

**Leona has been  
Disqualified!**

I... I lost?  
But I pushed  
her off! I even  
flashed the  
crowd...

Wooh!  
Wooh!

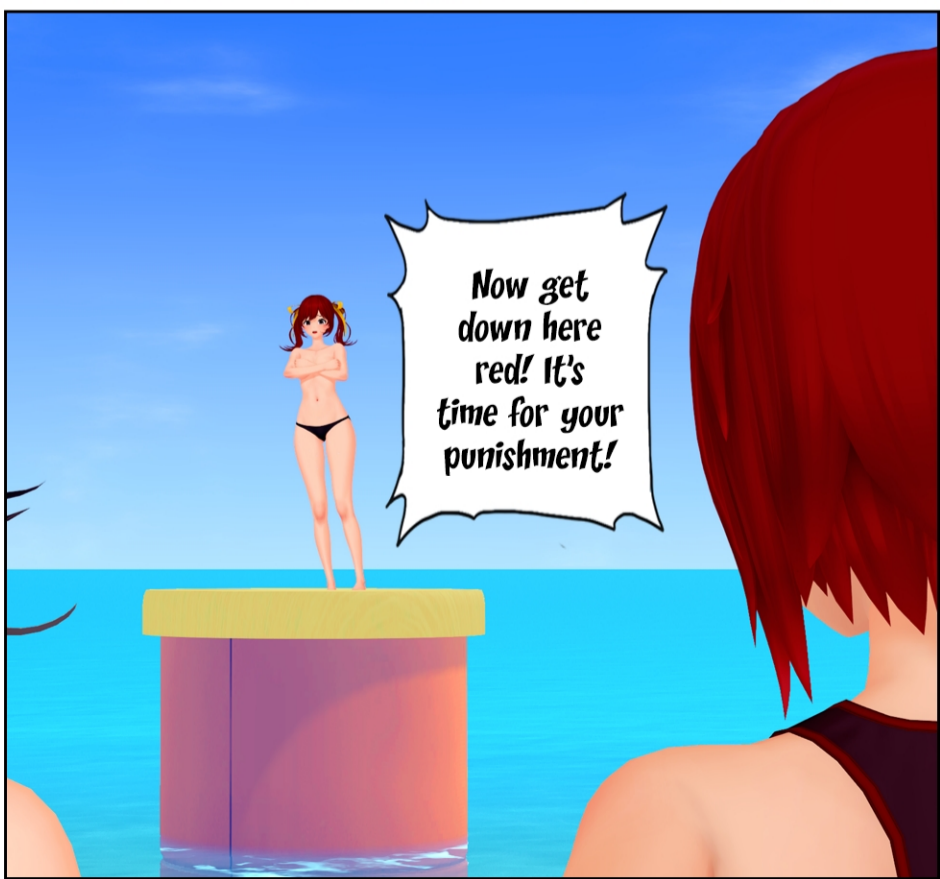

Wooh!

Wooh!  
Wooh!  
Wooh!

You might've  
caught her  
off guard, but  
your bikini  
caught the  
floor rookie  
move!

We're lucky it  
was only that,  
I can't imagine  
the chaos if  
she lost her  
bottoms.

Now get  
down here  
red! It's  
time for your  
punishment!

W-What  
punishment?

Later...

In Keijo, players battle on floating platforms using only their boobs and butts!

Preposterous! W-What a ridiculous sport!

More like amazing!

Indeed a truly amazing sport!

To win you need to knock your opponent into the water or if their bikini falls off, they lose instantly!

Mei  
...And this punishment occurs if you reveal your breasts...

Riku  
I shall free so many titties! Muahaha!

We're back.

Why does this always happen to me...

...Why is she hiding behind her?

Oah? Paws...? Let us see!

Stop hiding and show us. If you dont...

**Mhm!**

Nice. I just wanted the cat stuff but you went above and beyond Good job!

Uh-huh... Does everyone around here have a screw loose?

Well I know who's not "loose" Hehe... Well, I gotta get back to my team. Gotta win this thing!

I guess I'll get going as well. I dont want to lose to Riku. Good luck Leona.

I'll also be going. I'm the nurse after all can't leave my post for long.

...What about the gag...

Normally, I'd be mortified... but after what happened earlier? Eh, this is nothing.

Hey, Red! I've got a job for ya!

Eh... What are you wearing... Creepy...

Being called creepy by the creep... Sigh...

Well that doesn't matter I need you too!

No way?

T-That her?

Whisper...  
y-You know what to do leona...

Yeah! She's my GF!  
She's smoking hot  
right?

I'm right here  
you know! Stop  
talking like  
I'm some  
thing!

I'm proud  
of you.

Told you  
she's real.

?

Dayum!
