

Witness Protection - Chapter 100

Months ago...

I am not overreacting, Deon!

It's late, and Leon is still not home! What if something has happened to him?!

Clara, he's a man! He can take care of himself. You spoil him too much at this rate, he'll be a crybaby forever!

Errr!

M-Mom!

Dad!

?

?

**That day...  
My son... my  
baby, left  
forever.**

**I'm proud of  
you. You did the  
right thing. If the  
police think you'd  
be safer in Witness  
Protection then go.  
Good luck, son.**

**WHY DIDNT  
I STOP HIM?!**

**...Take care of  
yourself, Leon.  
Eat three meals a  
day... And don't forget  
to brush your teeth...  
I love you.**

**BECAUSE OF ME!  
BECAUSE OF ME!**

**...I let him go  
With a smile...  
He's dead  
because  
of me.**

Present Day

**Ring!**

**Ring!**

**Ring!**

**Ka-chik!**

**Sniff!**

**I'm sorry...**

**It's just my son...**

**FUCK OFF YOU WHORE!**

**Ka-chik!**

**Clara... Y-You cant let brats like that get to you!**

**W-Who did you tell...?**

Clara, do you think I go around telling people our son is dead? I haven't said a word to anyone. I swear. Now, let's go to bed.

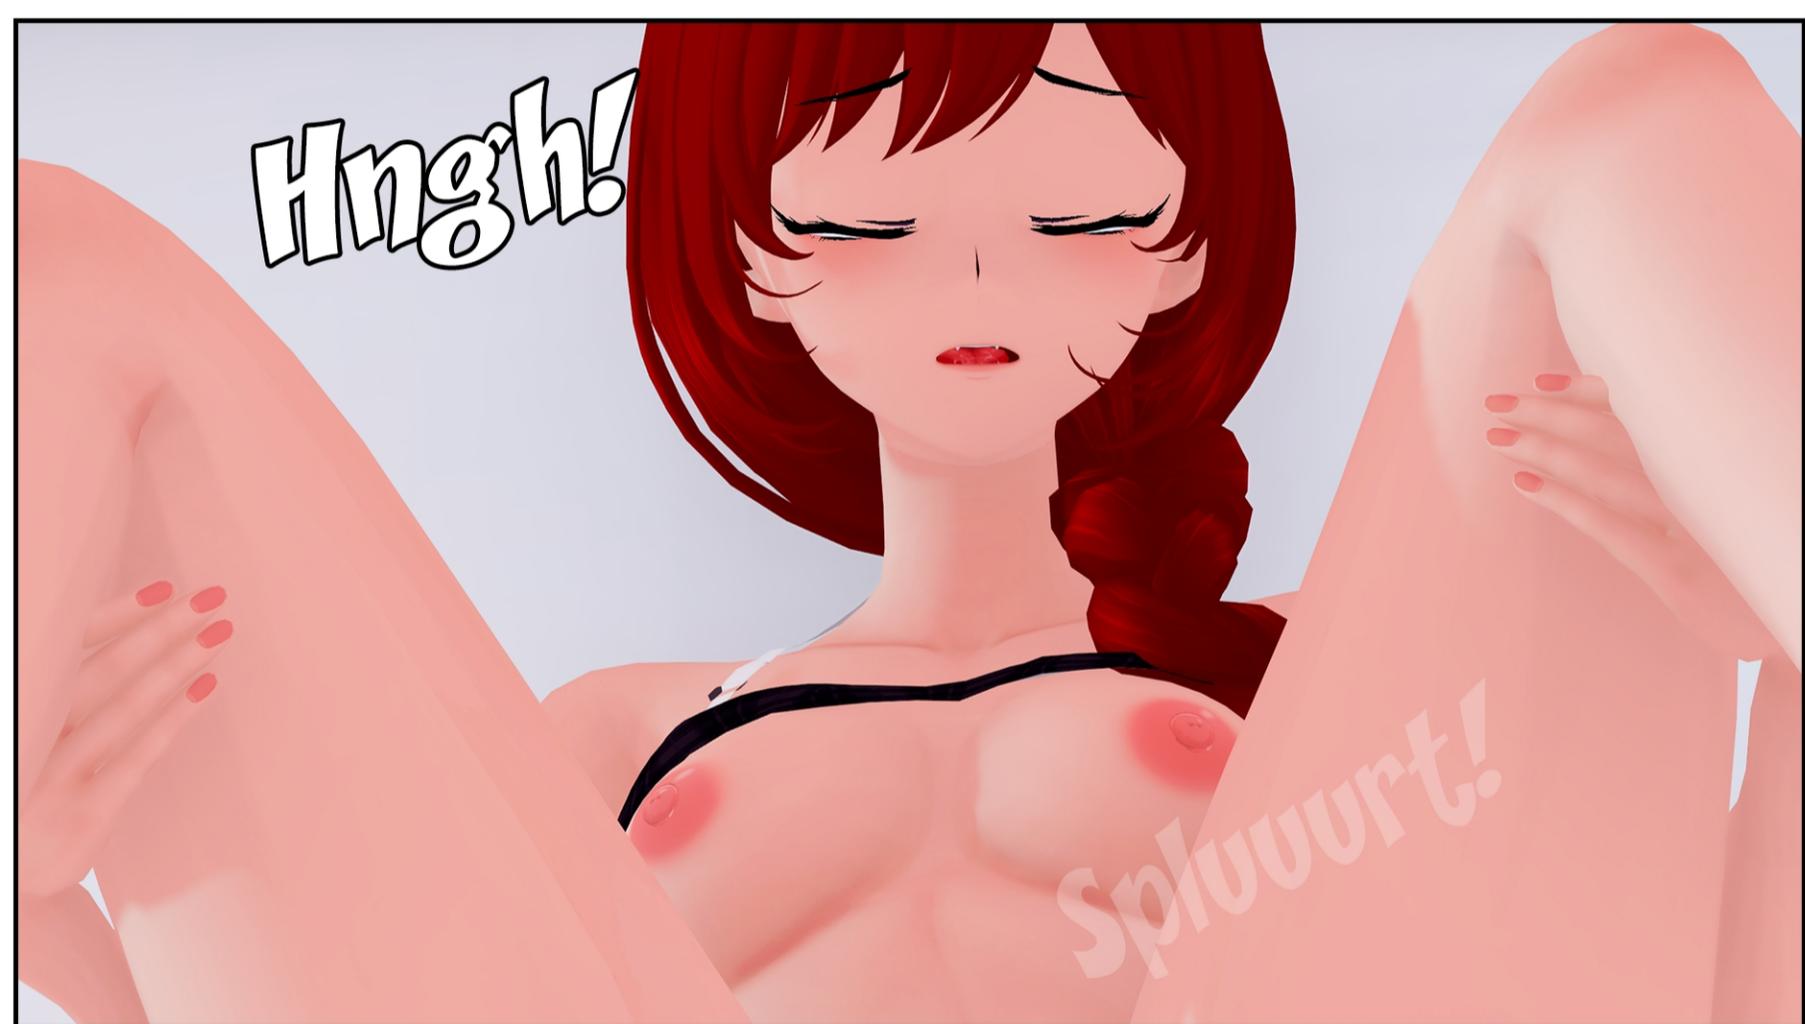

Then why did that girl call...? Could it be?

Let's forget about that call Clara. Now let's get to bed.

Leon...  
I'm sorry

Leon...

Alright. If your cousin did it. Then I'll call her parents and they'll be sure to punish her

**No dad! Please it's me! I did it! I broke it on accident!**

**Deon leave Leon alone!**

**Leon?!**

Meanwhile...

Hmph!  
They're definitely  
hiding from me!

Something up?

**STRANGER  
DANGER!**

Ahk!

THWACK!

Stranger  
danger? I was  
just checking if  
you were okay.

Thud!

Sorry. I'm good  
just looking for  
my friends...

Aren't you going  
to help me up!?

...What's got her panties in a bunch.

Tch! Youngsters these days are just unbearable!

Huh?

A key...?  
Did she drop it just now...?

Chastity Key

Ara... My Riku sense is telling me this is connected to something lewd~

Why are you sitting in the middle of the road, Riku?

Waiting for you, mademoiselle~

Cute. Now get up before you inconvenience someone.

Hahaha... W-What? Me? I would never...

Uh-huh... What did you do?

Is that a key...?

Key?!

Ah... Yeah, some bitc-lass... dropped it. I was gonna give it back, but she's already gone.

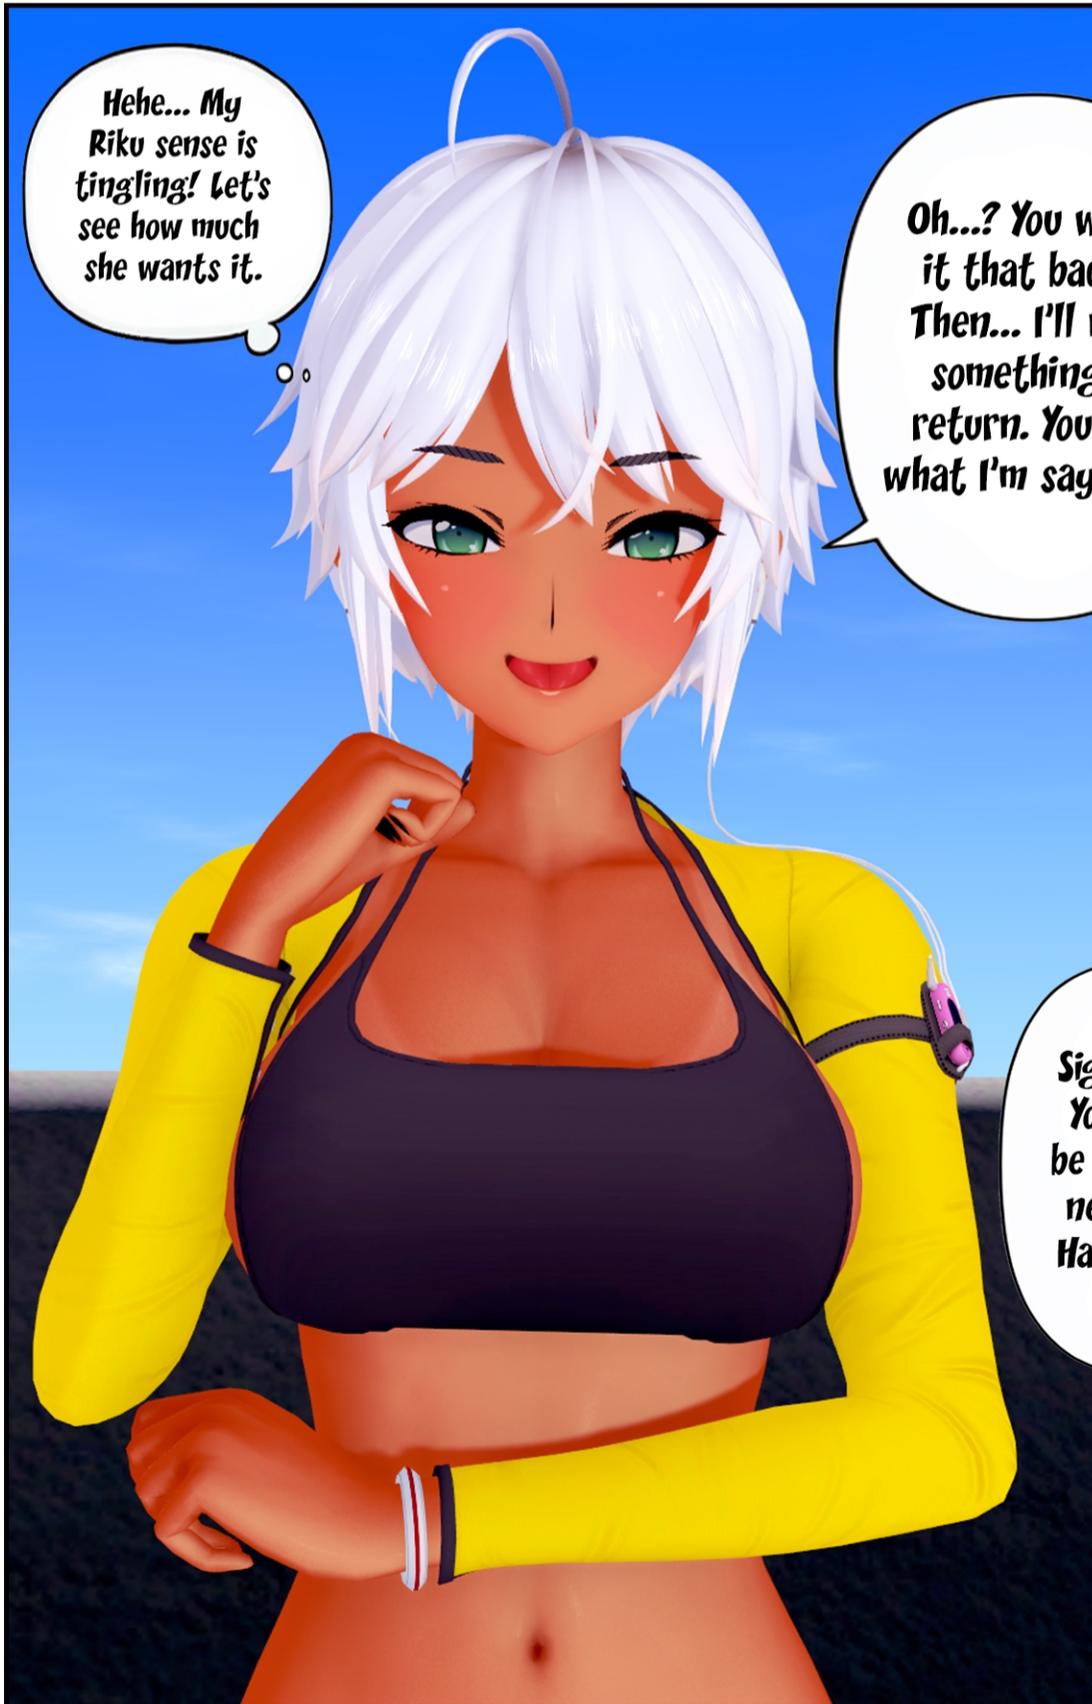

Riku took it!  
So that's why I  
couldn't find  
it—Tch!

Huh?

Give me that key now.

Hehe... My Riku sense is tingling! Let's see how much she wants it.

Oh...? You want it that badly? Then... I'll need something in return. You get what I'm saying~?

Sigh... Fine. You get to be in charge next time. Happy now?

Plop!

Finally... got the key back. What a relief.

Score! See that, Leona? It's the art of the deal! Honestly, I was ready to settle for a cola, but Mei fell for my poker face. Muahaha!

Leona's still upset... Tch What else can I do, other than offering her a shoulder to cry on? I'm useless...

Haha... Nice job.

Hmm!

I knew it! Leona's body... His thighs are thicker, waist more defined... and he's a bit shorter than I remember

Leona

R-Riku why are you groping my leg...

Damn, girl! At this rate, you're gonna rival my proportions soon!

Eh?!

Grab!

Another word and I'll rip this carrot off your head.

**Tug!**

**What a blessed view~ Ouch! I surrender!**

**Mei... It's okay I'm used to Riku being an idiot now.**

**Woot! The view just got better—AHK! My head... It's gonna split! Stop, ahh!**

**Alright, get up, Riku. If Leona lets you off next time, I sure won't.**

**Tch... Thinking with her cock all the time. So simple and easy to please if only Leona... Hmm...**

**Ahh, a bald spot?! My beautiful hair! Noooo!**

**Throb...**

**Throb...**

Leona turned me down last night...  
But maybe... If I released her cock, she'd actually want to?

That's it...  
if she were to lose her male virginity maybe that would really her spirits.

My poor ahoge!

Let's go Leona.

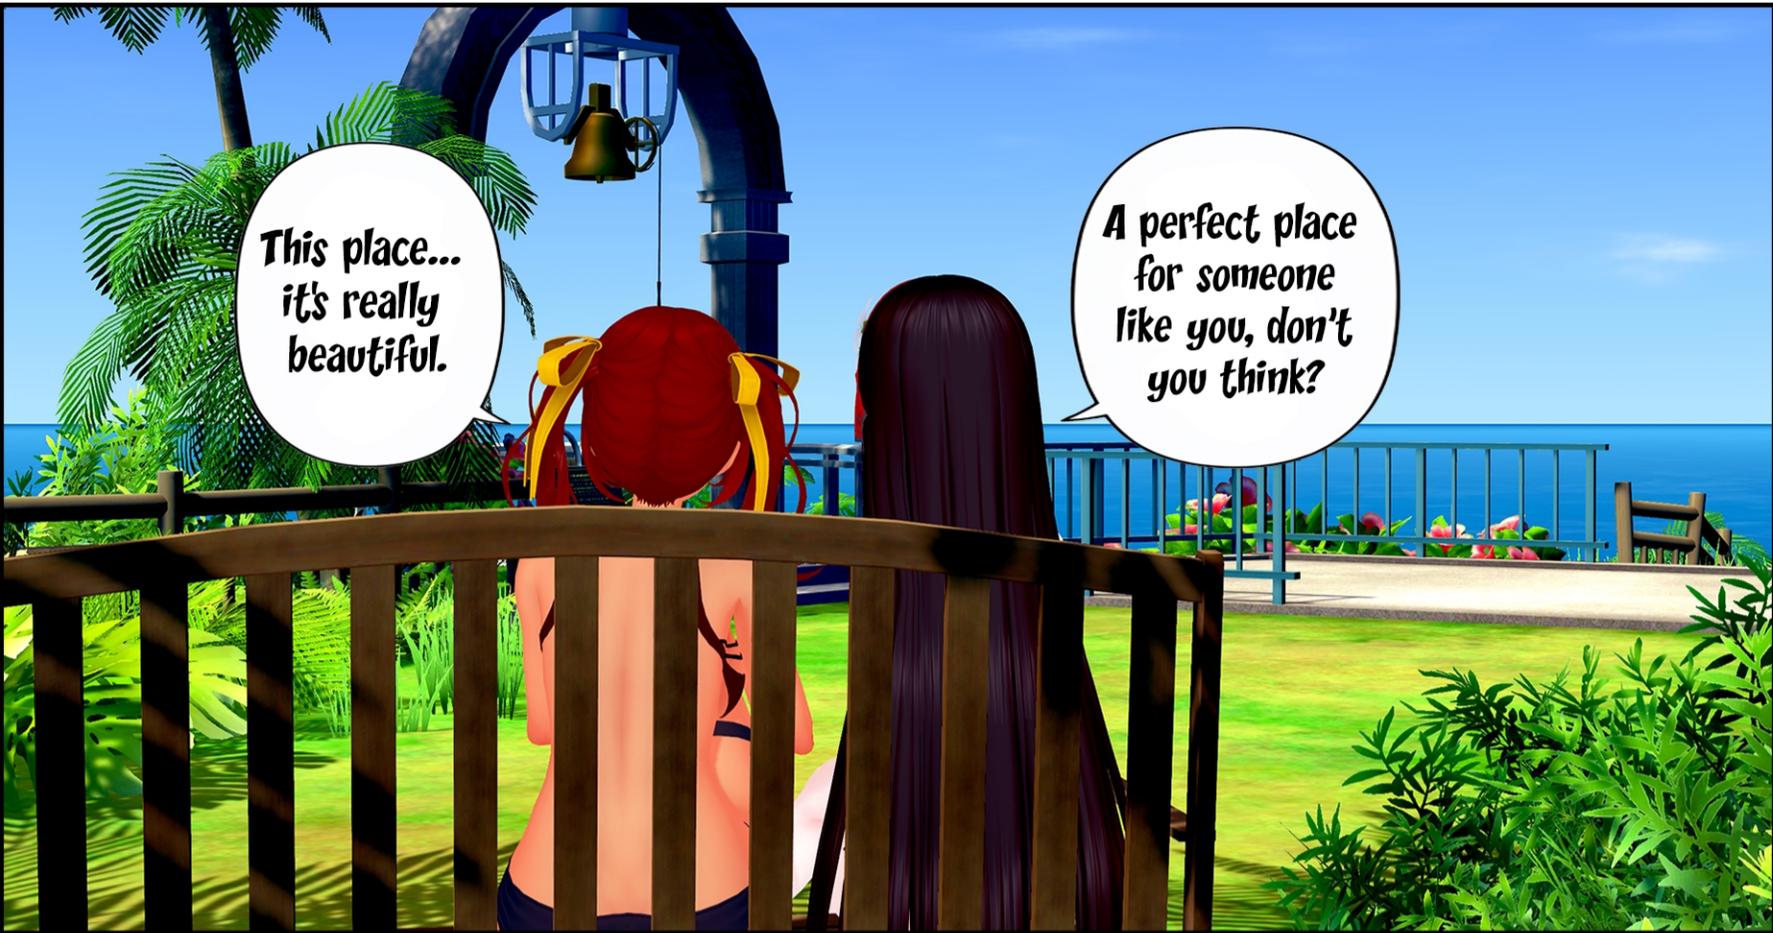

What about Riku?

She'll be fine.

A few moments later

Those sly bastards...  
Where the hell did they go now?!

This place... it's really beautiful.

A perfect place for someone like you, don't you think?

You know, I still remember when you first arrived... You didn't know how to act like a girl at all. You were so awkward... it was almost endearing.

I was terrible, huh?

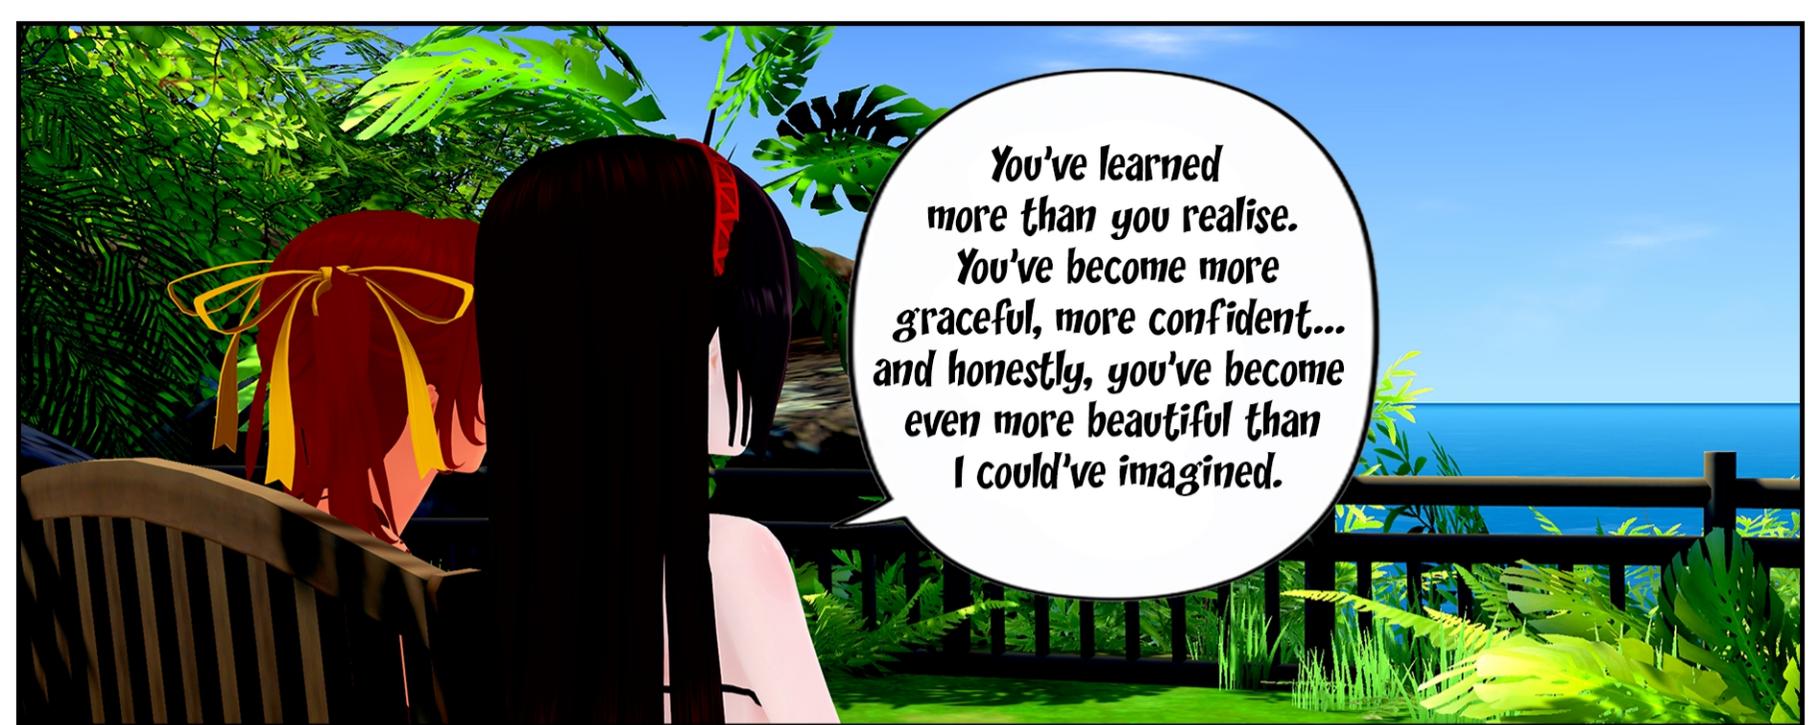

**APERTURE**  
Terrible? No, but I couldn't just leave you like that

So I took it upon myself to teach you... how to be more graceful, more... well, like a lady

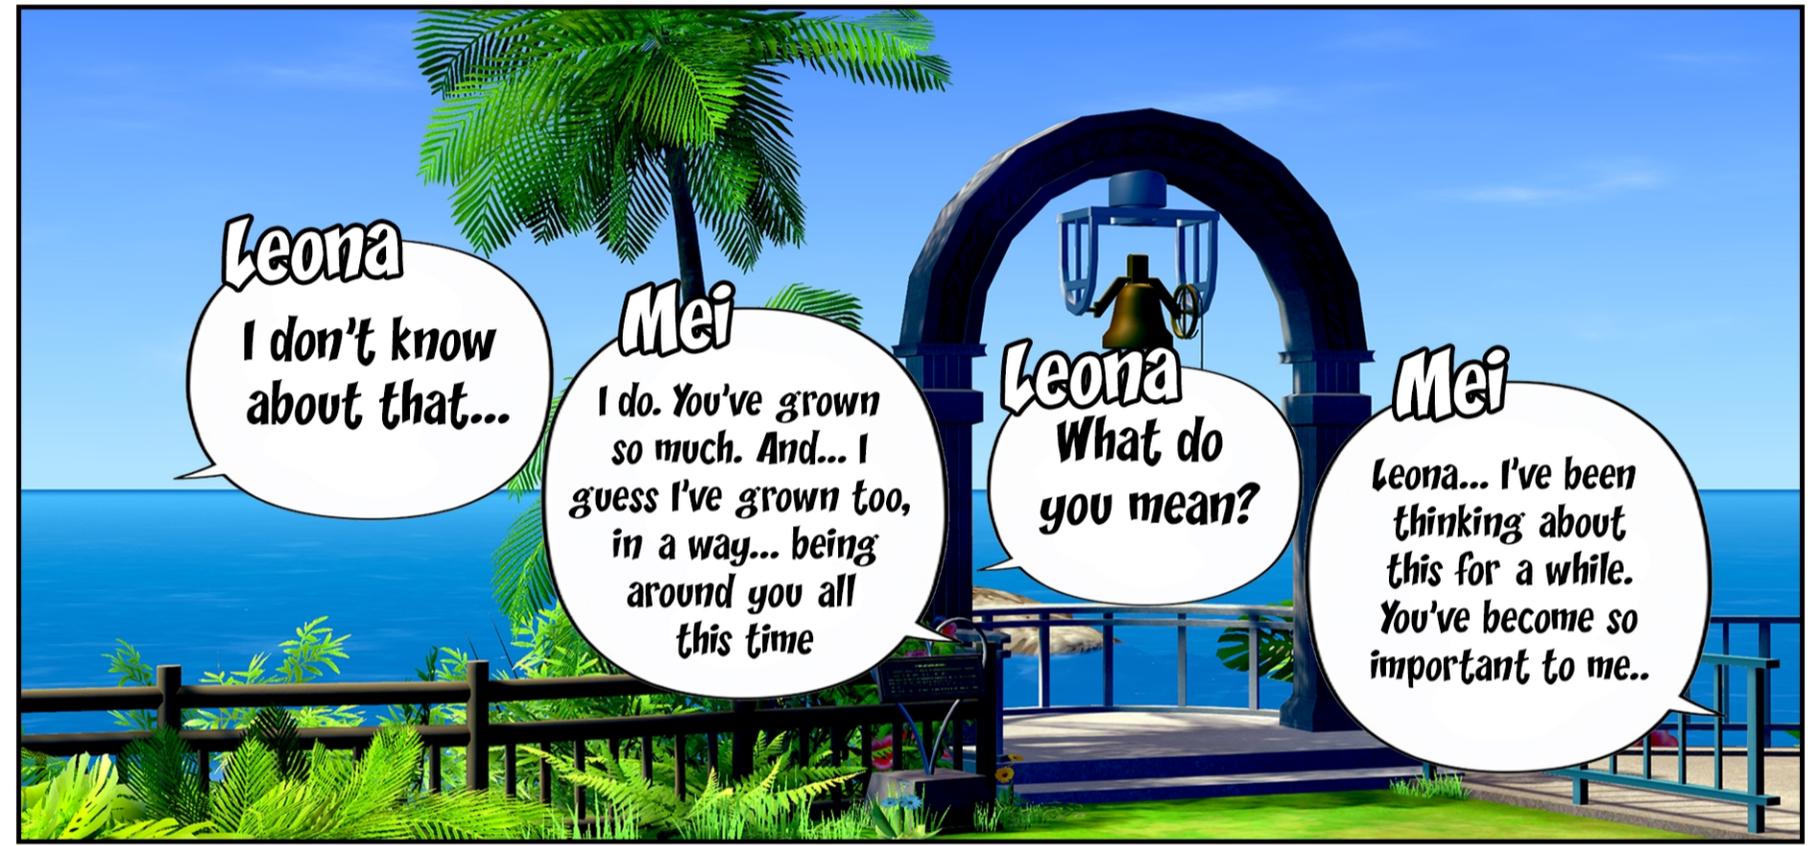

QUITE THE PROMISCUOUS POSTURE.

OR JUST IGNORANT OF YOUR SKIRTS APERTURE?

I still don't know if I've really learned much.

*You've learned more than you realise. You've become more graceful, more confident... and honestly, you've become even more beautiful than I could've imagined.*

**Leona**

*I don't know about that...*

**Mei**

*I do. You've grown so much. And... I guess I've grown too, in a way... being around you all this time*

**Leona**

*What do you mean?*

**Mei**

*Leona... I've been thinking about this for a while. You've become so important to me..*

**Mei...?**

I love

you!
