

A-Are you done get... We're going to be late...

Not get... I need more time.

Risa, hurry! I want to see as well!

...I was not expecting this.

W-Why did I agree to show them...

It's what? Stop being vague!

Leona... Your penis... It's...

It's hella small...

and Half it's length is her foreskin...

But...

IT'S SO
CUTE!

Cute?

That's it

It's almost
as cute
as you~

I know right?

IT'S ADORABLE!

Y-You dont think it's weird being so small... it's basically useless..

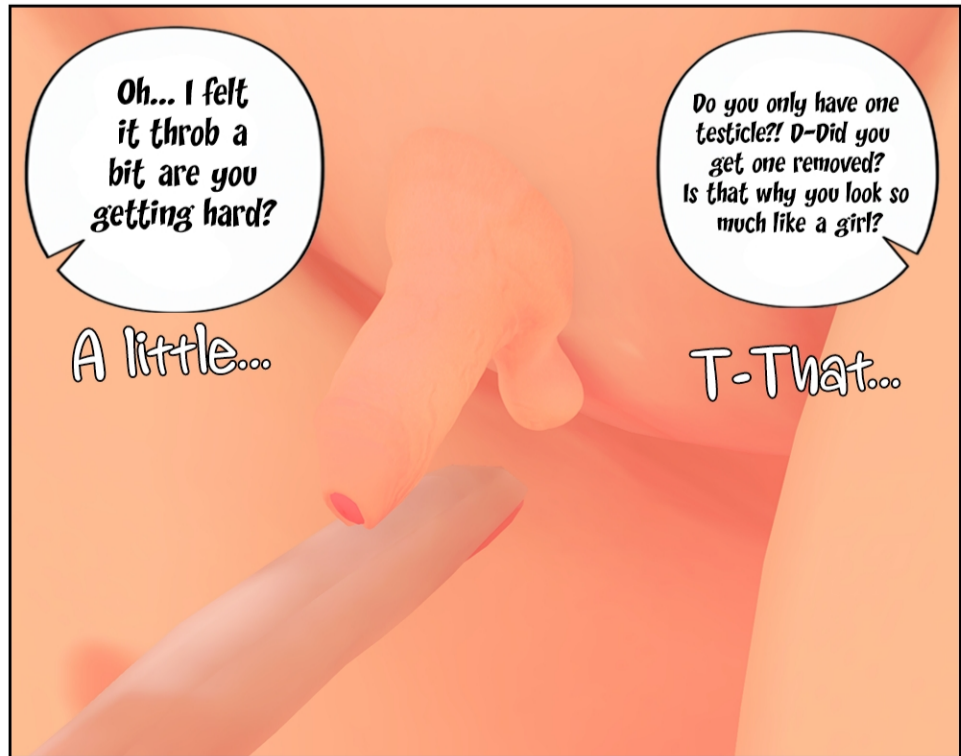

Small penis are justice!
Big ones are ugly and stink!

Size doesn't matter. We got dildo's after all.

Woah... It's so soft. Do you moisturize it?

No...

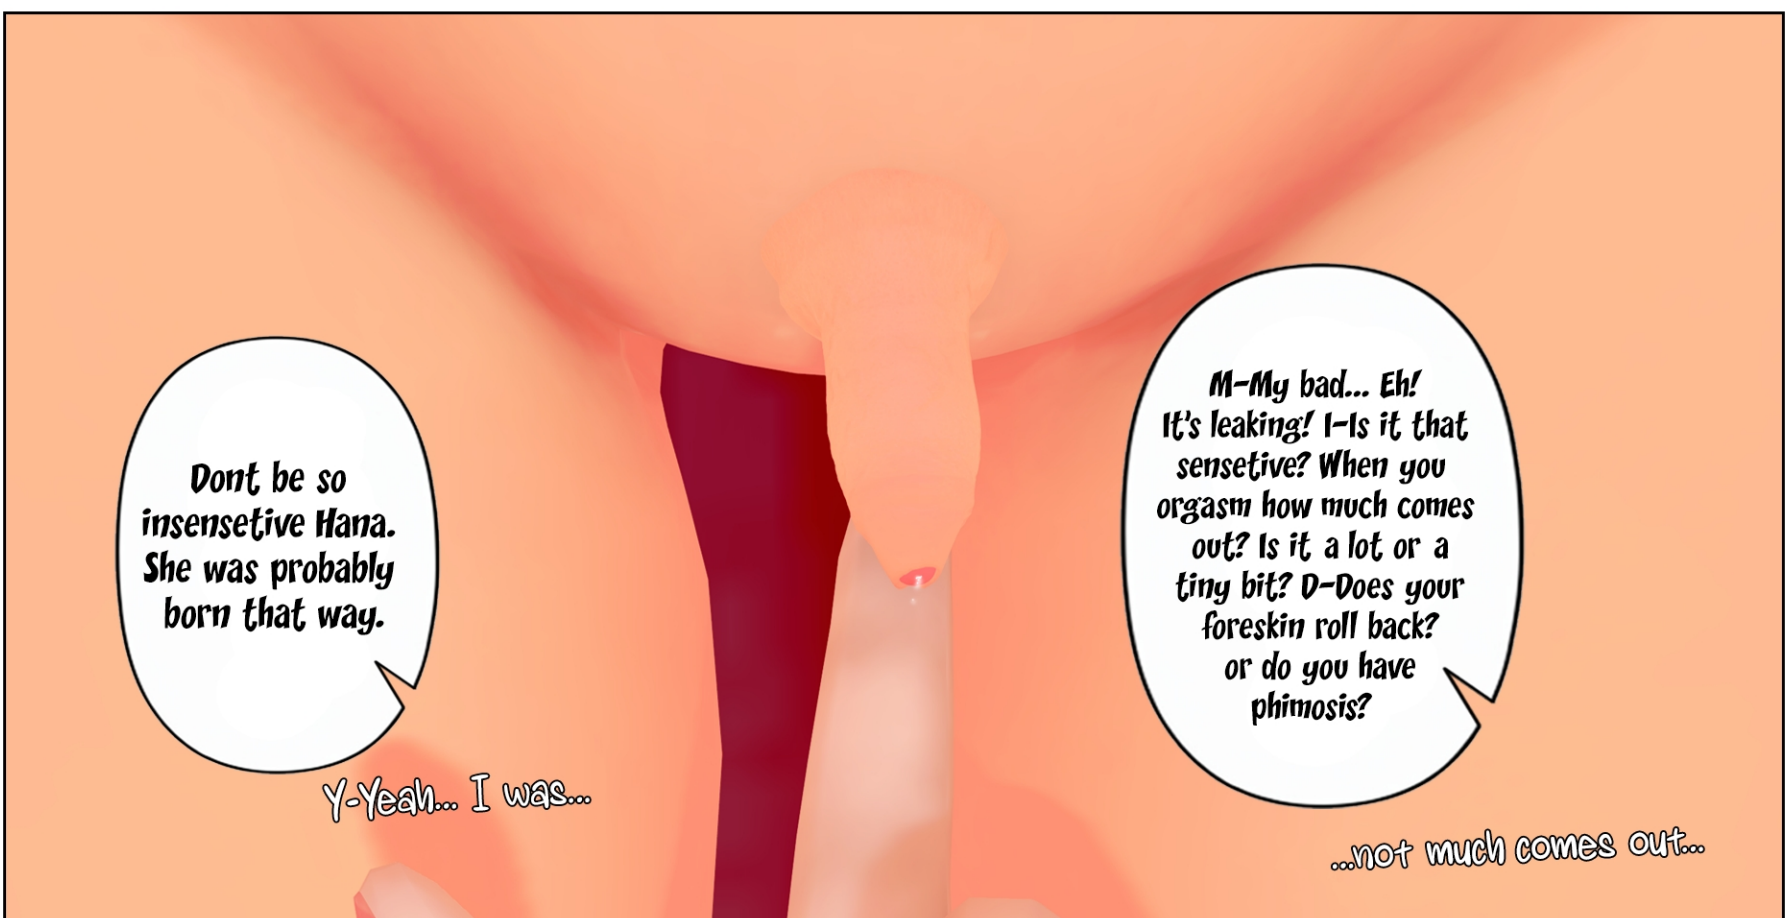

Oh... I felt it throb a bit are you getting hard?

A little...

Do you only have one testicle?! D-Did you get one removed? Is that why you look so much like a girl?

T-That...

Dont be so insensetive Hana. She was probably born that way.

Y-Yeah... I was...

M-My bad... Eh! It's leaking! I-Is it that sensetive? When you orgasm how much comes out? Is it a lot or a tiny bit? D-Does your foreskin roll back? or do you have phimosis?

...not much comes out...

It's become more sensetive recently...

Ahh...

Huh? that's odd...

KA-CHIK!

W-Why would you...?

The photo you took!
Please delete it!

B-But... It's not like I did anything wrong.

Please! If anyone see's that... It's over for me.

At this rate he's going to run a gain... I need to persuade him... If my breasts aren't enough... I'll just...

But it was the last one...

Delete it and I'll give you a Handjob and show you my Breasts...

W-Why is she going so far... Does she also...

F-fine but... Instead could you pretend to be my girlfriend... and do girlfriend stuff with me...?

Girlfriend stuff...?

Like what...?

Uh.. You know GF stuff. Nothing extreme... Just for a week! Then I'll delete that one image but none of the others!

I guess It's better than what I offered... Thankfully he doesnt seem like a bully... But he still took that picture... What a creep.

Fine, just for a week though! Deal?

Deal... I suppose deleting one photo won't hurt at least I still have the others.
