serve

Please enjoy your stay to the fullest.
Oh, I'm sure I will. Thank you.
Nice! My powers still work here.
This will make fooling that king so much easier!
I just wish I'd wished for more powers before losing that thing!

A little while later...

A foreign VIP guest! Let's give our best.
I always give my best... in bed.
Potayto Pothato!
I just hope she's good in bed.
I'm gonna show her my vibration move!

I'd love to know who she is.

As the two fully grown women release their 69 grip on each other our fairy prostitute swoops in...

Oh, wow!

lick

She latches onto Veronica's clit and starts flapping her wings at hyper speed – turning her whole body into a tiny fairy vibrator!

Sadly, our fairy can keep up this state only up to 30 seconds and it falls to our eleven prostitute to finish off Veronica...

Her skilled fingers have Veronica on the verge of orgasm pretty fast after that fairy vibrator and it does not take long for Veronica to squirt all over the bed.

Moan
Holy ...!
I'm still cumming!
These girls really know what they are doing...
The fairy kingdom really is a sexual wonderland!

It takes a while for Veronica to catch herself after that strong orgasm...

After some more cuddling, our two prostitutes kiss Veronica goodbye. After all, the night is still young and they got a job...

Goodbye! Have a great night.
And feel free to ask for us again. We'd be honored to service you any time.
The name's Trixie and Brandy. See you around, miss.
Thanks gals! You were great!
I sure will!

A little while later, after our fairy and elven companion have left Veronica's suite.

And then I take over this pleasure land!
Wow! I need to get back that amulet!

Veronica - Queen of Fairyland... Has a nice ring to it! *chuckle*

My King, you have returned. I hope your journey was a pleasant one?
You honor me, your Majesty. I'm happy you enjoy the results of my wish.
Absolutely! The Fairy Kingdom was the best idea ever! I enjoy it very much!
And I intend to rule as the kind and lecherous man that I am for a long time. *Chuckle*
To be continued...

To be continued

Hello, Hexxet here.

I hope you enjoyed traveling fairyland and getting to know the inhabitants a little better.

Window Wishing is taking a **one-month break** and will be back with the last two chapters in December and (hopefully) January.

The next arc will be called "**Trouble in Fairyland**" so prepare for a sexy, action-loaded final. Will Veronica be able to steal back the Amulet from Erik? Or will Erik come out on top? ☺

Welcome to Fairyland!
Hi!
Hi!
Hi!
Where the girls wear skimpy dresses.
And either have pointy ears or are tiny with wings.

Fairies are basically always horny and prefer to be paid in sexual favors!

Thankfully their juices taste very delicious. It's what people call fairy dust. ☺

Fairies are insatiable beings whether it's about love or food.

That's why fairies usually only get fairy-sized portions in a restaurant.

Welcome to Fairy Coffee
Where Fairies fly the menu
to your table.

And only the best milk is
served <u>fresh</u> AT THE TABLE!

When you visit Fairyland stay in the "Fairy Grand Hotel"
We have the best room service!

Good evening ma'am.
You called room service?
Hi, I'm Trixie!
I'm in your care. *giggle*
Yes!
I have heard so much about the elven hospitality.
