

later...

I've been  
abandoned...

Hahaha...  
You cant be  
serious?

I am! Mom was  
furious at dad. She  
spent ages cooking  
just for him to knock  
the whole thing over!

...Hmm this  
place seems  
private enough.

Fine~

KaChik!

Freedom at last...  
I thought it would  
never come off.

Now that it's  
off... Why don't we  
have some fun?

It looks the same  
size... I don't know  
what I'd do if it  
became smaller...

Grab

Grab

Mmm, are you ready to claim your reward? You've been such a good girl, waiting so patiently.

I want to, really... but my... I don't think I can... I really want too.

**Mei**

Oh, don't you worry about that. There are plenty of ways for me to make you feel just as good for now.

**Mei**

And trust me, you'll be able to do it soon. I promise. I'll find a way for you to use it again.

Until then...  
I'll settle on  
getting your  
nipples erect~

Oah...

Mmm, are  
your nipples  
your weak  
spot?

T-They're not...  
B-But they've been  
more **sensitive** lately.  
I-I don't know why...

Mei

A woman's breasts  
are a lot more sensitive  
than a man's... I'm sure  
you've figured that  
out by now.

Mwah!

Huff...  
Huff...

W-Why did  
you stop?

Mei?

Ahhh...
