

Speaking of Riku, where is she?

Oah...

So, spill it! You diggin' my technique~ or nah~?

Mei VS...?

I was to face Riku first, yet it appears she has vanished. Nonetheless... I prefer this.

Y-Yeah...?

I wasn't expecting to go against you this early... I'll try my best not to hurt you... Seeing as you don't have much...

...Much what? Tch. Leona, I was going to go easy on you, but not anymore. I'll show you exactly how a petite, 'frail' girl can take down a bigger threat. Easily.

A-Ah, I didn't mean it like that, Mei I... I'm just bigger than you, that's all.

I'm aware of that, but I will demonstrate it nonetheless.

S-She's so slow... I could've easily thrown her off by now... I guess I'll let her land one hit, just for fun.

You really shouldn't underestimate me.

...This position's kinda lewd... Like, I'm about to... Ah! Don't think that! I can't get hard people might see.

Whisper...
Just imagine my body slowly drifting closer, tracing the growing curve right where you're most sensitive...

Eek! Why is she saying that?! I'm... ahh...

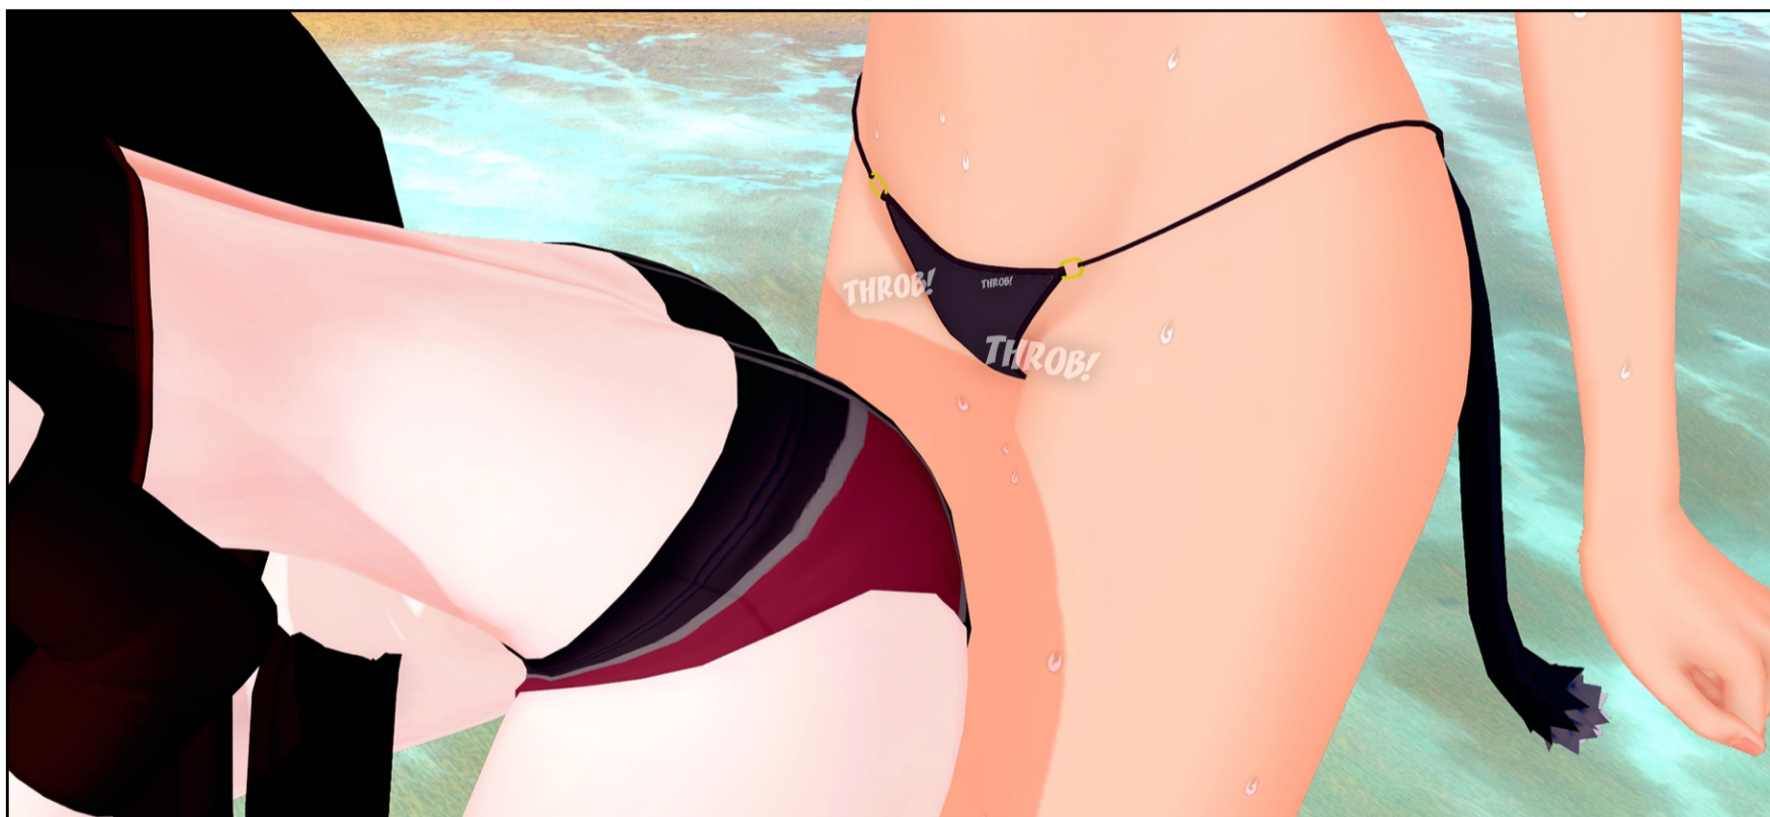

HINGH!?

THROB!

Oops... Did someone let their guard down?

Ah! Wh-why did she hit there?! It... it really hurts..

THROB!
THROB!

Kyah!

I'm the one who secured that earlier. I know exactly how to inflict the most pain. You should've realized that sooner.

Oh? Why is Red having so much trouble with a simple assjab?

Who knows... Well I guess I do. She's quite the cold blooded lass.

Oh no, watch out, Leona people are starting to wonder why this is hitting you so hard. Don't let them find out. Show them you're fine~

...Your the one who put me in this position Uhh...

Haha! J-Just a cramp! I'm back on my feet!

Good girl, nice save.

Though, you made one mistake.

You really shouldn't have turned your back on me.

KYAH!

THWACK!

Ugh... that hurts so much... I can barely focus...

Now, fall.

Hmm, I guess I haven't really one-upped you or Riku yet, have I? Time to spice things up.

T-There's more..? I-I give up...

Hey, will the game end if she's still on the stage?

Nope. As long as she stays on the stage and doesn't surrender, the match continues.

I can't have them knowing you surrendered just yet, so... I'll stop you from talking~

W-What? What does that mean...?

.....!

Alright then, let's go for 100 face squats~

EHH?!
WHA?!

MMMHP!

10 Minutes Later...

Well, looks like Leona's out. Alright, Riku let's see how you show me up now. This is actually quite fun... Hehe...

Splaaash!
