

Sorry, Leona
I need to get
this. I'll meet you
at home. Wait
for me.

Home

At least... I've got
more time now.
B-but... how
do I even
show her?

Yo! If it aint
the elusive
red!

Ah, Riku...
Good Morning...

Woah...
She looks
so cute in
that outfit.

You like? Thought
I'd go all out
for my date~

Your date...?

Yep! I met this fierce gal in the Keijo event and damn! She's all play no breaks!

Honestly, I think I'll get a shot at losing that dreaded V-Card today!

I-I see...

...I-I didn't realise she was getting with other people. I-I guess I understand.

Oh! You know I might invite her back for a foursome...

N-No! T-That's... A bit... Much....

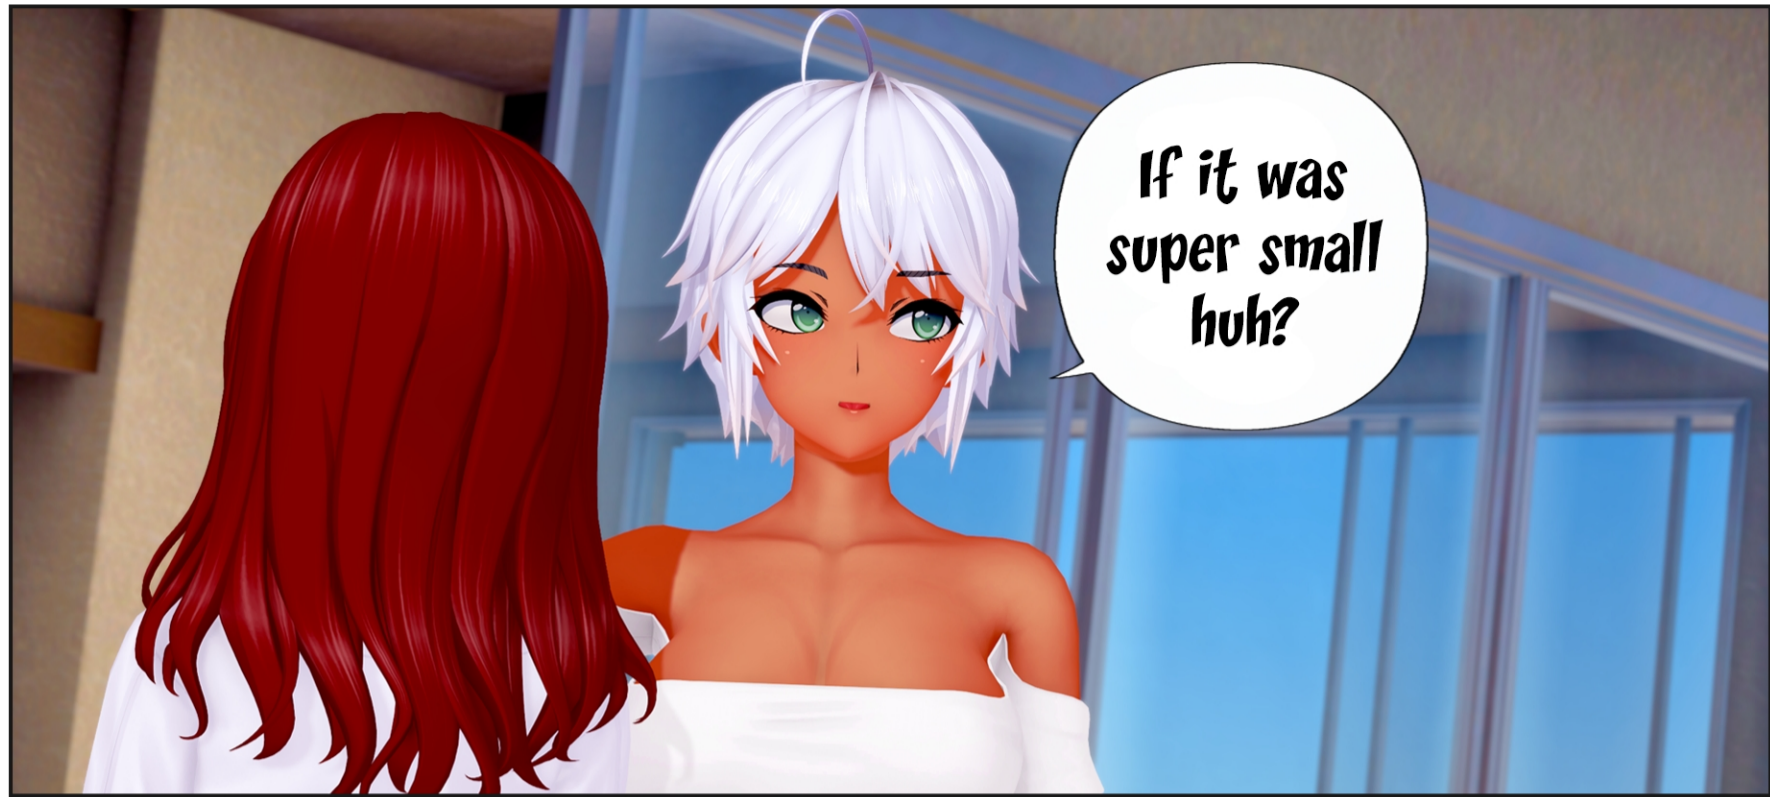

Well... See ya!
Let me get
one good rub of
the lucky boobs...

Hey you
alright
Leona?

R-Riku if... If your
thing was small... like
super small... What
would you do? How
would you do it...

Size doesn't matter. It never has.

Dont get me wrong it's fun but a dildo works just as well

And honestly I can speak for both me and mei. Your size? It's a massive fucking turn on.

And finally... listen up! The single most important thing in that moment wont be your size.

But how much you **Love** each other

Love is more important...

Eek!

Oh and... you reek of cum...

Later...

I think this is how Mei ties up her hair... Now it won't get wet.

Who would've thought Riku'd be the one to calm my nerves, haha...

Ahhhhhhhhhh...

...Love is what matters most.
