THERE'S NO POINT MEI I CANT GET HARD... I'M SORRY...

Would you just stop apologizing already?

be grateful!

She didn't give up, even when I lost all hope.

Is something wrong Mei...? Why are you looking away...?

Did she... get embarrassed?

Sorry... It's not you. It's just after all that.

I'm... a bit pent up right now. Just give me a moment, I'll be okay.

Ah?! How could I be so selfish... I've only thought about myself. I didn't even think about her... at all!
