I'M GONNA FUCK YOUR TITS!

EH? M-My T-Tits...?!

No man could ever let himself be used like that. but a woman? A woman would. It'll make Leona realize her place as a woman... Riku... I underestimated you.

Yep! I'm gonna raw dog Those cute man boobies of yours~

Though! Before I fuck your titty virginity...

You need to get me ready. Go on. It aint gonna get rock hard without you~

Tittyfuck...
T-That's better
than what I thought
but still... My
breasts...

W-What do
you want
me to do...

She's not saying
anything... Does
she want me to
just do it?

Smile

Throb!

Gulp!

Riku's not saying anything... So she wants Leona to decide what to do... Hmm. letting her make the choice. Whatever she decides is what she wanted to do...

So... gagging and blindfolding me... Was that part of her plan to get Leona to act on her own desires? Fewer eyes, less judgment. Riku, you're pretty clever.

Overthinking it...

It's so big...

Even before mine shrunk... and when it was hard... it was still smaller then hers when shes soft...

Mei
I wonder what
Leona will do...

Dribble...
