

Ahh...

Mmm...

THEY WERE ONCE SO PETITE AND DELICATE... BUT THE WAY THEY FILL MY HANDS NOW? THE CURVE, THE SEXINESS I LOVE IT~

AND WITH YOUR NUBS STANDING SO ERECT, THERE'S NO HIDING HOW MUCH YOU LOVE THIS...

Mmm...

Ahh...

This feels...
really good,
but uh, could
you... Y-You
know...

What exactly
do you want? Should
I rub the nipple...
or the areola? Maybe
both? How about
I tug on your
cute erect nubbs?

...Y-Yes, b-but
that would be to
embarrassing
to say...

I-I... don't
know...

Then I'll do it all~
But later... For now
I think I'll edge you
a bit more~ After
all that's the best
way to get the
most out of you
isn't it?

Although... If you want we can speed thing's up~

HNGH?!

EH?

Hehe.. I merely pushed your breast up now... Why dont you give yourself a taste? Suck it.

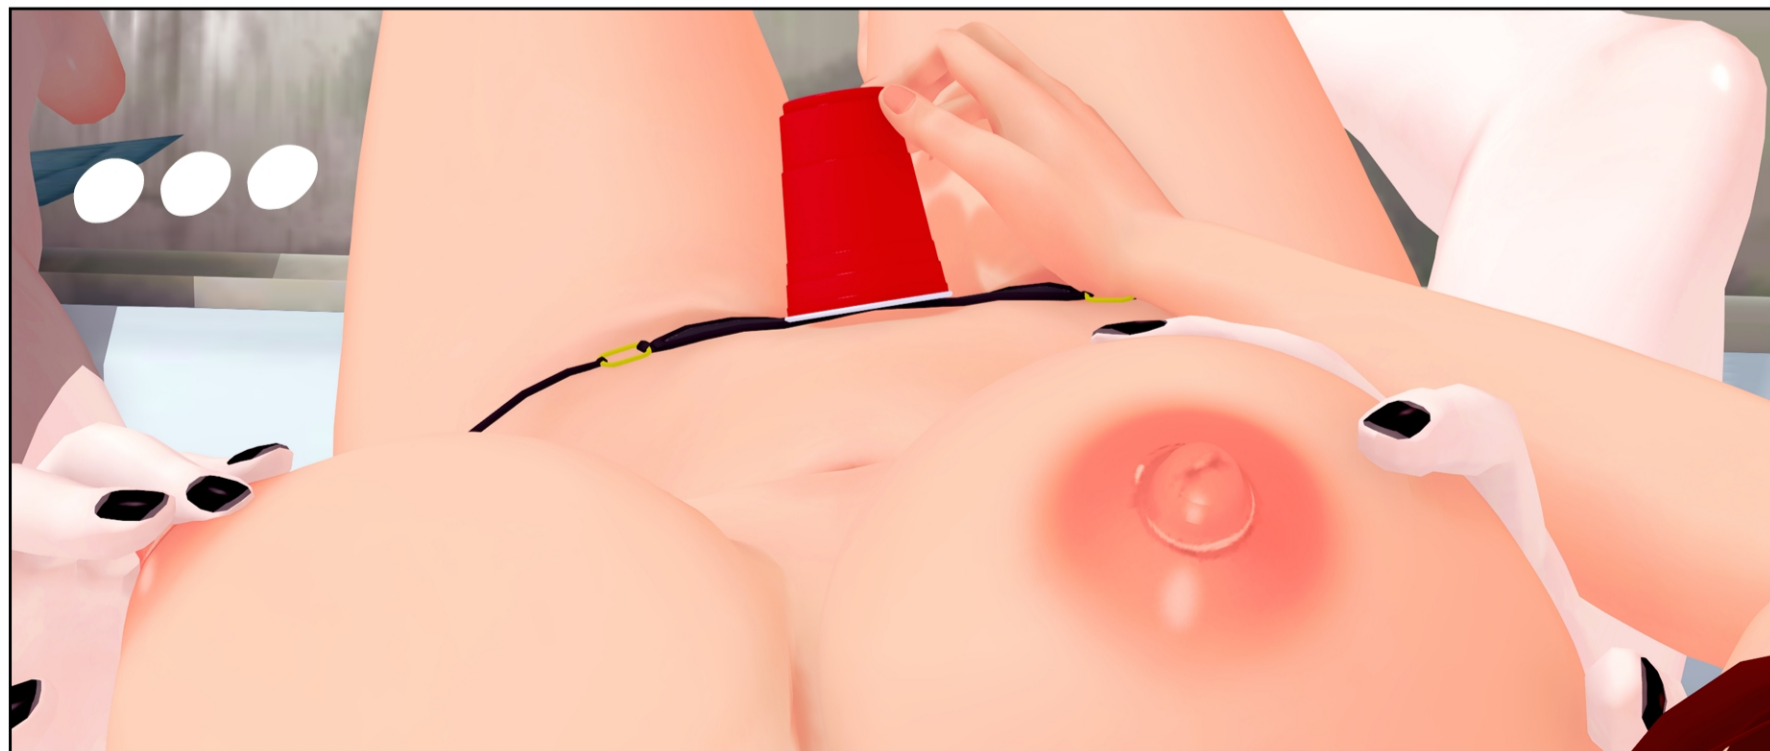

W-What...?
T-That's...
Uh...

Don't be coy with me.
Don't boys try to suck themselves off? Haven't you tried?

N-No...

That confirms it.
You've sucked your own cock before hehe...
I'd love to see that but for now... Suck your tit Leona
You'll love it.

Too easy~

Mhm!

Slurp!

SHZZK

W-Why do I feel pressure?

Oahn~

〇〇〇

SQUIRT!

Y-You can lactate?

Later...

**Good news!
The sperm is
healthy and I've
safely stored it.**

**Breast-
feeding...**

**That's good
news. Right
Leona?**

**Now, this is
your last
chance.**

**Are you guys
certain you
want this?**

Y-Yes.

Certainly.

Mei you will need to consume a Concoction orally.

Oh? Is that it... That's fine.

Leona to ensure maximum effectiveness. You need a suppository

A suppository? What's that?

W-WHY
IS IT SO
BIG-UKK!

It's better than
50 small ones...
Sorry...

...Good thing
you have
experience...

Inserted *ANALLY* for maximum effect.
